Conqueror Of Everest Identified

KATMANDU, Nepal (AP)—The American who got to the top of Mt. Everest May 1 was James W. Whittaker, 33, Redmond, Wash. The expedition disclosed today. He was accompanied to the top by Sherpa Nwang Gombu, nephew of the first person to reach the summit.

Whittaker is a lumber and equipment officer. He is a Mt. Ranier National Park mountain guide who has been climbing since he began as a Boy Scout in 1943. An expedition spokesman disclosed the following facts for the forthcoming attempt on the summit by the traditional south route.

Harry C. Bishop, 30, Washington, D.C.; Luther G. Jerstad, 26, Eugene, Ore.; Richard Pownall, 25, Denver, Colo.; and Sherpa Girmi Dorji.

All were believed to be resting at the base camp today.

Bishop and Jerstad had been scheduled to follow Whittaker and Gombu if they failed in the May 1 attempt, the spokesman said.

Expedition leader Norman G. Dyhrenfurth and his longtime personal guide, Ang Dawa Tenzig, were not trying for the top but were in support of Whittaker and Gombu in case they got in trouble, the spokesman added.

Whittaker climbed to 28,100 feet behind Whittaker and Gombu. He said today from the base camp that the May 1 climb was a miracle because the climber did it in high winds and extreme cold.

Dear Abby...

By ABIGAIL VAN BUREN

DEAR ABBY: I am married to the coldest woman this side of Alaska. I'll bet she hasn't kissed me in two years. I met a cute little woman who is just what the doctor ordered. Am I justified? A man is not made of wood, you know.

ONLY HUMAN

DEAR ONLY: J-KNOW a man is not made of wood. (Just his head). The cute little woman may be "Just what the doctor ordered," but she is NOT what your pastor delivered. Forget her, and try to thaw out your wife.

DEAR ABBY: I work in a factory with many girls. One day last week one of the girls had what she called a "Charlie Horse" in the calf of her leg. Our foreman (a married man of about 55) said his wife got them all the time and he knew how to get rid of them. Well, this girl (she is also married) let the foreman massage her leg. That very evening all the other girls went home on time and the foreman asked this one girl with the "Charlie Horse" to stay. She got an hour's overtime pay. What do you think about that?

WORKING GIRL

DEAR WORKING GIRL: I would have to know more about the girl the foreman, the "overtime"—and you!

DEAR ABBY: Why is it that women cannot bear to see a happy moderately well-to-do bachelor enjoy his freedom without wanting to run everything for him by getting him married to a "lovely woman" (either themselves or a friend) who is looking for a lifetime of support, or a father for her noisy, spoiled brats?

I am 41 and perfectly content to remain a bachelor for the rest of my life. And I know many other bachelors who feel the same way. I wish these women would leave us happy, hard-working bachelors alone once we have refused their advances on the subject of marriage. You probably won't publish this, but if you do, sign me—

J.

DEAR J: The next time a woman tries to interest you in marriage (for herself or a friend), recite your little speech to her and that will be all, brother!

CONFIDENTIAL TO "J": The easiest way to teach children the value of money is to borrow it from them.

PROGRAM—The two ladies above, Laura Holladay, left and Mabel Brock, right, assisted in presenting the Founder's Day program Monday evening of the Zeta Lambda Chapter.

Wish Color, You Need Evergreens

There is not a home property in the United States that can look beautiful all year long without evergreens.

There are evergreens for every location. The foliage vary considerably in relation to form, color and texture. They may be so low as to creep along the ground, or high enough to reach into the sky. They are the most important plants in the home landscape, from the hedge, to the specimen shrub or tree. Some evergreens have lovely flowers, while others in the warmer climates bear some of our most delicious fruits.

Consult with your nurseryman in purchasing these plants. Evergreens grow in many shapes and sizes, and one should know what he is doing in buying them. He usually cannot tell just by observing them stacked side by side. One should have knowledge of how the plant will grow after purchase. Nurserymen have such knowledge. Every plant should fit its location on the property. You don't want a tall-growing tree near windows, or even too close to the house. The right trees or shrubs planted in the right places should be the goal with evergreens.

Evergreens usually are used for hedges or "wind breaks," in order to make the property warmer in winter and cooler in summer. A solid evergreen "wind break" will tone down cold winds for a distance along the ground of 10 times the height of the planting. It should be planted on the side of the property from which the cold winds blow. Plantings also can be made to channel the breeze into your outdoor living room in hot summer weather. The hedges insure privacy.

No home can be well - planned without evergreens which can serve many utilitarian purposes.

Appliance Tests

Safety, efficiency and durability requirements for ranges are the result of exhaustive study by experts of the National Bureau of Standards, U. S. Bureau of Mines, U. S. Public Health Service, U. S. Bureau of Human Nutrition and Home Economics, American Home Economics Association, U. S. Department of Agriculture, Canadian and American Gas Association. Each range must meet strict standards before it can go to market. Manufacturers point to these standards as principle reasons that cooking equipment doesn't wear out and is virtually service - free.

Delta Kappa Gamma Chapter Has Founder's Day Dinner

The Zeta Lambda Chapter of Delta Kappa Gamma held its Founder's Day Dinner Monday evening at the Town House.

Hostesses for the occasion were Laura Holladay, Marcene McCollum, Vesla Maner, Barbara Bigam and Carol Miller.

Bess Johnston gave the collect. Sally O'Rear reported on the courses that have been added to the High School curriculum. Marcene McCollum gave an account of the committee representing the Junior College in Austin. A report on historical records was given by Maydelle Burns.

During the business meeting the group voted to pledge \$20 to the American Field Service.

Mrs. Lida Rhodes paid tribute to the founders for their unyielding courage, their strength and purpose, their emphasis upon the beautiful, their dedication for their faith, and for their convictions that merit not sex, service nor position should determine fitness for leadership.

Twelve candles were used - five white candles, symbols of those founders who have been called away and seven red candles, symbols of those founders still living.

Twelve roses were also used, five white ones and seven red ones. The Holy Bible, the candles, and the roses are the symbols upon which the Delta Kappa Society was built and those by which it has reached a membership of over 186,000.

During the ceremony a candle was lighted for founders: Dr. Annie Web Blanton, Sue King, Mamie Sue Bastian, Ruby Cole, Ruby Terrill Lomas, Mabel Gizzard, Anna Hiss, Ray King, Helen Kach, Cora Martin, Lolla Odum and Lela Lee Williams.

Members attending other than those mentioned above were: Ruby Anderson, Vela Bell Zaida Brown, Leota Bauris, Rita Carter, Mary Davenport, Dorelle Gorman, Joyce Gorman, Virginia Grove, Bess Johnston, Lillian Jones, Agnes Kunkel, Della McPherson, Dorothy Miller, Eva Nelson and Maurysse Scott.

DRESS UP MEAT BALLS with olives and sour cream sauce, and bake in a casserole. Serve over rice or noodles for a hearty, easy-fixing meal.

Sour Cream In Marvelous Meat Ball Casserole

Want a pleasing change from meat loaf? Try ground beef in a brand-new Meat Ball Casserole. It's a hearty meal that's sure to make a hit with your hungry family. Economical, too, because it helps stretch the ground beef, and thus stretch your budget. Serve well-seasoned meat balls in savory sour cream sauce, over rice or buttered noodles. It's delicious!

Make the individual meat balls 1 1/4 to 1 1/2 inches in diameter, so that 2 pounds of meat makes about 24. This will be just right, with sauce, to fill a shallow 1-quart casserole. There are all kinds of meat ball recipes—Swedish and Italian are the most renowned—but these are made "special" by the addition of chopped stuffed olives.

Now for the sauce! This, too, departs from familiar recipes. Its basically made like gravy using the meat drippings and flour. Then you add lemon juice, Worcestershire sauce, sour cream and sea-shore sauce.

same ingredients. Add this tasty Meat Ball Casserole to your recipe file.

Miss Bina Alphonse Bride Of Larry Mitchell Shubert

Candlelight fell on gowns of rainbow hues at the wedding of Miss Bina Kathleen Alphonse and Larry Mitchell Shubert on April 27, in the First Baptist Church at Oxnard, Calif.

The Rev. F. A. Munroe performed the double-ring ceremony.

Mrs. James C. Dunn, Port Hueneme, is the mother of the bride and her father was the late Gordon Alphonse. The bridegroom's parents are Mr. and Mrs. William Shubert of Alto, Georgia.

The bride was escorted to the altar by her uncle, Robert Darby, who stood in place of her step father, Lt. Col. Dunn, who is on duty with the Air Force in Saigon. Her gown was of white lace and silk organza over tulle. The fitted bodice was embellished with a sweetheart neckline. To a girdled waist, a crown of seed pearls held her elbow length illusion veil. The bridal bouquet was a cascade of gardenias and stephanotis.

Miss Anna Reich, maid of honor, wore a power blue lace gown with a matching illusion veil held by a seed pearl crown. She carried a nosegay of blue daisies and white feathered carnations. The bridesmaid, Miss Jennifer Dunn, the bride's sister, wore gowns of the same style but in yellow and pink, respectively. Their bouquets matched the dresses.

The bridegroom's attendants were all Air Force friends. Frank Harris, Rockford, Ill., was the best man. Ushers were Larry Tur-

ner, Jeff Gruwell, and Robert Carlson. Nicholas Rocca was the groomsmen and Kelly Dunn was the junior groomsmen.

Mrs. E. E. Bachman was the organist. The soloist was Ray Mendoza.

A reception was held in the church hall following the services.

The bride attends Ventura College. The bridegroom is in the Air Police Squadron stationed at Oxnard Air Force Base. Following a wedding trip they are at home in Oxnard, Calif.

Tiger Bi-District Foe To Be Decided Today

The Graham Steers and Burk Burnett Bulldogs meet this afternoon in a single game which will decide the DISTRICT 3-AAA champion and playoff representative.

A telephone conversation this morning with Ed Harris of the Graham Leader confirmed the status of the league, whose winner will meet 3-AAA champion Snyder in the bi-district round of the schoolboy baseball playoff.

Graham walked to the south half zone title in its district with a spotless 6-0 mark while competing against Stephenville, Mineral Wells and Weatherford. For the season the Steers carry an equally unblemished 9-0 record.

Burk Burnett, on the other hand,

downed contending Wichita Falls Rider Tuesday for the north zone crown to gain access to today's showdown conflict with Graham which will be reeled off today beginning at 3 o'clock in Wichita Falls neutral Spudder Park.

Vernon is the only other north zone team in addition to Burk Burnett and Rider which competed for the baseball title. Two of the 4 AAA schools — Brownwood and Breckenridge — do not vie for the baseball honors.

Snyder clinched the 3-AAA title last week by blanking Brownfield, 1-0, to give Coach Speedy Moffett's charges a 7-1 record record reading after winding up the slate with a 4-3 conquest of Lamesa.

Tigers To Engage Monterey Saturday

A pair of district champions will be displaying their wares here at Towle Park Saturday when the Monterey Plainmen and Snyder Tigers clash in a 2 p.m. battle.

Tiger Coach Speedy Moffett has announced the scheduling of the special attraction, which will serve the purpose of keeping both clubs in trim prior to launching their bi-district wars.

The Plainmen led the rest of the District 3-AAA teams in the lurch while racing to their title,

Willie Davis Helps To Take Up Slack

By ROB GREEN
Associated Press Sports Writer

One of the Los Angeles Dodgers' big concerns this season has been the hitting slump of Tommy Davis, who led the National League with a .346 average and 153 runs batted in last season. He's been hampered by leg injuries and is hitting only .227.

But Willie Davis, sometimes called the other Davis, suddenly has taken up the slack. In the last four games, Willie's had seven

hits in 15 times at bat and has driven in five runs.

It's no coincidence that the Dodgers have won three of the four, including an 11-5 decision over St. Louis Wednesday night. Willie had two homers and a triple in that one, driving in three runs and scoring the one that broke a 5-5 tie.

San Francisco opened a two-game lead atop the standings with a 12-5 victory over Milwaukee's slumping Braves. Cincinnati edged Houston 3-2, the Chicago Cubs bombed Pittsburgh 9-5 and New York's Mets downed Philadelphia 3-2.

Roster Cuts Taking Toll

By The Associated Press
Lary heading the list, more than a score of ballplayers were heading for the minor leagues today, victims of the annual May roster trimming in the major leagues.

By noon, Eastern Daylight Time, all major league clubs were required to be down to the 25-man limit. The Tigers, pre-season picks as American League contenders who have been struggling to avoid last place.

Much of the Detroit problem has been due to the inability of Lary to approach the form that made him one of the top right-handers in the league. Hampered by a sore arm last season and rusty because of limited work this year, Lary heads to Knoxville of the South Atlantic League to try to pitch his way back in shape.

Some of the other "name" players involved in the cutdown were outfielder Willie Tashy of Cleveland, optioned to Jacksonville of the International League; right-hander El Grba of the Los Angeles Angels, sent to Hawaii of the Pacific Coast League; and veteran catcher Hank Foles, released by the Cincinnati Reds.

Jim Umbricht In Comeback

CINCINNATI (AP) — The long wait ends tonight for big Jim Umbricht whose pitching career he will be in jeopardy because of cancer. He will be in the bullpen for the Cincinnati Reds.

This will mark the latest milestone in the comeback story of the left, crested right-hander from the University of Georgia who underwent a 7-hour cancer operation two months ago.

The days of doubt ended at midnight when Umbricht's surgery restored to the active list Manager Harry Craft promised that Jim Umbricht would be in the bullpen for tonight's game.

Umbricht's cancer surgery March 7 to remove a malignant growth from his right leg. Doctors said that under similar circumstances five years ago Umbricht's athletic career would have been halted and his leg probably amputated.

Umbricht, 32, says he feels fine, anxious to get back to pitching. "I'm not too worried," he grinned. "I might not get on base, the way I hit."

"As for the guys on the other teams, I sure don't expect to get any breaks from them. It's dog eat dog. I don't expect things to be any different than they were, but if anything, they may try to take advantage of me."

"Maybe they'll figure I can't run or move too hot, and they'll try to punt on me. I hope they try it, because I think I can handle it."

Trans-Miss In Second Round

PHOENIX, Ariz. (AP) — Top qualifiers remained in the field of 32 which teed off today in the second round of the Trans-Mississippi golf tournament, but two big names were eliminated.

Gene Andrews of Pacific Palisades, Calif., fell in Wednesday's first round, the 192 member of the U.S. Walker Cup team was upset 3 and 2 by Otto Strobel of Corona, Calif.

Herbert Durham of Stillwater, Okla., the 1961 Trans-Miss champ, lost to Ray-Han Jr. of Inglewood, Calif., on the 21st hole.

Two rounds were slated today, narrowing the field to eight by sundown.

Medalist Wayne Brench of Phoenix was to meet Dr. James Liggett of Denver in second round play. Brench continued to scorch the Phoenix Country Club course Wednesday as he defeated Larry Kyer, Abilene, Tex., 5 and 4. Liggett beat Whitey Reed of Las Vegas, Nev., 4 and 2.

Sam Houston Repeats As Baseball Champion

SAN ANTONIO (AP) — Sam Houston State won its fourth consecutive Lone Star Conference baseball championship Wednesday by defeating Sul Ross State 8-3.

Victory in the fifth and deciding game of a series also gave Sam Houston a spot in the NAIA post-season playoffs. Sam Houston would face for the season, the same as Sul Ross.

Sam Houston will play Southwestern University in a series starting Monday at Reno for the District 4 title. Southwestern won in the Big State Conference.

Records May Be Rewritten

FAYETTEVILLE, Ark. (AP) — Half a dozen conference records will be in jeopardy when the two-day Southwest Conference track and field meet gets underway Friday at the University of Arkansas.

A 72-hole medal play conference golf meet begins today at Fayetteville Country Club. Richard Sims of Arkansas is the favorite. He was unbeaten in conference play this season and is two-time National Public Links titlist.

Rice, Texas A&M and Baylor each could shatter two records, or possibly more in the track meet. The Aggies and Bears, are most prominent contenders for the title.

Danny Roberts of A&M stands a good chance of earning the distinction of double record. Defending champion in the shot (with a record loss of 57 feet 1 1/2 inch last year), Roberts heaved the shot 98-3/4 in the Texas Relays this season and hopes to be the first in the SWC to reach the 60-foot level.

The strongboy also bettered the discus record (172.5) with a toss of 180-9/16. Jim Lancaster of Baylor also has beaten the record with a throw of 173-4/16.

Defending champion Fred Hansen of Rice is expected to top his own record. He won 15.5 last year to set it, and has beaten it numerous times this year. His two most impressive leaps were over 16 feet, with his best effort 18.1 coming in the Texas Relays.

The other record likely to be broken is the javelin, and Ed Rice of Rice has so outclassed his conference competition that he seems a cinch to win the event.

Colonial Golf Starts Today

FORT WORTH (AP) — Jack Nicklaus and defending champion Arnold Palmer head a 66-man field today in golf's 60,000-Colonial National Invitational.

There are 61 professionals, including six former Colonial champions, and five amateurs, including national champion Labran Harris Jr., playing in the seventeenth Colonial.

Nicklaus, the National Open champion who has won three tournaments this year, including the Masters, and leads the money winners by \$20,000, is the favorite as a matter of course. But Palmer, who won last year in a playoff with Johnny Pott, and a half dozen others are rated good chances of rousing past Jack to grab the \$12,000 first prize.

That the par 70, 7,027-yard Colonial course can be had was demonstrated in a pro-amateur Wednesday when six players blistered par. Bob Charles, the New Zealand outstrip, cut out a 4-under-par '66, only a stroke over the course record, in leading the list.

Don January, Mike Souchak and Gary Player all had 68's.

Nicklaus and Palmer shot last Saturday 74's.

Former Colonial champions in the field are Palmer, Doug Sanders, Julius Boros, Tommy Bolt, Cary Middlecoff and Souchak. Also, only one member of the top 10 money winners is missing. He is Billy Casper, rated No. 5 on the list, who is out with an injury.

The 72-hole tournament runs through Sunday.

Telstar 2 Works Well

NEW YORK (AP) — American color television went to France Wednesday night via Telstar 2, the latest communication satellite in space. The French reported excellent reception.

Telstar 2, launched Tuesday from Cape Canaveral, transmitted eight minutes of color tape on its eighth orbit, but because of the satellite's position, the French picked up only three minutes of it. Selected from a Bell Telephone Hour program, the part of the show seen in France featured ballet dancers and music.

The program went from New York by land line to the Andover, Maine, ground station, and then 9,000 miles into space to Telstar 2.

The color-teletext was followed by a black-and-white repeat of Tuesday night's initial relay. The French termed this transmission extremely good. It also was picked up in England, where reception was described as good.

Schools Shouldn't Depend On Bingo Game, Or Lottery

BY INEZ ROBB

It is one woman's opinion that no church should have to depend even for partial support on bingo and no public school system for its maintenance on a state lottery based on horse racing.

This attitude stems from that puritanical conscience which got rather short shrift from the President recently when he noted that it — the lingering Puritan spirit in 20th Century America — still takes an old-fashioned attitude toward the national debt.

Still, it seems doubly sad and disheartening that one of the rock-ribbed New England states, progenitor of the Puritan conscience, should not resort to a lottery to help support its public schools.

It is difficult to associate a lottery with the pride and independence of the citizens of whom the state's great citizen, Daniel Webster, wrote:

"Men hang out their sign indicative of their respective trades; shoemakers hang out a gigantic shoe; jewelers, a monster watch; and the dentist hangs out a gold tooth, but up in the mountains of New Hampshire, God Almighty has hung out a sign to show that there He makes men."

Is it possible that the influx of outlanders — of New Yorkers and Bostonians and other folk — has had a debilitating effect on

New Hampshire? These alien elements have been sneaking into New Hampshire for years now, buying the picturesque little farms and the colonial houses on the edge of her lovely villages — buying them up as summer and week-end refuges away from the mad-dazzle crowds.

New Hampshire is surely one of the most beautiful states in the Union. It is not surprising that it has attracted creeping exorbitance. Nonetheless, it is disappointing that a New England state should choose the easy way out via easy money to meet the \$4,000,000 tax gap in its public school budget.

Ever since World War II, moralists, philosophers, economists and even some politicians have been warning this country of the dangers of "easy money" and its lax financial consequences, especially among the young.

There are still a lot of old gaffers around who can remember being taught at home, at church and at school that man had to work for what he got; that "in the sweat of thy face shalt thou eat bread." But "so-called" became a nasty word a long time ago and now the most tasteless teenage advertising is trying to abolish it altogether. "Sweet" disappeared from the language about the same time that the "fast buck" appeared in

Mothers Get Tired Of Hearing This

By HAL BOYLE
NEW YORK (AP) — Remarks that mothers get tired of hearing: "What'll I give Mom for Mother's Day this Sunday—a new ice pick or a new can opener?"

"Don't tell me we're having shish kebabs with grape leaves for lunch. Can't you ever think up anything new?"

"After all, Mother, this is a new generation, and I don't want to be stuck in the mud. Why, there are girls in our class who have been going steady since they were 16—and here I am almost 12 years old!"

"Hey, Mom, here's some good news. My big pet blacksnake in the basement has just had kittens. Now we can have snakes all over the house."

"Mothers sure have it easy today. My grandmother used to have to go out and help pull the plow when the mule got sick."

"Three of her front teeth are coming in crooked. But I think that in three years—and for \$750—I can straighten them out nicely."

"Answer the phone, will you, Mom? I'm busy studying this book on the boyhood of Abraham Lincoln. What a square he was!"

"I don't care what the kids did. I've had a hard day at the office if they need punishing, you punish them."

"Hurry up and sew on the button, Mom, or I'll be late to school."

"Mother, dear, could you please help me with this homework problem in algebra? While you're working it out, I'll watch television. They've got a real keen program on, and I'll just die utterly if I don't get to see it."

"Stab me with a knife, Mother, shoot me with a gun—but please, please, please don't make me wear an old-fashioned dress like that to school. Everybody in class will laugh at me. I'd rather be dead, dead, dead."

"What a soft snap women have today. Why, my grandmother used to take in washing to help out the family."

"It's Mrs. Spicler on the phone, Mom. She wants to know if you can drive around and pick up three or four more parents on your way to the P.T.A. meeting tonight."

"Please don't let Dad see my report card, Mom! He'll kill me! I just know he will."

"I'd love to help you with the dinner dishes, Mother dear, but right now I have to call Jane and ask her about this history quiz we're going to have tomorrow. You wouldn't want me to flunk it, would you?"

"So what if the meal does get cold, Mom? I ain't really hungry anyway."

"Is it my fault somebody stole my bicycle? You could make Dad buy me a new one—if you really wanted to. Hell, do anything you ask him to do."

"Now I want to get one thing straight once and for all. I'm the boss in this family."

"I don't see why you complain about being so tired. Why, my grandmother worked 16 hours a day, lived to be 80, and never had a labor-saving device in her life."

"What do you do with all the money I bring home to this house—pour it down the drain, or just throw it away with both hands?"

"If you want new wallpaper, honey, you'll have to hang it yourself. Maybe you can get the kids to help out. It's about time they learned to do something useful."

"Putting on a little weight, aren't you, honey? Maybe you don't get enough exercise just lying around the house all day doing nothing."

Junior Editors Quiz on BENJAMIN FRANKLIN

QUESTION: What part did Benjamin Franklin play in the Revolutionary War?

ANSWER: Franklin played a most important part; many historians feel that without his efforts the war might have failed. Franklin was the son of a poor soap maker who could not afford to send him to school after he was 10. But the ambitious boy educated himself by reading. Apprenticed to a printer, he soon earned his own printing shop and began to publish the Pennsylvania Gazette, which later became the Saturday Evening Post, and "Poor Richard's Almanac," which became famous for its witty sayings, such as "God helps them who help themselves."

Soon Franklin became Postmaster General of the Colonies and as tension developed with England he was called on over and over to explain the American point of view. He went to England and tried to keep the peace but found this was impossible. Back in America he drew up a plan for confederation of the colonies and helped draft the Declaration of Independence, during the signing of which he remarked, "we had better hang together or we will all hang separately." But his greatest contribution was negotiating an Alliance with France. Without the help France gave us, our nation might not have been strong enough to achieve victory.

FOR YOU TO DO: We illustrate Franklin's famous experiment with lightning (1). He invented bifocal glasses (2), founded a hospital (3) and a university (4). Can you think of a useful invention of his connected with heating?

Try: H. Zuprowski of Rouse, Mo., wins \$10 for this question. Mail yours on a postcard to Junior Editors in care of his newspaper, and you may win \$10 or a set of Britannica Junior Encyclopedias.

Strip Mining Workers To Receive \$2 Bills

CLEARFIELD, Pa. (AP)—More than 2,000 strip mining employees will be paid some \$360,000 in \$2 bills this month.

The Central Pennsylvania Open Pit Mining Association said Wednesday the seldom-seen bills will go to 2,342 workers from 64 companies in an effort to impress upon communities the economic advantages of strip mining.

Curtain Of Fear Hangs Over Boston

CAMBRIDGE, Mass. (AP)—A curtain of fear hung over the Greater Boston area today in the wake of the brutal slaying of a 26-year-old music student found in her apartment off Harvard Square.

The body of Miss Beverly Samans of Beckley, W. Va., a graduate of Boston University, was found in her apartment on Wednesday night.

The slaying revived fears caused by the eight unsolved stranglings of women in Greater Boston since June.

Dr. Peter A. Delmonico, medical examiner, said cause of death was a stab wound through the heart. There were 15 stab wounds on the body, he said.

"A person who would inflict brutality of this sort was not of sound mind," Delmonico said. The doctor said there was no evidence of rape.

Two kerchiefs and a nylon stocking were knotted around the victim's throat in an apparent strangling attempt. But "they did not cause death," the doctor said.

He placed the time of death as sometime after 11 p.m., Sunday night. A neighbor reported seeing the victim alive at about that time.

Miss Samans' body, clad in a negligee, her hands tied behind her back, was found on a bed in her two-room apartment by police after they were called by Oliver Chamberlain, 33, an acquaintance of the girl.

Police said Chamberlain told them another man, not identified, called him and said he had received no response at the girl's apartment.

There was no sign of a struggle or of forced entry, police said. They found the front door unlocked.

The brunette student, who lived alone was last reported seen Sunday, police said.

Third Vote Is Slated By Baptists

KANSAS CITY (AP)—The withdrawal of the favored candidate for president has forced a third round of balloting at the Southern Baptist Convention.

Contenders are Dr. Owen White, Houston pastor and chief spokesman for a fundamentalist group which has been hot after the denomination's seminaries for two years with charges of doctrinal deviation.

Dr. W. O. Vaught Jr., pastor in Little Rock, described as a moderate conservative.

The outcome rested with 9,000 messengers to the convention's annual assembly. Southern Baptist churches have more than 10 million members and are the country's largest Protestant denomination.

Dr. Carl Bates, Charlotte, N.C., withdrew after leading the first ballot.

Dr. Bates did not explain, but it was reported that the board of deacons of his Charlotte church persuaded him he is needed at home.

Dr. White ran second on the first ballot.

Dr. White led on the second ballot. Dr. Vaught was second.

Dr. White introduced two recommendations which touched off a liberal-fundamentalist struggle at the 1962 assembly in San Francisco.

The resulting action affirmed the convention's faith that the Bible is the infallible word of God and directed seminaries to eliminate dissemination of liberal theological views.

The convention publishing house scuttled a book and Midwestern Baptist Theological Seminary in Kansas City fired its author, Dr. Ralph Elliott, when he refused to withdraw it from shelves.

Barge Makes Good Time

ON THE TRINITY (AP)—Things were going so well that the captain of the jet-powered barge Trinity Belle gave thought today to reducing speed on a voyage up the Trinity River.

Freeman Gross, the skipper, said he and three companions on the trip wanted to make certain Dallas residents got a daylight look at their vessel.

The 24-foot aluminum barge was due to pass Trinidad today and Gross expected to reach a turning basin between Dallas and Fort Worth by Friday afternoon.

"We are now gaining about 30 minutes every 4 or 5 hours on our schedule," Gross said.

The crew had feared the craft might have difficulty clearing an old flood control dam at Hurricane Shoals near Crockett.

"We didn't have any trouble. The water was quite swift but the boat went right up," the captain said.

BEFORE—Snyder Jaycees George Patterson, Max von Roeder and project chairman Sam Ruble survey a lot in need of cleaning up here, as the organization is currently in the midst of its annual cleanup campaign during this week. The lot is located at the corner of Forty-second Street and Denison at the entrance to the Towle Park area.

DURING—Jaycees Herb Reed, Ken Aldridge and Johney Greenfield give out with some muscle work while helping load a dump truck with refuse from the lot. Their work was hampered slightly by kamikaze raids from a number of wasps who had set up housekeeping amid the rotting lumber. Also flushed out of a home was a black mama cat and three offspring.

AFTER—A dozen dump truck loads later, the project is completed. Looking over their handiwork are Johney Greenfield, Herb Reed, Doug McLaughlin, a city employee, George Patterson, Sam Ruble, and Ken Aldridge. All local citizens are urged to cooperate in the annual cleanup campaign, which will be officially concluded Saturday.

Military Pay Raise Gets House Okay

WASHINGTON (AP)—A \$1.5 billion military pay raise bill cleared by the House on a 302-109 vote, now goes to the Senate with more fuss likely over a badly disputed retirement provision.

The bill, won by House approval Wednesday on a standing vote of 293-10 after the legislators twice overruled their Armed Services Committee and wrote back into the legislation sections increasing the pensions of some 100,000 retired servicemen and providing special pay for cold war combat duty.

An amendment granting \$30.5 million worth of extra pension boosts to servicemen who retired before June 1, 1958, was adopted on a 32-126 teller vote despite a finger-wagging warning from Armed Services Committee Chairman Carl Vinson, D-Ga.

"You're sowing the seed that's going to destroy the retirement system. You can't have these retirement costs going up by millions of dollars year after year," Vinson said.

An issue was an amendment to let the retired personnel involved refigure their pensions on the basis of pay scales now in effect, before tacking on the 5 per cent general pension increase provided by the bill.
