

Briefly

Playhouse dance

The Colorado City Playhouse costume dance will be Saturday from 8 p.m. to midnight. The Gene Smith Orchestra of San Angelo will be providing music for the Halloween dance.

Tickets are \$20 per couple and may be purchased at Fuller Foods, Gold Smith Jewelry, Ratliff Insurance, Lone Star Gas and City National Bank.

All proceeds will benefit the Playhouse.

Carnival set

A Halloween carnival is set for Saturday at the Loraine Nursing Home from 6:30-9:30 p.m.

There will be door prizes as well as games, raffles, cake walk and darts. There will be a costume contest for six and under and for 12 and under.

Bingo and break-dancing is also planned and there will be candied apples, nachos, popcorn balls, frito pies and soft drinks.

Youth party

The Wilson Wyatt VFW Post 9178 and its Ladies Auxiliary will sponsor a Halloween Youth Party Sunday, Oct. 28, free of charge, for all area youth.

The party will be from 6-8 p.m. at the post home. A variety of booths is planned as well as a spook house and a costume contest for age groups 1-4, 5-8 and 9-12.

'Adopt a Child'

'Adopt a Child' will be starting Sunday, Oct. 28, at St. Luke United Methodist Church, 1635 Walnut for children who do not have a church home and would like to attend Sunday School and/or church.

The church will pick up and bring the children home. For more information, call 728-5779 or 728-3308.

Benefit set

VFW Post 9178 commander Jack Merritt announces that the Thursday meeting has been canceled so that the VFW facilities can be used for the auction and dance benefit for Roland Dossey.

The Ladies Auxiliary will meet at 8 p.m. in the Ladies Auxiliary Room for its regular meeting.

Halloween dance

A costume Halloween dance is planned for Friday, Oct. 26 from 8 p.m. to midnight at the Civic Center to benefit the Mitchell County Day Care Center. Costumes are not required.

'Tortilla Factory' featuring Charro Negro will provide the music for the dance. The first 100 tickets will be \$8 each and the rest will be \$10 each.

For tickets or more information, contact John Salazar at 728-5824 or Pete Martinez, Manuel Rivera and Bill Ramirez or call the Center at 728-5897.

Costume party

The Oxti-Ms. Club will sponsor a Halloween costume party for students kindergarten through fifth grades at the Wallace Center on Saturday, Oct. 27 from 7-9 p.m.

There will be skating from 7-8 p.m., but the students will need to bring their own skates if they have them. A break dance contest is set from 8-9 p.m. Cash prizes will be awarded for best costumes and best dancers.

Admission will be \$1 each and includes trick or treat goodies.

Wolves prepare for Ballinger

By TONY FRANCO
It's the Harris Poll's "Game of the Week."

For Colorado City's football team, especially the 20 seniors, it's more like the game of their life.

It is tomorrow night's clash between the unbeaten Wolves against the equally unbeaten Ballinger Bearcats.

"It's for the district championship," said Colorado High School head football coach Tom Ramsey. "It's gonna be a big one."

Colorado City has more than lived up to its pre-season billing by rolling through the schedule for a 7-0 record—including the past two victories in district 7AAA.

While the pressure of being expected to produce has been thrown upon the Wolves, Ballinger has been quietly remodeling the remnants of its 1983 quarter final team into a 7-0 team of its own.

"Ballinger looks good," said Ramsey. "They're better than last year. The difference is their quarterback is good—last year he was great," said Ramsey, referring to now-Texas Tech freshman quarterback and ex Ballinger all-stater Aaron Keesee.

"They've been the dominant force for the past two years. They're good and they seem to be loaded. They're more of a run oriented team this year but they do throw the ball."

"That's the explanation (Keesee's graduation). Strambler gives an added boost in their running game. They're bigger than they ever have been. Offensively and defensively they'll be able to line up with people weighing 225, 210, 220 and 205."

Colorado City defeated Ballinger in Ramsey's first three years as head coach from 1979-81 but—like every other 7AAA team—has given away to the Bearcats the last two seasons.

"Their last district loss was in 1982. It's been 14-7 the past two years. In the last five years, nobody has scored more than twice. Who did won the ballgame."

"It's been that sort of a deal. It's such a rivalry. The defenses

play a better game than all year and neutralize the offenses. I'm sure we're going to see that again," said Ramsey.

"They intercepted us at the three-yard line with 13 seconds left and killed one of our drives," said Ramsey of last year's defeat.

Is this Colorado High School's biggest game ever? "Well, we played Breckenridge in the last game of '81. The winner will be the district champ. It's winner take all. That's what we've told the kids."

Ramsey reports that the Wolves are in good shape as far as injuries and there is "not really" any area where Colorado City is hurting.

See WOLVES, Page 2

Pep rally set Thursday

A community-wide pep rally is scheduled Thursday at 7 p.m. on the parking lot of City National Bank to show support for the Colorado High School Wolves who will be facing Ballinger Friday night in a District 7-AAA showdown in Ballinger.

The Wolf Pack, 7-0 for the season, is hoping to avenge a 14-7 loss to the Bearcats last year.

All Colorado City and area residents are urged to attend the pep rally.

MEMBERS OF the State Democratic Party were in Colorado City Monday night to visit with local Democrats at the Villa Restaurant. Mayor Elmer Martin is shown with Bill Brannon, Juan Moldonado and State Democratic Party Chairman Bob Slagle.

County considers phone system

The Mitchell County Commissioner's Court Monday discussed the possibility of a new telephone system for the courthouse in order to upgrade the present system while at the same time reducing the cost.

Robert Cherry and Ken Ellis of C&E Telephone Service of Midland addressed the court about the Vantage telephone system.

No action was taken on the matter, but the commissioners authorized Cherry and Ellis to make a survey of the present phone system and come back with a proposal at a later date.

Cherry said the cost of a system, completely installed,

should be around \$20,000. He estimated that the county is spending about \$600 a month for the lease of equipment from Bell Telephone.

Cherry said if the number of lines were reduced to 12 from the 22 lines currently used to service the courthouse, sheriff's office and extension annex, the savings could amount another \$300 a month.

Cherry explained that the phone cable in the courthouse belongs to the county and as much of the cable as possible would be used in installing the new system.

Some features of the Vantage system would be an intercom

system in which all the offices could call each other without having to go through an outside line. The system also offers a conference-type call capability. Cherry said there is an option available which will give "complete documentation of your calling" so that each long distance call can be identified as to when and where the call was made and from what phone.

In other business Monday, the court formally approved the contract with Western Data Services as presented by tax assessor collector Mike Burt. Burt said the contract is the same one that was included in the recently approved county budget.

Absentee balloting continues

By noon Tuesday, 128 absentee ballots had been cast for the Nov. 6 general election, according to Mitchell County Clerk Joan Beach.

Mrs. Beach said that 10 of the absentee ballots had been received through the mail.

Absentee ballots may be cast through Friday, Nov. 2 until 5 p.m. at the county clerk's office and mail ballots may be requested up until that time. Mail ballots have to be back to the county clerk's office by 7 p.m. on Nov. 6, explained Mrs. Beach.

Although the presidential election year always means a heavier voter turnout, there are

several local contested races which will be decided on Nov. 6. Locally, voters will be choosing between Democrat Ann Hallmark and Republican Coleen Palmer for the county treasurer's office and Democrat Edward B. Roach and Republican Jackie Joiner for Mitchell County Pct. 1 commissioner. County attorney Pat Barber, on the Democratic ballot, will have a write-in opponent, Pete McKinney.

Other local candidates running unopposed include Wendell Bryant, sheriff; Clarence C. (Mike) Burt, tax assessor-collector; Billy Ray Williamson,

constable Pct. 1; Paul Hunter, Mitchell County Pct. 3 commissioner; and Billie Forbes, Pct. 3 justice of the peace.

State-wide races to be decided includes the District 66 Representative race which has Democrat Dick Burnett opposed by Republican Steve Stephens. In the Court of Criminal Appeals, Place 1, Democrat Sam Houston Clinton is opposed by Republican Virgil E. Mulanax and for the Texas Supreme Court, Democrat John L. Hill is opposed by Republican John L. Bates.

The U.S. Senate race has Democrat Lloyd Doggett opposed by Republican Phil Gramm.

Annual Kelly carnival scheduled

The annual Kelley Elementary Halloween Carnival will be Tuesday, Oct. 30 from 5:30-8 p.m.

Food booths will open at 5:30 and games will open at 6 p.m. A variety of game rooms and food

booths are planned for the event.

A costume contest will be held at 7:45 p.m. and first and second prizes will be awarded to each age group—five and under, kindergarten, first through fifth grades and adults (which inclu-

des sixth grade and up).

Prizes will be donated by local merchants and proceeds from the carnival will be used to benefit Kelley Elementary School.

Hospital records \$623,782 loss

By RAY MAYO

Root Memorial Hospital recorded a loss of \$623,782 for the fiscal year ending Sept. 30, hospital assistant administrator and comptroller Richard Murphy told the Mitchell County Hospital District board of directors Tuesday night.

In presenting the hospital financial and statistical reports, Murphy revealed that in September alone, the hospital lost \$234,800, mainly due to reduced patient days.

"Resulting from the August and September decline in admissions, the total inpatient revenues plunged to an all-time low and finished the 12 months \$359,363 below budget," Murphy said, adding that total net operating revenues ended the year \$217,078 under budget or 6.7 percent.

"Patient days fell sharply during this two-month period, and resulted in 8,230 days, 2,018 below projections for this year and 2,159 below last year," said Murphy. "Admissions were 145 below projections. The census for the year averaged 22.5 patients per day which is 57.7 percent use of our available space."

Murphy pointed out that the average cost to patients remains at \$350.02 per day and that average calendar day revenues are \$8,269 compared to the budgeted amount of \$8,862. He also noted that the outpatient activity remains below prior years.

He explained that the operating expenses for the 12 months have exceeded budget by \$56,892, with labor 1.9 percent over, supplies 17.6 percent under and other expenses 20.3 percent over for an overall 1.6 percent over budget.

Due to the decrease in patient days, Murphy said the average cost of patient care increased to \$443.51 per day.

The average calendar day cost is \$9,973 compared to the budgeted figure of \$9,818.

"The operating loss of \$623,782 for the 12 months averages \$51,982 per month or \$1,704 per calendar day," he said. "Any way we look at it, this hospital suffered a severe penalty."

Last year, the hospital recorded a loss of \$128,899.

The Root Valley Fair Lodge financial and statistical reports showed an operating loss of \$124,000 for the 12 month period, compared to a loss last year of \$113,748. A \$131,345 loss had been projected, explained Murphy.

Total patient services' revenues for the 12 months are \$35,998 under budget or 6.3 percent for the nursing home. Total net operating revenues also remain below budget 6.4 percent but exceed last year by \$8,598,

said Murphy.

The patient days of care exceeded the budget by 99 days for the year with private days down 138 days and Medicaid days up 237 days. Private patient care averaged \$36.58 daily for the year and Medicaid patients averaged \$29.39 daily for the year. Calendar day revenues averaged \$1,477.

The nursing home's operating expenses completed the year under budget by \$44,581 or 6.3 percent with labor 2.2 percent over, supplies 9.7 percent under and other expenses 22.8 percent under, he explained. Average cost per patient per day was \$40.11 and average cost per calendar day was \$1,816.

The sharp decline in hospital admissions is due to the resignation of four physicians from the hospital staff, leaving only two doctors on staff—Drs. Joe Terry and Thomas Aguilion.

Drs. Thomas Noonan, William Jones, George Lindsey and Pat Thomas submitted their resignations in September. Prior to that, Noonan had been suspended from the staff and the other three had been sending their patients to Rolling Plains Hospital in Sweetwater since the last of August.

Board chairman Bobby Lemons said he had received a call from Noonan concerning the possible sale of Doctor's Clinic owned by the four doctors of osteopathic medicine. Noonan said the clinic is for sale at an asking price of \$301,000, which includes most of the furnishings and equipment.

Hospital administrator Ray Mason said two of the doctors (Noonan and Thomas) have announced they are leaving Colorado City.

Lemons said the hospital district sold the clinic to the doctors in 1982 at a price of \$97,500, but that extensive remodeling has since been done. Lemons said that the hospital still has a lien on the building.

The board voted to have the building appraised before discussing the matter any further.

In other business Tuesday, the board voted 3-1 to hire Dr. Don Weathers, 42, an M.D. from San Angelo, to set up a clinic at the hospital four days a week and to man the emergency room on weekends on a temporary basis.

Dr. Weathers has sold his family practice in San Angelo and plans to enter the Air Force in January as a flight surgeon. Mason said Weathers contacted him about the possibility of helping out at the hospital while he is waiting to enter the Air Force.

Weathers will work four days a week—Friday, Saturday, Sunday. See HOSPITAL, Page 2

Obituaries

McAfee

Mrs. W. R. (Myrtle) McAfee, 92, died Monday morning at 9:30 a.m. in the Loraine Nursing Center.

Funeral services were Wednesday afternoon at 2:30 p.m. at the First United Methodist Church in Loraine. Rev. Rita Richards, pastor, officiated. Burial was Thursday afternoon at 2 p.m. in Crestview Memorial Park in Wichita Falls directed by Kiker-Seale Funeral Home.

She was born Myrtle Beights April 23, 1892 in Missouri and was married to W. R. McAfee Dec. 24, 1919 in Loraine, and came to Colorado City in 1953 from Memphis after the death of

Mr. McAfee in 1953.

She was a member of the First United Methodist Church of Colorado City.

Survivors are a daughter-in-law, Lola B. McAfee of Van Horn; two grandsons, W. R. McAfee III of Liberty and J. Patrick McAfee of Ashville, N.C.; two sisters, Mrs. Pearl Bruce of Loraine and Ruby Compton of Memphis; two brothers, Dr. D. M. Beights of Deland, Florida and Roy Beights of Los Angeles and three great-grandchildren.

Pallbearers were Ralston Bruce, Byron Bruce, Ronald Bruce, Fred Hallman, Albert Beights and Ira Beights.

Dossey

Roland Ray Dossey, 59, of Colorado City died Monday at 10:01 p.m. at his residence.

Funeral services were at Kiker-Seale Chapel at 10:30 a.m. Wednesday. Burial was in the Colorado City Cemetery under the direction of Kiker-Seale Funeral Home.

Born July 9, 1925 in Cooleedge, Texas, he was a welder-machinist. He married Lillian Robertson December 13, 1947 in Colorado City. He was a member of Oak Street Baptist Church.

Survivors include his wife; his mother, Mrs. Clarence Dossey of Colorado City; one daughter, Mrs. Jeanie Garrett of Colorado City; three sons, Danny Ray of Odessa, Jerry of Colorado City and Ronnie of Sweeney; four brothers, Curtis of San Angelo, Billy of Phoenix, Ariz., Bobby of Abilene and Don Earl of Port Neches, Texas and seven grandchildren.

Pallbearers were James Burson, Wendell Bryant, Billy Ray Williamson, Tom Willingham, Edward Tereso and Jimmy Roundtree of Oklahoma.

Honorary pallbearers were Joe Boyd, Elic Brymer, Ed Gilstrap, Bobby Calloway, Juan Rodriguez and Frank Costible.

Campbell

Mavis Jewel Campbell, 91, died Saturday morning at 1:45 a.m. in Root Memorial Hospital.

Funeral services were Sunday afternoon at 2 p.m. in the Colorado City Cemetery. Glenn Roenfeldt officiated, directed by Kiker-Seale Funeral Home.

She was born Mavis Jewel Campbell August 26, 1893 in Hopkins County Texas, and was married to Marvin L. Campbell September 11, 1915 in Hopkins County. Mr. Campbell died Dec. 4, 1967. She had been a resident of Mitchell County 59 years.

Survivors are two daughters, Geneva Blackard and Joyce Holman, both of Colorado City; four grandchildren and four great-grandchildren. She was a member of the Church of Christ.

Wolves

From Page 1

"The closest both teams have come to getting beat were 10 and nine points. Randy Allen (Ballinger coach) and I are both satisfied with our teams. It's going to come down to which

lines perform. It will come down to the trenches and the offensive front five."

It's certainly the game of the year, so far. Will the Wolves get over the hump that is Ballinger a ; the elusive transition

from a good team to a great team?

Harris rates the game a toss-up between the number nine ranked Wolves and the ever climbing number 12 Bearcats.

Kickoff at Ballinger is at 8 p.m.

Hospital

From Page 1

day and Monday—at the hospital with the hospital receiving half of his patient revenue. The hospital will pay Weathers \$1,250 per weekend to staff the emergency room.

Mason said that Mrs. Weathers is a registered nurse and will be helping out on the hospital floor. Mason said Weathers' references are excellent and that Drs. Terry and Aguilion are in favor of the proposal. Weathers will probably start on Nov. 2 said Mason.

Board member Bob Reily voted against the agreement with Weathers after he expressed his desire to have the doctors who submitted their resignations back on staff.

"We're losing lots of taxpayer money," said Reily, noting he thinks the D.O.'s "have some legitimate complaints."

Earlier Tuesday, the board approved the medical staff re-

commendations concerning staff privileges at the hospital.

Ruby Lee, Gary Tilley, David Green and Paul Byers were approved as anesthesiologists. Drs. Billy B. Bridgford, R. D. Bridgford and H. Jene Steakley were granted courtesy staff dentist privileges and Drs. Kenneth Cowan and Shelton Jackson were granted courtesy staff privileges. Drs. Aguilion and Terry were granted full privileges and Dr. Sherman Merritt was granted surgery assistant privileges. Dr. James Howell was granted pathologist privileges and privileges were also granted to Radiologist Associates of Abilene and Cardiology Associates of Lubbock.

Mason and Murphy brought the board up to date on the Peer Review Organization of Texas (PRO) which will be reviewing Medicare admissions for all the hospitals in Texas.

The board authorized Mason to sign an agreement with the Texas Medical Foundation which holds the PRO contract for the state.

Mason said that a sampling of Medicare admissions will be reviewed on a regular basis and that the Texas Medical Foundation representatives will be looking for unnecessary admissions. He said medical records will be more important than ever and that doctors will have to work closely with the hospital to see that the records are in order.

Mason noted that the goal of the PRO will be to treat more Medicare patients on an outpatient basis rather than on an inpatient basis.

In other business, the board: —heard a report on the employee health insurance program and agreed to increase the premiums by 10 percent;

—approved a bid of \$8,575 for a 1984 Ford LTD Crown Victoria from Hutchins Ford. The car is presently being leased by the hospital and has less than 15,000 miles, said Mason, who noted that the car is used only for hospital business and;

—approved a policy regarding nondiscrimination on basis of age

FHA chapter has meeting

The Colorado High School chapter of Future Homemakers of America held their monthly entertainment on Monday night.

The meeting was in the form of a hamburger supper held in the foods lab and dining room of the homemaking department.

Approximately 40 members attended along with sponsors Judy Merrell and Margaret Latimer.

Entertainment followed the supper which was a series of relays between different teams. Gift certificates from Dairy Queen were the prizes and were given to the club by Mr. and Mrs. Loyd Ledbetter.

Holly Tarter is club president and presided over the meeting. The entertainment committee chairman is Lorraine Hendrix.

DR. THOMAS NOONAN, left, visits with friends at a reception last week honoring Drs. Noonan, Pat Thomas, William Jones and George Lindsey. A large crowd attended the event at the Civic Center. Noonan is in the process of moving to Houston.

Americanism discussed by Self Culture Club

The Self Culture Club had its regular meeting Oct. 5, on Americanism, in the home of Pearl Watson.

The club members were led in prayer, the American Creed and America the Beautiful by Lil Brown. Linnie Williams presided at the meeting. Eddie Barclay brought a paper on the Statue of Liberty. The Statue of Liberty is on Bedloe's Island, at entrance of upper New York Bay on 10 acres, probably the best known sculpture in North America, a heroic female figure of "Liberty Enlightening the World," presented to the people of the United States, she related.

Dona Reed reported on the Mayflower. The small ship with 102 people set out to sea from England. On December 21, 1620, they landed on a wild New England shore of the new world. The Mayflower remained in harbor until spring, serving as a shelter until homes could be built. In April, the Mayflower returned. After she reached England, little is known of her history. The male passengers signed the Mayflower Compact

while still at sea off the coast of New England. This agreement bound signers to submit to the will of the majority in whatever ordinances the government might adopt, she concluded.

Fannie Beeman brought the Federation Report on club high points. A Junior Club of Mexia organized members of GFWC and TFWC and won a computer from the General Federation for sponsoring a seedling program. The seedling program is a collection of short stories from around the world, which were purchased by two clubs of Mexia. The program is helpful in reading. The computer and the stories were presented to a Mexia elementary school by the Junior Clubs.

Those present were Eddie Barclay, Fannie Beeman, Lil Brown, Della Fox, Ida Keith, Dona Reed, Jewell Tiller, Linnie Williams and hostess Pearl Watson.

Letter to the Editor

Dear Editor:

During the October 7, 1984, presidential debate, Reagan said:

"I think people should understand that two-thirds of the defense budget pays for pay and salary or pay and pensions. And then you add to that food and wardrobe and all the other things and you only have a small portion going for weapons."

Quoting from the "Army Times" issue of October 22, 1984, page 28:

"In the defense budget request Reagan submitted to Congress in January, military personnel costs, including military retired pay, made up less than one-quarter of the \$305 billion total, far less than the two-thirds Reagan claimed."

"When civilian personnel costs of those who work for military services or agencies are included in the calculation, total pay and pension costs amount to 32 percent of the budget, or about half the size of the President's estimate. If direct and indirect personnel costs for military and civilian employees are included—adding in costs for medical care, recruiting and examination, overseas dependent schools and 50 percent of base operating costs—the total climbs to 43 percent of the defense budget, according to statistics included in the DoD Manpower Requirements Report released in February."

Is this the kind of man we need in the oval office? If he will lie about his defense budget, can he be trusted to tell the truth about what he will do on Social Security, Medicare, foreign policy or taxes?

Birth

Malorie Jordan was born to Mr. and Mrs. Sammy Simons of Abilene Oct. 13 at Hendrick Memorial Hospital weighing 7 pounds, 15 ounces.

Grandfather is Robert Perry Lovelace, great-grandmother is Katherine Sue Lovelace and a great-great-grandmother is Ila Lovelace, all of Colorado City.

It does make a difference where you bank!

Let's Look At Alternatives

Several Texas Legislators, including my opponent, have publically said the State will have to increase taxes next year to meet its needs for funding. And, they may be correct.

But, why is it I hear only about a tax increase and not about other alternatives?

That's why I am in this race. My years as a businessman have taught me that when more money is going out than coming in, you have to take steps to equalize the situation or you are not in business long. Some businessmen, and legislators, take the attitude that the first step is to raise prices, or in this case, taxes. I can't buy that.

I think the first step is to look into the organization and make sure every dollar is working efficiently to produce the service or the product. If that dollar can be moved from one area into another where it will do more

good in maintaining the quality of the service or the product, then it should be moved.

It's the same with State government. Before everyone jumps on the tax-increase bandwagon, let's look closely at all areas where greater effectiveness and efficiency might be achieved with the dollars we now have. If we can make some of that money work harder in some other areas and still keep our quality of service, then we might be able to look at less of a tax increase -- or possibly no tax increase at all.

That's what I believe. Let me know what you think. I'm ready to get down to business.

Sincerely,

Steve

State Representative

Pol. Adv. Pd. by Steve Stephens for State Representative, Bob Eckert, Treasurer, P.O. Box 732, San Angelo, Texas 76907.

He means business.

Schneider, Blackard married October 6

The historic All Saints Episcopal Church in Austin was the setting Saturday, Oct. 6 for the exchange of vows between Cynthia Dawn Schneider and Joe Wayne Blackard both of Austin.

The bride is the daughter of Donald and Charleen Schneider of San Antonio and the groom is the son of Mrs. Joe Leonard Blackard of Colorado City and the late Mr. Blackard.

Rev. Armistead Powell performed the double-ring ceremony.

Altar decorations included tall bouquets consisting of white fuji mums, peach glads and blue delphiniums in urns. Large white satin bows accented with eucalyptus and English ivy adorned the front pews.

Given in marriage by her father, the bride wore an ivory candlelight satin gown designed by Illissa. It had a Queen Anne neckline flowing into an alencon lace bodice with a drop waist. The satin and lace inlaid sleeves fell to a point at the wrists. Both bodice and sleeves were beaded with pearls and iridescent sequins. The back of the gown was sheer to the waist with tiny ball buttons all the way to the neckline. The satin skirt was trimmed with alencon lace which formed a chapel length train. The illusion net chapel length veil with pearl beaded side panels was held in place by a matching lace jeweled cap.

The bride carried a traditional, all white formal cascade of roses, fuji mums and stephonotis with trailing English ivy. "The Wedding Song" was performed by soloist Kendra Swanson.

Miss Cathy Patteson of San Antonio was maid of honor. Bridesmaids were Miss Tracy Van Duvne of Oklahoma City, Miss Cynthia Hunter of Bryan, Miss Susan Kunau of San Antonio and Miss Rhonda Heidebrecht of Austin. All are friends of the bride.

The maid of honor and bridesmaids wore identical formal

dressess created in French blue taffeta. The long sleeved bolero length jackets and a self ruffle edging the straight front opening and neckline. They each carried a modified cascade of miniature pale blue iris and white fuji mums combined with peach glad blooms, blue delphinium and stephonotis.

Best man was Tommy Aguillon of Colorado City. Groomsman and ushers were Randy Johnson of Arlington, Paul Lundesberry of Austin, Mack Neal of Stephenville and David Schneider brother of the bride, of San Antonio.

A reception followed at the Texas Federation of Women's Clubs headquarters. The wedding colors of blue and ivory were carried through to the wedding cake. The three-tiered Italian cream cake was decorated with a combination of the bride's chosen flowers.

Members of the houseparty included Diane Westerberg of Austin, Patti Lynch of San Antonio and Andrea Schneider of Las Cruces, N.M.

After a honeymoon trip to Jamaica, the couple is making their home in Austin.

The bride is a graduate of Texas A&M University and is a member of Phi Kappa Phi. She is employed by Datapoint Corp. of Austin.

The groom is a graduate of the University of Texas and is a member of Tau Beta Pi. He is employed by IBM in Austin.

Guests were registered from Dallas, Arlington, Las Cruces, N.M., El Paso, Houston, College Station, Colorado City, San Antonio and Austin.

The groom's mother hosted a rehearsal dinner and the bride's aunt, Mrs. Paula Weaver, hosted a bridal luncheon.

Spook house

The Mitchell County Day Care Center will have its second annual spook house Saturday and Sunday, Oct. 27-28, from 7-11 p.m.

Middle Eastern Dance class set at Center

The Wallace Center is offering a new class in Middle Eastern Dance beginning October 25. Sessions will meet on Thursday nights from 7-8 p.m. for 10 weeks. Tuition for the class is \$23.

Middle Eastern dance is one of the oldest forms of dance that has not changed in its natural beauty, grace, and mystery since Biblical times. It is an effective means to lose weight, tone muscles, and gain confidence and coordination.

Dance steps, veil work and rhythms will be taught in this course.

The instructor, Jean Harrison, (Né-e-va) has six years experience in belly dancing. She at-

tended several seminars taught by nationally known dancers. She studied under Edwina Hudson (Aisha) in Odessa for six years, at Odessa College, and is a member of the Middle Eastern Dance Organization in Midland, Odessa.

Most of her dancing has been for nursing homes, fund raisers, and civic events. This course is self-paced and suitable for those not in good shape.

Pre-register at the Wallace Center. For more information call 728-2392.

Personal

Mr. and Mrs. Charlie Harris made a trip to Phoenix, Arizona recently to meet the family's new great-grandson who was born Sept. 21. The child is the son of Mr. and Mrs. Terry Henderson.

On their way to Phoenix, they stopped to visit with Mr. and Mrs. H. J. Henderson in El Paso.

Shortly after their return, they went to Snyder to visit with Ruby Reeves, who is a sister to Mrs. Harris and also Mr. and Mrs. Jackie Pylant.

Bobby Lee & Nancy Robertson

Engagment announced

Mr. and Mrs. Jessie D. Robertson of Colorado City announce the engagement of their daughter, Nancy Lynn, to Bobby Lee of Hamlin, son of Mrs. Ruby Lee of Colorado City.

The couple will be married in Oak Street Baptist Church in Colorado City on Feb. 5.

The bride-elect is a 1982 graduate of Colorado High School. She received an Associate of Applied Science degree in general business from Western Tex-

as College in Snyder and is employed at the Colorado City Police Department.

A graduate of Monterrey High School in Lubbock, the future groom attended Texas Tech University and is presently attending TSTI in Sweetwater going through the paramedic program. He is employed at Hamlin

Memorial Hospital in the respiratory therapy and ambulance departments.

Ready class meets

The Ready Sunday School Class of the Loraine Baptist Church had a salad supper on Monday night in the fellowship hall of the church for its monthly meeting.

Mrs. Estelle Lee brought the devotional on the Beatitudes and Mrs. Alta Miles played "Abide With Me" as the class had a quiet time.

Mrs. Allie Ruth Wiggins read a poem "Make the New Year a Stepping Stone to Growth."

Mrs. Margaret Brame told about her trip to Alaska this summer; then she showed slides of all the beautiful country which she visited. She met her group in Dallas, Salt Lake City and Seattle. They boarded a ferry at Prince Rupert. They traveled up the Inland Passage for two and a half days stopping at the important towns for tours and sight seeing. Mrs. Brame told about panning for gold near Anchorage.

She went to Juneau, the capital of Alaska then to Skagway and on to White Horse which is the capital of the Yukon territory. She traveled on the Alaskan Highway to Fairbanks. She had many slides of the Alaskan Pipeline.

She visited the Mt. McKinley Park. She also flew across to

Nome then across the Arctic Circle to Kotzebue. There they visited a great museum and saw an interesting Eskimo dance. She learned what "perma frost" and "tundra" meant and she visited a "one tree" forest. She also learned that the roots of trees cannot penetrate the perma frost.

The hostesses for the evening were Mmes. Alta Miles, Estelle Lee and Allie Ruth Wiggins. Those present were Ruby Lee Small, Domingo Galvan, Geraldine Parnell, Juanice Butler, Billie Ruth Tartt, Christine Mearse and Margaret Brame.

Lion teams taste wins against 7th, 8th

By TONY FRANCO

Colorado Middle School football teams swallowed their first taste of defeat here last Thursday with the eighth grade losing 16-14 and the seventh grade falling 22-0—both to the Ozona Lions.

The eighth grade Wolves fumbled the ball away twice out of three first half possession and went into halftime tied 0-0.

To begin the second half, the Wolves drove 61 yards on their first possession and took an 8-0 lead. The drive began at Colorado City's own 39 yard line and moved to Ozona's 41 behind the running of Jerry Hulme and Beau Rees.

Following a four yard loss by quarterback Chris Perkin, Pat Ridge used a block by Mickel Morales and sprinted 45 yards on a reverse for the game's first score. It came with 4:10 left in the third quarter and Hulme ran for the extra points.

Ozona answered right back and used its running game to drive 62 yards and tied it up with 5:15 left in the game.

On the Wolves' very next play following Ozona's kickoff, Rees busted through the right side for a 55 yard scoring run. The extra point pass attempt fell incomplete and the Wolves led 14-8 with five minutes remaining.

Again Ozona rushed right back for another score and took a 16-14 lead with 2:02 remaining.

Colorado City's last chance to score ended on an interception following a 44 yard touchdown run by Rees that was called back because an official mistakenly and unfortunately blew an inadvertent whistle.

In the seventh grade contest, Bobby Arocha's 30 yard run helped Colorado City move to Ozona's 30 yard line on their possession. The drive ended following a penalty and a dropped pass.

Ozona then showed its muscle by using big backs to drive 65 yards and took an 8-0 lead with a 22 yard run with 5:35 left in the first half.

The Wolves other possession of the first half was also an error-prone one and ended at Ozona's 28 yard line.

Ozona got a second score from the same running back on their first possession of the second half and passed the extra points and a 16-0 lead.

After intercepting substitute quarterback Ken Land, Ozona closed out the scoring on a quarterback sneak with 4:55 left in the game.

The eighth grade got good defensive play from George Rivera and John Cantu and now stand at 3-1-1.

The seventh grade now owns a 4-1 record.

Snippets

The Amazon pours 64 billion gallons of water into the sea very second.

When it is poured, the concrete floor in the basement of the average home contains more than 240 gallons of water.

The largest shrimp beds in the world, discovered in 1948 off Narraaq and in Disko Bay, Greenland, are fished night and day during the summer months, until ice blocks the fishing grounds.

COLORADO MIDDLE SCHOOL'S Sandra Harris, right, makes a return during the eighth grades volleyball match against Snyder here last Monday night. Supporting Harris are Stacie Miles (50) and Amy Dominguez (34). The match was the last one for CMS.

CMS volleyball teams lose season-ending matches

Neighboring Snyder came over to Wolf gym last Monday night and swept all four season-ending matches against Colorado Middle School volleyball teams.

The eighth grade A team put up a good fight behind the play of Sheila Monroe, Amber Stevens, Lisa Ornelas and Denise Lowrance, among others, yet lost 15-9, 15-11.

One service point from Oria Gonzalez and two from Mary Reyes gave the Wolves a 3-2 lead then points from Kim Wulfjen and Lowrance increased it to 5-3.

Snyder rallied to take the lead at 7-5 then Colorado City got the lead back at 8-7 with three service points from Stevens. Reyes served again to pull the Wolves within one at 10-9 then the Tigers went to take the next five points and game.

In the second game the Wolves fell behind 14-3 after only two points from Lowrance and one from Ornelas. From there though the Pack made a strong rally—scoring eight points to make it 14-11 before Snyder collected its game winner.

Wulfjen began the rally with two service points and included

an ace to make it 14-5. Lowrance followed with two to make it 14-7 then Monroe served for four points to close Colorado City's comeback attempt.

The eighth grade B team had a hard time returning serves and went down 15-0, 15-8.

In the second game, service points from April Mitchell and Amy Dominguez left the Wolves trailing 9-2. Three more points from Dominguez made it 10-5. Colorado City then pulled within four at 11-7 with two points from Stacie Miles—one an ace.

Laura Alvarez served for the Wolves' last point at 14-8.

The seventh grade A team fell behind quickly in both games enroute to losing 15-5, 15-10. In the first game, the Wolves fell behind 9-2 and in the second game quickly trailed 6-0, fought back to 7-6 and then scored only three more.

Brittany Bridgford was high point with five and Jennifer Arispe and Tammy Bradley both scored three. Also scoring were Marsha Hill two and Priscilla Mayes and JoAnn Ornelas one.

The seventh grade B team lost 15-12, 15-2 after holding 9-4 and

11-6 first game leads.

Mandi Farris was high point with eight and also scoring were Tina Huff and Tammy Loving with two and Sandy Molina and Lourie Crow with one.

Freshmen bombard Big Spring team

Colorado High School's freshman football team demolished a Big Spring team 54-0 last Thursday night in one of two CHS road games—the other a 7-6 junior varsity loss at Ozona.

The ninth grade Wolves scored on their first two plays from scrimmage and got touchdowns from Cary Ritchey, Randy Hernandez, Duane Jones, Israel Davila and Ismael Silva—some more than once.

Quarterback Ritchey began the offensive fireworks by sprinting 60 yards for a touchdown on Colorado City's very first play.

Then on the Wolves next possession, lightning struck twice as Ritchey pitched to Hernandez, who then raced to a 60 yard scoring run of his own—again on the possessions first play.

Jones scored on a short run and Silva, who also ran for one score, passed to Davila for a 30 yard touchdown.

Hernandez and Zane Bowers picked off interceptions for the Wolves and Bo Proctor blocked a punt.

The junior varsity's one point loss was attributed to a crucial penalty.

Locked in a struggle that had the teams tied 0-0 at halftime, the Wolves took a 6-0 lead on a six yard run by Ralph Gonzalez in the third period.

Ozona, facing a fourth and four to go at Colorado City's 30 yard line, was apparently stopped on another scoring threat after throwing an incompletion.

The Lions got the first down though when the Wolves were

Loraine travels to Forsan

"It's one tough one right after another one," said Loraine High School head football coach Sandy McSpadden of this week's opponent.

The Bulldogs travel to Forsan tomorrow night to take on the 7-0 Buffaloes only one week after dropping a 28-13 decision to highly ranked Roscoe.

"We need to win to stay in the playoff picture," said McSpadden. "So we've got a lot going for us in that respect."

Loraine came out on the short end of a wild first quarter against the Plowboys last Friday and came within a few breaks of upsetting the Plowboys.

"It was a game the kids felt they could've and should've won. There's no doubt in their mind. They're disappointed that they didn't. We knew we had a good group with a lot of heart. I was very surprised at their intensity but at the same time I don't feel they were playing over their heads."

The Plowboys jumped on the Bulldogs with four big plays—a 45 yard touchdown run on their first series, an interception return for a score, a kickoff return for another score and then a

second quarter bomb.

Loraine, playing without the services of Ricky Bailey, Aundra Rose and John McAdams, answered with two scores from back Tony Morris.

In a scoreless second half, "We controlled the ball," said McSpadden. "We drove to the 15 and 23 yard lines and were stopped by penalties both times. We had to start throwing and Roscoe knew it."

"Roscoe took advantage and we didn't. They did what they had to."

On Forsan: "They're a great

ballclub, the type that takes advantage. They like to run and have a big strong quarterback. They run out of the Wing and Straight I set and run with a lot of power. Brad Hayes is a good swift runner and their defense will give us problems."

Loraine "should be at full strength by game time" with the exception of Rose, Bailey and McAdams. "They're all gonna be tough from here on in," said McSpadden.

Kickoff is at 7:30 p.m. and the Bulldogs are listed as 17 point underdogs.

It's Time For A Water Plan

We've seen the same scene all year, residents of our District and West Texas in general, watching the skies for some signs of rain clouds. Brown yards and burned gardens are enough, but our problems really surface when the lakes, the stock tanks and the water tables run low. Without water, we have nothing.

Lack of water is not a new problem to our area, but our continued growth makes it a much bigger problem than ever before. And, with all the money in the world, it can't be remedied tomorrow. It will take decades even if we start today.

I, for one, am ready to fight for a water plan. I am tired of hearing from larger metropolitan areas downstream that their recreation areas will suffer if we don't turn loose our drinking water. We never hear how much of that water goes right on into the Gulf.

There has to be a solution which is best for all, and I think it's time to look for it.

No matter what kind of resistance we find in other parts of the State, I am ready to get down to business and fight back with facts, figures and a strong argument on behalf of our area.

With more than 15 years of testifying before National and State legislative bodies, I am well aware of the type of presentations which get results. And, I think as far as water for our area is concerned, it's time to see some results.

Let me know what you think.

Sincerely,

Steve
Steve Stephens

Elect STEVE STEPHENS
State Representative

Pol. Ad. Bd. by Steve Stephens for State Representative, Bob Eckert, Treasurer, P.O. Box 732, San Angelo, Texas 76902

He means business.

Let's talk.

Information about your changing telephone service from Jim West, Manager-Community Relations

Making your bill easier to read

If you're like most folks, you've probably noticed there are more pages in your phone bill since the split-up of the Bell System. That's because your bill now includes charges for several separate companies instead of just one like last year.

Right now, the bill you receive from Southwestern Bell Telephone includes our charges for local service and long distance within your service area. It may also include long distance charges from AT&T Communications and charges from AT&T Information Systems (for leased equipment).

Calls you place through other long distance companies may also be billed through Southwestern Bell Telephone if those companies choose to use our billing service. That makes it easier for you because you get one bill, and you write one check.

Solving the customer confusion

Still, this breakdown of charges by each individual company has caused some confusion. We know that, and we're doing our best to simplify your bill to reflect what you want.

Your bill first started getting a new look in January. At that time, we had numerous billing changes necessary to simply accomplish divestiture.

Starting in February, the company began conducting interviews with customers to find out what short-term changes and long-term changes were needed.

We've put your changes into place

Some of the changes you wanted and we adopted are:

- revising the bill summary page to include adjustments and charges for each company whose fees are included on the bill;
- removing "unpaid from last bill" from the summary page if the last bill was paid in full;
- numbering pages consecutively to help you reassemble your bill after studying it; as well as others.

Further changes to simplify the bills will be put into place in the coming months.

Would you like more information about the changes on your bill? Call the Tele-Help toll-free number, Monday through Friday from 8 a.m.-8 p.m. — 1/800-325-2686 (please ask for "extension 84") and request the Tele-Help Booklet No. 2 ("A Guide to Your Phone Bill").

If you'd like the booklet in Spanish, please write: Southwestern Bell Telephone, Tele-Help; P.O. Box 225265; Dallas, TX 75215.

For your information, to date, we've distributed more than 700,000 Tele-Help booklets in Texas in an effort to clear up any confusion regarding our business after divestiture. We're pleased to help our customers get the answers they need.

As always, if you have any comments, I'd like to hear from you.

By RUBY CLAXTON
Mrs. Gladys Slavenwhite and Omer Marr of Abilene and Mrs. Pearl Smith of Dallas visited last Tuesday with Mr. and Mrs. Anson Henderson. Mrs. Slavenwhite and Mr. Marr is an aunt and uncle of Mrs. Henderson and Mrs. Smith is a cousin.

Mr. and Mrs. Sonny Byrd of Plano visited with his parents, Mr. and Mrs. Alvin Byrd, from Friday until Monday.

Mr. and Mrs. Luther Anders visited with Mr. and Mrs. Alvin Byrd on Tuesday.

Mr. and Mrs. T. E. Stone, Cinnamon and Colby of Lubbock

visited with Mr. and Mrs. Tom Stone Sunday afternoon.

Mrs. Ethel Clawson, Mrs. Minnie Anderson and Mrs. Helen Oglesby visited with Mrs. Paul Byrd, who is in the Rolling Plains Hospital in Sweetwater, on Wednesday. Mrs. Byrd was being transferred to Shannon Hospital in San Angelo.

Mrs. Lynn Webb of Midland visited with her parents, Mr. and Mrs. L. M. Dawson on Thursday.

Mr. and Mrs. Wayne Pierce were in Temple at Scott and White Hospital on Friday where Mr. Pierce underwent tests.

Mr. and Mrs. Lewis Claxton of Colorado City visited with Mr. and Mrs. Marvin Claxton Sunday afternoon.

Mr. and Mrs. Mike Oglesby, Billy and Michelle are here with his mother, Mrs. D. A. Oglesby. They are from Bremerton, Washington, where he has spent 16 years in the Navy.

They plan to make their home here.

Mr. and Mrs. Buddy Splain Big Spring visited Saturday with his sister, Mrs. D. A. Oglesby.

Mr. and Mrs. Floyd Rice vacationed at Lake Proctor this weekend.

Mr. and Mrs. Sonny Hollis and Mr. and Mrs. Bill Sweek were in Abilene Saturday for the homecoming at Abilene Christian University.

Mrs. Kay Gregory was hostess to an Avon Christmas Show and open house Thursday afternoon in the Community Room from 3 to 6:30 p.m.

Tables were draped in red and green satin displaying items suitable for Christmas giving. Other decorations was a Christmas tree. There was Christmas music in the background.

Miss Gayle Rollins registered guests.

Punch and cookies were served from a lace covered table by Nell Rollins.

Other hostesses were Lois Hendrix and Linda Walls.

Former resident retires after 26 years with company

Richard Cook

Richard F. Cook, a native of Colorado City, has retired after 26 years with one of the world's largest natural gas transmission companies.

Cook was a vice president of El Paso Natural Gas Company, a subsidiary of Burlington Northern, Inc.

Cook was born in Colorado City. He moved to El Paso in 1949. There he attended Texas Western College, now the University of Texas at El Paso.

Upon graduation in 1958 with a degree in civil engineering, he joined El Paso Natural Gas

Company in El Paso in the Company's Engineering Department.

He transferred into the Southern Division in 1959. He held increasingly responsible positions, including technical services engineer and superintendent of technical operations, before becoming general superintendent of the division in 1980.

In 1983 he was transferred from El Paso to Midland, as superintendent of the Permian Division, and later that year was elected vice president.

Cook has been an active member of several industry organizations. Among his activities: chairman of the Southern Gas Association transmission technical training program, and sponsor of the Pacific Coast Gas Association Transmission Conference in 1981. In recognition of his outstanding work in the organization, the Southern Gas Association presented him with a special service award.

After spending the next several months in El Paso, Cook and his wife, the former Bertie Mailman, plan to live in Nova Scotia.

Typing class still open

There is still time to enroll in the typing class at the Wallace Center in Colorado City.

Classes will meet on Mondays 6:30-9:30 p.m. with Margaret Trulock as instructor. The fee is \$22 per person. Books are furnished.

The beginning course will cover multiple letter styles, carbons, corrections, use of office

correspondence, tables, with emphasis on "on-the-job" techniques. The intermediate course will include a continuation of Typing I and business simulations.

Students are to register at the Wallace Center office. For information call 728-2392, Community Education Office at the Wallace Center.

"Body wrap" way to quick weight loss is misleading

By JIM MATTOX
Attorney General
Many Texans are overweight and out of shape. Most people want to be trim, but dieting and exercise programs are often difficult to maintain. Many consumers turn to less vigorous, more comfortable ways to lose weight.
One well-advertised weight loss product is the "body wrap." Their typical ad will suggest the consumer can lose inches while relaxing. The consumer who buys a body wrap will get a plastic suit, and a material that has been soaked in a solution of some sort. The hopeful buyer wraps the material around their waist, puts on the suit and waits for the inches to melt away.
The Food and Drug Adminis-

tration in a recent publication entitled About Body Wraps, Pills and Other Magic Wands for Losing Weight warned "Most medical experts agree that such treatment (body wraps) will cause loss of inches and perhaps pounds due to profuse perspiration, but reductions are temporary. The fluid is soon replaced by drinking or eating. But rapid and excessive fluid loss is potentially dangerous because it can bring on severe dehydration and can upset the balance of important electrolytes in the body."
"Wraps have no effect on fat deposits and will not dissolve

fat, even temporarily. Fat is not broken down by perspiration. It is gotten rid of only when fewer calories are consumed than are needed to meet the body's energy requirements.
If you have tried a "body wrap" and feel that you were deceived or misled, contact my Consumer Protection Office in Austin, Dallas, El Paso, Houston, Lubbock, McAllen, and San Antonio. We also have many free consumer brochures, including How to Select a Health Spa. The Attorney General's Office is the people's law firm. We're here to help you.
