HIGHSMITH-RAY.

Sunday morning at 6:30 at the home of Mr. and Mrs. J. H. Ray in Brownwood, Frank Highsmith of Menard and Miss Corene Ray of Brownwood were married by Rev. Mins of the Baptist church of that city. Miss Ray is a charming young lady and Frank is one of Menard's most promising young men. They immediately took the train for this city where they will make their future home. Frank

is in the employ of the Mission Lumber Co. here and we prophesy for them a most happy future. It was during Miss Ray's term of teaching in the Menard school last year that the friendship was formed between the two which had such a happy culmination. The many friends of the couple in Menard join in extending to them congratulations.—Menard Messenger.

Great is the man who knows not his own greatness.

Turman Granted Bail.

At the trial of Jas. Turman at Mason Tuesday on a charge of killing Will Kettner, preliminary examination was waived and bail was granted Turman in the sum of \$15,000. Turman was represented by Attorneys Sam McCollum and J. E. Shropshire. Bond was readily made in Junction, where Turman was raised, and upon its arrival here yesterday his attorneys estimated that it represented value of over half million dollars. Several Brady citizens will add their names to the bond and a total worth of a million dollars will be represented when the bond is delivered at Mason.—Brady Standard.

TO THE PEOPLE OF KIMBLE COUNTY.

As the election is over and the people have settled down again I realize, that although I did not have an opponent one of the warmest elections ever pulled off in Kimble County has just been finished, and I know I feel as grateful to the people of this County for their support as any one possibly could. I assure you that it will be my every aim to give better service in the future than in the past and to make you the very best Clerk that it is in me to make.

I will always be found on the job when you have business in the Clerk's Office, and whether I run again or not, and I am not saying that I won't, I expect to fill the office to the best of my ability and to give you an honest, aggressive and business administration.

When in town come around to the Clerk's Office, I know you will be always welcome.

Sincerely,
Oren C. Reed.

SHEEPMAN

I will arrive at Menard about August 10th, with the following rams for sale:

- 200 REGISTERED RAMBOUILLETS
- 200 REGISTERED DELAINES
- 50 REGISTERED SHROPSHIRE

All these rams are in fine condition, with large frames carrying fine fleeces, and the kind to make great WOOL PRODUCERS. These are the days that every breeder of sheep ought to look after getting all the wool he can off his sheep, as the HIGH PRICES will continue with us for to many years to come. It will pay sheepmen to wait till they see my rams before buying, as I have nothing but what will please them, and give satisfaction. Write me if there is anything in that line you want me to bring down.

KILGORE, OHIO.

They Come Here

When minds of quality want goods of quality they invariably hunt a store of quality.

They Come Here

When people spend their money they want the worth of that money, and they want to see and know they are getting it.

They Come Here

When people of economical minds want to do economical shopping they trade at a store with economical prices.

They come Here

If you are one of the army of shoppers and want to make a dollar do MORE than the work of the AVERAGE dollar then we ask you to come here.

THE "GRAND LEADER,"

BIG METHODIST ENCAMPMENT AT JUNCTION-ON-THE-LLANO

Begins August 2nd, Closes August 13. Many Will Attend From Various Parts of the State

Present prospects promise a large attendance at the big Methodist Encampment at Junction, Texas, August 2nd to 13. People from all over the West Texas Conference District, and from various parts of the State, are planning to come. It is going to be an old-fashioned camp meeting and general coming together which all who attend will enjoy. The favorable natural location of "Junction-on-the-Llano" makes it a very desirable place to spend Summer days. Begin now to plan to attend. A cordial, characteristic West Texas welcome awaits you. We'll all be glad if you come. Tell your friends and write them about it. May we expect you? Well known, able preachers, talented singers and musicians will be here. Would you not like to hear them? We're going to look for you.

Everybody welcome to come and camp on the grounds. You can get meals on the grounds at cost—about 20 cents—and thus save all bother of preparing meals yourself. By notifying one of the committee AT ONCE you may secure a tent for the ten days for \$2.50—actual cost. The committee in charge of this department of the work is: Rev. Jno. C. Campbell, O. O. Baist, C. M. Nichols.

If you intend to come and camp on the grounds it is very important that you notify at the earliest date possible one of the members of the above named committee.

While the Encampment is of Methodist origin and management, a most cordial welcome is extended to everyone, irrespective of creed or doctrine, to come and take part and enjoy the services and Encampment pleasures.

REV. BOB SCHULER OF AUSTIN AMONG OTHER PROMINENT VISITORS TO BE HERE FOR ENCAMPMENT.

In answer to an invitation sent to Rev. R. P. Schuler of Austin to come to the big Methodist Encampment here in August, Rev. Campbell Wednesday received reply stating Mr. Schuler expects to be with us for a few days.

Rev. Schuler is a man of widely recognized ability and the very fact that he expects to be present will bring people from all over this section of the state. He is not only of high scholarly attainment but he is a man of great heart and spiritual power that reaches the lives and hearts of men wherever he goes. He is a "live wire" in evangelistic work, and one sermon by him here will be well worth coming many miles to hear.

To The People Of Kimble County.

As it is likely to be some time before I can see each and every voter in the county to thank you personally for your support in my race for Assessor, I take this means of thanking you for the favors shown and the support given me. I assure you that I appreciate to the fullest extent the confidence you have shown to have in me, and it will be my every aim to give you better service in the future than in the past, and to be found at my post of duty at all times. I thank you again for your good will and support, and to those who voted against me I have only kindest feelings.

Yours gratefully,
J. W. Ragland.

A Card Of Thanks.

I have no ill will toward any one who voted against me in the Primary July 22. Some are my friends but will say to those who stayed with me in my race for County Commissioner and Justice of the Peace, I shall never forget you, you did your best. I am proud of you and am proud of you as friends. I thank you all.

Abe Landers.

DO YOU WANT AN AUTOMOBILE?

A five passenger Maxwell Touring car in perfect condition Good Tires, some new; car cost \$1800.00 when new. If sold at once, will take \$150.00. Tires are nearly worth that, alone. It will cost you nothing to see it or ride in it.

Alex J. Henner Co.

In reply to invitations mailed out for the big Methodist Encampment which begins here next Wednesday letters are coming in now from various parts of the state saying "we're coming." There is going to be a crowd here, all things favorable, to attend the Encampment, and among them a number with widely recognized ability.

Big Clean Up Day Works Wonders People All Over the City Join in the Cleanup Campaign

Wednesday was Clean-Up Day in Junction, and we rise to remark that the campaign made in our town against weeds, trash and filth did work wonders in the appearance of the Kimble capitol. People all over the city caught the spirit of the day and got busy with rake and hoe. From early morn till noon the people of the town worked as one person, faithfully, and many kept up the work throughout the day. The stores were closed till noon and managers and clerks joined in an effort for a cleaner Junction. With such cooperation we fare against weeds and trash things moved lively, and as a result there is a marked improvement on every hand, which certainly pays well for the effort put forth. Some places here yet that need attention, but we trust it will be given soon. We are proud of the results accomplished Wednesday. When Junction can be brought to realize the importance of starting an undertaking, that undertaking is about the same as accomplished. The Civic League has the thanks of Junction in helping to bring this move to the people's attention. The people as a whole are deserving of commendation for their hearty interest and faithful efforts for a cleaner town. United cooperative effort always works wonders. Junction's all right!

To The People Of Kimble County

I take this means of expressing my sincere heartfelt thanks and gratitude to all those in Kimble and surrounding counties who have contributed any effort in the interest of my recent race for the nomination of County Judge of Kimble County. I especially thank you one and all and promise an active energetic and business administration for the next two years if elected to the office of county Judge in the coming election in November.

I shall not consider any special interest but will discharge the duties of the office with out fear or favor to any one, with no ill will or feeling toward those who opposed me and kindest regards and best wishes for my opponents. I am yours for a business administration.

CRYING FOR HELP

Lots Of It In Junction But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed.

Not one more important to health. The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous. There can be no health there is poisoned blood.

Bacache is one of the frequent indications of kidney trouble. It is often the kidney's cry for help. Heed it.

Read what Doan's Kidney Pills have done for overworked kidneys.

Proof of merit in the following statement:

H. N. Bayler, prop. of tinning & plumbing shop, Mans, S. W. Texas, says: "My trouble was due mostly to diseased kidneys. The kidney sensations were unusual. When I overworked, my back pained severely and often I could hardly straighten up after sleeping. Doan's Kidney Pills quickly relieved these symptoms of kidney trouble. On several occasions since then, when I have needed a medicine, I have taken Doan's Kidney Pills with just as good results."

The readers of this paper will be pleased to learn that there is at least one divided disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative power that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all druggists. Take Hall's Catarrh Cure for constipation.

RAILROAD WAGES

Shall they be determined by Industrial Warfare or Federal Inquiry?

To the American Public:

Do you believe in arbitration or industrial warfare?

The train employes on all the railroads are voting whether they will give their leaders authority to tie up the commerce of the country to enforce their demands for a 100 million dollar wage increase.

The railroads are in the public service—your service. This army of employes is in the public service—your service.

You pay for rail transportation 3 billion dollars a year, and 44 cents out of every dollar from you goes to the employes.

On all the Western railroads in 1915, seventy-five per cent of the train employes earned these wages (lowest, highest and average of all) as shown by the pay rolls—

| | Passenger | | Freight | | Yard | |
|------------|----------------|---------|----------------|---------|----------------|---------|
| | Range | Average | Range | Average | Range | Average |
| Engineers | \$1747 3094 | \$2195 | \$1537 3076 | \$2071 | \$1056 2445 | \$1378 |
| Conductors | 1543 2789 | 1878 | 1454 2933 | 1935 | 1151 2045 | 1355 |
| Firemen | 1033 2078 | 1317 | 751 2059 | 1181 | 418 1552 | 973 |
| Brakemen | 854 1719 | 967 | 874 1961 | 1135 | 862 1821 | 1107 |

The average yearly wage payments to all Western train employes (including those who worked only part of the year) as shown by the 1915 payrolls were—

| | Passenger | Freight | Yard |
|------------|-----------|---------|--------|
| Engineers | \$2038 | \$1737 | \$1218 |
| Conductors | 1772 | 1624 | 1292 |
| Firemen | 1218 | 973 | 832 |
| Brakemen | 921 | 1000 | 1026 |

A 100 million dollar wage increase for men in freight and yard service (less than one-fifth of all employes) is equal to a 5 per cent advance in all freight rates.

The managers of the railroads, as trustees for the public, have no right to place this burden on the cost of transportation with a public tribunal speaking for you.

The railroads have proposed the settlement of this controversy either under the existing national arbitration law, or by reference to the Interstate Commerce Commission. This offer has been refused by the employes' representatives.

Shall a nation-wide strike or an investigation under the Government determine this issue?

Supper.

The Misses Oliver entertained a small crowd for supper last Thursday evening at 7 o'clock, down by the Government Gauge.

By 7 o'clock the crowd was there, each one trying to help with supper. Soon there was a big camp fire built so that meat could be broiled. In a few minutes by every body helping the meat was cooked ready for eating. When about that time Bill Oliver brought a big box around where we were preparing to spread supper, it contained everything you could want that was good to eat. They had gotten the Mexican woman to cook them several good dishes while they cooked up a lot of other good things. Just as everybody had about finished their supper cake was passed, every one declaring it the best they ever ate. There was also a good melon and canteloupes on the side.

Soon after supper as every one was enjoying themselves, a light sprinkle of rain came and broke into the jolly crowd, and everybody went bustling around trying to get off at once, so as to reach home before the heavy rain came.

On bidding the Misses Oliver goodnight, every one agreed that we all had enjoyed the afternoon immensely and hoping we may get another invitation soon.

All declare the Misses Oliver ideal hostesses.

The ones present were Mr. and Mrs. A. L. Jopling, Mr. and Mrs. A. L. Bartley, Misses Lattie and Elsie Austin, Letta, Lois, Sadie, Bonnie and Marguerite Oliver, Messrs Barney Kiebold, Dave Cowsett, Carl Tibbitt, Bill and Joe Oliver and little Vernon Jopling.

By One Present.

CALOMEL DYNAMITES YOUR LIVER! MAKES YOU SICK AND SALIVATES

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and You Don't Lose a Day's Work

Live up your sluggish liver! Feel fine and cheerful; make your work a pleasure; be vigorous and full of ambition. But take no nasty, dangerous Calomel because it makes you sick and you may lose a day's work. Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel crashes into your bile like dynamite, breaking it up. That's when you feel that awful nausea and cramping. Listen to me! If you want to enjoy the nicest, gentlest liver and bowel cleansing you ever experienced just take a spoonful of harmless Dodson's Liver

Tone tonight. Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tone under my personal money-back guarantee that each spoonful will clean your sluggish liver better than a dose of nasty calomel and that it won't make you sick. Dodson's Liver Tone is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working; headache and dizziness gone; stomach will be sweet and bowels regular. Dodson's Liver Tone is entirely vegetable, therefore harmless and can not salivate. Give it to your children. Millions of people are using Dodson's Liver Tone instead of dangerous calomel now. Your druggist will tell you that the sale of Calomel is almost stopped entirely here.
