Strong Wind Hits Airport, Loraine Crops Damaged

Winds, estimated in force at 50-60 miles per hour, ripped out steel pipes set in concrete anchoring a sheet iron hanger at the local City County Airport east of Colorado City.

J. O. Dockrey and Frank Deregibus, owners of the wrecked structures, estimated the losses in the neighborhood of \$6,000 not counting minor damage to two light planes.

The damaging winds struck shortly after 6 p.m. at the airport.

The demolished hanger was jerked off its foundation and carried some 50 feet backward before crashing into an adjacent hanger used by a crop dusting service.

Most heavily damaged plane suffered a torn up wing while minor damages were inflicted on two other aircraft at the airstrip.

The force of the wind literally ripped the supporting pipes out of their concrete foundations.

Crop Damage

Reports of crop damage came in from an area south of Loraine.

Young cotton was severely hit in a good sized area by a hailstorm south of Loraine.

High winds and rainfall from 1.2 to 1.3 inches struck the Loraine area during the stormy period.

NON-ENGLISH SPEAKING

Special Class Enrolls Monday

Parents of students speaking little or no English expecting to begin the first grade in Colorado City next fall are urged to bring their children to the Primary School at 8:30 a.m. Monday to enroll them in a special class to be taught this summer.

The summer program is being held by the system to enable the pre-school students in acquiring the vocabulary and training necessary to make their adjustment less difficult in the regular term this fall.

In the past many first graders speaking little or no English have been forced to spend two years in the first grade because of the language difficulty.

Thus, the pre-school session this summer could be vitally important to the child's education according to Supt. of Schools Frank W. Wilson and Primary School Principal Brooks Teague.

Classes for the program begin June 7 and last through July 30.

Period of instruction will be from 8:30 until 11:30 each morning Monday through Friday at the Primary School.

Mrs. Swan Cramer is to be the class's teacher.

There will not be a charge for the special class.

Former Refugee Talks To Lions Club Group

"I love this country and could have no stronger devotion if my ancestors came over on the Mayflower."

In one sentence Capt. Albert Maroscher, a former refugee from the overpowering Russian advance into Rumania in 1944, summed up his feelings toward his naturalized country of the United States.

Capt. Maroscher, now an assistant professor of military science at Hardin Simmons University, enthralled a Lions Club luncheon meeting audience reminiscing of the days in his former homeland in Europe and the new home he has found in the United States.

Speaking of his Saxon ancestors, Maroscher told of how they had moved into what is now Rumania some 800 years ago at the invitation of the people residing in the area at the time.

The speaker noted that the Saxons were very accomplished warriors and were given a border area in which to settle because of the troubles being encountered from periodic invaders.

As the Saxons became settled in the area, the invasions stopped and the land was more peaceful than before.

An interesting comment by the speaker noted that the Saxons had a system of compulsory education as early as 1722. This was years before a system such as this was

founded in Great Britain.

Maroscher and his family lived in a town of 5,000 population in the state of Transylvania in Rumania about 75 miles from the Russian border.

He explained his family earned a comfortable living in the town where his father operated a profitable business.

During his childhood he learned to speak four languages fluently including Rumanian, German, Hungarian and Saxon.

When Rumania was invaded by the Russians in 1944 during World War II, his family had two choices — to succumb to the Russian advance or flee toward the American lines in the West.

Of the 200,000 Saxons in Rumania in 1944, Capt. Maroscher said that only 30,000 were able to flee the Russian onslaught.

Of those remaining in Rumania all males between the ages of 17 and 45 and all women between 18 and 35 years of age were sent to slave labor camps in Russia.

After five years of imprisonment when those still alive were allowed to return home, over 20,000 deaths had been recorded among those originally put into the camps.

The Maroscher family went by covered wagon to Austria in September of 1944 and then onto Germany. He told of the hardships of the journey in-

Courthouse Opening Set

All residents of Mitchell County have been extended a cordial invitation to attend the open house celebration of the newly remodeled courthouse from 2 to 5 p.m. today by members of the Commissioners' Court.

Only recently the entire structure has undergone a complete and thorough remodeling and facelift project designed to ward the county with a building as modern and efficient as can be made.

Commissioners J. C. Northcutt, Marcus Vest, Moody Richardson and Drue Cawthron along with County Judge Elmer Marti will be on hand for the open house Sunday.

Final work on the first two floors of the building completes a plan of improvement.

including the scarcity of food and of having to walk for two weeks enroute to Germany.

"We were determined not to fall into their hands," Maroscher said sternly.

The captain explained that they had heard of the American way of life from some of the 30,000 immigrants who had come from Rumania to America before 1944.

The first contact with the American troops came in 1945 when the family was occupying a one-room residence in Germany. After a thorough search of the premises, the American soldiers gave food to the family.

The Lions speaker spoke with interest of his first meeting with a Negro American soldier.

He explained that German propaganda during the war had built an ugly image of the black races of people.

"I was scared, but didn't run," Maroscher said.

The soldier then offered the then young boy a candy bar and all his fears were gone.

He told of how four members of his family worked for two years just to obtain food and lodging.

Shortly after the end of the war a chance to come to the United States came with an invitation from one of his father's sisters in Columbus, Ohio.

One of the most impressive things about his new home was the way the other children accepted him without reservation. He explained they never treated him like a foreigner.

Of the rest of his family Maroscher noted that one brother was the owner of a super market and that another was assistant manager of a discount store at this time.

In closing the speaker told how in America a man could pick his own profession and was not bound to the ironclad rule of following in his father's footsteps.

"It is truly the country of opportunity," he said in closing.

Plymouth sales in Texas prove it!

TEXANS LOVE PLYMOUTH BELVEDERE

One big reason for Plymouth's sales success in Texas is the '65 Plymouth Belvedere. It's the big buy in the intermediate class, and Texans know a good deal when they see it. Belvedere gives you dollar-saving economy with a look of quality. From the luxurious Belvedere Satellite to the Belvedere I two-door sedan, there's a model to suit your car needs perfectly. And every Plymouth has a 5-year/50,000-mile engine and drive train warranty.*

*HERE'S HOW PLYMOUTH'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU:

Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts; intake manifold; water pump; transmission case and internal parts (excepting manual clutch); torque converter; drive shaft; universal joints; rear axle and differential and rear wheel bearings. Required maintenance: the following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; replace carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.

CONVERSATION CORNER

IT'S TIME to hum again . . . or sing right out loud "I Love a Parade!"

Tumbleweed Parade Thursday afternoon proved once more what we've observed since 1936, the year our family moved to C-City "lock, stock and barrel" plus radio, furniture, pots and pans, silverware, dishes, books, bikes, blankets, assorted wardrobes and two kids.

Colorado City loves a parade. The streets were lined with spectators again this week.

THINGS Mr. and Mrs. Average C-Citizen can be glad about right about now include being glad you didn't get called on to judge the floats entered in the contest for prizes.

Some of us would still be torn between the clever, ingenious Wild West Texas scene done by Mu Pi Chapter of Beta Sigma Phi . . . and the pony corral decorated by the Colorado City Garden Club.

Course floats didn't have to compete with that gorgeous Drum and Bugle Corps from Goodfellow AFB. Which was just as well for any woman called on to pick the prettiest parades.

THERE ARE any number of things that the spectator-type person can clap hands at . . . or bow head . . . and be glad about these last few days.

Ty some of these on your count-your-blessings built-in compeller . . . are you glad you aren't an astronaut tethered out there in space? Or married to one?

Would you trade places with the Ford dealer or the dress shop owner or the hotel man in Hale Center's business district . . . demolished in a few minutes by a tornado?

THOSE somewhat spectacular events should make nearly anybody glad to snuggle down in bed or in the big chair and rest.

Somebody watching people could pause long enough to be glad about the advances of television. TV gives even the absolute coward among us the vicarious thrill of "play along the stars" up there.

And allows time for those of us who thumb-the-nose at clouds and storm clouds to reconsider and wonder what the same spot would be . . . just in case.

ANYHOW, while we're at it, people in West Texas can be glad for rain this season.

Never have the wild flowers been so lush, so colorful all over our area as they've been in recent weeks. It's been pure magic.

A heart can be glad for eyes to see . . . and ears to hear . . . feel that walk . . . lips that speak and sing and laugh . . . and cry.

A heart can be glad for feeling . . . even painful feeling. So long as a heart can hurt . . . or be lifted up in joy . . . just so long as a heart can grieve . . . can appreciate, too . . . that heart is beating. It is alive. Now aren't you glad?

PARADE WATCHERS included Mrs. H. H. Gainey, her locally famous CHS ex-Wolf, Hollis Gainey who coaches as Brenham, plus his pretty wife and their three-year-old daughter.

Anne McCormick (Mrs. Peter) and Pat Chinn (Mrs. John H.) and four of the Chinn five children — David, Kathleen, Rosemary and Patricia were there.

Also Harry Ratliff . . . Bill Doss and his store force Verdie Moser (Mrs. Virgil) and the Colorado City Re-

cord employees out in force . . . Frances Chesney (Mrs. Gus) and her glamorous daughter Linda.

OFFICE VISITORS were Luke Thomas . . . Jay Craddock . . . Jeff Taylor . . . Mrs. W. A. Bell of Westbrook who reports her father A. K. McCarly Sr. is improving.

Crickett Hrbacek (Mrs. Wilson) dashed in for a minute . . . Also slender Marian Craddock, wife of Jay . . . Freddie Guitler (Mrs. Don) and youngest daughter, cute Sarah Beth.

SEEN LATELYS, other places, were Charlie Thompson, husband of Emmabell . . . Peggy Bagwell (Mrs. Helen) . . . Neil and Bennie Rogers and their sons, Gary and Mark.

Saw Ruby Huthins Cawtron (Mrs. Drue) And attractive Mary Ann Merritt, daughter of Jean and City Manager Ford Merritt, with Jimmie Costin.

Fannie Faye Feaster (Mrs. Orin) was on the downtown scene . . . Ditto our friend Addie V. Payne (Mrs. Jimmie) who has a fine joke on somebody. One we'll never quite live down.

LOOKED UP to see Dimple Sue (Hart) Bolon here from McCamey where she and her husband Don live. Dimple's been here with her mother Mrs. Rube Hart who fell on a "scatter rug" and came up — or maybe down — with a broken hip. She's home from the hospital, now.

KACK McClellan (Mrs. Fred) was saying that her mother Mrs. R. P. Price has been hospitalized in San Angelo again . . . and Charles Root's mama Mrs. C. L. Root has a fractured hip.

RATHER then end up this time singing a minor-key refrain, it's time to add that there were pleasant little chats with Loraine Rogers (Mrs. Nathan) and with her sister Mrs. Tom Coker whose daughter Faye and her husband Adron Welch of Alpine spent last weekend here. The young college couple were married here during the Easter season holiday.

OUT-DATED... but who knows it!

Like an old car, your insurance program can become out-dated, too. But while an old car shows its obsolescence, it takes study and review to uncover out-dated insurance. Does your program incorporate the many recent insurance improvements which make possible superior, more economical protection? If not, you'd do well to see us for a complete protection review.

Honors Two VFW Post

Mr. and Mrs. M. D. Robertson were honored Monday night with a going-away party hosted by VFW Post 9178 and the Post Auxiliary.

A gift was presented to the honor couple who are moving to Rifle, Colorado.

A fried chicken supper was served to Mr. and Mrs. Gerald Smith, Mr. and Mrs. Bill Derrin, Mr. and Mrs. Merel Wilson and family, Mr. and Mrs. Tom Robertson, Mr. and Mrs. Melvin Gooch, Mr. and Mrs. John Bordeaux, Mrs. Francis Turner, P. C. Smith, Murry Jordan, Bill Kenney, Jesse Bunch, Mrs. Wayland Webb and daughter Jo Ann.

And . . . by the way . . . if there are any of the younger dolls and guys NOT having — or planning weddings here now that it's sorta "ankle-deep in June," it must be because they're waiting until August.

August is, by tradition, the second most popular month for weddings. June takes the cake. And make it wedding cake.
