ASKS COOPERATION TO FIGHT INCREASE

MOVEMENT ON FOOT AMONG COMMERCIAL ORGANIZATIONS TO RESIST RAISE IN INSURANCE RATES.

STATEWIDE IN SCOPE

Commercial Club at Mineral Wells is Taking Lead in Organizing Forces.

The Chamber of Commerce at this place is in receipt of a letter from the secretary of the Commercial Club at Mineral Wells calling attention to the raise in fire insurance rates in this state as a result of the action of the Insurance Board at Austin and asking the co-operation of the local organization in an effort to secure some relief in the matter. From the tone of the letter it will be inferred that there is a movement on foot for a concerted action on the part of the commercial organizations of Texas to resist the proposed increase and it is likely that the matter will be taken up with the state authorities in a very earnest way.

The letter referred to above states that the proposed increase, to take effect on July 15, will have the effect of increasing mercantile risks one-third, but there is a provision whereby the new rate will not effect policies, now in force and will only apply at the time of renewal. Residence risks, it is understood, will be increased from ten to twenty-five cents on the hundred dollars and is to take effect on the 15th of July on old and new policies alike.

This increase is as heretofore outlined in The Times and will very materially effect rates in this state, so much so that they will probably be higher than at any time for several years, and the effect of the so-called insurance trust, and it is probable that a strong protest will be made both by the commercial organizations and other interests that are to be effected in a general and special way by the action of the State Insurance Board.

Mr. Day will likely present the matter at the meeting of the board of directors of the Chamber of Commerce Tuesday and it is thought that some action in the way of a resolution may be taken by that organization.

CATHOLICS MEET IN SPANISH CAPITOL

Eucharistic Congress, Great World Gathering of Catholic Clergy and Laymen.

Madrid, June 24.—It is no exaggeration to say that the eyes of Roman Catholics throughout the world will be fixed on Madrid from now until the end of June. The occasion is the Eucharistic Congress, the great annual world gathering of Catholic clergy and laymen, the session of which was held last year in Quebec.

The gathering was officially opened today with a reception of the delegates by the Cardinal Legate of Madrid, who is the central figure of the Congress this year. The opening Mass and the solemn, inaugural session will take place tomorrow. At the conclusion of the session next Saturday there will be excursions for the delegates to Toledo, the Escorial and other points of interest.

There are a number of Americans in attendance, but their number has been considerably diminished by the attitude of the Vatican in discouraging Catholic leaders of prominence from visiting Rome, this summer. Probably the most distinguished visitor from across the Atlantic is Archbishop Broche of Montreal. Cardinal Gibbons of Baltimore is specially represented by two of the priests of his diocese.

Notice Restauranters. The privileges for restaurant and the Lakeshore Assembly the supply depot, and other privileges will be let by the Board of Trustees, Thursday June 29, at 3:30 p. m. Appear in person or send bids to F. Happy Day Wichita Falls.

Statement on Thorndale Lynching. Cameron, Texas, June 21.—Judge English who held the court of inquiry into the Thorndale lynching has issued a statement that the Mexican lad was but 13 or 14 years old; that he weighed less than fifty pounds and that he killed Zieshang (sic); the latter had called him unprintable names; that only five of six men participated in the lynching, and that "boarded officers and best citizens were helping catch the perpetrators.

There was a fair sized crowd in the city today and quite a little trading was done with the different merchants.

REV. J. E. ROACH, President of the Assembly Commission.

WICHITA WILL EXTEND HEARTY WELCOME TO ASSEMBLY GUESTS

The Times devotes considerable space today to the Lakeshore Assembly which will be held at Lake Wichita, July 24 to 31 inclusive and twenty-five hundred copies of the paper are being mailed out to prospective guests scattered throughout North Texas. To these Wichita Falls extends a hearty invitation to attend the Assembly. The people of all denominations here are calling the encampment "Our Assembly," and Wichita Falls is expecting to derive a great benefit from the Assembly and its association with the hundreds of splendid people it will bring here.

167 CARS OF BLOCKS HAVE ALREADY BEEN USED

Total of 322 Carloads of Materials Have Already Been Used in Paving. The paving company has been having trouble again today with the concrete mixing machine and as a result but little work has been done in completing this part of the work, of which there remains only about 600 yards unfinished. Of the paving proper the company has yet to lay about 4000 yards, when the contract in this city will be finished.

By Associated Press. Atlanta, Ga., June 24.—Hope has practically been abandoned of saving the life of General Clement A. Evans former commander in chief of the United Confederate Veterans.

The program committee has engaged talent with the end in view of providing something of interest to everyone. The Times assures those who do not already know that Lake Wichita is all and more than has been said about it. Although a drought has been over the land more than a year, it is estimated that there is enough water in the lake to supply the city and the irrigated farms for two years to come even if another drop of rain did not fall.

SENATORS ACCEPT PROVIDENCE REPORT AS CORRECTLY REFLECTING PRESIDENT'S ATTITUDE.

IS AGAINST AMENDMENT

President Declares He Would Veto Canadian Reciprocity if Amended.

By Associated Press. Washington, D. C., June 24.—It became known at the capital today that President Taft in talking over the long distance telephone in Providence, R. I., last night repeated to several senators his determination to veto the Canadian reciprocity bill in case any amendment is added to it. The news dispatches from Providence that President Taft would undoubtedly veto the tariff bills passed at this session are accepted by the senators as accurately reflecting the president's attitude.

SHOWS AT THE WICHITA FOR COMING SEASON

Partial List of Bookings Made by Marlow and Stone—Fewer Shows But the Best.

Through the American Theatrical Exchange in New York City Messrs. Marlow and Stone are now booking plays for the Wichita Theatre for the season of 1911-12.

LADS TAKE THE SECOND GAME

DEFEAT ALTUS YESTERDAY AFTERNOON BY A SCORE OF 10 TO 1.

VISITORS GET THE START

For First Few Innings It Looked Gloomy for the Wichita Falls Organization.

The Irish Lads yesterday afternoon again defeated the Altus team, the contest being even more one sided than that of the day before. Altus started off well but the locals recovered their batting eye and the ball was soon rolling all over the lot, so much so that Bergman for the visitors was removed from the mound and Bates substituted. Bates held the hits down for a time, but in the eighth the ball started rolling again with the result that the locals secured a total of ten runs, while Altus succeeded in getting but one man across the home plate. Features of the game were the home runs each by Witherspoon and Art Naylor.

IS AGAINST AMENDMENT

President Declares He Would Veto Canadian Reciprocity if Amended. The score by innings was as follows: Wichita Falls.....000 420 04—10 Altus.....010 000 006—1 Batteries—Altus, Flegman, Bates and Scott; Wichita Falls, Green and J. Naylor.

CLEBURNE 5, DURANT 5

Cleburne, Texas, June 24.—Cleburne succeeded in defeating Durant yesterday by the score of 5 to 5 after a hard fight. Both teams did some good playing and they seem to be about equally matched. This gives each one game out of the series of four games to be played here.

BONHAM 5, ARMORE 2

Armored, Okla., June 24.—Bonham won another game yesterday with a ninth-inning rally. The game was a pitcher's battle between Rice and Jost and was one of the fastest of the season.

ALLEGED LANDS SOLD TOO CHEAP

Mass Meeting of Citizens of Scurry County Will Be Held on July 3, to Discuss Sale of School Land.

By Associated Press. Snyder, Texas, June 24.—Alleging that the Scurry county school lands on the plains were sold by the county commissioners without advertising and too cheap, leading citizens circulated a petition today for a mass meeting on July 3. The lands were sold at six and two-thirds dollars per acre.

ARMORE, OKLA., JUNE 24.—MANAGERS HUMPHRIES AND HILLIS OF THE BONHAM AND ARMORE TEAMS RESPECTIVELY, WITH THE OTHER MANAGERS OF TEXAS OKLAHOMA LEAGUE TEAMS WILL MEET IN FORT WORTH TODAY TO PROTEST AGAINST THE LONG TRIPS TO ALTUS UNDER THE PRESENT LEAGUE GUARANTEE.

The managers of the Cleburne and Durant teams are said to be in accord with the movement. Unless Altus increases their refuse to make the long jump here.

DENISON WANTS TEAM

Denison, Texas, June 24.—An effort is being made here by baseball fans to have one of the teams of the Texas-Oklahoma League transferred to Denison for the remainder of the season. The name of the team is withheld as arrangements have not yet been completed. The difficulty in securing a ball park in Denison may prevent the consummation of the deal.

WILL REPORT HOUSE RESOLUTION

By Associated Press. Washington, D. C., June 24.—The Senate committee on territories voted six to three to report favorably the House resolutions admitting Arizona and New Mexico to statehood with a provision that the Arizona constitution containing the judiciary recall be re-submitted to the people.

B. A. C. Klub.

The girls club held a very pleasant session Friday afternoon with Dorothy Heavers as hostess. Two guests, Miss Annie May Wristen of Baird, Texas, and Miss Pauline Brehm of Parsons, Kansas, were a pleasant addition to the members present who were Marie Shelton, Audrey Adickes, Tula Stokes, Lillian Bell, Pauline Richolt, Ruby Bachman, Celia Stayton, Bernice Jackson, Lillian Fain, and Pauline Mears. Progressive Peanuts and Charades were the games much enjoyed and Annie May Wristen sang and played a number of selections in a very pleasing manner much to the delight of her audience. The hostess refreshed her guests in the late afternoon with punch and cake and the meeting adjourned to meet next week with Lillian Bell.

Informal Party.

A number of friends found delightful entertainment last Monday evening at the home of Misses Sattie and Daisy Brooks east of town. The invited guests were Misses Ceville Moore, Katharine Bartle, Margie Zimmerman, Mabel Glick, Della Mae Womack, Cora Thompson and Nettie Tapp of Cleburne, Messrs Jeff, Jack and Edwin Moore, Harold Glick, Elpha and Bertie Zimmerman, Theodore Cagle of Hubbard City, and Howard and Willie Brooks. After enjoying various games and a number of musical selections, a dainty ice course was served by the gracious hostess and good-byes were said with assurances of a very pleasant evening.

Childrens Party.

On the afternoon of Friday, Mrs. S. D. Lynch, corner of Fifteenth and Austin made the hours from five to seven very happy ones for her small daughter Kathleen, by inviting in a number of playmates and friends to enjoy with her an informal lawn party. Markham Ferguson, Alice Burnside and Lillian McGregg assisted in looking after the enjoyment of the little ones and making them have a good time. Mesdames Ferguson, Young, Hursb, and Anderson very kindly lent their presence on the occasion, while Misses Dora and Cora Coon aided in serving simple refreshments after the children had grown tired of their games and plays. The little guests were Sibyl Kell, Mary Joe Kell, Saddle Adickes, Frankie Adickes, Elizabeth Thompson, Virginia Miller, Louise Montgomery, Judith Sherrod, Margery Mathis, Ella Merle Mathis, Myrtle Morris, Mabel Morris, Annie Lea, Mary Frances Collier, John Hlea Duke, Anderson Kemp, Flora Bruce Greenwood, Marjoretta Hunt, Ruth Fitzpatrick, Louise Fox, Margaret Burnside, Pauline Richolt, Maurine Norton, Kern Brown, Elizabeth Brown, Gretchen Avis, Ruby Avis, George Maxwell, Carol Maxwell and Helen Snyder.

Wooded by the Waves.

For fishing, dancing, picnicking or an auto ride, the lake is the attraction these warm evenings. Small parties seem to be the most popular just now and all through the Chautauqua continental crowds gathered before and after the entertainments, and whiled away a few hours most pleasantly. Among the picnic groups Thursday night was found a very pleasant one including Miss Myrtle Dockery of Fort Worth, Misses Florence and Bert Connolly of Dallas, members of the White house party, Misses Dola and Icie White, Messrs Weiss, Gaston, Roberts, and Dr. Garrison, and Mesdames K. A. White, Howard and McNell.

Sewing Society.

Mrs. Murph of Tenth street was this week's hostess to the neighborhood sewing club and it assumed the nature of a porch party. The warm afternoons pass more pleasantly with a bit of sewing to talk over and congenial company makes one forget the climatic discomforts, which only seem to be by being discussed. Why not add a clause to our by-laws making weather discussions a finable offense?

The Study Circle, "Western Women in Eastern Lands," will meet Monday at four o'clock in the church, every one who is interested in mission study is cordially invited to attend.

The program has been prepared as follows:
Devotional—Mrs. Collier.
"Forward and Purpose," Mrs. Kelly.
"The Woman's Century," Mrs. J. C. A. Guest.
The Movement for Education and the causes which produced it, Mrs. Bishop.

The Pioneer Society for Foreign Missions, Mrs. Shelton.
The First Methodist Institution, by Mrs. D. J. Carthers.
"How it came about that the Brooklyn Ladies Prayed for Japan," Mrs. Stayton.

"An Early Record and the story of a Consecrated Coffeepot," Mrs. Brown.
The Appeal of David Abel and his result in England and America, by Mrs. Tummons.

The contrast of the condition under which pioneer societies with those of the present day, Mrs. L. J. Waggoner.
The Organization of the Methodist Women, Mrs. Ezra Puckett.
Woman's distinctive contributions to Missionary Administrations, Mrs. Gus Wilson.

Mrs. M. L. Kelley will have charge of the study course.

The Ladies of the Woman's Foreign Missionary Society of the M. E. Church South, were very pleasantly entertained Monday afternoon at the home of Mrs. Stayton on Fifteenth avenue. Mrs. Collier presided in her usual able way. Mrs. M. L. Kelley led the devotional service bringing out many helpful thoughts in the lesson, her subject was "David's plea for an enlarged kingdom, God's command and God's promises."

In the absence of Mrs. Sibert, Mrs. Fleming acted secretary protiem. The quantity indulged in.

Treasurer, Mrs. Stayton made an excellent report.

Mrs. Shelton read a leaflet, "Not Instructed, Why Not?" Mrs. McDowell read from the Missionary Voice an article on "Our Medical Missionaries in Foreign Lands," showing that to heal the body means the saving of many souls.

Unification of the home and foreign societies was discussed quite freely, but no definite conclusion was arrived at. These meetings are being held in the homes of different members during the summer months and are largely attended and always very interesting. Mrs. Stayton was assisted by her daughter, Miss Edith and Mrs. Yeager in serving a tempting ice course and each one felt that we had spent a most delightful and profitable time.

Social Meeting of Teachers.

A social meeting of the teachers of the First Baptist Sunday school convened at the home of Mr. and Mrs. W. L. Robertson on Tenth street Friday night. Mr. Toland is general superintendent, Mr. Phillips superintendent of adults, Mr. W. W. Brown of Intermediate, Mrs. W. H. Davis of Juniors, and Mrs. Boone of beginners. About twenty-five of the force was present including besides the above named Mrs. Clasbey, Mrs. Jackson, Mrs. Foster, Mrs. Smyte, Mrs. Smith, Mrs. Pilgo, Mrs. Cook, Mrs. Frey, Mrs. Johnson Messrs. L. H. Lawler, H. A. Fairchild, Brite, Trevathan, Barron, Erwin, Dr. Nelson, Mr. and Mrs. Burgess, Mr. and Mrs. Farris, Mr. and Mrs. Brown, Miss Minnie Young and Imogene Brown. The various departments of the Sunday school were well represented and a profitable discussion followed talks on Primary work by Mrs. Davis, Intermediate, by Mr. Barron, Adult, by Mrs. Phillips and the New Missionary school by L. H. Lawler. In conclusion the hostess served delicious ice cream and cake to her appreciative guests.

Class Picnic.

The class of 1910 will picnic at the lake Saturday evening. Those who will attend are Misses Gladys Truitt, Alice Waggoner, Laura Haines, Maude Walker, Anna Carrigan, Agnes Reid, Theresa Smith, Ruth Downing, C. Benson, Barton Stayton, Lester Jones, Wayne Somerville, Ralph Mathis, Jerome Stone, Clifford Fore, Eugene Leley, Guy Wilson and Wasee Yeager. This jolly crowd will be chaperoned by Mrs. Toland.

Happy Birthday.

At her home 610 Lamar street, Mrs. W. J. Haynes entertained for her daughter, Aline, twentylittle children on Friday from 3 to 5. Games, dear to children's hearts were played on the lawn, and afterward cream and cake were served them by Mrs. Haynes assisted by Mesdames Della Howard, Naylor and Miss Della Young. Many beautiful presents were given little Aline in happy remembrance of her fifth birthday.

Church.

Mrs. F. A. Carlson assisted by Mrs. T. C. Thornberry will be hostess to the social meeting of the Ladies Aid Society of the M. E. Church, Monday afternoon at the home of the former.

The Woman's Prohibition Club will hold regular meeting each Wednesday afternoon at the First Presbyterian Church.

The Ladies of the Maccabees will hold their regular meeting Wednesday at 3 o'clock p. m. This marks the close of the diamond and star contest. All members should be present.

The Ladies of the O. R. C. will have regular meeting Tuesday at 2:30 in the K. P. Hall. Refreshments will be served to division and guests at the home of Mrs. Harry Stewart, 1208 Twelfth street from 8 to 14, by Mesdames George Hurst, D. Della, and Harry Stewart. All are cordially invited.

Girls Sewing Club.

The club meeting was held Tuesday afternoon at the lake where a number of the members were enjoying a house party. Those in attendance included Misses Lucille Brooks, Temple Thobe, Jewell Kemp, Carrie Kell, Phoebe Bishop, Mary Martha Bishop, Vivian Mathis, Esther Gorsline, Mrs. Mary Walker and as guest Miss Adalyne Gibson. The house party proved themselves hospitable entertainers and a most enjoyable time was had and light refreshments served in conclusion.

Lawn Social.

A very pleasant lawn social was held at the home of Mrs. O. S. Martin Friday evening by the member of the Methodist Episcopal Church and a goodly company attended.

House Party.

Miss Mabelle Copton left Tuesday morning for Gainesville to join a house party given by Mrs. B. C. Woodridge to her girl friends who have just returned from New York and Washington schools. Saturday they join a five days camping party of Gainesville society folks seven miles up the river. A letter from Miss Mabelle assures her friends that she is having a glorious time.

Joy Ride.

One of the notable social events of the week was the automobile ride which Mrs. C. W. Snyder gave to Miss White's house party early Sunday morning. So much genuine enjoyment can be crowded into an affair of this kind that one wonders why similar pleasures are not more frequently acted secretary protiem. The quantity indulged in.

SOCIETY PERSONALS.

Mrs. George Lawler and children will attend installation of offices in Eastern Star at Iowa Park tonight.

Daughters of Rebekahs will hold regular election of officers Monday at 3 o'clock p. m. Visiting members cordially invited.

Mrs. Gorsline, mother of E. B. Gorsline and Otis Gorsline, is reported quite ill at her home on Travis Street.

Mrs. T. B. Smith went to Seymour, Wednesday for a short visit to friends.

Mrs. S. E. Trevathan and children left Thursday to spend the summer in Amarillo.

Miss Eunice Birk, of Iowa Park, arrived yesterday for a visit with the Misses Haynes.

Miss Vera Taylor leaves Sunday for a few weeks visit in Linden, Texas.

Miss Schnee leaves Sunday for her home in Kansas City.

Mrs. J. L. McKee and son John will leave shortly for their summer home in the Ozarks where they expect to remain until September. Alexander, who has been in school in Chicago, will meet them en route and later Dr. McKee, will join his family for the summer vacation and all will return when cooler weather prevails.

Mr. and Mrs. Griffin of Altus arrived Wednesday to spend some time with the latter's sister, Mrs. J. C. A. Guest.

Captain McDonald of Quannah made a short visit with his sister, Mrs. McCauley Tuesday, on his way to Mineral Wells.

Mrs. Baker of Fort Worth is a visitor in the home of her daughter, Mrs. J. W. Clasbey on Lamar avenue.

Mr. O. D. Mang of Dallas who participated in the pleasures of Miss White's house party left Wednesday for home.

Mr. K. A. White spent a few days with home folks last week and Yeager.

sumed his travelling Wednesday.

C. V. Shirland of the City National Bank is away on his vacation. Among other events he will attend his sister's wedding in DeWitt.

Misses Helen and Fay Dale of Iowa Park visited Lillian Bell this week and attended the John Knox entertainment.

Misses Florence and Bert Connolly house guests of Mrs. Icie White for a couple of weeks will return home Monday.

Mrs. O. E. Maer and daughter Marian who have been visiting with relatives and friends for the past week returned to their home in Childress Friday afternoon.

Mrs. W. M. Edwards who has been a member of the house party at the home of the Whites on Tenth street went to Fort Worth for a visit this week before returning to her home in Chickasha.

Miss Lucille Brooks will leave Tuesday to spend the summer in Colorado Springs. Her aunt, Mrs. B. W. Lewis of Paris, Texas, has engaged a cotage and will entertain a house party of girls, three nieces, and in August two young ladies from Springfield, Mo., will join them for the remainder of the season.

Misses Mabel and Pauline Brehm of Parsons, Kansas, are visiting their sister, Mrs. Kenney.

Miss Annie May Wristen of Baird, Texas, a recent visitor of Tula Stokes, has returned home.

Miss Claude Seurlock of Cleburne is a guest in the home of Mrs. R. H. Thompson, 1004 Burnett St., and she will accompany the family to Colorado for the heated term which they anticipate spending at Cascade.

Mrs. S. M. Collier, mother of Mr. Frank Collier the clothier, left Thursday for Phoenix, Arizona, to spend the summer with her daughter, Mrs. Harry West.

Mr. and Mrs. Ernest Dickson of Ft. Worth were recent visitors of Mr. J. D. Horton and family on Burnett street.

Mrs. B. F. Dutton left Thursday for Wichita, Kansas, her summer home, where she expects to spend the summer.

Attorney C. C. Huff left for Virginia Friday, via Chicago. He is expected home the first of the week accompanied by his wife and daughter who have been visiting relatives in West Virginia for some weeks past.

Mrs. P. P. Langford, her mother, Mrs. Hyatt, two children and a nurse left Wednesday for the Northern lakes, where they have a cottage for the summer. Mrs. Langford's sister, Mrs. Wadsworth of Detroit, and family will join them and all spend the heated term together.

Mr. Talley in returning in his new car from a month's sojourn in Mineral Wells was met in Fort Worth by Walter Reid who accompanied him on the remainder of his journey and both were satisfied that a Cadillac will do to pin ones faith to.

Mrs. Mytinger honored Miss Matlock with a summer luncheon before she went home to spend her vacation in Koonok. Miss Matlock, before her departure was the guest of Miss Grace Nolan and Miss Lillian Avia for some days and they with Miss Adalyne Gibson were the favored guests of Mrs. Mytinger. Mrs. Householder was an afternoon visitor and cleverly read the prospectus of the other guests to their evident enjoyment, and possible enlightenment.

Little Ruth Nolan has returned from her recent visit with friends at Holliday.

Junior Endeavor Picnic.

Misses Olo Mae Hamlin and Myrtle Henderson who have the Junior Endeavor of the Christian Church in charge, having promised the children a picnic when they succeeded in getting a membership of fifty, carried out their promise with seven more than the required number. Thursday evening was the time selected and Floral Heights the place toward which the happy crowd turned their footsteps, well armed with boxes and baskets which later revealed a tempting array of good things to eat. Miss Ruth Trueblood assisted in the games and plays of the children and will become a permanent helper in the Endeavor work when Miss Myrtle Henderson goes away to school.

A Jolly Picnic.

Among the picnic excursions to the lake Thursday evening, that given in honor of Miss Frances Buell of Dallas, guest of Miss Helen Fitzpatrick, was easily one of the most enjoyable. After the Chautauqua entertainment, supper and dancing filled in a very delightful evening for Misses Buell, Fitzpatrick, Jalonic, Orth, Avis, Reid, Carrigan and Messrs. Jalonic, McKiernan, Stayton, Ernest, Fain, Orth, of Oklahoma, McGregg, Thomas and Brown. Mr. and Mrs. Fitzpatrick chaperoned the party.

Texas has plenty of room to grow and it is growing rapidly in both cities and the agricultural regions.

Are you not ambitious that you might be able to write in a manner that would distinguish you from the careless and indifferent writing of a large part of the people.

A neat legible style of writing is absolutely demanded in the modern office, and without this ability you are greatly handicapped. Our success in this department has been successful to a marked degree. Decide today to spend an hour each day, during the summer vacation and accomplish something that will serve you to a great advantage during your entire lifetime.

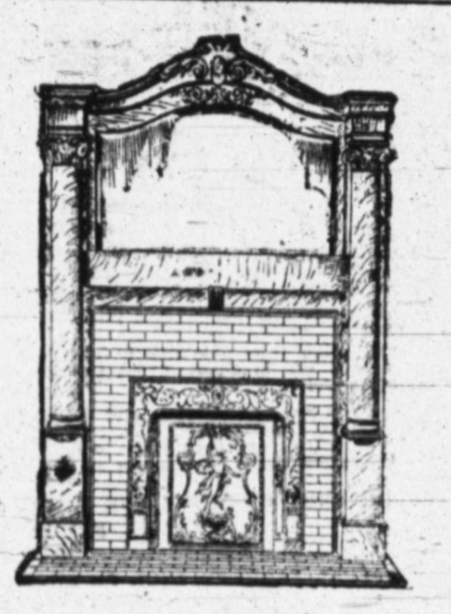

Our summer work, to begin on June 1st is meeting with popular favor among many whom desire to employ a few hours of each morning during the summer vacation by the studying of Bookkeeping, Penmanship, Banking, Shorthand, Typewriting and their natural branches.

MISSION STUDY AT LAKESHORE ASSEMBLY

In nearly every Southern state the Methodist church is maintaining summer resorts for conferences and class work in church methods and Bible study and Missions. This movement has perhaps done more than any other thing to stimulate interest in Missions throughout the Southern States. Each year an increasing number of young people attend these meetings. Church and conference leaders attend them and the interest in mission study has grown rapidly. The environment of the Chautauqua is such as to inspire the best work. The programs are furnished by men and women of deep consecration and world vision. With inspiring addresses and united earnest prayers it is not strange that many of our young people feel the hand of the Lord upon them and join the Volunteer hands for special service. Some of the most earnest and active workers in the church in home and foreign field have received their inspiration by the lake side in the shady dell or among the towering mountains. The Lakeshore Assembly will take her place among the worthy institutions of the church and hopes to succeed as well as the Assembly at Monticello, Tenn., the Seashore Assembly at Biloxi, Miss., and the Encampment-by-the-Sea, Corpus Christi.

THE PERFECT WAY.

Scores of Wichita Falls Citizens Have Learned It.
If you suffer from backache, There is only one way to cure it. The perfect way is to cure the kidneys. A bad back means sick kidneys. Neglect it, urinary troubles follow. Doan's Kidney Pills are made for kidneys only. Are endorsed by Wichita Falls people. R. F. Redin, 1214 Eleventh street, Wichita Falls, Texas, says: "Doan's Kidney Pills have been used in my family and they have cured backache and kidney trouble. We publicly recommended this remedy while living in Nacoma and we have no inclination to withdraw anything we said at that time. It was about two years ago that we learned the merits of Doan's Kidney Pills and since then we have never failed to advise their use when the opportunity has occurred." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

The Masons and the Eastern Star of Iowa Park will hold a joint installation tonight, after which a banquet will be spread. Mr. and Mrs. G. W. Later and Mrs. S. J. Ashmore of this city left on the afternoon train to attend the meeting and banquet.

THE ADULT BIBLE CLASS MOVEMENT

The Rev. Chas. D. Bulla is a member of the Baltimore Conference. He resigned the editorship of the Baltimore Southern Methodist to become the head of the Adult Bible Class Movement of the M. E. Church, South and has filled pastorates of several of the most important churches in his conference. Everywhere he has been the loved and trusted friend of the

young and old. He has used the Epworth League and Sunday school with marvelous success, for building up the Kingdom of God. During his pastorate at Alexandria, Va., a most beautiful and commodious young people's building was erected. Dr. Bulla is a versatile writer and has spoken to international conventions. He has done eminent service in every field of opportunity. He will be at Lakeshore in the interest of the Adult Bible Class Movement in particular and will be used in any Sunday school league work where he may be needed.

Effect of One Bottle. Crandall, Tex.—"After my last spell of sickness, writes Mrs. Belle Teal, of this city, 'I remained very ill, and stayed in bed for eight weeks. I could not get up, all this time, and thought my doctor came to see every day, he didn't do me any good. I had taken but one bottle of Cardui, when I was up, doing all my housework.' Cardui helps when other medicines have failed, because it contains ingredients not found in any other medicine. Pure, safe, reliable, gentle-acting—Cardui is the ideal medicinal tonic for weak, sick women. Try it."

Miss Helen, the twelve year old daughter of Mr. and Mrs. W. H. Sears at Fort Worth, died this morning from typhoid fever. The remains will be interred at that city. Miss Sears resided in Wichita Falls for some time during the construction of the Kemp and Kell building, her father being connected with the construction work, and she had many friends here who will regret to learn of her death.

Conservatory of Music

(INCORPORATED)

B. DUNAEVSKI, Music Doctor, Director

The Leading Musical Institution of the Southwest

Teachers Certificates and Degrees Up to B. A. M. Granted

In the organization of the Conservatory, the management has exercised every precaution to secure as director a musician and teacher of broad culture and one who understands the work thoroughly from the very foundation. In the selection of Dr. Dunaevski, we believe we have secured an exceptionally successful teacher. He was educated in the Imperial Conservatory of St. Petersburg, Russia, from which institution he was granted his degree Music Doctor. After completing his course there, he studied under noted teachers in Germany and France. In Paris, he studied under the inimitable pianist and teacher, Raoul Pugno.

Dr. Dunaevski will have full charge of the Conservatory and will be assisted by an efficient corps of teachers, specialists in their respective departments.

GREAT NEED FOR CONSERVATORY

Heretofore it has been necessary for all those who desired to secure a thorough course in the art of music to go to the older sections of the country, a goodly number having gone to Chicago and Boston. In the organization of the Wichita Falls Conservatory of Music, it has become possible for those desiring to take the advanced, as well as the elementary work, to take it here in Wichita Falls, and the quality of work will be as high as that received in any of the schools of this country. Affiliation will be effected with the leading musical institutions of this country and upon the continent.

MUSICAL EDUCATION A NECESSITY

It has become an established fact, recognized and acknowledged by the best educators of this country, that a musical education does as much to develop the mental powers of the student as do the so-called literary studies. In addition to the pleasurable feature of music as an art, the study necessary to master it has such a tendency to develop the mind as does the ordinary work. Top often people forget this advantage of music and neglect to start their children in music until late in life. To do this, not only interferes with the future development of the student's ability, but frequently handicaps them throughout their entire musical career. To secure the best results the child should be started in music when quite young, before the hands become stiff and the muscles rigid. While an older pupil may learn the theory of music more readily than the younger he or she cannot acquire the technique necessary for the successful performer. This part of the work can only be mastered by commencing before the hands have reached their full development.

ENTRANCE EXAMINATION

All students registering in the conservatory will be expected to pass an Entrance Examination. After this examination has been taken the Director of the Conservatory will assign the student to the proper year in the course. Students will not be allowed to change teachers without the consent of the director. In case of any dissatisfaction with a teacher, the student should report his or her case to the director, which will be thoroughly investigated and the cause, if any, will be corrected.

VOICE CULTURE **THEORY, HARMONY AND COUNTERPOINT. PRIZES AND MEDALS OFFERED.**

STRINGED INSTRUMENTS **WIND INSTRUMENTS**

MONTHLY REPORTS

Monthly reports will be sent to the parents regularly, so that the standing and progress of the student can be ascertained. Any failure to attend classes will be reported. Parents are cordially invited to come to the Conservatory to learn of the progress of the student, or for any advice concerning the student's promotion.

The Protective Bureau of the National Wholesale Liquor Dealers' Association, Cincinnati, Ohio, are now sending literature to Texas newspapers. The Times acknowledges receipt of some of it, also a letter which, among other things says: "The matter I send you will consist of news-stories, editorials and features gathered by a corps of responsible newspaper correspondents throughout the United States."

I would thank you to advise me if the reception and use of this material meets with your approval. This letter bears the signature of John M. Gregory. Not having time to make a personal reply the Times will say that it is always glad to receive and publish the news, but as for editorial matter, it does not care for that. The Times may not be strong editorially, but the stuff that finds place in its editorial columns is home-grown, and even if it were compelled to call for outside assistance, it is not likely that it will avail itself of the opportunity offered by Mr. Gregory. Doubtless there are some papers in Texas that will accept the "dope" as prepared by Mr. Gregory and palm it off as original, but that is a matter which does not concern the Times. It has had offers of this nature pushed at it before.

News Forecast for the Coming Week.
Washington, D. C., June 24.—According to present plans President Taft will remain in Washington until the end of the week, when he will accompany his family to their summer home at Beverly, Mass. The President's stay at Beverly however, will be very brief as he will almost immediately start for the middle West where he has several engagements to speak.
Little of political interest is promised for the week with the exception of the Democratic statewide primaries scheduled for Kentucky on Saturday. The primaries will end a spirited campaign that has kept the Blue Grass State in a ferment for many months. Governor and other State officers are to be nominated and a candidate for United States senator endorsed. Most interest centers in the senatorial contest. Senator Thomas H. Paynter is

a candidate for reelection and has for an opponent Olin M. James, the present Representative from the First Kentucky District.
Important conventions of the week will be the annual session of the American Medical Association, in Los Angeles; the annual meeting of the Catholic Educational Association, in Chicago; the meeting of the Southern Textile Association, in Greenville, S. C.; the meeting of the American Institute of Instruction, in Providence; and the fourteenth annual convention of the Federation of American Zionists, in Tannersville, N. Y.
Of interest to the followers of athletic sports will be the annual regatta of the Intercollegiate Bowling Association, at Poughkeepsie; the Yale-Harvard boat races, at New London; the Western open golf championship tournament, at Grand Rapids; the national track and field championships of the A. A. U., at Pittsburg; the cham-

ionships of the Royal Canadian Golf Association, at Ottawa; the championship meetings of the Canadian Wheelmen's Association, at Waterloo; and the opening of the summer meeting of the Niagara Racing Association, at Fort Erie.
The festivities following the coronation will make the week in London a brilliant one. Of paramount interest will be the State visit of the King and Queen to the City of London on Thursday and the King's fête to 100,000 children at Crystal Palace on the following day. Then there will be the gala performance at Covent Garden Opera House, a garden at Buckingham Palace, a gala performance at His Majesty's Theatre, the great dinner and ball to be given by Lord Derby, The Dominion Day dinner and Lady Strathmore's Dominion Day reception at the Imperial Institution, a dinner to be given by the Pilgrims in honor of John Hays Hammond, the American ambassador to the coronation.

A meeting was held at the office of the North Texas Gas Company last night at which the matter of organizing a Tennis Club at this place was discussed but without action. Preliminary matters were gone over and an meeting will be held within a short time at which officers will be elected and a permanent organization effected.

J. H. "Cyclone" Davis is this afternoon delivering an address to a large audience in front of McClurkin's store, where he will speak again tonight at 8:30 o'clock. He is speaking in behalf of statewide prohibition upon which subject he is perhaps eye of the best campaigners in the state.

part and his special assistants. It sets forth in detail the agreements by which the defendants at various times since 1901 were alleged to have secured for themselves and others the management and control of the various defendant roads, their branches and steamship lines and to have operated them ever since in restraint of trade.

Since the suit was filed Mr. Harriman and Mr. Rogers have died. Judge R. S. Lovett, successor of Mr. Harriman in the railroad system, was by stipulation made a defendant; Attorney General Bonaparte and Assistant Attorney General Purdy retired from office while the suit was pending. Hearings were held in many cities of the country.

Arguments were made in the case before Judges Sanborn, Hook, Adams

and VanDevanter, October 13, 1910 in St. Paul.

C. A. Sverance and Frank B. Kellogg argued for the government Judge P. E. Dunne of California spoke for the Southern Pacific; Former Senator John C. Spooner appeared for Henry C. Frick; N. H. Loomis—of Omaha for the Union Pacific, and David T. Watson of Pittsburg submitted a special brief and argued for all of the defendants. The judges of the eighth judicial circuit of the United States circuit court of the United States advised since the arguments.

The suit was tried in the circuit court under the expedition act of congress. Any appeal will be made directly to the United States supreme court.

Oil Prospectors Lease Lands There.

Judge Martin this morning overruled a motion for a new trial of the case of Charles Schmitt and pronounced sentence upon the prisoner. The trial of Clint Browning charged with murder is set for Monday and a special venire has been summoned. Judge Martin is disqualified in this and other cases set for next week and Judge Jo A. P. Diskson will preside in his place.

Charlie Stiles has recently returned from a trip to Amarillo and Childress in the interest of the Texas Railway Journal, published at Fort Worth, for which he is the agent in this part of the state. He reports having had a good business considering the condition of the country.

F. H. Day returned on the early train this morning from Childress where on last evening he delivered an address at a banquet given by the Commercial Club at that city. Mr. Day reports that the occasion was quite successful and that the banquet was attended by three hundred enthusiastic citizens of that little city.

Empire Building
 To look at the world's commerce through our ports, is like looking at the stars through a telescope and to see the gigantic improvements going on at our sea ports gives one confidence in the future of Texas. At Port Arthur, the Kated City Southern is spending \$2,000,000 in terminal facilities. The Gulf Refining Company is digging a canal from the turning basin to their plants which will permit vessels of twenty-five foot draught to land at their refinery and they are building concrete wharves almost a half mile in length to accommodate their shipping business. The Texas Company is largely increasing the capacity of their plant. The three companies now have under way improvements that will aggregate between four and five million dollars. When these triple giants spend millions in improvements that will last a century or more, it indicates that men with great business can see far into the future. After all, appreciating Texas is largely a question of mental ability.

Fourth Street Baptist Mission.
 Next Sunday, June 27th, there will be a special service held at the Fourth Street Baptist Mission, beginning at 10:00 a. m., with Sunday school exercises and at 11:00 a. m. preaching.

We are to make this a great day in the interest of the Kingdom of Christ. Let all the fathers and mothers come and bring their children, filling the house to overflowing.

Remember the house is well seated and everything is in fine condition for doing real work in the Kingdom. We are making arrangements to have a special program rendered and everybody is specially invited to be present and enlist in this great work. We ask that the fathers and mothers give us their children in the Sunday school and then help us to give them the very best advantages.

If the children are placed in Sunday school this generation must place them there. If they are saved this generation must be instrumental. Do not delay, but work today. Remember it is our purpose to serve you. Go with us, we will do you good. Those who are living are the only ones we can help. As you bring a

bliss to others it is reciprocated in your life. What you do for others you do for yourself. One of our mottoes is "Live for Others."
 C. R. STEWARD.

COMES A TIME.
 When Coffee Shows What It Has Been Doing
 "Of late years coffee has disagreed with me," writes a matron from Rome, N. Y.
 "It lightest punishment being to make me 'foggy' and dizzy, and it seemed to thicken up my blood."
 "The heaviest was when it upset my stomach completely, destroying my appetite and making me nervous and irritable, and sent me to my bed. After one of these attacks, in which I nearly lost my life, I concluded to quit the coffee and try Postum."
 "It went right to the spot! I found it not only a most palatable and refreshing beverage, but a food as well. "All my ailments, the 'foginess' and dizziness, the unsatisfactory condition of my blood, my nervousness and irritability disappeared in short order and my sorely afflicted stomach began quickly to recover. I began to rebuild and have steadily continued until now. Have a good appetite and am rejoicing in sound health which I owe to the use of Postum."
 Name given by Postum Co., Battle Creek, Mich.
 Read the little book, "The Road to Wellville," in pkgs. "There's a Reason."
 Ever read the above letter? A new one appears from time to time. They are genuine, true, and full of human interest.

THE BEGINNING OF LAKESHORE ASSEMBLY

IDEA ORIGINATED IN EPWORTH LEAGUE CONFERENCE AT STAMFORD.

ACTION BY CONFERENCES

North and Northwest Texas Conferences Name Trustees and Assembly Movement is Launched.

At the District Conference of Epworth Leagues in the Stamford District August 12, 1909, the following paper was adopted which was the first expression of the feeling that there ought to be located somewhere in the great and growing Northwest an Annual Encampment:

"To the President and Members of the Stamford District Epworth League Conference:

"Realizing the imperative need of coming together as Christian people for the exchange of ideas and mutual inspiration, and realizing that this kind of association is valuable, in a reflex way, and to a high degree, to the Church as well as to the individual, and

"Whereas, we now have no annual gathering of the great working force in the bounds of our Conference for the mutual exchange of such information and inspiration as is conducive to the highest forms of Christian usefulness, therefore, be it resolved

"I. That it is the earnest desire of the Stamford District Epworth League Conference, herein expressed, that somewhere, at the most beautiful and accessible point in our great northwest territory, we as a great Church, have an Annual Encampment of the Chautauqua type, bringing the strongest talent obtainable to our service and be it resolved

"II. That we herein memorialize the Presiding Elders of the Districts lying in the territory of the proposed new Northwest Texas Conference and of such other Districts as may lie contiguous to the Conference; and who may favor such a movement, to appoint one representative from each District to meet with the aforesaid Presiding Elders in joint assembly during the session of the Northwest Texas Annual Conference in Stamford this coming November. Said assembly to consider ways and means for the assembling of such an institution as has been hereinbefore mentioned in article I of this resolution. The establishment of the Encampment to be on the competitive basis, the town offering best location and bonus to have permanent Annual Chautauqua or Assembly, the institution providing its own entertainment.

Cost of Producing Oats in Texas
 Uncle Sam has been following the plow. He has just completed the rounds in his Texas oat field and has figured out the cost of production in 1909, and make the following report:

To prepare for the oat crop costs \$1.62 per acre; seeding \$1.10; planting 51 cents; harvesting \$1.36; preparing for the market \$1.78; miscellaneous 46 cents; interest on land value \$3.28; total of production \$10.11 per acre. The crop sold for \$16.07 per acre making a net profit of \$5.96 per acre. The average yield was 34.7 bushels per acre and sold for 46 cents per bushel. It cost 29 cents per bushel to produce the crop, leaving a net profit of 17 cents per bushel. The average value of oat land is placed at \$37.35 per acre and the average size of the oat field was 27.4 acres.

Uncle Sam is an up-to-date agriculturist and he likes the Texas farmer and is trying to teach him the value of book-keeping.

McClurkan's Mid-Season Clothing Sale

An event of extraordinary interest brought about solely by the fact that we must sell our line of Summer Clothing to make room for the Fall Line--In order to close out this line, we are going to make prices so attractive that no one can resist buying, and we want you to be sure and come at your earliest convenience after Saturday morning and make your selection.

**33 1/3
Per Cent
Discount**

We have cut just one-third of the price of every suit in the house, except solid blues and blacks, making the price to you just two-thirds of what it should be, and saving you thirty-three and a third per cents if you buy now. This includes all of our handsome grays, browns and mixed goods suits, all of which are of the latest styles and the very best materials.

**20
Per Cent
Discount**

From the price of our black and solid blue suits, we have cut twenty per cent, and this remarkable reduction applies to all of our very best suits, made in the newest styles, in the materials that are always staple.

The reductions apply to every suit in the house, and you know what a reduction means at McClurkan's. Not a mark up, mark down sale, but an actual saving of from Twenty to Thirty-Three and a Third per cent of the purchase price of cool, stylish, seasonable clothing, such as you must have right now.

REVIEW OF TEXAS INDUSTRIAL AND COMMERCIAL DEVELOPMENT

Childress county is preparing to enter a campaign for good roads. Brenham is endeavoring to hold an election for the missing of \$300,000 for building good roads in Washington county. A good roads club has been organized at Franklin for the purpose of building the Robertson county link of the Red river to the Gulf Highway. With the completion of the Houston ship channel, Houston will become the outlet for the grain producing States. The port of Houston is from 300 to 500 miles nearer the center of production than any other port on the Gulf, Atlantic or Pacific seaboard. Dayton, Texas, which has only been incorporated two years has just spent \$10,000 for a school building, \$110,000 on rice canals, \$85,000 on drainage and has just voted \$275,000 for good roads. A new oil mill company has been organized at Hubbard City with a capital stock of \$80,000. The plant will be erected and operated at once. The Magnolia Petroleum company will establish a plant at Paris for the distribution of its products. A location has been secured on the Texas Midland right of way north of the Gulf Refining Company's plant and the work of constructing the buildings will begin at once. The Alvin Ice Company has let the contract to a Houston firm for the boring of an eight inch artesian well. Work is to begin at once and will be finished by July 10th. Coleman is to have one of the heaviest single spring clips in many years. It is estimated that the clip will run to something near 300,000 pounds. Orange is to have a chair factory with a capacity for turning out 600 chairs daily. The largest deal known to the Yellow Pine Lumber trade in many years has been consummated at Houston in which J. L. Thompson, disposed of timber to a Kansas City party valued at \$600,000. The bond issue for \$150,000 for deep water at Orange carried by a large majority. The contract has been signed for the extension of the Frisco Railroad from Brady to Mason. Mason gave a bonus of \$40,000 right of way, depot grounds and 200 acres of land. its appearance in public. A stock company was organized and purchased the whale, mounted it and are now exhibiting it on a boat along the coast. For a small admission fee one is permitted to repeat the experience of Jonah by entering the whale, spend a while in its mammoth stomach and make their exit. The experience is a thrilling one and is said to increase one's power to tell fish stories. Texas Pastures. Uncle Sam has just completed an inspection of his pastures and he finds the Texas grass in better condition than that of any other agricultural State in the Union. Grass is the cheapest of all animal foods and we have more pastures and better pastures than any other State in the Union. The First Sale of Cotton. The first bale of cotton raised in the world, 1911, was produced at San Benito and sold on the Houston market, June 9th for over a thousand dollars. This beats the world record for early production, at least since the records have been kept. King Cotton has pinned all the blue ribbons on Texas and each year we break our own record.

According to the Federal Census Reports during the past decade the city population has increased 76 per cent, demanding more buildings and new cities. The 1900 census showed 191 municipalities and in 1910 we have 312 showing a net increase of 121 cities which is increase in cities of 64 per cent. Of new cities, we find San Angelo the largest in population having 10,231 inhabitants. The new cities are in the main due to the building of new railroads. We show an increase in assessed value of town and city lots during the past decade of \$307,425,283 which is an increase of 60 per cent. GET THE HOOK It has been a long time since we matriculated in the pharmaceutical kindergarten and begun to hand out the information that we were on earth to make others happy for cash, that is the reason we advertise in the newspapers. We have had the advertising bug from infancy, and have gone against every advertising scheme from printed powder rags to souvenir wash boards and learned from experience that as a medium for converting reputable merchandise into cash the newspaper has all other mediums nine miles down the speedways with a bursted tire and a dead engine. LAKE WICHITA IDEAL PLACE FOR ANNUAL ENCAMPMENT

Removed from the sweltering heat incident to city life when the thermometer is flirting with the hundred point to a delightful atmosphere where there is a continuous breeze, transformed from the scenes of business activity to surroundings that afford the beauties of nature and provide rest to the tired mind and overworked body, such is the advantage offered in beautiful Lake Wichita, than which there is no more delightful spot in this favored state of the beautiful Southland.

Possessed of every advantage known to the most admirable of all the popular pleasure resorts, it affords an inviting surrounding that can be appreciated by the most discerning pleasure seeker and enjoyed by the most particular of all the pleasure loving public.

Lake Wichita must be seen to be appreciated and one must visit it at frequent intervals to keep in touch with the extensive improvements being made from time to time. To the visitor of last year it will this season present many new and attractive features. To those who have not been on the ground in the last few months there are many new improvements that will at once attract the eye on account of the added attractions incident to these provisions for appearance and pleasure. In this connection it may be said that since the close of the season of 1910 the entire ground has been graded under the direction of a competent engineer, concrete walks and driveways have been constructed, trees have been planted, additional lighting facilities have been provided, the circle building has been completed and in the center thereof has been constructed entirely of concrete a large swimming pool and in the nature of provision for accommodating the public one thousand bathing suits have been provided, and last but not least a great improvement has been made in the grove below the pavilion providing an ideal place for campers and those who prefer living among the waving boughs of the splendid trees provided at this place by the process of nature.

Recently there has been added to the grounds, in addition to the swimming pool and the walks referred to above a series of arc lights with the aid of which the surroundings will be almost as light as day. Three of these lights have been placed at intervals along the walk from the Colonnade to Lakeside Hotel, while two of the number installed have been located on the lower ground, one at the new fountain under course of construction in the center of the automobile park. Other lighting facilities include two rows of incandescent lights, strung in opposite directions over the swimming pool in the circle building, a feature that will prove very attractive to this part of the grounds.

In addition to the more recent provisions enumerated above it may be well to again mention for the information of those who receive a copy of this issue of the Times and are un-

acquainted with the more generally known advantages of Lake Wichita, some of the attractive features that will be available to those who visit the Lake this summer.

As the first and most important consideration there is an abundance of water, the Lake as is well known being the largest inland body of water in the state and with but few exceptions in the entire country. Incident thereto the company has provided a large number of row boats, as well as several gasoline launches each with a capacity for carrying twenty-five people, affording ample accommodations for all those who wish to enjoy this pleasing and beautiful sport. There is an abundance of fish in the Lake, and those who enjoy angling for the finny tribe will have cause to congratulate themselves on account of this splendid feature of the attractions at Lake Wichita.

For public gatherings and meetings of any kind the splendid Colonnade building, erected at a cost of \$50,000, affords a most delightful place with the large auditorium upstairs through which blows a constant breeze of sufficient volume to render alike comfortable and pleasing any assemblage at any time day or night. This building is equipped with fifteen hundred electric lights and is a beautiful as well as comfortable structure.

Lakeside baseball park is also another of the improvements and those mentioned earlier in this article Lake Wichita indeed constitutes an ideal place at which to spend the summer days, and whether such a place is desired for pleasure or as a pleasing place for both work and recreation, no better resort can be found. In this connection it may be stated that liberal accommodations are provided at Lakeside Hotel and the several furnished summer cottages, and there is a splendid car service to the city with a round trip fare of 25 cents. This has been reduced to ten cents for the Assembly week. For assemblies, Chautauquas and other largely attended meetings such as is planned by the Methodists from July 24 to 31 inclusive, there is ample room and an ideal location for arranging private accommodations for any number that may wish to attend.

With these advantages with others to be added from time to time, Lake Wichita promises to take rank among the leading and most popular resorts in the state, and in fact it is doubtful if there is a point in the state other than Galveston that would be more inviting to those who are looking for the ideal place of this kind.

...SOME CREDITABLE FISH STORIES...

We are not given to accepting as truth all the current fish stories but as the following are from reputable and distinguished gentlemen whose names are signed, we accept them as being worthy of belief.

I took dinner with my old friend Butler Moore in Wichita Falls some weeks ago, and enjoyed immensely a fine dish of white perch. They told me that it represented an hours' sport on Lake Wichita.—J. W. HILL.

I saw some men fishing from the pier near the pavilion at Lake Wichita, and they made frequent catches of shining fancy croppies. It seemed to require no special skill to get the fish.—L. S. BARTON.

I met two men carrying a string of fish which they had caught during the

previous night and when held up the string of fish was longer than a man.—C. M. BISHOP.

During my visit and outing at the lake last summer, I saw four men go out to a small island in the lake and they returned with over one hundred white perch which they had caught with hook and lines.—J. E. ROACH.

They frequently catch carp in the lake weighing from ten to twenty pounds.—MAYOR T. B. NOBLE.

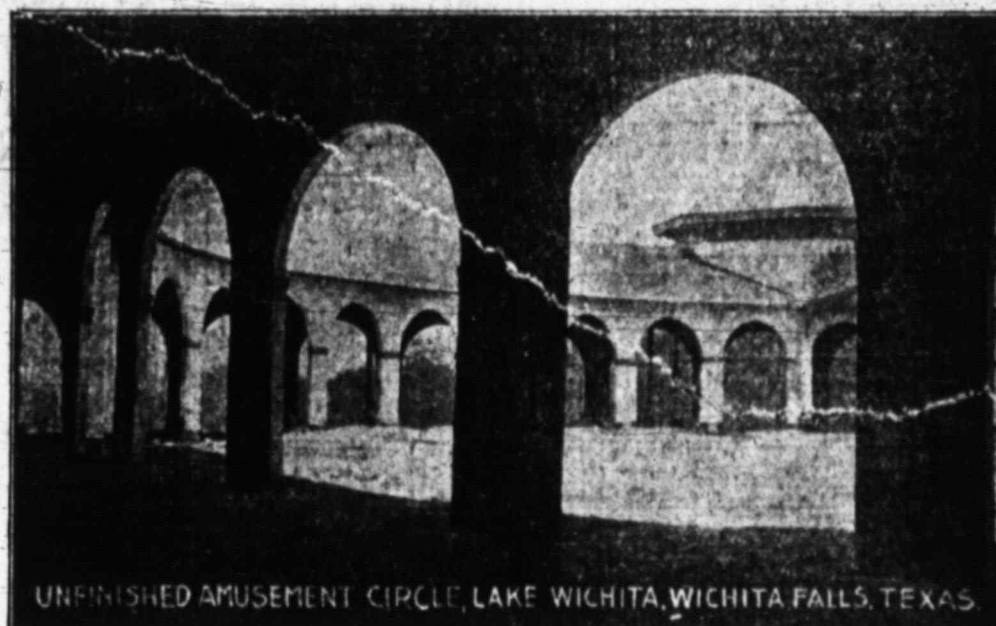

Almost anybody can catch "negro fish" (cat) but we have our sport in angling for the perch and game croppies.—R. M. MOORE.

Dr. Steele a Lecturer Who Has Won all Lovers of Dixie

Dr. S. A. Steele is a native of Mississippi. His early life was spent amid the turbulent scenes of the war for the independence of the Confederate States, which he so vividly describes in his great lecture on "Home Life in Dixie During the War." In that severe school he learned those lessons of self-reliance, fearlessness, and push, that have been characteristic of his career. He was about grown before he got a chance to attend school; but so well had he been taught at home, and so earnestly had he applied himself to study, that within three years after he left the farm in Mississippi, and while still an undergraduate at Emory and Henry College he was elected Chaplain of the University of Virginia. After serving in this position two years he went to the pastorate of one of the largest churches in Richmond. He has served the leading churches in the Methodist

He was Fraternal Delegate from the Methodist Episcopal Church, South, to the General Conference of the Methodist Episcopal Church, South, which met in New York City in 1888, and he made a notable speech on that occasion. He was elected by the General Conference of his church the first General Secretary of Epworth Leagues, and for four years was editor of its official organ, The Epworth Era, giving that paper a reputation for vivacity, spirit, and aggressiveness, such as few religious journals acquire. He has lectured in all the leading cities of the United States, and has few superiors either in the pulpit or on the platform. His lectures are brimful of color, humor, life and power. He has made Southern history a special study, and his masterly lectures on this subject are worthy to be heard from every

Leaders in N. and N-W. Texas Conferences Endorse Assembly

Field Secretary of Epworth League, North Texas Conference: I heartily endorse the action of the Trustees in locating the Epworth League Assembly at Wichita Falls, and am sure that it will fill a long list in our North and Northwest Texas Conferences. I pledge my very best support North Texas will spend the week in recreation, intellectual and spiritual development. Here is for the Lakeshore Assembly, July 24-31.

R. B. MORELAND, Bridgeport.

Stamford Collegiate Institute: I was Presiding Elder of the Stamford District and therefore present at the Stamford resolution looking to the establishment of a Chautauqua to be held somewhere in West Texas. I endorse heartily the movement at the time and have approved all subsequent movements. I think that the Lakeshore Assembly at Wichita Falls will be of great interest to the young people of this section of the state and I trust that they will gather there in great numbers from time to time. The daily programs offered for the eight days are rich, refreshing and will be profitable to all who may be present to enjoy them. I heartily endorse the entire movement and hope to meet all the old students of Stamford College and many prospective students there July 24-31.

J. T. GRISWOLD, Pres., Stamford, Texas.

From the Balconville District: I am pleased to learn that you contemplate holding an Assembly at Beautiful Lake Wichita this summer. The program is most excellent and I am urging our people to attend.

E. B. CASEY, Presiding Elder.

Manager of Kidd Key College: I am glad to say that I think the Lakeshore Assembly is a great thing for the mental, moral and social development of the young people of our church. I hope to be on hand and enjoy the encampment with you.

E. L. SHURLOCK, Sherman, Texas.

Kind words from Terrell: I most heartily commend the Lake Shore Assembly to the young people of our church in North and Northwest Texas. I have studied the plan and the program and there is promised to all who attend a splendid outing, a rare intellectual treat, and a moral uplift and spiritual blessing. I trust that the social as well as the religious life of our great church.

M. L. HAMILTON, Presiding Elder, Terrell District.

I have watched the movement from the beginning with keen interest. Am I needed with pleasure the work of the committee having the Lakeshore Assembly in hand. I am delighted with the many good things in store for our people of the Northwest. I am

Experts to Discuss Sunday School Methods

The Sunday school has outgrown the original of Robert Raikes or even the earlier founders of this mighty movement. In recent years the organization and consequent usefulness of the Sunday school has had a remarkable growth. There has been a great demand for trained men and women for this new department of church work. Great International Conventions have been held to study better methods of work. State meetings, denominational conference and local institutes have been held and still they have been inadequate to the demand for the equipment of the workers. The Assembly will seek to help in this work. Great International Conventions have been held to study better methods of work. Status of Methodist Schools in Texas

Bishop Atkins is a Tennesseean by birth, was educated at Riceville Academy and Emory and Henry College. He received his honorary degree from Trinity College, Durham, N. C. He was a popular pastor in the Holston Conference for a number of years. He served as President of Asheville Female College from 1879 to 1889. He was President of Emory and Henry College from 1889 to 1893, again President of Asheville Female College for three years. In 1896 he was elected Sunday school editor for the M.

I have just looked over the prospectus of this summer's encampment program at Lake Wichita and it fairly made my mouth water. The men whom you have already secured for the program are enough of themselves to insure a delightful and profitable gathering even if there were no other features, but when one sees the beautiful lake, the pavilion, fishing and boating scenes, etc., affording opportunity for clean and healthy recreation as well as opportunity for mental and spiritual development, the attraction is doubly great.

I know enough about the enterprise and push of the Board of Trade of Wichita Falls to know that whenever they get under a proposition, it is going to GO. This enterprise will be no exception and the church is fortunate in being able to bring the beautiful location with all of its conveniences, under contribution to its service.

R. G. MOOD, Presiding Elder, Greenville District, Bonham, Texas.

I am very much pleased at the prospect for a great gathering at the Lakeshore Assembly. I think this location is most ideal for several reasons. First because it is almost on the boundary line between the two Conferences, which will put it nearer to each of us than any other like Assembly in our church. Second because of the splendid "bill of fare" in the way of speakers, teachers and preachers. I hope we shall be able to make it a permanent summer resort for the brethren of our two conferences especially and for any others who could be invited to be there and will invite and have invited many to join us.

J. E. GORRER, Presiding Elder, Bonham District, Decatur, Texas.

The women of the Woman's Foreign Missionary Society of the North Texas Conference interested in the Lakeshore Assembly. Its interests were brought before our Annual meeting at Bonham more than once, and a number of the women have manifested a little interest in the special work to be carried on there having for its purpose of broadening or women in Christian service. The suggested program only intensifies our interest, and I believe you may count on a large attendance of our women.

At this particular time the women of our church are interesting themselves in the work as never before. The union of the two branches of our women's work, has called out country and general concern as nothing has done. I have been connected with the societies. We will be able to get light and information on this phase of the work here that will make us more useful to our auxiliaries in bringing about this proposed union of the women's work in our great Church. We are expecting Mrs. W. E. Barnum of Fort Worth, the superintendent of the Western Division of the Woman's Council to represent the work at the Assembly as well as other workers.

When the good to be derived from this Assembly is considered, as well as the social features, recreation, etc., I

Expressions of Appreciation from Church Bulletins and Periodicals

The Lake Shore Assembly is a recent venture for the great Northwest Methodism. The location cannot be surpassed, the proposition is unanimous on Wichita Falls' part, the men who are at the head of the enterprise are leaders in our great church, the program will be as strong as men can make it, the devotions will be wholesome and recreative, and the crowds will be there in throngs.—At Wichita Falls, July 24-31.—Bowie Bulletin.

Lake Wichita is the most beautiful resort in Texas; it is six miles out from Wichita Falls, the most enterprising city in the state. This summer July 24-31 the Lake Shore Assembly, an institution of the North Texas and Northwest Texas Conferences will be held at this resort. On the program are: Dr. S. A. Steele, Dr. C. D. Bulla, Bishop Hoss and Adkins and many other men of note. This is a good place, and during this assembly a good time to spend ten days. Cheap rates.—Honey Grove Church News.

I regard this as a movement of far-reaching possibilities. The leaders have acted wisely in surveying the entire field of possible location and in the selection of Lake Wichita. Every convenience and facility are there for making the encampment pleasure-giving and restful throughout. To expect great things of Wichita Falls after the entertainment of the Annual Conference, is but natural, for her liberal public spirit is not surpassed anywhere. The measure of inducement and material advantage is full, pressed down, and running over. Two great conferences are on record with unqualified endorsement and wise leaders by them, have been chosen to inaugurate this Assembly. The Chautauqua system of education is to be brought within easy reach of a multitude, who are far removed from its advantages. The list of speakers includes men whom the nation delights to hear. Surely, the first session, July 24-31, will witness incoming hundreds to enjoy the social, intellectual and spiritual delights of these pleasure-days. Lake Shore Assembly has lavish gifts to bestow, for the asking as it were, and numbers will be there freely to receive.—Jacksonboro Church Bulletin.

The Lakeshore Assembly, at Wichita Falls, Texas, July 24-31, 1911, will be a feast of good things. A better time could not have been selected as it will be mid-summer, when pastors and people will need an outing, and no time will be lost by taking it then, but will be time well spent. To my mind, this will be an opportunity of a life time for the good people of North Texas. I cannot see why people of all denominations, in reach, should not avail themselves of this great feast. Surely, no city, anywhere, large or small, has made a more generous offer than Wichita Falls, in turning over everything at the great lake without cost. The Methodist people have shown their good sense by accepting this offer, and by procuring the best of talent for the Assembly. There ought not to be a dull moment from beginning to end, and I do not believe there will be.—Ponder-Krum Bulletin.

The encampment at Wichita Falls July 24-31, under the auspices of the North and Northwest Texas Conferences, claimed a share of the discussion, and a committee was appointed to confer with the program committee and arrange for our work to be represented at that time. The District Secretaries will be urged to attend and obtain much information, which they will later impart to the members.—Woman's Foreign Missionary Society Northwest Texas Conference.

At the last sessions of the North and Northwest Texas Conferences, a resolution was passed carrying with it the

lights all absolutely free for the time of our Assembly each summer. In addition the expense of advertising is to be borne by the Chamber of Commerce. Make your plans to take in the first session of the great Lakeshore Assembly, July 24-31.—Methodist Monitor Stamford, Texas.

The trustees of the North and Northwest Texas Conferences, appointed by the last session of the two respective conferences, held a final meeting the first of March and determined on the time, and place, and name for this second Summer Encampment of our young people of the State.

The place of the Lakeshore Assembly is at Lake Wichita, six miles South west of Wichita Falls, and connected with this place by an electric line, equipped with interurbana cars of the best type. Lake Wichita is the largest body of water in Texas, covering an acreage of 3200 acres. It is from one-half to two miles wide and about seven long. It has upon it gasoline launches and a large number of small boats. The two-story pavilion is one of the finest buildings of the kind in the State. The large room down stairs, where the great conference banquet was held, will be used as a dining room during the Encampment. The upstairs will be seated for the sessions of the Assembly, seating 2500 people. A large hotel, and a number of cottages, also a great coliseum with 32,000 square feet of covered space, will be used for sleeping apartments. Tents will also be on the ground to rent for those who prefer them. A bathing pool, which is to be completed for the Encampment, is to include a modern bath house at a cost of some \$7000. This will be in two departments, one for men and one for women. This bathing pool is not in the great lake, but the water is to be supplied from the lake. The bottom will be an incline so that a portion of it will be shallow enough for children. It will be laid in concrete. Fountains with fine water, with electric lights furnished by the Traction Company, are being installed on the grounds, where \$25,000 is now being spent to make the grounds attractive. This is the place of the Lakeshore Assembly.

We have secured such a splendid proposition from the Chamber of Commerce and the Lake Site Company, that we are going to be able to offer cheap rates, so that it will be possible for our young people to come and spend this eight days with us at small cost. The electric line will give us a rate of 10-cents each way. The magnitude of this offer to us is seen when we tell you that the whole grounds, including everything, will be absolutely under our control and furnished free of cost to the Assembly. We will even operate the hotel and restaurant ourselves and all else connected with the Assembly. There will be nothing objectionable on the grounds, for everything will be under our control and management.

To those who desire to occupy tents, there is a large grove close by in which the tents may be pitched. The culinary part of the hotel will be also operated, for those who may desire to take their meals there. The Encampment will be on the South side of the lake, where the winds will be cool, necessitating cover at night and the locicum, payllion, hotel and trees will give an abundance of shade. Wichita Lake is about 1,000 feet above the sea level, so it will be seen that the heat of the summer should not trouble us here. The West Oklahoma has been invited to join us here, and we may expect to meet many of our Oklahoma brethren in attendance. Rates for tents, hotel, meals, etc., will appear in the Advocate from time to time, for the information of all.—L. S. Barton, in Christiana Advocate.

The program committee met in Abilene on Tuesday the 28th and formulated a schedule and program for our great Assembly to be held at Lake Wichita, July 24-31. The particulars of the program will be given out a little later, but at present we can say that the program as arranged will cost the committee over \$1300.00. This of course, will bring to our platform, the strongest talent in America, and the schedule covers all the phases of our church work.

The magnificent lake, the beautiful camping grounds, the invigorating altitude, the unequalled program will all conspire to make the first session of our Lakeshore Assembly one that our people cannot afford to miss.

The management will be able to make exceedingly low rates of expense, so that any one who wishes a week's outing combined with intellectual and religious culture can have it to the heart's content.

Begin your arrangements now to attend this summer.—R. E. Goodrich in Epworth Era.

The North and Northwest Texas Conferences in their sessions last fall, appointed commissioners to act together in the inauguration of a great summer assembly somewhere in North-west Texas. Since that time, the commissioners have been perfecting an organization, formulating plans looking into locations offered for the Assembly.

On last week, a meeting was held in Wichita Falls, and after going over the ground, the idea of Wichita Falls was accepted. That city made a most surprising offer. Six miles from Wichita Falls, with railroad and electric car connection lies the greatest artificial lake in Texas. It is a magnificent body of water and one almost feels as if he were standing by the broad expanse of one of our southern coast bays. A large two-story pavilion is built over the water, with immense boating and fishing piers, on either side. Several gasoline launches with capacity for 35 passengers each, and forty row boats dot the surface of the broad expanse and give it a most charming appearance. A modern hotel stands on the shore, and besides it a large Coliseum. A timber tract of one hundred acres also lies adjacent to the lake. Modern bath houses with an immense swimming pool are to be put in at once. Wichita Falls came before the committee and proposed to turn the great lake, with pavilion, hotel, coliseum, timber section, swimming pool, boats and launches with men to run them and electric

Whereas, there has been located in the territory in the bounds of the North Texas Conference a Summer Assembly and; whereas, it is proposed to give class work in Mission Study and Bible Study and Methods for Women's Missionary Societies, and also a rare program of excellent merit under competent leaders; Be it resolved, that we endorse the Lakeshore Assembly at Wichita Falls, and that we generously commend it to the favorable consideration of our constituency.

Bowie District Conference in Session At Nocona We rejoice in the establishment of the Lakeshore Assembly at Wichita Falls. We have heard of the splendid program and other attractions of it. Resolved, that we pledge ourselves to a hearty co-operation with the Board of Management for the building up of a great institution here in our territory and near to our people. And that we recommend the Lakeshore Assembly to all of our people as a suitable and convenient place to spend a few days in recreation intellectual and religious culture. JNO. E. ROACH, P. E. Howie. E. H. GOBURN, Secretary, Post Oak.

Henrietta Station Quarterly Conference Resolved that we endorse the establishment of the Lakeshore Assembly at Wichita Falls as a convenient and suitable summer resort and we hereby commend it to our people. L. P. SMITH, P. C. T. H. MARRBERRY, Secretary.

Montague Station Quarterly Conference Whereas, we have heard from our Presiding Elder an account of the establishment of the Lakeshore Assembly and whereas, the location at Wichita Falls puts this splendid summer resort within reach of our people. Resolved that we enthusiastically commend it to all and that we congratulate the Board of Management upon their success in securing a strong

and attractive program. A. E. PRINCE, P. C. R. O. HARRIS, Secretary.

EVERY DEPARTMENT WILL BE REPRESENTED

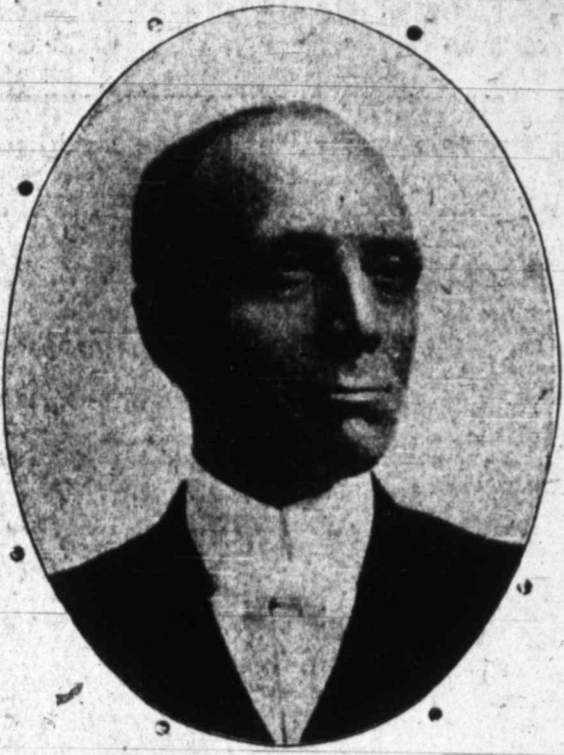

The Lakeshore Assembly expects to have in attendance upon its meetings leaders from every department of the Church. The Program committee has tried therefore to furnish a program so varied as to suit every person who may attend. For the preachers Dr. Rice and J. W. Hill in the Bible Studies will furnish features equal to any of this kind anywhere in the leading universities of the land. Sunday school workers will have special courses arranged under competent and experienced leaders. To hear Dr. Bulla of Nashville on the Organized Class Movement will repay any one for the trip. The young people will hear J. Marvin Culbreth Assistant Secretary of the Epworth League on League Work and Methods. All Leaguers will get a new vision of League work from such a spirit as Mr. Culbreth.

The women will have special attention in the schedule of work. Just at this time as the plans for union of the Home and Foreign Societies are being merged into the Woman's Missionary Society of the Church it is important that some systematic attention be given to methods of work, the leaders being selected for this work. Every person who appears upon the platform or in the class room, will be a specialist in his or her department. Missions, the mightiest movement of the church will be given special attention and the spirit of missions will pervade the entire meeting. Devotional services will be conducted daily and in the intervals opportunities will be given for private devotions and heart to heart talks with Religious and spiritual culture will be one of the chief features of the Assembly. Every person who attends the meeting should receive new spiritual vision, and be a better Christian for having spent the season there.

The Bible Study Hour. This feature of the program is especially attractive to the preachers and has been put under the direction of two of the strongest expository preachers and successful pastors in Texas, Rev. J. W. Hill of Paris and

LECTURE ON METHODISM AT LAKESHORE ASSEMBLY

Bishop Elijah Embree Hoss, D. D., L. L. D., is as well known in Texas, perhaps as anywhere in the world, except in Tennessee, where he was born and reared, and of which state he is considered by many to be the most distinguished citizen.

history. He told the present writer in a casual conversation, that he read twenty volumes while on board ship during his visit a year ago to our Asiatic mission fields.

He is one of the most entertaining speakers in America before a company assembled for religious culture, not by virtue of any tricks of oratory or any studied efforts to please, but on account of his tremendous earnestness and the voluminous resources from which he draws his materials.

A LECTURE ON THE EFFICIENT LAYMEN

The Rev. Henry Frederick Cope, Ph. D., although still on the sunny side of middle life, is one of the most accomplished men in the entire country, as well as one who has had a wide and varied experience.

Dr. Cope has been an earnest and original student of Educational and religious psychology, as well as of biblical literature. He is the author of nine or ten books on themes related to those topics, some of them recognized as among the very best published in America.

The Annual Conferences Take Action At the Annual Conference North Texas and Northwest Texas in the fall of 1910 the following resolution was adopted upon the recommendation of the respective Epworth League Boards.

The Rev. J. Marvin Culbreth.

It affords us great happiness to introduce Rev. James Marvin Culbreth, Assistant Secretary of Epworth Leagues of the M. E. Church, South. Mr. Culbreth is a member of the North Carolina Conference. He resigned a pleasant and successful pastorate at Smithfield to enter the connectional work.
