

"AS I
SEE IT"

By Jack McCarty
From A Hospital Bed

Monday night I felt like a million dollars, Tuesday night I lay on a hard hospital bed thinking that with the girls back in the 20's now I could brag too, and sing along with them, "O-h-O-h-O-h My Operation."

For suddenly in the night pangs of pain gnawed at my innards and did not cease with daylight. Around nine o'clock it was necessary to do something beside court the aspirin bottle and my good red-head yanked me off to the hospital. The Doc took one look at my liver-colored face, gave me a lively punch in the abdominal area and said blithely, "After the one on the table now, you're next." That was it, appendix.

You know, that's an experience well worth three or four hundred dollars (and I'm sure it will cost me just that), having two white-clad nurses roll that cute carriage down to 'surgery', and with me aboard, where surroundings took on the meaning of a straight-jacket for me immediately.

Then came the highlight: Someone asked, "Are we ready?" I thought they meant me and said, "NO." Nevertheless an oval shaped do-dad slid silently onto my face and the pungent odor of ether assailed my nostrils. I was told to breathe deeply and in that breath a sickly feeling started in my toes, creeping relentlessly upward. Striving for one last look at this grand old world, it came to me that surroundings were heavenly, the nurses were angels; but the doctor, something was wrong with this set-up, there he was, a long knife in one hand and a set of tongs in the other, and with that gloating look in his eye. I passed out!

Coming back to reality is something, I was most surprised that I was alive, but soon things started to look green around me, I hurt all over and knew I was going to be heartily sick. Fortunately that passed in several hours.

I'll be seeing you again soon. And isn't it nice that we have good doctors, good nurses, good wives, good friends, and good employees, so that we can pleasantly take off and be sick unto surgery sometimes.

CASTOR BEAN HULLING PLANT ASSURED FOR CROSS PLAINS TO SERVE THIS AREA

Cross Plains is to have a castor bean hulling plant, it is being announced through the Producer's Marketing Association at Baird, and arrangements have been completed for installing machinery. The plant will be located at the A. D. Petty place on South Main

Street, which was formerly used as a vetch cleaning and separating plant.

Doyle Burchfield of Cross Plains has been employed by the county PMA committee to act as foreman for the hulling plant. Equipment is expected to be installed in August, and to be ready for operation by the time castor beans have matured.

Location of the plant in Cross Plains is designed to distribute hullers over the Cross Timbers territory to service growers in a 25 to 30 mile radius of each point. Carbon has been assigned a plant, and as is well known, Brownwood has had one two years.

Castor bean growers should not become discouraged or abandon their crop, says B. B. McPherson, Callahan County PMA officer, if the current drought is causing plants to shed their leaves, since with good rains in August and September castor beans can still produce a good crop.

"Journey Into Light"

To the people of Callahan County:

I wish to take this opportunity to thank each and every one who supported me in the recent election. I am highly honored by your faith and trust and will attempt to carry out the duties of this office to the best of my ability.

My sincere thanks,
JOE PIERCE

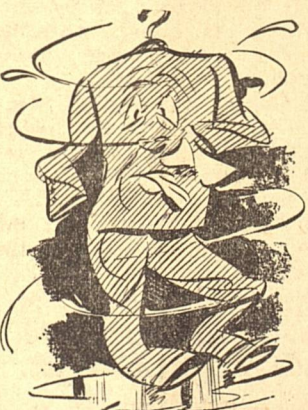

In Appreciation...

While I was unopposed in my race for re-election to the office of County Treasurer, I wish to express my deepest feelings of appreciation to the voters of the entire county for the splendid vote that was cast for me last Saturday. I accept it as a vote of confidence and shall do my best to merit that confidence during the time I hold this important office. Your continued good will and cooperation will be of greatest value to me. With sincere thanks, I remain

Yours very truly,

YOUR CLOTHES CAN'T STAND THIS HOT WEATHER

If not cleaned regularly, perspiration and dust will ruin your light summer garments. The gritty dust particles are harmful to the fabrics. To give your clothes new life and shape, bring them in frequently for expert dry cleaning. They will not only look better, but you will actually feel cooler in them. Try our cleaning service today. To The Citizens Of Callahan County:

I would like to say "Thank You" for the good vote given me for re-election to the office of County Clerk.

I have administered the duties of this office for the good of "ALL THE PEOPLE" and I shall continue to administer the duties as I have in the past, fair and impartially, and for the best interest of Callahan County.

Personally, I am proud of my record. I have worked hard, stayed on the job, and have conducted the affairs of the office in a business like manner, which has been an asset to the county.

My record is an open book, subject to examination for comparison with the past clerks.

Again, I want to say "Thank You".

Sincerely,

Mrs. Chas L. Robinson

To The Voters Of Callahan County:

Although I came in second with only two in the race for Callahan County Sheriff in last Saturday's election, I want to express my sincere appreciation for the votes that were cast for me. I will always remember the favors that were extended in behalf of my campaign and the loyalty demonstrated by my friends. It was a pleasure to canvass the county which gave me the opportunity to talk to many of the citizens whom I had never before met. I want you to know that I appreciate all you did for me, even though the majority of the voters did not see fit to cast their vote in my favor.

Sincerely yours,

George Morgan

To the citizens of Callahan County

Although unopposed in the Democratic Primary election, for County Judge, I wish to thank you for the many courtesies and kindness shown me before the election; also the splendid support and vote you gave me in last Saturday's election.

I would be very ungrateful if I did not thank you for the fine cooperation I have received during my stay in office to date, and as always, I am open to any help or suggestions that will improve the conditions of the county.

With this friendly attitude and working together we will go forward and accomplish the needs of Callahan County.

Again thanking you very kindly for all past and future favors.

Sincerely yours,
J. L. FARMER
