Austin. — U. S. Sen. Ralph Yarborough and State Land Commissioner Jerry Sadler were upset victims in the May 2 Democratic primary to Lloyd Bentsen and State Rep. Robert L. (Bob) Armstrong.

Scene of political action now shifts to the general election where Bentsen faces Republican Senate candidate George Bush. Gov. Preston Smith, unopposed in the Democratic primary, is confronted with GOP Paul Eggers. Bush and Eggers won nominations easily over Robert Morris and Roger Martin in the Republican primary.

Atty. Gen. Crawford C. Martin won third term nomination handily over Judge David H. Brown and faces Edward M. Yturri, GOP, in November. Democrat Ben Ramsey had no difficulty with Connie Lawson and is unopposed in November. Truman Roberts defeated Earl W. Smith for Court of Criminal Appeals. James G. Denton appeared to be the Supreme Court contest winner over Matt Davis and Hawthorne Phillips. Lt. Gov. Ben Barnes, unopposed in the Democratic primary, is challenged by Byron Fullerton, GOP, in November. Four other GOP candidates will wage token campaigns for statewide office against Democrats.

CAPITOL PRECAUTIONS — Tighter security measures may be ordered for the historic state capitol — always wide open to visitors — in the wake of a violent anti-war demonstration there last week.

Three 82-year-old etched glass door panels were smashed when a mob of 200 obscenity-shouting youths stormed through the rotunda. A tear gas grenade was tossed into the north corridor as police chased the demonstrators back through the building and onto the University of Texas campus.

Twice within the next two days, the capitol was evacuated due to telephone bomb threats. Riot-equipped Department of Public Safety officers took up stations inside or patrolled the grounds as demonstrations continued on the UT campus.

Gov. Preston Smith said damage and disrespect may force tougher security, through the capitol has been the scene of many undisturbed peaceful demonstrations in the past.

COURTS SPEAK — State Supreme Court agreed with lower courts that 6,972 acres of Victoria County oil land belong to private owners, not the state, in a prolonged land vacancy dispute. Had plaintiff in the vacancy action been right, Texas might have recovered up to \$100 million in mineral rights.

Dallas grocery chain stores were rejected by the High Court in their effort to obtain a sales tax break due to trading stamps given their customers. Chain wanted to deduct the cost of stamps before figuring the sales

tax owed the state.

Third Court of Civil Appeals affirmed \$40,813 in damages to a Temple brakeman injured in Atcheson, Tepeka and Santa Fe Railroad braking accident, but cut the award \$38,650 below the trial court verdict.

EDUCATION POLICY APPROVED — State Board of Education adopted the policy that contributions of ethnic and racial groups should be taught.

Board also proclaimed that literature books must be free of offensive language and that life science text will present evolution as a theory rather than a fact.

Per capital state aid to local districts was increased from \$114.40 to \$117.65 per student for the current school year. Board authorized application for \$1.8 million in federal anti-poverty funds to help train 900 migrant workers for city jobs, approved a \$2 million special vocational program for poor students and empowered the Texas Education Agency to seek a \$50,000 federal grant to continue technical assistance to school districts with desegregation and other ethnic problems.

NURSING HOMES ASK RAISE — Nursing home operators, claiming they face financial crisis, want authority to levy a \$25 a month supplemental charge for welfare patients in addition to the state allocation.

Plan seeks a six per cent increase in state payments for patients requiring skilled care or a total of \$381 a month. State costs in other categories would decline if families pay the supplemental charge.

Meanwhile, State Board of Public Welfare, which took the request under study, heard new federal family assistance legislation backed by the president would cost Texas \$57 million a year more than present programs.

WELFARE — State Board of Public Welfare announced that only 12 counties have not decided on a course of action on the Dallas federal court order that 90 Texas counties must begin food-aid programs for the poor.

These 12 include Archer, Bailey, Blanco, Castro, Krogg, Kendall, Llano, Mills, Oldham, Parmer, Presidio and Son Saba counties. However, Blanco, Llano, Mills and San Saba County officials reportedly were working actively on the problem.

Another 31 counties had refused to operate food programs, so the State Department of Public Welfare planned to operate commodity programs at federal expense in Aransas, Baylor, Bosque, Bowie, Clay, Collin, Colorado, Coryell, Deaf Smith, Denton, Edwards, Ellis, Fort Bend, Gillespie, Gray, Grayson, Hood, Jack, Johnson, Kaufman, Kerr, Lamar, Randall, Refugio, Roberts, Rockwall, Rusk, Uvalde, Wheeler, Wise and Wood Counties.

THANK YOU

Please accept this as my humble expression of appreciation to those who favored me with their vote last Saturday in my campaign for re-election as your State Representative.

I am deeply grateful to the many Volunteer Workers who did so much in my behalf. My re-election would not have been possible without the help of so many good friends.

I will do my utmost to justify the faith you have expressed in me, and to discharge the duties of the office in a manner that will not disappoint you.
