NUMBER 10

Minister From Argentina Is To Preach In Revival Here

Rev. Santiago Canciani, D. D., will hold a revival at the Spanish Baptist Mission here from January 28 to February 2, 1964. We invite all our Latin American friends to attend these meetings that will be conducted in Spanish.

Rev. Santiago Canciani is a professor graduated at the University in La Plata, B. A. Argentina. He has been the pastor of the First Baptist Church in Argentina for the period of 34 years. Paul Person was the founder of this church.

He performed the duties of the highest positions in the protestant's work in the country and in the Baptist Churches. He has been president of the Baptist Convention for 12 periods, representing it as an official delegate to the Baptist World Assembly at Atlanta, Ga., in 1939 and in 1955 in London. He also has been a mem-

ber of the Executive Committee of the Baptist World Alliance, and member of several of its committees.

He is president of the Executive Board of the Bible Society in Argentina and an Emeritus member of the American Baptist Society in New York. He has been president of the Theological Baptist Seminary and is serving at the present as a professor and chaplain of the International B. S. in B. A.

He is the author of over 20 books and several tracts and articles in European and American magazines, several of these are about religious freedom in the country and the schools. Last year two of his books were titled Youth and Talent. He has been through fifteen countries in America and several in Europe, preaching the gospel in revivals.

When religious freedom was threatened in Argentina he served as president of the confederation of Protestant Churches and represented this group in the public relations meetings.

His wife, Augustina Varetta de Canciani, is a well known professor and writer, daughter of John C. Varetta, the famous evangelist. Their son, Dr. Arnaldo Canciani (P.H.D.) is a well known writer too, and succeeded his father as pastor of the First Baptist Church in Argentina.

Our Baptist Mission Pastor and wife were members of his church in Argentina and served there for several years as organist and choir director. I am named after Dr. Sidney Sowell, who was the first Southern Baptist Missionary in Argentina (1902).

Sidney E. Pistone

H. Williams Is Hale Candidate For Commissioner

Herschel Williams, a resident of this Hale Center area and this Hale Center for the past 34 years, authorized The Review to announce that he is a candidate for commissioner of Precinct 3, subject to the Democratic Primary, May 2.

The post is now occupied by Rayburn Karrh of Hale Center who will retire from public service at the end of the present term after having served as commissioner of this precinct for 14 years.

Precinct 3 includes Mayfield, Cotton Center, County Line, Abernathy, and Hale Center.

As results of having been employed by every commissioner serving Precinct 3 since 1930, he has gained a broad range of practical experience in all phases of public road construction, maintenance and upkeep, and is well acquainted with all modern equipment and machinery used in these services.

"My experience under four different commissioners has given me an insight into the responsibilities and duties of the commissioner's post and the problems and complications often faced by the commissioner in serving all of his precinct," Williams said.

He said if he is elected he will not have other interests outside of the office of commissioner, and the leadership that the commissioners court must provide for the county to continue to progress. Because of the progress and growth of Hale County, the responsibilities and burdens of the commissioners court in county government has become much greater the past few years. I feel a candidate for commissioner should expect to be prepared for the responsibilities and challenges he will face in city government as well as for the problems involved in road and highway maintenance, upkeep and construction.

"If elected I will do my very best to measure up to the high standards of honest, dedicated, efficient service in every phase of the office of commissioner, striving to serve every part of the precinct fairly and impartially," he continued. "Your support, influence and vote will be deeply appreciated."

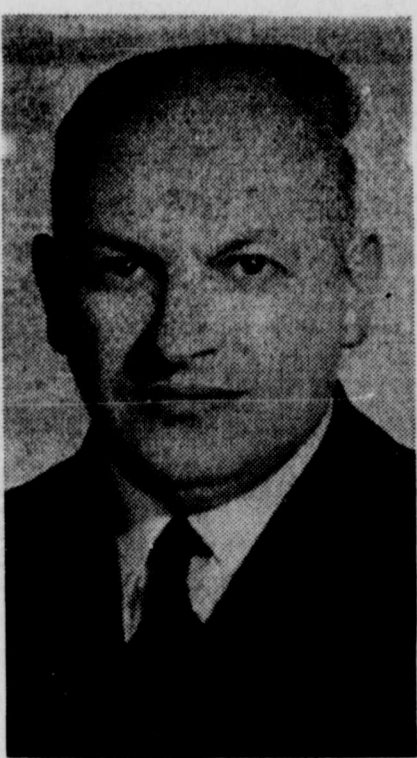

Residing in Hale Center since 1929, Williams once served on the School Board of trustees. He was born in Hill County and later resided in Nolan County before moving to Hale County.

Mrs. H. H. Oliver has returned home from West Texas Hospital, Lubbock.

Mr. and Mrs. Dan Thompson have moved from Plainview to Rt. 2, Abernathy.

Mrs. A. N. Johnson, Sr., a resident of Abernathy for the past 46 years, will move to Roswell, N. M., Saturday. One of her four sons, Dewey, resides at Roswell. She sold her home at 111 Ave. F in Abernathy to the Dick Wades, who will move there from a farm west of town.

Mr. and Mrs. Truett L. Poole have moved from Friona to 507 16th Street in Abernathy, to the residence which they bought from Hiram Vaughan. Poole, a retired farmer, is a brother of Mrs. Earlton Harp, Mrs. Forest Sageser and Mrs. Chester Stambaugh all of Abernathy. The Vaughan family moved to 211 Ave. G.

REV. SANTIAGO CANSIANI

Rites Are Held For Mrs. L. J. Brewer

Funeral services for Mrs. L. J. Brewer, 59, were conducted Saturday at the Hale Center First Baptist Church.

The Rev. Charles Broadhurst, pastor, officiated. Interment was in the Hale Center cemetery.

Mrs. Brewer died at 1 o'clock Friday morning at the Plainview Hospital and Clinic where she had been admitted a few hours previously. She had been in poor health for several months, but her death was unexpected.

Mrs. Brewer was born Oct. 8, 1904, in Indian Territory. She was Delora Land until her marriage to L. J. Brewer, March 15, 1925, at Abernathy. She moved to Abernathy in 1923 from Wheeler County and to Hale Center in 1937. Her residence was at 415 2nd Street, Hale Center, at the time of her death.

Mrs. Brewer was a member of the Hale Center First Baptist Church.

Survivors are her husband, four sons, Dewayne of Turkey, Billy of Albuquerque, Bob of Plainview and Sammy of Lubbock; three daughters, Mrs. Bobby Purvis, Edmonson; Mrs. Ed Johnson, Hale Center; and Mrs. Earl Arnheim, Plainview; one sister, Mrs. Oley Shadden, Abernathy; and brother, Preston Land of Tulsa, and ten grandchildren.

City Lakes To Be Stocked With Fish

Abernathy City Council Monday night voted to cooperate with the Texas Game and Fish Commission on a proposal connected with the highway lakes in South Abernathy.

The Commission offered to stock the lakes with bass if the city would pay for killing the fish that are now in the lakes. The city also will pay some \$200.00 per year to feed the bass. The Commission said in a year after being placed in the lakes, the bass should be from 12 to 13 inches long. A year after the bass go into the lakes, a fish rodeo may be held, city officials said.

Ballard Enters Commissioner Race In Hale

R. L. Ballard, a resident of Hale Center for 14 years, has authorized The Abernathy Review to announce his candidacy for the office of Commissioner of Precinct 3, subject to the Democratic Primary, May 2.

Precinct 3 covers Mayfield, Cotton Center, Abernathy, County Line and Hale Center.

A native Texan born in Hall County in 1916, Ballard moved to Swisher County with his parents in 1928. He and his family have resided in Hale County since 1950. He has engaged in farming and livestock raising all his adult life.

His record and experience in community and public service includes president of the Hale Center Band Booster Club for the past two years, project committee chairman and secretary of the Owl Booster Club, chairman of education of the First Methodist Church at Hale Center, 4-H swine leader, winner of the county 4-H Silver Spur award for outstanding service in 4-H club work, winner of Honorary FFA chapter farmer award, past director of the Mayfield Co-op Gin Board and the board of the Plains Cotton Co-op Association in Lubbock.

Mr. and Mrs. Ballard are the parents of three children, including one married daughter, another daughter who is a student at West Texas University in Canyon and one son who is a junior in high school.

In connection with his announcement, he said: "If I am elected commissioner, I will give my undivided time and impartial service to this important office, using sound judgment to the very best of my ability for a progressive Hale County, keeping in mind the welfare and best interest of this precinct and the citizens that elected me."

"Your support and influence will be deeply appreciated."

Burglars Hit Struve - Ward Stores Here

(By O. F. Rea)

Burglars broke into Ward's Men's Store Wednesday night of last week, gaining entrance by breaking a hole in an unused door near the bottom and crawling through and breaking the latch on the locked door. The unused door had been partially boarded up. At 4:00 a.m. there seemed to be nothing amiss when the night watchman made his round, but at 4:30 the open door was noticed. No one was in the building at that time as far as could be ascertained but plenty of evidence that there had been.

A clothes hamper was near the back door filled with sweaters to be carried out. In Struve's hardware department other hampers were in positions not visible from the front ready to be filled and loaded. Quite a mess had been made in gathering up merchandise in a hurry as there were goods scattered around considerably. There were black marks on the floor as though someone had been walking in tar or asphalt.

Just how much and what merchandise was taken is not exactly known at this time but readily noticeable items in Ward's were, sweaters, men's shoes, jackets size 40, Big Smith coveralls size 40.

In Struve's, readily missed were 8 radios, 5 transistor radios, 9 cameras, 12 cartons of 22 cartridges, a carton of pocket knives, and a rack of knives cleaned out, a large number of shotgun shells, a record player and a Remington electric shaver.

Just how much and what was taken is not known at this time as more things are being missed as time passes. Apparently the night watchman coming around prevented further loss as hampers were still sitting around filled and partly filled or empty but out of sight from the front.

A rough estimate made at the time of this interview showed the loss to Struve's to be something over \$1200.00 but this was just a listing of the things that were readily missed. No estimate had been made on the loss to Ward's. One suspect has been arrested.

4-H Club Spotlights Speech Class

(By Lynn Vaughan, 4-H Reporter)

There are 19 Abernathy Junior High students and one high school student taking 4-H class in speech one day a week after school.

Mrs. Laverne Hardin, language arts teacher, is instructing those students who are participating. Assisting Mrs. Hardin are Mrs. W. G. Spruiell and Mrs. H. L. Vaughan, adult leaders of the 4-H speech class.

Each week each member makes at least a two-minute speech. Sometimes the speeches are prepared ahead of time, and other times they are impromptu speeches, skits, and pantomimes. We have presented one program of short skits to the other 4-H Club members, parents and guests.

"The main purpose of this project is to improve poise through personal communication, according to Mrs. Hardin.

4-H members participating in this class are: Kirby Spruiell, Donna Huffaker, Marilee Echols, Lynn Vaughan, Hershel Smith, Tommy Thompson, Sharon Ameron, Nita Kay Johnson, Terri Sinclair, Kevin McClendon, Mack Rogers, Jim Johnson, Steve Johnson, Jimmy Reeves, Clark Riley, Joy Hill, Sally Collins, Donna Bundick, J. C. Gobel and Steve Barton.

In the picture below this article are all the speech students except Sharon Ameron. She had an accident and did not attend speech class that day. Sharon is one of the more timid ones speech has done so much for.

My mother had been the time keeper on our speeches and she says a person would have had to be sitting in class that first day in order to compare our first speech with the ones we made week before last. The last was given with poise and ease, and we didn't watch the time keeper.

After public speaking once each week for three months, each one was asked how he or she thought the class was helping them. Without exception, each one replied that they felt speech had helped them more than any 4-H project they had ever taken.

Mrs. Spruiell and Mrs. Vaughan have appreciated the tireless effort of Mrs. Hardin in giving of her time each week. Not only is it valuable for the boys and girls to be able to speak with ease before a group, but we feel that speech will be of a greater value in later years in life as these students become teachers, doctors, farmers, businessmen or whatever walk of life they choose.

"Hale County is the leading agricultural county in the state and one of the outstanding counties in the United States, and I believe that the commissioners court should provide strong leadership to assure growth and progress."

"I will deeply appreciate your consideration and influence."

ABERNATHY POLICE REPORT FOR DECEMBER

Persons placed in jail, 9: 5 drunks, 1 theft under \$5.00, 1 simple assault, and 2 traffic.

Tickets issued, 18: 6 for driving in a manner likely to endanger the lives and property of others, 4 for no drivers' license, 1 for excessive noise by defective mufflers, 1 for speeding, 1 for failure to yield to emergency equipment, 2 for failure to yield right-of-way, 1 for improper start from parked position, and 2 for running stop sign.

Accidents, 2: Total damages—\$1,125.00.

Hours worked, 715: Enforcement 572, desk duty 73, overtime 55, and lunch time 70.

Miles driven in city patrol car, 5,068.

Rae Willis underwent surgery Tuesday at St. Mary's Hospital, Lubbock.

Mrs. Eugene Goheen underwent surgery Wednesday of last week at Methodist Hospital, Lubbock.

CORRECTION: Should be 1964. Heading of the POLL TAX ad on Page six in this paper should read "Pay Your POLL TAX. Quality Yourself To Vote During 1964." It is 1964 instead of "1963" as stated in the ad. POLL TAX payments may be made in Abernathy at the Macdon Agency, 909 Ave. D, and in Plainview at the Tax office in the court house.

Work On PO Building Is Under Way

Work is under way on Abernathy's new post office building. It will be located on the city square south of city hall.

Lloyd Price Construction Co. of Lubbock was awarded the contract to construct the post office building for the City of Abernathy, owner, on a low bid of \$50,400.00.

The new postal facility will have 3,240 square feet, and is to be completed by May 24, 1964. The structure will be of the same type construction as the city hall building.

School Census Is Under Way

Abernathy school census is under way, according to Supt. Delton Webb. All students in the district are to be entered on the census roll this month.

Six By Sept. 1

All children in the Abernathy school district who will be six years old on or before Sept. 1, 1964, are to be counted in the current census. Parents of children who will start to school for the first time in Sept., 1964, are urged to contact Jerry Moorehead in the elementary school principal's office BEFORE Feb. 1, and list their names in the current school census.

BILL PARSLEY

Parsley Seeks Re-election To Legislature

State Representative Bill J. Parsley has announced he will seek re-election to a second term as representative for Lubbock County, Place 3, in the Democratic Primary scheduled May 2.

In his first term, Parsley earned recognition from his colleagues when he was voted "Outstanding New Member" of the 58th Legislature.

Parsley, currently vice chairman of the House General Investigating Committee, served on five committees during the regular session of the legislature from January through May of 1963. He worked on committees concerning criminal jurisprudence, conservation and reclamation, common carriers, oil, gas, and mining, and the House Rules Committee, which has the responsibility of guiding procedural policy for the House of Representatives.

Parsley led efforts in the House which passed several legislative measures on behalf of Lubbock County and Texas Tech.

Senate Bill 54, by Senator H. J. Blanchard of Lubbock, authorizing a state school in West Texas for the mentally retarded, was passed through the House under the direction of Rep. Parsley.

Parsley was co-author of a new amended hot check law providing stiffer penalties for violators, and co-authored a broader based credit card law providing penalties for fraudulent use of any credit card.

Parsley feels that Senate Bill 54 has the greatest impact on Lubbock, "because, as the Chamber of Commerce has pointed out so many times, Lubbock is the best possible location in West Texas for a state school for mentally retarded children."

"The importance of the school to our economy is, of course, secondary to the human needs which will be served here, but the advantages that will come to this immediate area with the school will be beneficial to our economy and to every family in the city," Parsley added.

"I sincerely appreciate the support and encouragement of the people of this county in my first term as state representative. If I am honored again with election to this office, I pledge once more to continue to work in Austin for all the people of Lubbock County."

City Health Ordinance Is Passed

Heading a 10-point agenda, Abernathy City Council, in session Monday night, adopted a health ordinance which will go into effect April 12, 1964.

In the very near future, a clinic will be held at the city hall by local health officers and state health officials to explain the adopted health ordinance to persons who will be directly affected by the ordinance passage.

In the meantime, a copy of the ordinance will be sent to every eating and drinking establishment in the city. Also, this ordinance will be published in detail Thursday, Jan. 23, 1964, in the Abernathy Weekly Review.

Born To:

Mr. and Mrs. Antonio Ortiz, a son, weighing 7 pounds 15 ounces, Jan. 5.

Mr. and Mrs. Vincente Torrez, a son, weighing 7 pounds 11 ounces, Jan. 9.

Mr. and Mrs. William Smith, a daughter, weighing 6 pounds 11 1/2 ounces, Jan. 8.

Mr. and Mrs. Bobby Young, Lubbock, formerly of Abernathy, a son, weighing 7 pounds 3 ounces, Jan. 9.

Mr. and Mrs. Valderiano Cuevas, a son, weighing 8 pounds 6 ounces, Jan. 13.

Abernathy Medical Clinic reported the following births:

Mr. and Mrs. Henry Ramos, Rt. 2, Abernathy, a son, weighing 6 pounds 2 ounces, Jan. 1, Abernathy's first 1964 baby.

Mr. and Mrs. Paul Loza, Sr., St. Rt., Hale Center, a son, weighing 6 pounds 12 1/2 ounces, Jan. 7.

Mr. and Mrs. Rogelio Ledesma, New Deal, a son, weighing 6 pounds 11 ounces, Jan. 13.

Dates Set For Soil Fertility Day Program

Dates for four soil fertility day programs have been set, according to W. H. Jones, Extension Service district director, Lubbock. Plainview program opens the series, being on Monday, February 3. Silverton date is Tuesday, February 4. Lockney Wednesday, February 4. Lockney Wednesday, February 4. Lockney Wednesday, February 4.

The Burlington Lines are co-operating with the Extension Service and local sponsors in all except Tulsa.

Fireman were called to the Sam Terrell store at County Line at 6:20 a.m. Monday when the heater vent gave off an excessive amount of steam. This was mistaken for smoke boiling out the roof of the building. The low temperature caused a water pump on the rural fire truck to freeze and break on the County Line run.

4-H CLUB CLASS—Front row, left to right: Kirby Spruiell, Donna Huffaker, Marilee Echols, Lynn Vaughan, Hershel Smith, Tommy Thompson, Sharon Ameron, Nita Kay Johnson, Terri Sinclair, Kevin McClendon, Mack Rogers, Jim Johnson, Steve Johnson, Jimmy Reeves, Clark Riley, Joy Hill, Sally Collins, Donna Bundick, J. C. Gobel and Steve Barton.

YH Chapter Elects New Officers

"Homemakers, The Heart of The Home."

The Abernathy Young Homemakers chapter met Thursday, January 9 in the homemaking department of the high school. Mrs. Delton Stone presented a program concerning the State convention held in Austin, Jan. 3-4.

The Young Homemakers have just completed a very successful year. They received the Outstanding New Chapter award for Area 1 at the banquet held in September. The competition in State of course was more rigid but the Homemakers took Outstanding New Chapter in the State of Texas. The awards they have won will be on display in Struve Department Store Window.

New officers were elected for the new year: President, Gale Davis; 1st Vice President, Donna Adams; 2nd Vice President, La Nell Stone; Secretary Treasurer, Dorothy Reeves; Historian, Claudine Skipper; Parliamentarian, Faye Shadden; Reporter, Jerry Presley.

The new president, Mrs. Davis, and the new officers would like to invite anyone interested in becoming a member of the home maker chapter to attend the next regular meeting in February. The program will be Hat-making, presented by Mrs. Sue Kendrick.

The young homemakers will be having many activities this year. The program will include Book Reviews, Furniture refinishing, Style Show, Arts and Crafts, Summer menu, and many other interesting things.

The chapter would like to say thank you to everyone who has helped us this year.

Remember: Judge only a Bee by the first impression.

Cagers To Open 2-AA Play Here Friday Night

Coach Wayne Preston and his AHS Antelope boys and Coach Mitch LeMoine and his AHS girls will open District 2-AA basketball play in Abernathy gym Friday night, Jan. 17, against the teams from Canyon High School. The girls will start their game at 7 p.m., followed by the boys' tilt.

Abernathy boys enter district play with a 7-4 count. The Abernathy girls have won 15 and lost five games in pre-conference play.

Eddie Poole and Steve Bursen, both six feet four inches tall, and both seasoned players, will spark the visiting Canyon Eagles team. Both boys played in the state finals last year.

Lockney Here

The second District 2-AA encounter for the AHS teams will be Tuesday night, Jan. 21, when the Lockney Longhorn teams come to Abernathy gym to meet the Antelopes. The girls will play at 7 p.m., followed by the boys' game.

The two Antelope teams go to Floydada the night of Jan. 24. Abernathy fans are urged to make a special effort to attend the Floydada games. It is predicted that winner in the girls' game at Floydada, Jan. 24 will emerge as District 2-AA winner when conference play ends.

Beat Queen Bees

The Queen Bees basketball team of Wayland College suffered its first loss to a high school squad here Friday night when LeMoine's girls beat the visitors, 41-34. Denise Barker and Donna Webb each had 19 points in the game.

The local boys lost to the Brownfield Cubs, 46-41. Lane Wade made 16 points for the Antelopes.

Official Memorandum

By

JOHN CONNALLY

Governor of Texas

AUSTIN, TEXAS

GREETINGS:

Special observance of increased emphasis on our education system has been marked annually for fourteen years by a Public Schools Week in Texas.

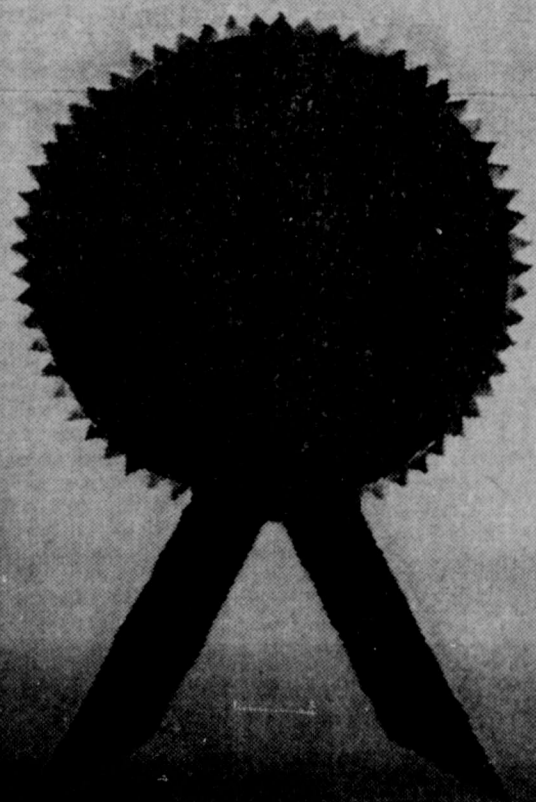

During this period, parents are encouraged to visit the public schools, and all citizens are urged through special programs to recognize the tremendous importance of our system of education. Our goal is to make Texas public schools the finest in the Nation, and to achieve this our citizens are urged to take an active interest in the school systems and to cooperate with their school boards, superintendents, principals and teachers.

Never before in our history has there been a greater need for educated leadership. As we rush to train young people in science and technology to keep pace with world events, it is also important to remember that our public schools will furnish our leaders tomorrow with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

THEREFORE, I, as Governor of Texas, do hereby designate the period of March 2-6, 1964, as

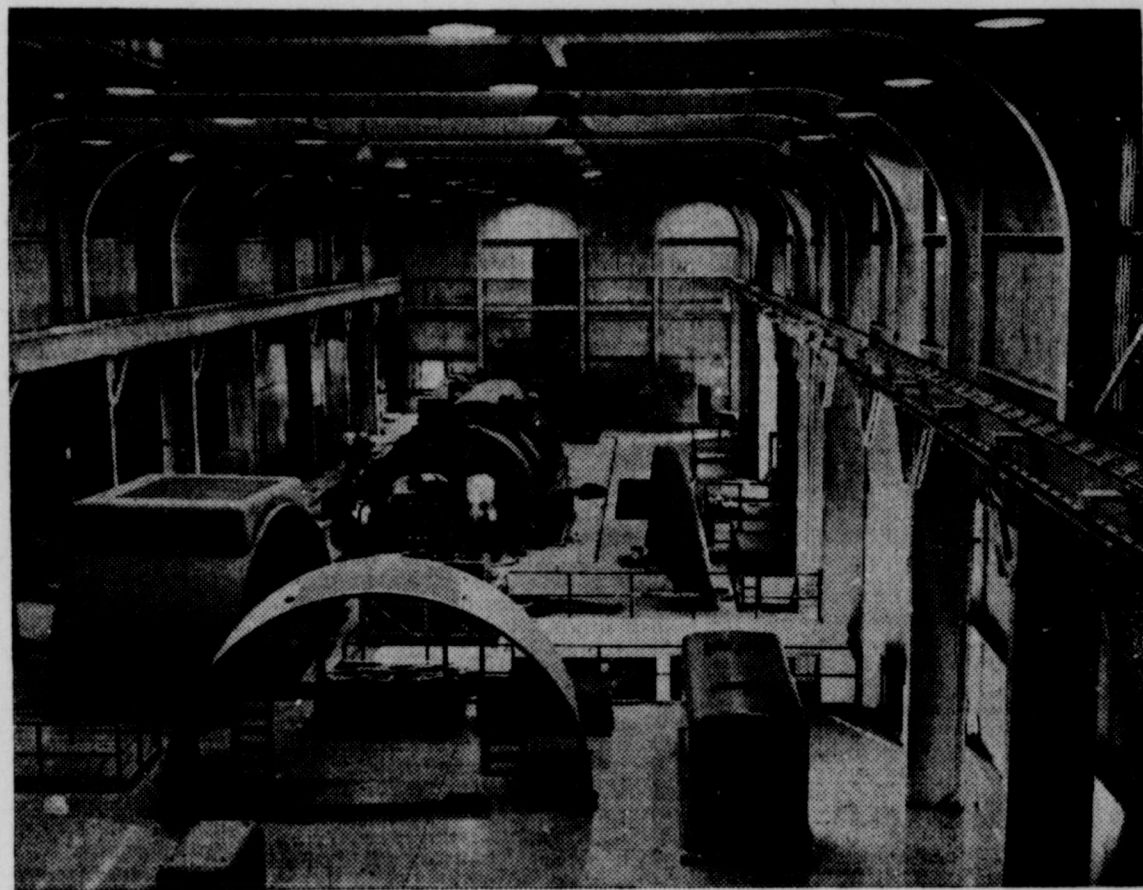

PUBLIC SCHOOLS WEEK

in Texas.

In official recognition whereof, I hereby affix my signature this 16th day of Dec., 1963

John Connally
Governor of Texas

PICTURED under construction at Southwestern Public Service Company's Plant X, in Lamb County, Texas, is a 210,000 kilowatt generator. The largest unit ever installed on the company's system, the huge turbo-generator will go into ser-

vice in mid-1964. Southwestern Public Service Company has announced that 1964 will be a record year for investment in construction and new facilities, with \$30,222,000 budgeted for improvements.

SWPS Plans Expansion

Southwestern Public Service Company's plans for 1964 call for the largest one year investment in new facilities in its history. It has been announced by A.R. Watson, President and General Manager of the electric light and power company.

Watson revealed recently that the company has investment plans for new equipment and construction of \$30,222,000 for this year.

"The 1964 improvement and construction budget is nearly 31 percent higher than our record years for construction, which were 1953 and 1963, and is evidence of our continuing confidence in the growth of this region," Watson said in his announcement.

The major item in the company's 1964 construction program will be an accelerated schedule of work on the second unit of Cunningham Station, located west of Hobbs, New Mexico. Originally scheduled for completion in 1966, the continued growth of the area has resulted in this timetable on this 210,000 kilowatt unit being advanced a full year, and it is now scheduled to be in service in mid-1965.

Still another major generating plant addition is the 4th turbo-generator at Plant X, in Lamb County, Texas. This 210,000 kilowatt unit, the largest single machine ever installed on South-

western's system, will go into service in mid-1964.

"With our present generating capability being a little over one million kilowatts, and additions which total 420,000 kilowatts being planned for the next two years, it is apparent that we see our biggest period of growth still ahead of us. This, of course, means that this area must be looking forward to its greatest growth period, because we install new facilities only because we see they will be needed, and we must be ready in advance of the hour of need," Watson pointed out.

Directly related to the construction of the generation facilities in 1964 is the building of a two hundred thirty thousand volt transmission line linking Plant X and Cunningham Station. This line will be the first constructed by the company to operate at 230,000 volts, although some segments of the present transmission system, which are operating at 115,000 volts, have been built for easy adaption to the higher voltage.

The company's ultimate goal is the operation of a 230,000 volt "backbone" transmission system extending from Borger to the Valley region of New Mexico. The result of doubling the transmission line voltage is that the line will then carry four times as much power.

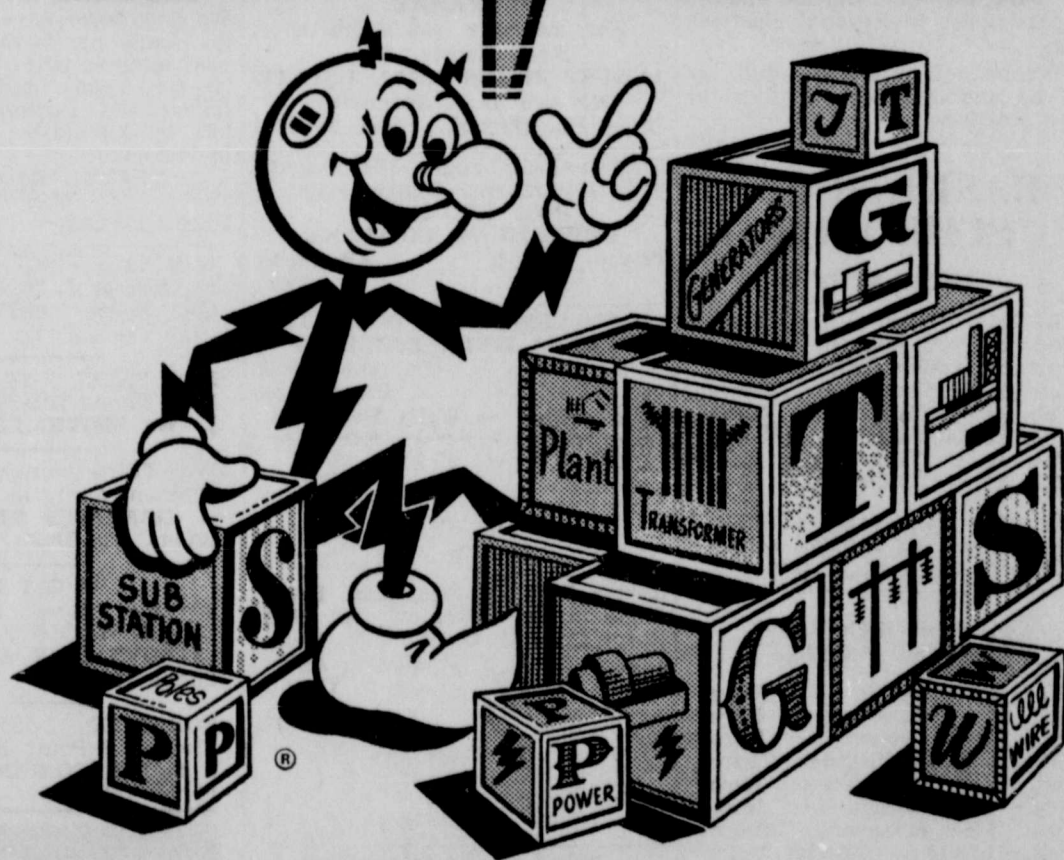

The 230,000 volt transmission line construction scheduled for this year also calls for a new 230,000 volt line to Lubbock. This will make it possible for the Lub-

bock area to receive power at the new higher voltage and guarantee even better service in that region.

In addition to the transmission grid, which ties together all of the company's plants, the generating facilities of the larger stations, Plant X, Cunningham and Nichols Station, near Amarillo, are directly controlled by an automatic dispatching system, which electronically determines the most efficient generating units to be operated. The dispatching system also computes the share of the load which other plants should be carrying, on the basis of costs, and then these loads are assigned to the plants by direct communication from the load dispatching center in Amarillo.

"There are several other important factors which make it possible for our rates to our customers for electric service to not have to be raised. One of these is the fact that our customers are using more electricity, which makes it possible for us to use larger and more efficient equipment. Our employees are due a measure of credit for these low rates, too, for in 1963, operating expenses and maintenance took a lower percentage of gross revenues than they did the previous year, and it is efforts like this which overcome the rising costs of many of the things necessary to our business, and make it possible to keep our rates low," Watson concluded.

I'M BUILDING POWER
FOR YOUR FUTURE!

OVER 30 MILLION WILL BE INVESTED THIS YEAR TO STAY
AHEAD OF YOUR ELECTRICAL NEEDS!

It's great to be part of a dynamic, growing area, planning for even greater future growth. That's why Reddy will invest \$30,222,000.00 to insure enough electric power for your homes, businesses, farms and industries. And, what's more important to you, this new investment will keep your electric rates low — your service dependable. You *do* have one dollar that buys more than ever before — your electric service dollar.

And, every cent of this more than 30 million dollars designed to keep your service efficient and economical will come from people just like you — investing their funds in the future of our growing area — proving that free enterprise is capable, and willing, to help Americans help themselves.

Wyley Wilkison of Abernathy sent. Mr. Cliff Howard was best man and Imogene Tippitt of Plainview were married in the home of the bridegroom. Rev. Gary Daniel performed the ceremony. Relatives and close friends were present.

News Of Men In The Armed Forces

FORT RILEY, KAN. (AHTNC)—Army Specialist Five Roy C. Borchardt, 24, son of Max H. Borchardt, Route 2, Hale Center, Texas, completed a chemical biological radiological (CBR) course at Fort Riley, Kansas, in mid-December.

During the course Specialist Borchardt received instruction in identifying CBR agents and protection against such agents. He also received training in the inspection and maintenance of CBR equipment.

Specialist Borchardt, a repairman in Company A of the 1st Infantry Division's 701st Ordnance Battalion at Fort Riley, entered the Army in March 1961 and completed basic training at Fort Hood, Texas.

The specialist, whose mother, Mrs. Ola H. McCulloch, lives in Levelland, is a 1957 graduate of Hale Center High School.

Before entering the Army, he was engaged in farming. His wife, Elvanda, lives in Junction City, Kan.

* * *

(AHTNC)—Pvt. Cecil R. Sooter, below, son of Mr. and Mrs. William B. Sooter, Route 1, Shallowater, Texas, completed eight weeks of advanced infantry training at the U. S. Army Training Center, Fort Gordon, Ga., in late December. During the training, Sooter received specialized instruction in the various phases of highly technical skills his future work in the Army will require of him as an infantryman. He entered the Army last August and completed basic training at the fort. The 23-year-old soldier is a 1958 graduate of Shallowater High School.

W. S. C. S. NEWS

The Methodist Woman's Society Christian Service met Monday, Jan. 12, at 2 p.m. at the church. The service was given by Mrs. L. A. Suttle, "The Christian Family and Its Money," arranged by Mrs. L. A. Suttle. Others on the program were Mrs. J. W. Davis, Donald Huff, Elton Settle, Carlton Thomas, Ray Penson, George Ragland and L. S. Wilson.

Mrs. Thomson led the group in singing, accompanied by Mrs. Margaret. Mrs. J. B. McClure gave the opening prayer. The benediction was by Mrs. M. O. Reed.

Others attending were Meses. David Davis, R. A. McAlister, M. M. Bell, F. W. Struve, Horace Davis, Auvus Johnson, Lee Nichols and Jackie Barton.

Mrs. M. M. Bell, reporter.

Good refrigerator housekeeping will make your refrigerator last longer. It should be kept immaculately clean, and the food stored in it should be covered or wrapped. And follow suggestions given in the manufacturer's operating instructions.

Ambulance telephone number in Abernathy: 298-2331.

ANN ROBERTSON
... To Marry February 8

Rev. and Mrs. James H. Robertson have announced the approaching marriage of their daughter, Ann, to Donnie Adams, son of Mr. and Mrs. L. M. Adams.

The couple will be married February 8, at 7:30 p.m. in the First Church of the Nazarene, Abernathy, with the father of the bride officiating.

Ann is a graduate of Abernathy High School and is now attending Texas Tech. Donnie is also a graduate of Abernathy High and is currently employed by West Texas Aircraft in Lubbock.

Homecoming Is Set At Wayland

PLAINVIEW (Special)—Superstition or not, several hundred alumni of Wayland Baptist College here are expected to gather for the 13th annual Homecoming festival on Feb. 14-15, according to Dr. W. Neil Record, executive secretary of the Association of Former Students and assistant to the WBC president.

Big on the list of alumni attractions is the traditional selection of the Coming Home Queen to be chosen this year from the Honor Class of 1944. A drama production, basketball games, class reunions, and a baby parade are on the agenda. Additional events are also being planned.

Special reunions for the classes of 1914, 1924, 1934, 1944 and 1954 are scheduled for the afternoon of Feb. 15 with a mass reunion also tentative on the agenda, according to Dr. Record. The annual business session will be that afternoon also when officers are elected and plans formed for the new year. Current president is Vernon Stokes, Plainview. Members of the Board of Directors whose terms expire this year are Jack Jeter, Happy, Mrs. Lillian Shelton Harral, Abernathy; and George James, Plainview. Other board members are Lynn Rhodes, Alton; Bill Webb, Borger; and Edna Windchen Thomas, Plainview.

The Coming Home Queen will be presented at the chapel program planned by the Association for Feb. 14, in Gates Hall Auditorium, and also at the annual Homecoming dinner for exes the following day.

The annual parade of Future Pioneers, all under five years of age, will be followed by a barbecue on Feb. 15.

To lead off the weekend's activities will be production of "The Rock" by the drama department and double basketball games when the WBC Hutchinson Flying Queens will meet the Topeka Boosters and the Pioneers will play the Indians from Midwestern University.

The bothersome and sometimes destructive problem of birds in hay lofts can be solved by the use of a flashing light. A revolving cylinder with two amber and two clear lenses placed over a 75 watt bulb will annoy the birds and drive them away. Don't burn the light at night, however, because from a distance the flashing amber and white lights make the barn appear to be on fire.

OUTSTANDING YOUNG HOMEMAKERS—Pictured above are members of four different Young Homemakers Chapters in Area I. At far right is Mrs. Don Presley, president of the Abernathy chapter, who accepted the plaque for Outstanding New Chapter in Area I during ceremonies at the annual Area banquet recently. The Abernathy chapter later was awarded the honor of Outstanding New Chapter in the state of Texas for the year 1963. Others

in the above photo are, left to right: Kathy Boston, Hereford, Outstanding Little Sister from Area I; Mrs. Wilbur Adams, Lockney, who accepted the Area I Publicity Award; and Mrs. Edward Well, president of the Hale Center chapter which was named the Outstanding Chapter in Area I and later received the same honors on the state level. Mrs. Well was instrumental in helping organize the Abernathy Chapter.

LETTERS

ABERNATHY WEEKLY REVIEW
ABERNATHY, TEXAS

Dear Advertising Manager:
We are pleased to inform you that your newspaper has been selected to carry General Telephone Company of the Southwest's 1964 advertising schedule which will feature a "Let's go!" theme about interesting places to go and exciting things to see in General Telephone territory.

We are proud of the towns we serve in the great southwest area and are using our '64 advertising program to let them know this. We also want our customers in these towns to know that we are interested in and willing to provide assistance in community development programs.

You should be receiving our first month's insertion order from the Curtis Taulbee Advertising agency in the near future.

Please feel free to contact the undersigned or the district manager for your area if General Telephone may be of assistance to you.

Very truly yours,
Joe H. Collins,
Director of Public
Relations.

ABERNATHY WEEKLY REVIEW
MR. B. F. DAVENPORT

Dear Mr. Davenport:
I wish to express my gratitude, and that of the Post Office Department for your assistance in making the general public more conscious of the importance of including the Zip Code Number to each piece of their mail, and for your cooperation in helping to make our Mail Early Program a success, as we will need your cooperation again next year.

Yours truly,
John H. Lambert,
Postmaster,
Abernathy, Texas.

Riding Club News

The Abernathy Riding Club met Saturday, Jan. 11, 7 p.m. in Graham's dining room.
Earl Winters, president, presided for the business meeting, with Mrs. Ed Struve serving as secretary-treasurer.

A ham supper was served to the following members: Mr. and Mrs. Noble Rice, Ed Struve, Doyle Oswalt, Bruce Brightbill and son David, James Rhodes and James Earl, Mrs. Max Wisdom, Larry Bobby and Rickey, Mrs. C. L. Goble Jr., and J. C. Larry and Mary, Earl Winters and Miss Mildred Winters.

The following were special guests from the New Deal Riding Club: Mr. and Mrs. Toni Rieken and Jerri Lynn, Mr. and Mrs. Wales Dunlap, and Doyle Jenkins. Gifts were presented to the outgoing secretary, Mrs. Max Wisdom and Miss Mary Goble, club queen.

The next meeting will be Saturday, Feb. 1, at 7 p.m. at Graham's. All members are urged to be present, pay dues, and order club shirts and vests to be used for riding in grand entries at rodeos.

Wayman Morgan has moved to 608 8th Street.
Virgil Brantley has moved to Rt. 3, Lubbock.

John D. Canon has moved to 410 14th Street.
Brent Nichols has moved to his home in Abernathy at 1201 Avenue E.

City Garden Club Meeting

The City Garden Club met Thursday, Jan. 9, in the city hall clubroom with Mrs. B. H. Beard and Mrs. Ed Heath as hostesses. Mrs. S. R. Jackson led a discussion on "Soil Building."

Attending were Meses. N. A. Oliver, M. M. Bell, O. W. Weeks, Floyd Shipman, Gid B. Adkisson, Sr., Harlow Neis, A. B. Myatt, Dewey Price, R. B. Smith, W. V. Halford, T. O. Brown, H. H. Vineyard, T. A. Brewster, J. C. Veach, Jackson, Heath and Beard. The next meeting will be held at 3 p.m. Jan. 23, in the city hall clubroom, with Mrs. A. B. Myatt and Mrs. M. M. Bell as hostesses.

City Garden Club officers for the new year are Mrs. Floyd Shipman, president; Mrs. J. C. Veach, vice president; Mrs. Dewey Price, secretary; Mrs. Harlow Neis, treasurer; Mrs. M. M.

1935 Study Club

The 1935 Study Club met Thursday, January 9, in the home of Mrs. F. B. Lovelace.

Mrs. Erceell Givens, president, presided for a business meeting. Officers were elected for the next club year, and the program selection committee, composed of Meses. F. B. Lovelace, Billy Houston and Delwin Webb presented the program material for the year.

Refreshments were served to the following: Meses. Ray Pinson, Wesley Harris, Waldo Cox, R. R. Struve, Doyle Oswalt, John L. Harval, W. V. Cunningham, Arno Struve, John Hale, Paul Harval, J. C. Mills, Delwin Webb, Billy Houston, Erceell Givens, and F. B. Lovelace.

Bell, corresponding secretary; Mrs. O. W. Weeks, parliamentary; Mrs. T. O. Brown, reporter.

Lakeview News

Mr. and Mrs. N. J. Fred and Mr. and Mrs. A. B. Colwell attended a Fred family reunion held in the Pary House in MacKenzie Park Sunday.

Mr. and Mrs. Maurice Campbell and Ken of Dimmitt spent last weekend visiting in the home of Mr. and Mrs. Dwain Bristow.

Mrs. H. M. Ledbetter of Gordonville is visiting her mother, Mrs. R. E. Anderson and husband.

The Lakeview Hobby Club met Jan. 9th at 2 p.m. in the home of Mrs. Leo Ammonett. The president, Mrs. O. S. Bristow, conducted a business session. Roll call was answered by giving household hints. Following a social hour the hostess served a refreshment plate to Meses. Virgil Newton, A. L. Mosley, O. S. Bristow, Glenn Ammonett, B. M. Jackson, H. G. Timms, J. C. Belt and H. A. Milner.

The next meeting will be Jan. 23rd in the home of Mrs. N. Matthews.

Lakeview Gin Cafe operated by Mrs. Florence Wigham during the ginning season has been closed until next fall.

W. S. C. S.

Mrs. Clayton Enger was hostess for the WSCS service in her home Tuesday at 2 p.m. The meeting was opened by the group singing "More Love to Thee." Mrs. Herbert Watson offered prayer.

Mrs. Johnny Williams of Cooper gave the study, "Christian Perfection," which will be given in four sessions. Love was the theme for the devotion given by Mrs. Williams. Mrs. J. C. Belt gave the benediction. Two visitors, Mrs. Odis Rodgers and Mrs. Williams of Cooper and the following members: Meses. R. E. Anderson, T. W. Driver, E. L. McCaugh, Dwain Bristow, Lawrence Emerson, Herbert Watson, J. C. Belt, N. Matthews, Cecil Tune and A. B. Colwell.

Mr. and Mrs. Bob Olive of Petersburg honored her parents, Mr. and Mrs. O. S. Bristow on their 41st wedding anniversary with a dinner Sunday in the Olive home.

Visitors in the home of Mr. and Mrs. Herbert Watson Saturday, were Mr. and Mrs. Lewis Bonham and daughter, Karen Jane of Dallas.

Mr. and Mrs. James Roy Rambo and children of Mayfield community visited her mother, Mrs. Lemmie Ragland Sunday.

Mr. and Mrs. Clayton Enger spent the weekend visiting his brother-in-law and sister, Mr. and Mrs. Joe Sewell in White Deer.

Mrs. Lavada Jackson of Lubbock visited in the B. M. Jackson home Saturday.

Joe Smith of San Antonio spent the weekend visiting in the Mrs. C. S. Smith home.

Mr. and Mrs. E. E. Senter, Kenneth and M. J. Senter attended funeral services in Cash, Okla., for Mr. Senter's nephew, Jim Ash 59, who died following major surgery.

The Senter family relatives in Grandfield and Lawton, Okla., while on the trip.

Henry Davis and children, Shelley and Craig of Amarillo, visited Mr. and Mrs. B. M. Jackson Saturday night.

A PRESIDENT SPEAKS

4-H Club News

By LYNN VAUGHAN
Abernathy 4-H Reporter

To all of the 4-H Club members I wish to say thank you for your time and for your information given me. To my club leaders, thank you so much for your patience and understanding while I learned and carried out the duties as your 4-H reporter.

To the members of the Abernathy Review staff, a great big "Thank You." If Mr. Davenport had not given so generously of the space in his paper, our club would not have received so much publicity last year. We feel this feature has helped our club to become one of the best clubs in Hale County.

Early last year Mr. Richard Havens took me under his wing and taught me the duties a reporter should know and showed me how

SKIING IN THE CLOUDCROFT AREA

James A. Bruce and family, Theo and Kenneth Phillips and two boys, Marion and Betty Carlton and two children, spent January 1, 2 and 3 in Cloudcroft, N. M. Skiing was the main attraction out of doors and a warm resting place the indoor attraction.

Skiing was reported to be good with no casualties just blue from head to toe.

To carry out those duties. This is the last article I will write as your 4-H reporter. I sincerely hope you readers have enjoyed the series of stories and pictures on the Abernathy 4-H boys and girls. Thank you for your interest.

Mr. Steve Johnson is to be our 1964 4-H Club reporter. I sincerely hope you will give him the same support and interest each of you have given me.

Thank You!

Report of Condition of THE FIRST STATE BANK

OF ABERNATHY, HALE COUNTY, TEXAS, AT THE CLOSE OF
BUSINESS ON DECEMBER 30, 1963.

SPC Granted Full Membership In The Southern Association Of Colleges And Schools

LEVELLAND (Special) — A measure of achievement for South Plains College, Levelland, was attained with the college being made a full member of Southern Association of Colleges and Schools. The announcement was made Dec. 3 during the 68th annual session of the Association at the Peabody Hotel in Memphis, Tenn.

This is the highest accreditation a college can have. It means that credits are transferable all over the world. It insures students attending South Plains that the standards are of the highest quality.

According to one faculty member, "We have had to demonstrate a measure of excellence to achieve membership in Southern Association."

The Levelland college made preliminary application a year ago for accreditation. At that time the faculty and administration had just completed a year long self-study which included all phases of the college program.

In the spring of this year a visitation committee composed of Dr. Harold C. Manor, Palm Beach Junior College, Lake Worth, Fla.; President Charles A. Harman, Bluefield College, Bluefield, Va.; and President T. A. Knight, Northeastern Mississippi College, Booneville, Miss., spent three days on the campus of South Plains to study the college program. Later this committee reported to the association its findings.

Administrative officials of the college appeared before the accreditation committee Dec. 2 to answer any questions they had about the college and its operation.

The object of Southern Association is to improve education through exercise of leadership and through the promotion of cooperative efforts between schools, colleges, and related agencies.

The association was organized in the autumn of 1895 at Atlanta, Ga., at a meeting of delegates from a number of Southern colleges and universities. Invitations to this meeting had been sent out by a committee appointed by the faculty of Vanderbilt University. The purposes of the meeting, as stated were: (1) To organize Southern schools and colleges for cooperation and mutual assistance; (2) To elevate the standard of scholarship and to effect uniformity of entrance requirements; and (3) To develop preparatory schools and cut off this work from the colleges. The following institutions were the charter members: Vanderbilt University, University of North Carolina, University of the South, University of Mississippi, Washington and Lee University, and Trinity College (Duke University).

Southern Association of Colleges and Schools is dedicated to the high purposes of promoting and

maintaining sound educational programs and procedures through helpful cooperation. It welcomes to its membership institutions that exemplify this spirit and that meet its standards; It declines to accept as members those institutions that do not.

South Plains College was one of seven Texas junior colleges which showed more than a 20 percent increase in enrollment this year. The figure jumped from 610 in 1962 to 803 in 1963, according to figures from the state Texas Education Agency.

A college facilities enlargement program was begun in the summer in anticipation of enrollment increase in future years. However, the facilities, a new girls' dormitory enlarged student center, library and gym dressing rooms, were needed, this fall.

Construction of a new science building, fine arts building, agriculture building and administrative building enlargement is underway. This expansion came about through a recent \$690,000 bond issue which carried by an overwhelming majority.

Dr. Marvin Baker is president of the institution. He is in his third year as top administrator, coming to Levelland from Florida where he served as junior college consultant at Florida State University. He received his Bachelor and Master's degrees from East Texas State College and his Ph. D. from the University of Texas.

George S. Reagan of Abernathy is enrolled at South Plains College.

Keyed To Local Farm Needs

It stands to reason that our bank, part and parcel of the community and dependent for its success on the success of local people, would know local farm problems better than any outside lending agency. It also is good horse sense that a lender who knows your problems is in a good position to help you solve them. So we invite you to do your borrowing here, because it's for your own best interest.

Tax Information

FARMERS FILING REQUIREMENTS

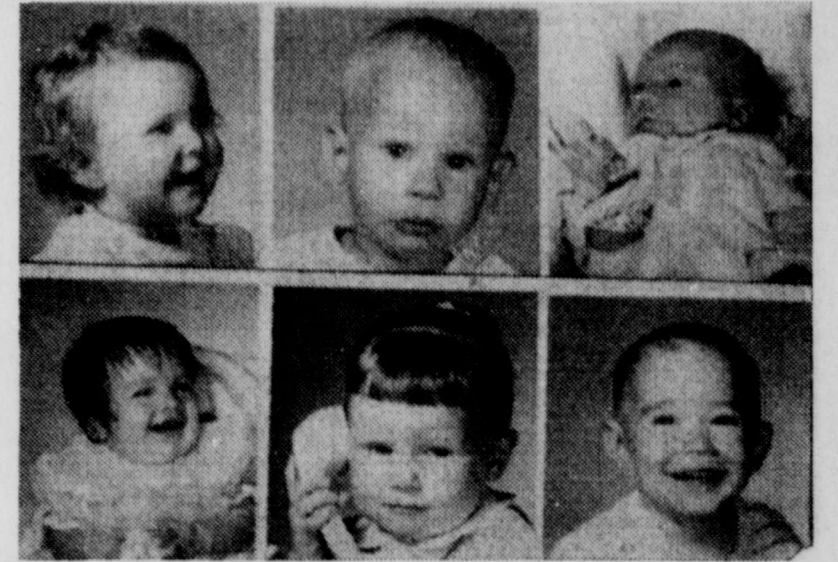

Farmers earning at least two-thirds of their 1963 gross income from agriculture should file their estimated 1963 Federal income tax returns, Forms 1040-ES, on or before Wednesday, January 15, 1964, according to Ellis Campbell, Jr., District Director of Internal Revenue in Dallas.

However, such estimate need not be filed if the farmer files his final return on Form 1040 and pays in full any tax due by February 17, 1964.

"Farmer's Tax Guide," which furnishes more detailed information on this subject, is available upon request from the Internal Revenue Service.

Agriculture, the biggest of the nation's industries, is composed of 8.7 million independent producers.

An ambitious young man ventured to approach a great merchant and inquired, "May I ask you the secret of success?"

"There is no secret," replied the merchant. "You just jump at your opportunity."

"But how can I tell when my opportunity comes?"

"You can't—you have to keep jumping."

Winter farrowed pigs must be kept warm and dry. During the first few days after birth, the pigs have very poor body temperature control.

Lubbock, Local Men In Meet Here On State School Site

(By O. F. Rea)
(From Last Week)

A delegation of some twenty-one prominent Lubbock business and professional men met with approximately the same number of Abernathy men of like status at Graham's Restaurant at 9:30 Wednesday morning, Dec. 18, for the purpose of setting forth to the Abernathy people the many reasons why the proposed state school for the mentally retarded should be located in Lubbock. Such a school is to be located in Texas, west of the 100th meridian, at not too distant a time.

Among a long list of reasons for locating the school in Lubbock are these: 1600 women have volunteered their services to the school, 200 acres of land, cost free to the State. Facilities and personnel of Texas Tech. Adequate playground equipment for the school, Garden Clubs to supervise gardens and flowers. South Plains Council for Mentally Retarded to assist. Ministers to provide for religious services and instructions. Lubbock Teachers Association, 1328 volunteers to help. Lubbock Civic Clubs to help. Transportation to school will be provided. Police and fire protection. Outstanding community support of the school. Large amount of labor offered.

Considerable work on the establishment of the school has been done already as a site committee has been appointed and will have their first meeting, presumably in Austin, on Jan. 13, 1964.

The speaker used a map shown on a screen to show that Lubbock was the most advantageous location in West Texas for this school. More highways, state and national pass through Lubbock with better connecting roads than any other city on the plains.

A resolution has been printed and a number of copies were left with the Abernathy people, to be acted upon in an official manner and mailed to the Lubbock Chamber of Commerce. The resolution asks that we pledge our support to Lubbock in asking for the school to be located at Lubbock. Those present from Lubbock were: B. E. Rushing Jr., Hemp Hill-Wells Co., Mayor Jack Strong, Hershal Avinger, Asst. Supt. of

Schools, Bo Sexton, Lubbock Power and Light, Gene McDonald, Southwestern Public Service, Walter Wells, American State Bank, Cecil Hollingsworth, West Texas Hospital, Arch Lamb, County Commissioner, Bill Davis, County Judge, C. W. Ratliff, KCBT TV, Alton Griffin, District Attorney, Howard Moore, First National Bank, George Brewer, Methodist Hospital, Jim Moore, Attorney, R. B. McAllister, KSEL Radio, Lea Derrick, County Commissioner, George Green, County Commissioner, Dick Moseley, Asst. Mgr. Chamber of Commerce, John Logan, Manager of C. of C., Bob Freeman, Citizens National Bank, Ken May, Avalanche-Journal.

Abernathy citizens present were: Melvin Rape, Joe Thompson, Alton McBride, Floyd Shipman, Roy Jones, Jim Bob Smith, James A. Bruce, Ray Sanderson, David Ray Pinson, Gid Adkisson, David Furgeson, Bobby McAllister, Andy Reid, Earl Carter, Delvin Webb, School Supt., Billy Frank Skipper, Dr. John W. Hale, Arno Struve, Charles Norwood and Rudolph Struve.

On the basis of our disposable income the average U. S. family is spending less for food today than ever before. In 1959 we spent 20 percent, compared to about 23 percent in 1929. The Japanese spend 42 percent; West Germans, 45 percent; and Russians, 55 percent of their disposable income for food.

pshire led New Deal with 36 and 10 points respectively. Sally Moore was high for McAdoo with 21 points.

Highlights From New Deal High

(By David McDougal)
(From Last Week)

Both New Deal teams were eliminated after two games in the annual Idalou Tourney January 2, 3 and 4. The boys fell to host Idalou in their first game 58-36 and fell in a close game with Roosevelt 62-59. The New Deal girls first lost to Idalou 48-38 and then fell in a double overtime 51-50 to McAdoo.

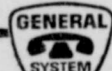

The Idalou boys led all quarters 12-6, 23-21 and 42-31. Chris Weems sacked up 16 points to take game honors and high for Idalou. Randy Peebles was high point for New Deal with 14.

The Roosevelt boys, paced by 6' 7" Kenneth Coffey's 38 points, trailed 31-29 at halftime and then took a 51-46 third quarter lead.

New Deal's feds "blew" a 29-16 lead at halftime and fell to the Idalou girls 48-38. The New Deal girls did not score in the fourth quarter. The New Deal girls led first three quarters 9-6, 29-16 and 38-25. Phyllis Reagan and La Vern Bell pumped in 21 and 15 points respectively to lead the Lions. Floreman led Idalou with 29 points.

The thriller of the tournament came when the Lionesses fell to McAdoo 51-50 in a double overtime. At the end of regulation play the score was tied 46-46. After the overtime ended a 48-48 tie put it into another two minutes. With 15 seconds remaining New Deal scored to lead 50-49. Then with a desperate shot with 4 seconds left, McAdoo pulled the game out of the fire.

GENERAL TELEPHONE LAUNCHES A "LET'S GO!" PROGRAM

In the vast five-state area served by this company, there are many interesting places to go and exciting things to see. That is why we are launching a program of ads to appear in this paper to point out some of the many visitor attractions. General Telephone is proud of the towns in its service area. We are convinced of great area growth, and offer a helpful community development service to our towns. For information, write Community Development Dept., Box 1001, San Angelo, Texas.

GENERAL TELEPHONE
OF THE SOUTHWEST

JANUARY 31 IS DEADLINE FOR FILING 1963 WOOL APPLICATIONS

Farmers have until the end of January to file applications for 1963 marketing year payments under the National Wool Act, E. J. Pope, Jr., Chairman Hale County Agricultural Stabilization and Conservation County Committee, reminded producers today. He emphasized that January 31, 1964, is the last day for accepting payment applications in connection with marketing of either wool or lambs during 1963.

Since this is several months earlier than under previous wool programs, the Chairman urges that producers avoid possible confusion by filing their applications on completed sales as soon as possible.

Mr. Pope points out that the 1963 marketing year under the wool program ends the last day of December 1963. Future wool marketing years will be for 12 months and will coincide with the calendar year. The January 31, 1964, deadline for filing 1963 applications is in line with normal program procedure of continuing to accept applications for a month following the end of the marketing year.

The 1963 program payments—which probably will begin in April—will cover shorn wool and unshorn lambs marketed during the 9-month period, April 1, 1963, thru December 31, 1963. Later marketings will be eligible for payments for the 1964 marketing year, which will begin the first of April.

The necessary sales records accompanying the applications will be the basis for calculating the national average price received by farmers for wool during the 1963 marketing year. When the average price can be determined, the payment rates for shorn wool and unshorn lambs sold during the 1963 marketing year will be announced. Congress authorized the National Wool Act in order to encourage the domestic production of wool.

Abernathy Day Proposed At Stock Show

Fort Worth (Spl.) — Abernathy has received an invitation to be honored with a Special Day at the 1964 Southwestern Exposition and Fair Stock Show, January 24 thru February 2.

W. R. Watt, Stock Show president-manager, said the Special Day delegation would be spotlighted during an introduction at the rodeo performance and the city would receive special recognition both at the show and over a wide area of Texas.

The invitation includes a block reservation of Rodeo seats, for advance sale locally, so all of the

Abernathy (Texas) Weekly Review Thursday, Jan. 16, 1964—Page 7

MESSAGE FROM THE HEART

delegation can sit together during the spotlighted introduction. The local band is invited to play a concert on the Stock Show grounds and be the Show's guest at the rodeo. A cowgirl sweetheart can be named to ride in the Rodeo Grand Entry on the Special Day, and would be introduced to the audience. Area riding clubs are invited to ride in the opening day Western parade, in the Rodeo Grand Entry on the Special Day, or both.

Wet litter in broiler or layer house provides an ideal environment for development and spread of C-R-D and coccidiosis poultry diseases.

An important point to consider if you are shopping for a household appliance is whether service is available, says Mrs. Wanda Meyer, home management specialist with the Texas Agricultural Extension Service. Manufacturers of appliances are working to improve their products, eliminate weaknesses and simplify service. Electronic devices now guide service men to the source of trouble; easier access to mechanisms makes shorter work of repairs, and warranties provide more coverage for longer periods.

CHEVY-VAN!

Chevrolet's new low-cost quality delivery truck!

This introduces you to Chevy-Van—our new economy delivery truck.

It has a low price tag, over 40 sq. ft. of completely usable flat floor 7½ ft. long, the engine up front, and a lot of quality features which make it a better buy. The body and frame-floor are welded together. The truck is strong, rigid, stable. Doors are double-wall construction.

Chevy-Van has unusual resistance to rust and corrosion. Especially vulnerable areas such as front stepwells are galvanized. Sealers are used at all critical joints inside

and out. Certain sections are treated with high-zinc-content primers; others with an aluminum-wax preservative.

The windshield is a big flat practical one-piece unit. The big 90-hp 4-cylinder standard engine is more powerful than some 6s, yet is remarkably economical.

If you need more power, Chevy-Van offers a 120-hp six at extra cost. Side doors and rear windows also cost extra.

Last but not least, it's a Chevrolet. Which means that it is built to work for you a long time at minimum cost.

Telephone your Chevrolet dealer about Chevy-Van or any type of truck!

4-H Spotlight On Karen McClendon

(By Lynn Vaughan
Abernathy 4-H Reporter)

Karen McClendon is the 11 year old daughter of Mr. and Mrs. Wayne McClendon of 201 Avenue H, Abernathy.

This is Karen's third year to be in 4-H. At the present Karen's projects are public speaking, cooking and sewing.

To Karen 4-H means friendship, fun and responsibility. Karen feels that working in 4-H will help her to become a better citizen by knowing more about what to do in the future.

Karen is a sixth grade student of the Abernathy Junior High School. She attends the First Methodist Church in Abernathy.

In 1962 Karen won a blue ribbon at the 4-H Fair at Plainview with pillow cases. At District Food show held on Texas Tech campus she won a white ribbon and at the 4-H Fair in Plainview she won a red ribbon on cookies. At the South Plains Fair, a red ribbon on fudge; at the Favorite Foods show at Plainview a red ribbon on mashed potatoes, and a blue ribbon on chocolate mint tower; at the South Plains Fair a white ribbon on a skirt.

In 1963 at Plainview she received a blue ribbon on a doll dress and at District she won a blue ribbon on foods and nutrition. At the 4-H Fair in Plainview she won a blue ribbon on fudge cake, a red ribbon on pickles, a red ribbon for a sachet ball, a red ribbon for tapioca pudding, a red ribbon for peach preserves, a red ribbon for cherry preserves.

Cotton Acreage Release Dates

LUBBOCK — Changes in Texas' Release and Reapportionment program for 1964, made by the State ASC Committee, have been announced to Plains Cotton Growers, Inc., and may result in the High Plains area getting a larger share of released cotton acreage. The 23 counties in Plains Cotton Growers' territory received 91,884 acres of cotton under this program in 1963.

Under this program farmers who do not wish to plant all of their allotted cotton acreage can release the unwanted portion to their County ASC Committee for reapportionment to farmers who request additional acres. After reapportionment within the county, excess acres are turned to the State Committee for distribution within the zone in which the acres were released.

Final date for releasing acreage, and for requesting additional acreage, was set for March 4, 1964 in Zone 2, which covers all of the High Plains area. It is important that area farmers understand that requests for reapportioned acres must be filed with county ASC Committees before that date. Reapportioning of the acres will take place on March 25 in Zone 2. Corresponding dates for Zone 1, which lies in South and Southeast Texas, are February 4 and February 25.

The two zones were slightly rearranged for 1964, with Zone 2 losing 11 counties and adding three others, Angelina, San Augustine and Sabine counties were added to Zone 2. Taken out of Zone 2 and added to Zone 1 were Schleicher, Sutton, Menard, Humble, Mason, Llano, Gillespie, Blanco, Burnet, Williamson and Milam counties.

Other changes in the 1964 program deal with limitations placed on the number of acres a county or individual farm is eligible to receive under the program. Briefly, the limitations state this:

1. No county or individual farm can be given reapportioned acreage that will bring total acres in cotton to more than 50% of the total land in cultivation, nor can a county's base allotment be increased by more than 50%.

2. No farm can receive reapportioned acres unless at least 75% of that farm's effective 1963 cotton allotment was planted or unless failure to plant the allotment can be explained by weather conditions, illness, or other good cause beyond the farmers control.

3. Farms with less than 15 acres base cotton allotment are limited to a 100% increase or an increase to a total of 15 acres, whichever is greater.

4. Farms with from 15 to 24 acres base allotment are limited to an increase of 100% or an increase to a total of 37 1/2 acres, whichever is greater.

5. Farms with 25 or more acres of base allotment are limited to an increase of 50% of that base allotment.

It is expected that these revisions in the regulations governing the reapportionment of released cotton acreage will provide for a more equitable distribution over the entire state, allowing greater utilization of the state allotment.

Mahon Secures Weather Station

WASHINGTON, D. C., Dec. 23 — George Mahon reports that he has been successful in securing an appropriation for the establishment of an agricultural weather service and research station in Lubbock, which is to serve the counties of the South Plains area. Final action was taken by the House and Senate last week.

Dr. Terrell Noffsinger, an agricultural meteorologist specialist from Washington will be in the South Plains area in January for the purpose of coordinating plans for the new program. An agricultural meteorologist will arrive in March and take up his duties at the State Experiment Station. Weather forecasters will be added to the staff in May. The station will not get into full operation until mid-summer.

A total of twelve additional employees will be required for the project. The work will be coordinated between the existing weather station and the State Experiment Station north of Lubbock. The cost of initial electronic equipment for the program will be \$30,000. Annual operating cost will be \$143,000.

The added service will enable farmers of West Texas to get detailed farm weather forecasts and timely information in regard to weather conditions. In addition to being helpful during the planting, cultivation, and harvesting seasons, the program will be of special importance in connection with insect control and defoliation programs.

Special attention will be given in the research field to the effect of weather upon plant diseases and insect control.

Reports from areas where the special agricultural weather service is now available indicate the program is quite successful and is resulting in large financial savings to farmers. It was emphasized that the program will be coordinated with state and local officials.

Mahon said he wanted to give credit to the Plains Cotton Growers for spearheading the drive for the agricultural weather service.

Eugene Hall has moved to 903 Avenue G.

Jim Wisdom has moved to Rt. 1, Abernathy.

A potential export market for over 60 million pounds of pork a year will be opened up to American producers when hog cholera is eradicated from the U. S. This market for some \$15.3 million worth of pork is not now available because 11 foreign countries bar U. S. pork due to cholera.

The producer must study business records before the end of December and make an estimate of the taxable income. If the prospects for taxable income appear to be high, the taxpayer may reduce it by paying for needed business items before the end of December, says Bates. Repair parts for machinery, paints, seed, tires, and reasonable amounts of fertilizer are some items which may be paid for in advance. If the taxable income prospects point to a rather low figure for the year, the process should be reversed and steps taken to increase income as much as possible. This can be done by obtaining payment for all products sold through December and carrying some repair and other maintenance costs over to January, with the hopes that next year's income may be more favorable.

Some farmers pay more taxes than they should because they fail to take advantage of depreciation on purchased livestock, Bates continues. Depreciation also provides an important tax management opportunity since new purchases of equipment items, irrigation facilities and similar items may be subjected to the 20 percent first year depreciation. Assets having a six-year useful life, and not in the real estate category are usually eligible for this treatment, says Bates.

Ag Center Bond Sale Discussed

The Hale County Commissioners Court, meeting in special session last week, negotiated the sale of \$380,000 in bonds to finance the construction of a county agricultural center.

C. M. Smith, representing First Southwest Co., Eppler, Guerin & Turner; and Rausser, Pierce & Co., was given a contract for the sale after offering an average interest rate of 3.58511 per cent over the 20-year payout period.

Under terms of the contract, the bond purchasers will pay all of the costs of printing, transporting and issuing the bonds. The cost will be approximately \$2,935.

The negotiated sale was one of two routes the court could have taken in selling the bonds. The alternative would have been to have put the bonds up for bid in the hope of getting a lower interest rate. Under such a plan, the county would have had to stand the cost of preparing the bonds.

The 3.58 per cent interest rate is below the 4 per cent interest rate figured in the maturity schedule as it was considered by the court before the election on the agricultural center and will result in a saving of some \$24,250 according to Joe Smith of First Southwest Co.

First Southwest Co. is the county's legal adviser and recommended that the bonds be issued on the 20-year maturity schedule. As agreed upon, bonds maturing thru 1972 will bear 4 1/2 per cent interest; bonds maturing from 1973 thru 1978 will bear three and 3/4 per cent and the remaining bonds will bear interest at the rate of 3 1/2 per cent. The bonds will be subject to recall without penalty after Jan. 15, 1979.

The bond issue was approved by Hale County voters in an election Dec. 21 and authorized the commissioners court to issue \$380,000 bonds for the construction of an agricultural center. The county has options on two tracts of land and a steel building on the south edge of the city of Plainview which will be used for the center.

County Judge C. L. Abernethy read a letter from architect John Kerr to the court in which Kerr stated that his firm would require 30-60 days for preliminary plans and then another 60-90 days to prepare detailed plans for bidders on the project.

The court is expected to name an advisory board composed of interested county residents to study the needs of an exhibition building and make recommendations to the court. The court will in turn instruct Kerr.

Bulk of the remainder of the time taken in the special session dealt with a continuing study of salary increase requests. No decision was made, however, pending further study.

PGC Battles Boll Weevil

LUBBOCK — Don Anderson, Chairman of the High Plains Boll Weevil Steering Committee, and Plains Cotton Growers Field Representative Ed Dean met January 3 in Austin with Texas Commissioner of Agriculture John White to discuss state participation in the boll weevil eradication program planned for the High Plains area. Plains Cotton Growers is spearheading efforts to initiate an all-out program to stop the boll weevil before he makes deeper inroads on the High Plains.

Advising the Commissioner of Agriculture on the technical aspects of boll weevil problems and control at the meeting will be representatives of the Federal Plant Pest Control office at San Antonio, Texas, and the USDA Boll Weevil Research Laboratory at State College, Mississippi.

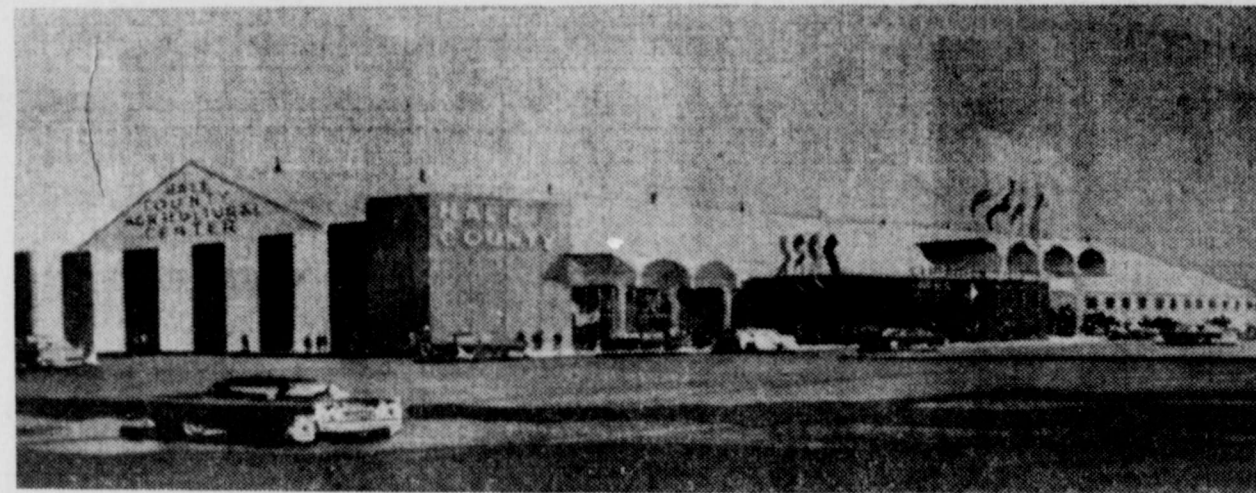

The meeting is one of the things being done in preparation for a meeting of the High Plains Area-wide Boll Weevil Committee scheduled later this month. The Area-wide Committee is made up of one member from each of the 23 counties in Plains Cotton Growers' territory, while the Steering Committee has thirteen members from the eastern edge of the High Plains where the weevil has already caused extensive damage.

view which will be used for the center.

County Judge C. L. Abernethy read a letter from architect John Kerr to the court in which Kerr stated that his firm would require 30-60 days for preliminary plans and then another 60-90 days to prepare detailed plans for bidders on the project.

The court is expected to name an advisory board composed of interested county residents to study the needs of an exhibition building and make recommendations to the court. The court will in turn instruct Kerr.

Bulk of the remainder of the time taken in the special session dealt with a continuing study of salary increase requests. No decision was made, however, pending further study.

PICTURED above is an artist's conception of what the Hale County Agriculture Center main building will look like when work is completed. County voters Dec. 21 favored a \$380,000 bond issue to finance the center, which will be located in Plainview.

Welcome aboard Amigos!

Now on Chico's new BARGAIN FARES

—travel round trip for
only 40% more than
one-way fares
through April 30th

Santa Fe

Now the entire Santa Fe is a terrific travel bargain through April 30, 1964.

Here's how Chico's travel bargains will save you money: If the one-way fare is \$10, you can travel round trip for only \$14. When the one-way fare is \$25, you travel round trip for only \$35. On one-way fares costing \$50, the round trip is only \$70.

Round-trip bargain fares will apply for all trains between all Santa Fe stations, making it easy for you to enjoy a trip at special savings. And you have a 30-day return limit on these bargain-fare tickets.

Remember, family fares are even lower than Chico's bargain fares, making Santa Fe the most economical way for husband and wife, or family groups to travel.

Let your hometown Santa Fe agent furnish complete information
