Vol. 98 No. 31 Pub. No. 122800
50¢

Answerline

Q. Did a high ranking state official recently say, "Colorado City really needs to clean up the town and have more pride in your community if you want to attract more potential businesses and residents?"

A. Yes. He also said C-City has a lot to offer, but its appearance needs to be addressed.

(The Record ran this question and answer without the speaker's name because this person spoke honestly and frankly in answer to a question, wanting to tell it like it is, but did not want to create any problems.)

Briefly

Twirling Camp

The CHS Twirlers will be hosting a twirling camp at the high school on August 5-8 for kindergarten age through Jr. High. Registration will be held July 29 from 4-6 pm at the high school. For more information call 728-5738.

Graduation Pictures

Individual pictures taken of 2002 graduates are now at the CHS office. You may pick up your pictures from Mrs. Reyna from 8-12 and from 1-3:30 Monday through Friday. For more information, call 728-3424.

Pee Wee Football

Colorado City Pee Wee Football will be having an organization meeting Thursday, August 8 at 6 pm at the C.C. Thompson Room. Anyone interested in coaching or in helping please attend.

CHS Summer Band

The CHS Summer Band will begin next week. Seniors, section leaders and officers will meet at 9 am on July 31. Full band starts on August 1 at 9 am at the CHS Band Hall.

Golden Age Club

The Westbrook Golden Age Club will have their monthly meeting Tues., Aug. 6 at 6 p.m. with a potluck supper. Potential members and visitors always welcome.

Retirement Reception

A retirement reception will be held on Sun., Aug. 4 honoring Westbrook ISD ag retiree J.W. Schlee at the Westbrook ISD cafeteria from 2-4 p.m. The public is invited.

Vacation Bible School

Primera Iglesia Bautista El Calvario, corner of 17th & Oak, will have Vacation Bible School August 4-7 from 6-8 pm. All children are invited.

City, Hospital District very close to agreement

Based on revised water and sewer flow estimates, the City Council lowered its demand for a deposit for the new county hospital project to help finance an expanded sewer system from nearly \$250,000 to \$77,000 Tuesday night.

City Manager Steve Shutt said the three to four month project might cost only \$70,000, which would exactly meet the hospital district's original budget allocation.

Council members also voted to forgive \$25,000 in City engineering costs over the past two years and discussed allowing the hospital district to pay a third of the fee with "add-

on's" to its monthly water and sewer bills for 12-18 months.

Invited to comment at the 6 p.m. called meeting, hospital administrator Bill McKinnon thanked the Council.

"It's been a hard road to get to this point," McKinnon said.

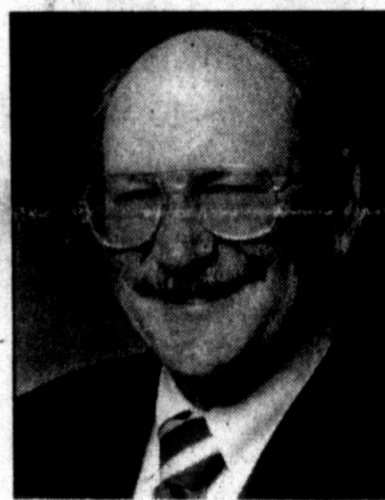

He said the district's monthly water and sewer bill has been averaging \$600.

Mayor Bob Reilly said the hospital board will now have to accept the offer and deposit \$77,000, subject to Council action to defer part of it.

"When we get that money in hand, we start to work," he

Barber announces bid for county attorney

Pat Barber

Independent county attorney candidate Pat Barber said Friday that a prosecutor should be more concerned with doing justice than just obtaining convictions.

Barber, 56, said in formally announcing his candidacy for county attorney that his philosophy was influenced by his father Dell, who died in 1987 after practicing law here for 54 years.

He served as Mitchell County attorney from 1976 to '84.

"My dad used to say that a prosecutor can do more justice than 10 defense attorneys," he said. "His encouragement to me was to try to do justice in the job, not just convict people.

"It's easy enough for a prosecutor to convict people. But sometimes people, especially local kids we know, make a mistake, and those mistakes can be handled in such a way that they don't end up with a permanent criminal history to haunt them for the rest of their lives.

"I believe a prosecutor should maintain a balance between the rights of the individuals accused and the right of the people to be free from criminal acts."

Barber will face recently appointed county attorney Tom Rees Sr., a Democrat, in the Nov. 5 general election.

Previous county attorney Mark Piland resigned to pursue a business interest after the March 12 party primaries.

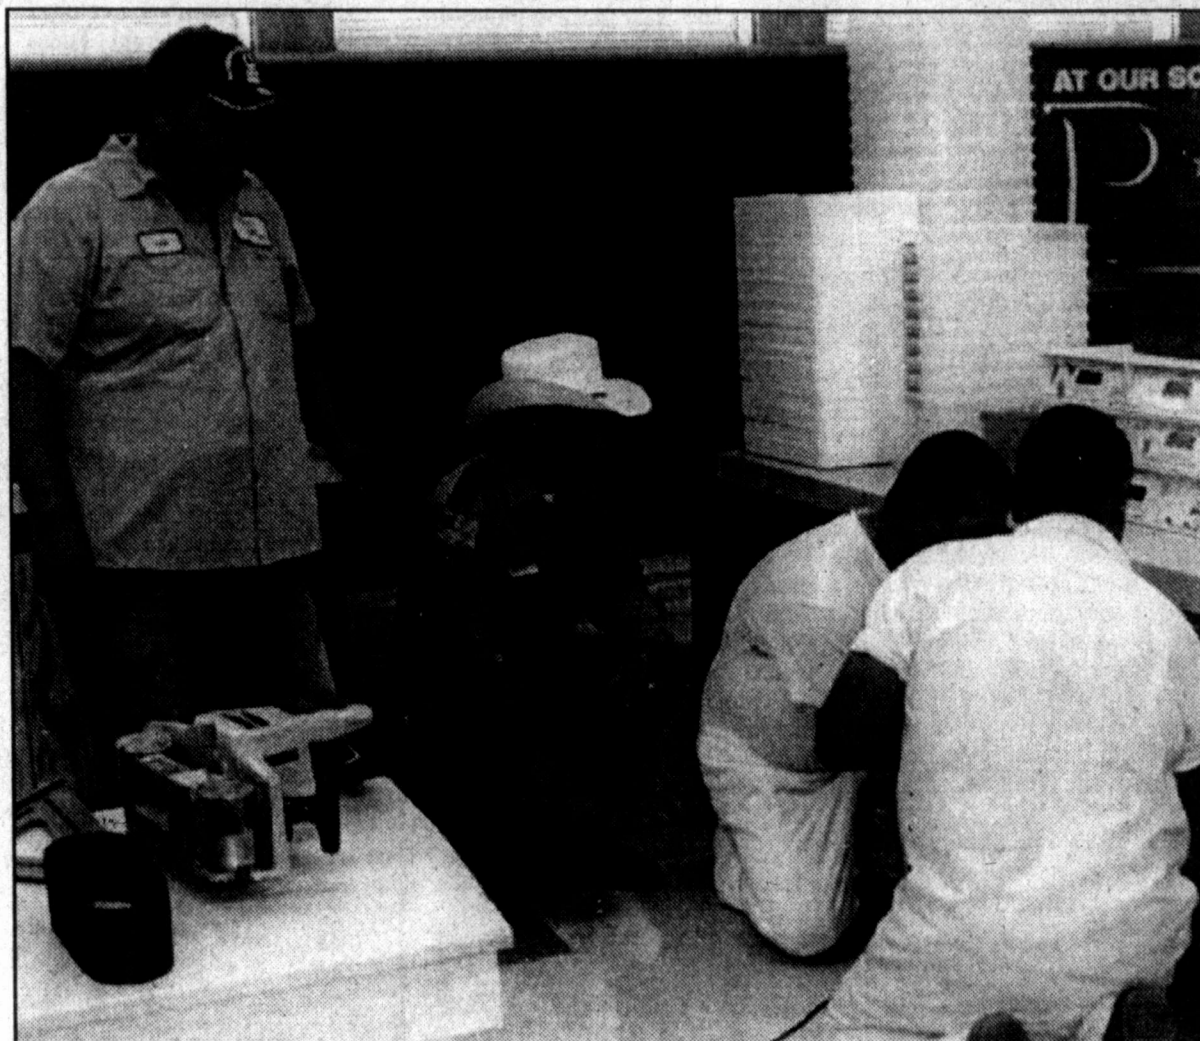

Rees and Barber applied to county commissioners for the position, and Rees was chosen on a 3-2 vote.

Based on five percent of local voters in the last governor's election, Barber was required to get 89 signatures on a petition to be on the ballot as an independent and got 148.

"I'm going to do the job and do it to the best of my ability," he said.

"I think in years past, there haven't been very many trials out of the county attorney's

PRE-SCHOOL PREPARATIONS were underway Tuesday morning at Kelley Elementary School, where prison community service crewmen supervised by Field Boss Randy Henderson and custodian Jose Rodriguez completed the school's new math and science learning center in the cafeteria. This is the Record's annual Back to School Edition.

Minister leads march

A Colorado City minister led a 10 a.m. Tuesday march from his 1810 Mulberry St. church to the county courthouse, protesting the county library's refusal to allow him the use of its meeting room.

The Rev. Seneca Lee has filed suit in federal district court in Abilene, seeking an injunction permitting him to use the Hesperian Room for religious and educational purposes.

He was accompanied by Bonnie Boone and Lee and Malik Bender on the march from the northwest side of town to the courthouse, across the street from the 340 Oak St. library.

The Rev. Lee said the Florida legal group that filed the suit, Liberty Counsel, had told him his prospects appear to be good.

School Board takes AD's collection bid

Colorado City School Board members last Wednesday accepted Mitchell County Appraisal District's offer to begin collecting CISD taxes this fall.

They also heard Supt. Jim White's report that he had elevated assistant coach Steve Summers to replace Darrin Levertson as head high school girls' basketball coach.

Business Manager Geneva Ratliff argued against signing a three year contract with the AD, saying business office assistant Jeneal Chambers only works full time on collections from October to January.

She said Ms. Chambers spends about two hours a day on tax matters the rest of the year and does data processing and reports to federal agencies and on teachers' retirement, workman's compensation, cafeterias, nutrition and withhol-

ding and works as a receptionist.

"If it's not broke, don't fix it," Ms. Ratliff said, noting that the district has spent \$13,910 to update computers and software for tax collections.

However, Supt. White and all six board members favored the change, largely because Ms. Ratliff will retire in February after 33 years with the district.

"I'm more comfortable with the idea of another entity handling the money," White said.

He added that the school business staff will be probably be reduced by one.

"It'll be one less thing we have to worry about," said board member Scott Stubblefield.

AD Chief Appraiser Kaye Nell Cornutt and Assistant Lin-

See CISD, page 7A

Beautification opinions sought

It is important to consider what's right with Colorado City, but it's also necessary to look at what's wrong with it.

That is, if you want to reverse a two decade long population decline and attract new residents and businesses.

The 1980 Census showed more than 5,700 C-Citians, but the number on city limit signs today is about 1,400 fewer -- 4,281.

What happened?

That's one of the questions alluded to in a survey the Keep C-City Beautiful Committee is running on Page 12-A of today's Record, asking what you think.

Yes, that is the indispensable element in the KCCB equation -- you, your knowledge, ideas and participation.

The KCCB, a loosely organized group of about a dozen citizens that meets at 6 p.m. on the fourth Thursday of each month in the Hesperian Room

at the county library, is not actually a committee, just people who care about their town and are not afraid to get their hands dirty.

"It's just whoever wants to

do it," said KCCB Chairman Bob Reilly, explaining that all you need to do to join is show up at a meeting and take part.

"There are so many things that need to be done, and

we're kind of few in number," Reilly said.

"We need more direction in which way to go, what the people think are the most glaring defects and what would make our town look the best or what makes it look the worst.

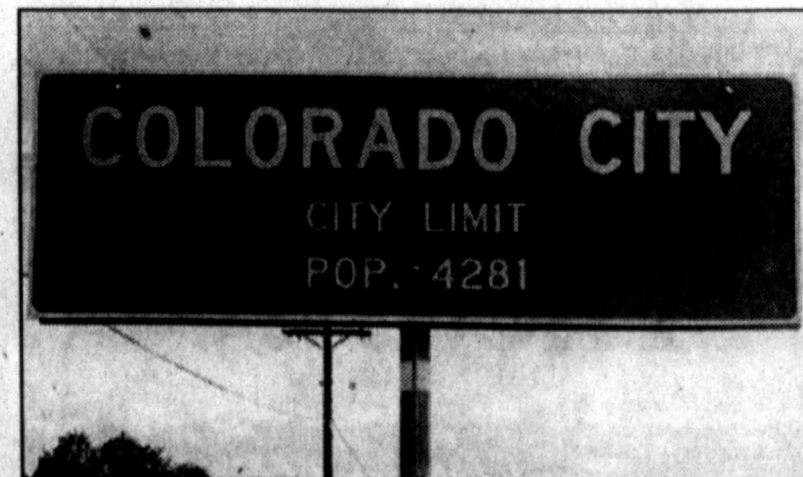

"If they will give us a little direction, we'll see what we can do and perhaps approach the commissioners court and City for help."

Reilly is also the City mayor. The survey should be inviting if you're opinionated because it asks for 10 ways to make the City more attractive, 10 things that make it unattractive and 10 ways to get more people involved in making a difference.

Seventeen businesses are listed that have boxes to put your completed surveys in.

Or you can mail them to one of the businesses, Mitchell County Abstract at 120 W. Se-

See KCCB, page 2A

DECLINING POPULATION is reflected in C-City's North Hwy. 208 city limit sign, which shows a drop of about 1,400 people from the 1980 total of 5,700. The Keep Colorado City Beautiful Committee is looking for solutions.

City-wide garage sales begin

If you like a good garage sale, you shouldn't have any trouble entertaining yourself this weekend.

This is the Record's annual City Wide Garage Sale Weekend with more than 40 sales advertised on Page 11-B.

They're in progress Thursday, Friday and Saturday, so mark those that are the most appealing to your individual interests, crank up the car or pickup and start looking.

There are no bargains like those you find at a garage sale, and there are probably more going on this weekend than even the most dedicated shopper could reach.

local news

CCNet problems solved

Mitchell County commissioners Monday heard that the city wide CCNet computer system has had problems since going "on line" in the spring of 2001 but has been an overall success, teaching 519 people in 38 classes at the Colorado City School District Administration Building.

Project Coordinator Alisha Cooper and Cooperative Extension Agent Mary McMullen said the Gateway Corp. of Seattle, Wash., replaced some equipment earlier this year and the system has finally become reliable.

With the original \$500,000 Texas Infrastructure Board

grant running out this fall, Ms. Cooper has applied for a \$367,000 grant from the federal Technology Opportunities Program (TOPS) in Washington, D. C.

CCNet has 88 public access, Internet connected computers at 13 locations around C-City, including eight at the county library and two in Cooperative Extension offices.

Ms. McMullen said the county has derived \$12,360 in equipment and \$8,940 in annual web hosting and maintenance services from its participation in CCNet.

She reported doing a survey from March 2000 through November 2001 in which 52

percent of the 49 respondents were between ages 40 and 59 and 33 percent had college degrees.

She said 14 percent of the total had a good understanding of computers while 72 percent could check e mail and browse the Internet and 14 percent had no computer knowledge.

CCNet Content Developer Brenda Hammond said Tuesday that Ms. Cooper and laboratory monitor Nick Shrode plan to stay on through next spring even if the TOPS grant is not received.

If it is not, CCNet will also have to start charging for classes, Ms. Hammond said.

She said CISC and the City of Colorado City will each continue to contribute \$7,500

annually to help operate the system.

Ms. Hammond, the CISC's technology director, will work as a volunteer.

Other business at the 9:30 a.m. commissioners meeting included County Auditor Susan Buckalew's report that 20-03 property value certifications had not been received from the appraisal district.

But Ms. Buckalew said it appears the values will decrease enough to necessitate an increase in the effective tax rate from the current 57 cents per \$100 in valuation to about 65 cents.

The current rate includes 48 cents for the county and nine cents for the road and bridge fund.

local news

Slone seeks District 72 post

Democratic state representative nominee Jeri Slone of Christoval said one of the main causes of Texas' \$5 billion budget deficit was the misrepresentation of expenses by state agencies.

She said tax cuts enacted by former Gov. George W. Bush and Lt. Gov. Rick Perry, who succeeded Bush as governor when Bush became President, have also been a factor.

"There were inadequate budget figures from state agencies," Ms. Slone said during a Wednesday visit to Colorado City.

"There was also deliberate deception on the agencies' part to the Legislative Budget Board and Legislature, particularly from Mental Health-Mental Retardation," she said.

"When the Republicans are in power, their focus tends to be in a different direction -- tax cuts and things they think are going to help the economy where they don't always."

Christoval is south of San

Angelo, where Ms. Slone is executive director of the Institute for Cognitive Development and owner of Bluebonnet Homes.

She recently sold a third business, the Sylvan Learning Center.

The former Jeri Grimes, she is a member of the Christoval School Board and a San Angelo native.

She faces Republican nominee Scott Campbell in the Nov. 5 general election.

Ms. Slone said her main interests if elected will be brush control, diversification of the agricultural economy, improving health care and promoting

small town economic development to keep young people from moving to big towns.

She would also work to lower homeowners' and motor vehicle insurance rates and increase teachers' pay.

Ms. Slone said if Democratic House Speaker Pete Laney of Hale Center is defeated by

Midland Republican Rep. Tom Craddick next January, the State Legislature's bipartisan ship may be expected to end.

"The thing that has made the Texas Legislature so neat is that its bipartisanship has gone on for years," she said.

"I would hate to see it become a partisan body. When you use a bipartisan method, you can meet the needs of a lot of people, but when you work toward your party's goals only, the state suffers."

Ms. Slone, 42, raised exotic game animals with her husband Delmar on ranches in the Hill Country and on the Mexican border before coming to Christoval in 1986, where they raise 30-35 Spanish goats on 50 acres.

They have a daughter, Becca, who is a freshman elementary education major at Angelo State University.

Ms. Slone's husband's hobby is driving dirt track race

cars, and she goes with him to races in Abilene, Midland and San Angelo.

She enrolled at Angelo State at age 30 and earned a degree in special education.

The Institute for Cognitive Development operates group homes for mentally retarded men and a battered women's shelter.

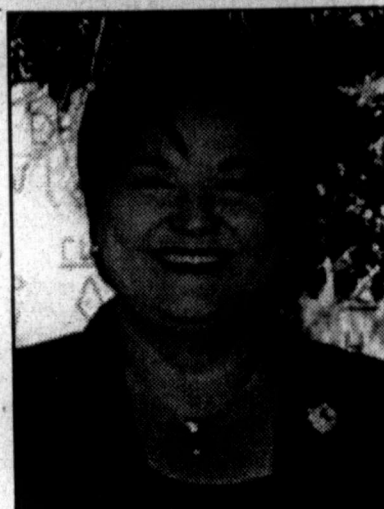

"I had someone tell me six months ago that I was going to have to compromise my ethics and integrity to become a po-

litician," Ms. Slone said.

"No one is going to buy my vote. They can provide me with a campaign contribution, but that's not going to buy my vote."

"To me, it all comes back to my Christian morals. I'm going to vote my heart and my constituents' concerns."

"I can be pretty headstrong. I'm not scared of anybody but the good Lord Himself."

Jeri Slone

LWGCD takes Appraisal District's collection offer

Lone Wolf Groundwater Conservation District directors voted last Thursday to sign a three year contract with the Mitchell County Appraisal District (AD), which seeks to become the county's centralized property tax collection agency.

AD Chief Appraiser Kaye Nell Cornutt and her assistant, Linda McSpadden, offered two contracts through the end of this year and all of next year, consistent with the LWGCD's budget coinciding with the calendar year.

Director Eugene Smith of Lorraine moved to accept the offers of \$5,446 and \$12,952, seconded by Tommy Morris of Cuthbert.

Chairman David Stubblefield, who was absent, sent a note through manager Windi Fuller, saying the fees will probably continue to drop as more taxing entities turn to the AD.

County Tax Assessor Collector Faye Lee had offered to drop her rate from \$1.02 to 85 cents for each of the more than 18,000 land parcels in the county if all four entities who were considering the AD used her office instead.

But Ms. Fuller said that bid had become invalid with the Colorado City School District's Wednesday night alignment with the AD.

Ms. Cornutt said the last of the four -- Lorraine School Dis-

trict -- might act after an Aug. 6 meeting with county commissioners about LISD's contract with the county tax assessor collector.

The Mitchell County Hospital Board has decided to stay with the county tax assessor collector at least through this year.

The Cities of Lorraine, Westbrook, and C-City and Westbrook School District have indicated they will continue to operate their own tax offices, Ms. Cornutt said.

Other business in the 45 minute called meeting included two major adjustments in LWGCD operations as it reaches the cusp of independence, having previously counted on the County Board of Economic Development for funding.

The water district was ratified by county wide voters Feb. 2 and a maximum three cents per \$100 in valuation tax rate approved.

Ms. Fuller said at the 5 p.m. meeting that a 2.87 cent rate is tentatively set to finance \$106,902 in calendar 2003 expenditures, dependent on property valuations.

The district permits and registers new and improved water wells, monitors the state and content of underground water and performs other functions pertaining to groundwater.

Its first tax revenues will come in this fall.

The adjustments were reducing its monthly retainer to an Austin attorney and declining to renew its contract with a Midland hydrology company, Arcadis GM.

Attorney Zach Brady will continue to be on call for \$500 a month, reduced from \$2,000.

Ms. Fuller said Arcadis GM had offered to go through the district's database and correct any deficiencies for \$80,000, but that would have been too expensive.

local news

A LION FOR HALF A CENTURY, Bob Reily was given a 50 year membership plaque by Noon Lions Club Director Jay McCollum at the club's 80th anniversary dinner Friday.

LION TALK was plentiful at Friday's night Noon Lions Club 80th anniversary dinner, where Past President Bob Brookshear, left, met past Dist. Gov. Sabino Garcia of San Angelo.

Lions note 80th anniversary

Lions International does more now than it ever has, but it may have lost some of the personal touch that Lions once found gratifying, said featured speaker Marshall Cooper at the Noon Lions Club's 80th anniversary dinner Friday at the Civic Center.

Cooper, a Trent native, related a recent trip he took to the Honduras in which he personally fitted people for glasses.

The Texas Lions Club Hall of Fame member and former international director said he and a small group of members fitted 425 people in four days and learned another 110 had been helped in a few days after they had left.

"I watched a boy see for the first time that there were leaves on the trees," Cooper said.

"An elderly woman was so grateful that she tried to give me her Bible, and I had to explain that it wouldn't be of any use to me because it was in Spanish."

Cooper opened his address at the 7 p.m. catered dinner by telling the more than 100 celebrants that he has become familiar with the Cajun culture of Southwest Louisiana since he and his wife Wanda moved to Beaumont.

In the Cajun patois, he told several jokes about that distinctive culture, saying a man at Rene, La., raffled a dead white mule.

"Didn't everybody get mad?" he was asked.

"Only one," he answered, "and I gave him his \$2 back!"

The Noon Lions Club was chartered on July 24, 1922, when 25 leading citizens met in the law office of C. H. Earnest.

"The Lions emblem looks both ways," Cooper said.

"We've looked back tonight. We also ought to be looking to the future."

"Don't get so busy that you forget the blessings of serving other people."

He is the father of TDCJ Regional Director Rodney Cooper of Plainview, who attended the dinner.

It attracted Lions from San Angelo, Midland, Stanton, Big Spring, Sand Springs, Sweetwater and other places.

Past President Bob Reily was given a seldom awarded plaque for his 50 year membership, having joined the Noon Lions in 1953.

Jim Baum played a tape of Lions' addresses at the club's past milestone anniversaries, including an excerpt of the late centenarian L. B. Elliott's at the 65th in 1987.

District Gov. Virgil Poloczek of Sonora took part, as did past District 2A-1 governors Vershelle Smith, Jim Wilks and Ben

High, all of Sweetwater, Paul Palmer of Early, Bob Noyes of Big Spring, Bob Edwards of Midland, George Costlow of Stanton and Oscar Cook, Joan Caldwell, Sabino Garcia, Al Owens, H. B. Brancil, John Hancock and Cecil Templeton, all of San Angelo.

Recently graduated Colorado High School senior Chesna Riley, the Noon Lions' \$1,000 scholarship winner, was introduced.

Wallace Center Director and pianist Golda Redwine played dinner music, and Colorado City Opry entertainer Kelly Mitchell sang, "Lord, Keep Me in Your Will."

County Judge Ray Mayo read a proclamation congratulating the club.

PERFECT ATTENDANCE HONOREES at the Lions Club dinner for participation during the past year were, from left to right, J. O. Dockrey, Bob Reily, Bob Brookshear, Frank and Dovie Brownfield and Tandy Curlee.

Slover wins music competition

LORAIN -- The daughter of a Loraine couple won a regional Christian music contest recently in Branson, Mo., to advance to the national finals in Nashville, Tenn.

Gayle Slover of Alpine, daughter of Monte and Melba Wilks, will compete Sept. 7 at Shoney's Inn Ballroom in Nashville for a \$100,000 recording contract and other awards.

At the Honeysuckle Inn in Branson July 14, she sang the Christian songs "Whispers" and "Touch Me."

The contest is sponsored by the All Night Sings Nashville Starseek Show.

"We're tickled to death that she's gotten this far along," said her father. "We've always known she had a beautiful voice, but she didn't get the exposure she needed."

Ms. Slover's husband Kelley said she was invited to perform at a Christian concert Labor Day weekend in Branson.

But it's mainly a chance to sell "product," or CD's, and she is recording a CD that will not be ready by then, he said.

The Slovers have three girls.

A 1984 graduate of Odessa Permian High School, Ms. Slover is near certification as a respiratory therapist.

TEXAS NATURAL RESOURCE CONSERVATION COMMISSION

EXAMPLE A

NOTICE OF RECEIPT AND INTENT TO OBTAIN A VOLUNTARY EMISSION REDUCTION (VERP) AIR PERMIT

AIR QUALITY PERMIT NO. 49038

APPLICATION Chevron Pipe Line Company, P.O. Box 4879, Houston, Texas, 77210-4879 has applied to the Texas Natural Resource Conservation Commission (TNRCC) for issuance of a Voluntary Emission Reduction Permit, Air Quality Permit No. 49038, which would authorize changes to the existing operation of the Colorado City Station in order to obtain emission reductions. The facility is located 2.5 miles east of Highway 208 on China Grove Road, Colorado City, Scurry County, Texas. The following air contaminants will be evaluated for authorization: organic compounds. This permit will not authorize new construction or an increase in emissions.

This application was submitted to the TNRCC on August 31, 2001. The application is available for viewing and copying at the TNRCC central office, the TNRCC Abilene regional office, and the Scurry County Courthouse, 806 25th Street, Snyder, Scurry County, Texas. The facility's compliance file, if any exists, is available for public review in the Abilene regional office of the TNRCC.

The TNRCC executive director has determined the application is administratively complete and will conduct a technical review of the application.

PUBLIC COMMENT/PUBLIC MEETING You may submit public comments or request a public meeting or a notice and comment hearing to the Office of the Chief Clerk at the address below. The TNRCC will consider all public comments in developing a final decision on the application. The deadline to submit public comments is 30 days after newspaper notice is published. After the deadline for public comments, the executive director will prepare a response to all relevant and material or significant public comments.

The purpose of a public meeting is to provide the opportunity to submit comments or ask questions about the application. A public meeting about the application will be held if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

After the final deadline for public comments following any public meeting or notice and comment hearing, the executive director will consider the comments and prepare a response to all relevant and material or significant public comments. If any comments are received, the response to comments, along with the executive director's action on the application, will be mailed to everyone who submitted comments or is on the mailing list for this application.

OPPORTUNITY FOR A NOTICE AND COMMENT HEARING A person who may be affected by the emission of air pollutants from the site may request a notice and comment hearing. The TNRCC may grant a notice and comment hearing on this application if a written hearing request is filed within 30 days after publication of this newspaper notice. The purpose of a notice and comment hearing is to provide an opportunity to submit comments on the draft permit. If a notice and comment hearing is granted, all individuals who submitted written comments or a hearing request will receive written notice of the hearing. This notice will identify the date, time, and location for the hearing. Issues such as property values, noise, traffic safety, and zoning are outside of the Commission's jurisdiction to address in this proceeding.

MAILING LIST In addition to submitting public comments, you may ask to be placed on a mailing list to receive future public notices for this specific application mailed by the Office of the Chief Clerk by sending a written request to the TNRCC Office of the Chief Clerk at the address below.

INFORMATION Written public comments or requests for a public meeting or requests for a notice and comment hearing should be submitted to the Office of the Chief Clerk, MC-105, TNRCC, P.O. Box 13087, Austin, Texas 78711-3087. For more information about this permit application or the permitting process, please call the Office of Public Assistance, Toll Free, at 1-800-687-4040. General information regarding the TNRCC can be found at www.tnrcc.state.tx.us.

Further information may also be obtained from Chevron Pipe Line Company at the address stated above or by calling Mr. Pat Shevlin, Environmental Engineer at (281) 596-3561.

local news

A RECORD CROWD, 83 people, attended the 36th Annual Spade Reunion Saturday in the First Baptist Church Activity Center, including, from left to right, Bill McClellan of Rt. 2, Colorado City, Rance Dawson of Westbrook, C. W. "Boy" Jarnagan of C-City, Grover Harris of Granbury and Larry Don Dawson.

Big crowd for Spade Reunion

The 36th Annual Spade Reunion Saturday in the First Baptist Church Activity Center had a record attendance of 83 people who reminisced about the old days on the Spade

Ranch and in the Spade Community. Lunch was catered by Roxie Strain, and Spade era musicians played music from the 19-20's to the present day, evok-

ing memories of porch side hoedowns after the long day's work. They were Russell and Sam Logan, Billie Miles, Dalton Woods, Yale Cooley and Alton Kenney.

Chairwoman Doris McClellan presided over a business meeting at which Dorris Dockrey, secretary of the Spade Cemetery Association, gave an update on work that has been done at the cemetery. It was voted to have a reunion next year.

OBITUARIES

Jean Boyd 1928-2002

Mrs. Jean Boyd, 73, of Colorado City, died Tuesday, July 23, 2002 in a local hospital. Services were held Thursday, July 25, 2002 in the Kiker-Seale Chapel with Chaplain Walter McCall officiating. Burial followed in the Loraine Cemetery under the direction of Kiker-Seale Funeral Home.

Mrs. Boyd was born November 21, 1928 in Comanche, Texas to Tom and Mary Wilkes Reid. She married Audie Lee Boyd on September 29, 1945 in Loraine. He preceded her in death on April 9, 1990. She was a member of the Baptist church.

She is survived by two daughters, Carolyn Hawthorn and Marie Boyd, both of Colorado City; two sons, Lynn Boyd of Colorado City and Archie Boyd of Ft. Worth; a sister, Myrtle Summers of Joshua; 12 grandchildren and five great-grandchildren.

John C. Brasuell 1937-2002

Mr. John C. Brasuell, 64, of Roscoe, died Sat., July 27 in a Lubbock hospital. Services were held Tues., July 30, 2002 at 11 a.m. at the Roscoe Church of Christ with John Morgan and Phil Collard officiating. Burial followed in the Roscoe Cemetery with arrangements under the direction of McCoy Funeral Home in Roscoe.

Mr. Brasuell was born Oct. 8, 1937 in Champion, Texas. He married Joyce Jones on Dec. 24, 1960 in Roscoe. He was a member and deacon of Roscoe Church of Christ and lived in the Roscoe area all his life. After graduation from Highland High School, Mr. Brasuell attended Texas Tech University. He was a member of the Sweetwater Lions Club and had been State Treasurer. He was also a past mayor of Roscoe, City Council member and Volunteer Fire Department member. He was a past RISD school board member, manager at Roscoe Gin and Sweetwater Compress. He achieved Club Master Status in Contract Bridge.

Survivors include his wife, Joyce Brasuell of Roscoe; one daughter, Katrina Gundling of Wichita Falls; three sons, John C. Brasuell III of Weatherford, Mark Brasuell of Denver, Colorado and Matt Brasuell of Richmond; two sisters, Linda Miller of Roscoe and Joannie Haley of Sweetwater; two brothers, Bill Brasuell of Midland and Jackie Brasuell of Paradise Point; and four grandchildren.

Bonnie Cross Hein 1919-2002

Bonnie Cross Hein, 82, of Big Spring, died Monday, July 29, 2002 at Covenant Medical Center in Lubbock following a three week illness. Services will be held Thursday, August 1 at 2:00 pm at Myers & Smith Chapel, with Rev. Dwayne Wheat officiating. Burial will be in Trinity Memorial Park.

She was born to W. B. Ayers and Dessie Byrom Ayers on September 13, 1919 in Hugo, Oklahoma. She was raised in Siloam Springs, Arkansas and moved to Howard County in 1936 when she married M.D. (Dalton) Cross on August 27, 1936 in the parsonage at the First Methodist Church in Big Spring. He preceded her in death on October 2, 1991. She was a member of Berea Baptist Church. They farmed in the Centerpoint Community and she worked at Webb Air Force Base for a number of years.

She had lived at Colorado City Lake for several years and during that time she worked at Root Memorial Hospital. She later married Dale Hein on April 4, 1998.

She is survived by her husband, Dale Hein of Big Spring; three daughters & sons-in-law, Shirley & Bill Bodin and Sandra & Fern Cox, all of Big Spring, and Carolyn & Steve Stephens of Borden County; two step-sons, Leonard Hein & wife Donna of Indianapolis, Indiana and Larry Hein & wife Angela of Big Spring; one step-daughter, Kathy Russell & husband Marland of Mears, Michigan; 13 grandchildren, 25 great-grandchildren and five great-great grandchildren.

Arrangements are under the direction of Myers & Smith Funeral Home & Chapel.

Library touts TexShare cards

TexShare Card Program has greatly expanded services to all who use the Mitchell County Public Library.

Mitchell County Library patrons are now free to borrow materials from library collections all across Texas by using a special library card called the TexShare card. The card is accepted in wide variety of public and academic libraries, allowing borrowers in good standing access to hundreds of books, videos, CDs and other materials that would previously have been unobtainable. There are no fees attached to the TexShare Card.

To qualify for a TexShare

card, one must be a registered library cardholder in good standing of the Mitchell County Library. Once issued, TexShare cardholders must observe the lending policies of participating libraries and return any borrowed materials directly to that institution by first class mail or in person.

More than 400 libraries in Texas currently participate in the TexShare Card program.

The value and uniqueness of the TexShare card allows libraries to offer infinitely more resources to many more people not only in Mitchell County, but people throughout Texas. A library card from

Mitchell County Library, in combination with the new TexShare Card, is your ticket to a powerful network of library resources in Texas.

To learn which libraries participate in the TexShare Card program, visit <http://www.texshare.edu/general/about.programs.html>.

The TexShare card is a component of TexShare, a program from the Texas State Library and Archives Commission that encourages cooperation and resource sharing between Texas libraries to fulfill the information needs of all Texans.

Guest Editorial Election system examined

By Secretary of State Gwyn Shea and Rep. Debra Danburg

Our system of elections in Texas is one of the best in the country, having served as a model for other states and federal legislation.

Two weeks ago, the National Association for the Advancement of Colored People issued an election reform report card assessing reforms enacted by each state since the November 2000 election.

As chief election officer of the state and chairman of the Texas House Committee on Elections, we say Texas' failing grade is plain wrong.

The goal of an assessment should be whether or not a state has free and fair elections with consistent procedures and stringent safeguards.

The right way to gauge that success is to focus on access, oversight, voter education and the adoption of successful new technologies.

Texas' system can withstand the scrutiny of any such evaluation.

We were one of the first states to provide mail-in voter registration and enact early voting.

Texas passed its own "Motor Voter" law two years before Congress approved the National Voter Registration Act, allowing people to renew voters' registration when applying for new drivers' licenses.

State law requires all polling places to be accessible to disabled voters.

This legislation has fostered the development of new technologies like the touch screen and electronic systems that were recently adopted in Dallas, Harris, Travis and El Paso Counties.

NAACP press releases demand the provision of ballots, voter instructions and other relevant materials in languages other than English.

In our state, after English, Spanish is the most common language.

Accordingly, the State of Texas prints ballots, brochures and instructions in Spanish as well as English and distributes them to county officials and voter advocacy groups.

Finally, we have a procedure that lets voters participate even if they arrive without their registration certificate and are not listed on the roll of registered voters.

They may still vote if they show proof of identification and sign an affidavit swearing they are registered and meet all eligibility requirements.

In the 2001 legislative session, state lawmakers passed a bill requiring the Secretary of State to post notices in all polling places with a toll free number for people to report any election law abuses or ask questions.

House Bill 3181 had counties do electronic updates of voter registration files, flag ineligible voters and track new ones with changes and cancellations.

HB 1856 prohibits punch card or butterfly ballots, and any misconduct or intimidation is required to be reported.

We believe a state should be judged on the soundness of its election fundamentals, and in each of these areas, Texans can be proud of the integrity of our system.

When we go to the polls this November, it will be within the framework of a system that is easy to access and free of impediments and one that produces reliable results.

Odessa's Underexposed Crater

By Tumbleweed Smith

Finally. That big crater just outside Odessa is getting a little respect. State legislator Buddy West is responsible for passing a bill to create a museum and visitors' center at the site, complete with living quarters for a curator.

For years the crater has been advertised in Chamber of Commerce literature, on highway signs and by an occasional newspaper or magazine article. But few people ever go there. For one thing, the highway signs don't give good directions. The crater is in an isolated oil patch down a small road 15 miles southwest of Odessa. And who's interested in meteor craters, anyway?

Tom Rodman is. He's an Odessa attorney who is the major spokesperson for the crater. He has been fascinated with the geological wonder since boyhood because he's interested in things from outer space. "Flying through the air it's a meteor. When it comes to rest on the earth, it's a meteorite," says Tom. Odessa's crater is the second largest meteor crater in the world. Arizona has one larger. "Both places contribute more meteorites than any other locations in the world."

He says the meteor could have hit the earth fifty thousand years ago. "It weighed about seventy tons and was the size of a small car. It impacted the earth with such force and released so much energy that the resulting heat and explosion completely vaporized the main mass of the meteorite. It had more energy than the atom bomb dropped on Hiroshima. Anything within a few miles would have been destroyed."

It made a crater five hundred feet wide and one hundred feet deep. The University of Texas excavated the site in the late 30's, thinking a huge chunk of the meteorite might be buried. But only small fragments were found.

Limestone rocks form the rim of the depression, which over the years has been filled in with sand and silt. Tom helped construct rock-lined caliche paths around the crater. He spends countless hours at the site and wonders why others don't have the same boyish enthusiasm for it as he does. Tom says scientists believe some meteorites came from the moon or Mars.

A small museum was built at the crater site in 1963 but people were breaking into it and stealing the valuable, irreplaceable meteorites inside. The museum was closed and the collection of meteorites was moved to the Ector County library. The new museum has added more meteorites collected from several sources.

The site was discovered in the 1920's when a rancher found a fist-sized metallic rock, composed mostly of iron and nickel. One astronomer says it came from the core of a planet which had to be about 4 billion years old and several hundred miles in diameter, creating speculation that the planet may have exploded, sending debris into the universe.

"You wonder what it must have been like when it hit. You also wonder what destruction would have occurred had it hit in modern times," says Tom.

Odessa's Meteor crater might not be much to look at, but it gives you plenty to think about.

CISD

FROM PAGE 1A

da McSpadden said they could collect CISD taxes for \$4,630 a month for the last four months of 2002 and \$3,670 a month in calendar 2003 for a total of \$62,560.

CISD only has 10,000 of the county's 18,000 land parcels, Ms. McSpadden said, but with its \$1.50 per \$100 in valuation rate, "Y'all outnumber all the others 3 to 1."

Supt. White said Summers was his top choice to replace the successful Leverton, who went to Graham High School.

He said Summers, although relatively young at 28, is a knowledgeable basketball man, having played at Lubbock Christian University.

Stubblefield, a basketball referee, said he knows Coach Summers well and approves of the choice.

Larry Mason said he requires players to dress and behave in a ladylike fashion, and Board President Charles Walker promised support through good times and bad.

"We'll support the coach whether he's having tough times or not," said Walker.

The resignation of high school electronics teacher Larry Beavers was acknowledged,

and White said he will not be replaced as the district continues to cut expenses.

Other business in the 68 minute meeting included awarding a \$9,782 bid to Ramage Furniture & Appliance for carpeting at Kelley and Hutchinson Elementary Schools and Colorado Middle School Library.

White said high school hall-

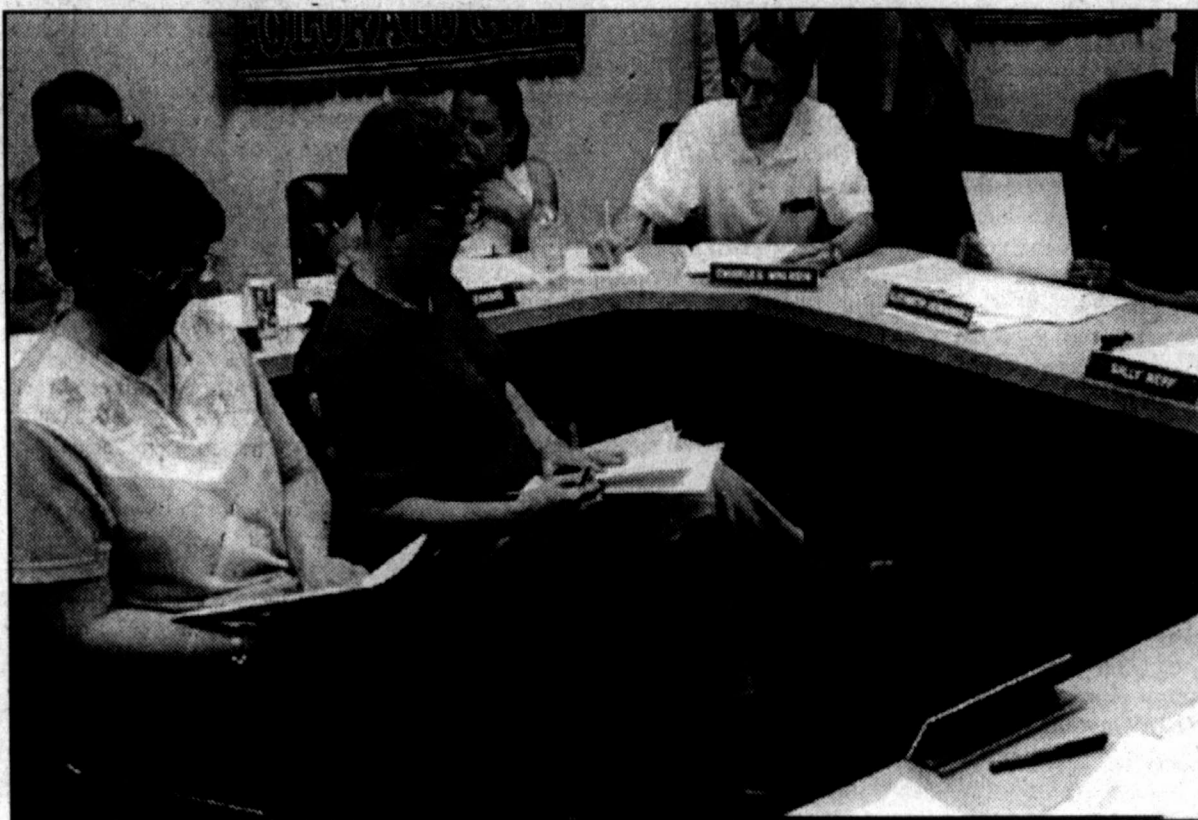

way carpets need replacing but have no "ripples" to cause tripping and can wait till the Christmas break.

New carpet was okayed for Rooms 1 and 7 at Kelley, Portable Buildings 22 and 23 at Hutchinson and Room 10 at the middle school, a special education classroom.

Board member Lisa Hernandez agreed to represent the dis-

trict at the 2002 General Assembly of the Texas Associations of School Boards (TASB) and School Administrators Sept. 26-30 in Dallas.

Walker gave TASB Media Honor Roll certificates to John Martinez and Bob Campbell of the C-City Record and Jim Baum of KVMC Radio "for fair and balanced reporting of news about public schools."

TAX LADIES from the County Appraisal District, Linda McSpadden, left, and Kaye Nell Cornutt, reviewed their proposal to collect CISD taxes this fall. From left to right in back are school board members Mike Ratliff, Janine Lemons, Charles Walker and Lisa Hernandez.

BARBER

FROM PAGE 1A

office. If I'm elected, we will try to have a few more trials because they work as an educational event for the community.

"I've been a trial lawyer for 25 years, and I have never lost a case that I personally tried."

Barber graduated from Colorado High School in '64 and earned bachelor's and law degrees from the University of Texas in Austin and Baylor University in Waco.

He was a director of the Texas District and County Attorneys Association in '83 and served the next year on the Texas Prosecutors Council, responsible for state prosecutors' professional education and discipline.

Barber was an assistant McClennan County district attorney in Waco in 1987-88, where he obtained federal and private grants for a \$91,000 computer system.

He negotiated agreements with the DPS and local law enforcement agencies there to form a task force and interdict the manufacture and sale of illegal "white powder" drugs, mainly methamphetamine.

Barber ran as a Republican for the Texas Court of Criminal Appeals two years ago and in 1998, when he was in a statewide runoff.

He served as county attorney as a Democrat.

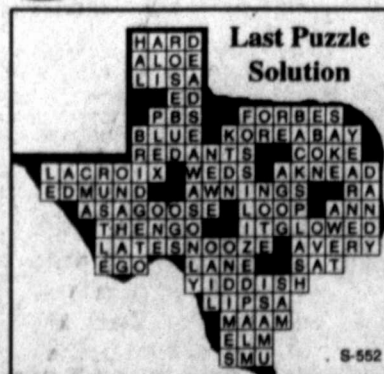

Barber and his wife Sharon, who have been married for 36 years, have two children, Rhonda and Austin.

He is a fourth generation Mitchell Countian whose great-grandfather, C. P. Conaway, was a pioneer rancher south of Westbrook.

A longtime National Rifle Association member, he is the NRA's referral attorney for West Texas and Eastern New Mexico.

"My career has been mostly about helping people with making money secondary," he said.

Barber plans an active campaign, and he welcomes telephone calls to his 102 W. Second St. office at 728-3391 or 340 E. Fifth St. home at 3727, he said.

POLICE REPORT

* On Monday, July 22, 2002 at about 2:19 pm, Joe Refugio Gonzales, 47 year old male, 355 Bonham, was arrested in the 200 block of E. 8th Street for Driving While Intoxicated and Fail to Stop and Render Information following a hit-and-run accident in the 300 block of W 9th Street. Gonzales was transferred into the custody of the Mitchell County Jail. Arresting Officer: Torres.

* On Tuesday, July 24, 2002 at about 7:45 pm, Margie Mendoza, Monahans, Texas reports Theft. A refrigerated air conditioning unit was stolen from a vacant house she owns at 1047 Cherry Street sometime during the previous week. The air conditioner is valued at \$400. Investigating Officer: Mitchell.

* On Saturday, July 27, 2002 at about 4:22 am, Lauren Leffer, 17 year old female, 720 E 8th Street, was arrested at 10th and Chestnut Streets for Driving While Intoxicated. She was transferred into the custody of the Mitchell County Jail. Arresting Officer: Hicks.

* On Saturday, July 27, 2002 at about 4:22 am, Leslie Pineda, 20 year old female, 705 E 18th Street, was arrested at 10th and Chestnut Street for Public Intoxication. She was transferred into the custody of the Mitchell County Jail. Arresting Officer: Hicks.

* On Sunday, July 28, 2002 at about 10:00 am, Elfie Ratliff, 945 Locust Street reports Theft. A red Mongoose boy's bicycle was stolen from her front yard. Loss is estimated at \$70. Investigating Officer: Dill.

* On Sunday, July 28, 2002 at about 10:15 pm, Charlotte Brown Garcia, 36 year old female, 1208 Pine Street reports Assault-Family Violence. A person who is a former member of her household assaulted her while she was at the Relax n, 1045 Westpoint. She was taken to Mitchell County Hospital where she was treated and released for minor injuries sustained in the assault. The investigations is continuing and the case will be presented to the County Attorney for prosecution. Investigating Officer: Perez.

* On Sunday, July 28, 2002 at about 11:30 pm, Anrea Manzay, 31 year old male, 1132 Walnut Street reports Criminal Trespass and Criminal Mischief to a family member's house that is located at 529 E Front Street. Unknown persons entered the residence and damaged a picture window, a glass topped coffee table and ceiling fan light fixtures by breaking them with a wooden shovel handle. Damage is estimated at \$381. Investigating Officer: Reyes.

* On Monday, July 29, 2002 at about 1:53 pm, Sherrie Winn, 1510 Westpoint, reports Burglary of a Habitation. The offense occurred sometime during the past week. A small wallet containing an undetermined amount of quarters, a roll of new carpeting, and 9 Price Construction shirts were stolen. Loss is estimated at about \$124. Investigating Officer: Torres.

* On Monday, July 29, 2002 at about 7:15 pm, Clint Shoemaker, 17 year old male, 1837 Vine Street reports Burglary of a Vehicle. A stereo speaker was stolen from his truck. His truck is a white and tan 1996 Chevrolet S-10, which had been parked in the driveway. Loss is estimated at \$200. Investigating Officer: Perez.

* On Monday, July 29, 2002 at about 8:34 pm, Kasey Garcia, 21 year old female, 344 E 6th Street reports Assault-Family Violence. A former member of her household struck her with a chair in her front yard. She did not require medical attention. The investigation is continuing. Investigating Officer: Perez.

* On Monday, July 29, 2002 at about 9:07 pm Isabel Cantu, 22 year old female reports that she was threatened by a person who she knows while she was at Fuller Foods. This case will be referred to the County Attorney for consideration of prosecution. The investigation is continuing. Investigating Officer: Reyes.

* On Tuesday, July 30, 2002 at about 7:10 am, a red Next boy's bicycle was found abandoned in a vacant lot 149 W 11th Street. The bicycle is being held at the Police Department for safekeeping. Reporting Officer: Reyes.

* On Monday, July 22, 2002 at about 2:02 pm, a collision occurred in the 300 block of W 9th Street. A white 1985 one-ton Chevrolet welding truck driven by Joe Refugio Gonzalez, 47 year old male, 355 Bonham Street was eastbound on 9th Street and made unsafe movement to the right, failing to drive in a single lane and struck a parked vehicle. The other vehicle was a white 2002 Chevrolet Z-71 pickup. The impact knocked the Z-71 into the front yard. The welding truck fled the scene scattering assorted debris through the intersection of 9th and Pine Street. The driver was subsequently located and charged with Driving While Intoxicated and Failure to Stop and Render Information. There were no injuries. The Z-71 sustained minor damage. The welding truck sustained moderate damage, was unsafe to drive and was impounded. Investigating Officer: Taylor.

* On Saturday, July 27, 2002 at about 9:40 am, a collision occurred at the intersection of South Highway 208 and Business Loop 1-20. A tan 1993 Chevrolet pickup driven by Travis Stubblefield, 70 year old male, 1216 E 17th Street was southbound on Highway 208, stopped and was turning east onto Business 1-20. A black 1999 Honda Civic driven by Arthur Delapaz of San Angelo, Texas was northbound on Highway 208. The Honda failed to yield right of way from the stop sign and the vehicles collided in the intersection. There were no injuries. The Honda was driven away and the pickup was towed. Investigating Officer: Dill.

* On Saturday, July 27, 2002 at about 6:52 pm, a collision occurred at 9th and Cedar Streets. A brown and tan 1979 GMC pickup driven by Hilario Fuentes, 75 year old male, Snyder, Texas was southbound on Cedar Street. An 8 year old female child riding a bicycle was westbound on 9th Street. The child ran the stop sign and collided into the side of the pickup. The child was taken to Mitchell County Hospital by her mother for injuries sustained in the accident.

B&PW hears analysis of hospital problems

Bill McKinnon, interim administrator of Mitchell County Hospital, discussed problems and possibilities for our hospital at the July meeting of the Colorado City Business and Professional Women.

McKinnon has encouraged participation in brain-storming sessions for possible ways to handle changes in hospital operations. Hospital board member, Bobbie Banks, supported McKinnon's methods and performance as administrator.

During the business session, chairpersons appointed by President Christine Cooley gave brief reports. Appointed standing chairs are Pauline Light, Issues Management; Bobbie Banks, Membership; Virginia Dearen, Legislation; Shirley DeLaney, Public Relations; Beverly McDonald, Young Careerist; Donna Barlow, Personal Development; Lovess Curlee, Foundation; Molly Bruce, Civic Participation; Shirley Scott, World Affairs; and Margaret Ann Conway, Finance.

Special committee appointments include Woman of the Year, Dearen, Curlee and Light; National Business Women's

Week, DeLaney, Scott and Barlow. Bruce was named parliamentarian; Nancy Crow, photographer; Dearen, M.D. Anderson chair; and Mildred Free, Good Chair chair.

Six members, Cooley, Light, Banks, Free, Dearen and DeLaney, attended the District 7 planning meeting in Midland, July 27, and the District 7 Conference will be held here September 14, with Director Sandra Elliott presiding. Banks and Light will co-chair the conference.

The next meeting will be the annual picnic August 13. BPW is for all working women. Anyone who would like to attend the meetings or just learn more about BPW may contact any of the members named above.

Westbrook Club sells barbeque

WESTBROOK -- Delivering free to any place in Mitchell County, the Golden Age Club will have its annual barbeque dinner from 11 a.m. to 7:30 p.m. Saturday.

They'll fix barbequed brisket, chicken and sausage with beans, potato salad, cole slaw, pickles, onions and coffee or tea for \$5 a plate for adults and \$3 for children under 12.

The meals also come with a choice of apple, peach, cherry or blackberry cobbler.

Call 644-2271 during the serving hours.

Club Manager Lula Leach said the dinner is the 110 W. Main St. organization's main fundraiser, financing a new air conditioner, carpet and termite extermination in past years.

It was not held last year, and the 25-30 member club hopes to raise enough money to repair the old post office building's inside north wall.

Year before last, more than 100 dinners were sold and delivered.

WELCOME TEACHERS!

Colorado Floral and Gifts would like to welcome all new and returning teachers back to their classrooms! We appreciate the job you do and wish you great success this year.

CITY

FROM PAGE 1A

said. Shutt said the hospital's future financial viability is questionable, and Councilman Justin Harris said he wants the hospital district to buy a bond to cover an approximately \$26,000 deposit deferral.

Hospital Board President Larry Johnson said Tuesday night that he was pleased with the Council's action.

"We'll just have to see what our board thinks about it," Johnson said. "Maybe we can get it going."

He said the hospital board will probably take up the issue at its regular Aug. 27 meeting.

Shutt handed out copies of letters from City engineer Ken Martin of Abilene and hospital architect Bob Cox of Austin.

Martin said Cox had revised flow estimates over the past two

years from 354 to 280 to, recently, 25 gallons per minute.

"Mr. Cox also stated the City has not provided adequate sanitary engineering data," Martin said.

"He should be ashamed of making such an outlandish and false statement."

With 31 showers, three washing machines and scores of toilets and lavatories, Martin said, the hospital-clinic could easily overwhelm the sewer system's capacity of about 130 gpm.

He said a third of the showers, two washers and a fourth of the toilets and lavatories at once would produce 180 gpm.

Shutt said the City had expected to replace 1,500 feet of six inch line with eight inch line from 17th Street to the Rogers Road lift station, but 130 gpm requires only 600

feet of new pipe north of the lift station.

He recommended eliminating the \$32,000 cost of lift station improvements because the system will need them anyway.

Other business included awarding a \$31,500 bid to local contractor Hobie Bolin to build a 40 by 80 foot meeting pavilion in Ruddick Park on the northeast side of the traffic circle east of Lone Wolf Creek.

Remodeling City Hall was tabled when Councilmen Harris and Sammy Contreras Sr. said the possible need of new trash trucks and police cars should take precedence.

Harris did not vote against the pavilion, which will resemble the 38 by 60 foot pavilion near the swimming pool, but said the Council was "setting the wrong priorities."

Samaritan House gets donation

The Good Samaritan Hospitality House project on East Hwy. 80 got a boost last week with the donation of a large amount of furniture and appliances.

Gail Pardue of Stanton, executor of the Ewing Wilson Estate, gave a refrigerator, washer-dryer, microwave, TV, two couches and several recliners.

Bobby Kimmel lent his time, pickup and stock trailer, and volunteers went to the Wilson house northeast of Colorado City Friday to move the goods to the future motel for visiting families of state prison inmates at 1325 Westpoint Ave., or East 80.

Formerly the quarters of Charter Communications cable TV company, the building has been sold to the group for \$1,000 by Mitchell County Hospital District.

Good Samaritan Hospitality House Committee spokesman Margaret Bodine said it will have three showers, three commodes, three sinks and 15-20 rooms that will be provided on a donation basis.

The heaviest work remaining is to plumb and equip the bathrooms.

Others who took part in the effort in 100 degree heat were Ms. Bodine's husband Truman, Brian Bassham, Mark Merrell, Virgil Stone, Austin Helm and Elbert and Leora Spann.

Their goal is to have the

motel opened by January.

"They're poor people," said Ms. Bodine. "They drive all night to get here and stay in the park in cars."

"They are hurting, and it's a great way to meet their needs. I think that's what's wrong with our society -- we quit helping people."

Ms. Bodine said the Good Samaritan group will ask C-City churches to contribute toward paying utility bills.

"Most of these people are unchurched, and we will have a Saturday night preaching service," she said.

A couple will be hired to live on the premises.

Loraine kids attend Circle 6 Ranch Camp

The First Baptist Church of Loraine sponsored seven Loraine youth to attend church camp, July 22-25 at Circle 6 Ranch near Stanton.

Among the 150 campers who attended this year, the youth from Loraine were: Kendra Baugh, daughter of Edward and Amy Henry; Jodi

Eaton and Gene Messick, children of Dearn and Billie Jo Messick; Jeanny Moore and Stacy Parham, daughters of Carol Parham; and Levi and Jake Hester, sons of Connie Harshaw.

Accompanying the youth to camp was Brian Waddell, Pastor of First Baptist Church of Loraine.

Some activities that the campers took part in were Ropes Challenge, Archery, Baseball, Cooking, Scrapbooking, Soccer, Swimming and Horseback Riding. The campers also attended a concert by Christian Artist Criss Cross.

Everyone came back home excited about the experiences they had and the new friends that they made, and are hoping to return next year.

Loraine graduate hauls in over \$16,000 in scholarship money

Loraine High School spring graduate, Heather Lucas, continues to haul in college scholarship money with another unexpected scholarship given to her last Friday.

Heather was nominated last year for the Gates Hispanic Scholarship Fund award by Loraine teacher Brenda Turnage and was notified she would be receiving \$4,082 to go toward her college education at the college of her choice.

She will be attending the University of Texas this fall. Other scholarships that have been awarded include:

Loraine PTO Scholarship	\$250
Loraine Booster Club	\$250
Loraine High School Faculty	\$300
Colorado City Rotary Club	\$300
Shattered Dreams Program	\$130
Buck and Lora Taylor Memorial Scholarship	\$187
University of Texas Pell Grant	\$2,624
Texas Public Education Grant	\$2,408
University of Texas Grant	\$2,950
Class Valedictorian Scholarship	\$1,000
Texas Partial Tuition Award	\$1,232
Infrastructure Grant (UT)	\$300

The total amount of awarded scholarships amounts to \$16,013 as of this date.

Angelo State University in San Angelo had also awarded her the Carr Scholarship for more than \$1,500 but declined because she will be attending the University of Texas and in order to receive that award you must be attending that school.

Congratulations and best of luck at the University of Texas!

loraine news

By Bessie Ann Vaughn

Greetings! Sweetie, my Betta fighting fish and I watched a lot of politics over the weekend on C-Span, CNN and we even watched crossfire.

Sweetie is fighting mad over environmental issues, especially concerning clean air and water.

She would really like to lobby in Washington but we are know a fish doesn't have a leg to stand on, or a voice that will ever be heard. So, I have to write our congressman.

Bryan Butler has been notified that he was assigned the position of Ag teacher in Roscoe. His parents are pleased that he will be so near. He will reside on the farm in Loraine.

Several Lorainians enjoyed the Western Opera in Colorado City, Friday night. Regular players and singers were highlighted during jam sessions. Everyone seemed to enjoy it.

Kitty Gage of Lubbock was in Loraine over the weekend visiting with her mother, Nola Taylor. The ladies shopped around the area and enjoyed sight-seeing.

Betty Chandler enjoyed a nice short visit from Joshua and Ardell Delany last week. They had supper at the local Dairy Queen. The Delaney's will return soon to Loraine to visit the Loraine Center.

Durwood and Ina Vay McAdams left Wednesday to attend a music festival in Oldmeetie, Texas. Durwood did some jamming with other players and both he and Ina Vay had a great time.

Virgil and Geraldine Parnell celebrated their 67th wedding anniversary at their home in Loraine Saturday, July 27.

The Parnell's were married in Lott, Texas in 1935 at that time they lived in Durango, Texas.

In 1939, they moved to Loraine where Virgil was able to find work as a farmer, working with sheep and later worked in the grocery business for many years. The couple have been long-time active members of the Loraine Baptist Church and also of the Senior Center.

The Parnell's have three children, Clyde, Gary and Nellene. The children are all married and all together have 12 grandchildren and 14 great-grandchildren. All their children called to wish them a happy anniversary.

Geraldine likes to play table games and Virgil has a green thumb for gardening and enjoys his feline friends.

We congratulate the Parnells on this very special occasion. P.S. on August 13, Virgil will be 91.

Last Sunday afternoon Charles Bowen and Mary Rose Bowen went to Centerpoint, Texas and to Oak Creek where Virginia and Dub Martin have a cabin. Also joining the two couples were Jimmy and Dixie Smith of Roscoe. The three ladies mentioned are sisters and were accompanied by their spouses. The family unit had a great time catching up on some visiting and enjoying each others company.

Senior Center Sweetwater line dancers worked up some cute moves and they had a good time dancing Monday. One can tell they enjoyed what they do.

Wednesday, July 31, will be birthday party for July and other than turkey, dressing and all the trimmings, a tacky party is scheduled. I'm not sure what

all this entails but it sounds like fun.

August will usher in on Thursday and Friday. August 2 will be open for business in.

Wanza Graham worked last Friday at the center in the absence of Ina Vay.

Monday's line dancers were Neva Hall, Sue Cervick, Maudie Evans, Evelyn Dawson Betty Letz, Della Lawliss.

Some visitors in July were Tarp Compton of Stanton and his friend Sue; Syble Jones of C-City; Brittany Gage of Lubbock; Brittany Sadler, Debbie Carlock, Margaret Barr, Wanda's Peitch, her husband and daughter, all from C-City.

"Silly Things to Relax Your Brain"

Dyslexia means never hving to say you're "yrros".

I saw a woman wearing a sweatshirt with huge letters "Guess" on it. A man behind me yelled out "Thyroid Problem".

Regular maps prevent old age... especially if you take them while driving.

STRETCH YOUR DOLLAR!!

Go

We've accer or silv wond

society page

With the start of school just around the corner, parents are looking for healthy alternatives to fill those lunchboxes.

This week Cook's Corner includes some tasty ideas for back-to-school lunches.

Ants on a Log

Celery sticks
Peanut Butter
Raisins

Wash the celery and cut into pieces, about 5" long. Spread peanut butter on the celery from one end to the other. Press raisins into peanut butter.

Ham Delight Sandwich

2 slices bread
1 or 2 slices ham, or other lunch meat
1 or 2 slices cheese
1 slice pineapple
1 tablespoon honey mustard

Spread honey mustard on both slices of bread. Pile ham slices, pineapple slice and cheese on one slice of bread so that the pineapple is in the middle. Also, make sure you drip the pineapple dry before adding to the sandwich. Top with other slice of bread.

Honey Rice Crispie Snack

1/2 cup powdered sugar
1/2 cup honey
1 1/2 cups crispy rice cereal
1/2 cup peanut butter
1/2 cup multicolored candy sprinkles
1/2 cup raisins or peanuts, optional

Put a piece of wax paper on a cookie sheet and on the table for rolling the balls. Combine powdered sugar, honey and peanut butter in a medium bowl. Stir until mixed well.

Stir in cereal and raisins. Using hands, shape mixture into 1" balls. Roll balls in sprinkles and place on a cookie sheet. Refrigerate for 1 hour. Cookies should feel firm when touched. Serve right away or place in tightly covered container and store in refrigerator.

Tortilla Rolls

Tortillas

Meat Slices
Cheese Slices
Lettuce
Get Creative

After putting the desired combo on the tortilla, fold end closest to you 1/4 of the way up and then roll from the side.

Combos: Tortilla with spicy mustard, ham slice, swiss cheese, lettuce. Tortilla with cream cheese and jam. Tortilla with 4 slices of bacon, lettuce and tomato (works best when cubed).

PBJ Waffle Snack

Mini waffles
Banana slices
Peanut butter
Jelly

Toast waffles then layer with peanut butter, jelly, banana slice and top with a waffle.

Celebration held for Miss Garcia

Eliza Cristina Garcia

Eliza Cristina Garcia, daughter of Victor and Adela Garcia of Loraine, celebrated her 15th birthday with a quinceanera celebration Sat., July 27 at St. Ann's Catholic Church in Colorado City.

Eliza is the granddaughter of Agustin and Fidela Garcia of Anson and Colorado and Maria Flores of Abilene.

The quinceanera service began at the church at 2 p.m. with deacon Ronnie Arispe officiating. The church music was provided by Tanis Moreno, Felipe DeLoera, Jesse Limones and Victor Garcia.

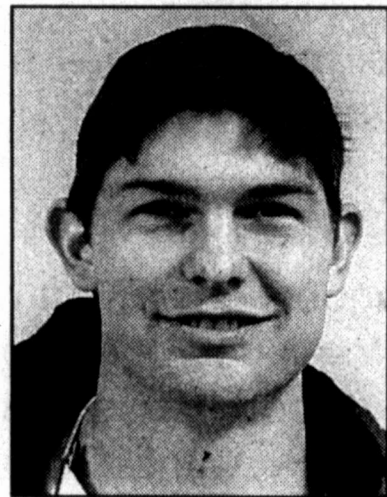

Later in the evening, there was a dance at the Colorado City Civic Center at 7 p.m. with music by Los Centellos. The band consisted of Coach Victor Garcia, father of Eliza, accordion/vocal; Coach Johnny Garcia, uncle of Eliza, bajo sexto/vocal; Mark Estrada, bass guitar; and Tommy Rangel, drums.

There were several people who participated in the quinceanera and helped with food, music, pictures, etc. They are: Rosa Rodriguez of Highland, served food and cake; Lupe Phillips of Anson, aunt, served food; Mary Lou Garza of Clyde, aunt, served food; Veronica Hernandez of Anson, aunt, served food; Michael Garcia of Abilene, uncle, photographer; Carloz Garza of Clyde, uncle, brisket; Carmen Monelion of Loraine, brisket; Alice Davila of Colorado City, made the young ladies dresses; Loraine ISD, use of gym for march practice.

Also participating in the quinceanera were: David Manner of Colorado City, security for the dance; Belinda Blasingame of Colorado City, Civic Center; Claudia Rodriguez of Highland, organized the march; Edy Figueroa of Sweetwater, serving of the cake; Julie Sanchez of Loraine, hair; Jetta Reyes of Abilene, make-up; Ryan Lucas, Michael Walker, Steven Wooddell, help set up musical instruments and set up Civic Center.

Many friends and relatives traveled from places such as Anson, Stamford, Rotan, Abilene, Duncanville, and Vernon.

C-City's Hoyle goes on Houston mission

Brett Hoyle

Brett Hoyle of Colorado City is working this summer at Greenspoint Mission in Houston where he participates in an apartment ministry, food pantry distribution, English as a second language instruction, sports camps and vacation Bible school presentation.

Hoyle, a senior history major at West Texas A&M University, is part of a mission team sent by the Baptist General Convention of Texas. A member of Oak Street Baptist Church, he previously worked with summer youth ministries in Colorado City and participated with his church in a sports camp in Germany.

An estimated 290 Texas Baptist College students and new graduates will work this summer on volunteer mission projects both overseas and in North America as representatives of the Baptist General

Convention of Texas. Additional students will serve under the auspices of the International Mission Board or North American Mission Board of the Southern Baptist Convention.

The students help pay for their own transportation and upkeep either from their own pockets or through sponsorships. Additionally, Baptist Student Ministries across Texas raise money throughout the year to send their fellow students, who will work under the supervision of on-site staff during their mission stay.

Westbrook JOY group holds meeting

J.O.Y. Sunday School Class of First Baptist Church, Westbrook, met July 18 for a dutch treat meal and fellowship at Hidalgo's, Colorado City.

Alma Fulton voiced the invocation.

Members attending were Betty Brumley, Geneva Morton, Drucilla Board, Wilma Jean McKenney, Clola Whitesides, Frances Ranne, Naomi Williamson, Irene Edwards, Gladys Hayes, Mollie Warren, Helen Baucum, Marcil Moody, Marlena Rice, Alma Fulton, and Judy Moore. Alma Fulton is teacher of the class.

This could be you. Today!

KCCB Keep Colorado City Beautiful

PURPOSE

The members of Keep Colorado City Beautiful are dedicated to improving our community's environment. The goals of this organization are to identify projects that will enhance and improve the community's environment, to provide the leadership to complete these projects, to invite and coordinate the participation of all interested persons in the community, and to provide information to the community about the environmental needs and concerns.

KCCB ACCOMPLISHMENTS

Honoring residents who work to keep their property clean and attractive.
Clean-up Days with help from city and county.
Encouraging the city to enforce ordinances.
Painting and Repairing Buildings Downtown.
Encouraging businesses to better maintain their properties.
2002 Home and Garden Show.

COMMUNITY SURVEY

We still have work to do!! We need your opinions and suggestions about what happens next. Please take a few minutes to think about the questions below. Write down your ideas on the spaces below, tear off that portion of this page and drop them in one of the boxes placed in businesses around the community. Let's make our community the very best it can be. KCCB can't do it without you!

"I asked why doesn't somebody do something, and then I realized I was somebody."

Westbrook registration scheduled

Registration of elementary students grades 1-5, who attended Westbrook School last year, will be on the first day of classes, Monday, August 19.

Registration for grades 6, 7, and 8 will be held Monday, August 12; grades 9, 10, 11 and 12 will be held Tuesday, August 13; and registration for students new to the school system, K-12 will be held Thursday and Friday, August 8 and 9.

Times for registration will be 9 am-12 noon and 1-3:30 pm. Students enrolling in kindergarten must present certified birth certificates, immunization records and social security cards upon enrollment.

NEW CARPETING AND NEW PAINT dress up the halls of Westbrook Schools, which will begin classes Aug. 19. School Secretary Dana Moody was one of several employees at work Friday.

Colorado High releases dress and grooming code

The Colorado High School dress and grooming code for the 2002-2003 is established to teach grooming and hygiene, prevent disruption, minimize safety hazards, and to respect authority. Students and parents may determine a student's personal dress and grooming standards, provided that they comply with the following:

- Any unusual, out of the ordinary hair styles or coloring will not be allowed unless prior approval has been obtained from the principal or the principal's designee.
- Boys may wear hair to the bottom of the collar, the bottom of the ear and combed out of the eyes.
- Boys may wear mustaches, however goatees and beards are not allowed. Boys may not wear earrings or have any other type of body piercing.
- Earrings worn by girls will be restricted to ear wear only and not to other parts of the body.
- Boys or girls may not wear any type of head covering in the building.
- Sudden, unbecoming fashions, hair styles or anything designed to attract undue attention to the individual will not be allowed unless the principal or the principal's designee has given prior approval.
- Blouses, dresses and shirts must be fitted around the armholes. No see-through shirts will be allowed.
- Shorts and dresses must

extend to mid-thigh or longer.

- Students shall not wear halter tops or spaghetti strap tops. Straps must be a minimum of 2 inches wide over the shoulder.
- Top and bottom garments should not separate to expose the student's skin from the front, back or side when performing normal school activities (sitting, bending, stretching, reaching, etc.) No bare midriffs will be permitted.
- Clothing that displays vulgar or unsuitable language or pictures or drug or alcohol advertisements may not be worn.
- Wearing flip flop type shoes to school or school activities is strongly discouraged for safety reasons.
- These guidelines are subject to administrative discretion.

If your child comes to school wearing clothes that violate the dress code or in any other way violates our dress and grooming standards, he/she may be placed in in-school suspension until he/she is in compliance. We will make efforts to notify you as soon as possible, and if the student changes clothes or otherwise comes into compliance with the dress and grooming standards, he/she will return to regular class immediately. Extra-curricular organizations may impose a more stringent dress code.

TO ALL INTERESTED PERSONS AND PARTIES:

Chevron Pipe Line Company has applied to the Texas Natural Resource Conservation Commission (TNRCC) for issuance of a Voluntary Emission Reduction Permit, Air Quality Permit No. 49038 which would authorize changes to and continued operation of the Colorado City Station located 2.5 miles east of Highway 208 on China Grove Road, Colorado City, Scurry County, Texas. Additional information concerning this application is contained in the public notice section of this newspaper.

Westbrook school supply list

Kindergarten

- 3 boxes Kleenex
- 3 medium bottles Elmer's Glue (please do not send gel)
- 6 glue sticks
- 1 pkg. small erasers

Immunization requirements

Immunization is an important part of a child's education not only to ward off illnesses but also because failure to stay up to date renders him or her ineligible to attend school.

Here are the CISD's immunization guidelines:

5 years - 6 years

- Three doses polio vaccine including one received on or after the 4th birthday.
- Four doses DTP/DtaP vaccine including one received on or after the 4th birthday.
- One dose MMR vaccine received on or after the 1st birthday and one additional dose of measles vaccine (this dose may be received as part of a second MMR).
- Three doses of Hepatitis B vaccine. (Children living in 32 border counties: two doses hepatitis A vaccine)

Effective August 1, 2000, children born on or after September 2, 1994 must have one dose of varicella vaccine received on or after 1st birthday or serologic proof of immunity or documentation of previous illness may substitute for vaccination. Previous illness may be documented by a written statement from a physician, school nurse or the child's/student's parent or guardian containing wording such as "This is to verify that (name of student) had varicella disease (chickenpox) on or about (date) and does not need varicella vaccine."

7 years - 11 years

- Three doses polio vaccine including one received on or after 4th birthday.
- Three doses DTP/DtaP/Td vaccine including one received on or after 4th birthday and one dose within the last 10 years.
- One dose MMR vaccine received on or after 1st birthday. Children born on or after September 2, 1991 must have two doses of measles vaccine (this dose may be received as part of a second MMR)
- Children born on or after September 2, 1992 must have three doses of hepatitis B vaccine.

cine. (Children living in 32 border counties born on or after September 2, 1992 must have two doses hepatitis A vaccine)

12 years or older

- Children born between September 1, 1978 and September 1, 1991 (inclusive) must show proof of two doses of measles vaccine within 30 days after their 12th birthday (this dose may be received as part of a second MMR)

Effective August 1, 2000, children born between September 2, 1988 and September 1, 1992 (inclusive) must show proof of three doses of hepatitis B vaccine within 30 days after their 12th birthday.

Effective August 1, 2000, children born between September 2, 1988 and September 1, 1994 (inclusive) must have one dose of varicella vaccine received on or after 1st birthday or serologic proof of immunity or documentation of previous illness may substitute for vaccination. Previous illness may be documented by a written statement from a physician, school nurse or the child's/student's parent or guardian

In an effort to keep student's school immunization records current, please notify the office when student receives any immunizations.

Registration dates set

Registration will be held at Colorado High School Monday, August 5 for seniors from 9 am - 12 noon and for juniors from 1 pm - 3 pm.

Tuesday, August 6, registration will be from 9 am - 12 noon for sophomores and 1 pm - 3 pm for freshmen.

All students new to Colorado ISD should register Wednesday, August 7 from 9 am - 12 noon.

Each teacher will issue a school supply list for their specific class on the first day of class.

Lone Star Roundup set

Parents of Hutchinson students, along with their child, are invited to the Lone Star Roundup Evening Registration for students on Tuesday, August 13, beginning promptly at 6:30.

Students and their parents will report to their child's classroom, meet the teacher, fill out all paperwork, turn in supplies, and have a chance to review the year's goals.

Look for the invitation from your child's teacher in the mail during the week of August 5.

CHS students must have permit to park

CHS students need to bring a valid driver's license and proof of insurance and registration to receive a parking permit. Parking permits will be issued to every student parking his or her vehicle in the CHS parking lot.

The first permit will be issued at no cost. Replacement or additional permits will be \$1 each.

Students without a permit, or found using someone else's permit will be placed in OCS for a day.

Cars parked that do not have a permit will be towed at the owner's expense.

Colorado MS registration

Colorado Middle School will hold registration Wednesday, August 14 in the school cafeteria.

Principal, Mark Merrell, will meet with each grade level during the designated time for a short meeting in the CMS Auditorium.

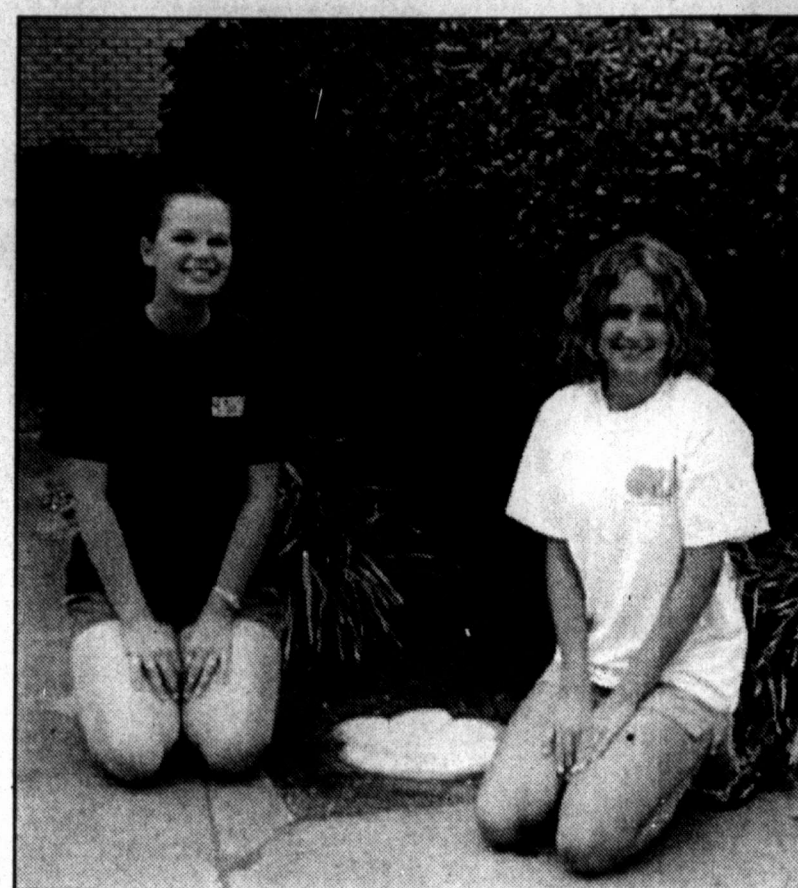

Students and parents will then proceed to the CMS cafeteria to complete the registration and to take pictures.

The schedule is as follows:
9 am - 6th grade
10 am - 7th grade
11 am - 8th grade

Rivera graduates

Melissa Rivera of Colorado City was among 173 Odessa College candidates for graduation during spring commencement held May 10.

Rivera was a candidate for an associate in arts degree with a major in education.

CLEANING FLOWER BEDS is one of the many tasks that prison community service crews have been busy with at Colorado High School, shown by drum major Jami Thackerston, left, and cheerleader Amanda Ponko.

CISD policy announced

Colorado ISD today announced its policy for providing free and reduced-price meals for children served under the National School Lunch Program/School Breakfast Program. The central office has a copy of the policy, which may be reviewed by any interested party.

The household size and income criteria identified below will be used to determine eligibility for free and reduced-price benefits. Children from households whose income is at or below the levels shown are eligible for free or reduced-price meals. Foster children who are the legal responsibility of a welfare agency or court may also be eligible for benefits regardless of the income of the household with who they reside. Eligibility for the foster child is based on the child's income.

Application forms are being distributed to all households with a letter informing households of the availability of free and reduced-price meals for their children. Applications also are available at the principal's office in each school. To apply for free and reduced-price meals, households must fill out the application and return it to the school. Applications may be submitted anytime during the school year. The information household provide on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified by the school officials at any time during the school year.

For school officials to determine eligibility for free and reduced-price benefits, households receiving food stamps or TANF only have to list their child's name and food stamp or TANF case number. An adult household member must sign the application.

Households that do not list a food stamp or TANF case number must list the names of all and the social security number of the adult household member who signs the application. If the adult who signs the application does not have a social security number, the household member must indicate that a social security number is not available by writing

the word "NONE". The application must be signed by an adult household member.

Under the provisions of the free and reduced-price meal policy, the Food Service Director will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the reviewing official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Jim White, Superintendent, 1132 Hickory, Colorado City, Texas 79512 or phone 915-728-3721.

Households that list a food stamp or TANF case number must report when the household no longer receives these benefits. Other household approved for benefits based on income information must re-

port increased in household income of over \$50 per month or \$600 per year and decreases in household size. Also, if a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for benefits if the household's income falls at or below the level.

In accordance with Federal law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write USDA Director, Office of Civil Rights, Rm. 326-W Whitten building, 1400 Independence Ave, SW, Washington, D.C. 20250-9410 (Voice or TDD) USDA is an equal opportunity provider and employer.

Loraine ISD to hold B-T-S bash

Loraine ISD will be kicking off the 2002-03 school year with a Community-Wide Back-to-School Bash at the LISD Football Field on August 16, 2002 at 6:30 p.m.

The festivities will include a free hot dog supper with all the fixings and an opportunity for everyone to meet the LISD faculty, coaches, football teams, jr. high and high school cheerleaders.

Kids of all ages will enjoy the antics of "Dutch" the magician and "Mary, Mary" the clown. There will also be an air castle for all to enjoy.

Loraine ISD is looking forward to the community joining us for an exciting evening of fun.

Loraine ISD registration to be held Aug. 12

Loraine ISD will hold pre-registration Monday, August 12 from 9 am to 1 pm and Tuesday, August 13 from 3 pm to 7 pm.

Please bring your child's birth certificate, social security card and immunizations.

School will begin at 8 am everyday and be released at 3:06 pm.

Athletic physicals will take place at LISD on August 8, 2002 at 8 am.

Our greatest natural resource...

Of all the natural resources we have in this county, none is more important than our children. You may know us as your local financial experts, but our first commitment is sharing the Hometown Spirit with our community and customers. That's why we're proud to support so many youth activities.

Being a full-service community bank is a big responsibility, because we touch so many lives in this area. We're proud of the work we do, and grateful for the support the community has given us. By sharing the Hometown Spirit together, we're building a brighter future for our children and for all of us.

WELCOME TEACHERS AND ALL NEWCOMERS TO COLORADO CITY!

- 1 large box tissue
- 1 box crayons (at least 24)
- Pointed scissors
- Ruler (inches, centimeters)
- Wide-ruled notebook paper

Kelley Elementary to hold registration Wed., Aug. 14

Students entering Pre-K through second grades at Kelley Elementary can register for the 2002-2003 school year on Wednesday, August 14, 2002 beginning at 9:00 am until 12:00 pm. In addition to meeting their child's teacher, parents will be asked to update school records (e.g. field trip forms, personal data forms, etc.).

New Colorado ISD students who have never enrolled in a CISD school will need to bring their birth certificates, social security cards, and immunization records.

Please check any of your school age children's shot records with the following Texas immunization requirements:

1. If your child's birthday is on or after September 2, 1988, that child will need to be vaccinated against chickenpox (varicella). If the child has already had chickenpox, the child will not need the vaccine but a parent will need to write a note stating the month and year the child had chickenpox. The note will become a part of the child's immunization record.
2. If your child's birthday is on or after September 2, 1988, that child will need to be vaccinated against Hepatitis B. This is a three shot series. The first shot is received, then one month later the second shot is received, then five months later the third and final shot is received.
3. DTP - Four doses including one received on or after the fourth birthday and one dose within the last ten years.
4. Polio - Three doses including one received on or after the fourth birthday.
5. MMR - Two doses
6. HIB - At least one dose of HIB (not required after four years of age).

For your convenience, Kelley Elementary will also have a registered nurse, transportation supervisor, a cafeteria director, and an after-school program director available to answer any questions which parents may have regarding immunizations, bus routes, breakfast/lunch schedules, and after-school day care.

Kelley supply lists

Pre-K

- 1 blue folder w/pockets
- 1 full size backpack
- 1 box of 8 Crayola crayons
- 1 box of tissue
- 1- 1" hard cover notebook

Kindergarten

- 1 regular size backpack (no mini's)
- 3- 8 ct reg. Crayola crayons
- 1- 24 ct reg. Crayola crayons
- 3- 4 oz bottles of school glue
- 2- 12 ct pkgs of #2 pencils - outside in primary colors (no map colors)
- 1- 8 color water colors
- 1 large eraser
- 1 box of tissue
- 1 towel for quiet time (no mats)
- 1- 8 ct Crayola washable markers

First Grade

- 2 large erasers
- 1 school box
- 1 full size backpack
- 1- 12" ruler with cm & in.
- 3 folders w/brads & pockets (blue, green, red)
- 1 large bottle of Elmers school glue (white only)

- 1 Fiskars scissors (sharp point)
- 20- #2 pencils
- 1 box of 24 Crayola crayons
- 1 large box of tissue
- 1 spiral notebook (3 subject)
- 1 box of Ziplock sandwich bags
- 1 box of 8 washable markers

Second Grade

- 2 folders with pockets
- 1 box of 8 Crayola watercolor markers
- 1 spiral notebook
- 20- #2 yellow pencils
- 1 Fiskars scissors (sharp point)
- 1 large size school glue (white only)
- 1 box of 24 Crayola crayons
- 1 box map colors
- 1 large box of tissue

- 1 ruler with cm/in.
- 1 box of baggies (qt. or gal. size)
- 3 highlighters
- 1 large eraser
- 2 red pens
- 1 Fiskars scissors (sharp point)

Hutchinson Elementary news

New students to Hutchinson Elementary may register anytime between July 29 and August 12. Please bring the student's birth certificate, shot record, and social security card, plus school records from former school.

The first day of school for students will be Monday, August 19. School breakfast for all students will be served, at no extra cost beginning at 7:45 am. School will begin at 7:55 am and end at 2:55 pm.

Dress and Hair Code Reminders: Shorts must be below the fingertips when arms are placed at sides. No tank tops or short shirts. No pierced ears on boys. Hair should be a natural color and appropriate length (boys, hair may not be below bottom of the ears or bottom of the collar).

Parent Pick Up Area: This year, the designated pick up place for students after school

will be on 5th Street by the portable buildings. Parents are reminded that it is illegal to park across the street and have your student cross to your car, so please come down 5th Street from Hickory and pick up your child on the correct side of the street. For all our children's safety, we ask that you do not pass cars waiting to pick up children.

After school, buses will load on 4th Street by the gymnasium, so we ask parents not to park in that area.

Hutchinson Honor Stars: community members and former students of Hutchinson are invited to purchase an "Honor Star" to recognize a former teacher, administrator, or student. Stars are \$5 and may be ordered at the school by coming by or sending a check with the honoree's name and the doctor's name noted on a card.

- per
- 1 grading pen (not blue or black)
- 1 box for supplies (cigar box size)
- 1 three-ring floppy folder or small notebook
- 1 large pkg. yellow pencils

Speaking of Sports...

By Carl Graham

Don't you just love this time of the year when we reach the highest temperature of the year and of course that always signals the beginning of football season.

The Dallas Cowboys have already been working out for the new season in their new surroundings at San Antonio. I hope they like it better than they

apparently did in Wichita Falls. I hear that so far they are taking a liking to the Alamo City.

Speaking of football, the Wolves will open their season against Fort Stockton the last day of August in Midland. We are looking for a banner year again this season and would love to still be playing come December.

My grapevine has informed

me that Mindy Sullivan, who ran track in junior high school here in Colorado City, has obtained a release from the University of Florida and will follow former Gators coach J.J. Clark to the University of Tennessee. Mindy is the two-time class 5A state champion in the 800 meter run and a recent graduate of Lubbock Coronado.

Her older sister, Wendy, was an outstanding runner for Colorado City and also ran at the University of Chicago.

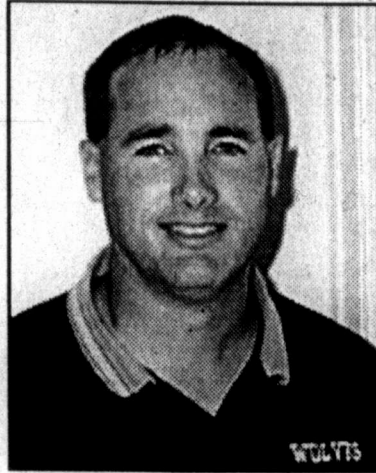

Westbrook graduate, Adam Roemisch, reports he had a great time last week playing in the first All-Americas basketball game that was held in Gordon. Until this year only, the all-star football game has been held, but they added basketball girls and boys games this year. Adam put up 17 points in a 71-58 loss to the all-stars from Canada, Australia and elsewhere.

The week before, during the annual six-man coaches clinic held in Lubbock, Adam put up

23 points and was named the games MVP in the boys game. Loraine's Lee Ybarra popped three treys for nine points in the West team victory.

Hey, respect the game and the game will respect you back! Have a great week and be a good sport in all you do.

Wolves begin two-a-day workouts Monday, Aug. 5

Frank Johnson

The Frank Johnson era will officially begin next Monday morning when prospective Colorado City Wolves will don shorts and t-shirts for another season of two-a-day workouts.

Coach Johnson, who takes over the reigns this year from former head coach and athletic director Gerald James who left to rebuild a program at Leonard, is expected to wel-

come around 70 players in grades 9-12 with around 17 who have varsity experience.

The Wolves were picked to finish as the runner-up to district newcomer Crane who drops down from class 3A this year.

Circle the day August 31 on your calendar as the season opener when the Wolves will test an improved Ft. Stockton Panther team that was playing class 4A ball until a few years ago. They have been picked to finish second behind Midland Greenwood in district 4-3A and are coached by Gary Roan, the former head coach at Aspermont, who led the Hornets to a state class A finals before losing to state champion Bartlett in 1999.

The other non-district opponents this year all come from district 8-2A. They are, in order, Hawley, picked to finish 4th in that district, Anson, who is expected to push district favorite Eastland for

the title, Haskell, picked to finish last in district 8-2A and finish non-district action against an always tough Stamford Bulldog team in this year's homecoming clash. The Bulldogs are picked to finish in 5th place.

The district opener is scheduled for Oct. 11 when Stanton visits Wolf stadium. Stanton's program is expected to be down this year with a lot of sophomors getting starting jobs.

Two key games in district will be when the Wolves host Seagraves, picked to finish third in district, on Oct. 25 and in the next week when they host Crane who is picked to win the district.

But, as the old saying goes, games are played and won or lost on the football field, not in newspapers or magazines.

The season begins next week, when it will end is anybody's guess.

Heat-related injuries a concern in workouts

With football two-a-day workouts set to start across the state of Texas at the stroke of midnight Monday, August 5, a growing concern in keeping heat related injuries to a minimum, is essential.

There were 23 football related deaths last year. Broken down, there were eight players that died because of injuries, three from heatstroke and the other 12 from natural causes aggravated by exercise, such as heart attack. Heatstrokes have been on a steady rise since the 1980's.

One of former head coach and athletic director Gerald James's requests to the Colorado ISD board upon taking over the head job after the departure of Bill Grissom, was to hire a full-time trainer, and that was accomplished with the hiring of Sherry Ann Miller.

Miller, however, has moved

on to take a similar position at Angelo State University in San Angelo, which leaves a void that will have to be taken over by members of new head coach, Frank Johnson's, coaching staff.

New Colorado ISD superintendent, Jim White, a football coach himself until 15 years ago, said that the coaching staff is prepared for the start of two-a-day practice and will be playing close attention to the football players and seeing that they do not become dehydrated or overheated.

"Though Coach Miller is no longer with us I feel that Frank (Johnson) and his staff will take over some of her duties and will address the heat problems very well. They will ensure they have adequate water breaks and will work out in the morning when it is much cooler."

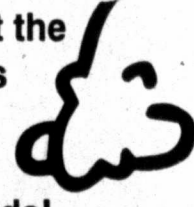

August is usually the hottest

month of the year and this year appears to be no exception with the last week of July already producing several over 100 degree days.

All three heat related deaths in football last year came within a one week period at the end of July through the first week of August.

Colorado City will open their football season on Saturday, August 31, against class 3A Fort Stockton at Midland Memorial stadium in Midland with kickoff slated for 7:30 pm.

Sumners assumes basketball duties

Steven Sumners

In a special called meeting of the Colorado City School Board of Trustees last Wednesday, Steve Sumners formerly head 7th grade girls basketball coach, was named as the successor to former girls head coach Darrin Leverton who moved to Graham to be the new head girls basketball coach at that Class 3A school.

Sumners was hired in July 2001 to assist in the middle school girls volleyball, basketball and track teams.

Sumners came to Colorado City after being the head girls basketball coach at Ropes High School in Ropesville. Ropes was a Class 1A school while Sumners was there but had a drop in enrollment and is now competing at the six-man level. Sumners reign was from 1997 through 1999.

Prior to going to Ropes, Sumners was a student assistant basketball coach under current Abilene Christian University (ACU) athletic director Shannon Hays while he was finishing up his education degree from ACU.

Sumners hails from Seagraves where he graduated in 1992.

Sumners will have five returning holdovers from last season's playoff team, including senior Alison Lopez who was a key member of last year's team and a three-year starter for the Lady Wolves.

Sumners is looking forward to the upcoming season as the head coach of the Lady Wolves.

"We have some really good kids returning this year which gives us a lot of optimism for another good season," said coach Sumners. "From what I have seen, Seagraves should still be the team to beat in our district. Stanton and Coahoma will also be teams to be dealt with, plus we will have to play Crane now as well. It should be a very interesting and learning experience for us but our coaching staff is looking forward to it."

Though all of the coaching duties are not exactly set in stone at this time, coach Sumners said that Patti Stubblefield would be taking over the 7th grade girls basketball duties that he had last season while Krissy Morris would be holding down the duties as the 8th grade coach.

He will be assisted by Anita Graham and Gail Keeton who will also handle the junior varsity chores this season.

Loraine High hires new coach

Head Loraine Football Coach Victor Garcia

Loraine High School Assistant Coach Mark Wallowicz

Loraine High School has announced the hiring of a new head girls basketball coach, and he will also assist head football coach Victor Garcia with football coaching duties.

Mark Wallowicz, a native of New York, moved into his residence in Loraine last week and is anxious to begin his new coaching duties at the six-man school.

"I am really looking forward to learning more about the game of six-man football and taking on the challenge of taking over the girls basketball program here in Loraine," said Wallowicz.

"It looks like we will have some good numbers coming back on the girls basketball team, enough to have a varsity and junior varsity schedule this year. We will be working hard on basic fundamentals such as passing, dribbling and

making good shot selections. Basic fundamentals and good defense is what it takes to win."

Wallowicz will be a familiar face to some Mitchell County residents, as he helped open up Burger King several years ago. He got out of the fast food business in order to finish up his college degree.

"I worked in the Fort Worth Independent School District last year while finishing up some of my degree, attending Texas Christian University," said Wallowicz. "I did a lot of substitute teaching and working some with junior high girls basketball. I completed my degree requirements at McMurry University last spring."

Wallowicz, in addition to his coaching duties, will teach business technology courses. His degree from McMurry was in business management.

Georgie Tarver

Hall of Fame bowler hails from C-City

A Colorado City citizen, Georgie Tarver, has been elected to the Big Spring Women's Bowling Association's "Hall of Fame". This is an award given to one bowler each year at their annual banquet, held at the end of the fall-winter season.

Georgie has been an avid bowler on a regular basis for 45 years. She and her late husband, "Cap" Tarver, began bowling when the bowling alley opened here in Colorado City in the late 1950's.

When the bowling alley closed in the 1960's (exact dates not confirmed), they traveled to surrounding towns to bowl, such as Snyder, Sweetwater and Big Spring.

After Cap passed away in 1989, Georgie continued her favorite pastime as part of her healing process. She has not missed any single year since the beginning. She has been to 32 state tournaments plus almost as many national tournaments.

She has been a member of the Big Spring Bowling Assn. for 25 years and for several years has been in two leagues each week, driving the 80 miles round trip twice a week. She has won almost every trophy given during her bowling years, but the ones most proud of is the award given for high bowler in the B.S.W.B. Assn. Handicap Tournament with a 726 score, then, the icing on the cake; B.S.W.B. Assn's Hall of Fame award for 2001-2002. This was given to her in part for her enthusiasm in promoting bowling and her vibrant personality and good humor, win or lose! What an accomplishment for a lady of 82 and soon to be 83!

Georgie would be the first to say she has met and made many life-long friends through bowling the past 45 years! Also, she would say the exercise derived from the sport has helped to maintain her good health.

Tax holiday arrives

Texas Comptroller Carole Keeton Rylander announced that the annual Sales Tax Holiday is coming up August 2-4.

"Start making your shopping list for school clothes for the kids and new clothes for mom and dad," Comptroller Rylander said. "During the Sales Tax Holiday, most clothes and shoes priced under \$100 are exempt from state and local sales taxes."

Rylander estimates Texans will save \$42 million in sales tax during the three-day Sales Tax Holiday, including \$33.2 million in state sales tax and \$8.8 million in local sales taxes.

"I believe Texans will once again take full advantage of this well-deserved tax break to make their dollars go farther as they shop for a new school year," Rylander said. "During the Sales Tax Holiday, shoppers save about \$8 for every \$100 they spend on qualifying clothing and footwear."

The savings from Texas' three Sales Tax Holidays thus far total approximately \$108.2 million, including an estimated \$85.3 million in state sales tax and an estimated \$22.9 million in local sales taxes.

"That's \$108 million that Texans have been able to keep in their pockets for their families' priorities," Comptroller Rylander said.

Examples of items that can be purchased tax-free August 2-4 include kids' clothes and school uniforms, adult clothes and work uniforms, shoes, tennis shoes, slippers, sleepwear and underclothes for the entire family, as long as the items are priced under \$100 each.

Items that can not be purchased tax-free include handbags, wallets, jewelry, accessories, athletic shoes and apparel that are not normally street wear, backpacks and school supplies.

"I asked the last legislature to expand the Sales Tax Holiday to include backpacks, school supplies, baby car seats, bicycle safety helmets and other safety gear for our most precious resource—our children," Comptroller Rylander said. "I also want to extend the Sales Tax Holiday from three days to five days. Texans don't need a three-day traffic

jam. This must be a priority in the next legislative session."

No Texas community has opted out of the Sales Tax Holiday this year. To opt out, a city, county or other local taxing entity must notify the Comptroller by March 31.

FSA's CRP Program complex, voluntary

Keith Hiser

By Keith Hiser
County Executive Director
Mitchell County FSA

Have you noticed fields of grass where crops used to be planted? Have you ever heard folks talk about CRP? In the last two weeks, I explained who FSA was. In the next few weeks, I will try to explain each of the programs that the FSA office administers, so that you'll understand what we do. The first program I want to mention is the Conservation Reserve Program.

The Conservation Reserve Program (CRP) is a voluntary program that offers annual rental payments, incentive payments, and annual maintenance payments for certain activities, and cost-share assistance to establish approved cover on eligible cropland.

The program encourages farmers to plant long-term resource-conserving covers to improve soil, water, and wildlife resources. The Commodity Credit Corporation (CCC) makes annual rental payments based on the agriculture rental value of the land, and it provides cost-share assistance for up to 50 percent of the participant's costs in establishing approved conservation practices. Participants enroll in CRP contracts for 10 to 15 years. Currently there are 47,222.9 acres enrolled in CRP in Mitchell County resulting in over \$1.6 million in annual rental payments each year.

The program is administered by the CCC through the Farm Service Agency (FSA), and program support is provided by Natural Resources Conservation Service, Cooperative State Research and Education Extension Service, state forestry agencies, and local Soil and Water Conservation Districts. Private sector technical assistance vendors may also be available.

There are two types of signups for CRP, General and Continuous. The general signups have specific dates in which to bid, and are intended for general cropland, which meets the requirements specific to each county. Each general signup is somewhat different, but the last few have all been evaluated and ranked using an Environmental Benefits Index (EBI) based on the environmental benefits expected to accrue if the land is enrolled in the CRP.

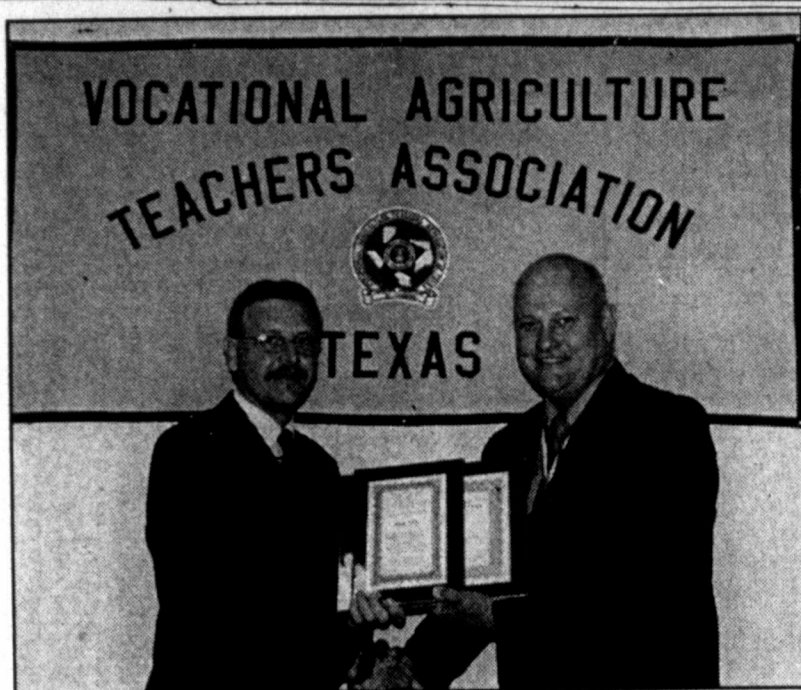

Continuous CRP signups have year-around signup periods and are generally intended for small acreage such as riparian strips, filter strips, grassed waterways and field wind breaks. An up-front CRP Signing Incentive Payment (CRP-SIP) of \$100 to \$150 per acre (depending on

contract length) will be provided to eligible participants who enroll selected practices. This one-time payment will be made after the contract is approved and all payment eligibility criteria are met.

A Practice Incentive Payment (PIP) equal to 40 percent of the eligible installation costs will be provided to eligible participants enrolling certain practices. This one-time payment will be issued after the practice is installed, eligible costs are verified, and other payment eligibility criteria are met. Both types of signups have eligibility requirements which must be met before land can be enrolled. If interested in either type of CRP signup, contact the Farm Service Agency.

A reminder to all CRP participants, the time of year has arrived when weeds are not only pests in our yards, but in fields enrolled in CRP (Conservation Reserve Program). Since the primary nesting season for birds ended officially on July 1, producers are now encouraged to perform weed control practices if needed.

Remember it is the sole responsibility of the producer to control these weeds. In the near future we will be conducting field spot checks looking for potential problems. Please make arrangements to control weeds before our spot checks to avoid penalties or even termination.

PRESIDENT JAMES KORTH (left) congratulates Ray Ellis during the Awards Program on July 24, 2002 in Corpus Christi.

CHS Vo. Ag teacher Ellis gets distinguished service nod

Ray Ellis was recently awarded the Vocational Agriculture Teachers Association of Texas Distinguished Service Award for his years of service to agricultural science and education. The award was given at the annual VATAT Conference held on July 22-26, 2002 in Corpus Christi.

This award is designed to commend individuals who are dedicated and supportive of agricultural education in Texas. Ellis was presented his award during the Agriculture Teachers' Professional Development Conference on Wednesday, July 24, 2002 in Corpus Christi.

"This year's conference is focused on integrating new and emerging technologies into the Agriculture and Science pro-

grams in Texas," stated James Korth, President of the Vocational Agriculture Teachers Association of Texas. "With the rapid advancement being made in technology, it is imperative that Agriscience teachers are capable of incorporating these changes into their local programs so students are better prepared to pursue their future educational and career goals."

In Texas, there are over 1,500 agricultural science and technology teachers that impact over 95,000 students who are enrolled in agricultural education classes at the secondary level. The Vocational Agriculture Teachers Association of Texas is headquartered in Austin and aims to improve agriculture by teaching.

Keeping an Eye on Texas

Southern Lights

All across Texas, night skies are once again witnessing the on-off flashes of the firefly.

More than 1100 species of fireflies live in tropical and temperate areas of the world with about 125 kinds found in the United States. Fireflies are beetles in the insect family Lampyridae. (To remember that, think of "lamp" plus "pyro" and you get the lampfire beetle.)

RAILROAD COMMISSION OF TEXAS OFFICE OF GENERAL COUNSEL OIL AND GAS DOCKET NO. 08-0231956 IN RE: CONSERVATION AND PREVENTION OF WASTE OF CRUDE PETROLEUM AND NATURAL GAS IN THE STATE OF TEXAS Austin, Texas July 23, 2002 NOTICE OF HEARING ON THE APPLICATION OF MELROSE OPERATING COMPANY TO CONSIDER UNITIZATION AND SECONDARY RECOVERY AUTHORITY FOR THE TURNER GREGORY UNIT TURNER-GREGORY (CLEAR FORK) FIELD, MITCHELL COUNTY, TEXAS NOTICE IS HEREBY GIVEN to the public and to all interested persons that under the legal authority and jurisdiction of Title 3, Oil and Gas, Subtitles A, B, and C of the Texas Natural Resources Code, Chapters 26, 27 and 29 of the Texas Water Code, and TEX. GOV'T CODE ANN. art. §§ 2001 et seq. (2002), the RAILROAD COMMISSION OF TEXAS will hold a hearing on AUGUST 28, 2002, at 9:00 a.m. at the William B. Travis State Office Building, 1701 N. Congress Avenue, Austin, Texas. This hearing will be conducted in conformity with the TEX. GOV'T CODE ANN. art. §§ et seq. (2002). For room assignment, on the date of the hearing please check the bulletin board in the 1st Floor lobby. Persons planning to attend this hearing are urged to contact the applicant's representative immediately prior to the hearing date to be sure that the hearing will proceed on the scheduled date. This hearing will be held to consider the application of Melrose Operating Company for unitization and secondary recovery authority for the Turner Gregory Unit, Turner Gregory (Clear Fork) Field, Mitchell County, Texas. The applicant states that the Unitization Agreement has been approved by more than 80% of the royalty interest owners and more than 95% of the working interest owners in the unit. A LIST OF THE NAMES AND ADDRESSES of those persons receiving notice of this hearing is contained in the Commission's file on this proceeding and is available for inspection at the Railroad Commission's offices in the William B. Travis State Office Building, 1701 North Congress Avenue, Austin, Texas 78701. If you have questions regarding this application, please contact the Applicant's representative, Kathryn Howard, at (512)327-8111. If you have any questions regarding the hearing procedure, please contact the Railroad Commission, Office of General Counsel, at (512)463-6848. IF A CONTINUATION IS NECESSARY, this hearing will proceed at the William B. Travis State Office Building, Austin, Texas, and, to the extent possible, on subsequent working days. The room number and exact time of the continuation will be announced on the record in this proceeding and recorded with Docket Services, Office of General Counsel, Railroad Commission of Texas. PURSUANT TO SAID HEARING, the Commission will enter such rules, regulations and orders as in its judgment the evidence presented may justify. ANY REQUEST FOR POSTPONEMENT of this hearing must be received no later than five (5) working days prior to the scheduled date shown above. Copies of such request must be forwarded to all parties shown on the service list. TO APPEAR IN SUPPORT OF OR IN OPPOSITION TO THIS PROCEEDING, a party other than the applicant must file with Docket Services, Office of General Counsel, at least five (5) working days in advance of the hearing date, a notice of intent to appear. IF ANY PARTY DESIRES A WRITTEN TRANSCRIPT of the hearing, that party should notify the Court Reporter's Office at (512)463-6926, at least five (5) working days in advance of the hearing date. If a written transcript is requested, the Commission may assess the cost of the transcript to one or more parties. Unless any party requests a written transcript, the record will be made by audio tape recording. ANY INDIVIDUAL WITH A DISABILITY who needs auxiliary aids and services in order to have an equal opportunity to effectively communicate and participate in this hearing must request such aids or services at least two weeks prior to the scheduled hearing by notifying the Personnel office of the Railroad Commission of Texas by mail at P.O. Box 12967,	Austin, Texas 78711-2967, or by telephone at (512)463-7327 or TDD No. (512)463-7284. ALL EXHIBITS FILED AS A PART OF THE RECORD IN THIS CAUSE MUST BE SUBMITTED IN DUPLICATE. DATA IN COMMISSION RECORDS MAY BE INCORPORATED BY REFERENCE, BUT THE REFERENCE MUST BE SPECIFIC, AND IF IT INCLUDES EXHIBITS FILED IN PRIOR PROCEEDINGS BEFORE THE COMMISSION, A COPY OF SUCH EXHIBIT PROPERLY IDENTIFIED SHALL BE SUBMITTED FOR THIS RECORD. THIS HEARING REQUIRES NOTICE BY PUBLICATION. LEGAL NOTICE Eddie Stephens will not be responsible for any debts other than his own. PUBLIC NOTICE TO BIDDERS RFP #03-5105 LEGAL NOTICE Notice is hereby given that the Colorado Independent School District acting by and through its Governing Board, will receive sealed RFP for the purchase of Food Supplies to be used in the School Cafeteria that meet the requirements of Child Nutrition/Food and Drug Administration for: BREAD/BREAD PRODUCTS MILK/ICE CREAM PRODUCTS CHIPS/SNACK CANDY RFP addressed to Business Manager, Geneva Ratliff, Colorado ISD, P.O. Box 1047, Colorado City, Texas 79512 will be received in the District Business Office until 5:00 p.m. on August 5, 2002. RFP's will be tabulated at this time and publicly read aloud at the Regular Board Meeting, 534 East 11th Street, Colorado City, TX at 7:00 p.m. on August 12, 2002. Specifications can be obtained from the School Business Office, 1132 Hickory Street, Colorado City, Texas, or by calling (915)728-5312. The District reserves the right to reject any and all RFP's and to waive any irregularities or informalities; and to be the sole judge of the merit and qualifications of products and services offered and to award the RFP considered most advantageous to the District. Geneva F. Ratliff Business Manager Colorado Independent School District PUBLIC NOTICE The City of Colorado City is receiving bids for a 20 (twenty) cubic foot refuse collection truck and body. Bids marked "SEALED BID" must be submitted by August 9th, 2002, to City Hall, P.O. Box 912, 180 W. 3rd, Colorado City, TX 79512, no later than 5:00 p.m. For further information, contact Public Works Director, Rick Carver, at (915)728-3153. If no answer, please leave a message. The City of Colorado City reserves the right to refuse any and all bids and/or to negotiate with the apparent successful bidder. LEGAL NOTICE Sealed Request for Proposal #03-5107 addressed to the Colorado ISD, will be received at the District's Post Office Box 1047, or 1132 Hickory Street, Colorado City, TX until 5:00 p.m. on August 12, 2002 for: 1. Employee Group Benefits Life Insurance Specifications can be obtained from the School Business Office. All RFP's must substantially comply with specifications. Any exceptions to the coverage requested in the specifications should be clearly explained in writing. Failure to meet all specified conditions may invalidate a proposal. The Colorado ISD reserves the right to reject any or all bids and to award the bid, considered most advantageous to the school district. Geneva Findley Ratliff Business Manager TEXAS EDUCATION AGENCY DIVISION OF CAREER AND TECHNOLOGY EDUCATION PUBLIC NOTIFICATION OF NONDISCRIMINATION IN CAREER AND TECHNOLOGY EDUCATION PROGRAMS 1. Loraine ISD offers career and technology education programs in BCIS I, BCIS II and Web Mastering. Admission to these programs is based on Graduation Plan Requirements and grade classification. 2. It is the policy of Loraine ISD not to discriminate on the basis of race, color, national origin, sex or	handicap in its vocational programs, services, or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended. 3. It is the policy of Loraine ISD not to discriminate on the basis of race, color, national origin, sex, handicap or age in its employment practices as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; the Age Discrimination Act of 1975, as amended; and Section 504 of the Rehabilitation Act of 1973, as amended. 4. Loraine ISD will take steps to ensure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs. 5. 2002-2003 School Year Lunch and Breakfast Program

The Westbrook ISD, in participation with the National Lunch and Breakfast Program, is announcing the free or reduced price meal policy statement for the 2002-2003 school year.

The Board of Trustees of Westbrook ISD has adopted the following family size and income scale to assist determining eligibility.

INCOME CHART						
Family Size	Annually		Monthly		Weekly	
	Free	Reduced	Free	Reduced	Free	Reduced
1	\$11,518	\$16,391	\$960	\$1,366	\$222	\$316
2	15,522	22,089	1,294	1,841	299	425
3	19,526	27,787	1,628	2,316	376	535
4	23,530	33,485	1,961	2,791	453	644
5	27,534	39,183	2,295	3,266	530	754
6	31,538	44,881	2,629	3,741	607	864
7	35,542	50,579	2,962	4,215	684	973
8	39,546	56,277	3,296	4,690	761	1,083
9	43,550	61,975	3,630	5,165	838	1,193
10	47,554	67,673	3,964	5,640	915	1,303
11	51,558	73,371	4,298	6,115	992	1,413
12	55,562	79,069	4,632	6,590	1,069	1,523

For each add'l family member add: \$4,004 \$5,698 \$334 \$475 \$77 \$110

Children from families whose income falls within the level shown on the above scale are eligible for either free or reduced price meals. The reduced price for lunch is .30 cents and for breakfast is .20 cents.

Every household will be furnished with an application, which must be completed to apply for free or reduced price meals. To complete, please answer all questions on the form. An application which does not contain the following information is not complete and cannot be processed by the school: 1) Names of all household members; 2) Amount of income received by each household member such as wages, welfare, alimony, etc., or your Food Stamp or AFDC/TANF number if you receive these benefits; 3) the word "none" if that person has none.

Within 10 days of the receipt of the application, the school will notify you whether or not your child is eligible. The school or other officials may check the information on the application at any time during the school year.

If your child is approved for meal benefits, you must notify the school when your income increases by \$50 per month/\$600 per year or when your household size decreases. You may apply for benefits at any time during the school year. If you are not eligible now, but have a decrease in household income, become unemployed, or have an increase in family size, fill out an application at that time.

Children who receive free or reduced price meal benefits are treated the same as children who pay for their meals. In the operation of child feeding programs, no child is discriminated against because of race, sex, color, age, handicap, national origin, political belief, or religion. If you believe you have been discriminated against, write immediately to the Secretary of Agriculture, Washington, D.C. If you do not agree with the school's decision on your application or the result of verification, you may wish to discuss it with the school. You also have the right to a fair hearing. This can be done by calling, or writing to Mr. Todd Burleson, Superintendent of Schools, P.O. Box 99, Colorado City, Texas 79512, or call (915)644-2311.
