Hamlin Bops Wolves with 50-34 Loss

Hamlin handed the Colorado High Wolves a 50-34 loss in Hamlin Friday night.

The Pied Pipers quickly jumped to a 13-8 lead at the end of the first quarter.

A big second quarter sent Hamlin even farther ahead. The Green team garnered 14 points in this period to 8 for the Wolves.

It seemed that the Wolves were stuck on 8 points per quarter, because the third quarter saw them score just that many once again. Hamlin found the goal easier to hit in this period. The Pipers added another 13 points to their lead, making the score 40-24.

The Wolves were unable to stop their opponents in the third quarter. Hamlin hit ten more points, making the score 50-34.

Bob Brandon had 12 points for the victors. Steve Hillhouse equalled this effort for the Wolves.

Six feet 6 inch Mac Cade led the Piper B team past the Wolf B by scoring 30 points. Bobby Nobles had 9 for the Wolves.

BILLY & KENNY SIMMONS

Sugar Bowl Plans for C-City Brother 'Team'

A couple of Colorado City brothers, Billy and Kenny Simmons, will be in the Sugar Bowl spotlight Monday in New Orleans.

They are a senior and sophomore combination for the Rice Owls, the Southwest Conference co-champions who play Ole Miss for the Sugar Bowl honors.

Billy, who has earned acclaim of Houston sports writers throughout the fall with his sterling play, is the senior of the brother duo, Kenny, just 2 years out of Colorado High uniform, is the sophomore.

But Kenny is moving into the limelight, too—an exceptional performance for a sophomore. And the following is a sports feature published in Houston Chronicle Thursday under the byline of Boo Odom, pointing up the fact that Rice Coach Jess Neely believes Kenny is the outstanding sophomore football player of the Southwest Conference.

When Jess Neely is sold on a player, especially a sophomore, the boy can expect to log plenty of playing time.

The Rice coach speaks very highly of his sophomore guard, Kenny Simmons, who's

headed for a starting offensive role in the Sugar Bowl. "You can call that the 'That little boy (Simmons) weighs 195, stands 6'0' has come along and done a real fine job," was Neely's summation.

When asked if Simmons might see some action against Ole Miss, Neely answered, "You can call that the 'That little boy (Simmons) weighs 195, stands 6'0' has come along and done a real fine job,' was Neely's summation."

Better Times ... for You

No other word starts out so many hard luck stories. No other word explains so many failures. Yet it's the backward looking word which crystallizes our experience... and, when used as a guide, enables us to look forward with more wisdom.

For example, we might say "IF every dollar of local money that has been needlessly spent outside of this trade area in past years had been spent at home, those of us who live in this community would be far

more prosperous, happier and more secure."

THUS... as we contemplate what might have been... IF... we can make our plans to avoid the errors of the past. We can see more clearly how a dollar here and a dollar there, saved from dribbling away into some other economic stream, will soon add up to brighter and more prosperous times... for us and our families...

sturdy and able."

Neely goes a bit farther. "Little Kenny goes after it every second he's out there. There is no rest period for him."

"Ever watch him run off the field," Neely asks his visitor.

"No," came the answer. "Well, he's always running off and on the field," Neely said.

Simmons gets a big chance in the New Orleans classic.

Gold Rice receive the opening kickoff, the Colorado City boy will be in there trying to shell-shock some Ole Miss defenders.

The guards were stacked up two-deep on Simmons in fall training. There were Rufus King, Bobby Lively, Walter Ligon and Larry Anthony.

Simmons, who came up to the varsity with a fine reputation after an excellent freshman season, didn't look like he could break into the lineup with that much talent in front of him.

Neely had different ideas. Noticeably weak at ends (at least that was the picture early in the season), the Rice coach sent Simmons to work out with them.

Here he was bidding for a job occupied by his brother, Billy, one of last year's tri-captains and a top performer this season.

Kenny worked a week with the ends and was switched back to guard.

When Rufus King and Walter Ligon were injured in the Florida game, it enabled Simmons to prove his worth.

Capable of playing both left and right guard, Simmons started the S. M. U. game and Neely needed no convincing.

His well-laid blocks helped open huge holes as Owl runners had a field day in that 47-0 rout.

He was a prominent offensive figure from that game on, seeing service in the Texas Tech, T.C.U., A. and M. and Baylor games.

"I played 145 minutes," Simmons said, "enough to letter, thank goodness."

Kenny is a little awed at playing in the Sugar Bowl.

"How will it feel if you are on the field at the opening kickoff with 82,000 fans yelling?" he was asked.

"Of course, I will be scared at first. Who isn't? Simmons asked. "But after somebody cracks you, you become settled and are not scared any more."

One of the reasons why Simmons is starting on offense is because King, due to his injured knee, can't pull out of the line quick enough to block on certain plays.

"Simmons' speed and extra effort earned him the job. He's the fastest of the guards. In the spring he ran a 5.8 for 50 yards."

The play he remembers the best this season "was a pass of Guy Gibbs intercepted by the T.C.U. game."

He just hopes he can make it two for two off the Gibbs boys, meaning Jake Gibbs of Mississippi.
