By BILL BOYKIN

Texas Press Association Austin. — Candidates for the Legislature are keeping an anxious eye on a federal court which last week heard massive, consolidated challenges to House and Senate redistricting.

The three judges listened to four days of testimony and arguments and took the case under study. A decision is expected in a week or two in order to allow time for appeals to the U. S. Supreme Court before the February 7 filling deadline.

Emphasis in the trial of suits filed in San Antonio, Tyler, Houston and Dallas was on the issue of single member vs. Multi-member (countywide) House of Representatives districts for metropolitan areas.

Challengers of the 1971 reapportionment (based on the 1970 census) by a five-member board made these key claims:

- Countywide districts tend to prevent election of blacks, Mexican - Americans and Republicans.

- Elections in the multi-member districts require expensive campaigns which few candidates other than those backed by big interests, can afford.

- Single member or individual districts for the big counties insure a smaller constituency and thereby make legislators more available, responsive and accountable to the voters.

The state, in defense of the 1971 reapportionment, maintained:

- Multi-member districts are not discriminatory and do not dilute minority group representation.

- Prior Supreme Court rulings have held that either multi-or-single-member districts are acceptable as long as they are fairly drawn.

- Singlemember districts tend to fragment a county's representation and lessen chances of delegation harmony on key county-wide issues.

Federal Circuit Judge Irving L. Goldberg of Dallas, U. S. District Judge William Wayne Justice of Tyler and U. S. Dist. Judge John H. Wood Jr. of San Antonio must make the decision whether to invalidate the apportionment and draw new lines or let the board's plan stand.

CAMPAIGN REPORTS URGED — Secretary of State Bob Bullock has urged state and county political organization chairmen to report campaign contributions and expenditures as candidates are directed to.

He said 31 other states require such reports by law, though Texas does not. State Democratic Chairman Roy Orr of DeEoto rebuked Bullock for "overreaching" his authority.

Bullock disclosed he is having legislation drafted to require full disclosure by political parties at the state and local levels. Until that legislation can be enacted, he recommended the political organizations make the reports voluntarily on contributions and expenditures after Jan. 1, 1972.

The secretary suggested filing reports on party funds used for county office campaigns with the county clerk, district or state office reports with the secretary of state here and reports of party money spent in local elections with the city secretary or city clerk.

Mr. and Mrs. Calvin Crossland of Duncannonville spent Thursday with their son, Rev. Roy Crossland, Mrs. Crossland and daughters, Shirley, Pam and Donna.

Miss Alma Marie Jones and her girl friend of Little Rock, Ark., are here visiting her aunt, Mrs. R. G. Hood. Mr. Hood and other relatives.

A daughter was born to Mr. and Mrs. Jeff Moles Jan. 10 at 5:40 p. m. in Titus County Memorial Hospital. She weighed 9 lbs. and 1 oz. and was named Penny Jo.

Mr. and Mrs. Melvin Hearron and children have moved from the McConnell house in Talco to Winfield and Mr. and Mrs. T. D. Herzer of Big Lake have moved to the McConnell place. Mr. Herzer is employed by tSun Oil Co.

Sunday dinner guests in the home of Mr. and Mrs. Roy Worth were Mr. and Mrs. Lee H. Loveless, Mrs. Melba Brown and two children and Mr. and Mrs. Olen Worthy and two children, all of Mt. Pleasant.

MASS ASSEMBLY RULE STUDIED

— Texas Department of Public Safety set a February 29 hearing on proposed rules and regulations and minimum safety and good order standards for mass gatherings.

The 62nd Legislature directed DPS to promulgate such rules which must be met by promoters in order to get official permission to hold mass gatherings, such as outdoor rock concerts.

Among the proposed rules are those governing adequate parking, lighting, access by emergency vehicles and responsibility of the promoter to preserve order within the assigned area.

AG OPINIONS — Resident aliens are eligible for old age assistance and aid to the blind, Atty. Gen. Crawford C. Martin has held in light of U. S. Supreme Court decisions.

In other recent opinions, Martin concluded:

- A home rule city has authority to form a non-profit, no-stock corporation to acquire and improve land for industrial development.

- A proposed Taylor County junior college district to operate under contract with three private, church-related institutions in Abilene is unconstitutional.

- Motorboats or vessels must have at least one Coast Guard approved life-saving device for every person on board.

- A mineral lessee's claim for refund of payments to the state may be paid when coupled with verification by the General Land Office and a legislative appropriation.

- A national bank's reserve for interest collected but not earned and reserve for loans overdue and doubtful may be considered a factor for ad valorem tax purposes as part of personal property.

- "Riprap" spilled from trucks falls within the definition of loose material prohibited by a new law.

- All price advertising by optometrists is prohibited.

- Tuition for students from another college at state higher educational institutions is at least \$200 per regular semester.

- Reserve deputy sheriffs may carry weapons.

- Contempt of a commissioners court is punishable by fine not to exceed \$25 or imprisonment up to 24 hours.

SCHOOL FINANCE STUDIES ON — Gov. Preston Smith designated a 12-member task force to advise him on possible state action needed following a federal court decision that the Texas system of financing public schools is unconstitutional.

At almost the same time, Smith directed the newly created Commission on Inter-governmental Relations to head a study of the effects of the case and report suggested solutions to the legislature by January, 1973.

Meanwhile, Lt. Gov. Ben Barnes expanded a senate committee on urban education and directed an examination of finance problems in the wake of the federal court action. At least seven groups are now in the search for solutions.

Concern has been expressed for security of school bonds and even for the entire dependability of the property tax as the main source of revenue for all local governmental purposes.

Rebels Beat Mt. Vernon Tuesday

The Rivercrest Rebels ran their District 15-AA record to 4-0 with a 62-57 victory over the Mt. Vernon Tigers at Mt. Vernon Tuesday night. The Rebs also took the "B" game, 51-41.

Talco - Bogata Sch. Brd. News

The Board of Trustees of the Talco-Bogata Schools met in regular session at Rivercrest on Tuesday, January 11, 1972 at 7:00 p. m.

In major action taken by the Board, the contract of Superintendent Talmadge Morgan was extended for an additional year. As a general rule, the time schedule for employing school personnel is as follows: January - superintendent; February - principals, tax assessor, cafeteria supervisors; March - teachers; and April - auxiliary personnel.

The Board and administration of the school district have discussed for many months various plans and changes that could be made in the present school program of the district to reduce costs and at the same time not impair the quality of the instructional program for students. Faced with a yearly decrease in oil values in the school district plus an increase in overall operational costs due to inflation, a larger share of the cost of school operations has been and will continue to be placed on local property owners each year. The Board and administration feel a strong sense of responsibility in this dilemma to all tax payers, parents, and students in the school district. It is not a problem that will go away if ignored — it must be faced.

After discussing various alternatives over a long period of time, the Board and administration feel that a campus reorganization offers the greatest opportunities to accomplish the purpose of reducing costs and lessening the tax burden on local property owners. In addition to reducing costs, it is felt that by reorganizing the campuses with grades K-4 on the Bogata campus, grades 5-8 on the Talco campus, and grades 9-12 remaining at Rivercrest, that a stronger educational program can be made available to our young people in a number of ways in addition to eliminating some conflicts that exist in the present arrangement.

To assist the Board in coming to a definite decision on this matter, it was unanimously agreed that this proposition — all students in grades K-4 be located on the Bogata campus, all students in grades 5-8 be located on the Talco campus, all students in grades 9-12 remaining at Rivercrest — be placed on the ballots of the trustee election which will be held the 1st Saturday in April.

Superintendent Talmadge Morgan stated that further information related to a campus reorganization would be printed in local papers and possibly be made available to the general public in other ways. Mr. Morgan stated that he would attempt to answer questions concerning this matter or would furnish any information that would be helpful to patrons in clarifying their thinking on this proposition.

In other matters coming before the Board, approval was given to the various reports presented and it was agreed that the next regular meeting of the Board

Revival At Calvary Baptist, Jan. 23rd

There will be a revival at the Calvary Baptist Church in Talco beginning Jan. 23 and going thru Jan. 30. The evangelist will be Bob Mankin, from Marshall, Bro. Mankin is a Senior at East Texas Baptist College in Marshall and has conducted over 200 revivals as a full time evangelist. His testimony of salvation is tremendous, since he was delivered from the bondage of drug addiction. It will be a blessing to all who are able to hear him speak, concerning the power of God to give victory over narcotics, alcohol and other similar problems.

The song leader will be Jerry Russell, music director of the Calvary Baptist Church. Prayer service and choir practice will be nightly at 6:30, with services beginning at 7:00. Thursday night has been designated as youth night, with a fellowship to follow the service. There will be a nursery available at each service. Everyone is invited to attend.

"CLEOPATRA'S NEEDLE," granite obelisk carved in 1600 B.C. was moved from Egypt to New York's Central Park in 1882.

88 YEARS of exposure to polluted air of New York did more damage to the obelisk-- eating off hieroglyphics on one side-- than was done in the 3,500 YEARS it stood in Egypt.

TO AVOID health hazards of air pollution more and more home owners are turning to mechanical filtration of air and electronic air cleaning to purify air inside their homes.

TO THE VOTERS OF TITUS COUNTY

I am taking this opportunity to announce my candidacy for the office of Sheriff of Titus County, (Second Term) subject to Democratic Primary.

First, I want to thank you for giving me the privilege to serve in this capacity this first time. I have tried to fulfill the duties of the office efficiently and with dignity.

It has been a pleasure to work with our law enforcement officers of this county and adjoining counties who have been most helpful and cooperative.

I would also like to thank the Commissioners Court for their cooperation and assistance. And certainly, I want to commend the young people of Titus County for their attitude toward the law and the respect they have shown the Sheriff's department. Many of them will qualify to vote for the first time in 1972 and I earnestly solicit their support and influence in the coming election.

Respectfully yours,

JOHN W. TERRELL

TO THE VOTERS OF PRECINCT 3

I wish to take this opportunity to inform the citizens and voters of this precinct that I have filed as a candidate for Commissioner.

I am 34 years of age and am married to the former Lula Faye Anderson. We have three children, Cindy, age 14, Johnny, age 13, and Kay, age 11.

I have been employed with the Titus County Sheriff's Department as a deputy for one year at Talco, and two years at Mt. Pleasant as chief deputy, a position of which I shall resign in order that I may have time to try and personally contact each and every citizen and voter of Precinct 3 in the coming few months.

If you see fit to elect me as your commissioner I will do my best to fulfill the duties that this very important office carries, and I will stand up for what YOU think is best for Titus County.

Respectfully yours,

Larry Evans Announces For Dist. Attorney

I wish to take this opportunity to inform the citizens and voters of Titus, Camp, Morris and Marion Counties, that I have filed as a candidate for the office of District Attorney of the 76th Judicial District.

I am 32 years of age and a graduate of the University of Texas School of Law. Prior to entering law school, I attended Abilene Christian College and the University of Texas.

My family consists of my wife, Judy, and two boys, Gary, age 8, and Mark, age 2. My wife and I are members of the North Jefferson Church of Christ in Mt. Pleasant.

I am a member of the American Bar Association, the State Bar of Texas, the Northeast Texas Bar Association, Titus County Bar Association, and Texas Trial Lawyers Association. I have been associated with Traylor Russell in the practice of law in Mt. Pleasant since June, 1968, and am qualified by age, education and experience to hold this office.

During the coming few months, I will be actively attempting to meet as many of you as possible; unfortunately, my active practice will not permit me to visit with each and every one of you. In the event that I am unable to personally contact you before the coming election, I earnestly solicit your vote and influence and promise that if elected I will vigorously carry out the duties of this office.
