It's Homecoming Weekend In Munday

TODD THOMPSON streaks for the goal as Anson defenders try unsuccessfuly to bring him down. Thompson was one of several backs who scored touchdowns in the Moguls' impressive 53-20 win against the class AA Tigers last Friday night at Tiger Stadium. This was the Moguls' fourth win in as many games.

A very special weekend is approaching for persons who attended or graduated from or taught at Munday schools. It's the 1984 Munday Alumni Homecoming. This event, held every three years, occurs Saturday, October 6, and a great many activities are planned in conjunction with other special functions.

Registration will begin at 9 a.m. in the high school library. This is traditionally a period of visiting, remembering names and faces and looking up old friends. A barbecue lunch will be served in the cafeteria from 11:30 until 1:30, and tickets will be available at the door. The meal is sponsored by the Band Boosters and the Munday Booster Club.

Ex-students and other interested individuals will gather in the high school auditorium at 2 p.m. for a very interesting and enlightening program. Mrs. Sandy Brown King, a member of the class of 1961, will provide organ music as guests arrive.

Doyle Lowrance, currently superintendent of schools and a former teacher and coach here, will welcome the audience. Bryan Key, a 1974 MHS graduate and president of the Ex-Students Association, will recognize special guests, including the oldest alumni, the ex-student who traveled the greatest distance to attend homecoming, the class with the largest number of members present, and former administrators and faculty.

Mrs. Jan Bullington Meyer, class of '66, will present a special musical selection, and Charles Baker, class of '42, will introduce the special guest speaker, Col. Jack Williams, USAF, Ret., a member of the class of 1935. Another article about Col. Williams can be found in this issue.

Following several brief announcements, the gathering will sing the school song and fight song, then adjourn to the gymnasium for the pep rally, which is scheduled for 3:30 p.m.

Persons who wish to purchase mums or other memorabilia may do so at a booth in the gym's concession stand, which will be manned by the Mogul pep squad. These girls will be selling several items to help you recall the 1984 homecoming.

A reception honoring ex-students and faculty will be held from 4 to 5:30 p.m. at the Munday Community Center. Many other class parties and get-togethers will be held, and more details about some of these can be found elsewhere in this issue of the Courier.

The senior class will sponsor a chili supper at the cafeteria. Serving time is from 5 to 7:30 p.m., and tickets are available at the door.

The homecoming football game between the Munday Moguls and the Knox City Greyhounds will kick off at 8 p.m. A special halftime performance will be given by the Munday Purple Cloud band, and a highlight will be the crowning of Homecoming and Coming Home queens.

A dance at the Rhineland gym from 10:30 p.m. until 1 a.m. will conclude the festivities.

We extend a special welcome to the out-of-town guests who will be visiting during the weekend, and wish everyone a very happy trip down memory lane.

WITH 53-20 WIN . . .

Moguls Up Record To 4-0 At Anson

In a span of three and one-half minutes in the first quarter, the Munday Moguls had put their game away for keeps with three rapid touchdowns, and they went on to defeat the Anson Tigers by a lopsided score of 53-20 in front of a disappointed crowd of Anson fans.

The Mogul defense got the ball rolling when Brad Angerer blocked a Tiger punt early in the game. The ensuing field goal attempt from the 9 yard line was wide, but the momentum was swinging in favor of the Moguls.

After a short punt gave Munday good field position at the Tigers' 41, two running plays only netted three yards, so quarterback Dent Offutt went to the air. His first pass attempt found its way to Frankie Stinnett, who took it into the end zone, and Ronny Lowrance kicked the first of his three extra points and the Moguls took a 7-0 lead with 5:52 left in the first quarter.

Lowrance sparked the next series, recovering when Anson fumbled the kickoff. A 28-yard pass to Stinnett got the Moguls down to the two, and Lowrance plunged in for six points, then carried successfully for the two-point conversion. After the Mogul kickoff, Jim Earl Dockins intercepted a Tiger pass on first down, giving Munday the ball at the 16 yard line. Two plays later, Tim Collier scored the first of his three touchdowns, running around left end from the nine, and the Moguls held a 21-0 lead at the end of the first period.

The next Tiger pass was also picked off by Dockins, and the Moguls drove 41 yards in eight plays, with Dent Offutt keeping the ball for a one-yard dash that gave the Moguls their fourth score in less than eight minutes. After only one series, Munday had the ball again on the Anson 10, and Todd Thompson made it 34-0 at 7:16 in the second quarter with an 11-yard carry.

Anson finally mounted a successful drive, taking up the remainder of the half with a 16-play effort that began at their own 34. Michael Garcia put the Tigers on the scoreboard, capping the drive with a one-yard scoring run. The extra point kick was wide, and the Moguls took a substantial 34-6 lead into the dressing rooms at halftime.

The third quarter was all Anson, as the Tigers continued to march, trying to capitalize on a Mogul fumble but losing the ball themselves. But the Anson defense forced Munday to punt, and the home team traveled steadily to the end zone, with Curtis Woodward carrying in from the one and Luke Torres capped the scoring effort with a two-point run, making the score 34-14.

The Moguls widened their lead early in the fourth quarter on another quarterback keeper by Offutt, and Lowrance's kick made it 41-14. After Anson had to give the ball up on downs, Collier spear-headed a Munday scoring drive from the 46, culminating it by stepping off a yard for six points.

Collier ended the Moguls' scoring a couple of minutes later after the Tigers tried to pass from punt formation, but it fell incomplete. The quick Mogul back found paydirt on a 23-yard spring and Munday upped their margin to 53-14.

Anson scored the final touchdown with a minute left on a 15-yard pass from Garcia to Kent Tollerson, and the game ended with the Moguls victors by 33 points, 53-20.

This week's game is, of course, the annual match with the neighboring Knox City Greyhounds. A standing-room only homecoming crowd is expected. The defending Class A state champion Greyhounds have had more than their share of troubles this year and bring a 1-3 record into the game after a narrow 21-18 win over Hawley Friday night. The 4-0 Moguls will be trying to avenge a 15-12 loss at Knox City last year, and this should be an exciting, hard-hitting contest.

Season ticket holders are reminded that all seats for Saturday night's game will be sold on a first-come, first-serve basis.

Broom Sale Set Next Tuesday

The Munday Lions Club's annual mop and broom sale has been set for Tuesday, October 9, from 9 a.m. to 5 p.m. on the city hall lawn.

A group of Lions will be on hand to assist customers in making their selections. There will be no house-to-house canvas again this year.

All items usually carried in the Lions sale will be displayed on the site, so come early for the best selection and help out the Lions Caravan for the Blind.

USAF (Ret.) Col. Jack Williams
Homecoming guest speaker

Former Pilot Is Guest Speaker

Retired United States Air Force Colonel Jack Williams is one of the most distinguished Munday High School alumni. He has graciously agreed to serve as guest speaker at the 1984 homecoming program.

A native of Munday who graduated from MHS in 1935, he received an electrical engineering degree from Texas A&M University in 1941 and then entered the service of his country. After undergoing flight training in 1942, he was signed on as a test pilot, flew experimental aircraft for the U.S. Air Force and was an evaluation test pilot on captured Japanese and German planes.

Upon his discharge at the close of World War II, he became a test pilot for Republic Aircraft and flew for Howard Hughes. After flying the XF11 experimental aircraft, he was offered a regular commission in the Air Force and served in various bases throughout the world.

He commanded three air defense command bases, was a jet pilot, and served with NATO in France until his retirement in 1970.

Col. Williams now resides in Ojai, California.

Homecoming Class Reunions Planned

The 1934 graduating class of Munday High School will celebrate its 50th reunion at the Shamrock Cafe in Munday between 6 and 7:30 p.m. Saturday evening, October 6. All members of the class and their families are cordially invited to attend.

The home of Jerry and June Kane at 461 S. 7th will be the site of a reception for classmates, friends and relatives of the Kane family. It will be held Saturday afternoon from 4 until 5:30.

The class of 1972 will meet at the Community Center between 10 and 11:30 a.m. Saturday.

Members and friends of the class of 1964 will meet at the home of Keith and Annette Offutt from 4 o'clock Saturday afternoon until game time that night. The Offutts live at the corner of K and Elm Streets.

The class of 1959 will meet at the junior high school (old high school building) Saturday afternoon after the pep rally.

Members of the classes of 1974, '75, '76 and '77 are invited to the Knights of Columbus Hall at Rhineland from 7:30 p.m. until 12:30 a.m. Friday, October 5.

The Cecil Kuehler barn will be the site of a gathering of the classes of '78, '79, '80 and '81 after the pep rally Saturday afternoon.

The 1954 classmates will meet at the Chamber of Commerce office between 4 and 6 p.m. Saturday.

Classes of 1934, '35, '36, '37 and '38 will gather at the home of Arthur and Lucille Smith, 510 N. 3rd, Saturday afternoon after the pep rally.

Go to the basement of the First United Methodist Church if you are a member of the 1950, '51, '52, '53, '54, '55, '56, '57 or '58 graduating classes. Your party will be held Saturday afternoon between 4 and 5:30.

Richard and Cathy Albus invite members of the classes of 1969 and 1970 to their home at 440 N. 3rd after the pep rally.

All classes, especially 1965, 1966 and 1967, are welcome at the Dan Offutt home north of town on South Munday Avenue. A get-together will be held between the pep rally and the chili supper.

Several other parties are being planned, and if you are in doubt about whether your class is participating, contact one of your local classmates.

City Hall To Relocate

On Monday morning, October 8, the City Hall office will temporarily relocate in the front part of Oscar Cypert's building at 211 W. Main until the construction on the new City Hall is completed. The telephones and radios are expected to be installed the same day with the numbers remaining the same.

The time estimate on construction of the new city hall and fire station is six to eight months and city administrator Walter Hertel asks that the public please be as understanding as possible about the inconvenience.

The moving date will be subject to change if all construction bids are rejected on October 5.

*****

Fire Prevention Week To Begin

There will be a fire prevention demonstration presented at 7 p.m. Monday, October 8, in the Munday Community Center, according to Mickey Jackson, president of the Munday Volunteer Fire Department.

Featured speaker at the demonstration will be Ben Bullard, Assistant Safety Director for the Texas Farm Bureau in Waco.

This program is being brought to the Munday Volunteer Fire Department under the sponsorship of the Knox County Farm Bureau. The highlight of the demonstration will be the presentation of the winning fire prevention posters drawn by the elementary and junior high students. The public is invited to attend.

Lone Star Asks Increase In Goree

Lone Star Gas Co. manager Leon Ivey has filed an application for a rate increase which would raise the average residential customer's monthly bill in Goree about $3.60 in the winter and $.50 in the summer.

Based on Lone Star's application, a residential customer who uses an average of six thousand cubic feet of gas a month paid $38.49 for gas service in the winter. Under the requested rate, that same customer would pay $42.09.

Commercial gas customers' rates would also increase under the requested rate schedule.

"Our customers are accustomed to dependable natural gas service," said Ivey. "This rate increase is necessary to continue a high performance level and for other necessary expenses, such as maintaining and improving the local pipeline distribution system, which are vital to dependable service."

Lone Star's last rate increase in Goree became effective in January, 1983.

"Since that time, every business, including Lone Star, has experienced increased operating expenses," said Ivey. "And, of course, unlike other businesses that can raise their prices as expenses go up, we must apply to the city council for a rate increase. No one likes rising prices, but any business must earn enough to meet operating expenses and still achieve a reasonable profit. Even though our expenses have gone up, Lone Star has one of the lowest average operating costs per customer when compared to any of the other major gas utilities in Texas."

Police Report

During the period from September 24 through September 30, the police department gave three traffic citations and five warnings, investigated one accident and assisted the DPS with another accident investigation, and assisted one motorist.

A hog was reported stolen, but the report proved unfounded, as the animal returned home the next day. The department investigated a burglary of a vehicle, a theft of tools from Texas A&M Research Station, and an assault, which resulted in a warrant being issued.

We also shot two skunks.

There have been a number of vehicle burglaries and thefts of property lately. The target is property such as spare tires, stereos, tape players, tools and batteries. Citizens would be wise to park their vehicles in a well lighted or protected area. Make sure doors are locked and valuable items such as tool boxes are removed or locked to the vehicle. Please try not to leave firearms unsecured and available to would-be burglars, and report all offenses as soon as possible.

The department will be using as many reserve officers as possible during homecoming. This is for everyone's protection. Please observe their commands and directives, especially in traffic direction, as this is for your safety. The department will also ask the law enforcement Explorers to assist in patrol of parked vehicles to keep down incidents of vandalism.

Please remember that consumptionof alcoholic beverages is against the law on any school property. There is a city ordinance against drinking in public, and an open container of alcohol in a vehicle is prima facie evidence of guilt.

We have had few problems with homecomings in Munday in the past, and look forward to a good homecoming this year.

Local Couple To Retire In Ozarks

Monday, October 16, W. G. (Shorty) and Irene Gafford will say goodby to the citizens of Munday and the surrounding area after being a part of our community for the last 59 years.

Shorty's retirement will bring to an end over half a century of barbering for the Knox County area. Shorty came to Munday in 1925 looking for an old friend only to find the friend had moved on and himself pressed into service for Charlie Haynie. That was the start of a 45 year career in the downtown area and 15 years at his home. Included among Shorty's customers are several four generation families, residents of the Munday Leisure Lodge, 93 year old Jim Kinnibrugh of Vera and 89 year old George Rawls of Goree. These customers and many, many more will certainly miss Shorty, not only for their haircuts but for the friendship which has grown throughout these many years.

The Gaffords have mixed feelings about leaving their home here in Munday, but feel that it is in their best interest to be closer to their son. Shorty and Irene would like to give a special thanks to the people of Munday, Goree and the surrounding area for their patronage all these years.

The Gaffords will be moving to Mountain Grove, Missouri, which is located in the southeast part of the state. They will be joining their son and daughter-in-law, Buddy and Betty Gafford, in residence there. They are looking forward to being closer to their family and are considering it a treat to be living among some lovely sightseeing country. Shorty also plans to get a lot of fishing done and says it will be nice to know he won't have to go to work every day.

The Gafford's new address will be Box 198AA, Drury, Missouri, 65638, and they would like anyone who's in the neighborhood to drop by and visit them.

We wish them the best of luck in their new life.

Information from the American Dental Association Health Foundation says that tea is a source of fluoride. Tea drinking by English school children reportedly protects them from tooth decay.

One or two cups of tea daily cuts the decay rate; and it seems that the more they drink, the fewer cavities. Why? Because a cup of tea contains up to three times as much fluoride as a cup of commercially fluoridated water. Instant tea mixes have even more fluoride than brewed tea and herbal teas have almost none.

Turn dark colored items inside out when laundering. This helps prevent lint pickup.

National Apple Month is being celebrated this October (for the 79th year) to honor one of America's favorite fruits - the apple. With apples in abundance at this time of year it brings up the question of how to select apples.

The only true test for the proper ripeness is a "taste test!" There are some visual indicators which are helpful in judging for maturity and quality. These include color, surface, texture and ripeness.

Apples should be refrigerated in a plastic bag or in the crisper drawer to help maintain moisture. Apples ripen up to ten times faster at room temperature than when refrigerated. Cool air helps maintain quality, juiciness and crispness. Apples store best at 32-40 degrees F. They can be ruined if frozen by being kept too near your freezer compartment.

One bad apple . . .! Sort and use apples with defects immediately, and store only those free of bruises or decay.

Apple pie, rated as number one on-menu and best selling item in restaurants, is still America's favorite dessert.

THE TABLES ARE TURNED: Jim Earl Dockins, number 21 at right, has just picked off a Tiger pass, and the surprised Anson offense must try and stop him before he reaches the goal line. They succeeded, but just barely, as Dockins intercepted two passes that led to Mogul touchdowns in Friday night's 53-20 win over Anson. The Moguls are rolling with their 4-0 record, and face Knox City Saturday night at Munday for the 1984 homecoming game.

Area Grid Roundup

KNOX CITY GETS FIRST VICTORY

It was sloppy, but it was a win. Despite giving up nine turnovers, the Knox City Greyhounds took a 21-18 win over the Hawley Bearcats for their first victory of the season against three losses.

The Hounds scored first when Adam Garcia intercepted a Hawley pass and returned it 16 yards for a touchdown, but Hawley took the lead with two scores in the second quarter. Jake Womack hit Johnny New for a 32-yard effort and their first TD, and Glenn Burks recovered a blocked Knox City punt in the end zone to take a 12-6 lead into the dressing rooms.

Steve Odems ran four yards for the Hounds, then capped his drive with a run for the two-point conversion in the third period, then Hawley came back on a six-yard run by New, setting the stage for a four-yard run by Willie Robinson in the fourth quarter to lift Knox City past the Bearcats. Both teams are now 1-3.

ASPERMONT DEFEATS THROCKMORTON HOUNDS

An undefeated Aspermont team took a home-field win over Throckmorton by a 21-6 score Friday.

Tailback Glover Miller ran for 170 yards and two touchdowns for the Hornets. Quarterback Joey Hulsey scored the other six-pointer for Aspermont, and Tim Meador kicked three conversions.

Throckmorton's lone touchdown came on a 44-yard dash by Kevin Latham. The Greyhounds fall to 2-2 in non-district play.

MUENSTER HAMMERS BRYSON COWBOYS

It was all Muenster in this game, and the home fans had little to cheer about as the Hornets stung the Cowboys in a 55-0 shutout.

Neal Flusche lead the Hornet offense with 105 yards rushing and four touchdowns. Other scorers were Leslye Wells, Johnny Eldred and Ronnie Fisher.

ARCHER CITY FALLS TO BOYD

The Boyd Yellowjackets upped their record to 2-2 with a 18-3 win over the Archer City Wildcats.

Jimmy Price led the Boyd game as he rushed for 137 yards on 20 carries and scored the first touchdown. Billy Garland carried for one six-pointer and threw to Randy Scroggins for another.

KNIGHTS RALLY PAST TROJANS

With 48 seconds left in the game, it looked as though David Veitenheimer's 25-yard field goal would ice it away for the Windthorst Trojans, but it was miracle time for the Notre Dame Knights.

Knight quarterback Joey Wildhaber tossed a screen pass to tailback Noel Hernandez with 18 seconds left, and Hernandez broke three tackles on his trip from the Trojan 41 to the end zone. He stepped across with three seconds showing on the clock, and the Knights took an exciting 12-9 victory over the Trojans.

CHILLICOTHE RUNS PAST VERNON JV

In a game played Thursday night, Randy Boone rushed for 136 yards and three touchdowns to lead the Chillicothe Eagles to a 27-14 romp over the Vernon Lion junior varsity.

The two teams traded touchdowns until Boone's effort caused the Eagles to pull away from their visitors. Dan Busing and Quincy Rutledge had scores for the Lions, and Kyle Jones passed to Sammy Horton for the final Eagle touchdown. Chillicothe now owns a 3-1 record in non-district play.

Six-Man Report

The Goree Wildcats won their second game of the year Friday night with a 30-6 romp over Harrold.

Randy Reagins racked up 192 yards in 26 carries for the Wildcats, scoring two touchdowns in the process. Don Dixon accounted for two more Goree scores, and Spencer Dixon contributed another.

The Hornets finally scored late in the game on a six-yard run by Coy Cato. Harrold was plagued by turnovers, fumbling six times in the first half.

The other area six-man teams, Benjamin and Weinert, weren't so fortunate, both losing their contest.

Joel Wilkinson scored four touchdowns to lead the Vernon Northside Indians to a 54-26 trouncing of Benjamin. This was the Mustangs' third straight loss.

Borden County handed the Weinert Bulldogs their first defeat of the season in a narrow 26-20 ballgame.

Children's Choir To Have New Name

An enrollment party was held Wednesday, September 26, at the First Baptist Church in Munday for the children's choir. Enrollment totalled fifty-five children, in grades 1 through 6, from various area churches as well as First Baptist.

At the party, each child suggested a new name for the choir and the that has been chosen is Joyful Noise. The new group of youngsters is looking forward to the usual hard work of learning and performing music as well as the fun trips they always take.

The choir will work on Thanksgiving and Christmas music in addition to various musicals. The choir has performed at many community activities in the past.

The kids enjoyed a variety of sundaes at the party prepared by the leaders of the choir, Rev. Jim Way, Linda Reddell, Gay Yost and Wanda Welch, church secretary. Several members of the First Baptist Church youth group served the sundaes. These girls were Mendie Stewart, Eva Escamilla, Esther Escamilla, Erlinda Escamilla and Karen Munoz. The tables were covered with musical decorations.

This year's choir members had an enjoyable time and would like to invite anyone in grades 1 through 6 to come and join in the fun.

Public Service Announcement

A representative of the Vernon Social Security office will be in Munday on Wednesday, October 10. Citizens needing assistance in applying for Social Security Retirement, Disability, Survivors, Medicare or Supplemental Security benefits should meet the representative at the Chamber of Commerce meeting room between 9:30 and 11:30 a.m. on that day.

PROCLAMATION BY THE COUNTY JUDGE OF KNOX COUNTY

To all to whom these presents shall come:

I, H. T. Melton, County Judge of Knox County, do hereby declare the week of October 7-13, 1984 as Fire Prevention Week in Knox County, for the following reasons:

WHEREAS, according to the National Fire Protection Association; the 1982 fire loss totals are as follows: United States - 6,137 deaths; from 2,538,000 total fires; total property lost $6,432,000,000; and

WHEREAS, NFPA also provides these additional facts:

*Cigarettes are the leading cause of accidental multiple-death fires in residential properties. (Multiple-death means three or more victims.)

*Children 15 years old and younger account for more than half of all victims in multiple-death fires.

*Fixed or portable heating equipment is the second most common cause of acidental multiple-death fires.

*Most multiple-death fires occur during the winter months.

*The greatest number of multiple-death fires occur between the hours of 8 p.m. and 8 a.m.; and

WHEREAS, NFPA points out that the need for teamwork has never been more urgent than it is today. Fire-fighters' work is the most hazardous occupation in our country. They risk - and too often give - their lives to suppress fires. But fire safety in any environment also requires fire *prevention*. Making sure that people of all ages learn how to prevent fires and to protect themselves when fire strikes is a job that takes the efforts of everyone in a community; and

WHEREAS, this year's Fire Prevent Week theme encourages everyone to "Join the Prevention Team! Learn Not To Burn". It's essential that both individuals and organizations actively support and join with fire departments to promote and teach fire safety; and

WHEREAS, when everyone joins the Fire Prevention Team, it can be the beginning of an entire year of fire safety activities and events. When everyone joins the team, more lives will be saved.

Stocker - Feeder Seminar Planned

A Stocker-Feeder Seminar has been scheduled for 7:30 p.m. Tuesday, October 9, by the Knox County Livestock and Range Committee. The seminar will be held in the general assembly room of the Knox County courthouse at Benjamin.

Topics to be focused on at the seminar will include health, bloat and the evaluation of stockers. Dr. Nelson Adams, Extension livestock specialist, will present many different ideas along these topics. Adams will also discuss stocker grades and maturity.

Donnie Ryder, chairman, invites all area producers to attend this very informative program. Members of the Knox County Livestock and Range Committee are O. L. Patterson Jr., Bob McWhorter, John Reneau, Arlin Kinnibrugh, Larry Thompson, Marvin Zeissel, William Vacek, Kenneth Baker, Judy Albus and Ben Lucas.

1985 Cotton Show Entries

Cotton is opening fast and the time for collecting samples for the January 7-8, 1985 Cotton Show will soon be here. This year's show will be held at the Wichita Falls Activity Center.

An entry will consist of one whole plant from the field and data from harvest of 13.1 foot of row. There may be a small fee to cover ginning cost. All entries must be collected under the supervision of the county Extension agent. Knox County cotton producers interested in entering the 1985 Cotton Show need to contact David Tunmire, county Extension agent, at 454-2651.

Last year Larry Smith of Munday won the show and walked away with a ton of seed. This year prizes will be awarded for the top dryland and irrigated cotton entry.

Annual Seminar Focuses On Farm Survival

Ways to improve the odds in the high-stakes gamble of crop and livestock production will be offered Knox County producers at the annual meeting Friday, October 5, of the Rolling Plains Economic Program. The registration fee for the daylong conference is $7.50 and includes lunch.

Two members of the U.S. House of Representatives, Jack Hightower of Vernon and Charles Stenholm of Stamford, will discuss federal policies and the 1985 farm bill.

Also on the program will be Dr. Zerle Carpenter, director of the Texas Agricultural Extension Service, and specialists of the Extension Service and Farmers Home Administration. A special segment on stress and the family will be conducted by the director of the adolescent drug abuse and addiction service of Vernon State Hospital.

The Rolling Plains Economic Program is a regional organization sponsored by the Texas Agricultural Extension Service, an arm of the Texas A&M University System, to promote economic growth and development in a 30-county area.

Results Of Sorghum Variety Demonstration

The top sorghum variety in the demonstration by Ruddy Latham of Munday was Brownie Challenger XX with a yield of 5676 pounds per acre. This variety had a test weight of 59 pounds per bushel with 9.9 percent moisture.

The purpose of this demonstration was to evaluate 16 sorghum varieties under irrigated conditions for this area. Continuous testing of varieties is needed before performance reliability can be established.

Varieties which fell in the top five and their yields in pounds per acre included: Warner W 839-T, 5372; Golden Acres T-E-Y-101-G, 5196; Paymaster 1091, 5055; and Asgrow TTX, 4872.

Others which fell into the mid-yield range were: Funk G623, 4823; Paymaster GR 108, 4746; Terra HT 45, 4700; Paymaster GR 1018, 4663; Paymaster DR 1125, 4660; and Terra HT 125G, 4614.

Sorghum varieties falling into the lower yield range include: Brownie GS 7372, 4374; Golden Acres T-E-Tuff, 4339; Warner W 655-T, 4134; Brownie Golden 865, 3619; and Terra HT 40G, 3046.

The demonstration was planted April 14 and harvested on August 22. The field was irrigated when needed as determined by Latham.

Aging Services Director Writes Letter To Citizens

I am very proud to be the new project director of the Knox County Aging Service. I've enjoyed meeting many of you and look forward to meeting many more.

I would like to invite you to join us for lunch at one of our centers. For those unfamiliar with our schedule, we serve lunch every day at our center in Knox City; we serve in Munday and Goree on Mondays, Wednesdays and Fridays; and in Truscott and Benjamin on Tuesdays and Thursdays.

Our site managers are Marie Caram in Munday, Effie Neighbors in Goree, Virginia Griffith in Benjamin, Bulah Burton in Truscott and Janie Wilkinson in Knox City.

For our meals we ask that you donate $1.50 if you or your spouse are sixty years old or over. If you can't donate $1.50, we ask you to donate any amount you can spare. For those under 60, we ask $2.50 for a meal.

If you are unable to come to the center to eat, please call the site manager in your area and she will see that a meal is delivered to your home.

We also have several activities going on at each site, such as exercise, game nights and music nights. Munday residents and everyone else in the county are urged to participate in our county-wide family musical at Benjamin on Saturday, October 13. We want Munday represented that night.

This will be a fund raising activity, with a bake sale and concession stand, and donations will be taken. Please come and share in our fun; you'll be helping the Aging Service at the same time.

Phil Gramm Names County Chairman

U.S. Rep. Phil Gramm, the co-author of President Reagan's economic recovery program in Congress and now a candidate for U.S. Senate, has appointed W. T. (Terry) Carter of Knox City to be his Knox County campaign chairman.

"I am honored to have the active support of key leaders in the economic and civic life of 225 counties across Texas," Congressman Gramm said in making the announcement.

"These men and women of courage are the strong right arm in our fight to insure that traditional Texas values win out over the out-of-state special interests represented by the Mondale-Doggett ticket," he noted.

"Strong grassroots organization, I believe, is the key to overcoming the anti-Texas proposals of my opponent and his supporters in the Northeast," said the congressman.

Congressman Gramm, of College Station, earned a Ph. D. in economics, the subject he taught at Texas A&M University for a decade prior to winning election to Congress in 1978.

Gramm said he would have active coordinators and steering committees operating in all of Texas' 254 counties by election day.

"As Texans become increasingly aware of the clear choice which faces our state in this election - Reagan and Gramm vs. Mondale and Doggett - our campaign is gathering momentum in every region of the state," he said.

Coach Edwards Comments

We played a super game against Anson. The defense had a great first half, playing with a lot of intensity and making some big plays.

We were able to put the game away early and then hang on. Going ahead so quickly, we caused them to make some major mistakes trying to catch up. Our passing game was much more successful than in the past, especially in the first half, and this opened the way for our runners. The kicking game was a big boost, too, leaving them with bad field position nearly all night.

Our runners are having a great year. Todd has rushed for 362 yards on 55 carries, Dent Offutt has 295 yards on 50 carries and Tim Collier has 249 yards on 52 carries. Our fullbacks have also carried the ball approximately 45 or 50 times each, so the backs are all just about even and all doing an excellent job.

We're going to have to throw the ball even better to give our runners a little more breathing room and make our offense even more of a threat.

You can throw out all the records when it comes to the Munday-Knox City game - it's up for grabs and with such intense rivalry, no one knows what might happen. Steve Oudems is their best back; he is a big, strong player. George Rocha, the wingback, is their scoring threat, and also an outstanding defensive player. Willie Robinson is a quick runner who can score at any time. They have been having a quarterback problem, and they are a young team, but we expect them to be up real high for us. It will be a hard-hitting, physical contest, and we will have to have a good performance by the entire team to keep our record clean.

Our younger teams had a good week, also. The seventh grade Braves defeated Anson 20-13 behind touchdowns by Terry Collier and Marc Andrade. These boys are 2-0-1 for the season, and are improving greatly with each game.

The eighth grade also played a much better game, even though they lost to Anson 14-0. This team is learning to hit harder and play more physical games.

Our junior varsity is also 4-0, after winning 28-13 over Anson. Anthony Stinnett had another big game. The Anson junior varsity had not lost a game in several seasons, and we may have surprised them to some extent. Our team is loaded with fine young athletes who have come on real well this year.

The junior high and JV team will be in action at Knox City this week on Thursday (today), October 4. Games begin at 5 p.m.

DON'T SHOOT AT POWER LINES!

Never shoot at power lines or the insulators that hold them. A severed line could cause a dangerous power outage, and the downed line itself could also be a very serious safety hazard.

Here are a few other tips on how to live more safely — electrically:

Keep Children Away from Outlets!

Don't let small children play near electrical outlets. A child could easily put a finger or some object in an outlet when you're looking away. A wise safety precaution would be to put safety caps in all wall outlets.

Use Power Tools Wisely!

Be extra careful when using power tools. Always be sure the wiring is adequate for the job. See to it that there are enough circuits of the right size, and that all circuits are grounded. Also, never use electric tools in the rain or on wet surfaces.

Electricity It's the Power of Choice.

BILL'S BLABBIN

By Bill Bowley

Thinking about the Hutchinsons, Pat and Bobby, reminds us of what they did when they had the Humble Station. When someone lost a loved one, they didn't send flowers, they would come pick up your car and clean it up for you, and leave you one to drive in case you needed one.

They did that for us twice, and we thought it one of the nicest gestures, as a clean car was one thing that we never thought of and if everyone appreciated it as we did, they have a star in their crown. Flowers are beautiful and appreciated but to us the thought of cleaning your car in time of need was wonderful.

GOREE WILDCATS WIN THEIR SECOND STATE TITLE

The Goree Wildcats conquered their last 8-man foe, the La Pryor Bulldogs, 52-12, last Friday night on the Seymour field to win their second state 8-man title in succession.

Football "is king" in Goree, and is headed by two tremendous subjects - Dale Huffman and Johnny Urbanczyk - who guided the Wildcats to their final 8-man victory. They didn't do it unaided, however, because every member of the Wildcat team was keyed up for victory, and all did their part. In addition, these two joined teammates Steve Skelton and Johnny Birkenfeld as outstanding defensive players.

The victory marked Goree's second straight 8-man state title - something that has never been accomplished before in Texas high school football history.

GAS LINE BREAK CAUSES SCHOOL CLOSING ONE DAY

School resumed Friday after an unexpected holiday Thursday caused by a gas leak at the Munday High School building. The leak was discovered about noon Wednesday and Superintendent Douglas Myers said school had to close early.

A bad wall seam in an outside service line was the cause of the leak. The repair work was handled by James Carden of Munday and Lone Star Gas Company of Seymour. Repair operations began early in the afternoon on Wednesday, but while digging up the line, a water line burst which flooded the gas line trench and halted work about 6 p.m. Work was finally completed on the line about 2:30 p.m. Thursday.

LOOK WHO'S HERE

For such a tiny little fellow, I'm getting big attention. Of course my mommy and daddy, Mr. and Mrs. Lowry "Pee Wee" Wilson Jr., think I'm about the sweetest little angel around.

Besides them I have nine doting grandmas and six granddads. I'll just name the ones in Munday though. Grandparents are Mr. and Mrs. Leo Koenig and Mr. and Mrs. Lowry Wilson. Great-grandparents living here are Mrs. Agnes Hill, Mrs. Alice Koenig and Tom Wilson.

If you're wondering, I'm Jeremy Wilson, born January 25, 1974 at 1:26 a.m. I am overpowering at 5 pounds and 5 ounces and I'm 18 inches long. That sounds like a perfect description for a perfect little boy.

Terms Decided For Child Welfare Board Members

Length of tenure was established for the members of the Knox County Child Welfare Board at their regular session held recently at the city hall in Benjamin.

Nancy Norman of Haskell drew the lots which determined the length of office. Drawing one year terms were Cindy Thompson, LuRose Schumacher and Jerry Atkinson. Two year terms went to Linda Griffith, Ann White and Dale Selzer. Named for three year terms were Bertha Driver, Sarah Meinzer and Patsy Gonzales.

A constitution and the by-laws that bind the board to the agreement made between the Knox County Commissioners Court and the state Department of Public Human Resources were formally adopted by the members and duly signed.

Finance committee chairman Sarah Meinzer reported on plans for a fund raising drive in the near future. Current need for funds includes some money to supplement the cost of transporting a child in need of physical therapy to Abilene, the major portion of which is borne by the Crippled Children's Division of the Department of Public Health.

Citizens of Knox County who would like to know more about the objectives of the Child Welfare Board are invited to contact any member of the board. The next regular session will be Tuesday, October 23, at the Citizens State Bank in Knox City.

County Campaign Coordinator Picked

The Walter Mondale/Geraldine Ferraro headquarters in Texas has announced the appointment of Darlene Bellinghausen of Knox City as Knox County campaign coordinator.

Mrs. Bellinghausen will be in charge of the Mondale/Ferraro organization in this area. Her duties will include voter registration, persuading voters to support the Democratic ticket, providing campaign materials, setting up phone banks and getting Mondale/Ferraro supporters to the polls on election day.

She will be coordinating a neighbor-to-neighbor, grass roots effort, according to a spokesman at the state headquarters in Austin. Officials there believe the key to success in Texas is community involvement.

Reflections Of The Fabulous Fifties

(Editor's note: This article was written a few years ago by Gayle Littlefield Weinberg, a member of the 1957 graduating class at Munday High School and the daughter of Mr. and Mrs. E. B. Littlefield. Mrs. Weinberg, who now resides in Marshall, submitted the piece for a graduate writing course, and thought it might be meaningful to some of the ex-students who return for homecoming. We agree, and thank Mrs. Weinberg for her contribution.)

The day began auspiciously enough. Bright sunlight streamed through the windows of my bedroom, belying the fact that it was crisply cold that December morning of 1954. It was Saturday and I had a date that evening with Robert Lynn Bowden. I was fifteen, he was sixteen, and this was to be my first date with him. Robert was tall, painfully shy at the time, and the son of my high school algebra teacher.

The evening before, I had had a date with one Jimmy Morgan. Truly a man of the world was he. Jimmy was eighteen, drove a 1954 turquoise and white Bel Air Chevrolet, and was . . . . a SENIOR! Probably because we had dated for some time, he had thoughtfully brought a gaily wrapped Christmas gift for me and placed it under our Christmas tree while waiting for me to appear. This action had not gone unobserved, and this fact makes the next day, the day of which I primarily write, memorable.

Punctuality has never been one of my virtues. Time, for me, seems often to simply stand still. It did then and it does now. Alas! One of life's little realities is that time, in fact, does march on. At any rate, because I was busily straightening the volumes and volumes of petticoats I was wearing, brushing my blond tresses, and doing the myriad of things most fifteen-year-old females of the fabulous fifties did prior to a date, I was indeed late.

Since it was impossible for me to receive my date at the appointed time, someone else in my family had to answer the door. That someone, as luck would have it, folks, was my six-year-old brother. Eddie could only be characterized as a talented, creative, very bright . . . monster! He asked Robert in and, remembering that a gift had been placed under the tree the evening before, calmly asked of Robert, "Where's the present?" In fact, he did it immediately after patiently explaining that I would be out just as soon as I managed to get into my girdle!

The arrangement of our house was such that I could hear every word Eddie uttered, and it's fair to say that my reaction ranged from mild to moderate to severe hysteria. My mother, who was rather accustomed to my somewhat dramatic outbursts, patiently listened as I choked out such statements as "I'm definitely going to kill him," and "I can never, never, never face Robert Lynn Bowden again!"

Shortly thereafter, my composure recaptured, I left with Robert to see whatever movie the Roxy Theatre had to offer that Saturday night.

A week passed filled with, among other activities, Mr. Bardwell's science classes, Mrs. Bowden's math classes, and hours and hours of band practice with Mr. Jackson preparing us for the band's next performance, probably the Christmas concert. Suddenly it was Saturday and, once again, true to form, I was not quite ready for a second date with R.L.B. Eddie answered the door and, for once (he had been threatened with the guillotine if he misbehaved again!), simply asked Robert to sit down.

Thinking the incident over, I made my grand entrance a few minutes later only to find Robert quietly waiting . . . . with a lovely Christmas gift for me in hand. My embarrassment was complete.

Almost thirty years have come and gone since those days when growing up, always difficult, did not have to be done amid the pressures with which young people of today are required to deal. Of course, we had our own concerns, which seem to fade with time. Ah yes, time! One would think that thirty years of it would be enough to develop the habit of being on time. Unfortunately, punctuality remains as elusive as ever for this child of the fifties, who had the privilege of growing up in Munday, Texas.

Month Of October To Honor American Cooperative Spirit

The American spirit we so often celebrate in the U.S. is that of the individual. The individual carries a host of inviolable rights in this country, and rightly so. We are a country of individuals.

There is, however, another American spirit which should be recognized. That is the cooperative spirit. To develop this country, individuals cooperated with each other to clear land, build homes, and to do other things that they couldn't do alone. In America's earliest history, settlers cooperated to settle the wilderness, but mostly they cooperated to survive. Later they got together in business organizations to compete with economic forces which threatened their individual economic existence.

Those business organizations are called cooperatives. They enable Americans to work together to help themselves. Since October has been declared Cooperative Month by most governors in the U.S., including Texas' Governor Mark White, this is a good time to take a closer look at what cooperatives mean to all of us.

Today, sixty million Americans belong to some 40,000 cooperatives across the nation. These members are advocates of the cooperative way to provide themselves and their families with goods and services and to help market much of this country's quality foods and fiber. Owned and operated by the people they serve, cooperatives efficiently and economically meet a broad range of needs - marketing farm products and obtaining farm supplies and services, credit, telephone and electric services, food, housing, health care, and insurance.

Here, there, everywhere - in towns, cities and countrysides - big cooperatives and little cooperatives are busy serving members, their communities, and the public. They don't put on a flashy show: they are simply *building a better America.*

They deserve a great big hand.

MR. and MRS. PETE BEECHER

Goree Couple To Celebrate Golden Wedding Anniversary

The children and grandchildren of Mr. and Mrs. Pete Beecher will host a reception for them on Saturday, October 6, at the Goree Memorial Building in honor of their 50th wedding anniversary.

The Beechers were married in Benjamin on October 10, 1934 by County Judge J. W. Melton. Attending the couple were the late Buel Claburn and the former Elizabeth Covey.

Mrs. Beecher's wedding day was also her birthday. She was born October 10, 1914 in Goree. She was the former Pauline Harlan, daughter of the late Tom and Alta Harlan.

Mr. Beecher was born in Erath County on September 29, 1913. He moved with his parents, the late Everett and Jessie Beecher, to the Gillespie community when he was two years old, and later into Munday where his parents lived for the rest of their lives.

Mr. and Mrs. Beecher have lived in the Goree area all of their married lives. Mr. Beecher was engaged in farming between Goree and Munday for twelve years. After the family moved into Goree in 1946, he was employed by Broach Equipment Company in Munday for eight years. He then served as acting postmaster in Goree for four years before becoming the general manager of the North Central Texas Municipal Water Authority where he has been employed for twenty-five years.

Mr. and Mrs. Beecher are the parents of three daughters: Mrs. Tommy Greenwood, Mrs. Calbert Haskin, and Mrs. Ray Hudson, all of Goree. They have five grandsons and three granddaughters, and five great-grandsons and three great-granddaughters.

The have been members of the Goree Methodist Church for the past 35 years.

CARD OF THANKS

Words are so inadequate to express my sincere appreciation for all the acts of kindness shown to me while I was in the hospital. For all the cards, phone calls, beautiful flowers and plants, candy and cookies, your prayers for my recovery, and all of you who came and held my hand when I was feeling so low . . . thanks from the bottom of my heart.

Thelma Maston

CARD OF THANKS

The family of Maggie Belle Gunn wishes to thank each one for the love and concern shown to us in the loss of our loved one. We want to especially thank the ladies for the food, the nurses aides at the nursing home, Bro. Byard, and Joyce Greenwood and Christye McCord for the music.

God bless you.

Curtis Seale family
Hutchens families

CARD OF THANKS

We take this opportunity to express our gratitude to our many friends and neighbors for your expressions of sympathy and thoughtfulness you have shown in our time of bereavement. We thank those for the beautiful service, the floral offerings, and the food brought and served.

May God bless each of you is our prayer.

Mr. and Mrs. Jack Suggs and family
Doris Lane and family

CARD OF THANKS

We want to say thank you to everyone who has been so very kind and thoughtful while Dick was in the hospital. A special thanks to Bro. Jim Way, Rev. Russell Byard and all the Sunday school classes and churches for their prayers, cards, flowers, food, gifts and phone calls. A special thanks to Bro. Way and Rev. Byard for their visits and concern shown during my illness. You have all been most gracious. May God's richest blessings be with you all.

Dick and Louise Moore

CARD OF THANKS

Thank you to my friends and neighbors for your concern while I was in the hospital in Abilene.

Sincerely,
O. V. Milstead

Former Munday Resident Dies

Mrs. G. Y. Keech, formerly Rosalin Houser, died in an Austin hospital on Wednesday, September 26. She was the daughter of Mr. and Mrs. Ulric Houser. A former resident of Munday, Mrs. Keech graduated with the class of 1934.

She is survived by her husband; a daughter, Mrs. Doubelbaubar of Topeka, Kansas, and a son, Col. Edward Keech of San Antonio, and several grandchildren.

Funeral services were held last week.

METER TAMPERING NOW A FELONY

The State of Texas has recently adopted an amendment to the State Penal Code making meter tampering a third degree felony. A third degree felony comes with a punishment of confinement in the Texas Department of Corrections for a term of not more than 10 or less than 2 years. In addition to imprisonment, an individual adjudged guilty of a third degree felony may be punished by a fine not to exceed $5,000.

Before the amendment of the new law, it was a class A misdemeanor for meter tampering unless the loss of service was more than $200. Under the new law, any meter tampering regardless of the amount of loss is now a felony of the third degree.

Meter tampering consists of, but is not limited to:

(1) Diverting electricity from passing through a meter device.
(2) Preventing electric service from being correctly registered by a meter device.
(3) Unauthorized activation of electric service.

As a special note to our members, it will also be considered meter tampering if a meter is reset and electrical service is restored by anyone other than a Cooperative employee.

All Cooperative meters are sealed. This seal should not be cut or broken without special authorization. In cases where the seal must be cut for emergencies the Cooperative should be notified as soon as possible so that the meter can be resealed.

City Hall Relocates on Monday, October 8

City Hall office will be temporarily located in the front part of Oscar Cypert's building on Main St. Until new City Hall is built

Time estimate is six to eight months - to remove old building and construct a new City Hall and Fire Station.

We are sorry for this inconvenience, however, we will go on - business as usual - as nearly as possible.

Communications - phones and radios - are expected to be reconnected, using the same numbers hopefully, on the same day we move in.

Please bear with us,

Walter Hertel
City Administrator

NOTE: Should bids on the 5th of October all be rejected for any reason, moving date is subject to change.
