## American Cancer Society Float Tells Vital Story

Noteworthy among the float entries in the Hart Day Parade Saturday was the entry of the American Cancer Society.

Three Hart residents, serving on the Castro County Unit Board, cite the life saving message carried by the float - it will take continued education and research to wipe out the dread disease.

Mrs. James Kennedy is service chairman, Mrs. Leonard Welty is memorial chairman and Mrs. L. C. McLain is past president and district director. Mrs. McLain will also serve as Crusade chairman for the coming year.

Riding on the float Saturday were teen volunteers, Kathy Kennedy and Shirley Flippo. A

picture and story of the float are being submitted to "Texas Objective", a cancer magazine.

The float carried out the ACS colors of red and white and the "Sword of Hope" emblem. Parade viewers were told that one of every four persons watching the parade will have cancer. Annual physical examinations should be an important part of everyone's cancer control program, representatives warn.

## Why I Am Proud Of My Hometown

By Sharla Carson, First Place, Junior High Division

"My hometown, "Hart, Texas", may be small on the map, but it is a mighty big place to those of us who live here, because we know about the "big hearts" of our people.

There are many reasons for my being proud of Hart. Genuine concern, friendliness, pride and generosity of the people make Hart a great place to live.

I am proud of Hart because of the way the people respond in times of need, whether it be a knock on a door, a telephone call or a mere plea for help. Regardless of the reason, the residents of Hart do not limit their generosity to their own ethnic groups. Love for one another might be another way of saying Hart is concerned about people.

Due to the great amount of

pride I have in my hometown, I am always proud to bring my friends from other communities here to put "my hometown of friendly people" on exhibition.

All of these qualities make Hart the yardstick for "measuring the pulse of a growing community."

I will compare my hometown to any other because mine is number one. I am always pleased to say, "I live in Hart, yes, H-A-R-T, Hart, Texas."

the American Bible Society

Maybe you like smiling babies? Sorry to disappoint you, but I've got a lot on my mind.

There's something wrong in America . . . and I'm the chap who is getting hurt! Our Constitution says that no one can be denied the right to worship God. I'm an American! According to the Constitution I have the right to learn about God, to hear the Bible Stories, to be taught the Christian Way of Life.

But here's the hitch. While the Government can't deny me the right to attend church school and church—MY PARENTS CAN. They can rob me of my most sacred right just by neglecting my spiritual needs.

Did you know that about half the children in America are growing up without religious training? And yet there's a church in every village!

Yes sir, I'm serious! Instead of **talking** about it, we ought to do **something!** And we ought to start Sunday!
