Bill Harbert Construction

Contractor selected for prison facility

Bill Harbert Construction of Birmingham, Alabama has been selected by the Texas Department of Criminal Justice to be the general contractor on the 1000-bed prison unit to be built just west of town.

Mitchell County economic development director Nancy Sullivan, who was in Houston for the awarding of bids, said the final figure was for a total of $22,499,000.

Billy Harbert told the Record Friday that "the firm is looking forward to working with the TDCJ and becoming a part of the Colorado City community".

He said the notice to proceed from the TDCJ has an early April date and that "they would definitely be hiring many local craftsmen for the project." He said all of the office personnel would probably be current Bill Harbert employees.

Bill Harbert Construction and related companies have 40 years experience in the construction industry, both internationally and domestically. Several key individuals that will be involved in the construction of the new prison facility here were also involved in the Preston Smith unit in Lamesa.

The Texas Employment Commission in Sweetwater is urging everyone who has not filled out an application with them to do so as soon as possible. The TEC will have an office here in Colorado City at a later date.

The firm, hoping to land one of four private prisons, failed to make the short list for those projects.

Technical Approach to Secure Confinement, Inc. of Midland had submitted bids for all 2,000 beds to be awarded - hoping to get at least one 500-bed unit. No sites were chosen by the TDCJ board but four contractors were selected and sites will be named at a later date.

The firms chosen include Wackenhunt, Concepts, Inc., Corrections Corporation of America (CCA) and U. S. Corrections. Sullivan said only one specific site was ruled out for any of these contractors and it was CCA's proposal for Snyder. The board cited "costs" as the main factor in that decision.

TDCJ OFFICIALS TALK ABOUT CAREERS: Assistant Warden of the Price Daniel Unit in Snyder, James Black (right) and TDCJ recruiter Ken Johnson spoke to about 135 people at the CHS auditorium Tuesday night. Construction on the 1000-bed unit here is right on schedule as Bill Harbert Construction was named as the general contractor on Friday.

Late filings will provide county residents choices

Late filings on Wednesday will provide county residents with several choices in the May 1 election as the school boards in Colorado City and Westbrook and the city councils in Loraine and Colorado City will have contested races.

Also, six have signed up for four posts on the Mitchell County Hospital board.

Augustin Alvarado and Tony Turner will vie for the seat on the Colorado ISD school board that is being given up by Dr. Billy Bruce Bridgford.

Bridgford served on the local school board for 14 years.

Incumbents Larry Blassingame and Jesse Munoz drew no opponents in the school board race. Both are in the midst of a special one-year term due to redistricting.

Westbrook will have four candidates for three positions as incumbents Clyde Gregory, Elton Carlisle and Walter Smith, Jr. all filed for a three-year term as did Scott Morton.

Loraine ISD has only two candidates for three positions. Incumbents Mike Gage and Mary Helen Gomez will have their names on the ballot come May 1 but incumbent Linton Ray Webb did not seek another term.

Rex Thackerson did not seek another term on the city council here and his position has drawn three candidates - Frank Biggers, J. Beason and Walter Staats.

Incumbents, mayor Jim Baum and councilmen Bob Reily and Sammy Contreras will not have any opponents for their posts in the election.

In Loraine, mayor Catarino Martinez drew an opponent on Wednesday as former mayor Roy Price also signed up to run.

Two posts are up on the Loraine City Council and four people have signed up. Incumbents Chrystene Hall and Bessie Vaughan are running for another term and they are challenged by Woodrow Hill and Ricky Bailey.

Fishing Tourney at State Park

The Texas Parks and Wildlife Department is sponsoring a free Kid's Fishing Tournament on Saturday, March 27 at the Colorado City State Park.

Game Warden Randy Bullard said there would be two divisions for the tournament to be held at the north fishing pier - one for ages 11 and under and another for ages 12 to 17. Entrants are asked to bring their own tackle if possible but some will be available for those who do not have any.

There will be two prizes given in each age bracket - one for the biggest fish and also one for the most fish caught.

Prizes of a rod and reel and tackle box are being donated by Corky's and Matlock's.

The tournament will be held from 2-4 p.m. and entry to the Park will be free to all entrants in the event.

For additional information, call Bullard at 728-2365.

Jail certified

After some five hours of inspection Thursday, the Mitchell County Jail received its certification from the Texas Jail Commission.

Sheriff Patrick Toombs said jail inspector Paul Scarbrough told him that the county was doing a good job in getting the jail certified since the facility is almost forty years old.

Last year the jail passed inspection but did not receive certification due to the lack of an exercise yard. One was added between the jail and the court house last year.

The certification is good for one year.

Civic Center	2,000.00	2,000.00	2,000.00
TOTAL			33,000.00

Motel-tax funds are distributed

In an hour-long called meeting Thursday evening, the Colorado City city council acted upon requests from various organizations for funds from the motel-tax fund and on a five to one vote, dispersed a record $33,000 to four different organizations.

The allocation for these funds were $26,000 in 1992-93.

Collections for this tax in 1990 was $26,891.98 and in 1991-$24,854.69. Last year, $24,697.81 was collected. It is expected that this figure could increase dramatically this year due to the construction of the prison.

The balance in the fund before Thursday night was $50,854.36 and the amount budgeted in the city's '92-93 budget was $26,500.

For 1993-94, the Colorado City Playhouse will receive $2,000, the Chamber of Commerce will receive $22,000 while The Heart of West Texas Museum was allotted $7,000. The Civic Center will receive $2,000.

The dissenting vote on the total to be dispersed came from councilman Brian Bassham who said "if these people have legitimate needs for the money now, I think we should use it all ... bring the total down to zero. If we have the money to meet everybody's request then I would just as soon use it all this year. No doubt these groups are all doing fine things for our community."

All the councilmen made suggestions towards what the organizations might receive and mayor Jim Baum said "I find it hard to spend it all just because we have it."

Baum, who represented the Mitchell Co. Historical Committee, withdrew that group's request for $3,500 saying "we can postpone the project for what this money was intended until next year." It had received $2,000 last year.

TDCJ explains jobs

Approximately 135 individuals attended a meeting Tuesday night sponsored by the Texas Department of Criminal Justice concerning careers with the agency.

Ken Johnson, Chief of Recruiting for the TDCJ, told the crowd there are three ways to apply for jobs with the TDCJ - through the Texas Employment Agency, directly with TDCJ personnel in Huntsville or with a college that conducts TDCJ correctional officer training. The closest, of course, being Western Texas College at Snyder.

Johnson said if one wanted to serve as a correctional officer at the Colorado City prison, the best plan would be to get in the system as soon as possible and then transfer here when the prison opens sometime in mid-1994.

Also speaking at the meeting was the new assistant warden of the Price Daniel Unit in Snyder, James Black. Black, who helped open the unit in Snyder, has been with the TDCJ some eight years.

Johnson, on a light note, told of a convenience store clerk in Abilene who told him "I would like to work at the prison (in Abilene) but I have heard it was too dangerous."

Johnson said he replied to the lady, "you work all night at a convenience store on Interstate-20 and you think *our* work is dangerous."

He also told of the benefits of teaching in the Windham School System within the prison walls.

"You don't have to worry about parents and you don't have to worry about your students bringing guns to class," he said.

He said some of the basic eligibility requirements for a correctional officer includes: be at least 18 and a citizen of the U.S.; high school diploma or a state-issued GED; no conviction for DWI within the last two years; no Class A misdemeanor conviction within the last 12 months or Class B within the last 6 months; be able to perform the essential functions of a correctional officer; meet weight standards; and pass a TDCJ pre-employment test.

For non-correctional employment opportunities, one must be at least 18 years old and a citizen of the U.S.; not be on active duty in the military and not be on probation for any criminal offense; no pending charges for any criminal offense or have an outstanding warrant and be able to perform the essential functions of the position applied for.

In addition to the above basic requirements, applicants must also possess the minimum qualifications for the particular position they apply for.

Approximately 325 positions will be available when the 1000-bed unit opens.

In other action, the council agreed on the use of Ruddick Park for a motorcycle rally on July 16-17, tabled requests from Shellye Beavers and J. Beason for animal permits and approved the ordinance changing the zoning for Lot 1, Blk 189, Original Town, from single family residence to apartment.

Councilman Rex Thackerson voted against the ordinance change.

The council also approved a bill from the engineering firm of Parkhill, Smith and Cooper for $17,342 for surveying during construction of the water line to the prison site.

The council also heard that the possible delay in running the lateral water line to the area around Browne Bros. has been avoided. The Texas Water Commission had threatened to put stringent restrictions in the area before a new water line could be put in the area due to its proximity to the old Col-Tex Refinery.

Livestock show results

Livestock show exhibitors from Mitchell County completed the show season with entries in the Houston and San Angelo livestock shows. 4-H and FFA members benefit from entering these shows by learning cooperation, discipline and competitiveness.

Many hours are spent feeding and grooming the animals so that they are fine-tuned on show day. Much time is spent studying the livestock industry in order to select animals that will be competitive in the show arena. Also, being introduced to young people from all over the state enables Mitchell County youth to discover Texas agricultural and broaden their horizons.

It is important that these young exhibitors experience agriculture in this form because they may be the farmers, ranchers, consultants and feed and seed salespersons of the future.

The following results are from Houston and San Angleo.

Flying safety seminar set

Dyess Safety Offices will host a Flying Safety Seminar on April 4, from 9 a.m.-11:30 a.m. The seminar will be held in conjunction with the base's Big Country Appreciation Day.

The seminar, targeted for civilian pilots in and around the Abilene area, will be held at the Dyess Community Activities Center, formerly known as the recreation center, located at 310 Avenue C.

Some of the topics to be discussed include fatigue and human factors, pilot judgement and mid-air collision avoidance. Special attention will be paid to Abilene airspace issues.

Civilians will not be allowed to fly in as they have done in the past due to possible arrival time conflicts with the Thunderbirds who will be performing that afternoon.

For further information contact the 96th Wing's safety office at (915) 696-2676, or the 463d Airlift Wing's safety office at 696-5145.

The Flying Safety Seminar, sanctioned by the Federal Aviation Administration, is sponsored by the Abilene Area Aviation Safety Committee and the flying safety offices of the 96th Wing and the 463d Airlift Wing.

An Urgent Message from the Commander-in-Chief

VETERANS OF FOREIGN WARS OF THE UNITED STATES

THE COMMANDER-IN-CHIEF

February 3, 1992

Dear Comrade,

Today, America's veterans are facing major challenges. During the next four years, many important issues must be resolved. We face a possible repeal of the ban against homosexuals serving in the military, major cutbacks in defense spending, large-scale active duty personnel cuts and threats to the VA health care system and cost-of-living allowances for military and civil service pensioners.

All of these issues will be addressed by an Administration and Congress with the least number of veterans in recent history.

For that reason, the voice of the Veterans of Foreign Wars must be heard loud and clear in the years ahead. The executive and legislative branches of government heed our voice only when it is backed by a large and growing membership.

I need your help to ensure the Veterans of Foreign continues to be a strong voice of reason for all veterans. Please do everything you can at this critical juncture to encourage new members to join and past VFW members to renew their membership.

America's 27 million veterans and their families, as well as the armed forces, are counting on you and me. We cannot let them down.

All military personnel who were involved inthe recent Persian Gulf War are eligible for VFW membership. Wilson Wyatt VFW Post has already paid first year dues for a number of these veterans. A list of those names will follow. To these all they have to do to remain continuous members is pay their 1993 dues. To any and all other veterans, we urge you to join your local VFW chapter or post. We must remain strong to retain our rights to medical benefits and other benefits that we earned as veterans. The cost of membership includes free accidental insurance.

JOIN NOW! WE NEED YOU! YOU HAVE EARNED THE RIGHT!

The following are already members of VFW Post 9178. All they need to do to remain members is to pay their 1993 dues, which are $15 per year.

For information or help, please call Post 9178 at 728-2110.

Ranger TV schedule set

On Saturday, March 27, Fox KJTV34 will begin the Texas Ranger television season by airing the Ranger vs. Chicago game at Noon. This game will kick-off a season of Ranger games to be aired on Fox KJTV34.

According to Brad Moran, general manager at KJTV34, the station is airing more Ranger games than ever before. "We sense a real excitement in the area about the Texas Rangers and have made an attempt to satisfy Ranger fans by airing more Ranger games than ever on Fox34" he said.

Some of the excitement about the upcoming season is due to the fact that veteran Ranger pitcher, Nolan Ryan will make this season his last. The 46-year-old veteran will retire with many National League and Major League records under his belt. Some of these records include most all-time strickouts and most no-hit games in the major league.

In addition, the Rangers have made several off-season acquisitions which should add a depth and maturity to the team. New to the team for '93 will be Tom Henke, one of the game's premiere short-relievers who led the Toronto Blue Jays to a World Series Championship last season. Manuel Lee, Charlie Leibrandt, Bob Patterson and Doug Dascnenzo will also add to the Ranger line-up this year.

GREEN THUMB WORKERS AT WALLACE CENTER: Older Worker Week was celebrated last week and these workers are in the Green Thumb program at the Wallace Center. Shown are (left to right) Tomas Aguilar, Canuto Arellano and Margaret Holbert.

SUE SIMS DONATES CHECK: Sue Sims, (Center) President of the Senate Ladies Club, presented a check for $8,000 to Mrs. Bob Bullock (left) at the Senate Ladies Luncheon on February 24th. During the presentation, Mrs. Sims said the donation would be used by the Preservation Board for antique furniture. She went on to say, "The Senate Ladies Club is delighted to be able to make this contribution to help in preserving the history of this great state." Mrs. Bullock and Dealey Herndon, Executive Director of the State Preservation Board, will be traveling the state in hopes of raising money for the Capitol Restoration Project. Also shown is Mrs. Emma Barrientos, treasurer of the Senate Ladies Club.

Green Thumb Proclamation

As the year 2000 quickly approaches, Texas must conserve and nurture our natural resources in order to met the economic and social challenges which lie ahead. Among our most valuable resources are the skills, talents, and abilities of our senior Texans.

Older Texans want to be active partners in the labors of tomorrow and we must provide them with the opportunity to share their years of experience, hard work, and dedication. We must invest in their resourcefulness, their talents, and recognize their contributions.

Since 1965, the Senior Community Service Employment Program, through organizations such as Texas Farmers Union Green Thumb, has provided senior Texans with training and employment opportunities to showcase their strengths, their wisdom, and their productivity.

THEREFORE, I Ray Mayo, Judge of Mitchell County DO HEREBY PROCLAIM THE WEEK OF MARCH 14-20, 1993, AS OLDER WORKER WEEK IN MITCHELL COUNTY.

I urge all Employers, both public and private, to Invest in Experience--Hire an Older Texan!

Texas Farmers Union, sponsor of the Senior Community Service Employment Program, Green Thumb, Inc., and its President, Joe Rankin, encourages local communities to celebrate Older Worker Week, March 14 through 20. "Employers who look to the future and focus on maintaining a competitive edge are discovering the value of experienced workers," according to Mr. Rankin. "Let us recognize and highlight the contributions of our senior workforce as we strengthen our commitment to investing in their talents and resourcefulness," he added.

Operating primarily in the rural areas of 132 Texas counties, the Green Thumb program provides over 1,000 older workers the opportunity of sharing their years of experience, hard work, and dedication through community service training and employment projects. Funded through the Department of Labor, Green Thumb emphasizes the transition of its senior workforce back into private sector employment.

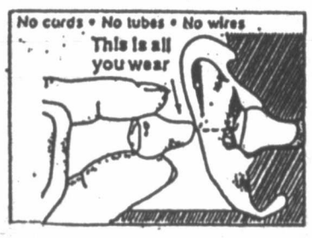

According to Green Thumb State Director, Diane Cowan, "Green Thumb's Experience Works! Training program matches employer needs with participant skills, abilities, and interest. At no cost to the employer, Green Thumb provides recruitment, screening, and referral of qualified applicants. We tailor the training to the job and share in the training costs."

"Not only during Older Worker Week but every other week, employers should utilize the skills and abilities of our senior jobseekers; hiring experience, dependability, reliability, and dedication is just good business," concludes Mr. Rankin.

In Mitchell County the following individuals and agencies participate in the Green Thumb Program: Tomas Aguilar, Canuto Arellano, and Margaret Holbert at Wallace Center, Pearl Lindsey at Mitchell County Library, Rafael Rios at Colorado ISD, Pablo Matos at Lake Colorado City State Park, Lula Leach at Heart of West Texas, Inc., Valentina Martinez at Loraine Senior Citizens Center, Abram Aguilar at Loraine ISD, and Lestor Starling at the City of Loraine. These agencies offer necessary services to the local community with the assistance of these enrollees. By using their talents, skills, and abilities these individuals find fulfillment from their community service work experience by helping others live better lives. Changing negative stereotypes about aging and older people, they demonstrate the value of seniors as full participants in our nation's workforce.
