

All About Nothin'

E. L. (Poochie) Kelly's serial number, 2114, was about the last order number (8994) drawn in the National Lottery Oct. 29. His order number in Hale county is 2474. Seth R. Lindsey, who drew serial number 13, has order number 395 in the county. These numbers are not official. Official information may be obtained from the draft board in the court house at Plainview.

A bouquet to the Plainview Herald for the fine coverage given in printing serial and order numbers for the county. Complete coverage as given by the Plainview daily newspaper requires a vast amount of work and space, hardly possible with a weekly paper.

Hale county registrants having the first 29 order numbers were mailed questionnaires from the draft board at Plainview Tuesday. Included in the first 29 were Will C. Lewis, route 2 Abernathy, order number 20, Harold M. Neis, Plainview, order number 5 and Robert Boliver, Hale Center, order number 4.

The questionnaires are to be filled out and returned to the draft board within five days. Registrants are to be classified by information given in the questionnaire.

Questionnaires went out Wednesday to those having order numbers from 30 to 79, inclusive. Those from Abernathy area receiving questionnaires in this group are: Alfred R. Knight, order No. 30; Marvin A. Caughey, 31; Cecil M. Amerson, 36; Cecil L. Cartin, 68; Horace Ebb Coffman, 69; J. Pierce Ready, 71; Daniel Z. Ward, 77; Lee E. Young, 78; J. F. Buske, 79.

The 1935 Study club is co-operating with the Farmers and Merchants club in raising funds to install two stop lights on the highway in town. I suggest the ladies stage an old fashioned box supper to aid in the project. I'll bet there are many here who would welcome a chance to attend a box supper.

Coming this month to the Rita theatre are many of the latest acrobats including: "They Drive By Night," with George Raft, Ann Sheridan, Ida Lupino and Humphrey Bogart, Thursday and Friday; "Boom Town," with Clark Gable, Spencer Tracy and Hedy Lamarr, Nov. 14 & 15; "Strike Up The Band," Mickey Rooney and Judy Garland; "Wyoming," Wallace Berry; "All This and Heaven Too," Bette Davis and Charles Boyer; "West of Pago Pago," Jon Hall.

Nightwatchman O. Rutledge early Thursday morning surprised two young fellows "borrowing" gasoline from the city's fire truck. They were using a siphon to draw the fuel from the truck tank when Rutledge walked in on them.

Halloween night here was comparatively quiet, Rutledge stated. I've been busy this week writing subscriptions to LIFE magazine. There's a special rate of \$3.50 for a year's subscription. This offer expires Nov. 10, and thereafter it will take \$4.50 to buy the popular picture weekly magazine for 12 months.

Reports said that Doris Buske shot and killed a gray fox in the Robert Lutrick pasture northeast of town last week.

Cold weather this week brought out coats, jackets and long handles and started the sale of auto antifreeze.

ABERNATHY, HALE COUNTY, TEX., THURSDAY NOVEMBER 7, 1940

VOLUME XX, NO. 23

Rites Read Sunday For Roger Pinson Of Hale Center

James Roger Pinson, 47, druggist at Abernathy and Hale Center for the past 24 years, died at the hospital in Plainview Saturday morning of heart disease.

Pinson, well known over the Panhandle and West Texas, and active in community affairs at Hale Center where he has operated a drug store the past 21 years, became critically ill on Oct. 28. He had been in failing health several months.

Funeral services were held at 3 o'clock Sunday afternoon at the Hale Center Baptist church in which Pinson had served as deacon for a number of years. Burial was in the Hale Center cemetery.

Born May 19, 1893, at Proctor, Pinson graduated from the pharmaceutical division of the Texas University at Galveston when a young man. In 1916 soon after his graduation he came to Abernathy and he and his sister, Mrs. Ola Legg of Plainview, operated a drug store there until Pinson joined the United States Army at the outbreak of the World War.

He served with the ambulance corps of the 90th Division during hostilities, seeing much front line service in France. After the Armistice he served with the Army of occupation in Germany for six months. Upon his discharge from the Army he came to Hale Center and went into the drug business here.

He was married in 1920 to Miss Baily Maxey of Sherman, who was teaching school here.

Pinson was a member of the Masonic lodge, the Lions Club and the American Legion, being affiliated with the Ray Blakemore Post Plainview until a post was organized a few months ago at Hale Center.

Besides his wife, Pinson is survived by his two sons, James Radford and Roger Maxey, of this city; his father, J. C. Pinson, Proctor; three sisters, Mrs. Legg, Mrs. Rose Reader, Stephenville, and Mrs. D. E. Chisholm, Dublin; four brothers, Ray Pinson, Abernathy; Bert Pinson, Lubbock; Roy Pinson, Marysville, Calif.; and Robert Pinson, Corpus Christi.

All the immediate survivors except the brother in California were here for the funeral services. Dr. Eugene Legg, a nephew, and his wife came from Dallas to attend the rites.

WARNING ISSUED BY AAA OFFICE

A. A. Crownover, County Administrative Officer of the Hale County A. C. A., cautioned all landlords and tenants not to make irregular rental agreements for 1941, with respect to the AAA payments. The regulations, and the AAA Act, provide that payments under the farm program shall be divided among the landlord, tenants, and sharecroppers, in the same proportion that such persons are entitled, as of the time of harvest, to share in the proceeds of such crops grown on the farm. In other words, the landlord and tenants shares in the crop must be shown as provided by law and the payments shall be made accordingly. Producer's individual agreement, with respect to the receipt for, and use of, the AAA payments, are not recognized in the AAA Act, and regulations, consequently, all payments shall be made without regards to such special agreements.

Also, a producer is cautioned not to be a party to a cash lease of a farm which will not be in compliance to the AAA Program in 1941, if such producer has another farm (s), from which he expects to receive a 1941 AAA payment (s). In other words, the landlord or lessee would have to require, at the time of leasing, that the farm be in compliance in 1941 to protect his interest in payments in other farms from which he expects to earn a Government payment.

DISCOUNT ON TAXES

Kenny Rankin, tax assessor-collector and business manager for the school district, said there was brisk activity in payment of school taxes in October. A discount of three percent was allowed for payments then.

School taxes paid in November will carry a two percent discount, Rankin stated.

Mrs. J. T. Crow recently came here from Friona to visit in the home of her daughter, Mrs. C. E. Williams.

The Weekly Envelope System has been tried during the last two years at the church and has proved to be most successful. That method is educational, especially for the children, in that it teaches each person to give to the church and to give regularly. It enables the church to pay as it goes.

CHAPEL PROGRAM

Mr. E. J. Smutny entertained a large group of school children in assembly last Thursday afternoon. His program was divided into three parts, which meant entertainment for all. To the younger children he told a real adventure he had while searching for gold in Old Mexico. To the High School boys and girls he made an interesting speech on "What Future the American Boy and Girl Has Today," which he illustrated with true experiences.

He had a great number of animals which were unusual, the Wasnpuff from Wasnpuff Island being the most unusual, a coyote which sang with the band, and a tame fox. He had a collection of mounted animals, including a badger, skunk, wildcat, African pig, and a two-headed rattlesnake.

At the end of the program, Mr. Smutny played a few pieces on his violin.

The charge for admission was ten cents. A certain percent was paid to the school.

The Thrift committee gave a very good play called "How Nan Learned a Lesson". We elected the best citizens. They were Melburn Clay, Eugene Roy, and Dorothy. The meeting was adjourned. We sang our club song.
