Lilly News.

The little baby of Mr. and Mrs. Oscar Phillips, died last Thursday of pneumonia and was buried Friday at Wellington. The entire community sympathise with the family in their bereavement.

Mr. and Mrs. Philipp Bartlett, visited their son, W. M. Williams, Sunday.

We hear that G. D. Thomas has sold out and gone back to his old home, Bowie. This is quite a surprise as we were expecting Mr. Thomas to be with us again this year. We regret very much to hear he is going.

One of Mr. J. R. Brandon's children is on the sick list this week.

Billy Brewer, had business in town Saturday.

We are glad to hear Mrs. Estes is up and doing nicely after a very severe spell of illness.

Jim White of the Cottonwood community, was buying cattle around Lilly Wednesday and Thursday.

Geo. McAdams, had business in town Saturday.

Mothers and Teachers Club

The Mothers and Teachers Club met in regular session on Wednesday afternoon of this week at the home of Mrs. Joe Hardy instead of Mrs. McCauley as had been planned on account of the absence of Mrs McCauley. from the city. The Vice Pres., Mrs. Hardy, presided. Roll call was enswered by "Bright sayings of children" and indeed were many bright and witty quotations given by those present. After disposing with the business the program was taken up. The first number on program being music Miss O'Neal very graciously sang a lullaby which was very appropriate on account of this being a childrens day program. Mrs. Eldridge read a very interesting paper on "The Physical Education in Home and School." She impressed on our minds very forcibly that we should look to the physical training of our children even more than to the mental for with a deformed and diseased body we need not and could not expect very bright experts in brain work. Child Labor Laws were discussed by the club in general, Each member relating different articles they have read of laws being passed in the different states concerning child labor. Mrs. Scott read an excellent article concerning "The Newly Established Childrens Bureau." The article laid much stress on the fact that Jane Addams had had much to do in founding of this bureau. Mrs. Scott also read a sketch of the life of Miss Julia Lathrop who is chief of this burea and a life long bosom friend to Miss Addams.

This closed the program and the hostess assisted by Miss O'Neil served ice cream and wafers. The next meeting will be with Mrs. Scott, April 30.

F. A. Maples Dead

F. A. Maples who had been in very bad health for many months died last Saturday night in the city at the family residence, after having returned home from Wolfe City the previous week, where he had been for several months. Mr. Maples was well known here as a most excellent citizen, and numbered his friends by his acquaintance. He leaves a wife and one son to mourn his taking away, and we join the entire community in extending deepest sympathy. The deceased was laid to rest in the city cemetery Sunday afternoon.

House Log Items

We all gladly welcome these beautiful spring days and trust we will have no more cold weather soon.

Most every one enjoyed the nice rain which fell some few days ago.

Every one is busy scratching the soil, even the old hen.

A large crowd attended the pie supper Saturday night. But we are sorry to say our program was rather short. We had better plays prepared but some of the members were absent on account of the death of Mr. Finis Maples which greatly interfered with our program. The pies and cake sold at the supper amounted to $28.00. We thank each and every one who attended and helped us, and we hope soon to improve the looks of our school house.

A number of House Log people attended the funeral of Mr. Maples Sunday evening.

Miss Viola Jones of the city visited at the home of Miss Clemmie Winters Saturday and Sunday.

The singing at Jimmie Vaughns Saturday night was enjoyed by a number of young people.

Mrs. Jennie Sanders and son, Hobson, of Chillicothe, came in last week to live with her sons, Frank and Hermon Sanders.

A few of House Log's young people enjoyed the pie supper at Fresno Friday night.

We now have Sunday school every Sunday at 3 p. m.

Rev. W. I. James will preach for us the third Sunday in each month.

We expect to have Rev. W. M. Tucker of Aberdeen to preach here the first Saturday night and Sunday in May. Come every body that can. BETSY

PUBLISHED EVERY FRIDAY EVENING

DURHAM & LADD
Editors and Publishers.

An idle and vacant life, even with all the aid amusement can give is not calculated to be a happy one; and this simply because Providence has constituted us with a view to activity, as that was to be the means of accomodating the raw materials of the physical world to our needs. Idleness, therefore, injures and disorganizes, while activity alone will preserve health and prolong life. Who are the happy people of this world? Those who have something, and not too much to do; thrt something being suitable to their tastes. Who a r e the unhappy ones? Alas! What a large portion of the class is composed of those who, having all their needs supplied from other sources, do not need to labor.

We call attention this week to our advertising columns. It will pay you to give them careful perusal. This much must be admitted in favor of the advertiser. He wants your business, he comes into the open to bid for it, he puts his prices down in black and white where you can see what they are, he gives you his name and number and you will find him at the door ready to welcome you. The generous advertiser is invaribly the generous fellow. He bubbles over with enthusiasm and when you meet him you feel like you had come in contact with an invigorating breeze right from the sea. The advertiser must be given credit for being a pusher and this is further attested by the fact that among the fellows who, in life's race," got there, he numbers nineteen to one, compared to the fellow who meet land seekers' train to cop out here and there a prospective buyer whom the advertiser has brougnt into the country, cr who sends small boys to stand before the doors of the advertiser to turn the crowds into his own doors. The advertiser indeed is the Siamese twin to the fellow who follows the biblical instruction and is not afraid to cast a little bread upon the waters.

Sorrow came to you yesterday and emptied your home. Your first impulse now is to give up and sit down in dispair amid the wreeks of your hopes. But you dare not do it. You are in the line of battle and the crisis is at hand. To falter a moment would be to imperil some holy interest. Others lives would 'b e harmed by your pausing. Holy interests would suffer should your hands be folded. You must not linger, even to indulge in your grief. Sorrows are but incidents in life and must not interrupt us. We must leave them behind while we press on to the things that are before. Then God has so ordered, that in pressing on in duty we shall find the truest, noblest comfort for ourselves. Sitting down to brood over our sorrows, the darkness deepened, creeps into our heart and our strength changes t o weakness. But, if we turn away from the gloom and take up the duties and tasks to which God calls us, the light will come again and we will grow.

When all our hopes are gone,
'Tis well our hands must still
keep toiling for other's sake.
For strength to bear is found
in duty done,
And he is best who learns to
make,
The joy of others cure his own
heartache.

Howell report spending Tuesday evening of this week very pleasantly at the excellent country home of Mr. and Mrs. Martin, where a regular moon light picnic was enjoyed on the beautiful lawn. The day having been very hot the ice drinks, ice cream and many other delicious things were indeed enjoyed. The guests are loved in their praise of Mr. and Mrs. Martin as gifted entertainers and say they will long remember the evening as a most delightful one.

Have You Tornado Insurance ?

If not why not? The rate is cheap, and it is better to have insurance and not need it than to need it and not have it. The recent destruction of property by cyclones in Ohio, Indiana and a number of other states, shows the necessity, from a business standpoint of carrying Tornado Insurance. I also write Fire Insurance for some of the best old line companies in the state. There are others as good but none better. I am also prepared to write Hail Insurance on growing crops, for the old reliable, "Saint Paul Insurance Co." of St. Paul, Minn. "There is but one real St. Paul."

Backed by an Unqualified Guarantee

A combined **Lister** and **Cotton Planter**, which can also be equipped as a **Middle Breaker.**

The most popular cotton planter in the south, and one which never fails to do just what we claim for it. We desire to "show it off" and invite inspection.

A superior feature is the one controlling the depth for plowing, as the **bottom** is always at the **same angle** in relation to the ground, whether set deep or shallow. The coverers are controlled by pressure springs, allowing flexibility in crossing a depression or ridge.

Only one lever is required, and it is always within easy reach. An easy lift is secured by a balance spring. Has detachable hopper, sight feed, adjustable seat and foot rests.
