Floyd County Farmers Will Urge Sugar Beet Acreage

SCHOOL DISTRICT HAS A PROBLEM. Peggy Medley, Hesperian staffer, made husband Si help her out on this assignment. Pictured is the North Floydada High School surrounded by water. Si drove out into the high water lake and Peggy climbed out on top to get her camera shots. Note this one includes the "School Slow" sign in the normally dry and dusty street. Waters of North Side Lake School Board Headache

With highwater from the "Santa Fe Lake" still surrounding their $45,000 investment in buildings that house the North Ward Elementary School and the North Floydada High School, the board of education has been in a real swivet for over a week.

Driven out by the high waters all of last week the children of the schools were put back into class rooms Menday morning when the Methodist and the Baptist Churches loaned their educational departments and facilities to the board until the emergency is passed.

Superintendent Graves said it would be at least two weeks, and probably three, before the north side schools could resume work in their own home.

The elementary grades are being taught, up to the sixth, a the Baptist Church, the sixth to twelfh at the Methodist Church This division was made, Principal Faris Wilson said, to keep the teacher load balanced. The enrollment, including high school pupils from Silverton, Petersburg and Lockney, totals 22[illegible] students, with nine teachers.

Supt. Graves said the enrollment in the elementary grades at North Ward is crowding the capacity of the school, but there is ample room in the high school grades, making it possible to handle the outside pupils without any hardship.

Damage to the school property has been minimized and when waters have receded from the grounds school work can be resumed there without too much expense of cleaning up. For instance, Mr. Graves said, the buildings with tile floors were sandbagged and water kept out of them. No water entered the buildings with wooden floors and the remainder have concrete floors.

Since the board has no way of assuring itself that a similar emergency from high waters may not arise at any time they are faced with the problem of caring for a burgeoning scholastic population, with a chronic financial problem and the district's facilities in a location that does not lend itself to the expenditure of more money.

"We are getting along nicely now but the fact remains that the district is faced with a real problem," Supt. Graves said.

Elect Mrs. Smith WHDC President

The Floyd County Home Demonstration Council in its important meeting Saturday elected officers for 1961.

Present for Saturday's meeting were 20 members, three officers, one visitor, and eight clubs represented.

The treasurer reported $406.65 to date.

In the club reports all clubs reported regular meetings, programs on furniture arrangements and accessories for the home, and the election of officers.

The yearbook chairman reported that she wants all the names of the new officers of each club and their addresses.

The Education-Expansion Committee asked club officials to have the names of each club's "Woman of the Year" in by the November meeting of the council so that pins can be ordered for the Christmas party.

The Consumer-Education Committee reported an offer of Parent's Magazine that a group of five can order the magazine for one-half the regular price.

Mrs. Lynn Miller and Mrs. Tom Porter directed recreation.

The council officer's reports, the committee chairman's reports and the club president's reports were given.

The officers elected for the new year are as follows:

Chairman-Mrs. G. W. Smith;
Vice Chairman-Mrs. Lynn Miller;
Secretary and Treasurer-Mrs. Sam Jones.

Following the T. H. D. A. report, council voted to extend an invitation for the district H[illegible] meet to be held in Floydada in 1962.

The committees for the Christmas party were named. These were as follows:

Time and place - Mrs. Roy Fawver, Mrs. Allan Gross, Mrs Tom Porter.

1961 Cotton Quota Proclaimed; Acreage Allotment Is Increased

COLLEGE STATION — A national marketing quota of 15,562,000 bales and a national acreage allotment of 18,398,424 acres have been proclaimed by Secretary of Agriculture Ezra T. Benson for the 1961 crop of upland cotton. Both are increases over those for 1960.

The Secretary also set December 13 as the date for the referendum on 1961 upland cotton marketing quotas. A two-thirds favorable vote will be required to keep marketing quotas in effect for another year.

Secretary Benson said, "It is significant that it is not only possible to increase cotton acreage for 1961, but that it is essential to do so in order to maintain a desirable supply situation. We are moving in the right direction when our farmers have more freedom to plant."

The United States is currently seeking to maintain and improve the position of cotton both at home and elsewhere in the face of rising competition from synthetic fibers and foreign-growth cotton. In order to maintain adequate cotton stocks, an increase in the national quota was needed. To produce this quota, based on the average yield of 406 pounds per planted acre for the 1956-59 period, the acreage allotment was set.

The national allotment for upland cotton will be apportioned to the States, the State allotments to counties and the county allotment to farms according to the provisions of law. Individual farm allotments will be made available to producers prior to the December 13 referendum.

If producers approve marketing quotas for the 1961 crop in the referendum, price support will be available to those who comply with their farm allotment at a level within the range of 70 to 90 percent of parity. The exact level will be determined at a later date.

If quotas are voted out, the allotment program will remain in effect and price support will be available to cooperators at 50 per cent of parity, as provided by law.

New Ordinance Defines Areas Of Traffic

A break-through for several feet on Fourth Street paving adjacent to the Junior High School grounds, showing marks of a heavy truck, last week resulted in a specially called meeting of the City Council over the weekend and the passage of an ordinance that will prohibit trucks of over given weights from traversing streets not built for the heavy duty required by streets and roads carrying freight.

Following the lead of the State Highway Department which limits loads on the farm to market roads the council put a limit of 30,000 pounds on trucks execpt on designated streets. Missouri, Houston and Second streets are designated as truck routes through the city by the new ordinance.

The broken place in the pavement has been ordered repaired at the expense of the city.

The ordinance passed is a double-barreled one, to make it also include parking time limits on the highway streets at nights.

The provision covering this aspect of the new ordinance is that truck tractors with trailers of a length of more than 20 feet are not permitted to park for a period of more than 30 minutes before sundown until 30 minutes after sunrise.

Penalty for violation of the new ordinance shall be a fine of not more than $100.

Ocassion for the provision prohibiting parking on the highway at night is the increasing number of serious accidents resulting when drivers barrel into parked trucks.

Two serious accidents in the past six months resulted when the legally parked trucks were struck by driven vehicles, blinded by approaching lights.

Leroy Graham Hospitalized At Hamilton

Mrs. Leroy Graham and her husband's parents, Mr. and Mrs. D. F. Graham returned home Thursday from Hamilton where they were called after learning of Leroy Graham's truck accident on Tuesday of last week.

Mrs. Graham reported her son in fair condition with improvement showing daily. She said Leroy has a left broken leg, a severe cut on one arm and behind the ear, and numerous other lacerations and bruises.

Highway department investigators said the wreck cost an estimated $5,925 damage. Besides the damage to the two trucks the crash sheared off a power pole at the curb, beat a highway sign pole, demolished the traffic light and control box, time clock and suspension cable, also a plate glass window in an adjacent store was broken and damage done to merchandise in it.

The accident occurred in downtown Hamilton at an intersection. The truck Graham was driving hit another semi-van broadside when the other driver failed to stop at a red light. Graham was pinned in the wreckage some 45 minutes before workers were able to free him. There was fear of fire for a time as both gas tanks on the truck burst and the vehicle itself was a total wreck. It is owned by a firm in Silverton and was loaded with grain at the time of the accident.

Mrs. Graham said the Floydada son would be in the hospital for six weeks if things go well. He is in traction at present.

Those wishing to send words of cheer may address their mail to the Hamilton General Hospital, Room 14, Hamilton, Tex.

AT A&M CONFERENCE

Miss Phyllis Roggendorff, HD agent, Cecil Lewis, County agent and assistant, John Schlittler are at College Station this week where they are attending the annual conference. Mrs. Schlittler accompanied the group as far as San Angelo where she will spend the time with her parents.

SUGAR BEET ENTHUSIASTS. Real enthusiasm for the campaign to get sugar beet production and refining into the economy of the high plains was generated at the county-wide meeting here Tuesday night. Among the principals in the meeting were the above, from left, Lee Bennefield, president of the Texas Sugar Beet Association, Henry Sears, president of The First National Bank, and right, James W. Witherspoon, al of Hereford, and Richard F. Stovall, president of the Floyd County unit organized during the meeting. (Staff photo and engraving).

Assn. Formed Tuesday Night Pledges Funds

Some 300 men were in attendance Tuesday night at Floydada high school when a meeting was called to look over the prospects of organizing a Floyd County Sugar Beet Association. Beside a good representation of Floyd County farmers there were interested visitors here from Crosby Lubbock, Hale and Deaf Smith Counties.

The meeting was arranged under direction of Floydada Chamber of Commerce and the agricul-

One hundred and eight farmers informally signed up for a total of 6,385 acres of sugar beets and poured $1,485 into the kitty for the county organization. Many of them took cards to hand to their interested neighbors.

ture committee of that organization. C of C president Lon Davis Jr., recognized distinguished guests and called on Richard Stovall, chairman of the Sugar Beet committee, to take over. Ralph Johnston served as chairman of the C of C agriculture committee.

Chairman Stovall introduced Jim Witherspoon of Hereford who addressed the group on the subject of sugar beets, what has been done to get West Texas into the beet picture, what is now being done and the course of action for the futrue.

Witherspoon found an attentive audience when he told of what a sugar beet program could do for the economy of a farming area. The research work of his group showed that irrigated beets will bring in from $150 to $300 per acre from the crop alone and by products are worth an additional $20 to $50 per acre for livestock feeding.

What Sugar Beets Could Do

A break down of his figures showed average production ranged from 20 to 30 tons per acre. Sugar content ranges from 14 percent to 19 percent in this area and the price per ton on 14 percent beets is $14 per ton and on 19 percent is $19. The average cost of production per acre ranges from $50 to $100 with considerable amount of this expense for labor Witherspoon said.

The speaker said that at present only 22 percent of this nation's sugar is produced at home and this is on some 980,000 acres of sugar beets. It would take two million acres of beets to replace the sugar which has been imported from Cuba in the past. A sugar beet refinery normally requires some 30,000 acres of the crop to operate profitably and a farmer should have a minimum of 50 acres for a profitable operation.

All of these things painted a rosy picture but Witherspoon went on to point out the months

Heavy Vote in General Election Seen As Absentees Mark Ballots

There is wide-spread interest in the forthcoming general election and at this date there seems to be no doubt that the vote in Floyd County will be equal to or greater than the vote in the Democratic primary.

The Election Board received ballots and supplies last week and have been getting them out to the election holders as convenience permitted.

Tuesday shortly after noon 15 votes had been cast at the county clerk's office and 29 applications had been mailed out, Margaret Collier, county clerk, said. The stricter regulations now in effect apparently are not affecting the number of absentees asking for ballots.

The ballot for the general election this year is smaller than the usual blanket size sheet. At that it is 12½ inches wide by 16 inches deep. It has six columns, for respectively, Democratic, Republican Constitution, Prohibition parties, also column totally blank for the "independent" voter and a sixth column for the voter who wants to write in his own selection of candidates. This last column provides a space for write ins from the top of the ticket to the bottom.

One can vote for the candidate of his choice by scratching or marking out all other names in the race or the voter can vote for all the candidates of a party by running a line through every other party column. The same rule holds true as regards the proposed constitutional amendments, that is running a line through the proposition one opposes, leaving the other proposition unmarked.

All election places used in the July primary, save one, will be used again on Nov. 8 for the general election. In Precinct No. 18, Northwest Floydada, voting will be at the American Legion Annex instead of the city hall.

Voting places, judges and clerks are as follows:

Precinct 1, Southwest Floydada Lighthouse Electric; Dale Goen, presiding judge, E. J. Barker judge, Mrs. B. A. Robertson, Mrs. E. S. Randerson and Mrs. Adron Field, clerks.

Precinct 2, Starkey, Starkey Club House; W. L. Davis, presiding judge, Leon Ferguson judge, Tom Porter, clerk.

So. Plains News

By Mrs. Murray Julian

SOUTH PLAINS, Oct. 24—Most of our people here had between four and seven inches of rain from Saturday through Monday night and lakes have virtually marooned some of our homes. Cotton gins and grain elevators have been idle the past week, but this week some of the fields will be dry enough for cotton pullers. School buses are beginning to make their rounds again, and rural mail carriers can get to their boxes. Frost was fairly heavy here Thursday morning with a low of 36 degrees.

School children here and in Floydada were given a holiday from school Tuesday due to boiler truble at the Andrews Ward School in Floydada.

Mr. and Mrs. Grigsby Milton and Darla spent Tuesday in Lubbock where they visited with their daughter, Mr. and Mrs. Arlis Powell and son.

Mr. and Mrs. Bill Harper of McAllen were in the South Plains vicinity Tuesday on a business trip.

Mr. and Mrs. George Weast went to Lubbock Wednesday to spend the day. They saw Mr. and Mrs. Bill Harper there were visiting Mr. and Mrs. Frank Jackson.

Mrs. Johnney Wilson and Loran of the Fieldan Motel in Floydada spent Friday here with Mr. and Mrs. John Wilson, having lunch with them.

We extend congratulations to Mr. and Mrs. Don Marble who are parents of their first son born Tuesday night at 10:30, Oct. 18, at Lockney General Hospital. He weighed eight pounds, one and one-half ounces, and was named Brett Evan. Brett has an older sister, Donette, who is three. Grandparents here are Mr. and Mrs. H. L. Marble, and in Lockney, maternal grandparents are Mr. and Mrs. R. L. Holland.

Rev. and Mrs. John Gillispie, Beverly and Jacque, went to Afton for the Caprock Baptist Church Associational meeting Tuesday afternoon at five. Darlene stayed with Yvonne Karr. Rev. Gillispie went to Plainview this Monday morning to attend the Willson Lectures which were held at Wayland College at 10 o'clock.

Mr. and Mrs. Fred Marble and Mike attended church at South Plains Sunday morning and went home with his folks Mr. and Mrs. H. L. Marble to have dinner with them.

Mr. and Mrs. L. T. Wood left Friday evening to stay until this Monday at Whitney, Texas, where they visited his sister, Mr. and Mrs. Jack McCown.

Mrs. Don Marble and baby son, Brett, are expected home this Tuesday, and while she has been gone the past week, Mr. and Mrs. Marvin Wells have kept their daughter, Donette.

The Fields Enterprises Banquet, an annual party given by the World Book and Child Craft Company for their employees was held Saturday night in Lubbock at the Chicken Village in their banquet room. Mrs. John Wilson from South Plains and Mrs. A. H. Robertson, from Floydada, attended the banquet together, and were the only ones in the district to receive an invitation. Awards were given at the close of the party, and Mrs. Robertson third place winner, was given a beautiful diamond ring. Mrs. Wilson, as tenth place winner received an award of a portable mixer.

Mr. and Mrs. Shelby Calahan and children had Sunday dinner after church with Mr. and Mrs. Sylvin Kinnibrugh and girls.

Mr. and Mrs. Fred Fortenberry went to Amarillo Thursday and Friday to spend the days visiting with her relatives.

Alton Higginbotham and Price Pritchett, students at West Texas State in Canyon, were home with their folks, and the Bryant Higginbothams, and the Early Pritchetts over the past weekend.

Mrs. Oleta Bottoroff of Plainview was speaker at a Youth Meeting at the Baptist Church here Sunday at 2:45. Rev. John Gillispie, and Mrs. Arby Mulder youth leader, met with the young folks of the church for the interesting talk. Mrs. Shelby Calahan and Mrs. R. H. Adams served Hallowe'en refreshments of cookies and fruit punch. Present for the meeting were Yvonne Karr, Bill Bledsoe, JoAnn Newton, Frank Jones, Jay Ronald Taylor, Allan Adams, Bruce Julian, Sue Wilson, Beth Calahan, Bud Higginbotham, Kathie Mulder, Nathan Mulder, Marilyn Kinnibrugh, Darlene Gillispie, Barbara Milton and Keith Holiday of Floydada.

Mr. and Mrs. Leonard Moore and Debra left last Saturday for services for his uncle, S. A. Bowman, on Sunday. They are also visiting his mother, Mrs. Ivy Moore of Purdy and are expected home this Monay.

Mr. and Mrs. Terry Julian and Dee of Roscoe, Texas, came this Monday to spend a few days here with his parents, Mr. and Mrs. Murray Julian and Bruce.

Mr. and Mrs. George Weast left Friday for Huntsville, Tex., where they planned to attend the Prison Rodeo this Sunday. The Rodeos are held each Sunday during the month of October. The Weasts expect to be gone several days, and perhaps will come back by Lake Texhoma for a few days relaxation.

Allan Adams was able to go back to school last week, and is getting along fine with his broken leg, although he still will have crutches for some time.

Casey Hidalgo celebrated his fifth birthday Tuesday, Oct. 18 in the home of his folks, Mr. and Mrs. Chester Hidalgo. Mr. and Mrs. Ernest Smitherman and Mr. and Mrs. Philip Smitherman and Marc spent Tuesday night in the Hidalgo home and helped Casey celebrate with birthday cake and ice cream.

Honored At Party

Mrs. Bill Beedy was honored at a morning party in the home of Mrs. J. P. Taylor Friday morning, Oct. 21, from 9:30 to 11:30. The occasion was a going away gesture by her friends, and it was also her birthday.

Mrs. Arby Mulder greeted the guests, and Mrs. Murray Julian registered them in a birthday card book.

The serving table was laid with a white linen cloth, and centered with bright yellow chrysanthemums in a crystal bowl. The flowers were from Mrs. L. T. Wood's garden.

Coffee and German chocolate, strawberry and plain pound cake were served from a silver service and guests presented gifts to Mrs. Beedy.

LOWRANCE AND REDD HAVE CIRCLE K CLUB OFFICES

PLAINVIEW, — Two young men from Floydada, Tom Melvis Lowrance and Dale A. Redd, have been elected to offices in the Wayland Baptist College Circle K Club, a service organization.

Lowrance, the son of Mr. and Mrs. O. L. Lowrance, was elected a member of the board of directors of the club, while Redd, the son of Mrs. Tom Daniel, was elected secretary.

REBEKAH LODGE HAS FOUR NEW MEMBERS

Floydada Rebekah Lodge recently received four new candidates into lodge. Lauless Parkey Noble Grand, and Barbara Hatley, vice Grand, pro-tems, presided at the candle light service.

The new candidates were Betty Marquis, Dolores McCuistain, Lavern McIntosh, and Leona Oden.

Members reported on the sick list were Pauline Webb and Earlene Finton, who is just home from Methodist Hospital.

Lodge Deputy Jane Marquis announced that a school of instruction will be held at the next meeting on Nov. 1.

Following the assembly members present enjoyed a salad supper during the social hour.

TWO YEARS FOR ONE

Letter to a Boston paper: "Dear Sir: When I subscribed a year ago you stated that if I was not satisfied at the end of the year I could have my money back. Well, I would like to have it back.

"On second thought, to save you trouble, you may apply it to my next year's subscription."

Letter Outlines Plans for Homecoming

HOMECOMING
FRIDAY, NOV. 11, 1960

FLOYDADA HIGH SCHOOL

EX-STUDENTS ASSOCIATION

Floydada, Texas

October, 1960

Dear Ex-Student:

The Homecoming for all Floydada ex-students, teachers, and coaches will be November 11, 1960 at the new Floydada High School. Registration will begin at 9:00 a.m. and there will be an "F" Club Coffee, Pep Squad Tea and other reunion meetings in the morning. Pep Rally will begin at 11:30 a.m. with Ex-Yell Leaders joining in. The Football game between Floydada-Olton at 2:30 p.m. You will see the fine seventy-two piece Whirlwind Band and the crowning of the Homecoming Queen at pre-game ceremoies, 2:15 p.m. Immediately following the game, about 4:30, all ex-students will assemble in the Junior High Auditorium (Old High School), for a business meeting, memorial service, and class reunions. Barbecue will be served at 6:00 p.m. in the Graves Gym. Some classes have stated their desire for individual reunions, these will be held between 8:00 and 9:00 p.m. The Homecoming Dance will be at the V.F.W. Hall at 9:00 p.m.

We feel that activities have been planned that you and your husband or wife, will enjoy attending. They will enjoy meeting the friends with whom you attended the Floydada Schools.

I would like for you to tell all the ex-students you see or write that we are interested in those who once attended the public schools here, whether they graduated or not. I have friends that started out in the first grade with me and their families moved when we were in the third or fourth grade and others that moved here for a year or two and then moved. They are ex-students too, and their attendance would help make Homecoming complete. If you have addresses of friends that would like to know of Homecoming, please mail them to Homecoming, Floydada, Texas.

The Ex-Students Association and directors are particularly anxious that every Floydada ex-student attending the Homecoming be registered. You may register at the high school auditorium from 9:00 a.m. to 12:00 and after the football game at Junior High, until 6:00 p.m. You must register in the morning to be eligible for recognition as the oldest ex-student, teacher, and coach, and the one who traveled the greatest distance for Homecoming. This announcement will be made at the business meeting after the football game. Registration for the event will be free. Tickets for the barbecue and dance are priced as a unit, $2.50. Those wishing reservations may mail their checks to Homecoming, Floydada, Texas before November 5 and your tickets, program of activities, and registration tag will be mailed to you. Please give your class year. Reservations received after November 5, will be waiting for you at the registration table. Some extra servings for the Barbecue will be prepared, but the committee will need some advance notice indicating the number that might be present.

We are planning a memorial service and will honor our past president and his wife, Ernest and Mildred Carter, Coach L. F. Gresham and other ex-students, teachers and coaches who have deceased since our last Homecoming, November, 1956. Mrs. Ralph Johnston is the chairman and would appreciate your help by sending in names. Mail to Homecoming, Floydada, Texas.

The ex-students here in Floydada and the students of Floydada High School are looking forward to this occasion, to bring you and your friends of old, together again.

Sincerely Yours,

Edward Wester

Kitchen And Field News

CHRISTMAS IS COMING — it's time again to begin thinking about what you are going to give for Chrstimas gifts.

Electrical appliances—exciting gifts to give — or receive.

For cool, clean, convenient cooking all year long, you can depend on the new handsome portable or table-top appliances. They'll make everyday a holiday for the cook. And the festive fare that can be turned out at a moment's notice will be a real pleasure to the whole family.

There is a variety of BLENDERS from which to choose. Most of them are available in standard or deluxe models. They do so many interestng things in the easiest sort of way.

A GRILL wil fry ai family-sized helping of pancakes or grill a platter of golden sandwiches on the roomy, heat-controlled grill. A grill is also perfect for keeping foods warm for a buffet-style meal.

Whether you want to make coffee for two or fifty two, there's an automatic electric coffee maker just ideal for the job. It not only brews it to your liking but you can set the heat to automatically keep it just right for serving.

MIXERS are available in handy, light - weight models, standard base-supported models, and convenient convertable styles. The pretty colors and handsome lines add a decorative touch to the kitchen. Too, there are many useful attachments available for mixers such as juicer, meat grinder and others.

EVEN THE CAN OPENER may now be electric — just a tap of the finger delivers neatly opened cans, and it's safely done too.

The electric SKILLET and SAUCEPAN are an invaluable pair for daily kitchen uses. They offer precise heat for so many cooking jobs. You may choose from a wide range of sizes and shapes — and what is extra nice about these appliances you may cook wherever you please — patio or porch, kitchen or ganie room, or wherever they are needed.

Another convenient portable appliance is the OVEN-BROILER; it gives perfect thermostatically controlled heat for baking, roasting, broiling or even just for warming up foods. It is just like having two ovens yet so compact and easy to move around wherever needed. Some of these ovens are equippd with a rotisserie.

These mentioned are only a few of the many wonderful all-electric servants designed to meet your every need. Among others are toasters, bakers, knife sharpeners and casseroles — what is seemingly an endless list of them — all pretty and oh-so-practical.

Feel like entertaining? Why not make it an outdoor party, it's fun for everyone, and remember it will be only a few more weeks until the cool evenings will keep us indoor again. Outdoor cooking is fast growing in popularity and no wonder! Who doesn't love the smell of wood smoke and steaks broiling on the grill — M-m-m! Cooking out of doors creates good fellowship, a sense of well-being and a hearty appetite. And the informality simplifies the task of the hostess, no silver to polish — no lace cloth to press and to eliminate much of the dishwashing use paper napkins and paper plates. It is not even necessary to have a fancy, chimneyed barbecue — a rack from the oven over two stacks of bricks which frame a bed of glowing charcoal does a very nice job. Portable grills are nice and make it simple and easy to enjoy this type of cooking.

For burgers that have a new and zesty flavor try crumbling some tangy blue cheese into the meat along with seasoning of salt. Use about one-fourth cheese to one pound of meat. After grilling, burgers on freshly toasted buns and let the trimmings. Complete with a tasty potato salad, assortment of crisp relishes, cold drink (ice hot, delicious). Then for dessert some fresh peaches served in paper cups (still the new, instead of throw away cups, the ice cream will melt as quickly as in the ordinary cups. Add brownines or some home made cookies and cake made as far as the eye can discerned.

Of some of them we shall speak more particularly hereafter.

Sand Hill News

By Mrs. James Jeffress

SAND HILL, Oct. 24 — Some are still wondering just what the hail has done to the crops. The fields haven't even crusted over enough to get in and when the fog moved in Monday morning everyone began to get worried again. One thing we don't need right now is more moisture.

The fields that haven't been defoliated look like frost has already hit them but still it didn't get down to freezing. Guess the hard rain and hail caused the leaves to turn dark.

The Sand Hill Baptist Church homecoming is just around the corner, and we want all the members that have moved away to be sure and come.

Everyone is extended a special invitation to come. The date is Sunday, November 6, so come spend the day with us at Sand Hill. Dinner will be served at noon and singing in the afternoon.

Dr. A. Hope Owen of Plainview will be the guest speaker Dr. Owen is president of Wayland College and has been for the past eight years. Dr. Owen is a graduate of O. B. U. and attended the Southwestern Baptist Seminary. Dr. Owen has been pastor at Albuquerque and Santa Fe, N. Mex., Quanah, Tex., and Muskogee and Clinton, Okla.

Sunday dinner guest in the home of Mary Starkey was Beverly Jeffress. Visiting in the afternoon were Cecil Jackson and Ken Roberts.

Grandmother Cates spent Thursday in the home of Mr. and Mrs Jim Holmes visiting with them and grandmother Holmes. The two grandmothers spent a very enjoyable day visiting. Mrs Holmes will be in the home of her son until Saturday.

Mrs. J. T. Huckabay and Jimmie spent Sunday in Lubbock visiting in the home of her daughter Jo Ann and enjoying her grandchildren.

Mr. and Mrs. James Jeffress and sons spent Sunday visiting in the home of Mr. and Mrs Ed Noel, Joe Ed and Johnny in the South Plains Community.

Our deepest sympathy goes out to the J. T. Huckabay family. Mrs. Huckabay's mother passed away suddenly in the state of Washington. Relatives had called Mrs. Huckabay telling her that her mother was in a coma and she left immediately, by plane for Washington, but her mother had passed away before she arrived. May God be with them in their hour of sorrow.

We are all looking forward to having Mr. and Mrs. Joe Earp of Munday here for homecoming. Mr. Earp will be in charge of the singing for homecoming.

Mrs. C. P. Carey said Sunday that reports from her son Jim are that he is enjoying his stay at the Veterans Hospital at Big Spring. Jim was taken down there a few weeks ago, when his condition didn't seem to be improving as it should. Mrs. Carey says he seems much happier down there, and that he hopes to be able to get his new legs before long now.

Reports are that Mrs. Cora Pace, mother of Mrs. Walter Knight, isn't doing too good. They've had the doctor out here with her several times. We wish her a speedy recovery.

The Sand Hill Home Demonstration Club met Wednesday afternoon with Mrs. Gene Bloys as hostess. Miss Phyllis Roggendorff met with the club and presented the program. Due to the bad weather, not many were able to attend. Mrs. Lynn Miller acted as president, in the absence of Mrs. Orlon Miller.

Mrs. Gene Bloys served refreshments to Mrs. J. T. Myrick, Mrs H. F. Jackson, Mrs. Walter Knight, Mrs. Glenn Kinard, Mrs Lynn Miller and Miss Roggendorff.

The next meeting will be November 2 with Mrs. M. B. Swanner as hostess.

Versatility and comfort are highlighted in Ford's 1961 trucks, with the greatest changes and most complete line ever presented. The light duty F-100 Styleside pickup (top) has a new type integral body and cab — with no separation between cab and box — for greater rigidity and longer life. The box is nine cubic feet larger and features a new non-rattling handle type tailgate latch. The F-100 is powered by Ford's "certified economy" 135-horsepower six or the 160-horsepower V-8. The heavy duty F-700 (bottom) now has Ford's 302 cubic inch Heavy Duty V-8 engine as standard equipment and longer wheelbases up to 212 inches. Medium trucks in the F-C-B-600 series have a husky new optional 152-horsepower, 262-cubic inch six cylinder power plant.

Church Observes Laymen's Sunday

Layman's Sunday was observed on October 23 in the First Christian Church during the morning worship service.

Glenn Jarnagin brought the message, "The Two Basins," denoting the acceptance or rejection of responsibility. As a basis for his theme he chose the incidents of Pilot washing his hands of responsibility toward Jesus, and Christ's washing the feet of the disciples.

Glen Amburn gave the scripture reading preceding the message

Other laymen taking part in the service were Kinder Farris, Cecil Hagood, J. C. Wester, Dot Barrow, and J. H. Tribble.

The choir was filled with men and the Junior Deacons assisted with the communion service.

Sunday morning, October 30, will begin Christian Literature week in the First Christian Church. A special assembly program featuring book reviews and easel drawings is being planned for the Sunday School hour by Mrs. Kinder Farris, Mrs. Billy Brown, Mrs. Bobby Smith, and Mrs. Ed Wester.

The children's group will present the program.

REBEKAH FRIENDSHIP NIGHT

On Monday night a group of Rebekahs from the Floydada Lodge went to Lockney for a Friendship night with the lodge there.

A Hallowe'en motif was carried out in their program theme and decoration.

A lovely salad supper was served after lodge closed.

Attending from here were Mmes. Lauless Parkey, Jane Marquis, Ruby Davis, Grace Grundy, Lola Allen, Omega May and Mrs. Artie Webb.

Floyd County 14 Years Ago

(Issue dated Oct. 17, 1946)

A. J. Hamilton, veteran road builder and maintenance foreman of Floydada District of the State Highway Department, died last Thursday in Plainview hospital where he had been a patient for three weeks. Mr. Hamilton had been ill for months. Funeral rites were held Friday in the First Methodist Church. Survivors include his wife and one son, Charles Ray Hamilton, six brothers and three sisters.

Five generations gathered recently here for a reunion. They were W. B. Jones of Floydada, who was one of the first Floyd County farm operators coming here in 1912, his son, Roe Jones of Center, Mrs. E. R. Melton of Ralls, daughter of the Roe Jones' Mrs. R. T. Jones, mother of W. B., and Dorothy Ann Melton, daughter of the E. R. Meltons. Mrs. R. T. Jones is the great great grandmother of little Dorothy Ann.

Dr. H. Woodie Guthrie, who has been home on terminal leave for several weeks after 19 months of overseas duty with the medical corp of the army, has opened a dental office in Floydada.

Mr. and Mrs. J. G. Hollingsworth of Alexandria, La., are here, house guests of Mrs. Hollingsworth's sister and husband, Mr. and Mrs. W. Edd Brown.

Dr. and Mrs. J. G. Pruitt were in Amarillo over the weekend visiting friends.

Mr. and Mrs. Lee Trice and Mr. and Mrs. Gerald Lackey visited last weekend in Vernon.

Mr. and Mrs. H. G. Parker are spending the week in Dallas attending the State Fair and a fall furniture display in the wholesale market.

W. A. Cates and Mr. and Mrs Oran Eubanks returned home the first of the week from a trip down state where they attended fairs in Johnson and Denton counties They were accompanied as far as Brownwood by Mrs. Cates who remained there several days visiting her daughter.

Dr. and Mrs. N. A. Gilliland of Alexandria, Va., are here, guests of Dr. H. Woodie and Dr. and Mrs. A. E. Guthrie. The visiting friends are recent newly-weds and are on tour of the western states while on a honeymoon. Dr. Woodie and Dr. Gilliland met while in service.

Last weekend was celebrated in a holiday fashion and was marked as a red letter date for the L. A. Sargent calendar, because the five daughters and their families were together. Highlight of the occasion was a party Saturday night followed by a family dinner Sunday. Here were Mr and Mrs. L. T. Hickerson and daughter and Miss Almeda Sargent of Floydada; Mr. and Mrs. E. J. Cooper and son, of Lubbock; T-4 Dulon Sargent, who is to receive her discharge in November from the WAC and will remain in Los Angeles, Calif., to live, and Miss Myrtis Sargent, sophomore student at WTSC.

H. C. Horton of Lubbock, former resident of Lockney, died unexpectedly Thursday evening in Lubbock Hospital. He had undergone an operation after which his condition became critical Survivors are his wife and nine children including Charles Horton of Floydada.

Home again, and back to work, from a two weeks vacation on the western slope of the Rocky mountains.

Autumn in Colorado is a wonderful time for those who enjoy the handiwork of God. The trees are all dressed in their fall colors brilliant hues of red and yellow. In fact the very haze in the air seems to shimmer with color. A wonderful trip — but it is always nice to get back home.

Mr. and Mrs. Shorty Neff and Aubrey Lynn spent the weekend in Amarillo with Mr. and Mrs W. A. Neff and family.

Mr. and Mrs. Ed Neff and Gayle spent Sunday with Mr. and Mrs. E. H. Guffee and family of Plainview.

Mr. and Mrs. Elmer Cooper and Gary of Lubbock, visited Mr. and Mrs. Pete Hickerson on Sunday

Tricks and Treats

Gastly goblins flitting from door to door, golden grinning pumpkin heads peering from windows, spicy cider and apples so crisp they snap when you take a bite — it's Hallowe'en. Bearded pirates, dancing pixies and the tiniest ghosts of all standing soberly at your door and announcing "Twick or Tweet" — it's Hallowe'en. But All Hallows Eve is not the exclusive property of costumed youngsters.

Adults and teenagers also enjoy a delightful party when fortune tellers portend the future and masks bring back the spirits for the evening.

Traditional refreshments at any gathering of the ghosts are taffy apples and spicy cider with gingerbread pumpkins for an extra treat.

Gingerbread

Shape 12 individual molds from double-thick square of aluminum foil. Use a four-ounce custard cup to shape the foil. Prepare your favorite recipe for gingerbread and fill the foil molds 1-2 to 2-3 full with batter. Place molds on cookie sheet.

Bake as directed for cupcakes Serve warm in the foil molds with whipped cream topping — or cool and frost with orange frosting, make ridges in frosting to resemble pumpkin and use a strip of green gumdrop for a stem.

If you do not have a favorite recipe you might like to try this one for

Gingerbread:

2½ cups all-purpose flour, sifted before measuring
1½ teaspoons soda
½ teaspoon salt
1 teaspoon ginger
1 teaspoon cinnamon
½ teaspoon cloves
½ cup shortening
½ cup sugar
1 egg
1 cup sorghum molasses
1 cup hot water

Sift flour with soda, salt and spices. Cream shortening and sugar and egg.

Add molasses, sifted dry ingredients and hot water.

Pour into a well-greased, floured pan and bake in 350 degree oven 35 to 40 minutes until done (10 x 14 inch pan). Cut in squares to serve.

Taffy Apples

15 - 20 small, red eating apples
4 cups sugar
7-8 cup light corn syrup
2 2-3 cups evaporated milk

Stick wooden skewers in stem end of apples. Combine sugar, corn syrup, 2-3 cup of the evaporated milk in sauce pan; blend well. Heat slowly until sugar disolves and boils briskly to a thick syrup, stirring constantly.

Add slowly two cups of evaporated milk, boil to a firm ball stage, stirring constantly.

Dip apples in caramel mixture and twirl to get rid of surplus. Keep caramel mixture hot so coating will not be too heavy. If coating becomes too hard for dipping, add a small amount of evaporated milk; reheat.

Place coated apples on a sheet of greased foil or greased plate

REMEMBER — darkness which lends mystry and excitement to Hallowe'en also sets the stage for accidents and mishaps. However by following some simple rules, the most mischievous goblin can be brought home safely from an evening of scampering and dancing in the night.

Make sure costumes are light colored to be seen easily. It's good if they are flame-proof. Reflecting tape, liquid and bands will do the decorating job best Be sure costumes won't trip their wearers, or catch on bushes shrubs or fences.

Ferocious masks and pretty painted faces can be created with cosmetics and burnt cork A high speed goblin carrying a candle or torch and brandishing a knife or sword can endanger himself and his pals. A flash light-powered lantern and a dummy knife offer less realism but they are super safe.

And don't try to scare the younger spooks too much — it doesn't pay.

Buck Marricle spent the weekend in Dumas at the home of his wife's parents, Mr. and Mrs. Bill Lathem. Mrs. Marricle and the boys had been in Dumas several days visiting her parents, they accompanied Buck home Sunday.

Mr. and Mrs. E. J. Barker and Mr. and Mrs. C. B. Lyles were dinner guests Sunday in the home of Mr. and Mrs. E. B. Chesnutt.

Mr. and Mrs. Melvin Henry and Mr. and Mrs. Odell Breed attended the NREGA Regional Meeting in Dallas last week.

Mr. and Mrs. Corkey Guffee Larry and Phyllis Ann were Dallas visitors last week.

SOMETHING TO THINK ABOUT: "Few of us get dizzy from doing good turns".

Broadway News

By Mrs. T. E. Thornhill
(Intended for Oct. 20 issue)

BROADWAY, Oct. 17 — Several ladies from the commukity attended the District 9 W. M. U. meeting in Lubbock Friday of last week.

Congratulations to Charlie Mack Moore and his bride, the former Miss Nancy Smithee, who were married Friday night, October 14 at the First Baptist Church in Crosbyton. The young couple will make their home in Abilene where Charlie Mack is going to Abilere Christian College. We truly wish for them a very happy married life.

Wednesday night of last week, Mr. and Mrs. T. E. Thornhill and Mrs. J. C. McCracken were overnight visitors in the G. B. Winegar and Than McCracken homes in Graham.

Mrs. Richard Sudduth and Mrs. A. D. Whalen were busy a day or so last week canning green beans that the Whalens had planted late in the summer, and they made such very nice beans.

Mrs. M. R. Givens came over Friday morning and helped Mrs D. D. Thornhill fix dinner for the grain haulers who were helping D. D. get the feed to the elevator. He was really keeping M. R Givens, Kelton Winegar, as well as Mrs. Kelton Winegar, on the go with two pick-ups and a truck. Seems his late feed is just as good as the early was and for dry land it is good.

Mr. and Mrs. Wyatt Howard of Lubbock were visitors Tuesday of last week with Mr. and Mrs. Bill McCray.

We were sorry to learn that Duane McClure of Crosbyton, son of Mr. and Mrs. Hoyt McClure, had to spend a few days the last of the week in the Crosbyton hospital. He was able to go home Saturday.

Mrs. Hoyt McClure cooked birthday dinner for Duane at the Hoyt McClure home Wednesday of last week. We were glad to know he was able, along with his family to eat birthday dinner. He had not been feeling well for several days but was not hospitalized until late Wednesday afternoon.

Rain, rain, rain ever since Saturday morning and the weather looks like it may continue for days yet. But so far, no hail around close. How thankful we are and how we hope there will not be any more of it.

Sunday, October 16, Mrs. T. E and Mrs. D. D. Thornhill fixed birthday dinner for their son and nephew, Donald Wayne Thornhill. Others who ate dinner with them were Miss Linda Davis, T. E., Tommy and D. D. Thornhill and Bob Norris. Afternoon visitors were Mr. and Mrs. Bill McCray and girls, Melonie and Cindy.

Talking with Mrs. W. WA Walker of Crosbyton Sunday morning, we were happy to learn they had been on a trip to Anderson Company down in the Piney Woods and attended a church home-coming where Mr. Walker used to go when a boy. They report a very large crowd. They also visited relatives near Denton and their friends Mr. and Mrs. Sam Derr and Jim Derr of Hillsboro.

Wren Patterson was home recently with her parents, Mr. and Mrs. Felt Patterson. She was accompanied by three Wayland College classmates, Misses Johnnie Blakeley and Elaine Singleton of Spur and Dixie Hoffman of Eugene, Ore.

Mrs. Alice Marney returned Tuesday from Houston where she had been visiting her daughter, Mrs. Billy Joe Johnston and family.

VISIT OUR SNACK BAR

Wary householders are stocking up this week for trick-or-treat. And since Hallowe'en comes on Monday, doorbells will probably begin to ring about half past six Saturday evening, for a three-night run.

Small spooks, the kind that work their own neighborhood only, usually arrive early. Made bold by their weird costumes these young terrorists demand hand-outs with the same bravado they 'command' Mother to give them a cookie. Properly warned against real vandalism, and against strangers who 'act funny' these kids are more refreshing than frightening to their grown up victims.

Vandalism of the kind once associated with October 31st has become a year-round threat from the wrong kind of youngsters. One neighbor twice recently has had raw eggs thrown into the open window of his almost new car Another neighbor had her all-glass sun porch pecked out in a dozen places by mischievous boys with slingshots.

Vandalism was not a part of the ancient Hallowe'en, which antedates Christianity. The two chief qualities of the observance in those days were the lighting of bonfires and the belief that on this night ghosts and witches were most likely to wander abroad.

Americans have done a good job civilizing their young on Hallowe'en observance. Some towns stage Hallowe'en parades, with prize-winning floats and costumes. Many schools have Hallowe'en carnivals, and most churches schedule parties for their young on All-Saints' Eve. Within the last few years, some groups have even made it a night of cash contributions for some worthy cause.

Hallowe'en spook night is actually a blessing in this over-mechanized civilization. Youngsters are given the opportunity to make a flight into the old-fashioned world of imagination with their outlandish get-ups and papersack treasure troves.

Suzanne Guthrie Has Party On Tenth Birthday

Suzanne Guthrie was honored Oct. 13 with a tenth birthday celebration at the home of her parents, Dr. and Mrs. A. E. Guthrie.

The honoree's table was decorated in Hallowe'en fashion with ghost cnadles at each plate and Hallowe'en napkins and cloth. Brown and orange cake was served along with other refreshments.

A hand-carved music box from Blackfaett, Germany played Happy Birthday during the entertaining hour.

Bonnie Irwin won the prize for blowing the largest bubble from gum and Pat Jester won the prize for the largest grin.

Attending were the honoree Suzanne, and Kit Martin, Sara Staniforth, Judy Bullock, Jan Bullock, Brenda Wells, Jill Stansell, Debbie Roberts, Marijon Wylie Nancy Fowler, Christi Brown, Bonnie Irwin, Cory Thayer, and Pat Jester.

Cone PTA Sponsors Hallowe'en Supper

A stew, pie and coffee supper for Hallowe'en night is being planned by Cone Parent-Teacher Association, it is announced by Mrs. Arron Justus, president.

The supper will be served at the Cone School House beginning at 7 o'clock. The date is Monday, Oct. 31.

No charge will be made for the supper, but donations to the PTA will be accepted.

The novel announcements of the event recite:

Stew, pie and coffee;
Dress hobo style;
Come short, come tall,
Entertainment on the ball;
Donations asked. That is all.

Friends Gather For Reunion At W. F. Daniel Home

Mrs. W. F. Daniel prepared and served a most delicious meal at her home last Saturday to a few of the many old timers of the Blanco community. The occasion was the prime effort in getting old friends of the community together for a regular "gal fest", which all enjoyed to the upmost.

Mrs. Daniel was assisted in serving the bountiful meal at the noon hour by her daughter, Mrs. Jack Crull and daughter, Barri of Lubbock.

Spending the day and reminiscing were Mrs. E. L. Thomas, Mrs. J. D. Christian and her daughter, Mrs. Lauream Robertson of Amarillo, Mrs. Ray Bennett of Hart, Mrs. W. C. Cates, Plainview, Mrs. Will Snell, Mrs D. R. Badgett, Mrs. Crull and Barri, and joining the group for lunch were Mr. and Mrs. Ham Smith Sr.

Those unable to attend due to illness in the families were Mrs W. A. Gilbreath of Lockney, Mrs. W. H. Simpson, Floydada. Mrs L. C. Wheeler, Lubbock and Mrs. Eddie Stennett of Amarillo.

All women present settled in Blanco in the 1920's and 1930's Mrs. W. C. Cates and husband were among the first settlers of Blanco community.

Starkey Club Reviews Year, Has Election

Starkey H. D. Club met Friday, in the home of Mrs. G. H. Dey. The meeting was called to order by president Mrs. John Shipley.

Annual reports were given by the chairmen of the following Committees: Yearbook, Exhibit, Consumer, Education, Citizenship, and Finance.

Officers for the following year were elected. They are as follows: President, Mrs. Clinton Denning; Vice -president, Mrs. S. L. Holmes; Secretary and Treasurer Mrs. Wanda O'Neil; and Council Delegate, Mrs. O. L. Lowrance

The club voted on changing the day for its club meeting to the first and third Thursdays, instead of Fridays, as it has been before.

"Accessories for the Home" proved to be an interesting program given by the Agent, Miss Phyllis Roggendorff. Slides were shown on correct and incorrect ways to use accessories for different pieces of furniture. She said we should avoid over-crowding our homes with too many accessories, to keep the rooms from appearing cluttered.

Those enjoying the meeting were Mmes. J. K. Holmes, Tom Porter, O. L. Lowrance, L. F. Dycus, Turner Hunter, S. L. Waller, Clinton Denning, S. L. Holmes, Leon Ferguson, John Shipley Wanda O'Neil, and the hostess, Mrs. G. H. Day.

The next meeting will be in the home of Mrs. Clinton Denning on Thursday, November 3, at 2 p. m.

Methodist Bishop Pays Church Visit

Sunday was a great day in the history of local Methodism, being marked by a visit from the bishop of the San Antonio-Northwest Texas District Conference, Rev. Paul V. Galloway. Bishop Galloway preached at the evening service

The bishop was accompanied by his wife and the couple were guests in the home of Mr. and Mrs. J. M. Willson while here They also were honored in a reception-open house in the home of the Pastor and his wife, the Rev. and Mrs. Chas. E. Lutrick following the Sunday evening worship service.

Sunday morning the pastor preached the first of a series of sermons on stewardship themes.

Methodist Men, men's organization of the church, this week prepared the church mission building at 210 North Main for the first service to be conducted there This first service is scheduled for Sunday afternoon at 2:30. Rev. R. Q. Chavez, Plainview, will be the missionary on this project.

Lakeview News

By Mrs. Q. D. Williams

LAKEVIEW, Oct. 24 — The Lakeview Community Hallowe'en Carnival is planned for Monday night, October 31. The fun starts at 7:00 p. m. All the spooks are asked to dress up for the costume parade. A door prize will be given.

Work in the fields is still halted because of the eight to ten inches of rain that fell last week.

The Floydada and Lakeview schools turned out last Tuesday because of a damaged boiler at the Floydada school.

Mrs. Horne Thomas stayed with Mrs. Howard Bishop and sons Friday night while Howard was gone to Nebraska on a pheasant hunt.

Mrs. Flukie Smith visited her mother, Mrs. Bird Oats, in Lubbock, Monday. She also visited Mrs. R. B. Smith.

Miss Jeanie Ewing visited the Joe Thurston's home Sunday as the guest of Miss Sandy Thurston.

Mrs. Q. D. Williams, Nancy James and Monte, visited Mrs. Edgar Jones in Truscott over the weekend while Mr. Williams and Mr. Jones were on a pheasant hunt.

The 4—H Club will operate a booth at the Hallowe'en Carnival this year. They will get to keep all their proceeds, rather than sharing with the school.

Mrs. Willie Bunch is chairman of the sixth grade room mothers in Floydada Junior High this year. She and her committee of mothers are planning a party for

SOCIETY

Janice Noland Is Honored At Shower

Bridal courtesies were extended Miss Janice Noland, bride-elect of Rex Lackey, on the afternoon of Oct. 13 from 4:30 until 6 o'clock in the home of Mrs. C. M. Leatherman.

Mrs. Leatherman received guests and presented them to those in the receiving line, the honoree, her mother, Mrs. Audie Noland, and the prospective bridegroom's foster mother, Mrs. E. B. Chesnutt.

Miss Helen Foster presided at the bride's book and Miss Joyce Leatherman was in the gift display room.

Misses Mary Dunn and Joan Meek served from a table laid with a beige cut work cloth and crystal appointments. In carrying out the honoree's selected colors of brown and beige an autumn centerpiece was formed in a floral arrangement, flanked by brown lighted tapers. Stemming from this were brown streamers with the names "Janice and Rex" written in gold letters. Brown napkins completed the setting.

NAMED ON HUNTER HALL SOCIAL COMMITTEE

Corrynne Galloway, daughter of Mr. and Mrs. Ben Galloway of Floydada, has been named one of the social committee members at Hardin-Simmons University's Hunter Hall for 1960-61.

New officers for Hunter Hall were elected and the committees named recently. Miss Galloway is a graduate of Floydada High School.

Ginn-Grundy Vows Repeated Last Thursday

Single ring vows joined together Miss Shirley Faye Ginn and Coy Grundy in a simple but impressive ceremony read in Lubbock last Thursday afternoon.

The wedding was performed by Elder Kenneth Martin, of the New Salem Primative Baptist Church, Floydada, before members of the immediate families.

The bride is the daughter of Mr. and Mrs. H. O. Ginn and the groom son of Mr. and Mrs J. B. Grundy of Floydada.

For her wedding the bride chose a white sheath street length dress, accented by a brocaded jacket and gun metal accessories. She wore a white tiered flowered hat and a pink carnation corsage.

After a brief honeymoon the couple returned to Floydada where the bride will remain with her parents until she joins her husband in December.

Mrs. Grundy is a 1960 graduate of Floydada High School and was formerly employed with Perry Bros. Variety Store. Her husband attended Floydada schools and is serving with the Marine Corps in San Diego, Calif.

Mr. Grundy will depart for his base tomorrow.

The next meeting will be November 14, with Mrs. John McKinney.

Mr. and Mrs. Harold Williams and little daughter Kimberly, of Grand Prairie, were visitors over the weekend of her parents, Mr and Mrs. S. L. Powell.

HOMEMAKING HINTS

BY Phyllis Roggendorff

Hunter, Beware!

Hunting time is upon us. There is something about the thrill of the hunt, whether it be plinking rabbits and squirrels, shooting doves, or stalking deer, that is exhilarating, and yet at the same time can be soothing. This paradox of emotions probably accounts for the tremendous popularity of the sport.

In 1958, there were 181 accidental deaths in Texas attributed to fire arms. In November, when hunting starts in earnest, normally sane men start blasting away at one another on deer leases or contrive intricate methods of suicide such as climbing over barbed wire fences with their rifles off safety.

However, death from firearms is not the only way to die during hunting season. A good many hunters slip and fall over precipices while gazing off into the distance instead of watching their steps on unsure ground. Some get killed before they get to the deer lease in their frantic effort to get there fast, possibly combined with a few warming drinks on a chilly pre-dawn morning drive.

Common sense, starting with cleaning the rifle until you bring home the deer meat all wrapped up, will save a lot of heart beraks in a good many Texas homes this hunting season.

What Kind Of Clothes Dryer?

You can buy a dryer to match your washer, both in styling and performance. Some dryers "feel" the clothes and automatically turn themselves off when the clothes are just right.

Other machines sprinkle the clothes for you to make them just right for ironing. Many models give you a 10-minute tumble without heat which removes many wrinkles, after which some articles will require little or no ironing. Then there are those dryers with "sunshine" lamps to give the clothes a fresh smell infinite drying heats so that you can be as selective as you like models that require only 115 volts (these models will take more time to dry your clothes) and of course you can select either a gas or electric dryer.

You are the only one who can say which is the best dryer for you. Study all brands sold in your area, select one that has the features you want enough to pay for and will use, and be sure your dealer will furnish adequate service. Don't forget to mail the warranty or guarantee card as instructed.

Treasure your little book of instructions, and follow the advice it gives. Each manufacturer knows better than anyone else just how to get the best results from his machine.

Turkeys And Cranberries are Abundant

COLLEGE STATION, Oct. — Farmers have produced another record harvest, filling Texas food stores with a bounty of good things to eat.

Turkeys and cranberries will be particularly abundant, reports the Texas agricultural Extension Service, College Station.

These festive items, traditional for Thanksgiving Day dinners head the November list of plentiful foods, as determined by the U. S. Department of Agriculture.

Also available in heavy supply throughout the month will be onions, cabbage, dates, pork, beef, potatoes, sweetpotatoes and vegetable fats and oils.

These items have been given the "plentiful" tag by USDA's Agricultural Marketing Service because supplies of each are expected to exceed normal demand.

Food markets throughout the state will tie special promotion efforts to national programs intended to encourage consumption. Consumers will reap the benefits of these activities, as plentifuls often are played up as weekend specials.

This year's turkey crop is estimated at 82.3 million birds, a new record. Heavy-breed birds are especially abundant. Many of these come from Texas' $15 million turkey industry. New-crop cranberries also are from a record-large havest.

Both beef and pork are on the November list to provide meat variety for hearty meals. Total meat production has been running considerably higher than a year ago.

HAS HEART AILMENT

Mr. and Mrs. Dub Hodge and family have been spending some time in Lubbock with his ill father, T. S. Hodge, who has been in West Texas hospital for treatment of a heart condition.

Mr. Hodge, former resident of Floydada who moved from here some three years ago, is said to be improved at the last report

Mr. and Mrs. Carl Marshall and family of Lubbock were here over the weekend visiting his parents, Mr. and Mrs. L. A. Marshall.

Danny Shipley, SMU Freshman, Is Enthusiastic

Danny Shipley, freshman at S M. U., Dallas, was at home for the weekend. He arrived in Lubbock Friday night and spent the night with his brother, Billy Mac and family.

Danny attended the SMU—Texas Tech football game Saturday afternoon and came home with his parents, Mr. and Mrs. John Shipley. Mrs. Shipley said she hardly got to visit with him because he studied from the time he got up until a few minutes before he left at 2 p. m., Sunday. Nevertheless, they were happy to have him for a few hours.

Danny played in his first Freshman game on October 14 in Houston with the Rice Owlets. The SMU Ponies won 16 to 12. The Ponies play the Texas Shorthorns in Dallas Friday.

Danny said he regretted that he was not able to get here in time to see the Whirlwinds play against Muleshoe last Friday night. He said he is happy they are doing so well this season, and, to "keep it up."

Danny enjoys attending SMU and is doing very well in his studies. He is taking five subjects.

Pledges Fraternity

Danny Shipley and George Farris both pledged the Phi Delta Theta fraternity. George also spent the weekend with his parents, Mr. and Mrs. Kinder Farris. He and Danny returned to Dallas together.

Ann Barnett spent Sunday night and Monday with Mr. and Mrs Jack Pierce, Chery, and little Jack.

Brownsville's Jose Is First

Jose Ayala is its name and its number is No. 1. Jose is a miniature, but honest-to-goodness, railroad locomotive.

Today it is a tourist attraction at Brownsville, in Cameron County, on the southern tip of Texas on the border of Mexico.

Around the end of the 1800's, "Jose" was the first locomotive to pull the freight-laden, toy-like railroad cars over the Rio Grande Railroad coming from Port Isabel into Brownsville.

Eggs In Your Mail

A post office may seem like an ordinary building to most anyone, and certainly not a tourist attraction. But there is one post office in Texas that really is a sight to behold.

It is referred to as "The Federal Building" and is east of Huntsville at Point Blank, Texas, in East Texas' San Jacinto County. Don't expect to be awed by its beauty or immense size, but do be prepared for a little chuckle After all, what do you expect from a former chicken house?

Large Enough to En-Gulf

Three hundred and seventy may not sound like a large figure to most big-minded Texans, but it's quite a few miles for such a pleasure-packed shoreline.

We're talking about the salt water shoreline on the Gulf of Mexico, which affords thousands and thousands of Texans and visitors ideal recreation and vacation facilities each year.

You can travel father — but you can't have any more fun.

The announcement of a son born to Mr. and Mrs. Bill Harkins of Amarillo, is being announced by local grandparents, Mr. and Mrs. Ross Alexander Gregory Ross arrived Saturday night, Oct. 15 and weighed eight and one half pounds. The mother is the former Weida Alexander of Floydada. Mr. Harkins is employed by Amarillo Plate Glass Co.

Other grandparents are Mr. and Mrs. Tom Harkins of Plainview. Mrs. Alexander spent last week in Amarillo visiting the parents and new baby.

Mr. and Mrs. E. B. Rimmer and Mrs. Rimmer's' mother, Mrs. A. E. Williams of Stockton, California are visitors in the home of their son, Mr. and Mrs. Kenneth Rimmer of Floydada.

Galyean Urges TSTA Program For Schools

E. L. Galyean from the state organization of the Texas Teachers Association spoke before an enthusiastic attendance of Floyd County teachers at a banquet Monday night in Lockney High School Cafeteria.

Bob Copeland, president of the Floyd County Unit, was master of ceremonies.

Mr. Galyean spoke on the proposed legislative program to be brought up in the 57th Legislative meeting in 1961, consisting of six major bills.

He dwelled on the main topic of providing a higher salary for the teacher, the addition of more teachers and principal to the schools, establishing a sick leave policy for the teacher, establishing regional libraries for films and other visual aids and to provide assistant superintendants for districts having 150 or more teachers, and more money for transportation.

Mr. Galyean spoke also on the crisis in Texas public schools and the estiamted additional cost of the proposed program.

Sugar Beets

(Continued From Page One)

on months of work, the sums of money and time the Hereford group have poured into the project of getting West Texas included in this program.

A Little Closed Circle

In the past the federal government has more or less left the sugar beet program up to the refineries in this country who were given tonnage allotments The refineries in turn gave contracts to farmers to produce the crop and this formed a little closed circle with no room for the new producer or increased acreage.

All in Washington seemed to feel this was a smooth running plan and preferred to leave it alone as beet refineries do not particularly want to expand anyway.

Falling sugar content percentages in cane in some countries however were allowing some growth of the sugar beet tonnage in this country and it has been a part of this that West Texas farmers have been fighting for. The present Cuban situation has added more interest ot the plan as this could completely reshuffle the sugar beet economy of this country.

Witherspoon Is Optimistic

Witherspoon said that the present Sugar Beet Act must be amended or changed before we can get in the picture. This was almost accomplished by legislation in the past congress when the new bill got through committee, passed the house without a dissenting vote only to die with the adjournment in the senate.

The speaker is optomistic of the passing of the new bill next session and told those who wanted to help this cause to write their senators, representatives and tell their organizations to support this program.

He went further asking farmers to tell their wives to ask for beet sugar to show refinery men we mean business. Hereford has gone from no beet sugar in their stores to a present stock of more than 80 pecent of this type.

Witherspoon told those present that the fight has been long, hard and expensive. He welcomed financial aid if a county organization was formed to further push the fight.

Organize County Unit

Richard Stovall called for a business session stating that if farmers were interested we should go on record as supporting these measures and presented proposed by-laws for a county organization. It was voted to organize a Floyd County Sugar Beet Association which is to become a part of the state organization and the by-laws were adopted.

At the election of officers Stovall was named president, Owen Thornton was named vice-president and John Reue secretary The by-laws call for a 11 man board of directors to consist of the above officers plus two to be named by Lockney Chamber of Commerce, two by Floydada Chamber of Commerce and this group will select an additional one from each of the counties four precincts. Annual business session meeting date for elections etc. are to be in the month of October.

The membership voted a $10 initiation fee for joining and asked those who felt they could to give more to help and reach their goal of a sugar beet tonnage allotment here soon.

At an informal session held in the cafeteria after the principal meeting there was a question and answer period, with Loren West as moderator.

The Chamber of Commerce, Lighthouse Electric Coop, Caprock Cotton, Inc., and Southwestern Public Service, were hosts for coffee and doughnuts at this session.

The Hereford delegation included Lee Benneficld, president Texas Sugar Beet Growers Assn., James W. Witherspoon, Henry Sears, and Austin Rose Jr., Representing West Texas Chamber of Commerce was Loren Walker, Abilene. Others included L. M Nichols, Amarillo, Bob Hamilton and Frank Baughman, Plainview Joe Wood, Lloyd E. Fowler, Crosbyton, Earl Blankenship, C. F Gregory, Ralls, Tom McFarland Lubbock, Weldon Boyd, B. A Stephenson Jr., Bill J. Cox, Sam Rowman Jr., James E. Carpenter, R. A. Boyd, C. E. Newton P. L. Peoples and C. H. Jackson Idalou, L. J. West, Abernathy, Quentin Wilson and J. W. Tabor Quanah.

SA Campaign Outlook Is Auspicious

Thirty persoas attended the kick off breakfast for the Salvation Army drive Tuesday morning at Colonial House, where Gilbert Muddell, field worker of the welfare organization, laid out the proposed budget and aided drive chairman Don Pemberton in getting supplies and instructions to the various community chairmen.

First report meeting was held at 3 o'clock Tuesday afternoon at the community room of the First National Bank. No tabulation was available on the totals reported but it was indicated the response had been gratifying.

In addition to chairmen and workers announced last week it was indicated that Mrs. Mac Fowler has accepted chairmanship for the drive at Center and Mrs. J. S. Hale Jr., for Starkey.

Goal is the unit's campaign is $2,200.

Floyd Sending Two To Service

Floyd County will have two registrants in the November 7 contingent to be furnished the armed forces from Selective Service District No. 45.

Notice posted last week by Gladys B. Deen, clerk of the board, lists Don L. Williams and Gene C. O. Woody as included in the call, to report at the board's office at 10 a. m. in Plainview.

Other boys listed include two from Hale County, Mark Wayne Clapp and Dwain Moody Serratt.

To show up for physical examination on the same date are Luther Lois Williams Jr., and Alford Ray Watts of Floyd County; also David Michael Shanks, Motley County, Donald Eugene Street Swisher County, and from Hale County:

James Leon Phillips, Kenneth Grady Josey, Jack Bernie Kedman, Wendell Keith Howard, Lonnie Earl Hines, Gunter Willi Klingsohr, Donald Ray Stone, Alvin McGee and Earl Mack Hunter

MRS. L. C. McDONALD IS IN PLAINVIEW HOSPITAL

Mrs. L. C. McDonald, mother of Clement of Floydada and Leroy of Tulia, is reported by her son to be in fair condition in Plainview Hospital where she is receiving treatment for a stroke.

Mrs. McDonald has been in delicate health for reveral weeks and suffered the stroke Saturday at the family home.

Mr. McDonald said his mother's voice was the only injury noted thus far.

PIONEER GRAVELY ILL

Mrs. M. B. Holmes suffered a stroke in the early morning hours Tuesday and was taken to Peoples Hospital. A daughter, Mrs. Alice Marney, reports her mother's condition as only fair.

Home-Coming Reports Spur Expectations

Interest in Floydada High School Homecoming on November 11 continues to run high as mail has been pouring out of Floydada to ex-students all over the USA. On Tuesday more than 150 invitation letters had gone out and a final mailing is scheduled for Friday morning.

Edward Wester, president of the ex-student association, said yesterday that workers had to quit mailing invitations to exes who have a Floydada address so that the postage and effort can be used on those further away. He said that all local residents know of the plans and can consider themselves invited to come.

Homecoming will be on November 11 and will start with registration. Coffees, teas, pep rallies, crowning of the homecoming queen and a big football game will follow.

There will be a business meeting of exes after the game, class reunions, a barbecue, big get together at the school cafeteria and a homecoming dance.

Barbecue will be served by Underwoods of Lubbock and Welburn Roach and his swing band of Lubbock will play for the dance. A ticket priced at $2.50 is good for both the barbecue and dance.

Students under 12 can purchase barbecue tickets for $1.25. Advance ticket sales will start next week under direction of Polly Cardinal.

It is important to buy tickets in advance so that definite plans can be made and proper care can be taken of the visitors.

Orders are Coming In

This week checks with orders were coming in and tickets will be mailed to those this week. Donnie Beth Nichols Todd sent in her check from Arkansas City Kansas, and said she would be here. Donnie Beth is a member of the class of 39. She marked barbecue, dance, pep squad tea and class reunion as things she is interested in.

Mrs. Todd also sent along the address of another Kansan Bonnie Lloyd Moore of the class of 34 Bonnie now lives in Wichita, Kansas.

Mrs. Donnie Young Meriwether of Lockney will be at the homecoming. She is a member of the class of '57 and marked dance barbecue, class reunion and pep squad tea as her main interests for the event.

Mrs. Doyle Oswalt of Abernathy (the former Artie Mitchell) of the class of 1930 is among those planning to be present.

27 Women Attend Meeting of WMU

The Womens Missionary Society of the First Baptist Church met Wednesday morning for regular business meeting and program.

The executive board of the society met at 9 o'clock and various motions were adopted. Twenty seven ladies attended the meeting, with the president, Mrs. Gerri McEntire, presiding.

Following the board meeting the group met for the program, which was a look at the 1960-61 Southwide year book.

The four circle chairmen were present and presented their aims for their circles for the year.

Miss Linda Bateman sang as a solo the W. M. S. theme song "Christ for the whole Wide World". She was accompanied by Mrs. Roma Haley.

The meeting was adjourned with prayer by Mrs. E. D. Morgan.

All ladies of the church are urged to attend these meetings of the W. M. S. The nursery is always opened during the meetings, with competent attendants, and the Sunbeams meet at the same hour as the W. M. S., with the leaders, Mrs. O. G. Mayfield and Mrs. Roy Fawver in charge.

The W. M. S. meets every Wednesday morning at 9:30 at the church.

FLOYD PHILLIPS FAMILY MOVING TO FLOYDADA

Soon to be residents of Floydada will be the family of Floyd Phillips. Mr. Phillips is manager of Caprock Motor Parts on the Wye in southwest Floydada. He has been making his home in Plainview where he was associated with Green Machinery Company.

The Phillips' will move into the George Van Wickel home on west Houston Street when it is vacated.

Members of the family are wife Della Mae, and sons Floyd Wayne (age 7) and Billy Cleon (age 5).

Caprock Motor Parts are successors to Kiser Auto Parts. The new firm is owned by a group of local farm operators who recently established Caprock Cotton Incorporated.

The firm will sell Chrysler and Waukesha irrigation engines, and stock a complete line of parts and supplies for these, and the general automotive line.

Mr. and Mrs. C. L. Berry visited in Wellington Saturday and Sunday with the Tubal Cain family.

DR. A. HOPE OWEN

Home-Coming At Sand Hill Church Nov. 6

Sand Hill Baptist Church will observe their annual home-coming on Sunday, Nov. 6, and are planning for a great day, when former members of the church and former pastors will be guests of honor.

A feature of the morning service will be a sermon by Dr. A Hope Owen, president of Wayland College, and the afternoon will be marked by special music and congregational singing. Joe Earp, of Munday, a former member, has promised to lead the afternoon singing.

The church has been organized for many years. Mr. and Mrs. Tom Thomas are charter members.

The congregation has been worshipping in their new church for six years. Their present pastor is Rev. Jimmy McGuire, who came to the church four weeks ago.

Deacons are M. B. Swanner and Dale Stringer. Sunday School superintendent is Billy Dale Stringer. The church is located on the farm to market road north of Sand Hill Grocery.

Dr. Owen has been president of Wayland for eight years, a position to which he was named after a successful career as a pastor in New Mexico, Oklahoma and Texas. He was pastor of Plainview First Baptist Church for seven years.

Billy McReynolds Flies From Germany On Visit At Home

Sp-4 Billy McReynolds, son of Mr. and Mrs. O. M. McReynolds, is at home on 30-day leave from his station at Miesau, Germany.

Under command of the 82nd Ordinance Battalion, 9th Ordinance Co., of the U. S. Army Ammunition Depot, he has been stationed at Miseau since June of 1959.

Billy landed in Amarillo Monday of last week in a downpour of rain which continued for 24 hours He said he thought he was getting away from a rainy country but landed in one. He is happy to be home with kinsmen and friends, he said, but will be happy, also, to return to his station at Miseau.

CARD OF THANKS

We want to thank our neighbors and customers around McCoy for helping out at the store, and for the cards and other nice things they did for us while I was sick.

Wilson Edwards and Charley Berry attended the Scottish Rites reunion in El Paso five days last week. Mr. Edwards received the fourth to thirty second degrees inclusive.

Lower Prices, Higher Costs Cut Income

(Special to The Hesperian)

NEW YORK, Oct. 18 — Despite the unfavorable operating conditions of the past year, farmers in Floyd County were more fortunate than were farmers in most parts of the nation.

Their gross receipts, while not up to the previous year's $52,325,000, amounted to a substantial $51,891,000. As for net profits, that was a horse of a different color.

The figures represent the cash proceeds locally from the sale of farm products, from government payments and from "income in kind," which is the value of items grown and consumed on the farm.

The totals were compiled by the Standard Rate and Data Service for each county in the United States. They reveal wide swings, both up and down, from the 1958 amounts in some areas.

An analysis of receipts from principal farm marketings in the State of Texas indicates that an extimated 66 percent of such local revenues came from crop sales and another 23 percent from sales of livestock.

What maintained farm receipts at a high level throughout most of the nation last year, notes the Department of Agriculture, was the record-size harvest and the large amount of livestock brought in for sale.

In terms of Floyd County's farm population, which SRDS places at 4,100 as of the first of this year, the gross receipts locally amounted to $12,656 per farm resident.

This was more than was collected on farms in most sections of the United States, the average being $1,796 per capita. In the State of Texas the average was $2,241.

According to latest government reports on farm operations nationally, gross receipts dropped only a little last year but net profits skidded downward by a much bigger margin.

The drop is attributed to a combination of rising production costs and to lower prices received for farm goods.

The present dilemma, it is pointed out, stems from the fact that the farmer is able to produce much more than he can dispose of at a fair price.

He is receiving only two percent more for the food basket he grows today than he received in 1946, while the consumer is paying almost 50 percent more at the retail level.

Farewell Parties Fete Jarretts

Mr. and Mrs. Jackie Jarrett and daughter, who recently moved from Floydada to Houston were honored with a farewell gathering at the Floydada Country club before thier departure.

Hosts for the occasion were friends, Mr. and Mrs. Jon Parkey, Mr. and Mrs. Mac Hickerson, Mr. and Mrs. Elton Turner, Mr and Mrs. Bob Harber, Mr. and Mrs. Johnny West, Mr. and Mrs. Fred Conner, and Mr. and Mrs. Larry Glassmoyer of Plainview Mr. and Mrs. Jerry Bob Harrison and Mr. and Mrs. Keith Buhrman.

Mrs. Jarrett, the former Sandra Collier, was feted by her bridge club prior to their moving.

Members of the club presented her with a lovely gift during the affair held at the PCA community room.

Attending were Mrs. Bill Ware Mrs. Raz Ware, Mrs. Rex Smitherman, Mrs. Kenneth Bishop Mrs. Johnny West, Mrs. Larry Glassmoyer, Mrs. W. T. Conner and Mrs. Jackie Jarrett.

Expect Only Mild Mischief During Hallowe'en Period

The CROP drive is scheduled ahead of the regular night of make believe and fantasy so as not to interfere with the annual customs of trick or treat hallowe'en Night, Monday, Oct. 31.

It is felt that very few "spooks" will go to extreme here in the city of Floydada. It being a school night will help the law force somewhat. Most youngsters will retire early and a quiet Hallowe'en is expected.

Walter Hollums Floyd County Sheriff, said he anticipated very few pranks and he felt that no additional law assistance will be required.

The cooperation of youngsters in the county and adults as well is needed to keep pranking at a minimum.

Perry Smith, chief of police, said the city would work as it has in the past. Members of the Floydada Fire Department and other volunteer workers, on a paid basis, will assist in the protection of the town.

Four men to each district named will patrol that area for the protection of property, Smith said Not only Monday night but starting Saturday night, through Sunday and until the small hours of Monday morning.

New Arrivals

Mr. and Mrs. Don Marble of South Plains are parents of a son, Brett Evan, who arrived last week on Oct. 18th in Lockney General Hospital. The baby weighed eight pounds and one and one half ounce at birth. The mother is the former Nancy Holland of Lockney. The couple have one other child, a daughter, Donette, age three. Mr. Marble farms in the South Plains community.

Grandparents are Mr. and Mrs. H. L. Marble, South Plains and Mr. and Mrs. R. L. Holland, Lockney.

A baby daughter, named Suzan Marqueritte, and weighing seven pounds was born Friday Oct. 21 to Mr. and Mrs. M. A. Custer Jr., of Midland. The couple have one other child, a son, David, who is 17 months old The mother is the former D'Wina Glassmoyer of Floydada.

Mrs. O. G. Glassmoyer, the grandmother, is in Midland visiting the Custer family. Grandparents other than Mr. and Mrs. Glassmoyer are the M. A. Custer Sr., of Oklahoma City, Okla.

Mr. and Mrs. Larry Glassmoyer and children of Plainview were in Floydada over the weekend visiting their parents. The couple's little daughter, Melissa, remained to spend several days with her grandparents, Mr. and Mrs. Woodrow Wilson.

Seen form a Southern Railway car window:

In Sheffield, Alabama, a lumber-yard sign, "Gentlest terms in town";

In another small town, a big pile of coal in the side-yard of a cottage—no doubt the winter's fuel supply; (an odd sight to a visitor from gas-fueled Texas).

University engineering students donated and planted the rose bushes. Thousands of people over the state have landscaped the grounds, redecorated the dining halls and reception rooms, built swimming pools, given parties, conducted classes, wrapped gifts and in hundreds of other ways brought beauty and warmth to state hospitals and schools.

In its fall report, the State Hospital Volunteer Services Council shows that volunteers gave 163,904 hours of time to state institutions during the past year. Figured at only $1 per hour and adding in contributions of food, clothing, prizes, furniture, etc., volunteers enriched life in state institutions by more than $538,996 during the year. This does not count considerable sums collected for all-faith chapels at several schools and hospitals.

Last year, 36,000 citizens went into 18 different state hospitals and schools to do volunteer work.

Impact of these volunteers is two-fold, says Miss Helen Colburn coordinator of volunteer services for the State Hospital Board.

First, they help to create a pleasant environment which gives patients a better chance to respond to medical treatment.

Second, the volunteers learn the problems of the hospitals and schools and are an effective force in educating the community as to needs and goals.

"State money can't be spent for pictures or parties or swimming pools," said Miss Colburn. "It has to go for beds and food. But these other things are important. Patients respond to environment, and they respond to people. And they know the difference between people who are paid and people who come to help them out of sheer kindness."

Right now the volunteers are getting ready for their biggest undertaking of each year — Chrstmas. It means securing wrapping and tagging about 26,000 gifts to keep up a three-year record of having a gift for each patient in the state system. It means decorations, trees, parties and caroling. In some cases it means setting up shops where patients can get gifts to send to their families — often more ardently desired by the patients than a gift for himself.

RATE DECISION POSTPONED — State Board of Insurance voted 2-to-1 not to adopt a recommended 13.3 per cent rate increase in certain types of auto insurance.

Board members R. W. Strain and Ned Price said they wanted to study the new safe driving plan more before approving any rate changes. They have been at odds with Board Chairman Penn J. Jackson who has recently advocated abolishment of mandatory merit rating. To scrap merit rating, said Dr. Strain, would penalize the 70 per cent of drivers who earn a discount for good driving records.

Board also refused by a 2-1 vote to allow insurance companies to disregard penalties against drivers involved in accidents presumably not their fault. This must be decided by a court, said Strain and Price.

Very few drivers seem to mind paying higher accident insurance rates because they are involved in accidents. But many do resent the assessment of a penalty based on traffic tickets issued. Especially tickets they feel were not warranted.

Still others contend that they are insuring their cars against accidents and not insuring themselves against traffic fines. Therefore if they are paying a premium for fines they should be reimbursed for those fines.

AVERAGE SPEED LAWFUL — Average speed of Texas passenger cars on rural roads is 55.9 miles per hour, reports the State Highway Department.

This is below the legal limit of 60 miles per hour on most stretches of highway.

Average speed of buses, however, is 60.7 miles per hour. Trucks average 51.2 miles per hour. Legal limit for trucks and buses is 55.

Statewide speed survey is taken by the Department each year with concealed radar devices. Department found that 19.3 per cent of passenger cars were exceeding 60, a 2.6 per cent decrease from last year.

STUDENTS GALORE — Texas is getting set for a bumper crop of college graduates in the sixties.

Commission on Higher Education reports the highest ever enrollment — 90,035 students in the 18 fully supported state colleges and universities.

This is up 5,391 from last fall and a 60 per cent increase over 10 years ago. Biggest enrollments (in state schools) are at the University of Texas, Texas Tech, North Texas State, Arlington State and Texas A&M, in that order.

Biggest gains this year were UT and Arlington State.

ROAD LAG AVERTED — Release of additional federal funds will largely prevent an expected winter slowdown of highway work in Texas, State Highway Engineer D. C. Greer announced.

Only the November bid letting will be affected, said Greer.

This month the Highway Department tabulated low bids totaling $19,030,137 for highway work. Next month the contracts are expected to total only about $12,000,000, but by December the total should be increased again to about $17,000,000 or $18,000,000.

This will mean fewer workers laid off for the winter by contractors doing state highway work.

SHORT SNORTS — Texas Railroad Commission announced that the eight-day oil production pattern will continue through November, making seven consecutive months of wells shut down 22-23 days a month. Daily allowable will be 2,667.08 barrels. . . Texas' cotton acreage allotment for 1961 will be 7,849,196 acres, the U. S. Dept. of Agriculture announced. This is a slight increase over this year's 7,377,151 acres.

Center News

By Mrs. J. E. Green

It is foggy this Monday morning. We hope it is not going to rain. We've enjoyed these last few beautiful days, but the ground in fields dries slowly.

We had good crowds at Sunday School and church yesterday.

Mrs. W. L. Hartline went to Plainview that rainy Sunday to see her daughter, Mrs. Bob Landry and family.

Mr. and Mrs. Thomas Warren and family, accompanied by her mother, Mrs. Charley Battey, City, spent over the weekend in Hobbs, N. Mex., visiting Mr. and Mrs. Bob Aldridge and family. Also visiting the Aldridges was Bob's father of Denver City.

The J. D. Welborn's are water bound from their home. The parents work in town, so the family spent nights last week in town at the home of a daughter and with Mr. and Mrs. Nolan Arney and Steve.

Mr. and Mrs. Johnny Hinds and boys of Plainview visited Sunday afternoon with her parents, Mr. and Mrs. W. C. Plumlee.

The J. E. Greens visited the D. I. Boldings Thursday evening and Friday evening.

Mr. and Mrs. C. W. Denison left Sunday for North Platte Neb., to be with her mother who suffered a heart attack late Saturday.

Mr. and Mrs. Frank Dunn visited Mr. and Mrs. Charles Denning Sunday afternoon.

Mrs. H. B. Mankins was taken to the local hospital last Wednesday. Their daughter, Mrs. Grady McAda of Amarillo has been here at her mother's bedside much of the time since. We trust Mrs. Mankins will soon be able to return home.

Mr. and Mrs. W. A. Latta of Mt. Blanco visited the J. E. Greens Sunday afternoon.

The Hiway 84 Club met Thursday evening with Mr. and Mrs. O. C. Vinson. Present besides the Vinsons were Mr. and Mrs. Burl Huckabee, Mr. and Mrs. Oliver Allen and the Charles Dennings.

"JUST FILL MY GAS TANK, THAT'S ALL"

"My '61 Ford is beautifully built to take care of itself"

Imagine! You can skip much of the inconvenience *and expense* of stopping for a lube job . . . or an oil change . . . or a brake adjustment. Why? Because Ford engineers have created a completely new concept with the '61 Ford.

And *what* a car! The '61 Ford offers more built-for-people comfort than ever before. Beautifully proportioned to the Classic Ford Look, it's a beauty others try . . . but fail . . . to imitate. And you get your choice of three optional Thunderbird V-8's . . . or . . . the great Mileage Maker Six!

We Ford Dealers would like to show you in black and white just how much you can save in operating costs with this . . . the most beautiful of *all* Fords! Why not drop in soon?

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF . . . THE FIRST 1961 CAR THAT DEALERS HAVE WARRANTED FOR 12,000 MILES OR ONE FULL YEAR

Lubricates itself. You'll normally go 30,000 miles between chassis lubrications.

Cleans its own oil. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

Adjusts its own brakes. New Truck Size brakes adjust themselves automatically for the life of the lining.

Guards its own muffler. Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

Protects its own body. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

Takes care of its own finish. New Diamond Lustre Finish never needs wax.

Extended warranty. Ford Dealers were the first to extend their warranty on '61 cars to 12,000 miles or one full year, whichever comes first. Ask your Ford Dealer to show you a copy.

EDITORIAL VIEWS AND COMMENTARY

In The Home Stretch. Presidential candidates Nixon and Kennedy and their vice presidential aspirants, Lodge and Johnson, this week began the home stretch in the battle for political honors. They fully realize the winner takes all. There isn't anything for the man who runs second. And the pace they have been setting may be exceeded in these last days, if humanly possible. The speed and the hours have been man-killing. Any of them who were not old enough when the race began will have ample age and gray hairs by November 8.

—0—

Quemoy And Matsu. We have felt that Mr. Nixon, who is a debater second to none and an opportunist, jumped Mr. Kennedy on the Quemoy and Matsu Islands and their part in the national defense to keep the talk away from Cuba. The latter, 90 miles offshore has dangers and problems that are right at home. The administration may have or may not have acted wisely in the Cuban emergency. Certainly our country has been left in a poor light and the administration is quite vulnerable on this issue. Mr. Nixon would much rather discuss something far away.

—0—

The Democrats call the vice president Tricky Dick. He, they claim with some logic, campaigned disgracefully against some worthy opponent while he was still in California politics. He did underhanded things for which he will have to have forgiveness. His opponents are looking for something of the same kind between this date and election day.

—0—

The "Undecided" Voters. One reason the ratio of "undecided voters" is so high in the rash of polls is because the pollster asks why, once he gets a comment from the elector. The "why" in many instances would be the religion of Mr. Kennedy While many are outspoken in their antagonism toward a Catholic candidate, many more are keeping silent and awaiting the day. Religious and racial prejudices run deep, religion next only to race.

—0—

November 8 or Later. Election day may mark a coincidence. It is general election day and somebody's political aspirations are going to go into deep freeze. It is also the day when we may have our killing frost in this belt of the plains country. We need all the days of grace we can get and an even later date would be pleasing. But the signs say November 8 or thereabout.

—0—

About Creative Writers. Little dogs have a right to bark at the big ones. Safely ensconsed behind the palings of their own backard they can be ferocious, bristling and growling with gusto. Why all that? Well, a pox on "creative" writers, that's why. The creative political writer takes up a cudgel for his man, whomsoever it may be, ascribes all the good things to him and his party, all the bad things to the other side and their man. Things are not that way and everybody knows it. It is our misfortune that we recognize in the leader, particularly the platform, of our party some things we wish were not that way. Even some of his friends we utterly dislike because we fear them. For the third time now, we've been faced with a fact of political life we do not like. But we propose to try to battle it out within the limits of the affiliation we hold, principally because we are dismayed at the trend, of what may be in store for country if we can't get a change.

—0—

But For Sure and certain there are some spots of canker and tarnish within the Democratic Party. It is beset, among other things, with internal enemies who would convert the Democratic party into a class party instead of a party that is for all the people. If and when these men now in high favor, get control of the party they will kick out such Democrats as the conductor of this column.

—0—

But On the Other Hand, at this writing the administration appears to be proceeding complacently while unemployment gradually spreads over the land, while farmer incomes drop and expenses climb, and while oil imports (tankers "bumper to bumper") stifle the nation's oil industry. The same kind of inertia also threatens in the sugar business. The department of agriculture and the state department are finding reasons why they can't do this and can't do that, about sugar imports. Refineries along the shore line on the east coast are helping these officiall departments of the government in the search. And so on. And thus, while we do not claim we have such bright and shining armor we do recognize the need for a change from inertia to an administration that sees a forthcoming crisis and will attempt to meet it head on.

—0—

Prussic Acid Poisoning. The election is important and the subject of the respective candidate's merits absorbing. But don't forget that prussic acid is a killer. And prussic acid shows up in large quantities in pastures, particularly in Johnson Grass and the sorghums when frost comes. The poison acts quickly, usually within a matter of minutes. And the danger comes right at a time when cattle are most avidly seeking something green. A lot corner with a spot of cane about belly high surrounded by a no count fence is a good place to lose a few steers.

Processing and Food Dollars; Why Farmers' Share Declines

Explanations of why the farmer's share of the American food dollar keeps going down generally come up against the established fact that as the amount of food processing increases the farmer's share of the food dollar declines.

The farmer's share of each dollar spent for food in 1959 was 39 cents. In 1940 it was 40 cents, and went up to 53 cents in the war year of 1945; reports John C. White, State Commissioner of Agriculture.

The wheat grower's share of each dollar spent for white flour is now 33 cents. When the flour is mixed with other ingredients and baked as white bread, the farmer's share for his wheat drops to 12 cents.

The corn grower receives 18 cents of each dollar spent for corn meal, but only nine cents of the dollar for cereals such as corn flakes.

On fresh green beans, the farmer receives 43 cents of each dollar. But if the green beans are processed and frozen, he gets only 19 cents of the dollar.

There are, of course, exceptions to the rule. Take citrus, for instance. For fresh oranges, the grove owner receives 32 cents of each dollar spent. This goes up to 38 cents for canned orange juice, and 43 cents for frozen orange juice concentrate.

The wheat used in baking a 20-cent loaf of bread costs less than three cents. In 1959, when the retail price of a one-pound loaf of bread averaged 19.7 cents, the farmer received 2.8 cents, the miller got .6 of a cent, the baker-wholesaler 12 cents, and the retailer 2.9 cents. The other 1.4 cents went for transportation storage, handling and other processing.

The fact, of course, is that today the American housewife is buying convenience — freedom from kitchen chores. They are also buying food with less waste, needing less trimming, sorting or washing.

Three so-called ready-to-serve meals costing $6.70 for a family of four could be prepared in the home kitchen for $4.50, or $2.20 less. The homemaker would use about 5½ hours to prepare these three home-cooked meals from start to finish, but only about 1½ hours to get the three ready-to-serve meals on the table.

The food cost saving of $2.20 for the three home-cooked meals would represent an hourly wage of 55 cents for the four extra hours of work in preparing them.

These examples are extreme. Most families actually use a combination of foods — unprepared, partially-prepared, and ready to heat and serve.

Colored Woman Died Saturday

Mrs. Julious Jones Warren, 34 colored house keeper of several Floydada families, and an employee of Dr. and Mrs. Donald Pitts, for the past 17 years, died Saturday in Peoples Hospital from a cancerous blood disease.

Mrs. Warren, born Oct. 22, 1926, had lived in Floydada all her life. She underwent surgery some two months ago. She became ill in Plainview Hospital last week while there visiting an injured son.

The Floydada woman was the mother of Albert Windom, 19 year old youth whose hand was amputated in a farm accident in Floyd County three weeks ago hospitalized at Plainview.

Funeral rites were conducted Monday in the North Side Church of Christ in Floydada with interment in the local colored cemetery. Harmon Funeral Home was in charge of arrangements. Mrs. Warren was a member of the Baptist Church.

Survivors include the husband the son, Albert by a former marriage and four small children.

FORT WORTH COUPLE SPEND WEEKEND HERE

Mr. and Mrs. Kenneth Eugene Mayfield of Fort Worth visited here from Thursday until Monday with his parents, Mr. and Mrs. O. G. Mayfield. While here visiting with relatives they attended Homecoming at Lubbock and spent some time with Mrs Mayfield's good friend, Miss Mary Lou Crump. Miss Crump is a home economist in Hawaii and was in the states to visit relatives at Shallowater.

Thursday night supper guests in the Mayfield home were the Kenneth Mayfields, and Mr. and Mrs. Weldon Cumbie and daughter and Mr. and Mrs. E. R. Melton and daughter of Plainview.

Mrs. W. O. Jones and Mrs. W. E. Grimes returned Sunday from a 10-day visit at Hamilton with Mrs. Jones' sister and husband, Mr. and Mrs. O. R. Williams.

LEGAL NOTICE

An ordinance prohibiting the operating or parking of motor vehicles of a gross weight of more than 30,000 pounds upon certain streets and alleys within the corporate limits of the city of Floydada, Texas; designating certain streets as truck route; and providing a penalty for the violation of this ordinance.

Be it ordained by the city council of the city of Floydada, Texas:

SECTION ONE: From and after the effective date of this ordinance, it shall be unlawful for any person, to park or drive and operate any motor vehicle with a gross weight of more than 30,000 pounds upon any street within the corporate limits of the City of Floydada, Texas, save and except those streets set out and specified and designated in Section Two hereof as truck routes.

SECTION TWO: The following streets within the Corporate Limits of the City of Floydada, Texas, shall be designated as "truck routes" to-wit: Houston Street from the East Corporate Limits to Second Street, and being that part of Houston Street which is now known as Highway No. 70; Second Street from its intersection with Houston to the North Corporate Limits, and being that portion of Second Street which is designated and known as Highway No. 70; Missouri Street from the West Corporate Limits to the East Corporate Limits, and being that part of Missouri that is known as Farm to Market Road No. 784 or Highway No. 207; South Main Street from where the same intersects Missouri Street south to where the same intersects Highway No. 70; Wall Street from where the same intersects Missouri Street south to where Wall Street intersects Highway No. 70.

All motor vehicles with a gross weight of more than 30,000 pounds shall be driven and operated upon the streets herein designated as "truck routes".

SECTION THREE: It shall be unlawful to park and leave standing upon Houston Street from the Corporate Limits of the City of Floydada to where the same intersects Second Street, being that portion of Houston Street, known as Highway No. 70, and Second Street from where the same intersects Houston Street to the North Corporate Limits of the City of Floydada, Texas, any truck tractor with a trailer hitched or connected thereto, of the length of more than 20 feet, at a time more than thirty minutes before sundown until thirty minutes after sunrise.

SECTION FOUR: Any person violating any provisions of this ordinance shall be deemed guilty of a misdeamor, and upon conviction of violation thereof, shall be fined at any sum not to exceed ($100.00) ONE HUNDRED AND No-100 DOLLARS.

SECTION FIVE: In the event any section or part of section or provisions of this ordinance shall be held invalid, such invalidity shall not affect the valid portions hereof, which shall be enforceable regardless of such holding.

SECTION SIX: Due to the fact that the City of Floydada, Texas has recently completed a comprehensive paving program, and the fact that there does not now exist any rule or ordinance regulating and controlling the weight of vehicles to be operated upon the streets of Floydada, Texas and no rule or ordinance regulating the parking of truck-tractors and trailers upon the streets of Floydada creates an emergency and imperative necessity for the immediate

How Do You Vote?

I Believe Gasoline Taxes Are Too High!

☐ YES ☐ NO

HOW DID YOU VOTE?

No matter how you voted, these facts on gasoline taxes are important to ...

- Everywhere in Texas, car owners pay 90¢ tax on every 10 gallons of gasoline they buy!
- Gasoline taxes across the nation amount to a *50% sales tax*—and that's five times as high as the tax rate on luxuries like diamonds and mink coats!
- Since World War II, there have been *three increases in the Federal gasoline tax alone*. This brought the Federal tax to 4 cents a gallon, in addition to the State tax of 5 cents a gallon!
- In the last ten years gasoline *taxes have skyrocketed 51%*—yet the *price of gasoline itself has risen only 5.5%* during the same period!
- Each year the average motor vehicle owner in this state *pays $78 for gasoline taxes alone*. That's just a few dollars less than the average week's pay for most people!

THE DEMOCRATIC PARTY
CAN MEET THE CHALLENGE

From Cuba to the Congo, from Turkey to Tokyo, the world is in turmoil, breaking the old allegiances. Here at home too many areas of our national life suffer from neglect.

A dazed Republican Administration is so lacking in purpose and ideas that America is in increasing danger of being second best in the world struggle.

We can meet the challenges of a stormy world with the leadership of men and a party that will face our problems and do something about them.

"The challenging sixties demand that the next President place himself in the thick of the fight, that he care passionately about the fate of the people he leads." These are the words of leadership, the words of Senator John F. Kennedy, Democratic candidate for President.

Your choice is between a party of action and a party of indifference. It's time for a Democratic Administration of new American leadership.

The WHIRL FLOYDADA

OFFICIAL FLOYDADA HIGH SCHOOL NEWSPAPER

Whirlwinds And Antelopes Tangle Friday

(By Dale Rimmer)

The Winds are about to em bark on their third district game and what they hope will also be their eighth straight victory.

This game will be played on the home grounds of Abernathy. Game time will be the usual, 8 p. m.

The Winds are coming face-to face with a pretty rough team. These Antelopes have one of the finest lines in the district if not the finest.

With 200-pounders such as the all district boy Wilton Manley and Larry Florence on the forward wall. Davenport will still have 200-pound Joe Brown for a spare in case of trouble.

With its fine line and passers such as quarterbacks John Brown and Keith Beard and halfback Micke Ritchey, one can only expect a strong passing attack.

Abernathy has won only one game so far this season beating Morton in a game last week.

Floydada will be in fairly good shape this week, and will sure be glad to have Rodney back in the running. Teague kicked the extra points and kick offs in last week's game.

Everyone is proud of Darrell Lendsey for his performance in the last two games because, he is only a sophomore, he has showed much promise.

Don Davis is making one of the best limemen in the district, and we are proud of him.

Kennedy Wins In Close Vote

True to traditional democratic Texas form, FHS students prefer John F. Kennedy to be the next President of the United States. In an all-school secret ballot taken by the WHIRL staff on Oct. 18, Kennedy received 151 votes to his Republican opponent's, Richard M. Nixon's 123.

According to political experts, the forthcoming Nov. 4 election will be one of the closest in history so the outcome of the FHS election may be indicative of the national trend of how voters will cast their votes. California and New York will be decisive as to who wins so say experts.

A similar FHS election on Oct 24, 1952, gave Adlai Stevenson, democratic aspirant for the presidency, 129 votes to Dwight Eisenhower's 105. This poll, taken in 1952, revealed students adaptness in predicting coming elections.

Mrs. Cooper — Eisenhower because of the tidelands issue.

Robert Harper — Eisenhower because we need a change in government.

Mr. Colley — I have no comment.

Fredia Jarrett — Ike 'cause I'm a Republican.

Margaret Lovell — I don't know. I will worry about that time when I get 21.

Lawrence Burke — Ike cause he's got most of Texas' votes.

Judy Moss — Eisenhower because my daddy said so.

Mrs. Johnson — I have no idea.

Winnie LaGrone — I'd say Stevenson if he would change his mind.

The above sentiments may be some of the ones today of students.

Student Council Names Projects

General welfare will be the main project of the Student Council for this year.

The projects were discussed by a committee consisting of Ray Walker, Jan Dempsey, Nita Cage, Pat Ginn, Helen Foster, and Anne Swepston, sponsor.

Projects, other than general welfare, include the tutoring sustem, doing away with cheating, Twirp Week, Career Day, Courtesy Week, Christmas activities, school spirit, scholarship activities, recognizing achievements in all activities, poster contest, color day, patriotism, the school emblem, handbooks and the Code of Ethics.

The Student Council hopes to make this a good year for FHS with the above projects.

'Whirlwind' Wins First Place Award Tech J-Day

For the first time in the history of FHS, the 1960 WHIRLWIND received a first place award at J-Day Saturday at Texas Tech.

The WHIRLWIND rated 1,447 points to achieve this honor. The gold cup will be the first to be placed in the trophy case for a high school annual.

Those serving on the annual staff last year were: Judy Wilson, Editor; George Farris, Bill Gilliland, Richard Graves, Addie Adkins, Mary Grace Dunn, James Huggins, Charles Holland, Jan Dempsey, Helen Foster, Larry Coltharp, Eric Christensen, and Sue Williams.

Mrs. J. W. Adams was outgoing WTHPA president of the faculty.

Helen Foster spoke on a panel discussion.

Nine FHS students were present at Tech Saturday for the annual J-Day. Those representing the Whirl were Ella Mae Cage, Kit Zimmerman, and Carolyn Dunavant. Representatives of the WHIRLWIND were Sara Holmes, Mary Grace Dunn, Helen Foster, Carolyn Moore, Lynda Thurston, Beth Scott, and Mrs Adams, sponsor.

Although the weather was rather wet, the students attending had fun while learning more about journalism.

Los Vientos Spanish Club Organized

Los Vientos is the newly organized Spanish Club in FHS.

Purposes of this club are to further interest in Spanish and to learn more about the culture and customs of Spanish-speaking countries. "Los Vientos" will strive to establish good will with Spanish-speaking people.

The colors of this club will be green, red, and white. The motto is "Poco a poco se va lejos" (little by little we go far.). The official song is "Cielite Lindo."

There will be two kinds of members, active and honorary. The active members will be the Spanish students or those who have completed two years of Spanish. The honorary members will be the Spanish teachers of the club.

The officers of this club will be a president, a vice-president, a secretary, a treasurer, a parliamentarian, and a reporter.

The pesident must be a Spanish II student and all officers must maintain a "C" average.

There will be an election of officers for the school year, the first meeting.

Dues will be $1.25 if paid by the semester or $2.00 for the year.

Sponsor is Miss Anne Swepston

EXPERTS PREDICT VICTORY

Floydada is highly favored to defeat the Abernathy Antelopes tomorrow night.

FHS "expert" sportswriters reveal the following prognostications:

Vicky O'Neal 26-00; Ted Aller 20-06; Bill Hicks 33-06; Sue Wilson 42-00; Linda Roe 20-00; Darlene Westfall 26-06; Joe Fulton 30-06; Nancy Holmes 26-06; Lana Davis 20-06; Karen Floyd 26-06; Keith Holliday 18-06; Glenda Morgan 24-12; Micky Hammonds 20-00; Kenneth Rimmer 32-08; Lynda Thurston 26-12.

PAT GINN

Ginn Expects To Enter The Ministry

"At this time I feel that I am going to enter the ministry. I have given it much thought and I now believe that this is the only thing for me to do." What FHS student other than Pat Ginn, senior class president, can make such a character-revealing statement?

Besides being class president Pat is active in football, basketball, and track.

Pat weighs 160 pounds, is 5 feet 9 inches tall, and has blue eyes and brown hair.

Born Dec. 21, 1942, to Mr. and Mrs. Guy Ginn, Pat is a native of Floydada.

During his freshman and sophomore years, he was active in basketball, track, and FFA.

In his junior year he was not only active in football, track, and FFA, but also was class favorite and class vice-president.

This year Pat is taking Typing I, civics, English IV, and chemistry. Pat says, "I am enjoying all my subjects this year. I think I would pick typing (as favorite subject) because it is something I have never tried before and it is a new challenge for me."

Pat has been president of the local Methodist Youth Fellowship during his junior and senior years.

Traits he likes most in a friend are honesty and friendliness to everyone. Eddie Parks is his ideal person in FHS.

Favorite pastimes of Pat's are golfing and swimming. When asked why he enjoyed these he replied, "Both are relaxing and good body builders."

His main pet peeve or dislike is to hear people use the same word or phrase to describe everything.

Fried chicken, good actors, books with lots of action, the color blue, the song "General Custer," and the movie **The Big Fisherman** are some of his likes.

Pat intends to major in religion at McMurry College after graduation this spring. During the summer he is planning to work for his father.

Halloween Special:

Leighton Teeple, grave digger, had just completed the last grave for the day. His mind had wandered to other things and he found he had dug so deep he couldn't get out. He shouted for help and finally a drunken passerby came over to see what was the matter.

"Get me out of here," pleaded the grave digger. I'm cold." the drunk thought for some time.

"No wonder you're cold," he finally announced. "You haven't got any dirt on you."

Waylene Mankins had her big toe operated on. The new one is smaller.

The leaves are falling, Daddy-O. Don't you think it's time to sew on your long underwear for the winter?

Chicks seen around the pad—Pat Stewart, Mrs. Joyce (Morren) Stoner, and Jan Cates.

"For what was Louis XIV chiefly responsible?" ask Teach Bob Sheilds.

Eager Beaver Albert Hernandez had his hand up in a jiffy "Louis XV, sir" came his reply.

Queen To Be Elected For Home - Coming

The Homecoming Queen title for 1960 is open to all girls from the freshman through the senior class this year for the first time. Voting took place this week to select the lucky winner.

Previously only senior girls were eligible, but since homecoming comes every four years now, it was decided that it would be fair to all classes to be represented.

Nominations were made Oct. 11 on the basis of the qualifications of good school spirit, personality participation in school activities, and good character.

The nominees were screened after a secret-ballot vote by a committee made up of four Student Council representatives, four class presidents, and A. E. Baker, principal.

The queen will be revealed at the pre-game activities at Homecoming, Nov. 11.

Previous Homecoming Queens have been Cheryl Crawford, 1956; Gayle (Clark) Waller, 1955; and Betty (Blum) Upton, 1954.

The queen will receive a full page in the WHIRLWIND, annual

Southern Gents Plan For Future

At the Southern Gents Hot Rod meeting, Oct. 18, 1960, thirteen members and eight visitors were present.

A committee consisting of Randy Hollums and Eugene Edwards was appointed to try to find a place where Southern Gents could work on their cars at night.

Gary Cantrell and Kent Lightfoot were elected to be the two members on the Board of Directors.

Kent Lightfoot, Max Bradley, and Freddie Morren were appointed to look into the cost of jackets.

The purpose of this club is to promote safety and courtesy on the highways. In the future the Southern Gents plan to get a dragstrip and to send an entry to the drag races at Amarillo and Abernathy.

Other intentions are to have courtesy cards made. These courtesy cards will be given to motorists in difficulty whom Southern Gents intend to help. Last week there was not a regular meeting but a Board of Directors meeting.

QUIET WITCH TRADED FOR NOISY ONE

"All right all you spooks, get out there and make enough noise to wake the living!" began Jannette Roddam, head witch.

Jannette gives a special speech every year to all the witches so that everyone gets the spirit. Darlene Westfall, parliamentarian looked around to make sure everyone was listening.

Sure enough, Frances Van Wickel wasn't. "Frances!" shrieked Darlene, "What are you thinking about?"

"She's thinking about Mickey Hammonds," blurted Francis Pickett. "He's the star of the spooking team. Even Larry Fagan can't outspook him."

Then Sheri Connell, head of the Head-Shrinking committee, spoke up, "Van Wickel has got to go. We can't afford to keep nice, quiet people in this organization."

Carol Bellah agreed and the matter was put to a vote.

Poor little Frances had to leave. "Where can I go?" she wailed.

Billy Taylor sneered, "Why don't you go to FHS? They can use a few quiet ones. Maybe we can exchange you for Nancy Campbell. She ought to make a good witch."

FROM OUR FILES

Mar. 1, 1957 — Interested students are trying to form a hot rod club for FHS. Harvey Allen and Fred March are behind the idea.

The Whirlwinds climbed from a 22 point lead midway in the third quarter to tally behind the winners by 4 points, 58-62 in the bi-district game with Muleshoe in Plainview Tuesday night.

Dec. 20, 1956 — McAdoo defeated the Whirlwinds for the championship trophy in FHS's first invitational basketball tourney by a score of 45 to 37. Ronnie Downing was the only 1956 Whirlwind to make the All-District 2AA football team.

Feb. 11, 1955 — 1955 Seniors will go to Missouri on their Senior Trip.

Joy Porter left the first part of the week for Dallas to participate in the All—State Chorus.

Mar. 15, 1957 — The two-foot band trophy won at Snyder arrived Thursday, Mar. 14.

Approximately 1,100 persons attended the Open House Mar. 5 to see the new building. "Party Doll" was the most popular song at Junior High

Mr. Colley Returns From Graham Stay

Ira Colley, Algebra II, plane geometry, and trigonometry teacher, has returned to FHS after teaching for a year at Graham High School.

Mount Pleasant, Texas, is Mr. Colley's home town. He went to college at East Texas State Teachers College, where he majored in mathematics and minored in industrial education. Futher education includes a master's degree in education.

He has taught for thirty years, seven years at FHS.

Students who study please Mr. Colley the most.

School Emblem Sel

Pat Ginn, FHS senior, has styled the emblem that will represent Floydada High School.

The school-wide contest was a project of the Student Council Pat will be awarded a five dollar prize, his emblem and picture in the annual, and the honor of having made the emblem.

The emblem is a double circle enclosing the words "Floydada High School." This encircles the Book of Education and the Lamp of Knowledge, the Whirlwind, and the U. S. Olympic Insigna which depicts all sports. Beneath this is the word "Whirlwind" written on a scroll.

Finalists and a brief description of their emblems are as follows:

Wayne Cage, senior, second place winner, drew a white Whirlwind enclosed by a green circle and white outer circle.

Linda Roe, senior, drew a Whirlwind with the name enclosed on a banner around the Whirlwind.

Melinda Baker, junior, sketched a lamp, book, and Whirlwind.

Darlene Mount, freshman, drew a Whirlwind name under

Merle Nic a Whirlwind name.

Butch G depicted a tion of sport FHA.

The six fina chosen by th by the studen nesday.

"The Cour thank all tho the contest."

STOP SIGNS ATTRACT TRICK-OR-TREATER'S ATTENTION

(By Carolyn Dunavant)

Stop signs seem to attract the majority of Halloween trick-or-treaters' attention.

Pranksters usually take one quick minute to think about their pulling some insignificant joke on the elders and officials with whom they may be able to get by.

Let's take a second look at this "insignificant" act. Does this really satisfy the frolicker? Usually when one goes trick-or-treating, he does not stop with that; therefore, why aren't the stop signs, a safety precaution, left standing?

Is there really any need for such jests? Dangerous intersections and other hazardous spots are marked by these signs to protect all of the pedestrians and motorists who go that way. Why should some life be endangered because some mischievous persons wanted to "live it up"?

Another disadvantage of tearing down stop signs is that the repairmen, whose salaries come from taxpayers (our parents) have to spend additional time repairing these signs.

What if an accident ccurred on November 1 killing your mother, your father, your neighbor at school, or across the street? Would this not cause some rebellion in your mind against this type of fun?

Serious thought should be applied to this caper. Let each individual take upon himself the task of restraining himself against this joke.

WHY HAVE A SCHOOL SONG?

(By Joan Meek)

Do you beleve that a school should have a song? Why?

Look around you during the next pep rally or assembly and note the number of people not singing. Even teachers don't bother to waste the effort.

The ones who are singing are the leaders and solid citizens of FHS, who are **few.**

Who knows, maybe the one next to you is shy and is waiting for your example.

Some students feel conspicuous when they sing by themselves. Let's make nonsingers stand out, Get the picture?

Colston Rates At State Fair

"The State Fair of Texas or the Pan American Livestock Expedition has been a very inspiring and interesting show for me In fact it was one of the roughest shows that a person can enter in the entire state," said Billy Don Colston.

Billy Don and Kenneth O'Neal were entrants at the state fair.

Billy's Suffolk lambs placed third, his Hampshire lamb placed sixth, and his calf rated good in the market show.

FISH WIN PRIZES

Billy Lamb acquired a shot gun; Kenneth Huckabee, a 22 rifle; and Ronnie Tucker, a pocket knife at a drawing held by all ag students who had the required five points for selling magazines.

All three are freshmen in FHS Each aggie had one chance for every five points earned.

La Juana Rimmer, 1960-61 chapter sweetheart, drew the winning names.

GALEAN SPEAKS AT TSTA

E. L. Galean, Director of Research Division of the Texas State Teachers Association, spoke at the first meeting of the year of the TSTA on Monday.

The meeting was held in the Lockney High School cafeteria Monday night at 7 p. m. Plates were $1.50 each.

CROP DRIVE IS PLANNED

The United Church Council again this year is sponsoring the CROP drive.

All junior and high-school students are invited to join in the Christian Rural Overseas Program Drive.

Everyone interested will meet at the Methodist Church at six o'clock on Saturday Oct. 29. The group will be divided into teams of four and given their block assignment.

After all the city blocks have been covered, everyone will meet back at the Methodist Church for refreshments.

The sponsors of the drive are Mr. and Mrs. Pete Hickerson.

Last year, over $400 was donated by citizens of Floydada. That money went to buy food clothing, and other needs of people overseas.

FIRE DRILL SETS RECORD

The second fire drill of the year set a new record of forty-three seconds.

Clearing the building in one minute is considered normal.

I. T. Graves, superintendent of Floydada schools, said that the drill was excellent. The first drill was not as successful because signals were confused.

Starting the game Muleshoe's Mike Barron kicked off with the ball going to Stovall on the 30 and he returned to the Muleshoe 47 before being downed. The Whirlwind attack gained but four yards before Lindsey punted from the 43 to Young on the Mules 10. He returned the kick to the 21 where he was downed.

Muleshoe could not go and it was Curtis Walker who did the punting chore toeing it from his 27 to the 'Winds 22 where the ball rolled dead.

The green and white picked up two first downs and then were penalized 15 yards and Lindsey quick kicked from his 46 to the Muleshoe 24.

As the Mules put the ball in play they fumbled and David Crawford recovered for Floydada on the 28. It looked like a TD drive with Stovall picking up a first on the 17 and a few plays later Lindsey made another on the 7.

Stovall hit for one and then Dixon Ray a Muleshoe end charged through and pulled in Lindsey's flat pass and raced 95 yards to score with a string of pursuers following.

Billy Gilbreath kicked the conversion and Muleshoe led 7 - 0 though they had not gained a first down from scrimmage at the time.

Finishing the first period and going into the second the teams sparred and exchanged punts. Some good tackles were turned in by Allen, Davis, Parks, Lloyd, Stovall and Walker in the series of plays.

Shortly before the intermission Melvin Green and Don Davis got on a Muleshoe fumble to give Floydada possession on the visitors 37, but the locals muffed the opportunity, losing the pig hide at the 30.

In the third period the 'Winds took the field fired up but still had their troubles. After holding Muleshoe they got the punt on the visitors 40 and Christian ran to the 37 where he was downed The drive was going good until Muleshoe intercepted at their one yard line.

Their offensive efforts were good to 15 and there the 'Winds pounced on another Mule bobble and Floydada was in business 15 yards from pay dirt.

This time Lindsey picked up 7 and 1, Marler 3 and a first and then Stovall made the counter going the final three yards.

Teague came in to kick the conversion with Christian holding and it was a tie game. Score 7 - 7.

Following the Floydada kick off Walker and Allen turned in fine tackles to bring down the rampaging Mules and soon Muleshoe punted from their own 34 dead on the Floydada 43.

As the final stanza got underway Lindsey punted from his 43 to the Mules 30. From this point the visitors gained 16 yards to their 46 then fumbled the ball and Floydada had it on the Muleshoe 46.

This time Floydada struck like lightning with Allen hitting Marler with a pass in the secondary He evaded tacklers as he picked up blockers and went the distance to score standing up.

Teague again came in to kick the conversion and Floydada owned their first lead 14 - 7.

Muleshoe received the ball and tried desperately to get rolling for a score. Walker and Lloyd were among those turning in key tackles to stymie the attack. Frank Barrow recovered a fumble on the Muleshoe 44 to put an end to the drive.

Floydada's offensive was stopped by the visitors and again Lindsey punted this time from the 48 to Jim Young on the 17 and he returned it to the 29.

The Mules then mounted a spirited drive that rocked the 'Winds but they were finally able to hold on. Crawford, Allen, Parks, Davis, Dunn and Walker and other members of the defense came in for good tackles as the Mules drove to the Floydada one yard line.

With just 50 seconds on the clock Joe Lee Dunn banged a Muleshoe lineman into their quarterback causing a fumble Darryl Lindsey recovered the ball just behind the Mules' line of scrimmage and it was Floydada's ball and ball game as Lindsey ran out the clock on keeper plays down the middle.

Final score Floydada 14 - Muleshoe 7.

Fairview News

By Mrs. Clyde Bagwell

FAIRVIEW, Oct. 24 — We are all enjoying the beautiful sunshine of the past few days. Ground has not dried out too much. Our rain of last week lasted until Tuesday and we received nearly nine inches here in town by the time the rains were over.

We drove out in the country yesterday and out about six miles from town, east, we saw people taking boat rides on one of the lakes. All of the lakes are full and running over and most fields are still boggy. Some are going to try to get into the cotton fields today. Full lakes and green wheat fields make the country look very pretty.

A large number of our folks attended the football game Friday night between Floydada and Muleshoe.

Mr. and Mrs. Clyde Bagwell visited Sunday afternoon with Mr. and Mrs. C. W. Payne.

Mr. and Mrs. Lyndal Carey, Mrs. John Carey and daughters Margaret and Nancy and Mrs. Roy Meek spent the weekend at Colorado City visiting Mr. and Mrs. Bill Muncrief and daughter Sherri.

Mrs. Oran Hatley and Mrs. Doyle Jackson and baby visited in the Cecil Payne home Wednesday.

Tuesday afternoon, Mr. and Mrs. Fred Gross of Sand Hill visited in the Cecil Payne home

Mrs. Paul Murff visited Mrs. Clyde Bagwell Friday afternoon

Mr. and Mrs. Hub Austin and Gary of Borger were here awhile Friday afternoon visiting his sister, Mrs. Walton Wilson.

Mrs. J. C. Crabtree of Lubbock and J. C. Bullard of Floydada visited Mr. and Mrs. C. H. Wise Thursday.

Mona Dell Wise left last week for Santa Maria, Calif., where she will spend an indefinite time with her sister and family, Mr and Mrs. Louie Coffee and children.

Mr. and Mrs. T. L. Perry and Jan had several visitors in their home last week. On Tuesday, Mrs. G. M. Bullard and L. B. Cozby were there and Wednesday, Mr. and Mrs. Clifford Helms and Mark of Lakeview had dinner with the Perrys. Thursday night supper guests were Mr. and Mrs. Wendell Graham and sons.

Sunday dinner guests of the Perrys were Mr. and Mrs. Ray Lloyd and sons, Melvin and Don of Dougherty. In the afternoon Mr. and Mrs. Grady Reeves and sons, Duane and Randell of Plainview came for a visit and stayed until after supper.

Mr. and Mrs. Lee Rushing went to Temple recently where Mrs Rushing had a check-up. She received a good report. From there they went on to Houston where they spent the weekend with their daughters, Miss Dorothy Rushing and Mr. and Mrs. Malcolm Bridges, Janet and Ray. They all attended two ball games while there. One was the Houston High School game and Ray was one of the players and the other game was University of Houston and A & M at Houston.

Mr. and Mrs. Rushing came home by Sweetwater and stopped to attend to business.

Mr. and Mrs. Edell DuBois enjoyed having their granddaughters, Dianne and Sandra DuBois of Lubbock spend the weekend with them. Saturday, their other grandchildren, Craig and Quinn children of Mr. and Mrs. Bill DuBois, spent the day at the Edell DuBois home.

Sunday afternoon, Mrs. Bud Du Bois and son Larry came up for a visit and to get her daughters Dianne and Sandra.

Mrs. Lee Burgett was a Saturday night supper guest of Mrs. Milton Carmack.

Thursday night, Mrs. Burgett had an enjoyable surprise when she received a phone call from her son George, who lives at Sacramento, Calif.

Mr. and Mrs. R. R. Waller visited their daughter and family, Mr. and Mrs. Shirley Irwin Wednesday night and had supper with them.

Saturday morning, Mrs. Irwin visited in town with Mrs. T. L. Perry and enjoyed coffee with her.

Mr. and Mrs. Lee Burton went to South Plains Friday, where they visited her father, J. T Myrick.

Mr. and Mrs. Clyde Bagwell went to Muleshoe last Tuesday, where they saw their brother and sister, Mr. and Mrs. P. L. Joiner for the last time before they left for their home in Oregon. They all had dinner together in the home of Mr. and Mrs. Leo Bartley. Mr. and Mrs. Bill Pierce and children were also present. The Joiners had been in Texas since Octoer 3.

Mr. and Mrs. E. W. Walls visited in Plainview Wednesday with their son and family, Mr. and Mrs. Dean Walls and children.

Mr. and Mrs. Doyle Walls and Brenda were Sunday dinner guests of their parents, Mr. and Mrs E. W. Walls.

Mr. and Mrs. Jim Stewart visited Monday night with Mr. and Mrs. Felt Patterson.

Mr. and Mrs. Jerry Haley visited in the Jim Stewart home Sunday and had lunch with them.

Sunday dinner guests in the Walton Wilson home were Mr. and Mrs. A. S. Mize, Mr. and Mrs. Weldon Pruitt, Mrs. Bill Tye, Mrs. W. B. Wilson and Harvey Allen.

Mrs. W. B. Wilson and Mrs. A. S. Mize went to Earth Sunday afternoon where they spent the night and took the train Monday morning at Muleshoe for California, where they will spend two weeks at Ione with Mrs. Mize's son and family, Mr. and Mrs. Steve Mize and children.

Mr. and Mrs. R. M. Cannon of Petersburg visited Mr. and Mrs Jim Stewart Thursday night.

Mrs. Jim Stewart and Mrs. Dot Hammonds went to Plainview Friday to visit Mrs. Stewart's brother, L. D. Horton, who was a patient at Plainview Medical Center.

Since we began the writing of this news, a heavy fog has come in from the south and it looks as if we might be in for some more wet weather.

Girl Scouts Field Worker Meets With Floydada Leaders

Mrs. Leo G. Spoffard, Girl Scout Regional Field Worker from Dallas, met with local Girl Scout leaders, assistant leaders and members of Lone Troop committee Friday afternoon at two thirty at the Girl Scout Hut. Floydada is in Region nine, the "Cactus Region".

Accompanying Mrs. Spoffard was the executive director of the Plainview Girl Scout Council Miss Thelma Vestal.

The purpose of Mrs. Spoffard's visit was to familiarize the local leaders with Lone Troop procedures and organization.

During her talk Mrs. Spoffard emphasized the relationship between community support and Scout growth and complimented Floydada for having its own Scout House.

Two film strips were shown following the talk.

Miss Vestal invited Floydada Scout leaders to attend the Leadership Training School to be conducted by Plainview leaders in Lockney, October 24 to November 3. The local women have just finished a similar two weeks course in Plainview.

Present at the meeting were Mesdames Bill Hale, Ted Allen, Jack Jordan, Gene Arwine David Lewis and Lane Decker, representing first year Brownies and Mesdames Hollis McLain and Sam Shami, representing the second year Brownies and also Mesdames Neida Thayer, Wayne Fuller and A. E. Guthrie, representing the third year Brownies.

Present for the first and second year Intermediate Girl Scouts were Mesdames Bill Thomas, Howard Drysdale, M. J. McNeill and Dessie Denison.

Baptist Pastor Is Conducting W. Va. Revival

Rev. Ed B. Bowles is in Huntington, W. Va., where he is conducting a two weeks revival. The Twentieth Street Baptist Church at Huntington where the revival is being held is the church where Rev. Bowles father pastored.

During his absence from the pulpit Dr. Franklin Swanner of Plainview held last Sunday's services and Rev. Roy Lambert will conduct services Sunday in the First Baptist Church.

Dr. Swanner and his wife attended the Baptist World Alliance in Rio this summer and traveled extensively over South America. He spoke to the public Sunday on his observance in the states of Latin America.

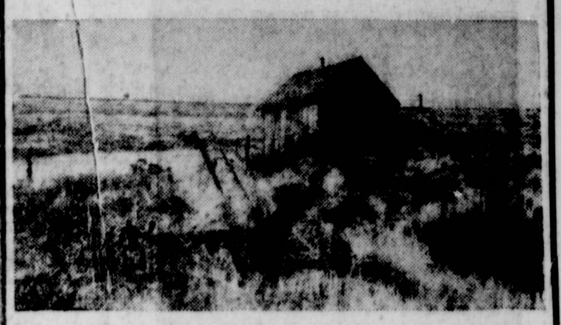

Rev. Lambert will be here Sunday from his home in Dallas where he is with the Mission Department of the State. The general public is cordially invited to attend and hear this preacher.

The First Baptist Church also announces its presentation of the A Capella Choir, students from the school of Music, Baylor University, Waco. The choir will be under the direction of Euell Porter. The time will be 7:30 p. m. Saturday, Oct. 29 in the Baptist Church.

Mr. and Mrs. Gene M. Collins visited Sunday in Lubbock and had lunch with their son, Jimmy Collins, student at Tech, and miss Nancy Shaffer of Wichita Falls.

Who's going to help the farmers?

America's farmers are having a rough time in the midst of Republican "prosperity." Low prices — high costs. Big overhead — small profit. Costly investment — staggering bills and debts.

Who's to blame? It isn't just Ezra Taft Benson. The Republican administration that appointed Benson and for eight years praised his policies is equally to blame. The "experienced" Mr. Nixon has called Benson "one of the greatest Secretaries of Agriculture in our history."

The best way to get sympathetic action for farmers' problems is to elect Democratic leadership to the White House.
