

Rep. Steve Carriker Announces Continued Exemption For Overwidth Ag Vehicles

State Representative Steve Carriker announced that the Texas Department of Highways and Public Transportation approved a policy maintaining the exemption from width limitations that allows overwidth agricultural implements to move short distances.

Carriker, upon learning about the problem, met

with attorneys with the Highway Department on August 30th. At that time some staff members with the department believed that a technical reading of House Bill 1602 would end the long-time agricultural exemption.

"At that time we were convinced that legislative intent was on our side as I

knew that there was never any intention to eliminate this particular exemption," said Carriker.

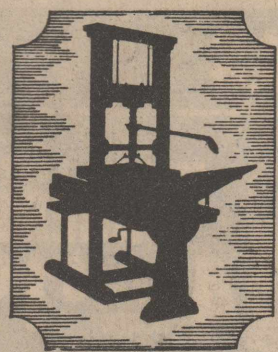

Carriker contacted Texas Agriculture Commissioner Jim Hightower, Governor Mark White and Highway Commission Chairman Robert Lanier. "They all pledged their assistance in solving this ridiculous pro-

blem," said Carriker.

Lanier agreed to "correct it about 15 minutes after we learned about it" he said after Wednesday's actions. Lanier added that "We felt the intent of the legislature was to regulate the loads on the highway and not to restrict farmers."

Carriker praised the ac-

tions of the commission saying "this has been somewhat of a frustrating experience but it has been worked out, the exemption is back in place, and I appreciate the Governor, Commissioner Hightower, and the Commission in for their assistance."

Rotan 7th Grade Defeated By Clyde

September 22, the 7th grade Rotan Yellowhammers took on the Clyde 7th graders. The Clyde team came out on top 22-0. We did not play as good a football as we were capable of. We did not do a good job tackling. We also made too many mistakes, such as fumbling the ball. We have a good week ahead to practice for Merkel. By Coach Felix

Card Of Thanks

The good people of which we are surrounded with in our community are similar to the sandstorms we are associated with. You can depend on them and you know they will be there at the right time. When you are trying to say Thank You, it's almost impossible, to remember every word of encouragement, every card, every prayer, every visit, flowers, phone calls, food, the doctors, nurses, and etc. The one person we sure want to remember is God, the great physician and answers to all our problems. I guess what I am really trying to say is, Thank you for being our friends and how you have helped during our recent illness. Harold, Carol and Rocky 33:1tp

Rotan First Baptists Schedule Unique Service

This Saturday at First Baptist Church a unique journey will take place. It is an exciting, fun-filled, guided-tour of the Bible. Dr. Jim Tuell will be our tour guide. During the morning session we will journey through the Old Testament lands and times. Following a break for lunch our tour will continue through the New Testament. As a special closing feature "John Mark" will share a few words with us.

This special guided tour is open to everyone. It will begin with registration at 8:30 a.m. with the tour taking place exactly at 9:00 A.M. There is a registration fee charged for this special journey, but it is well worth it (\$6.00 for children, \$8.00 for students and senior adults, \$10.00 for adults...this includes special tour workbook, seminar, and all the trimmings.) Remember, this Saturday, October 1, beginning at 8:30 a.m. is Rotan's guided Bibleland tour. You don't want to miss this rare learning experience. Grab your family, your friends, and lets take the whole town on a Bible-walk together. See ya Saturday!

SOURCE OF BEAUTY

When we look upon the grandeur of nature—when we gaze with awe at a masterpiece of art—when we are thrilled with the sounds of great music—then we often wonder about the source of all this beauty. Undoubtedly, our energy and ability is God. It is He who is the real source of beauty in our culture. Human spirits, touched with divine inspiration have given the world treasures untold. Consider Da Vinci's *The Last Supper*. Consider Handel's *Messiah*. Consider the marvelous literature of the Holy Bible. Truly some of the very finest of man's creations have come as the result of an awareness of God. Indeed today our culture continues to be enriched by the expression of man's faith in the Eternal. Our churches bring us faith in God which is still a vital source of inspiration and beauty. Let the church enrich your life. Attend this Sunday and every Sunday.

Roby Lions Defeated 28-12 In Annual Homecoming Contest

The Roby Lions hosted the Spur Bulldogs Friday night for the Lions Homecoming game. The Lions played a good game for the returning exe's, but lost the game to Class AA Bulldogs, 28-12. The Li-

ons scored first and then stayed with the larger Bulldogs till the 4th quarter turnover hurt the Lions.

The 1st quarter belonged to the Lions. Roby took the opening kick-off and began their first drive on their 24 yard line. The Lions ran over 11 plays and made 3 first downs before having to punt to Spur on 4th down and their 49. The Lions were able to keep the powerful Spur runners in check in the first quarter with good defensive playing. Spur started their first drive on their 20 yard line and 3 after plays were faced with a 4th and 9 on the 21,

because of the good defense hustle by Roby's Pache Parks, John Etheredge, and Bennie Carreon. Then

Rotan 8th Grade

Team Defeated

The 8th grade took on Clyde and was defeated 16-6. The 8th grade played a poor first half but came back and played a good second half. I was proud that the team did not give up. Steve Mc Clain scored on a QB keeper. The two point conversion was no good. The Yellowhammers controlled the football most of the third quarter. Clyde got a safety on Rotan in the second half to make it 16-6. The Yellowhammers suffered several bumps and bruises during the game. We hope to get most of the bumps and bruises healed up for our next game against Merkel. By Coach Felix.

on the Bulldogs punt, Roby's Frankie Gonzalez returned the punt 60 yard for the Lions first TD. Frankie made a good run and picked up some good blocks from his teammates on the return. Roby's PAT was no good and with 4 minutes and 25 seconds left in the first quarter, Roby lead 6-0.

On Spurs next possession, the Lions defense again stopped the Bulldogs, with Stevie Rivas, Chad Terry and again Pache Parks, made good defense plays. Spur again ran 3 plays and punted on 4th and 7.

The Lions on their next possession again were able to move the ball against bigger Bulldogs. The Lions picked up another first down and on some good runs by Joe Carreon and Lance Green, after 7 plays, the Lions on 4th and 7 tried a pass from punt formation, but it was picked off by the Bulldogs. The Bulldogs ran one play to end the first quarter. In the first quarter the Lions rushed for 42 yards and made 4 first downs and had the 60 punt return for the TD. Spur had 5 yards rushing and no first downs.

In the second quarter the Bulldogs size took over. Their first drive in this quarter covered 53 yards in 7 plays for their first TD. The PAT kick was good with 9 minutes and 6 seconds Spur led 7-6.

The Lions started their first possession after the kick off on their 28 and with a couple of penalties against the Bulldogs and the Lions in 6 plays had moved to the Spur 27 yard line and were with a 4th and 5. The Lions tried a reverse, but were stopped short on a good defensive play by the Bulldogs. Spur scored

its second TD then, taking only 4 plays to cover the 69 yards. The PAT was good and they led 14-6 with 4 minutes and 39 seconds left till half.

The Lions came right back after the kick. On the 2nd lay of this possession Quarterback John Etheredge hit Frankie Gonzalez for a pass play that covered 80 yards and the Lions 2nd TD. Roby again could not make the PAT and the score with 3 minutes and 53 seconds left till half, was 14 to 12 Spur.

Spur scored again before half, this time the Bulldogs went 75 yards in 8 plays for their third TD of the 2nd quarter. The PAT was good and Spur Led 21-12 with 35 seconds left til half. The second half ended with that score.

In the 2nd quarter, Roby had 13 yards rushing and 80 yards passing, they had 1 first down. Spur rolled up 179 yards rushing and 10 yards passing, they made 7 first downs.

In the 3rd quarter, each team had the ball for 2 possessions. The Bulldogs first possession ended on a punt, their 2nd ended when, on a 4th and 4 at the Lion 14 yard line, the Bulldogs tried a pass but it was incomplete. The Lions first possession ended with a punt, the 2nd ended in their 2nd possessin.

In the 3rd quarter Roby rushed for 24 yards and 1 first down, Spur had 58 yard rushing, 12 yards passing and made 3 1st downs.

The Lions started the 4th quarter with possession of the ball and had a 2nd and 6 at their 34. On the 1st

play Roby lost the ball on a fumble.

Spur took over on the Lion 35 and in 4 plays had moved to the Lions 9 yard line with 1st and goal, but again good defense from the Lions and Bulldog tried a field goal on 4th down but missed.

The Lions on their 1st play of the next possession suffered the 3rd turnover of the game, and gave the Bulldogs a 1st on the Lions 30 yard line. This time the Bulldogs scored on the 1st

play on a halfback pass that covered 30 yards for a 27-12 lead, the PAT was good and Spur led 28 to 12 with 8 minutes and 49 seconds left in the game.

Each team again had 2 more possessions a piece before the game ended. In the 4th quarter Roby rushed for 10 yards and passed for 7 made one 1st down, but suffered two turnovers. Spur rushed for 87 yards and passed for 30, they made 4 1st downs.

Roby will host the game

again this Friday when they play the Miles Bulldogs at 8 P.M. The Lions are playing good ball.

Tejas Chapter Of Colonial Daughters Meet In Odessa

Members of Tejas Chapter of Colonial Daughters of the Seventeenth Century met in Odessa for their September Luncheon and Program. Mrs. Ernest Thomas of Odessa was assisted with hostess duties by Mrs. Alfred P. Harris of Kermit and Mrs. Randy Hurt of Fort Stockton. The meeting was called to order by the President, Mrs. Kenneth Whisenant. Following the opening prayer by the Chaplain, Mrs. Harris, a buffet luncheon was served from a beautifully appointed table.

Following an hour of food and fellowship Mrs. Whisenant presided for the business session during which contributions for national projects were de-

termined and names for four prospective members were presented. The latter were Kathleen Ewing Bernard (a Junior Member; Fort Worth; Mrs. Edward J. Niedermaier, Arlington; Mrs. Miloslav Skalicky, Big Spring; and Mrs. Morris W. Williamson, Odessa. The Registrar also announced that Application of Mrs. G.C. Hanna, Jr. of Graham had been approved by the Registrar General.

Mrs. Henry F. Clark, Jr., first vice president and program chairman, introduced Mrs. Thomas who spoke on "Dress of Colonial Virginia". The speaker gave an interesting and informative insight to the mode of dress of our colonial ancestry, the Brit-

ish influence on styles of the English colonists, and changes in keeping with

the changes in attitudes as the settlers moved towards the inevitable develop-

ment of a separate culture and a separate nation.

Clothing was of a durable nature and its value is recorded in history through extant wills and inventories in which each item was described in detail and its value shown in the inventories. Customs of the times as shown in these documents are of historical significance. Worthy of note are such

items as a man leaving to his wife her own personal clothing!

Members attending were from Abilene, Mmes. Kenneth Whisenant and Russell Whisenant; Kermit, Mrs. Harris; Big Spring, Mmes. Helen Dawson Cobean, Margarte Barnett, and M. Skalicky; Odessa, Mmes. Thomas and Williamson; Fort Stockton, Mrs. Hurt; Rotan, Mmes. White Clark, Vera Morrow, Connie Tutt, and Misses Josie Baird and Delila Baird; Snyder, Mmes. Ophelia

Blackard, Henry F. Clark and Bernard Longbotham. The next meeting of the Texas Chapter will be held in Sweetwater the last

Saturday of January with Mrs. L.T. Nelson, Mrs. Connie Tutt and the Misses Baird serving as hostesses.

ENJOYS FOOD: Members of the Tejas Chapter pass through the buffet line.

THE RIGHT TIME IS ONE OF LIFE'S ESSENTIAL LUXURIES. CERTAIN WOMEN HAVE AN EYE FOR IT: ROLEX

She's credible, classic. She expects encounters in excellence. Time is on her side when it meets her standards of action and elegance. She demands a matching timepiece: the self-winding Rolex Lady-Date, a superb hand-crafted instrument in gold and stainless steel with matching Jubilee bracelet, as fitting at the track as at the hunt ball, and pressure-proof down to 165 feet in its seamless Oyster case.

1983 HOMECOMING QUEEN: Mrs. Linda Young Griffin of Abilene was selected the 1983 Roby Homecoming Queen at halftime ceremonies last Friday night. She represented the class of 1963 and escorted by Monty Neighbors.

Hustling Around Hobbs

By Joy Walker

Well a real good week but still no rain, and its really dry out this way. The weather has been so nice, in fact, was real cool for several days, and we even had to wear jackets one or two days, but now its perfect, all except for the lack of moisture.

Randall Carter from Western Texas College visited with Mrs. Edd Carter of Roby, also with his Dad, Billy Carter from Brownwood, over the weekend. Billy was here to attend the Roby Homecoming. Randall visited with Mr. and Mrs. J.C. Cave on Sunday.

Mr. and Mrs. Stanley Chism from Odessa visited over the weekend with the Dale Caves.

Mr. and Mrs. Rudolph Martinez and Mr. and Mrs. Emilio Martinez attended the West Texas Fair in Abilene on Friday.

Mr. and Mrs. J.W. Etheredge went to Abilene and attended the Horse Shows at the West Texas Fair.

Mr. and Mrs. Sam Etheredge were there for the Friday Show, and Mr. and Mrs. David Etheredge, Todd Etheredge and a friend, Nadine Marquart all from San Angelo were also at the Fair and attended the Horse Shows. Also there were Mr. and Mrs. Randy Etheredge and Randy showed and rode in the show.

Mrs. Jim Wilburn and girls were also at the horse show.

Mrs. Opal Phillips attended the 25th Wedding Anniversary for Mr. and Mrs. Mike Porter on Sunday which was given at the home of Mr. and Mrs. C.J. Thornton. All of the Porters, Phillips and Hy-

ers were there, so they had a big crowd. Happy 25th Anniversary to Mike and Patricia.

Jim and I went to Clyde Thursday night to watch the 7th, 8th, and Junior Varsity play football. We went with Mr. and Mrs. Donnie Gruben. Friday we went to Rotan to watch the Varsity play Clyde, and it was sure an exciting game. Saturday we went to Snyder and attended the Scurry County Fair and the Youth Horse Show which was held in the Annex Saturday evening. We visited with Mrs. Pam Zeck who had a booth at the Fair. She is a super photographer and all of her pictures she had on display were really great.

Pam is the daughter of Mr. and Mrs. Pat Patterson of Snyder, who used to live out here at Camp Springs a long time ago. We also visited with the Pat Pattersons later that evening. Melody and Mark went to Lockhart for the weekend and visited with Mark's parents. Melody was a bridesmaid in Mark's sister's wedding on Saturday. Patti was married to Art Hammonds of Fort Worth.

Mr. and Mrs. James Ratliff went to the West Texas Fair in Abilene on Saturday. They visited with Mr. and Mrs. Jim Ratliff while they were in Abilene Saturday night. Teresa Ratliff went to San Angelo for the weekend; she went with Robin Harris, daughter of Mr. and Mrs. Wayne Harris.

Well, this is about all for this week. See you next Thursday.

Fisher County 4-H Participate In West Texas Fair

The Fisher County 4-H youth participated in the West Texas Fair and rodeo September 16th-24th and came away with numerous top placing. In the Hereford Heifers, Kevin Stuart placed fourth in the Senior class (age 12-13 mo.) with Jerry Wayne Stuart placing second in the summer yearling class (age 14-16 mos.).

In the steer division the placings were as follows:

Class 7
Lori Jeffrey--Second place

Class 9
Ryan Jeffrey--First Place

Autumn Shelly--Sixth Place

Robbie Kiser--Eighth Place

Class 10
Ryan Jeffrey--Second Place

Lori Jeffrey--Sixth Place

Class 11
David Shipp--Sixth Place

John Shipp--Seventh Place

Class 12
Freddie Perales--Tenth Place

All the 4-H'er's did an outstanding job in exhibiting their animals. Some of these 4-H'er's will be competing in the State Fair of Texas in Dallas October 17th-22nd.

Yellowhammers Give Clyde A Scare

A FLYING TACKLE: Greg Gruben, son of Mr. and Mrs. Wilber Gruben, is tackled by a Clyde player last Friday, attempting an end sweep. The Yellowhammers will

be traveling to Merkel this Friday for the final non-district contest. The Yellowhammers open district play with Monday the following week.

Rotan 7th, 8th Grade Wins

The 7th and 8th grade Yellowhammers defeated the Aspermont 7th and 8th grade 22-6 Thursday. Outstanding players for

Rotan were Vicente Ortega, who scored two touchdowns and a two point conversion. Jared Cook also did a good job; he

scored one touchdown for Rotan. Steve McClain also scored on a two point conversion and completed two passes, one which helped set up a touchdown in the final minute of play. Donnie Gruben also did a good job of running the ball for Rotan. The touchdowns, however, could not have been made without the offensive line. The offensive line did a very good job. The defense shut down Aspermont. Aspermont scored after the 7th grade offense fumbled close to the goal line. The 7th and 8th graders put on some new plays this week and showed a great deal of improvement: By Coach Felix.

The Yellowhammers kicked to Clyde to begin the game last Friday. Gus Almanza made the opening tackle and Clyde began operating from the 34 yard line. In the first series, Dion Sepeda and Rudy Garza had key tackles to force a 4th down punt from the 40 yard line.

In Rotan's first offensive series, Charles Williams

and Connell Johnson were stopped by Clyde forcing a Rotan punt that gave Clyde possession at the 35 yard line.

Larry Messick, Rudy Garza, Joe Paul Soliz, Randy Martinez and Edward Martinez each made key tackles on Clyde's second offensive series.

Early in the second quarter, Ben Bryan recovered a Clyde fumble that gave the Yellowhammers possession at the 19 yard line.

On the opening play of the next series a Rotan pass was intercepted and Clyde again went on offense at the 23 yard line.

Unable to gain any ground on the stingy Rotan defense, the first half ended in a 0-0 score.

The Clyde Bulldogs marched 91 yards on their second possession of the 2nd half to score. Ismael Carreon, Sophomore running back scored from 14 yards out with 4:33 seconds remaining in the 3rd quarter. The extra point kick gave the Clyde squad a 7-0 lead.

On the very next possession, Rotan drove 80 yards to score. Quarterback Greg Gruben began to drive with a sweep left for 5 yards; Connell Johnson and Charles Williams carried to the 31 yard line and a pass interference call on a pass to Williams gave Rotan the ball at the Clyde 40 yard line. Sammy Turner carried to the 23 yard line, Gruben darted to the 10 and Sammy Turner scored on a run to the right side of the Clyde line. The Yellowhammers trailed 7-6 after the touchdown and elected to go for the win-not a tie. The play was to be a short dump pass over center but the play failed to materialize.

With 7:17 remaining in the game, Rotan drove from the 48 yard line to the 13 yard line. Facing a 4th

down, needing 7 yards for the first down from the 13 yard line-Rotan executed a planned play where Greg Gruben rolled left, placed the ball on the ground, and kept running. The play

was detected by Clyde and a Clyde player fell on the ball. A Rotan player was supposed to pick up the ball and run for the score. Rotan plays Merkel this Friday night on the road.

Roby Juniors Tie Spur

The Jr. High teams for Roby went to Spur Thursday to play two games. The 7th grade played first and played a good game against a equally good team from Spur. The final score was 0-0.

The young Cubs showed good play in a game that saw two TD's called back for the Cubs. Each of the young men did an excellent job. Some of the big plays for the Cubs were an 87 yard run by Carter Edmondson and some long runs by Ronnie Rodriguez.

The Cubs scored once in the 2nd quarter and once in the 4th but both were called back because of penalties. The Cubs defense did a good job with good plays by Shawn Finn-

ley, passing intercepted by Jerry Carreon, blocked punt, with Rick Onfre making several one-on-one tackles. The entire team did an outstanding job both offensively and defensively.

The Cubs eighth grade game was pretty much one sided. The Cubs being out sized tremendously. Spur scored every time they got the ball. The score was 50-6. The Cubs score came in the 3rd quarter on a good 31 yard run by Sharon Tompson. The Cubs really took some hard hits from the big guys from Spur, but suffered not injuries.

The Cubs will play Lorraine in Roby this Thursday.

Tax Planning by Richard Rodgers, CPA

GROUP TERM LIFE INSURANCE

Within specified limits, a group life insurance plan offers tremendous tax advantages. In the first place, the premiums are currently deductible by the employer. Secondly, these premiums (on coverage up to \$50,000) are tax free to the employees. Third, the proceeds are exempt from income tax to the beneficiary.

An employee who receives more than \$50,000 of group-term life insurance from an employer must include in taxable income the value of the coverage in excess of \$50,000 reduced by any contributions the employee makes toward the purchase of the insurance.

The executive can receive incidental family coverage tax free under a group plan up to \$2,000 each on the lives of his or her spouse and children. This is in addition to the \$50,000 tax-free coverage on his or her own life. However, this extra coverage will be fully taxable if a spouse or child is insured in excess of \$2,000. Reason: It would not then qualify as being merely incidental to the primary purpose of the plan-insurance protection covering the life of the employee.

Employees who continue to receive coverage after retirement are not taxable on that coverage even if it exceeds \$50,000. Moreover, if an employee continues to work past age 64, the premium to be used to compute taxable income will be frozen to that applicable at age 64.

ESTATE TAX-Normally, the proceeds of a group-term policy are taxable in the employee's estate. If, under the insurance contract and state law, the employee can and more than three years before death does assign the policy (including the right to convert it to permanent life on leaving employment), the proceeds may be kept out of the employee's estate.

These and other fringe benefits should be considered in your company's employee compensation package.

County Agent Report

By Richard Spencer

A \$1.1 million addition to the main building of the Texas A&M University Agricultural Research and Extension Center here was dedicated in ceremonies September 13.

Dedication of the 12,626-square foot addition opened the 74th annual field day of the center, with motorized tours showing off the research plots, laboratories, greenhouses and other facilities at the 357-acre station devoted to scientific research and extension education.

The Lubbock center is one of A&M's largest off-campus centers and is in the region of greatest production of the state's most important crops, noted Dr. Arthur G. Hansen, chancellor of the Texas A & M University System, in the dedicatory address for the new addition. "It is one where we intend to continue to place considerable resources in terms of people and facilities," he said.

He noted that in its 74 years of service, the center had provided the area with the first hybrid grain sorghums, the first insect-resistant grain sorghums, improved cotton varieties, narrow-row cotton harvesting equipment, improved boll weevil control techniques, and methods and equipment for increasing the efficiency of irrigation.

"Results of this research are used to teach our students and are provided to people such as yourselves by the Extension Service," Hansen told the farmers, commodity and agribusiness leaders at the ceremony. "This is the land-grant concept that has made American agriculture the greatest in the

for the PUF we would not have been able to construct 14 regional centers such as the one here in Lubbock," Hansen said.

Texans will vote next year on a constitutional amendment which would restructure the PUF and increase the number of institutions eligible to benefit from it. If that amendment fails, Hansen warned, the PUF will not be preserved and there will be no resources to fund facilities and research to benefit agriculture.

Other speakers at the dedication included Dr. Neville P. Clarke, director of the Texas Agricultural Experiment Station, who discussed the future and priorities for agricultural research, and Doyle Moore, associate director of the Texas Agricultural Extension Service, who discussed adaptation and change in Extension educational programs.

Special guests were introduced by Dr. Perry L. Adkisson, deputy chancellor for agriculture. Graddy (cq) Tunnell, Plainview attorney, served as master of ceremonies.

Afternoon tours of the center, which drew more than 700 persons, focused upon research to develop drought-tolerant cotton and grain sorghum, grape varieties and production, cotton breeding to improve fiber quality, and week research.

More than 130 full and part-time personnel work at the center. This includes 30 scientists, plus technicians, farm workers, part-time student workers, secretaries and support staff of the Texas Agricultural Experiment Station; two district directors and 13 subject matter specialists, as well as soil testing laboratory technicians and secretaries of the Texas Agricultural Extension Service; nine scientists and the technicians and secretaries of the U.S. Department of Agriculture-Agricultural Research Service, and personnel of the Texas Forest Service.

Originally established October 25, 1909 as Substation No. 8 of the Texas Agricultural Experiment Station, the Lubbock center initially was located in

what is now southeast Lubbock. It moved to the present site north of Lubbock International Airport, on FM 1294 at the Shallowater exit of Interstate 27, in 1959.

The main building at the present site originally encompassed 9,787 square feet. In 1967, an 11,342-square-foot addition to the main building was completed. Additional structures at the center include greenhouses, laboratories, workshops, a research cotton gin and additional offices. In 1975, a 308-acre substation at Halfway, 14 miles west of Plainview, was added to the Lubbock-Halfway center.

Pete Flores Expounds On 4-H Week

The old saying that a building is only as good as its foundation has a lot of merit when it comes to the 4-H program.

4-H is built on a good foundation and thus continues to be an excellent program for youth between the ages of 9 and 19.

The program's foundation is the basis for this year's theme "4-H: Building on Experience." The theme will receive special emphasis during National 4-H Week, Oct. 2-8.

Just what does the theme, "4-H: Building on Experience," mean?

4-H centers on the "learning-by-doing" process which enables each member to build a foundation for a life as a productive and contributing member of society.

4-H based on solid educational experience: professional expertise of the state land-grant university and the U.S. Department of Agriculture, skilled volunteer leaders whose guidance paves the way to individual growth and accomplishment, active involvement of family members who share in 4-H activities, and support from business and government leaders who provide human and financial resources.

Ruffles And Spurs Set Dance Night

Ruffles and Spurs Square Dance Club of Roby will have their monthly dance Saturday night, October 1 at 8:00 p.m. at the Pink Building in Roby. Visitors are welcome. Area dancers are welcome also.

Our next workshop will be Monday night October 3 at 8:00 p.m. at the Pink Building. We will have a business meeting at 7:30 p.m. Monday night. If interested in square dancing, come join us Monday night at 7:30.
