

KYLE ALLCORN

## HE'S HARD LUCK KID

### Bad Breaks For Kyle

Kyle Allcorn, 4-year-old son of Mr. and Mrs. Gerald Allcorn, is having himself a bundle of bad luck.

From the last day of May until after the close of October, the youngster hardly has had his right arm out of a cast.

"He broke it the last day of May the first time," said his Mother, "and he fell again the last day of September and rebroke it."

The Allcorn household hardly has been without a broken bone this year. Vic, 7, has added a broken toe and a fractured collar bone to the assortment.

"We asked the doctor if something was

wrong with the boy's bones," said Mrs. Allcorn, "and he told us it was just the way they happened to fall."

Kyle broke his arm first when he and Vic ran together in the kitchen. The second break came when he fell off his Mother's knee and tried to brace himself from a harder fall.

Vic had his toe broken in the power lift of a tractor, and his collar bone was fractured in a first grade football game.

Mrs. Allcorn said, "Kyle always has been inclined to use his left hand, and the cast probably will make the usage permanent."

# Olton, Dimmitt Tilt Opens District Wars

## Victor May Take All The Marbles

Dimmitt, apparently a 3-AA sleeping giant, roused itself last Friday night and swatted down once-beaten Floydada, 8-2, in a major upset.

The Bobcats will attempt to pick up where they left off by back-handing Olton's twice-beaten Mustangs. One of the Mustang defeats was a 14-0 shutout with Floydada.

The out-of-town encounter will be the first district contest for both clubs. Kick off time is 7:30 p.m.

Dimmitt comes into the game with an unimpressive 2-4, won-lost record, but a couple of its losses have been to powerhouse teams.

Lockney is the only other team besides the Whirlwinds to fall prey to the Bobcats.

In the 'cats first game, Canyon was hard-pressed in eking out a 14-8 decision. The following week Dimmitt turned the tables on Lockney, 24-18.

In three successive weeks, the Bobcats fell to Hereford, 26-14, Dalhart, 44-0, and Tulia, 33-0. Both Dalhart and Tulia are undefeated.

Coach James Hyatt said this week in a scout report that Dimmitt will be the biggest and roughest team Olton will have met this season.

gaps to get into their opponent's backfield.

On offense, Hyatt said, Dimmitt will use a slot man to the left or right, whose purpose is chiefly to isolate a defensive man. He rarely is used as a pass receiver.

"In the two games I've scouted," said the coach, "they've thrown only seven times." In prior games the Bobcats have controlled the ball, moving up the middle for three, four and five yards at a time.

Jacky Nichols, 195-pound fullback and defensive line-backer, was said to be a key player in the Bobcat attack. "He really comes up and cracks on defense," told Hyatt, "and he is a terrific punter."

The coach said Dimmitt usually has from three to four men in on every tackle. "They tore Floydada up, but if we can throw the ball, I think we can beat them," Hyatt added.

He pointed to their defensive alignment, saying, "It looks like we could get outside their ends, but Floydada, even with its speed, couldn't. And every-time Floydada went to throw, the defense was on top of him."

Clint Summers has carried a heavy Bobcat load this season from his halfback position and represents a threat with his break-away running. Hyatt said Summers runs the hundred in 10.5.

Other Bobcats pointed out for aggressive play were Steve Hutton, 170-pound quarterback; Jim Aldridge, 180-pound slot-back and defensive line-backer; and Jim Axe, 185-pound center.

In the Floydada game, it was Summers who blasted over for the game-winning touchdown and Nichols who plunged for the extra points. Floydada led 2-0 until the last quarter.

Against Hereford, Aldridge ran 22 yards for one touchdown and Hutton raced for the other Bobcat score.

In that particular game, Dimmitt had 373 yards rushing, compared to Hereford's 222. Dimmitt, in its loss to Canyon, also led in statistics, rushing for 271 yards, compared to 171 for the Eagles.

## McClain Rites Read

Last rites for Delmer Clyde "Jack" McClain, 58, were held this morning, Thursday, at 10 a.m. in First Methodist Church, Olton, Rev. Cecil Hardaway officiated, assisted by Rev. R. H. Campbell.

McClain died Tuesday, Oct. 15, at Community Clinic in Olton.

He was born May 25, 1905. Survivors are two sons, Charles and Earl McClain, Olton and one daughter, Mrs. Juanita Cottrell, Olton, six grandchildren, two brothers, Randle McClain, Beaver, Okla. and Elmer McClain, Whittier, Calif.; four sisters, Mrs. Mima Carpenter, Dallas, Mrs. Ora Alcorn and Mrs. Pearl Hudnall, Rhame and Mrs. Maggie Givens, Olton.

Pallbearers were Bill Dickenson, Paul Burrus, Bob Daugherty, George Redinger, Frank Struve and Speck Dodson.

Interment was in Olton Cemetery under direction of Parsons Funeral Home.

## Changes Set In District For 1964-65

Olton next year, will find itself competing sports-wise and other-wise in a new inter-scholastic league classification.

In football, basketball and track, Olton will duel in a district with such schools as Abernathy, Dimmitt, Floydada, Friona and Lockmit.

The re-shuffle came off last week under a state University Interscholastic League ruling. Morton and Muleshoe no longer will be district foes, as the Mules were re-districted with AAA Dumas, Canyon, Hereford, Perryton and Tulia.

Morton replaces Spur in the district with Denver City and next year will compete with the "Big Red", Post, Slaton, Wolf-orth and Frenship.

The re-districting takes effect with the 1964-65 school year and is effective through the 1965-66 year.

The shuffle was prompted by high school population changes in various towns of the area.

Each two years, the state athletic office reviews the enrollments, considering the average enrollment for the previous two years.

The AA classification last year called for a two-year average enrollment of 200 to 400 students. Now, AA enrollment figures have been changed to an average of 215 to 415 students in high school.

The new restructuring applies to all University Interscholastic League activities, both athletic and scholastic.

TEXAS-SIZED okra, well over 10 feet tall, grows in the garden of the James Gallagher family. Here, Gallagher holds a pipe which does not reach the top of the 10 foot 10 1/2 inch plant. The genetic giant looks like a small tree and measures five and 3/4 of an inch around the bottom.

## Giant Okra Plant Attracts Attention At Gallaghers

Who ever heard of okra growing over 10 feet tall? Maybe the jolly green giant in his fertilized garden had such a monstrosity, but otherwise, such a "genetic giant" is considered rare.

James Gallagher, a resident of Olton, was shocked each time he measured the apparent hybrid, and when it got to 10 feet, 10 1/2 inches tall, he wanted its picture taken.

"That darn thing is still growing," he said, "it already looks like a tree."

Gallagher said he had done nothing out of the ordinary as far as tending the plant. "I just watered it regularly, and sprinkled down a little fertilizer before it was planted."

The okra plant was planted about the middle of May and according to the Gallaghers, continues to turn out choice tender okra.

At the bottom, a tape measure showed the "little tree" to be five and 3/4 inches in diameter. There is another giant okra plant nearby, but it's a couple of feet shorter than its gangling brother.

"It must be something in the seed," Gallagher said, "and I intend to save some and plant them next year. I'll see if they get this tall again."

He said he had to cut the pods from the plant two or three times a week and that he had given okra to everybody he could. "I may have to take an axe to it," joshed Gallagher. "The neighbors are kidding me pretty heavily about growing okra on a tree."

# County Pay Hike Proposed

Lamb County commissioners' court Monday gave notice of a proposed 10 per cent across-the-board pay increase for elected county officials.

A public hearing on the proposal, required by law, has been scheduled for Thursday, Oct. 31 at 10 a.m. in the county courthouse, Littlefield.

"The court surveyed pay scales in 12 to 15 other counties before deciding on this course of action," County Judge J. B. Davis told the Enterprise.

"We found the salaries of elected officials of Lamb County to be low in comparison with those of the other counties," he added.

He pointed out that Lamb County officials' salaries have not been increased since 1955. "This increase would bring us more in line with others,"

the county judge added.

Public hearing on the pay hikes is provided for in a H.B. 374, a law which says counties of more than 20,000 and not more than 46,000 population may set salaries at not more than \$8,500 per year for elected county officials named in the law.

The increase would be a straight 10 per cent except in the case of the district clerk. His salary was considered "low in comparison" and the court has recommended an increase of almost 20 per cent in that instance.

The elected officials involved, their present salaries and proposed salaries, are: County Judge J. B. Davis—From \$6,000 annually to \$6,600; as juvenile judge, from \$300 annually to \$330.

County Commissioners A. J. Spain, Henry Lewis, Roy Yeager and Hubert Dykes—From \$4,249.50 annually to \$4,699.92.

District Clerk Ernest Owens From \$4,600 annually to \$5,500.

County Clerk Charles Jones—From \$5,400 annually to \$5,940.

County Sheriff Dick Dyer—From \$5,700 annually to \$6,270.

County Treasurer Lucy Moreland—From \$5,000 annually to \$5,500.

County Tax Collector Herbert Dunn—From \$5,700 annually to \$6,270.

County attorney Curtis Wilkinson—From \$5,400 annually to \$5,940.

## Fire Guts Home Of Bob Huckabees

A farm home in which the Bobby Huckabee family was living burned to the ground about 3:30 a.m. Saturday morning. The house belonged to Drexel Lawson.

Olton Volunteer firemen were called to the blaze, but flames already had gutted most of the house when they arrived.

They did, however, manage to salvage two bed room suites and a living room suite.

Mr. and Mrs. Huckabee were able to carry out most of their clothes, pictures and other small items. All of the kitchen appliances, a washer, dryer, heater and other utilities were lost.

Mrs. Huckabee said Bob woke up when smoke from electrical wiring began burning his eyes and nose.

"I probably would have slept right through it," she said. The fire was reported to have started in the bathroom ceiling and spread to the remainder of the house.

"When Bob woke up," said

his wife, "he first said 'the barn's on fire' then he said, 'no, it's the house.'"

He told his wife to get the children out, 5-year-old Scott, and 8-month-old Jana were asleep. She added, "Bob would hand things to me, and I'd throw them in the car."

The Huckabees had been living at the place for two years. He is a farmer.

Mrs. Huckabee said she was really sorry the deep freeze was lost because of all the canning she had put up.

None of the furniture lost was insured.

Lawson said the house had some insurance on it. He added, "I'm just thankful that everyone got out alright and that no one was injured. We can always replace a house, but we can't replace a human life."

He said the house had just been painted, hooked up to natural gas and partially laid with linoleum.

The burned out family is presently staying with the E. S. Huckabees.

DREXEL LAWSON surveys damage done to a farm house which he once owned. It burned to the ground last week, leaving only charred remains of household appliances and fixtures. Living in the house at the time was the Bobby Huckabee family. Mrs. Huckabee said her husband smelled electrical wiring burning and woke up. The family was able to remove several items from the house before the fire engulfed it.

## She's Not Superstitious

Has anyone seen "Midnight"? She disappeared Sunday the 13th, and there's a little 2-year-old girl who sits on the sidewalk now and sighs, "When's 'Midnight' coming home'?"

Even though Janice Burgess can't talk plain, she still misses her coal black cat.

"She loves that cat," said Janice's Mother, Mrs. Fred Burgess, "the animal was brought all the way from Jackson, Wyoming."

The Burgess family lived in Olton several years prior to their Wyoming move. They now are living in Dr. Lynn Fite's former office building.

If the black cat is found, Mrs. Edsy Hackler, grandmother of Janice, should be called. Her phone number is 285-2570.

"It was such a friendly cat," said Mrs. Burgess, "I'm afraid it followed some child off, or it may have been picked up."

If it isn't enough that Janice wants the cat back, she has an 8-year-old sister, Sherry, who also would like the black cat around again.

And not just for Halloween.

JANICE BURGESS, 2, looking for "Midnight" to come home.

### Course Of Study Chosen

Course of study "Me and My Home", was selected by Kimichi Study Club in their regular meeting, held Thursday, Oct. 10 at 3:00 p.m. in the PCA party room.

The group chose the motto: "Life itself cannot give you joy, unless you really will it; Life just gives you time and space. It's up to you to fill it."

Members voted to enter a float in the Homecoming Parade and discussed projects for the coming year.

Pie, ice cream, Cokes and coffee were served by the hostess, Mrs. Elmer Houston to Mmes. Houston Hamby, Mack McGill, Lennon Young, T. J. Smith, Harlan Carson, Marion Green, Arno Hall and Mrs. Wayne Phares.

The club's next meeting will be Thursday, Oct. 24 at 3:00 p.m. in the home of Mrs. Harlan Carson.

#### CARD OF THANKS

We would like to thank everyone who helped me during the time I was injured, by driving us to and from places, for your visits, food, and cards of well-wishing. Everything has been greatly appreciated. God bless each of you, P.A. Nafzger and family

### 3 Pink WHO'S NEW

Mr. and Mrs. C.W. Leathers are the parents of a daughter, Barbara Diane, born Sunday, Oct. 13 at 10 a.m. and weighing 8 pounds. Grandparents are Mr. and Mrs. W. H. Leathers of Olton and Mr. and Mrs. W.L. Rainer of Plainview.

Mr. and Mrs. Jose Cordero are parents of a daughter, Linda born Tuesday, Oct. 15, weighing 8 pounds and 14 ounces.

Mr. and Mrs. Jose Dominguez are parents of a girl born Monday, October 14. The infant, weighing 6 pounds, 12 ounces, has been named Josefa Maria.

MR. AND MRS. JOHN WAYNE HAIR

### Steffey-Hair Wedding Vows Are Exchanged

Miss Jane Ann Steffey became the bride of John Wayne

Hair in a double ring ceremony Friday, Oct. 11, at 2 p.m. in the home of the bride's mother. Rev. L. E. Laing, Frederick, Okla., cousin of the bride, officiated.

The bride is the daughter of Mrs. Leland Vern Steffey and the late Mr. Steffey of Olton. Parents of the groom are Mr. and Mrs. Wayne Hair, Olton.

Vows were read before an emerald covered archway with baskets of chrysanthemums, with touches of gold, accenting the area.

The bride was attired in a floor length gown, fashioned from white rolled silk, designed with princess silhouette and an empire waistline and three-quarter length sleeves.

The back featured a flared wattle panel. Her elbow length veil of English silk illusion was secured by a tiny crown of hand-made petals of re-embroidered lace edged with seed pearls and enhanced with pearl forehead drops.

The bride carried a cascade arrangement of white butterfly roses and Lily of the Valley atop a white, lace covered Bible.

Mrs. Pearl Hair, the groom's grandmother, provided traditional wedding selections.

Miss Sharon Brigance, maid of honor, wore a street length dress of white and gold brocade fashioned along the same lines as the bride's gown, with rounded neck and empire waistline. Her headpiece was of matching material with a shoulder length veil. She carried a cascade arrangement of gold fugu mums, backed with olive green velvet.

Otis Hair, uncle of the groom, served as best man.

A reception followed in the home with Mrs. L.A. George serving the cake and Mrs. John Laing presiding at the punch bowl. Table appointments were crystal and silver.

The bride chose a two piece pink wool suit with cranberry accessories when they left for a wedding trip to points in Texas. She wore a corsage of white roses, the centerpiece of her bridal bouquet.

The new Mrs. Hair is a graduate of Druid Hills High School, Atlanta, Ga., and attended Georgia State College. She was formerly employed at Trust Company of Georgia Bank.

The groom is a graduate of Olton High School and attended West Texas State College. The newlyweds are now at home in Olton.

Out-of-town guests included Frank Hair, Truth or Consequences, N.M., Mr. and Mrs. H. D. Taylor, Mrs. Jean Kelly all of Plainview, Mr. and Mrs. John Laing, Earth and Rev. and Mrs. L. E. Laing, Frederick, Okla.

#### National Honor Society Meets

Yearbook, Halloween Booth and Homecoming Parade float committees were appointed when National Honor Society met Monday, Oct. 14, in the home of Carmen Bley.

Plans were made for an assembly program on cheating. Three Student Council members and three National Honor Society members will compose a panel for the assembly. Refreshments were served.

#### BURROWS GUESTS

Mr. and Mrs. E.E. Burrows had as Sunday dinner guests, Bro. and Mrs. Paul Burch, Lubbock and her parents, Mr. and Mrs. Frank Conard, Hart. Bro. Burch is pastor of Hope-well Baptist Church.

### Band Parents Launch Drive

The annual Band Parent Picture Calendar drive was launched at a meeting, Monday morning in the Glen Exter home. Co-chairmen of the project are Mrs. Exter and Mrs. George Caddel, according to Mrs. Robert Duncan, president.

Any band parent wishing to participate in the drive is asked to contact one of the co-chairmen.

#### DINNER GUESTS

Mr. and Mrs. Marvin Huguley and children of Clovis, N.M., were Sunday dinner guests in the home of Mr. and Mrs. Alva Kersh.

#### PARENTS VISIT

Mr. and Mrs. Tom Harkey had as guests Monday night, her parents, Mr. and Mrs. Clarence Church of Wilson.

#### SISTER VISITS

Mr. and Mrs. T. M. Campbell had as a guest in their home last week, his sister, Mrs. Belva Anderson of Shattuck, Okla. The Campbells visited Sunday in Lubbock with their daughter, Mr. and Mrs. I. A. Webb.

#### MOTHER DIES

Mr. and Mrs. Guy Vaughn, Olton, Charles Vaughn, Denver, Colo., and Mr. and Mrs. J. B. King, Plainview attended funeral services for Mrs. Vaughn's mother, Mrs. H. R. Brummett, in Hico, last week.

#### SISTER VISITING

Mr. and Mrs. W. E. Whitley, Tres Ritos, N.M. are spending a few days in the home of her sister, Mr. and Mrs. Elvin Berry. The Whitleys and Berrys went to Andrews to visit the ladies' brother, Lawton Breward.

## Regular Meeting Held By HD Club

Spelling games and group singing were feature entertainment Tuesday when the Olton Home Demonstration Club met for a regular session in the Tom Smith home.

Mr. Charles Lewis, president, was in charge of the meeting, and games were directed by Mrs. Loyd Blackwell.

Group singing was accompanied by Mrs. Jack Edwards on the piano.

Members discussed bringing a Medical Self-Program to Olton in the near future. A demonstration also was given on candle making by Mrs. Smith and Mrs. Charles Lewis.

An all-day candle making project is set for Oct. 22, in

the home of Mrs. Z. D. Miller, and members are asked to bring sack lunches.

Lemon-apple-cheese pie, coffee and tea were served to Mmes. Robin Taylor, Jack Edwards, Harry Thomas, Charles Lewis, Z. D. Miller, Ira Limbocker, O. L. Langley, Paul McFadden, Dan Adair, Loyd Blackwell, O. T. Crosby and Miss Ann Warren.

Guests present were Mrs. Betsy Cavitt, Mrs. Herman Harrison, Mrs. Edna Cook and Mrs. I. V. Fent.

## Mrs. Hardaway Leads Study

Mrs. C. C. Hardaway was leader of the study when women of Methodist Woman's Society of Christian Service met Monday, Oct. 14 at 9:30 a.m. in the church.

Topic of the study was "The Christian Family And Its Money". Mrs. L. R. Bryant discussed "Your Family And Its Dollar". The group viewed a film entitled "See All The People".

Members present were Mmes. C. C. Hardaway, L. R. Bryant, Earl Robertson, C. R. Spain, J. B. Williams, J. C. Brown, Owen Norfleet, Glenn Leggett and Mrs. Bill Collins.

The ladies will next meet Monday, Oct. 21 at 9:30 a.m. in the church to continue study on the same topic.

MRS. TOM SLUDER

## Recipe Of The Week

Mrs. Tom Sluder, whose hobby is her grandchildren, submits this week's recipe.

She and her husband, Tom, are parents of four children. Mrs. Lynna Hull, Olton, Mrs. O. H. Finch Jr., Dalhart, Miss Dianna Sluder, Amarillo, and Tom Sluder, stationed in Germany with the army. They have two grandchildren.

A graduate of Olton High School, Mrs. Sluder works at Howard Hall Insurance Agency. Her husband is employed at Olton Butane.

Mrs. Sluder came to Olton in 1930. Her mother is Mrs. Cora Wozencraft.

The Sluders attend Cumberland Presbyterian Church.

Her recipe for doughnuts takes a lot of time but is "very rewarding". It makes about 125 doughnuts, and they freeze well. After taking them from the freezer, she places them on a cookie sheet, puts them in the oven, and they come out like fresh doughnuts.

Her family and friends like to be there when she makes doughnuts as they are not too greasy or too sweet.

### DOUGHNUTS

- 1 quart of warm water
- 2 cups of shortening
- 2 cups sugar
- 3 cakes (or 3 pkg dry) yeast
- 2 eggs
- 1 teaspoon vanilla
- Flour (approximately 16 cups)
- Mix yeast in about 1/2 cup of

warm water while mixing water, sugar, shortening in a little warmer water.

Add eggs, flavoring and yeast to mixture then last add the flour.

Work mixture until smooth and a fairly stiff dough. Place in refrigerator to cool. Cool for at least an hour.

Remove dough and divide into small portions and roll out to cut. After the dough is out, place on a lightly floured paper or cabinet top to rise. Let rise about an hour or until about double in size.

Heat about 3 pounds of shortening in a deep fryer or a heavy large pan to about boiling temperature. Drop dough into hot fat and cook until light brown then drain on rack until most of the fat has drained. While doughnuts are still hot glaze with this mixture.

### ICING

- 1 box powdered sugar
  - 1/2 cup hot water
  - 1 teaspoon Vanilla
- Mix the above ingredients well—until smooth. After the doughnuts have been glazed, drain on rack until dry.
- (The secret is in frying in deep HOT FAT). Makes about 125. This is an ideal recipe for those who have friends who call after the ball game or after church services. Also ideal for fixing and freezing to have any time desired.

## Bitsy Maxey In Sorority

Bitsy Maxey, daughter of Mr. and Mrs. H. B. Maxey, Jr., of Olton, was initiated into Alpha Phi Sorority at Texas Tech in October. Bitsy is a sophomore.

### CARD OF THANKS

We would like to thank the Olton Volunteer Fire Department members and our neighbors for their help when our house burned. We realize it was volunteer work and appreciate it more than words can say. Mr. and Mrs. Bob Huckabee Scott and Jana

## Program On Decorating

A guide to good decorating was the program subject when New Century Study Club met in regular meeting, Wednesday, Oct. 2 at 2:00 p.m. in the home of Mrs. J. C. Brown.

Mrs. M. C. Church presented a talk on home decorations and roll call was answered with a decorating hint for homes. Mrs. Robert Burgess narrated a film on a kitchen of all seasons. The devotional, on Joys of Home, was given by Mrs. Johnny Clark.

A float will be entered in the Homecoming Parade by the club. Co-hostess, Mrs. W. B. Dickenson Jr. served ambrosia salad and crackers with coffee to Mmes. Bill Turner, Fred Thompson, Ed Thompson, Frank Struve, Don Spain, A. J. Spain, Archie Sorley, Roy Roberts, Elmer McGill, Forrest

## Bible Class Has Meeting

Latimer, C. J. Dorris, M. C. Church, George Caddel, Robert Burgess, Johnny Clark Jr., Wilton Bodkin and hostess Mrs. J. C. Brown.

Next meeting of the club will be Monday, Oct. 21 at 7:30 p.m. in the cafeteria with three other clubs and husbands attending.

## Wedding Vows Are Spoken

Evelyn Ann Terry and Calvin Kersh both of Lubbock, were united in marriage Saturday, Oct. 12, at 4 p.m. in the West-End Church of Christ in Lubbock.

The bride is a daughter of Mrs. Garland Glenn and parents of the groom are Mr. and Mrs. Alva Kersh, Olton.

The couple will make their home at 2019-37th Street, Lubbock.

Ladies Bible Class of Main Street Church of Christ met Wednesday Oct. 16, at 10 a.m. in the church for a regular meeting.

The program subject was "Giving".

Mrs. I. B. Holt is the teacher. Members attending were Mmes. Arno Hall, D.M. Holt, Virgil King, George Kidd, Helen Locke, Lonnie Smith, Elmer McGill, C.T. Hulsey, Lem Robertson, Melvin Hines, Billy Guy Thomas, C.T. Kennedy, Glen Exter, Ed Thompson, Howard Phares, Jack Phares, Jay Rainy, Willie Gene Green and Mrs. Steve Lee.

Mrs. Willie Gene Green had 15 children in her class. Next meeting of the class will be Wednesday at 10 a.m. with Women Teachers of God's Word as program subject.

## Art Guild

### To Hold Display

Olton Art Guild will be holding an art exhibition, beginning Friday, Oct. 25 in the school cafeteria.

Paintings by members of the Guild will be on display during the two weeks. A public vote on paintings will be held again this year as it received such an enthusiastic response last year.

The public is invited to attend, as the pictures on display will be new ones.

## Alma Reid WMS Holds Enlistment Fair

The Alma Reid WMS featured an Enlistment Fair Monday when they gathered in Fellowship Hall of the First Baptist Church.

Booths and posters representing WMS aims for advancement were displayed. They were prayer, stewardship, mission study and community mission.

Chairman of each committee explained her display and told of plans for the WMS new year, which begins in October.

Approximately 35 women attended and were guided through the fair area.

During the tour, Sue Carson entertained as a roving musician, playing the accordion.

Pop corn, pink lemonade and cake were served. A door prize, which was a book, was won by Rev. John Lewis and placed in the church library in his honor.

Rev. Lewis spoke to the group on WMS importance to the church. Mrs. Clury Phillips shared some of her memories of years spent in WMS work.

Past President Mrs. J. F. Miller was honored with a WMS President's pin. Presentation was made by Mrs. Helen Hipp.

A fashion show concluded the program with models representing months of the year and displaying posters showing program themes which will be studied.

## Golden Agers To Hold Meet

The Golden Agers Club will meet Thursday, Oct. 24, in the American Legion Hut with all senior citizens past 60 urged to attend.

The meeting will be sponsored by the New Century Study Club. Time of the gathering is 2:30 p.m.

in Olton it's *Bizzells*

**'WHERE'S MY NEWSPAPER?'**

When a newspaper is missing, more often than not, a man will say, "Where's my newspaper?" "My," not "the"! You've heard him say many times: "Now, my newspaper said . . ." "I read in my paper . . ."

A man's possessive about his newspaper. He takes pride in it. He gloats when his newspaper praises his favorite political candidate or sports team. Or, he groans when his newspaper differs with his choice of personalities or issues. He'll even write the editor when he feels strongly about a difference of opinion.

And, his wife feels just about the same. She looks forward to reading her pet features. Missing out on some ad or choice item of local news could "ruin" her shopping trip or leave her feeling left out during the chitchat over the bridge table.

This loyalty to a favorite newspaper didn't just happen. It came about because the newspaper is localized to meet a particular want and fill a definite need.

And, because the newspaper is viewed as a necessary companion and source of information, it makes a big difference in the lives of people of all ages, of all faiths and political preferences, of all levels of income and education.

**Ham Supper To Be Held Oct. 25**

A ham supper sponsored by the Olton PTA will be a feature of the festivities Friday, Oct. 25, when Morton and the Mustangs square off in the 7:30 p.m. homecoming game.

The supper is scheduled from 5 p.m. to 7 p.m. in the school lunchroom.

Adult tickets will sell for \$1 and students will pay 75 cents. A parade will give zip to Homecoming spirits and cheerleaders and twirlers will enhance the view.

A selection of the homecoming queen will be made at the game, but townspeople will have a chance to see the candidates prior to the contest.

The annual staff is selling homecoming mums.

**Spending Power Good Among Lamb Residents**

The financial health of the average Lamb County resident is better than it has been for some time.

Evidence of this is seen in the amount of money he has accumulated in bank accounts in the past two years, in the increase in his savings in general and in the control he has maintained over his outstanding debt.

This buildup of savings has created an unprecedented pool of spending power that has favorable portents for the Lamb County population as a whole and for local business in particular. It could spark a big buying surge.

How soon will this power be unleashed and to what extent? These are the big unknowns. They depend upon consumer moods.

Details concerning the increase in individual savings in the local area and elsewhere in the country during the two-year period are contained in figures released by the Federal Reserve System and by other agencies.

As might be expected, the reports show that the amount a family sets aside as savings is directly related to its income ability to save is small. They put away about 2.0 percent for the purpose.

At \$5,000 net income, the rate of savings reaches 4.8 percent. It rises steadily from this point, reaching more than 20 percent in the top brackets, it is found.

In Lamb County, where the latest annual figures list net income per family at \$5,299, the average rate of savings is 5.3 percent, based on these findings. It comes to an estimated \$281 a year per family.

For the community as a whole, savings are running at the rate of \$1,852,000 a year.

Throughout Lamb County, according to the Federal Reserve, time deposits in local banks consisting chiefly of personal savings, rose from \$2,582,000 in June, 1960, to some \$5,900,000 in June, 1962.

Other types of savings, such as Government bonds and shares in savings and loan institutions, have also increased considerably.

THIS SMALL foreign-made vehicle was totaled Tuesday after its driver lost control and overturned several times. The accident happened on Highway 168 about two miles south of Hart Camp. Driving the automobile was Dave Draper of Clovis. An officer believed Draper may have fallen asleep or perhaps had a blowout.

DAVE DRAPER of Clovis N.M., is removed from his small foreign-made automobile after he had overturned. Draper received lacerations and a broken leg. He was taken to Littlefield Hospital by a Parson's ambulance. The accident occurred Tuesday shortly after noon about two miles south of Hart Camp.

### Miss Gallaway Wins Contest In Week Of Football Upsets

Four contestants battled it out for top honors in the Enterprise football contest last week, as upsets took a heavy toll on most entries.

Barbara Gallaway came up the winner of the contest, edging out Garner Ball, who took second, and R. E. Worley, who won third. Jimmy Joe Schenck's entry barely missed the money.

All four missed four games, so the tie-breaker had to decide the winner.

Miss Gallaway will receive \$10, Ball \$6 and Worley \$4. Ten other contestants missed five games and many others missed six. A number of contestants missed as many as 10 of the 15 games as upsets seemed to be the order of the weekend.

There's still time to enter

the contest for this week. Just pick up a copy of the Oct. 10 Enterprise, fill out the contest and turn it in to one of the sponsoring merchants before 4 p.m. Friday.

### Council Story Is Corrected

Last week a front page story in the Enterprise said the City Council had removed all restrictions which might hinder Negroes owning lots inside city limits.

What should have been said is the City Council removed such restrictions on lots to which the city had made deeds in the past.

Removal of the restrictions affects only those lots which the city had previously owned.

Mayor W. E. (Bill) Thomas said there were also a few lots on which loan companies had asked the city for removal of restrictions.

## Research Continues On Pasture Grasses

**MANAGEMENT NECESSARY BY DAVID G. SPRINGER, SOIL CONVERSATIONISTS**  
 Good grass management means more grass and beef

from your pastures. Management involves several important factors such as adjustment of grazing, fertilizing and irrigation.

The adjustment of grazing is probably the most important factor of grass management. This is best done by controlling livestock numbers so that about one-half of the current growth of the grass can be maintained.

The grass plant is very similar to an industrial factory because both need raw products and both need a method of developing the raw product into a usable product. The roots of the grass plant gather the raw products which are plant foods such as nitrogen and phosphorous, and the leaves of the grass plant are equivalent to the factory workers in that they turn the raw products into a usable item, grass.

Research has found that by leaving about one-half of the current growth of the grass you will leave a large enough factory to maintain a high level of production with minimum injury to the grass roots.

However, when the grass is grazed too short the factory becomes inefficient and production is very low. By controlling livestock numbers you can keep production at a high level. This is best done by a rotational grazing pattern of three or more pastures.

Fertilizing should be done in accordance with current soil test and economic feasibility. Applications of fertilizers are best used if the grass is fertilized heavily during the early spring with a complete fertilizer and top dressed two or three times with nitrogen during the growing season.

Irrigation of the grass is very important and should be done at a level that will keep the top one foot of the soil at 50 percent of the field capacity for holding water.

By practicing these factors of grass management there should be excellent conservation of top soil and also maximum production of high quality forage from your pastures.

Permanent irrigated pasture research is underway at the High Plains Research Foundation with domestic and introduced foreign grasses in the program. Barry Love, Assistant Agronomist at the Foundation is conducting the study.

The domestic grasses in the tests are Midland Bermuda, N. K. 37 and Blackwell Switchgrass. Tests are underway to determine the longevity, production, protein content, digestible nutrients, and fertilizer efficiency. There are twenty introduced foreign grasses in the test.

Fourteen range grasses were planted in the observation nursery in 1961. Eleven of these are still in production at Halfway. The two sets of grass plots are planted in the grass nursery

and interplanted in the pecan orchard. There are three plots of each variety in each of the areas.

The fertilizer tests include, nitrogen alone, nitrogen and phosphorus.

In addition to the range grass studies, James Valliant, Associate Water Engineer, will have fourteen different grasses planted in the play lake. These will include warm and cool season grasses.

Niagara is an Indian word meaning "Thunder of Waters."

## Olton "B" Team Falls To Floydada Eleven

Olton's "B" team was dropped from the undefeated ranks here last Thursday by a stubborn Floydada crew, who scored early in the first quarter and went on to win, 20-10.

The young men from Olton looked up to see themselves trailing 12-0 after only a few minutes had elapsed in the first quarter.

Despite fine running efforts of Olton's Dale DeBerry and Jimmy Ivins, the Ponies never could get a winning attack underway.

Each time Olton drove within striking distance, the ball would bobble away on a fumble.

Three times the home team was inside Floydada's five-yard-line only to see its chances go awry on costly miscues.

Moments before the half when Olton had fought to a 12-8 stand and had a chance to go ahead, it was the fumble that rubbed salt in the wound.

A long pass to Burnie Hooper put the ball on Floydada's 29 yard line. Ivins ripped to the 25 and got another yard to the 24. Then DeBerry took a pitch-

out around his right end down to the 19.

Steve Moss then swept the other end for a first down on the Floydada 12. There were 56 seconds remaining in the half.

From the 12, Ivins plunged straight ahead to the 7 and then hit again to the 4-yard-line. With 26 seconds on the clock, Ivins was hit at the line of scrimmage and the ball jerked from his hands.

Olton went into the dressing room trailing 12-8.

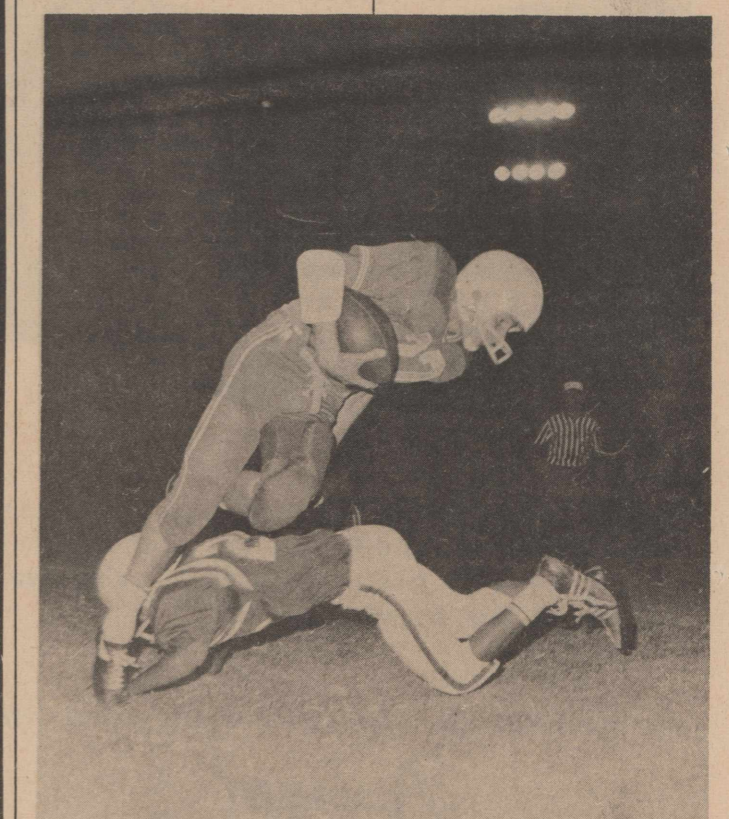

DeBerry had picked up the first half touchdown after Tommy Hall and Hooper had moved the ball to the Floydada 16 on two past completions.

Ivins ran for the extra point.

Olton got back into the game not long into the third quarter when a Floydada back was tackled in the end zone for a safety.

Larry Winn, Ivins and DeBerry carried the ball goalward again in the third frame, but when the ball was only two yards from paydirt, it was fumbled away.

Floydada scored two of its touchdowns by passing.

DALE DEBERRY is knocked off balance by a Floydada defensive man, but the Olton back gained several more yards before being brought down. DeBerry was the "B" team's top ground gainer in a 20-10 loss last Thursday to the Floydada crew. It was the Olton team's first defeat this year.

## Better Child Health Is Noted In County

NEW YORK--In Lamb County, early childhood is no longer as hazardous a time of life as it once was.

A child born there today has a much better chance of getting through his first year successfully than do those born in many other communities.

After passing the first milestone, the average local child may look forward to another 67.6 years of life, if a boy, and to 73.8 years, if a girl.

The dramatic gains in child health and longevity are attributed to the advances made by medical science in controlling infectious diseases. Other contributing factors have been the progress made in health and safety education and the improvement in the general standard of living.

The findings are contained in the latest report by the U. S. Children's Bureau based on data gathered from all parts of the country.

It shows that, in Lamb County, the loss of children in the first year of life has been relatively

low. There were 37.5 such deaths locally for every 1,000 live births in 1960. Not including were stillbirths or deaths of non-residents.

Spectacular victories have been chalked up locally over the four principal childhood diseases--measles, diphtheria, scarlet fever and whooping cough--and over poliomyelitis. Influenza and pneumonia have also fallen off, but they are still causing much trouble.

In the matter of infant mortality, the United States, despite

its great gains, stands no better than 11th among 15 leading nations, according to statistics compiled by the United Nations.

The Netherlands and Sweden have the best record, with 15.3 deaths per 1,000 live births. Germany is last, with 29.2.

In Lamb County, there has been a drop of 7.9 percent in the infant mortality rate within a period of 12 years, the Government report shows. It is a greater improvement than that recorded in many areas of the country.

## Hospital Staff Shows Increase

When the Olton Hospital and Clinic expanded last week, so did the number on the staff.

There now are 12 full or part time employees tending to the business of running a hospital.

Besides Dr. Basil Johns and Dr. O. H. Jones, there are day, evening, night, call and relief nurses. Receptionists boost the staff population.

In the reception category is Mrs. Frank Criswell, a woman who keeps tab on who's going and coming to the hospital.

Also a receptionist, as well as the business manager is Mrs. Glen Singleterry. Her work load probably will increase with the opening of new rooms and surgical facilities.

The day nurse is Gayle Clark, and she is relieved by the evening nurse, Mrs. Margaret Rodriguez, who in turn is relieved by Mrs. V.M. Bleeker, the night nurse.

On call day or night is Mrs. Parley Myers.

Serving as Dr. Johns' nurse is Miss Theo Hackler. Dr. Jones' nurse is L.V.N. Mrs. Wauline Little.

The supervisor is RN Mrs. Walter Lewis and the relief nurse is Mrs. Alma Bradley, L.V.N.

### LUBBOCK VISITORS

Mr. and Mrs. Duane Eby, Mrs. Leah Cross, Gary and Mike were in Lubbock Sunday visiting relatives. The Eby's daughter Beverly, returned with them for a visit.

MRS. V. M. BLEEKER  
NIGHT NURSE

## Carnage On Highways Continues To Alarm

It's a grim business. But regardless of the words of warning which appear in the columns of this newspaper--and in the countless columns of other newspapers across this vast land of ours--the carnage on the nation's highways continues at an alarming rate.

Last year was no exception. In fact, the year 1962 stands infamously as the most tragic in the history of highway safety. According to an authoritative report by The Travelers Insurance Companies, 40,500 persons were killed last year in U. S. traffic accidents. It was an all-time high for a single year and erases the previous record of 39,969 fatalities set in 1941.

Moreover, highway accidents injured an additional 3,345,000 people in 1962. This, too, is a shocking total--a total which exceeds by nine per cent the comparable figure for 1961.

To be sure, this is tragic news. However, we cannot help but feel the real tragedy lies with the public at large which apparently finds precious little motivation for joining the battle to save lives on the highways.

Perhaps in the final analysis the communications media are armed with poor ammunition. Statistics, by and large, make poor copy even though they deal with a situation which last year directly affected 3,385,500 lives. Countless others were involved indirectly.

So the question continues to arise: how can we translate 3,385,500 casualties into a meaningful figure.

Consider, if you will, the combined population of cities like Atlanta, Boston, Dallas and San Francisco. Add to that sum the number of people living in Albuquerque, Des Moines and Salt Lake City. Then add the total population in Butte, Montana... and in Cheyenne, Wyo... and in Tucson, Arizona...and in Wheeling, West Virginia.

## Gayle Machen In New York

Olton's Gayle Machen is one of five Texas Tech publications students who left Wednesday for New York City and the Associated Collegiate Press national convention.

Miss Machen, a senior journalism major, is editor of the Daily Toreador, college newspaper.

Scheduled for Oct. 16, through Saturday Oct. 19, the convention will feature discussions on freedom of the press, libel laws, newspaper and yearbook problems, advertising, photography and problems of a college daily.

### TO FORT SUMNER

Mr. and Mrs. C. E. Bley spent the weekend in Fort Sumner, N.M. They were accompanied by their grandson, Daryl Bley, son of Mr. and Mrs. Winston Bley.

### MOTHER VISITS

Mr. and Mrs. Winston Bley had as weekend guests, her mother, Mrs. Grace Loyd of Dimmitt and her sister, Mrs. W. R. Hair and children of Hereford.

## Golf Trophies Awarded

The Olton Country Club golf team last week won the High Plains Women's Golf Association traveling trophy for this year, getting the most points at the playdays.

Rowena Thurman and Ruth Straw of Olton tied for the sportsmanship trophy and both will be awarded a trophy just as soon as a second one comes in.

Results of last week's play showed Olton's Amy Glover taking low gross in the second flight as well as low put.

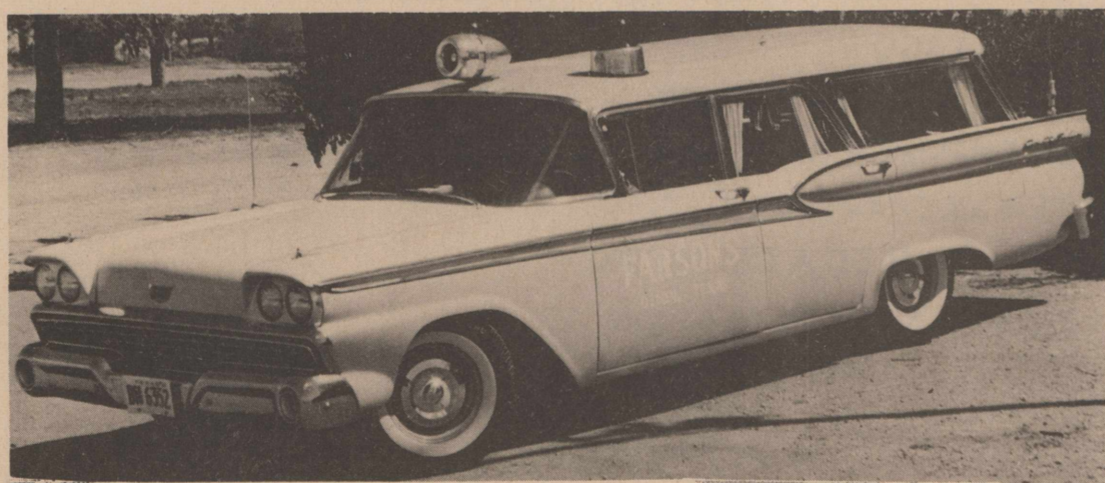

Nettie Hall was low gross and Ruth Straw won low net and low putt in the third flight. Mrs. Bill Richardson was low putt in the fourth flight.

### AUNT VISITING

Mr. and Mrs. A.D. Adams have as a houseguest, her aunt, Mrs. Joe Casper of Culver City, Calif., Mrs. Casper arrived Monday and will spend several days here.

Best Wishes To

# Community Hospital

We extend our sincere congratulations to Community Hospital and entire staff

Your decision to begin hospital service in Olton is welcomed by the entire community. This is a service long needed by the people of our area.

## PARSONS Funeral Home

Phone 285-2621

THE FIRST BABY born in the newly organized Olton Hospital lies quietly in an incubator. It was born early this week to a Latin-American couple. Attending to the infant is Miss Gayle Clark, day nurse.

# COMMUNITY HOSPITAL FILLS VOID IN OLTON

DR. BASIL JOHNS

When Olton Memorial Hospital folded in June of 1958, there may have been doubts that this city would someday again have hospital service.

Now, five years later comes, an expansion of a local clinic to a full-pledged hospital. Dr. Basil Johns and Dr. O. H. Jones made the announcement last week concerning the change-over.

The institution, Community Hospital and Clinic, is open for treatment of general medical and surgical cases.

Already signs of enlargement are evident. The staff has risen to 12 with Mrs. Walter Lewis, R.N., named supervisor of nurses.

Hospital facilities for seven beds are available, along with surgical facilities and auxiliary equipment. Two of the rooms are private and two are semi-private.

Inside each room is an intercom system with paneling for flashing a light when in need of a nurse, or nurse's aid, Bedpan, water, urinal, wet bed, emergency and pain also are designated.

There also is a button used to cancel calls.

The calls automatically are carried to another panel where a night nurse is on duty. Some of the panels are printed in Spanish.

Guided through the hospital one is pointed out the nursery, where an incubator is ready to assist a newborn with its breathing. Both oxygen and heating are hooked to the incubator.

Near the west entrance, which is for emergency patients, there is the surgery room with its anesthetic machine and surgical equipment.

Mrs. Lewis said more surgical equipment has been ordered. The effort is to make the operating room as modern as those in many larger hospitals.

A look in the scrub room gives a visitor a behind-the-scenes understanding of what goes on each time a patient is wheeled into surgery, or the delivery room.

A supply room is filled with sterilized supplies. There is an autoclave machine there which is used for sterilization purposes. All medical supplies are kept in the room.

Down the hall toward the front of the hospital is the laboratory where diagnostic equipment is located. Just across the way is the X-Ray room, a doctor's office and an examining room.

The building is entirely air conditioned and heated in a central system.

Nurses walk the hallway in a hurry, carrying charts or rolling trays of food. Meals are catered from a local cafe.

Working hours for the nurses fall into three shifts. One is from 8 a.m. until 4 p.m. The second, or evening shift, begins at 4 p.m. and lasts until 12 a.m. A midnight shift runs from 12 a.m. until 8 a.m.

There always will be a nurse on duty as well as one subject to call anytime of the night or day. The call nurse is Mrs. Parley Myers.

Although some of the surgical equipment has not arrived, the hospital, nevertheless, is bustling with traffic.

There seems to be a new attitude among the staff about the clinic becoming a hospital. It might be compared with a college becoming a University.

AN OSTEOPATHIC INSTITUTION

OLTON'S FUTURE FARMERS OF AMERICA AND SWEETHEART

## Tomorrow's Stewardship In Hands Of Ag Youth

BY W. R. KIMBROUGH,  
COUNTY AGENT

In any area of living it is a bad situation if the older generation does not bequeath to its children something richer and something better. However, some things can be corrected in a very short time.

This is not so with soil and water. The mistakes and wrongs committed today against their precious natural resources in many instances will take hun-

drreds of years to correct, and in others, restoration will never be possible.

The richness of America's soil and the plentitude of water will be reflected in the prosperity, the wealth, and the spirit of tomorrow's people far more than is generally believed. It has truly been said that "the soil is God's greatest material gift to mankind."

This generation's greatest material gifts to tomorrow's world will be a productive soil and adequate water resources.

Stewardship demands that we prepare, conserve, replenish, and protect these resources.

Urban and country youth should be conscious of the importance of soil and water in their everyday living and in their future. Soil and water play a vital part in the physical, economic, social, and religious life of the individual, the community, the nation, and the world.

This fact needs to be stressed so that the importance of soil and water is integrated into every phase of education—school and youth organizations—both rural and urban.

Youth has a great stake in this effort. The time and energy that the young people spend in putting soil and water conservation programs into practice can be their best investment in their future.

## Olton School Teacher To Attend Convention

Mrs. Linnie Campbell, high school English teacher, will be among an estimated 8,000 teachers in Fort Worth next week for the 85th annual convention of the Texas State Teachers Association.

Mrs. Campbell is president of the Lamb County Teachers Association.

The convention is set for Oct. 24-26 with TSTA President C. O. Chandler, supt. of schools at Victoria, presiding.

Delegates will represent more than 85,000 TSTA members who are divided into 13 TSTA districts and 369 local unit organizations covering the state.

Registration will begin at 1:30 p.m. Thursday, Oct. 24. Speaker for the first general session that evening will be Rev. Charles L. Allen, pastor of First Methodist Church, Houston.

Dr. John Alanson Perkins, president of the University of Delaware, will speak at 9:30 a.m. Friday. Both sessions are in Will Roger Memorial Center Auditorium.

The "Sweetest Music This

Side of Heaven" will entertain TSTA members Friday night when Guy Lombardo and his Royal Canadians play a special concert in the Memorial Center Coliseum.

At various times Friday, convention-goers will divide into small groups for 29 meetings, dealing with special fields such as science, lunchrooms, industrial arts, classroom teachers and principals.

Olton Supt. Johnny Clark will attend part of the meeting.

The House of Delegates Saturday will act on resolutions setting TSTA policy. They will also consider committee reports on such things as professional standards and improving educational services.

Delegates will act on a proposal calling for a \$45 per month increase in the minimum teacher salary schedule. If approved, it will be presented to the 59th Texas Legislature meeting in 1965.

Other convention activities will include 160 booths of educational exhibits by commercial firms, various committee meetings and numerous gatherings of other related groups.

## Rural Accident Summary Made

The Texas Highway Patrol investigated 11 accidents on rural highways in Lamb County during the month of September, according to Sergeant D. S. Lawson, Highway Patrol supervisor of this area.

These wrecks accounted for two persons killed, three per-

sons injured and an estimated property damage of \$8,462.00.

The rural traffic accident summary for this county from January through September of 1963 shows a total of 90 accidents resulting in six persons killed, 62 persons injured and an estimated property damage of \$74,106.00.

## Lamb County Motorists Help Finance Nation's Highways

NEW YORK —To what extent is the nation's roadbuilding program digging into the pocketbooks of Lamb County motorists?

How much are local car owners paying toward it per year through their gasoline taxes?

The cost of the program and who is paying for it are of particular interest at this time because of a protest made by Congressman Oliver P. Bolton of Ohio to the "myth" that the 41,000-mile highway system is being built with Federal funds.

He asked that the thousands of signs along the highways that make this statement be removed as "clearly misleading."

Actually, he pointed out, the money comes from special

taxes collected from the nation's motorists.

The cost, for the average Lamb County driver, who clocks 10,000 miles annually and get around 14 miles to the gallon, is a little over \$30 a year. This is based on figures compiled by the Bureau of Public Roads.

For those who use their cars to the extent of 15,000 miles a year, the bill is about \$45.

The total amount being contributed by local passenger car owners to the Highway Trust Fund is estimated at \$276,600 a year.

Most of it is raised through the 4 cents-a-gallon levy on gasoline. The balance comes principally from taxes on tires and tubes, on diesel fuel and oil and on vehicles over a certain weight.

All this is exclusive of the gas tax and other auto taxes being collected by the state.

The Federal taxes were increased in October, 1959, when it was found that the trust fund was running low. Higher road construction costs and changes in plans made it necessary to raise more money if the pay-as-you-build policy was to be maintained.

As a result, the motor fuel tax, which had been 3 cents a gallon, was boosted to 4 cents. It meant an increase of more than \$8 a year for the average driver.

Lamb County's car owners are now paying approximately \$69,200 more per year because of the change.

In the nine years remaining to 1972, at which time the Interstate Highway System is supposed to be finished, it is expected that an additional \$2,489,400 will be collected from local car operators in the form of Federal auto use taxes.

THIS IS the 1963-64 version of the 3-AA Mustang football team. Seated in the front row from left to right are Darrel Glover, Don Mitchell, Dennis Givens, Billy Carson, Leon Kendall, Daniel Rey and Clyde Galloway. From left in the second row are Coach Pat Blessing, Gail Bizzell, Darrell Breland, Richard Hall, Joe Costello, Joe Priest, George Jones, Jerry LaFrance, and Steve Moss. In the third row from left are Head Coach Walter Bryan, Duane Campbell, Stan Huckabee, Rocky Farrar, David Kersh, Paul Hernandez, Joe Bob Smith, Charles Church, Junior Cardero, and Coach Lester Ramsey. In the back row from left are Larry Winn, John Stiles, Aaron Robertson, Jerry Winn, Tommy Hall, Steve Huckabee, Ronnie Digby, J. Curtis Hall, Burnie Hooper, Jackie Burkhalter and Coach James Hyatt.

### Band Elects New Officers

Officers for 1963-64 have been elected by members of Olton High School Marching-Concert Band.

Officers for the current year are Rusty Sherman, president, Bill Cox, vice-president, Elaine Lewis, secretary-treasurer and Coye McGill, reporter.

Band council representatives were elected from each class with eighth graders choosing Mickey Parsons and Pat Bodkin, freshmen, Linda Ward and Jerry Caddell, sophomores selected Don Mitchell and Francine Struve, juniors, Paula Jones, and Topper Maxey and seniors will be represented by Kenneth Justus and Pat Thompson.

**SATURDAY VISITORS**  
Joe Hysinger and Emory Cowan of Hereford visited Saturday with Jack Hysinger.

### Mouth-Watering Talk Goes On At QB Club

Mouth-watering conversation took place for awhile Monday night at the Olton Quarterback Club meeting when discussion turned to the up-coming pancake supper.

Pancake chairman Bob Duncan said there are four cases of bacon and a case of syrup on hand. He told that Southwestern Public Service will send an electric griddle out of Plainview.

The big supper will be held Nov. 1, in the school lunchroom. Persons will be served all they can eat for 75 cents. The eating begins at 5 p.m. and will last until 7 p.m.

Duncan said that Littlefield and Mulleshoe radio stations will broadcast information on the pancake supper.

Tickets to the supper will be sold the night of the Morton homecoming game.

Plans also were outlined for a Quarterback Club sponsored Turkey Shoot to be held Nov. 9-10. Recommendations were made that shooting begin at 9 a.m. the first day and continue until dark. Shooters will fire away at 1 p.m. the following day and shoot until they can't see the targets.

The clay pigeon range will be located just east of Olton Grain.

In making a report on the Turkey Shoot, Coach Walter Bryan said there will be 20 cases of clay pigeons available and that 20 turkeys and 20 hams have been ordered as prizes.

Different categories will be offered to shooters, with some competing for such items as

pocket knives, handwarmers, insulated socks or underwear, a sportsman's light, hunting vest or gloves.

The Club also decided on a Zenith TV set of maple masonite as a raffle prize. Tickets on the set will sell for \$1 each. Price of the TV set is \$465. It will be given away at the Football banquet.

Members also discussed the possibility of setting up a dunking board in the Ag building during the Halloween Carnival.

## NEWS for truck owners who need a new one now

Things Chevrolet has developed since the last time you bought to give you more for your money:

**Double-wall construction.** This feature of Chevrolet cabs and the Fleetside pickup body has two advantages. Insulation and sound-deadening material is sandwiched between the two layers of steel in the cab to give you more comfort; in the body, the lower inner wall acts as a buffer against load damage, preserving the outer appearance of the truck.

**Suspension to fit the truck.** Conventional half- and three-quarter-ton models have independent front suspension with variable rate coils in the rear. Variable rate coils do not "bottom out" as readily.

Mediums and heavies have I-beam suspension with variable-rate leafsprings. It automatically stiffens as the load increases—and vice versa. It means a smoother, flatter ride regardless of load, a better handling truck.

**The right engine.** Chevrolet never has been in better position to give you the type and size you need for maximum efficiency. Today there are many different capacities of gasoline and diesel

Chevrolet truck engines—fours, sixes, V8's.

**Stronger frames.** Every conventional 1964 Chevrolet truck has a ladder-type frame. This type is more resilient, better able to give with the load and terrain. Its simple design also makes it easier to mount special bodies on the truck. Its riveted side rails are stronger.

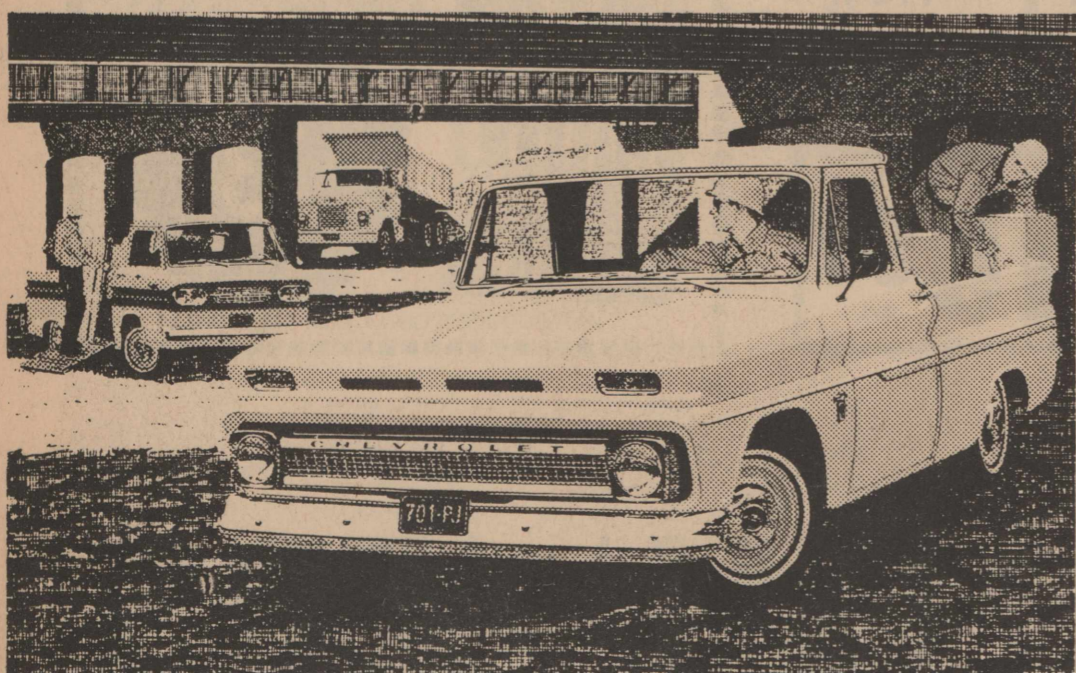

**Greater model selection.** This time you're going to find it a simple matter to pick the exact type of Chevrolet truck for the kind of work you do. In delivery trucks, for instance, in addition to regular panels and pickups, we have eleven different sizes of ready-made walk-in vans, some with full-width rear doors.

**Quality and value.** Chevrolets today are a lot more truck than your money bought the last time, and yet the price tag is just about the same as 5 or 6 years ago. Call your Chevrolet dealer for information or for a demonstration.

Quality trucks always cost less!

### Girl Scouts Hold Meeting

Scout Troop 271 met Thursday afternoon at the scout house for their regular meeting. The girls did some marching and were instructed and drilled on crossing streets where there are traffic lights.

One new member, Kathy Gary joined the troop, making 16 girls in the troop. All were present Thursday as well as all three leaders.

### Hart Camp Happenings

Mr. and Mrs. Jerry Wells and children, Levelland, visited here Sunday with his parents, Mr. and Mrs. J.W. Wells and with his sister and brother-in-law, Mr. and Mrs. David Metcalf.

Mrs. Blanton Martin, Mrs. Dewey Parkey, Mrs. R. S. Moore and Mrs. Bob Stillwell attended the Llanos Altos Association Women's Missionary Union meeting Thursday night in Earth at the First Baptist Church. Mrs. E. G. Brunson was guest speaker for the meeting. Mrs. Blanton Martin, president, was in charge of the short business meeting. Conferences were held for each officer and chairman present.

Mr. and Mrs. J. C. Muller visited recently in Sudan with Mr. and Mrs. Dawson Muller and family.

Mrs. L. W. Sullivan is spending this week in Lubbock with Mr. and Mrs. Waylan Hukill to help take care of her daughter and new baby who returned home from the hospital Friday.

Mr. and Mrs. Edwin Oliver and Debbie visited near Hale Center Sunday afternoon with his brother, Mr. and Mrs. R.D. Oliver.

Mr. and Mrs. Roy Hollums, Ralls, visited here Monday night with Mr. and Mrs. V. L. Foster and girls. The Hollums will have the grand-opening of their auto store in Ralls the last of this week.

The local WMU of the Baptist Church met Monday afternoon for a Royal Service Program with Mrs. Elma Burleson in charge. The program from the Royal Service magazine was a review of the past years work given by each local officer. Those having a part on the program were Mrs. Blanton Martin, Mrs. Elma Burleson, Mrs. Dewey Parkey, Mrs. Edwin Oliver, Mrs. Hagvey Jones, Mrs. Bob Stillwell and Mrs. R. S. Moore.

There will be a "pink and

sent Thursday as well as all three leaders. Following the marching and playing of games, refreshments of soft drinks and candy served by Mrs. A.G. Huguely and Kay Lynn.

**VISITS MOTHER**  
Mrs. I. B. Holt was in Kress last week visiting her mother, Mrs. B. R. Morton.

**OKLAHOMA VISIT**  
Mr. and Mrs. Ray Slatten spent the weekend with son and family, Mr. and Mrs. Jack Slatten, of Turpice, Okla.

blue" shower honoring Mrs. Gene Loman of Hart Camp Friday afternoon, November 1 at 2 p.m. in the home of Mrs. Edwin Oliver. Everyone is invited to attend.

Mary Bess Smith was honored Sunday with a birthday dinner by her parents, Mr. and L. A. Smith. Others present other than Mr. and Mrs. Smith, Mary Bess and Helen Ruth were two of Mary Bess' aunt and uncle, Mr. and Mrs. George Heath, Lubbock and Mr. and Mrs. W. P. Elliott, Littlefield.

Georgia Hodges, Olton, spent Friday night and Saturday with Debbie Oliver.

Dan Puckett and Ray Johnson left Tuesday morning for Utah where they will hunt deer for a few days.

Mr. and Mrs. Waylan Dean Hukill, Lubbock, former residents of this community, announce the birth of a daughter born Wednesday morning at the Methodist Hospital in Lubbock. She has been named Dana Sue and she weighed six pounds nine ounces at birth. The Hukills have two other children, a boy Wesley and a daughter, Paula Stevette. Mr. and Mrs. Paul Hukill and Mr. and Mrs. L. W. Sullivan are grandparents of the new baby.

Mr. and Mrs. Floyd Oliver and Debbie visited near Hale Center Sunday afternoon with his brother, Mr. and Mrs. Roy Shultz, who died Friday morning in a Vernon hospital.

J. W. Johnson, Jr., M. W. Wheeler, Elma Burleson and J. W. Johnson, Sr., left Wednesday morning for a deer hunting trip in parts of Colorado.

Mr. and Mrs. V. L. Foster and girls visited his brother-in-law and sister, Mr. and Mrs. Roy Hollums in Ralls, Sunday.

Wesley and Paula Hukill, Lubbock, spent several days here last week with their grandparents, Mr. and Mrs. L. W. Sullivan and Mr. and Mrs. Paul Hukill.

WEEKLY PRIZES!

### CONTEST RULES

Winners selected in each ad must be circled in ink or pencil. Tie-breaker winners must be circled and scores printed in the spaces made available for them.

Each week's entry must be turned in to one of the merchants sponsoring the contest. Contestants are given a week to prepare and turn in their entries. When they receive their paper on Friday, they have until the next Friday at

4 p. m. to turn in their entries.

Sponsoring merchants may accept mailed entries, but none mailed directly to the Enterprise will be accepted. All late entries will be discarded.

In case of ties, a coin will be flipped to determine the winners.

Anyone may enter except employes of the Enterprise or their families.

### WEEKLY PRIZES

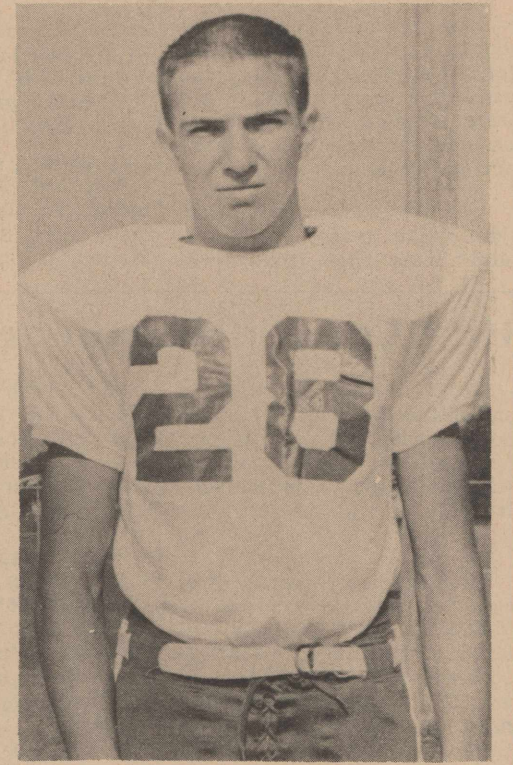

Weekly prizes will be awarded in the following manner:

FIRST PRIZE **\$10**      SECOND PRIZE **\$6**      THIRD PRIZE **\$4**

### This Week We Salute ...

TULIA'S FRANK HOOPER is brought down by Olton's George Jones as a pair of number 11's meet. Hooper

gained eight yards on the play, which carried to the Olton 18. Five plays later, Tulia had a touchdown for a 24-14 lead.

## Tulia Speed Overtakes Fighting Olton, 24-14

Olton's Mustangs gave the top-rated, undefeated Tulia Hornets a run for their money at Tulia Friday night, but another "upset of the year" simply wasn't in the cards.

Lady Luck jilted the Mustangs in the fourth quarter, and they went down to defeat, 24-14, in a game that could have gone the other way just as easily.

Tulia, primed for this one after that stunning 21-20 loss to Olton last year, simply wouldn't be denied this time.

The Hornets pushed across two touchdowns to erase a 14-12 Olton lead, then held on as fumbles ruined Olton scoring chances late in the game.

Olton twice took the lead in the contest, going ahead 7-6 in the second quarter and 14-12 in the third. And it appeared for a few minutes that Mustangs might do it again.

Even though the efforts failed, the Ponies had nothing to be ashamed of. They gave it everything, outthitting the Hornets through most of the contest.

In the end, it was a case of too much Tulia speed, combined with some bad breaks for Olton late in the game.

The Mustangs found their ground game bottled up much of the night and gained only 62 net yards that way. Both George Jones and Joe Costello wound up with 33 yards apiece, Jones on 13 carries and Costello on 11.

Both the Mustang touchdowns came by air, as Olton completed 9 of 20 for 145 yards. Joe Priest connected on 8 of 17 for 136 yards and one TD and Jones pitched the other touchdown aerial.

Tulia scored first, midway in the first quarter after the two teams had exchanged punts.

The Hornets' Frank Hooper took in a 35-yard Priest punt and returned 25 yards to the Olton 34.

On first down, Hooper dropped back and found half-back Jeff Tucker all by himself. Tucker took Hooper's aerial near the goal and stepped across untouched, giving Tulia a 6-0 lead.

After the kick-off, the Mustangs got their initial first down on a 10-yard pass from Priest to End Darrel Glover, but a few plays later Priest was again called on to punt.

Tulia found the going rough, too, and made no headway, so Hooper returned to the air late in the first quarter.

On first down from the Tulia 37, the Tulia quarterback threw one in the vicinity of the Olton 40. Olton halfback Jackie Burkhalter was there to take it in and he returned the interception to Tulia's 47.

For the first time, the Mustangs began to move the ball. Jones gained five, then Costello made it a first down at the Hornet 37.

As the first quarter ended, Jones gained to the Tulia 32. On third down Priest found Glover clear and threw complete for a first down at the Tulia 4.

There the Tulia line stiffened and Olton faced third down and six. But again Priest came up with the big pass. He pitched to End Clyde Galloway for the TD.

Jones kicked the PAT and Olton was in the lead, 7-6, with 10:29 left in the half.

Shortly after the kick-off, things looked good for the Mustangs as Priest intercepted another Hooper aerial and the Ponies took over at their own 46.

But it was no go and Priest kicked 38 yards to the Tulia 14.

From there Tulia mounted a drive all the way to the Olton 9, with John Howell, Jeff Tucker and Jim Arnold alternating on the ball-carrying.

Howell gained five to the Olton 9, before Olton's Leon Kendall upended him. Tucker was plastered for a six-yard loss as Jones red-dogged. Arnold got the ball back down to the 11 and then Hooper again went to the air.

Olton hearts sank as he completed a toss to end Tommy Kendrick, but an official ruled Kendrick was out of the end zone when he caught the ball.

After Olton took over at its own 20, Priest quick-kicked the Mustangs out of the hole, punting the ball to the Tulia 30. Tucker brought it back to the 41, as the clock showed 1:40 left in the half.

Hooper's first down pass was broken up by Priest and on second down, Olton's Don Sopher, Dennis Givens and Billy Carson rushed the Tulia quarterback for a six-yard loss.

But again Tulia struck like lightning.

Hooper's third down pass, almost intercepted by Olton's Galloway, was complete to Kendrick at the Olton 40 and the big end ran all the way for the score.

Howell's run for the extra points was stopped and Tulia

led 12-7 with 44 seconds left in the half.

The Hornets got another break on the kick-off, as they grabbed Priest's fumble at the Mustang 23.

But time ran out of the Hornets as the Mustangs stopped them at the Olton 7.

The Mustangs came out strong with the second half kick-off, Jones returning the boot 35 yards to the Olton 47.

George again came up with a good run two plays later, breaking for 14 yards to the Tulia 36.

After Costello picked up two, it was Priest's turn and the Olton quarterback responded with a 13 yard run to the Tulia 21.

Costello gained two and Tulia was penalized half the distance, giving the Mustangs a first down at the Hornet 9.

On second down, Jones passed complete to Glover for the touchdown. The Olton captain added the extra point and Olton had the lead, 14-12, with 9:23 left in the third quarter.

For a few moments it seemed the Mustang had the Hornets on their hip.

Richard Hall red-dogged once to spill Tulia's Tucker for a four-yard loss and the Hornets were forced to punt.

A 15-yard penalty chilled the Mustangs' next offensive effort and Priest quick-kicked 50 yards to the Tulia 25.

Tulia immediately mounted a scoring drive that took only eight plays. Hooper rolled out for 30 yards to the Olton 45, and Tucker got another first down at the Olton 31 with a seven-yard carry.

Again Hooper rolled, driving to the Olton 15 before Galloway put the stopper on him.

Then the Tulia signal-caller passed to Arnold for a first down at the Olton 5. Two plays later, he plunged a yard for Tulia's third TD.

It was 18-14 with 2:42 left in the quarter.

The Mustangs came roaring back, following Hall's 21-yard kick-off return to the Olton 36.

Priest passed to Galloway and that combination worked for a 43-yard gain to the Tulia 16. Costello gained a yard to the 15.

On second down Priest dropped back to pass, but the ball was knocked from his hand as he got set to throw. The officials ruled it a fumble and a Tulia recovery, killing the threat.

SCORES BY QUARTERS	Olton	Tulia
Olton	0	7
Tulia	6	6
	6	6
	0	14
	6	24

As the fourth period opened, Tulia drove 81 yards for the touchdown.

Key plays were Arnold's 25-yard run to the Tulia 48 and another of 20 yards to the Olton 26. From there in, the Mustangs tightened their defenses, but Tulia kept hammering away and QB Ricky Sharp got the touchdown from the one.

That made 24-14 with 9:32 left in the game.

The Mustangs were still game and they came fighting back. Richard Hall returned the kickoff 40 yards to midfield, almost breaking away for a touchdown.

Priest passed to Jones for eight yards, then Jones got a first down at the Tulia 40. A 15-yard against Tulia moved the ball to the Hornet 25.

A moment later, Priest passed to Glover at the Tulia seven. Darrel appeared to have it but the ball got away. The officials ruled it a completed pass, fumble and a Tulia recovery.

That was Olton's last serious threat, although the Mustangs got the ball twice more and appeared ready to roll.

On one occasion, Costello got off a fine run, going 16 yards to the Tulia 43. Then Priest passed to Jones for 7 and George ran for four, giving the Mustangs a first down at the Tulia 32.

A moment later, the Mustangs fumbled again and Tulia recovered at the 35.

With a minute to play, Olton moved again to the Tulia 40, but two passes fell incomplete, and Tulia took over to run out the clock.

Offensively, Olton got good yardage by air, with Glover taking four aerials for 65 yards and a TD and Galloway catching three for 65 and a TD.

Defensively, Olton was led by Kendall, Jones, Hall, Carson, Sopher and Glover.

TO O'DONNELL  
Mr. and Mrs. Jack Edwards went to O'Donnell last Wednesday to visit Mr. and Mrs. Oscar Telchik.

## Teamwork by the Bale

PCG Director, John D. Smith  
Lamb County

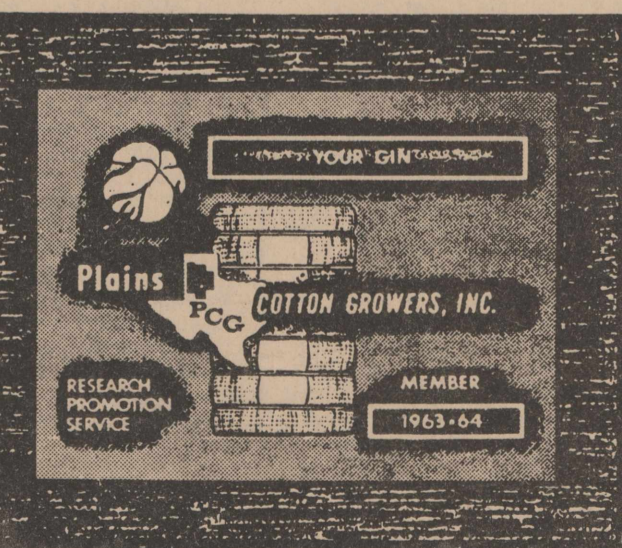

PCG Director, Jack Wicker  
Lamb County

The two Lamb County directors to Plains Cotton Growers are urging full participation from farmers, ginners and businessmen—the team that makes up PCG—in the "do-it-yourself" program to insure a vigorous future for the High Plains cotton industry through research, promotion and service.

These directors are your county representatives in all affairs governing the policies and actions of PCG, and together with "home-folks" from the other 22 counties, are your assurance that those policies and actions are a direct reflection of your needs and desires.

The long-term future of the cotton industry will rest on its success or failure in world markets. PCG's production research to make cotton more competitive in price, technical and fiber research to enlarge old markets and open new ones, and its intensive promotion are the types of action that will re-establish the superiority of cotton in these markets.

A representative of PCG will be calling on your ginner soon in the organization's annual "Sign-Up" campaign. Wherever you gin, contact that ginner and let him know that you want to be on the team that keeps this work going for the High Plains.

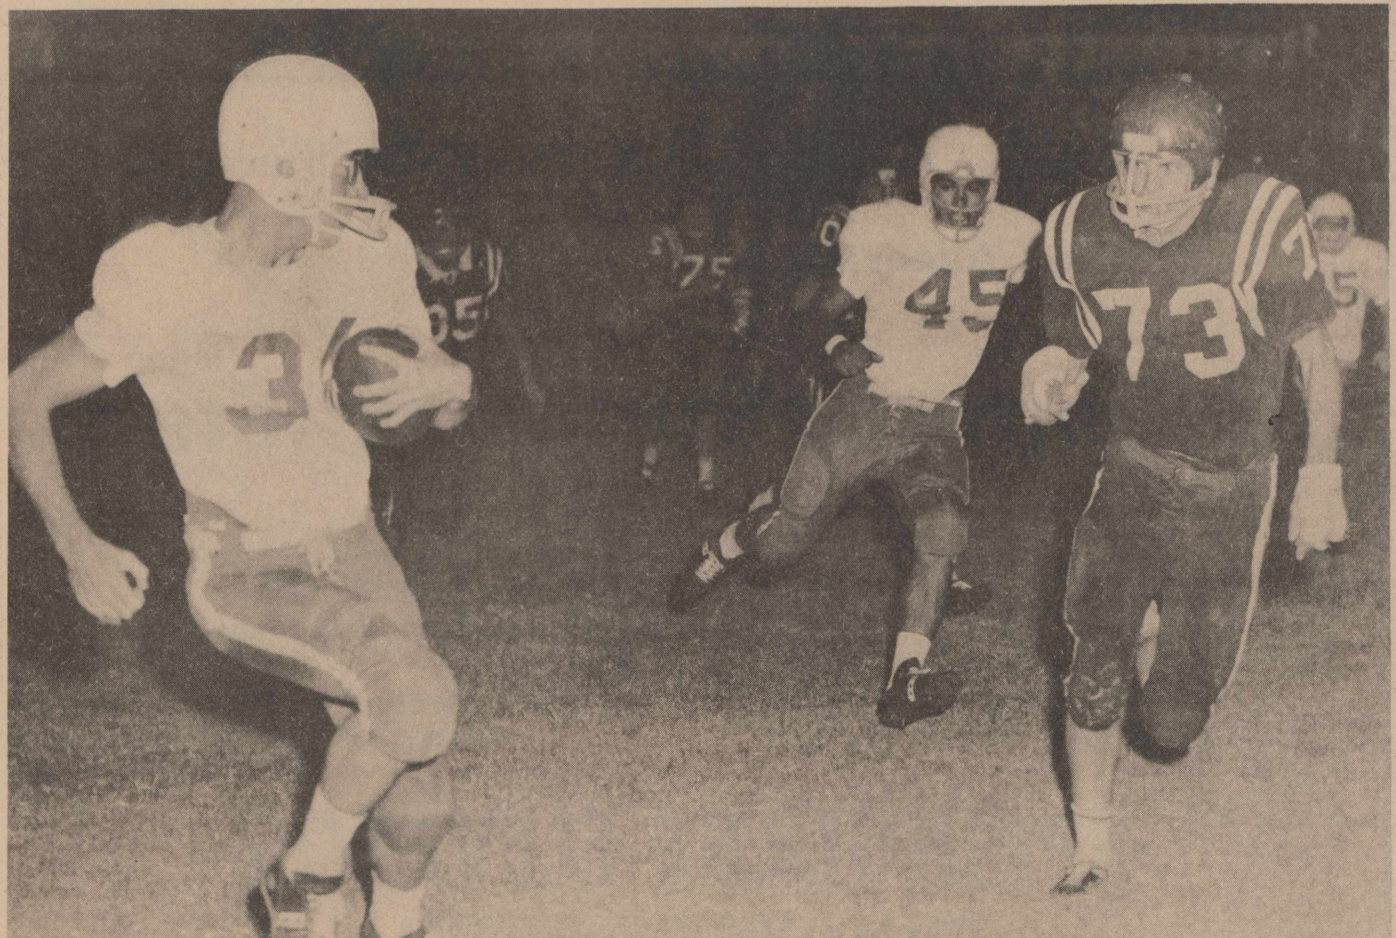

"SIGN UP, AND HANG YOUR SIGN UP"

A PLAINS COTTON GROWERS REPRESENTATIVE WILL CALL ON YOUR GIN SOON

Plains COTTON GROWERS, INC.

TELEPHONE PO 2-0533

1720 AVE. M LUBBOCK, TEXAS

OLTON'S JOE PRIEST picked up 13 yards on his run, driving to the Tulia 21 before he was nailed by Tulia

tacklers. Four plays later, the Mustangs got a touchdown and took a 14-12 lead in a ball game they eventually lost.

Mr. and Mrs. A. R. Bostick went to Portales, N.M., Saturday.

**STATE CAPITAL Highlights AND Sidelights**  
by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—A brand new State agency dedicated to bringing more free-spending tourists to Texas now is in operation. Texas Tourist Development Agency held its first meeting, discussed policy guidelines and set a timetable for selection of an agency to handle its \$200,000 advertising account. Advisory board members will meet on January 16-17 to pick the firm which will prepare and place its tourist-luring ads.

Sworn in as advisory board members were James M. Gaines, radio-television executive of San Antonio, chairman; Bill Berger, publisher of the Hondo Anvil-Herald; John McCarty, advertising executive of Frito-Lay, Inc., Dallas; G. A. (Pop) Mabry, public relations executive for Humble Oil and Refining Company, Houston; John Powell, hotel executive of Austin; and Chris Fox, El Paso banker.

Said Gov. John Connally: "I hope this is the beginning of a tremendous program....Your work is important to the economic future of Texas." He commented that the 1964-65 advertising budget is so small that the state will have to "ride piggy-back" on privately financed national advertising for a few years.

He noted that Texas is sixth in the nation in population—and some statisticians believe it soon will be third. But it's below the top 10 in tourist attraction. In 1957, 10,400,000 tourists came to this state and spent \$531,000,000. In 1962, only 9,600,000 tourists visited Texas. They spent an estimated \$471,000,000.

A "See Texas First" campaign to get Texans to spend their vacations in Texas is being planned. The Agency is stepping up its administrative activity, and will add Walter Warner, Capitol correspondent, to its staff.

**POLITICS BOOMING**--First formal affair of the coming political campaign season will be an "appreciation dinner" to be held on October 19 in Austin for Sen. Ralph Yarborough. Texas' senior Senator, certain to run for another six-year term in 1964, will gather a political war chest through the dinner.

**IRRIGATED FARMS**  
160 acres, 2 bedroom Brick Home, other improvements 8" nat. gas well, 1/2 mile U. G. Tile, 45 acres cotton, other allotments, \$500, acre. South Castro County.

## Running Water Philosopher Amazed That Experts Think Part-Time Farming Is New

Editor's note: The Running Water Philosopher on his care-less weed farm on Running Water Draw disagrees with the experts on a modern trend in farming, his letter indicates.

Dear editor:  
Sometimes you'll find that an expert is somebody who has just discovered and announced what a lot of people have know for years.

For example, I was reading a magazine last night which a salesman had left out here during the afternoon, well he didn't actually leave it, he dropped it while he was trying to beat my dog to his car, and in it I discovered a long article on the changing trends in agriculture. In case you're wondering, the salesman won.

At any rate, according to this article, some experts have

discovered that the modern trend in agriculture is toward part-time farming.

This is what I'm talking about. What other kind is there? The trend toward part-time farming set the minute I started farming it, and I expect it to stay that way. I could name you some more who share the same view.

Part-time farming's not something new; what's new is that some farmers are now working in town too.

Understand, farming is a full-time job, there's always something to do. But that's not to say all us farmers are always doing it. Why right now I've got jobs starting me in the face which should have been done 10 years ago, but they've never stared so hard I felt like I

ought to take a job in town to dodge them.

Of course, there are some young farmers who work in town and still seem to get more done on their farms than I do on mine, but this is a trend which I don't care to call attention to.

The fact remains though that part-time farming set in thousands of years ago, or whenever it was man discovered you couldn't plow when it was wet or hoe when the fish were biting, and as far as I can tell the trend is still underway.

Yours faithfully,  
J. A.

**COUNTY OFFICIALS SELECT** Texas' County Judges and Commissioners meeting here elected Elmer Zahn of Falfurrias president. Sam Brazier of Emory was named secretary-treasurer, and Harold C. Green of Water Valley, vice president. In a resolution, the county leaders said the State should get out of the property tax field and turn over the property tax to hard-pressed local governments.

**BEEN VISITING** Mr. and Mrs. Elmer Phillips and Danny and Mr. and Mrs. M. E. Taylor visited over the weekend in the homes of Mr. and Mrs. Gerald Cochran of Dallas and Mr. and Mrs. Lee Williams of Whitney.

**RETURN HOME** Mr. and Mrs. F. C. Crowder returned last week from Oklahoma where they had been fishing.

**TO DALLAS** Mr. and Mrs. Bobby Copeland and Mr. and Mrs. Deryl Machen and Mr. and Mrs. Max Malone were in Dallas over the weekend attending football games and the Fair.

**FLOWER SHOW** Mr. and Mrs. L. B. Cowart, his sister, Mr. and Mrs. Ben Pelt, of California and Mrs. Pearl Schreier attended the flower show at Texas Tech, Sunday.

## SPRINGLAKE ELEVATOR SUNNYSIDE GRAIN

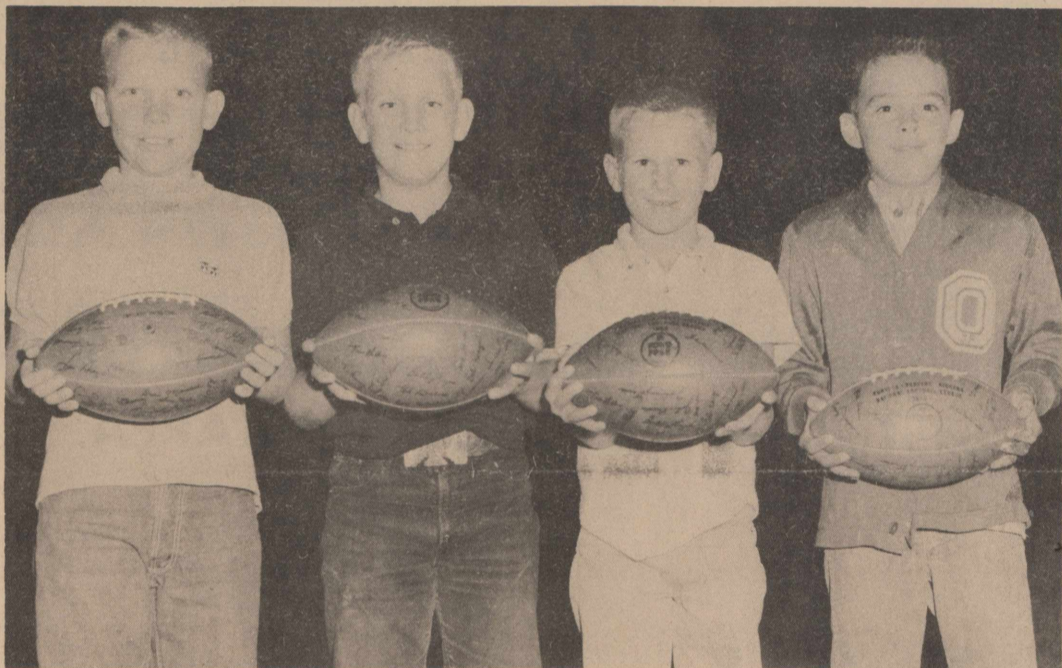

ADVERTISE IN THE OLTON ENTERPRISE

FIRST PLACE winner in the Olton Punt, Pass and Kick Contest were, from left, Mack Lancaster, 11; Keith Neinast, 10; Lester Ramsey Jr., 9; and Tim Givens, 8.

WINNERS OF SECOND place in the Olton PP&K competition were, from left, Jimmy Joe Schenck, 11; David Turner, 9; Johnny Hayes, 10; and Don DeBerry, 8.

THIRD PLACE awards in the PP&K event went to, from left, Phillip Waldrop, 9; Gary Botkin, 11; Tim Botkin, 8; and Mike Parsons, 10.

## Punt, Pass And Kick Competition Complete

Olton's most aspiring young athletes put their best foot forward Monday afternoon in the Ford sponsored Punt, Pass and Kick contest at Memorial Stadium.

The event is sponsored locally by Mustang Ford Sales. Coaches Walter Bryan, Pat Blessing, Lester Ramsey and James Hyatt were in charge of the contest.

In the 11-year-old group, Mack Lancaster compiled the most yardage in the three events, getting 264.2 feet for first place.

Coming in second in the same age group was Joe Schenck, with 264.2 feet. Gary Botkin was third with a 190.6 total.

Winners in each age group were given a warm-up jacket. Second place victors received a football helmet and boys who placed third were given an autographed football.

Lancaster is the son of Mr. and Mrs. J. D. Lancaster. Schenck's parents are Mr. and Mrs. John Schenck and Mr. and Mrs. Lewis Botkin are Gary's parents.

Winners in the 10-year-old group were Keith Neinast, first; son of Mr. and Mrs. William Neinast; Johnny Hayes, second; son of Mr. and Mrs. John Hayes; and Mike Parsons, third, son of

Mr. and Mrs. Percy Parsons. Keith compiled a total of 211 feet and three inches, and Hayes had 204.10 while Parsons had 186.1 feet.

In the nine-year-old category, Lester Ramsey Jr., son of Coach and Mrs. Lester Ramsey, won first with 174 feet and six inches. David Turner, second, son of Mr. and Mrs. Joe Turner, compiled a total of 141.1 feet. Third place winner Phillip Waldrop, son of Mr. and Mrs. Hubert Waldrop, had 137.5 feet.

On the eight-year-old level, it was Tim Givens who put together 153 feet and five inches to take first. He is the son of Mr. and Mrs. Delmer Givens.

Second was DonDeBerry, son of Mr. and Mrs. William DeBerry, with 113.3 feet. In third place was Tim Botkin with 104 feet and four inches. He is the son of Mr. and Mrs. Lewis Botkin.

Winning averages will be compared nationally, and the eventual winners will be awarded a trip to a professional football game.

## Mother Of Hart Camp Woman Dies

Mrs. M. W. Wheeler of Hart Camp received word Thursday morning of the death of her mother, Mrs. S. H. Latham of Center, Texas. Mrs. Latham, 84, had a heart condition.

She has seven living children, 39 grandchildren, 53 great grandchildren and one great-great grandchild, a total of 99 direct living descendants, most of whom attended funeral services.

Mr. and Mrs. M.W. Wheeler, Mr. and Mrs. Sammie Wheeler, Mr. and Mrs. Ray Monroe, Mr. and Mrs. Clarence Monroe, Mrs. Junior Muller and Joey and Mr. and Mrs. Olen Latham all attended the funeral services from Hart Camp.

## Last Rites Held For Mrs. Irvin

Funeral services for Mrs. Bill Irvin, 49, of Plainview were conducted this afternoon, Thursday, at 2 p.m. in First Baptist Church, Olton, with Rev. John E. Lewis officiating. He was assisted by Rev. John H. Traylor Jr. and Rev. J. R. Jennings.

Mrs. Irvin, born April 15, 1914, died Tuesday at Medical Center Hospital, Plainview.

The Irvins are former Olton residents.

Mrs. Irvin is survived by her husband, Bill, Plainview; one son, William Lynn Irvin, Ft. Polk, La.; a daughter, Barbara Irvin, Galveston; two brothers, Philo Flemister, West Covina, Calif. and Fred Flemister, Eckley, Colo.; four sisters, Mrs. W. H. Garrett, Belin, N. M., Mrs. H. H. Moses, Colorado Springs, Colo., Mrs. Carol Burson, Rocky, Okla. and

Mrs. Pebble Guin, Denver, Colo.  
Burial was in Olton Cemetery under direction of Parsons Funeral Home.

## LETTER TO THE EDITOR

To: The Olton Enterprise

Sirs:  
National Newspaper Week gives us a good opportunity to say thanks to you for your cooperation with us in the past, and to congratulate you on the general excellence of your farm news handling.

We think an important function of any newspaper in a predominantly agricultural economy is to use its editorial columns for the betterment of agriculture, and we appreciate the job you've done.

Congratulations!  
Sincerely yours,  
Plains Cotton Growers, Inc.  
George W. Pfeiffenberger,  
Executive Vice President
