ONLY .48 IN CITY

Heavy Rain Dots County

Spotted rains Wednesday afternoon and Wednesday night dumped as much as 2 inches of moisture on parts of Mitchell County, but wide areas received less than one inch or no moisture.

Here in Colorado City the official total was .48.

Rains on the Jack Wright farm, 5 miles northwest of C-City in the Horn Chapel community, measured almost 2 inches with heavy pea size hail and high wind.

Damage on the Wright farm included broken tree limbs and destruction of a small shed.

Bob Looney, south of Loraine, reported 1.5 inches of rain Wednesday afternoon and night and 1.9 inches Tuesday morning for a total this week of 3.4 inches.

Looney, who had planted his crop prior to this week's downpours, reported that he will have to replant all of his land.

W. W. Holman, 15 miles southeast of Colorado City and in the Landers community, received 1.5 inches in Wednesday's rains accompanied with high wind. Holman's crop were planted and he feels that the majority of it will come up.

Also in the Landers community, on the Bruce Byrne Ranch rains amounted to from 1.3 to 1.7 inches across the ranch in Wednesday's rain. Byrne had just finished planting his crops and will probably have to replant them.

J. L. Ferguson, 5 miles northwest of Colorado City, reports .9 of an inch of rain Wednesday with thick hail and a lot of wind.

High winds of the Ferguson farm blew down a chicken house, overturned four-wheel trailers and broke a number of tree limbs.

Other reports around the county include:

Loraine — 1 inch Tuesday morning and .4 inch late Wednesday afternoon with a little hail, according to K. L. Taylor of the Loraine bank.

Sun Oil in Silver — measured .3 inch of rain, accompanied with very high winds.

Looney Community — .7 of an inch Wednesday, according to W. A. Ennis.

Payne Community—1.3 inches Wednesday, as reported by Dennis Fortenberry, 9 miles south of Colorado City.

Buford Community — Slight sprinkle Wednesday. Irrigated cotton is up to a good stand, but more moisture is needed for dry land crops, according to J. F. Bodine.

Plainview Community — .25 of an inch Wednesday accompanied by high winds, according to E. G. Banks. Cotton is up to a good stand.

Rogers Community—.7 of an inch. Crops had not been planted before the rain as reported by H. H. Callan.

Little or no rain was reported Wednesday for the China Grove, Cuthbert, Buford, Dorn, and Westbrook Communities. And moisture is really needed in most of these areas.

Summer Term Registration Set Monday

Registration is scheduled Monday for summer school classes at Colorado City High.

About 60 students are expected to enroll.

The school — for students who are behind in credits or who are seeking to broaden their study program — will begin regular classes Tuesday.

Offered in the summer curriculum are English 1, 2, 3 and 4 with Mrs. Dona Reed as teacher, plus World and American history, taught by Caddo Matthews.

Classes will be 6 days a week, from 7 a. m. to 10 a. m. and from 10:30 a.m. to 1 p.m., through Aug. 6 with a holiday scheduled July 4.

Tuition will be $15 for a half credit, $25 for 1 credit and $35 for 1½ credits, according to Supt. Frank Wilson.

However, no student can earn more than 1½ credits during the summer term. Four absences during the term eliminates a student from credit for his course.

Tentative schedule is for English 1 and 2 and American history to be taught from 7 a. m. to 10 a. m., with World history and English 3 and 4 from 10:30 a. m. to 1 p. m.

Another summer course already under way is driver education. Ken Kearns began driver classes last week with 24 students enrolled.

Rec Program Expands in New Events

City Recreation Department's summer recreation program moves into 2 new phases next week.

And registration is starting for a third.

Free Learn-to-Swim lessons begin Monday at Ruddick Park pool for boys and girls, age 9 through 12.

Third annual Junior Tennis Tournament, sponsored by the Jaycees in cooperation with the Rec Department, begins a 3-day schedule of matches Thursday, June 16.

Registration is starting now for an advanced bridge class, which will be taught by Mrs.

EAST OF CITY

2-Car Wreck Injures Trio

Three persons were injured late Wednesday afternoon when two autos collided east of Colorado City where Interstate 20 Freeway telescope into Highway 80.

The injured are Ira Warren and Ira Coffee, both of Loraine, and Harold Sigerd Runsvold of Claremont, Calif.

Runsvold, driving a 1957 Ford, was traveling west. After applying his brakes, his car careened into the eastbound traffic and was in collision with a 1951 Pontiac driven by Warren, according to Highway Patrolman Elward Rogers.

The Runsvold car spun around, collided with the Warren car, spun around twice more, flipped over and landed on its wheels in the barrow ditch on the south side of the highway.

The Warren auto was facing north on the highway following the impact.

Both cars were total losses.

All three men were taken to hospitals. Runsvold was in Root Hospital with numerous minor lacerations. Warren and Coffee were treated in Johnson Hospital of Loraine. Warren has leg injuries and Coffee was hospitalized with lacerations about the forehead.

LOCAL STUDENTS — WORK OR PLAY

Vacation's Busy . . . Even Relaxin'

By ANNELLE HOLMAN
Record Staff Writer

What do Colorado High School students do during the summer? Some work, others attend summer school, and still others help around home and prepare for the fall school term.

Those who work have a number of reasons, too . . . college, clothes, cars.

Mary Louise Cox, daughter of Mr. and Mrs. W. H. Cox, is working for Colorado City Abstract Company. A Colorado High senior, Mary Louise has begun to save her money for college.

Dickie Summers, son of Mr. and Mrs. Charles Summers, is doing farm work for his grandfather in Roscoe. Dickie's purpose for working is just to make his own spending money.

Job for Mary Ann Merritt, daughter of Mr. and Mrs. J. F. Merritt, may be classified as fun, too. She is life guard and record keeper for the Baker Club swimming pool. Life guards at Ruddick pool are Eddie and Lewis Schoolcraft and Bobbie Noble.

Employed by Windham Welding Service are Lonnie Roberson and Douglas Hodges.

Jerry McKay, son of Mr. and Mrs. Fred McKay, is working for the Texas Highway Department.

Colorado High senior Sue Ennis is employed as part-time cashier and bookkeeper for Morgan Service Station. She is the daughter of Mr. and Mrs. W. A. Ennis.

Employment away from home has taken the interest of Mike Robinson, son of Mr. and Mrs. Glenn R. (Bob) Robinson. The Robinson boy left Sunday night for Dallas by bus, and from Dallas he flew to Oklahoma, where he will work on his grandfather's ranch.

"Relaxing and helping around home" is the theme song for a number of Colorado High girls. Among these are Sandy Landau, Judy Ellis, Sue Blackard, Sue Ann Welter, Beverly Grubbs, Betty Jean Worrell and Brenda Bell.

A group of these girls are receiving credit for their work at home. They are working on their home projects for Homemaking I. For 100 hours work, they receive ½ credit at Colorado High.

"Like father, like son" could be the motto for three Colorado High boys. Tommy Humphreys is working with his dad, Pete Humphreys, for Mead's Bakery; Don Thomas is employed at Thomas Bros. Service Station; Danny Latimer is doing farming and ranching with his father, Curtis Latimer.

Veterinarian anyone? Call Gayle Williams, pretty Colorado High senior! Actually, Gayle is working as bookkeeper and receptionist for her dad at J. D. Williams Jr. Veterarian Hospital.

Employed at the Palace Theatre are Gary Gresham and Doris Howard.

The 'food line' was chosen by several for the summer months. Among these are Gayle Stone, soda jerk for W. L. Doss Drug; Lora Lee Lady, who is employed at Coker's Cafe; and Lowell Martin, who is working at the Dairy Frost.

Employed by White's Auto are Janet Stone, who is saving her money for McMurry Band School in July, and Dois Pace.

Shana Noble is a sales clerk working at Sam L. Majors Jewelers for the summer.

Other Colorado High students have chosen to attend summer school. Among these are Jimmy Costin, Ricka Guitar, and Berta Craddock.

Those employed in grocery stores include Jimmie Ruth, Dalton Lightfoot and Billy Fredenburg at Safeway, and Johnny Brown at Piggly Wiggly.

No more proof is needed to show that Colorado High students are an industrious bunch—even during vacation.

IN QUICK CAMPAIGN

Jaycees Add 21 Members

Jaycees Wednesday concluded their most successful membership campaign in recent years with 21 new members on the rolls.

Special ceremonies at the Junior Chamber of Commerce luncheon in Civic House presented the new members with Jaycee pins, creed, decals and other information.

The membership drive, which increased the local organization from 34 to 55 members, was conducted during a 4-week period, according to Don Benson, president.

Directing 2 teams in the campaign were Cummins Wood and Don Henderson.

Wood's team scored highest with 11 new members and the losers, chairmaned by Henderson, will entertain the winners and new members at a party.

New members obtained by Wood's team were Thomas Bob Long, Earl Keaton, Bill Erwin, Glenn Dunn, George Hudson, Bob Pender, Emmett Banks, Don White, Dan Prichett, Dub Fortenberry and Bobby Moser.

Added to the membership by Henderson's team were Ben Sparks, Bill Hudson, Lewis Hargrove, Billy Hill, Don DeLaney, Jimmy Hammond, Louis Baker, Troy C. McClendon, S. R. Wilkinson and Weldon Rives.

Benson said the 21 new Jaycees already had been assigned to 9 project committees of the organization.

Mrs. Bell, 72, Dies Here Wednesday

Mrs. Annie M. Bell, 72, of Westbrook, widow of the late W. F. Bell, succumbed Wednesday night in Colorado City.

Funeral service will be conducted Friday afternoon at 4 o'clock in Westbrook's First Baptist Church with Rev. Kenneth Andress, pastor of the church, officiating. Burial will be in Westbrook Cemetery.

Time of the service was to be announced later by Kiker & Son Funeral Home.

Mrs. Bell, a native of Smith County in Mississippi, had resided in Mitchell County since 1902. She was wed here in Colorado City Sept. 17, 1905, and her husband died in 1942.

Two of her sons, John J. Bell and H. R. Bell, and a daughter, Mrs. F. S. Brown, reside in Colorado City.

Other survivors are a son, W. A. Bell of Westbrook; a daughter, Mrs. Vance Armstrong of Jal, N. M.; a brother, Vandall Blakeney of San Antonio; 4 sisters, Mrs. Leola Blair of Midland, Mrs. T. C. Hart of Westbrook, Mrs. J. M. Hollowell of Coahoma and Mrs. H. M. Lunceford of Wills Point; 13 grandchildren and a great grandchildren.

Visits in El Paso

Corley Bozeman returned Sunday a visit with relatives in El Paso. He and a sister, Mrs. Charles Womack of Albuquerque, N. M., visited in the El Paso home of Mrs. Womack's daughter, Mrs. George L. Todaro, and family.

Grand Jury Probes Gasoline Price War

Oral Complaints Spur Investigation

Mitchell County grand jury is investigating complaints there are criminal violations in Colorado City's prolonged gasoline price war.

The grand jury probe follows a little known investigation pin-pointed here last month by the anti-trust division of Texas Attorney General Will Wilson's staff.

District Attorney Eldon Mahon revealed to The Record that no written complaint has been filed in the grand jury investigation. However, oral complaints have been registered with the grand jury in regards to Statute 1638 of Texas Penal Code. These complaints allege violation of the statute and request grand jury investigating procedures.

Statute 1638 deals with persons or firms with "intent or purpose" of knocking out competition or financially injuring competitors.

It is a seldom spotlighted law that provides prison sentences of from 2 to 10 years when violations are proved in court.

Ten representatives of the local oil industry were before the grand jury this week in Mitchell County Courthouse.

Coming from Big Spring were R. L. Tollett, president of Cosden Petroleum Corporation and its Colorado City subsidiary, Col-Tex Refining Company, and Joe A. Moss, legal counsel for Cosden and Col-Tex.

Others appearing before the grand jury were the following C-City jobbers or consignees for 8 companies — Homer Cannon, Kent Oil Company; W. K. Miles, Conoco; Oscar Sherman, Phillips 66; James M. Boyd, Humble; L.L. Comer, Mobil; Roy Warren, Texaco; H. W. Hambrick, Fina, and Paris Yarbrough, Cosden.

Subpoenas for additional witness are being issued another grand jury session scheduled Thursday, June 16.

It is no secret locally that Col-Tex officials have been concerned with the effect of the price war on production at the local refinery. Manufacturing output at the refinery is down after peaking last year at more than 12,000 barrels daily.

The price war has been warm here for more than 75 days and affected mostly by the price battle has been regular octane gasoline.

Although regular gasoline prices now are as low as 22.9 cents per gallon, with some at 24.9 cents. But the prices have dipped to a low of 19.9 cents per gallon at some stations and 20.9 cents at others.

These prices posted at the service station pump include 9 cents per gallon tax. With the tax subtracted, the low of 19.9 cents would leave only 10.9 cents per gallon actual oil industry income.

And it has been the contention among some oil industry spokesmen here during the price war that gasoline cannot be manufactured and sold at that price for a profit. It is below cost, they claim.

However, Article 1638 — which applies to all businesses, not just the petroleum industry—deals with "intent or purpose" of a business practice. The practice must be carried with intent to hurt before it becomes an actual violation of law.

The statute states that if any person, agent, employe, director of any firm or corporation . . . "shall with the intent or purpose of driving out competition or for the purpose of financially injur-

No Extension For Acreage Contracts

Mitchell County farmers and ranchers with Conservation Reserve contracts expiring in 1960 or later years are no longer eligible to extend their contacts for additional years.

The policy against extensions was announced Thursday by O. J. (Jack) Linam, chairman of Mitchell County Agricultural Stabilization & Conservation Committee.

Previously, Conservation Reserve contracts for 5 years or less have been eligible for extension up to maximum of 10 years. This extension was contingent upon application being filed with the county ASC committee before the original expiration date.

Linam said the extension policy is being stopped because the extension of a contract has same effect as a new contract, which would require spending of additional Conservation Reserve funds. Under present legislation, no new Conservation Reserve contracts may be entered into.

Linam emphasized that the ruling has no effect on the period of existing contracts. These will continue in accordance with contract terms, he said.

Mrs. Bedford Dies Tuesday At Buford

Mrs. Reese Bedford, 78, Mitchell County resident since 1902, died in her home at Buford early Tuesday morning.

Funeral services were conducted at the Buford Methodist Church Wednesday afternoon with the pastor, Rev. Dale Swain, officiating. Assisting were Rev. Roy R. Havens of the Union Methodist Church and Rev. Bill Worrell of Fairview Baptist Church.

Mrs. Bedford was born November 25, 1881, in Alabama, moving here in 1902. She was married to Reese Bedford at Union on February 21, 1906, and had made her home since

IN HOME CEREMONY

Anable, Davis Vows Exchanged Friday

Wedding vows were exchanged by Miss Linda Anable and Joe Billy Davis in a Friday morning ceremony in the home of the bride's parents at 417 Cypress St.

The parents of the couple are Mr. and Mrs. A. L. Anable and Mrs. Betty Davis of Big Spring.

Officiating at the double ring ceremony was Rev. F. Robertson of the Assembly of God Church.

The bride, given in marriage by her father, wore a street length dress of white cotton lace complimented with mint assessories. She carried a bouquet of mint carnations on a white pearl bag. Her wedding hat was shaped in a half-moon accented with a white half face-length veil.

Miss Janie Reed served the bride as maid of honor. She wore a mint cotton dress and white assessories. She carried an arrangement of white carnations.

J. C. Anable, grandfather of the bride, served as best man.

A reception in the home of the bride's parents honored the couple.

The serving table was laid with a biege cloth and centered with a white and mint tiered wedding cake.

Presiding at the serving table were Miss Reed and Mrs. E. A. Kingsley of Graham.

Following a honeymoon trip to Abilene the couple is residing in Colorado City.

The bride is a 1959 graduate of Colorado City High School.

The groom attended Big Spring High School and was formerly employed in Big Spring.

Out-of-town guests attended from Graham, Big Spring, and Louisiana.

IN FRIDAY MEETING

Diabetes Is Study Topic For Home Demonstration Club

Mrs. Swann Taylor presented a report on diabetes mellitus to members of the Carr Home Demonstration Club when they met in the City Recreation Center Friday with Mrs. Ruth Airhart as hostess.

Mrs. Taylor told the group that 1% of the population of the United States has diabetes.

She pointed out that diabetes is seldom found in people over 40, unless they are overweight.

"Diabetes is very common in the Jewish race, perhaps because of intermarriage and obesity," said Mrs. Taylor.

The speaker stated that diabetes is hereditary, but it takes 2 people to cause the inheritance.

"One person in 4 inherits the tendency; therefore, diabetics should not marry diabetics," she told the group.

She told the group that the number of diabetics is increasing because: diabetics are living longer, they are having more children, it is a disease of older people and the entire population is now living longer.

"In 1959, diabetes was the eighth cause of death; there were 15.4 deaths from diabetes in each 100,000 of population; diabetes caused 1.6% of the total deaths," Mrs. Taylor related to the group.

During the business session, Mrs. D. G. Rollins recommented that the club members write in their year book suggestions for the coming club year.

She also announced that there would be a recreation training meeting in Snyder July 14 at the livestock barn in Towle Memorial Park. The club's recreation leader, Mrs. J. L. Rees, has made plans to attend.

Mrs. Airhart conducted a tasting party of green and yellow vegetables. Assisting Mrs. Airhart was Mrs. Taylor, Mrs. Rollins, Mrs. Tom Jackson, Mrs. T. A. Rees, Mrs. John, Mrs. C. C. Buchanan, Mrs. F. A. Langley and Mrs. C. R. Westfall of Hobbs, N. M.

Mrs. Taylor reported to the group on the Texas Demonstration Association annual spring meeting of district II that was conducted in Littlefield.

ANNELLE HOLMAN'S

Personally Yours

Colorado City will be well represented this weekend by Sue Jarman in the Texas Miss Universe Pageant at Lake Whitney.

Sue is really happy that she was chosen to enter the Tumbleweed Festival beauty contest . . . and is also thrilled that, as the top 18-year-old winner of this contest, she is allowed to enter the Miss Universe Pageant. Age limit for the state competition is 18 to 26 years.

Of course, excitement goes along with Sue's trip to Lake Whitney . . . This will be her first time to enter a contest of this type.

Sue has other immediate plans for her future, too . . . She will enroll Monday in Midland Commercial College.

Jim and Cherry Roberts, residents of Colorado City for the past year and four months, are moving Friday to Dalmita, a small town in the Rio Grande Valley and 50 miles from McAllen.

Jim, who is being transferred by Sun Oil Company, is an engineer. While in Colorado City, he was leader for a troop of Boy Scouts. Both he and Cherry were members of the First Methodist Church and worked with the young people of the church.

Cherry was recording secretary of Beta Sigma Phi and a member of Zetagathian Study Club. She feels that her biggest 'activity' in Colorado City was teaching in the C-City Primary School.

The Roberts say that they will really miss Colorado City people . . . and that feeling will be mutual . . .

Mr. and Mrs. J. T. Pritchett have as guests in their home this week their son and family, Dr. and Mrs. T. R. Pritchett, Ronda, Randy and Rebecca, from Spokane, Wash.

Dr. Pritchett was recently made a technical manager of the department of metallurgical research of the Kaiser Chemical Research Corporation.

Cool on a Summer Day

One way or another it was cool, according to Anna Lee Root, left, and Kay Majors as they journeyed homeward from Abilene. The 2 Colorado City girls proved that there is more than one way to stay cool by raising the trunk lid and climbing in the small Metropolitan Nash.

WITH GARDEN RECEPTION

Couple Honored

Mr. and Mrs. Jerry Creager were guests of honor at a reception at the Garden Terrace of the Baker Hotel Tuesday night from 8 until 10 p. m.

Mr. and Mrs. Creager were married May 17.

Parents of the couple are Mr. and Mrs. Brady (Pete) Warren and Mr. and Mrs. Earl Creager of Pecos.

Hostess for the fete were Mrs. Charles Root, Mrs. L. S. Girvin Jr., Mrs. Joe Gunning and Mrs. J. D. Richardson.

Receiving guests were Mrs. Root, Mr. and Mrs. Warren and the honorees.

Miss Charla Warren, sister of Mrs. Creager, presided at the serving table.

The serving table was laid with a pink organdy cloth and accented with silver appointments and a matching punch bowl. Favors for the guests attending were small bags of scented colored rice. Centering the table was an arrangement of greenery.

Approximately 80 guests attended the fete.

Library Plans Told To Federation Club

Mrs. Austin McCloud gave a report on activities planned for the Mitchell County Federation Library for the summer months during the meeting of the Mitchell County Federation of Women's Clubs in the Conference Room of the Civic House Tuesday.

Mrs. McCloud, library chairman for National Library Week, reported that plans have been made for a story hour for pre-school age children to start Monday and continue through August 13.

The program was in charge of the Hesperian Daughters Study Club.

Mrs. U. G. Hardison, corresponding secretary, read the correspondence from the new district president, Mrs. John P. Ward, regarding a meeting that is to be conducted in Aspermont and a get-acquainted party for the new Mesquite District clubwomen.

Mrs. Hardison also read letters of resignation from Mrs. Watson, Mrs. Lee Lavendera and Mrs. Trevor Crawford.

The next meeting of the federation will be in September when the individual clubs reconvene.

From Oklahoma

Guests in the Loraine home of Mr. and Mrs. T. J. Green Jr., Marsha and Tommy, last week were Mrs. Green's sister and family, Mrs. N. F. McNaughton, Paula and Jerry Lynn, of Duncan, Oklahoma.

Paula and Jerry Lynn McNaughton will remain in Loraine for several days.

CHEVROLET
For Economical Transportation

With wagons like this one in the lineup, it's no wonder Chevrolet is the most popular car in the whole U. S. All five Chevy wagons, 6- and 9-passenger models, are widest where wagons should be wide—with comfortable seating space that becomes up to 92-cu. ft. of cargo area by a simple adjustment. All five feature all the things that are making Chevrolet first choice, too: FULL COIL SUSPENSION cushioning all four wheels . . . an ECONOMY TURBO-FIRE V8 that gets up to 10% more miles to the gallon on regular gas, or that well-known saver, the HI-THRIFT 6 . . . the shift-free smoothness of TURBOGLIDE* . . . a wider front seat and more entrance height in Chevy's ROOMIER BODY BY FISHER than you'll find in any other car of the leading low-priced 3. A bridge tournament—for the entire community — will follow the class.

Boys are urged to register now for the Jaycee tennis tourney. Registration is at the Rec Center.

Actual play in the tourney will open next Thursday and continue through Saturday, June 18.

Learn-to-Swim classes for boys and girls, 9 through 12 years, will be weekdays from Monday through Saturday, June 18.

Boys' classes will be at 8 a. m. each morning and girls will follow at 9 a. m., according to Talley.

More than 120 youngsters, ages 5 to 8, are concluding their phase of the Learn-to-Swim program this week at the park pool. Certificates will be awarded Saturday to those who successfully complete the course.

The Learn-to-Swim program is an annual event sponsored by Colorado City Record and the City Recreation Department.

J. D. Sheffield Funeral Held At Loraine

Funeral services for Jesse David Sheffield, age 79, were conducted Monday at 4 p. m. in the First Baptist Church in Loraine.

Rev. M. H. Farrington, pastor, officiated. He was assisted by Rev. W. D. Green.

Burial was in the Colorado City Cemetery under the direction of Kiker and Son Funeral Home.

Sheffield died Sunday in Loraine.

He was born in Freestone County, August 28, 1880, and had lived in Mitchell County and Loraine for the past 65 years. He was a retired farmer.

Sheffield was a member of the First Baptist Church and the Masonic Lodge. He was married to Alma Morris in Abilene on December 6, 1923.

Survivors are his wife; one son, Attwood Sheffield, both of Loraine, and one grandchild.

Pallbearers were Rex McKenney, Ira Beights, Wayne Griffin, Herbert Mearse, Raymond Hackfeldt, Edgar Baumann, Charles Finley, and Max Caswell.

Returns Home

Mrs. Pearl Allbright returned to Loraine Saturday following a ten-day visit with her son and family, Mr. and Mrs. Jiggs Allbright and children, of Grand Prairie.

Mrs. Taylor Hosts Loraine Circle Meet

LORAINE — Mrs. Willie Taylor presented the program for the regular meeting of the Local Circle of the First Methodist Church last week in the home of Mrs. Wiley Walker.

Following the call to worship and prayer, Mrs. Taylor directed the devotion and study on "There's a Light Upon the Mountain."

Others on the program were Mmes. K. L. Taylor, Doris Martin, Lily Bennett, and Percy Bond.

Co-hostesses for the meeting were Mrs. Walker and Mrs. Martin Dobbs.

Mrs. Jim Johnson, president of the Women's Society of Christian Service, conducted the business meeting.

During the business session, Mrs. Merriel Abbott, director of the childrens' division, announced the Vacation Bible School, June 6-10, and plans were made for the WSCS to serve refreshments each morning.

Appointed for the yearbook committee were Mmes. Bennett, Roy Wells, and Otis Munns.

The July meeting will be hosted by Mrs. Willie Taylor and Mrs. W. C. Jacobs.

Attending the meeting were Mmes. J. G. Bruce, Abbott, Willie Taylor, K. L. Taylor, Jim Johnson, Bennett, Frank Crownover, Munns, Wells, Harold Martin, Percy Bond, J. D. McDonald, W. C. Jacobs, Doris Martin, Miss Annie Jarratt, and the two hostesses.

IN PONY LEAGUE PLAY

Athletics Lead League; Cards, Braves Tie for 2nd

That different look in Pony League play this season didn't last long. The Athletics are in first place with five wins and no losses.

But, though the story is the same, the verse is different. Last year the Athletics waltzed to the Pony League pennant, far in front of the other 3 clubs. This season, the Athletics are taking their wins by slim margins.

Cardinals and Braves are tied for second spot with 2 wins and 3 losses each. In the cellar are the White Sox with 1 win and 4 losses.

In a double header May 28, the Cardinals lost to the White Sox 4-6, while the Athletics edged by the Braves 13-11.

In games played May 30, Cardinals beat the Braves 9-6, and the Athletics walloped the White Sox 8-1.

Athletics came from behind in the sixth inning last Thursday to beat the Cardinals 9-7. The Cardinals led 6-3 going into the sixth.

In the fifth inning the Cardinals really went ahead via the home run route with Bill McGuire and Freddie Fox socking the ball over the fence.

For the Athletics in the sixth, Smith hit a triple; Belvin got first base on balls; Sweat, Moore and Sommers hit singles and Boren got a triple, all crossing home plate for runs.

Cardinals made 1 more score in the seventh inning to end play.

In the other game last Thursday, the Braves put the White Sox farther in the cellar with an 11-10 win. White Sox took an early lead of 3-1 in the first inning. They made 2 runs in the second inning and then stood still until they caught fire in the sixth and tied the score 10-10.

Lindsey hit a single for the Braves in the top of the seventh for the last and winning score of the game.

* * *

Athletics eaked out a 7-6 win Monday night over the Braves.

Braves went ahead in the first inning 4-1 and it wasn't until the top of the third that the Athletics evened up the count.

Fourth inning the Braves scored only 1 run, while the Athletics had three batters cross home plate. Braves last score came in the bottom of the sixth when Dombraski hit a single for paydirt.

In the other game Monday night the Cardinals knocked the White Sox for a 12-1 loss. The Sox' lone score came in the bottom of the fourth when Hillhouse hit a single and scored.

Cardinals players started scoring in the second inning and scored in all innings except the seventh.

Starting the scoring spree for the Cardinals was Fox with a single, followed with singles by Biggers and Molina in the second. An error by the pitcher got Proctor on first base in the third inning and Bearden and Biggers followed with singles and crossed home plate.

Singles and bases on balls accounted for the remaining scores of the Cardinals.

'Bull Halsey'

James Cagney as Admiral William F. Halsey outlines naval battle maneuvers to his subordinates in a crucial development during World War II, in the movie "The Gallant Hours", showing Sunday, Monday and Tuesday at the Palace Theatre.

SUNDAY AT PALACE

Adm. Halsey Life Is Movie Subject

"The Gallant Hours," a yarn dealing with the critical days in the life of Admiral William F. Halsey, one of the great naval heroes of World War II, comes to the Palace Theatre Sunday, Monday and Tuesday.

Starring as "Bull" Halsey is James Cagney. Some sixteen real-life officers of high and low degree mostly high are portrayed in the movie.

The story deals with that fantastic period of less than five weeks in which a handful of army, navy, and marine personnel, under the dynamic command of Admiral Halsey, stopped the numerically superior Japanese dead in their tracks.

Prominent among the real-life people portrayed are Major General A. A. Vandergrift, commander of the marines on embattled Guadalcanal, and played by Raymond Bailey. Richard Carlyle also has a major role as Rev. Frederick P. Gehring, Navy Chaplain who became famous as the Padre of Guadalcanal and later received the Legion of Merit.

William Halsey III, son of the Admiral, was an ensign in the South Pacific at the time of the firm's story; he is played by John Brennon. Thomas Lanphier, now a vice-president of Convair, was the army lieutenant who shot down the planes carrying Admiral Yamamoto, Halsey's chief adversary in the Pacific. Joe Foss, the first man to break Eddie 'Rickenbacker's World War' record of twenty-five enemy kills and currently the Governor of South Dakota, portrayed by Harry Landers.

Among the top brass who "appear" in "The Gallant Hours" are Admiral Ghormley. (Carl Benton Reid), Major General Roy S. Geiger, Marine aviation commander of the celebrated 'Cactus Air Force' (Robert Burton), Major General Millard Harmon, ocmmander of the Army Air Force on Guadalcanal (John Zaremba), and Colonel Evans Carlson of Raider fame. Rear Admiral Kelly Turner, and Admirals Chester Nimitz, Ernest King, Norm Scott and Dan Callagan.

And last, but hardly least, Admiral Isoroku Yamamoto, played by James T. Goto, an officer on the staff of Yamamoto during the attack on Guadalcanal.

"THE FUTURE OF SOCIETY IS IN THE HANDS OF THE MOTHERS"

Very few people realize how much mothers influence our nation's future. Everyone knows our instincts are changing to more tolerance, and greater belief in the "Golden Rule." These qualities we acquire from our mothers.

But mothers are also greatly responsible for the improved health of our nation. They follow their physician's advice, so they can have stronger, healthier children. With loving care, mothers make certain babies get the important vitamins and special baby diet their Doctors suggest. We can help by supplying these aids to baby's better health.

DODGERS IN NO. 2 SPOT

Rally Saves Unbeaten Indians from Yankees

Dodgers and Yankees moved into the No. 2 and No. 3 spots as Little League teams shuffled behind the leading Indians.

And the Indians almost fell from their unbeaten path as the Yankees scared the leaders before finally falling behind, 9 to 11, Monday night.

Infact, the Yankees were leading 9 to 1 at the start of the fifth. But they fell apart as Lensley and Stockton led off with doubles that sparked a 5-run fifth inning rally, followed by 5 more Indian runs in the sixth that provided the victory margin.

In the meantime, the Yankees were being retired in order — 1, 2 and 3 — in the last three innings.

Incidentally, the Indians played the last 2 innings under protest.

Although the Dodgers lost to the Indians, 8 to 7, last Thursday night, they came back to score an 8 to 4 win over the Giants in the 6 o'clock opener Monday evening.

Traveling close behind were the Yankees, who Friday night had warmed up for the close battle with the league-leading Indians by walloping the Tigers, 14 to 1.

The Giants, who had been moving along at a .500 clip, slid down the league ladder by losing to the Pirates, 9 to 7, last Thursday night in addition to falling to the Dodgers.

Helping keep the league scrambled and tangled was the Tuesday night encounter which found the Tigers, losers earlier to the Indians, scoring a 10 to 7 triumph over the Pirates, who earlier had whipped the Giants.

The you-beat-me-I'll-whip-him policy left 4 Little League clubs — Yankees, Giants, Pirates and Tigers — with three wins each. And three of these — excluding the Yanks, who have only 4 losses — have fallen into defeat 5 times.

World Opportunity In Student Exchange

Colorado City's chapter of American Field Service has been quietly at work in the process which this fall will bring a foreign exchange student to our community. Infact, only a few details in the New York office of the service are necessary before Colorado City's visiting student is announced.

This is a program which originated in the hearts and minds of Colorado City High students, then gained the interest of adults for a community-wide effort. It deserves the salute for its forward thinking, its initiative toward world understanding at a time when this is needed most.

Leaders of our nation, including President Eisenhower, have expressed their hopes for continual expansion of the American Field Service's foreign-exchange program that now reaches to 36 countries.

The exchange, they emphasize, is one of the best opportunities we have to make the world better.

This attitude toward the foreign-exchange program is based on the fact that the best things which can be done in international relations must be accomplished on this person-to-person basis. The student, the young executive, the budding scholar are the exemplars of this ideal. If they know each other and begin to understand each other, then conflicts can be minimized and differences put in their right perspective.

It is only too sadly true that the instruments of government and international intercourse have often stood in the way of just such contacts and understanding. They follow their own pattern, just as a group of regional and national prejudices and behavios patterns also follow their own. And, not until these are broken down will we have a chance to establish the more important human values which allow us to live with others of the world in peace.

This foreign exchange on the student level is a bright, progressive development in our postwar living. It is good for adults, as much for youth. And actual happening here in Colorado City will have worthwhile effect far beyond the borders of Mitchell County . . . even around the world.

Management Essential in Irrigation

The increasing demand for irrigation water makes soil and water management increasingly important in crop production.

Much more efficient use of the water and soil resources for crop production will be required if the dwindling water supplies are to be conserved and used most effectively. Since the competition among agriculture, industry, and municipalities for water will become greater in the future, it will be necessary for each segment to make the most efficient use of its share of water if the public interests are to be served in the most effective manner.

The variable distribution of rainfall continues to be the most important factor affecting the yield and quality of crops in Texas. As a result, the irrigated acreage has grown from approximately 1 million acres in 1939 to about 7 million acres in 1959. This expansion has come about largely by individual development of ground water resources.

Since soil and climatic conditions vary greatly over Texas, it is impossible to give a set of rules for irrigation which can be applied to every problem area. However, by studying and considering all aspects of the interrelated soil-plant-water system, the irrigation farmer should be in a much better position to work out a suitable soil and water management program for his farm. It is of major importance that the irrigator be as concerned about what is taking place below the soil surface as he is about the conditions above it.

In many cases, special problems will exist on individual farms. Where they occur, it will be necessary to consider them on a local basis. If a farmer cannot cope successfully with a particular problem concerning soils and irrigation, he should consult a local representative of the state or federal agency concerned for additional technical help.

SHINNERY PHILOSOPHER

Price Index Needs West Texas Voice

Editor's note: The Shinnery Flats Philosopher on his Johnson grass farm on Bone Hollow Creek apparently doesn't have a full understanding of what the price index is, his letter this week indicates.

* * *

Dear editor:

One trouble with this country is that not enough business people keep up with the economic trends.

For example, I read in a copy of a newspaper day before yesterday that living costs rose four-tenths of one per cent in April, as reflected by the consumers price index, a set of figures put out by the U. S. government.

As a result of this, the article explained, nearly a million workers in the auto, farm equipment and related parts industries got an automatic 2-cents-an-hour pay raise. Their contracts call for adjustments based on the government's consumers price index.

Well, now, I figured, I'm in the auto and farm equipment business, so to speak, especially the parts end of it, so naturally I concluded I was supposed to get a pay raise, too, and since nobody pays me by the hour out here on this Johnson grass farm, the only way I could see how to get a pay increase was to raise the price of things I sell.

I don't know how long it takes for a hen to lay a dozen eggs, but I figured on the basis of that 2-cents-an-hour boost the others were getting, me and my hens would settle for 2-cents-a-dozen increase, which ought to be cheap enough, so I automatically marked up the price that much, and took some to town.

Like I said, the trouble with this country is not enough business people keep up with the economic trends. I couldn't find an egg dealer in this part of the state who'd ever heard of the government's consumers price index. When I said the price of my eggs is now 2 cents a dozen higher, they looked at me like they thought I was crazy.

What I figure is we've got a lot of business people in this country who don't keep up with the economic trends, or also they're still using the same price index they had pasted on their office walls twenty-five years ago.

You've got a printing press somewhere there in The Colorado City Record office, haven't you? How about printing up a bunch of these new price indexes and distributing them around the country?

Yours faithfully,
J. A.

LOCAL BUSINESS

Method Is Key to Finding Prospect

By ROY V. FOX
Record Co-Publisher

Locating a good prospect is often the most difficult part of salesmanship.

For some types of business, advertising is primarily concerned with finding prospects because no other feasible method is available. When unknown potential customers are completely scattered in the general public, only the newspaper is able to do a thorough job of location.

The customers of travel agencies, private schools, restaurants, and hotels may be anyone, anywhere. Such services have found local newspapers to be the most effective method of contacting prospects, because the local newspaper is the most unspecialized of advertising media.

After the G. I. Bill began to run out, the Charles Morris Price School in Philadelphia found its enrollment figures dropping alarmingly fast.

Three weeks before a new school term the school started a series of full page newspaper advertisements in local newspapers. After this short period of advertising, the school started its September term with an increase of 25 per cent in day school and 43 per cent in night school. The few newspaper advertisements were more effective than the G. I. Bill in bringing new students to the school.

Other private schools which have been regular newspaper advertisers for decades, can report similar success in locating prospects.

It is not difficult to understand why the newspaper is the most successful of all prospect finders.

A newspaper advertisement reaches all economic, educational, age, and interest groups at any time, day or night. Other media are limited as to time, appeal, and convenience.

BIBLE COMMENT

Truth Out Lives All Our Tragedy

One of the strange, optimistic facts of life and history — surely a reason for faith in God and man — is of the way truth, beauty and the finer things of life survive in spite of tragedy and destruction.

Whole communities are destroyed, nations are swept away, peoples are decimated in mass murders, yet truth and beauty do survive. The ancient adage that "truth crushed to earth shall rise again" is verified as more than an adage than a hope.

This belief has its most striking example in the experience of the Jewish people known as "the Exile", the apparently disasterous event when Nebuchednezzar came from Babylon. He conquered the kingdom of Judah and carried off the people into exile in Babylon, leaving only "the poor of the land," farmers and vinedressers.

What makes this example so striking is the way in which recovery, truth, beauty and glory become so associated with, and follow upon, the seeming disaster.

Instead of falling into unrelieved despair, many of the exiles made the best of their settlement in Babylon, and established a Jewish civilization there upon so firm a foundation that it lasted for centuries. Still others made their return to Jerusalem and their Palestine homeland in a glorious march.

Long Range Financial Blessing Seen from Tideland Decision

By VERN SANFORD
Texas Press Association

State Capital NEWS

In a period of deep gloom about state finances, Texans had to pinch themselves to believe the good news.

U. S. Supreme Court ruled that Texas does indeed own its tidelands for 10½ miles out — just as Texans have been claiming for 115 years.

Financially, it's a long-range gain at best. But as a moral victory for Texas principles, it's the biggest thing since the Battle of San Jacinto.

Revenue from the publicly owned land will go into the permanent school fund. Problem of Texas' bankrupt general fund is unchanged.

How much money comes to the school fund will depend on how much oil is under the submerged lands and how good is the market. Money going into the permanent school fund — from mineral leases, royalties, bonuses, etc. — is invested, and only the income from these investments may be used for current school spending.

Thus far, the oil yield from Texas tidelands has been far from spectacular. There have been only 24 producing oil wells and 47 gas wells in 22 years.

But if conditions are promising, oil men undoubtedly will keep trying. As an immediate effect, the state will get some $29,000,000 in mineral payments that accumulated while the issue of state or federal ownership was being thrashed out.

* * *

POLITICKING VACATION — Gov. Price Daniel will spend his vacation politicking for U. S. Sen. Lyndon B. Johnson.

First stop will be the National Governors, Conference in Montana June 26-29. After that, said the governor, he'll vacation and visit around with other governors where he feels he can do the Texas favorite son's cause the most good.

And after that, he will go on to the national Democratic Convention in Los Angeles July 11.

Daniel predicted Johnson would lead on the first ballot at the convention.

* * *

ANTI-INCOME TAXERS — Voters who oppose the federal income tax and the United Nations will find a haven in the Constitution Party.

Like the Republicans and Democrats, the Constitution Party will hold a state convention June 14 to name delegates to a national convention.

At a preliminary meeting in Austin, delegates were selected and instructed to work for a ticket headed by J. Edgar Hoover for president and Tom J. Anderson of Nashville, Tenn., for vice president.

Constitution Party also nominated candidates for all statewide offices except governor. Gubernatorial nominee was omitted because if he should receive 200,000 or more votes in a general election, state law would require the party to go the expensive primary nominating route next election year.

* * *

HOSPITAL NEEDS — Deficit or no deficit, the State Hospital Board says the hospital system has increased money needs that must be reckoned with.

Board has voted to ask the Legislature for a $107,000,000 appropriation for the 1961-63 period. This would be $34,000,000 more than the present allocation.

Part of the extra funds, about, $2,000,000 a year, would go to hire extra people so present staffers could change from the present 44-hour week to a 40-hour week. Board has recommended this change to put hospital employees on equal footing with those of other state agencies.

But the main problem, says the Board, is that the hospital system is getting more and more patients and needs more money to take care of them. In addition, it has the problem of caring for many oldsters who are not really mentally ill.

WASHINGTON REPORTS

New Court Ruling To Affect Co-ops

By CLINTON DAVIDSON
Special Correspondent

The Supreme Court ruling that farmer cooperatives which engage in monopolistic practices are subject to prosecution is a victory for those who have insisted that limitations should be placed on competition by cooperatives.

The high court ruled that a Maryland-Virginia cooperative of milk producers controlling 85% of the Washington, D. C., milk supply violated the law when it purchased a large milk distributing company.

It has long been contended by private business, set up to return a profit to the owners, that farmer cooperatives which attempt to set prices and control markets are engaged in unfair competition. Now, for the first time in nearly 40 years, the Supreme Court appears to agree with them.

It is no longer necessary, the court ruled, that government prove collusion between farmer cooperatives and an outside company in order to sustain charges of violation of the Sherman Anti-Trust Act. The court turned down the cooperative's contention that it was exempt from anti-trust prosecution.

Farmer cooperative officials in Washington concede that the decision can have far-reaching effects on operations of some of the many thousands of cooperatives and their nearly four million farmer members, but contend that the vast majority operate within the law as interpreted by the Supreme Court.

The Maryland - Virginia milk cooperative did not deny it operated a monopoly; only that the 1924 Capper-Volstead Act which set up authority for cooperatives, exempted farmers from anti-trust prosecution. The court ruled that this was not the intention of Congress.

The ruling does not mean, co-op officials here contend, that farmers cannot own marketing facilities; only that in doing so they must not create a monopoly or operate in restraint of trade. A rash of court cases can be expected on that point.

Farmers last year sold $8.3 billion (about 25%) of their products through cooperatives, and purchased $2.3 billion worth of such supplies as seed, feed, fertilizer and gasoline through their cooperatives. Combined, these represent between 15% and 20% of total farm sales and purchases.

The Supreme Court Decision is not necessarily final. It ruled only that the Capper-Volstead Act was not intended to exempt farmer cooperatives from anti-trust prosecution. Congress may be asked to pass a law saying that cooperatives do have that exemption.

Such a request was made last year and a bill to that effect was at first approved, than recalled, by the Senate Agriculture Committee. It was not endorsed by the National Council of Farmer Cooperatives, an association speaking for most cooperatives.

Most farmer spokesmen agree with the court that the law does not, and should not, give cooperatives freedom to engage in "predatory trade practices at will," nor does it "immunize cooperatives engaged in competition-stifening practices" from Sherman Act prosecution.

The decision, however, did not touch upon the main point of contention between private business and cooperatives: Whether farmer cooperatives enjoy tax exemptions which constitute unfair competition with private businesses? That is a question Congress has been asked to answer before adjourning.

NOURISHMENT!

Three times a day we care for our body's needs. From this food we receive new strength and vigor with which we may face each day. Without proper nourishment we would become weak and our bodies would wither away. The soul needs nourishment too..."*Man shall not live by bread alone*... Without proper nourishment our soul becomes weak and withers. Attend church each week and feed your soul, and know the joy of a full and happy life.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

the Sharp Trader buys at better than wholesale

...because he buys where his bread is buttered

A REAL sharp trader doesn't need "connections" or "special discounts" or catalogs, or any other gimmick to get what he buys at BETTER than wholesale.

Maybe you think we're kidding?

Not at all. It's a fact. When you BUY in the community you LIVE in, you know that every cent you pay for goods and services above wholesale cost stays here at home with you. By staying here, it can get around to buying MORE good things for you and your family.

It's trading material . . . and TRADE ALONE builds communities with better opportunities, better schools, better churches, better neighbors.

Any ONE of these advantages could bring you returns beyond measure in a BETTER LIFE, as well as real CASH returns in the form of increased business, improved property values, a better job, more people to help you carry the load of normal community expense.

All of this — which you don't get for your money when you buy somewhere else — makes the cost of the actual GOODS very low . . . when you buy them at home.

That's how the SHARP TRADERS get BETTER than wholesale values.

LITTLE, VEST

Pair Honored With Reception Sunday

LORAINE — Roy Little Jr. and Joe Bob Vest were honored with a reception Sunday night following the evening worship services.

The party was hosted by Mr. and Mrs. Roy Little Sr. and Mr. and Mrs. Thomas Vest.

For entertainment string music was played by Darrell Owens, Jerald Owens, and Lorenzo Moreno.

Refreshments of cookies and punch were served to approximately 40 young people attending.

The honorees left Monday for Dallas and from there were sent to San Diego, Calif., for basic training in the United States Navy.

Little is a 1959 graduate of Loraine High School and attended Tarleton State College last year. Vest is a 1960 graduate of Loraine High.

Mrs. C. P. Gary of Colorado City was in Loraine Friday night and Saturday visiting in the home of Mrs. Vanda Martin.

Mrs. Martin was hostess for a canasta party Friday evening. Attending, in addition to Mrs. Gary, were Mrs. Lucy Webber and Mrs. Nora Sadler, both of Colorado City.

Guests were served German sweet chocolate cake and frosted cokes.

* * *

Don Smith, grandson of Mr. and Mrs. J. E. Reddin and a former resident of Loraine, recently opened a grocery store in Sweetwater on the Roby Highway.

Smith formerly was truck driver and supervisor for Mead's Fine Bread.

Claxtons, Langfords Host Reunion

LORAINE — Several Loraine residents attended the annual Claxton-Lankford reunion Sunday in the American Legion Building in Sweetwater.

They were Mrs. E. W. Claxton, Mr. and Mrs. Lewis Claxton, Mr. and Mrs. Luther Anders, Mr. and Mrs. Buford Claxton and children, Mr. and Mrs. Buin Claxton and children, Mr. and Mrs. Fred Lankford, Mr. and Mrs. Ralph Lankford and Kay Nell, Mr. and Mrs. Homer Hart, Mr. and Mrs. Harold Johnson and children.

The reunion has been an annual event for the families since 1938.

Invocation at the noon hour was given by Roy Harper.

Mrs. Emily Byrd of Colorado City, age, 84, was the oldest person present. Recognized as the youngest person present was three month old Scottie Rohus of Colorado City.

Approximately 200 attended the reunion. Towns represented included Loraine, Hawley, Abilene, Colorado City, Pampa, Roscoe, Jacksboro, Westbrook, Coahoma, San Angelo, Kress, Friona Monahans, Amarillo, Lubbock, Tahoka, San Antonio, Graham, Texoma, Seagraves, Ovalo, Dallas, Hale Center Buffalo Gap, Lovington, N. M., Hobbs, N. M., and Hayward, California.

McDaniels, Mahons Host Reception

LORAINE — Members of the eighth grade graduating class, their teacher Miss Edith Wilkerson, and room parents were honored with a reception recently in the home of Mr. and Mrs. Royce Mahon.

The reception, which followed the May 26 graduation exercises, was hosted by Mr. and Mrs. Rex Daniel and Mr. and Mrs. Mahon.

Punch, cookies, nuts and mints were served during the refreshment hour.

The eighth grade graduates presented a gift to Miss Wilkerson.

Attending were members of the graduating class, Miss Wilkerson, the room parents, Mr. and Mrs. A. G. Furlow Jr., Mr. and Mrs. Gene Britton, Mr. and Mrs. Ed Small, Mr. and Mrs. M. A. Moore, Mr. and Mrs. Wilmon Tartt, and the hostesses.

Citizens of Precinct 1:

I want to say "thanks" for the fine support you gave me in Saturday's Democratic Primary election.

At the same time, I express my appreciation for your cooperation and influence during the years I have served as your county commissioner.

Congratulations to my opponent on his successful campaign. And here is my assurance that I will assist Commissioners Court, and you, the citizens, in any manner possible for good government.

Sincerely,
SAM C. THOMPSON

Falcon is having the best first year any car ever had . . . over 250,000 already sold since introduction . . . going at the record rate of 10,000 every week. What makes Falcon the world's most successful new car?

Economy!

To begin with, Falcon is America's very lowest-priced 6-passenger car* . . . $64 to $154 less than the other compacts.

"Falcon delivers the best fuel economy of the three new compact cars," says *Motor Trend* magazine. Owner reports and fleet operator logs consistently show Falcon mileage figures of up to 30 miles per gallon with regular gas.

Falcon goes 4,000 miles between oil changes, costs less to service, less to license and in most places, less to insure

Falcon saves you more and *still* gives you full room for 6 big people and all their luggage. Small wonder Falcon has become first so fast!

INTERNATIONAL IN MIAMI

4 Plan Kiwanis Convention Trip

Division and local officers will represent Colorado City at the 45th annual convention of Kiwanis International in Miami, Fla., June 26-30.

In the local delegation will be H. I. Berman, lieutenant governor of Division 22, and Jack Jordan, president of Colorado City Kiwanis.

With the 2 Kiwanis officials will be Mrs. Berman and Mrs. Jordan.

The Colorado City foursome will join approximately 16,000 other Kiwanians, their wives and families in what is expected to be the largest convention in the organization's history.

The convention will be in the Miami Beach Convention Hall, 2 blocks from the Atlantic Ocean.

Top speakers at the four-and-a-half day meeting, in addition to Kiwanis International President Albert J. Tully, of Mobile, Ala. will be George Romney, president of American Motors; Paul G. Hoffman, managing director, United Nations Special Fund; Douglas W. Ambridge, president, Abitibi Power and Paper Company, Toronto; Dr. James W. Parrish, executive vice-president, Stetson University, Deland, Fla.; Miss Abigail Van Buren, author of the "Dear Abby" newspaper column; and Miss Sophia Svestka, teen-age patriotic oratorical contest winner from Washington, D. C.

Important convention business will include the election of officers and trustees for 1960-61; the adoption of convention resolutions upon which the organization's community service program will be based for the coming year; and, the presentation of "achievement awards" to top Kiwanis clubs and top Kiwanis districts in various categories of size.

More than 30 amateur bands, choruses, combinations, musical groups, soloists, and special acts will be presented during the convention period. Some of these will be composed of Kiwanis members; some of Kiwanis - sponsored youth and adult groups.

Other activities prepared for convention-goers will include a full women's program, highlighted by a professionally-staged fashion show and the appearance of Abigail Van Buren; and a junior-guest program for youngsters in attendance. Kiwanis juniors will enjoy visits to Crandon Park Zoo, Miami Seaquarium, Clyde Beatty's Jungleland, Homestead Air Force Base, and Parrot Jungleland. There will be a nurse-attended nursery for infants; as well as an organized baby-sitting service.

Two young speakers will also lend to the interest of this year's convention. They are Robert A. Maxwell, Ohio Wesleyan University, Delaware, Ohio, president of Circle K International, the Kiwanis-sponsored service organization for college men, and C. William Nelson of Melbourne, Fla., president of Key Club International, which is a Kiwanis-sponsored service organization for high school boys.

Also on the program will be a colorful stage presentation of a Latin American tour, and the appearance of the Naval Aviation Cadet Choir from Pensacola Naval Air Station in Florida.

Witnesses to Attend 4-Day Convention

Swepton J. Landrum, presiding minister for Jehovah's Witnesses, announced today that the Colorado City congregation of Jehovah's Witnesses has been notified that it will attend a 4-day training convention to be June 23 to 26 at the Will Rogers Memorial Coliseum in Fort Worth.

Landrum will head the local delegation of about 10 persons.

The Watchtower Bible and Tract Society of New York is arranging the convention as one of 12 for Jehovah's Witnesses to be held in the United States this year. The total attendance expected for the series is well over 200,000 and the expected attendance at Fort Worth is 12,000.

"The purpose of the meeting," said Landrum, "is to emphasize the theme of peace. This series of conventions has been given the name 'Peace Pursuing District Assemblies.' There will be instruction on Bible topics concerning personal and family problems and instruction in preaching activity."

The program for the convention will be in English and Spanish with morning, afternoon and evening sessions. The main speakers and subjects will be announced at a later date.
