When Out of Sorts Start Your Liver Working

No Matter What Ails You, Dod-
son's Liver Tonic is Usually a
Big Help in Getting Well.
Avoid Calomel.

Nine times out of ten, when you
are ill or out of sorts, your liver is
out of order and getting it in order
again will make you feel better.
When your liver is sluggish and
torpid and you are constipated and
bilious, it is impossible to feel
well.

There was a time when a great
number of people took calomel
when so troubled. But this is not
true today. It has become widely
known that calomel often has bad
after effects and is even danger-
ous to many. The use of Dodson's
Liver Tonic instead of calomel has
spread wonderfully because it has
proved so beneficial in so many
households.

Thomas Bros. Drug Co., recom-
mend and guarantee Dodson's
Liver Tonic instead of calomel and
guarantee to refund purchase price
(50c.) to you instantly without
question if you are not perfectly
pleased with the way in which it
relieves you from constipation,
sick headache, biliousness, etc.
It "lives the liver" and is a
pleasant tasting, vegetable liquid,
easy to take and causes no pain,
no gripe, no bad results, no change
from your regular duties and
habits.

To test Dodson's Liver Tonic is
a sensible matter because you get
your money back if you are not
satisfied. C33-1t

New System of Currency Will Save Us From Repetition of 1907 Panic

By LESLIE M. SHAW, Former Secretary of Treasury

THE ONLY ELEMENT OF ELASTICITY IN THE NEW CURRENCY LAW
IS THAT WHICH PERMITS THE FEDERAL RESERVE BOARD TO
LOWER THE RESERVE REQUIREMENT, AND THAT IS NOT AUTO-
MATIC ELASTICITY. IT IS OFFICIAL RELIEF MADE NECESSARY BY
THE WANT OF ELASTICITY. IT WILL SAVE US FROM A REPETITION
OF 1907.

Whether the new system will succeed in REVOLUTIONIZING
OUR CREDIT SYSTEM IS PROBLEMATIC and will depend
largely on the wisdom of the board. In other countries when a bill of
goods is sold on sixty or ninety days' time the seller makes his draft
upon the purchaser, who, after examining the goods, accepts. Then
when the seller indorses this acceptance there is created a piece of
paper affording the best bank asset known to man.

IF WISELY DIRECTED AND ENCOURAGED THE NEW SYSTEM
SHOULD AFFORD THOSE ENGAGED IN COMMERCE—I USE THE WORD
IN ITS BROADEST SENSE—FACILITIES FOR REALIZING UPON CRED-
ITS GROWING OUT OF COMMERCE APPROXIMATING THOSE ENJOY-
ED BY THEIR COMPETITORS IN OTHER COUNTRIES.

No Need at Present Parcel Post Was Es- tablished at Great Cost

By Secretary of the Interior
FRANKLIN K. LANE

By JOHN A. BENDEL, New York
State Engineer

I DOUBT very much the wisdom
of providing out of the national
treasury for a national univer-
sity at this time for these reasons:

First.—Private enterprise and
the states are meeting the demand
for higher education through the
great universities of the country.

SECOND.—WHATEVER IS DONE
FOR EDUCATION BY THE NATION
SHOULD, IN
MY JUDG-
MENT, BE
CONFINED AT
THIS TIME TO
INCREASING
THE EFFI-
CIENCY OF
OUR COMMON
SCHOOLS,
WHICH, ESPE-
CIALLY IN
THE RURAL
DISTRICTS,
ARE ON FAR
TOO LOW A PLANE. I BELIEVE
THAT THE NATION COULD AID
THE STATES GREATLY BY HAV-
ING A CORPS OF EXPERTS WHO
WOULD BE ABLE TO ADVISE THE
STATE, COUNTY AND MUNICIPAL
OFFICIALS AS TO SCHOOL OR-
GANIZATION, SCHOOL ARCHITEC-
TURE, SCHOOL SANITATION
AND METHODS OF STUDY, AND
UNTIL SUCH WORK IS UNDER-
TAKEN I DOUBT THE WISDOM OF
TAKING UPON OURSELVES THE
CREATION AND MAINTENANCE
OF A NATIONAL UNIVERSITY.

THE public generally has little
or no appreciation of what
transportation costs really
are, and the best example of that
which I can cite is the case of the
parcel post. We hear all the time
of the success of the parcel post;
but, as a matter
of fact, what its
introduction has
accomplished is
the elimination
of a well estab-
lished method
of transportation
and the substitution
for it of a new and
UNTRIED
METHOD
WHICH IS A SAVING MERELY
ON THE FACE OF IT. A DEFICIT
OF THIRTY MILLION DOLLARS
IS SADDLED UPON THE
TAXPAYER BY THE PARCEL
POST, but the vagueness and in-
calculability of such a distributed
and indirect tax causes it to be
overlooked in connection with the
apparent saving in cheap parcel
rates.

Education Noblest Task Nation Can Undertake

By Governor MARTIN H. GLYNN
of New York

EDUCATION is the link which
binds the hope of one genera-
tion to the achievement of the
next. It gives to the eager
youth of the present the fruits of
all that men and women have done
since the morning of the first day.
It keeps imperishable the contribu-
tions of every age to the PLEAS-
URE AND PROFIT OF THE
RACE. It makes the revolutions
of yesterday the conventions of to-
day. It proclaims CONSIDERA-
TION FOR HUMANITY, and
PREACHES LOVE FOR MAN.
It conquers force by persuasion and
slays wrong by irony and wit. It
feters prejudice with logic and lib-
erates reason with rhetoric.

TO EDUCATE—TO DRAW FORTH
ALL THE SPLENDID POSSIBILI-
TIES OF A HUMAN BEING—IS THE
NOBLEST TASK THAT ANY INDIV-
IDUAL OR NATION CAN AT-
TEMPT. TO EDUCATE—TO PLACE
THE HARD WON TRUTHS OF VAN-
ISHED YEARS BEFORE THE
QUESTIONING AND ASPIRING
MIND—IS A RESPONSIBILITY
THAT RESTS UPON EVERY STATE
AND EVERY NATION.

Middle Class in Mexico Needed to Check Revolution

Great Sermon Sunday Morning, Best Conference Ever Held Free Stereopticon.

Easter services were conduct-
ed at the Methodist church Sunday
by Rev. Terry Presiding Elder
for the Big Springs District.

It being a quarterly confer-
ence occasion Bro. Ledger of
Big Springs accompanied him.

Bro. Terry preached a fine
sermon to a large audience of
interested listeners.

Quarterly Conference was held
at the parsonage in the after-
noon and was one of the most
prosperous ever held here.

Bro. Terry left for Lamesa in
his car late in the afternoon
with Bro. Ledger and Bro. and
Sister Callaway as his guests;
they were to begin a meeting
Sunday night to be carried on
by Bro. Ledger.

The Junior League rendered a
special program at the Metho-
dist church Sunday night. Miss
Lucy Gathings and the ladies
who assisted in the training of
the children are to be congratu-
lated upon the success of the
entertainment.

Beautiful recitations, tableaux
and dialogues composed the pro-
gram. The rostrum was taste-
fully arranged and decorated
with potted plants loaned for
the occasion.

The church was more than
full and a good many returned
to their homes because even
standing room was taken up.

The yearly egg hunt was held
at the home of Mr. and Mrs.
Randall of West Tahoka, and
was attended by all the children
of the Leagues and a number of
grown folks who went to see
fun; over 300 eggs were hidden.

Miss Ida Carter entertained
the little folks of the Baptist
church at an egg hunt Saturday
before Easter. In spite of the
cold day the children had a royal
time.

ESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for free sample and book. "Health and Beauty." Address: J. C. HENLEY & CO., Toledo, Ohio. Sold by all Druggists, etc. Take Hall's Family Pills for constipation.

No Rush or Boom, but Business Steadily Improves

By Secretary of Commerce
WILLIAM C. REDFIELD

I AM sure that the spirit of the president's message will strike a responsive chord in business circles all over the land. It shows a clear sense of the NEEDS OF THE BUSINESS COMMUNITY and a realization of the HAMPERING EFFECT OF DOUBT AND UNCERTAINTY, and it carries a FIRM SYMPATHETIC TOUCH with all that is finest and best in the business world.

ALREADY SUCH DEPRESSION AS HAD EXISTED HERE AND THERE HAS BEGUN TO PASS AWAY. THE MOVEMENT SEEMS TO BE UPWARD AND FORWARD GENERALLY. IT IS NOT A RUSH OR A BOOM, AND IT IS WELL THAT IT IS NOT, BECAUSE RUSHES AND BOOMS ARE APT TO LAST BUT A LITTLE WHILE.

The fundamental economic conditions of the country are sound. There is NO EXCESSIVE SPECULATION, debts are well liquidated, the farmer of the south and west has received adequate return from his crops, our manufacturers are holding their place in the foreign markets at a time when low prices prevail in England and Germany and have tested our competing power to the utmost.

THE STRIKING SIGN OF THE TIMES RAPIDLY DEVELOPING IS THE COURAGE WITH WHICH SOME OF OUR INDUSTRIES ARE SEEKING A FOREIGN FIELD IN WHICH HITHERTO THEY HAVE NOT EVEN VENTURED. THE CASE OF THE RAILROADS HAS RECEIVED THOUGHTFUL AND SINCERE CONSIDERATION FROM A TRIBUNAL WHICH CERTAINLY WISHES THAT GREAT BRANCH OF OUR BUSINESS ACTIVITY NO ILL.

Widows Not All Entitled to Pensions

By Dr. GEORGE C. SPRAGUE, Instructor New York University Law School

THE TERM "WIDOW'S PENSION" IS A MISNOMER, AND THE WIDOW IS NOT ENTITLED. AS A MATTER OF RIGHT, TO HAVE RELIEF FROM THE STATE. I DO NOT BELIEVE IN AN ENDOWED MOTHERHOOD. A POVERTY STRICKEN WIDOW WHO IS PHYSICALLY, MORALLY AND PROPERLY THE CUSTODIAN OF HER CHILD, SHOULD BE GRANTED RELIEF BY THE STATE.

This should come not as a matter of right, but as a salary, for the REARING AND EDUCATION of her child, the ward of the state. This is justified because the state, from a SOCIAL, POLITICAL AND ECONOMIC STANDPOINT, is vitally interested in seeing that its citizens shall have the advantages of careful home training. The home grown child is superior to the institutionalized product.

Country Needs Men With Backbones More Than Large Armies

By Vice President
THOMAS R. MARSHALL

INFIDELITY AND DISCUSSION FROM THE PULPIT OF THE LATEST-BITS OF SCANDAL ARE TO BE DEPLORED. I WOULD RATHER HAVE THE AMERICAN PEOPLE BOW DOWN BEFORE AN IMAGE THAN ACKNOWLEDGE NO GOD AT ALL. IF THE REPUBLIC IS TO ENDURE WE MUST GO BACK AND PLACE OUR FAITH IN GOD.

What this country needs is not laws, police nor large armies. It needs MEN WITH BACKBONES, men willing to stand for something more and men who do not TRY ONLY TO MAKE MONEY. I say make money, and I would like to make all that I possibly could, but I would have it made so clearly that your BABIES COULD CUT THEIR TEETH ON IT and never be polluted.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle acting. Its ingredients have a mild, health effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

THE CALL OF THE FARM

No Machine Made Governor Wanted.

Candidates and Platforms Should Be Carefully Selected And Compared With Farmers' Union Views.

Fort Worth.—The official cancellation of the Ft. Worth Convention on April 14th clears the gubernatorial atmosphere and the governor's race now rests between the candidates of the July primary. We want to call the attention of the farmers to the importance of selecting the one best acquainted and most in sympathy with the farmers and to carefully scrutinize the platforms of candidates.
 We opposed both pro and anti conventions with such ability as we possessed. We can conceive of no greater calamity to Texas than to elect a machine-made governor at this time and any man who will cower under the lash of the bull whip of the bosses and who will kneel and lick the boots of the mighty politicians has not in him the stuff that governors should be made of. Any kind of a bird can seek shelter in a convention hall, but it takes an eagle to soar in the storm-tossed heavens in defiance of the "powers that be." This state needs a governor who will face men fearlessly and meet issues bravely and to elect a man who does not possess these qualifications would be a blunder little less than a crime.
 Study Men and Measures.

The Farmers' Union, as an organization, is not in partisan politics, but the Union is officially committed to the Radford policies of government by the endorsement of the Farmers' Union State Convention and the candidate whose views most nearly approximate those of the Union and who offers the most convincing proof of writing them into our organic law is entitled to the support of farmers and all citizens who consider the material welfare of Texas of paramount importance in this campaign. All farmers should supply themselves with a copy of the Farmers' Union platform and that of the candidates and study and compare them for the purpose of determining which one of the candidates is most favorable to the interests of the farmer. We will send copy of the Farmers' Union platform to any address and we presume copies of the platform of the candidates can be secured on application to them.

In studying the candidates and platforms we want to issue a word of counsel and warning to the farmers of Texas, to the end that reason may not be debauched by prejudice, understanding supplanted by distrust and the welfare of the farmer suborned by political schemers.

Let us subject both candidates and platforms to a strict business test for on no other basis can we hope to unite our forces.

Put "Romans on Guard."

While no occupation, if legitimate, should disqualify any man for the office of governor, yet the experience and surroundings of a candidate determine their efficiency for gubernatorial responsibilities. We

do not believe a man who nurses at the breasts of special interests is as well qualified to deal with agricultural problems as one whose daily life feels the heart throbs of the farmers, for it takes heart as well as brain to interpret the needs and supply the wants of the Texas farmers at this time.

The Farmers' Union wants no liquor legislation during the next administration and all legislation of whatever character should be subordinated to the needs of the farmers, and those who join in this opinion should vote for a candidate for governor who is a part of the agricultural fibre of state and familiar with the business transactions of the farmer. To properly manage a business administration requires a man equipped by experience and ability to cope with the problems of agriculture and commerce backed by a legislature composed in the main of farmers and

business men. Too long have we permitted our destinies to be shaped largely by men whose personal ambition overshadowed the public welfare and during the incoming administration let us put nobody but "Romans on guard."
 The farmer has never taken much initiative in governmental affairs. Candidates have been groomed and issues framed up as a rule by city men and the farmer had no alternative in many instances but to choose between two or more evils. The politicians have been ordering the farmer to cry aloud for the sins of the cities and we have cried. The politicians have told us how to vote to save the country and we voted and after the election was over the legislatures have told us to stand aside until special interests were served or chastised, as the case might be, and we have obeyed but while we wept, were saved and waited, a line of fallen homes a hundred miles in length (if stood side by side) annually marks the state's pathway; a half million acres of products have rotted on the ground each year for want of a market and we have been paying from ten to thirty per cent interest per annum on \$220,000,000. This has been the result of a lifetime of fighting for principles. Let us unite in this campaign, fighting for men in the executive and legislative branches of government who will stand by the farmers.
Rally Around the Union.
 This is not a stone age and no man's opinion should be adamant.
 When mental petrification begins progress ends and a closed mind is an abomination to God and a menace to good government. We plead with you to lay aside sentiment, to eliminate prejudice and to break the shackles of superstition that may bind you and in this campaign to serve the interests of those who are near and dear to you.
 We appeal to the farmers of Texas to reason together. Consider the wife who toils by your side and whom you covenanted in holy bonds of wedlock to provide for and protect; give heed to the welfare of the innocent children that God Almighty gave you to gladden your heart as happily they play upon your knees and kiss from your cheek the smudge of toil; then think of your own flesh and blood as you battle to shelter the heads and cheer the hearts of those whom you love.
 We beg you to discharge the responsibilities that God in His wisdom has placed upon you in preference to the one the politician in his hunger has forced upon you. May we again plead with the farmers of Texas to rally
