Development Leader
Speaks To Noon Lions

Billy Taylor of the Department of Community Affairs, first co-ordinator for rural development from the governor's office, was guest speaker Tuesday at the luncheon meeting of Olton Lions Club.

"The burden is on the community," Taylor said. Improvement of and help for the small rural town is attainable he said, "if you want it."

Mini Bus Provides Travel For Sr. Citizens

"Mini Bus Travel" for senior citizens began in the community Thursday, Feb. 13 and will continue on a weekly basis.

Travel via the bus may be had for visiting the physician, the bank, stores, shut-in friends and other needs important to riders, invited.

This offer of transportation is extended to all senior citizens, 55 years of age or older, without regard to race, color, creed, sex or national origin.

The Mini Bus is made possible by Farmers Union and drivers are drawn from members of the Green Thumb organization.

Sponsoring organizations are the Lamb County Senior Citizen Committee and Lamb County Community Action Board.

Reservations may be made by calling the U.S. Post Office telephone, 285-2218. Postmaster Bub Holt has consented to assist in this telephone answering service.

Eye Screening Workshop Set

Interested persons are needed to attend a two-day training workshop in Amherst to qualify as members of eye screening teams.

In connection with Texas Society for the Prevention of Blindness, Incorporated, the workshop is under the sponsorship of the South Plains PTA Council which encompasses Lamb, Bailey and a portion of Hockley County. Five towns, in addition to Olton, are participating in the continuing project.

Three persons are needed per team and a minimum of three teams is being sought. Any interested person is urged to take advantage of the workshop training. Mrs. Travis Smith of Abilene will be the instructor.

The screening test is designed for early detection of amblyopia, a disease commonly referred to as conduct screening tests. Persons wishing additional information may contact Mrs. Floyd Prentice.

Upon the completion of training, screening tests will be set up. Parents of children who show signs of eye defects will be notified so that proper and prompt attention can be obtained.

Qualified trainees will also be able to train others to "lazy eye."

Some childhood eye defects lead to permanent loss

Junior Livestock Show Topples Sales Record

Sales records toppled last weekend as local youngsters exhibited livestock projects in the 30th annual FFA, FFA and 4-H Stock Show and winning animals brought a magnificent \$25,166.90. Non-placing animals brought an additional \$1,357.40 for a grand total of \$26,524.30. Previous high

totals were set last year with totals hitting \$26,353.01.

Grand champion steer of the show, an 1159 pound exotic cross, was exhibited by Jimmy Mandrell. High Plains Grain purchased the champion animal for 78 cents per pound.

Olton State Bank paid 57

cents for Sharissa Hamby's reserve champion Charolais Cross which tipped the scales at 1101 pounds.

Miss Hamby showed the champion swine, a 222 pound Duroc barrow, which was sold to Dick Watson for \$1.02 per pound.

Kregg Hukill's crossbred gilt was named reserve

grand champion pig and was sold for a total \$235 rather than by the pound and will be used for breeding purposes. Purchaser was John Paul Jones.

A Hampshire lamb exhibited by Scott Pinkerton was purchased by Feed Barn. The 107 pound animal brought \$1.95 per pound.

Brent Hamby received \$1.25 per pound for his Suffolk reserve champion lamb. Lamb County Electric was the buyer.

Homer Hill of Hart was re-sale buyer of steers, paying \$37.10 per hundred weight.

Re-sale price of swine was \$40.50 by High Plains Hog Market.

Nafzger and Sons were

re-sale buyers of the lambs, paying \$38.25.

The 1975 FFA, FFA and 4-H Show was dedicated to the memory of Garland Ruthart. Board of Directors president, Dewey Hukill, presented a plaque to Ruthart's widow, Rachel.

Showmanship awards were presented to Tony Villanueva, steers; Scott Pinkerton, lambs; and Sammy Coleman, swine.

Winning clean pen awards were Mark McFadden, cattle; Nicky Smith, swine; and David Pinkerton, lambs. Sharissa Hamby was presented the Outstanding Exhibitor trophy.

Complete results of the show are listed in this issue.

OHS Fillies Capture Basketball District Crown

Olton Fillies garnered their second district crown in as many years, and second in the school's history, Thursday night with a decisive win, 63-44, over the Friona Squaws, at West Texas State Fieldhouse in Canyon.

Bi-district play will begin Monday, Feb. 17, at 7:30 p.m. in Hutcherson Center on the campus of Wayland Baptist College, Plainview, when the Fillies will meet Abernathy, District 4-AA winner.

Led offensively by Susie Culwell with 27 points and Donna Hodges, 25 points, the Fillies outdistanced all but Terri Patterson, of Friona, who also had 27 points.

Defensively, guards Me-

lanie Cowart, Laurie Gallagher and Kim Barnett turned in outstanding performances, according to Coach Buddy Ables.

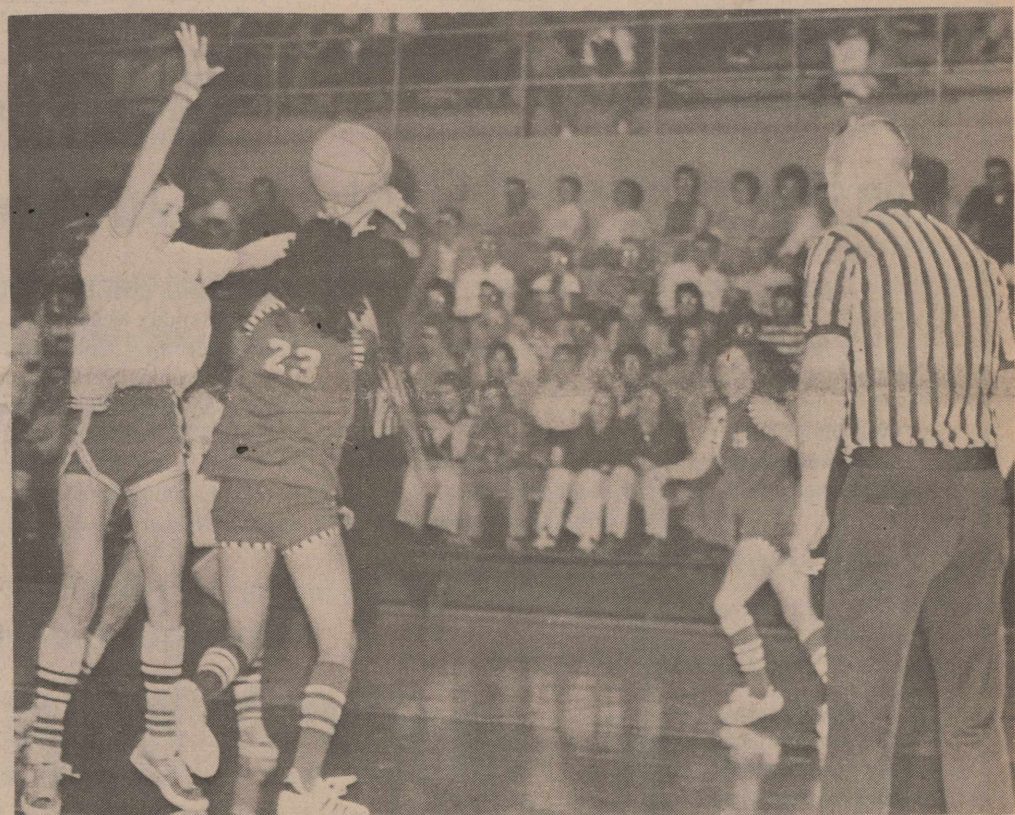

The Fillies hit 21 of 37 field-goal tries for an impressive 56.8 percent, but topped that shooting with a 19 of 22 effort from the free throw line for a 86.4 percent.

"In the second quarter we hit seven of eight shots, and we started getting to the free throw line," Coach Ables stated. "We do shoot free throws pretty well, although we shot better in this game than we have. We've been hitting about 77 percent."

"This was the best game of the four we have played Friona, especially in the way

we shot," he said.

The win provided Ables' third district win in 10 years of coaching.

DONNA HODGES guards off an effort by a Friona Squaw as the Fillies played an outstanding game in playoffs at Canyon Thursday night. The Fillies will meet Abernathy Monday night at 7:30 P.M. in Hutcherson Center at Wayland in Plainview.

Election Called; Tax Rate Changed

In a regularly scheduled meeting of the City Council Tuesday night, the mayor was authorized to call an election for the purpose of electing two city councilmen and a mayor.

Date of election was called for April 5. Terms of Mayor Parley Myers and councilmen Raymond Powers and K.Y. Givens expire.

Election judge will be Lily May Silcott and alternate judge will be Sue Cannon.

Last day for filing for one of the posts is March 5. Absentee voting will begin March 17 and continue through April 1.

In reviewing tax collections, Berniece Smith, City Secretary stated that 81 percent of the taxes for 1974 were collected at this time, in comparison to 88 percent normally at this time.

She told the council that the city auditor recommended that a re-evaluation of city properties be made and effective with the 1975 year, the tax rate was set at \$1.40 with ratio of 45

percent, in comparison of the old rate of \$1.50 with ratio of 35 percent. This tax increase would net the city about \$10,000 more per year.

Discussing the dog problem the city agreed to pay \$3 for each dog picked up and brought to the pound. After three days in the pound, if it is not claimed, it will be destroyed. If dogs are claimed, a \$5 charge will be made.

Cattlemen To Meet

A meeting to introduce and explain the purpose and benefits of the Independent Cattlemen's Association will be held Tuesday, Feb. 25, at 8 p.m. in Olton's new FFA Building, 402 2nd Street, according to James Blackwell, Littlefield.

All persons interested in livestock promotion or production are urged to be present. Marvin Sartain, Agricultural Economist of Texas Experiment Station, Lubbock, will be guest speaker.

Independent Cattlemen's Association of Texas, Inc., was organized in Goliad some six months ago and has now a membership of nearly 185,000 according to Blackwell. He stated that 70% of the counties in the state are organized and the rest of the counties are being sought.

Lamb County association was organized recently in Littlefield with Blackwell as chairman; Ronnie Smith,

Bookmobile Slates Stops

The High Plains Bookmobile will stop in Springlake, Thursday, Feb. 20, according to an announcement made by Lorene Sooter, Bookmobile librarian.

Stop Number One, at the Springlake Post Office, will be from 11 to 11:45 a.m. The traveling library will be at Stop Number Two, the Springlake-Earth schools, from 12 to 1 p.m.

Request Denied By Board; Election Of Trustees Slated

Two men representing Olton Boxing Association met with the board of trustees Monday night with a request to use the Junior High gymnasium for a boxing tournament sometime this month or in March.

The request had been made earlier to Superintendent Joe Turner, who had brought it up before the board in December, at which time the board agreed it would not be permitted.

Dick Watson and Wayne Phares, on behalf of about 30 Olton boys who are involved in the boxing program being conducted by the men, asked that the board explain why the gym could not be used, stating that they had not understood the reasoning behind the denial of their request.

The school board president Royce Collins stated that although it was a decision which, according to school policy, was actually left up to the administration, that Supt. Turner had sought the advice of the board and the board had agreed with Turner that it would be damaging to the floor of the gym.

Watson and Phares agreed to refinish the floors and pay any damages that

might occur. However, they were told that dressing rooms would have to be emptied of students possessions in order for the boxers to come in and use them and this would be too much of an inconvenience, along with the possibility of losing articles.

According to school policy, it is illegal to use school property to stage any kind of performance and charge admission for profit to any organization except those connected with the school or non-profit organizations.

Therefore, the board stood by its earlier decision in its support of Supt. Turner's decision to turn down the boxers' request.

The next order of business was the opening of bids on three school buses. High bid for bus number one went to Main Street Church of Christ, Olton; high bid on bus number two and three went to Southwest Amarillo Church of Christ. The three buses sold for \$6676.50. Supt. Turner told the board that a new bus today would cost about \$10,000.

An election was called by the board for the purpose of naming three men to the board. Terms of Uil Gunter, Elmo Bryant and Royce Collins all expire. Date of the election was set for April

5. Last day to file for a past will be March 5. Absentee voting will begin March 17 and continue until April 1. Absentee Clerk will be Doris Watt, with Edna Price serving as Deputy Clerk.

Election Judge will be Fred Hicks, assisted by Glen Exter.

In reports from the superintendent, attendance was off a little, the lunchroom was still operating "in the black" and school land sales of property belonging to Hale County had netted Olton a total of \$5,815.84 for the 133 students who come out of Hale County to Olton Schools.

The board was informed of a problem in Junior High with a hot water heater and storage unit. Bids will be taken on such a unit.

In final action, the board approved a request by Ollie Ross, bus superintendent and mechanic, to use his own equipment and fix bus flats rather than take them to the station to be repaired. Ross said he would fix the flats for \$4.50 and the stations charge \$7.00. Request was unanimously approved.

Travel pay for Superintendent Turner was raised from 12 cents a mile up to 16 cents per mile, state based rate.

Everything But The Kitchen Sink

By Mozelle Trotter

Took us a while to do it but after many years the Methodists got around the saying "thank you" to our Sunday School teachers, church leaders, musicians and song leaders. That's the crew of "unpaid servants."

We appreciate them and, of course, they're supposed to know that without us having to say so! After all, if we weren't satisfied with the fine jobs they do, we'd speak right up with a "why, don't you let me do that for a while?"

Wow! What a shock that'd be! After all, it's the

person who "has time" who's supposed to do all that - isn't it?

Special tribute was given to two of our teachers and deservedly so!

Bettie B. Daniel taught for quite a few years a class that was organized for "young marrieds." Members of that class honored her with a plaque and a name change for the class. It is now officially called the Bettie B. Daniel Class.

And that Willie Gene Green! He comes home from the Navy after World War II and in a very short time becomes the chaperon-leader-advisor-supporter-guide and friend of the young people." He's been somewhere on the scene ever since!

There has not been many Sundays he could sit as a student in class either. Nope, he's been given a "leave" from one class only to be grabbed by another and each time he's willingly agreed.

There've been a lot of other folks who've served faithfully through the years and one can't begin to count them all.

It was a marvelous evening we had, holding our "Teacher Appreciation Banquet." I think we'd better do it again next year!

Letters From Our Readers

New Morality

Needless to say, we are all aware of the new morality, the trend toward sexual and moral liberation. How can we be unaware of it? One has only to pick up a newspaper, tune in to a favorite radio program, catch the latest movie, or purchase the newest best seller.

Everywhere we turn we are blasted by obscenity, nudity, and profanity that many of us probably do not care to see, hear or read.

Now this "new morality" is invading the most common medium of entertainment for the American family - the television. In a few days time, three programs were shown which were designated unsuitable for children due to subject matter.

How many programs can we watch now that do not contain cursing, suggestive conversation, half dressed women, and all the details of every man and his cousin's love affairs?

Many commercials are not far behind in their distasteful advertising techniques. Gentlemen supposedly prefer Hanes, but they do not seem to be taking much notice of the fine weave of the pantyhose. One woman wants to show us her fabulous bra, (which she is wearing) but fortunately refrains. A man asks what could be better on a night like this than his beer as a voluptuous female strolls past him.

Perhaps these commercials and programs are not offensive to some, but they are to the women whose four and five year old children play a game called 'going into labor' complete with convulsions and sound effects. They are to the family who settles down for an evening of TV viewing, but has to send the children out of the room because the programs are not fit for them to watch.

Advocates of this form of entertainment may argue that we don't have to watch it.

But why should we be denied the right to watch decent programs simply because they prefer the more violent and suggestive ones? If it is violence and obscenity they want, there are MANY other outlets from which they can choose, whereas decent TV programs are few and far between.

Perhaps these programs aren't excessively bad, but where will it stop? How long will it be before dirty movies are shown in their entirety, before the Lord's name is used as casually as saying good morning, before even Walt Disney is cancelled because the dirty show on the other channel supposedly gets higher ratings?

You and I are the only ones who can stop this revolting upsurge of unsuitable programming. Write the local television stations, the networks, or companies sponsoring the offensive commercial. Send in petitions signed by members of your family, church, organization, or club. Send individual letters, a post card - do anything to combat this.

If we do not we will be the ones to suffer! Our children must grow up to the harshness and cruel realities of this world soon enough. Why must they be confronted with it day after day in their own homes?

Our community is a small one, but we have eleven churches in our midst. Surely with such a Christian influence we can take the first of many small steps in restoring morality to our everyday lives.

Please take action now, while we still have a fighting chance. A little bit of time and the cost of a postage stamp are a small price to pay compared to what we will pay for total moral decay. I urge you to write today.

MRS. ALVA KERSH

Cook Of The Week

Plants respond well to the "green thumb" of our Cook of the Week, Mrs. Alva Kersh. A bedroom window to the south provides a perfect place for thriving coleus, Joseph's Coat, a Christmas cactus, Angel Wing begonia and other plants. Still other plants, including an abundant and beautiful Beefsteak begonia and ivies, brighten her utility porch. Thelma also has a collection of cacti and likes to shop garage sales for odd cups, bowls and other containers to use for cactus pots.

Thelma's favorite pastimes, however, are sewing and handwork. She is presently working on a quilt of dacron pieces which is finished as it's pieced together. She has a crocheted afghan begun and almost always has a textile painting "in the making." Her current item is a tablecloth.

Cooking is not a chore but a pleasure and Thelma shares two recipes for tasty eating plus a recipe for a soothing, softening hand cream.

Thelma grew up east of Olton near Halfway and attended Sunshine grammar school. She went to Plainview High School two years and finished high school at Olton.

The Kershes who will celebrate their fortieth wedding anniversary this spring, have lived 38 years "on the same spot" west of town.

They are parents of seven children, all grown and married; Leroyce, Bonnie,

Joyce, twins Calvin and Melvin, David and Ladelle. They have 17 grandchildren.

Thelma is president of Olton Home Demonstration Club, an organization which she enjoys very much. The Kershes are members of First Baptist Church.

Tex Watson talks about Natural Gas for the Future

I'm pleased to report to our customers that Pioneer purchased more gas during 1974 than we used. This new gas will be available for future use, of course.

As you know, Pioneer is having to pay more for new gas than we've ever paid before. The competition for the gas produced in our area has never been so fierce. But the higher prices are resulting in lots of new exploration and production. I know of numerous wells which could not have been drilled at prices prevailing three years ago.

The increase in field prices means that our customers will have to pay more for the energy they use in their homes — gas and electricity — but, more important, it means he'll have the gas he needs.

All energy will cost more in the future but gas will remain your best energy buy.

PIONEER NATURAL GAS COMPANY

A ding-a-ling orders Gas air conditioning now.

A telephone call to Pioneer Natural Gas brings an air conditioning specialist to your home for a free survey and cost estimate at no obligation to you. He'll answer all your questions, and tell you what it will take to install GAS air conditioning in your home. It's the first easy step toward having your dependable GAS air conditioning installed before the first hot, windy days are here.

A GAS air conditioning system is ruggedly built to cool quietly and efficiently. There are fewer moving parts, and no compressor to break down or wear out. Heat from the steady blue flame circulates a refrigerant through the system to cool the air. It's this simple principle that gives GAS air conditioning its long life with no loss of cooling capacity and easy maintenance.

Install GAS air conditioning now. You'll avoid the rush, and be enjoying the quiet, cooling comfort of GAS air conditioning while everyone else is waiting. Give us a ring... a-ling.

Call Us.

Girl Scout Cookie Sale Set To Begin Feb. 21

Girl Scouts of the Caprock Council will begin their annual cookie sale, Friday Feb. 21 and sell until March 8, Mrs. Felix Jones, Idalou, Council Cookie Chairman has announced.

Cookies will be on sale in the 18-County Council at \$1.25 per box. Nearly 6,000 girls will be selling one cracker and five kinds of cookies offered this year. Varieties are Sesame Crisp Cracker, Mint, Lemon Creme, Oxford Creme, Scot-Tea, and Savannah. Profits from the sale are divided between the troops and the Council with council profits going for maintenance and improvements of Camp Rio Blanco and camping activities.

Camp Rio Blanco, the camp for the entire council, is just northeast of Crosbyton. Summer sessions will begin in June and each session will be based on the Girl Scout Program in the out-of-doors. Camp activi-

ties include crafts, hikes, swimming, songs, campfires, cook-outs, nature study, star gazing, archery, and drama. Five sessions are scheduled for girls of various age groups. In addition, troops with their leaders can camp at Rio Blanco the year round.

Girls selling cookies will wear their Girl Scout uniforms or pins. A two-week campership for Camp Rio Blanco will be awarded to Girl Scouts who sell 180 boxes of cookies, or more.

All Citizens Encouraged To Make 'Visit' Plans

Olton school officials encourage all parents and concerned citizens to observe Texas Public Schools Week from March 3-7 by visiting neighborhood schools and becoming acquainted with our local educational system and its needs and problems.

School officials and teachers feel that a public

awareness of the workings of the local school system and an understanding of the problems posed by inflation, and new school legislation is vital to the maintenance and improvement of education quality.

Public schools at all levels—elementary through high school will be open for visitation during the week. Special student presentations, displays of art and other projects are planned. Some schools will send special invitations home with students as personal reminders to parents.

School officials extend an open invitation to the public to visit schools at any time during the year, but urge everyone to observe Texas Public Schools Week, March 3-7.

Appreciation Dinner Honors Workers

Methodists honored their church school teachers and department leaders Wednesday night with a Teacher Appreciation Banquet in fellowship hall of the church. Special speaker for the affair was Dr. Sam Nader of the First United Methodist Church in Lubbock.

Invocation was by the Rev. Elmer Crabtree, retired minister. Musical entertainment was provided by Carol Helms and Becky McAlister, students at Wayland Baptist College.

Department leaders recognized were Mrs. Wendell Scribner, children; Mrs. Ray Kinnison, youth and Don Spain, adult. Also given tribute were Mrs. H.R. Curtis, Sunday School secretary; Paul Walden, Sunday School superintendent; Mrs. Delmer Givens, organist; Mrs. Ken Burgess, pianist; Mmes. Inez Yates and Dale Cary, assistant musicians; and Mrs. Owen Norfleet, choir director.

Teachers were cited for their dedication and willingness to give of themselves. Special recognition was given to two persons.

Garland DePrang, a member of the Beacon Class when it was organized almost 20 years ago, paid tribute to the class' first teacher, Mrs. Raiford Daniel.

Expressing personal recognition to the class' first teacher, Mrs. Raiford Daniel.

Visiting Sunday with Mrs. Era Mae Walthall were her daughter and family, Mr. and Mrs. Jack Coleman and M'Lee, and the Coleman's other daughter and her baby, Lisa Bean and J.J.

LEAVES HOSPITAL
Mrs. I.D. Grimsley was dismissed Wednesday of last week from Central Plains Hospital, Plainview, where she stayed two weeks because of injuries to her knees. Mrs. Grimsley is now staying with her daughter and family, Mr. and Mrs. Jack Gullett and Jennie.

gards and mutual gratitude of the class, DePrang presented Mrs. Daniel with an plaque engraved with words of appreciation and the announcement that "from hence forward, this class shall be known as the Bettie B. Daniel Class."

Willie Gene Green was cited for years work with Sunday School classes and with youth groups. Mrs. Scribner expressed appreciation of a "former youth" with Kim Kinnison, representing today's youth, reading "I'm Glad I Touched Shoulders With You."

Dr. Nader spoke on the theme, "Listen, Listen, Listen, Listen To Love." Failure to listen, he said, is one of the greatest problems of today.

Lack of understanding between parents and children, husband and wife, is primarily the result of not listening, he declared.

"Jesus was never too tired or too busy to listen," he said.

VISIT PARENTS

Mr. and Mrs. Barry Cowart of Bryan were here last weekend with their parents, Mr. and Mrs. James Cowart and Mr. and Mrs. Don Spain.

TO OKLAHOMA

Mr. and Mrs. Melvin Rape were in Davis, Okla. Tuesday until Saturday with her father, Oscar Brown who had surgery. With Mr. and Mrs. Rape were their daughter and family, Mr. and Mrs. Grady Durham and Sheila.

Accompanying the Raymon Carsons were their son and family, Mr. and Mrs. Billy Carson and Rachel.

HONORED BY FELLOW MEMBERS -- Willie Gene Green and Mrs. Raiford Daniel were given special tribute Wednesday evening at a Teachers Appreciation Banquet at First United Methodist Church. Green was cited for many years spent working with youth groups and also for serving as Sunday School teacher. Mrs. Daniel was the first teacher of a young married couples' class organized almost 20 years ago. She continued as teacher of the class many years. The class has been renamed, "Bettie B. Daniel Sunday School Class."

Logan Cummings Serves As Guest U.S. Chaplain

The Rev. Dr. Logan Cummings, pastor of First Baptist Church, Brownwood, was guest chaplain recently at the opening of United States Senate, according to Chris Aldrete, executive assistant for Senator Loyd Bentson.

As guest of Sen. Bentson and of the Senate Chaplain, Dr. Edward L.R. Elson, he was introduced by acting president pro tem Sen. Lee Metcalf of Montana.

Dr. Cummings also spent three days as Speaker at the U.S. Naval Academy in Annapolis.

He also visited the schools and campus and spoke at St. John's University in Annapolis. St. John's is a private school dating back to 1690. Its curriculum consists of the 100 great books. Graduates, who can speak on almost any subject intelligently, are very much in demand.

Former resident of Olton, Dr. Cummings is the son of Mr. and Mrs. Frank Cummings of Littlefield. Having attended Texas Tech University four years on a basketball scholarship, he also attended Southwestern Seminary four years. He is married and the father of three sons.

Gene Trotter Re-Appointed

Gene Trotter has been re-appointed West Texas State Commissioner for the 16-18 division of the International Babe Ruth Baseball program, which has its headquarters in Trenton, N.J.

Trotter has been affiliated as a volunteer with Babe Ruth Baseball since its beginning in Olton ten years ago. He served as district director of 13-15 Babe Ruth prior to being named to his present post.

In announcing the re-appointment of Trotter to the one-year term, Babe Ruth Baseball Development Director Ronald Tellefsen praised his work and dedication over the past years of association with the world's largest regulation teenage baseball program, which is now in its 25th season.

"The State of West Texas has shown growth in the 16-18 division of Babe Ruth Baseball under Trotter," Tellefsen noted, "and we are confident it will continue on the upswing. We are most fortunate to have a person of Trotter's capabilities as State Commissioner."

Kennel Club Seeks Members

Hart-Dimmitt Kennel Club is seeking new members from the Olton area. Any interested family or person is invited to attend the club's next meeting, March 6 at 7:30 p.m. in the Jeffrey Earl home in Dimmitt.

The club meets each first Thursday and works closely with 4-H members. It is not required for members to own registered dogs; just an interest in dogs and a willingness to work with 4-H youngsters.

Local School Initiates Career Education Program

A Career Education program has been initiated in Olton Public Schools, according to Carl McClure, and those directing the program are calling upon local citizens for necessary assistance.

The program is designed to help students become aware of the many occupations to be found within our community.

Teachers working with the program are enthusiastic about the interest shown by students as they visit business houses, or interview individuals to learn

hobbies or trades that may one day be available to them.

Persons who are willing to devote a small amount of time of students, explaining something about business or occupation, are asked to fill in the accompanying questionnaire and mail or bring it to Olton Junior High School, principal's office.

Directors of the program will furnish guidelines to anyone willing to allow such an interview. This will aid the volunteer in his presentation to some student who may be interested

in this area of work.

McClure points out that this can be any concerned citizen's contribution to a grass roots effort to renew the dignity and importance of work in our troubled nation.

IN MEMPHIS

Visiting Saturday and Sunday with Mr. and Mrs. Harold Bibby of Memphis were her son-in-law and daughter, Mr. and Mrs. Lonnie Venable accompanied by Mrs. Bibby's grandson, Bobby Saxon.

IN HEREFORD

Mr. and Mrs. G.A. Bodkin stayed Tuesday night in Hereford with their son and family, Mr. and Mrs. Leroy Bodkin and Jimmy. Tuesday evening the Oltonites visited their granddaughter and family, Mr. and Mrs. Jimmy Yeager, Jody and Jeff.

"I'D LIKE A WORD WITH YOUR COMPUTER."

OVERNIGHT GUESTS

Mr. and Mrs. Clifton Adams were Saturday overnight guests of her mother, Mrs. J.C. Matlock of Springlake.

SATURDAY CALLERS

Mr. and Mrs. Herman Howard were Saturday evening callers of Mr. and Mrs. John Young and family, residents of Lubbock.

TEXAS TALK

By Billy Davis

Q: What are some of the characteristics of a good breeding bull not necessarily required for good beef cattle?

A: Most notable characteristics for breeding bulls not necessary in beef cattle include; a masculine appearance, breed markings, constitution and a good weight-to-age ratio.

CONSTITUTION - Usually described as the positive tendency of an animal to perform well and survive during advanced age. Physical characteristics indicative of a good constitution are full development of the forequarters, wide-open and broad nostrils, a strong straight back and good body width and depth.

MASCULINITY - Evidenced by the appearance of the bull. General features to look for are a full neck, strong horns (when this is a breed characteristic), full forehead with good development of chest and shoulders.

BILLY TAYLOR & DENNIS NORMAN

Rural

continued from page 1

Showing a slide presentation of his agency's work, Taylor stated that small rural schools have been known as "the backwaters of the educational stream," but added that more rural post graduates complete their course of study than do those of urban schools in comparison of the number beginning such study.

"Rural and urban schools share a mutual problem," he said, explaining rural schools have too few students to receive full benefits while urban schools have too many students for them to obtain the help needed individually.

The film study cited "eight areas of concern;" human resource development, economic development, local government, conservation of natural resources, housing, health care, transportation and education.

Funds are available, Taylor said, for housing and are not limited to the low income level. "If you don't take advantage of the money available, someone else will and get it, and it will be your fault."

Twenty-five percent of the housing in rural towns is

of vision if not detected before the age of six years, doctors say. Screening tests will be given at no cost and teams will conduct tests in surrounding towns.

The program's only connection with the Parent-Teacher Association is that organization's sponsorship. The PTA Council will provide screening packets for team trainees.

Lions are purchasing the only required equipment - a light meter.

Dalton was approved for another 30 day period.

Council discussed the seal cost for 30 blocks of city streets and were told by city Engineer Bill McMorries that it would cost approximately \$14,000. He recommended a double coat for Ave. G. and Ave. A.

McMorries, also instructed to look into the necessary repairs for the water tower told the council that the tower should be painted and welded where it was rusted. He said that the cost of repairs, if all were needed, would run about \$6000. Although it is recommended that water towers have this type of repair every five years, it has been nine years since Olton's water tower has been repaired and painted.

In final action, the council requested that Joe Hall, councilman, seek to determine the cause for water standing in front of the Assembly of God Church, then report back to the council his findings.

FISHING TRIP
Mr. and Mrs. Russell Rucker and Mr. and Mrs. Paul Wright returned recently from Falcon Lake where they stayed three weeks.

FROM NAZARETH

Sunday dinner guests of Mr. and Mrs. James Gallagher were her mother, Mrs. Philip Acker of Nazareth, and Mrs. Gallagher's brother-in-law and sister, Mr. and Mrs. Harry Kleman, also of Nazareth.

FROM HART

in need or extensive repairs or replacement, according to the film information.

Also meeting with the Lions was Dennis Norman of Plainview, district executive of the Haynes District of Boy Scouting.

Norman asked the Lions continued help in underwriting the scouting program by conducting a sustaining membership drive.

Last year, Norman noted, Olton Lions collected \$1,190.50 in the Boy Scout Fund Drive. He cited how the monies are spent and explained that 52 percent of the Boy Scouts budget comes from United Fund campaigns in cities with small towns and communities making up the remaining portion.

Lions voted to conduct the 1975 fund campaign.

co-chairman; Doug Walden, secretary and David Jones, treasurer.

Directors will be elected from all areas of the county. An Olton director is scheduled to be elected at the Feb. 25 meeting.

Information published about the organization states "Cattlemen need representation now!" The motto proclaims "In numbers we have power."

The association is designed to help promote and protect the livestock producer; promote research and better education.

Some of the major goals of the group are to influence state and federal policy makers by providing accurate information and recommendations; work for the protection of agriculture, control of imports and promotion of exports; oppose federal land use legislation; support marketing and labeling of highest quality meats for the public; help the housewife choose wisely.

In their New Approach claim, the association states "We are living in a country of organizations, therefore, the livestock industry must have an organization to represent them. Without an organization, we have no voice, in what is going to happen to our industry."

The association, which has no dues in its structure, operates on donations.

Following the initial meeting, monthly meetings will be held, Blackwell stated.
