"THINGS WENT PRETTY SMOOTH and I believe we made more money than we ever have in the past and it may have been because the carnival was held on Saturday and there was nothing else going on," was the statement made by Kelley Elementary Principal Bobby Lemons, when asked about the Annual Kelley Elementary Carnival. He commented that they do not have an exact final figure of the money raised, but he guessed it to be in the neighborhood of \$1,600. Pictured are some of the little Halloween Spooks enjoying the fun of Halloween.

RECORD Office Names Three Football Winners

The RECORD Football Contest has three top winners this week. Three pigskin prognosticators missed only two games of those listed. Mike Griffith of 903 Rusk Street in Colorado City, Bob Benson of Route 1, Loraine and Mark Cornutt, also of Loraine, were the "top-pickers" in the contest for this week. Since the tie has occurred, all three winners will receive \$12.50 for their efforts. If you would like to enter the RECORD Football Contest, look inside for details and entry information.

Controversy Raised Over Manager Vacancy

The Colorado City Chamber of Commerce met in regular session Monday night with the main topic of discussion being held on whether or not to hire a full time or part time Chamber of Commerce Manager, since the present Chamber Manager, Jack Hollis, will officially resign November 30.

The controversy of the subject was whether the city could afford a full time manager on its present budget. Hollis stated he would stay on a part time basis, until after the new year to help with installation of officers and the banquet.

The board discussed the possibilities of hiring an experienced Chamber manager. A committee of Dr. Richard Schaffer, Eddie Piland, Mildred Free and Van Mills was to check out the possibility of hiring

someone full time and either raising the membership dues and bringing in new members.

The Chamber Banquet date will be changed until the latter part of February instead of January, in order for the new board of directors to be presented to those attending the banquet. According to Chamber President Joe Kirschbaum, this is being done because the by-laws state that the board of directors will meet for the first time on February 1 or first Monday in February, at which time the new officers will be presented.

An announcement was made that Dr. Don Newbury, President of Western Texas College in Snyder, was the intended guest speaker for the

banquet and also, Patrice McKinney and her advanced class of aerobic dancers would provide the entertainment.

The nominating committee of Jim Baum, chairman, Ray Anne Carlock and Glenda Stinson, will appoint five persons to fill the five vacancies to the board of directors. Persons may still be nominated to the board, added Kirschbaum, because letters will be mailed out to chamber members and they will have time to submit their nominations and then an election will be held. Persons interested in making a nomination should contact the Chamber to get the special rules and regulations on the matter, added Hollis.

Also discussed during the meeting were the

Christmas decorations for downtown Colorado City. Manager Hollis stated they were presently waiting for the Centennial Committee to see if they were going to donate money for new decorations. If not and we don't get some money somewhere added Hollis, we will go ahead and use the old ones we now have. "The Merchants Committee has contacted the Centennial Committee, but no decision has been made at this time," stated Hollis.

Discussion was held on the Christmas parade and Hollis stated they already have an entry signed up. "By the way it looks, we will have an exceptional parade this year as the notices were only sent out by the Chamber a few days ago," added Hollis.

Gaona And McBride Reign As 1981 Westbrook King And Queen

Gabby Gaona and Sammy McBride, seniors of Westbrook High School, were crowned Westbrook King and Queen during Halloween festivities at Westbrook School Friday night.

According to Superintendent L. M. Dawson, more than \$4,000 was raised during the carnival, which is more money than has ever been raised in the past carnivals.

Their royal court of princesses and princes are Glenda Wallace and Smokey Shurtleff of the third grade; Amy Chitsey and Jason Morris from the fourth grade and Kellye Smith and Raymond Vigil from the eighth grade.

Persons named to the royal court are named according to the money raised from their class Halloween booth. There are three divisions: first

through third, fourth through sixth, seventh and eighth and high school.

Other contenders were Tammy Guill and Adolph Lopez, first; Stephanie Matlock and Randal Veach, second; Evelyn Smith and Scott Guill, fifth; Kate Walls and Clayton Cannon, sixth; Stephanie Pierce and Dale Browne, seventh; Evon Bradshaw and Don Zant, ninth; Teresa Browne and Nick Lopez, tenth and Christi Vanderpool and Douglas Wilson, eleventh.

The crownbearers were Tami Putman and Jay Browne from kindergarten.

The coronation ceremonies followed a skit, "The Night of the Living Dead," performed by students from the drama class.

GABBY GAONA AND SAMMY MCBRIDE will reign as Westbrook King and Queen at Westbrook High School for the school year. They were crowned during Halloween ceremonies Friday night. Pictured with the king and queen are the contenders along with the royal court.

Big Wolves Will Battle Stamford

The District 7-AAA's leading defensive unit, the Colorado City Wolves, will travel to Stamford tomorrow to tangle with the tough Bulldogs.

The Bulldogs have four offensive and five defensive starters returning from the State semi-final team of 1980.

The Wolves defense anchored by nine returning starters has been playing "play-off football" since the beginning of the season and the offense has begun to play up to its potential.

The Wolves are attempting to come back from a heart breaking loss to Clyde last week.

Coach Tom Ramsey states, "The Clyde game is behind us now and we are looking ahead to the Stamford game. Stamford is about the same size as we are and they have about the same ability. The winner will be whoever is ready to play. The Stamford game will make or break us. We have a great chance of winning."

The Wolves are still in the thick of the district race but certainly need a victory in Stamford to continue on that track.

Kick-off is scheduled for 7:30 in Bulldog Stadium.

Loraine Bulldogs Take First Win Of Season During Homecoming

Loraine Homecoming! and what a homecoming, beginning with the game ball being parachuted on the field by an ex-student Ricky Hallmark, crowning of the homecoming King and Queen, Patty Munoz and Frank Sanchez and concluding with their first win of the season, when they defeated Water Valley 7-6.

The Bulldogs felt the thrill of victory as they beat the Water Valley Wildcats, holding them through three quarters without a score.

The first score of the game was made by Water Valley and they missed their extra point, bringing the score to 6-0. The Bulldogs were right on their tails as Adam Merket scored for Loraine and Jerry Rhodes made the extra point, giving the Bulldogs their 7-6 victory over the Wildcats.

Loraine had 12 first downs to the Wildcats 13 and 242 yards in offense to Water Valley's 280.

Jerry Rhodes had 127 yards rushing on 15 carries, giving him 1,000 yards rushing for the year.

During half-time, the king and queen were crowned along with Football Sweetheart, Stephanie McAdams; Football Beau, Jerry Rose; Band Sweetheart, Melissa Clifton; Band Beau, John Rangel and Miss School Spirit, Martina Vallejo.

Coming Home Queen Betty Horton Pugh of Florida, crowned Miss Moreno during the ceremonies.

The traditional homecoming dance followed in the Loraine gym and also a LHS class of 1951 reunion was held Saturday morning.

LORAINES HOMECOMING Queen for the 81-82 year Patty Munoz was crowned Friday night during halftime. Pictured with her are, left, Frank Sanchez, escort, and her father, Mr. Munoz, right.

Gerald Anderson To Compile A Book Of Foreign War Veterans

Gerald Anderson has been appointed by the Wilson Wyatt Post 9178 of the Veterans of Foreign Wars to compile a memorial book of the Korea and Viet Nam era veterans.

The format for the book will be the same as a similar book done on the serve men from this area in World War II currently in the Mitchell County Library.

The memorial book will consist of pictures of the service men associated with Mitchell County, either

in the past or present and their station of duty while in the military service.

"These men fought in unpopular wars and it is high time they were paid tribute for the job they did in defending our freedom," says Anderson.

Material for the book should be given to Anderson at 935 East 14th Street in Colorado City, or phone him at 728-5553 to arrange a time for pick up.

Pictures may also be left with Mrs. Don Delaney at City National Bank.

CISD Is Changed In District Rating

Colorado City Schools were changed last week from their current 7-AAA rating to 6-AAA.

The basic difference in this realignment will be the miles travelled to and from athletic events.

Other schools in the 6-AAA district include Ballinger, Coahoma, Crane, Ozona and Sonora.

When queried about the added expense of traveling to these for West Texas places, CISD Superintendent Charlie Uselton said, "We haven't put a pencil to it yet, but we don't foresee an increase of any real size. Breckenridge is just as far as Sonora."

"We are concerned about the amount of travel involved, but we won't have to go to Sonora, Crane and Ozona in any one year. We were taken by surprise and we would like to play closer to home, but we are going to make the best of this situation."

When asked about the long-standing rivalries in district 7-AAA, Uselton commented, "With Ballinger and Coahoma in our district, the makings are definitely there for the formation of new rivalries to make our seasons as exciting as they always have been."

FTA (FUTURE TEACHERS) of Colorado High School sponsored a costume contest at CHS for students and teachers. Cash prizes were awarded to the winners.

The accent is on security for these boots, known as "El Rey III." Both El Rey I and II were stolen in past years.

A special locked case costing \$2,200 has its own international lighting to add further sparkle to the 318 previous stones in 218 settings on the totally hand made boots.

The boots took three months to make them within the Research and Development department at Tony Lama.

The El Rey III boots have alligator feet, English calf tops and 24K gold kidskin inlays. It took two jewelers 70 hours to get the stones, solder the special staples, mount the settings and then give all pieces a final rhodium plating for brightness. All stones have a combined weight of over 17 carats.

Wood's Boots is inviting everyone to stop by the store and take a look at the show boots.

WOOD'S BOOTS will be the show place for the El Rey III (pictured) valued up to \$32,000.

Mitchell County 4-H'ers entered the State Fair of Texas. According to County Extension Agent Bob Benson, those placing were John Preston - second place heavyweight Polled Hereford; Ginger Preston - fourth place light-heavyweight Crossbred; Shelia Benson - eighth place heavy-mid-

dleweight Crossbred; Quentin Merket - tenth place middleweight Hereford; Dalton Maddox - eighteenth place heavyweight Crossbred; Kyle

The Bucks Stop Here

By COACH GEORGE MARTIN

The Colorado High School Varsity volleyball team traveled to Abilene this past Saturday to play Breckenridge in deciding which team would represent District 7-AAA in the Region 1-AAA Tournament on November 14 in Lubbock and the Wolves stopped the Bucks dead in their tracks after falling behind 13-15 in the first game. They then came from behind 6-14 in the second game, to take it 16-14 and in the third game, 15-10 to qualify the Wolves for the second year in a row for the regional tournament.

In the first game, the Wolves had to play catch up ball to stay close in the 13-15 Breckenridge win. The Bucks did an outstanding job of spiking the ball on the Wolves as it took this game for the Wolves to settle down and try to figure out what the Bucks were doing offensively. As the score indicates, it was a super first game. The Wolves were 13 of 15 serves for 97 percent serving efficiency. Senior Karla Herm was four of four and four points; Laura Baum, four of four for four points; Pam Wilson, four of four for four points and Stacy Hamrick, one of two for one point. Laura and Stacy had one spike downed each while Laura, Stacy and Tomika Randle had one dink each.

In the second game, the Wolves fell behind fast and at 6-14 used their last time out. The Wolves never gave up until the final point was scored and as they clawed back to 8-14, 11-14 and the Bucks called their last time out.

As the serve changed hands many times, the Wolves again had their chance to win. As it would happen, the Wolves served a good serve and won the point to take the second game, 16-14 and put the match into the third and deciding game. Outstanding play by Karla Herm, Pam Wilson, Tomika Randle,

Stacy Hamrick, Laura Baum and Carolyn Green, beyond the average person payed off. Scoring and serving for this second game went as follows: Pam, one of two for one point; Laura, four of four for three points; Stacy, four of four for three points; Karla, four of four for four points; Tomika, three of four for three points and Carolyn, three of three for three points. Good spikes downed were by Tomika with two and great serves were from Pam with two and Tomika with one.

In the final game, the Wolves came out with a very aggressive style of play as they stayed ahead of the Bucks until the final point was scored. The Wolves took the Bucks to the time of 15-10 and a place in the Region 1-AAA Tournament in Lubbock.

This was a super game for both teams as they hammered spikes at one another and defended each other as no one has ever seen. The Wolves played their most inspirational ball game of the year, as they spiked, played defense, blocked shots and played smart ball to take the victory.

Leading the Wolves were Karla Herm, five of five for five points and three great saves; Stacy Hamrick, four of five for three points and four super spikes; Tomika Randle, two of two for one point and two super spikes with one good save; Pam Wilson, two of two for two points and Laura Baum, three of three for two points, two spikes and one good save.

This put the Wolves in district at 6-1, Breckenridge, 5-2; Clyde, 2-4 and Merkel, 0-6 and the Wolves' season, 15-4.

This was the greatest match the Wolves have played in three years and we do not feel we are still as good of a team as we can be. We are working on

our timing, defense and communication with each other on the floor. Beating Breckenridge in this manner may have the carry over this year we need to go into the Regional Tournament in order to have a chance at the title. This group has never said that they would be beat, but that the other team has to beat us and the reason we are successful is that all members of the team are "team" players. Everyone on the floor and the bench share with each other the dedication and devotion to being a champion. Diana Castillo, Rachael Lujan, Hollie Toplin, Kerry Spivey, Mona Molina and Robyn Turner all share in being Champions of District 7-AAA. All team-mates know that we will only be as good as those we work out against from day to day and that one day they will have their chance to play in the varsity matches more.

The Volleyball team would like to thank the Colorado RECORD and merchants for the ads and the support they have shown. We would also like to thank KVMC Radio and Channel 6 television for their support and energy in supporting the Wolves. To the fans and parents who went to Abilene and backed us, we say thank you from the bottom of our hearts. We hope everyone will make plans to go to Lubbock on November 14 to back the Wolves on to the Region 1-AAA title and a chance at the state tournament. This is all of the Wolves' dreams for this season.

Two New Sources

There's enough natural gas in proven and existing reserves to heat America's homes and run its factories for many years. And now gas is flowing in enormous volumes from two new sources: the tight basins and the deep basins right here in Texas and Oklahoma. Experts

believe each of these sources could double the nation's proven supply. And our pipeline system will let us deliver your share of this gas efficiently and economically. It's another reason to be glad you're served by the Lone Star system.

Gas. It's plentiful, efficient and right for the times.

Junior And Senior Classes Start Job Seeking And Retention Program

Students in the Junior and Senior classes at Westbrook School are involved this week in activities designed to assist them in job seeking and job retention. The program is especially designed to assist students as they enter the job market skills for securing the very best job they can get with

what they have to offer an employer.

The program, known as Building Employability Skills in Teenagers (BEST), is conducted two hours a day for five days, and emphasizes the concept of learning by doing. Activities are developed to make the experience as realistic as possible and as close

to the real working world as can be done in the classroom.

On the first day of the program, students are organized into working crews with foremen selected to "boss" each crew. To increase realism, students punch a time clock each day and those clocking the full ten hours will be award-

ed a certificate of achievement on Friday.

The second day is devoted to leading the students to take a closer look at themselves and their interests and goals. The third day covers communicating with others and "selling" themselves to the employer on the day of interview. The fourth

day is devoted to developing skills in decision making, especially those employed in career selection.

The final activity on the fifth day is a "role played" interview with a real employer from the community, with each working crew entering an applicant contestant for the job. The

employer then selects the best applicant based on his completed application form and personal interview.

These interviews are video taped and played back to the students. At the end of the 10 hour block, Certificates of Achievement will be presented to successful students by L. M. Daw-

son, Superintendent of Schools.

This program is sponsored jointly by the Vocational Agriculture and Homemaking departments in the school with the assistance of the school counselor.

People sponsoring the program at Westbrook School are J. W. Schlee vocational agriculture

teacher, Karen Hackfeld homemaking teacher and Marilyn Threlkeld school counselor.

The program was developed by Larry Dooley of Region 14 Education Service Center. Dooley and personnel from the ESC, assisted by the local school people, make the daily presentations.

Letter To The Editor

Dear Editor: I hardly know where to start. Colorado City has some of the most wonderful people in this world.

My son, Bobby was ran down by a 16 year old girl last Sunday evening in Colorado City. The Mitchell County Ambulance Service, the news, Dr. Aguilon and the person that notified the police, have my heart felt gratitude. Our sheriff came to the house and notified me. Many places would have called by phone. The church, First Baptist and Calvary Baptist, Bro. Glenn Roenfeldt, Bro. Jerry and Bro. Dave have called and also made the long trip to Lubbock to see Bobby. We have had cards and calls from so many. My heart overflows.

Bobby has a skull fracture and will be here at Methodist for a while. He was unconscious only 22 hours. This sounds like a long time, but it really isn't. I know in my heart it was the prayers of all his friends and mine. God bless them. And last but not far from least, the Tammam family, John, Ginger and the girls, Debbie and Danny Reib. They brought their Motor Home to Lubbock for me to use while Bobby is here. The days and nights seem to run together when one has someone in the I.C.U. But the Motor Home gave me a place to relax, clean up and pray in private. God will surely bless them.

There are so many things I could write a book. My family the Burts, my sis and her husband Edith and Bill Haddis. I could just go on and on. It certainly is a wonderful feeling to know someone cares, but to find everyone seems to be right there really restores my faith in human kindness. Now hat I'm started I don't know where to quit. There is no place to quit. For the helping hands are still helping. There s no way I can say what s in my heart.

I don't know how long hey will keep Bobby ere and there will be any trips back to here then we do come home. ut the concern and the iving help that has een given us has surely ept me going. God less you all.

Sincerely Liz Wilburn P. S. I said there was o where to quit, I must ention Charlsa and hil Hall. They are eponsible for Bobby's ew P.J.s, house slip- ers, etc. We came up ere with nothing. They ad to cut his clothes ff in the emergency oom at Root, so we are specially grateful to em and thank you om the bottom of my eart.

I hope you can read is. I'm still a little trng out over all this nd Bobby is conscious nd improving, but e're still in a "wait and e state." He is on the 'diatric Ward now and oing better every day. Again I say God bless you

Homecoming Activities Draw A Large Crowd On Friday

The Loraine High School Homecoming activities drew a large crowd to Loraine on Friday and Saturday, October 30-31. The activities started with the Powder Puff football game Thursday night. The Bulldogs won their game over Water Valley in an exciting homecoming game Friday night. Excitement ran high before starting of the game, as Ricky Hallmark, former graduate of Loraine High School, was due to parachute onto the field bringing in the game ball. He landed on the 35 yard line on schedule amid much excitement and cheers from the large crowd.

During half time Betty Horton Pugh, class of 1951 from Merritt Island Florida, was recognized Coming Home Queen and Patty Munoz Homecoming Queen.

Saturday's activities got underway with registration in the high school cafeteria at 10 a.m. 220 were registered for the meal served at noon.

At 1 p.m., Stanley Moore, 1981 president of

the association, presided over the meeting and Maylon Beaty gave the invocation. Cheerleaders Shelly Martin, Martina Vallejo, Melissa Clifton and Margie Oliver asked all ex-cheerleaders to join them in leading the school song with Golda Redwine accompanying. The girls then led in a school cheer.

Moore recognized board members Ronald Bruce, Dean Oliver, James Clifton, Royce Beights, Gene Smith, Danny Butler and Moore.

Last year's minutes were read by Secretary Golda Redwine. He then introduced Glenda Richards Pruitt and Don Richards with Golda Redwine accompanying sang several old time favorites and hymns and closed with the Battle Hymn of the Republic. They were given a very enthusiastic ovation. These three were former Loraine High graduates.

Moore then introduced speaker for the day, a former superintendent of Loraine School back in the early 50's, Mr.

Don Robbins who gave a very entertaining talk

Save energy with a heat pump.

If you're planning to install a new heating or cooling system, consider a high-efficiency heat pump. It's an energy-saving, year-round alternative.

The heat pump provides year-round heating and cooling, using only electricity. During the winter, it extracts heat from the outside air (even very cold air contains heat) and brings that heat inside where it's needed. In the summer, the heat pump is

a regular air conditioner, removing unwanted heat from the inside air.

The heat pump is the most efficient combination heating and cooling system that can be installed in your home today.

To learn more about the heat pump, call your air conditioning contractor or Texas Electric. And when you call, ask about our conservation incentive program.
