Nichols
Worth

By Nanalee Nichols

Right now the world by day is so very lovely. With riotous flowers blooming in profusion, and the natural flames of autumn lighting roadsides and woods, it's hard to imagine anything that compares. But something competes with the beauty of autumn days right now. That's autumn nights!

It's worth donning a warm jacket and shoes to step outside away from the lights and view the night sky.

In town (And it doesn't matter what size town) the spectacle will be dimmed by lights, so a short drive into the country will be worth the effort.

Having located a still, deserted road, best on a hillside, douse all the lights and step out.

It will take a moment for eye adjustment...but then...oh then!

The sky is a deep and dark as space is supposed to be, and the stars are as glorious and brilliant as jewels spread on a jeweler's counter. The Master Jeweler has arranged a display that is complex and requires a long time to contemplate.

At first it is simply a lot of stars. But then, the individual constellations begin to appear: the big dipper, little dipper, the seven sisters. The Milky Way, our home, our galaxy, spreads mistily across the sky. Slowly, the eye can discern the varied colors, the faint red, blue or golden tints of various stars or planets.

The longer one looks, the more there is to see. Tiny points of light, almost hidden by brighter ones, glow in subdued splendor.

With the moon at only a sliver and setting early, the stars dominate the whole of the night sky.

It's very easy to take a quick glance, put it down as nice and go on.

But don't do that...take your time!

Taking that extra time will give one a sense of the universe, of the creator, of the total scheme of things.

The night sky isn't as flamboyant as the day time colors of fall, but in its own special, sophisticated way, it is the equal of anything the bright ness has to offer.

Tax Rebates Increase Again In November

State Comptroller Bob Bullock said Tuesday that the monthly tax rebates sent to cities and counties that collect the local sales tax increased again in November.

"The payments to cities and counties continue to improve," Bullock said. "The state's economic recovery continues to pick up steam."

Bullock's office sent checks totaling \$118.4 million to 1,045 cities.

Statewide, the 1988 year to date payments to cities are up 12.4 percent over last year.

Checks totaling \$52.6 million were sent to the state's six metropolitan transit authorities and one city transit department. This reflected a year to date increase of twelve percent over the same period last year.

Checks totaling \$10.2 million were also mailed Tuesday to the 81 counties that collect the one-half percent county sales tax.

Revenue to cities in the metropolitan Houston is still in the lead with a year

to date increase of 20.8 percent over 1987. Dallas had an increase of 8.3 percent and San Antonio saw an increase of 8.8 percent. El Paso gained 11.8 percent and Fort Worth increased 10.2 percent. Austin's allocation was up 7.9 percent.

November's checks represent taxes collected by monthly filers in September and taxes collected by quarterly filers in July, August and September.

Locally, Blossom received \$6,500.96 for a 30.17 percent increase while Deport received \$2,461.98, for a 3.53 percent increase. Paris received \$271,691.39 for a 7.08 percent increase.

Bogata received \$4,282.40 for a 3.81 percent increase. Clarksville received \$26,273.89 for a 8.03 increase.

Mt. Pleasant received \$122,939.59 for an 8.25 percent increase. Talco received \$2,706.88, for a 29.79 percent increase over last year's payments.

Kiwanians Hear Parallels On International Terrorism

John Howison, retired Foreign Service Officer, told the regular Wednesday morning Breakfast-at-Bogie's meeting of Kiwanis of America's vulnerability to international terrorism. He described the parallels between modern terrorists

and historical examples as early as biblical times.

Next week the Bogata Kiwanis club will discuss possible major projects that might be adopted on a long-term or permanent basis. All members are urged to attend.

Brown the Talco Correspondent by Monday, November 21, at noon.

Rivercrest JV Girls Win Over Avinger

The Rivercrest Junior Varsity girls started off on a good note with a win against Avinger in a scrimmage game last Tuesday night. The Rebelettes won with a score of 39-27 and the JV looked fresh and in good shape. Minor mistakes were made that will be remedied by Coach Randy Copeland. The Rivercrest Varsity also would have won their game, as the score was erased each quarter. The first quarter ended with the girls tied at 11-11, the second quarter Avinger

took a small lead with a 10-8 score, the third quarter the Rebelettes showed their stuff with a 19-7 score and in the fourth quarter, Avinger made a strong comeback with a 16-16 tie with the Rebelettes. The Rebelette varsity looked a little rusty with several minor mistakes that cost, but overall the coming season should be promising. Both JV and varsity girls will play November 15 at Rivercrest and Friday, November 18 at Rivercrest.

Rivercrest Swamped By Grand Saline

By Gary House

The storms which thundered across East Texas early Saturday struck Memorial Stadium in Commerce at game time Friday night, although the skies were silent and the clouds were barren. The storms path of destruction was confined to the gridiron, the result of the Grand Saline Indian's total 48-8 devastation of the wide-eyed Rivercrest Rebels.

The Indians, champions of District 18Aa play, advance next to area competition, facing the Paul Hewitt Brahms, who defeated Tatum by a score of 20-13 next week.

The fighting Rebels end their season with a 4-7 record.

So, thorough as the Indian ambush that they were able to score on seven of their nine possessions in the game, the clock alone halting their advance. The execution of the double wing offense was nearly without fault, as evidenced by the tribe's 429 rushing yards. The game marked the second week that the Rebels have been steamrolled by a crushing ground game.

The Indians began their scoring rampage with a 93 six play drive midway in the first quarter. Running back, Paul Iley accounted for 65 of those steps for the game's first marker.

Kevin Davis, boasting a strong toe, added his first of six PAT's to give the Indians a 7-0 lead. The Indians tomahawked the outmanned Rebels later in the period when Iley broke for a 29-yard touchdown. The speedster rushed for 169 yards in the contest but all six coming in the first half.

An early second quarter fumble, one of two the Rebels lost, lead to a third tribe score.

The Rebel outlook improved, however, when senior lineman Ronny Alsop recovered a loose Indian football at the Rebel 40, one minute into the quarter. The Rebels drove to the Indian 15-yard line, where on fourth down, a pass from Bradley Woods to wingback Jimmy Lewis was carried out of reach by the gusting winds.

Taking over on downs, Grand Saline methodically drove the 85-yards for their fourth touchdown of the half, and a commanding 28-0 margin.

Things got no better for the Rebels in the second half, as the Indians returned the kick off 40 yards, then played ball control to score on a one yard quarterback sneak by Brandon Davis with 7:10 to play.

The distraught Rebels were able to piece together a long 92-yard drive for their lone moment of glory. Aided by two personal foul calls against the roughhousing Indians, they were flagged four times for that infraction, resulting in the ejection of one player, the Rebels salvaged some of their bruised pride when fullback Marcus Savage scored on a one yard dive. Scooter Brown added the two point conversion. The Rebels did fairly well offensively, considering they had the ball very little, rushing for 179 yards. Of this Brown, who ended his high school career on a sour note, had 66 yards. The Rebels passing game could not get unfurled, as Woods went one of six for 12 yards, to flanker Jeremy Abshier. Woods was also on the receiving end of a halfback pass from Brown good for 17 yards.

Defensively, it was a long night for the Rebels. Danny Beene and Kevin Binion made numerous tackles, while Woods, and Craig Easley shored up the front with their secondary play. Kevin Beene was also credited with an 11-yard sack of the quarterback at the end of the half. Although this playoff was disappointing for the Rebels squad, they need not hang their heads in shame. They played valiantly, but to put it simply, were simply outclassed by a superior team. One observer stated that the Indians did an outstanding snow job on the scouts last week and thus the Rebels did not know what to expect.

The fighting Rebels have much to be proud of this year. Their late season resurgence, especially the victories of Honey Grove and Leonard which landed them into the playoffs, and their first playoff berth in three seasons. In addition, they have the satisfaction of knowing they provided a season of excitement for their fans.

JEFF BAGLEY and Clint Tidwell brought down a Grand Saline Indian during last Friday night's bi-district playoff game in Commerce. Jeremy Abshire and Kevin Beene are ready to lend a hand if needed. The Rebels lost the playoff bid 48-8. (Staff Photo by Diana Eudy)
