KINDERGARTEN students of Mrs. Evelyn Malone presented a "Variety Show" Tuesday including poems, songs, jokes and dances and a special guest, Rex Thacker, father of Matt Thacker, who sang and played "Home on the Range" with his son. The class, with the help of their parents, also will send \$33.25 to aid the people of Saragosa, the small West Texas town destroyed by a tornado. The assistance comes under one of the essential elements the class learned this year - ways in which people can help each other. The money will be sent through the American Red Cross. Members of the class are, front row, from left, Frank Ortiz, Valerie Espinoza, Nathan Rockwell, Matt Thacker and Rene Chavez. Second row, from left, are Chris Morris, Orlando Garcia, Teria Webb and Roderick Jones. Third row, from left, are Patrick Hernandez, Patricia Parham, Stoney Dering and Abel Bonilla. Fourth row, from left, are Mrs. Malone, Skye Farris, Patrick Bell, Kendra Anderson, Kyle Hammond, Monica Rodriguez and Jacob Rayburn.

Hospital eyes tax settlement

The Mitchell County Hospital District board of directors Tuesday gave permission for board president Preston Morris to sign a delinquent tax settlement with Texas Utilities Service Co.

Chief Appraiser Mike Burt of the Mitchell County Appraisal District said that the hospital should receive about 38 percent of \$73,000 in delinquent taxes and penalty and interest owed for a 36-inch pipeline owned jointly by Texas Utilities and Valera Transmission Co.

The settlement is for Texas

Utilities' share of the pipeline and a smaller gathering system. Valera has not agreed to a settlement, said Burt.

Also included in the pipeline dispute are the Colorado City and Loraine school districts, through which the pipeline runs, said Burt.

Burt called the settlement an "excellent" opportunity for the taxing entities and said that an offer has been extended to Valera for a similar settlement.

Several other counties are currently involved in lawsuits

over the pipeline, said Burt.

"We are unique in that we cannot go into a courtroom because of a prior lawsuit that was messed up," said Burt.

The board tabled for 30 days opening bids for a depository until local banks can prepare their bids.

In the hospital financial and statistical reports, it was noted that the hospital showed a net profit of \$12,402 for April with a year-to-date net profit of

Dakan to participate in graduation ceremony

Colorado High School senior Wyllie Dakan will be able to participate in graduation ceremonies Friday night, his mother, Carol Sue Dakan, said Tuesday.

Mrs. Dakan said 32nd District Judge Weldon Kirk signed a motion allowing her 18-year-old son to participate in graduation.

Dakan had been sent to in-school-suspension (ISS) for 20 school days after allegedly sniffing air freshener at school.

Mrs. Dakan had asked that a restraining order be issued

against the school in order that her son be allowed to participate in the graduation ceremonies. Kirk denied the restraining order, but noted that the school discipline policy reads that a student convicted of a level III discipline problem be sent to ISS for 20 days and barred from extra-curricular activities for 20 days, not 20 "school" days.

Supt. Charlie Uselton said Tuesday night that he had not heard from the school's attorney.

Guidelines given for grad party

Over \$5,000 in donations has been contributed to "Project Celebration", the drug-free, alcohol-free graduation party planned this Friday night for Colorado High School students.

Jan Lemons, chairman of the event, said that the party will be from 10 p.m.-4 a.m. at the county ag barns. The gate closes at 11 p.m. and there will be no entry after that time. Anyone who leaves will not be re-admitted to the party. Participants will sign in at the gate and have their hands stamped. Parents will be notified if students leave before 4 a.m.

Highlight of the party will be a drawing for two grand prizes for two senior students. The prize will be two tickets to Jamaica. If the winners do not wish to take the trip, they will receive U.S. Government Savings Bonds equal to the trip amount.

Mrs. Lemons said parking will be at the rodeo arena and students will walk to the barns where the various activities will take place.

On-duty policemen will be present from 10 p.m.-4 a.m. and will be assigned to the gate, parking lot and barns.

Anyone who shows signs of drug or alcohol abuse will be denied entry to the grounds, or if on the grounds, will be told to leave, said Mrs. Lemons. The police will handle all disciplinary measures.

Door prizes will be drawn every hour for all participants from CHS, beginning at 10 p.m. Guests are not eligible for door prizes. The grand prize trips to Jamaica will be given to seniors only.

Free food and Coca-Cola will be available for participants all night. In addition, each participant will be given "funny money" upon entry at no charge. Addi-

Graduate salute is Sunday

The RECORD's annual salute to graduating high school seniors in Colorado City, Loraine and Westbrook will be in this Sunday's issue.

Westbrook will graduate one of its smallest classes ever Thursday at 8:15 p.m. in the school auditorium when diplomas will be awarded to five graduates.

Colorado City and Loraine seniors will receive their diplomas Friday night.

Colorado City's graduation will be at 8 p.m. in Wolf Stadium. In the event of inclement weather, the ceremonies will be moved to the high school auditorium.

Loraine's commencement exercises are set for Friday at 8 p.m. in the school gym.

tional money may be made by playing casino or bingo and winning or by participating in the dance contest, the buckin' barrel, the mini-olympics or any other event. There will be an auction where participants may use their "funny money" to bid on prizes following the last door prize to be presented at 3 a.m.

Seniors Tori Lindsey and Becky Westbrook are serving as student co-chairmen of the event which has a theme of "Catch the Wave." The idea for a drug-free, alcohol-free graduation party came from a representative of the War on Drugs Committee who spoke to students, teachers and parents several weeks ago.

Summer reading program slated

The Texas Reading Club will again be sponsored by the Mitchell County Public Library this summer. Registration for pre-schoolers through eighth graders will begin May 30.

The theme for the 1987 program is "Animal Antics" and is designed to introduce participants of the program to some of the more than three million different animals which inhabit the Earth; to look at extinct animals or endangered species; to examine the ways in which people use and interact with animals; and to enjoy the world of imaginary and story book animals. The program

encourages children and their parents to read and to use the library. The library has a large selection of books on animals for every age group.

The library also will show free movies every Saturday afternoon during the summer. These will begin on June 6 at 2 p.m. and will last from 45 to 60 minutes each week.

For more information on the Reading Club go by the library at 340 Oak Street or call 728-3968. The library is open on Tuesday from noon to 8 p.m. and on Wednesday through Saturday from 9 a.m. to 5:30 p.m.

In other business, the board approved an hour-early dismissal for Friday, the last class day of the school year. Useton said most of the students do not have anything to do the last period of the last day of classes and that the state allows up to six early

dismissals a year. Friday's early dismissal will make the sixth time this year classes were dismissed early.

Following an executive session, the board voted to eliminate three teacher aide positions for the coming school year. Two of the aids will be reassigned to secretarial positions which will be vacant after this year, said Useton.

The board approved a contract renewal for the Texas Health Department which leases office space at Wallace Center for \$200 a month.

The board also adopted a resolution requesting assistance from the Texas Association of School Board Legal Assistance Fund.

"The TASB Legal Assistance Fund is available to provide support to local school districts in certain situations of statewide significance which is applicable to our career ladder case, Linda Stewart v. Colorado ISD," said Useton.

Mrs. Stewart is appealing the board's decision not to place her on the career ladder for the 1985-86 school year.

Letter to the editor

To th editor:
Vacation time is here once again and holiday time. We all

want to have a nice summer and safe and sane holidays.

It will soon be "fireworks" time again. Let's be "merciful" to our children and not let them take the chance of blowing off their fingers or putting out their eyes with these destructive things. Each year there are numerous cases of mutilated people due to fireworks.

There are many other ways to celebrate, much safer and more fun. I do not let my children have fireworks and also I would like to say if you gave your child a loaded gun it would not be much more dangerous than fireworks. It is all ammunition.

And also it is against the law to use fireworks in the city limits. And you could be finding yourself paying a good stiff fine. And in my books a good stiff fine of about \$500 would not be too much for these people who don't seem to care about their children's or anyone else's safety. Not to mention the fire hazard involved.

Thank you,
Mrs. Frieda Blair

Nichols assumes position

AUSTIN—Trooper J. Todd Nichols, 22, has recently graduated from the Department of Public Safety Training Academy and assigned to the Highway Patrol Service in Colorado City.

Trooper Nichols was one of 80 cadets recently commissioned as state troopers in graduation ceremonies in Austin. Trooper Nichols is a native of San Angelo and assumes his new duties immediately.

Colonel Jim Adams, DPS director, said he is especially pleased at the quality of people who are entering the law enforcement profession.

"These men and women were carefully selected from a large group of applicants to undergo an intensive 18-week course," Adams said. "They have been trained to uphold the laws of this state in routine as well as difficult law enforcement situations."

"Today's Texas trooper is required to handle many varied tasks in addition to traffic enforcement. The trooper may assist in narcotics arrests, recovery of stolen vehicles and investigation of theft cases. A broad range of law enforcement responsibilities will face the trooper who has chosen to serve his fellow Texans," Adams said.

The DPS training course included instruction in traffic law, criminal law, arrest procedures, accident investigation, and numerous other law enforcement related topics.

Y.A.C. jogathon held at Westbrook track field

The Westbrook FHA returned from the state convention in San Antonio with an idea to raise money for cancer. Some of the delegates had attended a workshop on Youth Against Cancer and learned that one of their peers in Coahoma had brain

cancer this past year and was recovering. The students wanted to have a part in helping cancer patients and for research.

With this in mind, the Westbrook FHA members sponsored and held a Y.A.C. Jogathon at

the Westbrook track field. The participants jogged for one hour after school to raise money for the American Cancer Society.

Over \$550 was pledged and donated to the people participating in the event. The students completed a total of 247 laps or 61.75 miles. They received in pledges a total of \$14.52 for each lap completed. The amount of laps ranged from 30 laps to 7 1/2 miles down to 10 laps or 2 1/2 miles in one hour.

Romero Fuentes completed 30 laps, Jessie Fuentes completed 24 laps, and Veronica Lopez completed 19 laps. The people with the most pledges were Veronica Lopez with 46, Elizabeth Wright with 22, Jeran Ware with 18 and Angie Griffin and Jesse Gossett with 16 pledges each.

The people who earned the most money were Veronica Lo-

HERE'S HOW TO KEEP YOUR OWN PROSPERITY TREE STRONG & HEALTHY

The mythical money tree doesn't really exist...or does it?

Your community is like your very own prosperity tree. You feed its roots by shopping at home and the more you feed your community money tree, the more it produces in return.

The many community services

you receive, your property values, and local taxes you pay are helped immeasurably every time you, or anyone else, shops here at home.

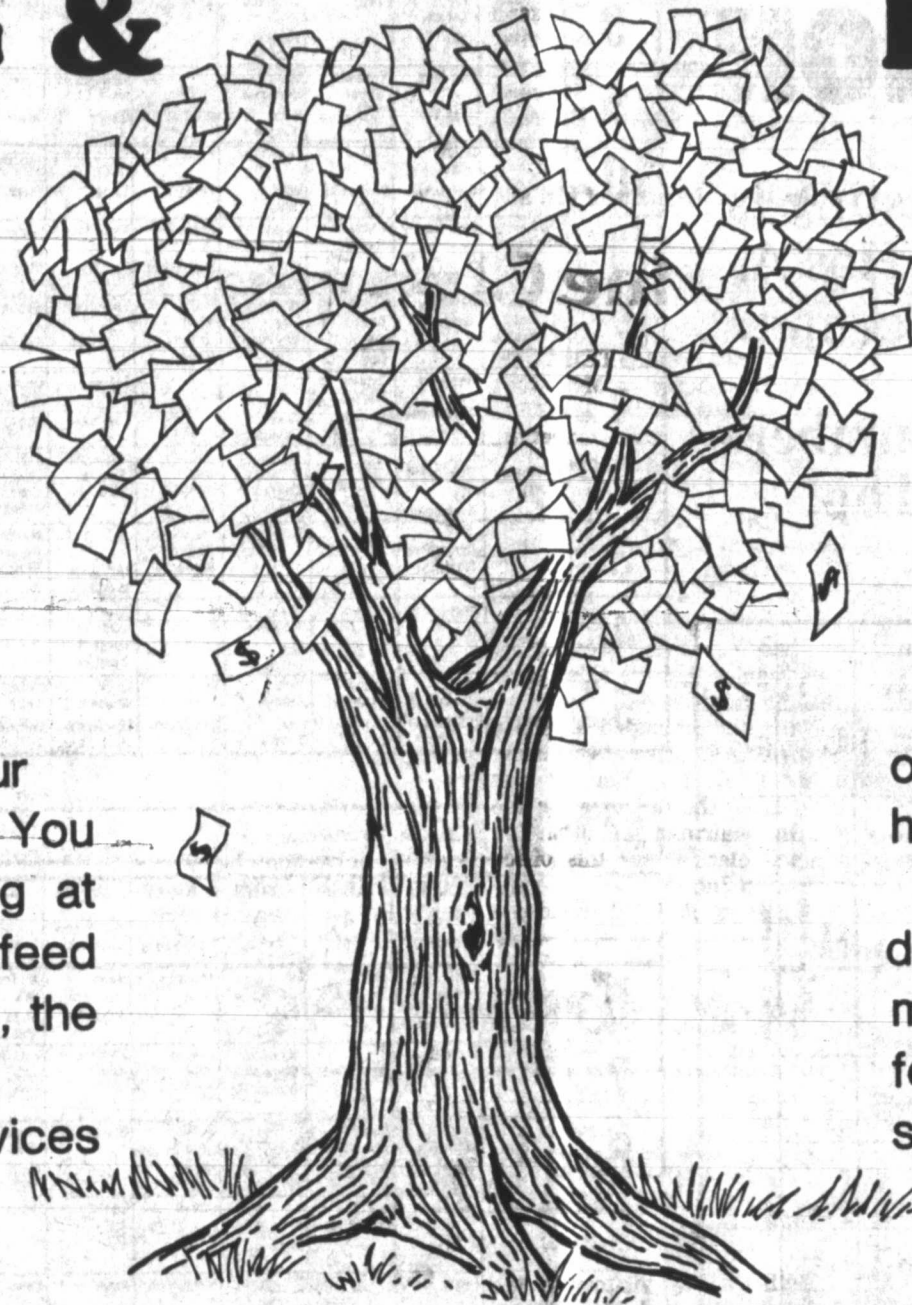

All of us benefit every time a dollar is spent here, not just the merchants...everyone. Let's all feed our own money tree by shopping at home.

Support your local businesses they support you!

Pirates, Dodgers tied in Freshman League

The Little League Pirates and Dodgers posted wins over the Rangers over the weekend to remain as the only undefeated Freshman League teams.

The Pirates made a comeback Monday night to defeat the Rangers 12-6 while the Dodgers held off the Rangers 6-3 Friday night.

Richard Gomez went the whole six innings in pitching for the Pirates' win Monday night while Cody Barker took the loss for the

Rangers.

Wild pitches allowed the early scoring. Pirates shortstop Jesse Espinoza stole home to give his team a 1-0 lead in the bottom of the first inning.

Rangers first baseman Juan Ybarra stole home to tie the game at 1-1 in the top of the second. Home plate steals by centerfielder Aston and Gomez gave the lead back to the Pirates at 3-1 in the bottom of the third.

The Rangers erased the Pi-

rates lead with four runs in the top of the fourth for a 5-3 lead. Centerfielder and second baseman Joey Arispe led off the inning with a single then was scored on a double by Ybarra. Ybarra stole to reach third. Leftfielder Chris Molina took a base on balls then stole second.

Ybarra and Molina were then scored on a triple by shortstop Chance Sampsel. Sampsel scored the fourth run of the inning on second baseman's Josh Franco's sacrifice fly to left. Franco also played catcher after older brother James suffered a broken hand during an at-bat.

The Pirates got one of the runs back in the bottom of the fourth. Leftfielder Pete Rivera stole home to cut the Rangers lead to 5-4. Timmy Humphrey attempted to steal home immediately after Rivera but was thrown out on catcher Josh Franco's relay to pitcher Barker.

The Rangers went up 6-4 in the top of the fifth when Arispe singled to score third baseman and catcher Mike Dossey.

Barker pitched four innings for the Rangers and left the mound with a 5-4 lead. Relief

pitchers Ybarra and Sampsel were knocked for eight runs in the bottom of the fifth as the Pirates completed their comeback with five hits in their final bat.

Prior to the Pirates win over the Rangers Monday night was an 8-4 Minor League win by the Mustangs over the Lions. Bear Cooper started on the mound for the Mustangs but picking up the win was Lance.

Pitching for the Dodgers in their Friday night win over the Rangers was Scott Dyer. Dyer left the mound after four and one-third innings and got relief from Heath Mann. Taking the loss for the Rangers was Barker with relief from James Franco.

Third baseman Shane Jones, second baseman Scott Payne and leftfielder Jason Claxton scored in the top of the third for the Dodgers and the team never trailed. Franco's score in the second and his and Barker's scores in the bottom of the fourth tied the game at 3-3 but the Dodgers got the winning run from Dyer in the top of the fifth.

The second game was cancelled because of rain Friday ni-

ght—as were Saturday's Minor League and T-Ball games. The Angels beat the Tigers 10-9 and

the Yellowjackets beat the Tigers 18-17 in Minor League games made up Monday night.

Castille qualifies

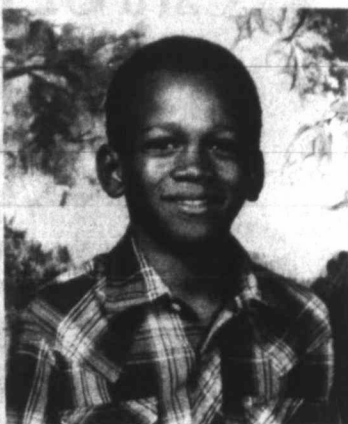

Cedric Castille, 10-year-old son of Mr. and Mrs. James Castille of Houston, won first place in the 100 yard meter at the Jesse Owne's track meet held at the Jones Cowan Stadium.

Cedric is an active Bear Cub Scout and a left center field player with the Vulcans baseball team.

Maternal grandmother and great-grandmother are Mrs. Dorothy Ross and Mrs. Monnell Marshall of Colorado City and paternal grandparents are Rev. and Mrs. Simon Castille Sr. of Houston. Cedric is the nephew of Mrs. Terrilyn Faye Ross Green

FCA headed to conference

Eight members of the Colorado High School chapter of the Fellowship of Christian Athletes and their sponsor, Coach Rick Robinson, will attend an FCA camp and conference at Oklahoma State University in Stillwater June 22-26.

Students who will attend the conference are Beau Rees, Jerry Hulme, George Rivera, Chris Perkin, Bo Alvarez, Ken Land, Tracy Edwards and Ray Sutton.

The sports camp will combine the best in specialized training and competition with FCA's unique inspirational approach.

Participants will begin each day with physical workouts to raise their level of physical stamina, plus spiritual workouts to raise their levels of expectation in faith, in competition and in their attitude toward life.

The workouts will carry over into spirited team competition and in the individual instruction received from professionals.

In addition to one-on-one time with coaches and other athletes, participants will share in group discussions their experience in handling the pressures facing athletes today and the role the Christian faith plays in their lives.
