P-TA To Meet Friday Night

Parent-Teacher Association will meet Friday, March 8, at 7:30 p. m. in the cafeteria in conjunction with Texas Public Schools Week. A brief business meeting will be followed by the presentation of the Life Membership award. The meeting will be adjourned for visitation. Open House will be held in elementary, junior high and high school in observance of Public School Week.

All parents are cordially invited to attend PTA and Open House.

Theme Of Banquet Is 'Great In '68'

A crowd of approximately 200 persons attended the Olton Chamber of Commerce and Agriculture banquet held in the school cafeteria Friday, Feb. 23.

Theme of the banquet was "We're going to be great in '68." Members of the Future Teachers Association served the meal.

New directors and out-of-town guests were recognized. Entertainment was by the "O-Boys" a quartet made up of Barry Cowart, Johnny Lewis, Stacy Pendergrass and Donnie Fancher, accompanied by Mrs. Bob Allford.

The year 1967 was reviewed, with different persons giving highlights of each month. Presenting the high points in January was Ray Schultz; February, Mrs. Major James; March, Louis Hair; April, Mrs.

Gene Trotter; May, Rev. R. H. Campbell; June, Claude Burnette; July, Mrs. W. T. Hall, Jr.; August, Joe Turner; September, Mrs. Earl Spruiell; October, Major James; November, Earl Spruiell; and December, Judge Truitt Sides.

Rev. Tommy Nelson, introduced the speaker of the evening, Rev. Harry Vanderpool, pastor of the Polk Street Methodist Church, Amarillo. Stating that this was "a

crazy world in which we live," Rev. Vanderpool said while looking for things to be better in the future, we mustn't overlook the things that we have now.

"As we move into the future, we need to grab hold of old fashioned friendliness and neighborliness. So often we are interested in growing -- attracting industry and we forget to recognize the things that we already have that bigger cities are not fortunate enough to have."

"Some city folks might wonder what good could come from a small town -- you know, Jesus was accepted by crowds but leaders couldn't imagine anything good coming from a little town called Nazareth."

Vanderpool continued that unexpected things come from unusual places. Lots of things happen in the most unlikely places. "Columbus discovering America was very unlikely. Sometime you find something when you're not looking for it."

"It has been said that seeds of discovery are around, but only take root by those who work hard to make them grow."

"In your goals of reaching for better things for your city, don't overlook the things you have here -- serenity of soul, peace, neighborliness -- may be that these are out of date, but don't lose them. Don't be in such a hurry to go ahead that you leave some of the important things behind."

Concluding his talk, Vanderpool said, "So long as there are homes with love and loyalty in them, where prayers are said, with God back of little homes, we have hope that nations can survive. Hold onto the old fashioned virtues found in a town like yours."

Former Olton Minister Chosen As President Of Lubbock Firm

E. R. Higgins, former minister of Main Street Church of Christ, an administrator of Lubbock Christian College since 1957, has been chosen as President of Interstate Sales, Inc., as announced by the Board of Directors.

Higgins, a native of Oklahoma, received his Bachelor's Degree from East Central State College, Master's Degree from Oklahoma State University, and has done graduate work at the University of Oklahoma and Texas Technological College. He has been an instructor and administrator in schools and colleges in Oklahoma, Florida, California, and Texas. He and his wife (Myrtle), now Assistant Dean of Women at Texas Technological College, have had the

E. R. HIGGINS

distinct honor of assisting in establishing three Christian colleges. Higgins was vice-president of Central Christian College from 1949-1955, one of the colleges he helped to establish.

Higgins is a Past President of Phi Delta Kappa, a member of the Red Cross Board, vice-president and Director of Foundation for the Cotton Harvester Company, and is a member of The Broadway Church of Christ.

Other administrators of the corporation are: Gerald Lee, vice-president, and Ted Thrush, secretary-treasurer.

The home office moved from Dallas, to 2205-34th Street in Lubbock, Texas. Higgins assumed his duties February 20, 1968.

Olton Thinclads Attend First Meet

Olton Mustang track team traveled to Brownfield Saturday 24 to compete with AAA and AA schools in the first track meet of the season.

Olton and Levelland tied for eighth place with 18 points each. Dunbar from Lubbock came out on top with 130 points, Seminole was second with 76 points and Andrews placed third with 62 points. Coach Don Beck stated, "we were real proud of the kids" even though they placed eighth because they were competing with almost all AAA schools. Colorado City, a AA school, ranked 6th above Olton with 44 points. However, Olton placed above these AAA schools, Dumas, Canyon, Mile shoe, Brownfield, Tulsa, and Lamesa. Abernathy, Stanford, and Post, all AA schools were also under Olton.

Charles A. McClain placed third in the 330 intermediate hurdles with a time of 42.6 and he also ranked fourth in the 120 high hurdles timed at 16.4. Benny Akin, with a time of 10.5, came in fourth in the 100 yard dash and in the 220 event, he placed fifth with a time of 23.1. The 440 relay team composed of Joel Nelson, R. L. Copeland, Benny Akin, and Charles A. McClain, came in sixth with a time of 45.2. "We felt like this was real good considering there were 13 AAA schools," commented the head coach, Don Beck.

The Mustangs will participate in the Ideal Meet this Saturday at 9 a. m. with the finals at 1:30 p. m. Most of the AA schools in the Panhandle are entered in this meet and all of our district competitors are entered.

Red Cross Fund Drive To Get Underway Friday

The annual month-long campaign for funds of the Lamb County Chapter of The American Red Cross will open Friday, one of the most important of its drives since the second World War. Mrs. Bonnie Haber, Chapter Chairman said today.

Because of the greatly increased cost of serving U. S. servicemen in Vietnam and because of a series of major disasters, The Red Cross has been forced to ask the American people for the largest sum of money since World War II... \$121,624,000. Mrs. Haber said.

"In Lamb County we are seeking to raise \$8,836.00. We therefore urge that our supporters increase their 1967 donations." "The nationwide drive for funds of The Red Cross will be geared to the

theme of "S-O-S. Support Our Servicemen" and the slogan "Help Us Help".

"The funds contributed in Lamb County will be used to support the Chapter's local services, and to provide its share of financing the expanding national Red Cross programs, especially its services to the Armed Forces and Veterans", Mrs. Haber explained.

A Kickoff Coffee will be held at Thornton's Cafeteria in Littlefield, Friday, March 1, at 7:30 a. m. Mr. Claude M. Payne, National Field Representative of the Red Cross Services of The Amarillo District, will be guest speaker.

Olton's quota for this year's drive is \$1100.00, with Truitt Sides, newly appointed Lamb County Judge, as Chairman of Olton, as well as the overall County Chairman.

Piano Auditions Slated April 25

Auditions will be sponsored by the National Guild of Piano Teachers and the American College of Musicians and held in Olton April 25 through 27. Harold Dean Carson is local chairman and also serves the Guild as an adjudicator.

Piano students who study with a teacher who is a member of the Guild have the opportunity each spring to play in a program before a judge. The student receives a membership pin in the National Fraternity of Student Musicians and is presented with a certificate and a detailed report card with the grade and comments by the judge.

Serving as adjudicator for the auditions is Jerry Gannaway, Gannaway holds a music degree from Hardin-Simmons

It's Your Responsibility

Remember, how as a child, you were eager to have your mother and father notice your achievements-encourage your aims and ambitions? Stop to think about it, and we find that even as adults, attention once in a while still feels good.

It's the same for your children. That's why Public Schools Week in Texas is such a good idea.

This year, March 4th through 8th is Texas Public Schools Week, and it's your chance to visit your child at his school. You'll meet his teachers, and see first hand what he's accomplishing- the progress he's making toward his goals.

Besides offering him encouragement, a visit to your child's classroom will let you see how your tax dollars are being spent for modern education. You'll marvel at the many advancements Texas education has made in just the last year.

Texas teachers and the newest innovations in Texas schools are readying your child for tomorrow's world. You can help your child, and our public schools with a visit to your child's classroom during Public Schools Week in Texas, March 4th through 8th. This visit is your responsibility. But, it's one both you and your child will enjoy.

COTTON TALKS

FROM PLAINS COTTON GROWERS, INC.

"There is no way around the fact that the U. S. cotton industry and the people in it cannot expect to enjoy any lasting prosperity until we get back to growing and selling around 16 million bales of cotton every year. And that means 5 million or more of those bales will have to be sold to foreign mills."

This was the statement of L. D. (Don) Anderson, Crosbyton, President of Plains Cotton Growers, Inc on his recent election to the Board of Cotton Council International.

CCI is the foreign branch of the National Cotton Council which in the past has devoted its efforts toward increasing foreign consumption of cotton in general. Now it has pledged its efforts in the direction of increasing foreign sales of U. S. cotton specifically.

"Our domestic mills for the next several years can't be expected to use more than nine

and one-half or 10 million bales of cotton a year, which is less than 2/3 as much as we are set up to grow and process," Anderson said.

He pointed out that producers have 16 million acres allotted to cotton and that suppliers and processors have huge investments in plants and equipment to furnish production inputs and handle the production from those acres.

"This great need for increased exports is nothing new, I know," Anderson continued, "but I think we now may be closer to getting something done about it than we have been in a long time."

"Interest among producers and processors across the belt is higher now than I've ever seen it, and if we can get sincere cooperation and an honest effort from the Department of Agriculture and the Administration I believe we can achieve

significant gains on the export front."

Officials of the Department of Agriculture have taken the position that they have complied with the law which requires them to determine and export our "fair share" of the world cotton market.

Our fair share of cotton export markets has been said by the Department to be around 5 million bales. But Anderson feels the figure should be well above 5 million.

World total exports for the 10 years 1957 through 1966 averaged 15.9 million bales. The U. S. average exports for the same period was 4.9 million, or 30.8 per cent of the total.

For the previous 10 years, 1947 through 1956 the U. S. exported an average of 4.4 million of a world total 12.3 million bales, or 35.8 per cent.

So, in the years since World War II the U. S. percentage of the export market has declined by 5 percentage points. Of 3.6 million bales gained by the total world export market, only 500,000, 14 per cent, came to the U. S.

Using the 1947-56 percentage, U. S. exports for the next 10 years should have averaged 5.6 million bales, and Anderson says this is the absolute minimum that should be considered as our fair share.

After 7 p.m., you can call anywhere in the country for a dollar.

All long distance callers worth their salt know that calling in the daytime is more expensive than calling in the evening hours. (Actually, most people call during the day, when we charge our regular rates.)

But long distance callers aren't interested in explanations.

The only thing they care about is calling for

the cheapest possible price.

So to get more for their money, they devised a scheme you might call The Waiting Game.

The idea is to do just what the name implies: Wait and wait and wait and wait.

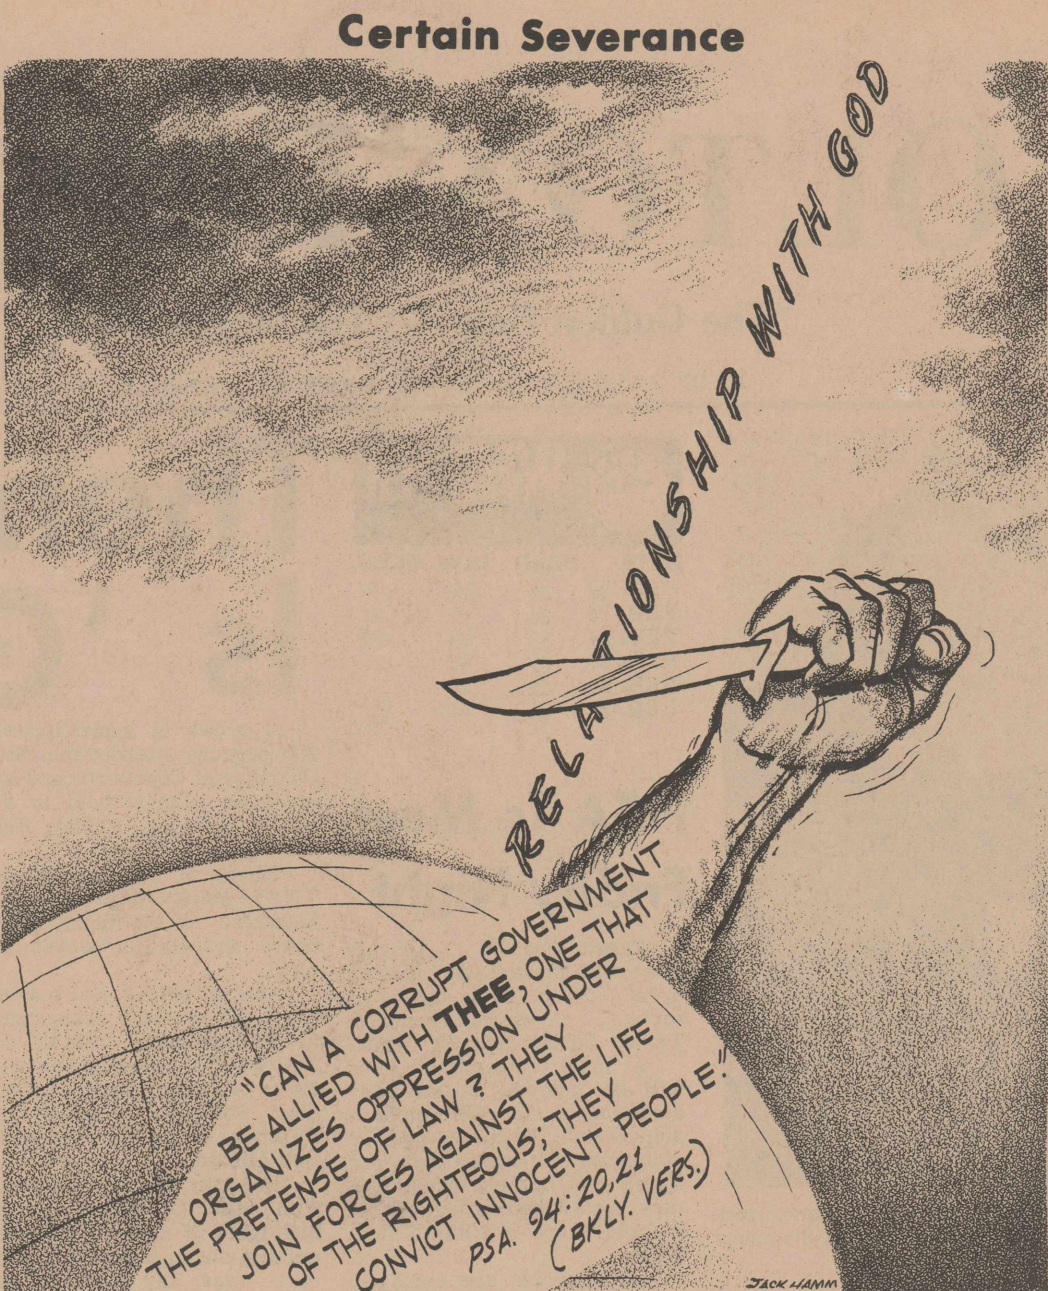

Because they know if they can hold out till after 7 p.m. or any time of the day on Saturday

or Sunday, they can call anywhere in the country for a dollar or less.*

Which just goes to prove that anybody can afford to call long distance.

Provided they know how to play The Game.

Red Cross Asks Help

Editor
Olton Enterprise
Olton, Texas

Dear Editor:

The American Red Cross is again asking Lamb County residents to help "support Our Servicemen". Now, more than ever our Servicemen need your help. Almost every family is touched by the war- or will be. A little help to your Serviceman, and mine, in a far away land can mean so much.

THE FAMOUS folk art toys of Alexander Girard will be displayed at HemisFair'68 in San Antonio.

APPOINTMENTS -- Robert D. Spellings of Fort Worth is new administrative assistant to Speaker Ben Barnes.

Your American Red Cross stands ready to help! We hope you will remember that March is our drive month; and that you will give generously and willingly of your time and means.

Sue's Views

Leap Year

BY SUE CANNON

Since the entire paper is related to Leap Year, I suppose my column should be too.

However, I'm afraid I don't have anything to say about Leap Year except that it used to be fun for us when we were kids to have parties and dress up in Daisy Mae and Lil Abner outfits and have a Sadie Hawkins race.

Guess kids nowadays don't do such stuff, though. (I doubt if they even read Lil Abner in the comics.)

Us gals at the news office have worked real hard getting this paper out early so that we all could take advantage of the Leap Year Day sales which start Thursday and we want you to look through the paper and notice the real bargains offered here in our little town this weekend.

Leap Year Day is something that has always kinda "bugged" me. I'd hate to have a birthday on that day.

Just think, only one birthday every four years. Come to think about it, that

might not be such a bad idea. But I absolutely refuse to get off on the subject of age again this week. Not after last week!

SHORT SNORTS -- Atty. Gen. Crawford Martin has held that higher education institutions' local funds can be placed on time deposit with local banks.

Attorney General Martin also concluded that an insurance company with most of its assets invested in a foreign nation fails to qualify for gross premiums tax reduction.

Governor Connally approved three regional planning grants (of \$6,000, \$6,500, and \$7,000) to South Texas and Lubbock Metropolitan councils of government and Austin-Travis County Organization for Regional Planning.

Governor Connally has designated March as "Beautify Texas Month" to recognize the Texas Garden Clubs Inc., which is celebrating its 40th anniversary.

Crime In Texas

Crime in Texas during 1967 jumped 11.8 per cent over the previous year to set a new all-time high for criminal offenses, according to the Texas Department of Public Safety.

Col. Homer Garrison, Jr., director of the DPS, said today that an estimated 332,986 major crimes were committed during 1967, compared to the 297,810 offenses estimated in 1966.

All major categories of crime showed increases of over 10 per cent during 1967. Murder and homicide rose 12.4 per cent, rape was up 12.8 per cent, robbery climbed 19.0 per cent, burglary was up 11.4 per cent, aggravated assault rose 12.8 per cent, theft increased 11.4 per cent and auto theft was up 14.1 per cent.

Garrison said that only 27 per cent of known offenses were cleared by arrests during the year, compared to a 29 per cent clearance rate during 1966. The national figure for crimes cleared by arrest during 1966 was 24.3 per cent.

On the average a major crime occurred every one and one-half minutes, said Garrison. A murder occurred every seven hours, a rape every five and one-half hours, a robbery every one and one-half hours, a burglary every six minutes, an aggravated assault every 25 and one-half minutes, a theft every two and three-quarter minutes and an auto theft every 21 minutes.

An American Tragedy Veterans And The Red Cross

By Harold Anthony Gregory

There is a generation of Red Cross defamers in existence in the U. S. whose hard core center is the returned World War II overseas veteran.

Not all of them mind you, but enough of them in each community to cost the American Red Cross perhaps hundreds of thousands of dollars annually in withheld contributions.

For regardless of the millions that the Red Cross has given on behalf of the people to disaster victims and for emergency needs, regardless of the homes it has built and repaired and people it has brought together, lives it has saved, the returned veteran remembers only, with branded, dyed-in-the-mind anger, the fact that he had to pay for Red Cross coffee and doughnuts while overseas.

The real tragedy here is not that it isn't true that the Red Cross sold coffee and doughnuts overseas, but that the veteran does not know that the Red Cross was forced, against its wishes, by the then War Department to require American soldiers to pay for meals and lodging.

It seems to me that the Department of the Army has today the precious opportunity and indeed the moral obligation to perform an outstanding service to the nation by using its excellent communication system and extensive personnel records to acquaint each individual soldier and veteran with the truth of this matter which is doing so much damage to the strength and the well-being of our nation.

And I don't mean by posting another piece of paper on the bulletin board.

That's what happened in the first place.

A copy of the War Department letter asking the Red Cross to make the charges was posted on many overseas Red Cross club bulletin boards, but I haven't found a veteran yet who said he had read it.

President Eisenhower, when he was Chief of Staff, issued the following statement to the press on April 10, 1946:

"During the current Red Cross fund campaign vast numbers of patriotic Americans have responded generously to the cause. Already the majority of chapters have reached or exceeded their local goals. In some communities, however, I understand the campaign is lagging, and I am surprised to learn that one of the reasons given is that complaints are being leveled at the organization's overseas operation by returning servicemen. For the most part these criticisms have grown out of a Red Cross policy of making nominal charges

to our forces for food and lodgings in fixed Red Cross installations abroad. These complaints are distressing to me since this particular Red Cross policy was adopted at the request of the Army, so as to insure an equitable distribution among all service personnel of Red Cross resources."

And this is the War Department letter as reproduced in that Red Cross pamphlet.

May 20, 1942

Mr. Norman H. Davis, Chairman
American National Red Cross
Washington, D. C.

Dear Mr. Davis:

United States military authorities in Great Britain have requested the Red Cross to establish clubs in certain cities in that area with a view to providing, as circumstances dictate, sleeping accommodations and meals in addition to the usual recreational facilities. The provision of food and lodging for enlisted personnel while on furlough, and at prices within their means, is a most important recreational facility, as many soldiers cannot otherwise avail themselves of leave privileges. The Red Cross officials appear to be reluctant to provide these accommodations, except on a basis of no charge to servicemen.

The War Department appreciates the motive of the Red Cross with respect to this matter and its established policy of free service, but under the circumstances it is believed impractical, unnecessary and undesirable that food and lodging be furnished free. It is believed advisable that American soldiers be required to pay at least the actual costs of meals and lodging furnished for their convenience and benefits while on furlough. Such procedure is considered a sound business arrangement and conforms to local practice. It is therefore believed that such procedure should be adopted because of its merit rather than because the local military commander requests that charges be made for the proposed services.

The War Department recommends that the Red Cross authorities in the British Isles be authorized to provide these services at such cost as they deem appropriate.

Sincerely yours,
Henry L. Stimson
Secretary of War

Soybean Yields Good In High Plains Tests

1967 proved to be a very good year as far as irrigated soybean yields were concerned at the High Plains Research Foundation. A total of ten standard varieties were tested for yield comparison, with averages from 46.9 bushel per acre to as low as 32.1 bushel. Possibly because of late season cool weather and a light frost on Oct. 15, the early maturing varieties performed slightly better than the medium and late season types. From a research standpoint, there was no significant difference in the top five varieties and yields were recorded as listed below:

Clark 63 --	46.9 bu/ac
Dare --	43.9 bu/ac
Hood --	43.6 bu/ac
Patterson --	43.5 bu/ac
Wayne --	42.9 bu/ac
Lee --	39.1 bu/ac
Hill --	38.9 bu/ac
Bragg --	35.3 bu/ac
Hinn --	33.1 bu/ac
Dortch Lee --	32.1 bu/ac

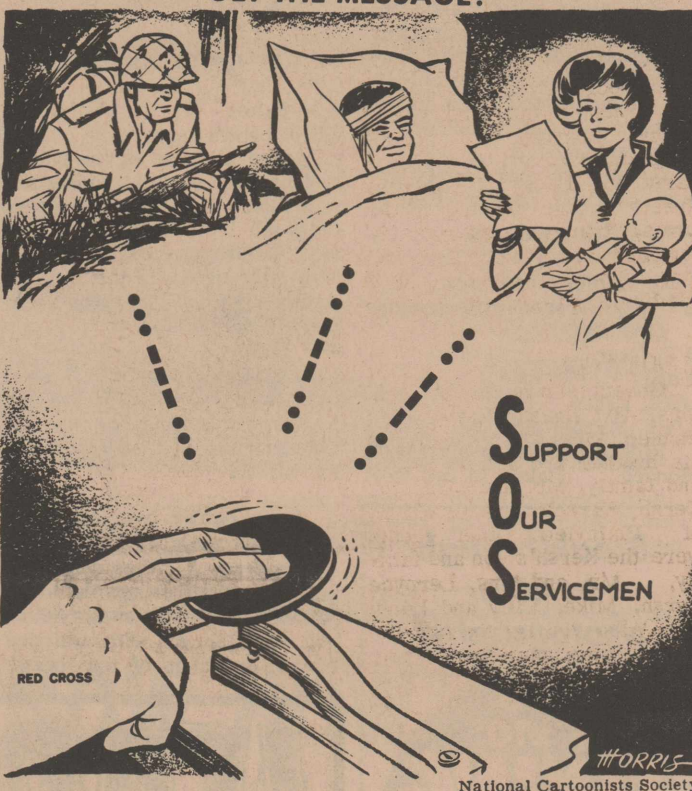

A preplant irrigation was applied and the soybeans received summer irrigations on July 28, August 16, and September 14. After the early maturing varieties were harvested, an additional irrigation was applied to the later maturing types on October 6.

Dr. Douglas Owen and Ben Quebe, Foundation staff agronomists, conducted the variety performance trials, and their complete data will be available in the 1967 Research Report. Included will be such items as percent lodging and shattering, bloom date, maturity date, plant height, and all and protein content.

CENTRAL America pavilion at HemisFair '68 is the combined effort of Nicaragua, Guatemala, Honduras, El Salvador and Costa Rica.

A COMMEMORATIVE stamp promoting Central America's participation in HemisFair will be available at the five-country pavilion.

GET THE MESSAGE?

Hot-Line To Those At Home

In this country, March is Red Cross Month, the period during which we salute and support the organization which contributes so much to the nation's welfare. But in Vietnam, as General William C. Westmoreland said recently, "every month is Red Cross month."

"Serving our men on the battlefields here in Vietnam," he added, "the American Red Cross is a hot-line to the folks back home, an oasis in the heat of battle, and a comfort during hospitalization. Dedicated field directors work 24 hours a day alongside our fighting men."

Also among the 350 Red Cross workers on Vietnam duty there are hospital social work and recreation specialists, and 110 Red Cross girls who operate a growing fleet of clubmobiles and 18 popular recreation centers where the troops can get away from the war for an hour or two.

Through our own local Red Cross chapter, we support and are part of the vast network that provides these services in Vietnam and Korea, and to the men and their families here at home and in the 28 other countries where U.S. troops are stationed. The Red Cross aided one out of every three military men and one out of every two service families last year. Its accomplishments in helping disaster victims, providing blood for the ill and injured, and training millions in safety and good health practices were equally impressive.

This year the Red Cross faces a critical financial situation due to the increasing demands for aid to armed forces members and the continuing drain made by costly disaster relief operations. To serve the American people in 1968-69, the organization must raise \$121,624,000, its largest fund goal since World War II. During March, ARC chapters which have not yet reached their goals will be campaigning for funds. These goals must be achieved.

Aside from its other works of mercy, as General Westmoreland says, there is no better way we can aid our men on the battlefields than by supporting the Red Cross. It urgently needs a helping hand. Let's give it!

Everything But The Kitchen Sink

BY MOZELLE TROTTER

If you were one of the approximately 200 who attended the Chamber of Commerce and Agriculture Banquet last Friday evening, I think you'll agree that we heard a most delightful speaker. However, the things he had to say about Olton, I ALREADY KNEW! I can't think of any place where I'd rather live!

There was SOMETHING lacking though! (I'm not the only one to think so.) I think we should have named an outstanding citizen! All the surrounding towns have done so and we have the best citizens ANYWHERE so why shouldn't we have one named? We MUST name one next year. Don't you agree? Tell a member of the Chamber if you do!

Say, do you know how doughnuts came to be invented? In 1847 - so the story goes - a young boy complained to his mother about the quality of her fried cakes. "Why don't you cut a hole in the middle where it doesn't cook?" Thus, a New England sea captain Hanson Gregory is credited with the invention of the ring shaped cake, with a hole in its middle, otherwise known as a doughnut.

Today, doughnuts are a national institution. Across the nation, shops cater exclusively to the American demand for doughnuts flavored, frosted or

filled. They may be bought in an endless variety. We received this recipe in a release from the Aluminum Association.

DAFFY DOUGHNUTS

4 c. biscuit mix
1/2 c. sugar
1/2 c. milk
3 eggs, beaten
1/4 tsp. ground cloves
1/4 tsp. mace
1/2 tsp. orange rind
3 c. confectioners' sugar, sifted
1/4 c. milk
1 tsp. vanilla
Toppings (see suggestions below)

Combine biscuit mix and sugar. Add 1/2 cup milk, eggs, cloves, mace, and orange rind. Stir until blended. Chill for 1/2 hour. Roll or pat out dough, about 1/2 inch thick, on a lightly floured board. Cut out doughnuts with a floured 3-inch doughnut cutter. Pour salad oil into an aluminum skillet (electric set at 375 degrees). Drop doughnuts, one at a time, into hot oil. Cook about one minute on each side or until golden and evenly browned. Drain on paper toweling and cool slightly. To make glaze, combine confectioners' sugar, 1/4 cup milk and vanilla. Dip one side of doughnut into glaze then into desired topping. Makes about two dozen doughnuts.

TOPPINGS: Make sure you have a wide selection of chopped nuts, toasted coconut flakes, chocolate or colored sprinkles, confection sugar beads, crunched peppermints, and so forth.

Resolution To Aid Farmers Introduced By Cong. Price

A resolution to free Federal disaster loan funds for distressed cotton farmers was introduced in a House Agriculture Subcommittee Tuesday.

Parahandle Congressman, Bob Price, a member of the Agriculture Cotton Subcommittee, offered the resolution which would make \$36 million of disaster loan funds available through the Farmers Home Administration.

The money has already been authorized by Congress for loans to farmers and cotton ginners in crop failure areas. The \$36 million has been withheld by the Bureau of the Budget and according to Price, the Farmers Home Administration is

using the disaster loan program only on a limited basis.

Price also said that Small Business Administration loans to cotton ginners had fallen far short of actual needs of the cotton crisis.

"An effective disaster loan policy for distressed cotton farmers and cotton ginners can ease the hardship of this rural disaster," Price said. An expanded disaster loan program would also forestall more Federal expenditures in caring for growing numbers of rural refugees in already overcrowded and riot-threatened cities," he said.

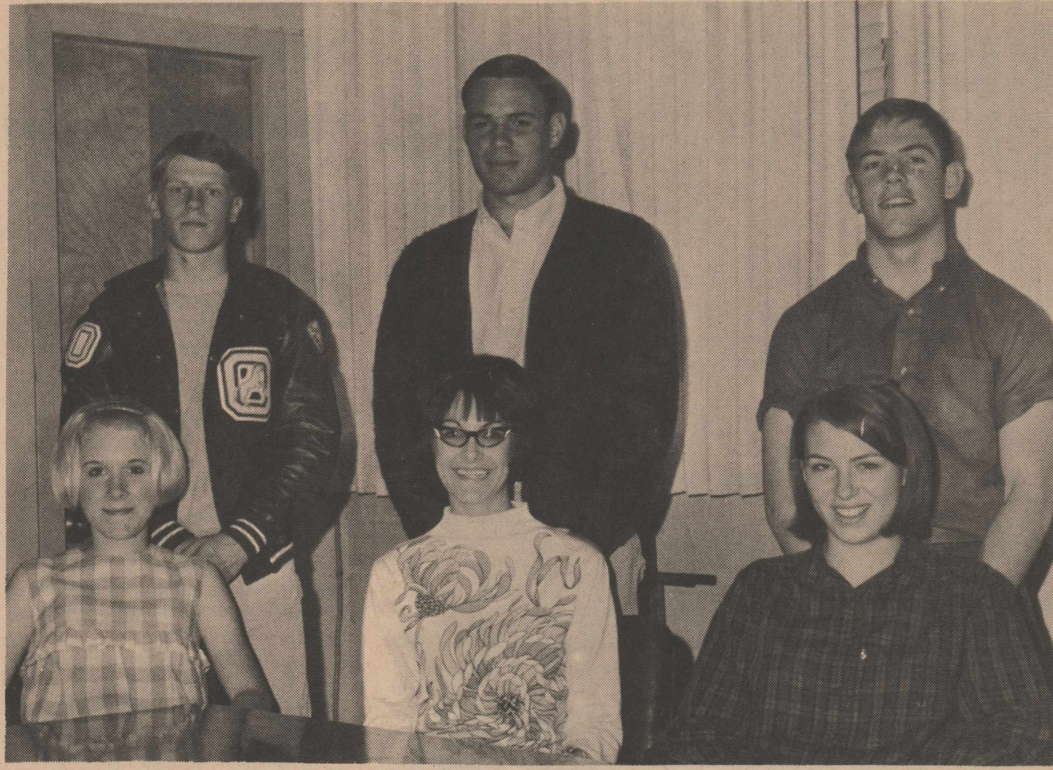

"Many cotton farmers over a vast area of the south suf-

fered an almost total crop failure last year and lost millions of dollars in income," Price said. "Many businesses in these areas—particularly cotton ginners—are faced with bankruptcy unless they get help."

"The victims of this disaster are not asking for government hand-outs but for loans to be repaid," Price explained. "Farmers borrowing from disaster funds under limited programs in the past have established remarkable records of repayment."

Easter Seal Letters To Go Out This Week

Easter Seal Appeal letters are to be delivered this week in Lamb County according to Joe Montgomery, the Easter Seal Representative of the Easter Seal Society for Crippled Children and Adults of Texas. As Representative, Montgomery serves as contact representative for disabled persons needing Easter Seal rehabilitation services and also serves as Treasurer of the Easter Seal Appeal in Lamb County.

The Easter Seal Society offers physical and occupational therapy, speech and hearing programs and special equipment loans to enable disabled persons to make the best use of their abilities to overcome handicaps. These services are financed by the annual Easter Seal Appeal.

The Society also provides for research into the causes and cures of crippling conditions, finances public education programs, and provides scholarships for training of

professional personnel to staff rehabilitation centers.

Montgomery pointed out that all these programs are important if Texas is going to continue to provide the best in rehabilitation services for its own disabled citizens.

During 1967, the Texas Easter Seal Society provided treatment and services to 17,622 children and adults who were in need of rehabilitation services. These services are available to any disabled person who can benefit from help provided by the Easter Seal Society, Montgomery added.

The Easter Seal Campaign will run through Easter Sunday, April 14.

Three Named To All-Phi Team

CANYON—Three West Texas State University players, defensive end Jimmy Campbell, linebacker Jesse Powell, and quarterback Roy Winters, have been named to the All-Phi Delta Theta football team for 1967.

Campbell, a senior three year letterman from Odessa, was named to the 1967 Little All-Phi Team for the second straight year. He was also named to the second unit of the All-Phi major college defensive team.

Both Powell and Winters were named to the 1967 All-Phi sophomore squad, as both were pledges last year. Powell is a two-year letterman junior from Spur. Winters, a junior letterman from Rankin, placed 12th nationally in total offense while directing the Buffs to a 7-3 season and a 35-13 victory over San Fernando Valley State in the Junior Rose Bowl last year.

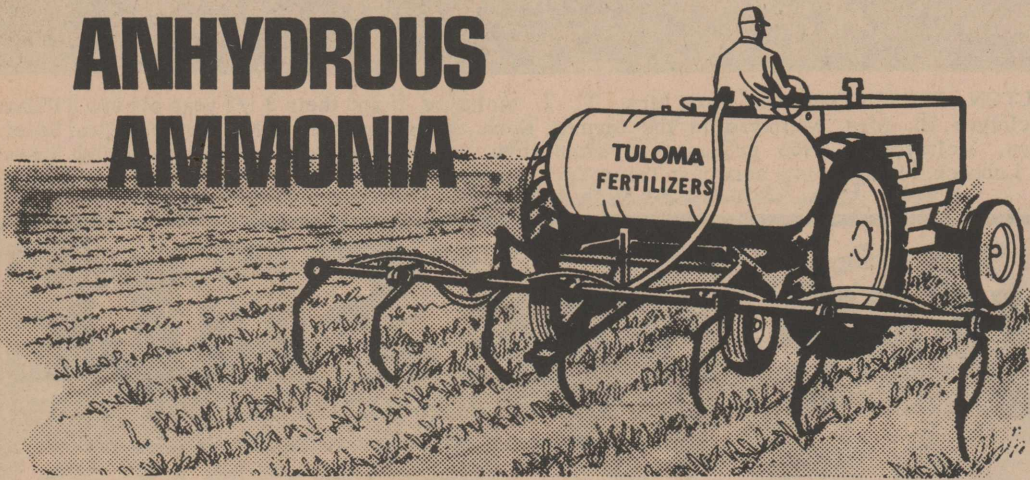

Phi Delta Theta is an international social fraternity embracing over 140,000 members.

WTSU-Houston To Be Televised

CANYON—The West Texas State-Houston basketball game will be televised live here Monday, March 4 over KGNC-TV, channel 4, in Amarillo according to KGNC general manager Bob Watson. The telecast will begin at 8 p. m. with the opening tipoff set for 8:05 p. m. KGNC will also broadcast the game on radio. The West Texas-Houston game has been a sell-out since Wednesday, February 14.

Dick Risenhoover, KGNC news director, will supply play-by-play of the telecast. Pampa radio man Warren Hasse will handle the radio broadcast. KGNC is 710 on the radio dial.

TULOMA ANHYDROUS AMMONIA

your answer to higher crop yields

Crop yields are determined more by nitrogen than by any other element. High yields depend on managing nitrogen efficiently. Here's how we can help.

As a pre-plant fertilizer we knif TULOMA anhydrous ammonia deep into the soil . . . where nitrogen belongs. The ammonium form is non-leaching so it stays put in the soil. This means your pre-plant application of TULOMA anhydrous is in a "slug" beneath the surface . . . ready when your plants need it.

Easy to apply, economical TULOMA anhydrous ammonia is 82% nitrogen . . . highest concentration you can buy.

TULOMA anhydrous ammonia is ideal for side-dressing later in the season, too . . . that extra nitrogen is a real yield booster. Get your order in right now! We will be happy to apply your TULOMA anhydrous ammonia, or provide rental equipment for you at minimum cost. Let us show you how to increase your yields and profits with TULOMA anhydrous ammonia.

Boy Scout Campsites Are Rapidly Filling

Howard Schmidt, Council Chairman of camping and activities for the South Plains Council, stated today that troop reservations for the use of Camp Post and Tres Ritos during the regular camping season is far ahead of this time last year.

All campsites at Tres Ritos

TAX MAN SAM SEZ:

Last year Internal Revenue sent 987,000 refunds amounting to more than \$136 million to Northern Texans. Unfortunately, thousands of these checks were delayed due to simple errors.

- 1,700 omitted or erroneous social security numbers
- 7,000 had missing signatures
- 5,000 were missing a W-2
- 2,600 were missing a statement or schedule
- 12,000 made a math error in the tax computation
- 10,500 miscalculated their standard deduction
- 19,500 had other arithmetic errors
- 55,000 (astounding) took their tax from the wrong tax table, or used the wrong line or column

If you don't want to delay your refund, keep your number off the computer's error tape.

for the first four weeks are filled and consideration for an additional week is now being studied. Only 25 sites remain at Camp Post for the four weeks of operation there.

Schmidt noted that it would in fact be impossible for all troops in the Council to make reservations this summer, if they so desired. Therefore, it is important that those wishing a summer campsite, make the reservation quickly.

He also indicated that several new program features have been added to this year's operation to give the Scouts attending additional experiences, both fun and skill oriented. The Firebird Trail, Rainbow Trail, and Wildcat Trail have been added at Camp Post while an exciting overnight opportunity has been put into the Tres Ritos program.

Boys should make a small deposit with their Scoutmasters on the camp fee now so that the troops know they plan to attend camp. Schmidt stated, Most families need to know the troop plans so that their Scouts camp time can be taken into account.

He concluded by saying that this will probably be one of the largest camping years the council has had in some years, both in terms of Scouts attending and the fine program offered.

THE O-BOYS entertained at the annual Olton Chamber of Commerce and Agriculture Banquet held in the school cafeteria Friday night. Pictured left to right are Barry Cowart, Johnny Lewis, Stacy Pendergrass and Donnie Fancher. They were accompanied by Mrs. Bob Allford.

1968 Football Schedule For West Texas State Told

CANYON—West Texas State University has completed its 1968 football schedule with the return of Memphis State, Western Michigan and Lamar Tech after schedule absences of a year or more. The Buffs will also meet 1967 foes Wichita State, University of Pacific, Montana State, University of Texas at Arlington, Utah State, New Mexico State and Colorado State.

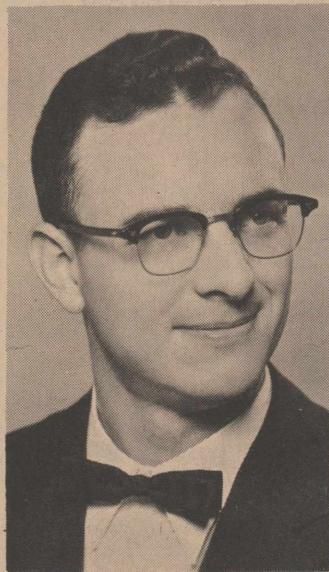

West Texas' 10-game schedule includes five home games in Buffalo Bowl and five road contests. 1968 home games will begin at 8 p. m. rather than 7:30 p. m. like last season. "I believe that starting our games at 8 p. m. will encourage more fans in the greater Panhandle area to come to our home games," says West Texas athletic director Frank Kimbrough. "We're hopeful that the additional 30 minutes will serve to boost our attendance for next season."

The 1968 home schedule features games with Lamar Tech (Sept. 14), Wichita (Sept. 21), U. of Pacific (Sept. 28), UT at Arlington (Oct. 19), and Western Michigan (Nov. 9). The Western Michigan game has been designated as the 1968 homecoming contest. Road games are with Montana State (Oct. 5), Memphis State (Oct. 12), Utah State (Oct. 26), New Mexico State (Nov. 2) and Colorado State (Nov. 16). The Montana State, Utah State and Colorado State games will all begin at 1:30 p. m. (MST). West Texas' homecoming game with Western Michigan will begin at 2 p. m.

The Buffs posted a 7-3 season in 1967 and defeated San Fernando Valley State 35-13 in the Junior Rose Bowl. The 1968 team returns 24 lettermen and 13 starters from last year's squad.

The 1968 Buffaloes' football schedule:

Date	Opponent	Site	Series
Sept. 14	Lamar Tech	Canyon	LT 1-0
Sept. 21	Wichita State	Canyon	WS 3-1
Sept. 28	U. of Pacific	Canyon	WT 3-0
Oct. 5	Montana State	Bozeman	WT 1-0
Oct. 12	Memphis State	Memphis	MS 4-0
Oct. 19	UT at Arlington	Canyon	WT 4-1
Oct. 26	Utah State	Logan	US 1-0
Nov. 2	New Mexico State	Las Cruces	WT 14-6-0
Nov. 9	Western Michigan	Canyon	WT 1-0
Nov. 16	Colorado State	Ft. Collins	WT 2-1

JERRY GANNAWAY

COURTS SPEAK—Supreme Court will hear arguments on March 27 in a Fort Worth case involving whether the city has provided required services to keep 6.3 square miles of annexed land or whether it must relinquish the property taken Feb. 18, 1963, near Everman.

High court agreed a South Houston Gardens man is entitled to \$14,000 damages for harm to his house and peace of mind caused by low-flying planes after William P. Hobby runways were extended to near edge of his property.

Transfer of four square miles from Rosenthal to Lorena school district is invalid without Falls County school board approval, Supreme Court concluded, upholding Court of Civil appeals.

Nursing School Enrollment Date Change Told

Students who have completed two semesters of required college courses will now enroll in Northwest Texas Hospital School of Nursing in June for the first six-week summer session, followed by a six-week vacation period. By offering the first nursing course during the first summer, only one nursing course will then be required the second summer, thus allowing the student one half of the summer off. It is felt this plan provides a more equitable distribution of course content throughout the three-year period.

For students requiring financial assistance loan funds are available through the nurse Training Act of 1964. Loans obtained through this source are repayable beginning one year after completing a full-time course of study. A maximum of 50% of total loan may be cancelled for full-time employment at the rate of 10% per year while employed in a public or non-private institution or agency as a professional nurse.

Northwest Texas Hospital School of Nursing is fully accredited by the National League for Nursing and The Texas Board of Nurse Examiners. Graduates from Northwest have repeatedly ranked among the top in the State on licensing examinations. The school expanded its facilities in 1967 to accommodate the increased enrollment which has tripled in the past five years. Salaries for Registered Nurses have more than doubled in the past 10 years and it is now possible to start at \$550 to \$600 a month.

The next class enrolls at Northwest June 3, 1968.

'Red Cross Month'

Mayor Parley Myers today proclaimed March as Red Cross Month and urged all residents of Olton to support the Organization's Lamb County Chapter month long drive for funds.

In issuing the proclamation, Mayor Myers said that the Lamb County Red Cross Chapter seeks to raise \$8,836.00 "To continue its health, safety, and welfare services here and to contribute its share to National Red Cross Programs, some of them world-wide.

The proclamation follows:
"WHEREAS, The American Red Cross is giving Round-the-clock service to our sons who are fighting in Vietnam and maintaining U. S. Military strength in other far places; and
"WHEREAS, The American Red Cross provides to hospitals, health agencies, and physicians more whole blood and blood derivatives than any other organization, thus greatly contributing to the health of the American people; and
"WHEREAS, The Red Cross stands ready to come to the aid of people stricken by flood, fire, or storm, and
"WHEREAS, Our Red Cross here helps keep our families safe and healthy through its courses in first aid, water safety, and home nursing; and
"WHEREAS, All of us here can at all times help support our Red Cross with our money, volunteer service, and blood;
"NOW THEREFORE, I Parley Myers Mayor of Olton, do hereby proclaim the month of March as Red Cross Month in Olton and urge all citizens to join me in supporting our Red Cross."

Texas Student Education Ass'n. To Convene

HOUSTON—A new generation of school teachers will be represented here Thursday, Friday and Saturday, (Feb. 29-March 2, 1968) in the twelfth annual convention of the Texas Student Education Association (TSEA).

TSEA is composed of college students taking course work leading to certification for careers in teaching. The organization is composed of 6,611 members representing virtually every Texas college and university. It is sponsored by Texas State Teachers Association.

Clyde Gillespie, of San Marcos, is president of TSEA and will preside at the convention. He is a senior at Southwest Texas State College, San Marcos.

Miss Linda Taylor, of Mineral Wells, a senior at Texas Christian University, is vice-president.

Convention delegates are expected to number about 600. Convention events will be held at the Rice Hotel.

Speakers and other participants set for the gathering include Miss Antoinette Miller, TSTA president, Mrs. L. L. Ledger, president of the Texas Congress of Parents and Teachers and a number of outstanding teachers and education professors.

Dr. W. C. Newberry, professor of education at Southwest Texas State College, will address the banquet session Saturday night. He will talk on "The Education of An American."

The banquet session will also see several chapters receive awards for work done during the past year.

Earlier Saturday, and also on Friday, workshops and special interest sessions will be held covering a number of areas. Featured in the workshops will be new education innovations discussed by leading authorities.

New officers for 1968-69 will be elected during the convention and their names announced at the Saturday night banquet session.

Medical Expenses Tax Law Have Two Major Changes

Changes in the handling of medical expenses are about the only difference taxpayers will notice in the filing requirements for 1967 federal income tax returns.

Ellis Campbell, Jr., District Director of Internal Revenue, said there are two major changes in the medical expense area.

First, the medical expenses

of those 65 and over are now subject to the same limitations that apply to taxpayers under 65. All taxpayers must now reduce medical expenses by 3 percent of their gross income. Such medical expenses include the cost of drugs and medicine which exceeds 1 percent of income. The excess over this amount is deductible.

Second, one half the premium paid for medical insurance up to a maximum of \$150 may now be deducted as a medical expense without regard to the 3 percent limitation. (Ed. note--Due to the community property law, Texas taxpayers may claim up to a maximum of \$300 medical insurance provided they file separate returns.) The balance of the premium cost for medical insurance should be added to other medical costs subject to the limitation. Life insurance and accident insurance covering the loss of earnings are not medical expenses and the premiums paid are not deductible.

These changes are explained in the 1040 instructions as well as the IRS Publication No. 17, "Your Federal Income Tax". Mr. Campbell said, Publication No. 17 costs 50¢ at IRS offices.

Stockholders Meeting Held

The annual Stockholders Meeting of the Tullia Savings and Loan Association was held in its office at 4 p. m., Wednesday Feb. 14, 1968.

President R. T. O'Daniel presided at the meeting. Olan Alexander, vice president and managing officer gave a report on the activities of the Association for the year ending Dec. 31, 1967.

The report showed total assets of the Association as of Dec. 31, 1967 of \$6,050,815.56, up over 16 per cent from the \$5,202,473.12 reported a year ago. Savings totaled \$5,626,013.42 as compared to \$4,837,884.69 a year ago. Mr. Alexander noted that compared to the 1966 gain in savings, 1967 had been an excellent savings year for the Association.

Record dividends totaling \$259,283.60 were paid during 1967. Mortgage loans put on the books during the year amounted to \$734,698.00, to bring the total loans to \$5,065,185.00.

In looking ahead to 1968, the annual report indicated that there was a possibility that 1968 might see another round of tight money; however during the tight money year of 1966, Tullia Savings and Loan Association had an adequate supply of funds to meet the housing needs of the area.

"We are already more than a month in 1968 and we are confident the savings inflow will be adequate to take care of our loan demands. We do anticipate that mortgage interest will be somewhat higher than those prevailing in 1967."

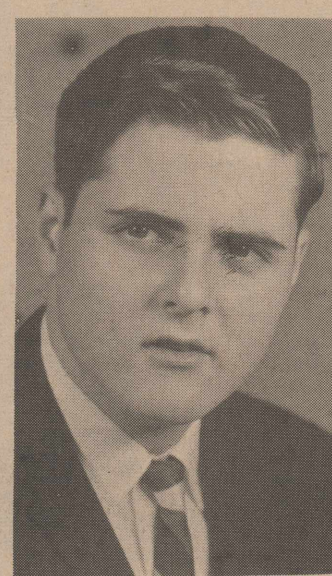

All in all, I am confident 1968 will be another year of progress and development for the Association."

The following Directors were re-elected: Ray Bivens, L. F. Campbell, R. B. Dawson, Jr., Allen Heard, George Hipp, Jack Love, R. T. O'Daniel, Newt Redmon and Dr. Fred V. Richards.

In the organizational meeting following the Stockholders meeting, the following officers were re-elected: R. T. O'Daniel, President; L. F. Campbell, vice president; Olan Alexander, vice president; Managing Officer and Secretary; Dr. Fred V. Richards, Treasurer; and Nelda R. Kirk Assistant Secretary-Treasurer.

TAZE SPEER

Speer Named To Honor Roll

Taze Speer, son of Mr. and Mrs. Jim Speer, has been named to the Dean's Honor Roll for the fall semester at Texas Tech. Speer is a 1965 graduate of Olton High School. He will receive his degree from Texas Tech in August. He plans to enter law school following his graduation.

Texas Travel Industry Shows Increase Last Year

Texas last year hosted more visitors -- who spent more money here -- than ever before, the Texas Highway Department reported today.

A total of 20,684,000 persons from out of the State visited Texas in 1967. They spent a record \$1,203,137,000, making 1967 the second year in a row that the value of the Texas travel industry has surpassed the billion-dollar mark. The automobile again was the favorite mode of transportation.

The Highway Department's annual visitor industry survey showed 15,198,000 persons visited Texas by automobile during the year. Their expenditures in the State amounted to a total of \$807,972,000 while in the state. Total number of automobile visitors was up 7.4 per cent over 1966, and their expenditures rose 11.6 per cent.

In addition, the Texas Tourist Council, an Austin-based association of travel-related businesses, estimated that an additional 5,486,000 out-of-state visitors came to Texas by commercial carriers. This group added an estimated \$395,165,000 to the State's economy.

The Highway Department's survey of automobile travelers employed visual and mechanical traffic count surveys. Valuable data also was gained from more than 12,200 questionnaires distributed by the Department's Tourist Information Bureaus at key highway gateways and returned by out-of-State visitors at the completion of their Texas visit.

Statistically, the average tourist party included 2.99 persons -- .09 of a person more than in 1966 -- who stayed in Texas 5.98 days, or .18 of a day longer than in 1966.

Average spending per person was \$8.89 a day -- up 9 cents from the year before. The average party made expenditures of \$26.59 per day.

This and other data will be included in the Highway Department's annual Visitor Industry Report which will be available soon.

The data is concerned with

out-of-State visitors only. Millions of Texans traveling within the borders of their own State are not included. No such figures are available, but, undoubtedly, Texans themselves have an enormous additional impact on the overall Texas travel industry.

The report also will reflect the activities of the Highway Department's Travel and Information Division and the Texas Tourist Development Agency, representing the State's travel development efforts, and the Texas Tourist Council, representing the private business sector.

The Highway Department's Travel and Information Division hosted 775 thousand travelers at its Tourist Information Centers, an increase of 2.5 per cent over 1966. In addition, more than 300 thousand travel inquiries by mail were answered by the Division.

More than four million pieces of descriptive literature were distributed. About half of this total was produced by the Highway Department with the remainder supplied to the Department by chambers of commerce and other travel-oriented groups.

Laborers Housing To Open In Dimmitt

A bellwether project for decent, modern housing of migratory farm workers in the United States will open March 1 at Dimmitt, Texas, a vegetable - growing capital of the West Texas Plains.

Opening of the 192-family project will coincide with the start of the great annual northward trek of Mexican-American families from the Rio Grande Valley of Texas. Their first work in the Dimmitt area will be to hand plant hundreds of acres of onions beginning the first of March.

The year's first migrants arriving in Dimmitt will find ready for use a new complex of 192 modern family apartments completed over the winter as a replacement for crude shacks and barracks that migratory families previously have had to use for living quarters. Dimmitt's project, "Castro County Agricultural Housing," is a \$966,820 development organized and built by an association of 37 farmers in the county surrounding Dimmitt and 25 business firms in the town. It is the biggest new migratory farm labor housing center completed in the country by a private community association assisted by federal loan-and-grant financing through the Farmers Home Administration, a credit agency of the U. S. Department of Agriculture. The agency insured a private loan of \$570,000 which the Castro County Association will repay at 5% interest in 33 years. The USDA-FHA added a \$387,380 grant to cover additional cost of establishing the complex. The farmers and other association members contributed \$9,440 in organizing the project.

The 9-acre area of attractive, garden-style apartments includes nine two-story and 23 one-story buildings, containing 144 one-bedroom and 48 two-bedroom units. All contain modern kitchens and baths, hot water and central heating. Buildings are of fireproof, cinder-block construction. The project has a central laundry facility and a well equipped children's playground. It houses a permanent year-round office of the Texas State Employment Service that will serve as a clearing-house for employment opportunities in the area, and a full-time clinic of the State Migrant Labor Health Service. Its peak occupancy in mid-year is expected to total about 1,000 adults and children. Nearly 50 families who work in the Dimmitt area will become year-round residents of the project.

The new units will rent at rates of \$13.00 to \$15.00 a week, compared to the scale of \$10.00 to \$15.00 a week that migrants have paid to live in disreputable huts and bunkhouses devoid of indoor plumbing and kitchens.

The Dimmitt housing is expected to set a pattern for similar developments throughout the U. S. in areas that need thousands of migratory farm workers every year and have no fit housing to accommodate them. In Dimmitt, the project also is regarded as a vital element in the town's economic growth. Its organization was hastened and beginning in 1966 when area farmers and the local Chamber of Commerce determined that vegetable acreage in the county must be drastically held down for lack of adequate housing for the necessary seasonal farm workers. With the new housing, cucumber acreage that supplies a pickle factory in the town can be materially increased;

production of onions, carrots, cabbage and other vegetables will remain up to capacity; and new vegetable packing industries in prospect for the town can be assured of adequate supporting farm production.

For the workers, the formal opening of Castro County Agricultural Housing on March 1 will usher in a new era of decent living conditions.

For information Call: Truman J. Jones, County Supervisor, Farmers Home Administration, Littlefield, Texas 79339. Office Phone: AC 806 385-3773, Home Phone: AC 806 385-4257

Mr. Truman J. Jones, County Supervisor, Farmers Home Administration, Littlefield, Texas, wishes to extend an invitation to all persons interested in attending this formal opening. He would especially like to have as many members of the Chamber of Commerce as possible to attend the opening. Mr. Jones stated that Mr. Howard Bertsch, National Administrator of Farmers Home Administration, and Mr. L. J. Cappleman, State Director, Farmers Home Administration will be present as well as other National and State officials. Mr. Bertsch will be the main speaker for the formal opening.

Cards Of Thanks

Words cannot express our deep appreciation for all the prayers, cards, flowers, food and words of comfort received during the sudden loss of our brother and sister-in-law, Mr. and Mrs. Raymond Oliver. May the Lord send many blessings to each one of you.

Mrs. Bley's Uncle Dies

Dr. Peter Claude Loyd, 70, of Exeter, N. H., uncle of Mrs. Winston C. Bley, died Thursday morning at his home following a brief illness. Burial was in Exeter.

Dr. Loyd was a member of the English department of Phillips Exeter Academy, a leading prep school for Harvard and Yale students, from 1931 until his retirement in 1963. He served as chairman of the department for many years.

A graduate of Simmons College (now Hardin Simmons University) in 1917, he served as a pilot in World War I, and received his doctorate in English from Yale in 1923. He was married to the former Dorothy Clarkson in 1923 and taught at the University of New Hampshire from 1923 to 1931.

Survivors include his wife; two daughters; one son; two sisters and one brother. Another brother, the late F. A. Loyd, was Lamb County Sheriff and the father of Mrs. Bley. A sister, Mrs. Pearl Stokes of Littlefield, also preceded him in death.

Flying Queens Meet Piperettes

The Hutcherson Flying Queens go after their 18th win of the season here Friday night when they play host to the Raytown Piperettes in the first of a two-game series in Plainview High Gym.

Tipoff time is 8 p. m. for both Friday and Saturday's games.

The Wayland Queen Bees, 24-4, open the Friday card against Hardin-Simmons and are tentatively slated to play Klondike Saturday. Game time is 6:30 p. m. in the PHS Gym. In two games in Kansas City, the Queens rolled to a 51-37 and 47-42 victories. Wayland is currently 17-4 for the year, all losses coming to NBC. The Queens are hitting 49.5 points per game to 40.2 for opponents.

March 8 and 9 the Queens and Queen Bees are in Wichita Falls for a two-day tourney and the Queens play in another tourney in Des Moines, Iowa.

Then, April 2-6, the Queens trek to Gallup, N. M. for the national tournament.

Invest, Innovate, Improve Theme Of TFTA Convention

Snow seemed to be everywhere as sixteen brave TFTA'ers and sponsor Linnie Campbell left last Thursday morning to begin their seemingly long journey to Dallas for the State Convention. Arriving in Lubbock, youths from Olton, Littlefield, Muleshoe, and Sudan boarded a chartered bus which was to be their source of transportation for the remaining miles of the trip. Arriving in Dallas late Thursday night, the students had free time to explore the Hotel Adolphus where they stayed; the following morning, they shopped and looked in such stores as Neiman-Marcus and Sanger Harris.

Three o'clock Friday afternoon, the sixteen students attended their First General Session where President Eileen McClintock presided. James

O. Reese from Odessa gave the keynote address using the TFTA theme of "Invest, Innovate, Improve." In this address, he emphasized the five responsibilities of an individual and the outstanding characteristics of a "square."

The speaker of the Second General Session (Friday night) was Marilyn Van Derbur, the former Miss America from Colorado. Speaking on "Goals and Dreams", she said that the reason that goals were reached and the reason that dreams came true was really pure, hard work. Following the session, "Jesse Lopez and His Group" from Dallas played for the TFTA dance.

The following morning, two workshops were held at which time one could choose from a variety of ten different topics. Saturday afternoon, the Third General Session was called to order for the meeting of the House of Delegates. Out of ten voting delegates from the XII District (there are only thir-

teen districts in the state,) we had two representatives. Those voting from Olton were Leslie Holladay and Jane Ann Duncan. The 1968-69 State TFTA officers were elected at this time. They were as follows: President, Ray Greene, Victoria; Vice-President, Mariette Miller, McKinney; Financial Secretary, Becky Bradan, Amarillo; Recording Secretary, Junie Prewitt, Taylor; Parliamentarian, Bob Lowrance, Hawkins; Historian, Justic McCaul.

The climax of the convention was Saturday night when various FTA chapters received awards for outstanding work in such fields as yearbooks, scrapbooks, and projects. The Campbell FTA Chapter of Olton was recognized for its outstanding service in the promotion of the Texas Future Teachers of America. Also, Miss Teenage America Stephanie Crane, made her appearance at this time.

Early Sunday morning, the students once again boarded the bus; but this time, they were Olton-bound.

Those attending were Jane Ann Duncan, Shirley Johnson, Carol Hicks, Sue Church, Glenda Turner, Sherry Moss, Leslie Holladay, Mary Smith, Jan Carson, Quenette Redinger, Cheri Dorris, Letha Estes, Jeanie Gardner, Brenda Ellis, Dale Gabehart, and Randy Reynolds.

SUNDAY GUESTS

Visiting Sunday with Mrs. G. C. Bearden Sr. and Mr. and Mrs. J. B. James, Linda, Renay and Jennifer were Mr. and Mrs. Nat Bearden and Mrs. Gerald Englis, Terry and Tony, and Debbie and Sammy Matlock, all of Earth, and Mr. and Mrs. Jess Matlock and Mr. and Mrs. F. W. Bearden of Springlake.

SUNDAY GUEST

Visiting Sunday with Ann Bearden was Sheila Blackwell, daughter of Mr. and Mrs. Percy Harlin.

HOME DUE TO ILLNESS

Mrs. Edna McClure has been unable to attend church services for 15 Sundays. She underwent surgery in December.

FROM JACKSONVILLE

Mr. and Mrs. Bill Russell have recently moved from Jacksonville to the farm owned by Russell's parents. This farm is west of Olton and south of the home of Mr. and Mrs. Doyle Pinson.

VISITS FATHER

Mrs. Ernest Green recently visited her father, J. D. McNeil, who is residing in the Colonial Convalescent Home of Lubbock.

VISITS SON

Mrs. Ernest Goforth spent the day Monday in the home of her son and family, Mr. and Mrs. Max Goforth and children of Hereford.

Deadline Looms For Inspections

"With the April 15 deadline for obtaining inspection stickers drawing near, only 40 per cent of 17,242 registered vehicles in Lamb County have been inspected," State Captain Alan Johnson, Motor Vehicle Inspection Supervisor of the Texas Department of Public Safety.

However, this year the auto safety inspection could be more than just an inconvenience to the motorist who waits until the last day to get his vehicle inspected. It is possible many cars may not get inspected due to a shortage of seat belts. The 1967 state legislature passed a law requiring that front seat belts must be installed in all vehicles in which seat belt anchorages were a part of the manufacturer's original equipment.

Seat belt anchorages were part of the manufacturer's original equipment on all American passenger cars beginning with 1962 models. Seat belts also will be required on foreign-made cars in which seat belt anchorages were original equipment.

Captain Johnson points out that seat belt anchorages are threaded holes in the vehicle structure suitable for receiving seat belt attachment fittings.

Captain Johnson also explained there are many 1962 model vehicles containing the seat belt anchorages but no seat belts attached. Also, many of the 1962 and later model vehicles have had the seat belts removed after they were traded in for newer models and were never replaced. Therefore, the owners of these vehicles must have front seat belts installed before their vehicles will pass the inspection requirements.

A shortage of seat belts may develop here because automotive equipment suppliers are reluctant to build up a stock of belts for fear there will be no market for them after this year's inspection program, so most suppliers are holding their stock to a minimum.

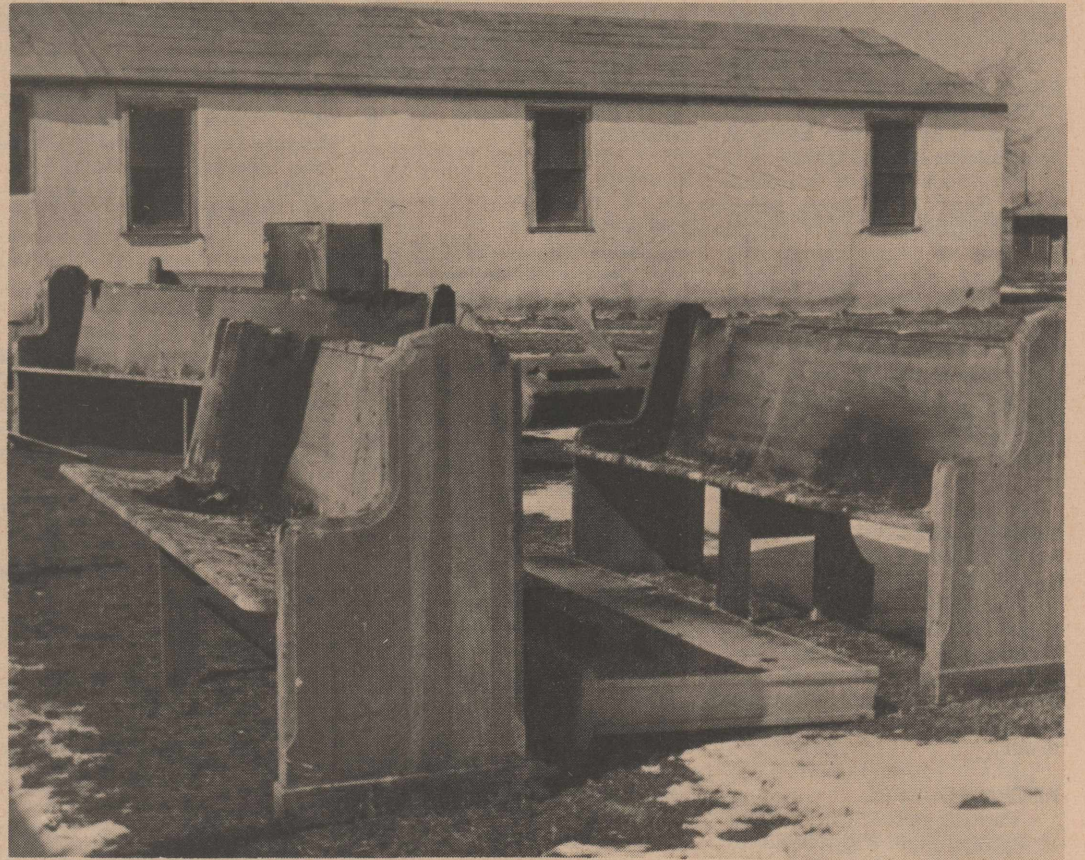

Therefore, it is urgent that motorists have vehicles inspected now to be assured of obtaining the belts.

Captain Johnson called attention to the fact that since the beginning of the inspection program in 1951, vehicles having a defect that was a causative factor in fatal accidents decreased from 13 percent to 3 percent.

"The purpose of the Motor Vehicle Inspection Program is to discover any maladjustment which might become a link in a cycle of events leading to an accident and, by removing the link, prevent the accident," the Captain said.

OLTON VOLUNTEER FIREMEN were called to the Trinity Baptist Mission Thursday morning after Rev. Marcos Garcia found smoke pouring out of the building. The fire department is shown cutting into the roof where the blaze was located. Below are shown pews which were damaged and moved out into the church yard after the blaze was extinguished.

STATE Capital NEWS

By VERN SANFORD

L. B. J. CONTRACT AWARDED -- A contractor construction of 16,673 feet of high gameproof fencing at Lyndon B. Johnson State Park in Gillespie County has been awarded to Jasper Moore of Ingram. Moore was lowest among five bidders with a project price of \$19,717.

Parks and Wildlife Department said the fencing project was designed more to keep exhibition animals in L. B. J. State Park than to keep visitors out. But it will enclose a large portion of the park and separate it from Ranch Road 1 and the L. B. J. Ranch, known as "The Texas White House".

A rather important corner may have been turned by the State of Texas in providing transportation facilities for its people. This by clarifying where the line between state and federal regulatory power should be drawn.

Texas Aeronautics Commission took the big step when its six members voted to certify Air Southwest Co. of San Antonio as an intrastate airline competing with the large, federally regulated interstate lines.

Air Southwest plans to offer commuter service among Dal-

las, San Antonio, and Houston using Lockheed Electra propellers. It says it can offer service comparable to the large airlines and at rates lower by more than 20 per cent.

Federal-state rub is that the Civil Aeronautics Board licenses the interstate carriers and has its service and subsidy balances all worked out, without considering any state-licensed airlines.

So, Air Southwest is going to upset those balances somewhat, by taking from Braniff, Trans-Texas and Continental airlines some of the revenues

now received under their charters from the CAB.

CAB did not make its wishes in the matter of Air Southwest's certification known to the Texas Aeronautics Commission. But Braniff, TTA and Continental did. Result was a seven-day hearing before TAC examiners, then another hearing for oral arguments before the commission itself.

Despite TAC's favorable ruling, the fight is far from over. Opponents to Air Southwest's plans have made it known that they plan to take their case into the courts--as far as it will go.

In the state courts, they will maintain that the TAC's action was not based on "substantial evidence". If they fail there, one attorney said they might go into the federal courts, charging that the TAC certification placed an undue burden on interstate commerce in violation of the U.S. Constitution.

PEOPLE POLLUTION--"With over population a world problem, Planned Parenthood is becoming increasingly important as a governmental project," says Alan Bloebaum, regional director of the Southwest Region of Planned Parenthood.

A five-state district meeting on the subject is set for March 4 and 5 in Austin. This conference will be followed by a series of state sessions on family planning. Among them will be a special family planning conference by OEO, the American Association of Planned Parenthood Physicians and the State Nursing Association.

Cost of planned parenthood for one family per year is about \$15, whereas the cost of welfare support--federal, state and county--for a dependent child is about \$1,200 a year.

POVERTY PROGRAM SHIFTING--Texas War on Poverty program seems to be heading for a shift in control to the cities and counties under new federal legislation. New law will give local governments the option of taking over programs, effective Feb. 1, 1969.

Cities and counties would have three alternatives: designate an existing community action agency; or designate themselves or some other public or private agency to operate the poverty program; or leave the decision of who is to run the program up to State poverty program officials.

The All School play seemed to be a success and everyone seemed to enjoy it. A standing ovation was given to the cast and the Olton Lions Club sponsored a stage party afterwards with cokes and cake squares with each cast members name on one and the character he or she portrayed. "Seventeenth Summer" will be given once again for the students in elementary, junior high, and high school Thursday afternoon at 1:30.

Student Council results for next year's officers were announced Thursday and they are as follows: Steve Burleson, president; Leslie Holladay, vice-president; Jeanie Gardner, secretary; Joel Nelson, treasurer; Sunya Sorley, parliamentarian; and Gary Durham, reporter. Congrats to six fine OHS students!!

Track season is here and our Mustangs have been working out for a couple of weeks and they met their first opponents at the Brownfield meet Saturday. According to Coach Beck the boys did real well even though they placed eighth in the meet. They were going against triple A schools and Lannie McClain and Steve Spain were not present because of other commitments.

Benny Akin ran the 100,220 dash, 440 relay, and threw the discus. R. L. Copeland ran the 100 dash, 440 relay, mile medley relay, and the broad jump. Charles A. McClain participated in the 120 high hurdles, 330 intermediate hurdles, 440 relay, high jump, and broad jump. Carlos Talamantez ran the mile and mile medley relay and Gilbert Escalante ran the mile run and mile medley relay. Joel Nelson ran the 100 yard dash and mile medley relay and Johnny Lewis also ran the 100 yard dash and 440 relay. Frank Saldivar competed in the 440 dash and mile relay. Barry Cowart ran the 880 dash and mile relay. Joe Luera hurdled the 120 highs and the 330 intermediates. jumped the 330 intermediate hurdles and ran the mile relay. Kenneth Johnson sprinted the 440 yard dash, Phillip Bley ran the 220 yard dash, and Gene Warren ran the mile run. Mike Parsons also ran the mile run, Ronnie Key hurdled the 120 highs, and Greg Smith and Luis Rey ran the 880 yard dash. Sel Sanchez, Joe Dale Chitwood, and Lynn Gullett pole vaulted. Steve Burleson, Stacy Pendergrass, and Otis Patterson put the shot. Danny Dial and Eddie Hooper hurled the discus. Ronnie Vandell broad jumped and Billy Gary and Gary Kelley high jumped.

The results are as follows:

Charles A. McClain	3rd	330 I. M.	42.6
Charles A. McClain	4th	120 H. H.	16.4
Benny Akin	4th	100 yd. dash	10.5
Benny Akin	5th	220 yd. dash	23.1

R. L. Copeland	6th	440 relay	45.2
Joel Nelson			
Benny Akin			
Charles A. McClain			

The Mustangs' next meet will be at Idalou beginning at 9 and the finals at 1:30. See you there!

The Final Statistics for the Fillies '67-'68 season are as follows:

	Field Goals Attempted	Field Goals made	%
Lynn McGill	322	169	52
Kate Carson	344	142	41
Leslie Norfleet	249	87	35
Lynda Blackwell	4	0	0
Francine Offield	11	4	37
Connie Kendall	43	15	35
Myrle Givens	11	5	46

Free throws % respectively was 65%, 64%, 49%, 00%, 57%, 59%, and 67%. Lynn McGill led the offensive rebounds with 84. Carson had 55. Norfleet jumped for 46, and Kendall rebounded 23 times. Leslie Norfleet had the most assists with 114. The assists are one of the most important things a girl can do, because without assists there would be few goals made. Kate Carson was second with 88. Lynn McGill had 64.

The Fillies' guards helped in bringing the ball across the line and rebounding. Rebounding is one of the things the guards usually are known for and excell in. Pam Foster had 146, Diana Malone jumped for

72, Robbie Langford got 67, Sherry Moss had 57, Fletta Harris rebounded 27 times, and Wanice Neeley and Connie Hall had 1 each.

The final statistics for the season was 16 wins and 13 losses and 7-7 in district play. One of the high points in the season was the two overtime game against Dimmitt, that resulted in a victory over the district girls champs.

Our Mustang cagers ended their season with a 10-4 district record and they placed second in the district play behind the undefeated Dimmitt Bobcats. The final statistics read as follows:

	FGA	FGM	%	FT%	TR	
Charles A. McClain	380	127	33	52	92	298
Johnny Lewis	89	20	23	43	26	49
Joe Schultz	208	77	37	67	147	207
Joel Nelson	26	9	35	20	13	19

ALL FOR FUN

Ronnie Vandell: "I can beat you in a race any day, if you let me choose the course and if you give me just a yard head start."

Charles McClain: "O. K. you're on. What's the course?"
Ronnie: "Up a ladder."

Professor Albert Einstein, who knew his algebra formulas, once gave what he thought was the best formula for success in life.

"If 'a' is success in life, I should say the formula is 'a' equals 'x' plus 'y' plus 'z', 'x' being work and 'y' being play."

"And what is 'z'?" asked the newspaper reporter who was interviewing him.
"That," said Professor Einstein, "is keeping your mouth shut."

It's a funny thing -- you work all your life toward a certain goal and then somebody moves the posts on you.

"I don't like to criticize," said Hugo Hondequin, "but I do think our way of answering the telephone is better than yours."

Joe Hernandez: "Yeah! What do you say that's so much better?"

Hugo: "Well, instead of saying 'Hello,' we say, 'Are you there?' Then, of course, if you're not there, there's a nouse going on with the conversation."

HART CAMP HAPPENINGS

MRS. EDWIN OLIVER
Ph. 262-4242 Fieldton

K. W. Mahaffey was honored Thursday night with a farewell party given in the office building of the Hart Camp Co-op Gin. Mahaffey has sold his farm and is moving to Littlefield where he has bought him a house.

The group attending gave him a chain light fixture for his living room. Special guests were his daughter and son-in-law, Mr. and Mrs. J. H. Yeager of Carlsbad, N. M.

Games of "42", dominoes and checkers were played. Cookies, cocoa, coffee and cokes were served as refreshments.

Attending were Mr. and Mrs. J. C. Muller, Mr. and Mrs. Homer Hukill, Mr. and Mrs. Blanton Martin, Mr. and Mrs. Don Muller, Donna and Bryan, Mr. and Mrs. Gerry Langford and Kathy, Mr. and Mrs. Edwin Oliver and Debbie, Mr. and Mrs. O. J. Neeley, Mr. and Mrs. Elma Burleson, Mr. and Mrs. Loyd King, Mr. and Mrs. J. H. Yeager, Mr. V. L. Foster and the honoree, K. W. Mahaffey.

Mr. and Mrs. Dan Puckett left Thursday for Houston to visit Mr. Puckett's brother and sister-in-law, Mr. and Mrs. George Puckett. While there they attended the rodeo in the Astrodome.

Mary Bess Smith portrayed Mrs. Morrow in the Olton High School play "Seventeenth Summer" which was presented Monday night in the High School auditorium.

Several men of this community attended the Panhandle Pastor's and Layman's Conference at Wayland Baptist College Monday night. The program started at 4:15 on the college campus with the evening message being brought by Rev. Jack Taylor, pastor of Castle Hills Baptist Church in San Antonio. These services were at the First Baptist Church in Plainview. Going from here were M. W. Wheeler, Dewey Parkey, L. E. Ball, Edwin Oliver and Rev. J. D. Nelson.

Mr. and Mrs. Paul Hukill, Mr. and Mrs. Homer Hukill and Mr. and Mrs. Royce Goynes were all in Mangum, Okla. over the weekend to attend a 50th Wedding Anniversary celebration for Mr. and Mrs. Frank Hukill. Mr. Hukill is a brother of Paul and Homer Hukill and Mrs. Goynes. The celebration was given in the home of the Frank Hukill's son and family, Mr. and Mrs. Gerald Hukill of Mangum. The group reported lots of snow on the ground in Mangum. A total of 16 inches of snow has fallen there since Feb. 12. Frank Hukill slipped and fell, breaking his arm, before the anniversary celebration.

The group all returned home Monday. There are nine brothers and sisters of Mr. Hukill and they were all present but one sister who lives in California.

Mr. and Mrs. Paul Hukill have a new grandson born

Thursdays in the Methodist Hospital in Lubbock to Mr. and Mrs. Dewey Hukill of Olton. The baby weighed 7 pounds and one ounce and has been named Kevin Heath. The Dewey Hukills have two other children, a son, Gregg and a daughter, Kelli Patrice. Maternal grandparents are Mr. and Mrs. LaFrance of Olton.

Mr. and Mrs. L. E. Ball visited in Clovis over the weekend with their daughter and family, Mr. and Mrs. Fred Borden and son, William Corey.

Mr. and Mrs. Elma Burleson and children spent the day Sunday in Lubbock with Mrs. Burleson's sister and family, Mr. and Mrs. Edwin Poe. The Poe's son, Tommy, returned Saturday from Vietnam after a year on duty in the army there. He will return to El Paso March 6th and will be in the army until September when his discharge is due.

Mr. O. J. Neeley was in Clovis, N. M. Monday to visit Mr. and Mrs. Vernon Venable. Mrs. Laura Bass accompanied Mrs. Neeley to Clovis.

The O. J. Neeley family, and Glenda Holladay of Olton, visited Friday night near Springlake with Mr. and Mrs. Robert McCurry.

Mr. and Mrs. Blanton Martin were in Plainview Friday night to visit their daughter, Miss Suzanne Martin. While there they accompanied Jerry Perry and Suzanne to a basketball game between the Flying Queens and Nashville Business College.

A WMS meeting was held Monday morning at the Baptist Church with Mrs. L. W. Sullivan in charge of a Bible study from the Book of Acts, on the missionary message of the Bible. Ladies having parts on program and in the discussion were Mmes. L. W. Sullivan, Dewey Parkey, M. W. Wheeler, Edwin Oliver, J. D. Nelson, Elma Burleson, and Blanton Martin. One visitor was present, Mrs. Tom Clark.

Edwin Oliver met his sister, Mrs. George Vernon of Albuquerque, N. M. Friday afternoon at the airport in Lubbock and brought her here to spend a couple of days in the Oliver home. Mrs. Vernon had been in Arlington visiting her daughter and was enroute home at the time of her visit here.

Mark, Patti and Joey Muller of Odessa visited in the J. C. Muller home over the weekend.

Mr. and Mrs. David Metcalf and new baby daughter have returned to their home in Springlake. Mrs. Metcalf and the baby came here from the hospital and spent a few days with her parents, Mr. and Mrs. J. W. Wells.
