ity Will Enforce Ban on Shooting of Fire Works

G. T. Leatherman stated that the shooting of fire the city limits of Perryton " and that any person or found guilty of such dis- of the peace would be ar- fined and punished to the nt of the law.

decision for a strict and enforcement of the fire n followed the wave of fire shooting that started about ten days ago and rolled on until it engulfed the entire town Saturday night and early Sunday morning in a bedlam of noise and confusion, endangering both life and property, shattering nerves of the sick and mental anguish to many war vets to whom such brought back memories of dead and maimed buddies, memories of conflict and suffering, memories they want to forget.

Several groups of boys were taken into custody by officers. They were released after being admonished by Mayor Leatherman that they would be arrested and punished if such acts did not cease. Questioning the youths brought forth the fact that no sales of fire works were being made within the city limits but that vendors had nullified the intent of the city laws by selling fire works from roadside stands and cars outside the city boundaries.

City officils were aware that there was in effect an ordinance prohibiting the sale of fire works in the city, but at the time of the Saturday night peak of disturbances, they did not know that there ws also a provision against the discharge of fire works.

A search of the city ordinance records brought forth that the ordinance passed on June 27, 1922, not only prohibited the sale but also made it unlawful to discharge fire works. The law provides that any person found guilty on either count shall be adjudged guilty of a misdemeanor and shall be fined in ny sum not less than $1 nor more than $25.00, or be imprisoned in the city jail not more than 10 days and shall stand committed until such fine and costs are paid.

Mayor Leatherman and the city officials have the full backing of the citizenship in the rigid enforcement of this ban on both sale and discharge of fire works. Many expressed amazement at the utter disregard for the comfort of sick, and safety of life and property, displayed in the Saturday rampage.

Swimming Pool Opened June 1

Floyd Murry, manager of the Municipal Swimming Pool, located in the city park, said Tuesday that despite the cool weather on opening day Saturday, approximately 50 persons went for a swim. It is the first time the pool has been open since 1941 and the advent of the war.

Season tickets are available at $7.00 for adults and $6.00 for children and may be secured at the pool from Mr. Murry or his assistants.

Plans are being made for an instruction course in swimming in the near future to be held daily for four weeks between the hours of 10 and 12 a. m. A charge of $10 will be made for the course which will qualify all students as expert swimmers, it was said.

At the present time ladies and children's hours are from 10 to 12 a. m.

Additional repairs at the pool now underway include repainting of all runways.

Marriage Licenses

A marriage was issued Saturday by the county and district clerk's office to Charles Gillispie of Perryton and Gladys Pearl Roper of Roger Mills county, Okla.

Herald Office to Close at 5:30 p. m.

Until notified otherwise, the office and office supply store of the Ochiltree County Herald and the Stewart Printing Co. will close at 5:30 p. m. The present closing hour is 6 p. m. The new closing hour will go into effect Monday, June 10. In deciding to close at 5:30, we checked into our customers habits and found that very little business was transacted after 5:30 in the afternoon.

Deadline for Candidates to File is June 15

June 15 is the deadline for filing as a candidate for a county or precinct office, Sam Hergert, county Democratic chairman, reminded this week.

Candidates were also reminded that they must file with the county chairman if their names appear on the ballot. Announcing their candidacy thru the newspaper does not entitle them to a place on the ballot if they have not filed with the chairman before the deadline date.

Building Fund For Legion Totals $8,940

Omar Truax, chairman of the fund raising committee for a new building for the Pierce Johnson Post No. 254 of The American Legion, announced Tuesday that contributions to the fund had reached a total of $8,940.00 this week.

The organization is striving for a $50,000 goal for the erection of a new hall on the northwest corner of the city park. The amount is being raised through contributions of the general public.

The following contributions were made during the past two weeks: O.

Lions Name New Officers

At the rregular meeting of the Lions Club Tuesday, June 4, officers and directors were elected for the coming year, according to W. L. Bryan, president.

Named to head the organization were: H. D. Malone, president; Giltner LaMaster, 1st vice-president; Fred Osborne, 2nd vice-president; Sam Hergert, secretary-treasurer; Vance Apple, lion tamer; Alton Boxwell, tail twister.

Directors for next year are W. L. Bryan, H. C. Sanford and Jerome Woods.

Those elected were nominated through a committee composed of R. T. Shindler, J. H. Woodward and A. P. McCelvey, recently appointed by Mr. Bryan. Installation of new officers will be held the last meeting in June before the organization disbands for the harvest season.

Attend Laymen League

Expected to be in attendance at a dinner given for the Christian Layman's League in Amarillo at 6.00 p. m. Thursday are Alton Boxwell, Giltner LaMaster, Roy Miller and Rev. Ward H. N. Gregg, pastor of the First Christian Church.

The Blue Bonnet is Texas State flower.

Estimated Yield For County Is Pegged at 3,000,000 Bushels; Average Acre Production 13 Bu.

Ochiltree grain producers began to bring the first wheat to market from the nation's banner wheat county Tuesday when George Powers delivered the first load of the 1946 yield to the Equity. The grain was cut from a field one mile north of Perryton and tested 58. It was early Danne. Milton Sweigart of the Twichell community and Guy Stewart of the Gray, Okla., community also marketed loads testing 58 of the same variety Wednesday. Generally speaking the crops are still too green to cut and full harvest operations in this area are not expected to get underway for approximately ten days, observers say.

The yield, always a vital question to producer and consumer alike, is predicted to be above average according to reliable sources. A. W. Erickson of the Field Note Crop Production Service of Minneapolis, Minn. who began an inspection Tuesday said that, from parts of Ochiltree County already inspected, he predicted an average yield of 13 bushels per acre. Other individual producers said that some of their wheat would make as high as 25 bushels per acre, while still others reported virtually complete failures with much of seeded acreage already plowed under.

As compared with the yield of approximately 2,700,000 bushels in this county in 1945, estimates this year seem to be pegged in the neighborhood of 3,000,000 bushels. This compares favorably with the fact that 330,000 acres was sown in the county this year.

Entering into the labor situation concerning the current harvest,

See No. 2, Page 8

JUST HERE and THERE

It now appears that terminal pay for enlisted men will be enacted into law this year. It will cost about three billion dollars This knocks down another one of the just gripes that enlisted men have as to the caste system in the military forces. Enlisted men are entitled to terminal pay the same as a commissioned officer.

God speed the day when the United States abolishes the caste military set-up of England and Germany and adopts a military program whereby enlisted men and officers have equal privileges in dress, social life, etc. The "officer and gentleman" tradition is a bunch of bunk. The ratio of heels and crooks among commissioned officers is just as high as in the enlisted forces . . . and the per centage of fools and snobs is considerably higher.

We're calling on the wheat farmers of the Southwest to rebel against the autocratic, dictatorial attitude of the government when it says that a farmer has to sell fifty per cent df the wheat that he delivers at an elevator. What kind of congressmen do we have that will allow the policies of decadent Europe to gradually change our government from one of free enterprise to centralized control and dictatorship?

While the wheat crop is short throughout the Southwest, Washington reports say that the biggest world grain crop in history is expected. The problem will be distribution augmented by governmental bungling.

Where's the butter? Washington reports: From 60 to 80 per

See No. 3, Page 8

Community Recreation for All Age Groups

"There is a definite need in Perryton for a full time community recreational director with a program for both youth and adult entertainment." This was the decision of the Youth Recreation Council when they met at the Wagon Wheel Tuesday evening. Officers of the Council are Alton Boxwell, chairman; Mrs. Oris Bruner, vice chairman; Walter LaMaster, treasurer; and Mrs. Ira Ferguson, secretary. Members present were: E. W. Thomas, Rev. Ward H. N. Gregg, Mrs. C. A. Igou, Miss Ruth Wade and Duane Bell.

The closing of the Wagon Wheel, Teen Town center, for the summer, brought forth the need for summer time recreation and the following resolution was adopted:

"Be it resolved that because of the closing of Teen Town for the summer months, we feel the need of an organized community recreation program and that steps be taken to providde a coordinated program by the employment of a community recreation director. The Youth Recreation Council stands ready to cooperate in any way with other organizations in getting such a program started."

Many expressions of the need for such a program have been voiced and it is expected that various civic groups will join in a move to develop such an activity.

Local Bakery Sold Monday

Barnett's Bakery has been purchased by Mr. and Mrs. Bernard Leslie, according to an announcement made this week and active management was taken over Monday. The firm will be operated under the name of Leslie's Bread and Pastry Shop.

Gene Barnett, owner of the bakery for the past 23 years, wished to express his appreciation to his many friends and patrons for their cooperation through the years, and announced that his plans were at present indefinite.

Mr. Leslie needs little introduction to Perryton residents, having been employed at the bakery for five years prior to entering the armed forces in 1942 where he spent better than three years with the Navy on Pacific assignment.

Following his release from military service Mr. Leslie entered the Dunwoody Baking Institute at Minneapolis, Minn., where he took an eight month course of training in making bread, rolls, cakes and pastries.

In commenting on the opening, Mr. and Mrs. Leslie said, "We want to extend an invitation to the public to come in and pay us a visit. We are not newcomers to Perryton, but during our absence many new people have moved here and we would like to meet them as well as our old friends."

Present plans call for the building of extra space on the rear of the building and for the renovation of the retail sales room. This will be done and new equipment added when materials become available, Mr. Leslie said.

Mayor Requests Patrons to Conserve Water

Mayor G. T. Leatherman asks that patrons conserve use of city water, Friday, June 7. Due to the non-delivery of the pump for the recently completed city water well, the pump now in use on the east well will be moved and put in operation on the new well.

The change-over will be made Friday and unless unexpected trouble is encountered, the job should be completed in one day. This will cut the pumping capacity in half while the move in being made. The new well will give a greatly increased production over the old east well.

Giltner LaMaster Heads Legion Anna Tevis New Auxiliary Pres.

Giltner LaMaster will head the Pierce Johnson Post No. 254 of the American Legion as commander and Anna Tevis will be President of the Auxiliary Unit for the coming year, according to results of the annual election held Monday night. Mr. LaMaster replaces A. N. Dowers and Anna Tevis succeeds Mrs. S. L. Brillhart.

Other officers named for the Legion are the following: Bill Wilson, 1st vice commander; Knute Dowers, 2nd vice commander; Sidney Jines, adjutant; Elrick Wilson, Chaplain; Morris M. Payne, historian; Cecil Tevis, Sergeant-at-arms; C. B. Rogers, finance officer; Ray McWilliams, service officer; Omar Truax, liaison officer.

Named as additional Auxiliary officers for 1946-47 were: Mrs. J. C. May, 1st vice president; Mrs. C. Williams, 2nd vice-president; Mrs. C. B. Rogers, treasurer; Mrs. F. L. Garrett, historian; Mrs. A. W. Henry, chaplain; Mrs. O. P. Graves, Sgt.-at-arms; Mrs. Raymond Overbey, parliamentarian; Mesdames S. L. Brillhart, Luther Wade and Carl Bowen, executive committee.

New officers will be installed at the Municipal Park with an appropriate program and potluck, Monday, July 15, post officials said.

Annual Meeting First Church of Christ, Scientist, Held June 3

Until all responsible government heads are made to realize that the measure of a nation's true greatness is the spiritual stature of its people rather than its physical resources, there can be no end to the conflict between materially mental forces that precipitated World War II. The Christian Science Board of Directors told the Annual Meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, June 3.

The time has come, the Directors affirmed, when representatives of all social and religious systems are being called upon to give something more convincing than promises, preachments, and paganistic pageantries to sustain the faith of their fellows, and to provide for a lasting peace.

If these systems are to survive, declared the official spokesmen of the world-embracing Christian Science movement, they must" furnish proof that the ideals for which they stand can be made of practical use in advancing the cultural, economic and spiritual welfare of the race."

This statement from the Directors was given before thousands of Christian Scientists attending the first peacetime Annual Meeting in five years, many of whom came from countries long shut off from the world by war. They brought with them vital lessons from the troubled years just passed to emphasize the Directors' contention that "the supreme duty of statesmen and churchmen at this crucial hour is to use every means at their command to prevent another world conflict and to bind up the unhealed wounds left by the last one."

"This is no time for them to resort either to subterfuge or aggression as a means of extending the political influence of any church or state," the statement said.

Continuing on these lines, the Directors insisted that "there is no room in the church for politics and in a democratic system of government there is no room in politics for the church. There is, however always room in polities for the moral sense of religion."

Applying that statement with equal force to national and international affairs, the Directors added: "It makes little difference whether it be a conflict between political ideologies and religious dogmas or an open warfare between armed forces; the results are always stultifying.

"If those who are today engaging in the grave task of building a world government for the purpose of establishing permanent and universal peace on earth, fail to turn to God for guidance and fail to make spiritual integrity the very foundational stone in their structures, they will have labored in vain."

Awareness of the basic national need for divine guidance evoked a profound statement from Benjamin during the heated Constitutional Convention in Philadelphia, which the Directors cited as still apropos in today's problems. Quoting the familiar Scriptural passage, "Except the Lord build the house, they labour in vain that build it," Franklin added: "I firmly believe this; and I also believe that without His concurring aid we shall succeed in this political building no better than the builders of Babel; we shall be divided by our little, partial local interests. . . . And what is worse, mankind may hereafter from this unfortunate instance despair of establishing governments by human wisdom and leave it to chance, war, and conquest."

In the present unsettled economic and political picture, the Christian Scientists' official governing body envisaged conditions fraught with the same evil consequences as in Franklin's day. And they assured the Annual Meeting that "it is just as true now as it was then that without God's guidance and the spiritual support of the church, no government, either national or international, can successfully cope with these difficulties."

Other high lights of the annual gathering were the announcements that all major Christian Science periodicals, including The Christian Science Monitor, attained new high circulation peaks in the last year, that the volume of Monitir advertising established a new high record of some 20,000 regular contributors, and that religious contacts have been rapidly renewed with many foreign lands since the end of the war.

Modern new presses, introducing four-color advertising and four-color feature material, will be installed as part of the equipment of the Monitor, possibly this fall, it was reported by the Trustees of The Christian Science Publishing Society.

The Trustees also disclosed that the Monitor's regular staff correspondent has been returned to Russia, and that special peacetime correspondents have been assigned for the first time to the Far East and Middle East.

Plans to document the records of Christian Science wartime activities of the last conflict in a book to be published early in 1947 were disclosed by the Trustees. The vast scope of these activities was covered in another report, showing that 135 paid Wartime Ministers, 26 Chaplains and 495 volunteer Wartime Workers were engaged at the peak of war activities in Canada and the United States alone.

Do Not Sell or Shoot Fire Crackers, Roman Candles, Sky Rockets, or Any Other Fire Works Within the City Limits of Perryton

★

The riotous rampage of noise, disturbance of peace of mind and body, and general nuisance in Perryton during the past week is inexcusable. When the unwarranted disturbances first began, culminating in the bedlam of last Saturday night and Sunday morning, this administration was unaware that such acts of firing fire works within the city limits of Perryton was unlawful. However a search of the records brought forth the following city law passed on June 27, 1922, which provides peace officials with authority, to arrest, prosecute and punish those who persist in such illegal discharge of fire works.

Be it ordained by the City of Perryton, Texas, that,

Sec. 1. It shall be unlawful for any person to sell fire crackers, roman candles, sky rockets, or any other fire works within the city limits of the City of Perryton, Texas.

Sec. 2. It shall be unlawful for any person to fire or use any fire works within the city limits of the City of Perryton, Texas.

Sec. 3. Any person being found guilty of violating this provision shall be adjudged of a misdemeanor and shall be fined in any sum not less than $1.00, nor more than $25.00, or be imprisoned in the City Jail not more than ten (10) days, and shall stand committed until such fine and costs are paid.

This Ordinance Will Be ENFORCED!

City of Perryton

G. T. Leatherman, Mayor

World Traveler To Speak Here Sunday, June 9

A message on the subject, "The Jew, the Present War and the Future World" will be delivered by Joseph Herschel Cohen of Los Angeles, Calif. from the pulpit of the First Baptist church, Sunday, June 9 at the eleven o'clock hour. In the evening Mr. Cohen's topic for discussion will be "The Everlasting Nation and Coming King."

Heralded as a world traveler, author and Bible teacher, Mr. Cohen

Joseph H. Cohen

is one who was an eye witness to Nazi atrocities during World War II. He was in Germany on "VE" day and in Russia when Europe was aflame.

"He has been drawing a thousand people nearly everywhere he speaks" said Rev. O. C. Curtis, local pastor, "and has preached to more than 9,000,000 people, with some 27,000 accepting Christ in his ministry. "He has spoken in over 2,700 churches and is a representative of the Hebrew Evangelization Society.

The public is cordially invited to attend both of these services in the Baptist church Sunday.

NO. 405

Sunday Moisture Was Recorded at .22 Inch

Spotted showers and low temperatures covered much of the Panhandle area Sunday with .22 of an inch precipitation reported as having fallen at Perryton by Judge Jack R. Allen, maintainer of the official government moisture records. Following on the heels of last week's moisture of 1.86 inches the precipitation brings the total received during the months of May and June to 3.18 inches. The moisture is generally considered to be a little value to the current wheat crops, having come too late, but is thought to be beneficial to row crops.

Mrs. Austin Brasher is visiting her sister in Kansas City, Mo. Mr. Brasher and their niece, Miss Marjorie Dory, took her to Kansas City and spent ten days. They returned to Perryton Monday.

Reiswig Rites Held at Balko

Last rites will be said today at 2:30 p. m. for John Reiswig, 62 year old farmer, at the Baptist Church, Balko, Okla. Services will be under the direction of Rev. Howard Thomason. Mr. Reiswig died at his home eight miles north of Huntoon Tuesday, June 4, following an illness.

Pallbearers are George Buechner, Clifford Pulis, Ralph Gregory, Charley Custer, Erwin Naylor, and Raymond Jackson. Burial will be made in the Balko Cemetery with Boxwell Brothers Funeral Home in charge.

Survivors are seven daughters, Mrs. R. W. Provines of Wichita, Kans., Mrs. J. L. Naylor of Logan, N. M., Mrs. Ted Kelley and Mrs. Winston Barker of Elmwood, Okla., Mildred Reiswig and Mrs. Harold Jackson of Booker, Mrs. W. J. Hewatt of Beaver, Okla.; seven sons, Oliver Reiswig of Follett, Fred and Harvey of Elmwood, Okla., Ralph and Ira of Beaver, Okla., Ezra of Booker, and Delmar Dean of Logan, Okla.; one brother, S. C. Reiswig of Loyal, Okla.; one sister, Mrs. Henry Miller of Topeka, Kan.; 15 grandchildren and a host of friends.

Texas Company Changes Hands

An announcement was made this week of the appointment of G. E. Shackelford as consignee for the Texas Company wholesale oil dealer in this area. Mr. Shackelford purchased from Joe Taylor his interest in the concern and has assumed active management of the service to this community.

Mr. Shackelford comes to Perryton from Friona and has had wide experience in the oil business prior to entering the armed forces where he remained for five years. He saw service in the States and was assigned overseas to the Pacific Theater of Operations. He was recently discharged from the armed forces.

The same type of courteous and prompt service will be given to patrons in this area, Mr. Shackelford stated.

Mr. and Mrs. Dale Pray and children left Monday for their home in Covina, Calif. after a visit in the country home of Mr. and Mrs. B. L. Hurter. Mr. Pray, recently returned to civilian life following 27 months in the Marines, is a nephew of Mrs. Hurter.

Rev. O. C. Curtis, pastor of the First Baptist Church, left Monday for Fort Worth where he will attend an Evangelistic Conference and a meeting of the directors of the State Board of the Baptists of Texas. Rev. Curtis is a state director.

Miss Nell Reynolds left Sunday for her home in Chicago, Ill. following a weeks visit in the home of her brother and sister, W. P. Reynolds and Mrs. L. B. Wilson.

Mr. and Mrs. Hollis Gossett, Dora Lee and Gayle returned last week from a trip to points in Colorado.

Livestock Show Committee Meets

A committee composed of Virb Conley, Dave Regier, Pood Herndon and Roy Stinson will meet with O. L. Doane, secretary of the Perryton Chamber of Commerce, at 10:00 a. m. today to make policies and rules for conducting the annual Junior Livestock Show to be held next spring. The committee was appointed through the Chamber of Commerce.

The stock shows are conducted through cooperation of the Chamber of Commerce, FFA Club of the Perryton schools and the Ochiltree County Extension Service.

H. D. Agent Gives Famine Pointers

The following measures to help in fighting famine were given Tuesday by Virdie P. Wheeler, Ochiltree county home demonstration agent:

Bake eggs in mashed potato cups instead of serving poached eggs on toast.

Skip the 3 layer cake. For special occasions serve a two-layer cake with fruit filling and topping or a plain loaf cake or cup cakes. Use desserts of fruit, egg, or milk rather than cake or pastry.

Omit the customary two-crust pie and serve deep dish pie with pastry cut-outs. This saves both flour and fat.

Open-face sandwiches made with one thin slice of bread help save bread and thus free wheat for export.

Young People To Ceta Glen Meet

Several young people of the First Christian Church of Perryton plan to attend the annual Young People's Society conference to be held at Ceta Glen starting Sunday, June 9, and running through Saturday, June 15, according to Rev. Ward H. N. Gregg, pastor. The conference will be held in two groups this year with the senior high school age group attending the first conference. The junior high students will attend a week's program starting Sunday, June 16.

Attending from Perryton will be Colleen Milledge, Grace Payne, Elaine Dietrich, Camille Kelley, and Rev. Ward H. N. Gregg.

Perryton Man Active In Gary, Ind. Music Festival

The Chicago, Ill. Tribune says that Glenn L. Wilson, Perryton reared young man, is co-chairman of the program for the Gary, Ind. music festival. Glenn, son of Mr. and Mrs. L. B. Wilson of Perryton, designed the stage settings for the festival.

The Gary festival is one of the events in the Chicagoland Music Festival, sponsored by the Chicago Tribune. The finals will be held in Chicago's Soldier's Field on Aug. 17.

At the Ellis

J. N. Harris Buried Tues.

Funeral services were conducted for John Neuton Harris of Beaver, Okla., at the Gray Church at 3:30 p. m. Tuesday, under the direction of Rev. Ralph Durham, assisted by Rev. Robert Girouard. Burial was made in the Gray cemetery.

John Newton Harris, son of Mr. and Mrs. Mark M. Harris, was born in Williamson county, Texas, February 22, 1877, and departed this life May 31, 1946 at Beaver, Okla., at the age of 69 years, three months and six days.

He spent his early life in Texas and Arkansas before moving to Oklahoma in 1901. He was a pioneer of Beaver county where he homesteaded in 1903 where he spent the remainder of his life.

Mr. Harris was united in marriage to Cora Gray at Ochiltree, Texas, July 1, 1909. To this union was born two sons, Dewitt and Cody. He accepted Christ as his Savior and was united with the Christian Church at Gray, Okla., in 1914. He remained a true believer and faithful follower during the remainder of his life.

Through his life he held many positions of honor and trust in the community and always served cheerfully in any capacity for the benefit of his neighbors and community.

Survivors are his wife, Cora Harris; two sons, DeWitt nd Cody; three sisters Mrs. M. A. Hawkins of Putman, Okla., Mrs. L. D. Foster of Binger, Okla., Mrs. H. R. Ralls of Everett, Wash.; one brother, B. P. Harris of Lamar, Colo.; one stepbrother, L. H. Burrus of Lubbock; four great-grandchildren and a host of relatives.

Mr. and Mrs. Amos Schuster and Janice returned last Thursday from Colorado Springs, Colo., where they attended the national meeting of Butane dealers, on Monday, Tuesday, and Wednesday of last week.

Mr. and Mrs. Harry Christianson and Linda Lee of Pasadena, Calif. have been visiting Mr. and Mrs. Clarence Haar and Dickie. Mrs. Christianson is Mr. Haar's sister.

Mr. and Mrs. Edwin Thomas left last Thursday for College Station, Texas. Edwin has enrolled at Texas A & M and is working on his master's degree.

W. M. McMillen of Durango, Colo. and W. E. McMillen returned Saturday from Jonesboro, Texas where they visited during the past week.

Mr. and Mrs. Lloyd Phillips and Leola and Mrs. Glenn Phillips spent the Memorial holidays in Greensburg, Kans.

Firestone
DeLuxe CHAMPIONS

THE thrilling Indianapolis 500-mile Sweepstakes is equal to 50,000 miles of ordinary driving. And this year, for the twenty-third consecutive time, Firestone Tires were on the winning car.

Imagine the punishment those tires took as they pounded and pulled over the grinding, tearing, blistering pavement at speeds far faster than you will ever drive! Could you ask for any more convincing evidence of extra safety and extra wear? Could there be any greater proof of the superiority of Firestone's patented and exclusive construction features? What a triumph for Firestone Research, for Firestone "know-how," for Firestone precision workmanship!

When you buy new tires, remember that your life may depend on their safety. Why take chances when Firestone De Luxe Champions cost no more than ordinary tires? Come in and see the new rayon cord Firestone De Luxe Champion Tires today.

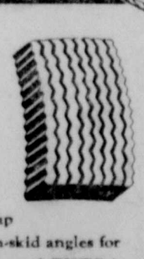

*Rayon cord bodies in size 6.50 and larger, extra-strength cotton cord bodies in smaller sizes until more rayon is available.

RAYON CORD* AT REGULAR PRICE

UP TO 55% STRONGER
Firestone special rayon cord is stronger and cooler-running. Firestone Safti-Sured Construction welds all of the body plies and tread together into an inseparable unit, providing EXTRA PROTECTION AGAINST BLOWOUTS.

UP TO 60% MORE NON-SKID ANGLES
The new Safti-Grip Tread has up to 60% more non-skid angles for greater traction and EXTRA PROTECTION AGAINST SKIDDING.

UP TO 32% LONGER MILEAGE
The new, wider, flatter, silent Gear-Grip Tread has a larger area of tread in contact with the road for slow, even wear. Especially compounded Vitamic Rubber assures EXTRA MILEAGE.

Perryton Girl Weds in Colorado

On May 23 in a wedding of quiet simplicity, Miss Lois McGarraugh became the bride of Maurice W. Wallace. The ceremony was performed by Rev. Jay Wilson of the Methodist church of Englewood, Colo.

Mrs. Wallace chose for her wedding a gold dressmaker suit with black accessories. Her corsage was of Hibbard and pink roses. Miss Ruby McGarraugh who was her sister's only attendant, wore a navy dress with white accessories and a corsage of pink roses.

Alfred Frohlick attended the groom as best man.

The bride, daughter of Mr. and Mrs. C. E. McGarraugh of Perryton, was formerly employed at Ft. Logan, Colo. She graduated from Perryton high school with the class of 1945. The groom, who was a technical sergeant in the air corps was released from service in December.

The couple are now at home at 432 South Broadway, Denver, Colo.

Bryan Food Store Employees Picnic

Employees of Bryan Food Store and their families enjoyed their annual Memorial day picnic last Thursday at Lake Fryer.

Fishing and outdoor games were the activities which the group enjoyed; fried chicken and ice cream highlighted the picnic menu.

Those present were Mr. and Mrs. Louis Bryan and Joan, Mr. and Mrs. W. C. Bryan, Mr. and Mrs. Carter Burkhart, Gene and Dean, Mr. and Mrs. Frank Herndon and Kenneth, Mr. and Mrs. Earl Love, Stanley and Glenn, Mrs. Edith Tucker and Paul, Miss Reba Gowin, Mr. and Mrs. O. C. Shearer, Mr. and Mrs. Ray Schweitzer, Earl Parrington and Wesley and Vernie.

Results prove that people read Herald want ads.

AT HOME IN LUBBOCK—Mr. and Mrs. Alton G. Blewer, whose marriage occurred on April 7 at the Lakeview Baptist Church, are at home to their friends in Lubbock, where both are employed. Mrs. Blewer was Miss Gloria Goettsche, daughter of Mrs. Lillie Mae Calhoun of Perryton prior to her recent marriage.

Birthday Dinner

Mrs. C. F. Jones served a lovely dinner Thursday evening, to compliment her son, Jerald on his birthday.

Plates were laid for Mr. and Mrs. Noel Keith, J. C. Jones, Mr. and Mrs. C. F. Jones and the honoree, Jerald.

Unfinished furniture. Chests, tables, chairs, vanities. Priced reasonably. 23-tf-c

Miss Smoot and Wendell Ferguson Marry at Liberal

Miss Velma Marie Smoot, daughter of Mr. and Mrs. Joe Smoot of Laverne, Okla. and Wendell D. Ferguson, son of Mr. and Mrs. Levi Blosser of Gray, Okla. were united in marriage at the home of Reverend Alma Albertson, in Liberal, Kans. Monday afternoon, May 27 at two o'clock.

The couple's only attendants were Mrs. Levi Blosser and Paul Noe.

Mrs. Ferguson graduated from the Laverne high school with the class of 1946. The groom graduated from Perryton high school in 1946, also, having been a student in the local schools for three years.

Mr. and Mrs. Ferguson will make their home on a farm in the Blue Mound community near Gray, Okla.

Those who attended the ceremony were Mr. and Mrs. A. C. Partridge of Perryton, Paul Noe, Mr. and Mrs. Levi Blosser and Gary, all of Gray, Okla.

Kent Apple, Patty Wood, Bobby Beck, Donna Jo Yates, Janice Schuster, Leah Lynn Wilson, Bonnie Humphrey, Patty and Robbie Logan, Buddy Osborne, Russ Thomas, Gregg Triplett, Carol Sparkman and Arch Allen Brashears.

Mr. and Mrs. George Seitz were in Canyon Thursday to bring Miss Marceline Renfro home from W. T. S. C. where she has been in school this winter.

Silver Wedding Observance Here Sunday, June 2

A dinner at the Hotel Perryton Sunday was held in observance of the silver wedding anniversary of Mr. and Mrs. Emery Castle.

Plates were laid for Mr. and Mrs. P. M. McGee, Mr. and Mrs. George Seitz, Mr. and Mrs. Marshall Stone, Jimmie Dick Key, G. B. Henry, Mrs. Alma Rorabaugh, Otha Castle and the honored couple, Mr. and Mrs. Castle.

Ruth I. Neufeld James M. Cooper To Wed July 5

Mr. and Mrs. J. H. Neufeld have announced the engagement of their daughter, Ruth Irene Neufeld, to James Morris Cooper, son of Mrs. J. J. Cooper, Greenville. The wedding will take place July 5 at the Methodist Church in Perryton.

The bride-elect is a graduate of Southern Methodist University at Dallas and will receive her master's degree from that school this month. Mr. Cooper received his Bachelor of Arts degree from Texas Wesleyan College, Ft. Worth, and will receive his Bachelor of Divinity degree from SMU theological school in December.

Yard Party on Sixth Birthday

A yard party marked the sixth birthday of little Miss Sue Ann Brashears when her mother, Mrs. J. H. Brashears supervised the play of the guests from 10:00 to 11:30 Saturday morning.

Assisting Mrs. Brashears was Sue Ann's grandmother, Mrs. Bertha Nave of Childress.

The birthday cake held the spotlight on the outdoor table, and it was served with ice cream sticks. Favors were presented those present.

On the guest list were Glenda McGibbon, Janye Todd, Gaynelle Leatherman, Barry Acker, Dixie Shannon Conley, Najean Boxwell,

Dixie Conley's Birthday Party

On Wednesday morning, a number of the small fry of Perryton were guests of Dixie Shannon Conley who observed her sixth birthday on May. 29. Following the gift inspection, the children went to the Ellis Theater where they enjoyed several motion picture shorts before they returned to the Conley home, 511 S. W. 2nd Street for their ice cream and cake and favors, which were all day suckers.

Those who helped make Dixie's birthday a memorable one ncluded Barry and Ann Acker, Stacy and Carl Wilson Ellis, Charon and Dixie Blank, Dewey Dean Blank, Janye Todd, Gaynell Leatherman, Donna Jo Yates, Judy Woodward, Connie Edwards, Carol Sparkman, Ann and Buddy Osborne, Sue Ann Brashears, Douglas Perguson, Russ Thomas and Dixie's brother, Benny.

Mrs. Ray Veale left Tuesday to spend approxmately six weeks in Amarillo.

Mrs. Geo. Clennan Honored on Wed.

A pretty shower tea last Wednesday afternoon in the G. L. Kengle home was a compliment to Mrs. Geo. Clennan. Hostesses were Mrs. Kengle and Mrs. G. W. Acker.

The pink and blue color motif was accented in the tea table laid with the crystal punch set, pink tapers in crystal candlabra and an arrangement of pink and white blossoms.

Seasonal flowers were used profusely throughout the entertainment rooms.

Mrs. Henry Richardson received the guests at the door; Miss Winifred Clennan was at the guest book and Mrs. O'Dell Ryan poured.

Mrs. Earl Freeman and Mrs. Lou Gallien left Perryton Wednesday for their respective homes. Mrs. Freeman who is returning to Denver, Colo. has been visiting her parents, Mr. and Mrs. J. M. Blasingame; Mrs. Gallien, who has spent some time with her daughter, Mr. and Mrs. Neal Thompson and Tanya Ann, and her sister, Mr. and Mrs. W. R. Cayler and Kay, is returning to her home in Rawlings, Wyo.

Mrs. Voorhees, Married Recently, Is Shower Honoree

Mrs. Jack Voorhees, who before her marriage recently was Miss Irene Latham, was complimented with a miscellaneous bridal shower Monday afternoon, Mrs. Ralph Pattison and Miss Ina Mae Pluitt were hostesses for the affair which was held in the B. L. Barnes home, 711 S. W. 3rd St., from three until six o'clock.

Seasonal flowers were used profusely throughout the reception rooms, and an arrangement of multi-colored snap dragons centered the dining table

Mrs. Voorhees greeted the guests in a navy suit accented with white accessories.

The refreshment pite was served to approximately 40 guests and many unable to attend, sent gifts.

Mr. and Mrs. C. E. Whippo and Mr. and Mrs. B. J. Phelps and Sammie were week-end guests of Mr. and Mrs. Bob Whippo, Kay Ann and Mary June at Boise City.

Mr. and Mrs. Fred Nies have moved from Wichita, Kans. to Perryton to make their home.

Wire Ahead

FOR ELECTRICAL LIVING

Adequate wiring is the key to full enjoyment of electrical conveniences to come

In planning your home of tomorrow make sure that the wiring will be adequate to take care of the many new appliances you will be using.

If your home is inadequately wired, you will be unable to enjoy the full measure of better living from your electric servants. Wiring that is too small drops voltage and makes your appliances work longer with half-hearted energy. Your appliances cost more to operate and give you less satisfactory service.

Discuss adequate wiring completely with your architect or building contractor. The difference between "skimpy" wiring and adequate wiring is small in cash, but great in satisfaction.

What Adequate Wiring Is and Does

Adequate wiring simply means an adequate service entrance, enough circuits of large enough wire and plenty of outlets and switches. Adequate wiring assures full-strength current at every outlet, freedom from blown fuses due to overloads, plug-in space for all your appliances and switches conveniently located for easy use.

$200,000 More REA Funds

Earl Waide, local manager of the North Plains Electric Cooperative, Inc., of Perryton announced Tuesday that approval of a $200,000 loan had been received from the Rural Electrification Administration for extension of present facilities.

The money will be used to construct 209 miles of additional distribution lines to serve 243 consumers. Construction will start during the later part of July if sufficient materials are available, Mr. Waide said.

At the present time the REA has a total of 215.3 miles of distribution lines completed in Ochiltree, Hansford, Hutchinson, Hemphill and Lipscomb and serving 153 consumers. When wiring is available this section is expected to serve 220 consumers. This unit was built at an estimated cost of $215,000.

Application for funds to construct an additional 300 miles of lines in this area will go into the administration this month, REA officials said. The section to be covered has already been mapped and tentative routes designated.

Hospital Notes

Visiting Hours:
10:00 a.m. until 11:00 a.m.
2:00 p.m. until 4:00 p.m.
7:00 p.m. until 9:00 p.m.

Charley Holmes is a hospital patient.

Ennis Burl Parsons has returned home from Camrick, Okla. after a week's visit with his uncle, Bob Johnson and family.

4-H Club Girls Met on Saturday

4-H Club girls met at the home of Virdie P. Wheeler, Home Demonstration Agent Saturday, and learned to use the pressure cooker. Four pints of green beans were processed. Girls present for the demonstration were Carolyn Dunlavy, Merle Hulsey, Jean Rae Bennett, Patsy and Jackie Carter.

Carolyn and Merle started planning menus that they plan to cook for their families which is part of their foods project for the year.

Mrs. Myrtle Collingsworth and Mr. and Mrs. John Foster had as their week-end guests, Mrs. W. L. Collingsworth, Mr. and Mrs. J. P. Collingsworth and children of Dallas. They also visited with Mr. and Mrs. W. L. Herndon and son. Mrs. Herndon and Mrs. J. P. Collingsworth are cousins and hadn't seen each other for several years.

Mr. and Mrs. Chas. B. Jackson and Pat are in Tallequah, Okla. this week visiting with Mr. and Mrs. Ramsey Smith.

Leroy Thomas, Pampa, who is attending college in Canyon, spent last week in Perryton with his uncle and aunt, Mr. and Mrs. E. W. Thomas. Leroy, a paratroopr during the war, was with the first wave that landed on Corrigedor in the Philippines. He stated that the casualties were light in the first wave as the Japs were unprepared. However in the next wave about three hours later, losses were heavy. Serving in the same group of paratroopers with Leroy Thomas was "Sally" McClung, who injured an ankle when he landed.

Dr. D. B. Pearson is in Oklahoma City where he underwent an eye operation.

D. R. Gaither and his nephew, Lloyd Lee Parham of Hooker, returned Thursday from a business trip to Kansas City. They made the trip via plane, and while they were gone, Mrs. Lillie Parham of Hooker visited with the daughter, Mrs. Gaither. She returned home in time for Memorial day.

Mrs. Viola Kile and son Jackie came in from Wichita, Kans. last Tuesday for an indefinite stay with her brother, Mr. and Mrs. Chas. Kennell.

Monday guests of Mr. and Mrs. A. C. Witt were Mr. and Mrs. Henry Lyle of Amarillo.

HARVEST INSURANCE
(Texas and Oklahoma)
We can write Fire and Lightning Insurance on your Wheat and other small Grain while standing in the field. Our insurance also protects you during harvest operations and while the Grain is being hauled, and after you have stored the Grain on your premises.
We can insure your Harvest Machinery such as Tractors, Combines and Trailers. This insurance extends to cover against loss from Fire, Lightning, Tornado, Cyclone, Explosion, and being Run Into by a Truck, Train, Automobile or other Vehicle.

BARNETT'S BAKERY
which will be known as
LESLIE'S BREAD
AND
PASTRY SHOP
We have recently purchased Barnett's Bakery and in making this announcement, we want to extend an invitation to the public to come in and get acquainted. We are not newcomers to Perryton by any means but during the time we have been away, many new people have moved here.
While flour, shortening, fruit and sugar shortages still exist, it will ever be our aim to produce as good a product as this shortage will enable us. We believe that these conditions will improve in the near future and as they do you can expect far better products and a far greater selection of pastries. You will find in our line at the present time White and Whole Wheat Bread, French Bread, Dinner Rolls, Sandwich Buns, Pies, Cakes, Sweet Rolls, a large assortment of cookies and many other items. We want you to make our place your headquarters for all kinds of baked goods. For some time our bread will appear in the Barnett Bakery wrappers, but in the near future you will find it in a new and colorful wrapper labeled with Leslie's Bread and Pastry Shop.
Go to your grocer for Leslie's Bread. You will find it in all stores as well as at our bakery.

A heavy rain fell here last Tuesday and a few light showers have fallen the last few days.

Mrs. Arthur Kreiger, the former Sylvania Gordon, eldest daughter of Mr. and Mrs. Jim Gordon, died during a tonsillectomy at Hooker, Okla., Tuesday. Mr. and Mrs. Kreiger were married May 18, 1946 at Liberal, Kans., and had been living at Hooker. This is the second death in Mr. and Mrs. G[illegible] family in less than a year, their youngest son being killed last July in a fall from a tractor. The community extends its heartfelt sympathy.

The community was saddened also by the death of the infant son of Mr. and Mrs. Maynard Smith of Turpin. Mrs. Smith is the former Betty Nolder, daughter of Adrian Nolder. Our sympathy goes out to the young parents in their loss.

George Kirton moved cattle to grass pasture on the John A. Beck farm Monday.

Mr. and Mrs. Bill Casdorph who have been in California for some time are visiting relatives and friends. They may decide to locate here somewhere.

Mr. and Mrs. John Winter were in Beaver Wednesday.

Marilyn Rodgers spent Friday with Mrs. John Winter.

Mrs. Jack Woodward, Judy and Tommy and Mrs. Ellen Robertson of Amarillo were in Mobeetie for Memorial Day. They went on to Amarillo to take Mrs. Robertson, and Mrs. J. H. Woodward and her granddaughter, Sue returned to Perryton with them. Sue will visit here for pproximately two weeks.

Christian VBS To Close Sun.

A unified service at the First Christian Church Sunday morning will mark the conclusion of the Vacation Church School and the annual Children's Day Observance, Rev. Ward H. N. Gregg announced Tuesday. The program will begin with the Bible School hour at 10:00 a. m. and will end at noon with a display of work done by the children in the Vacation School.

The theme of the Vacation School, "The Church," will be the subject for the Sunday morning worship program. The ordinance of the Lord's Supper (Communion) will be observed during the worship service. Biblical drama, Scripture, music and song will feature the children's portion of the program.

A cordial invitation is extended to members and friends of the church to attend this service.

Mrs. F. B. Sumpter went to Canyon Monday to take Miss Carol Ann Larky who has enrolled at W. T. S. C. for the summer term. Miss Larkey registered Tuesday and is living at Cousins Hall on the college campus.

Miss Kay Freeman of Nashville, Tenn. who was a guest in the J. R. Thomas home the past week left Thursday for Gulfport, Miss.; Miss Naomi McCarley of Ennis, Texas, another houseguest of the Thomases returned to her home Sunday.

Miss Carol Asbury, who has been a guest of Mr. and Mrs. Sibley Jines, Sidney and Doris, for the past week left Tuesday to return to her home in Indianapolis, Ind. Sidney Jines toog her as far as Amarillo.

• Dombey, Okla.

We wish to thank the friends who sent Ralph Lee Kulow graduation presents although he is in the South Pacific serving his country. His friends did not forget him. Thank you. His mother.

Mrs. George Gilbert is visiting her mother while she is sick.

Miss Lois Neill returned Sunday from Oklahoma City where she went to do some shopping.

Mr. and Mrs. George Gilbert and son, Carl, and Mrs. J. R. Kulow were guests of Mrs. Tillie Neill Sunday evening.

Mrs. Tillie Neill entertained the Turpin Faculty at a chicken fry Monday evening, Ma. 20. The evening was spent in playing cards. Mrs. Duncan and Jo Ann Hibbler were additional guests.

Mrs. Frank Martin has sold her farm to Mr. and Mrs. Lester Pyle for $7,500 and is moving to Liberal. Mrs. Martin has purchased a rooming house.

Mr. and Mrs. John King received a telegram from their son, Estel Lee King, that he had arrived in the States from the Philippines.

The Kulows, the Neills and Mr. and Mrs. Compton Tate enjoyed a picnic at Ligerts Park Memorial day.

We are sorry to hear of the sudden death of Lalvenia Gordon. We extend our sympathy to the bereaved ones in their sorrow.

Congratulations to Miss Jo Ann King for winning the National Contest in Sewing and may you have a lovely trip to New York City.

Word was received of the marriage of Mrs. Bernice Turner to Virgil Shepherd at Brownwood, Texas. Mr. Shepherd was reared in ths community. They will make their home at 417 Austin Avenue, Brownwood, Texas. Mr. Shephard is a brother of Mrs. J. R. Kulow of Dombey.

• Boyd, Oklahoma

A misty rain Saturday night and most all day Sunday. Weather is quite cool.

A large crowd attended Memorial Day Services at Bethany and enjoyed the address given by Bro. Bryan.

Miss Patsy Colleen George, Perryton, spent last week with her grandparents, Mr. and W. A. George and entertained her friend, Miss Donna Belle Gift, Thursday evening and Friday.

The Overton brothers, Hardesty, planted the Ed Claybrook fields in broom corn last week.

Mr. and Mrs. Vic Hall and children were in Perryton Saturday.

Mr. Guyton and Ed Claybrook attended the sale at Beaver Wednesday.

Frank Reimann and his mother were shopping in Liberal Saturday.

Mr. and Mrs. G. C. Brillhart drove to the Ed Claybrook farm for some chickens.

We had as Sunday callers: Mr. Barnsgrove and son, Julis Reimann and son, Frank, and Johnnie Sillars.

Ed and Emma Claybrook visited in the W. A. George home Thursday evening.

Mr. and Mrs. Frank Patterson and Mr. and Mrs. Carter Burkhart, Dean and Gene, all of Phillips, visited Saturday night and Sunday with Mr. and Mrs. Sam Burkhart. Sunday was the birthday anniversary of Mrs. Patterson.

Mr. nd Mrs. Maloney and children and Mr. and Mrs. Chas. B. Jackson wre in Hazelton, Kans. Wednesday and Thursday for Memorial day observances.

Visitors in the home of Ellis Matthews Sunday afternoon were Mr. and Mrs. Frank Gipson, Karol Ann and Jimmy, Mr. and Mrs. Kenneth McLain, Sandra and Randall.

Ten Local Men Released from Service in May

According to the records of Sue Ragan, clerk for the Ochiltree County Selective Service Board, ten registrants through the local board reported discharges from the armed forces during the month of May.

Reporting within ten days, the prescribed time under the law, were Erich Henry Buschmann, Jack Osborne, Elton Sythons, Albert Roy Hoghland, Jr., Grady Howard Yeary, John Foglesong, Donald Carl Ellis, Paul Allen Pletcher, Guyton Edward Robertson and Kenneth Lee Anderson.

Local Goal For Endowment Fund Falling Short

Ochiltree County has not come through with its quota in the statewide campaign of the Americanism Endowment Fund under the direction of the American Legion, it was announced Tuesday by local sponsors. A total of $70 has been contributed as follows: Pierce Johnson Post No. 294 of The American Legion, $50; C. B. Rogers, $10; Van W. Stewart, $10. The goal for this county is 499.

The campaign organization in Ochiltree County is under the co-chairmanship of Carl Ellis, president of the First National Bank of Perryton and Giltner LaMaster, commander-elect of the Pierce Johnson Post. Contributions may be [illegible] either.

The Americanism Endowment fund is a trust fund administered by 31 trustees prominent in business [illegible] the professions and public life which was set up to meet the tremendous responsibilities facing postwar America by means of a broad program of public welfare work and education in the duties and responsibilities laid upon every citizen by the Constitution.

President Truman is honorary national chairman of the campaign, Governor Coke R. Stevenson and the Governors of 46 other states are honorary state chairmen.

Methodist Bible School Contines

The Vacation Bible School now being conducted by the Methodist Church is receiving good attendance, according to Rev. H. L. Thurston, pastor. The school opened Monday, June 3, and will continue thru Thursday, June 14. Classes are being held from nine until eleven each morning except Saturday and Sunday.

The general theme of study for all departments of the school during the period is the Bible. The kindergarten course is "Our Home and Family," leader, Mrs. Harold Malone. Primary study is "Outdoors in Palestine," leaders, Mrs. Fred Osborne and Mrs. F. L. Garrett. The junior study course is "What is Your Bible"; Mrs. H. P. Richardson is leader. The intermediate course is "Our Living Book"; Mrs. Cecil Dodd is leader.

Miss Carmenita Wright returned to Waco this week to resume her studies at Baylor University where she is a senior student.

Sue and Dickie Lewis, Borger, are visiting in the home of their grandparents, Mr. and Mrs. I. H. Sharpe.

H. D. Agent Cites Styles

If you're going to make a summer dress or "do over" an old one, what are some of the style trends you might consider to give that "brand new" look?

Well, for one thing . . . longer skirts are characterizing new clothes. For after-dark wear, hem-lines are down at the mid-calf, according to stylists. But sleeves probably are the first indicator of the age of a dress, according to Virdie P. Wheeler, Home Demonstration Agent. She says three types are especially good this season: The full bishop sleeve, the pushed-up sleeve, and the straight "bracelet" length. Rounded shoulders are one of the year's most significant fashions.

Then there's a tendency toward smaller waistlines. And along with that the decorative belt is popular again. In fact, a belt that makes the costume is the season's most important accessory. You can choose one that's wide, narrow, straight, curves, glittering or plain. In a good many instances you'll find belts used to join a blouse and a skirt.

One more thing . . . necklines continue low, and skirts are fuller.

Now about hats . . . Well, the high hat . . . the cloche . . . is especially popular . . . and that has brought about shorter hair, as well. Bangs have replaced the page boy trend . . . no doubt about that, and most hair styles just now show the shape of the head.

Mr. and Mrs. Werner Lehman, who have been living in Denver, Colo., are now in Amherst, Colo. Werner writes, "am now working in a garage as a mechanic and like it fine. Wheat looks like it will make 50 bushels an acre."

Local Man on Federal Panel

Serving on the first federal grand jury anel to be held in Amarillo in seven years is Wesley Bryan of Perryton. The grand jury adjourned Monday without returning any indictments and will reconvene during this week.

The jury was called because of the large number of post office burglaries and other post office violations which have occurred in this territory in recent months.

Other members are: Charley Wells, Lela; Jim Taylor; Stratford; W. W. Noblett, Clarendon; O. L. Gunkey, Tulia; H. A. Hudges, Plaska; R. F. Bownds, Texline; Dick Sweat, Wellington; H. L. Powell, Panhandle; J. G. McFarland, Friona.

Edwin M. Carr, Channing; Orlin Stark, Quitaque; F. J. Debrecht, 1621 Hughes, Amarillo; D. M. Roper, Darrouzett; Roy M. Byrd, Canyon; John C. Haynes, McLean; DeWitt T. McGeehee, Wayside; John F. Cates, Childress; W. W. Braden, 2402 Lipscomb, Amarillo; L. K. Leathers, Lelia Lake; Travis M. Dameron, Hereford.

Judge James C. Wilson states that there are 22 members on the federal grand jury instead of the customary 12 members for state courts. At least 16 members are required to be present for transaction of business, and the action of 12 jurors is a mandate to the entire jury.

Perryton Sales Co. Closes for Harvest

Kenneth Munger, manager of the Perryton Sales Company, stated Tuesday that the Friday, June 7, sale will terminate activities of the company until about the middle of August, or after the harvest season in this locality is over. Regular weekly sales will be resumed at that time and will be operated in the same manner as in the past.

Visitors over the week-end in the home of Morris and Hallie Payne were W. J. and Charles Tuley of Austin.

Boss Man Now

Veteran catcher Bill Dickey, who broke in with the New York Yankees in 1928 at 21, appears pleased with his new job managing the team he starred with for 17 years. Dickey, now 39, from Little Rock, Ark., succeeds Joe McCarthy, who resigned due to ill health.

VFW Post Meets Friday, June 7

Commander O. C. Watson, commander of the Tri-County Post No. 7107 of Veterans of Foreign Wars, announced Tuesday that a regular meeting of the organization would be held in the Legion hall Friday, June 7. The meeting will be called to order promptly at 8:00 p. m. and all members are urged to attend in order to dispose of pertinent business and to discuss plans for participation in the birthday celebration for Perryton in August.

The organization recently voted to hold two meetings monthly on the first and fourt Friday. The latter meeting will be social and entertainment affair.

SERVICEGRAMS

John B. Hardy, MOMM 3/c of Green Cove Springs, Fla. spent a ten day leave recently with Pfc. Ben T. Hardy of Ft. Belvoir, Va. This is the first time the brothers had seen each other since January, 1945. They visited many interesting places including the National Museum, Shakesperian Library, Congressional Library, Arlington farms, Lincoln Memorial and Washington's home at Mt. Vernon.

* * *

Private Orem K. LaMaster, who has been stationed at Camp Crowder, Mo., reports a transfer to the 156 General Hospital, Denver, Colo. He is a son of Mr. and Mrs. W. B. LaMaster.

* * *

Cpl. Kenneth L. Anderson has returned to his wife and little 20 months old daughter with an honorable discharge. Kenneth served with the 20th Air Corps and saw active service on Saipan. He was discharged April 4, at Fort Bliss, Texas.

Mr. and Mrs. Max Boyer and Don were in Tucumcari, N. Mex. over the week-end, guests of the Stiner Masons.

Miss Claudia Patton of Mobeetie is visiting in the home of Mr. and Mrs. Ellis Matthews, Joyce Anne and Nina Sue.

cent of the butter is going into the black market, Charles W. Holman, secretary of the National Cooperative Milk Producers told the Senate Agricultural Committee last week. Combatting OPA price controls an dsubsidy programs, Mr. Holman asserted they would cost taxpayers "up to $1,000,000 by next April."

The imposition of price control as a permanent fixture . . . as envisioned by some leftist bureaucrats would be vigorously opposed" by the American Federation of Labor, its executive council asserted last week in Washington. Calling the administration of price control "glaringly unsatisfactory," the AFL ruling body added that "we do not like OPA or any other form of government control over the nation's economy."

OPA admits it! The OPA itself reports now that consumer goods pretty well hold the price line when controls are removed, according to the Scripps-Howard newspapers. On April 8, OPA suspended price ceilings on a number of articles ranging from coat hangers to lawn sprinklers. Prices were checked that day in three Washington stores. On May 15, five weeks later, the same stores were visited and prices checked. In most instances the prices on the de-controlled items were unchanged; in a few cases there were increases . . . but none more than a few cents.

The sick in Perryton homes and hospitals, war veterans with shattered nerves and vivid memories of things they would like to forget . . . these were the victims of the outlandish behavior of Perryton youths . . . and some not so young . . . during the past few days with a night and day bombardment of fire crackers and fireworks. It was the most unrestrained exhibition of disturbing the place that we have ever witnessed.

Banned in most cities by law from selling fire crackers and fire works, vendors have evaded the intent of the law by setting up roadside stands and selling from parked cars just outside the city limits.

A number of these guilty in the city-wide moise and peace disturbance rampages were taken in custody and before being released, warned that they would be prosecuted for disturbing the peace if they did not stop.

Officials at first were not aware that there was a city ordinance prohibiting the firing of crackers and fire works in the city limits. However a search of the ordinance record revealed that such an ordinance was passed in 1922 prohibiting both sale and firing of fire works.

Mayor G. T. Leatherman says that the law will be enforced and that officers have been instructed to arrest and bring before him any violaters of the ordinance. He adds that they will not get off with a warning in the future.

Every time we hear the put-put-put of the now-so-popular motor scooter, we wonder just how long it will be before we hear the ambulance's siren as it rushes to pick up the crushed body of some little boy or girl. The reckless driving of these small motor scooters on Perryton streets constitutes one of our greatest traffic hazards.

And we are wondering if Perryton parents are aware that most of these scooters are being operated by illegal drivers. A regular motor drivers license is required to operate a scooter, motor cycle, automobile or any other motor driven vehicle on the streets of Perryton or the highways and by-ways of Texas. Do not take our word for this, just ask any peace officer. If your boy or girl is old enough to have a drivers license, then he or she can operate a scooter legally.

City Clerk M. M. Cudd tells us that he has a stray dog at his home. It is a livered colored, small size bird dog. Milan says that he apparently is a well bred and trained dog and is probably valued very much by his owner. Milan, who is a dog lover and bird hunter, will gladly return him to his owner.

ANNOUNCEMENTS

The Ochiltree County Herald is authorized to announce the following as candidates for nomination subject to the action of the voters in the Democratic primary to be held Saturday, July 27, 1946.

other indices, the money is available in Ochiltree county for meeting the goal.

Nathan Adams, chairman, of the Texas drive, states that the theme of the drive will be self interest in backing the individual's future in the same manner in which they backed the attack.

All through the war years Ochiltree county came to the forefront in purchase of war bonds to aid the prosecution of the war. Now is the time to promote their own welfare on a more personal basis. A dollar invested in a war bond will return 25 cents in ten years on the investment and will provide necessary funds for home improvements or a start in new business or any number of things which without funds couldn't be accomplished.

No. 7

Contined from Front Page

cording to word received here.

Funeral services were held at the First Methodist Church in Canadian, May 27 at 3:00 p. m. with Rev. Joe E. Boyd, Methodist pastor, officiating. Burial was made in the Canadian cemetery.

Pallbearers were Frank Cole, Blue Clark, Dr. Hollis Spiller, Noble Trueblood, C. R. Higgins and Othello Miller.

Mr. Hogue was born in Franklin, Pa., in 1896, coming to Texas while still a young man. He was widely known in this section for his large collection of Indian arrow heads and objects of native art and culture. His collections have been on display in most of the museums and colleges of the Panhandle, as well as shown in the State Fair at Dallas.

He was also an amateur poet of renown and many of the readers of the Panhandle are familiar with his work.

In addition to his wife, he leaves to mourn his death, one son, Buck Hogue of Borger;; two daughters, Mrs. Ashley Barnard of Pasadena, Texas, and Mrs. Albert Cobb of New Dealing, La.; nine grandchildren and a host of friends.

No. 6

Drug Co., Sanford Drug and City Drug. Donors during last week were Mr. and Mrs. J. H. Neufeld, $100; Mr. and Mrs. O. E. Enterline, and Mrs. A. M. Horan, $3. Direct donations may b left with Mr. Payne at the Stewart Printing Co. Collections close June 15.

Cash donations are being accepted in Ochiltree county for the purchase of food through the Emergency Famine Relief Program on the east and west coast in order to circumvent shipping food for reshipment overseas. All money collected will be turned over to UNRRA for distribution where needed the most.

The countries receiving UNRRA assistance are Albania, Austria, Byelorussia, China, Czechoslovakia, Dodecanese Islands, Ethopia, Finland, Greece, Hungary, Italy, Koren Philippines, Poland, Ukraine and Yugoslavia. Six other liberated countries in Europe eligible to receive the food are: Belgium, France, Netherlands, Denmark, Luxembourg and Norway.

According to the national chairman of the drive, Secretary of Commerce Henry A. Wallace, the single largest contribution to the drive has been received in an anonymous gift of $6,652.43 representing the life-savings of a working woman in a West Coast city.

No. 2

Continued from Front Page

present conditions indicate that ample combines and farm labor will be available. The County Extension Service reports that there has been approximately 250 units contacting their offices thus far and indications are that they will move through this area as the harvest progresses northward. More than 30 combines from outside this area were counted in Perryton Tuesday.

Bsed on 300 combines used during last harvest and placed through the extension service, it would appear that the supply will be adequate. Last year this service made 1,311 farm hand placements in this area.

Hood Wills, county agent, said that the same plan for handling labor as used last year would be employed. Card indexs are maintained of all migratory harvest hands and equipment expecting to move with the ripening grain. Farmers will be able to contact these people through the cooperation of the state-wide county extension services in keeping the indexes up. J. W. Buckley will assist the local extension service at their downtown office which will be centrally located as in the past.

Concerning the marketing of the 1946 crop, a marked diversion from the procedure of countless preceding harvests, is explained by the following excerpts from Chapter XI "Production and Marketing Administration," a war food order concerning grain issued May 22, 1946, by the Secretary of Agriculture:

(1) The requirements of this paragraph shall apply only to wheat grading No. 3 or grading No. 4 or No. 5 on test weght. No producer shall deliver such wheat to a country elevator, or by truck, wagon, or water to a sub-terminal elevator, terminal elevator or mill elevator unless, within 15 days from the time of delivery, not less than one-half of all such wheat shall be sold to such country elevator, subterminal elevator, terminal elevator, mill elevator or to a merchandiser, miller or other processor, provided, however that this provision shall not apply to wheat delivered for the account of the Commodity Credit Corporation.

(2) No merchandiser, miller or other processor, and no owner or operator of a country elevator, etc., shall purchase or accept delivery of wheat unless he shall: Set aside, reserve and hold for delivery to the CCC not less than one-half of all wheat purchased by him from producers."

This, in short, means that one-half of all wheat delivered by farmers must be sold. The elevator must in turn reserve one-half of this amount for Commodity Credit Corporation.

No. 5

MARQUETTE Farm Welders!

The Farmer's Repair Man

Yes, the Marquette Farm Welder is literally your own Repair Man. It works hardest for you when needed the most and eats only when it works and then just a nibble.

Breakdowns of vital farm equipment during important seeding, growing and harvesting seasons can be quickly and efficiently welded on the spot to save valuable crops or ruinous delays. You don't have to disassemble equipment and go to town for expensive replacement parts or welding repairs when you have a Marquette Farm Welder no further than your own tool shop. Just snap on the switch and select the proper welding rod to sew up a broken hitch, a cracked water jacket, a broken frame or casting. It's as simple as that.

It Pays For Itself

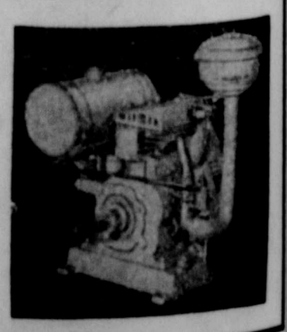

Repair bills can eat up profits that should stay in your pocket. Crops and weather don't wait for long drawn out repairs during critical seasons. A Marquette Farm Welder is your best insurance against delays caused by equipment breakdowns.

Build New Equipment

With that typical American Farmer's ingenuity you can build your own steel gates, hay loaders, trailers, water tanks, manure conveyors and hundreds of other useful tools and equipment you have needed. Welding simplifies the building of all kinds of implements and appliances to make your job easier.

SUNDAY LESSON

Jesus an Effective Organizer as Well As Great Teacher

The International Sunday School Lesson for June 9
Scripture: Mark 6:7-13; Luke 10:1-2; 14:25-27

• • •

IN his book, "The Man Nobody Knows," Bruce Barton writes of Jesus as comparable to the big business executive of today.

We think of Jesus as the quiet Teacher speaking in parables, traveling about surrounded by His disciples. Actually, He was an effective organizer, carefully instructing and training His disciples, sending them forth to be "fishers of men" much as the master salesman of today might direct a sales force.

In a sense, these disciples were going forth to "sell" the Kingdom. They had a gospel to proclaim, and Jesus told them how to do it, as He gave them the incentive to go about it.

The Twelve weren't always with Him. He sent them out through the villages, two by two; and they were apparently so successful in their mission that He appointed 70 more, whom He trained and sent out in the same way. Part of their mission was to go into the places to which Jesus would himself come. In present-day terms, they might have been called advance, or publicity, agents.

But they were more than that. Jesus had told them that they would have power, and they returned from their mission full of surprise and rejoicing, saying, "Lord, even the devils are subject unto us." They might have had their heads turned by such success, but Jesus bade them to rejoice rather that their names were written in heaven.

These men had something real and positive to declare. They could tell of the wonderful Man they had come to know—of how He found them and they found Him. They could say, "Come and see."

The world needs today more of that simple, early Christian evangelism—people telling in plain ways of the Christ they have found. The method that Jesus employed has had the same results whenever and wherever put into practice by His followers.

Christian Science

"God the Only Cause and Creator" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 9.

The Golden Text is: "The Lord is the true God, he is the living God, and an everlasting king: . . . He hath made the earth by his power, he hath established the world by his wisdom, and hath stretched out the heavens by his discretion" (Jeremiah 10:10, 12).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "In the beginning God created the heaven and the earth" (Genesis 1:1).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "All that is made is the work of God, and all is good" (page 521).

LUTHER P. CUDWORTH
Incoming President of The First Church of Christ, Scientist, in Boston, Massachusetts

• • • •

Announcement of the appointment of Luther Phillips Cudworth, C. S. B., of Boston, as President of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, was made today by The Christian Science board of Directors.

Mr. Cudworth at various times has served as Purchasing Agent of The Christian Science Publishing Society, a Director of Christian Science Welfare Activities in Portsmouth (New Hampshire) Naval Prison, Committee on Publication for the State of Oregon, and as First Reader of First Church of Christ, Scientist, Marshfield, Massachusetts.

Spring House Cleaning Aids Health Control

AUSTIN—A good old fashioned spring house cleaning in every city and community in Texas would do a great deal toward furthering good health in this state, according to Dr. Geo. W. Cox, State Health Officer, who said in Austin today, "From a practical standpoint the old adage that 'Cleanliness is next to Godliness' is still well worth emphasizing."

A general clean-up program of state-wide proportions with the objective of bettering health conditions for our citizenship should include surface cleanfng, drainage, the graveling of streets and alleys, the cleaning of all parks and playgrounds and the clearing of weeds and rubbish off of vacant lots.

"The destruction of mosquito breeding places and rat harborage, the proper disposal of garbage and trash and the general cleaning up of all premises will be," said Dr. Cox, "of inestimable value in helping to keep down summer health hazards such as dysentry, typhoid, and poliomyelitis. Good community housekeeping and ordinary sanitary measures require the prompt removal of all waste matter in and around yards and homes in order to abate the danger of such diseases, and insure good health protection throughout the State."

Dr. Cox stressed the fact that many dangerous diseases are filth-borne and the only possible way to control the is to eliminate the insanitary conditions responsible for their spread.

Beery and O'Brien Captivating Team in 'Bad Bascomb' at Ellis

The story of a tiny orphan girl who brings a Bad Man of the West to his knees, will be unfolded on the Ellis screen Sunday and Monday, June 9-10, in "Bad Bascomb," new M-G-M picture, co-starring Wallace Beery and Margaret O'Brien.

Teaming of the veteran Beery and the talented Miss O'Brien is a master-stroke of casting, for the two offer a fascinating contrast in their respective roles of an amiable but hardened bandit and the little girl who proves she can hold her own with the toughtest.

It is this curious attachment of the ill-assorted pair that brings an unusual tenderness and appeal to the narrative of a bandit and his accomplice in thievery who join up with a caravan of Mormons in order to escape detection.

Bascomb finds his toughness of no avail against the wiles of the affectionate little child, and finds himself working much against his will as a handy man to Marjorie Main, playing a sharp-tongued widow and, incidentally, contributing one of the funniest portrayals of her career.

When this apparent softness upon the part of Bascomb interferes with their plans to steal a bag of gold carried by the Mormons, his henchman, Yancey, steals the gold himself, in the process killing the Morman leader who has befriended them. This act brings upon him the wrath of Bascomb and, in return, Yancey leads a pack of Indians in an attack on the caravan.

The story is brought to an unexpected ending in a turbulent climax, with Bascomb proving himself as much a hero as he ever was a dangerous bandit.

Wallace Beery, who has always been skillful at presenting a character whose gentleness is hidden behind a hardboiled exterior, again offers a meaty performance, while little Margaret O'Brien, as the captivating Emmy, tops anything she has ever done before. J. Carrol Naish is excellent as the ruthless Yancey and other players deserving of mention include Frances Rafferty and Marshall Thompson, as a romantic couple, Russell Simpson as leader of the Mormons, Warner Anderson and Donald Curtis.

Filmed in the Jackson Hole country of Wyoming, last stronghold of the old West, "Bad Bascomb" lend itself to spectacular photographic backgrounds. It can be recommended as all-around entertainment.

There's plenty of gunfire and excitement when Wallace Beery and J. Carrol Naish hold up a bank in one of the fast-action sequences of "Bad Bascomb," coming to the Ellis screen, Sunday and Monday, June 9-10. And Bad Man Beery has a new leading lady in this new Western thriller—none other than little Margaret O'Brien!

Durante in New Film Hit Soon

Jimmy Durante dances for the first time in his thirty-five years as an entertainer.

The "Schnozzle" makes his hoofing debut with pert Kathryn Grayson in M-G-M's gay new musical "Two Sisters from Boston," coming to the Ellis screen Thursday and Friday, June 13-14. Miss Grayson and June Allyson are the two sisters of the title, with Lauritz Melchior and Peter Lawford other headliners in the cast.

The story, centering on Miss Grayson's attempts to reach the grand opera stage via a Bowery beer hall floor show, gives Durante a field day for his varied talents. He sings, dances, plays the piano, makes faces — and even acts!

Among the numbers in which the comedian participates — either as dancer, singer or piano accompanist —are "The Fire Chief's Daughter," "Down by the Ocean," "After the Show" and "G'wan Home Your Mudder's Callin'." The songs are the work of Sammy Fain and Ralph Freed.

An ear of corn has an even number of rows of kernels.

Rae June Decker of DuQuoin, Ill., shows you her smile and the trophy she won as first prize at national high school speech tournament at Chicago, sponsored by National Forensic League.

don herold says:

If I owned a business, I think I'd be tempted to close it up and go fishing the rest of my life.

If I had 1000 people working for me, this would throw them out of jobs. But I couldn't stay in business just for fun, and, anyway, business is no fun these days, and fishing is.

The Government is trying to make a sandwich out of business — pushing up labor costs from below and holding down selling prices from above.

I would not mind the fight which my competitors would give me on prices. I don't mind a fair fight. What I don't like is a fixed fight.

'Texas Jamboree' Saturday Film Hit

Columbia Pictures' "That Texas Jamboree," latest in the studio's series of big-time action musicals, is coming to the Ellis Theatre Saturday, June 8. The Hoosier Hotshots from the National Barn Dance, Ken Curtis, Jeff Donnell, Andy Clyde, Guinn (Big Boy) Williams, Robert Stevens, the Dinning Sisters, Deuce Spriggins and his band with the Plainsmen and Carolina Cotton are the featured performers. The screenplay, written by J. Benton Cheney, was directed by Ray Nazarro.

Macready Plans G. I. Ball Team

George Macready, the arch villain of Columbia Pictures' new psychological mystery thriller "My Name is Julia Ross," in which he is currently co-featured with Dame May Whitty and Nina Foch at the Ellis Saturday, June 8. Preview at 11:45 p. m., is organizing a professional football team to be composed entirely of discharged men of the armed services.

Macready, who was manager of the Brown University team in his college days, will scout the country for G. I.'s with football experience, and enough points to rate a discharge.

Supersonic wind tunnels necessary for the Navy's experiments in high-speed missle development are costly articles, but Naval scientific authorities are cutting expenses considerably by simply dismantling some of the excellent installations built by the Germans and bringing them into this country. German scientists, whose ingenuity may prove to be the most valuable item in U. S. reparations from the Reich, will be employed in construction and operation of the imported equipment.

Everything for the business office at Stewart Printing Co.

"Yank in London" Shows at Ellis

The exciting story of a boy from Times Square who brought to a girl from Grosvenor Square a love she never dreamed of is the theme of "A Yank in London," the new 20th Century-Fox release presented by the Associated British Picture Corporation, Ltd.

The film, which shows Tuesday and Wednesday, June 11-12 at the Ellis Theatre, stars Anna Neagle, Rex Harrison, Dean Jagger and Robert Morley.

Unfolding a story that might be that of any Yank who ever met, wooed and won a girl, "A Yank in London" is said to be packed with romantic excitement and drama throughout. Avoiding the usual boy meets-girl pattern, the film resolves the conflict of Yank and English backgrounds in an unusual and suspenseful manner, its fast-moving action leading to a thrilling surprise climax.

The U. S. Navy Office of Research and Inventions expects altitudes up to 500,000 feet will be reached by rocket vehicles to be provided by contracts now being negotiated by the Navy.

Come in today! Make your choice the tire that
OUTWEARS PREWAR TIRES!
Tires are arriving every week—perhaps we have your size now!

The new Silvertown tire with a wider, flatter tread puts more rubber where you need it—on the road! It has a *stronger body* with tougher cords and more of them plus two *breaker strips* to cushion sudden blows that sent that hub cap flying on Jimmie Lynch's car above.

Result? A tire that's safer than prewar tires because it grips the road better when moving, hugs it tighter in stopping. A tire that in laboratory tests resists bruising better than prewar tires. A tire that actually OUTWEARS PREWAR TIRES—even at high speeds!

Perhaps we have your size in stock. You'll get yours sooner, if you order today.

WITH AIR CORPS — Private Lawrence Junior Anderson of this city volunteered for service in the Army Jan 7, 1946. After spending two weeks in the armed forces, he signed with the Air Corps for a three year hitch. Basic training was received at Camp Chaffee, Arkansas, and he was later transferred to Keesler Field, Miss., where he received additional training. At the present time he is stationed at Chanute Field, Ill., where he will remain until further orders. His address is Sqdn. T, Bks., 234 A. A. F., Chanute Field, Ill.

"The Colonel mows prairie grass for his hen nests with that gun. He just fills it to the muzzle with bird shot, then steps down into a gulch so that his arm can come on a level with the grass, then gives a sweeping motion as he pulls the trigger and down goes the grass."

Anyhow, such stories were told that none among those coming up for arraignment ever dared question the judge's ruling—especially after getting a glimpse of him sitting on the bench picking his teeth, as he sometimes did, with that terrible Turkish knife.

Rug Buyers Should Be Quality Minded

COLLEGE STATION — Judging quality and wear in new rugs may be a problem to many homemakers according to Mrs. Bernice Claytor, specialist in home improvement for the A. and M. College Extension Service, and she has several suggestions to prospective buyers.

The amount of wool in the rug, the contruction of the rug, and the quality of the wool itself determine quality and wear in the rug.

Assuming that the wool is of good quality, the rug with a greater amount of wool will be a rug of higher quality, Mrs. Claytor says. A label will usually tell whether the wool used is worsted or woolen. Worsted rugs wear well and look well, but the initial cost is apt to be high.

Both sides of the rug should be carefully examined to check on construction. A high-pile rug will wear better than a shortpile rug of the same density. But a rug with a short dense pile is preferable to a loosely woven high-pile rug.

Tightly woven foundation yarns, called "filling" are important in the wear of a rug. These are usually cotton or jute. Tightness of weave in the "filling" of a rug can be tested by shifting the rug back and forth in the hands. If the back of the rug feels sleazy or thin, if it lacks firmness of shifts readily, it probably is not a high quality rug.

Weave itself does not necessarily mean quality and durability, Mrs. Claytor concludes. There may be high, medium and low-priced rugs in any well-known weaves.

Beginning in May, an average of 1,000 persons will lose their lives each month through drownings in the United States, reports the National Safety Council. This monthly average continues through August.

On V-J day, 260,000 of the Navy's 300,000 commissioned officers were reserves.

don herold says:

Russia is communistic and England is socialistic, and some people think that this proves America should be one or the other.

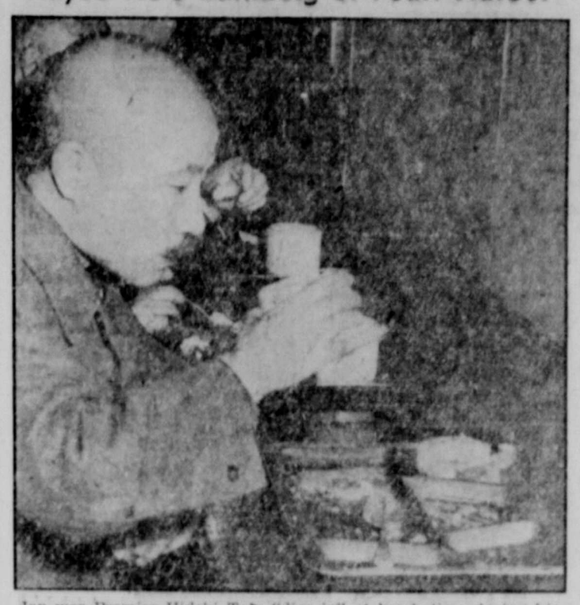

That is like saying that because two of our neighbors were dying of appendicitis and had to have their appendices out we also, who are perfectly well, should go get our appendices cut out.

Russia was a poor peasant nation with a ruthless czaristic government. England was an economic mess.

But all we have is a mild stomachache from eating a few sour apples. There is no need to operate.

We are so economically strong that we are able to loan billions to Russia and England. We don't need communism or socialism any more than a well man with a headache needs his head chopped off.

Maybe He's Thinking of Pearl Harbor

Jap war Premier Hideki Tojo "digs in" at lunch time during his trial before the Far East International Military Tribunal in Tokyo. The meal, vastly more plentiful than war prisoners of Japan got, includes beef pot pie, mashed potatoes, buttered (buttered, that is) peas, bread and butter (butter, that is), and black coffee. From the looks of Tojo's leavings, he does not care for crusts.

Where Will It End?

Demands for health and welfare funds wil appear more and more in union controversies with management. Even if the principle of the private tax now involved in the coal strike is outlawed, the problem will remain. Social security, which is supposed to be at least a partial answer to such contingencies, is seldom mentioned because inflation is tending to dwarf the value of the present social security program. Inevitably, sentiment will arise for increased social security benefits. This will mean in all likelihood more public debt and still more inflation. And so the crazy circle goes, with the living standards of the great mass of American citizens falling steadily lower.

On top of it all comes the proposal to spend billions of public money on a nationwide state medical system. With socialized medicine tacked onto social security, the overall program may ultimately cost the working people of America 25% of their income. Such is the estimate of qualified authorities. This is exclusive of taxes to support a peacetime Federal government that spends several times as much as in pre-war years.

Where will it end? We should begin asking ourselves this question. England, whose people are burdened with a near bankrupt government, is in the process of conversion to state medicine. The cost of the scheme in the early years is estimated at more than $600,000,000. Some of England's financial difficulties may be eased by a loan from America. But what about America? Who is going to bail us out when we get into trouble?

It begins to look as if the proposed obligations of our Federal government will require near confiscatory taxation on the earnings of everyone. Confiscatory taxation means the end of liberty—a high price to pay for even the most desirable social reforms.

AVIATION NEWS

Many improvements have been made at the airport recently. A new concrete floor has been laid in the large hangar and a new office building also has been added. The runways have been worked over.

The CAA Inspector, Frank Cazier, was here Friday to inspect the airport and to approve it as a CAA school.

There have been quite a number of cross-country planes landing at Perryton recently.

New private pilots are Art Penner and Dean Conner.

Omar Truax soloed May 30.

New students are Scott O'Neal, Calvin Speary, both from Follett, and Carmen Keith. Also are J. C. Jones, who received the 10-hour awrd course for receiving the highest grades in the aeronautic class in the schools, Raymond Bennett, Elmer Bennett, Junior Dunnihoo and Ada Rose Jackson listed as new students.

A. R. Highland Jr., is back from service and is flying his father's Aeronca Cheif quite often.

Ernest and Sam Janzen are stacking up the hours on their newly acquired Taylorcraft. They are both expecting to get their private license soon.

Fred Turner and Mr. LaMaster made a flying trip to Ashland, Kansas, and back Saturday afternoon on a business trip.

Spud Taylor, distributor for Aeronca airplanes, spent one day last week visiting the airport.

Norman Allen returned home Monday evening after sending ten days visiting with his sister, Mrs. Clarence Lewis and family at Tulia.

Mrs. J. A. Ackley, who has been a patient in the Wheeler hospital for several weeks has been released and came to Perryton last Thursday to visit in the home of her son, Mr. and Mrs. Al Ackley and family.

Parasites Have Been Growing

BUSINESS OUTLOOK FOR SUMMER

ROGER W. BABSON, Editor-in-Chief

Babson Park, Mass., May 31—Business activity in the next few months should constantly improve in most lines. With newspapers full of uncertainties regarding politics and other depressing items, it is a relief to focus one's attention on the good news from the domestic front.

Textile mills have stepped up schedules since the German armies destroyed many of the big mill centers in Northern France and Belgium. Gray goods sales have been high and the demand for shirts and men's wear of all kinds is tremendous.

Steel operations have been handicapped by strikes of all kinds but now have a green light to go ahead. Many thought the end of the war might hit the steel industry harder than most others, but it has not. Inventories in consumers' hands are said to be lower than ever before.

Gains To Continue

Chemical industries are just beginning to feel the good effects of the postwar program. How much they will add to the business total in the next few months is uncertain now. Investors, businessmen and workers should, however, keep in mind that this nation is entering upon a tremendous plastic program which can be operated with little fear of strikes. Therefore, what is now on the books is a mere sampling of what is to follow in chemical developments.

Retail trade is remarkably good. It is running 25 per cent or more above a year ago. This comparison with 1945 levels comes from the industrial areas of the Middlewest, from the South and from the Pacific Coast. Rising payrolls mean that these gains should continue for sometime to come. I am still bullish on merchandise securities as the best hedge against both wage increases and inflation.

Record Tourist Season

Tourist business: Due to the hesitancy of cruising even to the West Indies, South America, Alaska, and other places, most tourist money will be left in this country and Canada this Summer. The greater efforts which the railroad and bus lines are making in developing travel indicate that this Summer will see the largest vacation season on record.

The business outlook for the Summer, therefore, is good. There will be no set-backs due to cancellation of orders or psychological reactions. Any change will be to increase an already high level of activity. Hence, I believe that everything business this Summer should be even better than ever before. If you plan a vacation away from home, you better get your reservations now.

Strike Situation

The strike leaders have surely overplayed their hands. At last they got the American people aroused by their arrogance and indifference to the public welfare. I am sorry for this because I believe in intelligent collective bargaining with arbitration as a last resort. But when a Lewis or a Whitney holds a pistol to our heads to force the signing of a contract, this is revolution and insurrection. Let us hope Congress will make this impossible to occur again.

Veterans' News

Veterans in this area who plan to enroll in college for the first time this fall should apply immediately for their certificates of eligibility, if they wish to take advantage of free schooling and subsistence benefits offered by the government. Veterans Administration offices expect a flood of certificate applications during late summer and early fall, and the veteran who applies now will be sure of getting his certificate without undue delay.

A veteran may apply for his certificate of eligibility at any Veterans Administration regional office or at a VA contact office in a small town.

Any veteran who served at least 90 days (or less if discharged because of service-incurred disability), part of it on or after Sept. 16, 1940, and was discharged under conditions other than dishonorable, is entitled to one year's schooling. In addition, he is entitled to a period of schooling equal to the length of time he spent on active duty in the armed forces. Accordingly a veteran of 2½ years' service is eligible for 3½ years' schooling.

No period of eligibility can extend beyond four years, and the veteran must begin his schooling within four years after his discharge or the official end of the war, whichever is later (the official end of the war has not yet been declared by Congress). Schooling must be completed within nine years after the end of the war.

The Veterans Administration will pay tuition and other normal charges up to $500 a school year; books and supplies are included in this sum.

If the veteran is unarried, and does not have a full-time job, he is eligible to receive $65 monthly subsistence allowance. If he is married, the monthly allowance is $90.

VA advises all veterans planning to go to school: Don't get caught in the last-minute rush; apply for your eligibility certificate now!

Control Polio Is Advocated

Dr. Geo. W. Cox, State Health Officer, has issued the following statements and suggestions concerning the control and prevention of poliomyelitis which is now occurrig in certain sections of the State.

Until recently it was generally believed that this infection is transmitted by means of discharges from the respiratory tract. It is now believed that poliomyelitis may be another of the several gastrointestinal infections. Therefore, control measures must include clean-up campaigns and improvements in sanitation.

Strict sanitary measures must be observed in all communities. Stringent efforts should be made to eliminate the house-fly and to destroy its breeding places. All mosquitoes and mosquito breeding places must be eliminated at once. Every effort should be made to institute approved garbage collection systems immediately. Safe water supplies must be assured. Where adequate municipal sewage disposal systems are not in operation, it is vitally important to promote and maintain sanitary septic tanks and outdoor privies.

All swimming pools should, under rigid supervision, maintain those standards approved by the Texas State Department of Health. This necessarily includes maintenance of proper chlorine level. Where such standards are not maintained, those pools should be closed immediately.

All raw foods and vegetables should be washed thoroughly before use and protected from flies, filth and insects. All eating and food handling establishments should adhere strictly to the State Law concernihg the sterilization of dishes and utensils. Those restaurants with insufficient personnel to maintain approved sanitation should close one or two hours a day so that employees can assist in maintaining cleanliness and high sanitary standards.

Every effort should be made to secure approved milk. Rats and mice should be eliminated. Maintain in the home the same sanitary standards that are necessary in community life. Particular attention should be paid to personal hygiene. Excreta from cases and contacts should be handled and disinfected with the same scrupulous care as in typhoid fever or bacillary dysentery.

Over-exertion in children should be avoided. Children should not visit homes where there is illness. Polio cases should be quarantined for 14 days and adults who work in food establishments should be particularly instructed in personal hygiene. It is advisable to reduce to a minimum all human contacts, especially in children during an outbreak of this disease. It is not advocated that schools, churches and theaters be closed.

Early symptoms of infantile paralysis are headache, fever, vomiting, drowsiness, followed by stiffness in the neck and back. When suspicious symptoms appear, a physician should be called immediately.

Mr. and Mrs. Elmer Bennett returned Sunday from Lubbock where they went to get their daughter, Paula who had been visiting with her aunt for several days.

The Navy's KSD-1, a radio-controlled jet-propelled airplane, attains a speed of 700 miles per hour. It is ten feet long, has a wingspan of eight and one-half feet, and carries an explosive cargo of 1,000 lbs.

EISENHOWER AIDE REVEALS NEW WAR FACTS

ABOVE—On the veranda of General Eisenhower's villa when the Prime Minister, accompanied by General Marshall, visited Algiers to discuss strategy. Seated, left to right, the Foreign Minister, Mr. Anthony Eden; the CIGS, Sir Alan Brooke; the Prime Minister; General Marshall, and General Ike. Standing, left to right, in the background, Colonel Frank McCarthy; General Tom Handy; Air Chief Marshal Tedder; Admiral of the Fleet Sir Andrew Cunningham; General Alexander; with a cigar, Captain Harry C. Butcher, (whose diary has just been published); and General Montgomery.

RIGHT—General Marshall was a master at conducting a press conference. This photograph was taken after he talked with correspondents at the St. George. In the background is Captain Harry C. Butcher, author of *My Three Years With Eisenhower*. General Marshall was neither startled nor worried when General Ike took all the correspondents into his confidence and told them weeks in advance that we would attack in Sicily. The confidence was not broken. His main purpose was to prevent correspondents known to be close to AFHQ from speculating about the next Allied blow in the Mediterranean.

Moisture Proof Box A First Requirement For Locker Storage

STILLWATER, Okla., (Special)—Following a few simple steps carefully is all that is necessary in successfully storing fruits and vegetables in refrigerated lockers, advises W. R. Kays, Oklahoma A. and M. College specialist in frozen foods. Not all varieties of fruits and vegetables are desirable for refrigerated storage. Those selected for such use should be chosen with a knowledge of their adaptability to freezing processes.

Vegetable varieties that possess favorable qualities for frozen storage are as follows: Asparagus—Mary Washington; Snap beans—Stringless Greenpod, Tenderpod, Tendergreen, and Kentucky Wonder; Wax beans—Top Notch or Pencil Pod Black Wax; Lima beans—Henderson's Bush, Early Baby Potato and Baby Fordhook; Sweet corn—Golden Cross Bantam; Peas—Glacier, Thomas Laxton, Laxton's Progress and World's Record; Spinach — Long Standing Bloomsdale, Virginia Savoy and Giant Noble.

Harvest vegetables for refrigerated locker storage during the cool part of the day, preferably in the early morning. Immediately after harvesting prepare and blanch them for the recommended period. The blanching process destroys enzymes which would cause spoilage even though the vegetables were stored in a temperature below zero. Immediately after blanching, cool and place the vegetables in moisture, vapor proof container and place in the locker.

Fruits that have given best result in lockers are dewberries, blackberries, young berries, cherries, peaches, strawberries and blueberries.

Fruits for freezing should be full ripe. They should be washed and prepared according to the same procedures used for canning. Fruits may be packed in a syrup or dry sugar—depending upon the use for which they are intended—and placed in refrigerated storage immediately.

In freezing both fruits and vegetables, too much emphasis cannot be placed on the importance of using moisture, vapor proof containers, which can be purchased in a variety of sizes and shapes from locker dealers.

Detailed information concerning refrigerated locker storage may be obtained from the Extension Division and Experiment station at Oklahoma A. and M. College.

"Like KEEPING OUR HOUSE COOL IN A VACUUM JUG!

"WHAT a difference in comfort since our house was insulated with

Gold Bond ROCK WOOL

"Now we get a good night's rest in bedrooms that before were like ovens. The whole family has more pep, eats and feels better. Housework, too, is easier." Our customers often tell us something like this.

The reason is that Gold Bond Rock Wool installed in sidewalls and top ceiling areas, blocks the passage of heat in much the same way as the insulated walls of a vacuum jug.

In winter, the same principle works to keep precious warmth inside. Fuel bills are cut up to 30%. The resulting savings soon pay back more than the cost of the insulation and continue year after year.

Find out today how little it costs to install this comfort and economy in *your* home.

Texas Dairymen Extend Markets

FORT WORTH—For the second year Texas dairymen will join those of 36 other states in united action to secure and extend markets for all dairy foods, by making contribution to what might be termed an insurance policy for the entire dairy industry, by supporting the program of the American Dairy Association.

The American Dairy Association, organized in 1940 as a non-profit corporation, has for its purpose the maintenance and increasing of consumers' demands for all milk products, for the benefit of milk producers, processors and distributors alike. The program embodies advertising campaigns in magazines, newspapers, billboards and radio—stressing the health-giving properties of all dairy products. Research work is conducted in a dozen leading colleges and universities from coast to coast to develop new facts about milk and its products. These studies range from the nutritive content of milk to pasturage value of various soils, to the best way of packaging cheese.

The ADA is supported by voluntary deductions made at the plant from farmers milk and cream checks, at the rate of 1 cent per pound of butterfat marketed during a stipulated period—in Texas, the first 15 days of June. This deduction amounts to approximately 10c per cow.

Speaking of the program, Mr. D. T. Simons Treasurer of the Texas Division of American Dairy Association, says: "America's dairy farmers—five million strong—are united in the ADA movement as the best way to keep on providing the nation the food it needs. Thru the joint effort of dairy farmers in Texas, the 36 other states, producing 90% of America's milk, it will be possible for Americans to get the amounts of these foods that they really want — and really need. Most certainly Texas dairymen's contribution of one dime per cow is negligible indeed if this can be accomplished."

Higher Feed Prices Cut Farm Profits

FORT WORTH — Livestock and poultry feed prices advanced an average of 10 per cent last week due to the OPA's ceiling price increase May 13 on all grain products, protein feeds, bran and shorts, Wiley Akins, president of the Texas Feed Manufacturers Association, states.

In stating the feed manufacturers' position, Akins said that the price increase would actually mean less profit for them because of decreased consumption, and that retail feed prices went up only in accordance with the rise in cost of grain products required in the manufacture of feeds.

Endorsing the nation's program to help ease the world-wide crisis, the president of the feed association urged Texas livestock and poultrymen to cooperate to the fullest extent by following these recommendations:

Cull and market now all low producing livestock and poultry.

Raise all the feed possible. See local county agents for grain that can be planted now.

Provide plenty of green pasture to supply other feeds.

Feed wisely. Feed good feed, but don't waste feed.

Describing the feed shortage as a temporary condition, Akins stressed that stockraisers and poultrymen should not be unduly alarmed over the situation, but ride it through as best possible in order to help feed the hungry of Europe.

He stated that feed manufacturers are doing everything within their ability to provide feed actually needed under the conservation program and until new crops are marketed and the emergency has eased.

Veterans' SERVICE BUREAU

EDITOR'S NOTE: This newspaper, through special arrangement with the Washington Bureau of Western Newspaper Union at 1616 Eye Street, N. W., Washington, D. C., is able to bring readers this weekly column on problems of the veteran and serviceman and his family. Questions may be addressed to the above Bureau and they will be answered in a subsequent column. No replies can be made direct by mail, but only in the column which will appear in this newspaper regularly.

Correspondence Courses

Veterans administration has negotiated contracts with 38 educational institutions throughout the country authorizing them to furnish correspondence and extension courses by mail to veterans eligible for educational benefits under veterans legislation.

Courses offered cover virtually every educational field from academic subjects to a wide variety of trades and professions. Approximately 500,000 veterans already are enrolled under the government program in schools and colleges, or taking on-the-job training and further thousands already employed are asking opportunity to further their education by mail.

The veteran receives no subsistence while pursuing a correspondence course and the total cost of all such courses may not exceed $500. Of the 38 contracts thus far signed, 25 are with colleges and universities in 19 states. Fifteen of these offer high school as well as college courses. The balance of 13 are trade and business schools offering courses in such subjects as refrigeration, radio electronics, engineering, television, journalism, federal income tax, machine drafting, hotel training, traffic management, accounting and filing.

Application for these correspondence courses should be made at your nearest Veterans Administration regional office.

Questions and Answers

Q. My daughter's husband was honorably discharged in December, 1945, after two years and three months overseas. She never received an allotment. In 1943 she wrote in and asked why. She received an answer saying her husband never signed an allotment to her. But they sent papers to sign and she sent these in with her marriage certificate. We never heard from them again and they never returned the marriage certificate. Now she is divorced, but it is not a year yet. Is she still eligible for this allotment?—Mrs. W. W., Mt. Angel, Ore.

A. I believe she is eligible, but write to Army Central Adjustment Office, 4300 Goodfellow Blvd., St. Louis 20, Mo., and give all details.

Q. How would I get a business loan through? I would love to have a grocery store. I went to general headquarters, but they don't tell me anything. They don't care whether a veteran gets anything or not. Give me all the information possible.—World War II veteran, A. O., Ropesville, Texas.

A. First, find a bank or other lender who is making G.I. loans. Tell him your story, your background, how much money you have, if any, and what you want to use the loan for. If he thinks you are a good risk, he will send in the papers for your eligibility certificate and make the loan. Your local chamber of commerce, local Red Cross, or county agent can help you find a lender making these loans and give you all details.

Q. My husband deserted me and my two children. He went to the navy, but also deserted there for 7 months and 21 days. When they get him back in the service they gave him 3 years in prison. We drew an allotment while he was in service, but it stopped when he was out. Now he is overseas and we have a divorce. Should the children be drawing from him? The navy was to notify me if he went back to duty, but haven't. What shall I do?—Mrs. A. M. W., Bluff, N. C.

A. The navy suggests that you write to Field Services, Bureau of Supplies and Accounts, Navy Department, Cleveland, Ohio, and explain your situation, giving all details possible.

Q. My husband is with the 6th marines in China. He has more points that are required for a discharge, but he is a regular. He has been overseas 16 months. How long will he have to remain overseas? He has been in the service for over 10 years.—Mrs. J. D. P., Lincoln, Neb.

A. Ordinarily a tour of overseas duty in the marines for a regular is 24 months unless his enlistment is up prior to that time.

Q. Will a serviceman returned from Manila so ill with malaria it appeared he would die and now improved be able to work after filing for a pension? He filed for the pension while in the hospital, but believes now he could farm a little, could he draw money like other soldiers do?—Mrs. D. S., Luther, Tenn.

A. A disability pension will not interfere with his drawing adjusted compensation for self-employment if he is eligible for such compensation and able to work. Apply to your nearest state unemployment compensation office.

Miss Claudine Carmichael is spending this week in Liberal with her sister, Mrs. Charles Allen and Mr. Allen.

What Became of '45 Feed Crops Is Question Discussed at A. & M.

COLLEGE STATION — Half of the feed produced in Texas in 1945, on the basis of total food value, was wasted.

That is the contention of G. G. Gibson, dairy specialist of the Texas A. and M. College Extension Service, who points out that most sections of the state have 90 days of plentiful pasture and feed and a nine-months' period of getting by the best way they can. In his estimate of lost food value which might be conserved for feeding, Gibson includes such potential crops as fence row Johnson grass, crop residue, and bundle feed which is stacked in the open. Rat and weevil damage to stored grain, of course, takes a heavy toll.

"There has never been a year when it is so important not only to produce as much feed as possible, but to save every bit that is produced," Gibson said.

He pointed to the silo, especially the trench silo, as the surest and least expensive method of storing feed.

"Some farmers point to high labor costs and labor shortage as the reason why trench silos were not dug and filled in 1945." Gibson added. "I believe that labor cost at its present level is not the limiting factor for food conservation in the face of the nation-wide food and feed shortage."

4-H Contests Are Listed

COLLEGE STATION—A variety of national, state and county contests are open to ambitious 4-H club boys and girls in the state as a means of stimulating good demonstrations on the home and farm and developing rural leadership.

On a national basis, there are five contests for girls only, nine contests for both boys and girls, and three contests for boys only, according to 4-H Club specialists of the A. and M. College Extension Service. In addition, one railroad has offered seven trips for outstanding 4-H Club girls and 12 for outstanding club boys during 1946.

The five contests open to girls only are the dress revue, clothing achievement, canning achievement, food preparation, and girls' record contests. State winners of each will get trips to the National 4-H Club Congress this fall, and county winners will receive medals.

There are two contests for boys and girls in which the State winner receives a trip to the Congress. They are in poultry work and in better methods of using electricity on the farm.

Bonds will be awarded to State winners in contests on farm safety, poultry, gardening, frozen foods and dairy foods work, which are open to both boys and girls. County winners will receive medals.

State winners in home beautification and meat animal contests will receive gold watches, with medals for county winners. Both of these are open also to boys and girls. Contests for boys only, include dairy production, field crops, and soil conservation. Winners will get trips to the National Club Congress.

4-H club members interested in competing for these awards should consult with their county agricultural and home demonstration agents.

Answer to Previous Puzzle

Summer Brings Safety Problems

AUSTIN—Some timely advice to vacationists concerning the proper precautions to be used in water sports during the summer months was released from the State Health Department today by Dr. Geo. W. Cox, State Health Officer.

of prevailing travel difficulties, vacation pleasures are apt to be limited to excursions and picnics at nearby lakes, rivers, and ponds of unfamiliar depths and currents, and without the usual lifeguard supervision associated with bathing beaches and commercial swimming pools.

"Swimming and water sports are beneficial to good health provided one's physical condition justifies this type of exercise," Dr. Cox asserted; "nevertheless, they possess dangerous possibilities if the rules of safety, through carelessness or thoughtlessness, are disregarded."

The State Health Officer outlined the following simple rules for bathing and swimming in safety: when swimming, be alert and careful of unknown depths and currents; at least one hour should elapse after a meal before entering the water; upon the first indication of fatigue, come ashore and call it a day; if you become chilled, leave the water immediately; do not enter the water when overheated; learn to float, this is most important; never attempt to rock a boat in a spirit of fun; never swim in water that may be polluted. Swimming close to or even a few miles below sewage outlets is inviting the possibility of acquiring disease.

"Excursions, picnics, and swimming parties contribute much to a healthy, happy, normal life, which is always desirable," Dr. Cox said. "It is by no means advisable to eliminate these excursions from our summer program, but it is important that they prove beneficial and not disastrous."

Don't hearse-play on the job, warns the National Safety Council.

A WANT-AD Did it!

Veteran Forum

Q. May a veteran pay off a guaranteed loan before it becomes due?

A. Yes, the regulations give the veterans that right.

Q. Can a guaranty of loan be obtained if the proceeds are to be used by a minor or a person under legal disability?

A. This can be done only if the loan and liens are valid under the state law governing the transaction. Many states have enacted statutes removing disability of veterans, and for the wives of veterans who are minors, to enable them to make such loans.

Q. Are veterans of World War I eligible for benefits under the GI Bill?

A. No. Its benefits are for World War II veterans only.

Q. May funds from a loan guaranteed by the Veterans Administration be used to pay operating expenses on a farm?

A. Yes, but the veteran must actually operate the farm.

Q. Must a veteran put any of his own money into a business, a home, or a farm in order to get a guaranty of loan?

A. No, this is not a requirement for guaranty or insurance. It is a qestion which is settled with the lender. The only bearing it has on the guaranty or insurance of a loan is that in the case of a farm or a business it may affect the likelihood of the veteran's success in the venture.

Q. May a loan to buy an automobile or truck be guaranteed or insured?

A. Yes, but only if the automobile or truck is necessary to the conduct of the veteran's own business or farming operations, or the conditions of his employment require that he have such a vehicle for use in carrying on his work but not merely for transportation.

Q. Can an honorably discharged member of the Women's Army Corps obtain hospital treatment in a Veterans Administration hospital?

A. Yes, former female members of the armed forces are entitled to the same treatment as male war veterans.

Q. Does Natonal Service life insurance contain any restrictive provisions respecting military service, occupation, air travel which might limit the protection under the insurance retained after discharge from service?

A. No.

Q. Under what conditions may National Service life insurance premiums be waived by the government on account of total disability?

A. All National Service life insurance policies contain a provision for the waiver of payment of premiums upon application by the insured during the continuous total disability of the insured which continues or has continued for 6 or more consecutive months, provided such disability commenced subsequent to the date of his application for insurance, while the insurance was in force under premium-paying conditions and prior to the insured's sixtieth birthday.

Q. How does a noncitizen veteran apply for naturalization?

A. If the veteran has been honorably discharged, he may apply at the nearest office of the Immigration and Naturalization Service or at the nearest post office for complete information.

Q. What are the requirements for a pension payable to World War II veterans for service-connected disabilities?

A. Pension may be paid for disability incurred in, or aggravated by, active service in World War II, in line of duty, according to the degree of disability shown. Pension is not payable if the disability is the result of the veteran's own willful misconduct. The veteran must have a discharge under conditions other than dishonorable.

World Fund Chief

Camille Gutt, former Belgian War Minister, heads the $8 [illegible],000,000 International Monetary Fund set up to stabilize world money. Each participating nation deposits its share—U. S. share is $2,750,000,000—and may withdraw in monetary units of any other participating nation. The dollar is the key unit.
