## RACING BUFFS

These are the winners of the Cub Scout Pinewood Derby held Thursday, January 19. On the left side, from Den 3, front to back, Dudley Owens, first place and winner of the outstanding car design award; Reggie Perez, second; and Stephen Owens, consolation. At right, from Den 4, reading from front to back, are Ronnie Heisler, second; Kevin McDanel, first; and Tony Jett, consolation. Overall winner was Mike Myrick, who was ill but sent his car to be raced. It won over all others, McDanel was second place overall winner. Here each boy holds his racer, which could not weigh more than 5 ounces, on the long plank course down which they raced.

## Hospital Board Reviews Audit

Hospital board members Monday night reviewed the annual audit report prepared by its accountants, gave much of the meeting to finalizing plans for a new sprinkler system, and called the election in which four board members will be chosen.

Administrator Charles Floyd told the board that he has discussed the cost of a sprinkler system with a Lubbock firm and he will make similar contacts with others.

He estimated that \$55,000 will cover the cost of the sprinkler system, of fire doors that are to be installed in the corridors, and an isolation transformer

now being installed on the second floor.

These things are required if Collingsworth General Hospital is to meet the latest requirements of Medicare.

Part of the money is on hand and funding of the remainder is under way this week.

Mr. Floyd told the board that the sprinkler system would not be required if the hospital did not have the second floor section in the southwest part of the building. Medicare inspectors are most cooperative with the hospital in working out its problems which stem only from the age of the building.

The audit report, prepared

by Mathis, West, Huffines & Co., of Wichita Falls for the year ending Sept. 30, 1977, shows a new revenue loss of \$11,755.

But the audit also points out that expenses to the hospital for operating Dr. Reynaldo Perez office was \$25,700. This was provided for in the contract between him and the hospital signed at the beginning of 1977.

While the hospital board considers this one of the most necessary expenses, it was brought out that if this item is not considered in the hospital operation, it would have been \$14,000 in the black.

The audit also shows that

the hospital has assets of \$141,581. This includes the building, land and improvements, and equipment.

The hospital board election will be held Saturday, April 1, when four members will be elected. Those whose terms are expiring are Chairman Otis Emmert, of Quail, Tom Cunningham, Lyman Daniel and Bill Janes.

The board also voted to approve liability insurance for each of its members, in addition to liability insurance already carried on the hospital. The entire insurance program will be reviewed in order that the hospital may be fully covered.

## County Calves Take Ft. Worth Show Honors

An Angus steer exhibited by Lynn Tate won first place in the light weight division of the Junior show at the annual Fort Worth Livestock Show late last week.

Lynn was among the 10 Collingsworth County boys and girls who had winners in what is one of the top livestock shows of the country, Extension Agent Don Reeves said.

Lynn sold the steer for \$1,000 to the Burnett Estate of Ft. Worth, owner of the 6666 Ranch and other holdings. The steer weighed 935 pounds.

Lynn also exhibited the third place middle weight Hereford. He brought this steer home and will show him at the Houston Livestock Show which begins February 28.

His brother, Stan, had the fourth place weight Hereford. He brought this home also and will show him in Houston. The boys are sons of Mr. and Mrs. Rudie Tate of Abra community.

Jody Coleman, had the fourth place middleweight American Cross. This is a class for steers with some Brahma blood. Jody's calf is a Santa Gertrudis cross. The son of Mr. and Mrs. Frank Coleman, Jody sold the calf. David Baumgardner had the fifth place light Hereford

steer, which he sold. Mr. and Mrs. David Baumgardner are his parents.

Dwayne Myers of Samnorwood exhibited the fifth place registered Hereford winter heifer in a strong class of between 30 and 35 entries. An FFA student, he will take this calf to Houston. Both the mother and sire of this calf are from the famous Hess line of cattle. A half sister of Myers entry was the Champion Heifer of the open show at Ft.

Worth, and the half brother was Reserve Champion bull of the open show. The three are from the Hatchett Bull. The champion heifer and reserve bull were shown by Breeding and Caldwell of Miami.

He is the son of Mr. and Mrs. Leon Myers

Three calves placed in the light weight Hereford Class: Channy Wood, son of Mr. and Mrs. Farris Wood, 15th; Patricia Fourmentin, daughter of Mr. and Mrs. Richard

Fourmentin, 18th place; and Lisa Nix, daughter of Mr. and Mrs. Jerry Nix, 19th.

Mark Fourmentin, Patricia's brother, had the 19th place in the light European Cross. His calf is a Limousine-Angus.

Kirk Patterson exhibited the 6th place middleweight polled Hereford. His parents are Mr. and Mrs. Earl Patterson. Dairy Queen at Shamrock bought the calves belonging to David Baumgardner, Channy

## "What You Are Doing Is Effective" Farmers Told

By Henry Wells

WASHINGTON D.C.-Twelve Collingsworth County men lobbied this week in Washington D.C. for higher farm prices Monday through Wednesday with Policy makers inside and outside the government.

The group met with legislative assistants in the offices of Representatives Jack Hightower, Bob Kruger, and Senator Lloyd Bentsen, and other congressmen, as well as members of the House

agriculture committee staff.

"What you're doing here, visiting congressional offices, is very effective," Ray Mabus, house agriculture committee staff man told the group.

"If you can show urban congressmen how low farm prices will hurt and affect people in their districts, you will make our job easier."

Mabus said that of the 435 congressional districts, 133 had no farmers and 167 more had fewer than 5 percent farmers. "What you're doing

is getting through," Mabus said.

Assistants Ivan Sinclair and Claiborn Crane in Representative Jack Hightower's office helped the group set up meetings with U.S. Department of Agriculture officials and with other congressional staff members. Crane said Hightower would work through his position on the House Agriculture Committee to help fight for higher commodity prices in committee and on the house floor.

House Agriculture Commit-

tee hearings on the current farm problems begin Wednesday, February 1, with testimony from Secretary of Agriculture Bob Bergland.

Some of the Collingsworth County group attended the opening day's hearing. The group left Sunday and returned Wednesday night.

Going from here were Earl Lynn Bartlett, Bill Lindsey, Dan Langford, Lyman Daniel, Denzil Phipps, Andy Henard, P.J. White, Jerol Morris, John Coffee, Teddy Martin, Carroll Nunnelle, and Henry Wells.

## Four Hurt in Collision at Intersection

Four persons were admitted to Collingsworth General Hospital for injuries received in an intersection collision which occurred shortly before 5:00 p.m. Monday, January 30.

Sheriff John Rainey said Mrs. Kenneth Patterson was driving south on Bowie Street when the back of her car was struck by a vehicle traveling west on 7th. She was enroute home from Southwestern Rail Products, Inc., where she is employed. She was alone.

Driver of the other car was identified as Morris Johnson. With him were Larry Pennon, Bobby Joe Shrubbs and Vernon Charles Kelley, according to the sheriff's department.

Johnson was booked into county jail and charged with driving while intoxicated, Rainey said.

The other four were taken to the hospital by Volunteer Ambulance Service, where they remained overnight. Their injuries were not believed to be serious.

Assisting in the investigation were Deputies Gary Thomas, Jerry Settle and Richard Keller.

Two other charges were

## Planting Policy Meeting Called for Monday Night

Farmers participating in American Agriculture movement will meet Monday, Feb. 6, at Greenbelt Electric Co-operative for one of their most important meetings. Starting time is 7:30 p.m.

They will hear an update on the Washington trip from representatives of the 12 county men who were there from Sunday through Wednesday.

There will be a discussion of American Agriculture planting

policies for the 1978 crop year.

Four representatives from Collingsworth County will be in Dallas Thursday, Feb. 2, for the state-wide convention to map these planting policies, according to Denzil Lacy. Due to go are Carroll Nunnelle, Lacy, Tom Sanderson of Dodson and one other.

"The American agriculture movement invites all farmers and ranchers who want a better way of life by receiving 100 per cent parity for what

they produce to participate. We urge you to come and express your opinions," said Lacy.

Men involved in the movement have begun looking beyond their fight for parity.

"The American Agriculture movement doesn't intend to disband if and when we receive our goals of 100 per cent parity. We intend to keep our hand in all affairs pertaining to American agriculture," said Sanderson.

## Alfalfa Growers Meet Fri.

Harmon County Alfalfa Growers Association is urging its Collingsworth members and all others interested to attend a breakfast meeting at Hollis Inn Friday, Feb. 3, at 7:30 a.m.

A representative of DuPont Chemical Corp. will sponsor the breakfast, provide a short program on alfalfa herbicides and answer questions.

Collingsworth members who plan to attend should call Paul Bell at Wellington State Bank, 447-2551, on Thursday.

Newell McDaniel, a leader in the association was in Wellington Tuesday. He pointed out that the purpose of

the group is to promote the expansion of alfalfa seed production in the two counties.

The association itself cannot come across the state line due to its ties with the Oklahoma Alfalfa Growers Association and because seed laws of Texas and Oklahoma are different.

This is no way hinders its work promoting the crop, McDaniel pointed out, and Texas growers can become members of the Harmon County group.

"These boys who want to cut their cotton acres ought to go with alfalfa," he said.

"If you establish it, you

won't have to do anything with it for 6 or 7 years except spray it once or twice during the summer."

Production of quality alfalfa seed is possible in only a few places in the United States.

"This area of West Texas, southwest Oklahoma and part of Kansas is going to have to grow the alfalfa seed for the U.S.," he declared.

Profit in alfalfa lies in seed production. This year, the price of seed ranges from 95 cents to \$2.50 per pound depending on variety. Yields up to 400 pounds of seed per acre have been harvested.

-See #3, page 2

## Three School Board Places to Be Filled

The Wellington School board in a January 9 meeting called the trustee election, which will be held Saturday, April 1.

Two trustees are to be elected to regular terms and one to fill an unexpired term for two years, said Supt. E.W. Clement.

Those whose terms expire are Frank Coleman, who is completing his first three-year term, and William O'Rear, who is completing his third term.

The vacancy on the board came about when Vance Hunt, who was elected a year ago, was transferred by his

company to New Hartford, New York. Two years remain on this term.

Two candidates have filed, Kirby Campbell and Bill Lindsey. Neither designated if he is filing for a regular term or the short term.

Campbell, a graduate of Wellington High School, is a

rancher and farmer,

He is also president of Collingsworth County Farmers Union and active in affairs pertaining to livestock.

Lindsey, reared at Quail, farms in the Lillie community.

The deadline for filing as a candidate in the school board election is Thursday, March 2.

## Don Hendrix Files For Council Place

L.B. Don Hendrix this week entered the race for a full term place on the Wellington City Council, bringing to three the number who have filed.

Lyndon Crelia, who is seeking re-election, and David Caison, who is running for the

first time, had filed earlier, both for the full terms.

A one-year unexpired term is to be filled, and no one had come out as a candidate for that post by Tuesday evening. This fills the place left vacant by the resignation of Robert

Owens recently.

Don Hendrix came here in 1975 following 9 years of Army Service. He lives in Wellington and is engaged in farming with his father-in-law, Cecil Shanks.

"Because of a sincere desire

to serve the people and the city in which I live, I am announcing my candidacy for the office of city councilman," he told The Wellington Leader.

"Wellington is a highly

## METHODIST PASTOR

The Rev. Tom Thomson, recently appointed pastor of First United Methodist Church, stands beside its new sanctuary, now under construction. He is the grandson of the Rev. Hubert Thomson, pastor of this church more than 30 years ago.

PAULENE ESTES

## Paulene Estes B&PW Woman of the Year

Mrs. Truman Estes, teller at Wellington State Bank, has been selected by the Business and Professional Women's Club as its 1978 Woman of the Year.

She is a nominee for District 10 Woman of the Year, and the winner on that level will be nominated for state honors.

The qualities that make her an excellent bank employee were one of the considerations of the selection committee.

### #3 - continued from page 1

Some growers have found that in spite of the unusual cotton crop, they still made more money off alfalfa seed.

He reminded that in the 1940s, under the late Lefty Thomas, county agent, Collingsworth was the No. 1 certified alfalfa seed producing county in Texas.

Are is the most sought after variety, and most growers are turning to it.

Collingsworth county members of the Harmon County Alfalfa Growers Association include Paul Bell, Frank Campbell, Melvin Cardwell, Sid Ewing, Olan Farris, Pat Gulley, Garland Hightower, Howard Hunt, R.T. Jameson, Arthur Kane, Mark Killian, Tom Lewis, Gene Morrow, Monty Mitchell, Bundy Moore, Robert Owens, Sandy Parsons, Allen J. Peters, James Reneau, John Scott, P.M. Scott, Judge Zook Thomas and Dalton Vaughan.

But they also considered her volunteer work in the community.

She is perhaps best known as organist at First Baptist Church, but in addition, she frequently provides the music for funerals. The bank cooperates in this.

Her music is heard at joyous occasions, such as weddings, too. She is assistant pianist of the Goodtime Singers.

Some women collect "things." Paulene Estes collects money for worthy causes—Red Cross Heart Fund, the Cancer Crusade and others. Friends call her "The Collector of Dalhart Street."

She is a member of Chamber of Commerce, and in 1976 that organization selected her as Wellington's Most Courteous Sales Person. For several years, she provided dinner music for its banquets.

The former Paulene Nance, she grew up in Hollis and graduated from high school there in 1939. She attended National School of Business in Oklahoma City.

She worked for Lone Star Gas Company and the Oklahoma Department of Public Welfare before she and Truman Estes were married and moved to their farm in the Shinnery community.

While their son, Dr. W.P. Estes, was small, she did not work, then she joined the staff of First National Bank. When it merged with Wellington State Bank, she transferred to that bank in 1958.

For several years she continued to drive from Shinnery each day, but when Bill Estes was in junior high and playing football, Truman and Paulene Estes decided it would be better to move to town.

She became a member of Business and Professional Women's Club in 1959 and has held all offices up to president. When it came time for that nomination, Mrs. Estes asked that someone else be named.

Completing the Estes family are Dr. Estes wife, Alcie, a teacher in Wellington Elementary School, and their son, Paul.

### #1 - continued from page 1

progressive city that is looking to the future and there is a need for strong, aggressive and competent leadership. To the best of my ability, I will help to provide that leadership."

Hendrix is commissioned a captain in the Army Reserve.

He served as an air defense officer and was highly involved in organization and administration while serving at Ft. Bliss, Giessen Germany and in Vietnam.

He is married to the former Peggy Shanks and they have two daughters, Heather, 8, and Angell 5.

The family chose to live in a small town and he is involved in farming with his father-in-law, Cecil Shanks. Mrs. Hendrix works with her mother in Wellington Florist.

The couple are active in the Church of Christ and he belongs to Kiwanis. Mrs. Hendrix is active in B&PW Club, Young Homemakers and school affairs.

Hendrix grew up in Nederland, near Beaumont, where he graduated from High School. He received a bachelor's degree in communications from Abilene Christian University in 1972.

"We became identified with Wellington activities because we intend to stay here," said Hendrix.

### #2 - continued from page 1

filed against Johnson Tuesday, driving with license suspended and disorderly conduct, according to Deputy Gary Thomas.

Later Tuesday, Johnson was tried in county court and fined \$200 and costs on the DWI charge and \$100 plus court costs on the driving with suspended license charge.

He was then tried in justice court on the disorderly conduct charge and assessed a fine and costs of \$50.80.

He was still in jail Tuesday afternoon, Thomas said.

## Open Letter To Farmers

As an organization, Farmers Union supports the objectives of 100% Parity Farm Prices.

We urge every individual to work his hardest to achieve this goal through whatever means he believes to be useful and effective.

We urge all farmers to carefully consider the results and implications of selling any commodity at prices below 100% Parity.

We invite all farmers to visit our insurance office at 717 West Avenue, Mrs. Ted Wheeler, Acting Agent.

## Alfalfa Growers FREE Breakfast Meeting

7:30 a.m.  
Friday, Feb. 3  
Hollis Inn

All Persons Interested In Alfalfa Production, Invited To Attend.

This meeting is for growers in Collingsworth and Harmon Counties.

A Representative of the Du Pont Chemical Corp, will sponsor the breakfast, and provide a short program on alfalfa herbicides and answer questions.

Interested alfalfa growers should contact: Paul Bell, Wellington State Bank, Phone 447-2551.

### Reelect Officers Directors of Wellington State

Re-election of officers and directors of Wellington State Bank was announced following the recent annual stockholders meeting.

President of the bank is Bill D. Beall, and C.T. Hubbard is emeritus president.

Other officers are Paul Bell, vice president; Jack Neeley, vice president and cashier; Estelline Glenn, assistant vice president; Nadine Birchfield, assistant vice president; and Janell Brown, assistant cashier.

James Sullivan is chairman of the board of directors, and other members are Mr. Beal, Fred Cox, Jr., John Holton, Mr. Hubbard, John McDowell of Shamrock and Dr. J.M. Orr.

A report of income and expenses and a summary of 1977 business was given the stockholders. A comparison of income and expenses reports for the past three years was discussed, Mr. Beal said.

Announcement has been made that Kenneth J. Moore has resigned as executive vice president of the bank. He and his family live at Hollis.

### Kid Monroe Dies Jan. 23

R.L. (Kid) Monroe of Longview died Monday morning, January 23, in Good Shepherd Hospital after a short illness. He was 75.

Funeral services were held Tuesday, Jan. 24, at 2:00 p.m. under the direction of Pearson Funeral Home, Overton. Burial was in Pleasant Hill cemetery.

Mr. Monroe was at one time associated with his father, the late W.W. Monroe, in the grocery business in Wellington.

He and his wife lived in Chula Vista, Calif., during World War II and he worked in defense plants.

In 1933, he was married to

### BOB'S BOBBERY

By Bob Watson  
100th Judicial District Probation Officer

HE'S TOO BIG TO SPANK?

#### HAIR

Intrinsically the length and style of a teen's hair has no bearing on his tendencies toward getting into trouble, though since the late sixties the so-called establishment has seemingly wanted to use this standard as a measure of potential. And admittedly, even juvenile probation agencies have leaned toward "hair style judgement" in their thinking.

The problem, if one still remains, varies in importance determined by, among other things, geographical location. While most areas of the country have finally accepted hair style freedom as a basic right, others hold fast to the old standards, with the clean-shaven, burr-cut look standing for law-abiding good citizenship. If the latter held true law enforcement would be a simpler matter.

Parents who remain concerned with their children's desired hairstyles will find it easier on the ulcers to shift their concern to other indicators of more obvious importance.

We hear often that law officers pay closer attention to the activities of "long hairs." While this may have been true when the fad started, it has little basis in fact now. And if this thinking prevailed, police officer would surely be

Allie Mae Moore of Wellington, daughter of Mr. and Mrs. L.M. Moore. The families later moved to Overton in Northeast Texas.

Survivors are his wife of Longview; his mother, Mrs. W.W. Monroe of Village Convalescent Home, McAllen, and two sisters, Mrs. Jack (Dorothy) Myers of McAllen and Mrs. Fred (Alta) Dayton of Mission.

spending a lot of unnecessary time observing gray headed long hairs, as many from the intelligentsia have joined the group of hair-worshippers. Let's face it, some like attention no matter what must be done to achieve it, if that is a real reason for succumbing to hair style trends.

Excessive hair adornment, while it may show lack of concern for conventionality by the old standards, will have little, if any, influence, subliminal or otherwise, on a youngster's deep-seated standards. If he has been taught the right and wrong basics, his hair isn't going to make him forget, nor is he headed automatically toward an unruly existence because of his long hair.

If your teen's hair makes you ashamed and disgusted, you'll probably have to do something unique to get it changed. In juvenile probation we have decided not to let hair bother us. Everyone we "do business with" will be treated equally in this jurisdiction, come hair or Kojak.

### Torrez Rejoins Sheriff's Dept.

Julian Torrez recently rejoined the sheriff's department as a deputy, Sheriff John Rainey announced.

Torrez worked as a deputy before leaving the department several months ago.

Prior to that, he completed the law enforcement course at Clarendon College.

An American radio engineer and pioneer of radio astronomy, Karl Jansky, discovered radio emission from the Milky Way.

Among some primitive tribes, people hope to secure more game birds by drawing pictures of the creatures an imitating their cries.

The sheriff's department is still short one deputy, Rainey said.

### Kathlyn Glenn On Honor Roll

Kathlyn Glenn, who now lives at Seminole, was named to the Dean's List at West Texas State University for the fall semester, 1977.

She is a senior English education major and at mid-term she completed the requirements for a Bachelor of

Science degree.

She is the wife of Pat Glenn and daughter of Mr. and Mrs. P.M. Scott.

Students named to the Dean's List must have a semester grade point average of 3.25 to 3.84 and must take at least 12 semester hours or more of work.

The ancient Egyptians believed that the Nile rose as a result of a goddess's tears.

## LEADERSHIP

Bob Krueger is a candidate for the United States Senate, and he is no newcomer when it comes to meeting the challenge of an important task.

Deeply rooted family ties in his home town of New Braunfels instilled in him a strong sense of integrity, a respect for hard work, the unique strength of our free enterprise system and a concern for helping others develop their full potential.

After successful careers in higher education, ranching and business, Krueger entered his first political race in 1974 for U.S. Congressman of the vast 21st District. The politicians gave him no chance. The people elected him. And re-elected him by one of the widest margins in Texas political history. Once in Washington he quickly emerged as a new national leader and was voted the Most Effective Freshman Congressman.

Bob Krueger, since 1973, has called himself an "Independent Democrat," independent of power politics and narrow partisanship. He listens to every viewpoint. Then he votes, not just for what is politically popular but for what is best for the people of our state and nation.

Whether advocating a strong national defense, better health care, less governmental interference in our daily lives, more fiscal responsibility, a strong agriculture or a sound and productive energy program—when Bob Krueger takes a stand he is a tough, intelligent fighter for his beliefs.

The people of Texas need more than just a vote in the U.S. Senate—we need a strong, independent voice of leadership. With your help Bob Krueger can be that leader for Texas.

# KRUEGER OF TEXAS

INDEPENDENT DEMOCRAT FOR U.S. SENATE

Feb. 16 American Agriculture

Farmers have not received 100 percent of Parity since the Truman Presidency. Between 1946-52 THE FARMER AVERAGED 107 PERCENT PARITY. Under the next four Presidents the average of Parity dropped to 84 percent under Eisenhower (1953-60); 77 Percent under Kennedy-Johnson (1961-68); 76 Percent under Nixon (1969-74); and 73 Percent under Ford(1975).

Today the outlook is even worse. As of November 15, 1977 the indicators of Farm Prices show that the Farmer is now receiving only 66 Percent of Parity, the Lowest indicator in 44 Years.

✓ This movement is not just for farmers and ranchers, but for the economic well-being of every citizen in our county, state and country.

### USDA REPORT MID-NOVEMBER CROP PRICES RECEIVED AND PAID BY FARMERS

CROP	FARMERS PRICES	PARITY PRICE
Wheat	\$2.48	\$5.04
Corn	\$1.91	\$3.46
Soybeans	\$5.68	\$7.63
Sorghum Cwt.	\$3.15	\$5.78
Oats	\$1.14	\$1.74
Peanuts	\$20.04	\$28.06
Cotton UPL	52.3¢ Lb.	83.81¢ Lb.
Oranges Box	\$4.27	\$3.32
Hogs CWT	\$37.50	\$55.5
Cattle CWT	\$34.60	\$58.4
Calves CWT	\$37.00	\$68.2
Eggs Doz.	\$51.3	\$81.1

# Memphis Man Dies in Pickup Rollover Sun.

A 23-year-old Memphis man, Jerry Don Murdock, died about 5:00 a.m. Sunday, January 29, when his pickup went off the pavement on a curve of Highway FM 1574 and overturned. The accident occurred 17.3 miles southwest of Wellington.

Murdock was pronounced dead at the scene by Mrs. Beatrice McKinney, justice of the peace. He was alone in the pickup and was driving toward Memphis.

Highway Patrolman Herbert Duncan, who led the investigation, attributed the accident to excessive speed.

He said the distance from the point where the pickup left the pavement until it came to rest on its wheels was .2 mile.

It is believed the late model vehicle rolled over four times after it hit four reflector posts and skidded sideways, according to Sheriff John Rainey. Murdock was thrown from the cab.

His body was brought to Kelso Funeral Home.

Officers were notified of the

accident by Verdel Masten of Wellington, who came upon the wrecked pickup. Patrolman Duncan went to the scene, then called Sheriff Rainey and Deputy Jerry Settle.

Murdock was born in Memphis and graduated from high school there.

Funeral services were conducted at Travis Baptist Church Tuesday at 2:00 p.m. with the Rev. V.L. Huggins pastor, and the Rev. Melvin Hooten of First Baptist Church officiating. Burial was in Fairview Cemetery, Memphis by Spicer Funeral Home.

Survivors include his mother and step-father, Mr. and Mrs. Delbert Hightower of Memphis; a brother, John Carroll Murdock of Memphis; a sister, Mrs. Patsy Black of Memphis; two sisters, Carolyn Beck of Memphis and Diane Harns of Dallas; a grandmother, Mrs. Eula Moreland of Memphis, and grandfather, John Murdock of Amarillo.

# Cancer Society Field Worker Here Monday

Larry Phillips, of Amarillo, district field representative for the American Cancer Society, was in Wellington Tuesday, January 31, contacting officers of the Collingsworth County unit.

This work is preliminary to initiating plans for the annual Cancer Crusade in April.

Mrs. Lynn Wright, education chairman said that kits designed especially for kindergarten through third grade have been ordered. The theme for this is "An Early Start to Good Health."

Mr. and Mrs. Lynn Fulcher are the parents of a baby daughter, Andrea Leigh, born Jan. 24. She weighed eight pounds six and one-fourth

ounces. Grandparents are Mr. and Mrs. Albert Fulcher, and Mrs. Dorothy Bybee.

Dallas Diane, daughter of Mr. and Mrs. Pete Cousins of Lamar, Colorado, was born January 24. She weighed eight pounds. Grandparents are Mr. and Mrs. Pete Ownbey of Vilas, Colo. and Minister and Mrs. P.M. Cousins, Sr. of Skellytown. She is the great granddaughter of the late Mrs. Nettie Terry.

Mr. and Mrs. Randy Reeder of Amarillo are the parents of a girl, Brandi Nichole, born January 19. She weighed six pounds and thirteen ounces. Her grandparents are Mr. and Mrs. Wayne Sanders of Oklahoma City and Mr. and Mrs. Stanley Reeder of Shamrock. Great-grandparents are Mr. and Mrs. Loyd Sutton of Wellington.

Mr. and Mrs. Shane Tarver are the parents of a daughter, Micha Dawn, born January 27. She weighed eight pounds five and one-fourth ounces. Grandparents are Mr. and Mrs. Joe Tarver and Mr. and Mrs. Glen Taylor. Great grandparents are Mr. and Mrs. B.F. Tarver, Vernon, Mr. and Mrs. Henery

Ross, Vernon and Mrs. Inos Taylor, Wellington.

Mr. and Mrs. Curtis Southerland are the parents of a son, Chad Aron, born January 27 in Collingsworth General Hospital. He weighed six pounds, eleven ounces.

He has a three-year-old brother, Bradley Ray. Grandparents are Mr. and Mrs. M.E. Watts and Mr. and Mrs. E.M. Bailey of McLean. The great grandfather is R.O. Pound of Edmond, Okla.

## District Federation President Visits Two Clubs Here Thursday

Mrs. Bill Reed of Stratford, who is in her second year as Top of Texas District president, Texas Federation of Women's clubs, will visit the 1924 Study club and Ko Shari Juniors Club Thursday, February 2.

This will also be the occasion of the 1924 Club's annual international luncheon in the Heritage Room, said Mrs. B.M. Sims, second vice president of the state federation.

As guest speaker, Mrs. Reed will have as her theme, "There to Dream-Work to Make it Seem."

This is in keeping with the national federation's theme, "Rise, Activate Dreams," and the host club's theme, "Community Dreams."

The club's course of study this year is "Reality Through Community Concern."

Mrs. Reed has been a teacher, and there are several Wellington residents who are her former pupils.

This is the district president's second visit to Wellington. Last year she visited the 1954 Study Club and Dodson Civic Club, and was feted with a coffee and

MRS. BILL REED

luncheon. In another part of the program, there will be a discussion of international foods and customs. Several members of the club have lived in other countries. Guests will be some of the town's newcomers and district board members.

## Shower Saturday Honors Nancy Graham, Bride to Be

Miss Nancy Graham, the fiancée of Tommy Manning of Amarillo, was the honoree at a shower given Saturday afternoon, January 28, in the home of Mrs. J.I. Morgan, 1212 Bowie St.

Joining her as hostesses were Mrs. Sam Thompson, Mrs. J.B. Wade, Mrs. Raymond Hodges, Mrs. Hubert Brooks, Mrs. Bob Hightower, Mrs. Carthel Lewis, Mrs. Art Kane, Mrs. Tommy Lewis, Mrs. Tommy Hightower, Mrs. Raymond Ford, Mrs. Walter Camp, Mrs. David Baumgardner, Mrs. Hezze Jones, and Miss Cynthia Brewster.

Mrs. Morgan received the

guests and presented them to Miss Graham, her mother, Mrs. Grover Graham, and her sister, Mrs. James Earp of Denton.

Mrs. Bob Hightower registered the guests at a table covered with a pink cloth. It was accented with a single red rose in a crystal bud vase.

The honoree's niece, Rachel Earp, displayed the gifts.

Afterwards, guests were served from a table covered with beige satin. The maline overlay was elaborately embroidered with white roses. Dark red carnations were used in the centerpiece and on each side were crystal candelabras, each holding three tapers. Hot

Do not cover turbine attic vents during winter months, cautions Glenda Moore, housing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Movement of attic air is necessary to remove unwanted moisture and prevent damage to insulation, she explains.

Make a "healthy" New Year's resolution to get more exercise, advises Carla Shearer, health education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Cider and tea were served from the silver service by Miss Penny Morgan.

Fifty guests called between two-thirty and four o'clock.

### Lillie HDC Club Meets

Mrs. Robert Barjenbruch was hostess and also program speaker when members of Lillie Home Demonstration Club met Thursday afternoon, January 26.

One portion of her program covered the HDC constitution and by-laws. Another portion cited citizenship responsibility in four areas recommended by the Home Demonstration Club Council.

programs, ERA and consumer awareness.

Mrs. Clinton De Armond was in charge of recreation for this meeting and also was appointed recreation chairman for the remainder of the year by the president, Mrs. Dudley Phipps.

Attending were Mrs. De Armond, Mrs. Elmer Haralson, Mrs. Jim Lowe, Mrs. Earl Hunter, Mrs. Mach Horton, Mrs. Hill, Mrs. Luther Gribble, Mrs. Wells, Mrs. Phipps, Mrs. Henry Langford, Mrs. Violet Potter, and the hostess, Mrs. Barjenbruch.

### Mrs. Ross FHA Speaker

The Quail Homemakers met Monday, January 23 at 7:00 p.m. in the Quail School Homemaking Department.

The members voted to give \$500 to the FHA to help complete the kitchens in the new building. They also voted to have the regular meetings in the Home Economics room.

Mrs. James Ross gave the program from Jerry Baker's

"Back to Nature Almanac." The February meeting will be a party planned by the social committee.

# United Methodist Women Host Conference President Feb. 11

Mrs. Carlton Thomson of Plainview, president of United Methodist Women for the Northwest Texas Conference, will be the guest of Wellington's First United Methodist UMW Saturday, February 11.

This general meeting of all groups will be held at 10:30 a.m. in the Heritage Room.

She has been invited to tell of her work as head of the women's work in an area that includes the entire Panhandle and extends east to Vernon and Seymour, and south beyond Abilene, the New Mexico state line forms the western border, and to the southwest, Midland is in the conference (but not Odessa).

Mrs. Thomson is the mother of the Wellington Church's new pastor, the Rev. Tom Thomson. She is also the daughter-in-law of a former pastor, the Rev. and Mrs. Hubert Thomson.

Some years ago, she lived in Wheeler, and is familiar with the Eastern Panhandle churches she serves.

This is her second year of a first term in office.

She has been active in women's work of all churches where her husband was pastor, Wheeler, Crosbyton, Abernathy, Dalhart, Borger,

MRS. CARLTON THOMSON

Abilene and Amarillo.

"This meeting is especially for women of the Methodist Church, but all others who are interested in the role of women in the church are invited," said Mrs. Jack Davis, one of those spearhead-

ing the plans.

"It has been years since we have had a visit from the conference president, and it is an unusual opportunity for a border city church to have their top officer to come,"

## B&PW Membership Goal For Coming Year Defined

Mrs. Rufus Sweat, member ship chairman of the Business and Professional Women's Club, was its program speaker Tuesday, January 24. Her subject was "Membership in Motion: Go, Go, Grow."

She urged that present members seek to increase their number during the year. The Wellington club has had 7 new members in this club year and will receive a certificate for equalizing the membership from last year. The membership goal for Texas this year is 10,000.

The B&PW Club Chorus sang a group of membership

songs and Mrs. Pearl Harwell read "Ten little B&PW members."

A Woman of the year pin was presented to Mrs. Truman Estes, by Mrs. Lynn Wright, who held the title last year.

Mrs. Estes will wear it for the remainder of the club year and 12 months from now will present it to the 1979 Woman of the Year.

The meeting was held in Bura Handley Community Center, with Mrs. Don Hendrix, first vice-president officiating. Mrs. Jack Lowry led the collect and Pledge to the Flag.

Present were Mrs. Goldie Barnett, Mrs. Pauline Bias, Mrs. Estes, Mrs. Bura Handley, Mrs. J.C. Hartman, Mrs. Pearl Harwell, Mrs. Ernest Harwell, Miss Myra Hays.

Mrs. Hendrix, Mrs. Jimmie Kelso, Mrs. Lowry, Mrs. D.R. McKinney, Mrs. Raymond Patton, Mrs. Dudley Phipps, Mrs. Sweat, Mrs. Emma Tate, Mrs. Ed White and Mrs. Wright.

Mr. and Mrs. Alvin Horton visited in Arlington last week to be with her brother, John King, who had major surgery in an Arlington hospital. They also visited their son, Mr. and Mrs. John Alvin Horton and John Ed.

Bill Howard, the son of Mr. and Mrs. W.F. Howard of Mobeetie, visited his grandparents, Mr. and Mrs. W.A. Gollighugh of Quail recently. He lives in Amarillo and attends Amarillo College.

## Mrs. Morgan Club Hostess

The Quail Friendship Club met Thursday afternoon, January 26, in the home of Mrs. Ira Morgan.

Mrs. Ben Ratliff presented the program by showing the slides on her recent trip to the Philippines.

Members present were Mrs. Orbie Hartman, Mrs. Roy Peggram, Mrs. Pat O'Hair, Mrs. John Bishop, Mrs. Monte Mitchell, Mrs. Virgie White, Mrs. Truett Stovall, Mrs. Ratliff and the hostess, Mrs. Morgan.

The first comic strip in a newspaper was "Yellow Kid" which first appeared in the Sunday color supplement of the New York Journal in 1897.

Fire ants spread at about 5 to 12 miles per year.

## Mrs. Davis added.

Mrs. Thomson grew up in Stephenville and Canyon, where she graduated from high school. She received a degree from West Texas State University.

She has held various local, district and conference offices in the church before she was elected president.

She and her husband will spend the week end with their son and daughter-in-law, and 18 months old granddaughter.

## D'Nae Keller Honored

Anna D'Nae Keller was honored on her seventh birthday January 28, with a "Let's Play Dolls" party given by her mother, Mrs. Elmer Keller.

Each little girl brought her own doll and they played together.

A hamburger lunch was served and gifts opened.

Attending were Shelly Thomas, Sharon Henard, Laura Campbell, Nancy Davis, Johnnie Settle, Crystal Naylor, and Wendy Rilev.

\$10.00 a year outside of trade territory

THE WELLINGTON (TEXAS) LEADER  
Thursday, February 2, 1978

AUSTIN—Movements are underway on several fronts to improve the state's income on billions of dollars in public funds it invests at interest.

—State Treasurer Warren G. Harding announced creation of a money management task force to review fiscal policies.

—A House cash management committee also is exploring steps needed to improve state earnings.

—The issue of state money management is a live campaign issue in the state treasurer's race.

In the interest of increasing income, Harding said he already has increased the percentage of funds invested at interest from 85.7 per cent to 88.3 per cent. The remaining 11.7 per cent is in demand accounts to pay outstanding bills.

If all outstanding state warrants came due at once, the Treasury Department would be \$113 million short of having enough cash to pay up immediately, the legislative committee was told. However, chances of an immediate demand on all outstanding warrants is remote.

The issue boils down to just how much ready cash the state should keep in non-interest-bearing accounts. Rep. Frank Hartung of Houston maintains studies show states can operate with only one to five per cent of their funds in "demand" (non-interest) accounts. But others feel that is cutting it a little too thin.

Other proposals for improved money management include consolidation of state funds held by agencies outside the treasury for investment purposes and pooling of local government funds under an investment expert's guidance. The latter apparently will prove too controversial for the study committee.

tee.

"I'm not going to have anything to do with telling a county how to run its business," said Rep. Bill Healy of Paducah, a committee member.

### Reagan To Visit

Presidential contender Ronald Reagan will campaign in Texas February 22-23 for four Republican congressional candidates.

The former California governor, on his first campaign swing through the state, will visit Longview, Garland, Lampasas, Brownwood, Abilene and Fort Worth.

He plans to give his personal support and endorsement to Frank Glenn in the East Texas fourth district, Tom Pauken in the fifth (Dallas) district, Jack Burgess of Waco in the 11th district and Bill Fisher of Abilene in the 17th district of West Texas.

Reagan will wind up his Texas visit at a \$50-admission reception in Fort Worth to raise funds for the state Republican party.

### Appointments Announced

Gov. Dolph Briscoe reappointed Durwood Manford Jr. to the State Board of Insurance for a term extending until 1983. Manford has served since 1961.

Robert R. Shelton of Kingsville was chosen chairman of the Texas Public Safety Commission and Charles D. Nash of Austin was sworn in as a new commission member.

Briscoe also reappointed James Willis Kirby of El Paso and Robert E. Layton Jr. of Tyler to the State Board of Registration for

### Amendment Pushed

A "Jobs for Texas" group already has started pushing for a constitutional amendment on the November ballot which would give local governments power to issue revenue bonds for industrial facilities.

The facilities would not be exempt from ad valorem taxes unless they are used exclusively for public purposes.

Competition is expected to get keener for industry in years ahead, and 46 other states already have the power sought by the amendment, Briscoe reminded the group at a meeting here.

### Courts Speak

A district court jury in Austin convicted former Supreme Court Associate Justice Donald B. Yarbrough of felony perjury.

Texas Supreme Court declined to require a libel suit defendant to reveal his sources of information. Former Dallas Assistant Police Chief Troy F. Moore filed the action against the author of a newsletter.

The Court of Criminal Appeals overturned the misdemeanor conviction of a Houston taxicab driver on charges of carrying a handgun, holding a policeman may not detain a person "on a hunch" he is doing something wrong.

### WAGON YARD IMPORTANT TO TOWN

This view of Wellington, probably made in the early or middle 1920s, looks toward the southwest, and was taken from a point north of the Katy Railroad track. The O.K. Wagon Yard, with Wellington, Tex. lettered on the roof, was owned by a Mr. Maddox and the near corner is at 7th and Amarillo Streets. It stood into the 1930s. At one time the building was used as a dog pound. The wooden elevator, to the right, was bought by J.B. Stevenson in the fall of 1921, and he moved his family here from Ft. Worth in May 1922. He operated it about two years and now refers to it as "a white elephant." He sold it to a Dallas company. The two-story white wooden building above and left of the wagon yard was the Wilkerson Hotel. West Ward School is on the horizon at right. Jones Singley remembers that the Katy trains stayed overnight at this location. The white roof visible over the freight cars at extreme right was the coal house of Singley Mill and Elevator, located farther to the right outside the picture. This picture belonged to the late G.B. Hite and was furnished to The Leader several years ago by his son, the late Bruce Hite.

## More Farmers Trips to Washington Needed in Future

Through the American Agriculture movement, farmers—including those from Collingsworth—have learned they can go to Washington and look congressmen from anywhere in the country, and their aides, in the eye and talk about farm problems. This is something farmers have never done before.

When the parity issue is settled, the clout gained by American Agriculture must not be dropped. We will still need groups of farmers to go to Capitol Hill and speak out on farm problems. As an example, it is one thing to agree among ourselves the Department of Agriculture is not doing its job in selling farm products abroad, but it is something else to sit across the desk from someone in a position to act and tell him what farmers need, backing it up with facts.

Rolling Plains Cotton Growers, Inc., recently pointed out several serious problems affecting cotton farmers (excluding over-production and weak price structure). Some of these are:

- Labor: The House has passed HR 8410 which gives unions more clout. Early next session the Senate will take up S 1883. If passed, it would open the floodgate for unionization of the sunbelt. George Meany has said as much.

- Cotton Dust: Pending OSHA decisions on cotton dust standards could very well be a deciding factor as to whether cotton remains a viable industry. Capital outlay for dust control equipment (not even developed as yet) could make the cost of ginning, compression and down-the-line processing so expensive that end-users would be forced to go to other fibers.

- Flamability standards: Flamability continues to be a major issue. As cotton growers see it, the standards favor synthetic fibers. If the standards applying to children's wear are extended to cover all apparel, the end result would mean a loss of two to three million bales of cotton in the domestic market.

- OSHA: OSHA standards regulating noise and farm safety will force continued increases in cotton production costs.

- Reclamation Act. of 1902: The Secretary of the Interior has made an interpretation of the Act that sets a legal precedent for any and all projects that involve the corps of Engineers. Some believe that unless changes are made, the interpretation of the act itself, we would possibly be facing "land reform." Others go so far as to believe that if a foot gets in the door, authority might in the future be broadened to include any land that has received any federal assistance for such things as tanks, land leveling, waterways, terracing, etc. Encroachment has a way of growing.

There will be plenty of problems to go to Washington on. The young men there now have know-how and facts. They and their kind will be needed at the seat of our nation's government for a long time to come.

### Other Editors Say . . .

## Take Off The Lid

There was a meeting several months ago of the world's top geologists, engineers, economists and other scientists, who concluded that the Carter administration's prediction of an early end to the oil and gas era is premature.

Instead of the world exhausting its oil and gas in 30 or 40 years, this international conference, meeting in Austria, said there is enough for at least 200 more years.

And that projection includes only those natural deposits that can be recovered under pressure with advanced technology, not the synthetic crude that can be extracted from oil shale and tar sands.

Even the Soviet scientists, who were present at the meeting, were far more optimistic in their estimates than Carter's energy advisors, most of whom wouldn't know an oil rig from a peanut farm.

The basic problem is not that we have an energy shortage but rather a capital shortage.

Extracting tomorrow's energy from today's known sources will cost more than ever before.

The oil industry has been proclaiming this for some time but have been looked upon with suspicion by the Carter crowd and the anti-oil spokesmen such as Senator Scoop Jackson.

The fact remains that it costs more and more to drill and develop oil and gas wells. Anyone familiar with the oil industry in our own area, for example, knows that the price of drilling a well has risen rapidly from \$3 a foot to \$10, to \$20, and even \$30 per foot in just the past three years. Other drilling costs have zoomed, as the cost of labor, drilling mud, pipe, supplies, has risen rapidly.

If the government would give the oil industry a little more room to operate instead of concentrating on choking it down to bureaucratic size, we might feel more confident about future energy supplied. The Perryton Herald

# WHS Teams Open Second Half at Clarendon Friday

Wellington Skyrockets and Rockettes travel to Clarendon Friday night, Feb. 3, for the second game of second half of district play.

Memphis Cyclones won the first half of the district, with a 4-0 record.

"They are probably the best team in this area of the Panhandle," said Coach Robert Hicks. "In Class A, I don't see anyone around who can play with them on a good night."

Clarendon was second with a 3-1 record; Wellington came in third with 2-2; Claude fourth with 1-3 and Shamrock

fifth, recording 0-4.

The Rockettes won the first half of the 2-A play.

The Clarendon game will be a close one, Coach Robert Hicks predicts.

The Skyrockets defeated Clarendon. "They have a big club and we didn't play very well the first time we met," he added.

Coach Hicks' Skyrockets do not have a senior. The four juniors include Jon Sessions, Ricky Jones, Charles McIntosh and Carl Taylor; sophomores are Robert Powell, James Thomas, Marty Warrick and Dane Dodge. The

two freshmen are Tim Anderson and Lennie Archie.

Neither do the Rockets have much height. "We're shorties," Hicks describes the team.

At 6-2, McIntosh is the tallest Rocket. Sessions and Dodge are the only other players who can top 6'.

## Thomas Nursing Center News

We have more residents joining our volunteers for games on Monday afternoon. Mrs. Sarah Harris was last week game winner.

It's a familiar scene on Tuesday afternoon to see a happy group of residents gathering around the piano to sing some of their favorite hymns with Mrs. Jack Davis and Mrs. Johnnie Parker. We are grateful to the

Collingsworth County Ministerial Alliance for the provision that make for our Bible studies on Wednesday and worship services on Sunday. Last Wednesday Rev. Darrell Feemester of Samnorwood brought our Bible study. The Church of Christ children and leaders continue to sing on Wednesday evening. We are especially happy about their new Joy bus.

Thursday afternoon was the highlight of the week when we honored those having birthdays during January. Those were Mrs. Claudia White, Mrs. Bertha Cleveland, Mrs. Vera Roberson and Otis Roberson. Rev. and Mrs. Darrell Feemester presented a program of gospel selections. Cookies and punch were served by Mrs. Dorothy Darrow, Mrs. Leta Wischkeamper, Mrs. Sam Carter and Mrs. Marilyn Jesse from the Samnorwood Baptist Church.

Another very faithful group to sing for us is the Lighthouse quartet. They are here each Friday eve. rain or shine.

Sunday morning worship was conducted by Tom Anderson, Minister of Church of Christ.

Sunday afternoon worship was conducted by Rev. Jeff Messer from Quail Baptist Church.

Our visitors were: Visiting Mrs. Jonnie Franz were her brother, Mr. and Mrs. Bruce Gibson, a sister, Mrs. Curtis Tunnell and pastor, Rev. and Mrs. Jack Hutton from Turkey.

Mr. and Mrs. Boyd Reeves visited his sister, Miss Opal Reeves. George Calvin Cristy from Seminole visited his mother, Mrs. Ethel Cristy.

Visiting Mrs. Audie Miller were her son, Mr. and Mrs.

Paul Stallings from Hollis. Mrs. Majorie Wolfe from Amarillo visited her brother, Bill Turner.

Bill Richards from Pampa recently visited Frank Boss. Mrs. Gladys East from Childress recently visited her husband, Eastal East.

Visiting Mrs. Mattie Childress were her aunt, Mr. and Mrs. Clovis Young from Pampa.

Lamesa. They also visited Mrs. Martha Reeves and Mrs. Grace Johnson.

Visiting Walter Gentry were his sister in laws, Mrs. Ola Tinney, Miss Opal Boyles and Mrs. Virgie Atkinson from Pampa.

Mrs. Carrie Boykin from Childress visited her mother, Mrs. Catherine Bennett.

Mrs. Maude Self from Chickasa, Okla. visited Mrs. Recie DuBose, Mrs. Mattie Childress and others.

# Contract of School Head Extended

Samnorwood School board, in a January 9 meeting, gave Supt. Rex Peoples two additional years on his contract, extending it through the 1979-80 and 1980-81 school years.

On January 16, in a special meeting, the board hired Sandra Martindale as school assessor-collector and bookkeeper.

At this same meeting, James Martindale resigned from the board, and Gary Oldham was appointed to fill his unexpired term.

Mrs. Martindale will begin her duties March 1, and until then she is working at the

office of the county tax assessor to learn its procedure. After that time, her office will be in Samnorwood.

She is also training in the county superintendent's office, learning bookkeeping procedures preparing for that office closing December 31, 1978.

"We hope by tax collection time that she will be ready and have everything set up here for the collections," said Mr. Peoples.

"She will be required to become a certified tax assessor-collector and will be required to attend various schools, throughout Texas for this certification.

"The board and I are very pleased to acquire her services. We had 13 applications from some very qualified people."

In the February meeting, Mr. Oldham will be sworn in and the principal and coaches hired.

## Two on Tech Dean's List For Semester

LUBBOCK--More than 4,000 students at Texas Tech University qualified for the deans' honor rolls in the six colleges during the fall semester.

Among them were two from Wellington.

They were Juliana Baumgardner, daughter of Mr. and Mrs. David Baumgardner, and Suzanne Castleberry, daughter of Mr. and Mrs. Bobo Castleberry.

To qualify for a dean's honor roll a student must have a grade point average of 3.0 or more on a 4.0 scale and must have taken as many as 12 semester hours of work.

Help Keep Wellington Clean.

**You can BANK on it!**

By **BILLY MOSELEY** President

**CITY STATE BANK**

The Good Book says, "A good name is rather to be chosen than great riches."

This not only is good moral advice, it's practical as well. Because with a good name, riches often are available - at least for temporary use. Few of us could manage a home, a new automobile, or other major purchases without credit.

Credit can be your greatest friend - or your worst enemy. A small group of Americans, 4% to be exact, presently are in "financial difficulty" because they never learned how to master credit spending. One of the tragedies of credit abuse is that many who overextend themselves are not chronic spenders - they are young people who begin to use credit for necessities and then luxuries, forgetting they are spending real money.

If you need credit, or if you have questions concerning how much credit is wise for you, ask any of our officers. When they advise you on matters of credit... you can BANK on it!

"We want to"

# Kloette Camp Plays In Piano Festival

Kloette Camp, a piano student of Mrs. Sam Thompson and a senior in Wellington High School, participated in the second annual piano festival at Western Oklahoma State College, Altus, Saturday, January 21.

She received a certificate of achievement with superior plus rating.

Miss Camp played Grieg's "To Spring."

Participants were judged on details of performance that included rhythmic accuracy, note accuracy, tempo, dynamics, balance, phrasing, expression and others.

On all these Miss Camp

received satisfactory rating, the higher of the two that could be given.

Of poise and control, Lydia H. Gatling, the adjudicator, wrote "Lovely!" Then she added:

"Marvelous--you are a talented young lady...I'll look forward to hearing you again."

Miss Camp is in her 9th year of piano study. Seven of these were with Mrs. John C. Harper. She also studied organ one summer with Mildred Cummins of Hollis.

The daughter of Mr. and Mrs. Walter Camp of Dodson, she is pianist and organist for the Dodson Nazarene Church.

KLOETTE CAMP

## Jimmie Saied Wins Two Sales Trips

Jimmy Saied has won two trips to the Bahama Islands as sales awards with Mr. Quick, a company for which he has been employed since October.

The first was a 5-day incentive trip, in which he and other new salesmen traveled by boat to the Bahamas.

Over this week end he flew to Freeport, Bahamas, a trip he won as top salesman from a staff of 35.

He told his parents, Mr. and Mrs. Mack Saied, Jr., by phone that he and the second ranked salesman were at the Bahama Princes hotel and enjoying 73-degree weather.

His company, Mr. Quick, sells all-purpose cleaning compound by the same name. Salesmen contact business houses in each of the cities in which they work.

Since joining Mr. Quick in October, Saied has worked in Houston, Baton Rouge, La., Mobile, Ala., Jackson, Miss., Memphis and Nashville, Tenn., Ft. Lauderdale and now Tampa, Fla.

# Rockets Defeat Claude 58 to 56 in Overtime

Wellington Skyrockets won the last game of the first half of district play, defeating Claude 58-56 in overtime. The game was played in Rocket Gym.

The score was 54-54 at the end of regulation play. Claude was ahead by two points when Wellington got the ball with 14 seconds to go. With only 6 seconds left, Jon Sessions was fouled but held his composure on a one and one situation to tie the game. Carl Taylor hit two important baskets in overtime, under pressure to

give the Rockets their win.

Taylor shot from the corner to make the first score in overtime. Claude then put the ball through the basket. Wellington waited for a good shot, and with 10 seconds left, Taylor scored again. Claude also had one more shot before the buzzer sounded, but missed it.

The first quarter was about even with Wellington leading 13-12 at the first period, and at half time the Rockets were ahead 30-24. The third one was cold for the Wellington

boys, who scored 8 points while Claude put in 18. They came from behind in the fourth and with 6 seconds left and Wellington in possession, Jon Sessions was fouled. He held his composure and on a one and one situation, tied the game.

This was Taylor's best night all year, and he came through with 21 points. Charles McIntosh scored 13, Sessions and James Thomas 11 and Robert Powell two.

Powell, who has been starting, has had a strained knee and out of action for about a week. Thomas came in and filled the place well in the last two games. Powell is about ready to go again, said Hicks.

# Keep Dogs at Home, Tagged, Rainey Says

The sheriff's department is finding itself with dog troubles again. The problem is the same: too many untagged dogs that are allowed to roam.

"We urge people to keep their dogs at home and keep them tagged, or we will have to destroy them. We are having calls continuously," said Sheriff John Rainey.

These complaints range from dogs turning over trash barrels to dogs that bite both children and adults.

"It seems people don't want you to bother their dogs, but they don't want to keep them up or keep them from bothering other people," Rainey added.

Wellington's dog population

is growing, and some of these have no owner. Some have owners who do not keep them tagged or take care of them, he pointed out.

This leaves the sheriff's department with no choice but to kill these untagged dogs when complaints are made, although they may be pets.

# Junior Class Has Potluck Supper

The Junior Class Potluck Supper, will be held Tuesday, Feb. 7 from 4:30 to 6:30 p.m. Elementary School Cafeteria. Adult tickets are \$2.50 and 6th grade students and under, \$1.75. Money is used for junior-senior banquet and senior trip next year according to Teresa Hodges, class reporter.

# Proclamation

WHEREAS, heart attack, stroke and other forms of cardiovascular disease will kill more than 950,000 Americans this year, and

WHEREAS, this total exceeds all other causes of death combined, and

WHEREAS, more than five out of every six of these victims die of heart attack or stroke, and

WHEREAS, cardiovascular diseases will cost the nation over \$28.5 billion this year in lost output due to disability and medical expense, and

WHEREAS, the American Heart Association's relentless battle against this American epidemic has helped reduce the death rate from these diseases through advances in research, prevention, treatment, and rehabilitation,

NOW, THEREFORE, I, Bill Hatch, Mayor, proclaim the month of February as Heart Month in Wellington, and urge all citizens to support the campaign of the American Heart Association in its fight against our country's number one killer.

# 8th Grade Teams Win at Shamrock

Wellington eighth grade girls won first place in the Shamrock junior high tournament, defeating Wheeler. The Firecrackers, boys team, placed third.

The event was held Thursday through Saturday, Jan. 26-28.

Melanie Pendleton won a place on the girls all tournament team and Calvin Culpepper on the boys all tournament team.

Wellington girls won their first game over Samnorwood Thursday afternoon, then squeezed by Memphis by two points in the second.

They were victorious over Wheeler 31-21 in the finals.

# 7th Grade Girls To Play Memphis

Seventh grade girls basketball team will travel to Memphis Thursday, Feb. 2, to meet their 7th grade team.

"They have a good team," said Coach Ronnie Glenn. "They have played only one game and that was with Shamrock who beat them. We also played Shamrock and beat them, so you never can tell, but we look for a good game."

The boys 7th grade team will not play Thursday.

The Firecrackers also played Samnorwood in the first round and won 41-15.

They lost their second game to Childress 39-27. Meeting Kelton for third place, Wellington won 43-34.

# Seventh Grade Plays Memphis

Wellington Junior High 7th grade boys lost to Memphis 7th grade 34-17 Monday evening, Jan. 30.

Wellington boys worked together and put up a good defense during the first quarter and were down only four when it ended. During the second period, Memphis started getting their game together, and Wellington was down 8 at halftime.

By the end of the third, Wellington boys had pulled to within two points of their opponent, 18-16, but the fourth period was all Memphis.

"They have a real good team, bigger than we are," said coach Ronnie Glenn.

Scoring for Wellington were Wade Williams, Ricky Martinez, Darren Hall and John Paul Munn.

Seventh grade girls did not play Monday.

## Card of Thanks

May we express our sincere appreciation to all of you who were so helpful to us during the illness and at the passing of our loved one. The words of sympathy, the visits, the flowers and food were deeply appreciated.  
The family of W.A. Colson

"Thank You" for the expression of love and sympathy shown by all our friends and neighbors who spent many hours with us in the hospital, who sent cards, food and flowers, and for many calls we received at the illness and death of our loved one. Your thoughtfulness will always be cherished.  
The family of Andrew Powers  
Abigail Sanders

REV. S.L. YIELDING

## Camp Manager Begins Work At Panfork Baptist Encampment

The Rev. S.L. Yielding recently was appointed camp manager of Panfork Encampment and is now at the grounds ten miles northeast of Wellington to begin repair work.

Mrs. Yielding, a teacher in the Brownfield Schools, will join him at the end of the term.

His coming to Panfork is the first part of a plan that will include expansion of the camp into a year-around facility which will be open to groups outside the Baptist Churches.

The camp presently serves five Baptist Associations which cover most of the Panhandle.

Rev. and Mrs. Yielding participated in around-the-world crusades for the Baptist Church. These have taken them to Spain, Mexico and Guatemala. He has also conducted crusades in El Salvador, Sri Lanka (Ceylon) Korea and Chile.

Rev. Yielding grew up at Gatesville and was ordained into the ministry of the Baptist Church in 1948 at Grandfalls. He received a B.S. Degree in religion from Howard Payne University, Brownwood in 1956.

A pastor for 27 years, he served churches in the Oklahoma Panhandle, Central

## Campbell Joins Legal Staff of Pioneer Corp.

Jim Campbell has been named an attorney on the legal staff of Pioneer Corporation, Amarillo. He will be in general corporate practice.

In mid-December he completed an enlistment in the U. S. Navy where he held the rank of lieutenant, and he and his family returned to Wellington from Jacksonville, Fla.

Pioneer Corporation is the parent company of Pioneer Natural Gas Co., which engages in buying, selling and transporting natural gas.

A widely diversified company, it has one subsidiary which produces coal, another which distributes construction equipment and a third which exports oil field equipment.

In a joint venture with other companies, it deals in uranium products. Still another subsidiary has interests in liquid by-products of natural gas, such as butane and propane.

Campbell is the son of Mr. and Mrs. Cliff Campbell and graduated from high school as valedictorian of the 1967 class. He also graduated from Texas Tech University in 1971 and Vanderbilt University Law School in 1974. He entered the Navy after passing the Texas Bar Examination.

His wife is the former Micky Ann Kendrick, daughter of Mr. and Mrs. Mickey Kendrick. They have two sons, Stewart, four and Paul, one.

Heart attack and stroke will kill about 850,000 Americans this year. Thousands of these deaths could be prevented by knowing and recognizing the early warning signals.

Oklahoma, Central Texas and the South Plains. His last pastorate was at Welman.

Mrs. Yielding, the former Vella Mae Cooper, also grew up at Gatesville and graduated from Howard Payne in 1958. She has done work toward her masters at Texas Tech.

They have two daughters,

## Lunchrooms

Mrs. Dub Holley of Lubbock and Mrs. Barry O'Brien of Lamesa. They have two grandchildren.

## Aubrey Poff, 83 Dies in La.

Aubrey Poff, 83, of Denham Springs, La., formerly of Wellington and Tulia, died Friday, January 20. Services were held at Denham Springs and another at Tulia in Trinity United Methodist Church with the Rev. Roland Moore, pastor of Vigo Park Methodist Church and the Rev. James Willborn, Trinity pastor, officiating.

Burial was in Rose Hill Cemetery, Tulia. Mr. Poff was born at Whitesboro and came to Wellington with his parents in 1907. He moved to Tulia in 1920 and to Denham Springs 8 years ago. He was a Methodist and a retired farmer.

Survivors are one son, John L. Poff of Denham Springs; two sisters, Mrs. Willie Sanders of Tulia and Mrs. Mary Belew of Wellington; 5 grandchildren and four great grandchildren.

Attending the Tulia service from here were Mrs. Belew, Mr. and Mrs. Kenneth Patterson and Alton Belew.

## Fred Patterson Retired Farmer, Dies Saturday

Fred Patterson, prominent retired farmer, died at his home eight and one half miles east of Wellington at 11:20 p.m. Saturday, January 28.

He was 84 years of age. Although he had been in ill health, his death was unexpected.

Funeral services were conducted Monday at 2:30 p.m. in the Nazarene Church, with the Rev. J.D. Henson, pastor, officiating. Burial was in the Dodson Cemetery under the direction of Guy Owens Funeral Home.

Pall bearers were Otis Emmert, Oral Bishop, C.O. Wilkerson, Gene Daniels, Joe Harris and George Scott.

Mr. Patterson was born March 22, 1893, in Batesville, Ark. the son of the late Mr. and Mrs. Doc Patterson.

He was married to Miss Lucy Greenfield October 15, 1916, at Batesville, and they came to Collingsworth County in 1923 and settled in the Kelley community, where Mr. Patterson continued to live. He was a member of the Wellington Nazarene Church.

Surviving Mr. Patterson are one daughter, Mrs. Elvis (Betty) White of Clarendon; two sons, Fred Lee Patterson and Harry Lowell Patterson of Wellington. There are four

## Tax Forms At Library

Mrs. Clara Mote, county librarian, announced that income tax forms may be picked up at the Library.

## PROTECT your home!

Check your homeowner's insurance policy for adequate coverage. The cost of replacing a house and its contents damaged by smoke and flames has increased over the past few years. Make sure that you have enough insurance to pay for rebuilding your home if it burned down today!
