Major Car Manufacturers Show New 1970 Models This Week End

The General Motors and Ford Motor Co. line of automobiles will go on display in dealers showrooms this week end and Chrysler will have their showing next week.

Chamberlain Motor Co., one of the largest volume dealers in this area, will feature various models of Cadillac, Buick, Oldsmobile and Pontiac. A majority of models of all four lines have been restyled and re-engineered, states F. E. Chamberlain, owner. Chamberlain Motor Co. will be featuring music and refreshments from 4 to 9 p.m. Thursday, Friday and Saturday at their showroom.

Alderson Chevrolet will be showing another General Motors line, the 1970 Chevrolets. The Monte Carlo, new personal luxury car, headlines Chevrolet's new models for '70, Gene Alderson stated. Chevrolet has a variety of cars and options which allow each buyer to custom tailor his or her personal transportation, he added. Alderson Chevrolet is featuring free refreshments and inviting the public to enter Chevrolet's computerized sweepstakes.

Palmer Motor Co. will be featuring the Ford line of autos. This line is highlighted by the all-new Torino, Thunderbird lines and new ultra-luxurious LTD Brougham series, stated Ray Palmer, local Ford dealer.

Make the rounds and see all the new models that will be on display today. It's an exciting time of year as practically everyone is interested in seeing what big changes have been made in all car makes.

DATE SET FOR CHS EX-STUDENT REUNION

The annual reunion of Ex-Students of Clarendon High School will be held November 7-8, the officers of the Ex-Students Association announced the past week. Plans have been made for a fun-filled and interesting schedule of events.

Details in regard to the full program of activities will be announced later. Just mark the date on your calendar and start making plans now to be present.

COMPLETES TOUR OF DUTY

S/Sgt. Glenn Judd has just returned home after completing two years in the U. S. Armed Forces. He served one year of active duty in Vietnam and was awarded two Purple Hearts, the Silver Star, and various other awards while there. He was then stationed at Ft. Dix, New Jersey as a Drill Sergeant. Glenn is planning on entering training to become a commercial pilot.

Misses Edgar Mae and Mable Mongole visited Sunday night and Monday morning with Mrs. Marguerite Goodner in Amarillo.

Clarendon Rest Home Now State Licensed

The Clarendon Rest Home, 819 Gorst Street, Clarendon, was accepted as a member of the Texas Nursing Home Association by the TNHA Executive Board at their September meeting in Austin, Texas. Opal White will serve as the representative of the home in TNHA activities.

By becoming a member of the Texas Nursing Home Association, the Clarendon Rest Home has agreed to abide by the TNHA Code of Ethics and to join with the state organization in its efforts to raise nursing home standards and to improve patient care in Texas.

TNHA is the professional association of licensed nursing and custodial care homes in Texas. Its membership is made up of proprietary and non-profit homes. All members of TNHA are also affiliated with the American Nursing Home Association.

The areas of activities in which TNHA engages include information, education, publications, representation, public relations, and many others. TNHA's prime objective is to work for the professionalism of nursing home personnel with the care of the patient as the ultimate consideration.

West Texas Buffs Open Season Sat. Nite, Sept. 20

The West Texas State University Buffaloes open the 1969 season at Buffalo Bowl Saturday evening, September 20. Game time is 8 p.m. Their opponent for the opener this year will be Northern Arizona University.

Northern Arizona University was formerly Arizona State of Flagstaff. The Lumberjacks engaged California Poly last Saturday and won that game 38-7 at Flagstaff.

The Buffs, entering their 10th season under the direction of Coach Joe Kerbel, return only four starters offensively from last year's team but have promising replacements.

Leading the offense is All-American candidate, Duane Thomas, fullback. Olan Thompson and Rocky Thompson (no relation) will fill the halfback slots and Pooky Redic will be at the quarterback post.

The defense boasts eight returns including defensive backs, Billy Lantow and Gary Conner, and Ralph Anderson and Raymond Brown at safety.

Get in on this season's play in Buffalo Bowl by attending the first game and following thru the season. Tickets may be purchased locally at the Farmers State Bank or may be bought at the gate prior to each game.

Lake Creek Project Found Not Feasible By Review Team

By Monty Sowers, S.C.S.

The field review team which examined the Lake Creek Watershed for PL-566 assistance last week found that a project on the creek could not be justified from an economic standpoint.

The review team looked at the entire watershed area and assessed the benefits to be derived from structures, against the cost of the structures, and found that protection would cost about $500. per acre for each acre protected. This makes the cost prohibitive. In order to be feasible a project must return approximately $1.20 of benefits for each dollar spent. This watershed would only return about $.50 for each $1.00 spent.

These findings were not in any way meant to decrease the severity of the problem. The entire team was quick to admit that the problem is a large one and the damages severe. Under the existing criteria however, unless the above economic conditions can be met, Public Law-566 funds cannot be justified.

One of the most important parts of a PL-566 project however, is the proper treatment given to the drainage area by the local farmers and ranchers. A very large percentage of the erosion and sedimentation in this watershed can be eliminated by the local people without PL-566 assistance. Of course when an extremely large rain occurs there will be flooding and there will be damages, and there is nothing man can do about this. However, if the grasslands are not overgrazed and the cropland is adequately protected by terraces, waterways , diversions, etc., then the frequency and the amount of these damages can be drastically cut. These practices which make up sound land treatment are the back-bone behind a PL-566 project. Unless proper land treatment exists a project could not have started even if it had been feasible.

The SCS and the Donley County Soil and Water Conservation District have been working for many years with the local farmers, trying to get these needed practices applied. We will continue to do so, and when a substantial amount of these have been established, flood and sediment damages in Lake Creek will have been redhced.

TECH FOOTBALL SEASON OPENS SATURDAY, SEPTEMBER 20

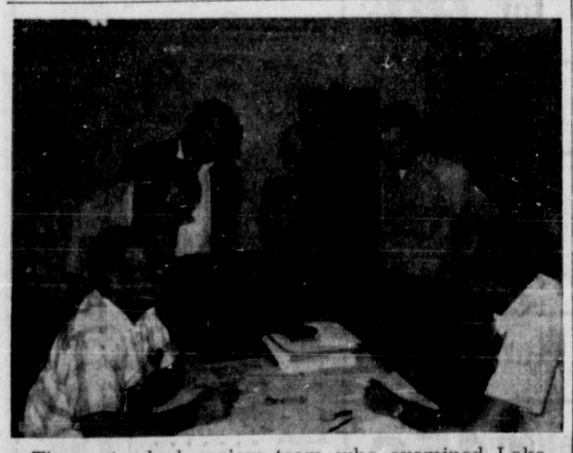

The Texas Tech Red Raiders open the 1969 season Saturday night at Jones Stadium in Lubbock with game time set at 7:30 p.m.

The crimson and blue Jawhawks of Kansos from Lawrence, Kansas, coached by Pepper Rogers, a Georgia Tech star of 1954, will be the Raiders first opponents. This team is expected to be a big contender for the Big Eight title this year having shared the title with Oklahoma last year.

Coach J. T. King of the Raiders has been working to overcome his biggest problem, lack of experience in the offensive line. Things are looking up in this area and though the Raiders lost 17 lettermen, quality players are back, and a definite improvement has been shown in the passing game.

The Raiders and their staff of coaches invite you to attend their games and follow them through this season's play.

QUALITY JOB PRINTING AT THE LEADER

The watershed review team who examined Lake Creek Watershed last week—left to right: Herman McGill, SCS Hydrologist; Leland Barnes, Engineer for the State Soil and Water Conservation Board; Jack Ferrier, Economist for the River Basins Survey; Paul Gillette, Texas Water Control Board; Monty Sowers, District Conservationist, Clarendon; and Bill Snyder, Economist for the Soil Conservation Service.

Farm News

from County ASCS Com.

1970 Wheat Program

The 1970 Wheat Program provisions are similar to those in effect for 1969. The program remains voluntary. Domestic marketing certificates will be paid on 48% of the projected production on the allotted acres to producers on complying farms. The required minimum diversion is 30.3 percent of the 1970 allotment. You may set aside the 30.3 diversion and still plant your full allotment. You may divert an additional amount up to one half of your farm allotment and earn diversion payments. Small farms with allotments of 19.2 acres or less may divert the entire allotment and receive payment. Substitution between wheat and feed grain will be continued for 1970 on those farms enrolled and complying with both the feed grain and wheat programs. Whether barley will be included in the feed grain program in 1970 will be determined and announced later.

Committee Election

Ballots will be counted on September 19. On September 24, 1969, at 10:00 a.m., the newly elected community committee will hold a county convention to elect one member and two alternates to the county committee. The term of H. A. Green is expiring.

Diverted Acres

No grazing on diverted acres will be permitted before October 15, 1969.

CHS SENIOR CLASS PLANS MUM SALE

The Senior Class of Clarendon High School completed final plans for the sale of Mums for Homecoming October 10 at their class meeting Tuesday morning. Large mums this year will sell for $3.50. The small mums will sell for $2. Contact any member of the Senior Class for a mum to wear to this year's Homecoming.

The Seniors have hired a band, the "Rioteers," to provide music for the Homecoming Dance to follow the football game the night of October 10. Dancing will be from 10:30 p.m. to 12:30 in the High School Cafeteria.

Seniors will also be selling mums for the Ex-Student Reunion to be held November 7, stated Candy Skelton of the Senior Class.

DENNIS STEWART RETURNS TO CIVILIAN LIFE

Dennis Stewart, son of Mrs. J. G. Stewart of Clarendon, received his discharge from the U. S. Armed Services September 8 and arrived home September 10th after three years of duty, one of which was spent in Vietnam. Since his return to the states he has been based at Ft. Lee, Virginia.

Mrs. Faye Scoggins left for her home in Phoenix, Arizona this week after spending several weeks with her daughters, Mr. and Mrs. G. W. Estlack of Clarendon and Mr. and Mrs. L. T. Whitlock of Amarillo.

FRIDAY—Hamburger on Bun, Lettuce, Pickles, Onions, Potato Chips, Fruit Pie, Milk.

Leader Out-of-County Rate $5.00

Aldersons Enjoy Trip To Mexico City As Chevy Award

Mr. and Mrs. Gene Alderson returned home Sunday night from a trip to Mexico City. The trip was an award made Mr. Alderson as a result of Chevrolet sales during the months of May and June.

The Aldersons left Amarillo Thursday morning for Dallas where they boarded a plane joining Chevrolet dealers from eight regions over the United States. The group enjoyed staying at the Camino Real in Mexico City and sightseeing and entertainment from that point.

Included in the many delightful activities was a party at the Hacienda De Las Morales, a restored nineteenth century hacienda. Entertainment there was Latin. A tour was made of the Pyramids of San Juan Toetihuacan which are over 1000 years old, and the Temple of Quetzalcoatl.

Lunch one day was enjoyed at a Bull Ring restaurant where members of the party were encouraged to fight the bull and much fun developed over this experience as a very young, immature animal was turned into the ring. A visit to Our Lady of Guadalupe Shrine was made. This is where the vision of the Virgin was supposed to have been seen in the sixteenth century.

Other attractions included a night at a typical Mexican gourmet restaurant, a visit to the Archeological Museum where all of the cultures of Mexico thru the centuries are housed; a drive thru Chapeltepec Park where trees older than the California Redwoods may be seen; Maximillian Castle; the Olympic Grounds of 1969 at the University of Mexico; shopping, and a tour of Xochimilco Gardens.

The flight home was begun Sunday afternoon. Included in this tour of Chevrolet dealers were 100 couples, the ninth group to tour this year as a company award.

Colts Take Opener From Lefors Here Thursday Night

The Clarendon Junior High Colts coached by Pete Bromley and Jack Hall were victorious in their game with Lefors played in Broncho Stadium here Thursday night of last week. The Colts tallied 18 points to Lefors' 0.

Touchdowns were made by Stan Shelton, Allen Harper, and Kenneth Reese.

Prior to the game and at Pep Rally Thursday afternoon Cheerleaders Kim Newhouse, Shauna Hardin, LaRhonda Peoples and seventh graders Jennie Barbee and Pat Trout presented a fine skit.

The Colts and their coaches appreciate the support given them in their game Thursday of last week and invite you all to accompany them to Wellington this Thursday, tonight. Game time is 7:30 p.m.

COLT '69 SCHEDULE

Sept. 18, Wellington, there
Sept. 25, Wheeler, there
Oct. 2, McLean, here
Oct. 9, Claude, there
Oct. 16, Silverton, here
Oct. 23, Wheeler, here

The last four games are in conference play.

MAXEY OSBURN RECEIVES DISCHARGE FROM SERVICE

Maxey Osburn arrived back in the United States from Germany and received his discharge from the service September 10. He arrived in Clarendon September 16.

Maxey has spent three years in the U. S. Army with more than two years of this time served in Germany.

TYPEWRITERS & ADDERS AT THE LEADER

Funeral Services For W. T. Link Held Sunday

Funeral services for William Thomas Link, age 83, an Attorney in Clarendon since 1911, were held at 2 p. m. Sunday, September 14, 1969 in Murphy Memorial Chapel with Tom Waters, Minister of the Church of Christ, officiating . Interment was in Citizens Cemetery under the direction of Murphy Funeral Home.

Mr. Link died Friday morning, September 12, at his home in Clarendon. He was born November 10, 1885 near Paris, Texas. From 1904 until 1908 he served in the United States Navy. He then attended law school at Lebanon, Tennessee and entered the practice of law in Clarendon in 1911 with A. E. Simpson. He was a member of the Clarendon Church of Christ.

Surviving are his wife of the home; a daughter, Mrs. J. C. McKinley of Amarillo; a sister, Mrs. Cora Buce of Stamford; one brother, Elmo E. Link of Stamford; and four granddaughters.

Bearers were Clyde Price, Jr., Tommie Saye, Joe Lovell, Frank White, Jr., Grady Henson, and Mike McCully. Honorary bearers were area attorneys.

College Enrollment Up; Deadline Sept 30

With the conclusion of freshman orientation Tuesday, Clarendon College enrollment is already over the 300 mark with almost two weeks remaining before the enrollment deadline of September 30th, was the report from Dean Beryl Clinton Wednesday morning.

Registration for night classes is set for tonight, September 18 and will be open thru the 30th also, he added.

Our dorms have been full for quite some time but we have been able to place the overflow of students in other living quarters to date, Clinton concluded.

HOSPITAL NOTES

Patients as of Wednesday, September 17: Mrs. G. A. Robertson, Mrs. D. T. Smallwood, C. A. Wright, Mrs. Jimmie Frye, Mrs. S. M. Harp, Mrs. J. C. Estlack, J. I. Spurgeon, John Bass, Betty Stimaker.

Dismissals: E. Wayne Barbee, Pete Bromley, Leonard Dozier, Laveta Formby, C. W. Heald, M. L. Mays, Mrs. Jess Pool, Mrs. J. F. Rampy, Mrs. Tom Stotts.

Broncs Travel To White Deer For Second Game Friday Night 8 p. m.

Broncs Take Thriller Over Cyclone 41-20

Showing great team effort, the Clarendon Bronchos outraced the Memphis Cyclone here last Friday night in their season opener 41-20.

Quarterback Jim Moore paced the Bronchos with a total of 275 yards rushing. Louis, Reese, O'Neal and Longan also contributed many fine runs for the locals. The Bronc line did a fine job of blocking on the offense and coaches were well pleased with the defensive effort extended to keep the ex-Cyclone in check.

Jim Moore and Charles House of Happy were both picked as the class A player of the week by the Globe-News.

Scoring began early in the game with Jim Moore going over from the 12-yard line. Larry Longan's kick was good for the extra point. Memphis retaliated with Kilpatrick plunging over from the 6-yard line but their extra point failed. Jim Moore sprinted 56 yards for the next 6 points and passed to Reese for the extra two points. Ike O'Neal skirted left end and raced 55 yards for the next TD and Larry Longan put the pigskin thru the uprights for the extra point.

With only a few seconds left on the clock, Kilpatrick flipped a 55-yard pass to Hundley for Memphis but their extra point try failed. In the third quarter, Moore went 10 yards for the next counter and the extra was good. Later, Moore returned a Memphis punt for 70 yards and again the extra failed. The Bronc scoring was concluded when Charles Louis plunged 2 yards for the 6 points and Larry Longan hit the uprights for the extra bringing the score to 41-20.

Saturday morning, the Jr. Varsity showed good team effort by defeating Memphis 28-0. Scoring in the game was as follows: Elray King 15 yards, Steve Lewis 30 yards, Steve Stavenhagen 20 yards and 60 yards. Outstanding defensive performances were turned in by Steve Lewis, John Holland, Joe Shadle and Scotty Lindley.

The Jr. Varsity will play Wellington here tonight at 7 p.m. The Broncho Varsity squad will travel to White Deer Friday night to play the Bucks at 8 p.m.

Mr. and Mrs. A. J. Fowler of Memphis visited Saturday afternoon with her sister, Mrs. Lena Smith.

This week the Clarendon Bronchos travel to White Deer to take on the White Deer Bucks in the second non-district game of the season. Game time will be 8 p.m.

The Bucks return five offensive and five defensive starters from last year's team which finished second in District 1-A. Among the outstanding personnel for the Bucks is all-state candidate, Ricky Thurman, a 6'5" 235-lb. junior guard and defensive end. White Deer's talented backfield includes Lonnie Lane, senior tailback; David Guinn, back; and Ricky Haskins, 6'1" 180-lb. quarterback.

The Bucks showed tremendous strength last week in downing the Silverton Owls 31-0. They have a fine football team, reports coach Noonkester, and it's going to take a great team effort to come out of the game with a Clarendon victory.

Game captains for Friday's clash will be Willie Craft, Charles Louis and Ike O'Neal.

The probable starting lineup offensively for the Bronchos will be as follows:

Center, Jay Lamberth; Guards, Frankie Ellis and Willie Craft; Tackles, Ronnie Hastey and Jerry Green; Ends, Bobby Leeper and James Hall; Quarterback, Jim Moore; Fullback, Bennie Reese; Tailback, Charles Louis, and Wingback, Ike O'Neal. Defensively, the Bronchos will probably be represented by defensive linemen Craft, Hall, Green, Hastey, and Larry Longan, with Louis, Moore and O'Neal in the secondary.

Following the impressive defeat the Broncs handed Memphis last week, a host of Clarendon fans will definitely be at White Deer Friday night to help boost the Broncs on to another victory.

NEW SOCIAL SECURITY SCHEDULE RELEASED

A reresentative of the Social Security Administration will be in Clarendon on Thursday's from 9 a. m. to 12 noon on the following dates: October 2, 16, 20; November 13, 26; and December 11, 31. Anyone needing help in matters relating to Social Security may contact the representative in the office of the County Judge in the Courthouse.

Business may be conducted at the Amarillo offices at 1006 Adams Street between the hours of 8:15 a.m. and 4:30 p.m. Monday through Friday and until 6:30 p.m. on Thursday evenings.

LEADER CLASSIFIEDS GET RESULTS

GO BRONCHOS—CHS Cheerleaders will be ready to lead the Broncs onto the field Friday night at White Deer. At left is Dianne Cornell, holding the tail, Suzanne Moore and Pat Hastey make up the Broncho and leading the Broncho is Candy Skelton. Photo by Saye's

Many Changes In Olds Line For 1970

A new and luxurious personalized car heads Oldsmobile's line of impressively - styled 1970 models, all of them featuring history-making engineering advancements aimed at added durability and further reduction in the need for service, it was announced today by John B. Beltz, the division's general manager and a vice president of General Motors.

"The newest Oldsmobile is the elegant Cutlass Supreme Hardtop Coupe," he reported. "It is a distinctive car designed to answer growing customer demand for sporty luxury in a personalized kind of automobile. It is identified by its own roof line, its own body shape, its own external ornamentation, and its own ultra-luxurious interior."

He said the new coupe and a companion convertible represent an important added element in Oldsmobile's 1970 intermediate model lineup, complementing the F-4-2 and Cutlass 'S' series whose fastback coupes have been Oldsmobile's most popular.

"These cars, too," Beltz said, have been restyled to emphasize their youthful image to an even higher degree.

"Meanwhile," he continued, "the successful look of elegance in our 88's and 98's has been further enhanced in 1970 to make them even more appealing, and the Toronado has undergone the most extensive change in appearance since its introduction in 1965.

"It is a sleeker looning automobile, with a distinctive new shape to the wheel openings, a new front end, including a new grille and exposed headlamps, and an interior to match the more elegant concept of decor which is added in 1970 to the Toronado's many other front drive virtues," he added.

Mrs. Dorothea Ledbetter of Amarillo and O. C. Watson, Jr. of Colorado Springs, Colo. were week end guests in the home of their parents, Mr. and Mrs. O. C. Watson, Sr.

CARDS OF THANKS

To all of you who have been so good to remember me with cards, flowers, gifts, and many other kindnesses during my illness I would like to extend my humble thanks. Friends mean so much, especially when one is ill. All you have done is sincerely appreciated.

In the McMurry-Tarleton State game Saturday the running back to watch for McMurry is junior tailback Archie Smith, a rugged 207-pounder from Clarendon, who started the final five games of 1968 and picked up 333 yards, third leading ground gainer of the year for McMurry.

Mr. and Mrs. Oren Connor of Hutchins, Texas visited her uncle, G. A. Anderson, Friday.

Leader—Local Rate $4.00 A Year

128,000 Texas farmers and ranchers were given technical help on soil and water conservation problems last year by the SCS.

Sorghum Ballots Are Approved By Texas Dept. Of Agriculture

The grain sorghum referendum ballots for the October 6th producers check-off vote were approved today, according to Agriculture Commissioner John C. White.

Grain sorghum producers in a twenty-nine county area of the high plains and panhandle will be involved in the referendum vote, White said. They will be required to complete three major sections on the ballot.

The first section includes the self-assessment proposition. Candidates for a twelve man Commodity Producers Board are listed in the second section. Growers must indicate last year's production in the third section of the ballot.

"All voters," Commissioner White stressed, "are eligible to vote on members of the Commodity Producers Board regardless of whether they voted "yes" or "no" on the referendum proposition. The decision of the Board will affect all producers in that area if the referendum passes."

Growers who had no production during the last crop year are still eligible to vote, White explained. However, they must certify on the ballot that they are new producers.

Ballots must be mailed to the polling sites before midnight, October 6th. They will be counted by a committee consisting of the County Judge for the area affected, a representative of the Texas Agricultural Extension Service, a representative of the Texas Department of Agriculture, observers from the Grain Sorghum Producers Association of Lubbock, and other persons deemed necessary. All election proceedings must be approved by the Commissioner of Agriculture.

Water is the life blood of our industry and our agriculture. Yet we pollute, muddy it, and waste it. Our water use has increased from 600 gallons per capita in 1900 to 1,100 gallons in 1950 and 1,500 gallons in 1960. By 1980, the country will be using 2,300 gallons of water a day for every man, woman, and child.

DPS INVESTIGATES FIVE RURAL ACCIDENTS

The Texas Highway Patrol investigated five accidents on rural highways in Donley County during the month of August, according to Sergeant Vermon Cawthon, Highway Patrol supervisor of this area.

These crashes resulted in three persons injured and an estimated property damage of $1,730.00.

The rural accidents summary for this county during the first eight months of 1969 shows a total of 31 accidents resulting in no persons killed, 21 persons injured, and an estimated property damage of $17,610.00.

With the beginning of school, the sergeant reminds all motorists of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any shool children shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Mr. and Mrs. N. H. Osborne of Green River, Wyoming visited last week with Misses Edgar Mae and Mable Mongole. Sunday the Misses Mongoles joined the Osbornes for the day in the home of Mr. and Mrs. B. L. Jenkins in Amarillo.

Leader Out-of-County Rate $5

P AND W COMMISSION SET WATERFOWL SEASON

The Texas Parks and Wildlife Commission, in a special meeting called last week, set liberal waterfowl seasons within the framework established by the Bureau of Sports Fisheries and Wildlife, U. S. Department of the Interior.

The greatest change came in the duck season with an increase of 25 days of hunting this year, but with a decrease in the number of mallards which may be taken. This year's goose season will be 86 days—an increase of 11 days over last year. No changes were made in the goose bag and posession limit.

Duck season this year will begin one-half hour before sunrise on Nov. 18 and run to sunset on Jan.11, 1970, for a total of 55 days. Daily bag limit will be four and may not include more than two wood ducks, one canvasback, or one redhead and one mallard. Possession limit will be eight and may not include more than four wood ducks, one canvas back, or one redhead and two mallards.

Daily bag limit on coot is 10, and the possession limit is 20.

The daily bag limit on merganser ducks is five per day, but may not include more than one hooded merganser. The possession limit is ten and may not include more than two hooded mergansers.

Goose season will begin one-half hour before sunrise on Oct. 18 and run to sunset on Jan. 11, for a total of 86 days. Bag and possession limit will be a total of five. No changes were made in the species which make up the bag.

GM

On the move.

The Chevrolet '70s.

Our new one: Monte Carlo

Our big one: Caprice

Our tough one: Chevelle SS 396

Monte Carlo. Our whole new field of one.

The first truly luxurious personal car even us guys who work for a living can afford.

Big 350-cubic-inch V8. Power disc brakes. Deep twist carpeting. All standard.

Some car, the Monte Carlo.

Some cars will be wishing we had never brought it out.

Moving on. Caprice.

The perfect car for "the big car man."

For 1970 we gave it a new grille, new 250-hp standard V8, new fiberglass-belted tires, new colors, new trim.

New headaches for higher priced cars.

Moving on. Chevelle SS 396.

The Chevellest Chevelle yet.

Now you can order a Cowl Induction Hood to help the horses breathe. All 350 of them.

Move on.

To your Chevrolet dealer's.

Putting you first, keeps us first.

Pathfinder Club Opens New Year With Luncheon

Pathfinder Club met Friday at Jake's Steak Out opening the new club year with the President's Luncheon.

The meal was served buffet in the dining room. Tables were laid with gold and white place mats, gold napkins, and at the officers' table there was a centerpiece of pink carnations, the Club flower. Garden flowers were used in other arrangements. The invocation was given by Mrs. E. P. Shelton.

Mrs. L. N. Cox, retiring president, opened the business session and the usual order of business followed. Roll call was answered with Friendship quotations.

Mrs. Cox recognized each of the officers who had served with her and presented each a gift in appreciation for their help thruout her year as president. She then introduced the incoming president, Mrs. Frank White, Jr.

In keeping with the new year, Mrs. Dick Shelton presented a history of last year's work as prepared by Mrs. Frank Phelan, Jr., who was unable to be present. Mrs. Fred Buntin's name was placed on the Honorary Roll. A committee, composed of Mrs. Pete Kunz, Mrs. R. S. Brumley, Mrs. Clarence Hamilton, Mrs. S. W. Lowe, Mrs. George Benson, and Mrs. Heckle Stark, was appointed by Mrs. White to work on the improvement of the City-County Library.

Mrs. White closed the meeting with prayer.

Attending were one guest, Mrs. Inez Crotto of Magnolia, Arkansas; and members: Mesdames George Benson, R. S. Brumley, H. T. Burton, L. N. Cox, Joe Goldston, Horace Green, Clarence Hamilton, J. H. Howze, Carl King, Pete Kunz, S. W. Lowe, Walter Lowe, C. T. McMurtry, Lacy Noble, E. P. Shelton, Heckle Stark, Frank White, Jr., Miss Mable Mongole, and the hostesses, Mrs. Dick Shelton and Mrs. C. G. Stricklin. Rep.

QUALITY JOB PRINTING AT THE LEADER

Miss Vickie Riley Weds Steven Smith In Church Ceremony September 12

Miss Vickie Lynn Riley became the bride of Steven Wesley Smith in a double-ring ceremony read in the First Baptist Church Chapel, Clarendon, Texas, September 12, 1969. Rev. William R. Lawrence, pastor, officiated.

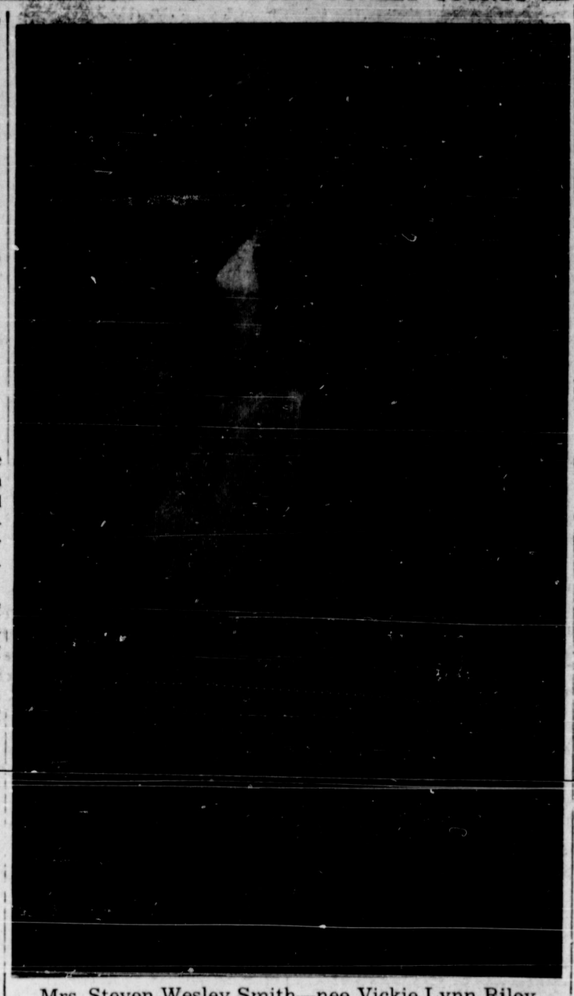

The bride is the daughter of Mrs. Mary Ann Riley of Amarillo, Texas and J. D. Riley of Clarendon, Texas. Parents of the groom are Mrs. Joan Lumpkin of Amarillo and S. J. Smith of Dalhart, Texas.

Vows were exchanged before an altar centered with golden bronze candelabra holding lighted tapers and garlands of similax accented by clusters of emerald palms. Branched standards of white Princess gladioli and snowball mums flanked the setting. White silk bridal roping embraced the ceremony area. The bridal aisle was marked with blue satin ribbon.

Mrs. Raleigh Adams, organist, presented a prelude of wedding music and traditional wedding marches and accompanied Mrs. Pete Bromley, aunt of the bride, as she sang "Twelth of Never."

The bride, given in marriage by her father, wore a floor length gown of imported organza fashioned with a fitted bodice featuring long sleeves and a scooped neckline trimmed with plisae' lace and seed pearls and a full skirt with a full flowing Chapel train also trimmed in plisae' lace. Her tiered veil of imported French illusion was attached to a tiara of lace and seed pearls and she carried a bouquet of Bellmont gardenias. All of the traditions of something old, new, borrowed, blue and a sixpence in the shoe were observed. The sixpence was a gift from her sister sent from England.

Attending the bride as maid of honor was her sister, Miss Janice Riley of York, Pennsylvania. She wore a floor length gown of blue and a blue bow attached to a short veil of French illusion in her hair and carried a cascade bouquet of white glamelias.

Mrs. Steven Wesley Smith—nee Vickie Lynn Riley

Guests were registered by Miss Janie Smith, sister of the groom.

Attending the groom as best man was Billy Kerlee of Dumas, Texas. Ushers were Jim Riley, brother of the bride, and Pete Campbell.

For her daughter's wedding Mrs. Riley wore a pink lace dress trimmed with pink satin and pink accessories and a pink orchid. Mrs. J. O. Watts, aunt of the groom, wore a navy blue dress with white accessories complimented by a white orchid.

At the reception following the ceremony the refreshment table was draped with a floor length cloth of silk organza over bridal satin accented by a tiered epergne of white roses and pom pom mums embracing silver candelabra holding lighted tapers. Miss Cindy Lowe served the tiered white wedding cake trimmed in pale blue and topped with a miniature bride and groom. Miss Sharon Grady ladeled punch from a silver service. Others in the houseparty included Miss Janie Smith and Elizabeth Ann Bromley.

After a wedding trip to Red River, New Mexico and Colorado the couple will be at home in Amarillo.

The bride attended Clarendon schools. The groom attended Caprock High School in Amarillo.

Mr. and Mrs. Pete Bromley, uncle and aunt of the bride, hosted the rehearsal dinner at the Clarendon Country Club the evening of September 11. Guests were served at a table laid with a white linen cloth and centered with an arrangement of white mums and blue daisies marked by white streamers to which were attached blue wedding bells. Fourteen attended.

Other courtesies honoring the bride included a personal shower hosted by Sharon Grady, Linda Vaughan, and Kay Greer on Saturday, September 6, in the home of Miss Vaughan.

A bridal shower at Patching Club House Saturday, August 30, was hosted by Mesdames Johnny Grady, T. J. Campbell, Nolan Barrow, Billy Guill, Nell Cornell, and Margaret Waldrop. A blue and white decor was carried out.

1926 BOOK CLUB SALAD SUPPER HELD TUESDAY

The 1926 Book Club met at Patching Club House Tuesday evening for a Salad Supper. The serving rooms were beautifully decorated with colorful fall arrangements.

Mrs. E. S. Ballew, president, presided over the short business session.

Following a period of informal visiting, members and guests exchanged vacation highlights.

Miss Inez Blankenship and Mrs. Otis Naylor hosted the meeting. The following members attended: Mesdames C. E. Bairfield, E. S. Ballew, J. R. Brandon, Jack Clifford, Beryl Clinton, L. N. Cox, Harold Phelps, Archie Pool, W. N. Poole, W. C. Thornberry, Frank White, Jr., Homer Bones, Ellen Bryan, Otis Naylor, W. E. Clifford, Miss Inez Blankenship, and guests: Mesdames John Gillham, Clarence Hamilton and Frank Phelan, Sr. Rep.

DELTA KAPPA GAMMA GAMMA KAPPA MEETS

Gamma Kappa Chapter of Delta Kappa Gamma, society for women teachers, met Saturday, September 13, in the home of Mrs. L. C. Sweat at Wellington for a salad luncheon.

Meeting was opened with prayer by Brunetta Morris. Maudie Coffee presided over the business session. Program topic was "Analysis of Conflicts—Discrepancies and Gaps in Our Value Patterns."

Attending from Clarendon were Lucille Naylor, Hazel Brandon, Zola Donald, Inez Blankenship, Rachael Butler, Edgar Mae Mongole, and Mable Mongole.

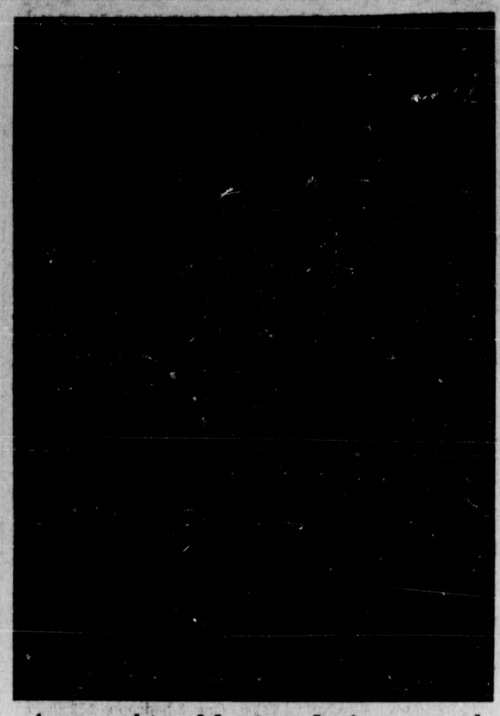

The next meeting will be the Regional Meet to be held in Pampa October 11. Rep.

HOME DEMONSTRATION CLUB TO MEET

The Home Demonstration Club will meet Friday, September 19, at 3 p. m. in the home of Mrs. O. C. Watson. This will be the first meeting of the fall. Each member is asked to bring a current event. Rep.

CHAMBERLAIN CENTER

The hosts for the Chamberlain Community Center meeting Friday night, September 19, will be Mr. and Mrs. Clarence Ayers and Mr. and Mrs. Donald Ballew. Please bring a covered dish. Meeting time is 7:30 p.m. Rep.

Approaching Marriage Is Announced

Mr. and Mrs. Orbie L. Price of Clarendon, Texas, announce the engagement and forthcoming marriage of their daughter, Rebecca Ann, to Staff Sergeant Patrick Michael Byrne of Westminster, California, son of Mr. Byrne of Westminister and the late Mrs. Byrne.

Vows will be read Saturday, October 11, 1969, at the Chapel of the Bells, Anaheim, California.

Miss Price is a graduate of Western High, Anaheim, California and attended Cypress College, Cypress, California. She is presently employed in the offices of Dr. Keith Hudson, Clarendon.

Staff Sergeant Byrne is completing an eighteen month tour of duty with the United States Army in Vietnam and will receive his discharge on his return to the United States about September 20.

The couple will be at home in Westminister, California following their wedding.

GOOD NEIGHBORS CLUB

Mrs. J. H. Helton hosted the meeting of the Good Neighbors Club in her home Friday, September 12. An all day meeing with a covered dish lunch was enjoyed.

Present were Tressie Hughes, Emma Davis, Jewell Sickles, Carrah Mixon and the hostess, Bessie Helton. J. H. Helton was a dinner guest.

Piecing a quilt top was the program theme for the day. Tressie Hughes and Emma Davis received pollyanna gifts.

The next meeting will be Friday, October 10, in the home of Carrah Mixon. We will quilt. Each come and help with the quilting. Rep.

LELIA LAKE CENTER

We will meet at the Lelia Lake Community Center Saturday, September 20, at 7 p.m. We are going to meet twice monthly and want everyone to come.

Bring a covered dish and the dishes you use. Drinks are furnished. Hostesses will be Mary Lee Noble and Hazel Shields. Do come and bring families and friends. Rep.

MIDWAY QUILTING CLUB

The Midway Quilting Club will meet Thursday, Sept. 25, at the Lelia Lake Community Center. This will be an all day meeting. Bring a covered dish. Grace Ayers will be hostess. Rep.

MU GAMMA CHAPTER BETA SIGMA PHI

Mu Gamma Chapter of Beta Sigma Phi met in the Hospitality Room of the Farmers State Bank Thursday evening September 11, with Mrs. John Payne as hostess.

The Opening Ritual was repeated and the meeting opened by the president, Mrs. Billy Ray Johnston.

Guest speaker for the evening was Mr. George Bourns, Public Relations Director at Clarendon College.

Present were Mesdames Carl Irlbeck, Milton Mann, Bill Ellerbrook, Ronald Gooch, Leonard Selvidge, Billy Ray Johnston, Bill Spier, and A. J. Garland. Following the closing ritual refreshments were served by the hostess, Mrs. John Payne, and visiting enjoyed. Rep.

MARTIN QUILTING CLUB

The home of Mrs. Sallie Christie was the September meeting place of the Martin Quilting Club. A friendship quilt was worked on during the day with a covered dish luncheon served at the noon hour.

Guests were L. O. Christie, Connie Schollenbarger, and Kamsan Popkins. Members present were Mesdames Hazel Edens, Zuella Sanders, Margaret Waldrop, Melba Risley, Sallie Christie and Jo Schollenbarger. Several pollyanna gifts were exchanged.

The next meeting will be October 9 in the home of Zuella Sanders. Rep.

KIL KARE KLUB HOLDS FIRST FALL MEETING

The members of the Kil Kare Kneedle Klub held their first fall meeting in the home of Mrs. Clyde Gilbert Thursday morning, September 11. The meeting was in the form of a delightful breakfast.

After the meal, plans were made for the fall meetings and the annual Christmas party.

Twenty were present for this occasion. Special out-of-town guests were Mrs. Johnson, Mrs. Billie Wolford, and Mrs. Greenway of Claude. Rep.

Legislative Act Revises Motor Vehicle Inspection

The most sweeping change ever to be made in the State's Motor Vehicle Inspection Act became effective September 1, according to Colonel Wilson E. Speir, director of the Texas Department of Public Safety.

Speir said the amended act, recently adopted by the Texas Legislature, will place Texas on a 12-month inspection period. The measure increases the inspection fee from $1.75 to $2.00, and moves the location of the inspection sticker from the right side of the windshield to the left. It also adds exhaust emission systems on 1968 or later vehicles, and exhaust systems on all vehicles, to the list of items to be inspected.

Speir said that all vehicles subject to inspection must be taken to an approved motor vehicle inspection station between September 1, 1969, and April 15, 1970. Upon satisfactory completion of the inspection procedure, the mechanic-inspector will remove the old sticker and affix the new one.

"The new stickers will expire 12 months from the date of inspection, and will contain a large number tab showing the month of expiration," Speir noted. "For example, a sticker issued in September will contain a number nine, and will expire on the last day of September, 1970. A sticker issued in January will contain the number one and will expire at the end of January, 1971," he added.

The DPS director urged all motorists to have their cars inspected early to get ready for fall and winter driving, and to avoid long lines which may develop in April as the deadline draws near.

In addition to the new items to be inspected, inspection stations will check brakes, lighting equipment, horns and warning devices, mirrors, winshield wipers, and front seat belts in vehicles where seat belt anchorages were part of the manufacturer's original equipment on the vehicle. The inspection also includes steering and wheels and rims.

SCS technicians gave consultative advice on conservation problems to 2,600 non-farm organizations and landowners last year.

New Driving Rules Are In Effect Now

Colonel Wilson E. Spier, director of the Texas Department of Public Safety, said today that effective now, laws passed by the Texas Legislature established new rules of right-of-way and new rules for following too closely.

The right-of-way law sets out four rules governing the right-of-way at intersections. Speir urged all drivers to review the rules closely, and note the instances in which they must stop, yield and grant the right-of-way.

Drivers at intersections controlled by stop, yield or traffic control devices must obey the signs.

Drivers of vehicles on a single lane street or roadway consisting of two traffic lanes, upon approaching an intersection not controlled by signs or a divided street or a street or roadway divided into three or more lanes, must stop yield and grant the privilege of right-of-way to vehicles on the larger street.

Drivers of vehicles on unpaved streets intersecting a roadway that is paved must stop yield and grant the right-of-way to vehicles on the paved street.

Drivers of vehicles on streets of equal size and paving must stop yield and grant the privilege of immediate use of such intersection to any other vehicle which has entered the intersection from such driver's right, or is approaching such intersection from the driver's right in such proximity as to constitute a hazard.

Speir said the act further provides a rule of evidence that in cases of collision, the person shall have been presumed not to have yielded the right-of-way if the four conditions have not been satisfied.

The following too closely law, as amended, requires drivers to mainain an assured clear distance between the vehicle ahead, exercising due regard for the speed of the vehicles and the traffic upon and conditions of the street or highway. Drivers must be able to bring their vehicle to a stop, using these guidelines, without colliding with the preceding vehicle, or veering into other vehicles, objects or persons on or near the street or highway.

NEW ARRIVAL

Stephen Eugene is the name of the young man who has come to make his home with Rev. and Mrs. Stephen Rist. The young man was born September 3, 1969 and weighed 6 lbs 6 ozs.

Former Residents Observe Golden Wedding Anniversary

Mr. and Mrs. William Cecil Alexander of Arlington observed their fiftieth wedding anniversary with a reception at Dalworthington Gardens Community House, Sunday, August 31. Hosts for the occasion were their three children. Guests were received between the hours of 2 and 5 p.m.

The couple was married September 2, 1919 and lived in Donley County until moving to Tarrant County in 1933. Mr. Alexander is a retired car and furniture dealer and is a mason. He was born and raised in Clarendon. Mrs. Alexander, the former Elizabeth Robertson, was born and reared in Grand Prairie. The couple are members of the Woods Chapel Baptist Church.

The children, a son, James Alexander of Oklahoma, and two daughters, Mrs. Thomas B. Jones and Mrs. James H. Thompson of Arlington hosted the reception. There are also six grandchildren and one great grandchild.

New Implied Consent Law To Help Combat Drunk Drivers

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, said today that the State's new implied consent law which became effective September 1, 1969, gives law enforcement a much needed weapon to combat drunk drivers.

"Depending on area, drinking drivers figure in 40 to 50 percent of the fatal rural traffic accidents in Texas," Speir said. "This is especially significant when you consider that traffic mishaps claimed 3,481 lives in the state last year."

Under terms of this law, a motorist is "deemed to have given consent" to a breath test if arrested for any alleged offense arising out of his actual operation or physical control of a motor vehicle while under the influence of intoxicating liquor.

If the suspect refuses the breath test, the officer certifies this fact in an affidavit, together with his probable cause for stopping the person, to the Department of Public Safety. This affidavit, when it reaches the DPS, forms the basis for a petition filed by the Department in the corporation or justice court of the county of residence of the person refusing the test to determine if the officer had probable cause for thinking the person was driving while intoxicated.

Should the judge find the officer had probable cause to arrest the person for driving while intoxicated, the Department of Public Safety, acting on the court's finding and the officer's sworn statement that the subject refused the test, suspends the subject's driver license for the period set by the judge. The suspension, which may run for as much as one year, is subject to appeal to a higher court.

The implied consent law allows the person detained the right to have a test of his blood alcohol taken by his own physician, qualified technician, chemist or registered professional nurse, if taken within two hours after his arrest.

The law also places the responsibility with the Texas Department of Public Safety to certify breath testing equipment and persons authorized to administer breath tests.

Consistent with its policy of assisting local authorities whenever possible, the DPS will offer at least three schools to train city and county officers in operation of the breathalyzer. These schools, which will be conducted at the Law Enforcement Academy in Austin, will be limited in enrollment to key personnel from localities which now possess, or plan to obtain, breath testing instruments.

Currently, the DPS is utilizing breath testing equipment in a voluntary program. The Breathalyzer instruments are located at central points in some 90 counties, and are operated by DPS officers who have completed an intensive training course. The instruments are checked and serviced weekly by qualified DPS chemists.

"With the advent of the new law, we hope to obtain at least one breath testing instrument for each county, and plan to train additional personnel in their operation," Speir noted.

Monte Carlo Heads New Chevrolet Line

The Monte Carlo—a totally new personal luxury car—Headlines Chevrolet's new models for 1970, John Z. DeLorean, General Motors vice president and Chevrolet general manager, said today.

"The 1970's will be an unparalled decade of individual customer choice," Delorean said. "Chevrolet will continue to set the industry pace with a variety of cars and options which allow each buyer to custom tailor his or her personal transportation.

"Monte Carlo adds a new market dimension by offering to the youthful, sophisticated buyer a superb blend of individual, high fashion styling and intermediate-size handling and performance."

DeLorean said seven distinctive Chevrolet lines will be shown in dealerships on Announcement Day, September 18.

"The big Chevrolet has new styling and added power for 1970 and Chevelle has an all-new appearance," DeLorean said. "Improvements in these lines are incorporated in both sizes of Chevrolet station wagons. The fast-selling Nova has fresh appeal in its new models."

Current models of the popular Chevrolet Corvette and Camaro will be continued to the end of this year with new models in each line scheduled for introduction later in the model year.

DeLorean said that among important 1970 engine changes, the base V-8 of the big Chevrolet is increased to 350 cubic inches from 327 cubic inches in 1969 to give added power for options such as air conditioning that continue to grow in customer popularity.

An eroded soil leads to an eroded spirit.—Nathaniel Southgate Shaler.

Chevrolet's newest entry is the

Elegant Monte Carlo Coupe for 1970

A new concept of elegance is the distinctive Monte Carlo Sport Coupe. This newest addition to the Chevrolet line is characterized by smooth flowing lines and sculptured surfaces dramatically emphasized by the longest hood ever produced by Chevrolet. The plush interior includes a simulated wood burl accent on the instrument panel and extra-thick foam cushioned front and rear seats. The Monte Carlo will be at dealerships on September 18.

Engineering Advance Featured By Cadillac

The 1970 Cadillac, highlighting engineering advancements and distinctive styling, combines new standanrds of performance, reliability, safety and comfort.

"Eleven models in three series, Calais, De Ville and Fleetwood, will go on sale in dealer showrooms on September 18," according to George R. Elges, general manager of Cadillac Motor Car Division and vice president of General Motors.

"A new look, both front and rear, tastefully retains distinctive Cadillac identification in all models," explained Mr. Elges. "Wheelbase and overall dimensions remain basically the same."

The standard Cadillacs look longer because of new cornering lights with horizontal chrome trim, the extension of the rear quarter into the taillight and a horizontal design line that sweeps the length of the side.

"Years of engineering research and development culminate in key innovations featured in the 1970 models," Mr. Elges noted. "As a result, we have achieved significant gains in performance, reliability and ride and handling.

"An industry first, Cadillac introduces a new integral ductile iron steering knuckle for all standard models, "Mr. Elges noted. "In addition, we will have a totally redesigned rear axle in 1970, the first in over 30 years.

"And, the front-wheel-drive Fleetwood Eldorado will feature an exclusive new 500 cubic inch engine, producing 400 hirsepower with 550 foot pounds of torque," Mr. Elges reported. "It is the largest production passenger car engine in the world."

The ductile iron steering knuckle, developed in a program started seven years ago, is a Cadillac exclusive. It has inherently higher reliability, fewer fasteners and fewer human variables than the multi- piece unit it replaces.

Wonderful things happen to pork when roasted over charcoal; it cooks well done inside with delightfully crisp flavored exterior. Roast the meat over glowing—rather than flaming—coals, suggests Gwendolyne Clyatt, Extension consumer marketing specialist. If you have a meat thermometer, use it. Cook pork to an internal temperature of 185 degrees whether cooked indoors or out. Pork ribs ends are a good choice for barbecuing.

Leader Out-of-County Rate $5.00

For 1970 Cadillac Fleetwood Brougham (top) features a padded cross grain roof and a special halo molding. A strong design line from the front fender to the rear bumper emphasizes the long low look for 1970. The new grille has a bright vertical accent added to Cadillac's familiar cross-hatch design. Horizontal chrome trim on directional, parking and cornering lights add to a new front end appearance and a longer look.

The Cadillac Fleetwood Eldorado for 1970 (bottom) retains the classic look of its predecessors while highlighting changes in the grille, lighting and side molding. A new engine, the largest production passenger car engine in the world, produces 400 horsepower and 550 ft. lbs. torque from 500 cu. in. The 1970 grille features a horizontal accent emphasizing the 8.2 litre engine.

6,172 ponds were stocked with fish last year by landowners cooperating with conservation districts.

We are but wise to trust our lives
To God for him to mold.
We do our best then trust the rest
To what each day may hold.

"We are members of a world team. We are partners in a grand adventure. Our thinking must be world wide.—Wendell Wilkie.

How far reaching and astounding was the above statement when it was made by Mr. Wilkie. How commonly it is accepted in our day as the truth. The world has become so much smaller and so much a common denominator all in our lifetime.

"I do not believe there is a problem in this country or the world which could not be settled if approached through the teaching of the Sermon On The Mount."—Harry Truman.

Speaking of Mr. Truman we are so many times inclined to remember him for his rough exterior and his plain spoken language. The years have shown us that he had another side. Most folks do if we but stop and look for it. There was a time when we thought Mr. Truman was far out. We come to know that he was just the beginning of many far out things to come.

"You'll never find time for anything. If you want time you must take it."—Charles Buxton.

"Time is like money. The less of it to spare the further we make it go."—H. W. Shaw.

"With some people you spend an evening, with others you invest it."

"Time is but the stream I go fishing in."—Thoreau.

"If you want to kill time try working it to death."—Legion Magazine.

Consider this soil. This soil is a fruitful thing. Yet it can become sterile.

DELTA DEVILS — Soldiers of the 9th Infantry Division move out toward armored troop carriers during riverine operations in the Mekong Delta, Republic of Vietnam. The 9th used boats to move their men and firepower into areas isolated by a web of rivers, canals and tangled marshes.

Cotton Harvest Aid Chemicals Discussed

Recent rains may alter planned use of cotton defoliants or desiccants. Dry weather stunted cotton will likely take on new life, says Fred C. Elliott, Texas A&M University Extension cotton specialist, and if the showers continue, a change in preharvest chemical use may be necessary.

Elliott outlines what he calls a "two-shot" treatment for stripper harvesting when conditions are not favorable at harvest time. A defoliant, either a chlorate or phosphate material, is applied when 60 percent of the bolls are open. This should cause about 80 percent of the leaves to drop and green bolls to mature and open more rapidly.

If defoliation is not complete in 7 to 10 days, he suggests the use of arsenic acid to get the remaining leaves. He says the practice can speed harvest and also improve the grade of the cotton.

If a desiccant, arsenic acid, is used for the initial application and unfavorable weather follows, a second application of arsenic acid is not recommended. Could get into residue trouble, warns Elliott. If a second application gests defoliating only enough is necessary, he says, use a chemical with different active ingredient. The use of 2, 4-D formulations is not recommended.

Elliott cautions against the use of any defoliant not labeled as to exact chemical content. Unknown defoliants may injure exposed fibers, unopened bolls and cause fire hazards at the gin. He suggests defoliating only enough acreage to stay ahead of harvesting and adds that unusual delays in harvesting may result in regrowth or barky cotton. Stripping too soon fter applying a desiccant, on the other hand, may also cause barky cotton, he says.

For further information on the use of defoliants and desiccants, he suggests that growers visit or call the local county agent for a copy of the 1969 "Cotton Defoliation Guide."

NEW PRAIRIE DOG TOWN FOR PALO DURO

Palo Duro State Park near Canyon has a new tourist attraction in the form of a prairie dog town with 16 occupants, live-trapped, from MacKenzie State Park in Lubbock.

The animals are in an enclosure of 2,500 square feet, one from which they should have more than a little trouble escaping. The pen is constructed of heavy-gauge, 1-inch mesh chain link fencing, bordered with treated rustic cedar posts. Regional Parks Director, Bob Hauser of San Angelo says the fence is deceptive in that four feet of it is above ground and four feet buried to contain the burrowing animals.

Construction of the pen is alongside the famed Sad Monkey Railroad, the scenic train that winds its way through the rugged park canyons.

A recent study showed that cottage cheese is the second most popular cheese on today's market, report Extension foods and nutrition specialists. The dairy product is high in protein and calcium but low in calories.

P AND W COMMISSION CREATES $5 PARK ENTRANCE PERMITS

The Texas Parks and Wildlife Commission, in a special meeting called last week, created a $5 annual entrance permit which will allow the holder to enter the park of his choice for one year.

The new permit does not replace the $12 annual park entrance permit which may be used to enter all parks except San Jose Mission, Eisenhower Birthplace, Varner-Hogg Plantation, Port Isabel Lighthouse, Old Fort Parker and Monument Hill where a per-person fee is charged.

Department authorities said the new $5 permit was designed primarily for the residents near a State park who would not normally use other State parks. Those who purchase the new $5 annual permit will still have to pay the regular entrance fee should they visit other State parks. The new permit went on sale Sept. 1 in all State parks where entrance fees are charged, the five regional offices of the Department as well as in the Austin office.

The commission also made some minor changes in the State Park Entrance Fee Program, first adopted in July, 1968. Originally, groups entering parks on buses were charged 25 cents per person er day, but beginning Sept. 1 of this year, groups of 12 thru 47 persons would pay a flat rate of $3 per day and groups of 48 or more would pay a daily rate of $5.

Groups made up of less than 12 persons arriving by bus will still pay 25 cents per person per day.

Easily confused because of their similarity in both shape and flavor, smoked picnic and smoked ham are different cuts of meat. Mrs. Gwendolyne Clyatt, Extension consumer marketing specialist, explains. Meat cut from the shoulder section is called picnic; meat from the leg is ham. Although both meats are baked, smoked picnic should be cooked slightly longer than ham for best flavor and tenderness.

Look for best meat values in the market this week end in short ribs, liver, ground beef, round steaks and roasts and arm and blade pot roasts and steaks, suggests Extension consumer marketing specialist Gwendolyne Clyatt. Pork values include picnics, end cut loin roasts and chops, ham portions and shoulder roasts and steaks.

Cadillac presents the Spirit of the Seventies!

The elegantly spirited 1970 Cadillac

The brilliant new 1970 Cadillac is styled to reflect the quality of life in the spirited seventies. Its striking new beauty suggests the tempo of people on the move. Richly tailored appointments welcome you to a new era of Cadillac taste and elegance. Sparkling performance invites you to experience an entirely new dimension of motoring pleasure. In all eleven Cadillac models, you'll discover new ideas attuned to the spirited seventies. You may choose a new radio that will seek out your favorite AM, FM or stereo-only station. The aerial is neatly concealed in the windshield. This year, Cadillac engineers have again made sure that the Cadillac ride continues to be the most enjoyable in motoring history.

The newly spirited 8.2 litre Eldorado

The Spirit of the Seventies is nowhere more evident than in the handsome 1970 Eldorado. Behind its smartly recessed grille is a new 8.2 litre V-8 engine (500 cubic inches), the largest V-8 ever offered in a production passenger car. Created exclusively for the front-wheel-drive Eldorado, this new power plant harbors an ample reserve to operate the power assists one usually associates with a luxury car, while yielding a new kind of performance that will set the pace for personal cars for years to come. The instant you feel the new 8.2 litre V-8 in action, you'll know that the Fleetwood Eldorado is the world's finest personal car. The moment you drive it, you'll know that Cadillac has left the sixties far behind!

See the spirited new 1970 Cadillacs at your authorized dealer's—they herald a decade of motoring excitement!

Mr. and Mrs. George Gresham attended a Gresham reunion in Lubbock Sunday. Mr. and Mrs. Hubert Rhoades accompanied them and spent the day with Mr. and Mrs. C. D. Bond of Ropesville, Mr. and Mrs. Leslie Johnson of Hale Center, Mr. and Mrs. Dub Forbis of Seminole, and Mr. and Mrs. Don Gresham of Lubbock in the home of Mr. and Mrs. Bill Daniels.

Those visiting Mr. and Mrs. Nuford Dill Sunday evening were Mr. and Mrs. Leon Foster and Mrs. Lena Mae Graham.

Mr. and Mrs. Nuford Dill visited Sunday afternoon with Mr. and Mrs. Melton Dunn.

CORRECT LIGHTING REQUIRED FOR BOATS

Part of boating safety is having the correct equipment on board, including proper lighting. The Texas Water Safety Act in setting lighting requirements for boats and motorboats, lists classifications by boat length.

Class A includes boats less than 16 feet in length.

Class I includes boats 16 feet or over and less than 26 feet in length.

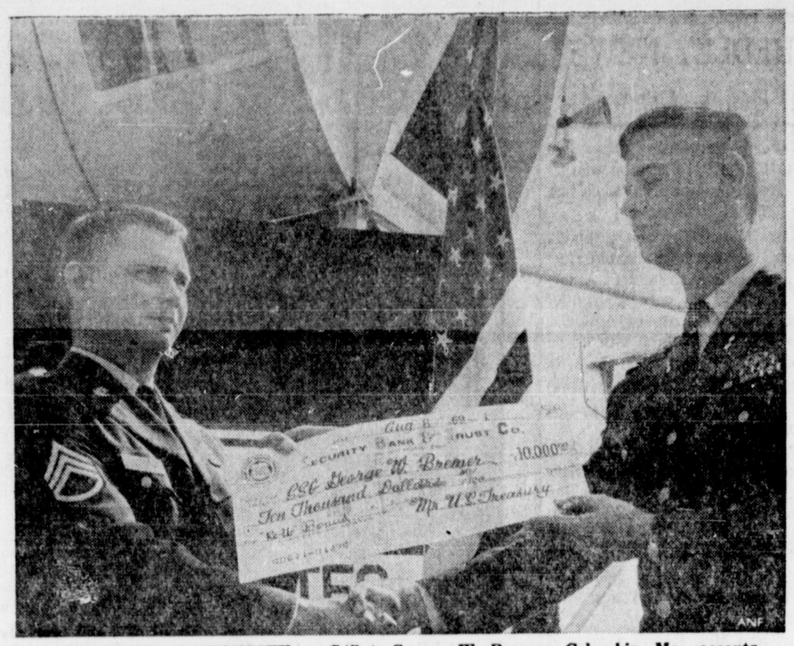

Class II includes boats 26 feet or over and less than 40 feet in length.

Class III includes boats 40 feet or over.

Classes A and I boats must display red and green lights on the bow and white light on the stern. The red light must be visible 112.5 degrees on the port side, and the green light must be visible 112.5 degrees on the starboard side. The white light on the stern must be visible in a 360-degree radius.

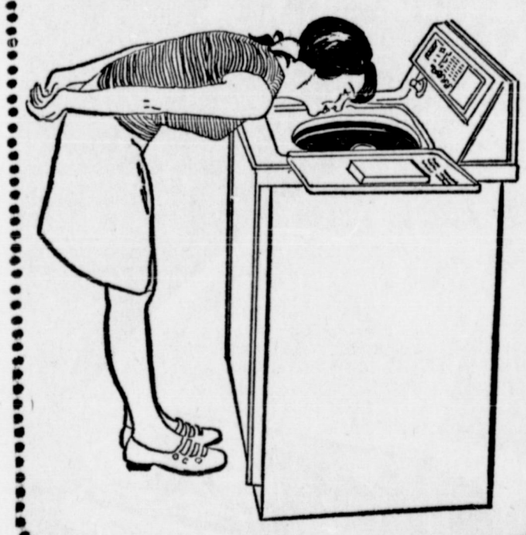

Boats in the II and III classification must display a white light on the bow visible in a 225 degree radius, a red light visible 112.5 degrees on the port side, a green light visible 112.5 degrees on the starboard side, and a white light on the stern visible in a 360-degree radius.

It is estimated that 400,000 productive U. S. acres are washed out of existence each year.

MISSILEMAN SECURITY — S/Sgt. George W. Bremer, Columbia, Mo., accepts a king-size $10,000 "Re-Up" bonus check from Capt. D. Brent Pope at the U.S. Army Missile and Munitions Center and School, Redstone Arsenal, Ala. Sergeant Bremer, a SHILLELAGH missile system instructor, took the oath for a six-year Army hitch for the maximum Variable Reenlistment Bonus. On active duty only 26 months, Sergeant Bremer's whopping bonus came just two weeks after his promotion to staff sergeant.

The new FRIGIDAIRE Home Laundry is worth looking into

Tired of the back-breaking drudgery of washing and drying clothes the old fashion way. Well, Frigidaire has the modern answer to this problem. The time-saving, work-saving washer and dryer of Frigidaire.

The JET ACTION Frigidaire washer has a different agitator that gives your clothes a deep cleaning you never thought possible. It has a different way of rinsing that jets away lint and scum, all automatically. A different design in the mechanics, no belts, no gears and no pulleys wear out. All this and as quiet as a whisper.

Couple this new Frigidaire washer with the new Frigidaire FLOWING HEAT ELECTRIC CLOTHES DRYER, and you have a wash-day pair that can't be beat. The dryer beats all out doors in getting clothes dry. One dial does all the work. You have a choice of settings, including settings for delicate fabrics and wash & wears. There's a different kind of lint screen, right on the door. And you can choose the degree of dryness you want. So, don't delay any longer. Go to WTU and see these new and different washers and dryers—the wash-day homemakers prefer! It's worth looking into!

FREE WIRING
Normal 220-volt—to WTU residential customers who buy an electric dryer or combination from a local dealer.

Introducing the 1970 Buicks.

Three of 36 great new Buicks.
Three of the finest Buicks ever.
Built with all the care and craftsmanship possible.
Built with product integrity.
Right down to the fine details.
As a few of these fine details will prove.

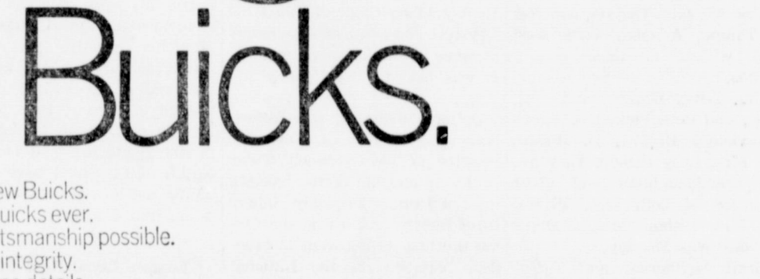

Every 1970 Buick has a new cooling system that should never ever overheat. • Every 1970 Buick equipped with a V8 engine has an exclusive carburetor time modulated choke control. It will make for easy starts in any weather. • Every 1970 Buick is equipped with fiberglass belted tires as standard equipment. • Every 1970 LeSabre, Wildcat, Estate Wagon, Electra 225 and Riviera has an exclusive suspension system called AccuDrive. Never has handling been easier. • All the 1970 Buicks have the look that makes people look twice.

No wonder Buick owners will keep on buying Buicks. Buicks are automobiles you can believe in.

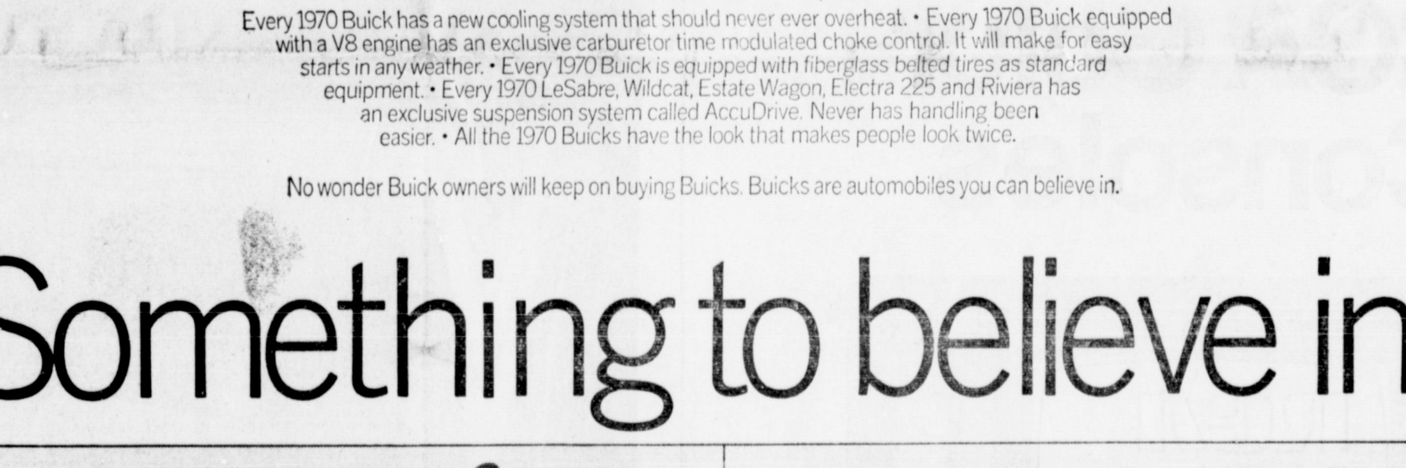

Something to believe in.

1970 Buick LeSabre Custom 2-door Hardtop. With a 124-inch wheelbase. Now available with a 455-cubic inch V8.

1970 Buick Estate Wagon. Totally new. A full size wagon with a 124-inch wheelbase. The longest you can buy.

1970 Buick Riviera. An all new 455-cubic inch V8 combined with a beautifully behaved 3 speed automatic transmission are a small part of what's standard.

BUICK MOTOR DIVISION

Wouldn't you really rather have a Buick?

FISHER GM MARK OF EXCELLENCE

HEDLEY NEWS

Mrs. Mabel Bridges

Editor's Note—We appreciate Mrs. Clifford Johnson's writing the Hedley news this week for Mrs. Mabel Bridges.

Mrs. Mabel Bridges attended funeral services for Harold Curtis of Los Angeles held in Amarillo Monday. He was the son of Mrs. Horace Curtis of Amarillo who is a sister of the late Clyde Bridges.

Emmett Stiles of Groom visited his mother, Mrs. Ruth Stiles last week.

Mrs. Emma Weaver of Jacksboro, sister of Mrs. Mollie Dickson, is visiting in Hedley. She came home with Mrs. Dickson last Thursday.

Mr. and Mrs. Emory Stone and daughter of Amarillo spent the week end with Mr. and Mrs. Paul Lair.

Mr. and Mrs. Ronnie Owens of Hereford spent the week end in the home of Mr. and Mrs. Roy Jewell. Mrs. Jewell is Mrs. Owen's grandmother.

Last week's meeting of the Hedley Lions Club was well attended and much festival business was discussed.

Progress on the 18th Annual Cotton Festival which will be held Friday and Saturday, October 10-11 is going along according to schedule.

Bobby Brown of Wichita Falls is visiting his grandmother, Mrs. Bessie Yandell and other relatives this week.

Claborn Cavender writes that he and his wife, Thelma, now live in Tempe, Arizona. They send best wishes to their Hedley friends.

Mrs. Larry Gailey and son, Troy, and Beth Pickett of Amarillo visited Mrs. J. B. Pickett and Mrs. Lucy Bishop. They are the granddaughters and great grandson of both Mrs. Pickett and Mrs. Bishop. Mrs. Bishop's birthday was Monday.

Virgil McPherson and Forest Morton have returned from a fishing trip in the Corpus Christi and Port Aransas area.

Last week's meeting of the Hedley American Legion Post was well attended. Some 50 members have paid dues in advance for 1970.

Gilbert Srgley, secretary of the Hedley Lions Club, attended the District President - Secretary seminar in Amarillo last Sunday. It was held at the Holiday Inn West.

Clifford Johnson will attend both the Board of Directors meeting of the Greenbelt Water Authority and the Cotton meeting in Childress. Probably others from Hedley will attend the Cotton meeting as it covers 13 counties. Members of the National Cotton Council will be present.

Lion District Governor, Ed Flood of Amarillo, will visit the Hedley Lions at the next Thursday night meeting. He is president of the Ed Flood Oil Company and a very able speaker.

Mr. and Mrs. Raymond Steele visited with Mr. and Mrs. Louie Bogue this week end. The Steeles have moved from Childress to Memphis recently.

Revival services are now being held at the First Baptist Church of Hedley. Rev. Tommy Nesbitt of Denison is doing the preahing and Mr. and Mrs. Ray Ratliff of Clarendin have charge of the music. Services are at 10 a. m. and 8 p. m.

Leader Local Rate $4.00

WATERMELONS FROM HOME — First Lt. Ronald E. Heinze lifts one of two Georgia watermelons he received in the Republic of Vietnam as a gift from his wife in Manchester, Ga. Sandy Lockhart, an American Red Cross "Doughnut Dolly" from Seminole, Okla., is at right. The huge watermelons reached Lieutenant Heinze, an Americal Division platoon leader, through the combined efforts of the Atlanta Constitution newspaper, the Georgia State Farmers Market, Pan American and Delta Airlines and the American Red Cross.

CHAMBERLAIN NEWS

Mrs. A. O. Hott

Mr. and Mrs. Dennis Harrison and daughter, Anna, and Roy Dolman spent the week end with Dennis's sister and Roy's parents, Mr. and Mrs. W. E. Dolman of Odessa.

Mrs. C. L. Cannon of Bula and her sister, Mrs. Ella Simmons of Clarendon, visited their brother and wife, Mr. and Mrs. Frank Hardin Monday. In the afternoon they went sightseeing out at Sherwood Shores and Greenbelt Lake.

Mr. and Mrs. J. N. Coalson of Meadow, Texas spent Monday night with their cousin, Mr. and Mrs. Frank Hardin.

Mr. and Mrs. N. B. Hatfield of Amarillo visited her parents, Mr. and Mrs. Jess Ivey Monday.

Mr. and Mrs. A. O. Hott visited her sister, Mrs. Leonard Dozier, Friday, and took Mrs. Dozier to visit her husband, Leonard, at Adair Hospital. They also visited Mrs. Jess Pool and Mrs. John Bass. Leonard was able to return home Saturday morning.

Rembert Ivey went to Dallas this week end to visit his sister, Mr. and Mrs. Jack McDonald and another sister, Mr. and Mrs. Ira Fritts and daughter of Beaumont. All attended Six Flags.

Mrs. Jess Ivey visited Mrs. J. F. Ranmy Thursday in Clarendon.

Mrs. Lena Springer and a friend, Mr. Tipton of Amarillo, visited her sister, Mr. and Mrs. Richard Dingler, Sunday afternoon. Mr. and Mrs. D. G. Ballew were also visitors.

C. T. Bates and Mrs. Anna Barker were united in marriage Thursday. They left for Dallas soon after the wedding and visited Six Flags. They returned home Sunday afternoon. We wish them much happiness.

Richard Dingler visited Thomas Swinger of Seagraves in the home of his daugher, Mr. and Mrs. Gerald Foser in Clarendon, Sunday afternoon.

John Sommers of Dallas spent the week end with his parents, Mr. and Mrs. C. A. Wright.

Mr. and Mrs. Howard Landry and children of Booker visited her sister, Mr. and Mrs. E. W. Barbee and children, Sunday.

Mr. and Mrs. A. B. Ivey spent Friday and Saurday at Lake McClellan fishing with her brother, Mr. and Mrs. J. T. Wylie and Mr. and Mrs. Lee Thompson of Pampa. Fishing was good.

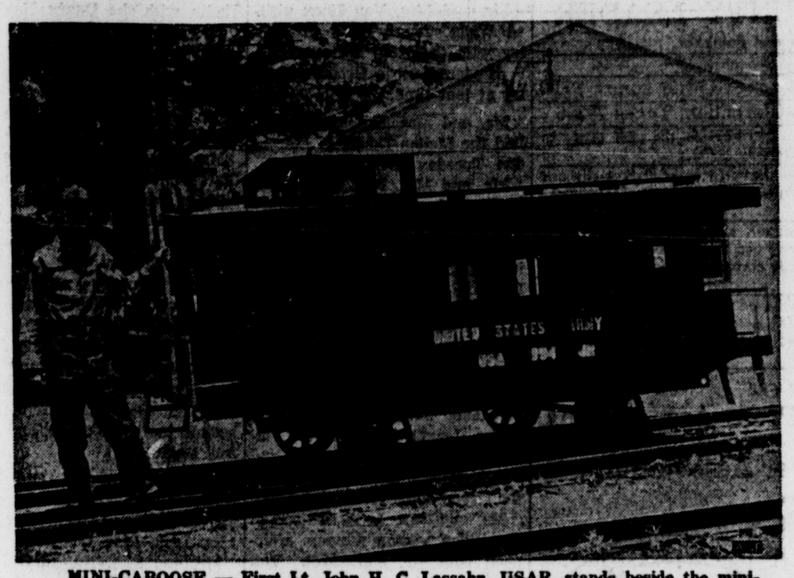

Mrs. V. E. Morrison ate lunch Friday with Misses Ruth and Nell Corbin.

This is the way it's going to be. Pontiac's 70's

Surprised that Pontiac's setting the style for the umpteenth straight year? Of course not.

But you may be a bit dazzled to find out that Pontiac finally outdid Pontiac.

Take Bonneville. From the strong, new bumper grille to the standard 455 under the hood, it's a rouser.

Inside: instant limousine. So luxurious some of the traditional big boys are already screaming.

One of the nicest things we could have done for Grand Prix's luxury was to leave it alone. We did. But we popped in a 455 V-8 for you to order. (It's an old Pontiac proverb that luxury should have power.)

Enter LeMans Sport. A brand-new series in the Pontiac stable. Wait'll competition sees it pull the new 400-cubes-under-the-hood trick. We'll show you that one if you check the right box on the order form.

By now, you've spotted our '70 GTO. But maybe you haven't heard it. A sound so tough we've thrown modesty to the wind and dubbed GTO "The Humbler."

This is Pontiac '70. And we figure this is the way driving's going to be. So why wait?

It's at your Pontiac dealer's now.

LELIA LAKE NEWS

Mrs. Pauline Roberts

Mr. and Mrs. H. H. Shields and Mr. and Mrs. Delbert White of Hedley accompanied a group of young people from the Quail school to Plainview where they attended a meeting of the Young Homemakers and Young Farmers Saturday.

Mrs. Sid Pointer and Steve spent the week end in Amarillo visiting her sister, Mr. and Mrs. Ralph Goodner and Jack.

Mrs. David Hudgins of Lakeview visited Sunday with her sister, Mr. and Mrs. Quinn Aten.

Those visiting Sunday with Mr. and Mrs. Hollis Banister were Mr. and Mrs. Jack Leeper and children, Mr. and Mrs. F. E. Banister of Clarendon, Mr. and Mrs. Wayne Black and Hardy Wayne, Lubbock; Basil Banister, Midland; Bob Banister, Ark.; Mr. and Mrs. Kelsey Banister, Amarillo; and Mrs. Violet McNabb and Peggy of Amarillo.

Mrs. Cap Anderson visited Sunday with her daughter, Mr. and Mrs. Harold Gouge and children in Memphis.

Mr. and Mrs. J. W. Helms are vacationing in Juarez, Mex. this week.

Mrs. J. W. Wood returned home from Groom Hospital Saturday but is not feeling too well at this time. We hope she will show improvement soon.

Mr. and Mrs. W. W. Jones visited Sunday with their daughter, Mr. and Mrs. B. V. Floyd and Mike in Borger.

Those visiting Mr. and Mrs. F. B. Butler during the week were her sisters, Mr. and Mrs. Jim Scroggins and Della, Morton and Tiny Scroggins of Groom.

Mr. and Mrs. Earl Shields and family visited with the Harold White family in Hedley Sunday night.

Mrs. J. L. Butler accompanied a group of Clarendon ladies to Wellington Saturday to attend a sorority meeting.

Mrs. A. T. Castner is home now after having undergone surgery at High Plains Baptist Hospital in Amarillo. She is doing fine.

We are sorry to hear of David Mooring having to undergo so much surgery. We sincerely hope this will be the last and that he will be on the road to recovery.

Mrs. John Cook of Phillips and grandson Marti of Bartlesville, Okla., stopped by to visit Mr. and Mrs. D. M. Cook Sunday.

Mr. and Mrs. George Shields spent the week end in Amarillo with their son, Mr. and Mrs. Bruce Shields.

Bobby Head and family of Panhandle visited Sunday with his parents, Mr. and Mrs. E. D. Head.

Mr. and Mrs. Quinn Aten had business in Memphis Monday.

Mr. and Mrs. Loyce Craig of Ruidosa, N. Mex. spent the week end with his mother, Mr. and Mrs. J. W. Wood.

Offered exclusively in a Holiday Coupe body style, the 1970 Delta 88 Royale represents the top of Oldsmobile's '88' line of cars. A vinyl-covered top, distinctive grille, front fender louvers and specific exterior ornamentation easily identify the Delta 88 Royale. Standard engine on this 1970 Oldsmobile is a 455-cu.-in. V-8. A high output engine option, designated W-33, is available on the Delta 88 Royale and on all other Oldsmobile '88' models for 1970.

Those visiting Mr. and Mrs. E. E. Fox during the week and week end were Mr. and Mrs. J. R. Fox, Leeroy Fox and Tony of Wichita Falls; Mrs. Carol Stepp and Melony, Darrouzzett; Janell and Gina Britten, Amarillo; Mrs. B. J. Mooring, Clarendon; Mr. and Mrs. Bill Moreland and Marshall, Abilene; Mr. and Mrs. Don Lassiter, and Mr. and Mrs. Johnny Britten and family of Amarillo. Johnny and some friends from Amarillo went hunting.

Mrs. W. H. DeBord of Claude visited her daughter, Mr. and Mrs. Elmer Dishman, a few days this week.

Janice and Robert Butler of Childress spent the week end with their uncle and aunt, Mr. and Mrs. Willard Knox. While here they went fishing, and Robert caught the most fish!

Mrs. N. R. Simmons left Friday by bus for Tulsa, Okla. where she will visit her daughter.

Loyd Christesson and Kim of Tulsa, Okla. visited his sister, Mr. and Mrs. Dean Peoples over the week end.

Glen Williams and daughter, Mary Williams of St. Paul, Minn., flew to Denver, Colo. to visit relatives. Glen flew back home Friday.

Mr. and Mrs. Don Altman accompanied a group of young people from Hedley to Canadian Sunday to attend a district meeting of the United Methodist Church.

Mrs. Marie Basey and daughter of Austin and Mrs. Lilly Gregg of San Saba spent the week end with their brother, Richard Lewis and Mr. and Mrs. Herbert Shields and David.

Mr. and Mrs. C. C. Ayers made a business trip to Amarillo Tuesday.

POSE FROM THE PAST — First Sgt. John Lown Jr. poses before a recruiting poster of the Spanish American war period at Fort Huachuca, Ariz. Sergeant Lown is wearing a dress cavalry uniform he and his wife made. The Lowns collect and make replicas of old Army uniforms as a hobby. Their regalia includes homemade mustaches, beards and wigs.

Jimmy Shields left Friday for Dallas where he will live while attending electronics school. We will miss Jimmy, but wish him good fortune during the next year.

Mr. and Mrs. Clyde Phillips of Amarillo spent the week end with her sister, Mr. and Mrs. Kinch Leathers.

Mr. and Mrs. Leo Smith and Shelia returned Monday from a vacation trip that took them into and around Salt Lake City, Utah. Mr. and Mrs. Harold Smith of Guymon, Okla. accompanied them.

The most important people who do conservation work are the owners and operators of our farm lands.

Mr. and Mrs. C. E. Jackson went to White Deer to meet her mother, Mrs. Sallie Keller, and took her to her home in Wellington.

Texas Highway Week September 21-27

Though the theme of this year's Highway Week is "Highways Bring Better Living," the safety features built into Texas highways might vary that theme to "better highways bring longer living." Highway week is set for September 21-27.

The Texas Good Roads Association, sponsor of Highway Week, has found that the Texas Highway Department's policy of built-in safety has paid off by decreasing highway fatality rates.

In 1925, there were 17.5 fatalities for every million vehicle miles driven. By 1968, this rate had been lowered to 5.5 per 100 million miles driven.

One of the main reasons Texas highways are safer is that the Texas Highway Department invests more than $1 million annually in safety research.

Reduced highway fatality rates can be traced directly to the application of research results to the design of new highways and the modification of older ones built in an age of fewer, less powerful vehicles.

A now-famous illustration of the direct benefit of highway research is the breakaway sign. A rash of vehicle-sign collisions, some fatal, led to development of a sign structure that would yield on impact yet withstand heavy winds and support large signs.

The breakaway sign was introduced by Texas Highway engineers more than three years ago and is now standard on new highways throughout the nation. The same is true of breakaway supports for highway lighting.

Each of these life-saving innovations yields when struck by a vehicle, letting the vehicle roll safely to a controlled stop.

At the end of last year, Highway Department and university researchers had teamed up to produce another device to make Texas highways safer. This was the "Texas Crash Cushion."

It consists of a series of steel drums connected to form a kind of honeycomb to be placed in front of a rigid obstruction. Should a vehicle strike the crash cushion, the crushing of the steel drums expends the energy of the fast-moving vehicle, greatly reducing the hazards of impact.

Texas Crash Cushions are now being used to save lives in a number of major Texas cities.

Another safety feature which appeared in greater numbers along Texas highways during the last year was high-level lighting installations. Highway Department researchers have found that carefully placed lights suspended from high levels give a wider, more uniform level of light for critical locations along the highways.

The tremendous strides made over the years in providing better highway transportation for less cost and increased safety largely are the result of painstaking research.

In fostering and participating in this research, the Texas highway Department has given the Lone Star State highways that bring safer as well as better living.

On halves of toasted buns or English muffins place ham, swiss cheese, chicken, bacon, tomato, sliced hard cooked egg. Wrap in wax paper, and place in refrigerator until packing time. Tote along favorite dressing, suggests Extension Consumer Marketing Specialist Gwendolyne Clyatt. Allow two halves of buns for each person.

Traffic accidents are the leading cause of death among persons from ages 5 to 31, the President's Committee for Traffic Safety reports.
