Tornado Clouds Threaten County

Storm warnings had local law enforcement agencies patrolling the four corners of Mitchell County until the early morning hours Thursday.

Sheriff Wendell Bryant was notified about 10:30 p.m. of possible severe weather.

He dispatched and coordinated deputies as city police and volunteer firemen joined in the surveillance efforts.

At about that time, a local citizen was reported lost in the vast pasture lands south of Colorado City.

Bryant went to locate the lost person and at the same time, watched the cloud formations south of town.

Deputy Bobby Callo-way was dispatched north of Colorado City and Westbrook, while Deputy George Davenport patrolled the area north of Loraine.

In the City of Loraine, Don Graham and Donnie Phillips, of the Loraine Volunteer Fire Department, watched for flood waters.

At one point, Davenport's vehicle became mired in mud on county roads and Graham was contacted and pulled the vehicle from its muddy trap.

As the intensity of the storm grew, City Police Officers Billy Ray Williamson, Johnny Slough and Jesse Dominguez were returning from school in Lubbock on the Snyder Highway.

Williamson reported a tornado funnel hanging from a cloud at about 11

p.m. This verified a report from a local citizen, R. B. Golden, that a funnel had been sighted north of Snyder.

The officers stopped and remained stationary to monitor the storm at that time.

Colorado City Volunteer Fireman Jack Green was in the Cuthbert area at this time

GROUNDS FOR a gazebo and city park are being prepared as rocks and earth are moved by Ben Sparks Construction crews. Sparks donated labor and equipment to expedite construction of the gazebo and park area. Wallace Center originally began the gazebo project plan with a Levi Strauss Co. grant. A lot, located at the corner of Chestnut and Second Streets, was donated by Dell Barber to the Kiwanis Club. They, in turn, donated the property to the City for the park site, which will include the gazebo and a lighted water fountain. Completion of the project is anticipated prior to the Centennial Week Celebrations in July.

Assessment Test Results To Be Reviewed By CISD Board

Results of the second Texas Assessment of Basic Skills tests taken by Colorado ISD third, fifth, and ninth grade students last February will be presented during a meeting of the Colorado Independent School District Board of Trustees Monday.

Session will be held at 7 p.m. in the Administrative Curriculum Center Board Room, located at 534 E. 11th St.

Superintendent Charlie L. Useton, assisted by staff members, will present results and de-

tailed analysis of what the results mean for future planning and programs.

"While district and campus aggregate scores will be reported to the public, individual results will be released only to the student, parents or guardian, and school personnel directly involved," Useton said.

Over 700,000 third, fifth, and ninth grade students participated in this second statewide assessment required under Senate Bill 350 pass-

ed by the Texas Legislature during its 1979 session, Useton said.

"Materials to be presented during the meeting will include summary reports and other

information designed to better inform school patrons concerning the district's needs for improvement," Useton added.

Librarian's Resignation Is Given To Commissioners

Mitchell County Commissioners will review a resignation from Head Librarian Geneva Jones during their regular monthly meeting Monday at 1 p.m. in the County Courthouse.

Mrs. Jones is submitting her resignation for personal reasons and to spend more time with her family.

A demonstration will be given before the court of a new typewriter which serves as a simultaneous two-way communication apparatus.

This is being done at the request of District Attorney Rusty Carroll. The device will enable his office to transfer exact details in writing between his main office

in Sweetwater and other offices in this district. Loraine Senior Citizens will request roof repairs to the agricultural building in Loraine.

During the last rains, the roof leaked in numerous places.

Commissioners will consider a proposal to advertise for sale a piece of property originally designated as a street site, but which was never opened, on property located east of Colorado City, owned by Shorty Moore.

County Extension Agent Bob Benson has requested the county purchase a new pickup for his use. Commissioners will consider advertising for bids on the pickup.

The mental health clinic has requested a chair be purchased for use in that office. Commissioners will consider this purchase.

A 20 year contract with El Paso Natural Gas Company for a right-of-way expires this year and the company has requested renewal of the contract.

School Board Agenda To Include Bidding On House

Colorado Independent School District Board of Trustees will open and award bids on the Building and Trades Class' house Monday at 7 p.m., when they meet in regular session in the Administration Building.

The minimum bid acceptable on the house, which took one and one-half years to build, is \$55,000.

Superintendent Charlie Useton noted Friday that no bids had been

submitted at that time. However, he noted, bids are generally submitted only an hour or two prior to the meeting or handed to the board at the time of the meeting.

Numerous routine items are listed on the agenda including approval of leave of absence for an elementary teacher due to ill health; resignation of a Middle School Science teacher and appointment of three employees descri-

bed by Useton as "key" personnel.

The three positions include school nurse, band director and music teacher for kindergarten, first and second grades.

A budget amendment will be considered due to school policy to reimburse one-half sick leave not taken. This is in regard to the retirement of T. P. Fowler.

Trucks Are Vandalized In Westbrook

Sheriff's deputies are investigating an apparent criminal mischief in Westbrook which occurred sometime between 6 p.m. Wednesday and 6 a.m. Thursday during the stormy weather.

The windshield and side windows of two county dump trucks were broken by rocks and pellets from a B-B-Gun as they sat parked overnight.

Deputy George Davenport was contacted by County Commissioner Johnny Shackelford Thursday morning in regard to the vandalism.

Investigation into the incident is continuing.

COLORADO CITY AREA Chamber of Commerce Ambassadors hosted a ribbon cutting for new managers at the Snow Exxon Service Station, located at the Interstate 20 and the Snyder Highway Intersection. Attending the ceremonies were (left to right) Ambassadors Joe Kirschbaum, Leslie Perkins, J. O. Dockrey, owners Mr. and Mrs. Snow and children, Ambassadors Anne Lindsey and Mac Perkin.

'Spruce Up' Days Set By Playhouse

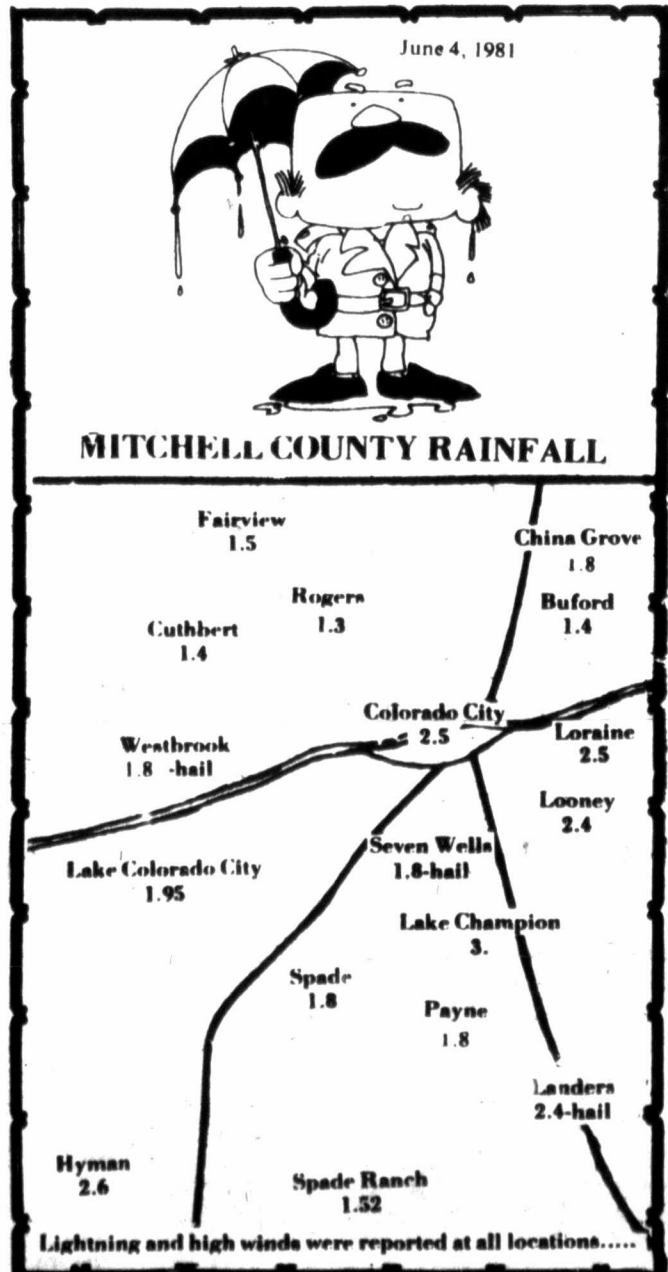

Colorado City Playhouse Inc., will be having two centennial "spruce up" days this week to which the public is invited.

Members of the organization are currently hard at work renovating the building and on Monday and Thursday the public is invited to bring

paint brushes, hammers and brooms to join in the project.

Workers are scheduled to gather at 6 p.m., and work until dark both days.

Everyone is invited to join the effort to spruce up the historic playhouse for the coming centennial celebrations.

Council To Examine Intersections' Safety

Only one item other than regular business appears on the Colorado City Council agenda for Tuesday evening's meeting.

When the council gathers in city hall at 7 p.m. to consider regular business, they will also consider traffic control at the intersections of

Sixth and Walnut Streets and Sixth and Chestnut Streets.

During a special called meeting in May, Chief of Police Jimmy Roundtree presented council members with a report on accidents at these intersections during the past year.

At Sixth and Walnut Streets the following accidents were reported: Sept. 17, 1980, two vehicles collided when a southbound vehicle failed to yield right of way. Those involved refused medical assistance.

Oct. 21, 1980, two vehicles collided when a southbound vehicle failed to yield right of way. Bones were broken in the accident and the injured were transferred to San Angelo for treatment.

Oct. 27, 1980, two vehicles collided when a southbound vehicle failed to yield right of way. No injuries were reported.

LISD To Convene Monday

Loraine Independent School District Board of Trustees will review the results of the Texas Assessment of Basic Skills tests for the third, fifth and ninth grades when they meet in regular session Monday at 8 p.m., in the board room of the school.

Other items on the agenda include a review of proficiency tests for

Beardless men are reminded that Centennial Marshal Murrell Blasingame is on the prod and unless they display a centennial permit, they are apt to be carted off to the Kangaroo courts.

These permits are available at the Centennial Headquarters for \$2 each.

A Promenade is set for Friday in the downtown area. Entertainment, good old-fashioned country music and a special sideshow will be featured during the Promenade.

Westbrook will hold a special Centennial Celebration day in the school building Sunday beginning at 1 p.m.

A history of Westbrook will be related by Mattie Hines; a fiddlin' contest featuring local favorites and two fashion shows will be featured during the festivities.

All area residents are invited to help Westbrook celebrate its 100th birthday.

Centennial Parade floats must be entered by June 15. Anyone wishing to enter a float in the parade may contact Cherry Hoback at 728-2381.

ASCS Target Prices Set Higher Than Last Year's

Good news for producers in Mitchell County, 1981 target prices and loan rates are substantially increased over those of 1980, Agricultural Stabilization and Conservation Service County Executive Director Don Stewart announced this week.

Target price for wheat for 1981 is \$3.81 per bushel. This is up by 18 cents over 1980. Grain Sorghum's target price this year is \$2.55 per bushel which is a five cent increase over 1980.

Target price for cotton is \$1.274 up over last year's \$1.584 and stands at \$1.7087 per pound.

Loan Rates have also increased with wheat currently at \$3.20 per bushel, as compared to \$3 in 1980; grain sorghum at \$2.28, as compared to \$2.14 in 1980 and cotton at \$5.246 per pound, as compared to \$4.48 in 1980.

June 10 is the final mandatory planting date and area producers who are prevented from planting past that date have 15 days in which to request prevented planting credit through ASCS.

This does not indicate producers may not plant past that date, only that a prevented planting claim may be filed in the event crops could not be planted by June 10.

Producers are facing a deadline of August 3 for crop certification in order to be eligible for

benefits under ASCS programs.

Programs include disaster payments, deficiency payments, grain reserve program, if available, and the right to prove yields.

Compliance with the normal crop acres, cross compliance and off setting, compliance will not be required for 1981 feed grain, and upland cotton programs, Stewart noted.

Stewart also noted that all available ACP funds have been expended this year.

gin June 22 and continue through opening night in Kelley Elementary Cafeteria," Mrs. Conner said.

Schedules for each group's rehearsal time and date will be announced during the cast auction.

"Each major group of characters will not be required to practice every night," she noted.

Tryouts for narrators and major speaking parts will be announced at a later date.

TEST, From Page 1

The TABS test given are a series of three tests in reading, writing (composition), and mathematics.

Testing is designed to provide valid data on the learning achievements in an effort to direct state compensatory funds to school programs designed to assist students who do not score well.

These funds may be earmarked by the individual school districts to support teacher salaries, teacher inservice, instructional media, or other measures designed to strengthen local efforts in basic skills.

Testing is designed so that students compete against the test itself and not against other student's scores.

Exit level tests focus on the essential skills a student should master before leaving public school.

If a student does not score well in the ninth grade, special-remedial programs may be designed both for individuals and for groups.

The writing test is designed to help determine the student's basic understanding of the mechanics of writing.

The essay requirement

will enable students to demonstrate ability to express ideas designed for a specific purpose and audience.

GAS, From Page 1

During the meeting, commissioners will consider approval of the contract.

County Clerk Joan Beach and District Clerk Bill Erwin will appear before the court to request permission to attend a seminar on new laws and procedures in Abilene.

Commissioners will consider purchasing new radio equipment for the Volunteer Fire Department for use in conjunction with the new high-band radio equipment to be installed by Colorado City.

Bids will be opened for seal coating of county roadways.

Doyle Mitchell, also of the VFD, was patrolling the area north of Cattleman's Restaurant and also noted the clouds.

During this period, communications became difficult due to the numerous reports on cloud formations and weather conditions.

City officers patrolled the town and the outskirts of the city to watch for rising water or imminent danger from the clouds.

Surveillance continued until about 3:30 a.m., Thursday.

Bryant successfully located the lost citizen and though high winds, torrents of rain and heavy lightning were reported throughout the county, little damage was apparently caused by the storm clouds.

be reviewed and explained by Uselton during the meeting.

Policy changes, including deletion of obsolete policies, clarification or procedures and general updating, will be considered. Included in the administrations recommendation for

changes will be converting the letter grading system in the lower grades to numbered grading on report cards.

A report on energy conservation studies and communication systems between school buildings and vehicles are scheduled for discussion during the meeting.

Uselton will report on an updated Title I application to the government for funding.

In 1980, CISD received \$152,890 for Title I. In 1981-82, only \$117,477 will be granted by the government for the program.

Board members will be requested to approve the City National Bank as the school district depository. This is required every two years.

Uselton will inform the board of a request from the Mitchell County Tax Appraisal District to utilize a portion of the administration building for its offices. This area will require remodeling. The district is also requesting the construction of a parking lot at the front of the building.

Uselton will read a letter from the judge who heard the LoVaca Tax suit. In the letter, the judge offers his opinion and states a formal decision will be made in the near future.

LoVaca Gathering Company is delinquent in paying taxes in an amount of \$97,897 for 1977-78-79-80, penalty and interest not included in this figure.

A TESCO Energy Analysis Planned

Texas Electric this week will begin offering residential customers a free home energy analysis to help them determine effective ways to reduce energy use and hold down on their bills.

"This program will be an extension of the conservation services we presently offer to customers," said TESCO President Bill Marquardt.

"It's a highly individualized service and we think customers who take part will gain some valuable information on how to make their homes more energy efficient."

There is no charge for the home analysis, and it should result in savings to homeowners who act on the recommendations of our consultants.

First Centennial Promenade Planned For This Coming Friday Evening

Centennial Days are upon us with the first of several planned promenades set for Friday in downtown Colorado City.

A section of the downtown will be roped off and festivities will include live entertainment, different stands such as lemonade and

grub; in short it will be similar to an old time Medicine Show with all the trimmings.

Joe Williamson and his band of Sweetwater will be located near the Civic Center, with live entertainment. Hoyt Roberts and his crew will provide fiddling enjoyment and the Barber Shop Quartet, located near the C. C. Thompson Room, will add their merriment to the festivities.

A lemonade stand, with lemonade five cents a cup and chuck-wagon will be located at the corner of Elm and 2nd Streets, where Ben Franklin's Store was previously located.

Side attractions such as an old time preacher, medicine man, Madams and froilies and so many more attractions it would be impossible to list will be featured according to Nina

Crout, director of the promenades.

Everyone is welcome to join in the centennial celebration fun that will begin at 5 p.m. and last for one hour.

Annual Bar-B-Q Slated For Friday

The annual fund raising bar-b-q sponsored by the Woodland School Workshop has been set for this coming Friday in the Lone Wolf Medalion Room.

They will begin serving bar-b-q at 5 p.m., which will sell for \$3 per plate.

Everyone is invited to attend this annual fund raising event. For more information, contact the Woodland Activity Center at 728-5971.

Loraine parents were advised in February of the Texas Assessment of Basic Skills (TABS) project which involved the testing of all Texas students in grades three, five, and nine.

The test scoring was completed several weeks ago and returned to Loraine and other schools through out the state, and now the results are ready to be announced.

Individual test results, which will be kept confidential, have been returned and sent home to the parents. The parents were asked to go over the results with their children, and if they had any questions concerning the test, to contact the principal or counselor.

A report of the composite scores for the third, fifth and ninth grades in Loraine will be made to the Loraine School Board at its regular meeting June 8, 1981.

"On the whole, we are very pleased with the results of the Texas Assessment of Basic Skills, tests," Glenn Sanders, Superintendent of School, says, "and we feel it will point up areas where improvements in our basic program can be made. The entire faculty of Loraine school is dedicated to improving students' basic skills."

The third and fifth grade tests were designed as a check point to assess progress toward meeting minimum skills in math, reading and writing.

The ninth grade test was designed to assess minimum mathematics, reading and writing skills which the Texas Education Agency deemed appropriate for a high school graduate.

Douglas Attends Honor Institute

Doni Douglas of Colorado City is among the students and recent graduates of Western Texas College attending

the Phi Theta Kappa National Honors Institute at the State University of New York at Purchase, N.Y.

Accompanying the students will be Drs. Duane and Mary Hood, faculty sponsors of the Psi Zeta chapter of Phi Theta Kappa at WTC.

The group will travel by car, visiting the Appamatox Courthouse, Freedom Square in Philadelphia and Washington, D.C., enroute. They will also visit Henry Horton State Park near Nashville, Tenn., to see the WTC golf team play in the NJCAA national tournament.

In New York City, the

PTK members will see stage shows, take a boat ride up the Hudson River and visit the Statue of Liberty and will have time for additional sightseeing. The programs of the Honors Institute will include lectures, seminars and a talent show.

Phi Theta Kappa is a national honor fraternity for students in junior colleges and offers its members opportunities for unusual educational programs at the annual Honors Institute.

Kelley Elementary Faculty Members Are Honored With Buffet Luncheon

Kelley Elementary faculty members were honored with a buffet luncheon May 29, as room mothers brought and served food as a special end-of-school treat.

Two retiring faculty members were honored with gifts; Allie Hammons, 31 years as school nurse and T. P. Fowler, 35 years in Colorado schools.

Also recognized were three teachers leaving the system this year. They are: Juan Espinoza, second grade; Cathy Terrel, music; and Margaret Ann Conaway, first grade.

Kelley Principal Bobby Lemons introduced and presented gifts on behalf of the faculty to those being honored.

Invocation was given by the Rev. Bill Davis, pastor of Oak Street Baptist Church, who is also parent of a kindergarten student.

Faculty members present included the following: Kindergarten—Allie Beachamp, Evelyn Malone, Bebe Colaw, Janet Stockton and Betty Gorham; First grade—Betsy Aycock, Linda Stewart, Susan Scott, Brenda Johnson and Mrs. Conaway; Se-

cond grade—Wilma Reynolds, Loveta Riley, Sassy Furlow, Barbara Girvin and Espinoza; Special Faculty—Pam Walker, Plan A, Erna Lou Burt and aide Ginger Zamarripa; Margaret Sparks, Title I and aide Jesse Alvarez; aides Mary Heredia, Anita Reyna and Adelita Ceballos and school secretary Ellie Margaret Harrison.

Food was brought by many parents whose names are not available but the food was served by the following: Leigh Erwin, Veanda Jones, Rev. and Mrs. Bill Davis, Delores Sanchez, Mary Helen Sanchez, Sue McGuire, Sandy Ca-thee, Carolyn Godsey, Joan Lemons, Judy Blackstock, Nina Baker and Virginia and Al Mendoza.

Douglas Attends Honor Institute

Doni Douglas of Colorado City is among the students and recent graduates of Western Texas College attending

the Phi Theta Kappa National Honors Institute at the State University of New York at Purchase, N.Y.

Accompanying the students will be Drs. Duane and Mary Hood, faculty sponsors of the Psi Zeta chapter of Phi Theta Kappa at WTC.

The group will travel by car, visiting the Appamatox Courthouse, Freedom Square in Philadelphia and Washington, D.C., enroute. They will also visit Henry Horton State Park near Nashville, Tenn., to see the WTC golf team play in the NJCAA national tournament.

In New York City, the

PTK members will see stage shows, take a boat ride up the Hudson River and visit the Statue of Liberty and will have time for additional sightseeing. The programs of the Honors Institute will include lectures, seminars and a talent show.

Phi Theta Kappa is a national honor fraternity for students in junior colleges and offers its members opportunities for unusual educational programs at the annual Honors Institute.

Kelley Elementary Faculty Members Are Honored With Buffet Luncheon

Kelley Elementary faculty members were honored with a buffet luncheon May 29, as room mothers brought and served food as a special end-of-school treat.

Two retiring faculty members were honored with gifts; Allie Hamman, 31 years as school nurse and T. P. Fowler, 35 years in Colorado schools.

Also recognized were three teachers leaving the system this year. They are: Juan Espinoza, second grade; Cathy Terrel, music; and Margaret Ann Conway, first grade.

Kelley Principal Bobby Lemons introduced and presented gifts on behalf of the faculty to those being honored.

Invocation was given by the Rev. Bill Davis, pastor of Oak Street Baptist Church, who is also parent of a kindergarten student.

Faculty members present included the following: Kindergarten—Allie Beachamp, Evelyn Malone, Bebe Colaw, Janet Stockton and Betty Gorham; First grade—Betsy Aycock, Linda Stewart, Susan Scott, Brenda Johnson and Mrs. Conway; Se-

cond grade—Wilma Reynolds, Loveta Riley, Sassy Furlow, Barbara Girvin and Espinoza; Special Faculty—Pam Walker, Plan A, Erna Lou Burt and aide Ginger Zamarrilla; Margaret Sparks, Title I and aide Jesse Alvarez; aides Mary Heredia, Anita Reyna and Adelita Ceballos and school secretary Ellie Margaret Harrison.

Food was brought by many parents whose names are not available but the food was served by the following: Leigh Erwin, Veanda Jones, Rev. and Mrs. Bill Davis, Delores Sanchez, Mary Helen Sanchez, Sue McGuire, Sandy Ca-thee, Carolyn Godsey, Joan Lemons, Judy Blackstock, Nina Baker and Virginia and Al Mendoza.

Mitchell County 4-H Shooting Sports Team Places Fifth In State Contest

Mitchell County 4-H Shooting Sports Team placed fifth in State Competition in Austin Tuesday.

The team shot 704 points out of a possible 900 points to take the fifth place slot in competition against 28 teams.

Out of 120 shooters, all four of the Mitchell County 4-H Rifle Team

members placed in the top 50 positions.

Team member Joe Stinson placed seventh in individual competition, shooting 247 points.

Russell McGuire placed ninth with a total of 244 points.

Also shooting were Chip Northcutt and Charles Ray Dillard.

McGuire and Stinson were invited to a special

junior olympics training camp to be held at the University of Texas in July.

Only 35 of the shooters were invited to participate in this special camp.

Kerr County took top honors in the meet, shooting 778 points. Winkler County placed second with a total of 732 points, while Hardin County came in third with a total of 712 points. Floyd County placed

fourth with 706 points.

"Teams that won have been in the program from 10 to 15 years and we have only been competing for five years and have gone to state twice during that time," Coach Ronnie Aston stated.

"We are looking forward to going back next year," he noted.

"On behalf of the team and coaches, I would like to thank all those businesses and individuals whose donations made the purchase of equipment and the trip to state possible," Aston said.

Girls' Softball Game Reslated

Dowell Stealers in Division III United Girls Softball Association was to meet a Division III Sweetwater team in Sweetwater, Thursday. The game was cancelled due to excessive rainfall.

The game has been rescheduled for Saturday at 8 p.m., in Sweetwater.

In Division I (UGSA) competition, Charlie's Gals downed the Panthers 11-10, Friday.

The following games were not as close as the Bears fell to a Sweetwater Division II team, 2-20 and the Kiwanis Kuties were defeated also by a Sweetwater team in Division II, 9-16.

LADIES' CITY LEAGUE play grew in intensity as the umpire called "Strike Two," and no one dared to suggest he needed glasses.

Champion Calf Roper Teaches

World Champion Calf Roper, Roy Cooper, instructed a two day Junior Roping Clinic at the Joe Anderson Roping Arena here in Mitchell County this week.

The clinic was held Monday and Tuesday and drew local talents, as well as those from surrounding areas.

Cooper stated he has instructed roping clinics since 1977 and usually instructs 12 per year throughout the United States. He added he plans to make this an annual clinic for young roping enthusiasts.

Young people hoping to fulfill their dreams of someday becoming the World Champion Calf Roper diligently worked at their skills during the clinic. They continued through the persistent heat of the summer sun with determination to master their art of calf roping.

Cooper said he attended

ed Southwestern State University in Durant, Oklahoma and Cisco Junior College.

He majored in Business Management and minored in Journalism.

Cooper was invited to the Anderson arena to instruct youths from Snyder, Coahoma, San Saba, Llano and Colorado City.

Cooper said he stays busy year round. When he is not the star attraction in a rodeo, he is instructing young people, sharing his knowledge or rodeo events with them.

White Sox Fall To Lions

Defeat fell on the White Sox, in the Teen-age League, when they faced the Lions Thursday night and were beaten 12-1.

In the second game of the night, the teams were a little more balanced as the Colts pulled a narrow victory out over the Braves, 4-3.

Their next games are slated for Monday night.

Minor League Play Is "Big"

They were not American or National League baseball teams playing Thursday night at Rudrick Park during a four hour battle, but they were the Mets and the Colts in local Minor League competition.

After the long and tiring struggle with neither team giving an inch and the score tied 32-32, the coaches flipped a coin for a win and the Colts won the toss.

In the second game of the evening which was scheduled at 8 p.m., and began at 10 p.m., the Indians scalped the Pirates' 17-14, in Freshman League play.

Softball Games Rescheduled

All softball games scheduled for Thursday night for the Colorado City League were rescheduled in the times designated for the Over-The Hill team, which was unable to get enough players to participate.

Games cancelled were Calvary vs. C. City A's that was rescheduled for Friday night. Calvary whipped the C. City A's 2-1.

In the second round of the night, the Lady Rejects pulled a narrow

win of 3-2 out over the Spade Ranch Lifesavers in the women's game.

In the concluding game of the night, the Rejects took another victory as they whipped the C. City A's, 11-1.

Also Thursday, Lowriders vs. Loraine has been scheduled for Monday at 8:30 p.m. and Clutch vs. Little Chicago, rescheduled Thursday at 7:30 p.m.

"THOSE CRAZY EPISCOPALIANS"

are they just "religion shoppers?"

In many areas, you find very few "native-born" Episcopalians. Often, they're folks who shopped around till they found a church that satisfied some longing for something missing in their own religious experience.

Maybe that's why the Episcopal Church, along with its reputation for peculiarities, has long been known as sort of a "thinking-man's religion." It embraces so many members who made up their own minds... then stopped shopping.

They lay no claims to having the "only religion" or even the right one. It's just the one that's right for them.

Episcopalians are a bit different. They have "formal" services. They don't chit-chat much at church. They kneel at times. They read prayers from a book. And they offer guidelines, not straight-jackets, for Christian living. If you'd like to know the reasons why, your Episcopal neighbor or minister would be flattered to explain, without "twisting your arm."

Couple Exchange Wedding Vows Saturday Afternoon

Debbie Lee became the bride of Richard Jobe Saturday, May 23 during a double ring evening ceremony in Calvary Baptist Church.

The bride is the daughter of Mr. and Mrs. Ace Lee of Loraine and the groom is the son of Mr. and Mrs. Walter Jobe of Midland.

Claude Woods, minister of the Crockett and Smiley Church of Christ, officiated at the 6 p.m. ceremony.

An arch with greenery accented with baby's breath and apricot bows was flanked with seven candelabras serving as the wedding decor. Complementing the scene were apricot candles and bows along with a nine candle tree candelabra holding apricot candles and hurricane globes.

Apricot bows and white baskets of greenery were placed on each side.

As she entered the church, she presented her mother with a red rose and as she made her exit, she presented her new mother-in-law with a red rose also.

The bride, given in marriage by her father, wore a traditional white wedding gown of white polyester organza lined in taffeta. The fitted waistline of lace featured a sweetheart neckline trimmed with a lace flounce. Tiers trimmed in lace and white satin ribbon formed the full skirt. The long puffed sleeves gathered at the wide fitted cuffs that were trimmed in lace and satin ribbon. To finish her gown ensemble, she wore a long chapel length train.

To complete her outfit, she wore a hat trimmed in pleated tulle and lace with bridal silk illusion flowing from the crown to form a veil in the back.

She carried a cascade of white roses and apricot carnations accented with white baby's breath and satin ribbons that were tied in love knots.

Her wedding ring was something old and her gown was something new. A diamond necklace, belonging to her mother was something borrowed, something blue was her garter and a penny in her shoe with her birth date was for luck.

The groom wore a white tux with cummerbund tails accented with a white ruffled shirt. He wore a boutonniere of apricot carnations with baby's breath taken from the bride's bouquet.

Mrs. Anita Roberts of Midland played "You Light Up My Life" during the candlelighting ceremony on the organ.

She also sang "The Wedding Song."

Pam Embrey of Midland served the bride as the maid of honor. She wore an informal length long-sleeved dress of apricot lace over crepe trimmed with satin ribbon and pearl buttons.

She carried a nosegay of Spring flowers accented with apricot carnations.

The flower girl, Kendra Dickard, is the niece of the bride of Colorado City. She wore an apricot dress with a flounce on the shoulders and the bottom of the dress, accented with satin ribbon.

Serving as candelights were Mindy Chamness of Midland, niece of the bride, Joni Dickard, niece of the bride of Colorado City, Jim Jobe, brother of the groom of Midland and Laval Umfress, nephew of the bride of Midland.

Mike Lee of Midland, brother of the bride, served the groom as the best man. All the male members of the wedding party wore three piece tux of sand and light brown, complimented with white shirts having ruffles accented with apricot carnation boutonniere.

Ushers for the wedding were Todd Bynum, cousin of the bride of Junction, and Brum Pinkerton, also a cousin of the bride of Turkey.

A reception followed in the Family Center at the church.

A three tiered traditional white wedding cake accented with apricot roses, featuring a lighted fountain, was centered on the bride's table covered with an apricot colored cloth overlaid with lace. Rita Galvan of Midland and Margaret Munoz of Loraine served at the bride's table.

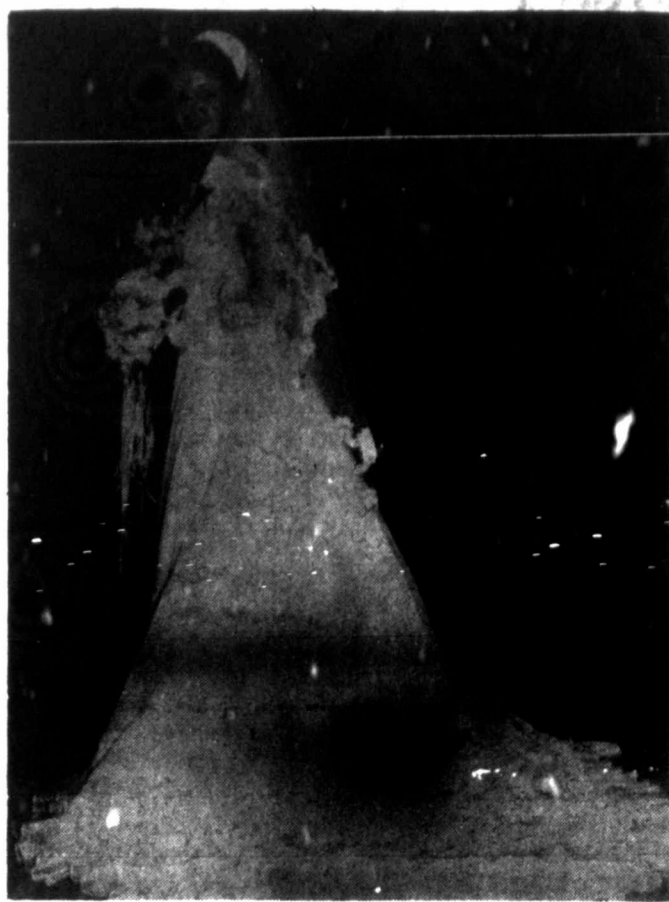

The groom's table featured a German chocolate cake with silver appointments set on a beige cloth. Serving at the groom's table was Becky Woods of Loraine.

The bride wore a blue dress trimmed in white with Navy accessories on her honeymoon trip to Abilene. Accenting her attire was an apricot silk corsage. The couple plan to make Midland their home.

The bride is a graduate of Loraine High School and attended Midland College. She is presently employed at Midland Hilton.

The groom is a graduate of Midland High School and is employed with Odom Trucking Co., of Midland.

Out-of-town guests attending were from Midland, Junction, Turkey, Snyder, Alvin and Big Spring.

Myrtle Womack Honored On 90th

Mrs. Myrtle Womack, a resident of Root Valley Fair Lodge in Colorado City, was honored on her 90th birthday, as her son Horace (Red) Womack of California hosted a birthday celebration in the Villa Restaurant on May 24.

Her birthdate is June 6, 1891.

Attending the celebration were Forrest and Joann Meadows of San Angelo, Louise Clapp of Fort Worth, Bertie Womack Strain of Root Valley Fair Lodge, Mary Womack of Colorado City, Bea Newman of Clovis, N.M.; Wilma Womack of Colorado City, Jack and Mary

Clapp of Lubbock, Glen and Joyce Womack of Colorado City, George Womack of Colorado City, Kent and Sue Womack of Colorado City, Seth V. and Mabel Millington of Granberry, Ada Womack of Colorado City, Hazel Harden Malone of Albuquerque, N.M. and Veta Gilliam of Lipau, Tex.

Isabel, daughter of Mr. and Mrs. Roy Soliz of Colorado City was born in Root Memorial Hospital June 1 weighing 5 lbs. 15 ozs.

Letter To The Editor

Dear Editor:

This week I wrote to President Reagan expressing my strong objections to his administration's consideration of an appeal from a judgement of a Federal court overturning the Public Utility Regulatory Policies Act (PURPA). The statute in question was declared unconstitutional by Judge Harold Cox in the United States District Court for the Northern District of Mississippi in February, 1981. The statute itself was part of the ill-conceived National Energy Plan, which gives the U.S. Congress authority to require state utility commissions to consider and determine the appropriateness of implementing federal rate-making standards. During the trial, Mississippi argued that this requirement is an intrusion into a State's right to establish its own rate-making policies, and would place an intolerable burden of time and money on the State and its Public Service Commission by increasing the number and complexity of utility rate hearings.

Judge Cox granted a motion for summary judgement by the State of Mississippi and overturned PURPA on the grounds that it unconstitutionally usurped the power of the State and interfered directly in State sovereignty by giving the federal government power to intervene in State regulation of public utilities. At this time, the U.S. Solicitor General has been asked by the Reagan administration to

take an emergency appeal directly to the Supreme Court of the United States. Such review would bypass the Fifth Circuit court of Appeals in New Orleans. However, President Reagan campaigned against the National Energy Plan, agreeing that it was punitive legislation aimed at the energy-producing States.

withdraw the appeal, thus allowing the recent Federal court ruling to stand. The President promised to reduce federal regulations, to restore the State-Federal relationship, and to get the federal government off the backs of the people. Here is a chance for him to prove that he meant what he said.

Sincerely,

Mark White

Attorney General

P.S. Texas, through my office, is helping Mississippi in this fight.

YOU AUTO KNOW

By Aaron Carpenter

Q. I've just started to change my own oil and oil filter as an economy move, but have been having quite a bit of trouble with oil leaks around the filter. Am I doing something wrong, or am I in store for big problems?

A. That depends on several things. First of all, make doubly sure that you have the correct size filter for your car. The slightest difference in size can make a big difference in fit. Try switching brands - particularly if your leaks are around a "bargain" filter. Second, most makes require a light coating of motor oil around the filter gasket. This insures a good seal. Third, make sure you are threading the filter on correctly. Finally, don't tighten the filter on the mounting stud with any more than hand pressure. Although it may require a filter wrench for removal, overtightening could damage the casing.

STATEMENT OF INTENT TO CHANGE RATES

General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas effective October 1, 1981.

On April 28, 1981, the Public Utility Commission of Texas issued its order in Docket 3890, creating a separate Docket 3861 to consider the impact and effect of the accounting changes ordered by the Federal Communications Commission (CC Docket 79-105).

The Federal Communications Commission has changed the method of accounting for inside wiring costs associated with the one-time station connection, move, or change activity. The new rate schedule will increase the Company's gross annual revenue derived from local service by no more than three percent. The schedule of rates and charges is available for inspection at each Company business office in the State of Texas.

AMERICAN WAY

Hello
World

Mr. and Mrs. James Costille of Houston have announced the birth of their son, Clifford Timare. He was born June 2 weighing 5 lbs., 6 ozs., in the Citizen General Hospital in Houston.

Maternal grandmother is Mrs. Dorothy L. Ross of Colorado City and paternal grandparents are Rev. and Mrs. Simon Costille, Sr., of Houston.

Maternal great-grandmother is Mrs. Monnell Marshall of Colorado City and the late Charlie Marshall.

Welcoming home the new addition is Jarkisha, five and Cedric, four.

Mrs. Costille is the former Sharon Monnell Ross, a 1969 graduate of Colorado High School.

Beginning Typing Class Is Offered At The Wallace Community Center

Beginning typing will be offered as a Continuing Education course at Western Texas College in evening classes from June 8-July 15.

Students will pay fees of \$36 each and will be required to purchase a textbook. Classes will meet from 6:30-9 p.m. on Mondays and Wednesdays with Cathy

Chavez as instructor. Persons wishing to enroll are to pre-register by phoning the Continuing Education office at 573-8511, extension 240.

Mrs. Richard Jobe

...Former Miss Debbie Lee

Debbie Lee & Richard Jobe Wed On Saturday Afternoon

Saturday, during a candlelight double ring ceremony, Vickie Lynn Uselton became the bride of Terry Lee Culbertson. The wedding vows were exchanged in the First Baptist Church of Colorado City with Rev. Glenn Roenfeldt, pastor, officiating.

The bride is the daughter of Mr. and Mrs. Charlie L. Uselton and the groom is the son of Mr. and Mrs. Lee Roy Culbertson, all of Colorado City.

Given in marriage by her father, the bride wore an a-line empire gown fashioned of slipper satin and organza which was designed by her mother.

The church was decorated with candles forming a heart, accented with greenery. Large Boston fern in tophats completed the facade. Pink satin bows and streamers accented the center pews.

The bodice, hand embroidered in French alencon lace and seed pearls featured a sweetheart neckline.

Modified Victorian sleeves, accented in lace appliques and wide lace cuffs, tapered to petal points over the hands.

The a-line skirt was accented with hand embroidered appliques of French lace complimenting back panels which swept from the fitted bodice and fastened with tiny satin buttons, to an extended chapel train of organza ruffles. A fingertip veil of illusion edged in lace fastened to an organza and lace capulet complimented the gown.

She carried a cascade of white roses accented with baby's breath and pink sweetheart roses atop a white Bible.

For something old and borrowed, the bride wore a string of pearls belonging to her mother and her garter represented something blue. Her wedding gown was something new.

Sherri Uselton, sister of the bride, was the maid of honor. She wore a pink satin gown featuring a bodice of matching pink lace. She carried burgandy and pink carnations with matching satin streamers.

The bridesmaids were Gail Sheen of Colorado City, Robin Ralson of Blooming Grove and Cindy Manning of Teague.

Kerry Culbertson, brother of the groom of Midland, served as the best man. Groomsmen were Randy Uselton, brother of the bride of Colorado City, Scott Gassiot of Amarillo and Stephen Kimmel of Colorado City.

Serving as flower girl was Amy Moore of San Angelo and Kelly Ramsey of Colorado City was the ring bearer.

Featured vocalists were Cecile Hubbard singing "We've Only Just Begun" and Mark Cook singing "The Wedding Song." Both of them sang a duet, "Author Of Love" as the bride and groom lit the unity candle.

Accompanying on the songs were Mrs. Hubbard and Mrs. Ginger Chandler of San Angelo.

Serving at the bride's table were Diane Pina of Rankin, Ann Reeves of Sweetwater and Dina Nimmo of Jacksboro.

Mrs. Ray Ritchey of Colorado City and Mrs. Kerry Culbertson of

Birth

Kendra Kay, daughter of Mr. and Mrs. Woody Anderson of Colorado City was born in Root Memorial Hospital June 1 weighing 8 lbs.

Poppy Sale Is Success

The Ladies Auxiliary and VFW Post 9178 reported that they would like to thank everyone for making their poppy drive a success.

Nellie Bunch, reporter, stated that the money can only be used for a disabled veteran or disabled veteran's family.

She said that they will be looking forward to seeing everyone again on November 11.

Campbell Receives Degree

Alex Campbell, 1961 graduate of Colorado High School, recently received his Doctorate of Divinity Degree from the California Graduate School of Theology in Glendale, Ca.

Dr. Campbell is currently pastor of the First Southern Baptist Church of Seaside, Ca., which is located on the Monterey Peninsula.

Prior to moving to California in 1966, he pastored several Texas churches, including Bethel Baptist Church in Denver City, Westside Baptist Church in Lamesa, Dunn Baptist Church in Dunn and Fairway Baptist Church in Cuthbert Community. He is married to the

former Charlotte Nuckolls and they have two sons, Todd, 17 and Chris, 15.

BEVERLY COLLIER - SECRETARY

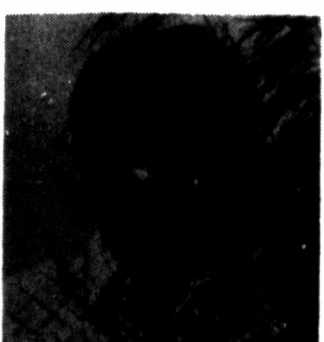

BEVERLY COLLIER

Anyone visiting the Lone Wolf Electric Cooperative office in Colorado City since 1976 has probably talked with Beverly Collier. When she began working for the Cooperative in June, 1976, she worked as the system's receptionist-cashier. Since that time she has taken over many of the secretarial chores for the system.

"I really enjoy meeting the public," says Beverly about her job. "and I'm fortunate to work with very nice people." Beverly is a member of the Highland Young Homemakers Club and she and her family belong to the Lorraine Church of Christ. Beverly and her husband, Chester, have a son, Jimmy, 13.

In her spare time, Beverly relaxes by jogging, sewing, and reading. All told, she is a fine example of the quality folks serving the members of Lone Wolf Electric Cooperative.

LITA JACKSON - MATERIAL CLERK

LITA JACKSON

Working as the material clerk for Lone Wolf Electric Cooperative is no easy task. But for the past three months, Lita Jackson, the Cooperative's newest employee, has been living up to the job's demands.

"The job involves much more than purchasing for the cooperative," says Lita. "It also involves keeping warehouse materials and work orders."

Prior to beginning her work with the Cooperative, Lita worked for Whites Home & Auto in Colorado City for 4 years. Lita admits the job she now has at Lone Wolf EC is not a typical "women's job" and says that the other employees at the Cooperative have been of great help during her learning period, the last three months. "I really appreciate their help and patience," says Lita. "there is an awful lot to learn and it takes some time. The job is a challenge every day."

Lita and her husband, Jacky, live in Colorado City where Jacky is a self-employed mechanic.

We at Lone Wolf EC are glad to have Lita on the Cooperative team.

McDonald Welding Supply Has Perfect Machine For Farm Use

Besides being the supplier for the professional welders in the area, McDonald Welding Supply, located at 1110 College Ave., can also outfit the farmer or rancher.

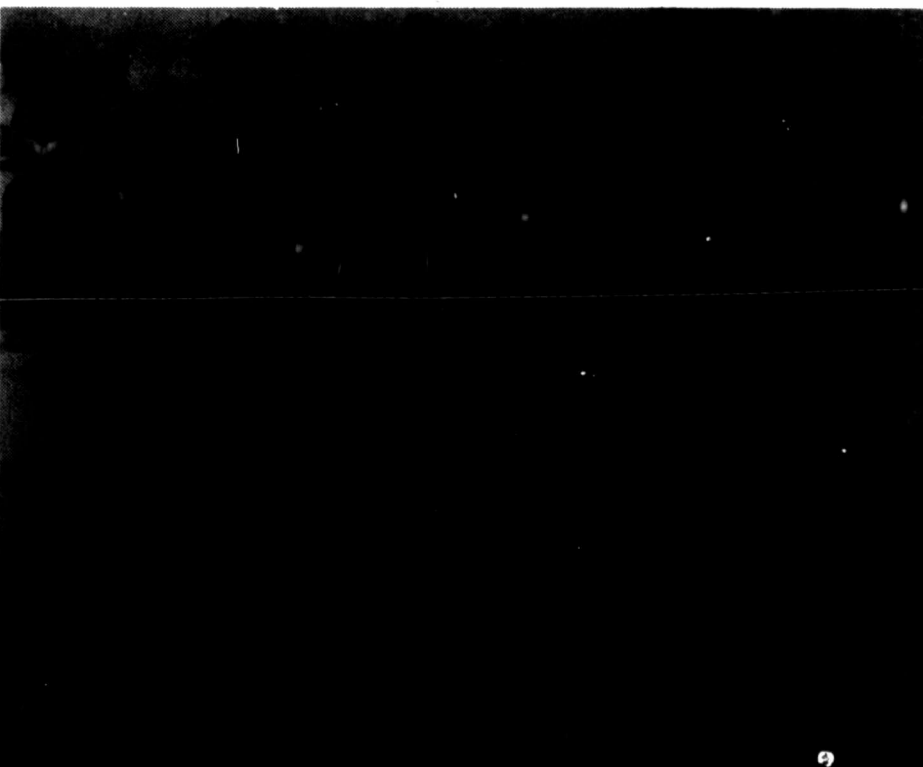

The Miller Bluestar 200 amp D.C. welder with an A.C. power plant is the perfect machine for the farmer or rancher that needs a good, dependable welding machine but can't spend a great deal for it.

These Miller machines can burn low hydrogen electrodes that are essential for welding very heavy metal such as tractor tool bars, etc. They will fit into the back of a pickup easily or even into the trunk of a car.

All Miller portable machines are equipped with built-in power plants that enable the user to run any type of A.C. tool or appliance. Owner Gayle McDonald pointed out that this feature would be very valuable if a tool such as a drill, grinder or saw is needed where no electricity is available. He also noted that the power plant on the welder will run an electric air compressor.

Many homeowners these days are installing backup power plants and McDonald made the point that for no more money than one would spend for a light plant, he can have a Miller welding machine with a generator built in.

In addition to Miller and Lincoln equipment, the firm makes available the Milwaukee line of heavy duty electric tools and grinders. Also Williams hammer wrenches

and heavy tools, Victor welding and cutting equipment, and Wilton vises are available.

Safety equipment of all types is stocked including goggles, first aid kit, refills, arm guards, hard hats, liners and fire extinguishers.

In addition, they stock chain, cable, tubing, and a complete line of steel.

Chain hoists and blocks as well as all types of pulleys may be added to the list along with medical oxygen and all types of gases.

The list of supplies goes on and on, so stop by and see Gayle or Jack and let them help you with your welding and equipment needs.

HAPPINESS IS A BY-PRODUCT

Jim Davis
Calvary Baptist Church

Maybe you have been asked this question before, are you happy? I have always heard that Christians are supposed to be happy. One of the first characteristics used to describe a Christian is happiness. I have been asked this question several times in the past and I must confess that I am not always happy.

For the majority of people, happiness is the highest goal in life. Americans dream of it, plan for it, work for it, sacrifice for it, and pay their hard earned money for it. It is the most sought after experience in the United States today.

There is a question as to what is the definition of happiness. Does it mean being able to do what you want to do? If this is so, then people have cheated, stolen, murdered, divorced, and committed adultery for it.

The truth of the matter is that happiness is an emotion. It comes and goes and it depends on circumstances. If it is the mark of a Christian then my dog will go to heaven if he dies at supper time. Yes, animals feel happiness too. The Christian life does not depend on how we feel. Our highest value as Christians should be to obey God. Sometimes this may not be what we want to do, it is rarely what is popular, and it may not make us feel happy doing it but Jesus Christ said, "If ye love me, keep my commandments." Through the ages because of their love for Christ, Christians have been beaten, imprisoned, stoned to death, beheaded, crucified, separated from their families, and suffered almost every other conceivable form of persecution and torture. They were not experiencing the emotion of happiness during these times. However, history bears out that these people testified to the joy and peace of God which transcends the physical realm.

Christians are real people. They have periods of great joy and periods of great sorrow. Tomorrow you may be "in heaviness through manifold temptations," (1 Peter 1:6). But you can rejoice that you have a heavenly home and that "all things work together for good to those that love God." (Romans 8:28). Happiness will be the by-product of obedience to God.

Once upon a time, There was a certain Monk, Who had quite a hang up, About old age and ole' junkie. He could sell you anything From oil tanks to an army bunk. But getting older was a joke He thought he'd really be sunk. Take it from one who knows, It's not so bad Junky Monk! Welcome to the "Over The Hill Gang!" HAPPY 40th! Love E. M. (Sissie)

Card Of Thanks

Our hearts overflow with sincere appreciation for all who expressed their love and sympathy in so many comforting ways during our recent sorrow. We are very grateful to Dr. Cowan, the staff and nurses at Root Memorial Hospital for their kind attention during this time. We are deeply grateful to all of you.
