Mrs. Fannie Appleby, Former Iredell Resident, Buried Here Thursday

Funeral services were held Thursday, Sept. 25, at 4 p.m. in Barrow-Rutledge Funeral Chapel for Mrs. Fannie Maude Appleby of Pleasanton, Texas. Rev. D. L. Barnes officiated, with burial being made in Hico Cemetery.

Mrs. Appleby, who was 78 years of age, passed away September 23 at Pleasanton. She lived at Iredell many years ago.

She is survived by one daughter, Mrs. Lora Hill of New Orleans, La.; one son, C. H. Craddock of Dallas; two brothers, Jake Miller of Dallas and Jesse Miller of Pleasanton; seven grandchildren and one great-grandchild.

ATTENDING ARLINGTON STATE COLLEGE

Mr. and Mrs. Ray Battershell of Arlington visited in the homes of their parents, Mr. and Mrs. J. D. Partain and family, and Mrs. Lucille Battershell. Ray is attending Arlington State College, and his wife, Margo, is employed at Arlington State Bank.

Tigers Journey to Early To Contest Longhorns

Tonight, Friday, the Hico Tigers will again travel west, going to Early High (Brownwood) for a game with the Longhorns of that suburb. Game time will be at 8 o'clock, and fans from Hico are expected to make the trip in large numbers.

The Longhorns will perhaps be one of the strongest teams the Tigers will face all season, and a hard game can be expected. They won their district last year, advanced to bi-district where a win there put them in the regional play-offs where they met Meridian, district 23-B champion. Early defeated Meridian in the game which was played at Dublin.

Comparable scores mean little in football these days, but just for the record, Early defeated May 26-6 in their season opener, and Blanket defeated this same May team 8-6 the week previous to the Hico contest. Last week Early defeated Rising Star 58-0, so fans can see why the Longhorns are again reported to have championship material, losing only a handful of the stalwarts of last year.

The locals were bolstered this week by the return to the squad of Wayland Wooton, 190-pound letterman center, who dropped out the first week of practice. Wooton returned to the team Monday, and Coach Barnett stated that he would be of tremendous help to the team in future games.

Wooton's return will free Ronnie Koonsman from the center post, which he has manned during the last three games, and he can return to his offensive guard position. Koonsman has been termed an excellent blocker.

Coach Barnett and Hall have had a difficult time in keeping all of the boys off the injured list thus far this season. At least one team member has been on the ailing list for each of the preceding games, and this week will be no exception. Last week the first two fullbacks were ailing, with Bobby Boone playing most of the game on an injured foot.

This week both starting halfbacks are hampered by injuries. Buddy Ables is nursing a bruised hand, and also has a knee which is giving him trouble. The other back, Tommy Johnson, is feared to have suffered a leg injury which could keep him out of the next two or three games. Johnson is the team's second leading ground gainer, and leading scorer. Fans will remember that James Jordan, starting center, has been sidelined since the first game with an injured knee.

Boone and Neil Ellis are reported to be almost well, and Ables is expected to play most of the game tonight.

Game time is 8 p.m. and another large delegation is expected to make the trip.

BLANKET JINX HOLDS TRUE; HICO LOSES 14-6

The five-year-old jinx which has prevailed in the series between Hico and Blanket ran true to form last week, with Blanket applying the wraps to a better Hico team 14-6.

The game last week could be summed up in two small phrases—insufficient blocking and fumbles. These two factors were the downfall of the locals, as they completely dominated every phase of the game and still came out on the short end of the score.

Blanket took advantage of the Tiger miscues, and made the series standing read 6-0 in their favor. The hosts also applied the old strategy of kicking to great advantage, keeping the locals bottled up deep in their own end of the field a great part of the night.

The local Tigers rolled to 16 first downs, compared to their foes' 9; had 241 yards rushing to Blanket's 131; Hico completed one of four passes for 12 yards, and Blanket completed three of eleven tosses for an even 12 yards. Hico's completion was good for their only touchdown of the night.

Hico also led Blanket in fumbles, bobbling the ball five times and recovering only two of them. Blanket didn't fumble a single time in the game, which was played in a light rain which fell throughout. Blanket employed the kick eight times, while the locals had to punt twice.

Blanket scored first after recovering Hico's second bobble of the night on the Tiger 12 yard line. They quickly took advantage of the break to go out in front 8-0. The Tigers' first fumble killed a drive which had progressed to the host's 36-yard line.

The Tigers again fumbled on the first play from scrimmage after the kick-off, and handed Blanket the ball at the Tiger 32. However, Blanket met a stiff defense, and were forced to punt, which put the locals in a deep hole at their own nine yard line.

The locals played ball control the remainder of the first period, and most of the second stanza, driving 91 yards for their only TD of the night. The drive was climaxed when Gary Duncan hit Neil Ellis with a 12-yard pass on fourth down for the score. The remainder of half was spent deep in the Tigers' end of the field.

Blanket threatened early in the third quarter, working down to the Tiger 20, but a charging lineman broke through to smear the kicker on a fourth down attempt, and Hico took over on their own 28.

From the 28 the Tigers drove 60 yards to Blanket's 12, only to see the host's defense stiffen and kill the drive.

Early in the final stanza, the

OUR HAND . . . was called on n article which appeared in last eek's issue of the NR.

Mrs. W. E. East, the efficient ashier for Community Public ervice Company, submitted an arcle pertaining to a dinner which as held in her home honoring er mother-in-law on her 81st irthday. In the list of relatives hich Hester submitted was a r. and Mrs. W. G. West, and as the usual case, we sometimes et the idea that we know more bout other people than we really o, so thinking the name should ave been East, we changed er very neat typewritten copy to ead that way.

This week Hester wrote us a ttle note and pinned to CPS's ad. aid she:

"Mr. and Mrs. W. G. West was correct. I just didn't make a typographical error on the name. You see it is this way—I know that it has been said 'East is East and West is West and never the twain shall meet,' but it did so happen.

"My husband's mother, Miss Edna West of Waco, married Mr. W. L. East of Waco, and my husband, W. E. East, is half East and half West. This Mr. W. G. West of Waco is a cousin of his. We have had a lot of ribbing about the Easts and Wests, but this is the way it is!"

Anybody for North and South?

SOMETHING MISSING . . . For e past three or four weeks, we, long with other readers of this eet, have certainly missed the eekly column of E. E. Dawson. fact, the readers have missed so much that that's usually the rst thing we hear about on Fri- y morning.

The grapevine tells us that the olumnist has been a little on the ny side the past few days, and at probably accounts for the sence of the fine reading. Mayb, with a little encouragement, will start the interesting feares again real soon.

DURING . . the so-called "tornado season", which usually ocrs in early spring, people can seen scaning the skies for posble storm clouds, and heading r the cellar whenever a black oud appears.

What with the rash of sonic oms occurring in this area now, aybe it would be wise to be on look-out for falling glass—and en buildings.

Every time one of the planes eeds through the sound barrier now familiar tinkle of broken ass can be heard over town. e of these days some real damge will be inflicted, and maybe n something can be done about seemingly unnecessary booms.

MIRROR EDITOR—Miss Kay Jameson, senior student at Hico High School, was named this week to edit the 1958-1959 edition of "The Mirror," local school feature which appears weekly in the News Review. Miss Anna Lee Luckie was named assistant editor. Reporters are selected from week to week. The first news of the current year appears this week, and may be found elsewhere in the paper. The weekly column of school activities has been a regular feature of the News Review for many years.

Assault to Murder Complaint Filed

Assault to murder charges were filed Thursday morning against B. D. McKandless as the result of a shooting incident Wednesday night on main street in Hico.

The charge was filed by Peace Justice L. L. Hudson, after receiving the complaint from O. C. Bright. The compaint was signed by nine witnesses, most of them teenagers.

The complaint grew out of an argument Wednesday night, when Bright received a nick on a finger as the result of a .22 caliber rifle being discharged.

The argument arose over domestic troubles, according to Constable C. C. Jackson.

McKandless had not been taken into custody at press time Thursday.

Hico Band Starts Year With Enthusiasm

The Hico Band got off to a good start this year with 21 present members. Mr. Randolph is working diligently to make this the best band Hico has ever had.

Band members wore their uniforms last Friday night at the football game at Blanket. They are wearing red ties this year with the uniforms instead of the black ones worn in the past.

Mr. Randolph will start a beginners band soon and anyone interested should contact him. If anyone has any type instruments for sale, they should also see Mr. Randolph.

The Band Parents are planning a box supper October 14 at 7:00 o'clock at the Youth Center. The public is invited to attend.

Fairy Defeated 55 to 6 In First Game of Season

The Fairy Tigers lost their first game of the season to Oglesby by a score of 55 to 6. The two teams met at the Hico stadium last Thursday in the traditional fast, hard-hitting game of six-man football.

Fairy received the opening kickoff, and then Oglesby took over on downs. From there, they marched over for the first touchdown of the game. The conversion being good made the score 7-0 in favor of Oglesby. Then the ball changed hands back and forth throughout the rest of the first quarter. Oglesby scored again in the second quarter making the score 14-0 ending the first half of play.

Fairy kicked off starting the second half, and behind a wall of rugged blocking and some fine running, Vincent of Oglesby ran all the way for the touchdown. Fairy then rallied back with Allen Trigg going around the right side for the first and only Fairy score. That run of about 50 yards brought the score to 21-6, but Oglesby's fast back and co-captain maneuvered his way for another touchdown on the ensuing kickoff. From there on, Oglesby, taking quick advantage of each situation, rolled the score on up to 55-6.

Fairy players who saw action in the game were Trigg, Don Haile, Don Barnett, Duane McAdams, Tommy Walker, Jerry Jones, Lynn King, Danny Haile, Keith Streater and Roy Thornton.

Fairy played Iredell at Iredell Thursday night, September 25, at 7:30.

Other scores in District 14-B play were:

Iredell 48, Jonesboro 13
Turnersville 12, Strawn 13
Walnut Springs 51, Gustine 19

Iredell Homecoming Scheduled Oct. 11 With Ex-Student Gathering

The annual Homecoming of Iredell ex-students has been scheduled for Saturday, October 11.

Highlight of the affair will be a football game that night between Iredell and Turnersville.

Featured attractions at this year's homecoming will be an appearance of the Tarleton State College Band, and the Wainwright Rifles, aso from Tarleton State. The precision drill team and the band will perform at half-time during the football game.

Everyone interested in the Iredell Homecoming are invited to attend the activities which will begin that afternoon.

Junior Gridders Set to Open Season Tues. With Meridian

The Hico Junior High Kittens have been working out the past three weeks in preparation for their opening game of the season, which will be played Tuesday night at Hico Stadium.

Meridian Junior High will furnish the opposition for the first game, which will commence at 7:30 p.m.

The local team's schedule hasn't been completed as yet, but the Kittens will play a return game with Meridian on Tuesday night, October 7, at Meridian.

Members of the team who have been working out daily under coach Ross Hall are:

Rondy Giesecke, Harold Hathcock, Mark McElroy, Bill Rutledge, Harry Brown, Winston Churchill, Tommy Chew, Mike Lowe, Morris Samford, Ross Price, Don Jernigan, Butch Knudson, Lloyd Hyles, Tommy Loudermilk, Ronnie Nachtigall, Jerry Williams, Freddie Naul, Ronnie Driver, Frank Phillips, Richard Reeves, Jerry Casey, and Mike Flowers.

Several other boys are expected to join the squad later, including Larry Erick.

Jernigan suffered a broken foot earlier in practice, but will probably be ready to play by the time the second game rolls around.

The Hico team will be handicapped for lack of freshman on the squad, with only three or four of the members being in that class. The team is composed of sixth, seventh, eighth, and ninth graders.

LETTER FROM READER

Brunswick, Maine

Dear Mrs. Daniel:

I want to send you just a note in appreciation for your news in the Hico paper. I'm sure there are lots of people that appreciate your going into detail about things that happen as much as I do and maybe they don't write and tell you, maybe they do, I hope so. I have intended to write you for a long time and I just keep putting it off. I have just received the Hico paper and read about Mr. Gamble and I immediately turned to your news to see what details you had to give. I often do this as you will always say a little more than the bare fact and to everyone that is away they do appreciate it. I know you spend a lot of time on your news letter and so many times one feels that they are doing so in vain, so I want you to know I appreciate you and I know many others do also. I have come to know you and most of your family through your news. I used to be Mayme Wright (Jim D. Wright's daughter). I am married to S. J. Cheek's son, Geary. I'm sure you don't know me and I probably wouldn't know you if I met you on the street, but I appreciate you and I wanted you to know I do.

Sincerely,

MAYME CHEEK.

By this time probably Mayme has us recognized since we sat right down and answered her letter and explained all. We appreciated her letter so much, as we likewise have a few others who have written us and many thank us personally for our effort in writing the Fairy news. Having been on the job, off and on (most of the time on) back to the days when the Aitons were publishers at the present Woodard produce building some 33 years ago. We more fully realize the value of community news in our home town and county papers. We do appreciate all of the correspondents over the county and hope as time goes on, citizens of each community will more fully realize their duty to their community and relatives living elsewhere, and turn in their news items. Some relatives probably scans their home town news every week, hoping to hear something from relatives. Are we going to continue to disapoint them?. Thanks again, Mayme, for your nice letter.

JOHN DENISON MULLENS SERVICES HELD

John Denison Mullens was born near Fairy to the late J. A. (Guss) and Lannie Crow Mullens on November 18, 1895. His father passed away in February of 1897, leaving his widowed mother with two small daughters and the baby son, slightly more than a year old. The family later moved to the home of her parents, the late Mr. and Mrs. S. D. Crow, where Johnnie grew to young manhood, attending the Fairy school.

He served in World War I. On July 25, 1920, he was married to Miss Gertie Greenwood, daughter of the late Mrs. J. W. Stewart of Fairy. To this union one daughter, Willodene, now Mrs. Erby Blackburn, was born. The Mullens resided in this community for several years after their marriage, but have resided in many places over the state during the time he was employed in the oil fields.

Mr. Mullens had been in ill health, due to arthritis and a heart condition for the past ten years. He was forced to resign from his work in 1951. He and his wife had been making their home with their daughter recently due to his health. They formerly resided at Nacogdoches until recently when they moved to Tyler.

Mr. Mullens passed away at the home of his daughter at 9:50 Monday night, Sept. 15, as he was sitting on the side of the bed before retiring. A physician was called but he passed away while the doctor was administering aid.

Funeral services were held in Tyler at 9 a.m. Wednesday morning, with Rev. Nichols, pastor of Wesley Methodist Church of Tyler, officiating. Burial was in Rosemound Cemetery at Waco at 2:00 p.m. following a short graveside service.

Mr. Mullens was converted in the Methodist Church at Cross Plains in 1924.

Our deepest sympathy is extended to the bereaved wife and daughter and other relatives at this time of sorrow. Their address is 1224 Kenilworth Ave., Tyler, Tex.

The writer accompanied Mr. and Mrs. Frazier Crow and his mother, Mrs. Rufe Burnett of Hico to Waco last Wednesday for burial services for Mr. Mullens. The Mullens formerly resided on our place, also the farm of Mr. and Mrs. P. L. Cox. Mrs. Lucille Battershell of Hico also attended the service. Mrs. Battershell is a sister of Mrs. Mullens. Her sons, Sam and Ray, came for her.

While at the Rosemound Cemetery we visited the graves of Mrs. Burnett's parents and brothers, the late Mr. and Mrs. J. H. (John) McNeill, Johnnie and Noah, who formerly resided near Fairy.

We have had almost a week of cloudy, misty weather. Heavy showers fell Monday. Cotton has been opening fast the past few weeks and is ready to pull.

Mrs. Dimple Gordon and daughters, Kay and Gay, recently moved to Arlington where the girls entered Arlington State College. They spent the week end here with her father, J. H. Davis and wife.

Several of our teenagers were in Clifton last Saturday night to attend the Clifton Fair and Rodeo. Those whose names we secured were Jackie and Ray Turner, Mickey and Keith Streater, Misses Lera Jane Blakley, Kay Gordon and Carolyn Sellers. Ray and the Streater boys entered the junior steer riding contest. Ray won third place.

Mr. and Mrs. Billy Turner, Mr. and Mrs. Ray Bodkin and baby daughter, Tammy, and Jackie Turner, all of Killeen spent the week end with their parents, Mr. and Mrs. Willie Turner. Ray and Bernice Max Lamb of Flat also visited here during the week end with Jackie and attended the Clifton Rodeo.

While at Waco last week we learned of the death of J. D. Yarborough, son of Brose and the late Mrs. May Yarborough. He resided in South Texas and died very suddenly of a heart attack. He was 39 years of age. His mother was a sister of Mr. Mullens. He was born near Fairy. We also met and talked with Mr. and Mrs. Clyde Edwards of O'Donnel. Mr Edwards' mother, the late Mrs. Tom (Eula) Edwards, was also a sister of Mr. Mullens. Johnnie was the last of his family to pass away. Clyde was also born here.

Mr. and Mrs. E. M. Hoover received a letter from their daughter, Mrs. Lloyd Bolstad of Laurel, Miss., stating they were looking forward to a visit this week end from their friends, Mr. and Mrs. Dalton Driver of Grand Prairie, who are on vacation. The Drivers were reared here.

The writer attended singing Sunday afternoon at Warrens Creek Baptist Church, accompanying Mr. and Mrs. Jim Pipes from Hamilton. After singing hours we visited with friends at the Willeford home. Mr. and Mrs. Summerford attended singing at Keeners Chapel near Gatesville Sunday. We missed them.

Mrs. Brittie Little received a message Sunday night that her sister-in-law, Mrs. Maggie Little of Meridian had passed away. Funeral services were held at 2 p.m. Monday at Meridian with burial there also. Mrs. Little was unable to attend due to her physical condition.

Mr. and Mrs. E. M. Hoover, accompanied by his mother, Mrs. A. R. Hoover of Hamilton, were visiting in Cranfills Gap, Meridian and Clifton Sunday. In Meridian they visited with Mrs. Dru Cooper, formerly of Fairy. Mrs. Cooper will be 87 in January and is till quite spry and still possesses that jolly mood.

These showers are aiding the growth of grass and weeds, and we are going to have to start work again soon at the cemetery.

Mrs. Jessie Edwards of Hico spent a few days ast week in the home of her daughter, Mr. and Mrs. Oran Willeford, Doran and Delia.

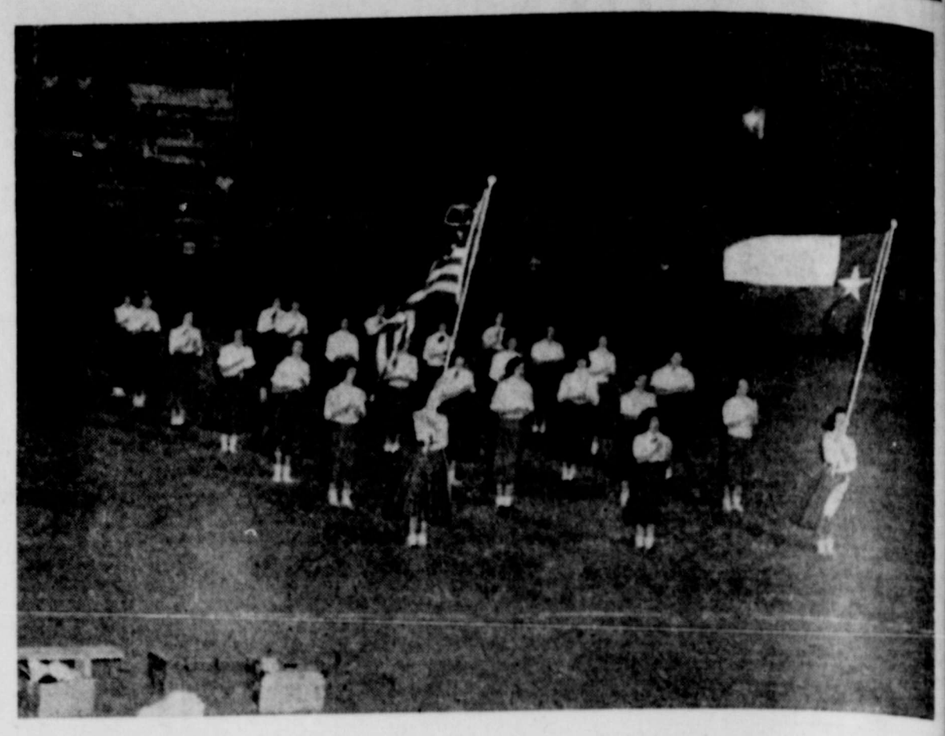

Below is a copy of a clipping from the Dublin Progress concerning Clovis Grant, who was born near Fairy and is the son of Mr. and Mrs. Wallace Grant now of Dublin:

"Clovis F. Grant, a Department of the Air Force employee, was selected as crew chief of the month for July for the 3558th Flight Line Maintenance Squadron at Perrin Air Force Base. Lt. Col. Lewis W. Chick Jr. presented him with a cigarette lighter and a letter of appreciation, citing the number of hours his aircraft was in commission; his initiative and resourcefulness. Grant has worked at Perrin for over three years; served over seven years in the Air Force and was discharged in the rank of technical sergeant. He served overseas in Korea, Japan and Formosa from 1947 to 1953. Among his decorations is the Presidential Unit Citation. He graduated from Hico High School. He married Miss Bobby Wilson of Dublin, formerly of Hico. They have three children, Caroline, Jimmy and Sherry. Grant's hobby is auto mechanics and his spare time is spent working on his station wagon. The Grants reside at Rt. 3, Denison."

We met Clovis several years ago while visiting at the Wilson home, second door from the D. E. Allison home in Dublin, where we were visiting.

Mr. and Mrs. Scott Blakley carried their daughter, Miss Lera Jane to Fort Worth Sunday where she entered TCU for the coming semester. They also visited relatives while there.

Mrs. Ella Shephard's age should have read 79 instead of 70 as it read in last week's news. Mrs. Estella Wilson, who sent in the information, also stated her son, Grady, had been injured recently in a car-truck mishap, but since the card had been blurred in transit we could not make out the details. Thanks, Estella.

FAIRY HIGH MARCHING PEP SQUAD—Performing at each of Fairy High School's football games is the precision marching team of the pep squad shown above. The group is under the direction of Mrs. W. B. Hill and Mr. Frank Bonner, and supplied half-time activities at the Fairy-Oglesby game played at Hico Stadium last week.

CARLTON

By MRS. FRED GEYE

Aunt Fannie Guill is a patient in the Hico Hospital suffering from a broken leg caused by a fall at her home Friday.

Mr. and Mrs. Mack Ellison, our neighbors for the last twelve years, moved Sunday to Crosbyton where they have purchased a home. Their many friends regret to see them leave.

Mrs. Grady Littleton and daughter, Annette, of San Angelo spent the week end with her mother and sister, Mrs. Charley Dyer and Mrs. J. W. Jordan Jr. and husband.

Sam Sharp and daughters, Nita and Linda were week-end visitors in Andrews with his son and wife, Mr. and Mrs. Gene Sharp and baby.

Mr. and Mrs. Rance Sowell returned home Tuesday after a visit in Fort Worth with their daughter and husband, Mr. and Mrs. Ernest Dove and son, Freddie.

Mrs. G. B. Crain of Meridian is visiting her niece and husband, Mr. and Mrs. Harve Turney and Royce.

Coach and Mrs. George Latham were business visitors in Dallas over the week end.

Mr. and Mrs. Hob Thompson, their son and wife, Mr. and Mrs. Don Thohpson and Angela spent Sunday at Rusk with their daughter, sister and husband, Mr. and Mrs. W. L. Drott Jr. and two children from Pineville, La.

Truman Warren returned home Wednesday from the Hico Hospital where he had been a patient since Friday.

Dale Rains from Marthaville, La., a ministerial student at the Southwestern Baptist Seminary in Fort Worth spent Sunday night with his sister, Mrs. George Latham and family.

Miss Linda Harbour, a student at Howard Payne College, Brownwood, was a week-end visitor with her parents and brother, Mr. and Mrs. Lynn Harbour and Wayne.

Miss Viginia Thompson is attending Howard Payne; John Walton is attending Texas Tech at Lubbock; and Connie Mack Self is attending Tarleton State College at Stephenville.

Mr. and Mrs. Brooks Hail, accompanied by their daughter, Mrs. L. L. Warren of Alexander, visited last Sunday in Waco with Mrs. Hail's sister, Mrs. Callie McKenzie. They also visited Mrs. Sunshine Rothrock and Mrs. Mabel Bell.

Mrs. Glen Cox returned Sunday to her home in Fort Worth after a week's visit with her parents, Mr. and Mrs. Art Ward.

Mr. and Mrs. Ira Crownover of Odessa were week-end visitors with her sister and husband, Mr. and Mrs. Rance Sowell.

Mrs. Annie Denman and daughter-in-law, Mrs. Alson Denman visited Wednesday afternoon with Mrs. Denman's brotner and wife, Mr. and Mrs. Fred Geye.

Rev. and Mrs. Charles Becton are attending the Baptist Seminary in Fort Worth.

Miss Inez Thetford of Fort Worth spent the week end with her parents, Mr. and Mrs. Fay Thetford.

Iredell Baptist Church

CHARLES RICE, Pastor

The history and faith of the Baptists is being studied each Wednesday evening at the prayer meeting hour. The book used as a basis of the studies is "Our Baptist Story." Everyone interested in the faith of the Baptist denomination is invited to attend.

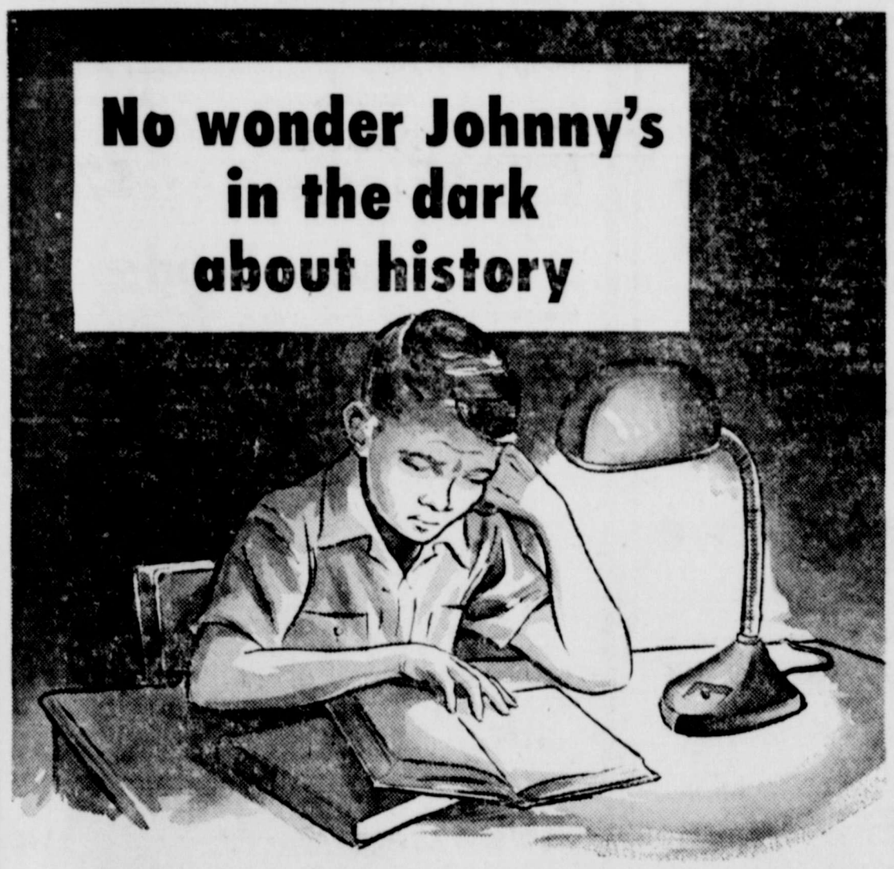

Progress on the new educaional building continues as the men of the church donate their time to the effort. The building superintendent is on the job six days a week and will supply work for anyone interested in volunteering labor.

Due to a delay in receiving the film, "The Forward Program of Church Finance," the picture will be shown next Sunday evening, September 28, rather than last Sunday as was previously announced. The showing will be after the regular worship service.

He needs more and better study light
Johnny's bright enough but his study light isn't. To prevent eyestrain and fatigue, he needs a 150-watt bulb in his study lamp. The lamp should be tall enough to spread light evenly over the work area and should be properly shaded to conceal the light source from his eyes. A diffusing bowl is recommended to soften the light and prevent glare. If the lamp has no diffusing bowl, a 150-watt white indirect bulb can be used. It has its own built-in diffusor.

The Spotlight

As I was snooping around this past week end I caught several couples in my spotlight. Since the boys were late in getting back from Blanket Friday night, there were not too many couples seen.

Among those I saw were Lee F. and Linda H., Kay J. and John M., Shirley G. and Bobbie A., Kay Y. and Billy B., Gail C. and Kendall H., and Bonnie B. and Max B.

As I cast my beam around our fair city of Hico Saturday night, the only couples I saw were Billy B. and Kay Y., and Kay J. and John M.

I decided I might try my luck at Stephenville, so I hopped a fast rail over there. Sure enough, there everyone was. I saw Mike L. and Judy G., Alan H. and Jean B., Wayland W. and Carolyn P., Rosy V. and Linda D., Royce S. and Carol A., Charles T. and Shirley G. I might have missed some couples but I guess they will have to stay out in the light.

Sunday afternoon was a very dreary day for my spotlight. The batteries were getting weak, I guess. The only couples I saw were Rosy V. and Linda D., Wayland W. and Carolyn P., Gail C. and Kendall H., and Kay J. and John M.

I know the girls in this town are not this bad, boys, so let's see how many of you we can see next Sunday.

News From Hico Elementary School

Scottie, Ray and Harvey Johnson have all moved to Jonesboro. Ray was an excellent football player on the Junior High team. We were very sorry to see them leave.

Mrs. Malone, Mrs. Hafer and Mrs. Norwood, the room mothers for the fifth grade, took all of the fifth grade students on a weiner roast in the park last Wednesday.

Jim Bill Lackey, who had an operation and has been in the hospital for some time, is expected back to the fourth grade soon.

The eighth grade elected class officers recently. They are as follows: Barbara Randals, president, Larry Erick, vice-president, Jane Akin secretary, and Ronnie Driver, treasurer.

The Junior High football team has been practicing diligently for several weeks. The first game will be played Tuesday night, September 30 at the local stadium.

The Junior High Pep Squad elected cheerleaders recently. Two are from the eighth grade, one from the seventh, and one from the sixth. From the eighth grade are Barbara Randals and Anita Mayfield; Patsy Wooton from the seventh grade, and Margo Wolfe from the sixth grade.

Mr. Randolph Is New Band Director

Mr. Terry Randolph, a graduate of Southern Methodist University, is a new face around Hico High School this year.

He is the new band director. This is his first school and he seems to have big plans for the band.

Mr. Randolph plans to start a Junior Band and increase the members of the Senior Band. He is working very well with the band that is organized.

Tigers Start Fast To Post 2-1 Record

The Hico Tigers got off to a good start this year by winning their first two games and losing a close one to their third opponent.

A large amount of the credit must go to the boys who have played so well in the games but much credit must also go to the two coaches.

The head coach, Jack Barnett, who is a graduate of Southeastern Oklahoma College where he played both football and basketball, is a very capable and willing young man. He is well liked by the football squad, as well as by the entire student body.

The assistant coach, Ross Hall, who graduated from Stephen F. Austin College, played his college athletics at Henderson County Junior College, where he lettered in basketball two years. Coach Hall is very interested in the boys and is well liked.

Mr. and Mrs. John C. Garth of Blackwell were Monday visitors in the home of his mother, Mrs. J. A. Garth, and Mr. and Mrs. J. W. Richbourg.

Mr. and Mrs. Charles French and children of San Saba and Mr. and Mrs. Curtis Keeney and Butch of Waco were week-end visitors in the home of Mr. and Mrs. Roy French.

Mr. and Mrs. Penn Blair spent the week end at San Antonio and at Medina Lake visiting their daughter and son-in-law, Mr. and Mrs. Harold Goolsby.

Mr. and Mrs. Donald Warren of Midland spent the week end here with his mother, Mrs. J. E. Warren, and with her grandmother, Mrs. Guy Aycock.

Mr. and Mrs. H. T. Bramblett of Lubbock spent the week end in the homes of their mothers, Mrs. W. L. Malone and Mrs. O. M. Bramblett.

MRS. ROBERT ALAN STUDE

rmer Agee Girl Married cently in Fort Worth

Jackie Marie Lewis and t Alan Stude, both of Fort , were married in the South Worth Baptist Church Sep- r 5 at 8:00 p.m., with Rev. ford Harris officiating.

Lewis is the niece of Miss Jameson of Fort Worth, formerly of Hamilton, and tude is the son of Mr. and Lawrence W. Stude of Colo- City.

bride was attended by Mrs. Hammitt of Fort Worth, sis- the bride, as matron of hon- ting as flower girls were a Jameson, cousin of the from Fort Worth, and Nor- e Stude, sister of the groom, Colorado City. Best man was ll Stude, brother of the from Fort Worth. Charles Rich and Mrs. C. L. Proctor presented the wedding music.

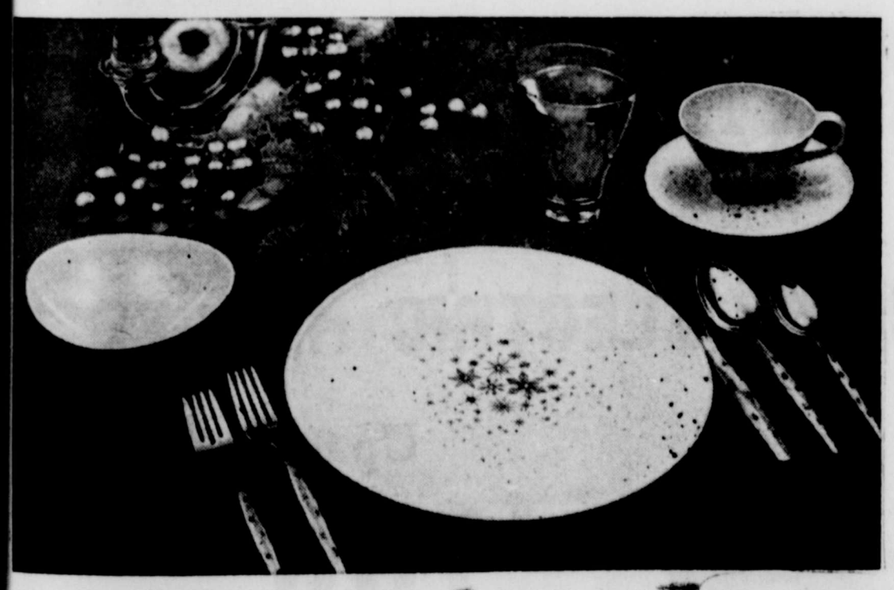

Given in marriage by her brother, Burl Lewis, the bride wore a gown of ivory colored imported lace, molded lace bodice with a V-shaped neckline outlined with natural lace scallops. Cap sleeves finished with natural lace scallops, lace mitts pointed over her hands and the skirt was waltz length bell shaped. The veil was of illusion and accessories were pearl necklace and earrings. The bride's flowers were a cascade of white carnations centered with white gardenias on a white Bible, which was given to her by the Young Women's Auxiliary of the church.

A reception was held immediately after the ceremony in the Fellowship Hall. The house party consisted of Misses Jone Sills and Linda Martin and Mrs. Darrell Stude of Fort Worth, Mrs. W. E. Sikes of Bovina, and Miss Kay Stude of Colorado.

The bride attended Fairy High School and has a number of relatives still residing in the Fairy community, including Mr. and Mrs. Scott Blakley, Mr. and Mrs. Roy Blakley, and Mrs. Ada Latham.

After a short wedding trip the couple are at home in Fort Worth where the groom is attending Arlington State College.

Twenty-two oil paintings by members of the Hico Art Club are being shown at the Lon Hellums Art Gallery, 3406 Camp Bowie, in Fort Worth through October 4.

Exhibiting in the show are Mrs. Lucille Brummett, Mrs. Ruby Brummett, Mrs. O. C. Cook, Mrs. H. V. Hedges, Mrs. R. B. Jackson, Mrs. Sybil Jernigan, Mrs. J. E. Lincoln, Mrs. Paul Neel, Mrs. Hord Randals, Mrs. Morse Ross, Mrs. Clarence Watson and Miss Eileen Gannaway.

Lincolns Return From Trip To Florida and Cuba

Mr. and Mrs. J. E. Lincoln left Hico September 3 for a two-week vacation trip to Florida and Cuba. They drove through by way of Louisiana, Mississippi to Florida, where they saw many big cotton plantations, lovely homes, saw mills, and abundant crops.

In Florida, main points of interest they visited were San Augustine, the Cypress Gardens, Miami and Key West.

From Key West they went by boat to Havana, Cuba. The city of Havana impressed the Lincolns with the row upon row of pastel colored houses with narrow streets very compact, and extended out to the hills.

They were taken on guided tours of the city and the surrounding country. Very interesting to them on the country tour was the thatched homes of the farming people, and the Royal Palms growing wild throughout the countryside. They also saw a gamecock fight at Rancho Luna, which was included on the tour.

On the tour of the city they viewed many interesting sections of the city, both old and new. In Old Havana they saw many interesting sights. They visited the old Cathedral, which they said was truly beautiful, and also the capitol buildings and other interesting places.

They also enjoyed window shopping on their own, which is a favorite excursion of tourists.

They returned to Key West by plane and drove on to the Everglades National Park where they took an airplane boat ride out in the Evergades.

They enjoyed dinner on the Sawannee River, followed by a surrey ride down through the river bottom. Another highlight was the Weeki Wachee underwater show that is known as the world's original water show. This interesting show takes place 140 feet deep below the waters in Weeki Wachee Spring, which is viewed after going down into a boat house which is built below the water. The mermaids eat food and drink cokes under water. They do ballet numbers and the spectators watch through plate glass windows.

Enroute home they traveled through Sarosoto; Tarpon Springs, where they saw the sponge divers come into the harbor and unload their sponges; through Biloxi, Miss.; and Baton Rouge, La.

RETURNS FROM COLORADO

Mr. and Mrs. Conda Salmon and daughter, Mrs. Norman Dove and little daughter, visited last week with Mrs. Salmon's parents, Mr. and Mrs. M. L. Etheridge.

CLAIRETTE

By MRS. LUCILE MAYFIELD

Mr. and Mrs. Eugene Lepard and family moved to Clairette from Dublin recently, and are occupying the Wiley McCarty house.

Mr. and Mrs. Robert Sullivan of Amarillo were recent visitors with Mr. and Mrs. Lee Marshall.

Bill Dowdy of California visited in Clairette last week.

Mr. and Mrs. Earl Wilson and family of San Diego, California, are visiting Mr. and Mrs. Vance Wadlington.

Mr. and Mrs. Vance Wadlington attended the wedding of their granddaughter, Darlene Wadlington in Fort Worth Friday night.

A wheel from a large truck was lost here Friday night and ran into the side of Mr. and Mrs. Will Cranfill's home near the highway. The impact knocked out the entire window light, cracked the sheet rock on the inside wall, and jarred an electric clock off a table, breaking it. The wheel then bounced into the yard at the home of Mr. and Mrs. Wadlington. Mr. and Mrs. Cranfill heard the noise but didn't know what had happened until morning. It was reported that they went to Hico and found the truck that had lost the wheel, and the driver of the truck stated that the damage would be taken care of.

Three inches of rain fell here Thursday night.

Mr. and Mrs. Don Carter and family of Leanders and Mr. and Mrs. Billie Carter and daughter of Fort Worth spent the week end in the home of Mr. and Mrs. Zeph Carter.

Col. Jake Havens of Long Island, New York, visited his mother, Mrs. Zena Havens Saturday night and Sunday.

Mr. and Mrs. Jess Pruett spent Wednesday night with Mr. and Mrs. M. Autry of Gustine.

THAT COUNT

It's easy to demonstrate the value of telephone service by talking about calls that determine life or death, success or failure. However, it's the every day calls that best demonstrate the value of your telephone. For business, social, or just plain personal reasons, there's nothing like telephone for fast, efficient communication.

COUNTY AGENT REPORTS

By E. R. LAWRENCE

We have two new dairies in the county, and one is now in production, and the other will be in a week or so.

Wayne Chapman of Carlton got his dairy going this month. Wayne has about 45 head of heifers—Holsteins—that are coming fresh. Right now he is milking about sixteen head. He has a bulk tank, pipeline system and an in-line cleaning system. This is a new system where the operator does not have to take his pipe-line down and apart to clean it out. It works automatically. This is another step toward automotion. It saves time and labor which is becoming more important to all each day.

Chapman's milking room is of the pit type, that is the one doing the milking works in a pit and the cows come into the milking room at ground level. Two cows are on each side of the pit and of the four, two are milked at one time.

The working pit is about three feet deep, four feet wide and twelve or fourteen feet long. Cows enter the barn from the south end and go out at the north end. At the north end, between the stanchions, there is a large vertical feed container, very handy so as to make feeding as easy as possible.

J. C. Kinney at Lanham. J. C. has his milking barn under construction and will be in production in the near future.

His set-up will be on the same plan as that of Chapman's but I don't know whether he will have the in-line cleaning system or not.

—ERL—

Bill Chumney, another dairyman, down at West Point, is feeding his dairy herd from his bunker silo that was filled with oats this spring.

He is self-feeding from it in order to save work and time. Bill said he had a little more spoilage in the oat silage than he cared for due to the fact that the oats were hard to get a good pack on. He also says that packing silage good at filling time is the key to making and keeping silage.

—ERL—

We are having a little trouble getting the cotton crop gathered due to weather. The weather is going to make it a little difficult to get stalks destroyed as soon as most farmers would like.

Early stalk destruction is one of the better methods of fighting the boll weevil, as well as the pink boll worm.

As soon as the weather breaks for a few days and cotton dries out, harvesting will get going at a good pace. So far it has been rather slow.

Early stalk destruction destroys many of the cotton insects that over winter in the crop left when not destroyed.

—ERL—

If you'd like some extra winter grazing from your small grains, now is a good time to top-dress it, or if you haven't sowed yet, put down some fertilizer when you do.

Most of the soils of the county are low in nitrogen and if this is added good results should be expected from it.

Thirty pounds of nitrogen as a top-dressing will get the job done. This can be had by applying 100 pounds of 32 per cent ammonium nitrate, or 200 pounds of 16-20-0. If the crop is to be harvested, come back along in January and repeat the application.

If your grain is up and you would like to top dress it now, don't worry about going over it with the fertilizer distributor as it won't hurt the stand.

GET READY TO STORE SUMMER CLOTHES

Soon it will be time to put away some of those summer clothes, and bring on the fall and winter garments.

Start now to store some of the lighter things. Right storage will increase the life of summer clothing, and make all garments more wearable for the next season.

Here are some suggestions for keeping out-of-season clothing in good condition until next summer:

1. Mend any ripped seams, tears, loose buttons or other damages. A few stitches can save the life of a garment.

2. Wash or dry clean all garments before storing.

3. Store cottons and linens unironed. Make certain all starch is removed. It can cause fabric to deteriorate and may attract silverfish.

4. Dry garments thoroughly and store them in a dry place to prevent mildew.

5. Store in large boxes or trunks to make room in closets for fall clothing.

* * *

ACT LIKE DETECTIVE WHEN YOU SHOP

Many young people have dollars in their pockets or bank accounts earned in summer jobs. They will spend some of these earnings for clothing and supplies for school. To get the 'best buys" for their money they need to be a sort of detective.

First they must know what they are looking for and how much they can or want to spend. "Impulse" buying is usually costly.

Then they gather evidence that helps them select the just-right things out of all of the many, many offerings in the stores today. Evidence may come from various sources.

1. By studying advertising—radio, television, newspapers, magazines, store window displays.

2. By inspecting goods and trying them on—keeping eyes and ears open.

3. By reading labels will give additional clues as to features or quality that inspection does not give.

4. By enlisting help of clerks or sales persons—ask question, a good clerk will give help and accurate information.

5. By checking on the price—provides another clue in narrowing search for best possible choice.

Not all of these stages of detective work will occur in every transaction or in any set order. Piecing together fragmentary bits of evidence, following up a lead until in proves false, the switching to another; slowly singling out the one wanted article from among dozens or hundreds—this process of the young shopper hunting the "best buy" is very much like that of a detective—And it pays to follow the above clues carefully.

HOME ECONOMICS BRIEFS

1. Overloading a washing machine is a common cause for complaints that washers do not remove soil. Weight the loads until you know from experience the articles that make up the right load for your machine. Better results have been reported when the machine is one-half to a pound to less than recommended capacity.

Game Warden Reports

By SWEDE JOHNSON
State Game Warden
Hamilton & Bosque Counties

As the cool weather begins to slip in the area, fishing is beginning to pick up with a nice string of black bass being caught by Allan Armstrong at the Meridian State Park last week. According to the report one of the bass weighed four and a half pounds. All of the bass were caught on a yellow buck tail jig. Several other fine strings were caught, according to the Lake Park Manager, Tobe Gardner.

Hunting is just about at a standstill with not too much activity, but still with enough doves left in the area for a man to get his limit if he is lucky and a pretty good shot. Hunting violations have been held to a minimum this year with not too many suffering a penalty, but there is still a little road hunting going on along with damage being done to the telephone lines in the Mesquite Creek area near Lake Whitney.

I don't like to preach in each column about one's conduct in the field and how to act as sportsmen because I believe most of us know how to act, but for the few who don't know I will again quote the law.

Open Seasons: Except on State game preserves, statutory State Wildlife sanctuaries, United States Wildlife sanctuaries, and on public roads and highways within the State. The open season for taking each of the herein named migratory game birds in the State of Texas or in that portion of same later referred to herein shall be as follows: Now this is the opening heading of your Migratory Game Bird Procalmation which states right off that it is closed season on public roads and highways. So when riding down these roads and you see a dove sitting along the telephone lines just remember to be a sport and pass up that sitting shot and wait until you get to your hunting grounds.

Another thing to remember is that each year hundreds of telephone lines are broken by hunters who thoughtlessly shoot toward poles, insulators, wires or cables, and by doing this you are destroying and upsetting a fine public service.

Until next week good hunting and fishing.

SWEDE.

TIGERS LOSE —

(Continued From Page 1)

Tigers saw another drive bog down on the 24, with penalties against the Tigers playing a major roll.

Blanket took over on their own 24, and drove in 12 plays for a touchdown that killed any hopes the Tigers might have had of going ahead in the ball game. One other drive by the Tigers late in the fourth period died at the Blanket 26 yard line, with time running out.

On defense, Royce Samford played one of the finest games ever seen by local fans. The 177-pound guard either made the stop or assisted in every play during the game.

The Tiger backs, Tommy Johnson, Buddy Ables, Bobby Boone and Gary Duncan, all ran well in the game, and often were digging for that final yard with two or three defenders hanging on.

Ables led the gainers for the night with 86 yards on 21 carries, Johnson had 74 yards on 17 trys, Boone, playing his first full game of the season exhibited some of the form which made him a top back last year in digging for 34 yards on 9 attempts, and Duncan ground out 35 yards on 6 tries for the best average of the night.
