Finishing Work

Completion of tie-in of the new 14-inch iron pipe water line from the city's water treatment plant west of the city will be finished in a few days. The line was replaced only in the segment which crossed the Colorado River, a new line laid under the river. City Manager James Campbell has advised city residents that their water will be cloudy for a few days after the line is turned on and put to use but "since this time of year is a peak use time, it shouldn't take more than a few days for the water to be clear again," he said. The line will probably be turned on Tuesday or Wednesday he said.

Poster Contest Ends July 18

A poster contest for children between ages 8-12 will be held in connection with the Mitchell County Bicentennial Committee's Farmer's Market, the Governing Committee announced Friday.

The posters should be creative and can utilize material scraps, cotton, glitter and paint, said committee chairperson, Carolyn Smith. All posters must be on poster board.

The prizes for the contest are \$10 for first place, \$7 for second place and \$5 for third place. All posters become property of the governing board.

The posters are to be turned in Friday, July 18 before 5 p.m. at the Colorado City Record office. The winner will be announced in the Thursday, July 24 edition of the paper. A selected group of judges from the Governing Board will decide on the winner.

The Farmer's Market has moved to a temporary location, on Oak Street between First and Second Streets. New hours have been established: Tuesday 9 a.m.-noon; on Thursday, 5 p.m.-8 p.m., and Saturday 9 a.m.-6 p.m. First Saturday of each month is Trades Day. This is where anyone can bring anything and sell or trade it for whatever they like. Many of the initial regulations for the market have been changed. There is no fee for selling items. Produce can ei-

ther be home grown or shipped in. According to Mrs. Ben Bell, one of the directors, there has been plenty of home grown produce available. A woman from Loraine brought over a hundred pounds of squash, last Thursday. There have been melons, dressed rabbits and tomatoes, plus homemade bread, cakes, candy and cookies. Some jewelry and crafts have been on display.

If anyone has any questions they should phone Mrs. Ben Bell, 728-2002.

Job Applicants To Begin Work

Beginning Monday morning, 33 Mitchell County students between the ages of 14 and 18 will begin work at four sponsoring agencies—the city, public schools, Kindercare Center and Wallace Community Education Center.

Mrs. Rosia McCowan, assistant coordinator for the CETA Manpower program for the five-county area including Mitchell County, was in Colorado City Thursday and Friday, taking applications at the Boys' Club.

Mrs. Cowan, who assists Manpower coordinator Carlos Flores from their Snyder offices, said that between 75-100 applications have been taken locally.

Funds for CETA, which stands for Comprehensive Employment and Training Act, were held up by a presidential veto but are now available, she said, administered through the West Central Texas Council of Governments and the Manpower Program it oversees.

Applicants must meet poverty guidelines furnished by the federal government. Guidelines incorporate adjusted income scales based on family size and whether or not the family is a farm or non-farm family.

Mrs. McCowan said that the office would be busy between now and when work starts Monday morning informing applicants of their eligibility to participate in the program.

Students will be paid \$2.10 per hour for a 40-hour week for 320 hours or until school starts, she added.

"It's possible that more work stations and job openings will be available at a later date," she concluded.

Application Turned Down

Colorado City's request for an extension of funding for the five-year Bilingual education pilot project has been denied, according to CISD superintendent Lloyd McKee.

Notice of the denial of the request was made to the school district by letter in the early part of July.

McKee said that even though no federal funds will be available to the schools for the Bilingual program, it will be in effect for the next school year and coming years because of state requirements which now expect Bilingual education to be offered in school districts having a large percentage of Spanish-speaking students.

Colorado City's pilot program in special Bilingual classes was begun five years ago and federal funds amounting to about

\$390,000 have been available for the program, from \$70 to \$75,000 per year, McKee said.

With the loss of additional funds for the administration of the program, McKee said a shift in assignments is being arranged whereby Bilingual coordinator Rita Naredo Latimer will teach high school math and Bilingual secretary Mrs. Lu Ann Hertenberger will move to high school as secretary.

Bilingual program director, Kelley Elementary principal Esten Blackmon, will still direct Bilingual studies at the elementary level for the school system.

McKee also pointed out that regular classroom teachers have been handling the Bilingual classes along with their regular teaching assignments for the past five years and will continue to do so in coming years.

He also noted that a possibility exists that a couple of other teachers will go into a new Compensatory Education program which goes into effect this fall, but is not yet ready to make any announcements regarding new assignments.

Even though the school district is losing federal money for the Bilingual classes, McKee said that state money will be available for some of the expense and the school district will not have to foot a \$70,000 bill for the special Bilingual program administration this year.

In other school news, McKee said that only routine items are on the agenda for Monday night's meeting of Colorado ISD board of trustees, 7 p.m. in the high school library.

The board will accept the resignation of William Leppard, junior high health and P.E. teacher and coach the past school year. Two appointments are on the agenda: Michael and Wanda Moody to teach general science at the Middle School and high school English, respectively.

Mrs. Freddie Guitart will be appointed textbook custodian to take Barbara Gray's place subject to board approval. Mrs. Gray will be devoting full time to her duties as administrator of the Wallace Community Education Center.

Budget workshop sessions will be set, McKee said, with the possibility of holding public hearings on the new budget for the coming year in a special session July 22.

Deadline For Cotton Acres Certification

Tuesday is the final date to certify cotton acres at the Mitchell County Agricultural Stabilization and Conservation Service office, G-Kell Building. ASCS executive director Don Stewart says that almost half the county's farms, about 400, still are not certified.

Farmers need to certify their cotton acreage in order to be eligible for any farm program benefits, such as deficiency payments, disaster or low yield.

Cotton allotment history can also be protected through the certification process, he said.

Monday and Tuesday will be the last dates to complete certification, Stewart emphasized, as he has received notice that the deadline will not be extended this year.

Proposed Outlines

Colorado City's city council has proposed the limits outlined on the map above for boating and skiing at Lake Colorado City. An ordinance is being drawn up to be considered by the council during their workshop session Tuesday, July 22. The proposal would limit jet boats to the area south of the launching ramp at Lake Colorado City State Park. Skiing would be permitted to Cooper's

Cove but not north of a line from the cove to the west side of the lake. From Cooper's Cove north the council has proposed a 5-mile-per-hour-no-wake limit. Small areas bounded by a broken line and marked with an "S" are the swimming only areas already designated by the council. The city council has jurisdiction over the waters at Lake Colorado City.

Sheriff's Dept. Caseload Busy

Charges have been filed on Cecil Beezley, described as in his 50's and a Colorado City native, following his arrest Wednesday after he held Deputy L.M. Newby and Sheriff Bill McGuire at gunpoint.

Beezley was charged with aggravated assault against a law officer and is being held in Mitchell County jail on \$15,000 bond.

The department has been busy on a number of other cases, including recovery of stolen items.

Latest arrest was made Thursday by L.M. Newby. Charged with transporting alcoholic beverages in a dry area was Simon Martinez Medrano, 31, of 1337 Plum Street in Colorado City.

Monday, July 7, property stolen from Chevron Oil Com-

pany's East Howard Field Unit, located on the west Mitchell County line, was recovered and two men have had charges filed against them. Recovered was a 2-ton Chevrolet truck, calculator and case of soft drinks. Charged with burglary and felony theft, though not yet arrested, were James Thomas Cooksey and Harold Dean Cooksey.

The two Cookseys, have since been arrested in Las Cruces, N. Mex.

The truck was recovered by McGuire in El Paso. The two men were also being sought in connection with the holding of a Howard County Deputy at gunpoint south of Coahoma Saturday night, July 5.

Harold Dean Cooksey, 50, and his brother, James Cooksey, 46, had been sought since Saturday night when three men disarmed

a Howard County deputy and destroyed parts of his car. The deputy had answered a call that the men were siphoning gas at an oil lease south of Coahoma.

The three men abandoned a pickup truck three miles from the scene and fled on foot. Carl Harding, one of the three suspects, was arrested about noon Sunday, near where the incident occurred.

Investigation is continuing in the case by Sheriff McGuire, deputies Newby and Wilkinson, Texas Ranger George Frazier of Big Spring and Howard County law enforcement officers.

Jack Nelson Goodlett, indicted by a grand jury meeting here in May, was arrested in Dallas recently and brought to Mitchell County jail by Deputy Mike Stutz. Goodlett was indicted for a burglary of Carl Miles lake cabin on Lake Champion. A pickup, shotgun, rods and reels and rifle scope was taken from Miles cabin. The pickup and a gun have been recovered from the burglary.

No arrests have been made but property stolen from the Darrell Holmes farm west of Colorado City has been recovered. Recovered in Hobbs, Tex. was a 16-foot stock trailer and between 25-30 bags of delinquent cottonseed.

Russell Paul Eppler, probated some months ago for robbery, was rearrested in Big Spring by deputies Stutz and Jim Reynaud following a motion to revoke the probation. He is currently being held in county jail.

Parsons, Kornegay Exchange Vows In Evening Ceremony

Miss Melanie Elaine Parsons became the bride of Kenneth Gene Kornegay at the First Baptist Church of Snyder, Saturday evening at 7:30 p.m. Rev. Ken Andress, officiated in the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Herman M. Parsons of 4507 Galveston Avenue, Snyder, formerly of Westbrook. Parents of the bridegroom are Mr. and Mrs. Harold Gene Kornegay of Snyder.

The altar of the church was decorated with an arched candelabra of fifteen tall burning tapers adjoined on either side with two spiral candelabras of thirty tall burning tapers each, and two candelabras of fourteen burning tapers. They were entwined with greenery. A memory candle, and two large urns of yellow and white gladiolus completed the background. Large white satin bows accented the pews of the bride's and groom's parents.

David Vaughan of Snyder presented traditional wedding music at the organ and Miss D'Ann Fisher of Snyder was pianist. Miss Debbie Clifton of Abilene and Alvin Neely of Snyder sang "The Twelfth of Never" and "Walk Hand in Hand." Miss Clifton, also sang "Wedding Prayer."

Presented in marriage by her father, the bride was attired in a white formal length gown of organza with chantilly lace and hand-drawn pearls. The sheer fitted, tucked bodice was designed with chantilly lace, with the same lace trimming the circular skirt and chapel sweep train of the gown. A high collar band repeated the lace and pearls. Chantilly lace formed long cuffs of the full sheer bishop sleeves and also edged the outer layer of the long-flowing mantilla veil.

She carried a nosegay bouquet of white daisies with yellow sweetheart roses and baby's breath, trimmed with long white satin ribbons streamers. Miss Pam Underwood of Snyder, served as maid of honor. She wore a formal gown of flocked-flowery sheer over yellow bridal satin. It featured a sweetheart neckline, short-puffed sleeves, and a princess bodice with a side belt tying in the back. She carried a nosegay bouquet of yellow and white daisies sprinkled with baby's breath.

Bridesmaids were Miss Denise Clark of Snyder, Miss Debbie Clifton and Miss Darlene Clifton, cousins of the bride, both of Abilene. Their attire was identical to that of the maid of honor and also carried identical bouquets. Alvin Neely of Snyder, served as best man. Groomsmen were Tommy Mebane, Bobby Kornegay, brother of the groom and Jerry Bob Lee, all of Snyder. They were attired in yellow tuxedos trimmed in black velvet. The groom's tuxedo was white with black velvet trim.

Mike Stevens, uncle of the groom from Hearne, Jimmy Brown and Max Underwood ushered guests.

For her daughter's wedding, Mrs. Parsons chose a yellow-green floor-length gown with an over-lay of soft green chiffon and matching full sheer sleeves. She wore a corsage of white gardenias. Mrs. Kornegay chose a light brown floor-length sleeveless gown of polyester, with a matching long sleeved jacket. She also wore a corsage of white gardenias.

The bride's parents were hosts for the reception in the church fellowship hall. The bride's table was covered with a floor length yellow cloth under white lace, and centered with a tall gold candelabra with an arrangement of white daisies and yellow roses sprinkled with baby's breath. The four-tiered wedding cake was decorated with yellow roses, topped with the traditional miniature bride and groom before a flowery church window, with the four groomsmen and four yellow-gowned bridesmaids winding up the spiral staircase. Punch was served from a crystal bowl with crystal appointments. Presiding at the bride's table were Mrs. Tommy Mebane and Miss Paula Andress, both of Snyder.

The groom's table, covered with a brown linen cloth, held a two-tiered square banana-nut cake. Coffee was served from a silver service with silver appointments. A tall yellow candle in a single silver holder centered the table. Miss Charlene Yoast and Miss Vickie Kornegay, both of Snyder, presided at the groom's table.

Mrs. Tommy Mebane registered wedding guests. Miss Cheryl Taylor of Snyder, presented the music at the reception. Members of the house party were Mrs. Ned Underwood, Mrs. James Jones, Mrs. Bob Ivey, Mrs. Charles Yoast, Mrs. Donald Gressett, Miss Faye Cooke and Mrs. Dale Keith.

For their wedding trip to Galveston, the bride chose a two piece red and white ensemble with white accessories. The bride is a 1975 mid-term graduate of Snyder High School and will be a sophomore student at Western Texas College this fall. The groom is a 1975 graduate of Western Texas College and is employed by Howell Electric Company.

The couple will reside at 2707 Avenue V, Snyder. Out of town guests were from Warner Robins Georgia, Carlsbad New Mexico, Roscoe, San Antonio, Hearne, Abilene, Sweetwater, Dallas, Colorado City and Westbrook.

The groom's parents hosted the rehearsal dinner in the American Restaurant dining room.

Classes will be in the church class rooms beginning at 8:30 a.m. until 11:30 a.m. and children from age three through sixth grade students will be eligible to attend the school. This will include children who will be in the seventh grade in the 1975-1976 school year.

Forty teachers will be on hand to teach the eight classes and a nursery will be provided for workers. The main course of study for those attending will be centered on learning about the church with various field trips planned.

Directors will be Edna McMillan, 3 year olds; Bell Compton, 4 year olds; and Karen Newby, 5 year olds. First grade students will be directed by Jolene Blankenship, second grade, Bobbie Wilkinson; third grade, Jean Edwards; fourth and fifth grade, Billie Roenfeldt and sixth grade, Jan Lemons.

Church pastor, Rev. Glenn Roenfeldt, will be principal of the school.

Before you move in... know the facts about insurance

- Fact 1:** Fire insurance alone on home and contents is not enough. Your home could be destroyed by windstorm explosion or other hazard.
- Fact 2:** Theft coverage of your possessions, at home and away, should be included.
- Fact 3:** A lawsuit judgment against you could cost you everything you own. You need liability insurance.
- Fact 4:** You get all this and more in one Homeowners policy... with one low premium!

The Way That Leads To God

Bob Ford

Pastor
First United
Methodist Church
Colorado City

Psalm 27-Jer. B. Ephesians 1:15-23-Jer. B. James Chalmers was a Scotsman who had heard the call of Christ to be a missionary in New Guinea in the late 1800s. He was a powerful man. A big man. He was afraid of nothing. He had faced cannibals who were threatening to kill him and his family and had made them back down. He placed a chain of Polynesian teachers-evangelists along the southern coast of New Guinea.

"Tamate," as he was called by the natives, lived and preached Christ fearlessly. Robert Louis Stevenson described him as "a man nobody can see and not love...a big, stout, wildish-looking man, iron grey, with big bold black eyes and a deep furrow down each cheek...with no humbug, plenty of courage, and the love of adventure... He has plenty of faults like the rest of us but he's as big as a church."

He had no permanent white helper. On writing about his need to his mission board Oliver Tomkins heard the call and came. All along Chalmers had been working with cannibals. With Tomkins and some native Christians he went to a village to preach. The villagers had just finished a hut for fighting and needed a human sacrifice before they could use it.

On Easter Sunday evening of 1901 Chalmers and Tomkins came to the village. They were killed and offered as sacrifices. On Easter Day they made the transition from Easter faith to Easter presence.

The Psalmist says, "Though an army should encamp against me, my heart shall not fear." The psalm has two parts to it. The first part talks about the courage of the faith. The first six verses are testimony of the psalmist to his trust in God. There is a fearless trust here that is heroic in its power.

The words of the psalmist are not words that come to him in the moment. These are words which come out of years of hard struggles with life. They come from long years of afflictions which he has experienced. He knows what it is to have an army camp against him just like Chalmers and Tomkins did. Here is a man who is strong and mature in his faith. He knows where he stands because his faith has been tested time after time. This man is aware of the grim facts of life. He knows that life is not a bed of roses. Yet because he knows this he is more confident in God. Because he sees the evil of men he trusts more in God. He is able to lift up his head more confidently, being strengthened inwardly and fortified by the power of faith.

The picture we get of the man of faith here is a powerful one. Faith here is not seen as cowardly subservience to the facts of life. Life does not beat the man of faith down. Faith stills the man's heart in the struggle of life and makes him victorious over the struggles. His motto could be Paul's, "If God is for us, who can be against us?"

We see a man who through faith has conquered all emotions. Emotion does not rule his life--does not dictate his responses. God has come to be the only power. The psalmist can focus his attention on God and not on his own affairs. He can concentrate on God.

The second part of the psalm deals with the way that leads to God-to faith--such as we see revealed in the first part. Here we see that the psalmist seeks to get rid of his guilt. He knows that unless he empties himself--unless he confesses his sin before God, he cannot have the peace he needs. The ps-

almist has come to the place where he can go no farther. He understands what Jeremiah meant when he said, "When you seek me you shall find me, when you seek me with all your heart; I will let you find me..."

What a powerful word. We know we are judged by God. Only in his presence do we know we are guilty. In our guilt--in our sin--he says to come. His grace will prove stronger than his judgment. God promises to be gracious to those who have sinned against him when they seek him with all their hearts. God declares that he will become a father to us--he will claim us as his children--not because we are good but because he loves. God will not allow our sin--my sin--to separate us from him. He will overcome it.

And in Jesus Christ that has happened. In the resurrection we see what he can do to breathe life into the dry bones. He opens our eyes to what is possible. He shows us the power that he exercises on our behalf. For if God can take a person who has been dead three days and raise that man back to life, think what he can do for us. The power that raised Jesus from the dead is the power that God is using for us who believe in him who would want him to be Lord in our lives.

How, then, do we become like the psalmist--the hero of faith--who has no fear, whose emotions are controlled by faith? We do as the psalmist did. He waited in expectation of what God would do. "This I believe: I shall see the goodness of Yahweh, in the land of the living. Put your hope in Yahweh, be strong, let your heart be bold, put your hope in Yahweh." The very God against whom we have sinned is the only God who can save us from our sin.

Isaiah speaks God's words when he says, "Do not be afraid, for I have redeemed you; I have called you by your name, you are mine." In Jesus Christ God has redeemed us. It is already done. He has called us by our names. We are his. To be people of faith is to accept what has already been done and to seek God with all our hearts. He will not disappoint. He will be true to his promises. "Let be then: learn that I am God." When we do this we shall see the goodness of God in the land of the living. Amen!

us by our many friends and neighbors during
our recent sadness helped so much to comfort
us. We would also like to thank the staff of

Poem Written In
Father's Memory

(Editor's Note: The following poem was written by
Major Bell's daughter, Betty Bell Maniss, in remem-
brance of her father. He was killed on the night of July
14, 1971, while working at J&J Gulf service station on
Interstate 20 in Colorado City. The crime is still un-
solved.)

The Robbery

By Betty Bell Maniss daughter of Major Bell

Who would have ever thought a robbery would take place
at a service station in such a small friendly town
Everyone knew Daddy
Teenagers came by to say "Hi"
The policemen were his friends
But then the robbery--
It only took fifteen minutes for someone to rob Daddy
of his life

Five shots rang out when two would have probably
been sufficient
The robber took one hundred and fifty dollars
How could he value a life for so little?

He was a robber in so many ways
He robbed a wife, sons, daughters, grandchildren, brothers,
sisters and so many kin folk

He robbed someone of a good friend
He robbed the town--for Daddy was a good citizen
Daddy had worked so hard

A vacation was due him in two weeks
The robber robbed him of a well earned rest

He robbed him of the thrill of future grandchildren
The joy of growing old with loving family around him
Daddy was a simple man

It took so little to make him happy
A good supper shared with friends or relatives

His grown sons and daughters and grandchildren coming
home for a visit
Watching a garden grow under his care

Little gifts for birthdays and Father's Day
Sitting around shelling nuts on Christmas and talking
with family

A good cup of coffee, an easy chair
He enjoyed life, but someone robbed him
God help the man that committed that cruel robbery on
July 14, 1971

For he robbed Daddy and so many more.

Theme
Established

"Come Dance With Me" will
be the theme of the Cultural
Affairs Committee's July 17th
presentation at 8 p.m. in the
Civic House.

Mrs. Dorothy Brandt, Director
of the West Texas Theatrical
Arts Center of Sweetwater, will
trace the dance as an art form
from the early religious ceremonies,
to ballet, to modern dance as a
body language, to the modern
jazz of today and back to modern
uses of the dance in religious ceremonies.

Mrs. Brandt will also present
something of the social aspects
of the dance. She will be assisted
by four of her students:
LeAnn Alexander, Debra McMahon,
Janine Higgins and Jill Frymiere.
The public is invited to attend
and refreshments will be served.

State Farm
Survey Set

In early July, about 24,700
Texas farmers will receive an
acreage and production questionnaire
from Charles Caudill,
Agricultural Statistician for the
Texas Crop and Livestock Reporting
Service, Austin.

Information from this survey
will be used to determine harvested
acreage and production of
early harvested crops for the
state of Texas and for each county.

Farmers who receive questionnaires
are urged to complete and return them by mail.
All individual reports are confidential
and will be used only for state and county totals.

This survey is a cooperative
effort of USDA's Statistical Reporting
Service and the Texas Department
of Agriculture.

community on the fine facility--
"What a contribution to the health
and welfare of this community!
And your success will serve as a
model for others."

The hospital, the first modern
hospital in the county, was built
by Dr. C. L. Root and opened in
December, 1927. Dr. Root was the
father of present hospital administrator
Charles Root and practiced medicine
in Mitchell County from 1914 until
his death in 1937.

The hospital's name became
Root Memorial Hospital when
Dr. Root died and his son, Charles,
became administrator. A north wing
to the hospital was built in 1953
and the nursing home, Root Valley
Fair Lodge, was opened in 1962.

The Hospital District was approved
in 1967, a special election in
September, 1973 including the
Loraine Precinct 4 area into the
district.

'Miss Nell' Still
Lives In C-City

(Editor's Note: The following
article is reprinted in its entirety
from Friday, Dec. 16, 1927's issue
of the Record. It contained a special
section about the new C. L. Root
Hospital. The following article is
about Mrs. B. W. Scott, first director
of nurses at the hospital. Mrs. Scott
still lives in Colorado City.)

She came to Colorado from Albuquerque,
New Mexico.

"She is still called 'Miss Guest' by
many of her friends, who came to know
her before she was married to Mr.
Bennett Scott in the latter part of
last May. She and Mr. Scott will
make their home in an apartment
of the Nurses' Home.

"Service for two years during
the World War, covering a period
of time extending from one month
before the Armistice was signed to
several months afterward can be
listed among the experiences of
Mrs. Bennett Scott, R.N., superintendent
of the new C. L. Root Hospital which
was opened Friday. Mrs. Scott served
as a nurse in army camps in San Antonio
and North Carolina.

"With Mrs. Scott in the new
hospital will be Miss Laura Allen,
a graduate nurse from Dallas. Two
undergraduate nurses, Miss Juanita
Neil and Miss Mamie Wanjay, will
also serve with them."

Stamp
Deadline
Extended

Food stamp recipients can use
50-cent, \$2 and old \$5 food stamps
until Aug. 31, according to the
U.S. Department of Agriculture (USDA).

USDA introduced a new food stamp
series--\$1, \$5 and \$10--on March 1
with a deadline of June 30 for
spending old series food stamps at
authorized retail food stores and
meal services. The deadline was
extended to allow recipients who were
issued old coupons in March, April
and May adequate time to use them.

Grocers and meal services can
redeem old coupons at commercial
banks through Sept. 30.

The change, which was effective
July 1, 1975, was published in the
Federal Register of Wednesday, July 9.
