DiMaggio's Homer In 10th Gives The Yanks Second Game

By JACK HAND
(Associated Press Staff)

SHIBE PARK, Philadelphia, Oct. 5. — Joe DiMaggio lined a 10th inning homerun into the upper left field stands today to give the New York Yankees' Allie Reynolds a 2-1 win over the Phils' Robin Roberts in the second World Series game. It was the favored American League champs' second straight victory in the best four of seven series before 32,660 fans. Tomorrow's game will be played in New York.

FIRST YANKEES

Woodling beat out a slow bounder to Hamner between third and short for a single.

Seminick made a fine catch of Rizzuto's foul pop near the box seats behind home plate.

Berra punched a looping single into short left.

Goliat backed up on the grass to catch DiMaggio's lazy pop behind second. Woodling attempted to score after the catch but changed his mind and scrambled back to third to beat Waitkus' relay with a headlong slide.

Mize swung at Roberts' first pitch and raised a short foul pop up to Seminich to the left of the plate.

No runs, two hits, no errors, two left.

FIRST INNING PHILLIES

Waitkus rapped sharply to Coleman who threw him out.

Ashburn dropped a double into short right-center as Bauer failed in an attempt to make a shoestring catch.

Sisler took three strikes.

Coleman hurried behind second base to make a nice stop and throw to retire Ennis.

No runs, one hit, no errors, one left.

SECOND YANKEES

Brown rapped a low liner right into the hands of Ashburn.

Jones caught Bauer's foul pop.

Coleman walked.

Reynolds rapped Roberts' first pitch over Waitkus' head into right field for a single sending Coleman to third.

Woodling also swung at the first pitch and sent a long foul into the upper right field stands missing a home run by a dozen feet. Woodling got his second infield single when Hamner made a fine backhanded stop of his twisting grounder between third and short but could not comeup with a throw. He finally tried a force at second but Reynolds easily beat the throw and Coleman scored the first run of the game.

Rizzuto sent a high soft fly to Ashburn.

One run, two hits, no errors, two left.

SECOND PHILLIES

Hamner belted a triple between DiMaggio and Bauer.

Jones was called out on strikes.

Seminick slapped a two-bouncer to Coleman just beyond the infield grass. Hamner held third as Coleman threw out Seminick.

Goliat sent an easy fly to DiMaggio.

No runs, one hit, no errors, one left.

THIRD YANKEES

Berra went down swinging.

Goliat got under DiMaggio's short fly.

Mize looped a lazy single over Goliat's head.

Ashburn gathered in Brown's high fly.

No runs, one hit, no errors, one left.

THIRD PHILLIES

Roberts struck out.

Waitkus lined a double in the right field corner.

Ashburn fouled to Berra.

Sisler went out on a weak roller to Coleman.

No runs, one hit, no errors, one left.

FOURTH YANKEES

Bauer popped to Hamner behind the infield grass.

Coleman was credited with a two-bagger when his drive into centerfield took a bad bounce which Ashburn was barely able to knock down.

Reynolds walked.

Bubba Church, a righthander, got up to warm up in the Phils' bullpen.

Woodling fouled to Sisler.

Rizzuto lined to Ennis.

No runs, one hit, no errors, two left.

FOURTH PHILLIES

Ennis struck out.

Jones raised a high pop to Mize.

Hamner received Reynolds' first

Dry Scurry Well To Try In Strawn Zone

Sun Oil Co. is to try to develop commercial production from the Strawn lime of the lower Pennsylvanian in a wildcat in Central-Southwest Scurry County, which was abandoned more than a year ago after failing to produce in the Canyon and in the Ellenburger.

Logs run on the project at the time it was abandoned showed only slight signs of oil and gas in the Strawn.

However, development since then in a nearby project have caused the company to re-enter and test the casing which was left in the exploration.

The effort will be made at Sun No. 2 Emil Shattell, which is located 660 feet from the north and west lines of section 186, block 97, H&TC survey.

It drilled to 8,010 feet in barre Ellenburger and was abandoned there after failing to produce in the Canyon and in the Ellenburger.

It is about three-quarters of a mile northwest of Sun's No. 1 Shattell, discovery and only producer from the Canyon in the Shattell field.

Recently Sun completed its No. 1-A Arledge as a flowing discovery from the Strawn on the southwest of the Kelley-Snyder Canyon field.

That discovery is three-quarters a mile north of the Sun No. 2 a mile north of the Sun No. 1 Shattell.

It is planned to test the No. 2 Shattell in the interval at 7,600—7,700 feet in the Strawn and try to make an oil well there.

NO 1 MIDKIFF

Humble Oil & Refining Co. is moving the rotary drilling rig out and will complete its No. 1 Midkiff, Spraberry sand discovery in Southeast Midland County, 25 miles southeast of the city of Midland.

The wildcat swabbed a total of 186.12 barrels of new oil in 24 hours from the pay section at 7,281-7,425 feet. During the same period an additional 11.88 barrels of water was swabbed out.

Operator will continue testing on the swab in an effort to make the well flow steadily. It has made some short heads but up to now has not made any sustaned flows.

The section making the oil has been treated with hydrafrac.

The well drilled to a bottom of 7,520 feet and found mostly water

Child Suffers Broken Leg When Hit By Car

Loula Thomas, 5-year-old daughter of Mr. and Mrs. H. C. Thomas, suffered a broken leg this afternoon when she was struck by a car on Aveune M east of the high school.

The child was on her way from the elementary school, where she is in the first grade, to her home on Twenty-second street near Memorial Park, when the accident occurred.

Witnesses said the child entered the street from between two parked cars.

Her condition was not believed to be critical as the Snyder Hospital where she was taken immediately for treatment.

Nations Begin to Enforce UN Plans for Korean Settlement

LAKE SUCCESS, Oct. 5. (AP)—The United Nations moved full steam ahead today to put into effect an American-backed plan for the future of war-torn Korea.

The plan, which grants tacit permission for UN forces to cross the 38th parallel, won 47 to 5 approval in the 60-nation political committee last night. There were seven abstentions. Only the Soviet bloc—which supported a rival resolution—voted against the proposal.

Supporters of the proposal shrugged off fears that the Chinese Communists may intervene in the Korean war because UN military occupation of North Korea will be necessary to enforce its decisions.

Secretary of State Dean Acheson told a news conference that any group looking to the world for recognition and for admission to the UN would hesitate to challenge UN principles. Communist China is fighting for the UN seat now held by Nationalist China.

The peace plan—sponsored by Britain, Australia, Brazil, Cuba, the Netherlands, Norway, Pakistan and the Philippines—has four main aims. They are:

1. Action — including holding of elections under auspices of the UN—for establishing a unified, independent and democratic Korea.

2. UN forces should not remain in any part of Korea longer than necessary to achieve this united government. This was taken to mean that those forces could pursue North Korean aggressors anywhere in the country north or south of the 38th Parallel.

3. Economic rehabilitation of Korea. Supporting delegations hope Korea will be a "pilot project" to show what the UN can do in this line.

4. A new UN commission of seven members to see that the plan's provisions are carried out.

Six members of this watch-dog committee have been named. The seventh place has been left open in the hope that India will accept it.

Cool Weather Brings WaterConsumptionDrop

Water consumption here has decreased more than half since the peak in mid-summer, according to W. J. Ramsey, superintendent of the water department.

Only ten of the city's 24 water wells are being used now, and they operate only about half time. In dry, hot weather, all the wells except two were in use most of the time to maintain the supply.

Approximately one million gallons are now pumping from the city wells daily, Ramsey said. In the peak of consumption last summer, approximately three million gallons were pumped daily.

First Run of the Series

Bobby Brown, New York Yankees third baseman, races across home plate in the fourth inning with the first run of the 1950 World Series in Philadephlia. He scored from third on Gerry Coleman's fly to Phil's Dick Sisler in deep left field. Philadelphia Catcher Andy Seminick shows no interest in proceedings. This was the only run scored in the 1-0 game.

Taft's Opponent Shows Close Agreement With Labor Unions

By ED EASTERLY
(Associated Press Staff)

COLUMBUS, O., Oct. 5. —Diligent campaigning, hot oratory and national significance are all wrapped into this year's election battle between Sen. Robert A. Taft and union leaders out to beat the man they call "Labor's No. 1 enemy."

The Democrats as a party are striving too, of course, to keep the influential Republican senator from returning to Washington. But it is the labor-vs-Taft fight that has stirred most interest in all parts of the country.

In the face of that: Taft's Democratic opponent in the November 7 election, Joseph T. Ferguson, insists:

"I'm not a labor candidate. Nobody can tell me what to do. Labor hasn't even tried it."

TAFT REPLY

In reply, Taft says that the CIO's Political Action Committee is the real power behind Ferguson's campaign. He charged in a speech at Cincinnati:

"They have taken over my opponent lock, stock and barrel. They tell him what to do and say. They write his speeches for him, I think. He's kept out of certain districts and told to go into others."

Ferguson's statement that "nobody can tell me what to do" is proved, his friends say, by his record during 14 years as state auditor. He has cracked down on Democratic, as well as Republican, state officials when he felt they were spending the taxpayers' money too freely or unwisely.

FEARLESS

"I have been a fearless auditor," Ferguson declares, "and I propose to be the same as senator. I'm a candidate for all the people."

These words are being digested by Ohio's 5 million voters as they approach the election and ponder whether to vote for "Little Joe" Ferguson or give Republican Taft a third term in the United States Senate. Registration of voters has been exceedingly heavy.

Ferguson's declaration of independence is in contrast with his political position.

He is the beneficiary of the greatest array of brains, money and manpower that labor ever has assembled in behalf of a state candidate in Ohio, perhaps in any state.

ALL COMBINE

The CIO, the American Federation of Labor, the United Mine Workers and the Railway Brotherhoods have combined forces on a national level to help elect Ferguson to the Senate.

He has promised to work hard for repeal of the Taft-Hartley Act, which Taft helped write into law over objections from President Truman and anguish cries from union labor chieftains.

When labor damns Taft's position on public housing, rent control or federal government expenditures, Ferguson concurs.

When labor assails Taft's statements on military preparedness or conduct of the war in Korea, Ferguson goes along.

New Members Are Sought In Chamber Drive

"Chamber of Commerce dues do not cost — they pay," Harold Bennett, chamber manager, said today as he announced the beginning of a membership drive Oct. 16.

Bruce Greer, chairman of the membership committee, has sent letters to several chamber members asking their assistance in the drive. The committee made plans for eight teams with members of the committee as team captains to conduct the drive.

Attempting to complete their membership work in a short time, each team will have five to ten members. No member will have more than eight firms to contact.

Committee members acting as team captains the Bruce Greer, Dr. Robert H. Hargrove, Jr., Eugene Harper, Robert R. Patterson, Frank D. Stephenson, Hollis H. Fields, K. L. Fouch, and A. C. Kincaid.

"In order to do a good job for the community it is necessary for the Chamber of Commerce to have sufficient funds to carry on a well-planned program," Bennett said.

Such programs as Christmas activities, co-operation with the youth Center Council, bringing distributive education classes to the merchants of the community, conducting Fire Prevention Week, and other activities of the chamber require finances, Bennett explained as he pointed out advantages of membership dues.

French Move In Indochina

SAIGON, Indochina, Oct. 5. (AP)—A powerful French column thrusting northwest to cover the retreat of the Caobang Garrison was reported today to have battled through strong Vietminh resistance.

Indicating the column from the frontier post of Thatkhe had beat off the forces of Communists Leader Ho Chi Minh, a military spokesman said the French troops had seized key positions to cover the withdrawal from Caobang.

Abandonment of Caobang, key post of the Red China frontier, was announced yesterday as part of a large-scale French regrouping operation. Two other posts had been given up by the French earlier.

The spokesman said the withdrawal from Caobang was proceeding "favorable." He said there was no confirmation the two columns had joined, but that the French high command here estimated the meeting had taken place.

Fire at Noon Destroys Building on Hill Farm

Firemen rushed to a fire on a farm owned by L. A. Hill three miles west of Snyder on the Lamesa highway about noon today to find they were too late to prevent the complete destruction of a two-room house used for cotton pickers' quarters.

The fire was reported by Mrs. L. S. McCright, who lives on the farm with her husband. Mrs. McCright living in a larger house about 30 feet from the one in flames, noticed smoke coming from the rooftop just before noon and ran into the house to save all the clothing and furniture she could.

Arriving at the scene to aid her was Pat Falls, principle of the Northwest Elementary School, who had just brought little Sharon McCright home ill. The two went into flames to carry out all but two ice boxes, a cook stove, and some cabinets just before the roof collapsed.

Firemen on two trucks arrived in time to douse the flames of the destroyed building and to spray the larger house to keep the close flames from starting a fire there.

South Koreans Capture City Of Changjon Over 60 Miles Above Border

Train Smashes Into Tank Car

ERIE, Pa., Oct. 5. (AP)—A New York Central Railroad flyer clipping along at better than a mile a minute smashed into a derailed freight oil tank car early today, setting off an explosion which rocked midtown Erie.

Miraculously, no one was killed.

Between 40 and 50 were injured but none was burned although flames from the burning tanker leaped high into the air and lapped at some of the cars on the palatial westbound New England States Express.

NO CHANCE

The engineer of the Boston to Chicago Express had no chance to keep his train from hitting the tank car. It was hurled into the express' path from a freight train traveling eastbound on a parallel track.

Only one of the 14 cars on the streamliner caught fire. It was the dormitory car for dining room employes. More than 10 occupants scrambled to safety through a lone exit which remained open. One unidentified waiter said:

"Everyone just scrambled around. We had been sleeping. Some of us got two left shoes, some got one shoe and some got none. But we all got out of there in a helluva hurry."

MANY HELP

Nearly 50 firemen, aided by as many police, were at the scene—only five blocks from midtown Erie—within minutes after the 1:15 a. m. (EST) crash. They kept the fire from engulfing the train and aided in rescuing passengers.

Nearly 50 passengers were trapped in the only car which overturned.

Twelve of the injured passengers were admitted to hospitals but are not in critical condition.

Extradition Of Ochoa Nearing

MEXICO CITY, Oct. 5. (AP)—The Justice Department has asked the first district court here for a certified copy of its decision opening the way to an extradition hearing for George Ochoa, accused of two murders in Laredo, Tex.

Ochoa was arrested in Tijuana, Mexico, and brought here. He asked the 28th district court here for an injunction against extradition. His request was denied. The justice Department will send the certified copy of the denial to the Tijuana judge, who will then be empowered to ask that Ochoa be sent there for the hearing. Sources close to the Justice Department estimated that Ochoa may not be moved to Tijuana for another 10 days or two weeks.

Casualty List Now Recorded At 20,756

WASHINGTON, Oct. 5. (AP)—The Defense Department notified American families of 20,756 Korean battle casualties through Sept. 29.

This was an increase of 3,536 over the last previously announced total of 17,220 as of Sept. 22.

The cumulative total announced today included 2,660 killed in action, 13,953 wounded and 5,143 missing in action.

Brannan May Drop The 1950 Cotton Quotas

WASHINGTON, Oct. 5. (AP)—Farm leaders speculated today on the possibility that Secretary of Agriculture Brannan might suspend rigid government marketing quotas on this year's very short cotton crop.

The secretary announced Tuesday that all production controls will be dropped for next year's crop because supplies are dwindling and needs are increasing under the defense program.

Then yesterday the government (a) clamped down on the export of cotton linters and cotton pulp, and (b) organized the importation of an additional 1,500,000 pounds of long staple cotton.

The Commerce Department announced it will stop issuing export licenses for linters and cotton pulp both used in making explosives. The action was taken at the request of the Agriculture Department, commerce officials said.

The importation of an additional 1,500,000 pounds of Egyptian-type long staple cotton by next Jan. 31 was ordered by President Truman. The action was takenf on the recommendation of the U. S. Tariff Commission, "in order to enable domestic users to obtain their essential requirements for such cotton."

Meantime, the international cotton advisory council—an inter-governmental group set up to advise governments on cotton problems—yesterday described the world cotton supply situation as "more stringent" than at any time since the 1930's. Prices, the committee added, have climbed to the highest point in 30 years.

The group estimated world production this year at some 27,000,000 bales, 4,000,000 less than last year.

Some American farm leaders said they saw no justification for continuing quotas on this year's crop because the situation that prompted the government to impose them no longer exists.

Quotas were put into effect a year ago because cotton suppliers were large then and the government wanted to prevent an increase in a surplus that might break prices and add to the government's financial burden under its price support program.

Department officials said that in the meantime, the government will continue to collect a penalty of 15-cents-a-pound on over-quota cotton. If Brannan does not suspend the 1950 quotas, growers would have to pay the penalty even if they held the cotton until after the expiration of the current crop marketing year.

Dallas Woman Killed

DALLAS, Oct. 5. (AP)—Mrs. Olive West was killed yesterday in a traffic accident, en route to the funeral of a nephew — the victim of an automobile crash.

The Dallas cafe operator's car and a motor freight truck collided headon on U. S. Highway 75 a mile south of Melissa.

Marines Stand Alert, Ready For Crossing

Red Regime Continues To Ignore Ultimatum Delivered On Sunday

TOKYO, Friday, Oct. 6. (AP)—Beating down the strongest resistance yet encountered in North Korea, the Korean Republic's Third Division Thursday seized Changjon, 60 air miles north of the 38th Parallel.

U. S. Eighth Army headquarters estimated that a Red infantry division and a company of Red marines made a stand three miles south of that east-coast town.

AP Correspondent William Jorden, with the fast-moving Republican Third Division, said the town fell to the South Koreans after an all-day fight. His information evidently was several hours more recent than that at Eighth Army headquarters.

MORE FIGHTING

Thirty-five miles south of this deepest penetration of North Korea, the Republican Capital Division engaged a bypasesd force of about 1,200 Reds in the hills west of Hwangoo.

The first notable show of Red defense came as a United Nations army of up to 175,000 troops was massing to yank down the iron curtain all along Parallel 38 and wipe out Communist resistance in all of Korea.

The non-Korean allies kept south of the artificial border stood ready to cross and join South Koreans who have already pierced the curtain and probed 60 miles or more into the Communist-ruled northland.

Gen. MacArthur's headquarters made it clear that all his forces are ready to go into North Korea as needed.

HELD BACK

Non-Korean troops had been held south of 38 since the South Koreans stabbed across Sunday.

The question of their crossing from liberated South Korea was considered only as a military issue, Gen. MacArthur's headquarters said, and not as a political hurdle at this stage.

The United Nations at Lake Success Wednesday night directed MacArthur, in effect, to use any means at his command to unity Korea.

Parallel 38 was drawn originally to designate American and Russian zones for acceptance of the Japanese surrender after World War II.

IGNORE ULTIMATUM

The Red regime continued to ignore surrender ultimatums first aired by MacArthur last Sunday and repeated since.

American Marines pushed northward from rubbled Iujongbu, 20 miles south of the 38 and about 11 miles northeast of Seoul. Resistance was scattered.

On the east coast, the South Korean Third Division was 60 miles north of the Red Border. It was within 25 miles of Tongchon, where the Reds might attempt a stand in defense of Wonsan, an industrial center, some 25 miles farther north.

Stalin And Democrats Silent On Stassen's Plea for Meeting

WASHINGTON, Oct. 5. (AP) — Republican Harold E. Stassen's bid for a sort of citizens' peace conference with Communist Russia's Premier Josef Stalin today was greeted with mixed reaction at home and silence from Moscow.

Stassen, an unsuccessful seeker after the 1948 GOP presidential nomination, disclosed the move yesterday. He made public a letter suggesting further correspondence or a face-to-face meeting—publicly reported—with Stalin in an effort "to stop the drift toward war."

NOT OFFICIAL

The State Department promptly announced that Stassen's proposal has "no official inspiration." But it said if Stalin agrees to meet with the University of Pennsylvania president, Stassen undoubtedly will get a passport to Moscow.

Stassen, questioned closely by newsmen about the political implications of his action, said it was "non-political," but was "definitely a move from an individual in the Republican party."

Diplomatic experts saw little chance that Stalin would accept. But the State Department reportedly welcomed the letter for its propaganda effect. The "Voice of America" featured it on foreign language broadcasts.

There were signs that Stalin might be less cordial toward the idea of talking with Stassen than when the two first met in Moscow in 1947.

For one thing, Stassen's letter strongly denounced Russian aggression and her "refusal to co-operate in stopping" the Korean war.

DENOUNCED

Then, too, the Moscow Literary Gazette had already proposed Stassen for eventual trial as a war criminal.

What Stassen's proposal envisages is a conference between Stalin and leading politburo members on one hand and himself and four or five other prominent American citizens on the other. Stassen declined to say whom he had in mind for such a mission.

The Truman administration has looked coldly on recent suggestions for high level U. S.-Soviet talks, although the President has said he would welcome Stalin to Washington. The official position has been that tension between East and West can best be eased in the United Nations.

Three-Hour Vienna Rail Block Set Up By Angry Communists

VIENNA, Oct. 5. (AP)—Communist demonstrators halted all rail traffic into and out of Vienna for three hours today. Trucks on the East-West line from the American occupation zone into Vienna were the first ones cleared of road blocks and traffic resumed.

A flying squad of several hundred Communists piled railway ties across the tracks of that line at St. Poelten, in the Russian zone, west of Vienna. Other lines were blocked the same way and the Communists stood guard over the barricades at many points.

START BLOCKADE

Crowds of shouting Communists, apparently angry over the failure of their general strike call yesterday initiated blockade of both rail and road traffic at St. Poelten in the Russian zone. This halted western rail traffic running into Vienna's west station was cut at Brunnenzersdorf, between Vienna and the Russian military headquarters at Baden, 20 miles south of the capital.

It was not known immediately where the Communists had blocked train traffic into the northwest station and Franz Josef Station, from where American military trains leave every night.

MORE ROAD BLOCKS

An American, Curtis T. Ettinger of Scarsdale, N. Y., reported the Communists had set up three road blocks [illegible] Poelten on the highway leading from Vienna to the American zone.

Police, despite Russian orders not to interfere tried unsuccessfully to stop the demonstrators.

The Reds occupied two federal postoffice and telephone exchange buildings and were driven off by police in an attempt on a third. Other bands roamed Vienna streets, stopping streetcar traffic and fighting with car operators.

The Weather

WEST TEXAS: Mostly cloudy and a little warmer with a few showers this afternoon and tonight. Friday partly cloudy with a few showers east of Pecos River.

EAST TEXAS: Partly cloudy and a little warmer Friday and in north portion this afternoon and tonight. A few showers in the west portion Friday. Moderate to fresh northeast to east winds on the coast.

If Roberts Fails Series May Not Return To Philadelphia

By JACK HAND
(Associated Press Staff)

PHILADELPHIA, Oct. 5.—Robin Roberts must stop the New York Yankees today—if else. That is the opinion at World Series headquarters as the Phils' 20-game winner prepares to meet Allie Reynolds (16-12) in the second game.

Manager Eddie Sawyer lost his daring gamble on Jim Konstanty in yesterday's 1-0 opener. But not before his relief ace turned in a pitching job that long will be remembered. Vic Raschi simply threw too hard for the dazed National League champs despite Konstanty's heart-tugging effort.

Now it's up to Roberts, wonder boy of Sunday's pennant clincher. Well rested after his strenous chore against Brooklyn, Roberts must win or the 1950 series may not come back to Philadelphia.

After today's game at 12 noon (CST), the clubs move to New York's Yankee Stadium for the next three—if five are needed. Only if a sixth or seventh is played will they return to Shibe Park next week.

The Phils face an uphill job, reflected by the oddsmakers who rate the youthful Whiz Kids 5 to 1 un-

ROBIN ROBERTS

derdogs in man-to-man betting. Reynolds is a 7½ to 5 choice over Roberts in the second game, to be played before more than 30,000 fans in fair-cool weather. Few want to wager that the Phils will even win two games after watching Raschi handcuff them with two singles in the opener.

BOTH GOOD

Raschi's brilliant job couldn't dim the near-miracle of Konstanty. The 33-year-old bullpen veteran who hadn't started a game since 1948, deserved a better fate. He allowed only four hits in eight innings before giving way to a pinch hitter. It took two fly balls to convert one of the hits into the only run of the game.

"I don't mind losing on base hits," Konstanty said. "But when a couple of fly balls beat you, it's pretty tough."

The base hit—a double down the left field line by Bobby Brown in the fourth inning—was the only extra-baser off Konstanty. According to Jim it was a "slider at least a half foot inside." But that was the ball game when it was backed up by two fly balls that permitted Brown to score.

Sawyer showed up at the press room last night with some of the Phil officials.

"Now we can't go into New York leading 2-0," he said. "It will have to be 1-1."

Eddie wasn't whistling past the graveyard, he and the youthful Whiz Kids have the utmost confidence in 24-year-old Roberts, their "big" pitcher.

Sawyer worked 33-year-old Konstanty yesterday in a daring gamble to give Roberts more rest. The

ALLIE REYNOLDS

former Michigan State Collegian started three games in five days last week as the Phils wobbled down the stretch. His last, of course, was the 10-inning success at Brooklyn, made possible by Dick Sisler's three-run homer.

PAID OFF

Essentially a fast ball pitcher, like Reynolds and Raschi, Roberts has the pose of a Grover Cleveland Alexander. It is doubtful if he will be awed by a World Series after his fine job in 40 regular season games. He cost the Phils a $25,000 bonus when Chuck Ward signed him in 1947 but they never regretted a penny of it.

Reynolds, a series veteran of 1947 and 1949, hasn't started a game since Sept. 25. He did work twice on relief but only briefly. Allie has a 16-12 season record as compared to 20-11 for Roberts.

The big Phil chance came in the fifth when they collected both of their hits. Raschi retired 13 men in order until Willie Jones singled into centerfield with one out in the fifth.

"Shudda been a one-hitter," said Raschi. "That single by Jones—I thought it was hit real hard and I got out of the way. It was just a dribbler."

Claassen Predictions

By HAROLD CLASSEN
(Associated Press Staff)

NEW YORK, Oct. 5.—Remember that recent eclipse of the moon? That wasn't an eclipse. That was just a certain football selector hiding his face after last week's picks.

Last Thursday's selections listed 58 winners in 75 decisions. That's an average of .767 and pulls the season's average down to .789.

But there is a new list of games this week end, so here goes:

Notre Dame vs. Purdue: Neither team is as bad as it looked last week as the Irish won from North Carolina and Purdue bowed to Texas. No breaking of the Irish victory skein here. Notre Dame.

Maryland vs. Michigan State: The Spartans accomplished the No. 1 mission last week by defeating Michigan. No. 2 is to defeat Notre Dame. That should permit Maryland to sneak through. Maryland.

Oklahoma vs. Texas A&M: Leon Heath, Oklahoma's only returning regular, is as good a blocker as he was runner. That's almost enough. Oklahoma.

Southern Methodist vs. Missouri: Missouri might make it close but the Texans are too good. Southern Methodist.

Florida vs. Georgia Tech: Bob Woodruff, who brought new life to Baylor, hasn't been defeated as Florida coach. He should escape defeat another week. Florida.

Texas Christian vs. Arkansas: A year ago Arkansas won, 27 to 7, and then the two teams wrangled all winter about who had been impolite. They won't wear white gloves this time, either, but TCU should get revenge. Texas Christian.

Georgia vs. North Carolina: Neither team won last week but Notre Dame took much out of North Carolina. Georgia.

Skipping over the chalk lines in a hurry:

Saturday:

Southwest: Baylor over Mississippi State, Hardin-Simmons over Arizona, LSU over Rice, New Mexico over New Mexico A&M, Texas Tech over West Texas State, Texas Western over Idaho.

Yanks Looted While Winning

PHILADELPHIA, Oct. 5. (AP)—Vic Raschi was a 1-0 winner in the opening World Series game, but a loser to a thief.

Raschi's room was looted yesterday while the New York Yankee ace was pitching his two-hit shutout against the Philadelphia Phillies.

Two suitcases containing 140 series tickets, jewelry and a diamond-studded watch were taken from Raschi's room, Detective Lt. Frank A. May reported.

Later one of the suitcases was turned over to police by a youth who said he found it in an alley. It contained 80 series tickets, two neckties and a pair of pajamas.

Missing from the suitcase were 20 reserved seat tickets for each of the three games at New York. Some of the recovered tickets were for today's second World Series game.

Raschi said he bought the tickets for friends and relatives.

Stolen also was a black leather suitcase belonging to Raschi's wife Sally, in which she said she had the watch, a new blouse and "between $500 and $1,000" worth of jewelry. The watch bore the inscription "New York Yankees—World Champions, 1949."

Frank Scott, Yankees' traveling secretary, also reported his room looted of $95 worth of costume jewelry belonging to his wife, Betty.

Doctors At Meeting

HOUSTON, Oct. 5. (AP)—The seventh annual meeting of the Assn. of American Physicians and surgeons opens here today with some 400 delegates due to attend the three-day program.

Last Game In Dixie Series

NASHVILLE, Tenn., Oct. 5. (AP)—Two often-wild speedball artists, a Texas right-hander and a Southern League lefty, tangle tonight in a pitching duel in the payoff game of the feud-like Dixie Series.

The San Antonio Missions tied up the seven-game series in the sixth tilt last night with a 6-3 triumph over the Nashville Vols. Now the Texas Leaguers vow they'll grab the championship tonight behind Procopio Herrera, Mexican hurler who saved them from an ignominous 1-4 series loss last Monday night. Herrera gave up only six hits and four runs in that game.

The Vols, irked by two losses in a row after they thought they had the series won, call on their ace, Bob Schultz, in the final bitter battle.

Schultz, top hurler in the Southern Association with 25 wins and six losses in their regular season missed the strikeout title by only two whiffs. He won three games in the southern playoffs, but couldn't whip the Missions in the only Dixie Series game he's started. He fanned seven San Antonio batters in four innings, but had to give way to a relief hurler who went on to win the first game.

The Dixie Series was already a grudge scrap before San Antonio humbled the Vols in their tiny home park, Sulphur Dell, last night. The Vols got hot when the Texans called the "dell," which has a short 262-foot rightfield wall and steep slopes leading up to the fences, "infamous." The Texans flared up when the irate Vols took two straight to make the series score 3-1 on the San Antonio diamond.

The feud flared higher when Umpire Tom Fleming chased Coach Eddie Fernandes, Vol catcher, to the showers in the first inning last night.

Hal Hudson saved the game for San Antonio in the sixth although John Pavlik got credit for the victory. Hudson retired the Vols on two soft ground balls and a fly, gave up only one hit in the last four innings.

Four Nashville hurlers gave up 14 hits.

Barber Wins Haircuts

SPALDING, Eng., Oct. 5. (AP)—The prize in the local battle of Britain anniversary competition was free haircuts for three months.

The winner: W. J. Thompson—a barber.

Southwest Conference Teams Prepare For Saturday's Game

By WILBUR MARTIN
(Associated Press Staff)

Southwest Conference football teams ripped through mid-week workouts in methodical fashion, drilling hard on offense and defense alike.

Six of the seven schools pointed for games this week, while Texas idle Saturday—started work on new plays it will test against the Oklahoma Sooners Oct. 14.

Texas A&M tests Oklahoma Saturday and yesterday Coach Harry Stiteler figured it would take four touchdowns to beat the big Sooners. So he worked the Aggies on polishing their ground and air attack until after dark.

The latest National Collegiate Athletic Bureau statistics show A&M No. 15 in the nation in rushing offense with a total of 598 yards gained in two victories this season.

Southern Methodist, which tops the nation in forward passing with 643 yards gained on 40 completions out of 70 attempts, found its pass defense leaky in practice yesterday. SMU Saturday meets Missouri.

Fred Benners, the Southern Methodist passing ace, ranks 12th in the nation in forward passing on 20 completions out of 37 attempts for 314 yards and four touchdowns. All of the scores and all but eight yards of this total came last week as he fired the Ponies to a 32-27 victory over Ohio State.

RECEIVERS RANK UP

Two SMU players, Benny White and H. N. Russell, Jr., rang among the leaders in pass receiving. White is seventh on 11 catches for 157 yards and two touchdowns, while Russell has caught ten for 173 yards and three touchdowns.

Baylor ran through a brief workout yesterday and Coach George Sauer said there'd be no rough drills before the Mississippi State game.

Rice Coach Jess Neely held a long scrimmage as he pointed the Owls toward the tilt with Louisiana State. Rice ranks fifth in passing offense with a dozen completions on 21 attempts for 217 yards and four touchdowns. Vernon Glass pitched the payoff passes in the Owls' opener against Santa Clara last week.

Arkansas drilled last night under the lights, while the Porkers conference foe this week, Texas Christian, ran through its third straight day of rough scrimmage. Gilbert Bartosh looked good in ball carrying and passing.

Statistics released today show Texas A&M's Bob Smith Number 13 in rushing with 221 yards on 44 carries. Ike Stuver of Texas Tech in the Border Conference is right behind him with 212 yards on 27 carries. Texas' Byron Townsend is 16 with 208 yards on 37 carries.

Kyle Rote is Number seven on total offense with 365 yards on 44 plays. Benners is 18th with 301 yards on 39 plays.

Watch Brewing Storm In Caribbean Area

MIAMI, Fla., Oct. 5. (AP)—A broad "area of suspicion" covering most of the western Caribbean Sea was under close watch today for the possible development of a tropical disturbance.

A Navy hurricane hunter plane from Guantanamo Bay, Cuba, probed the vast low pressure area yesterday but found no sign of a developing storm.

Hard Schedule For Schoolboys

By HAROLD V. RATLIFF
(By the Associated Press)

Texas schoolboy football teams play 181 games in the three divisions that decide the state championships this week end.

Each—the City Conference Class AA and Class A—have their outstanding gridiron battles of the season.

Twenty games are scheduled in the City Conference where defending champion Thomas Jefferson of San Antonio marches into its first conference test—a clash with low-rated Edison in District 4.

The City Conferences' only undefeated, untied team-Lamar of Houston—plays Miller High of Corpus Chirsti, the Class AA team Breckenridge of San Antonio upset last week.

Feature struggles send Paschal (Fort Worth) against Odessa and San Jacinto (Houston) to Austin in City Conference—Class AA jousts.

In class AA there are 49 games with 14 of the 16 undefeated, untied teams in action.

Breckenridge appears in the most danger of falling from the ranks. The Buckaroos meet an Abilene team that looks good enough to dash into the state play-off.

Wichita Falls, the defending state champion, tries to get back on victory road against Pampa. It's a tough obstacle Wichita Walls faces in the undefeated, untied harvesters.

Sherman could run into trouble against twice-beaten but still kicking Amarillo and Texas City is in for no picnic against once-beaten but rugged Conroe.

Mrs. O. P. Thrane and here niece, Mrs. W. M. Hedrick from Miami Fla., were week end visitors of Mr and Mrs. George Webb.

Defending Champ Out Of Texas Tournament

SAN ANTONIO, Oct. 5. (AP)—The Texas Senior Golf Tournament reached the quarter-final round today minus defending champion Ed Anderson of Houston.

John Noble of Dallas yesterday ousted Anderson, 4 and 3.

Other results include Hill Cocke, San Antonio, over C. T. Garth, Beaumont, 2 and 1; Chick Trout, Lubbock, over Henry Catto, San Antonio, 3 and 1; and Tom Ahern, Houston, over Pat Patterson, Lub-

Class A spotlights five games, all conference affairs and matching undefeated teams. They are Shamrock — Memphis, Monahans—Wink, Arlington—Mesquite, Seguin. The Shamrock—Memphis melee Gonzales and Sinton—Robstown may determine the District 2 crown. Monahans and Wink are two of the three undefeated teams in District 5. Seguin or Gonzales is expected to provide the strongest competition for New Braunfels, top heavy favorites for the District 24 crown. The Sinton—Robstown winner will be looked upon as the title team of District 29.

There are 112 games in Class A.

HADACOL Helpful to Three Generations of Hot Springs Folks

They Suffered a Deficiency of Vitamins B1, B2, Niacin and Iron

Miss Frances Price is an attractive young lady with such a beautiful complexion and sparkling personality that even at the mature age of three she attracts more than her share of admirers among the junior wolfs of Hot Springs National Park, Ark. She wasn't always the vibrant person she is today because, like her mother and her grandmother, she suffered a deficiency of Vitamins B1, B2, Niacin, and Iron.

Miss Price is a member of a HADACOL family because her mother and grandmother, Mrs. Kenneth Price, and Mrs. Myrtle Dyer, who poerates a progressive store in Hot Springs, also takes HADACOL.

Here is what Mrs. Price, who had suffered deficiencies, said.: "Our family sells and takes HADACOL. My mother, Mrs. Dyer, started taking HADACOL some time ago for indigestion. She had aches and pains of neuritis, but after the first three bottles of HADACOL she felt better. I was so enthused about my mother's results that I started taking HADACOL as a dietary supplement, I was week and run down and now feel fine. We were more worried about my three year old daughter. She was weak, and run down and her food did not agree with her. After taking HADACOL she is now brimful of energy. Her cheeks are rosy. Ours is a neighborhood store and many of our customers are just as enthused as we are."

Wonderful for Both Old and Young!

This new HADACOL is simply wonlerful for men, women and children of all ages who are sick and ailing because their systems are lacking these important Vitamins B1, B2, Iron, and Niacin.

The important Vitamins and Minerals in HADACOL come to you in special liquid form so that they are quickly absorbed and assimilated in the blood stream, ready to go right to work at once. A big improvement is often noticed within a few days. HADACOL even builds up the red blood sells (when Iron is needed) to carry these precious elements to every part of your body—to your kidneys, lungs, heart, liver.

Relieves Cause of Your Sickness from Such Deficiencies

HADACOL now makes is possible for your to relieve the cause of neuritis pains and a general run-down nervous condition when due to deficiencies of Vitamins B1, B2, Iron and Niacin.

There Should be No Doubt

After reading Mrs. Price's wonderful experience with HADACOL—how can you doubt that this great product will help you if your system is lacking in Vitamins B1, B2, Iron, and Niacin?

What HADACOL did for Mrs. Price, it can do for you if you're suffering neuritis aches and pains, or other throuble due to such deficiencies.

So what are you waiting for? Don't continue to suffer—don't continue to be miserable!

Don't Be Satisfied With Symptomatic Relief!

HADACOL is not a quick-acting pill which gives symptomatic relief—rather it acts to relieve the real causes of your pains and aches or a weak, nervous run-down condition due to such deficiencies. And continued use of HADACOL helps prevent such agnoizing pains and such troubles from coming back. That's the kind of product you want—that's the kind you should buy and that's the kind you should start taking NOW!

HADACOL costs only $1.25 for a trial size bottle. Large family-hospital size, $3.50. It is sold on a strict money-back guarantee. At any drugstore.

REDEEM YOUR BONUS BULB COUPON!

When you're making out your shopping list today, be sure you put "BONUS BULB" at the top of the list so you'll remember to get it . . . and pin your BONUS BULB COUPON to that list so you'll have it to give to your lamp bulb dealer

He'll be happy to redeem it by giving you a 150-watt inside-frosted lamp bulb with your purchase of six or more bulbs of 60-watt size or larger. That's all you have to do to get Reddy Kilowatt's gift.

After you've placed your BONUS BULB in your kitchen, study lamp, or floor lamps, notice how much better the light is and how much easier your work seems because you have helped to eliminate eye-strain with better light.

Don't forget . . . "BONUS BULB" goes at the head of your shopping list. Get yours *today!*

LEGAL NOTICE

AN ORDINANCE PROVIDING FOR INSPECTION OF MEATS, REGULATION OF SLAUGHTER HORSES, REGULATION OF THE HANDLING OF MEATS, PROHIBITING THE SALE OF UNINSPECTED OF UNWHOLESOME MEAT OR MEAT FOOD PRODUCTS, AND PRESCRIBING THE PENALTY FOR VIOLATIONS.

BE IT ORDAINED BY THE CITY OF SNYDER, TEXAS:

Section 1. WHEN UNLAWFUL.

The sale, exposure or offering for sale within the City of Snyder, as well the bringing into the City of Snyder, of any meat or meat food products of any cattle, calves, sheep, goats or swine, is hereby prohibited, unless has been inspected by Federal, State or Municipal authority at the time of slaughter, and unless same bears the imprint, seal, mark, stamp or brand of Federal, State or Municipal inspectors showing that same has been inspected and approved as fit for human consumption.

Section 2. PERMITS.

It is further prohibited that any persons firm or corporation, shall slaughter for sale, sell, expose, offer for sale, or bring into the City of Snyder, any meat or meat food products, of any cattle, calves, sheep, goats, or swine, whether slaughtered here or elsewhere, without having first received a permit or license to do so, such permit to be issued by the City Secretary on approval of the Chief Veterinary Officer, for a period of one year, and renewable on the first of January of each year. Whenever any such person, firm or corporation conducts or operates more than one place of business, he or it shall secure a permit for each separate establishment. Said permit shall be issued only when the Chief Veterinary Officer of the City of Snyder has satisfied himself that the meat, before being offered for sale has been or will be inspected in accordance with the requirements of this ordinance, and that the equipment and methods connected with the slaughtering, transportation, and sale of such meat or meat food products, are sanitary and otherwise fit for the protection of the meat from contamination, in accordance with regulations adopted by the Chief Veterinary Officer, as otherwise provided by ordinance of the City of Snyder. The license or permit fee provided for under this section shall be $1.00 per year, payable in advance.

Section 3. INSPECTORS.

The City Council shall appoint a Chief Veterinary Officer, who shall be graduate of a School of Veterinary Medicine which is recognized and approved by the American Veterinary Medical Association.

Any meat inspector appointed under the provisions of this ordinance is hereby authorized and empowered to condemn and destroy any carcass slaughtered of any animal, the meat or meat products of which shall be unfit for human consumption, and such meat inspector is further authorized to condemn and destroy any portion or part of a slaughtered meat animal which may be unfit for human consumption, and any animal or any part thereof fit for human consumption shall be left be the owner of such slaughtered animal with such city meat inspector, who shall destroy or dispose of the same in accordance with the rules and regulations governing meat inspection of the United States Department of Agriculture. It being the full intent and purpose of the City of Snyder to fully cooperate with the supervision provided by the laws of the United States and the rules and regulations for meat inspection of the United States Department of Agriculture in order to prevent the sale of unwholesome meat products for human consumption.

The slaughter of animals shall not take place except under the supervision of the Chief Veterinary Office or his duly authorized assistant or assistants.

The City Council may designate such assistant inspectors as are necessary to carry out the provisions of this ordinance, after such persons have proven themself that they are qualified for such duties, who will work under direct supervision of the Chief Veterinary Officer provided.

All cattle, calves, sheep, goats or swine offered for human consumption shall be made only by the Chief Veterinary Officer. It shall be the duty of the Chief Veterinary Officer and assistant meat inspectors to inspect all slaughtering and meat packing houses and markets stalls, refrigerator cars, wagons, and places where animals are sheltered or where meat or meat products are transported, kept or offered for sale, to determine the wholesomeness and sanitary condition of same.

Inspectors shall make daily reports of all meat animals and places inspected and sanitary conditions found, therein. Said report shall be filed in the Secretary of the Veterinary Officer showing time spent and expenses incurred in traveling inside or outside of the limits of the City of Snyder for the purpose of making inspections of animals to be slaughtered, and other inspections, under the provisions of this ordinance, shall be paid by the establishment rendered such inspection services under this ordinance, when such establishments are located inside or outside the limits of the City of Snyder; provided, that no inspection shall be made at any establishment which is not constructed, equipped and operated as required by the terms of this ordinance, and which has not been approved by the City Council of Snyder; provided further, that nothing herein shall be construed to mean that the Veterinary Officer is required to go to establishments outside the City of Snyder to make inspections, but may do so upon direction of the City Council.

Section 11.

That all meat and meat product, or product in which material of animal origin is an integral part, and intended for use as human food, and offered for sale in the City of Snyder, which do not conform to the terms and provisions of this ordinance, if sold or offered for sale in the City of Snyder, shall be seized and destroyed by the properly constituted authorities of the City of Snyder; provided, that the foregoing provisions shall be in addition to and cumulative of the penalty herein prescribed for violation of the terms of this ordinance.

Section 12.

That any person, who may be agrieved by the decision and action of the Veterinary Officer, in the condemnation of any animal offered for slaughter, or of any carcass or meat after slaughter, or any act of the Veterinary Officer in the discharge of his duties, shall have the right of appeal to the City Council, and the decision of the City Council of any matter shall be final, after a fair and full opportunity has been given such person to be heard thereon.

Section 13.

That the provision of this ordinance shall not apply to the meat and for meat product of any slaughtered animal, or part thereof, offered for sale or sold in the City of Snyder, which is shown to have been inspected and approved by a Federal Inspector acting under the authority and direction of the United States Department of Agriculture, Bureau of Animal Industry; and the fact being known to the City Council that the provisions and requirements of the United States Bureau of Animal Industry, with reference to the inspection and slaughter of animals, the meat of which is intended for use as human food, and the inspection and approval of such meat for human food is substantially identical with the provisions and requirements of this ordinance, it is deemed that the official impress, tag or mark of any such Federal Inspector on such meats will be conclusive evidence that said meat and meat products have been inspected and approved under substantially the same provisions and requirements as are contained in this ordinance; and therefore such meats and meat products when so stamped or marked shall be exempt from the examination and inspection required in this ordinance unless they are found to be unsound, contaminated or adulterated.

Section 15.

That from and after the effect of this ordinance, it shall be unlawful for any person to slaughter any animal, the meat of which is intended for food within the limits of City of Snyder, unless the animal before slaughter shall have been inspected and approved by the Veterinary Officer, except as hereinbefore provided.

Section 16.

That from and after the effect of this ordinance, it shall be unlawful for any person to offer for sale or to sell within the limits of the City of Snyder the meat of any animal intended for use as human food, which has not been slaughtered, inspected, approved and marked by the Veterinary Officer, in accordance with the provisions of this ordinance, except as hereinbefore provided.

Section 17.

That it shall be unlawful for any person to have, keep, sell or expose for sale, or to have in possession with intent to sell for use as human food within the limits of the City of Snyder, the meat, or food products manufactured in whole or in part from the meat, of any animal, unless such animal shall have been inspected and approved before slaughter by the Veterinary Officer, and slaughter under his supervision, except in the particulars hereinbefore provided, and the meat thereof shall have been inspected and approved by him after slaughter, and such meat marked, stamped or branded, showing that the same has been inspected and approved for food purposes, in accordance with the provisions of this ordinance, except in the particulars hereinbefore provided.

Section 18.

That all ordinance and parts of ordinance in conflict with the terms of this ordinance, are hereby expressly repealed, but all ordinances and parts of ordinances regulating the sale of meat and relating to health and sanitation and kindred subjects, and not in conflict herewith, are retained in full force and effect, and shall be deemed as cumulative of this ordinance.

Section 19.

That if any section, sub-section, sentence, clause, phrase or provision of this ordinance is held unconstitutional or invalid by the courts, such decision shall not affect the validity of any of the remaining portions of this ordinance; and the City Council hereby declares that each section of this ordinance, and every part and provision of each section is an independent section, or part or provision of section, and it would have passed, and has passed, this ordinance, and each section, sub-section, sentence, clause, phrase and provision of this ordinance, irrespective of the fact that any one or more of the other sections, sub-sections, sentences, clauses, phrases, or provisions might be declared unconstitutional and invalid.

Section 20.

Any person violating any of the provisions of this ordinance or who shall operate without obtaining the necessary permit or who shall fail to refuse to pay the inspection fees herein provided shall be fined not less than Ten Dollars ($10.00) and not more than One Hundred Dollars ($100.00) for each offense, except as otherwise herein provided, and each day that such violation continues shall consistute a separate offense.

Section 21.

The fact that an emergency exists for the immediate passage of this ordinance in that the health of the community is endangered by the present method of slaughtering it is hereby determined that this ordinance be finally passed on it first reading on the date of its introduction and that it become effective immediately.

IT IS THEREFORE ORDAINED THAT, any rule requiring several readings of this ordinance be suspended and that this ordinance be finally passed on its first reading on the date of its introduction, and that it become effective immediately upon its passage and its approval by the Mayor.

A Motion that an emergency be declared was made by Councilman Earnest Taylor, seconded by Council C. L. Williamson, and upon being submitted to a vote of the Council, resulted in the following "aye" and "nay" vote:

Councilman C. L. Williamson, voted aye
Councilman Earnest Taylor, voted aye
Councilman Harry Allen, voted
Councilman Ivan Gatlin, voted aye
Councilman A. L. Martin, voted aye
Councilman R. L. Terry, voted aye

Whereupon said ordinance was declared adopted at is first reading as an emergency measure by a vote of 4 "aye" and 0 "nay"; this the 31 day of August, 1950.

Attest: R. B. SEARS, MAYOR

Clara Jones
CITY SECRETARY.

THE STATE OF TEXAS

TO:
Minnie Turner if living and if dead the unknown heirs of Minnie Turner and their unknown heirs, Rena Turner if living and if dead the unknown heirs of Rena Turner and their unknown heirs, Willie May Turner if living and if dead the unknown heirs of Willie May Turner and their unknown heirs, and Lettie Turner if living and if dead the unknown heirs of Lettie Tuener and their unknown heirs, and the unknown mother of said Minnie Turner, Rena Turner, Willie May Turner and Lettie Turner and her unknown heirs.

TALK OF THE TOWN

BY FRANCES BIOW

Rumors begin to seep in from the college students Snyder sent to various parts in Texas and other states for their try at higher education. MRS. HELEN TRIX MCMULLAN reports her son BILLY BOB and BRIDE, the former MISS JO ALYCE GOSS, were house guests at her ranch over the week end. "They have abandoned their apartment in Lubbock and moved into the dormitory. Said their social life simply left them no time for housekeeping," she explained of the couple who attend Texas Technological College. . .

MISS NANCY TEAGUE writes her mother that modeling suits her fine. The five foot-seven-inch brownette modeled a corduroy fall suit in a recent style show her sorority The Daps, threw in Waco, a favorite annual event at Baylor University, where she is a sophomore. She wore a brown suit with a rose trim, brown shoes, rose gloves.

MRS. V. V. McGREW complains that VERNE, the son at Texas University, is delinquent on his letters and she can't really report a single thing on him except that he's frightfully busy and having loads of fun. . .

JOE DAVE SCOTT blew in over the week end to visit his parents and the puppy, and the Scott home took on new life, according to MRS. J. D. SCOTT. He was full of the Georgia Tech game.

* *

We have in our midst a retired mayor. . . CHARLES de BORD, who runs the Flare Motel on the East Highway, was mayor, president of the chamber of commerce, Lions Club lion, and a civic fireball in Deming, N. M. until he moved here. Whipping the neat, well-cared-for small apartments and rooms into rentable shape has kept his light under a bushel, but, now that some of the men's civic organizations get wind of him, he may have less time for motel business.

BEST BUY: The ALPHA STUDY CLUB offers a red-backed cook book that is something different in the usual line of such volumes. It is made up of local ladies' favorite time-tested recipes, and Snyder has some of the cleverest cooks on the map! From "Beefwiches" (economical hamburger steaks) to elegant, calorie-climbing chocolate rum pies, it's all there. You could get your copy from MRS. WADE WINSTON, MISS NEOMA STRAYHORN, MRS. O. M. FOWLER or any other of the club women who cook.

Reunion of Bentley Famliy Held at Home Of Mrs. Iva Rollins

Mrs. D. S. Bentley was the honored guest at a family reunion giver by her eight sons and daughters and their children Sunday.

Sixty-five people gathered at the home of Mrs. Iva Rollins east of Snyder for a buffet luncheon and a day of celebration.

Mrs. Bentley, who is 82 years old, had with her all of her sons nd daughters: Elmer Bentley, Homer Bentley, Earl Bentley, all of Snyder; Mrs. Eva Stokes, Forth Worth; Mrs. Ora Brock, Plainview; Mrs. Doucie Biggs from Grand Prairie, Tex; Mrs. Frances Boren, and Mrs. Rollins.

Nineteen grand children and 22 great grandchildren were also present.

Bridge Party For Beginners Is Held

The beginner's bridge party was held Tuesday afternoon in the home of Mrs. J. T. Burris at the Lion Oil Camp.

Mrs. Burris arranged a bowl of snap dragons for color and seated her guests for their first game of bridge. Mrs. V. V. McGrew and Mrs. W. P. Thurman, from the Newcomer's Bridge Club, supervised the games.

Mrs. Burris served banana nut cake and coffee to Mrs. E. L. Knowslar, Mrs. H. W. Sanders, Mrs. Warren Richardson, Mrs. J. L. Love, Mrs. W. W. Carey, Mrs. Jack Morgan, Mrs. H. D. Jones, Mrs. Charles Gay, Mrs. Lonnie Smith, and Mrs. Leo Carey.

Mrs. Richardson took high score prize; Mrs. Smith, second prize, and Mrs. Morgan won bingo prize.

Grass Seeder Is Bought For Soil District

The board of supervisors of the Upper Colorado Soil Conservation District has agreed to purchase a seven and one-half foot Hancock Grass Seeder. The decision was made at a called meeting Friday.

The seeder, which will have packer wheels, will be for the use of farmers in reseeding retired cultivated land.

The charges set by the board on the two row grass planter and the seven and one-half foot grass seeder were 40 cents an acre plus an additional charge of $1 a day.

The board also decided to buy a steel trailer to haul the district equipment.

The election of a supervisor to succeed Cliff Thomas, of the district subdivision running from Ira to Fluvanna, was discussed and postponed until the next regular meeting.

Nolan von Roeder suggested that Snyder join Colorado City on a grass judging contest similar to the one held last year, and it was approved by the board.

Those attending, besides Von Roeder, were Charles Hunnicutt, John Zalman, Mat Bavousett, and Cliff Thomas, supervisors, and Lew Dawkins, representative of the Hancock Manufacturing Co., and Morrison Liston of the Soil Conservation Service.

The next regular meeting will be held the afternoon of Oct. 13.

Art Guild Study Club Discusses Pan-Americanism

"Pan Americanism" was the topic Mrs. M. H. Roe and Mrs. Silas Devenport led at a meeting Tuesday night of the Art Guild Study Club. The group met with Mrs. Nolan von Roeder in her home, 2811 Avenue Y.

A history of Pan Americanism was given by Mrs. Travis Rhodes, a history teacher in the public schools. Mrs. Renal Rosson then described the customs of Mexico, as seen on a trip there last summer. Nolan von Roeder showed the group colored movies taken when they toured Mexico.

Mrs. Von Roeder had artfully American theme, with souvenirs and mementos of vacationing through out the colorful border country.

She served a tasteful Mexican plate of enchiladas, salad, and Mexican praline candies to the following members: Mrs. Mabel Brock, Miss Frances Eoff, Mrs. Ivan Gatlin, Mrs. Dan Hamil, Mrs. Carl Herod, Mrs. Harry Lee, Mrs. Jack Popnoe, Mrs. John Pratt, Mrs. Dell Smith, Mrs. M. E. Stanfield, Miss Ethel Mae Sturdivant, Mrs. Bill Taft, Mrs. Ben Thorpe, Miss Katherine Northcutt, Miss Polly Harpole, Mrs. Devenport and Mrs. Roe.

Guests present were Mrs. Rhodes and Mrs. Rosson.

Birthday Party For Clinta Blackard

Clinta Barbara Blackard, daughter of Mrs. Ophelia Blackard, 2209 Thirtieth Street, was honored with a party Tuesday night in celebration of her twelfth birthday.

The guests were Mary Ann Doak, Sidney Gail Turner, Susie Clark, Barbara Cockrell, Betty Connell, Connie Connell, Rosa Lou Kincaid, Shelley Smith, Dickie Mae Sanders, Georgia Faye Harrell, Carolyn Fish, Huanna Birdwell,

Appeals Court To Get Hospital Bond Contest

The county hospital bond election contest suit is due to go to the Court of Civil Appeals in Eastland some time in the next few days, Lloyd Davis, attorney for the contestants, said Wednesday morning.

In a hearing July 17 before Judge A. S. Mauzey of Sweetwater in district court here, the county hospital bond election was declared valid. Saturday contestants of the suit filed notice of appeal.

Whether the county will erect an $800,000 combination county hospital and health unit building, with 50 per cent federal aid, will depend upon the decision of the appellate court.

No definite steps can be taken toward building the hospital until the decision of the court of appeals is given, Edgar Taylor, county judge, said this morning.

The case will be appealed by the law firm of Pichinson, Davis & Hale following the overruling by operation of law for a motion for a new trial, filed Sept. 1. The motion alleged 27 errors in the court's judgment, which was given orally by Judge Mauzey July 18 but was not officially signed by him until Aug. 22.

Davis said a transcript of the case and a complete formal statement of facts was being prepared for submission to the appellate court after filing with the district court clerk' office here. The overruling of the motion for a new trial he said, was not made by Judge Mauzey specifically, but it became effective automatically by what is termed "operation of law" after sufficient time had lapsed from the date of the motion.

The district court here in the trial July 17 rendered a verdict declaring the election of April 1 valid, which carried with 823 votes for the hospital bond issue and 602 against it.

The contest was brought by 13 persons, who alleged illegality in voting.

Service Station Fire Here Is Extinguished

Two retail gasoline pumps were destroyed by fire at 5 o'clock Tuesday afternoon at Black Hills Service Station, just north of the city limits on the Lubbock highway.

Service station attendants said the fire started when a truck which had just been serviced overturned one of the pumps while leaving the driveway after a gasoline hose had accidentally been caught on the truck bed.

The pumps, both electric, broke into a blaze immediately, the attendants said. Firemen soon extinguished the blaze.

Snyder Visitor Dies

Funeral arrangements for Mrs. Estella Patton, 71, who died in the Snyder Hospital Monday afternoon, will be made in Salem, Ind., Mrs. Patton was in Snyder visiting her daughter, Mrs. M. D. Kelley of 3004 Avenue U.

Surviving Mrs. Patton are Mrs. Kelley and a son, S. F. Patton of Wichita, Kans.

Child Labor Statute Creates Problem For Schools, Farmers

The federal child labor laws, which are creating a critical problem both in schools and on farms in Scurry County, were explained Tuesday to a group of farmers and school officials by H. B. Nunn of Fort Worth, field officer for the wage and hour division of the U. S. Department of Labor.

Crucial points of the law are that children under 16 years of age, whether residents of migratory workers cannot work in agriculture during the hours of school in the district in which they happen to be.

SEASONAL LOAD

To the farmers, this means further difficulty in obtaining field hands to harvest the cotton. And to the schools, already overcrowded by unprecedented numbers of students, it means an added burden for six weeks to two months during the cotton picking season.

Nunn stated that no child under the age of 16 could work on a farm during school hours if the school is in session in the district in which he happens to live. The district in which he lives is defined by the law as the district in which he sleeps one night or more, Nunn continued.

Regardless of whether the children go to school or not, they cannot work in agriculture during school hours. In Snyder, school hours are 8:45 to 2:30 in first and second grades, and 8:45 to 3:30 in third grade and above.

The law, the official stated, applies to everyone, including non-citizens.

It also applies if crops move directly or indirectly in interstate commerce. It does not apply, however, outside school hours or to the farmers' own children helping to get the farmer's crops in.

MEETING SET

At 8 o'clock Monday night Nunn will discuss the law and its provisions at an open meeting in the High School Auditorium. Following his talk the meeting will be open for questions. Farmers of this area are urged to attend.

Forrest Beavers, county school superintendent, said today the load on Scurry County schools is critical.

"The influx of school children from families of migratory laborers began about a week ago," Beavers said.

"Already there are about 350 children from migratory families attending our overcrowded schools," he continued. "One school bus, the one which brings students from Ennis Creek to Snyder, is inadequate to handle the normal load, but now it is filled to capacity and we are unable to get more busses.

"We have had a bus requisitioned since spring, and may get it next Friday, but one bus will not solve our problem.

"If the schools are too crowded with children of transient families, we may have to institute half-day school, bringing half the pupils to school during the morning hours and the other half in the afternoon.

"And the final alternative, which could be adopted only in the severest emergency, it turning school out until after cotton picking time. This would mean that schools here would not close until mid-July, which is entirely too late in the summer."

Raymond F. White Is Dropped From Force

Fourth in losses this month from the Snyder Police Force is Raymond F. White, who was dismissed Oct. 1, Chester Bjirrington, chief of police, announced today.

Other losses for the month were David S. Cook, who was dismissed; Paul Tanner and Sgt. Joe Langer, both of whom are going into the Army.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, AND CIRCULATION REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 OF THE SCURRY COUNTY TIMES, PUBLISHED FRIDAYS ONLY AT SNYDER, TEXAS, FOR OCTOBER 4TH, 1950.

Child Labor Regulations As They Apply to Work on Farms

A summary of the provisions of the federal child labor legislation which have a particular impact on Scurry County right now are reprinted below.

The law limits the farm employment of children under the age of 16 to after-school hours. The regulation affects not only the farmers of the area but also the schools, which already are filled to capacity.

As outlined by the Department of Labor, the provisions are explained below.

1. Do the child-labor provision of the Fair Labor Standards Act as amended in 1949 apply to agriculture?

Yes. They apply generally to farmers whose crops or products go either directly or indirectly into interstate or foreign commerce, as in the case of a farmer who sends his product outside the State or delivers his product to a canner, processor, or dealer who he knows will send it outside the State, either in its original form or as an ingredient of another product. For example, tomato growers who have their tomatoes to a canery within the same State are covered if the canned tomato product made from their tomatoes goes out of the State.

The Act does not apply to a farmer if he sells only to dealers who market exclusively within the same State.

2. What do these provisions do?

They make it illegal to employ children under 16 years of age in agriculture during school hours.

This applies to migratory children as well as local resident children, but not to the farmer's own children working on their parent's farm or farms.

3. What is meant by "during school hours"?

During school hours means the hours when the school for the district where the child under 16 is currently living is in session.

4. How old must a child be to work on a farm outside school hours?

This Act sets no minimum age for employment before or after school hours on any school day, or at any time on school holidays, and during school vacations.

5. How can a farmer be sure that the young person he intends to hire during school hours is at least 16 year of age?

The farmer is responsible for finding out the correct age of the young worker. He will be protected if a certificate of age, issued or accepted by the U. S. Department of Labor, is obtained, which shows the young person to be at least 16 years of age.

6. Where can such a certificate be obtained?

In all but four States and in the District of Columbia, Hawaii and Puerto Rico the farmer should have the young person apply to the proper official for a certificate. This is usually a local school official who issues employment and age certificates under the State child-labor laws.

In Idaho, Mississippi, South Carolina, and Texas where there is no accepted State system in force, application should be made for a Federal certificate of age to the Wage and Hour and Public Contracts Divisions, U. S. Department of Labor.

7. May a farmer have his own children work during school hours?

A farmer's own children are not subject to the child-labor provision of the Federal law, when they are working on their parent's farm or farms, with or without pay.

However, the school attendance laws in most States require children under 16 to attend school.

8. Is a farmer in violation of the Federal law if the under-age children working on his farm were not hired by him personally?

A farmer is responsible for every under-age child working on his farm. This includes children hired either individually or as a part of a family group by labor contractors, sharecroppers, etc.

9. What are the penalties for violation of the child-labor provisions of the Fair Labor Standards Act?

The Act provides, in case of wilful violation, a fine up to $10,000. For a second offense, committed after conviction for a similar offense, a fine of not more than $10,00 or imprisonment of not more than six months, or both, may be imposed. The Secretary of Labor may ask a Federal district court to restrain future violations of the child-labor provisions of the Act by injunction.

Snyder Schools in Vanguard As Counseling Plan Adopted

A rare thing in Texas school systems will begin here tonight when the Snyder schools put into effect a supervisory counseling program between administration officers and classroom teachers.

Principals of the schools will meet at 5 o'clock this afternoon with Dr. John S. Carroll, chairman of the department of education at Texas Technological College, Lubbock, to begin the counseling program. Classroom teachers representing various school departments and each of the school grades will join them in the session at 7 o'clock tonight, M. E. Stanfield, superintendent, said.

LUBBOCK SESSION

Arrangements for beginning the the program were made Friday when Stanfield and four of the school system's five principals met with Carroll at Lubbock and outlined a tentative basis for the counseling program, whereby administrators will be directed by Carroll in counseling with the teachers.

It was originally thought that the program might be set up as an extension credit course, allowing teachers to receive credits—some of which would be recognized by some colleges—for their work in the program.

The administrators at the meeting, however, decided not to use this system, Stanfield said, because they believed the school system's educational program needs are paramount to credits which would help some teachers and not help other teachers.

Under this program, the school principals will meet with Carroll in Lubbock from time to time for advice on counseling with the teachers about the educational programs, methods of instruction, and other advancements of the system as concern the teachers and their classes.

Carroll will also come to Snyder occasionally to meet with the faculty as well as the administration personnel, Stanfield said.

The schools here will not local funds to pay Carroll for his services, Stanfield said, because he will not be a full-time counseling program supervisor which the system is allowed to hire with state aid under the Gilmer-Aiken law.

Stanfield said that so far the school system had been unable to secure the services of a qualified person as full-time supervisor because of the increased demand for them created by the Gilmer-Aiken provision. The law provides for a state-paid supervisor for each system with 40 or more classroom teachers. Snyder has about twice that number.

Before the Gilmer-Aiken law went into effect, only the large school systems could afford supervisors for counseling programs, and the colleges, therefore, were training few men for the work. Snyder will still be among few schools its size to have such a program, he added, because of the demand for supervisors and the few qualified for the work.

Principals meeting with Carroll Friday in Lubbock were O. S. Clark, Pat Falls, Silas Devenport, and Herman Trigg. The other principal, T. D. Wiman, remained here because of other duties.

The school board recently voted to hire secretaries for the principals in order to relieve them of much of their office work so they could devote more time to counseling and supervising teachers.

Dog Poisoning Report From Southeast Snyder

Police notified dog catcher J. T. Hillyard last night to keep a close watch in the city for someone on a dog-poisoning spree.

The alert came after Mrs. O. L. Cash, 2707 Avenue G, went by the police station and reported her dog was poisoned along with several other dogs in her neighborhood shortly after midnight last night.

Rites For Infant Tuesday

Funeral services were to be held at 3 Tuesday afternoon in the St. John's Catholic Church, Hermleigh, for Mary Ann Nail, infant daughter of Mr. and Mrs. B. D. Nail, 1504 Avenue S.

The child died at birth in the Snyder Hospital Monday night.

The Rev. Jim Riley of Saint Ann's Mission in Colorado City officiate in the funeral. Interment was in the Hermleigh Catholic Cemetery.

Cargile Gives Talk At Kiwanis Luncheon

H. W. Cargile Wednesday summarized a new federal regulations concerning installment buying at the Kiwanis luncheon at Martin's Cafe.

He indicated that most household appliances, automobiles and improvements on residential property come under the regulations.

Dr. W. W. Mikeska introduced two high school seniors who will visit the Kawanis Club for a month.

NEWS FROM UNION

By MRS. J. B. ADAMS

Barbara Williamson was honored on her fourth birthday with a party in the home of her grandmother, Mrs. C. C. James. After games were played and gifts opened, pink ice cream and cake were served to the following: Durell Clark, Max Dwaine Moreland, Linda McCormick, Janice Head, Carolyn Clark, Philles Cobb, Anita Jones, Bendie Davis, Marie Jackson, Sue Moreland, Sharon Rollins, Barbara Williamson, Mmees. Clark, Cob Jackson, Head, McCormick, Moreland, Rollins, Jones, James, and Nellie Williamson.

Mrs. Herman Moore's sister, Mrs W. H. Dendy of Amarillo, made a short visit with her last week end as she was on her way to Corpus Christi to see her son, who was brought back after being wounded in Korea.

Mr. and Mrs. H. T. Griffin and son of Lamesa visited Sunday in the S. G. Lunsford home.

Mr. and Mrs. Jeff Inglish of Forsan visited Sunday with Mr. and Mrs. C. L. King.

Mr. and Mrs. Dee Walker and Faye of Camp Spring, Mr. and Mrs. Jimmy Walker, Carol and Shelia of Snyder were Sunday visitors in the Dee Myers home.

Mr. and Mrs. A. W. Page of Big Spring visited Friday in the W. R. Pate home.

Mr. and Mrs. E. E. Woolever visted relatives in Ralls last week.

Mrs. John Crawford from Denver City and Mr. Sam Tinney of Brownwood were Sunday visitors in the H. C. Arnold home.

We regret to lose from our community Mr. and Mrs. Homer Bentley and Nancy Jean. They are moving to Cleburne, Tex. A surprise supper and shower was given for them Thursday night at Union Chapel.

Mrs. Shinn spent the week end visiting in Odessa.

Mrs. C. L. King made a trip to Oklahoma City last week to drive her father and mother back to Stanton, Tex.

Mr. and Mrs. W. R. Pate made a business trip to Colorado City last Thursday.

Future Homemakers Name Officer Panel

The Future Homemaker's Club elected officers at the high school last week. This group is composed of freshmen students.

Miss Ramona Thompson was elected president; Miss Allena Higgins, vice-president; Miss Rosanell Rosson, secretary, Miss Martha Jumpalt, parliamentarian; Miss Barbara Ralls, song leader; and Miss Joyce Watkins, reporter.

The group has just completed their food course in home economics laboratory. Next week they plan to make aprons to be used during their foods course in home economics.

NEWS FROM IRA

By MRS. MABEL WEBB

Thurmon, Mrs. D. S. Bodie, Mrs. V. V. McGrew, Mrs. Claude S. Cook, Mrs. Bill Banks, Mrs Robert Guthrie, Mrs. Hunter Pendleton.

Guests Mrs. Bucy invited to the party were Mrs. Mary Adams, Mrs. Cecil McClatchey and Mrs. J. T. Burris.

Mr. and Mrs. George Chamberlain and son from Pasadena, Tex., visited last week with Mr. and Mrs. P. A. Keaton, 2001 Avenue S.

An announcement by Henry J. Kaiser

Today, at your Kaiser-Frazer dealer, you will see what we believe to be the most important car that America has produced since the automobile became a necessity of daily living.

It fills the needs, the wants, the purchasing power of all America as no other car has done in the last ten years.

It is rugged. It has outstanding maneuverability, handles and parks easily, and is powered with our new Supersonic Engines which deliver up to 30 to 35 miles to the gallon.

The Henry J is the lowest-priced car in the low-price field. It has the full, generous proportions to which Americans are accustomed. We have given it the best combination of performance, comfort, styling, and economy of operation.

It is the car that you and every American family can afford to buy, to operate, to maintain...and be proud to own.

Henry J. Kaiser

The Henry J...the lowest-priced car in the low-price field.

The most important new car in America!

Here today...The Henry J

Available in two models: Henry J (as illustrated above), Henry J DeLuxe (six-cylinder at additional cost).

Important because...it's Smart! Smart to look at... smart to own! Notice the extra-wide doors...front seat 58 inches wide...head room and leg room galore! And—look! The back of the rear seat folds forward, giving you 51 cubic feet of storage space, almost double that of the largest sedan trunk compartment!

Important because...it's Tough! Husky, Double-Channel Frame, reinforced like a steel bridge! The rear axle Hypoid geared, as in most expensive cars. Extra-wide windshield and windows give you the largest vision area in any low-priced car...short turning radius permits the easiest parking.

Important because...it's Thrifty! You get 30 to 35 miles per gallon from the quiet, responsive Supersonic Engines. (Henry J—4 cylinders, Henry J DeLuxe—6 cylinders.)

Lower first cost...lower maintenance...lower repair bills...lower insurance...lower operating cost. Your savings, in just two years, can more than total the down payment on the Henry J.

Built to Better the Best on the Road!

Costs less to buy...less to drive...less to maintain!

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition

When due to lack of Vitamins B_1, B_2, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the $3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio, "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having these terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results . . . she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B_1, B_2, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio, "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help *you?* Start taking it today!)

IMPORTANT! Why don't *you* get that *wonderful* HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the CAUSE of such deficiency sickness with that wonderful new HADACOL.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B_1, B_2, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, $1.25. Large family or hospital size, $3.00.

Truss Farquahar and Jessie Browning have gone to Missouri.

Bobby Joe Browning of Texas Technological College was home over the week end with his parents and friends Mr. and Mrs. A. C. Browning.

A. C. Browning and Clay Reeder were Lubbock visitors Monday.

Mr. and Mrs. Alford Browning gave a farewell party for Mr. and Mrs. Jessie Browning last Thursday night. Those enjoying barbecue chicken were Mr. and Mrs. J. D. Findt, Blue Eye, Mo.; Mrs. Eula Bell Gotcher and son, San Angelo; Mr. and Mrs. Jim Springfield, Polar; Mr. and Mrs. Charlie Hunnicutt and Sam; Johnnie and Charlie Taylor and little daughter of Snyder; Mr. and Mrs. Browning and Gail and Lavern will live in Rocky Comfort, Mo.

Mr. and Mrs. Pete Davis announce the marriage Saturday of their daughter, Miss Geneva Davis to Slick Sneed at Clovis, N. M.

Mrs. Johnnie Browning is recovering from her recent operation at a Sweetwater hospital at the home of her mother, Mrs. Rip Elkins of Fuller Ranch. She is reported doing satisfactorily.

A recreation of "42"-"84" and canasta was held at the Fluvanna high school Friday night.

There will be a Box Supper at the high school auditorium Friday night sponsored by the Junior and Senior classes. Everyone is urged to attend.

Mr. and Mrs. Jimmie Chick moved to Abilene Saturday.

Miss Joe Hughes of Draughons and Melvina Ainsworth of Draughons and Gloria Toombs from Abilene Christian College, Abilene, were home over the week end.

Billy Wayne Kerley from Texas Technological College was home over the week end.

Mrs. J. R. Jones and Tennie J. Creek spent Tuesday afternoon with Mrs. Alford Browning.

Newcomers Are Guests of The Cosmarama Club

Cosmarama Study Club entertained the Newcomers' Study Club yesterday in the home of Mrs. Earl Fish, 2901 Avenue W.

Before joining the Cosmarama group, the Newcomers met with Mrs. W. W. Park, 2407 Twenty-seventh Street, to discuss business. They admitted three new members, Mrs. W. P. Thurmon, Mrs. M. J. Crook, and Mrs. Robert F. Gregg. Mrs. Crook was elected program chairman. The club accepted an invitation to the tea to be given Oct. 13 by the Altrurian Club.

After a short business meeting, members of Cosmarama Club entertained the Newcomers. Mrs. R. E. Gray, introduced by Mrs. Jesse Everett, described the early history of Snyder. A group singing was led by Mrs. Sam Joyce, with Mrs. James Rosser at the piano.

Mrs. Fish, assisted by Mrs. John Lynch, Jr., Mrs. R. J. Kidd, and Mrs. Bob Dunn, hostesses, had arranged a tea table, set with a bowl of orchid dahlias, which complimented the lace cloth. Each hostess wore matching corsages of orchid dahlias.

Mrs. Kidd, presiding at the punch bowl, was dressed in a deep rose afternoon frock of crepe with the shoulder corsage of orchid.

Present from Newcomers' Club were Mrs. Bob Davie, Mrs. H. W. Sanders, Mrs. H. D. Jones, Mrs. Lloyd Kownslar, Mrs. Park, Mrs. Thurmon, Mrs. Crook and Mrs. Gregg. Cosmarama members there were Mrs. Richard Brice, Mrs. J. L. Browning, Mrs. Fred Bullard, Mrs. Scott Casey, Mrs. H. F. Clark, Mrs. Bob Dunn, Mrs. Jesse Everett, Mrs. J. W. Headstream, Mrs. Sam Joyce, Mrs. R. J. Kidd, Mrs. Weldon Kincaid, Mrs. Holman Odom, Mrs. J. P. Meadows, Mrs. John Lynch, Jr., Mrs. E. J. Richardson, Mrs. Rosser, Mrs. Renal Rosson, Mrs. Max West, Mrs. C. V. Thompson, Mrs. Lee Smythe, and Mrs. Lyman Yoder.

The club will next meet Oct. 18 in the home of Mrs. Fred Bullard.

William Love, Chief Of Hermleigh Police, Is Called to the Army

The city council of Hermleigh yesterday announced the appointment of Mrs. Myrtle Bowen, a resident of the town, as Hermleigh's secretary-treasurer and tax assessor-collector, succeeding William D. Love, who resigned these offices and the office of chief of police Tuesday night to enter the army.

Love, who is a member of the Army Reserve Corps and has been called to active duty, will be succeeded by Mark E. Search, who has worked with Love as a patrolman for the town since early this year.

Another patrolman will probably be hired by the council soon to fill the place vacated by Search, the Rev. Bob Creswell, mayor, said.

Love, who recently passed a physical examination at Lubbock, received orders about two weeks ago to report to headquarters at Fort Hood, Brownwood, for re-assignment to active duty.

During World War II, Love served in the Military Police Corps, seeing action in North Africa.

Petition Asks Creswell Step Down as Mayor

A petition bearing the names of 182 persons was presented to the town council of Hermleigh Tuesday night asking the resignation of the town's mayor and its two policemen.

COUNCIL REJECTS

The petition, presented by Ernest Corley of Hermleigh, was rejected by the entire council. The petition follows:

"We, the undersigned citizens and taxpayers of the town of Hermleigh and community, believing that the best interest of said town and community would be served by the resignation of its present mayor, Bob Creswell, and police officers, Bill Love and Mark Search, respectfully request and urge that they and each of them tender their resignations with the proper authority immediately in interest of said town and community."

After reading the petition, the council voiced unanimous confidence in the mayor and the officers, then checked the town's tax records, a county poll tax list of Hermleigh voters, and the water department records, finding less than 50 of the petition signers listed as qualified voters, and only 61 listed as taxpayers residing in Hermleigh.

"The council agreed that some signers were children enrolled in the public schools, most of the signers lived outside of the city limits, and some lived in Snyder and the communities of Pyron and China Grove," Mr. Creswell said, adding that he had no intention of resigning at this time.

PUBLIC SUPPORT

"Neither does the council want us to resign, and we believe the majority of the resident voters—the same voters who elected the mayor and the councilmen—would not want us to resign," Mr. Creswell said.

The mayor, who is also judge of the corporation court, said that police records there showed that a number of the petition signers had previously paid fines on traffic violations and some had been assessed fines after pleading guilty to charges of drunkenness.

The same night that the petition was presented, Bill Love resigned as chief of police, because he has been ordered to return to the Army Oct. 10. Love said his resignation had nothing to do with the petition asking the resignation of the three officials.

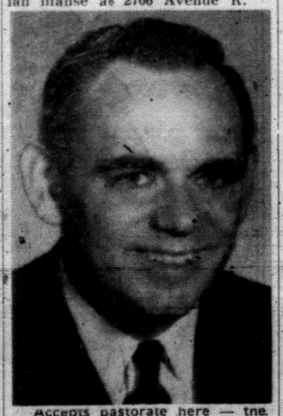

R. E. Hubbard Presbyterian Pastor Here

The Rev. Ronald Edgar Hubbard, who last week concluded a four-year pastorate at the Community Church, Kermit, will preach his first sermon as new pastor of the First Presbyterian Church here Sunday.

The new minister will preach both morning and evening services. The public is cordially invited and the membership of the church is urged to attend to extend a welcome to Mr. Hubbard.

TO MOVE SOON

The pastor, his wife, and two children will move Tuesday into the recently renovated Presbyterian manse at 2706 Avenue R.

Accepts pastorate here — the Rev. Ronald E. Hubbard.

Born and reared in Texas, Mr. Hubbard is the son of the Rev. Edgar Hubbard and Mrs. Hubbard of Lampasas, Tex.

During World War II, he served with the armed forces more than three years as chaplain, two years having been spent in Germany and France. Following the war he attended the seminary at the University of Edinburg, Scotland.

He was reared in San Antonio, where for 22 years his father was pastor of the Denver Boulevard Presbyterian Church. Mr. Hubbard was graduated from the Brackenridge High School in San Antonio. He received his bachelor's degree from Trinity University, then in Waxahachie, Tex., and took post graduate work three years in the McCormick Presbyterian Theological Seminary at Chicago, where he was graduated in 1942. Before volunteering for the service, he served two years as pastor of the First Presbyterian Church, Frederick, Okla.

In Kermit he served as chairman of the March of Dimes three years, and was chairman of the home service for the Red Cross as well as participating in Boy Scout work.

Last summer he was elected president of the Kermit Lions Club.

He also served as moderator of the Presbytery of El Paso for one year.

Don Ramage, 18, Polio Victim, Reported To Be In Good Condition

Don Ramage, 18 years old, son of Mrs. Bessie Ramage, 1215 Avenue R, was reported to be in good condition at the Hendrick Memorial Hospital yesterday, where he was taken for treatment for poliomyelitis.

Ramage, a junior in high school, became ill Tuesday, and Wednesday his illness was diagnosed by physicians here as polio, a diagnosis which was confirmed Wednesday night at the Abilene Hospital. He suffers spinal type polio.

Mrs. Ramage said today the latest report from her son had been encouraging, and that physicians expected to keep him in the hospital another week.

After school hours Ramage is employed at the Grimmett Sand & Gravel Co.

This is the nineteenth case of polio in Snyder this season.

Truck-Car Collision On Square Snarls Up Traffic For Half Hour

Traffic was side-tracked at noon today on the northwest corner of the courthouse square when a truck and auto collided under the traffic light.

The J. D. Moore Transfer and Storage Co. truck, driven by Henry E. Westbrook of Snyder, was driving south to make a left turn onto the square, and the auto, driven by Paul L. Slonaker of the Cabot Shops, Pampa, was moving north going off the square when the two collided before they could stop.

Each vehicle had a fender and light smashed, and the auto had a damaged bumper and grille. After about thirty minutes of traffic finding its way around the vehicle and investigation by police the car and truck moved on.

No charges have been filed.

Wedding Ring Class Names Committeemen

Mrs. Edward Bolger entertained last night with a spaghetti supper. Her guests were members of the Wedding Ring Sunday-School Class, First Methodist Church. The group met in the basement of the church for the social, followed by a brief business meeting.

Functioning committees of the class were named, as follows: visitation, Mr. and Mrs. Floyd Boston, Mr. and Mrs. W. W. Park, Mr. and Mrs. Frank Rose, Mrs. Joyce Walker, Mrs. Barbara Martin; corresponding secretary, Mrs. W. D. Jones; ways and means committee, Mr. and Mrs. Ross Hemphill, Mr. and Mrs. Bob White, Mr. and Mrs. Bill Ivy, and Mr. and Mrs. Bob Marler; spiritual life, Mr. and Mrs. Jim Rhodes, Mrs. Ovid Stanton; social, Mr. and Mrs. Lyles Stein; membership, Mr. and Mrs. H. F. Clark, Jr., Mr. and Mrs. Virgil Walton, Mr. and Mrs. Bob Gregg, Mrs. Peggy Damuth; and courtesy, Mr. and Mrs. Jim Rhodes.

Members present were Mr. and Mrs. Edward Bolger, Mr. and Mrs. Bob Cress, Mr. and Mrs. Jack Smyth, Mr. and Mrs. W. W. Park, Mrs. Ross Hemphill, Mrs. W. W. Adcock, Mrs. Lyman Yoder, Mr. and Mrs. Jim Rhodes, and Mrs. H. F. Clark, Jr.

Fluvanna P.-T.A. Meet

The Fluvanna Parent-Teachers Association study group met with Mrs. Robert Warren Sept. 28. Present were Mrs. Pearl Reeder, Jake Martin, J. I. Miller, H. A. Flournoy, J. N. Hataway, Lacy Turner, and Mrs. Norton.

Next meeting will be Oct. 17 at Mrs. Pearl Reeder's home.

Missionary From India To Visit in Snyder

Church H. Smiley, a missionary to India since 1921, will be a guest speaker on three occasions next week at the First Christian Church.

Sunday morning he will talk at the Sunday school assembly. Sunday night he will give a lecture on his work as a missionary, illustrated with a film made in the Orient.

Monday night he will meet with the Women's Council of the church.

Smiley is in the United States

On furlough from Orient — Church H. Smiley.

for a furlough this year with his wife and family. His missionary work is supported through the United Christian Missionary Society, of the national board of Christian Missions and Education for Disciples of Christ.

For many years, Mr. and Mrs. Smiley have been stationed in Bilaspur in the Central Provinces of India, where Smiley has had charge of evangelistic work in that city and the surrounding villages.

Working with a corps of trained Indian evangelists, Smiley directs preaching in the villages, establishment of churches, juvenile and adult education, and medical help.

For four years the American family was at the Damoh station.

Smiley is a graduate of Cotner College, Lincoln, Neb., and of the College of Missions, Indianapolis. He has a M. A. degree from the University of Chicago.

Police Department To Have Banquet Tonight

Celebrating the conclusion of a month-long training school, members and guests of the police department will dine at 7 tonight in the Sage Room of the Village Restaurant.

T. C. Laws, chief of the Department of Public Safety Bureau of Education, and Col. Royal G. Phillips, chief of the department's Bureau of Intelligence, both instructors in the school, will give short talks.

Other guests of the force will include Mayor Forest Sears, Earnest Taylor, police commissioner, and other members of the city council.

Certificates of school completion will be presented to members of the force, who attended their final class last night.

Highlights of the training were instruction in criminal identification. Policemen learned work in lie detectors, ballistics, check, investigation, fingerprint identification, photography as used in police work, and blood, alcohol, and chemical analysis.

Mr. and Mrs. T. A. Faver, 2005 Avenue M, are home from Dallas where they visited with Mrs. Faver's sister and family, Mr. and Mrs. S. N. Wilborn. Mr. Wilborn is in Baylor Hospital recovering from knee surgery. The Favers' summer guest, their niece, Miss Naomi Knight, has just returned to her home in San Antonio.

Bar Meeting To Plan New District Court

A special meeting of the Scurry County Bar Association has been set for Oct. 12 to discuss the proposed bill to establish a new judicial district in Snyder.

The special meeting was set following a report last night to the bar association from its judiciary committee, composed of Pat Beene, Ray Martin, and Bob Davie.

Invited to attend the Oct. 12 session will be various officials affected by the proposed change. They include Judge A. S. Mauzey of Sweetwater, present district judge; Eldon Mahon of Colorado City, district attorney; Pat Bullock of Colorado City, state senator; Sterling Williams, who represents this district in the Legislature; the county judge of Borden County; and Edgar Taylor, Scurry County judge.

The purpose of the special meeting will be to set out the proposed bill to be introduced in the next session of the Legislature.

Snyder lawyers have been seeking the establishment of a new district court here for several months. Some of the reasons they cite for the need include the crowded district court docket in the Snyder court and increased population in all the counties of the present district, Scurry, Nolan, Mitchell, and Borden.

Three big issues which probably will be settled at the special meeting are (1) will the new district be of a temporary or permanent nature? (2) what territory will it embrace? and (3) will criminal and civil jurisdiction of the Scurry County court be transferred to the new district judge?

Mrs. Maudie Dell Harrison, 1806 Avenue S, has as a visitor her sister, Mrs. Lena Vickers from Jayton, Tex. Mrs. Vickers plans to be here about 10 days.

Cotton Harvest Suffers From Damp Weather

Bad weather continues to hinder cotton growth this week as clouds overcast the sky, threatening damp weather.

With much of the county's cotton still in the opening stage, the early cotton still needs about two weeks of fair weather. Late cotton requires about 30 days, Oscar Fowler, county agriculture agent, said Wednesday.

BY CHRISTMAS

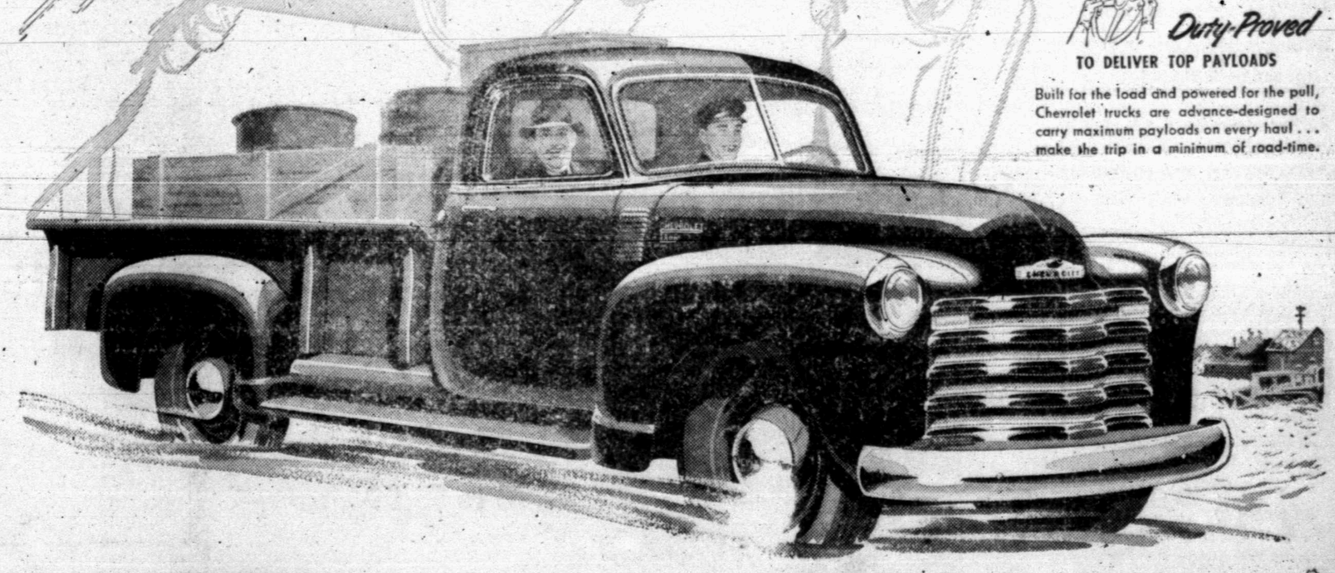

"If the weather clears up and continues to be clear most of the fall, and the new child farm labor law does not force too many cotton pickers to return home, most the county farmers will probably have all their cotton out by Christmas," Fowler said.

At the present time labor is adequate for the cotton harvest, but with much of the cotton yet to open and the labor law prohibiting children under 16 to work during school hours, farmers may be out on the roads stopping trucks in a few days in an attempt to hire cotton pickers.

Most of the cotton pickers coming into the county for the harvest have children under 16, and may have a hard time meeting expenses, with those children not working. Whether they can stay here for the season may depend upon the weather. A few days of bad weather might leave some of the families without money to live here, since their children cannot help them and bad weather puts them out of the fields for a few days, Fowler said.

Few farmers in the county have living accommodations for their laborers. Field hands whose living quarters are not provided are usually forced to set up tents or sleep in their trucks because of the shortage and high cost of housing in the county.

World Series

(Continued from Page 1)

walk.

Hamner stole second base even before Berra caught the pitch.

Seminick went down swinging.

No runs, no hits, no errors, one left.

FIFTH YANKEES

Berra popped to Hamner.

DiMaggio sent a towering pop up to Jones.

Mize went down swinging.

No runs, no hits, no errors, none left.

FIFTH PHILLIES

Coleman made a sensational gloved-hand stop of Goliat's infield single between first and second. Coleman's off-balance throw sailed over Mize's head but Berra's alert backing up on the play prevented Goliat from advancing.

Roberts attempted to sacrifice but popped to the mound where Reynolds made a nice catch for the out as Goliat scrambled back to first.

Waitkus' sharp grounder, which was headed directly at Coleman, hit the edge of the infield grass and bounced over Coleman's head into right field for a single sending Goliat to third.

Ashburn flied to Woodling, Goliat scoring after the catch to give the Phillies their first run of the series and a 1 - 1 tie in the game.

It was the first run scored off Reynolds in 17 consecutive scoreless innings of World Series play, a record.

Sisler fouled to Mize.

One run, two hits, no errors, one left.

SIXTH YANKEES

Fine fielding by Ashburn held Brown's drive to left center to a single.

Bauer fouled to Waitkus.

Coleman popped to Waitkus.

Reynolds struck out.

No runs, one hit, no errors, one left.

SIXTH PHILLIES

DiMaggio made a spectacular running gloved-hand catch of Ennis' towering smash to the right centerfield wall, 400 feet away.

Jones lined into Rizzuto's glove.

Coleman raced out into short center to haul in Hamner's low looper.

No runs, no hits, no errors, none left.

EIGHTH PHILLIES

Billy Johnson went in to play third and Hopp took over first for the Yankees.

Ashburn dropped a beautiful bunt toward third and was credited with a single.

Reynolds came in fast to scoop up Sisler's intended sacrifice bunt and threw to Rizzuto forcing Ashburn at second. Rizzuto helped the play with a fine catch of Reynold's wide throw.

Ennis drove a sizzling grounder right at Johnson who started a double play. He threw to Coleman forcing Sisler at second, and Coleman relayed to Hopp to double up Ennis. It was the first double play of the series.

No runs, one hit, no errors, none left.

NINTH YANKEES

Goliat went to his left to scoop up Woodling's grounder and threw him out.

Rizzuto hit a wicket one-bouncer to Goliat who made a nice stop and threw him out.

Berra fouled to Jones behind third.

No runs, no hits, no errors, none left.

NINTH PHILLIES

Jones flied to Bauer in right field.

Hamner rammed a double over Coleman's head into right center.

Diek Whitman, a lefthanded hitter, went in to hit for Silvestri and purposely passed.

Goliat grounded into a double play, Rizzuto, Coleman to Hopp.

No runs, one hit, no errors, one left.

TENTH INNING YANKEES

Stan Lopata went in to catch for the Phils.

DiMaggio walloped a home run on a line into the upper left field stands. The ball landed in the first row of the upper deck. It was his 7th World Series home run.

Johnson struck out.

Sisler came in to catch Hopp's fly in short left.

Bauer went out, Hamner to Waitkus.

One run, one hit, no errors, none left.

TENTH INNING PHILLIES

Jack Mayo went in to hit for Roberts.

Mayo walked on five pitches.

Waitkus laid down a sacrifice bunt and was out, Johnson to Coleman who covered first.

Ashburn nubbed a short foul to Hopp near the first base boxes.

Sisler swung at and missed a fast pitch for strike one. Another fast one by Reynolds had him swinging for strike two. Sisler was called out on strikes when he made a half swing on another fast one right down the middle.

No runs, no hits, no errors, one left.

Dry Scurry

(Continued from Page 1)

in the lower section. It plugged back to 7,425 feet for completion. The 7-inch casing is cemented at 7,281 feet.

Location is 660 feet from north and west lines of section 46, block 38, T&P survey, T-4-S.

COKE COMPLETION

Union Oil Co. of California has completed its No. 3-B Daisy McCutchen as the third producer in the McCutchen-Cisco field in East-Central Coke County.

The exploration flowed 178.92 barrels of 44.2 gravity oil in 12 hours through a three-inch choke, to give the project a calculated 24-hour potential of 357.84 barrels of oil.

The production was from perforated section in the Cisco sand at 3,954-74 feet and was natural. There was no water.

Gas-oil ratio was 190-1. Flowing tubing pressure was 75 pounds.

On a preliminary test, run before the 12-hour potential test was taken the well flowed an average of 17 ½-hour barrels of oil per hour through a three-quarter inch choke, and it did the same thing for another two hours on a one-half inch choke.

Location is 660 feet from north and 1,980 feet from west lines of section 445, block 1-A, H&TC survey.

It is a northeast offset to the same company's No. 1-B McCutchen, the field opener, and it is one location east of the No. 2-B McCutchen, the second completed producer for that reservoir.

FLOWING OIL

Magnolia Petroleum Co. No. 1 O'Brien, south offset to the company's No. 1 Lightcap, which was the discovery well of the Lightcap-Devonian field of Central-East Chaves County, has found some flowing oil and considerable gas in the Pennsylvanian lime.

The first show was in a four hour drillstem test at 7,143-58 feet. Gas came to the surface in six minutes. Recovery was 15 feet of heavily oil and gas cut mud.

A drillstem test was taken at 7,153-63 feet. The well had gas in five minutes and oil in one hour and 35 minutes. It flowed 10.12 barrels of 46.8-gravity oil in one hour and 14 minutes. Recovery when the tester was pulled was not reported.

WOMAN'S CALENDAR

THURSDAY

The Friendly Fellows 42 Club meets wtih Mrs. J. C. Stinson, 2907 Avenue U, at 7:30 p. m. for dinner and games.

FRIDAY

The 42 Club meets at 2:30 p. m., with Mrs. J. B. Coleman, hostess.

Accident Victim Is Transferred to Abilene

Mrs E.ugene Munns, of Wills Point, Tex., sole survivor of a head-on collision Sunday morning 17 miles east of Snyder on the Roby highway, was to be transferred today to the Hendrick Memorial Hospital, Abilene. She was in an improved condition today at the Snyder Hospital, where she was taken following the accident.

The collision on the Scurry-Fisher County line was fatal to Garth McKinney, 35, of Dallas, Eugene Munns, 36, of Wills Point, and the Rev. T. A. Sutton, 42, of Abilene.

Snyder Youth Enlists In The Field Artillery

Leaving for Abilene for physical examination today is David G. Smith, 18, who is enlisting in the army's field artillery.

Smith is the son of Mrs. Attna Smith, 1908 Avenue R, and a 1949 graduate of Snyder High School. He has been employed for the past year with the J. C. Penney Co. here.

From Abilene, Smith will probably be sent to Fort Sill, Okla., M-Sgt. William J. Wells, recruiter, said this morning.

Port Arthur Back To Change Ownership

PORT ARTHUR, Oct. 5. (AP) —A local syndicate headed by Dr. Max J. Knight has bought controlling interest in the First National Bank of Port Arthur.

The sale was announced yesterday by trustees of the estate of the late Mrs. Mary Woodworth. Involved were 589 shares of 1,000 outstanding shares plus a $44.50 bonus per share for a total consideration of more than $677,000.

Vary a quick loaf by adding raisins, nuts, or dates to the batter before baking.

Scouters Set Course For Fall Activity

A full program of fall activities were outlined at a meeting Tuesday night of the Buffalo Hide Boy Scout district committee.

Phil Burns spoke on camping and activities, and the committee decided to promote the following fall events: (1) Fall Round-Up honoring new scouts plus a few events; (2) District first aid meeting at the end of November. (3) Encourage participation in the council first aid meeting. (4) Participation in the Winter Camp, Dec. 27 to Jan. 1, and, (5) Street show for scouts and cubs in January.

ROUND-UP

Nolan von Roeder and Burns were appointed to work out the details of the round-up to be held about Nov. 7.

It was decided to hold a district board of review and court of honor the end of this month, and to follow with quarterly courts of honor.

During a discussion of finances, directed by Lyman Yoder, chairman of the finance committee, several suggestions were made on how to conduct a successful campaign next February. Lyle Deffebach, district chairman, appointed Yoder, Lyman Wren, and Edward Bolger to serve on the finance steering committee. Their first task will be to appoint a campaign chairman.

POSSIBLE GROWTH

Forrest Beavers, chairman of organization and extension, pointed out that there are now about 1,900 boys of Scout age in the district. Although the district has shown a gain of nearly 100 during the last year, it has at present 249 scouts on the rolls and is reaching only about one in seven eligible boys.

Beavers proposed that three surveys be made immediately — institutional for sponsorship, boy fact school survey, and manpower survey. An effort will be made immediately to organize more units, according to Robert N. Eastus, Jr., field scout executive.

The committee decided to organize and hold a scout leader training course, beginning the latter part of this month.

The health and safety committee will assist in the first aid meet, and if was suggested that this group plan and carry out a mobilization plan and urge explorers actively to participate in the emergency service corps of the Boy Scouts.

The committee further decided to recruit at least four men to neighborhood commissioners, their job being to serve units.

Two Men Sentenced On Pleading Guilty To Charges Of Forgery

Two persons were sentenced in district court here to serve two years each in the state penitentiary after pleading guilty to charges of forgery. One of them received two concurrent sentences, having been indicted on two counts. Another man was given a five-year suspended sentence.

Pleading guilty to two charges of forgery was Mack Larry Sharpe, 36, of Ada, Okla., who was sentencened to two years in each case Carl Casselberry, 36, of Seymour, was sentenced to two years on a forgery count occuring early this summer.

Receiving the suspended sentence was John Hass Shelby, 26, of Slater, Ky., who pleaded guilty to a charge of passing a forged instrument.

The sentences were given by Floyd Jones, district judge from Breckenridge, acting in the absence of A. S. Mauzey of Sweetwater, the judge of this district. The cases were presented by Eldon Mahon, of Colorado City, district attorney.

Livestock Market

FORT WORTH, Oct. 5. (AP) — Cattle weak; common and medium slaughters steers and yearlings 20.00 to 27.00; few good fed yearlings 28.00 and 29.00; fat cows 18.00 to 21.00; good and choice slaughter calves 24.00 to 28.00; common and medium 19.00 to 23.00; stocker calves 22.00 to 30.00; stocker yearlings 22.00 to 26.00; stocker cows 18.00 to 23.00.

Hogs butchers 25 cents down; sows and pigs unchanged; good and choice 190 to 270-pound butchers mostly 19.50 and 119.75.

Practically no lambs or yearlings offered; others steady; cull and common slaughter ewes 13.00 to 14.00; breeding ewes up to 18.00; common and medium feeder lambs 25.00 to 28.00.

Stock Market

NEW YORK, Oct. 5. (AP) — A flood of buying orders swamped the stock market briefly today as prices extended their 19-year high.

Chrysler opened on a block of 5,500 shares up 1 at 83 3-8 before falling back a little, and general motors started out an a block of 10,000 shares up 1-2 at 53 7-8. GM later edged up a trifle.

Cotton

NEW YORK, Oct. 5. (AP) Noon cotton prices were 55 cents to $1.75 a bale higher than the previous close. Oct. 41.08 Dec. 40.68 and March 40.41.

United Nations Flag Project For Home Demonstration Clubs

Home Demonstration Clubs in Scurry County are joining thousands of modern Betsy Rosses this month in making United Nations flags to fly with Old Glory on UN Day, Oct. 24, Mrs. Mildred Sparks acting county home demonstration agent, said today.

Mrs. Sparks has announced a demonstration to be given from 2:30 until 3 o'clock, Oct. 13 at her office in the basement of the courthouse, where club members and others interested in making flags will receive instructions and patterns.

The United Nations flag has a sky blue field with a world outline center cradled with a laurel wreath.

Scurry County home demonstration clubs will make flags and display them in their own communities. The first flag made will be presented to Sterling Williams, representative of this districe in the Legislature.

The flag project will be directed by clothing leaders in each club.

Liquor, Driving Cases Heard in County Court

Two men yesterday paid fines in county court after pleading guilty, one to a charge of possessing liquor for purpose of sale in a dry area, and the other to a charge of driving while intoxicated.

Everette Eugene Sparks, 28, formerly of Hermleigh, paid a fine of $500 plus $23.50 court costs when he pleaded guilty to the charge of possessing liquor. A fine of $123.50 including court costs, was assessed Guy Samuel Jones, 48, of the Andress Heights addition, Snyder, charged with operating a motor vehicle while under the influence of intoxicating liquor.

Serve bacon on a supper menu sometimes; it's good teamed with creamed noodles topped with cheese and a green salad or cole slaw. For dessert you might have baked apples stuffed with dried fruit and nuts.

Infant Is Buried

Burial was held yesterday afternoon for a two-month-old Mexican girl, Yolanda Barrera, who died about 10 o'clock Tuesday night in the Snyder Hospital.

The child was the daughter of Mr. and Mrs. Manuel Barrera, Avenue Q and Thirteenth Street.

Bolger-Barnes Funeral Home was in charge of funeral arrangements.

Expanding, Modernizing Fire Department Planned By City

The city council acted Monday to take up the slack between the city's growth and its fire coverage.

The number of paid firemen will be doubled, from two to four, in accordance with a motion made by R. L. Terry and passed unanimously.

In addition to increasing the force, the council decided to study the possibility of building a new fire station and buying new equipment.

Forest G. Sears, in appointing a committee to study both these problems, asked Norman Autry, fire chief, to work with both. One group will determine a location, probably in the vicinity of the Snyder Hospital in the southeast section of the city, for a new fire sub-station.

The other committee will study the need for new equipment, its cost, and when it can be delivered.

The action to expand the city's fire protection followed the reading of a letter from the fire insurance division of the board of insurance commissioners at Austin.

STATE INSPECTION

The letter was the result of a two-day survey by two of the commission's inspectors, made here recently.

The letter, written by Paul H. Brown, fire insurance commissioner, follows in part:

"We realize that you have quite a problem on your hands as the growth of Snyder has been quite rapid over a relatively short time. We know, too, that under such conditions finances become a major problem. However, you must realize that with rapid growth fire protection becomes more important than with a gradual growth.

"Particular attention should be given to the installation of additional mains and fire hydrants in your business district and along U. S. Highway 180, since you have there many heavily insurable values and they are now now adequately protected.

"Also, all two-way fire hydrants now in service in your mercantile district must be replaced with standard three-way fire hydrants at an early date, as there are many insurable values involved and the protection of this property should be most adequate.

WATER SUPPLY

"Water supply, of course, is of major consideration in any fire protection problem, and tests which were made on the wells during the inspection indicate that an adequate minimum supply is now available. However, it is recommended that the present policy of trying to locate a more reliable and adequate supply be continued.

"The installation of the north and east elevated storage tanks has materially improved the flows in these areas, the elevated storage is still 45 per cent deficient in amount. In view of the continued growth to the southeast, an additional elevated tank of at least 500,000 gallons capacity should be installed in this area.

"Your fire hydrants were found at the time of the inspection to be in very fair condition.

"Your present fire-fighting equipment is inadequate for your present population to be protected. Both of your trucks should be over-hauled immediately and arrangements should be made for capacity tests on both.

NEW TRUCKS

"In order to avoid charges now in order in your key rate, it will be necessary that a new 750 gallon per minute triple combination pumper be purchased immediately and that plans be made to purchase another of the same type of truck within the next 18 months.

"Separate booster trucks such as were discussed with your fire chief are very desirable pieces of equipment and should be included in your plans, however, they should not take precedence over the two 750 gallon per minute pumpers outlined above.

"The growth of the City of Snyder and traffic conditions in the southeast make it impossible to service adequately this area from your present fire station. It is therefore imperative that a new fire station be built. Arrangements should be made to have not less than three paid men on duty at this station 24 hours a day.

PAID FORCE

"Additional full paid firemen should also be provided for the city hall station, and available funds will determine the exact number. However, not less than one man and preferably two men should be provided for each piece of equipment 24 hours a day.

"Your present building law is considered inadequate and from the type of construction permitted it is subject to too wide interpretation. We recommend that the abbreviated edition of the National Building Code with the deletion and additions as indicated be adopted.

"We realize that the foregoing recommendations and suggestions will mean a considerable outlay in public funds, however, your city officials must also realize that your fire protection facilities have not kept pace with your increase in population and therefore a considerable increase is now in order in your key rate. It is quite imperative that the city start some action looking forward to the correction of as many of these deficiencies as possible with a definite program outlined as to complete many items in a definite time. So we must urge upon you the necessity for careful consideration of this entire matter, and we will thank you to advise us at your earliest convenience regarding the same."

COUNCIL REACTION

In the discussion which followed the reading of the letter, Mayor Sears pointed out that the city had been restricted in its fire department expansion by lack of tax income. It was agreed that the city should build a new sub-station.

Autry told the group the city now has two fire wagons, one a 1949 Ford 500 gallon a minute pumper, and the other a 1942 Ford 500 gallon a minute pumper.

Autry told the council that while the volunteer firemen had set a splendid record for service, and had enabled the city to provide fire protection at amazingly low cost, the growth of the city had made their job harder and the volunteer system could not be depended upon much longer without being supplemented by paid workers.

He said Snyder now pays about $150,000 in annual premiums. For buying a 750-gallon pumper, a three per cent saving could be effected. Thus, he said, buying new equipment with tax money saves paying money out in increased fire insurance rates.

By the council's motion, Autry was empowered to hire two new firemen immediately, at a starting salary of $200.

Robert L. Hairston Marries Miss Davis In Artesia Ceremony

Mr. and Mrs. Robert L. Hairston were married Sept. 23, in a double ring ceremony in the home of Mr. and Mrs. D. D. Mann, Artesia, N. M.

Mrs. Hairston is the former Miss Joyce E. Davis, duaghter of Mrs. Flora B. Davis of Seminole, Tex. Mr. Hairston is the son of Mr. and Mrs. F. C. Hairston, 1811 Thirteenth Street.

The early-morning ceremony was performed by the Rev. I. Morgan, the Baptist minister. Mrs. Hairston's matron of honor was her sister, Mrs. L. M. Walker. Mr. Walker attended Mr. Hairston.

Mrs. Hairston chose a gray suit with blue accessories and a shoulder corsage of white chrysanthemums. Mrs. Walker was dressed in a brown suit with winter green accessories and a corsage of mixed bronze fall flowers.

Also a member of the bridal party was Mrs. L. C. Hairston, the bridegroom's sister-in-law, from Shreveport, La. Sgt. L. C. Hairston was unable to attend the ceremony, as he is on duty with the armed forces in England.

Mrs. Hairston is a graduate of St. Mary's Academy in Amarillo. She attended the Texas State College for Women, and for four years has been the county treasurer of Gaines County.

Mr. Hairston graduated from the Snyder High School. He is in business in Riverton, Wy.

Following the ceremony, the couple left for a wedding trip to Wyoming. They plan to return to Texas to live in the near future.

Miss Whitmire And Ocia W. Pond, Slaton, InHomeWeddingHere

Mr. and Mrs. F. M. Whitmire, 3012 Avenue Z, have announced the marriage of their daughter, the former Miss Audrey Whitmire of Slaton, to Ocia W. Pond, also of Slaton.

Mr. and Mrs. Pond were married Sunday night in the Fesmire home. Mr. Pond is the son of Mr. and Mrs. O. W. Pond, West Columbia, Tex.

The Rev. Gerald Cates of the Calvary Baptist Church performed the double ring nuptials.

The bride wore a street length dress of iridescent taffeta with pink accessories. Her shoulder corsage was of pink carnations.

Following the ceremony, Mr. and Mrs. Fesmire entertained a few friends with a reception. White chrysanthemums and pink gladioli decorated the dining room where Mrs. Fesmire served cake and coffee.

Mrs. Pond is a graduate of Texas Wesleyan College, Fort Worth, and has attended the University of Washington and Colorado State College. She is a teacher in Slaton High School.

Mr. Pond is a member of the Air Corps Reserve. He is presently employed at Slaton. He attended Texas University.

Out-of-town guests for the wedding were Mrs. Pond's sister and family, Mr. and Mrs. M. A. Tennyson from Lamesa.

The couple will live in Slaton.

Sure of All Right-of-Way Except 1 Deed

With the exception of one property owner who cannot be found, all owners along the Clairemont Road have been contacted and deeds for needed right-of-way are virtually assured, according to W. W. Park, city attorney.

The property owner who has not been contacted is O. W. Hendricks of Snyder, whose address is not known, Edgar Taylor, county judge, said Tuesday. Taylor added, however, that he has a lead on Hendricks and hopes to make contact with him by tonight.

ABSENTEE OWNERS

About three other deeds have been promised by out-of-town property owners, but have not yet been received, Park said. He expressed confidence they were forthcoming, however.

Monday 32 condemnation of property cases were heard by a special committee and value of the 10 feet of right-of-way being sought on each side of the Clairemont Road was determined. After 10 days the condemnation will receive final action by the county judge.

Only one other condemnation suit remains to be disposed of, Park said. That will be heard Oct. 16.

The special committee which set values in the condemnation cases was Giles Bowers, W. R. McFarland, and W. J. Ely.

STATE PROJECT

The State Highway Department will pave part of Avenue R and Thirteenth Street, repave all of Avenue S south of the square, and pave the Clairemont Road to within eight miles of the Kent County line. However, before the project can begin, 10 addition feet of right-of-way must be deeded the state along several miles of the route. The process of securing that right-of-way is rapidly being completed.

It is hoped the deeds can be secured within a few days and that the project will be included in the State Highway Department's October letting of contracts, Judge Taylor said.

Induction Call For Three From Scurry

Three Scurry county men reported to the Selective Service board in Sweetwater, September 27 for induction into the Armed Forces, according to information released from the board Monday.

They were Charlie Allen Jones, employee of Southwestern Bell Telephone Co., Pearl James, Snyder Negro, and Alvin Frank Kuss of Hermleigh.

From Sweetwater the men went to the Abilene Recruiting and Induction Main Station for immediate induction.

These were among the 15 men called from the Scurry-Nolan-Fisher area. The next call for induction will be for 13 men on Oct. 11.

P.-T.A. Executives Plan Clubs For Each Of Snyder's Schools

An executive meeting was held Monday of the officers originally elected by the Snyder Consolidated Parent-Teacher's Association. This group set up further plans for the maintenance of a separate P.-T. A. group in each school in Snyder. They are to act as an advisory board for the successful launching of each unit.

A nominating committee was named for each school to discuss plans and suggest officers.

The second Tuesday in each month will be P.-T.A. day. The primary P.-T.A. will meet at the primary school at 2:30 o'clock. Each of the other schools — the high school, elementary school and northwest elementary school, will meet at 3:30 p.m.

The monthly meetings will be held in the home economics department of the high school, in the cafeterias of the other schools.

A membership drive is continuing, and $3 will go to the grade which signs up the largest number of parent-members, according to Mrs. Harold Brown, publicity chairman.

Parties Given For Visitor From India

Several parties honored Church H. Smiley, a missionary from India, who spent the week end in Snyder under the auspices of the First Christian Church.

Mr. and Mrs. Ed. H. Hall, 609 Twenty-fifth Street, feted Mr. Smiley with a dinner party Saturday night. Mr. Hall is chairman of the church missions committee.

The young people of the church planned the program at which Mr. Smiley spoke Sunday night. A church family night supper, with each member bringing dishes of food, was given in honor of Mr. Smiley before the program.

Mrs. Tom Boren, manager of elementary school cafeteria and O. S. Clark, principal of the school, invited some guests to meet Mr. Smiley at luncheon Monday Mr. Smiley spoke to the group upon the contrast of our abundant lunch tables and those in India. He was particularly struck by the quantity of milk.

"In India," he said, "the cow is worshipped as a God and is not killed; they do not use its milk."

This Winter

Winter can be tough on you . . . but *tougher* on your car! Sub-zero temperatures slow your starter, cut down your power. Corrosive combustion acids—created by winter driving—cause extra engine wear that *cuts down* your gasoline mileage.

That's why it's so wise to *protect* your engine with the winter grade of new Conoco Super Motor Oil.

get Super Protection!

Change now to the amazing new Conoco Super Motor Oil . . . *proved* by two winters' testing in the freezing cold of the Colorado and Montana mountains to be the great new *winter wear-fighter*! Conoco Super Motor Oil safely *gathers up acids and harmful moisture* . . . flushes them out of your engine when you drain!

Want instant starting, lightning pickup, surging power? Then drain and refill with the winter grade of new Conoco Super Motor Oil.

There's only ONE graded margarine

Durkee's Own grade AA

WHAT GRADE AA MEANS TO YOU

Durkee Guarantees

- Mild, delicate flavor
- Purity of ingredients
- Country-freshness
- Nodrishment (15,000 units of Vitamin A)
- Smooth texture for spreading
- Triple wrapped for sealed-in flavor

The exclusive Grade AA rating for Durkee's Margarine has been established for your protection by Durkee's own Research and Control Laboratories. Every pound must measure up to its exacting standards before it can be stamped Grade AA!

Glidden — MADE BY THE MAKERS OF DURKEE'S FAMOUS DRESSINGS

Holds Everything...on any hill!

No matter how steep the grade . . . you can park your Chrysler and it won't roll. With Chrysler's new "Easi-Lock" Parking Brake you have three times ordinary braking power. Yet only one-third the effort is required to pull it on with your finger tips. Nothing you've ever used equals its ease and sureness. No straining—yet once it's on, nothing can budge your car. It's just one more new advantage that puts Chrysler still further ahead in safety! Just one more good example of the *built-in value all the way through* that we believe will make you a Chrysler buyer for life. Come in today for the demonstration that will prove you can't beat Chrysler for extra money's worth through and through.

New Easi-Lock Parking Brake

...with 3 times ordinary braking power!

Amazing Chrysler engineering development. Only 1/3 the hand pull required. New internal expanding parking brake is self-energized to multiply effective braking power. Completely enclosed. Mounted on propeller shaft—independent of wheel brakes—the safest, surest brake you've ever used.

See it—drive it . . . there's built-in value all the way through!

Chrysler Driving Advantages:

Fluid Drive . . . automatic gear shifting with exclusive car control! *High Compression Spitfire Engine* . . . extra power at all speeds. Superfinished parts for longer life. Chemically treated cylinder walls for for greater wear! *Waterproof Ignition System* . . . prevents stalling in flood or storm. *Full Flow Oil Filter* keeps oil clean longer.

Chrysler Comfort Advantages:

Chair Height Seats . . . no crouching on the floor . . . *Functional Design* . . . room for your head, legs, shoulders. Easy to enter and leave. *Center-arm Steering* . . . minimizes road shock, wheel fight. *Rubber Body Mountings* . . . *Floating Power* . . . eliminate vibration, help give softest, smoothest ride in history.

Chrysler Safety Advantages:

"Easi-Lock" Hand Brake . . . holds car parked on any hill. *Safety Rim Wheels* . . . won't throw tires after blowouts at normal speeds. *Constant Speed Windshield Wipers* . . . electrically operated—won't slow down when you step on gas. *Safe Guard Hydraulic Brakes* . . . exclusive balanced brake power, smoother stops, less pedal pressure.

The Beautiful CHRYSLER with Fluid Drive

Seek Armed Thief Who Robbed Western Union Here Of $593

Police Wednesday cintinued to search for the gunman who took $593.88 from hte Western Union office here Tuesday night in a bold hold-up half a block off the square.

The search began last night, immediately after the armed robbery occurred at 7:50 o'clock, and continued through the night and morning, Chester Bairrington, chief of police, said today.

DESCRIPTION

Investigating officers are searching for a man described as stockily built, wearing a light blue-gray shirt, khaki trousers, and a brown hat. He also had a two-day growth of beard, police said.

The robbery occurred shortly before the telegraph office at 1910 Twenty-fifth Street was to close. Money was being counted on the counter when the thief forced his way through the closed door, and threatened the clerk, Mrs. B. T. Bybum, 605 East Twenty-ninth Street, with what appeared to be a nickel-plated 38 revolver, according to police.

While the thief gathered up the $593 on the counter, he demanded, in a voice scarcely audible, that Jasper J. Goben, manager of the Western Union office here, open the safe.

Goben said he did not know the combination. Before the thief could pursue the matter, a customer, O. P. Williams, of the Spartan Tool & Service Co. bunkhouse here, entered and the thief fled.

OTHERS PRESENT

In the office at the time, besides the manager and the clerk, were Mrs. Goben, wife of the manager; their daughter, Joanne, 3; and a 16-year-old messenger boy, Bobby Gene Craig, who lives at the Dixie Lee Court, Post highway.

Police said the thief spoke so softly when he threatened those at the counter and demanded that the manager open the safe that Mrs. Goben, sitting in the rear of the small office, was hardly aware of the hold-up until it was over.

Police received conflicting stories of the gunman's get-away. Some reported that he fled on foot west on Twenty-fifth Street toward Deep Creek. Others said they saw him enter a tan coupe driven by another man which wheeled around in the middle of the street and proceeded west on the Lamesa Highway.

Sheriff's departments of surrounding counties and the state highway patrol were alerted last night to watch highways for anyone fitting the thief's description.

Police reported that the theft included $583 in currency, no bills being larger than $20; $10 in silver; and a check for 88 cents.

Fire Truck Involved In Accident On Way To Answer Fire Alarm

Little damage resulted from a three-way collision at Avenue S and Twenty-fourth Street yesterday morning involving a car stopped at a traffic light, a fire truck, and a pickup driven by a volunteer fireman.

Fireman D. T. Pierce, 40, of 803 Twenty-eighth Street, was answering a fire alarm about 10 o'clock yesterday morning, driving the red two-ton 1949 Ford fire turck north on Avenue S. Reaching the intersection at Twenty-fourth Street, the truck struck the 1949 Ford pickup heading west, driven by volunteer fireman Jim Sullinger, 27, of 1008 Twenty-eighth Street, who was also on his way to answer the call.

Sullinger, a supervisor for the Lone Star Gas Co., came to the intersection going west when the truck hit the right rear fender of his pickup and caused it to spin and hit a 1941 DeSoto headed south on Avenue S which stopped at the traffic light there. Driver of the car was W. H. Thompson, 24, a Snyder truck driver.

Investigating, Police Sgt. J. C. Blakely found no injuries. Damage to the fire truck was estimated at $15 and damage to the other two vehicles was estimated at $40. All were still in driving condition, Blakely said.

The fire at 1005 Twenty-fourth Street was inside a house belonging to Jim Lock of Snyder. Most of the inside of the house was burned out before firemen could douse the fire.

Slight Injuries In Collision On No. 84

Three men and two women escaped injury, about 7 o'clock last night when a car driven by O. B. Nichols, of Levelland, and one driven by Earnest M. Frey, 48, of Houston, collided head-on at the junction of the Fluvanna road and U. S. Highway 84, about 14 miles north of Snyder.

Bill Zimmerman, highway patrolman, who investigated the accident with his partner, E. W. Green, said the collision occurred as the north-bound Nichols car, a 1950 Buick sedan, left the highway on the west side as Nichols attempted to pass three other automobiles, then colliding with the right front fender of the Frey car.

Frey told officers he kept his car, a 1950 Oldsmobile sedan, on the highway because the Nichols car left the pavement and was coming toward his on the shoulder. Zimmerman said Nichols had driven away before he and Green arrived at the scene and that he had not talked with Nichols about the accident yet.

With Frey were his wife and another couple. Nichols was believed to have been alone. Damage to the two automobiled was estimated at $400, Zimmerman said, although he added he had not yet seen the Nichols car.

Grocery Store Sold to Couple From Hobbs,

Goodman Grocery and Market at Twenty-eighth and Avenue K was sold and put under a new management last week.

Mr. and Mrs. W. B. Goodman, who have owned and operated the store for more than a year sold it to the Eugene Davisons. The deal was closed last week through the Jack and Jack Realty Co.

Mr. and Mrs. Davison have been in Snyder for 15 months. They were in the water well drilling business prior to purchasing the grocery store. They came here from Hobbs, N. M.

The store which is adjacent to the new elementary school on Avenue K will carry on the same policy as the store had before.

Being so close to the school, Mr. and Mrs. Davison will continue the Goodman policy of catering to the school children. They have short orders for their lunches and carry school supplies. The store is popular with students.

The store opened on Aug. 10 of last year, a few months before the new school opened. The Goodmans expected to have a small, slow business here. But their business got so big that the couple felt it was too much for them to handle. They are retiring now to Tyler Tex., which is their home, and turning the business over to younger people.

Funeral in Slaton For Restaurant Owner Here

Funeral services will be in Slaton tomorrow afternoon at 2 o'clock for Jake Hill, 54, Snyder Negro.

Hill died about noon yesterday of a heart attack before those aiding him could get him to the Snyder Hospital.

A cafe owner in the Negro section of Snyder, Hill has been a local resident several months.

Burial will be in the Slaton Cemetery. Bolger-Barnes Funeral Home is in charge of funeral arrangements.

Hill is survived by his wife, Mrs. Martha Hill, one daughter, Delois Palmer of Slaton, five brothers and three sisters.

Shoe Store Has Big Selection

Myron Fenton is pictured here as he displays part of his wide selection of ladies' Shoes to Mrs. Delbert Randolph and Mrs. M. D. Faver at the Fenton-Thompson Shoe Store. Fenton, a partner in the business, operates his store at 1712 Twenty-fifth Street. It is the shoe store for the whole family. — (J. Lawrence Devers photograph).

Howell's Has Every Electric Building Need

For home builders and remodelers, wiring and electrical fixtures are an indispensable item. Howell Electric is one-stop business for these needs.

The shop at 1507 Twenty-sixth Street has on hand now a beautiful selection of chimes, that are all connected so they can be heard.

Along with these Howell's has a large variety of light fixtures. Seventy-nine of them are connected and will work right in the shop.

Howell's main line of business is contract wiring in both the commerical and residential line. They have on hand wire and parts to handle any job. They have just completed the wiring of the new Village Restaurant and Wimberly Hardware Co. on Twenty-fifth Street.

Service and repair work are a specialty of Howell Electric. They take pride in this work, and are ready to make trouble calls day and night.

For the installation of new wall plugs and fixtures, particularly for those remodeling, Howell's has all the necessary equipment to handle the job.

Howell Electric also has a nice selection of electrical appliances.

Man Charged With Murder Out On Bond

NASH, Oct. 2. (AP) —C. B. Hancock, charged with murder, told the county attorney he shot a 32-year-old father because the man slipped into bed with the Hancocks' 15-year-old daughter and two younger children and then refused to leave the house.

Hancock was charged in the death of Fletcher Pruitt. He was freed on $5,000 bond pending action by the Bowie County grand jury.

Bargaining Election Set At Phillips Plant

WASHINGTON, Oct. 2. (AP) —The National Labor Relations Board ordered a bargaining election today among clerical employes of Phillips Chemical Co.'s Port Adams plant.

The election, sought by the CIO Oil Workers International Union, is to be held within 30 days.
