Tornadoes Create Trail Of Tension

By Nanalee Nichols

At least one tornado touched down, and two others were sighted late Sunday afternoon, as the twister destroyed one barn in Lamar County and at least four others in Red River County.

The first reports of a funnel came in from Brookston, causing recently devastated Paris residents to experience another scare.

No other word of the tornado was received until Deport residents looked up to see the eye of the tornado swirling right above them, sucking up dust and causing people to run for ditches, culverts and closets.

The tornado apparently first touched down just south of the old Deport Cemetery, destroying a barn and damaging a tree on land belonging to Rodger Allen. It then moved in a big jump straight north, where it hovered in the sky and went directly east, while startled residents of Deport watched it pass overhead.

Just past the Lamar-Red River County line, in Red River County, the twister set down near the home of H.W.

(Jinks) Whittle, destroying a large hay barn belonging to John Farmer, and another, smaller barn. The storm threw a board through the kitchen window, and did some damage to the roof and parked cars, and knocked down a light pole in the front yard.

A brick home across the road had sheet iron thrown into it, dirt blown through the large windows and the antenna swept away.

The tornado then rampaged across toward Clarksville, tearing up a large number of trees and damaging barns.

At the small community of Lone Star, the storm destroyed one barn, belonging to the Ronnie Tippit's, leaving the hay and a cow undisturbed inside it. It blew a large tree up next to the house, and broke the glass door from the home of Carl Vickers, and smashed the Vicker's garage.

There was also some damage to the water station near Ye Ole Smokehouse.

Somewhere between Clarksville the tornado disappeared into a cloud, but reports state there was some

more damage at Annona.

At one time, the twister sprouted a second, very thin funnel, almost from the base of the original. This funnel did not touch down, but soon disappeared up into the cloud again.

The tornado was not typical in that it was white, apparently not filling with debris to turn it dark.

The wall cloud from which the funnel descended was considered a "classic example" of a tornado producing formation.

Deport Volunteer Firemen alerted the community to the storm, and one truck followed the storm in case assistance was needed.

The Bogata Volunteer Fire Department also sounded the siren and alerted residents to take cover in case the twister had approached Bogata.

Area residents are urged to take heed of the long, uninterrupted blasts from the sirens which indicate a tornado sighting, since the storm season is at its height.

TORNADO—The tornado that rampaged through Red River County last

Sunday created a weird formation as it lifted up and down time and time

again. Most of the damage was confined to

barns and trees, as the twister missed populated

areas. (Staff Photo by Nanalee Nichols)

Varsity Takes Second

by Britt Morgan

In the District 20AA Varsity track meet held at Rebel Stadium last Wednesday, May 21, the Rivercrest Rebel track team placed second in the meet and qualified nine members of the team for the Region III track meet.

In the field events, Joel Mangrum placed third in the pole vault and Charlie Skaggs placed fourth in shot put. The Reb team swept the high jump with Craig Clemmons placing first, Richie Winkler second, and Bradley Moore sixth. Randy Galloway gave Rivercrest a third place and Moore placed fourth in the long jump.

The Rebel sprint relay team, composed of Randy Galloway, James Noey, Larry Davis and Bradley Moore, qualified for the regional meet by placing second with a time of 46.2

seconds. Randy Randolph also qualified for region with an eleven minute, seven second, two mile run. Rusty Damron placed fourth in the two mile. Bradley Moore came in second in the 120 yard high hurdles only two hundredths of a second out of first.

James Strickland finished third and Jim Earley placed fifth in the event. Lonnie Sheffield gave Rivercrest a first in the 880 yard run with a time of two minutes and ten seconds.

Galloway placed sixth in the 100 meter dash and Richie Winkler and James Noey came in third and sixth in the 220 yard dash. Larry Davis led the pack in the 440 yard dash with a regional qualifying time of 54.42 seconds. Billy Joe Stewart came in second and Jim Earley placed sixth in the event. Bradley Moore

qualified for his third regional event with a first place 40.19 time in the 330 yard high hurdles. Stan Wood placed fourth in the event.

Mark Brown placed third in the mile run and to cap off the day, the Rebel mile relay gave themselves a regional berth with a three minute 39.47 time in the mile relay. Running the mile are Lonnie Sheffield, Richie Winkler, Billy Joe Stewart and Larry Davis.

The Rebel team had a total of 159 points, just four points shy of Maud's first place showing. Head coach Milford Groves was very pleased with the performance and has high hopes for the team at the regional track meet to be held at R.E. St. John Memorial Stadium on the Kilgore College campus in Kilgore on May 7 and 8.

Estimated Budget Released For District

Local school boards, city councils and the Red River County Commissioners Court will soon be receiving an estimated budget for the proposed Collections Department of the county appraisal district.

Wednesday, April 21, the Red River County Appraisal District Board of Directors approved a preliminary budget prepared by Chief Appraiser Gary Lesniewski. The budget is for a consolidated property tax collections system for all 11 taxing units in the appraisal district including Talco-Bogata ISD and the City of Bogata.

Several jurisdictions have expressed an interest in the appraisal district taking over the tax collecting duties. The district already is responsible for all appraisals as well as qualifying property owners for various exemptions and special use values. Lesniewski says with a single record for each property parcel, a single tax bill is now a possibility. However, each taxing unit must decide for itself if they want to retain the collections function or contract to the appraisal district.

Lesniewski said that if any of the 11 units decide to keep their collections, then a re-worked budget reflecting the remaining workload will be proposed in June. The process will continue until all taxing units remaining approve a proposed budget submitted or until all reject a final proposal.

The \$65,000 budget compares with total expenditures by the 11 units of \$180,000 in 1981. Therefore, the potential savings under a consolidated collections system may go as high as \$100,000 district-wide.

"The savings per

jurisdiction depends on their previous budget and the number of parcels within the unit," Lesniewski commented. "The cost of the system for each taxing unit will be based on the number of parcels in it. We won't

know the final count until all the re-appraisal field work is completed, but we can about guess the cost."

Lesniewski will be available to present the collections system to each board and council and has

already lined several meetings to do so during the month of May.

"We have made our proposal for the service and now it's up to each governing body to decide," the chief appraiser remarked. "We

are ready to help in this area if we are called upon."

Results of the decisions will be reported to the appraisal district board of directors at its next meeting May 24.

Water Rates Going Up In Bogata

Effective May 1, 1982, residential water bills will have an additional \$2 per month charge.

This was decided at the Tuesday, April 13 meeting of the Bogata City Council. The first 2,000 gallons will be \$5.00, 2,000 to 12,000 will be \$2.00 per thousand and over 12,000 gallons will be \$1 per thousand.

Sewer rates per connection will be \$3 per month with a service charge of \$1.00.

The Thedford Homes housing project will be \$138 per month and the Red River Haven-Nursing Home will be \$100 per month. Meter deposits will be \$25.

Reconnection will be \$10 if water has to be shut off by the 25th for non-payment of bills. The second reconnection charge will be \$15. After that, each recon-

nection will be \$25.

Removal for non-payment of bill will be \$25 and there will be a ten dollar charge for returned checks.

Service station sewer

charge will be \$3.50.

The city office will be glad to answer any questions concerning these rate changes.

Band Spring Concert Scheduled

A spring concert will be presented by the Rivercrest High School band, the Talco-Bogata sixth grade beginning band and the Talco-Bogata Junior High band on Tuesday, May 4 at 7 p.m. in the Rivercrest auditorium.

A variety of music will be presented including a new march by John Edmondson entitled "To The Colors" and

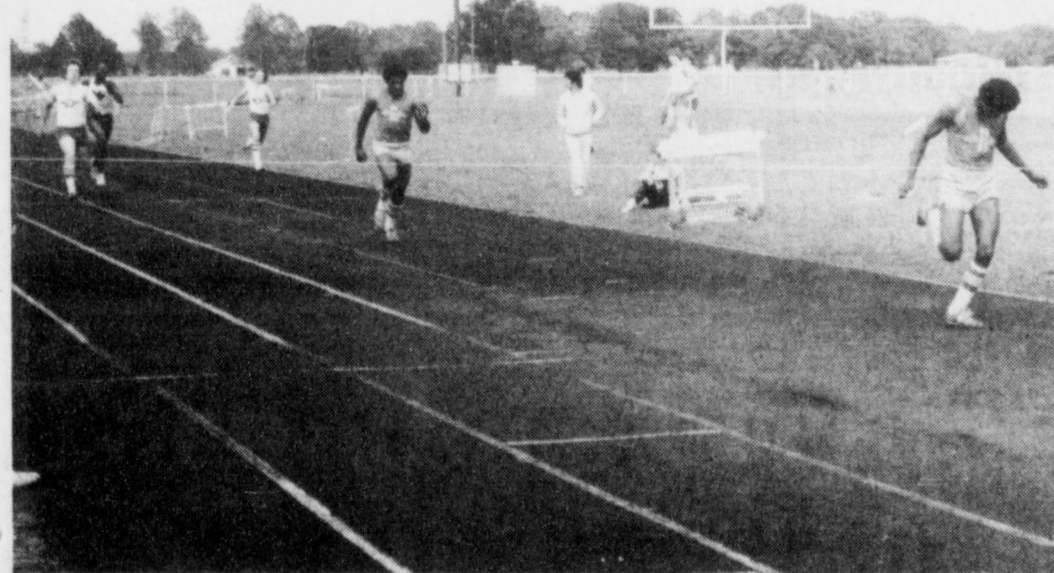

the selections from the Broadway hit "Chorus Line". The high school band will also play "Jefferson County Overture" by John O'Reilly and Appalachian Suite by John Kinyon.

The beginning band will play "Crusaders" by Erickson, "Merry Go Round" by Ployhar, and a novelty number called

"Krazy Klock", also by Ployhar.

The Junior High band will present a sea chant called "Blow, Ye Winds", arranged by Anzalone, a comedy number called "Accidental Waltz" by John Kinyon and several other selections.

The public is cordially invited to attend this concert free of charge.

and Billy Joe Stewart. Their times qualified them for the Regional

Track Meet in Kilgore. (Staff Photo by Britt Morgan)

Slow-Pitch Tournament Scheduled

A men's slow-pitch, double-elimination softball tournament will be held Friday, Saturday and Sunday, May 14-16 at the Johtown ballpark in

Johtown. The tournament will be hosted by Ray's Drillers. Entry fee for the tourney will be \$60 plus two game softballs before May 6 and late entries will be taken between May 6 and May 10. Fee for late entry will be \$75 plus three game softballs.

No entries will be accepted after May 10, or until the twelve team limit is filled.

Individual trophies will be given for first and second places. Individual ribbons will be given for third place and consolation.

For more information and

entries, coaches or captains of interested teams may contact Chuck Earley at 632-4449 before 9 p.m.

Weekly Ag Update

By Herb Brevard

Agricultural producers in East Texas and throughout the state are faced with serious economic decisions, according to Wayne Taylor, economist-manager for the Texas Agricultural Extension Service. Unless the right decision is made, bankruptcy is almost certain in many instances.

Taylor says that newer producers who are buying land, equipment, cattle and other fixed assets are the hardest hit. With the current low price of most agricultural products and high interest rates, these producers are faced with a serious cash flow problem. It is often difficult to make just the interest payments on loans obtained to purchase the fixed assets. Therefore, any inputs into the agricultural operation must be carefully studied and sound decisions made to maximize the available resources.

Dr. Sim Reeves, Jr., Extension agronomist, indicates that the decision to fertilize pastures is critical this year. Some producers may rent additional land cheaper than they can fer-

tilize their own pastures. This substitution of added acreage for fertilizer can delay out of pocket costs for a year or more.

During this economic crunch is an excellent time to cull the cow herd, says Dr. Randall Grooms, Extension livestock specialist. While the price of cattle is on the

upswing, as it normally is during April and May, is the time to go through the cow herd and cull those animals that will not produce a calf this year or that will be late in calving. Culling will also free up some of the pasture land for the better cows left in the herd.

Aide Course Planned

An 11-week nursing aide training course is scheduled to begin on May 31 at Paris Junior College, according to Nancy Jackson, PJC's facilitator for allied health programs in continuing education. The 300-hour program will train nursing assistants for hospitals, nursing homes, physicians' offices and home health services.

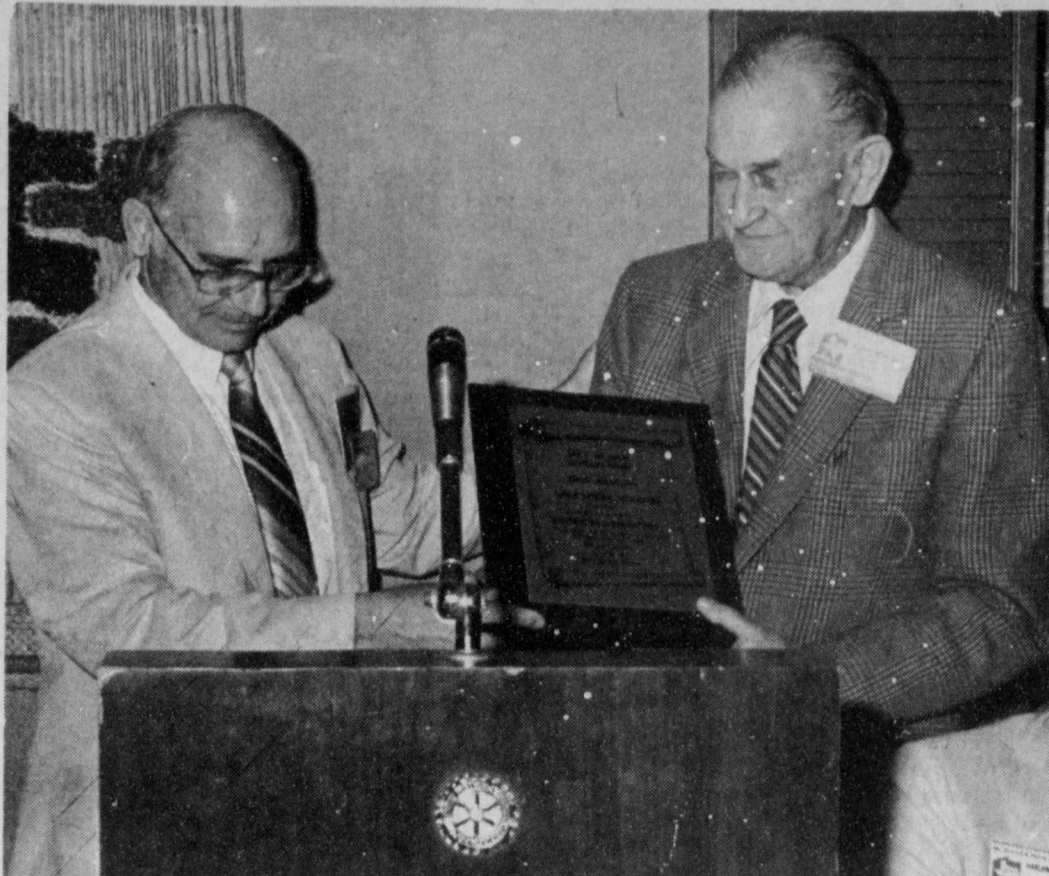

Classes will be taught from 9 a.m. to 3:30 p.m. Monday through Thursday in the PJC Downtown Center, 136 Grand Avenue. Fee for the course is \$225, and the textbook will cost about \$12. Those registering for the program must be at least 18 years of age, must have a physical examination and must provide three references.

Topics discussed will include basic anatomy, medical terminology, nutrition, illness symptoms, reading thermometers, counting pulse and respiration, reading blood pressure, patient care and hospital procedures.

Application may be made by calling Mrs. Jackson at the Downtown Center, 785-7661, extension 152, or going by the center.

Everyone who knows me, knows I keep cats. Usually lots of cats, but seldom are they allowed to have kittens.

However, due to an error on somebody's part (speak to Rev. Sam Rice about that, I thought she was his cat) a small, very ugly cat produced three very pretty kittens on the Saturday I was hurriedly trying to get ready for the NETPA banquet.

Last Sunday afternoon I sprawled out to read, and fell asleep instead.

After a little while a strange, high pitched squeaking began to filter through my foggy brain. Then I realized that something wiggly and very furry was twitching next to my neck.

Sleep filled eyes discovered the entire little family of cats had been removed from their home and stacked neatly next to me!

I don't know whether this is a complaint from the mother cat or if she is just tired of having to stay with the young 'uns and wants a baby sitter for a while.

At any rate, as much as I think of the feline species, that was too close for consideration, and the little kittens had to be returned to their box.

No human ever turned a more baleful look on anyone than that mother cat turned to me, and I think she is still greatly disappointed at the lack of cooperation shown.

Hall Fighting

Congress Tax Breaks

First District Congressman Sam B. Hall, Jr., a frequent critic of Congressional pay raises, has signed three discharge petitions aimed at forcing the House of Representatives to vote on legislation to eliminate special tax breaks for Members of Congress.

Last December, Congress enacted legislation giving itself a special tax write-off for living expenses in Washington. Using a complex parliamentary procedure, and without benefit of prior notification, members of the House were prevented from recording a vote on the bill. Congressman Hall and a handful of his colleagues at the time strenuously objected to the scheme.

The East Texas legislator has vowed to use every legislative means to overturn the hastily-enacted measure.

Terming the \$75 per day tax deduction for Members of Congress a "backdoor pay raise," Mr. Hall said, "It is very unlikely that a bill rescinding this tax advantage will come to the House floor for a vote unless we can get sufficient signatures on a discharge petition to force the vote."

Under the rules of the House, if a bill is tied up in committee, it is possible to remove the committee's jurisdiction over the bill by getting 218 members of the House, which is one over 50 percent of the membership, to sign a discharge petition forcing the bill out of committee for a vote by the full House.

Last year, Mr. Hall led a successful discharge petition effort on a bill that had been languishing in the House Judiciary Committee for several years.

"As I have pointed out over and over, if Congress

wants a pay raise, tax benefit, or anything else, then at least have the intestinal fortitude to stand up and vote one way or the other. People elected us to record votes, and to duck a recorded vote on an important issue, especially a pay raise, is unconscionable," Mr. Hall said.

Congressman Hall said that he refused to take the special tax deduction on his recent federal income tax return.

Red River County Jail "The Plain Facts"

1. The present jail is OLD, DILAPIDATED, UNSAFE and NOT SECURE.
2. The Texas Jail Commission HAS ORDERED the County to either fix the jail, close it, or build a new one BEFORE DECEMBER 31, 1982.
3. Renovation of present jail would be more expensive than building a new one.
4. Closing the jail would mean TRANSPORTING prisoners out of the County and PAYING for their keep in a certified jail at whatever price demanded.
5. The most ECONOMICAL ALTERNATE is to build a small jail which meets the County's needs now but can be expanded when necessary.
6. A new jail that meets the minimum standards will cost approximately \$500,000.
7. Funds for construction of a jail have been secured from Farmers Home Administration at 5 percent interest.
8. Because of sound financial planning the construction of a new jail WILL NOT cause a tax increase.

Young Homemakers Meet For Tour Of Homes

The Rivercrest Chapter of Young Homemakers of Texas met Tuesday, April 20 for a tour of homes.

The first home visited was the home of Mr. and Mrs. John M. Howison, where an interesting history of the home was given.

Also visited was the newly finished home of Mr. and Mrs. Drue Pirtle at John-town. Both of these homes were very interesting and were enjoyed by everyone. After the tours, everyone traveled to Rivercrest High School for refreshments and the business meeting. The recent benefit barbeque supper was discussed and termed a success.

Next month's meeting was discussed and officers for the 1982-83 year were elected. Elected were: president, Kim Kelsey; first vice-president, Carol Jordan; second vice-president, Ginger Foster; secretary-treasurer, Teresa Ward; and reporter-historian, Frances Smith.

The door prize was won by Marilyn Garrettson. There were 17 members and five

guests present.

Attending were Anita Stubblefield, sponsor; Dee Crayton, Mary Belcher, Lionda Eilers, Rue Anna Bell, Frances Smith, Janice Martin, Pat Cowan, Teresa Ward, Mary Joplin, Kaye Bell, Carol Jordan, Tana Guest, Tracie Guest, Terry Watkins, Kim Kelsey, Ginger Foster, Kay Sheffield, Marilyn Garrettson, Connie Sullivan, Sandra Callihan and Joyce Buckman.

The next regular meeting will be the annual salad supper and officer installation. This will be on Tuesday, May 18 at 7 p.m. All members and guests are welcome to attend.

Mrs. Terry Barnett, Mrs. Elton Welch, Mrs. Jack Mills and Mrs. Wayman Alexander represented the First Baptist Church Women's Missionary Auxiliary at the Fellowship District Auxiliaries meeting Thursday at the Bethel Baptist Church in Pittsburgh. Mrs. Jack Comer of Pittsburgh, president of the district, presided and Mrs. Glen Carroll of the Macedonia Church gave the opening prayer.

Mrs. Bob White, national WMA president from the South Jefferson Baptist Church in Mt. Pleasant gave the devotional "Our Purpose in Life". Her scriptures were Matt. 15:30-31. She also gave a report on her recent trip to Mexico where she visited Association Baptist Missionaries and their families and attended a GMA retreat.

BIG BASS—John Graf, son of Mr. and Mrs. Bill Graf of Ft. Worth, caught this 6 3/4 pound bass on the Graff Farm in Talco recently.

THE JOYS OF PHOWNERSHIP

There's nothing like owning your own. No matter what it is. It's better to own it. Consider the many benefits of owning your own Continental telephone. When you purchase a telephone from us, you own the entire telephone, lock, stock and barrel, and that means reduced monthly phone bills. Then, there's also the added convenience and privacy you get from another extension. And there's no limit to the options a colorful decorator telephone can give any interior

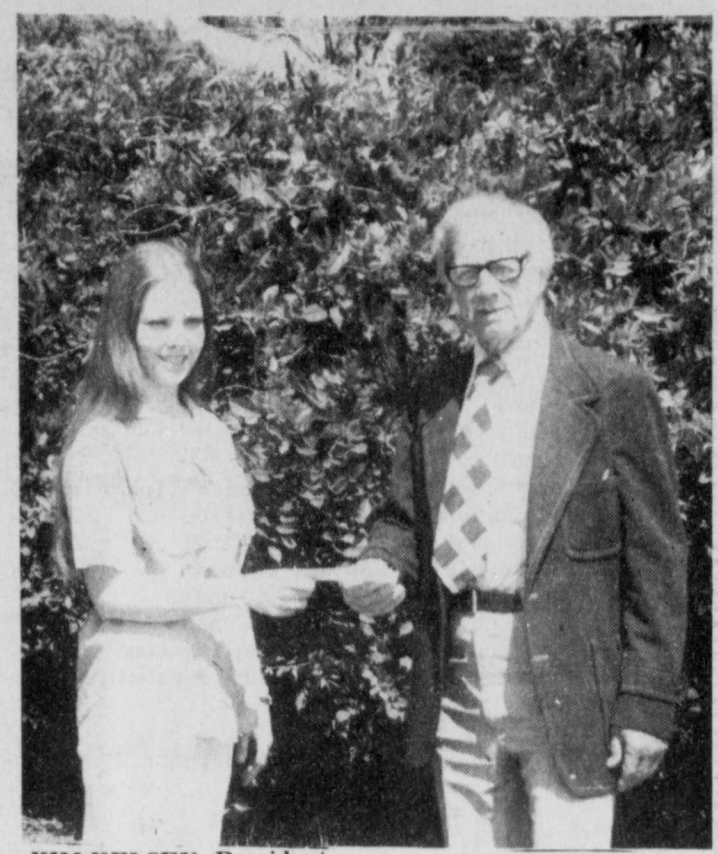

decorator. As a gift, there's a lot to be said for giving the perfect receiver...a telephone from Continental. It's something someone will always use, because no matter where you move—you can take you, phone with you. So stop by your local phone fair or business office today. And experience the joys only Phownership can bring.

Qualified to serve all of Precinct 3 as your next County Commissioner.
Elect
Ronnie Logan
Commissioner Precinct 3
Vote May 1, 1982

•Dedicated •Concerned •Capable

I believe that my management experience will enable me to see that our county roads are well maintained, even though Precinct 3 has more miles of rural roads than any other Titus County Precinct.

The commissioner's job is also much more than road building. I believe that I have the background to see that your county government is run in a cost effective, business-like manner.

If I am elected, I will work to represent ALL of Precinct 3.

If elected I will have monthly meetings with each of the above communities in order to keep the citizens informed on how their tax dollars are being used. I want each person to feel free to call on me at any time on problems that may arise.

I want to be your commissioner.

FHA Members Attend State Meeting

Representatives of the Rivercrest Junior and Senior Chapters of Future Homemakers of America are attending the 1982 state meeting of the Texas Association of FHA, along with 6,000 members and advisors from Texas. "FHA HERO: An Explosive Experience" is the theme of the 1982 meeting, which is being held in the Tarrant County

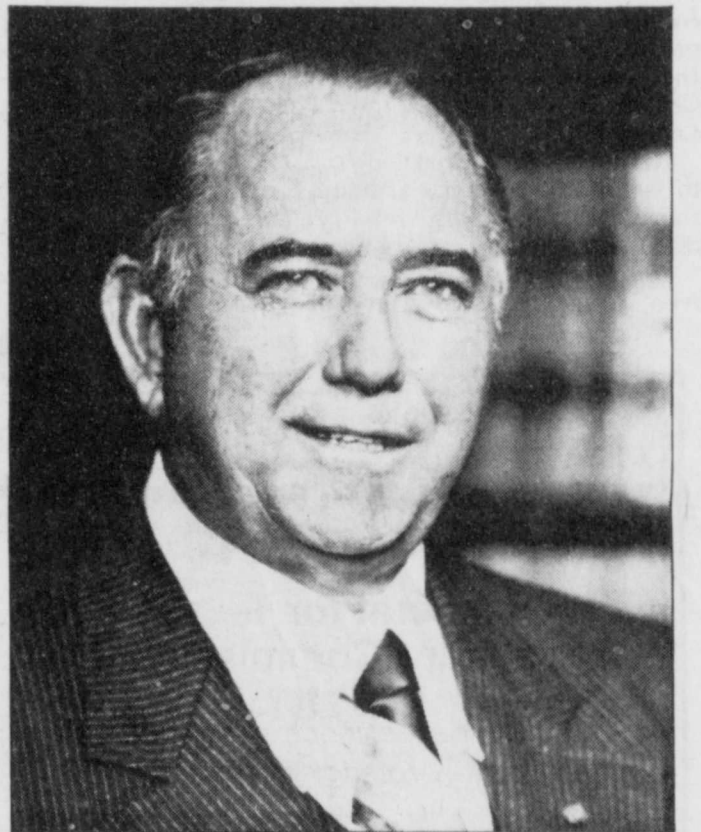

Convention Center in Fort Worth, April 29 and 30.

Attending from Rivercrest are Leilani Barnett, Karen Caddell, Rhonda Branch, Kelli Holmes, Jana Gibbs and the advisors Mrs. Bonnye Gage and Mrs. Anita Stubblefield.

Keynote speakers and presentations by Future Homemakers will highlight the two day conference. The business of the association will be conducted at the

House of Delegates session Thursday followed by a multi-media slide show, "Hard Times."

Installation of the 1982-83 state officers will climax the Friday evening session. The Future Homemakers of America is an organization sponsored by Homemaking Education with Mrs. Jean D. Barton, director and Miss Sharon Reddell, state advisor.

The record speaks for itself. Since he has served as our State Treasurer, that office has earned more income on public funds than the combined total of all previous earnings in the history of Texas!

Out of town guests attending were Mrs. Barbara England and Karla Fawcett of Arlington, Mrs. Peggy Fawcett, Carmen and Tracy of Mesquite, Mrs. Bessie Fawcett of Detroit, Mrs. Pat Smith of Longview, Melanie Burris of Cypress Springs. From Mt. Pleasant were Huella Campbell, Mrs. J.R. Sloan, Leigh Taylor and Barbara Gravitt. Mrs. Carra Bratton and Nora Lee Smith of New Boston and Mrs. Lisa Elliott of Bogata attended.

traditional graduation school party, Saturday, April 24. The event took place in the Talco junior high cafeteria and the theme for the graduation was "The Years We Left Behind". After the class officers welcomed a number of special guests and thanked teachers and parents for past interest and help, Mr. Vickers read the class history, and each class member was presented a copy of the history. The entire class presented a musical program which

featured several solos and a country guitar group. Mr. Giddens commended the 1982 eighth grade for having a parent sponsored party which was casual, in order to eliminate the use of monies necessary for the arcade. Sandwiches, chips and dip, cake and Dr. Pepper and homemade cookies were served to approximately 90 people. Everyone that wanted to, danced in the area which the eighth graders decorated them-

selves. A special drawing was held.

April Birthdays Celebrated At Red River Haven

The Lone Star Club sponsored the April birthday party, Tuesday, April 20 at Red River Haven. Those residents honored were Ruby Northern, Jim Lee, Sam Marsh, Coot Mankins, Laura Gifford, Delbert Hood, Floyd Nolen, Annie Nabors, Hope Kincaid, Ollie Eudy and Ike Moore, the eldest, who will be 98 on the 28th.

For a delightful program, Carol Jordon lead the residents in old favorites

such as "School Days", "Daisy", and "You Are My Sunshine", with residents Bettie Williams, Sam Marsh and Robert Hunter singing special parts. A poem was then read by Esther Cooper, which was followed by three piano recital pieces performed by Melissa Warren, Daphne Black and Jena Malone.

To conclude a most enjoyable party, the residents were served hot cider and delicious pies made by club

members Blanche Childers, Vivian Thomas, Erie Cockrell, Gertrude Grogan, Audrey Thomas, Esther Cooper, Sudie Varner, Ruth Varner, Magdolene

Scoggins, Carol Jordon, Anaya Phillips, Jerridee Tippit, Pearl Smith, Willie Watkins and Jo Ann Lampard.

Judge Sullivan At Coffee

A coffee and doughnut "get-together" for Red River County Judge Connie Sullivan was held at Bogie's Cafe on Wednesday, April 21 from 7:30 until 9 a.m.

Judge Sullivan met and

spoke with people of the community, and told what she has done during the time she has been in office, and also asked for their support for the coming election.

The doughnuts were furnished by the hostess and the cafe furnished the coffee. The election is May 1, and everyone is urged to vote. The coffee was sponsored by Mrs. Jack Troutt and Mrs. John W. Hood.

If Elected Judge of Red River County... I Pledge...

I will not change the salaries of County employees nor vote on any other matter that has not been previously posted on the agenda.

1. It is illegal according to the Texas Civil Statutes.
2. It is unfair when persons involved have no opportunity to represent themselves.

I will not expect the county to buy any of my gasoline unless I go out of town on county business, and on those occasions I will register time, place, and nature of business.

I will not carry a county credit card.

I will work to keep our County offices in the court house.

I will work to maintain and repair our present facilities.

I will build a smaller jail, but one that will meet State regulations and will cost much less than a million dollars.

I will work with the commissioners to give our county people better roads.

I will not charge the County Taxpayers to perform extra duties that can be handled along with my regular duties.
I will strive to keep county business in the county.

I will associate and work with all county employees in a business-like manner.

I will strive to be away from the Judge's office as little as possible, so when I am needed I will be available.

I will recommend that all county equipment, automobiles, backhoes, etc. be purchased from the lowest bidder, which is, after all, the law.

I served for twenty years as Deputy U. S. Marshal. I will work just as faithfully for you as Red River County Judge.

I am an honest person, and I will be very fair and impartial, and protective of the office of Red River County Judge. If elected, I will serve with much pride.

Elect EARL ANDERSON Commissioner Precinct 3

I, Earl Anderson, ask for your support and vote in seeking the office of Commissioner Precinct 3.

I will serve the people of Talco and Precinct 3 to the best of my ability in a fair and honest manner. The relationship between me and the city and people of Talco will be as good or better as with past commissioners.

I was born and raised in Titus County in the Argo-Cooper Chapel Community. I am a member of the North Jefferson Church of Christ in Mt. Pleasant.

I am retired from the Texas Highway Department after 27 years as a Chief Inspector. I was president of the Argo School Board for 12 years. I served with the U.S. Army in Korea for 22 months as a supply sergeant.

While working with the state highway department, one of my duties was to see that county, state and federal funds were used in the best interest of the taxpayers. Therefore, I feel that I'm qualified both in road building and handling taxpayer's money.

Again, I ask you to vote on May 1, 1982 for Earl Anderson. If elected, I assure you that Talco will be served honestly and fairly.

Named one of "Ten Best Legislators"
and "hardest working member of the

A vote for
Senator
Ed Howard is a vote
for proven ability
and leadership.

Ask most any qualified capitol observer in Austin what comes to mind when you call the name of Ed Howard, and they'll likely say "sound, serious, proven ability and leadership."

★ Leadership in education.
Was awarded the 1982 "Friend of Education" award by the Texas Classroom Teachers Association; supported teacher pay raises, increased benefits to retired teachers and the "Back to Basics" school curriculum legislation; currently serves as a member of the Southern Regional Education Board.

★ Leadership in safeguarding water resources.
Sponsored both the Red River Compact and the Caddo Lake Compact, and currently serves on both; presently serves on the Department of Water Resources' Task Force on Water; has always strongly supported a Constitutional prohibition against interbasin transfers of water, and was a Senate supporter of long-range planning of water resources and state assistance to local communities for water-related activities.

★ Leadership in law enforcement.
Senate sponsor of legislation which gave law enforcement agencies increased tools to fight major drug operations in Texas; supported the War on Drugs legislation, and supported increasing both the number of Department of Public Safety officers and the salary they are paid.

★ Leadership in economy in government.
Currently serves as Chairman of the Sunset Committee, which is the "watchdog" to review governmental agencies to make them more responsive to the needs of citizens and to bring better economics to their operations; Vice-Chairman of the Senate Finance Committee and is the only East Texan on the Conference Committee on Appropriations (where all final determinations on biennial budget are made).

★ Leadership in bringing better employment opportunities.
Was the author and sponsor of the Industrial Development Act of 1979 which has created over 30,000 new jobs to date without the expenditure of any state or local funds.

Is it any wonder that Texas Business Magazine named Senator Ed Howard one of the "Ten Best Legislators" last year, and also called him the "Hardest Working Member of the State Senate"?

We are fortunate to have the voice of
Senator Ed Howard speaking for us in
Austin. Let's keep his proven leadership
working for Northeast Texas!

Contracts Set For Grading Surfacing

The State Department of Highways and Public Transportation has recently let a contract for grading, widening structures, base and surfacing. The total length of the project is 8.366 miles with an estimated cost of \$1,929,794.55. The proposed number of working days for completion of this project is two hundred and forty days.

The limits of this project are from 1.4 miles south of Red River County Line, North to U.S. 271 at Bogata. Work will begin Thursday, April 15 with present plans to place barricades and grading operations to start Monday, April 19.

The contractor is C.T. Martin, Inc. of Terrell and Boorhem-Fields Equipment Company of Paris.

At a pre-construction meeting, representatives of the State Department of Highways and Public Transportation explained that certain hazards to the traveling public would be prevalent on this project during the process of construction.

Adequate barricades, warning signs, and light will be prominently displayed by the contractor, but motorists should be extremely cautious in driving through the construction area.

The State Department of Highways and Public Transportation, the contractor, and law enforcement agencies appeal to motorists to obey all barricades, warning signs and exercise caution in traveling through the construction area.

HAMSTEAKS WITH GOLDEN SAUCE

The secret is in the sauce! It's a savory blend of syrup from the pineapple can, mustard, pineapple-apricot jam and a dash of vinegar. A little can of Dole pineapple transforms just two slices of ham into a one-skillet dinner.

Golden Sauce is made right in the pan, after the hamsteaks are browned in butter. Juicy chunks of pineapple and the sweet and tart sauce simply simmer together for a meal in minutes.

HAMSTEAKS WITH GOLDEN PINEAPPLE SAUCE

- 2 slices (4 oz. each) cooked ham
- 1 can (8-1/4 oz.) Dole Chunk Pineapple in Syrup
- 1 tablespoon butter
- 1/4 cup pineapple-apricot jam
- 3/4 teaspoon prepared mustard
- 1/2 teaspoon cornstarch
- Dash ground cloves
- 1-1/2 tablespoons white wine vinegar

In a large skillet, brown ham slices in butter. Combine undrained pineapple and all remaining ingredients except vinegar and add to ham; simmer 5 to 10 minutes until sauce thickens. Stir in vinegar. Makes 2 servings.

Martha Laird Chapter Meets

The Martha Laird Chapter, D.A.R. met on Saturday, April 17 in the Fellowship Hall of the First Methodist Church of Pittsburg. The meeting was opened in ritualistic form by Mrs. Gerlad Hampton, Regent. The meeting was conducted in the usual manner with officer and committee reports. Mrs. Miriam Reddin brought the President General's message. Mrs. William B. Holsonbake, chairman of the D.A.R. Good Citizens Committee, awarded a certificate to Kami Tomberlain, Pewitt High School senior of Omaha, Texas, for winning second place in the state Good Citizen essay competition.

In a report from the state

conference held in Ft. Worth in March, Mrs. John Austin stated that Erin Shelby of Mt. Vernon had placed first in the state 7th grade division of the American History Month essay contest. The essay was titled John Deere and has been entered in the national D.A.R. competition.

Special awards were presented by Mrs. Hampton for special service to the chapter to Mrs. William B. Holsonbake, Mrs. Jerry Prestidge and to Mrs. Thomas Newsom. The chapter received several state awards for excellence.

The meeting was adjourned by praying the Mizpah. The next meeting will be May 15 in the fellowship hall of the Omaha

First United Methodist Church. New officers will be installed, 25 year members will be honored and a memorial service for recently deceased members will be held.

Rivercrest JV Places Second

By Britt Mortan
The junior varsity Rebel track team placed second in the District 20-AA track meet held at Rebel Stadium last Wednesday, May 21. The Rebels came away with 116 points, only five points behind first place finisher Redwater. Maud's junior varsity placed third in the meet.

Earning points for Rivercrest in field events were Eric Moreno and John Easley, placing second and third in high jump. Hayden Martin placed fourth and Jeffery Bivins placed sixth in long jump. In the shot put, Harold Holt gave the Rebs a second place and David Mauldin came in fifth.

Rivercrest JV's spring relay team came in second in the first of the running events. Brian Williams, John Jones and Roy Skaggs gave the Rebs second, third and sixth places in the two mile run. Kelly Jeffery placed third and Eric Moreno placed sixth in the 120 yard high hurdles. In the 100 meter dash, Charlie Roberts came in fourth and Jeffery Bivins placed fifth. Leon Kaelke gave the Rebel JV its only first place honors in the 440 dash, while Tim Williams placed third in that event. Jeffery and

Moreno again placed in a hurdle event as they brought in second and sixth in the 330 yard high hurdles. Bivins and Roberts came in fifth and sixth in the 220 yard dash. In the final event of the

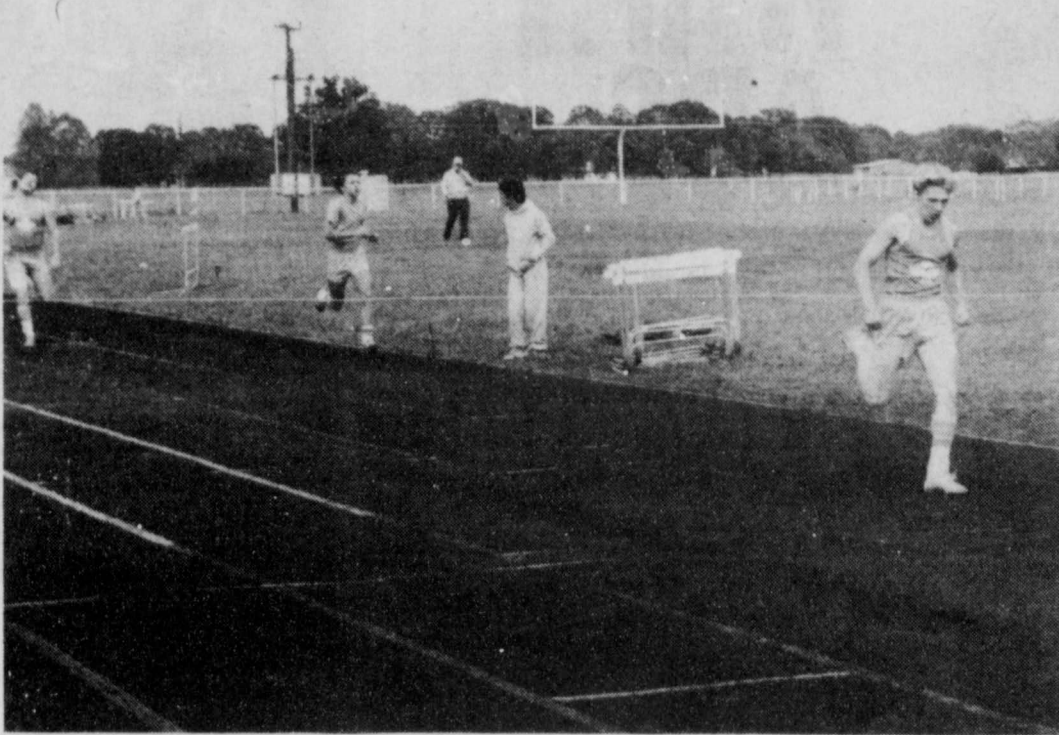

Weather Warning System Established

The Bogata Volunteer Fire Department wishes citizens to be aware that a weather watch warning system has been established.

In case of severe weather such as tornadoes the siren will be sounded for three minutes without interruption, then there will be a 15 second break and another three minutes of solid siren. This will continue

day, the Reb's mile relay team came in second.

The Rebel coaching staff was pleased with the performance of the young team as they prepare for the coming years on the varsity squad.

Dear Editor,

We take so many things in this world of ours for granted until a thank you seems so trivial, yet last Sunday afternoon's action by some people in this town could have prevented a real disaster.

The new severe weather warning siren, system was great, as our family, like many more, was totally unaware of an approaching tornado. Thanks to Miss Lassiter for sounding the siren and to our wonderful volunteer fire department for driving through town, taking time away from their families in a perilous time to announce the storm.

Thank goodness the storm missed Bogata proper, but the next time, these warnings could save lives and prevent serious injuries.

ENERGY CHECKED EFFICIENCY HOME FEATURES

Add up to savings

Step by step, an Energy Checked Efficiency Home is constructed or remodeled to get the greatest efficiency for your energy dollar. To earn the Energy Checked Efficiency Home rating, a home must have a significant number of energy saving features to save you money month after month for years to come. Some of the most important features of an energy efficient home are: proper insulation in ceiling and walls, heating and cooling units correctly sized for your home, adequate caulking and weatherstripping around doors and windows. For more information on the Energy Checked Efficiency Home program and how it can save you money, call or come by our office.

How to ring
up money on
**YOUR
MONEY!**

**TRY ONE
OF OUR
IRA ACCOUNTS**

If you qualify, an IRA plan for the self-employed could lower your taxes today while providing tax-deferred income for tomorrow.

And, as of the first of January, it doesn't matter whether you're a member of a pension plan where you work, you can open one of our IRA accounts and, right away, you'll reduce the amount of your taxable income, and earn high interest too! That's income tax-free until withdrawal! Now, that's ringing up money on your money...totally!
