American Legion Sponsors Armistice Program Annual Red Cross Roll Drive Starts Nov. 11

WORKERS NAMED IN 1938 MEMBERSHIP DRIVE

Everyone Given Chance to Join Red Cross and Participate in Relief Program

AID LOCAL PEOPLE

Membership Dues and Donations Are a Vital Contribution to Our Community

The Ochiltree County Chapter of the Red Cross has formulated plans for the Annual Roll Call, which is held each year between Armistice Day and Thanksgiving. The membership drive in Perryton and Ochiltree County will start Thursday morning, November 11. Workers in Perryton will endeavor to complete their canvass in a week, while rural workers may find it necessary to take more time. Every man and woman in Ochiltree County will be given an opportunity to join the Red Cross, and thus assist in the welfare work carried on by this organization. During the past year, many people in this county have been given needed assistance by the local chapter.

Oscar Flowers, County Chairman, Mrs. Vance Apple, Roll Call Chairman, and the other officers of the local chapter ask that everyone cooperate in this drive. Mrs. Apple and her committee composed of Mrs. W. C. Herndon, President Sorosis Club; Mrs. O. C. Shearer, President Parent Teacher (Continued on back page)

Boyer On Committee

Representative Max Boyer Remains in Austin for Several Days on Special Committee

Austin, Texas, Nov. 3—With the adjournment of the Second Called Session, Representative Max Boyer, Perryton, has been compelled to remain in Austin several days for interim legislative work. Boyer is a standing member of the House Neoplatonism Committee which will continue its investigation of State Department activities that have been charged with irregularities. He expects to return to the Panhandle about November 10.

Matters pending in several departments of importance to the 124th Legislative District will also be handled by Representative Boyer. Several highway projects will be requested by Boyer which are necessary to complete the highway program in the North Panhandle.

WILL DECORATE FOR CHRISTMAS

JOINT COMMITTEE FROM LIONS CLUB AND CHAMBER OF COMMERCE TO DECIDE ON YULE DECORATING

A joint committee consisting of C. E. Whippo, chairman; Glen McGibben, Van W. Stewart, J. H. Woodward and G. R. Wilson has been named by the Chamber of Commerce and the Lions Club to plan the decorations and lighting for the Perryton business district during the holiday season.

Chairman Whippo will call a meeting of the committee in the near future to discuss and formulate plans. For many years the Lions and the Chamber of Commerce have sponsored the street decorations.

Mrs. Homer Anderson and son, Kelly Bruce, spent the week-end in Liberal, Kans., visiting in the C. D. Freeman home.

Mr. and Mrs. Lester Evans and daughter, Mary K., and Mr. Evans' mother visited with relatives in Guymon, Okla., over the week-end.

Mr. and Mrs. M. F. Hethcock, Miss Winifred Gordon and Grandma Bell visited Sunday with the J. C. Osborne family, Pampa.

C. R. Cutter and daughter, Charlene, of Liberal, Kans., were Saturday visitors with the George Cutter family.

Help Needy by Donating Old Clothes in Drive, Nov. 14th

On Sunday afternoon, November 14, there will be a drive made in this county to collect discarded wearing apparel, which will be put in repair and distributed to needy families. The American Legion and American Legion Auxiliary is cooperating with the County Welfare Association in this drive.

All churches, schools and other organizations in the County are invited to cooperate and participate in this undertaking which is for the benefit of all needy families. Every person is requested to join wholeheartedly in this drive. The clothing to be donated will be collected by the American Legion committee under the direction of F. L. Garrett, W. M. Boston and E. W. Thomas. Just place your donation on the front porch on Sunday, November 14, and the committee will pick it up that afternoon.

Any one in the country having clothing to give may leave same at the County Sewing room, or at Sibley Jines' office, or with any Legionnaire.

The purpose of this old clothing drive is to supply, in so far as possible, the needs for more wearing apparel in family groups who will be unable to provide these needs during the winter on their limited income. Garments secured during the

Where Ten Died as Train Hit Bus

Seven high school students, two teachers and a bus driver were killed as a Rock Island streamlined train crashed into a bus at a Mason City, Ia., crossing, leaving only the twisted, battered wreckage of the wooden coach shown above. The students were on an inspection tour of industrial plants when the accident occurred.

Unemployment Census Directed By Postmaster

A national census to determine the number of unemployed or partially unemployed persons in the United States will be made November 16 to 20, inclusive. Unemployment is perhaps our major problem, and before our nation can undertake any comprehensive corrective plan, we must know the facts. An unemployment census will be made in every community.

Mayor C. E. Forbes, at the request of the Administrator of the National Unemployment Census, has appointed the following to assist in this work: Van W. Stewart, Chairman, Roger A. Burgess, Jack R. Allen, Miss Moira Caldwell, C. E. Woods, L. R. Conner, W. B. Vaughn, S. R. McClung, Mrs. O. C. Shearer, Sibley Jines and M. R. Coffee. This group is called the citizen's committee or Mayor's Committee on Unemployment.

All of the physical and technical work of taking this census will be performed by the local Post Office Department, under the direction of Postmaster M. R. Coffee. The members of the Mayor's Committee cooperating with Postmaster Coffee will be in charge of the educational publicity angle, and will help in getting the needed information to those who should register and fill out the forms.

The purpose of this census is to obtain accurate statistics covering the unemployment situation. Forms known as unemployment Report Cards will be distributed to every household on Tuesday, November 16, by the city mail carriers. These cards, called URC Forms by the Government, should be filled out by (1) Persons who are totally unemployed, (2) persons who are partly employed and want MORE work, (3) persons who are working on WPA or any other emergency-work project supported by public funds.

If additional forms are required they may be obtained at the post office or at the First National Bank or the Perryton National Bank. If any individual needs assistance in completing the answers to the questions he may obtain same at the (continued on back page)

ARMISTICE PROCLAMATION

"I, C. E. Forbes, Mayor of the City of Perryton, do hereby proclaim Thursday, November 11, as an official holiday in the City of Perryton. It is but fitting that all should join in this great day of celebration commemorating the cessation of hostilities in the great World War, which took away lives of many of our finest young men and made cripples and invalids for life of thousands of others. Victory was made possible by the sacrifices of the mothers and fathers, the wives and children, and many who did their bit toward winning the struggle. Armistice is not a day of mourning, it is a day of celebration. Thursday, November 11, is the 19th anniversary of that day in the past which many of us so vividly remember, the day that the word flashed round the world that orders had been given to cease firing in the greatest war known to this world. I am requesting that all citizens join with the Pierce Johnson Post of The American Legion in the observance of this day."

C. E. FORBES, Mayor, City of Perryton, Texas

Mrs. B. J. Phelps and her brother, Edgar Burkhardt of Hardesty, Okla., went to Sulphur, Okla., Sunday evening to attend the funeral services of their grandfather, J. C. Littleton, who passed away Sunday morning. Services were held Monday.

4-H Club Work Began

Season For 1938 Projects Open With Enrollments Being Taken For Work Now

Activity in Boys 4-H Club work is resumed at this time according to E. W. Thomas, county agent. Six boys have enrolled for the work in 1938 and an effort will be made to enroll at least 50 boys in the various demonstrations in growing crops and livestock.

The boys who have already enrolled with their projects are Billy Herndon, beef calf; Jack Dodson, pigs; Jim Bill Dodson, sow and litter; Clair Brillhart, beef calf; Eldon Boese, pig; and Eugene Boese, sheep.

A 4-H committee of boys to assist in the work has been appointed by the Ochiltree County Farm Association, consisting of Curtis Roach, Ollie Morris, and H. C. Brillhart. These men, along with the County Agent, plan to attend a 4-H Club training meeting at Spearman, November 10.

LEGION DANCE ON ARMISTICE

"AVIL" SNYDER'S 8-PIECE ORCHESTRA, CLINTON, OKLA., SIGNED TO PLAY FOR ARMISTICE DANCE

W. H. Lackey, chairman of the dance committee of the Pierce Johnson Post of The American Legion, announces that he has signed "Avil" Snyder's 8-piece orchestra from Clinton, Oklahoma to play for the Armistice dance to be held at Donley Hall in this city on the evening of Thursday, November 11. Other members of the dance committee are A. R. Hoghand and O. R. Truax.

Mr. Lackey states that the dance will start promptly at nine o'clock and that the general public is welcome. Following his custom of many years past, J. L. Donley has again tendered the use of Donley Hall free-of-charge to the Legion for the Armistice night dance.

"Avil" Snyder's orchestra is one of the top bands of the Southwest. They have played several engagements in Perryton and dancers who attend the Legion dance on Armistice night are assured of the best music that can be obtained.

Mr. and Mrs. Donald Schwab, who have been living in the O'Dell apartment, have moved to 905 Southwest Sixth Street.

Mrs. Kate Freeman visited with friends in Liberal, Kans., Sunday.

PERRYTON "RANGERS" TO MEET SPEARMAN "LYNX" IN FOOTBALL CLASSIC OF THE NORTH PLAINS

Armistice Program for Public in School Auditorium In Morning; "Feed" for Veterans and Families at Noon; Legion Dance at Night

REV. HAROLD B. DURVEA IS SPEAKER

The nineteenth anniversary of the cessation of fighting in the World War will be observed in Perryton on Thursday, November 11, with a program of activities sponsored jointly by the American Legion Posts and Auxiliary Units of Spearman and Perryton. A one and one-half hour public program at the schoolhouse at 10:30 a. m.; basket dinner for war veterans and their families at the Legion Hall at noon; football game in the afternoon between the Perryton and Spearman teams; and a Legion sponsored dance in the evening at Donley Hall comprise the days activities.

WILL ORGANIZE JUNIOR C. OF C.

ORGANIZATION MEETING TO BE HELD AT COURTHOUSE MONDAY, NOVEMBER 8, AT EIGHT O'CLOCK

A meeting has been called for Monday, November 8, 8:00 p. m., at the county courtroom in the courthouse for the purpose of discussing the feasibility of organizing a Junior Chamber of Commerce in Perryton. The forming of such a civic organization has been discussed informally among younger business men for a number of weeks and there seems to be no question but that such a body will be formed.

Among those that are interested are Harold Platt, E. W. LeMaster, Lester Baumann, Russell Hanna, Seldon Caradine, Charley Kent, Clarence Neufeld, and a number of other young business men, some of them operators of their own businesses and others employees.

It appears to be the opinion of both younger and older business men that there is a definite need and place for a Junior Chamber of Commerce in the civic life of this community. Every young man in Perryton that is interested in seeing their community go forward should attend this meeting at the courthouse next Monday evening.

Mrs. R. J. Thrower, Amarillo, came in Monday for a week's visit with her parents, Mr. and Mrs. Geo. W. Cutter and in the home of her brother, Addison Cutter.

Mrs. Earl Miller and daughter, Patsy, returned Thursday from a ten day visit with Mrs. Miller's sister, Mrs. Jack Sudberry, Oklahoma City. Mr. Miller took them and went on to Kansas City, Mo., on a business trip.

The jury panel called for this session will report at the courthouse November 9 for duty in cases which require a jury. Those called for jury duty this year in county court are Keith McLain, Ecton Lawrence, C. A. Kent, D. D. Hummer, E. A. Greever, Charles Dutcher, A. A. Stone, Charles Garrett, O. C. Shearer, M. H. Crum, W. M. Boston, James Blasingame, C. J. Prantz, Dean Conner, Fred Smith, Chester Cooper, Leonard Barlow and W. W. Blackburn.

Mr. and Mrs. Clifford Beck and daughters, Lois and Fae Marie, were Sunday visitors in the home of his parents, Mr. and Mrs. J. L. Beck, Stead, New Mexico.

Mrs. A. R. Cook, Sharon, Okla., is visiting in the home of her daughter, Mrs. Audie Conley.

Edward Stair had his tonsils and adenoids removed at the Perryton hospital, recently.

R. H. Gamel Takes Three Months Vacation at Hot Springs, N. M. for Health Benefit

Joe Schollenbarger is now serving as night watchman for the City of Perryton while R. H. Gamel is taking a three months vacation for the benefit of his health.

Mr. and Mrs. Gamel are at Hot Springs, N. M. where Bob will take the baths and a well earned rest. They may visit with relatives in California before they return.

P-T-A Round-up Ends With 280 Receiving Vaccinations

The summer round-up of pre-school children by the Parent-Teacher's Association of Ochiltree county, completed this week, was a success. Everyone cooperated in every way with the health officers and teachers in this fine work. The purpose of the round-up being to vaccinate children for diphtheria and other contagious diseases entering school for the first time at a much lower rate than could have been possible otherwise.

Dr. G. L. Kengle and Miss Louise Jordan, a registered nurse, were at the Perryton school Tuesday and Wednesday, October 26-27, where a total of 145 pupils were vaccinated. Out of this number 131 were vaccinated for smallpox and 64 for diphtheria, some receiving both.

The doctor and nurse visited Waka, Black and McMillen schools on Thursday afternoon, October 28. In the Waka school a total of 28 pupils were treated, with 13 vaccinated for diphtheria and 23 combinations. Four pupils were treated at Black, and 22 pre-school children were vaccinated at McMillen.

They visited Huntoon Friday, October 29, where 27 children were enrolled for the vaccinations. The total enrollment of children to receive these benefits in all the schools was 226. The addition of 54 from the Perryton school, enrolled

in September and previously vaccinated on October 21, brings the sum total of pre-school age children listed in the summer round-up to 280. The entire cost was only a fraction of what it would have been if these children were vaccinated at odd times.

Mrs. William H. Jennrich, Ochiltree county council health chairman, wishes to thank Roger A. Burgess, superintendent, and Dr. Kengle for splendid cooperation with the Parent Teachers in carrying on this work. She stated that the publicity given the movement in the Herald accounted for a large part of its success through contacting so many parents in regard to the work.

Perryton Rangers Defeated the Borger Bulldogs Friday 13-0

LOCAL SQUAD DISPLAYING FINE BRAND OF GAME LED THE FIGHT DURING ALL BUT SECOND FRAME

Ranger Line Outcharged Bulldogs from Start to Finish to Make Possible the Good Appearance of Burk's Ball Toters

All because the Perryton Rangers defeated the Borger Bulldogs at Borger last Friday afternoon 13 to 0, the dope bucket was sent into a tail spin, and everyone in the Texas Panhandle is still in a "tither" except the Rangers and Coach Burk.

Most Borgans say it was overconfidence on the part of their Bulldogs that caused them to suffer this humiliation. Others say they were in a slump. Some go so far as to say that the Rangers were playing inspired ball because they were the underdogs at the start of the game.

One Perryton fan consoled a Borger man by telling him that "he thought the Bulldogs did exceptionally well to keep from getting defeated worse than they did".

Regardless of all these pro and con opinions, the Rangers played "heads-up" ball, and proved to be the masters in all except the second quarter when Borger put on the steam to roll from their own 13-yard line, after having recovered a Ranger fumble, to cross the pay line a few plays later. Their attempt to goal was wide.

The fireworks started about the middle of the first quarter. After having piled up and down the field, Perryton took one of the Bulldog punts and behind an impregnable forward wall and unflinching blocking, McWilliams, Lewis and W. Flowers pushed the pork rind to the 1 yard line where Lewis, from a tailback position smashed over for the first touchdown, and converted the extra point himself by sliding over left guard after the Bulldogs were all set to block a kick.

Determination surged through the Bulldogs at the start of the second frame, fans saw the pile up one first down after another, being repulsed time and again by the Rangers in their goalward march. Achievement finally smiled on the Bulldogs when Allen, crafty quarterback, carried over from the Ranger 2-yard stripe. His attempt with his toe was low and outside for "ball one," with only six points to mark up—one less than the Rangers' score.

It was during this quarter that W. Flowers, on a right-end sweep made the longest gain from scrimmage of the afternoon, stepping off 32 yards before being forced out of bounds by a Bulldog.

The Rangers threatened again in

the third period when they worked the ball to the Borger 11 yard mark only to lose it on downs from which point Allen punted to McWilliams on the Borger 40 yard stripe.

The last scoring of the afternoon came in the early part of the fourth quarter when the Rangers got possession of the ball on their own 40 yard mark. From that point the "Three Mercuries" with Schroeder acting as the buffer, crossed the pay line in nine plays, with McWilliams crashing over from the 1 yard line. C. Flowers' kick was wide.

The scintillating play of the afternoon came later that period when McWilliams leaped high in the air to intercept a Bulldog pass intended for Raber, on the Ranger 29 yard stripe, to run it back 51 yards. And playing a lone hand, McWilliams raced the ball in five plays to the

Armistice Day Fued To Feature Program Here Next Thursday

Bombs will be bursting and guns roaring on the 11th when, as a part of the Armistice Day celebration put on here by the Pierce-Johnson Post of the American Legion, the Perryton and Spearman gridiron warriors will meet on the enclosed patch of Bermuda grass west of the high school for their annual battle.

This will mark the last conference game for both teams this season and don't forget it, the Spearman lads are going to do their utmost to pull the conference leading Rangers into a tie with them.

Dope favors the Rangers to win this year's fracas, but if the game runs true to tradition, the visitors will play better against the local boys than they have any other team this year. That, together with two

Bulldog 2 yard spot when the game ended.

The Ranger line with Johnson, Morris, Horne, and Gyger playing stellar roles, outcharged the Borger forward wall to open holes for their teammates, and to rush their opponents and nab the carriers with a slashing attack bewildering to the Bulldogs.

Simmons, Conner and Allen, in the backfield, and Raber at the right wing position, were the standouts for the Bulldogs. Raber was on the receiving end of two beautiful passes during the second quarter making possible the Bulldogs' lone counter.

or three good breaks, might send the Rangers to their dressing rooms with their hands over their faces hiding the shame.

Spearman fans and team are still a bit irked over the shellacking they took from the Rangers last Armistice Day, and they are coming up here for revenge.

The game will be one of the features of the program for that day and has been called to start at 2:30. The admission will be the same as all season—students 25c and adults 50c.

Panhandle Panthers Beat Phillips 7-0

Whittenburg.—The Panhandle Panthers downed a fighting Phillips Blackhawks team here Friday night 7 to 0 before a crowd of 3,500.

Although the game was hard-fought during the entire 60 minutes, Panhandle's score came in the first two minutes of the battle when O'Keefe, Panther right wingman, blocked Fowler's punt. Sterling, Panhandle left end scooped up the ball and dashed to Phillips' 8-yard line. Crawford carried for five yards to be set back five on an offside penalty. On the next play, Crawford passed to Sparks who stepped over the goal line. Place-kick for extra point split the middle.

Fowler was outstanding for Phillips. The Blackhawks sorely missed two of their backfield stars, Wilson and Umphrees, who were out from injuries.

Panhandle made 7 first downs and Phillips made 5.

McLean Tigers Subdue Wheeler 7 to 0

McLean.—The McLean Tigers downed a fighting Wheeler Mustang team here Friday night 7 to 0. The Tigers dominated every phase of the game. They showed plenty of power by rolling up 14 first downs and gaining 263 yards from line of scrimmage to 4 first downs and a total gain from line of scrimmage of 73 yards for the Mustangs.

The Tiger score came early in the third period when Watson broke through right tackle on the Mustang 30-yard line, found himself in the clear, and behind good interference, ambled 70 yards to pay dirt. Nicholson converted for extra point. The only other serious Tiger threat came late in the final quarter when they lost the ball on downs on the one-foot line. Wheeler never made a serious threat to score.

Giant-Killing Role Appeals to Little Santa Clara, Pacific Coast's 'Spoiler'

LITTLE Santa Clara, cast in the role of the "giant-killer," has been playing the part to perfection. Nor do the Broncos need much prompting.

With an enrollment of only 400 boys, this tiny Pacific coast school probably has risen higher and more rapidly than any other ranking football power in the nation. And don't you think for a moment that the Broncos don't constitute a ranking gridiron power. Ask Stanford, St. Marys, Louisiana State, and a few others.

Santa Clara started on its "spoiler's career" about 1930 and every year since then has made life miserable for top ranking teams in the far west, in addition to one or two strong inter-sectional opponents.

It's nothing short of miraculous the way Buck Shaw whips together the type of team he had a year ago, and has again this season. But every boy in the school either plays football or has enough interest in the game to give the team every ounce of his spirited support. They make that count at Santa Clara.

A YEAR ago Santa Clara defeated Stanford and St. Marys among others, during the regular season and wound up the year in terrific style by dumping a highly-favored Louisiana State eleven in the Sugar Bowl game on New Year's Day. Only Texas Christian, paced by the great Sammy Baugh, was able to set down the powerful Broncos.

This year Shaw again has a top-notch. His line averages more than 195 pounds, and is one of the strongest defensive units in the country. When a halfback piles into that stone wall he knows he's hit something. And when he gains a couple of yards he knows he DESERVES them. It isn't just any halfback who can crack that Santa Clara line wide open.

Outstanding in the Bronco forward ramparts are Phil Daugherty, 200-pound center who is

making a gallant bid for All-America honors; and two mountainous tackles, Fran Cope and Al Wolf, both of whom scale 220.

Leading the attack in the backfield, and taking up where the great Nello Falaschi left off a year ago, is Chick Pavelko, a

destructive junior quarterback, who blocks like a steam roller and kicks 'em a country mile. Not only that, but this lad is as smart as they come when it comes to selecting plays.

IT'S a veteran outfit which takes the field for Shaw. Six of the boys are seniors and five are juniors. There's plenty of sophomore talent hanging around that could grace many a varsity elsewhere but it'll have to stand by for another season before

Two good reasons for Santa Clara's success: left, Coach Buck Shaw, and right, Phil Daugherty, husky candidate for All-America center.

swinging into battle for Santa Clara.

The boys idolize Shaw, who was a great tackle at Notre Dame in 1920. He teaches them good, sound Notre Dame football, with plenty of deception thrown in. He's a pal to every one of his lads and if Buck can't teach them the tricks of the trade they just aren't capable of learning.

It's a pleasure playing for this handsome mentor with the profile of a movie star, and the boys like to combine the serious side of the game with their pleasure. They started getting serious in the season's opener, by knocking off Stanford 13-7, and have kept the pace since.

Dalhart Plans Two Special Train Trips

Dalhart.—Dalhart is planning two football special trains—one to Liberal Armistice Day, the other to Tucumcari Nov. 19.

The Dalhart Lions club is sponsoring the Liberal train and today felt the 200 minimum fares required were easily in sight. The American Legion at Liberal is planning a gala reception and special program for Dalhart's special train, writes Chas. W. Claybaugh of the Southwest Daily Times.

If Dalhart should win the north half championship of District 1 qualifying it for the district battle, the Tucumcari game probably cannot be played, said Coach Lawrence Frotherton today.

Canyon Eagles Down Stratford Elks 40-0

Canyon.—The Canyon High Eagles defeated Stratford 40 to 0 here Friday night to win their second conference game. Scoring three touchdowns in the first six minutes of play and stacking up more than 300 yards from scrimmage during the first

quarter, the Eagle reserves took the game in the second quarter. Though the Stratford lads made fair gains through the Eagle line they were totally incapable of stopping the Eagle offensive machine. Paury Hill, Eagle backfield ace and co-captain, made the longest run of the evening when he intercepted Harris' pass on his own 15-yard line and ran for a touchdown.

International Sunday School Lesson

Christian Peace and Character

The International Uniform Sunday School Lesson for Nov. 7.
Text: Colossians 3:1-17.

THE subject over which the entire world shows the greatest concern today, is peace. It is obvious that nations, even though they be fully-armed and outwardly preparing for war, want to avoid it.

A hundred things have happened during the last few years that prior to the World War would have quickly brought declarations of war and put nations in deadly conflicts. The World War revealed in some measure what modern warfare means, and no nation welcomes it, particularly if it involves attack or defense against a formidable foe.

But our lesson enforces insistent and persistent questions. Can nations that think war, that talk war, and that are armed to the teeth, secure and maintain peace? Can mankind be free from strife among nations if there be strife and warfare among individuals? Is world peace a desirable condition of blessedness that comes through talking about it, through the machinery of treaties and World Courts and Leagues of Nations, or is world peace something that depends fundamentally on men of peace and good will?

It is not difficult to answer these questions. In fact, they are answered in the history of the world and in the course of daily life. If we would attain any real peace, it must come through better relationships among men and through the casting out from human life of the things that make for war.

What are these things? They are things that are associated with evil in general: covetousness, and worldly ambition for

wealth and power, greed and selfishness, disregard of the rights and liberties of others, angry and passionate tempers, the spirit of malice, lack of forbearance and consideration for others; these are things that make for strife in communities, in nations, and among the nations, in a world that has increasingly become one community.

If the peace of Christ ruled in the hearts of men, these things could not be so. If the word of Christ dwelt in us all, we could not live upon a plane of violence.

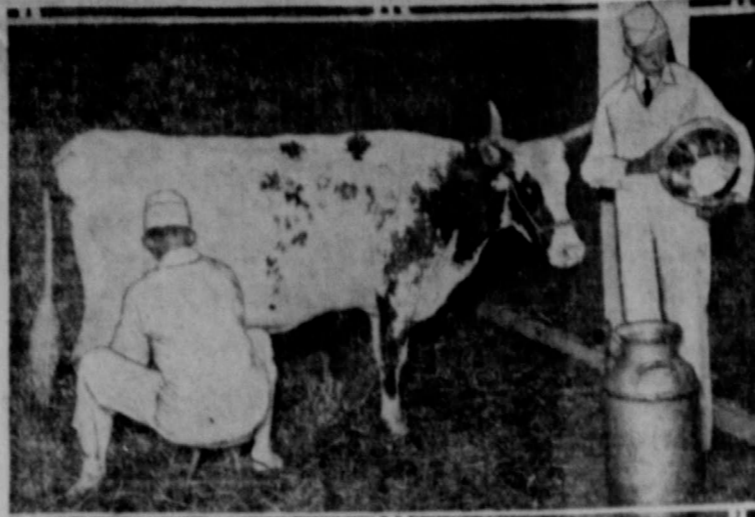

BUT some one will say, "Have not Christian nations been among the worst offenders? Do not Christian preachers and teachers sanction and bless wars in which their country happens to be engaged?"

Yes, this is true. Sadly one must confess it; nor can we here discuss the citizen's practical duty when his nation is attacked or is at war. Situations arise that are complex and difficult, but one thing is certain: the spirit of Christ and of Christian teaching is opposed to the spirit of war and violence.

We must see, too, that we do not sanction such things in the name of Christ. If there have been so-called "holy wars," it was not war that was holy, but the unselfish devotion to some high cause and the willingness of those who championed it to suffer or die for it.

We should go a long step toward ending war if we took from it the tinsel and the glory, and the blessing of the church. Even if we could conceive of war to be under certain circumstances unavoidable, it would make a great difference if we regarded it as a matter of stern and terrible necessity rather than anything inherently right or noble, or in any sense holy.

Texas 4-H'ers Compete at National Show

THESE two 4-H Club boys of Ranger, Texas, represented the state in a nation-wide contest featured at the National Dairy Show recently in Columbus, Ohio. They show the best way to clean a cow for milking and strain and cool the milk to give the best product. Previously they had won state honors at College Station with their demonstration, the "Production of Clean Milk". They are James Dean, 26, and L. C. Love, 18, who were coached by H. F. Barn-

hart, Assistant County Agent. The trip to Columbus was an award from the Kraft-Phenix Cheese Corporation which also gave \$250 college scholarships to each member of the Tennessee team winning southern states honors. These Texas boys placed tenth in the division. The contest was conducted to promote better methods in the production of dairy products which yield an annual farm income in Texas roughly of \$56,000,000.

HUNTOON NEWS

Mrs. Joseph Bremner, Reporter

Dr. G. L. Kengle and nurse, Miss Louise Jordan, Mrs. W. H. Jennrich and Mrs. Van Earl Steed were in Huntoon last Friday to complete the Health Round-Up sponsored by the County Council of The Parent-Teacher Association. Diphtheria and smallpox serums were given to twenty-seven children. The Huntoon community is very grateful to Dr. Kengle, Miss Jordan, Mrs. Jennrich and Mrs. Steed for bringing this opportunity to us.

Rita Ann Hurter, Veria Hummer and Albert Littau were honor students in the primary room for the first six weeks. On Friday afternoon, Mrs. Bowen and Mrs. Black entertained the children with an informal Halloween party. Appropriate games were played. Chester Kershman won the prize for putting the cat's tail on the cat, and Elsie Littau won the prize for solving the Jack-o-lantern jig-saw puzzle the quickest. Refreshments of red apples, all day suckers and gum drops were served. Several parents were present.

The Jolly Neighbor club met with Mrs. D. D. Hummer on Thursday afternoon, October 28. A large group of ladies were present. The afternoon was spent in doing needle work. Roll call was answered by the nick name of some president. Refreshments were served by the hostess, assisted by Mrs. M. S. Hummer and Mrs. Walter Stollings. The next meeting of the club will be held with Mrs. Albert Latham Thursday, November 11.

J. W. Day and O. A. Asplin made a business trip to Plainview, Texas, last Thursday.

Mrs. Roy Doerrie and Mrs. Otis Rutledge were called to Liberal, Kansas, Saturday, on account of the death of their father, C. W. Brill.

Roy Doerrie and Helen and Mr. and Mrs. Clyde Devers and sons attended the funeral Sunday.

Mrs. Carl Hurter and daughter have returned from a months visit with relatives in California.

R. L. Littau arrived home after a two weeks stay in Lubbock, Texas.

Mr. and Mrs. J. R. Pearson and family spent Sunday with Mr. and Mrs. R. E. Retherford, Balke, Okla.

Mr. and Mrs. Orville Cook and family were Sunday dinner guests of Mr. and Mrs. Albert Latham.

Mr. and Mrs. Melvin Yager of Canadian were guests of Mr. and Mrs. B. L. Hurter at dinner Sunday.

Mr. and Mrs. George Latham and Irene spent Sunday afternoon and evening with Mr. and Mrs. Leonard Latham.

Mr. and Mrs. Melvin Hummer visited Mr. and Mrs. Walter Stollings Sunday.

Mr. and Mrs. Leonard Littau and children visited Mr. and Mrs. J. W. Day and daughters Sunday evening.

Mr. and Mrs. Walter Stollings called in the D. D. Hummer home Sunday.

Mr. and Mrs. Joseph Bremner and children were Sunday callers of Mr. and Mrs. Harry Mountcastle and daughter.

R. V. Fluitt is building a pit silo on his farm.

The Study Club will meet with Mrs. A. Emberson on Tuesday afternoon, November 2. Since our first meeting had to be postponed due to bad roads, topics for both the first and second study will be discussed. First topic, "Getting Acquainted with his world," will be led by Mrs. A. C. Emberson. Second topic, "Learning to Adapt," will be led by Mrs. M. S. Hummer.

CONTOURING PRODUCES CROP IN ARID STRATFORD REGION

Stratford, Texas, November 2.—A straight row is the shortest way to crop failure, while the longer way around the contour leads to good yields, farmers in the Soil Conservation Service project area at Stratford are having an opportunity to observe this fall.

One of the most striking examples of the difference in yields on contour-tilled fields are compared with those where straight-row cultivation is practiced is to be found on the farm of W. A. Sloan and that of a neighbor about 15 miles south of Stratford.

Sloan and the neighboring farmer have cultivated their fields with the same types of machinery, on identical dates, and with the same amount of rainfall. Only a narrow road separates the fields and the soil of each is the same.

Sloan's field was planted to wheat in the fall of 1936, but was blown out during the spring of 1937. The neighbor planted his field to maize in 1936, but the yield was almost negligible.

Both were blank listed last spring between March 1 and 15. The difference was that Sloan, a cooperator of the Soil Conservation Service, farmed on the contour, while the neighbor followed straight-row methods. While Sloan was planting wheatland maize on the contour between June 10 and 15, his neighbor was planting dwarf maize in straight rows on the same dates. Sloan cultivated his field only once with a harrow, while the adjoining field was cultivated once with a go-devil cultivator.

Each field suffered from deficient rainfall, there being slightly less than nine inches prior to October 1, while the annual precipitation in this area over a long period is approximately 18 inches.

The difference was, Soil Conservation technicians point out, that Sloan had terraced his field and farmed on the level, thereby holding practically all the rainfall on the land where it fell, while his neighbor's straight rows, plowed up and down the slope, allowed water to run off the field.

The moisture stored in the soil of Sloan's field was available for crop growth and resulted in a fully matured stand of maize. On the other field, the water had been lost and the crop suffered from the lack of moisture.

The value of crop yields of contour farming over straight-row methods was forcibly demonstrated at harvest time. While Sloan's field produced approximately 20 bushels of grain to the acre, his neighbor found that the scattered, immature grain heads in his field were not worth harvesting. His crop was a total loss so far as a yield was concerned.

POURING FROM CANS

The secret of pouring liquid from a can is to make two holes in the can instead of one, about an inch apart. The one hole is for the liquid to pour from, the other hole to let the air into the can.

MASTER OF SHORT SUBJECTS APPEARS IN FILM AT ELLIS

Robert Benchley might well entitle his next Metro-Goldwyn-Mayer short "How to Prove the English Have a Sense of Humor."

The Benchley shorts are not only popular in America, but they also find favor in England. The conservative London Times, which rarely runs publicity on films, recently devoted a full column in its drama section to an article reviewing Benchley's shorts and saying "he has been accepted wholeheartedly by all those who have had the good fortune to see him." He is a featured player in "Love, Live and Learn," coming to the Ellis Thursday and Friday, November 11-12.

Young Eyes need this better light

I. E. S. Better Sight Lamps Give 3 to 5 Times More Light Than Ordinary Lamps

A father whose own daughter was harming her eyes under poor light started the train of action that brings you the I. E. S. Better Sight Lamp.

It is the first lamp ever designed to protect eyesight. Every lighting feature of it is specified by the Illuminating Engineering Society. In over 2,000,000 homes it is giving relief to tired eyes.

An opal glass diffusing bowl softens light, prevents glare. Opening at top throws some light to ceiling, eliminating eye-straining contrasts of light and dark. Wide shade spreads light evenly over broad area. Special white shade lining reflects more light than most shades.

You actually get from 3 to 5 times more light than from ordinary lamps... yet the difference in operating cost is only a cent or two an evening. Order one or more of these sight-saving I. E. S. lamps for your home today!

Lounge Lamps... \$6.95 Floor Lamps... \$9.95 up

BOYD, OKLA. NEWS

Mrs. A. H. Pierce, Reporter

The wheat in the community is looking good at the present time and everyone hopes that it will always remain as such until harvest.

Mr. and Mrs. Jay Pierce attended a convention of the Panhandle Plains Association of the American Legion and Auxiliary in Liberal, Kansas, Monday, October 25. All those who attended reported a fine time. The program was a success. Okla-

homa had the largest number of delegates present out of the three states represented—Kansas, Texas and Oklahoma.

Mr. and Mrs. T. H. Peters are driving a new G. M. C. pickup. Mr. and Mrs. B. L. Claybrook of Lynwood, California, visited this week-end with Mrs. Claybrook's parents, Mr. and Mrs. J. L. Claybrook and other relatives.

Mrs. Lela Peters, Mrs. Attie Pierce, Mrs. E. K. Gates, Mrs. Pearl Gates, Mrs. Osa Nolder, Mrs. Omega Claybrook, Mrs. Jessie George and Mrs. Jean Harworth were present at the Club Council of the Beaver County clubs in Beaver, Oklahoma last Friday.

The P. T. A. of Palestine held their first meeting of the year Friday, October 29, at the school house. The school and teacher, Miss Winfrey, gave an interesting Halloween program. After the program the ladies served refreshments of coffee

and pumpkin pie with whipped cream. A number of the members paid their dues and we are now ready to go to work.

Mr. and Mrs. J. C. Williams and son, Joe Clyde of Pampa, were guests for the day Sunday with Mr. and Mrs. H. J. Boisdorf. Mr. and Mrs. George Swingle accompanied them and visited in the Addison Cutter home.

Mrs. Wm. M. Beardsley and daughter, Dona Lee, left Sunday for their home in Sacramento, Calif., after a three months visit in the home of her parents, Mr. and Mrs. R. H. Gamel. Miss Minnie Kathryn Gamel, accompanied her sister home for an extended visit.

Mr. and Mrs. Odie Price and Melvin of Borger were Sunday guests with the Jack Steele family.

Entirely too much wanton destruction of property in Perryton on slow even night and the greater part of it by several groups of grown up men that were old enough know better.

Local merchants complain of slump in business while mail order uses and merchants from nearby cities let loose flood of mail advertising. Thousands of dollars in money orders issued by local post office every month to mail order uses for merchandise. This, in addition to express money order and personal checks sent to mail order uses. Then there is the dollar that goes out of this community monthly to merchants in nearby cities who keep up a steady drive in business by newspaper and direct-mail advertising. Perryton merchants can stop this outflow of money by consistent use of advertising in the Ochiltree County Herald, a weekly paper that is paid for and goes into the homes of the majority of the families in this trade area. The Herald does not go into each home uninvited. It is not the mail order catalogue or the row-around circular. It is bought and paid for by the reader and an advertising message in the Herald will pay big dividends. One of the most successful businesses in Perryton has been built from practically nothing during the past few years through drouth and depression. This firm has been a consistent advertiser in the Herald.

We are just wondering what the hundreds of Perryton people that attended the Panhandle-Phillips football game at Phillips last Friday night thought of the well lighted field with seating for 3,000 spectators? We are also wondering if it occurred to any of the Perryton folks that Phillips is just an unincorporated village with not the least semblance of a city administration? We salute the progressive school board and patrons of the Phillips school for the spirit that has prompted them to provide such an excellent athletic stadium. Perryton incorporated for many years, is behind the procession. Let's not see another football season roll around in the present poor accommodations.

What's happened to the Perryton "Pep Squad"? They were conspicuous by their absence at the larger-Perryton game last Friday afternoon. It is true there was a handful of "Pep Squad" girls in the grandstand cheering the Rangers on with all their might, but there was no show by the Ranger band and no pep squad between the halves. Better with their high stepping, baton twirling drum majores, a large pep squad, and two bands, senior and junior, put on a grand exhibition.

Mrs. Ray Christopher came in Wednesday evening from Brownfield for a two weeks visit in the home of her parents, Mr. and Mrs. M. Elmore, and with friends.

Funeral Rites Today

John L. Rankin, Resident of Range Community Thirty-Four Years Passed Away October 31

John L. was born to Elbert and Martha McKinzy Rankin in Cedar County, Missouri, on April 30, 1888, and passed away at his farm home in the Range, Okla. community on Sunday morning, October 31, 1937.

On November 18, 1880, Mr. Rankin was united in marriage to Miss Sophie Patterson. They moved from Missouri in 1903 and settled at the present homestead which was then Beaver county, Oklahoma. To this happy union were born twelve children, four having preceded their father in death.

For fifty-seven years, Mr. Rankin has been a devoted Christian, taking an active part in church and Sunday school work. For many years he was superintendent of the community Sunday school. He was always a leader in any movement to benefit others. He followed the farming and ranching profession and made a good home for his family. He was known throughout the Panhandle as a just dealer toward his fellowmen. Truth, honor and justice being his aim in life, he followed the rule "Owe No Man."

Mr. Rankin took active part in the work about the farm until he was taken suddenly ill, Friday, growing gradually worse until death came Sunday morning at 6:20 o'clock.

He leaves to mourn his passing the loving companion of fifty-seven years, Mrs. Sophie Rankin; eight children, Mrs. Arvy Carter and George Rankin of Hardesty, Okla.; Marion Rankin, Perryton, Texas; Leonard Rankin, Perry, Okla.; Mrs. Dora Camel, Vernalis, Calif.; Lacy, Jessie and Joe Rankin of Roseville, Calif.; thirty-six grandchildren; six great-grandchildren, a host of friends and a bereaved community.

Harve Cook, Bill Woodridge, Pruner Appie, Loren Sellers, Bob Johnson and Earl Silabee were active pall bearers at the impressive funeral services held at Camrick school building on Thursday afternoon, November 4, 2:30 o'clock. Bro. Walter Hale, Hardesty, was the minister.

The body was laid to rest in the family plot at the Pleasant Ridge Cemetery.

Mrs. A. J. Kelly was in Higgins, Wednesday, as a guest for the meeting of the magazine club in the home of Mrs. C. R. Patton.

H. C. Lawry, employed in the meat department at the Ideal Food store, visited Sunday with his family in Garden City, Kans.

Mr. and Mrs. G. H. Williams and Mrs. W. L. Werneburg and son, Robert Dale were Shattuck, Okla., visitors Thursday.

Mr. and Mrs. J. W. Anderson and Mr. and Mrs. Ray Weir visited in Beaver, Okla., Sunday.

Mrs. Lail Barton and Mrs. Ceila Dee Reynolds of Lipscomb county were dinner guests Tuesday with Mr. and Mrs. E. M. Allen.

A son was born to Mr. and Mrs. Clinton Horn at their home four miles west of Perryton on Saturday, October 30.

Mr. and Mrs. Henry Allen and children of Liberal, Kans., were home guests Saturday night and Sunday with the Claud Allen family.

Mr. and Mrs. R. C. Pyle of Boyd, Okla., were Perryton shoppers Tuesday and dinner guests in the home of their daughter, Mrs. Clifford Beck.

Mr. and Mrs. Jess Stump, Mrs. John N. Stump and sister, Mrs. Margaret Townsend and Mrs. Ray Grabeel and daughter, Nancy, visited Friday in the home of Mr. and Mrs. Odie Sutton of the Range, Okla., community. Twin daughters, Betty Mae and Bonnie Faye, were born to the Suttons on October 23. The girls weighed 5 1-2 pounds each and are doing splendidly. This is the second set of twins in the Sutton family.

Mrs. John Holland returned Wednesday from a visit in the home of her parents at San Angelo. She was present for the home wedding of her sister, Miss Eula Pearl, to Mr. Enis Williams on Monday morning at nine o'clock. Mr. and Mrs. Williams will live in Chicago.

NEWS of the WEEK by FOSTER GILROY

PRESIDENTIAL FORECASTS

Washington, D. C.—An informal canvass of a group of leading political writers in the capital indicated a belief that President Roosevelt would seek a third term, or, if not, that the Democratic presidential nominee in 1940 would be Assistant Attorney General Robert Jackson. All picked Senator Vandenberg of Michigan as the only Republican contender in sight. In a radio talk from Topeka, Kans., Senator Arthur Capper urged Republicans to wage a stiff fight next year for Congressional seats; that with "great respect" for ex-President Hoover's suggestion of a mid-term Convention, he doubted that it would "add to the confidence of the people in the party." Minority Leader of the House of Representatives Bertrand H. Snell favored the Hoover project because "if we are going to have a row, it might as well be now as two years from now."

NEW BATTLESHIP STARTED

Brooklyn, N. Y.—Assistant Secretary of the Navy Edison, drove the first of 3,000,000 rivets into the keel of the new battleship North Carolina, destined to be the most powerful ship ever built in this country and the first new vessel since 1923. In heavily armored ships begun or authorized, United States now has 4 England 5, France 9, Italy 2 and Germany 5. Japan is unofficially believed to have begun two and Russia three. The taxpayers of these countries will pay nearly two billions for new battleships and \$2,000,000 upkeep each per year.

CAMERON SHATTERS FALLACY

Detroit, Michigan.—Discounting the idea that employment of men over 45 was decreasing, William J. Cameron, astute Ford Motor official, points out that employment of older men was steadily increasing, that they "are younger than they used to be," and that the percentage of employees from 40 to 65 years of age has increased from 23 percent of the total in 1900 to 35 per cent in 1930.

BIG CHRISTMAS FUND

New York City.—In 14 states where Christmas clubs operate through mutual savings banks, \$1,226,891 members banked \$51,637,361 this year, a gain of \$8,000,000 and 163,000 depositors over last year. The average account is \$42.10.

MARK BROTHERS CONVICTED

Hollywood, Calif.—In Screenland's first suit for criminal copyright infringement, a Federal jury convicted Groucho and Chico Marx, radio and movie comedians, of pilfering a radio skit called "Mr. Dibble and Mr. Dabble." The Marxes have already paid the author of the sketch \$7,500 to settle a civil suit, but now face a possible jail term.

ANTI-NAZI MOVE FAILS

New York City.—Attacking the American naturalization of Fritz Kuhn, leader of the German-American Bund, Julius Hochfelder, a lawyer, tried to have Kuhn's citizenship annulled because of "pagan philosophies" and a desire "to destroy Jews and Catholics." Federal Judge Clancy, addressing Hochfelder, said, "This whole thing is revolting. When did the people of the United States vest you with such authority? The Department of Justice alone has the right to come into a matter of this sort." Then he threw the case out of court.

OCTOBER FINANCIAL RECORDS

New York City.—The most active October since 1930 closed on the New York Stock Exchange with sales of 51,093,381 shares, a gain of nearly nine million shares over the same month last year, producing on October 19th the broadest market in the history of the Exchange, dealing in 1,046 issues. In dividends, 888 corporations disbursed \$304,634,647, the largest for the month in seven years. At the end of the ten month period, dividends declared amounted to \$3,382,785,000, more than half a billion dollars more than the first 10 months of 1936.

THE WEEK IN BUSINESS

Discounting the importance of the recent slump in stock prices, Gen. Chas. G. Dawes, Vice-President in the Coolidge administration, compared it to the "crash" of 1899, which had no effect on commodity prices. "I see no reason to expect more than a mild business recession in the present cycle," he said. William W. Woods, president of the Institute of American Meat Packers revealed that wholesale prices of most meats have dropped from 5 to 31 per cent since mid-September. Packer Thomas E. Wilson, said that this year's wage increases were larger than last year's profits, and that the packers' attempt to cover

the added costs precipitated the recent strike of Kosher butchers in New York. "Sheer nonsense" was the reply of J. P. Morgan & Co., to the charge made by Dr. W. Jett Louck, chairman of Pennsylvania's Anthracite Coal Industry Commission, that the great banking house and friendly interests controlled prices, by dominating both coal mining and coal-carrying railroads. The steel industry employs 12 laborers to every white collar worker, pays out in wages \$5.95 for every dollar paid in office salaries, nearly doubling the ratio prevailing in other industries. Even the revision in margin requirements on the New York Stock Exchange fails to change the wide discrepancies between stock prices and industrial earnings. United States Steel declared its first common dividend in more than five years, yet its stock sold at half the price prevailing earlier in the year. A similar condition prevails in other leading issues.

CONSIDERING NOBEL PEACE PRIZE

Washington, D. C.—One mission of Dr. Halvdan Koht, Norwegian Foreign Minister, in this country is said to be a possible selection of Secretary of State Hull for this year's Nobel Peace Prize. Nominated for the award last Spring, President Roosevelt withdrew in favor of Secretary Hull.

TO RESUME LABOR PARLEY

Washington, D. C.—After the fizzle of the preliminary meetings, delegates from the American Federation of Labor and the Committee for Industrial Organization plan to resume peace negotiations between the two unions this week. One story has it that William Green, president of the A. F. of L., will be appointed ambassador to a minor European country, leaving the big league labor field open for John L. Lewis, C. I. O. chief. Green's friends ridicule the idea of any retreat on his part, and plan to draw Labor's attention to Lewis's \$5,000-a-year permanent apartment in New York's swankiest hotel in addition to his luxurious home in Alexandria, Va.

STEEL'S YOUNGEST HEAD

New York City.—When E. R. Stettinius, Jr., at 37, succeeds Myron C. Taylor as chairman of the United States Steel Corporation, he will be the youngest man ever to hold the top post in American industry. Son of a former partner of the J. P. Morgan & Co., his elevation is part of Mr. Taylor's planned reorganization of "Big Steel" along youthful lines.

Assists Veterans

Service and Ex-Service Men and Families Are Given Aid By American Red Cross

Assistance to service and ex-service men with their families has continued to be one of the outstanding responsibilities of the American Red Cross, according to F. L. Garrett, Home Service chairman of the Ochiltree County Chapter of the Red Cross. Mr. Garrett said that 230,657 men in the Army, Navy, Marine Corps, or Coast Guard, and ex-service men, had been assisted in some way during the past year by Red Cross Chapters.

"In addition to assisting men in active service or veterans," Mr. Garrett said, "Red Cross workers are called upon many times each year for help in adjusting their family difficulties or in lending aid in countless personal problems whether they are in actual service, in hospitals, or going about their civilian ways after discharge."

Disabled war veterans or their widows and orphans in large numbers need the assistance of the Red Cross in securing pensions or other government benefits, especially since it is the responsibility of the claimant to establish his claim for government assistance. Sick and disabled veterans come to the Red Cross for assistance in entering government hospitals for treatment, or for help in preparing claims for adjusted compensation and government assistance.

"Our chapters over the country," he said "helped 222,400 veterans and 8,257 in the peacetime forces and their families during the past year. In this community, the Red Cross has given assistance to several veterans and their families."

"This work for service men, like other services of the Red Cross, is maintained by the membership dues collected during the annual Roll Call which is held each year between November 11 and Thanksgiving Day," he concluded.

on the eve of his American tour, that his mission in studying housing conditions had been misinterpreted, it is possible that the British Government may issue a formal statement covering his abdication and the circumstances of his self-imposed exile.

PREPARED FOR BIG WIND

Miami, Fla.—This city's newest skyscraper, first to be started since the hurricane of 1926, is planned to resist a wind velocity of 200 miles per hour, greater than any storm ever recorded. Reinforced steel makes it the heaviest building of its size ever erected in America.

PASSING BUSES LAW VIOLATION

CAR DRIVERS VIOLATE LAW IN PASSING SCHOOL BUS THAT IS STOPPED TO UNLOAD SCHOOL CHILDREN

Some complaint has been made by drivers of Perryton school buses that car drivers do not stop when approaching a stopped school bus. Many persons, doubtless, do not know that it is a violation of the law for the driver of any car or vehicle to pass a stopped school bus while the bus is stopped for discharge of students. Others do know they are violating the law, but are careless.

R. A. Burgess, superintendent of the Perryton schools, is asking that all car drivers cooperate in further protection to school children, by coming to a complete stop when approaching a school bus unloading children.

Passing a stopped school bus is very dangerous practice and eventually will result in the death of some school child. Only two weeks ago in Lamb county, a child was killed when a driver did not stop when he approached a stopped bus. This could happen to your child or your neighbor's child.

Children will be children and with all the cautioning "that is given them, they do not exercise the care in crossing the road after leaving the bus that elders do. It therefore becomes necessary for drivers to use caution when approaching a stopped school bus. Most of the failure to use this caution is due to thoughtlessness on the part of the driver of the car. We are sure that when reminded of the danger, drivers will be only too glad to comply with this feature of the law. Observe the law and help save the life of a child.

Parents of children who ride the bus can also help by urging their children to exercise care when alighting from a bus. After alighting from the school bus and BEFORE crossing the road—any road—the child should stop, look and listen.

Loyalty
 Today, tomorrow and all the days to follow is the best time to show one's loyalty to his country, parents, home, friends and school.
 Loyalty consists of more than being true to one's friends or school when everything is slipping along smoothly. It is when the road is rough, the thorns more plentiful than the roses, and it seems as though luck has been against you since you entered into existence, that the loyalty of a friend is truly appreciated.
 Loyalty doesn't mean much when one hears someone say that he would lay down his life for a cause, or person, and then when the time comes for him to live up to his word, retreat because life means more to him than death for loyalty.
 Students who strive to be loyal to their school will do their level best to keep up a high moral standard; try to attend as regularly as possible; stand up for their school when it is being ridiculed or "knocked"; obey the rules the teachers have made for their benefit, and work together for a common end.
 We may show our loyalty by our actions, words and thoughts, as well as by deeds.

Community Program
 A community program will be given at Bethany Friday night, November 5th, beginning at 7:30 p. m. The program will be made up of numbers from the grade and high school and from volunteer numbers which could be given.

Each of the grade rooms have several numbers. Each grade room will give a short dialogue, a song or two and a few readings.
 Mrs. Smith plans to have the glee club sponsor several numbers.
 Everyone is cordially invited to come out and spend the evening enjoying the program.

Chapel
 Our chapel program held last Wednesday was sponsored by Mr. Cowan. The primary room had two interesting numbers. The boys quartet sang "Kentucky Babe." The president of the senior class gave a very interesting speech about the elements that make for a successful future. Mr. Cowan gave a talk on organizing a 4-H club. Members of the play to be given by the seventh and eighth grades November 5, were introduced. The school newspaper was read by Edna Bayers. Our next chapel will be given November 10, at 11:15.

Grade News
 The primary room had a birthday party Wednesday in honor of Lois Jane Karber and Dorla Nolder. The attendance report for the primary room for October was very good. There was only one absent during the whole month.
 The primary room had a Halloween party during the last period Friday afternoon. The party was sponsored by Mrs. Myers.

Intra-Mural Basketball Tournament
 The girls basketball teams played their class tournament last week.
 To begin with the freshmen and sophomores played. The score was 1 to 8 in favor of the sophomores. Next, the juniors and sophomores played, the score being 3 to 18 in favor of the juniors. The losers of the first game and the winners of the second game played. The freshmen score was 2 and the juniors 23. The losers of the game played the midgets of the freshmen class. The score was 2 to 13 in favor of the freshmen.

English IV
 The English class is finding its Senior year one of the hardest encountered along the way of high

school. There are so many authors to remember who wrote during those dim years of 900 to 1300. And then too, there is much difficulty in translating the reading material from the old English form. We will soon be reading Shakespeare's "Macbeth" and from then on the reading will be easier—we hope!

Don Pounds attended the superintendent's meeting at Stillwater, October 30, Saturday, and reported the best meeting of its kind he ever attended. Beaver county has a very loyal group of superintendents and was one out of four of Oklahoma's counties that had 100 percent membership. The general trend of the meeting was to improve our high schools, to provide for teacher's retirement and to establish a means of promotion of teachers. The principal speakers were: Gov. E. W. Marland, Dr. Briggs from Columbia University, A. L. Crable, State Superintendent, and Dr. Bennett, President of Oklahoma A. and M. college.

Sulfanilamide, New Mystery Medicine, Claims Lives of 46 Persons in U. S.

SULFANILAMIDE... life-saving drug or deadly poison?

Paradox of modern medicine is this German-discovered dye derivative hailed as the means of saving the lives of more than a score of persons, for whom hope had been abandoned, and blamed as the deadly agent in 46 deaths throughout the United States.

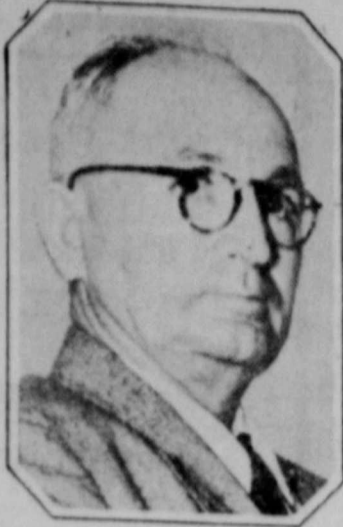

Following the first warning of the American Medical Association that use of the medicine in certain compounds on the market might be followed by fatal results, a frantic nation-wide search was conducted by federal and medical authorities for approximately 700 bottles of the medicine, known to have been sold to druggists.

In too many instances the warning came too late. To eight deaths in Tulsa, Okla., upon which the first announcement was based, were added in rapid succession seven in Illinois, 14 in Mississippi, five in Alabama, and so on until the ghastly total was reached.

SEARCHING for something to kill the germs of the cocci family of bacteria—microscopic circular organisms of the streptococci or chain-like groups, the staphylococci, arranged in clusters, and kindred forms—Prof. Heinrich Horlein, pharmaceutical research chemist of the German dye trust, and his assistant, Gerhardt Domagk, discovered that reagents developed from the red azo dyes had a deadly effect upon the germs.

Following experiments with animals, tests were made upon human patients with surprising results. Sulfanilamide—a condensed form of its long chemical name—was acclaimed on the continent as a cure for the almost inevitably fatal streptococcal infections, childbed fever, and as an effective remedy in the treatment of gonorrhea.

Introduced to America, the preparation gained nation-wide attention when it was administered to Franklin D. Roosevelt, Jr., son of the President, for a

Seven of the 13 patients for whom Dr. A. S. Calhoun, above, of Mount Olivet, Miss., prescribed the deadly elixir of sulfanilamide have died, although the other six are reported to be on the way to recovery. Mrs. Frank Hamilton, right above, one of Dr. Calhoun's patients, is now recovering. Lower right is shown a bottle of the compound.

streptococcal infection. Other cures, deemed almost miraculous, brought it quickly to the attention of the medical profession. In Baltimore, a child of 5, her temperature skyrocketed to 106 by streptococcal infection, was treated and recovered within a few days. Similar effective results were soon reported.

BUT, one wonders, how did this drug undergo such a drastic Dr. Jekyll and Mr. Hyde transformation? The current opinion, announced by the American Medical Association and substantiated by results, is that an elixir of sulfanilamide, not the drug itself, produces fatal effects.

Available at a surprisingly low price, the drug appeared in several commercial compounds, one of which was a solution of sulfanilamide and diethylene glycol. The glycol, not the sul-

familamide, Dr. Morris Fishbein, editor of the Journal of the American Medical Association announced, is responsible for the deaths. A similar compound of glycol is used in some automobile anti-freeze solutions. The substance has the same effects as bichloride of mercury, for which there is no known antidote.

Not entirely doomed, therefore, is the use of sulfanilamide, for, after thorough investigation and research in medical laboratories, it may be returned to market, to continue saving life.

The State of Texas

To the Sheriff or any Constable of Ochiltree County—Greeting: You are hereby Committed to summon **HEIRS OF BIRD DUVAL, DECEASED, THEIR HEIRS, UNKNOWN HEIRS and LEGAL REPRESENTATIVES**, by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Ochiltree County, to be held at the Court House thereof, in Perryton, Texas, on the Third Monday in November A. D. 1937, the same being the 15th day of November A. D. 1937, then and there to answer a petition filed in said Court on the 21 day of August A. D. 1937, in a suit, numbered on the docket of said Court No. 479, wherein **B. B. KENT** is Plaintiff, and **HEIRS OF BIRD DUVAL, DECEASED, THEIR HEIRS, UNKNOWN HEIRS and LEGAL REPRESENTATIVES**, are Defendants, and a brief statement of plaintiff's cause of action, being as follows:

This is a suit in trespass to try title, wherein the plaintiff seeks to recover the following described land, situated in Ochiltree County, Texas, and described by metes and bounds as follows:

BEGINNING, at the N. W. Corner of Section No. 8, Block No. 12 G. H. & H. R. R. Grant iron pipe set in center of E & W road (side pipes set N & S 9 varas)

TENENCE, N. 89 degrees 34' W 270.9 varas to pipe set in West line of Survey No. 22, Block No. 4, G. H. & H. R. R. Company, same being S. W. corner of Survey No. 28 Block "2" J. H. Norwood, Grantee.

TENENCE, S. 0 degree 15' E. along east line of said Block No. 4, at 242 varas. Pass N. E. corner of Section No. 35 in said Block No. 4, 1192 varas to pipe set in S. W. corner of this tract.

TENENCE, S. 89 degrees 34' E. 260.6 varas to pipe set in West line of Section No. 8, Block No. 12, the S. E. corner of this tract.

TENENCE, N. 0 degree 15' East along West line of Block No. 12, 1192 varas to the place of **BEGINNING**, containing .961 acres of land, and being a part of the "Bird Duval" tract of land, patented to the Heirs of Bird Duval, deceased, by patent dated May 28, 1937, Vol. 65 A. No. 330, which is duly recorded in the Deed Records of Ochiltree County, Texas, in Vol. 63, Page 410, to which and the record thereof reference is here made.

Plaintiff specially pleads as a ground of recovery the Ten year

statute of limitation, showing that he has had continuous peaceable and adverse possession thereof, cultivating, using and enjoying the same for more than ten years next before the filing of this suit, and after the cause of action of defendant accrued, if any they ever had, which is not admitted but denied. Prays for title and possession of said land, costs of court, legal and equitable relief, etc.

Herein Fall Not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Oliver I. Carter No. 489 vs. **Frances Helen Carter** IN THE DISTRICT COURT, OCHILTREE COUNTY, TEXAS. The State of Texas to the Sheriff or any Constable of Ochiltree County—GREETING:

YOU ARE HEREBY COMMANDED, that by making publication of this Citation in some newspaper published in the County of Ochiltree once in each week for four consecutive weeks previous to the return day thereof, you summon **Frances Helen Carter** whose residence is unknown, who is alleged to be non-

resident of the State of Texas, to be and appear at the next regular term of the District Court of Ochiltree County, to be held at the Court House thereof, in the City of Perryton, on the Third Monday in November A. D. 1937, the same being the 15th day of November, A. D. 1937, then and there to answer a petition filed in said Court on the 13th day of October A. D. 1937, in a suit numbered on the Docket of said Court, No. 489 wherein **Oliver O. Carter** is plaintiff, and **Frances Helen Carter** is defendant; the nature of plaintiff's demand being substantially, as follows, to-wit: Plaintiff sues to annul the marriage of plaintiff to defendant which said marriage was formally solemnized on or about the 3rd day of July, 1937, plaintiff alleging that the said marriage of plaintiff to defendant on or about said date was, by reason of her marriage to **Cyrus M. King**, null, void and of no force and effect; plaintiff showing that upon representations of defendant that she was a single

woman, he then and there believing same to be true and relying thereon, married defendant at Canadian, Texas, on said date, in good faith and fully believing her to be a single woman not having been previously married; but plaintiff shows that at said time she was the wife of **Cyrus M. King**, having previously married said **Cyrus M. King** on or about the 23 day of January, 1937, which said marriage of defendant to said **Cyrus M. King** was on said date of plaintiff's marriage to defendant in full force and effect.

HEREIN FAIL NOT, but have you before said Court on the said first day of next term thereof this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in the City of Perryton, this 13th day of October A. D. 1937.

SKINNY spaces in your engine!

No gangway for mere fast-flowing oils. Instant safety with **WINTER OIL-PLATING**

Long, skinny oil passages. Pinhole filter screens. Almost invisible spaces between the parts—even in worn engines. There's what any oils are up against trying to flow all through your cold engine "instantly."

Even if some lay claim to flowing as fast as your correct Winter grade of Conoco Germ Processed oil, what of it? They absolutely cannot OIL-PLATE your engine.

And OIL-PLATING is actually ready to lubricate long before any known oils faintly hope to circulate!

Before you even approach your cold car, OIL-PLATING is already up to the top of your engine, left there by Germ Process action.

This slippery PLATING of oil eases the job for starter and battery...wipes out ruinous Winter warm-ups for you. Your Conoco Mileage Merchant OIL-PLATES your engine with your correct Winter grade of Germ Processed oil and it goes weeks longer between quarts.

HORSE DISEASE STILL SERIOUS

OKLAHOMA COUNTIES REPORT MANY HORSES SUFFERING WITH SLEEPING SICKNESS MALADY

Here is a recent report of a county agent: "The sleeping sickness in our horses in this county is getting to be bad. Up to Saturday night, I would say, we had at least 100 cases of the sleeping sickness in the county. I do not know whether we have reached the peak of this disease or not but I surely hope so. We have two veterinarians in the county who are treating the horses as rapidly as possible."—H. L. Duncan, Agent, Carter County, Oklahoma.

Nearly every county agent in Oklahoma has made a similar report to this, some much worse and some very optimistic. Any way, there has been much loss. It seems from the reports and two personal visits by the writer, that the disease is rapidly being stamped out. It seems to be easily and quickly cured if the veterinarian aids the horse promptly.

In most cases where the farmer calls a "boss" doctor who hangs a lump of asafetida around the horse's neck or burns feathers under his nose, or some other similar treatment, the horse usually dies. Very few horses have died where a real veterinarian got to them in the early stages and now the disease is nearly wiped out in the state.

If a horse quits eating, stands around in a sleepy condition or staggers when he walks, it is a good idea to get a veterinarian to him as promptly as possible.

In nearly every case where this has been done the horse was saved. Dr. C. C. Hise, state veterinarian, of Oklahoma City, has done efficient work in stamping out this disease. The county agents in every county have also been efficient in getting this disease stamped out by promptly calling in a veterinarian through application to Dr. Hise, and going with veterinarians and helping in any way possible.

To State Convention

Rev. and Mrs. McClung Represents Perryton Baptist Church at El Paso, November 8-13

The Baptist General Convention of Texas held in El Paso, November 8-13, is the largest State Convention of its kind in the world. Elaborate plans for entertainment of delegates and visitors have been made, including a trip to the latest wonder of the world, Carlsbad Caverns, New Mexico.

Rev. and Mrs. S. R. McClung, are delegates from the local church, and will leave Monday morning to attend this State Conference.

Outstanding leaders of the denomination will appear on the program and report on the various phases of

the work. Reports will be given on Baptist colleges and schools in Texas.

Baylor University, whose great winning football team has been the National sports sensation of the year, and other Colleges will occupy a place on the program. Reports of progress during the past year are expected to be heard from Baylor, Hardin-Simmons of Abilene, Mary Hardin-Baylor of Belton, Wayland College of Plainview, Howard Payne of Brownwood, the College of Marshall and San Marcos Academy.

Notable progress financially and otherwise has been made by other Baptist schools and their leaders will outline plans for the future in their annual reports.

RANGERS SMASH BULLDOG TEAM

DISPROVE PREDICTIONS OF A HIGH SCORE AGAINST HOME TEAM BY TURNING TA- BLES ON BORGER

Friday afternoon, October 28, on the Borger football field the Perryton Rangers played a non-conference "warm-up" game. The entire game was proof of the fact that the Rangers put their energy and minds to work throughout their tricky plays to beat Borger.

In the middle of the first quarter Lewis carried the ball from the

Bulldog's 1-yard line for the first touchdown. Lewis also carried the ball around left guard for the extra point, making the score 7-0.

In the second quarter Borger's quarter back Allen, carried the ball from Perryton's 2-yard line for their only touchdown during the game. Allen failed to make the extra point, bringing the score at the end of the first half to Perryton 7, Borger 6.

In the third quarter there was no scoring for either side. The Bulldogs decided that the Rangers meant business and from the third quarter on to the finish, both teams played real football.

In the fourth quarter McWilliams carried the ball from Borger's 1-yard line for another touchdown. C. Flowers failed to make the extra point making the final score Perryton 13, Borger 6.

GIRL SCOUT NEWS

The girl scout club has looked in the American magazines and found out all they can about what other Girl Scouts are doing in their states. We hope to know more about Girl Scout rules by the end of the year.

Last club day we had a baseball game which was enjoyed by all the girls. Members of the Girl Scout club enjoyed a lovely evening at the High School gymnasium last Thursday. Each member invited a guest and all enjoyed the evening playing games. Refreshments were served to Hazel Cook, Anita Jackson, Sue Sellers, Glenna Williams, Jackie Callihan, Eloise Johnson, Avanelli Hill, Helen Lewis, Miss Mitchell and Letha Nichols.

V. A. MEETING

Mr. C. H. Williams, instructor in Vocational Agriculture, Ted Slavin, and Gene Cudd went to a V. A. meeting for the purpose of office training, at Pampa on Saturday, October 30. The meeting was attended by boys and teachers from ten schools, with the next meeting to be held at Canadian, December 4. Ted Slavin is the district reporter.

TRAVEL CLUB

The Travel Club met Thursday at club period. We discussed Waco, its college and park. The club will discuss Austin at the next club meeting.

HOMEMAKERS' CLUB

During club period Thursday Mrs. Haggard read the creed of the club. Each chapter of the state has this creed written by Miss Cole, a poet, of Dallas, Texas, and it will be placed in the front of our record book. Various other points to be used were mentioned.

We had a short discussion about the initiation of the first year Homemaking girls.

CAMPUS CHATTER

All week our joy has known neither circumference nor diameter because of the victory last Friday of our Rangers over Borger's Bulldogs.

There goes Grover Crum wearing some extra chic and devilishly cute suspenders, but why tell you? They speak for themselves.

Then there's Leland Horne who has great difficulty in fitting himself to a desk.

And there is Joan Balzer, the grocer's daughter, who insists that her dates come in packages. Unriddle that one we blush at our stupidity.

There comes Jean Lynch. We tell her that her hair is standing straight up and she unconcernedly asks, "Which Way?", we feel like screaming.

Here comes Harold Witt, who planned to go swimming somewhere today, but just in time recalled that it wasn't Saturday.

Here comes Mary Ellen Newman who tells us to stop calling that boy "Flannel" for he isn't so hot.

And here's Warren Cudd, who reminds us that we should never go into water after a hearty meal because we won't find it there.

And then there's Lee Edge, the little ray of sunshine full of grouches.

Here's Earl George, who isn't drinking deep of the fountain of knowledge. He's just gargling.

There's Mr. Haggard, who can do all with mathematics that an Italian can do with macaroni.

And here's Betty Jo, who after taking a test reminds herself that the ignorance which is bliss leads to knowledge which is painful.

Last and not least there is Dick Neis longing to take tap dancing. Why?

JUNIOR CLASS NEWS

The play committee for the Junior class composed of Glenna Williams, Edwin Thomas, Dickie Littleton, Bobby Lawrence and Mary Ellen Newman are working to select a Junior play. They are reading "Campus Cut-Ups" at present.

HALLOWEEN

The ghost walked a few nights early this Halloween as spirits and hobgoblins came out of their long seclusion for their annual frolic and fun.

Pestivities began Thursday and Friday when the home rooms in the grades had Halloween programs and parties. Room mothers brought cleverly wrapped surprise packages of popcorn balls and apples. The spirits of fair play, good breaks, luck and fine team were certainly abroad Friday afternoon over in Borger. While blinked a bit in the bright sunshine, they managed to put the game in the bag.

"Halloween is so called because it is the eve of the Christian festival of All Saints. The name means Holy Eve, a time originally set apart to honor the memory of all saints.

The building of bonfires, cracking of nuts, bobbing for apples floating in tubs of water, and telling of fortunes and ghost stories, which are now Halloween customs, are all relics of paganism. About thirteen centuries ago pagans celebrated November 1 as All Saints Day, when spirits, both good and evil, were believed to be on earth.

The Druids also celebrated their harvest festival about that time, and many strange ceremonies were performed. Even after the pagans adopted Christianity, they still observed many of their old customs, including those which have survived as the Halloween diversions of today.

In past years the ceremonies peculiar to the occasion in Scotland were of a highly superstitious nature and Burns humorously described them in his poem, "Halloween."

THROUGH THE KEYHOLE

Well, Sibyl, I believe this romance of yours is getting along all right, but you better be careful, there might be some girls who would like to break it up.

Why is Betty Jo carrying around a sore foot? We've all heard that slang expression, "I'll step on your neck." Maybe she met a real short fellow with the same idea.

Who was the tall, dark, and handsome fellow that rapped on Jean's door?

Christmas comes but once a year. These people with friends off at school think it is mighty slow getting here.

DRAMATICS CLUB

The last club period was spent in practicing the play, "Romance in a Boarding House," which is to be given sometime in the near future. The cast has been working on the parts and the club is sure the play will be a success. Margaret Farnsworth is acting as the prompter.

PEP SQUAD NEWS

The members of the pep squad wore their new suits to Borger. The red shirts and black skirts were very attractive with the white Ranger jackets.

Mary Ellen Newman, the former secretary has withdrawn from the pep squad, and Glenna Williams has been elected to take her place.

There will be a good stunt for the Spearman game.

MEET THE RANGERS

Truman Garrison, Truman is better known as "Toots" to all of the students in high school. "Toots", weighing 178 pounds, is a team mate with "Speedy" Johnson. "Toots" is playing his last year for P. H. S. and is going to be missed by the entire squad as well as by the rest of the students. This is "Toots" third year of good, rough, football.

R. A. Johnson, B. A., better known as "Speedy" to everyone in general, has made the Ranger squad for the past three years. "Speedy" was another of the boys who started his football career with Mr. Byron in Junior High.

"Speedy" weighs 210 pounds and plays right tackle. Although he is a Junior in high school, this is "Speedy's" last year of football. I don't know where we can get anyone to fill his shoes, for he is a good football player and has big feet also.

Chapel Program

Boys and Girls Glee Club Gave a Musical Program in Chapel Last Thursday

The chapel program for this week was prepared and presented in good form by the boys and girls Glee clubs. The boys directed by Mr. Bush and accompanied by Miss Ruby Neufeld, sang three numbers, "Indian Campfires," "Rolling Down to Rio" and "Belles of the Sea". All three numbers showed evidence of hard work by the club.

The Girls directed by Ruby Neufeld and accompanied by Jean Lynch sang three numbers, "Happy Days," "Indian Dawn" and "Marie."

Both the choral clubs sang "Anchors Aweigh" and dedicated it to the football boys, pep squad and band members. It was to inspire them for the victory we would like to have in the Spearman game, November 11.

ROOM 5-A

Joyce Lance was elected the new president of Room 5-A at the last meeting. Other officers are Gale Rogers, vice president, Johnny Dunlavy, secretary and Dudley Hargrove, reporter.

In health we are making a school room out of a box. We have a pep squad in our room, and Opal Pearl Murray is the leader.

Agnes Kinzell of Pollett visited school Monday and Tuesday.

3-A NEWS

Room 3-A had a Halloween party. Everyone was present except Jack Mongan. We played games.

Our room mothers, Mrs. Platt and Mrs. Caldwell, had nice refreshments. Each of us had a sweet sandwich, some ice cream, a muffin and punch.

We thank Mrs. Platt and Mrs. Caldwell for the enjoyable party.

MEET THE SENIORS

Benson (Buster) Bowen's favorite sports are tennis and playground ball. Before coming to this school three years ago, Benson attended school at Lone Tree and Booker.

He has gray eyes and brown hair and his ambition is to be a Diesel engineer.

Nelda Rose "Queenie" Wright, the pride of Kemper, came to this school from Edinburg, Texas. She is secretary of the student body, reporter of the Senior class, and vice-president of the Dramatics Club. "Queenie" received her nickname when she was elected queen of the freshman class. She was school queen last year. Her hobby is collecting signs and she plans to enter Edinburg Junior College upon graduation from this school.

Twenty Questions on Social Security

Question No. 13
QUESTION: Is it necessary for an employee to have his account number card with him at all times or should the employer keep it.
ANSWER: The employer should make a record of the employee's account number, but in no case should the employer keep the account number card of the employee. Employers holding cards of their ex-employees should try to find these workers and return their cards to them. If employers are unable to return such cards, they should be forwarded to the nearest field office of the Social Security Board.

It is not necessary that the employee keep his account number card with him at all times. After he tells his employer his number, he should then place the card in a safe place and in addition should make a record of his number in case the card is lost. An employee should have only one number all his lifetime and need not apply for a new card if he changes employers. If he loses the card, he may apply to the nearest field office of the Social Security Board for a duplicate, but in no case should he make application for another card until instructed to do so.

CHURCHES

PLAN ALL DAY MEETING AT UNITY CHAPEL NEXT SUNDAY

The revival at the Unity Chapel, Church of God is still in progress with interest and attendance rapidly increasing. Rev. F. T. Hart and W. Stimpson of Gravette, Arkansas, are delivering some wonderful sermons to the congregation.

It was announced by members this week that all day services are planned for next Sunday, November 7. Dinner on the ground will be served at noon with afternoon services to be held at 2:30 p. m. Representatives from several out of town churches are expected to be present on that day and everyone is invited to come and bring their dinner and spend the day.

CHRISTIAN SCIENCE

"Adam and Fallen Man" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, November 7.

The Golden Text is: "It is the spirit that quickeneth; the flesh profiteth nothing" (John 6:63).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else" (Isaiah 45:22).

The Lesson-Sermon also includes the following passage from the

Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "In Science man is the offspring of Spirit.—Spirit is his primitive and

ultimate source of being; God is his Father, and Life is the law of his being" (page 63).

Still Coughing?
No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

LONG-AWAITED FILM TRIUMPH

SIBSLEY TEMPLE APPEARS IN TITLE ROLE OF UNFORGETTABLE SCREEN PLAY OF "HEIDI" HERE

Seldom does a book come to the screen with the background of tradition which distinguishes "Heidi," famous story of Johanna Spirt read and loved by millions of world readers now produced by Twentieth Century-Fox with Shirley Temple starred in the title role, currently at the Ellis Theatre.

"Heidi" was originally published in German by an authoress who has achieved no unusual prominence until the appearance of this masterpiece. In the years that followed the classic sold into the millions of copies and was translated into all modern languages. It appears on the prescribed reading list of schools all over the world.

Booksellers report that "Heidi" is a perennial best-seller and that it is in constant demand at public libraries.

Ever since Shirley Temple became America's first star of the screen, thousands of fans have written to suggest that she make "Heidi." It was in response to these requests that Shirley was cast in the role.

Jean Hersholt is featured as "Heidi's" grandfather.

Other selections for the characters in the story, adapted to the screen by Walter Parris and Julien Josephson, include Arthur Treacher as Anderson, the Sememarth's butler and Helen Westley as "Blind Anna," Pauline Moore, portraying Elsa, supplies the romantic interest opposite Thomas Nash as "Fraulein Rottenmeier," Sidney Blackmer plays "Herr Sememann," and Mady Christian, "Aunt Dete."

UNEMPLOYMENT

(Continued from page 1)

past office or either bank.

It is the urgent desire of the Government that every unemployed or partly unemployed person answer these questions and mail the card before Saturday midnight, November 25. No postage stamp is necessary on the card.

This information is needed by the Government before any definite plans can be made towards solving this problem of unemployment which has disturbed the country for so long, and which has had such a destructive effect on the welfare of the individual family life of the nation.

The information on these cards will be used only for the purpose of the Unemployment Census. It is not to be used for investigation, taxation, checking on citizenship, or for any other purpose to the disadvantage of the unemployed individual. Names of signers will not be published or made public.

Huntoon P.-T. Ass'n

Huntoon Parent-Teacher Association Will Hold its Monthly Meeting, November 12

The November meeting of the Huntoon Parent-Teacher Association will be held Friday, November 12, at the Huntoon school house. Mrs. A. E. Devers will be leader for the program. The theme for discussion is "The Family's Share in the School Program."

A special Indian program is being prepared by the Primary room and will be presented. The Rhythm Band will give several selections during the evening.

All members of the Huntoon association are requested to be present. The public is invited to enjoy this program.

IMPORTANT!

There will be a meeting of the McMillen Agricultural Association at the McMillen school house, November 12 at 8 p. m. This meeting will be of interest to every farmer in the community and concerns their welfare. All who can possibly do so are asked to be present at this time.

E. B. Lee and Fred Mannen, who have been working at Leadville, Colo., returned to their homes in Perryton Tuesday.

Mr. and Mrs. Tip Top Collinsworth, Mrs. Beulah Stark and Walter LaMaster left last week for a visit with relatives in Virginia and West Virginia. Mrs. Ralph Parson and son, sister of Mr. Collinsworth, will accompany them home the latter part of this week.

Mr. and Mrs. Harold Platt announce the birth of a daughter on Wednesday, November 1. The young lady has been named Jeannette. Mrs. Platt and daughter are resting nicely at the Perryton hospital.

Dr. R. M. Church and son and wife, Mr. and Mrs. R. M. Church Jr., Stillwater, Okla., visited from Sunday until Tuesday with Dr. Church's sister, Mrs. J. M. Willey.

Start Trap Shoots

American Legion Buys Trap and Will Hold Public Trap Shoots; First On Work Last 13

Trap shoots will be held regularly in Perryton, starting on Saturday, November 13, so announces Sibley Jines, chairman of the committee from the American Legion Post, who will be in charge of the shoots.

A new trap has been purchased by the Legion and the shoots will be held just as long as there is sufficient interest from local sportsmen. Mr. Jines states that a supply of clay pigeons has been purchased. Trap shooters must supply their own guns but ammunition will be on sale on the grounds.

BAND DELEGATE ATTENDS MEET

BOBBY WHIPPO AND SUMPTER REED GO TO LUBBOCK FOR BAND DIRECTOR CLINIC NOVEMBER 4-5-6

Bobby Whippo, bass drummer in the Perryton High School band, was selected this week to represent the band in a demonstration band composed of the most talented players from the best bands in this part of the state, which will play at a meeting of the Band Directors Clinic in Lubbock, November 4-5-6.

Mr. Whippo was selected from several possible members in the band for the honor.

Sumpter Reed, Perryton band director, will accompany Bobby Whippo to Lubbock. They left Perryton Wednesday afternoon and expect to return Sunday, November 7.

Perryton High School has one of the first rating high school bands in the state and is showing fine results under the direction of Sumpter Reed, who was selected to fill that position upon the resignation of W. I. Byron at the opening of the current school term.

Methodists Meet

Presiding Elder Hinds in Charge of Fourth Quarterly Conference On November 4

According to W. B. Vaughn, pastor of the Perryton Methodist Church, the fourth Quarterly Conference will be held at the Methodist church Thursday, November 4, at 7:30 p. m. Rev. W. C. Hinds will preside.

This will be the last Conference Rev. Hinds will hold for this church, as he is finishing his fourth year on the Perryton District and will be assigned to another work at the coming Annual Conference.

At the Conference Thursday night there will be reports from all the departments of the church. Also at this time Stewards will be elected for the ensuing year. All members of the church are welcome at this meeting.

ARMISTICE DAY

(Continued from page 1)

cluding those who assisted with the program, will attend the basket dinner at the Legion Hall.

Auxiliary hostesses for the basket dinner are Mrs. Sibley Jines, Mrs. Hugh Shotwell, Mrs. Tom Denman, Mrs. J. R. Thomas, Mrs. Robert Lawrence, and Mrs. J. H. Nail.

The center of attraction in the afternoon will be the time honored gridiron classic of the North Plains between the Perryton "Rangers" and the Spearman "Lynx." The game will be called at 2:30 o'clock at Ranger Field. While the "dope" favors the Rangers this year, this is a game where anything can happen and in past contests between these two rivals, the team with the best record does not always win.

A public dance will be held at Donley Hall in the evening under the auspices of the American Legion "Avil" Snyder's 8-piece dance band from Clinton, Oklahoma will provide the music.

Mrs. J. E. George and Mrs. Jennie Karau, Liberal, Kans., were guests in the C. E. Woods home Sunday and Mrs. Woods returned with them for a few days visit.

H. E. Shotwell, city mail carrier, is taking his vacation and LaRue Norris is substituting in his place.

Mr. and Mrs. W. L. Herndon Jr. and son, Billy, went to Pampa Friday night after attending the Perryton-Borger and Phillips-Panhandle football games and spent the weekend in the homes of their parents, Mr. and Mrs. J. S. Biard and Mr. and Mrs. W. L. Herndon.

School Ranks High

Huntoon Meets State Requirements And Receives Certificate for Work Last 3 Years

For the last three years Huntoon school has held a Standardization Certificate for meeting certain state educational demands. Mrs. R. T. Bowen and Mrs. C. M. Black teachers in the Huntoon school, deserve much credit for this high rating. Under their leadership, and with the cooperation of the patrons, the school looks forward to meeting the additional requirements this year.

Improvements have already been made. New books have been added to the library; all playground equipment has been repaired and put in first class condition; lunch shelves have been screened and a new cement walk has been built at the front of the building.

McMillen Officers

McMillen Agricultural Club Elects Officers and Makes Plans for Meeting, November 12

At the October meeting of the McMillen Agricultural Association the following officers were elected: Harvey Urban, president; Mrs. Delbert Davis, secretary-reporter; James Hardy, community committee-man.

A literary society was also organized at this meeting. The program committee, composed of Calep Howard, Atlas Flowers and Paul Hardy, will be responsible for a program each month. These programs or entertainments will be given at the Agricultural meetings.

A refreshment committee was appointed by the president: Mrs. B. L. Barnes, Mrs. Forest Forgy and Mrs. Dave Unruh, Miss Wertha Tarter, County Demonstration Agent, and E. W. Thomas, County Agent, addressed the October meeting. The school children under the direction of their teacher, Mr. Shelton, gave several songs.

The McMillen Agricultural Club will meet the second Friday evening of each month. The next meeting will be Friday, November 12. There will be a program, followed by a social hour.

Attend Board Meeting

Petition Began for Recognition of Townsend Plan By Texas Legislature

E. O. Bruner, secretary and treasurer of the local Townsend club, attended a board meeting of Townsend clubs in the Amarillo district Monday, November 1. Mr. Bruner is a member of the board which is comprised of 15 representatives from 45 clubs in the Panhandle District. The meeting was presided over by Dr. Bartlett, chairman, in the county courtroom at Amarillo and was held for the purpose of determining ways and means of soliciting names for a petition to the Texas legislature and Governor requesting that they recommend the basic principles of the "Plan" to Congress.

Mr. Bruner stated that in the communities in which the petition had been tried, about 80 per cent of those contacted signed it. In a few days workers from the local club will start the petition through this community.

Mr. and Mrs. W. L. Herndon Jr. and son, Billy, went to Pampa Friday night after attending the Perryton-Borger and Phillips-Panhandle football games and spent the weekend in the homes of their parents, Mr. and Mrs. J. S. Biard and Mr. and Mrs. W. L. Herndon.

"AG" MEETING AT COURTHOUSE

1937 OFFICERS SELECTED AT MONTHLY BUSINESS SESSION; ROGER PEARSON IS PRESIDENT

The November session of the County Agriculture Association was held at the courthouse Tuesday morning, ten o'clock, with Mrs. Curtis O. Roach, vice president, in charge. An enthusiastic session was reported with twenty-five members present.

E. W. Thomas, county agent, outlined some future work for the organization. The main project being to assist in the promotion of boys club work throughout the county.

After the disposal of other business, new officers were elected. They are: Roger Pearson, president; O. A. Schuster, vice president; Harvey Urban, secretary; reporter; and Curtis O. Roach, treasurer. Delegates selected to attend the Texas State Agriculture Association at Fort Worth on December 9, 10 and 11 were Mrs. Del Wilson, W. M. Deck and Roger Pearson. Mr. Deck will also attend the national meeting of the American Farm Bureau Federation at Chicago, Ill., on December 13, 14 and 15.

Sunday dinner guests of Mr. and Mrs. Cecil Dodd were Mr. and Mrs. J. W. Richardson, Mr. and Mrs. A. H. Nichols, Mr. and Mrs. Stanley D. Key and sons, Jim and Jerry, and Miss Elizabeth Richardson.
