Rumor Squeled

Continental Grain Not Closing Down

Continental Grain Co. is alive and well at all three locations...

--And plans to stay that way!

That was the word from Kermit McKee this week when asked about the rumor that all three Continental Grain Elevators--Gruver, Sunray and Capps Switch--were shutting down.

The directors of the company have made no concerted effort to track down the source of the rumor; they are interested in giving it the lie and assuring

farmers in the area that there is business as usual.

Actually, a sampling of the public discloses that few took any stock in the rumor which exhibits considerable customer confidence in this old line agri-business here on the High Plains.

As one veteran farmer put it: "Those folks are as much a part of farming up here on the North Plains as plowin' or

plantin' and I don't expect anyone to shut down plowin' and plantin' anytime soon."

Continental officials said this pretty well expressed their feeling in the matter. They feel the pride they have taken in years of customer confidence has been felt by those customers. This is evidenced by their return year after year and by new customers who introduce themselves by saying an old customer sent them.

Further, they say they are going to merit this support through continued courtesy and service.

Company directors summed up their response to the rumor:

"We have no intention of leaving...now or in the future. We look forward to finding the best markets for grain crops this year and for many, many years to come."

Springer Named Chief Executive Officer

Berl M. Springer, president of Southwestern Public Service Company, has been named to the additional position of chief executive officer, in action taken by the electric utility's board of directors.

Springer assumes the chief executive officer responsibilities from Roy Tolk who con-

tinues as chairman of the board. Tolk and Springer had served in their former capacities since 1976.

Tolk said, "We are taking this step to continue the orderly transition of management at Southwestern. I have announced my planned retirement from active management of the com-

pany, effective December 31. He plans to stay on the board as a director after his retirement.

Also at its meeting at Amarillo, the board declared regular quarterly dividends on all series of preferred stock and a regular quarterly dividend of 34 1/2

cents per share on the common stock.

Southwestern Public Service Company, based in Amarillo, provides electric utility service to the Panhandle and South Plains of Texas, the Panhandle of Oklahoma, Eastern New Mexico and Southwestern Kansas.

Clinic Is Howling Success

The rabies clinic open to the public Friday and Saturday was a "howling" success!

Sixty people brought in 70 animals for inoculation.

Some were from the Gruver area who missed the clinic there recently and a lady came in from near Canadian.

The thing that worries the technicians staffing the clinic those two days, is that only four cats were brought in.

Cats are highly susceptible to rabies and every pet feline should be inoculated. In fact, the "life style" of a cat makes that pet more prone to contract rabies. Dogs are not normally predators, especially pets but a cat is going after mice and some of the more ambitious after rats--two highly likely sources of rabies.

Too, cats are nocturnal animals by nature unless kept in the house all the time. Skunks, perhaps the most rabid population of the animal world, are also nocturnal critters and the odds are too great for cats crossing the trail of a rabid skunk.

Of course, this can happen in daylight hours, too.

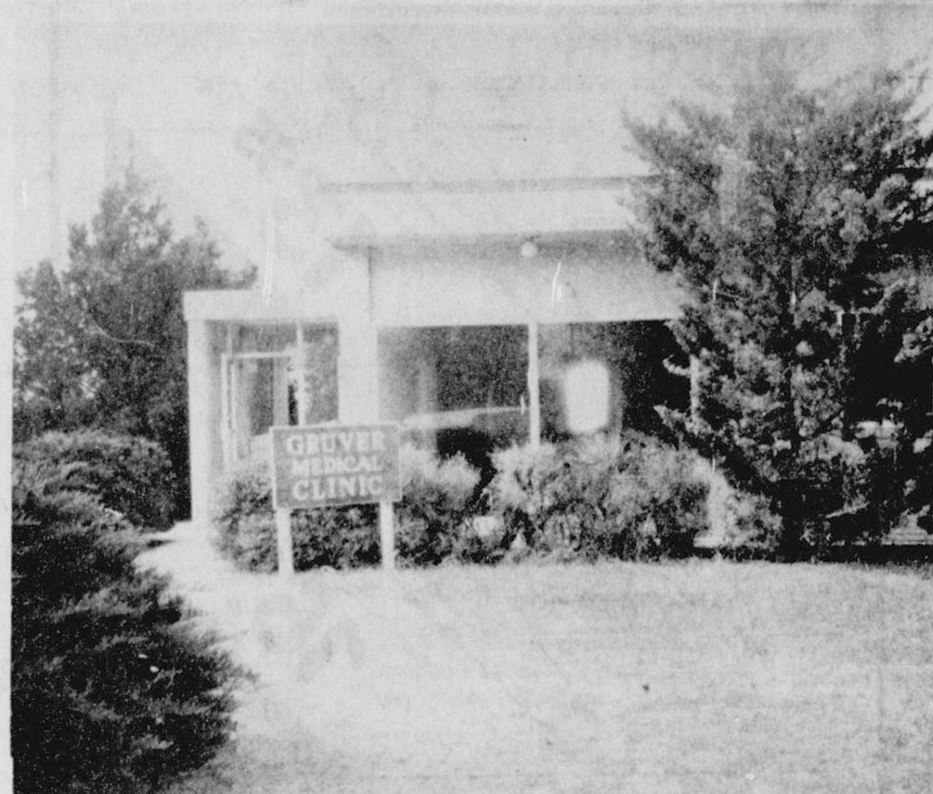

Technicians treating the animal world health-wise feel the neglect to immunize cats has, through the years, grown out of the old cry "mad dog" that left the fear of rabies and mad dogs one and the same in the minds of the general public.

So, if you neglected to have your pet cats inoculated at the public clinic, be sure to take them to a veterinarian during regular office hours. --Any other pets who missed the clinic should be taken, too.

Play it safe!

Mark's Remarks

Gruver Clinic Reopening Set

Hansford Hospital is proud to announce the opening of the Gruver Clinic on May 12, 1981. The city of Gruver and the Hansford County Community will now have the services of three of Borger's finest physicians. Beginning Tuesday, May 12, Ed Quiros, M.D., Ed Coligado, M.D. and Fred Marasigan, M.D., will open the clinic and provide quality medical service to our community.

The clinic will be open only three days a week at the beginning with the following hours:

Tuesday - 10 A.M. until 5:30 P.M. - Dr. Ed Coligado
Wednesday - 10 A.M. until 5:30 P.M. - Dr. Ed Quiros
Thursday - 10 A.M. until 5:30 P.M. - Dr. Fred Marasigan

The idea to reopen the clinic on a part-time basis was

developed after the loss of Dr. Mario Manese. Many patients of the county were forced to seek medical attention in Borger and as a result these three doctors decided to help our community by providing services in our clinic instead of requiring patients to drive to Borger.

We are very fortunate to have these physicians helping our community in this way. Dr. Ed Quiros is a specialist in surgery and is presently on the staff at Hansford Hospital. Dr. Ed Coligado is a specialist in the field of internal medicine and Dr. Fred Marasigan is a specialist in the field of pediatrics.

We welcome these fine physicians to our community. The Gruver Chapter of FFA has invited the doctors to meet the community Friday night,

May 8, immediately following the FFA Banquet. The Banquet will be held at the county barn in Gruver and anyone that wishes to meet the doctors is welcome to remain after the banquet for the introductions. For those that are not attending the FFA Banquet, if they wish to meet the doctors they are welcome to come to the county barn around 9 p.m. for introductions.

If anyone has any questions regarding the reopening of the Gruver Clinic or the staff of doctors that will operate the clinic please call Hansford Hospital for any information.

We hope this arrangement will help satisfy the medical needs of Gruver as well as the entire community.

State qualifier

Spearman's Kyle Brack, right, has the lead for good in the 110-meter high hurdles in Saturday's Region 1-3A Track Meet in Lubbock. Brack won the event, qualifying for the state track meet May 15-16 in Austin. Brack also finished fourth in the in-

termediate hurdles. Others from left are Friona's Chitto Caballero (third), Coleman's Bobby Hester (fourth), Denver City's Jerry Neatherlin (second) and Brack. (Staff photo)

Kyle Brack, State Qualifier

The Regional Track Meet was held in the Texas Tech Jones Stadium. Kyle Brack, the Lynx Junior, was the only Lynx to qualify for the State Meet. Kyle won the 110 High Hurdles Event with a time of 14.85. Netherlin of Denver City was 2nd with a time of 15.1; Chitto Caballero of Friona came in 3rd with a time of 15.35; Hester of Coleman was 4th with a time of 15.75; Nedd of Slaton finished with a time of 15.74 and went home in 5th Place; and Gary Martin of the River Road Wildcats was 6th with a time of 16.17.

The Lynx tied with the Buys Ranch Roughriders and Slaton with 14 points to go home in 14th Place—there were 36 teams competing. The Regional winners were the Dalhart Wolves who ended up being tied with Tulia with 50 points.

family finances

A gift by will to The Salvation Army is entirely free of estate taxes. It reduces the amount of the estate subject to tax, making a lower tax rate applicable and thus resulting in additional savings.

RIGHT PRICE • RIGHT PARTS • RIGHT ADVICE

If you need to communicate an important message quickly and effectively, consider a Telegram.

Telegrams can be used in any situation where speed and impact are critical: submitting a real-estate bid, accepting a job or contract, voting by proxy, stopping credit on a lost or stolen charge card. They've also been used to buy and sell stocks, change travel plans, resolve travel emergencies, or even to submit an auction bid.

Telegrams are ideal for personal news as well: wedding and birth announcements or congratulations on news of a friend's good fortune.

Telegrams are one of the fastest types of message services. They can be sent 24-hours a day, seven days a week, anywhere in the continental United States (including Alaska), Canada and Mexico.

Telephone delivery is attempted within one hour, messenger within five. Western Union will keep trying if the first delivery attempt is not completed or notify the sender if all subsequent attempts fail. So you can be sure your message is received.

How can you solve these problems?

Send a Western Union Singing Telegram, a personal greeting that is unique and memorable. And you never have to worry about getting the wrong size or color!

Singing Telegrams are appropriate for any occasion—Mother's Day, Father's Day, Graduation, Birthdays, Anniversaries.

A Western Union courier, in top hat and tails, will deliver the Singing Telegram in person in most major cities. Or have a Singing Telegram delivered by phone anywhere in the country.

Just call your Western Union office and tell them you want to send a Singing Telegram. The rates are \$20 for phone delivery (which includes a "keepsake" plaque with the message written on it), and from \$40 for personal delivery.

LEGAL NOTICE

THE STATE OF TEXAS
COUNTY OF HANSFORD
NOTICE OF EXECUTION
SALE OF REAL PROPERTY

By virtue of an execution issued out of the District Court of Hansford County, Texas, on a judgment rendered in that court on December 17, 1980, ordering the sale of the property herein described in order to effect a partition of the owners' interests therein in cause no. 2696, styled Gerald Dean Miller, Linda Luella Catlin, and Audrey Stinnett, Plaintiffs, vs. Juanita Pearl Turner, Cleora Marie Turner, Jacqueline Kay Ybarra, Caroline Marie Cripps, Leslie Edward Miller, Jr., Marion Wesley Miller, Joe Mart Hoyle, Sandra Jo Hoyle, Sonya Elaine Hoyle, and Stacy Rene Hoyle, Defendants on the docket of the court, on the _____ day of _____

1981, I levied upon the following described real property situated in Hansford County, Texas, as the property of Audrey Stinnett, Marion W. Miller and Juanita Pearl Turner:

A portion of out lot no. eighteen (18), lying adjacent to the town of Spearman, Hansford County, Texas, as shown by the recorded out lot plat in volume 25, page 36, deed records of Hansford County, Texas, such portion being described by metes and bounds as follows, to-wit:

Beginning at a point in the west line of said out lot a distance of 150 feet north of its original southwest corner, for the southwest and beginning corner of this tract;

Thence east and parallel with the south line of said out lot 152.85 feet to a point and being the southeast corner of this tract;

Thence north 50 feet to a point and being the northeast corner of this tract;

Thence west 152.85 feet to a point in the west line of said out lot and being the northwest corner of this tract;

Thence south with the west line of said out lot 50 feet to the point of beginning and south-west corner of this tract;

Also described as:
Lot twelve (12), in block one (1), Green-Seitz subdivision of out lot number eighteen (18) lying adjacent to the city of Spearman, Hansford County, Texas, as shown by the plat recorded in the deed records of Hansford County, Texas;

On the 2nd day of June, 1981, which is the first Tuesday of the month between the hours of 10:00 o'clock a.m. and 4:00 o'clock p.m., at the courthouse door of Hansford County, Texas, I will offer for sale and sell at public auction, for cash, all the right, title and interest of Gerald Dean Miller, Linda Luella Catlin, Audrey Stinnett, Juanita Pearl Turner, Cleora Marie Turner, Jacqueline Kay Ybarra, Caroline Marie Cripps, Leslie Edward Miller, Jr., Marion Wesley Miller, Joe Mart Hoyle, Sandra Jo Hoyle, Sonya Elaine Hoyle, and Stacy Rene Hoyle in and to the described property.

SEVERAL NEW LIVING room suites in stock. 7 piece sloppy jo, \$529.00; plaid cushion sofa with chair, \$359.00; Hide-A-Beds, \$299.00; recliner, \$119.00; Captains bed, \$159.00; hutch with glass doors \$299.00; lamps, including hanging lamps, \$19 to \$39.

May Calendar of Events

The Spearman High School students will be very busy this month--May, the last month of the year. The Seniors will be relaxing and getting ready to receive their Diplomas while all the other students will just be hoping and sweating so that they won't have to take their quarter tests.

MAY 4--The FFA--Future Farmers of America--held their annual FFA Banquet. The Banquet was held at 7:00 p.m. There were lots of folks that attended that banquet, the food was delicious.

MAY 5--The Spearman High School held their annual Spearman High Athletic Banquet. The Athletic Banquet is where all the Athletics get recognition. The awards that were presented were Basketball Lynette--the 1980 recipient was Kenda Burke; the Lynette Fighting Heart Trophy--1980 recipient was Nancy Wilson; Most Valuable Player--Lynx--1980 winner was Steve Shields; Lynx Fighting Heart Award, in Basketball--Steven Tindell was the 1980 recipient; Lynette Girls' Golfer of the Year--1980 winner was Betsy Jones; Outstanding Boys' Golfer--1980 was Greg Hazelwood; the Outstanding Achievements in Tennis--1980 winners were Kyle Beedy and Karey Bodey; Outstanding Rodeo Performer--1980 winner Hallee Reed; Track Lynette of the Year--Jan Davis won the 1980 Award; Track Lynx of the Year--In 1980 went to Andy Francis; in football, the 1980 winner of the Outstanding Grade Defense was David West; the Outstanding Grade Defense--1980 winner was Phil Paul; the Most Improved Player Award went to, in 1980, Ronnie Clark; the Fighting Heart Award--In 1980 went to Dayton Edwards; the Roger Jones Ironman Award--In 1980 winner was Kyle Beedy; Tuesday, also was the day for the Pringle-Morse Track Meet which was held at the Lynx Stadium.

MAY 6--the 8th grade boys and girls will go to the High School for the Pre-registration which will be at 10 a.m. The High School Students will be under the Alternate Bell Plan--this isn't as complicated as it sounds, once the students get used to it! The Choir will all leave on their tour after their 4th hour class. Hope they have fun!!

MAY 7--This is John Deere Vo-Ag Field Day which will be held from 10:00 to 12:30. All the Ag students will go.

MAY 7, 8 and 9--The Choir is still gone on their Tour, the Lynettes, Track, that are going to the State Track Meet will leave Friday and Saturday, May 8 and 9. Who are the Lynettes going to the State Track Meet to be held in Austin? They are JEAN and JAN DAVIS, the DAVIS TWINS!! Jean will be running in the 800 Meter Run and Jan will be running in the 400 Meter Run. The Area FFA Convention will be held May 8 and 9.

MAY 11--The FFA--Future Homemakers of America--will be having their Annual FFA Banquet which will be held at 7:00 p.m.

MAY 12--the Cheerleader tryouts will be held before the screening committee at 3:30 p.m. All you girls/guys wanting to try out for Cheerleading, be ready for the Screening Committee.

MAY 13--The High School will again be on the Alternate Bell Plan. Mainly because of the Cheerleader tryouts which will be held in front of the Student Body at 10:02 a.m. This will also be the final day for Registration filling out computer forms.

MAY 4--This will be the day for the Awards Assembly. The Awards Assembly will begin at 10:02 and the Alternate Bell Plan will be in effect once again. The DECA will have their

Annual Banquet today, May 14.

MAY 14, 15 & 16--The Lynx that have qualified for State will be going to the State Track Meet. KYLE BRACK will be competing in the 110 High Hurdles.

MAY 15--The Elementary will be having their Annual Track Meet. Usually there are lots of parents there to support each youngster.

MAY 16--The Spanish Club will be having their Annual Spanish Club Picnic. There are lots of games played and everyone enjoys this picnic.

MAY 18--The Band will be having their Concert today, the 18th of May. All High School Students will be addressing envelopes so that they can receive their last Report Card.

MAY 19--The Choir will have their Choir Concert.

MAY 21--The 1981 Seniors will be taking their Quarter Tests if they have to; they will be taking check-out slips by each room--so that the slips can be signed by the teacher; and after the last hour of the day, the Seniors will take their caps and gowns home.

MAY 21 & 22--The Thespians will present the "Blythe Spirit" at 8:00 p.m.

MAY 22--The Seniors will have a "Graduation Practice at 8:30 a.m. then they will have the Senior Picnic. The Seniors, of course, will get out of school a whole week before school is over!!

MAY 24--The Senior Baccalaureate will be held in the High School Auditorium at 8:00 p.m. The Students that have to take their Quarter test will have their first 4 period tests taken MAY 26 and the final 3 periods on Wednesday, MAY 27!!

MAY 28--The 1981 Seniors will Graduate from Spearman High School at 8:00 p.m. This will be In-Service Day for the Teachers who will hand in the Grade cards at 2:00 p.m.

MAY 30--This will be the day for the State Band Solos. All in all, everyone is going to be busy, busy, busy. Summer is --I should say, Summer Vacation is just around the corner, and the kids are ready for their Vacation!!

Sanders Receives Scholarship

ALAN R. SANDERS

Alan R. Sanders of Tascosa High School, formerly a student in the Spearman School system, has been named a recipient of a four-year college sponsored National Merit Scholarship. He is the son of Eleanor Sanders of Amarillo and Emmett R. Sanders of Spearman.

Alan is a member of the National Honor Society and has been a Latin valedictorian for 2 years. He was named student of the year last year by the American Chemical Society and has been active in Boy Scouts, band and the Key Club. He has participated in gifted/talented seminars sponsored by the Region XVI Education Service Center and has been an atomic energy seminar junior counselor. Alan will enroll in a pre-medical program at Texas A&M University this fall.

More than one million high school students entered the 1981 National Merit Scholarship competition by taking Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/

NMSQT) in October 1979. The top one-half of one percent of these contestants were named semifinalists last September. Requirements for the finalist level of competition included endorsement by the student's high school principal, submission of school records validating high academic achievement, and test scores equivalent to the PSAT NMSQT in another examination.

Town and Country Club Meets

The Town and Country Extension Homemakers Club met April 21 in the home of Linda Close. The meeting was called to order by President Penny Ralston. Janie Kunselman gave the devotional. Roll call was answered by "Something I learned from a child." The minutes of the previous meeting were read, corrected, and approved. Communications from Cheryl Blankenship, the Hansford County Roundup Committee, and the State TEHA Convention were read. A tea-

War on Drugs

The Spearman Study Club will be hosting a program on Drug Problems and what to do about them Tuesday May 12th, 7:30 p.m. at the First State Bank Hospitality Room. "PUBLIC INVITED"

The Governor has appointed H. Ross Perot to head up a War on Drugs. Mr. Perot has set up offices staffed with personnel to conduct programs and Shirley Crawford is an Amarillo Representative for this area. She has given many programs around the Texas Panhandle. The entire family is invited to listen to her speak on the drug problems in this area. This is a subject every parent and child should be educated on. She is GREAT!

Craven's Musical To Premiere In BIT

By ROBERT BUSCH
Staff Writer

The Branding Iron Theatre will provide the stage for the premiere performance of an original musical.

"The Family of Man," by Dr. Jerry Craven, associate professor of English, will be presented Thursday, April 30, through Sunday, May 3.

Craven said the play is "a musical tragedy" set 11 years ago in Kent, Ohio. The plot revolves around the life of the Stone family at the time of the Kent State tragedy. While the play is not actually about Kent State, the events leading up to the shootings on campus are crucial to understanding the play.

Craven said the play concerns the Stone family's discovery of hatred and distrust in its own household "in that tragic time when people were dying in Vietnam, Cambodia and, suddenly, on the campus of a university right here in our own country."

This play is Craven's first full-length play as well as his first musical. Craven was attending another college in Ohio in May of 1970 and said he was affected by the events at Kent State. It was then that he decided to write about the incident, but he wasn't sure about the form he wanted to use.

"I had always hated musicals," Craven said, "until I saw 'Cabaret.' That show was different. It was a drama where music was important to the plot but, at the same time, was realistic. Before that show, musicals were just plays where characters broke into song at all the unlikely places."

"Cabaret," however, was the show that helped Craven decide to write a musical about Kent State. "It just began to make a lot of sense to do it that way because music is a symbol of harmony and order and serves as an ironic counterpoint to the dissidence and disharmony in the nation and the Stone family," Craven said.

In addition to the book, Craven also wrote two of the songs in the play. Craven admits, however, that "all of the good songs" are written by Bill Hinson, a native of Amarillo who now works in Liberia. Craven worked closely with Hinson to integrate the songs

with the plot and dramatic action. Craven said most of the principal characters in the play are musicians and the songs appear in realistic circumstances.

When writing the play, Craven thought this approach might cause some casting problems, since most characters had to act, sing and play musical instruments.

Jerry Hamby, Amarillo senior and director of the production, said, however, that he had no trouble finding the talent to put on the play.

Craven said the play was not written to make any kind of political statement.

"I have great sympathy for all the victims of the era including the students as well as the guardsmen," he said.

Craven said a play is not really complete until it is audience-tested. After it is performed here, he will talk to members of the audience about their reactions and will rewrite those parts he believes didn't come across to the audience the way he would have liked them to. Craven then hopes to try to find a New York agent to produce the play.

The show is being financed by a research grant from the Organized Research Fund.

Musical director for the production is Cindy Cole, Amarillo senior. Assistant director is Laura

Davis, Amarillo junior. Nick Carter, instructor in theatre, is technical director. Paul Welch, Spearman sophomore, is lighting designer, and Loretta Smitherman, Tulsa sophomore, is props mistress.

Cast members are Pony Allen of Amarillo, Robin; Christy Carson, Elkhart, Kans., junior, Wendy; Jody Pegram, Wiggins, Colo., sophomore, Papa; Denise Joughlin-Casey, El Paso junior, Lila; Brent Riles, Canyon senior, Grandpa; Christie Corley, Canyon junior, Miranda; Dennis McMenamy, St. Louis, Mo., senior, Teak; and Kelly Davis, Spearman sophomore, Sebastian.

Other cast members are Fran Berryhill, Muleshoe freshman; Butch Casey, Pampa graduate student; John Hall, Canyon freshman; Kyle McFarren, Borger freshman; and Darci Thompson, Plainview freshman.

Curtain is at 8 p.m. on Thursday, April 30, through Saturday, May 2. A matinee performance is scheduled for 2 p.m. on Sunday, May 3.

Tickets are \$3 for general admission and \$2 for students. Reservations may be made by calling the Branding Iron Theatre box office during regular office hours.

Craven said all proceeds from ticket sales will go to a special fund to be used for student directed plays.

Dedication of Historical Marker

The 17th of May (Sytende Mai) was selected for this dedication as that date is the major holiday in Norway. It is the celebration of their independence from Sweden and is similar to our July 4th.

On this May 17 Sunday School will be held at 9:45 with regular worship services at

11:00 a.m. The Dedication Service will begin at 2:30 p.m. with Jon Olsen ringing the church bell once for each year the church has been in existence. The American flag will be raised by John Dahl and Burton Olsen. "The Star Spangled Banner" will be played by Marvin Hill of Amarillo. The

Norwegian flag will be raised by Henry Moen and Mike Stedje. Ja, Vi Elsker Dettet Landet ("Yes, We Love This Country") will be led by the choir from Good Shepherd Lutheran Church, Liberal, Kansas. The invocation will be led by Pastor Joseph Podolak. A welcome will be extended by Elmo Dahl,

president of the church. The speaker for the dedication will be Dr. Peter L. Peterson of West Texas State University, Canyon, Texas. Much of the research that made this dedication possible and much of the local interest is due to the work of Dr. Peterson. Dedication and unveiling of the Norwegian

Society of Texas. Special guests will be recognized by John Mark Stavlo. Jim Johnson will be Master of Ceremonies. Norwegian Folk Dances will be led by members of the Amarillo chapter of the Norwegian Society of Texas.

The Oslo Lutheran Church is located (from Guymon) South on SH 136 to the state line. Then one mile west, then south of FM 1262 to FM 2349 then west one mile. (From Gruver) 6 miles west on SH 15, north on FM 1262 to FM 2349 then west one mile. (From Texhoma) 11 miles east on state line road, then south and east across Frisco Creek brakes after coming upon the flats, 1 1/2 miles east, then south on caliche road 3 miles.

Texas Historical Commission Staff (DKU), 7/30/80, revised 9/15/80 27" x 42" Official Texas Historical Marker with post Hansford County (Order #5973) Location: 18 mi. NW of Gruver, off FM 2349, via SH 15 and FM 1262

THE OSLO COMMUNITY
In 1908 Anders L. Mordt, A native of Norway, secured from R.M. Thomson and R.T. Anderson the sales rights to 100 sections of Hansford County Land he named Oslo. The first settlers were recruited from existing Norwegian colonies in the Midwestern United States. To promote the development, Mordt advertised his inexpensive Texas Land in major Norwegian language publications across the nation. He also published a weekly newspaper, The "Oslo Posten", and organized an annual Norwegian Independence Day Celebration, "Sytende Mai" (May 17), which attracted crowds from surrounding towns in Oklahoma and Texas.

Community worship services were first conducted at the Oslo schoolhouse in 1909 by the Rev. Christian Heltnet. Officially organized the following year, the Oslo Lutheran Church became the center of the farming settlement.

Mordt's land sales ended in 1913 as a result of a severe drought. When the Denver and Gulf Railroad decided to bypass the area, the townsites of Oslo (2.5 mi.s) declined. Although many settlers moved away, more than thirty families remained.

Today the Oslo Lutheran Church serves as a reminder of the area's Norwegian Heritage.

A historical marker will be dedicated at the Oslo Lutheran Church, Hansford County, Texas on May 17, 1981 at 2:30 p.m.

This marker will be dedicated to the memory of the early pioneers who settled this community. Several families came and established homes in the spring of 1909. Each year brought more families to the community. Everything went well until 1913 when there was no rain for thirteen months. During this period of drought many of the settlers moved away with reports less optimistic than the advertisements from the Mordt Land Company who had promoted the sale of the land.

Through the years many have come and gone, but a good number of the earliest settlers and many more who came later became permanent residents and their descendants are the prominent leaders in the community today.

From 1924 to 1930 most of the farmers changed their farming operations from the use of horses to tractors. This released much of the pasture land that was necessary to feed the

horses, so the land was plowed and wheat was planted. The community is now a prosperous farming area with paved roads leading to the surrounding towns of Gruver, Guymon, Texhoma, Goodwell and Stratford.

The Oslo Lutheran Church is still the center of activity and place of worship for the community.

The 17th of May (Sytende Mai) was selected for this dedication as that date is the major holiday in Norway. It is the celebration of their inde

BIBLE VERSE

"Because thou hast seen me, thou hast believed: blessed are they that have not seen and yet have believed."

1. Who was the author of the above statement?
2. To whom was he talking?
3. Upon what occasion?

Answers to Bible Verse

4. John 20:29.
5. Jesus.
6. To his disciple, Thomas, often known as "the Doubter."
7. Upon the occasion of one of Jesus' appearances to his disciples following his resurrection.

ENERGY SAVING WAYS!

With **AIR CONDITIONERS**

Room air conditioners go a long way toward helping make hot summer days more livable. However, a unit that is the wrong size for your home or apartment can be inefficient and cost you extra energy dollars, say home economists from Whirlpool Corporation.

A too-small unit does not cool adequately and one that is too large cools a room too quickly and shuts off before it can do enough dehumidifying—leaving the room uncomfortably cool and clammy.

According to the home economists, when choosing an air conditioner it is important to know:

- How many rooms and connecting halls do you want to cool, and what are their sizes?
- How many windows, of what size and type, are in the rooms to be cooled? Are they on a shady or sunny side?
- Are the walls and ceiling insulated?

Having answers to these questions in hand when shopping for a new air conditioner can help you choose the most energy-efficient product for your home and family.

The United States has about one-fourth of the world's estimated recoverable coal reserves.

In 1714 Daniel-Gabriel Fahrenheit, comparing the boiling points of a number of liquids, introduced the familiar scale still known by his name.

Golden Gleams

The Lord knoweth the thoughts of men, that they are vanity.
-Psalms 94:11.

They are never alone that are accompanied with noble thoughts.
-Philip Sidney.

Thought precedes action as lightning does thunder.
-Heinrich Heine.

The highest possible state in moral culture is when we recognize that we ought to control our thoughts.
-Charles Darwin.

Sister of Local Woman Dies

Mrs. Ruby Woodring, 82 of Borger died Sunday. She is the sister of Mrs. Ellen Vernon of Spearman.

Services were held at 2 p.m. Tuesday in the Alexander Funeral Home Chapel of Memories, with Doyle Chapin, a retired Church of Christ minister from Panhandle, officiating. Burial was in Dumas by Alexander Funeral Directors.

Mrs. Woodring had lived in Hutchinson County since 1974 after moving from Dumas where she had lived since 1952. She was a member of the Church of Christ.

Other survivors include a daughter-in-law Ruby Joyce Woodring of Sanford; and a nephew, Joe Francis of Borger.

Look Who's New

Mr. and Mrs. Mike Cudd would like to announce the arrival of their son, Dustin Wayne Cudd. Born April 27, 1981, at 11:15 p.m. Weighing in at 8 lbs 2 ozs; and was 21 inches long.

Grandparents are Mr. and Mrs. Ray Donahue of Spearman, Pat Parker of Waka and Charles W. Cudd of Perryton.

Great-Grandparents are Mr. and Mrs. B.J. Turner of Waka, Mr. and Mrs. Wayne Cudd of Perryton and Mrs. Kattie Burner of Bellevue, Texas.

Great-Great-Grandmother is Mrs. Mattie Reynolds of Spearman.

You are cordially invited to attend a

Beth Phelps Is Artist Of The Month

Mrs. Ray (Beth) Phelps is Artist of the Month at Hansford Library. She is displaying water color and pastel paintings.

Beth has been painting for many years, as well as her twin sister Ruth Bryan, also of Spearman.

She began her painting under Ruth Hutton, well known local artist. She has studied water color under Steffan Kramer and Mary Selfedge, and pastels under Ben Konis, and Dora Fitz. She has also studied drawing at Franks Phillips College, Amarillo College, and

Texas Tech University.

She is a versatile artist, painting in oils, water color and pastels, and teaches Norwegian rosemailing.

The Phelps are the parents of two children, Howell of Austin, where he is an electrical engineer with Texas Instruments. Howell and his wife have two sons, David and Todd. The Phelps' daughter lives in Dallas where she works for an oil company.

Be sure and go by the Library during May and view one of our area's most gifted artists work.

Memorial Day

A time to remember someone held dear.

A memorial gift to the American Cancer Society supports programs of research to find a cure for cancer, public and professional education, and services for cancer patients and their families. These programs are dedicated to wiping out cancer in your lifetime.

Your memorial gift today could be a gift of life tomorrow. For more information call your American Cancer Society Unit.

Peggy's Pointers

Use a "seam roll" to press seams.

Because of its curved surface, it prevents imprints of seams from pressing through to the surface-when you use it in place of the ironing board's flat surface.

It is also excellent for pressing seams in hard-to-reach areas, such as sleeves.

Seam rolls are available commercially, or you can make one at home.

To make a seam roll at home, follow these instructions:

Roll one large magazine or several smaller ones together tightly so that there is a roll about two inches in diameter.

Tie the roll together in several places with heavy thread or several strands of

lighter thread.

Make sure that the roll is very solid with little or no air space in the center and does not flatten when mashed with fingers.

Next, wrap several thicknesses of muslin or two thicknesses of wool felt tightly around the roll and hand stitch in place.

If using muslin, turn raw edge under to give a finished edge.

Turn in fabric on ends of roll and hand stitch.

Or, use a rolling pin.

Cover as above or use without a cover.

One side may be flattened to prevent rolling while using.

APD Honors Former Gruverite

Investigator Training Officer Mike Dunlap walked away with top honors as Officer of the Year at the annual Amarillo Police Department Awards Banquet.

The ceremonies were held last night at Tascosa High School cafeteria, and outstanding members of the police department were honored for their special contributions to the city and its citizens.

Dean Kelley presided over the ceremonies. Following introductory and welcoming messages, awards were presented in several categories.

First, recognition of 20-year employees and retirees was highlighted by a special award to Erna Heidebrecht, whose nearly 35 years of dedication and goodwill earned her a special presentation.

Then the officer-of-the-year, Dunlap, was announced. Dunlap, in addition to performing his work with zeal and extra effort, had first been honored in November for being single-handedly responsible for the arrest of an escaped convict from the violence-plagued New Mexico Penitentiary. Dunlap had imprinted the image of a suspect photographed while robbing a Toot n Totem in his mind, and diligently searched the bars on his beat until he found and arrested the wanted man. Dunlap then chased and fought with the convict finally subduing and arresting him.

Mike Dunlap

Mike Dunlap, a former resident of Gruver is a great-nephew of Mrs. Skeet Ellison. Mike is married to Genna Green, the daughter of Weldon & Elene Green of Gruver and granddaughter of Vivian Green. Mike and Genna are the parents of a 3 year old daughter Kenna.

Officer Dunlap also was responsible for arresting a would-be robber, even at the risk of endangering himself when the man pulled a gun.

Dunlap also has been honored for the capture of nearly a dozen burglars during the past three years, as well as the recovery of a great amount of stolen property, weapons, and money.

Other officers were recognized for their contributions in several instances of emergency life-saving.

In Fashion

In this year's footwear, there is a clear-cut difference between casual and festive shoe styles. You can find just the right footwear for any occasion in the collection of bi-colored spectators, oxfords, slingbacks, sandals and dance shoes.

Candy colors mark children's warm weather clothes. Action fabrics are smooth knits, soft twills and denims. Coordinated separates with elasticized waist are perfect for active days.

NEWS OF HEALTH

Despite what many believe, the sun's health benefits are almost nil. The only real benefit of tanning, besides a psychological feeling of well-being, is absorption of vitamin D. And most Americans get all the vitamin D they need from their diet.

Two groups most likely to be harmed by the sun are light-complexioned people and those whose professions require them to spend many hours out of doors—fishermen, construction workers, farmers, for example.

Residents of "sunbelt" states are more vulnerable to the sun's damaging rays than are those who live farther north.

Years of overexposure may lead to a condition called solar keratoses, which in some cases can become malignant. Symptoms are irregular red, scaly patches on exposed areas of the body, usually the hands and face. Although painless, they may lead to skin cancer. If you have such symptoms, see a doctor. Only a doctor can properly diagnose and treat solar keratoses.

Doctors sometimes use a prescription drug cream or solution, developed by Hoffmann-La Roche Inc., that is often prescribed with good results for people who have solar keratoses.

Solar keratoses is a problem that you may be able to prevent by taking the sun in moderation. Too much sun now may spell trouble in the years ahead.

Steel rails used by railroads in the early 20th century often weighed less than 60 pounds per yard. Today they weigh more than 150 pounds per yard.

AUCTION SALE

Saturday, May 16, 1981

Time 10:30 a.m.

LOCATION: From Perryton, Tex., drive-in theater 5 miles east, 1/4 mile north. From shopping center 5 miles east, 1/4 mile north. From Twitchell elevator 1/2 mile east 2 miles south.

Top Winners Named in District 4-H Roundup

High Plains 4-H'ers from 15 of the 20 counties in Extension Panhandle District 1, May 2 qualified to compete in the State 4-H Roundup at College Station, June 2-3 by taking top honors in district competition.

About 400 boys and girls competed in the one-day event which included 30 contests. Winners received their awards in ceremonies at West Texas State University Activity Center.

Moore and Randall County 4-H'ers captured the most qualifying wins of any county with 19 teams and/or individual senior wins. Moore County had 10 and Dallam County had 14 junior teams and/or individuals that were named winners, though they will not compete beyond the district level.

To qualify for the State contest a team or individual must have a first or second place win in the senior division which is for 14 year olds and older. Juniors do not compete beyond the district level.

To qualify for the State contest a team or individual must have a first or second place win in the senior division which is for 14 year olds and older. Juniors do not compete beyond the district level.

Other counties who will be competing in the State contest includes: Carson, Dallam, Deaf Smith, Gray, HANSFORD, Hartley, Hemphill, Hutchison, Lipscomb, Oldham, Potter,

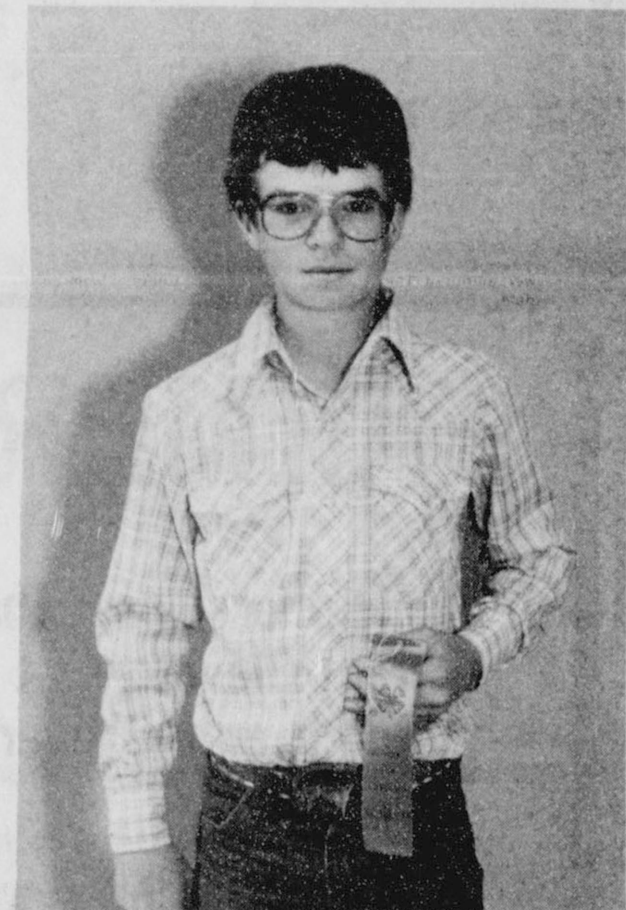

Roberts and Sherman. Counties taking a large portion of senior division honors included: Moore County with 11 qualifying wins and Randall County with 8 qualifying wins and Deaf Smith with 6 qualifying wins and Dallam County with 5 qualifying wins.

Already five rounds of district competition have been staged. The 4-H Food Show was held in December. Dairy Judging, March 28th and three judging contests were held April 21st. Range Evaluation and Pasture Grass Identification was held April 30th. Winners from those events will join this Saturday's winners at the district's delegation to 4-H Roundup.

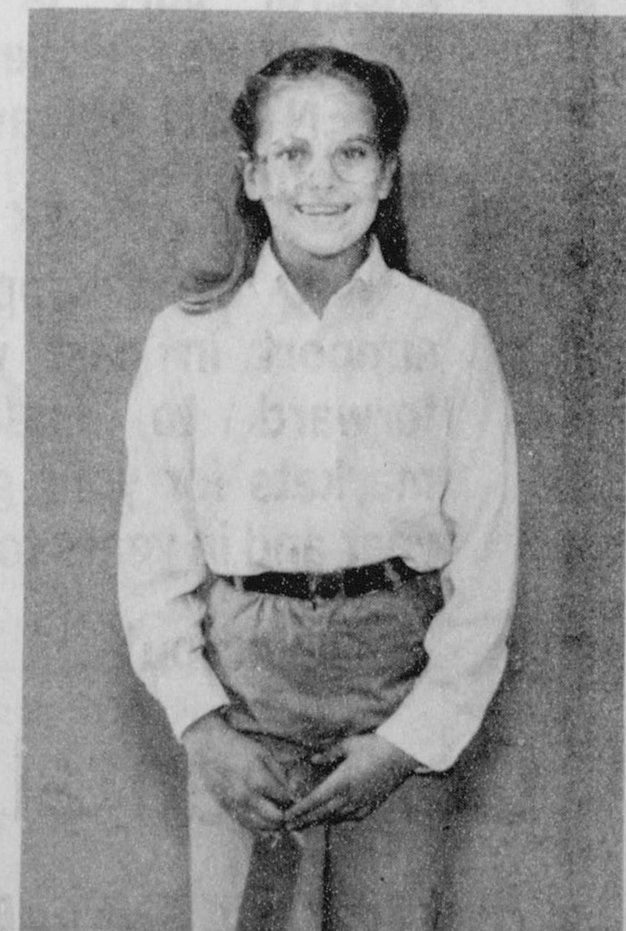

Ribbons were presented at an awards assembly which followed the contests. ENERGAS donated the ribbons for the winners. Production Credit Association handed special awards to winners of the farm and ranch management contest, Johnson Wax presented special awards to the clothing contest and Adams Extract Company presented awards for foods and nutrition.

Will Jarvis of Spearman placed first in the Horse Demonstration and will compete in the State Contest June 2-3 at College Station.

Anne Marie Jarvis of Spearman took top honors in the Open division with her demonstration on Making Fabric Flowers.

Will Jarvis placed first in the Horse Demonstration at the District 4-H Contest May 2.

Anne Marie Jarvis won 1st at the District 4-H Contest with her demonstration on Making Fabric Flowers.

NEWS OF HEALTH

If you spend long hours in the sun, beware of skin damage.

Dermatologists report an increase in sun-caused cancer.

Here are some bright ideas on how you can avoid becoming such a statistic this summer.

- First, know your skin type. If it's very light it can take less sun than if it's very dark.

- A tan will provide some protection against burning, but you still run a risk if the sun is very intense, or if exposure is prolonged.

- To tan without burning, limit your exposure to the sun. Your first day out, keep sunning down to 20 minutes or less. Then, you can increase your sunbathing by as much as one-third daily to achieve a gradual tan.

YOUR SKIN AND THE SUN

- Use the proper sunscreen. To select the one that is right for your skin type, check the Sun Protection Factor (SPF) on the bottle. A sunscreen factor of 4, for example, will enable you to stay in the sun four times longer than you can without protection.

After long sun exposure, cover up with protective clothing and seek shade, but don't rely on this combination for complete protection. Water and sand can reflect enough sun to burn you under a hat or a beach

umbrella, and you can burn through light summer clothing.

Sun-lovers can protect their lovely skin from premature aging and skin cancer.

MRS. PATRICK LOREN DONICA

Gregg-Donica Vows Read

Wedding vows were exchanged at the Church of the Madalene, Tulsa, Oklahoma on May 2 by Debra Ann Gregg and Patrick Loren Donica.

Debra Ann is the daughter of Dr. and Mrs. Damon D. Gregg, former Spearman residents, Rt. 3, Box 221, Harrah, Oklahoma, and the groom is the son of Mr. and Mrs. Charles L. Donica of Broken Arrow, Okla.

The nuptial mass ceremony was held, Saturday, May 2, 1981 at 3 p.m.

Miss Susan Gregg, sister of the bride of Harrah, Okla. was the maid of honor.

Bridesmaids were Miss Dawn Gregg, sister of the bride; Miss

Cindy Donica, Broken Arrow, sister of the groom, Mrs. Cindy Ragland, Broken Arrow, and Mrs. Betsy Newton, Edmond, Okla.

The flower girl was Mika McLain of Gruver, niece of the bride. Lector for the mass was the bride's sister, Mrs. Diana McLain of Gruver.

Miss Sharon Donica registered the wedding guests.

Michael Donica, brother of the groom of Tulsa, was the best man.

Groomsmen were William Birch of Beaumont, Joe Michala, Chicago, Ill., Damon Gregg, brother of the bride; Harrah, Okla. and Tom Petlicki, Chicago, Ill.

The couple went to Cancun, Mexico for their wedding trip and will make their home in Tulsa, where he is Career Agent with Southwestern Life Insurance Company, and she is gas accounting specialist with Warren Petroleum, Company.

Shuttle Success

After a period of six years, the U.S. has again made space history, and re-entered space-age scientific competition with a successful earth-to-earth shuttle of a space craft—a craft which can carry seven or eight astronauts and 32 tons of equipment.

This is a significant, satisfying achievement. But it shouldn't be concluded this country is again ahead in space competition. We are ahead in the shuttle race, but in many other areas we now lag behind.

The Soviets have concentrated on the military potential of space flight and space weapons. While the shuttle inevitably holds great promise in both military and non-military fields, the concern of U.S. space experts, currently, is whether the Soviets have a capacity to destroy our space vehicles with recently-developed lasers or missiles.

Going to the moon and demonstrating the ability to return a space craft to the earth are major, historic steps forward, in scientific progress and man's exploration of space.

Wedding Planned

Mr. and Mrs. Rex Burgess are announcing the approaching marriage of their daughter, Teri Jo, to Clay Wesley Crites. Clay is the son of Mr. Wesley Crites and Mrs. Ross Coffey of Hartley.

The two will exchange vows at 7:00 p.m., Saturday, May 23, at the First United Methodist Church in Spearman.

WHO KNOWS?

1. Identify the Westar I.
2. When is Ascension Day?
3. What is the significance of this day?
4. Name the flower and stone for the month of May.
5. Which is older—the National or American League?
6. Who was the first U.S. Supreme Court Justice?
7. On what sea is Nome, Alaska situated?
8. What is the state flower of Rhode Island?
9. When did Richard Byrd and Floyd Bennett fly over the North Pole?
10. When did crucifixion cease to be a form of punishment?

Answers To Who Knows

1. The first United States domestic communications satellite.
2. May 28.
3. The Ascension is observed as the bodily passing of Christ from earth to heaven.
4. Lily of the Valley or Hawthorn and Emerald.
5. National League.
6. John Jay.
7. The Bering Sea.
8. The violet.
9. May 1, 1931.
10. Crucifixion was abolished throughout the Roman Empire in the 4th century A.D.

FANCY THAT!

The odds against five brothers or sisters of the same family having the same birthday are almost 18 billion to one. That's about four times the entire world's population.

Rotary Club Views Animal Extinction

"Say Goodbye" was the title of the film showed at the May 4th meeting of the Spearman Rotary Club. This excellent film highlighted the plight of several animals and birds close extinction in the world. "The fate of the living is in our hands", was a concluding statement by Rod McKuen, narrator.

Besides the viewer seeing dedicated people who are working their own areas of the U.S. and Africa to save many of the endangered species of wildlife, footage included local and national refuges where many species are being preserved and procreated. The refuges and preserves, under professional guidance many times becomes the only place where large numbers of the species are born, with a positive likelihood of preservation.

The greatest threat to wildlife both in the United States and Africa is the growing populations moving into the animals' and birds' habitat. The problem in Africa is similar to the one faced in America during the trek westward in the 9th century. One simile was of the fate of our own bison and the African elephant. Both are caught in the squeeze of more people and the reckless slaughter for hides and in the elephants' case for ivory.

Highlights were shown of the black footed ferret and its need for existence through the prairie dog. The California sea otter and its need for the abalone mollusk. The sea otter is fighting against man, as man consumes and harvests the abalone for commercial usage.

Another endangered creature is the tortoise who is taken by many suburbanites as they move into the homes of the turtle. The people make pets out of the turtles and many die. Mustangs in California are dying because the grass contains lead and the air is polluted from industry. In the coastal area of Texas the pelicans, numbering 46 are fighting for existence because of DDT. It is also in an area where commercialization and industrialization want to expand. Finally, after a number of years, 9 new pelicans have been hatched. The fight goes on.

The film was well received, as it prompted rather positive comments from the viewers. The film also made the club aware of the problems we humans create on the wildlife system of the world. Again, "The fate of the living is in our hands."

Those present at the meeting: Eschol Blankenship, Robert Elliott, Steve Rogers, Jim Benson, Roy Bulls, Don Wirsdorfer, Frank Oglesby, Gary Sims, Jack McWhirter, John Hutchison, Ed Garner, Mike Schnell, Jim Shirley, Junior Lusby, Kerry Henton, Coy Palmer and David McClellan.

Those Absent: John R. Colard, Pete Fisher, Jim Murray. Guests: Garland Head, Gilbert Mize, J.B. Whigham.

The installation of the new officers and board members for the 1981-82 Rotary year will be held in conjunction with the Perryton Club on Friday, June 19 at 8:00 p.m. at the Spearman First United Methodist Church.

A GIFT OF LIFE

Your contribution to the American Cancer Society in memory of your loved one will help support a program dedicated to the conquest of cancer. Your memorial gift will not only do honor to a loved one; it could help provide a gift of life.

Memorial gift funds may be sent to your local American Cancer Society office.

AMERICAN CANCER SOCIETY

The call of the South American bullbird—cephalopterus ornatus—sounds, experts say, just like a cow's moo.

THEN - NOW

Beginning with World War I The Salvation Army has been in the forefront in providing service to members of the Armed Forces throughout the World.

Each Christmas millions of needy and forgotten individuals and families are given toys, food, shoes, clothing and other items to make their holiday brighter.

Spring Bike-A-Thon

"Our goal is simple: 'To find a cure or control for the inherited disease, Cystic Fibrosis', said J.C. Harris, Chairman of the Spring Bike-A-Thon in Gruver.

"We have dedicated volunteers, a national organization, renowned scientists and researchers and 115 diagnostic and treatment centers" said Mayor Harris. "What we don't have is enough money. That is why the Cystic Fibrosis Foundation is appealing for support to expand research and care programs through the Spring Bike-A-Thon."

Funds raised in the Bike-A-Thon will help support the CF care, teaching and research centers across the U.S., where children with lung disease are diagnosed and treated with the most modern techniques and equipment.

Although Cystic Fibrosis is still incurable, the average life expectancy of children affected

has been increased from infancy to the teen years and many patients now live into young adulthood. These giant strides of progress are due to earlier diagnosis and improved methods of treatment, which have developed from a better understanding of the disease.

"Naturally we know more today than we ever have before, but we still have a long way to go before we have conquered CF", said J.C. "Every dollar raised for the Bike-A-Thon will take place at Gruver City Park, Saturday, 16 May 1981, from 1:00 P.M. to 5:00 P.M. Prizes will be awarded for (1) the most miles ridden (2) the most money raised (3) the most sponsors. Refreshments will be served during the ride. Sponsor sheets may be picked up at Gruver High School, Gruver Junior High School, Elementary, or the City Hall.

B A "BIG WHEEL" Ride Saturday, 16 May 4 CF!

Hansford Unit ACS

Encourages Memorials

In response to numerous requests from families and individuals, the American Cancer Society has established a Memorial fund of which many people are not aware. Families and friends of cancer victims are invited to contribute to commemorate their loved ones.

"Contributions made in memory of a friend or a member of the family are acknowledged by the American Cancer Society and a Memorial card is sent to the family stating that a Memorial gift has been received and giving the name of the donor. "These contributions may be in any amount," said Johnny Lee, President of the Hansford Unit of the American Cancer Society. "Memorial funds are used to support the Society's three fold attack on cancer through REsearch, Education, and Service," explained Mr. Lee.

"Although the major source of funds for these programs comes from the Society's annual Spring Crusade, Memorial contributions received throughout the year are becoming increasingly important to the Society as more families and individuals become aware that they can contribute to the ultimate victory over this dread disease."

He also explained that the American Cancer Society is deeply grateful to individuals and families throughout Hansford County who are using this practical means of assisting the Society to carry on the fight against cancer.

Memorial contributions may be sent to the American Cancer Society, Hansford unit, --for Gruver, Mrs. Ted McClellan, Memorial Chairman and for Spearman, Mrs. Jim Nobles, Memorial Chairman.

BACKGROUND ON BUSINESS

How \$20,000 Launched A World Leader

Pittsburgh, Pa., July 31, 1888. Captain Alfred E. Hunt ushered his last guest into the parlor, then strode to the head of the mahogany table. He had invited a group of young businessmen to hear of an investment opportunity concerning a revolutionary process. One that would make possible the commercial production of aluminum.

Well, Captain Hunt must have been persuasive, because four of the men present invested. And with \$20,000 a new company was formed. Thanks to a free market system that rewards initiative and hard work, Captain Hunt's venture prospered. Today, it's a world leader in the development of new aluminum products for vital energy.

When You're Ready To Invest \$100,000. Call Us First. We'll Pay 17.934%**

When you're ready to invest \$100,000, call us. Tell us what you think your money is worth. We're confident we can offer the high rate your \$100,000 deserves with a Large Certificate of Deposit.

Look at the chart of dates and rates. By compounding your interest daily, we can give you a very attractive annual yield. Maybe the highest in the region.

We realize you don't ordinarily expect to see offers like this from a bank. But it's this kind of willingness to respond that makes us one of the strongest and fastest growing banks in the Texas-Oklahoma area.

If this offer sounds good, see John Cluck, our President, or Larry Orman, Senior Vice President. Or call (806) 435-3676 and ask for our Money Market Advisor. We'll talk by phone, or we can come to visit you. We think we're the only bankers around who will give you what your money is worth.

Term	Rate	Annual**
90 days	16.50 %	17.934%
120 days	16.00 %	17.346%
180 days	16.00 %	17.346%
1 year	15.25 %	16.470%

* Minimum deposit \$100,000. Limited offer. Rates subject to change without notice.

** Annual yield based on daily compounding. As required by law, all certificates are subject to substantial interest penalty for early withdrawal. All deposits are insured to \$100,000.
