The family is quite active in community and church activities. Moore is Sunday School superintendent at the First Baptist Church in Matador. His wife and older children are all members of the church, and active in its various organizations.

Moore started to work in Matador in January 1949 in field work as a performance supervisor, and worked under three ASCS managers.

He became manager of the Matador office September 1, 1954.

The Hutchins family will move to Denton as soon as school is dismissed.

Riding Club Membership Now Totals 78

At a meeting of the Floydada Riding Club Monday night almost 30 new members signed up and paid their dues, bringing the paid membership to 72, it was reported by Louis Anderson, secretary-treasurer.

Consumers Fuel Association has volunteered to purchase one of the Green and White Riding Flags and King Tire Company will purchase the second one.

The group voted to postpone ordering the green vests for 1966.

ORS ROGERS FOR STATE SENATOR

ounty Follows Trend, Names Connally, Smith, Carr

The Floyd County voters who went to the polls and voted in the Democratic Primary, the only one where there were any races, followed the trend of voters across the state and voted for Connally, Smith and Carr in the major state races, but fell from the trend as the locals favored Andy Rogers for State Senator 30th District. Jack Hightower won that race.

John Connally was selected to face T. E. Kennerly, the Republican nominee for Governor in the General Election this November. Connally received 583 votes in Floyd County, Johnnie Mae Hackworth received 12 and Stanley C. Woods

received 136.

For the Lieutenant Governor position Preston Smith walked away from Bill Hollowell by a vote of 650 to 102. Smith will face Republican Kellis Dittrell in November.

What appears to be the hottest political campaign in the November election, between Waggoner Carr and John Tower, for U. S. Senate, came about as the state gave overwhelming support to Carr in his bid for the Democratic nomination. In Floyd County Carr received 629 and John R. (Jack) Willoughby received 120.

Jerry Sadler was given approval by the county to stay as

Land Commissioner over challenger Fred Williams, 568 to 152. He has no Republican opponent to face in November. Although Franklin Spears and Crawford Martin will be in a run-off election set June 4, 1966 to determine the Democratic nominee for Attorney General, the Floyd County voters gave

held their precinct conventions last Saturday and selected the delegates to the county convention.

The Democrats will elect 9 delegates to the State Democratic Convention and the Republicans will elect 2 delegates to the State Republican Convention.

Martin a majority. Martin received 365, Spears received 218 and Galloway Calhoun received 108. The winner of the June 4 primary will face Robb Stewart in November.

The county and state voters favored keeping Byron Tunnell as Railroad Commissioner. The County vote was Tunnell 479, Paul B. Haring 84 and P. S. Ervin 111.

In a race that drew a large amount of interest in the newly formed 30th Senatorial District of Texas, Andy Rogers was given the nod over Jack Hightower and James Ray. Rogers and Hightower are both incumbents of parts of the district,

but were forced to face each other when the U. S. Supreme Court handed down a one-man-one vote decision last year.

In Floyd County Hightower received 188, Ray 122 and Rogers 419. However, throughout the district, the tide turned and Hightower received about 53 per cent of the voters, thus defeated both the challengers without a run-off.

In the race for Judge of the Court of Criminal Appeals the Floyd County voters approved W. T. McDonald over John F. Onion by a vote of 766 to 403. But statewide the race went to Onion by a vote of 472-

Demo, GOP Conventions Saturday

The Floyd County Democratic and Republican parties have set their County Conventions for this Saturday, May 14, at 2 and 3 p. m. respectively. The Democrats will meet in the District Courtroom and the Republicans will meet in the County Courtroom.

VOLUME LXXXII FLOYDADA FLOYD COUNTY TEXAS, THURSDAY, MAY 12, 1966 NUMBER EIGHTEEN

School To Join Southern Association

"FILL 'EM UP" - Last week Lee Trice, who farms about a mile west of Floydada, was doing the same thing as most other county farmers, filling his planting boxes with cottonseed and covering as much ground as possible before another cold snap or wet spell hit the area. Cold weather did move in Sunday night and delayed planting a few more days. (Staff Photo)

FOR TWO HIGH SCHOOLS Baccalaureate Services Set Here Sunday Night, May 15

Baccalaureate Services will be held Sunday night beginning at 8 p. m. for the two Floydada High Schools. The Della Plains services will be held in the Della Plains School Gymnasium and the Floydada High School services will be held in the high school auditorium.

Rev. L. B. George, pastor of the Mt. Zion Baptist Church, Amarillo, will deliver the address at Della Plains.

Rev. George holds a B. S. Degree from Butler College and has done extensive study

Death Claims Pioneer Settler Mrs. W. H. Pope

One of the oldest women always present for the Floyd County Old Settlers Reunion, Mrs. W. H. (Phemie) Pope, died in West Plains Hospital in Muleshoe about 4:30 Monday.

Mrs. Pope had been a patient there for the past 13 days. She celebrated her 94th birthday last month.

The deceased was born April 25, 1872 in Georgetown, Tex., in Williamson County. She and her family moved to Floyd County settling in the Sandhill Community in 1908. Following the death of her husband in 1954, Mrs. Pope resided in Lockney and in 1963 she moved to Friona to make her home with a son, where she was residing before being hospitalized.

Each year she returned to Floydada to attend the Old Settlers reunion on May 28th, and had the distinction of being named the oldest woman attending for the past several years.

Mrs. Pope was also preceded in death by two sons, Lee who died in 1961 and Clarence in 1964.

Survivors include two sons, Leonard of Friona and Bud Pope of Floydada; three daughters, SEE POPE PAGE 2

Report On Evaluation Of Schools Discussed

After hearing a report by Dr. W. M. Stoker, West Texas State University and coordinator of an evaluation committee study, the Floydada School Trustees could see no great deficiencies in the local school system and voted to join the Southern Association of Colleges, Secondary and Elementary Schools. This action was taken at the board meeting held Tuesday night here.

The 38-page booklet compiled by the 15 members of the visiting and evaluating team, composed of teachers and administrators from other school systems, lists the areas of courses taught, what is sought to be achieved, the outstanding work that is being done in each area and what deficiencies need to be corrected.

Fair Catalogs Almost Ready

It was reported at the Fair Board Meeting in Floydada Tuesday night that the catalogs for the September Fair will be out in about another week and a half.

A report on the progress of the Fair Building was reported. It was mentioned that all windows and excess doors have been filled with concrete block in a fix-up effort.

A finance report was read and the meeting was adjourned.

Only six members attended the meeting.

Dr. Stoker told the board that the committee looked at the school from a critical standpoint, therefore the report may appear to be negative.

He said the committee had high praise for air of cooperation between teachers and administrators, and that under such pleasant conditions improvement of instruction can easily be obtained.

In a summary given at the first of the booklet, the committee listed twelve points that it felt were the major deficiencies. Action has been taken to correct most of them and the remainder are under consideration by the board.

The committee listed as deficiencies:

IN FLOYDADA TRADE AREA Salute To Homeowners

A special "Salute" to the Homeowners of Floydada! Your taste in homemaking would make any community proud. The city and farm homes in the Floydada area depict the prosperity that Floydada enjoys.

Floydada homes will always stand as a challenge to other communities. You, Mr. and Mrs. Homemaker, are indeed to be congratulated for the way you keep adding to your home's comfort and beauty.

Some of you are fortunate enough to have the ready cash you need to keep your homes the way you want them, while others must operate their homes within a limited budget. But whether you run your home on a budget or with unlimited capital, you can have any type home you desire. The local financial institutions can and will finance all types of home construction or improvements.

If you feel your home is not up to par and in need of repairs or modernization, consult a local lumber yard, hardware or building material firm, furniture or appliance dealer. You'll find them on the "Salute of Values" page!

Tell them your wishes, and they will supply you with the latest material, dependable labor and best possible services—all at a price to fit your budget.

You, as a homemaker, should take advantage of these wonderful opportunities while the nation is enjoying an all-time prosperity.

Now is the time to build that extra room, sun porch, bath, new kitchen, patio, install central heating or air conditioning. The Floydada merchants are proud of the part they have had in making your homes more enjoyable. Therefore, it is with great pleasure that they honor you this week with a "Salute of Values."

Check the "Salute of Values" advertised in this edition of The Hesperian and shop the stores displaying "Salute of Values" posters for special bargains you can't afford to miss.

The businesses participating in the promotion are Beall's Department Store, Johnson Pharmacy, Quality Body Shop, Kirk and Sons Furniture and Hardware, Collins Implement Company, Oden Chevrolet Company, Perry Brothers, Inc., Hales Department Store, Hagoods, and City Auto, Inc.

Also, Superior Cleaners, Solomon Jewelry, City Trim Shop, Wylie Butane Co., Hull and McBrien, Powell's Super Market, Wester Grocery, McDonald Implements, Stewart's Cleaners, Allen Chrysler-Flymouth, Martin and Company and Arvine Drug. And Ben Franklin Store, Reed Ford Sales, Builders Mart, Boren Furniture and Appliance, Spears Small Engine Service and Auto Co., Carmack Feed and Seed, Hinton Well Service, L & J Food Market, Ponderosa Meat Company, Bennett Building Material, Floydada Butane, and Simmons Machine and Irrigation, Inc.

TB Association Meeting Set In Lubbock Saturday

A meeting for residents of counties that belong to no TB Association but would like to become members of such an association, will be held in Lubbock Saturday, May 14 from 2 until 5 p. m. in the Fellowship Hall of the First Christian Church at Broadway and Avenue X.

Floyd County does not belong to a TB Association.

Should the county residents, or those working with the TB Association decide to become members of one, they would probably join residents in Hale, Crosby and other surrounding counties that are not now members.

The Mobile X-Ray unit from the Lubbock Association will be in Floydada on the south side of the square Monday, May 23 for use by Floyd County residents.

If an association were formed here, it could get help from the state in securing an X-ray unit and would not have to guarantee the Lubbock group any funds for use of theirs.

Chamber Board Approves Budget

At a breakfast meeting in Rogers Restaurant Tuesday morning the Floydada Chamber of Commerce board of directors approved a \$13,500 budget for the 1966-67 year's operation.

President Ralph Mardis presided at the meeting which developed into considerable discussion about the hospital, doctor and industry situations in Floydada.

Ray Reed, head of the Industrial committee reported that work would begin Thursday night on the industrial foundation.

The board also approved the program of work for the year.

Attending the meeting were Walton Hale, A. E. Baker, Travis Jones, Andy Anderson, Wendell Tooley, Reed, Mardis, John Stapleton, Don Pemberton and Tommy Assiter.

City Council Discusses New Airport

The Floydada city council spent most of its meeting time Tuesday night in discussing financing of the new airport to be built here.

According to the city's engineer the airport is going to cost more than was formerly estimated and adjustment in financing the project will be necessary. The council took no formal action on the problem, but were to go into a meeting with the airport commission and other interested civic leaders at the bank community room last night.

In other business the council adopted ordinance number 420, which is published in this issue of The Hesperian. The ordinance outlines responsibilities of the city and its residents in regard to disposal of garbage, all wastes, industrial wastes and repealing of some conflicting ordinances.

Joe Smith, owner of the Floydada Recreation Center, re-

School System Losing Total Of 11 Teachers

To date a total of eleven teachers in the Floydada School System have stated they do not intend to return to Floydada to teach.

Some have secured positions in other schools, some are retiring, one is returning to school, and one is joining a private industry.

Kerwin Baxter who has taught science in this system for several years has taken a job with a firm in Dallas.

Wanda Thompson wants to return to school and work on a higher degree.

Those who are going to other schools include Russell Berry who will be an assistant bas-

NORTH OF CITY

New Industry Begins Operation Here Soon

Floydada's most recent industry, located about 1/2 mile north of the city limits, just across the road from Martin's Airport will begin operation soon, it was announced this week.

The industry will include cattle feeding pens, and shortly thereafter, a pig parlor will be added. J. R. Turner and W. H. Simpson, Jr., are the primary owners and initiators of the project.

Already the ground has been graded for proper drainage, so that pens can be built on

either side of a road through which a feeding wagon can be pulled. The feed will be taken to the site already mixed and ready for feeding.

A new water well has been drilled near the new feeding pens to serve both the hog operation and the cattle operation. The owners plan to feed some of their own cattle, but will also cater to those who wish some livestock custom fed.

The capacity of the lots at the beginning will be only about 100 head, but there is room for expansion to the east of the in-

ONE KILLED - Frank Prater, age 36 was killed in a one-car mishap when the vehicle hit the embankment at a "T" intersection about 3 1/2 miles north of Providence Sunday afternoon around 6 p.m. Gerald Prater, 29, brother of the victim was driving the vehicle. (DPS PHOTO)

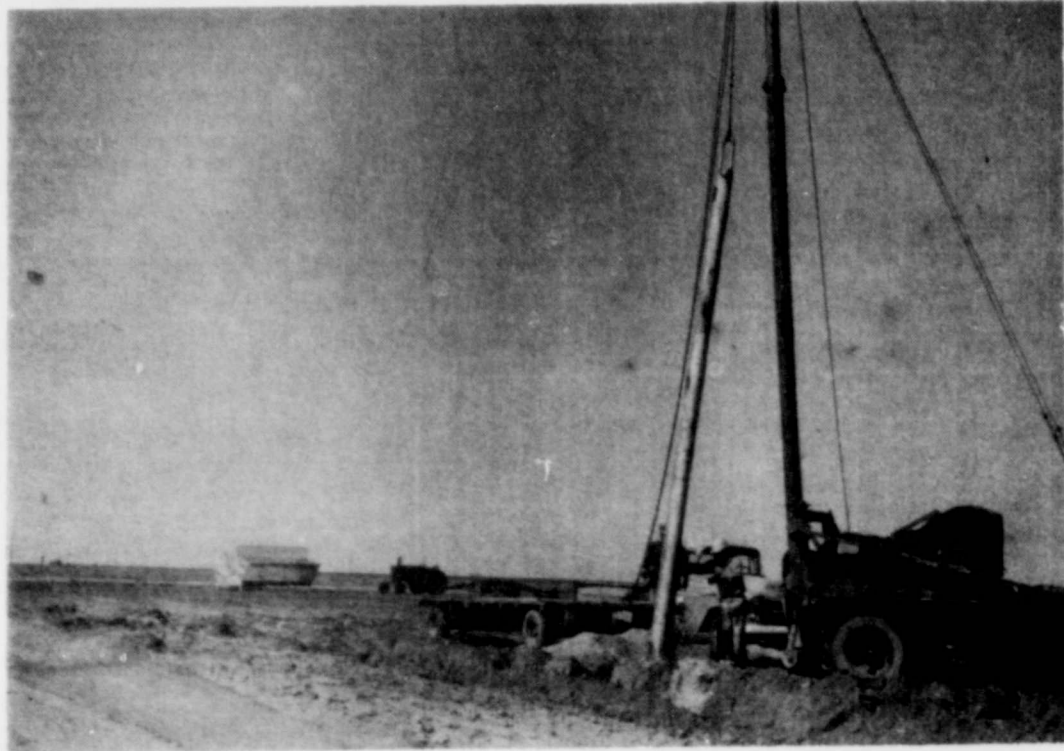

Floyd Resident Dies In Wreck Near Providence

A one-car mishap 3.7 miles north of Providence resulted in the death of one man and the injury of his brother Sunday, May 8.

Dead on arrival at 7:30 p.m., at Plainview Hospital and Clinic was Frank William Prater, 36, of Route 1, Lockney. His brother, and driver of the car, Gerald Thomas Prater of Route 1, Lockney, age 29, was injured and taken to the same hospital.

The vehicle, a '55 Chevrolet, was traveling north on a county dirt road and approached a "T" intersection. The driver failed to slow enough to make the turn, the car crossed the road, hit the embankment on the north side of the "T", and caught fire, according to investigating officers.

The mishap happened only about 1/2 or 3/4 of a mile from the Praters' home.

FEEDLOT CONSTRUCTION UNDERWAY - A new well, plus a lot of land levelling and a cattle feeder were the first indications of a new feed lot that is being constructed just

north of Floydada, across from Martin's Airport. A pig parlor will be added shortly. The owners will feed their own cattle and custom feed for others. (Staff Photo)

DE Class Holds Annual Banquet

The Distributive Education class of Floydada High School honored their employers with a banquet Tuesday night in the Colonial House. A meal of fried chicken and all the trimmings were enjoyed by the 21 students, their teacher, Preston Watson and their employers and wives.

Royce O'Neal, president of the class, gave the welcome address and Ronnie Gotcher, vice president, led prayer. Watson gave a brief talk followed by an interesting talk by David Kirk, who spoke on how distributive education has helped the merchants in Floydada.

Sue Shurbet, DE Sweetheart, was presented a gift by Watson in behalf of the class.

Entertainment was furnished by the "Four Townsmen" composed of Dana Galloway, David Holland, Jan Dyson and Spike Wideman.

Money for the banquet was raised by the class with a pop bottle drive, car wash and selling calanders.

quested permission to keep his business open from 12 to 7 p.m. on Sundays. The council tabled his request for study.

In other business the council approved the plat of the "Texas Addition." This addition is owned by W. A. Massie and other property owners and comprises 13 blocks across the west edge of Floydada.

Some legal technicalities were encountered, but it is hoped that the council can soon bring the addition into the city limits.

All councilmen were present at the meeting and Mayor Leonard Matsler presided.

Chuck Stoner, employee of the Texas Highway Dept., left May 2nd for a tour of duty with the U. S. Navy. Stoner, who is married to the former Joyce Morren, is taking his boot training at Great Lakes, Ill.

The South Plains Co-operative Gins and Elevator will hold its annual Stockholders Meeting at the American Legion Hall in Lockney this Tuesday, May 10, at 7:30 p.m. A barbecue dinner will be served to guests, and the Rev. David Hill of Amarillo will be the after dinner speaker.

Weekend guests and Mothers day visitors with Mr. and Mrs. George West were their daughter, the Robt. Lee Smiths of Sterley, and the E. T. Evans families from Amarillo.

Mr. and Mrs. Rex Smitherman, Kelly and Bryn attended services at the First Baptist Church in Floydada, and with her parents, Mr. and Mrs. Alvie Jackson and her grandmother Mrs. Andy Jackson, all enjoyed dinner in Floydada.

Mr. and Mrs. Glen Wood, Russ and Lynn were hosts at a Mothers Day dinner for members of their families. From Lubbock were Mr. and Mrs. James Teague, Bodie, James and Timothy, Mr. and Mrs. Kelly S. Bowers, Bryan and Trent, Mr. and Mrs. Roy Howard, Jana and Flint, and from Plainview were Mr. and Mrs. Kelly Bowers. Those attending from here were Mrs. Walter Wood, Mr. and Mrs. L. T. Wood, and Mr. and Mrs. Mike Wood and Danelle. This week Lynn is suffering with tonsillitis, and is confined to his home.

Philosopher Not Worried About Predicting Weather Changes

Editor's note: The Floyd Philosopher on his Johnson grass farm reports on the weather more or less in his letter this week.

Dear editor:

According to an article in a rain-soaked newspaper which I dried out on a rope on the back porch a while back and am just now getting around to reading because I was tired of having it hit me in the face, a lot of people are wondering if there has been a permanent change in the world's climate.

The article points out that a drought in the U.S. Northeast is the worst in several hundred years; that the worst winter storms in history hit the Midwestern plains this year; that sunny California was hit by floods; Texas was swamped by rains; droughts have hit India, Australia, and South Africa; a Siberian-type cold wave invaded Northern England this spring; torrential rains and floods have hit Brazil; a water shortage has developed in the Philippines, etc.

As a result, after looking at all these reports, some people are concluding that the world's

climate is undergoing a drastic change and are hunting for scientific reasons to explain it.

People who think that way have been listening to too many weather reports and not spending enough time looking out their windows.

As far as I can tell, drastic changes in the weather have been going on all my life.

A year's weather is about like a session of Congress. You know when it'll start and about when it'll end, but you don't know what's going to happen in between, and trying to calculate this year's action by el-

ther one on what happened year and the year the best way I know wet and taxed some when you least expect.

The other day I long-range weather for the month of May one said May around 30 dry, the other said be wet.

This convinces me man wants to get accurate forecast read two magazines.

CEDAR HILL NEWS

4-H Club Meeting Held Here

CEDAR HILL, May 9 - The Cedar Hill 4-H Club Meeting for May was held May 6, 1966 at 7:30 p.m. at C. L. Gilly's. The meeting was called to order by Craig Gilly; motto was led by Joe Breed, and pledge to the flag led by Sue Whitehead. Members present were Joe, Pam and Rex Breed, Beverly Halliwell, Richard Breckenridge, Craig Gilly, Cathy Gilly, Max Yearly, Edwin Warren and Sue Whitehead. Visitors attending were Wendelyn Tooley and David Brewer. Adult visitors were Mrs. Frank Breed and Mrs. Jack Yearly.

The film, "Pulse of Life" was presented by Alton Higginbotham. Mouth-to-mouth respiration was demonstrated and practiced on a mannequin. Refreshments were furnished by Cathy Gilly, and the group enjoyed the meeting, as well as helpful information received from the showing of the films.

Thanks to Sue Whitehead for furnishing this information. Mrs. Clara Mize hosted the Club meeting in her home Wednesday. All regular members were present with the exception of Mrs. Mamie Yearly.

Mr. and Mrs. Henry Love of Floydada returned Sunday from a trip to Fort Worth where they visited their son, Mr. and Mrs. Alton Love, and daughter, Mr. and Mrs. Lindsey Lackey and Kim. Mr. Love visited Mrs. T. F. Love for a short time Sunday afternoon.

Mr. and Mrs. Raymond Love and Teresa visited his mother, Mrs. T. F. Love Sunday afternoon. They also visited her mother, Mrs. Pernie Ray Sunday afternoon, also of Floydada.

Mr. and Mrs. Jim Conner went to Plainview Wednesday to visit their granddaughter, Roxanne Conner, who had an emergency appendectomy Tuesday night. Roxanne was dismissed from the hospital Friday, and is reported to be doing well. She is the daughter of Mr. and Mrs. Fred Conner.

Mr. and Mrs. Steve Mize and family and Mr. and Mrs. George Mize and family ate supper with their parents, Mr. and Mrs. A. S. Mize Saturday night, enjoying ice cream later in the evening.

Mrs. Fred (Barbara) Merrell has spent some time the last week with Mr. and Mrs. Walter Merrell, also spending as much time as possible near her father, Edgar Hayes, who is a patient in the Lockney General Hospital.

Mr. and Mrs. C. A. Purnell went to Lorenzo Sunday to see their little grandson, who is ill. He is the son of Mr. and Mrs. George Carter.

Mr. and Mrs. Lee Pearson visited Mr. and Mrs. A. S. Mize Thursday night, and the two couples enjoyed games of 42.

Fred Conner of Plainview visited his parents, Mr. and Mrs. Jim Conner Saturday afternoon to wish his mother a pleasant day on Mother's Day.

Robert Conner of Amarillo called his mother, Mrs. Jim Conner, Saturday night to wish her a pleasant day Sunday.

Caylee Merrell, young daughter of Mr. and Mrs. Fred Merrell has spent the past week with her grandparents, Mr. and Mrs. Walter Merrell.

Mrs. Jinx (Vernie) Taylor and Mrs. Charlie Purnell went to Plainview Wednesday.

Mrs. W. T. Conner and children visited Mr. and Mrs. Jim Conner Sunday afternoon.

Mr. and Mrs. Lee Pearson of the South Plains community visited Mr. and Mrs. Walter Merrell Sunday afternoon.

Mr. and Mrs. C. A. Purnell held the election Saturday in the Cedar Hill Elevator office. Turn out in our community was very light.

Mr. and Mrs. Robin Fortenberry have helped care for their grandsons, Donnie, Michael, Bryan and John while their mother, Mrs. Durrell Fortenberry, was in the Lockney General Hospital. Marissa was admitted Wednesday and dismissed Sunday morning. We hope for her a speedy and complete recovery.

Mrs. Evelyn Breckenridge and children ate Sunday dinner with her mother, Mrs. John Fortenberry. Others visiting Mrs. Fortenberry during the day were Mr. and Mrs. Garland Tucker, Mr. and Mrs. Robin Fortenberry, Mr. and Mrs. Cephus Fortenberry and Phyllis, Mrs. Jean Durham, and Mrs. Lark Miller of near Silverton.

Mr. and Mrs. J. W. Kidd of Aiken spent Thursday afternoon with Mr. and Mrs. Walter Merrell.

Mr. and Mrs. Gene Gilly had the following in their home for Sunday dinner: Mrs. R. A. Hill, Mrs. Virgie Flowers, Jean Pruitt of Amarillo, Mr. and Mrs. Clay Anderson and granddaughter from Nazareth, Mrs. Leighton Teeple, Dwight and Rhonda Gail of Plainview, Mrs. Lillie Luttrell and Mrs. Clara Redd from Floydada, Minnie

Martin and Laffer from Lubbock, and Mr. and Mrs. John Harrison from Lubbock.

Mrs. Tom Fortenberry took their little granddaughter, Danna Boone, to her home in Childress Tuesday. While there Mrs. Fortenberry attended Paula's recital Tuesday afternoon, and returned home Wednesday.

Mr. and Mrs. Floyd Lyles of Lone Star accompanied her father, Weldon McCormick to California to attend the funeral of a sister of Mr. McCormick's, who passed away after an extended fight against cancer. Mrs. McCormick is staying with her granddaughters. The trio left for California Saturday, and upon departure final plans had not been made, therefore it is not known just when they will return. Our sympathy goes out to the bereaved.

Mrs. Edna Gilly and Craig went to Plainview Friday.

Mr. and Mrs. C. E. Durham of Floydada visited in the Cephus Fortenberry home Sunday.

Mr. and Mrs. Eldon Fortenberry and children had as Sunday dinner guests her parents, Mr. and Mrs. C. W. Vitatow of Plainview and her sister, Mr. and Mrs. Junior Brown and children of Olton.

Stevie Fortenberry went home with his grandparents, Mr. and Mrs. C. W. Vitatow of Plainview, to spend Sunday night.

Mrs. Jack Yearly and Mrs. Gene Gilly went to Lubbock Monday.

Mr. and Mrs. Raymond Love and Teresa visited Mr. and Mrs. Cephus Fortenberry Saturday night.

Modrell Williams of Clovis, New Mexico, passed away at Dallas Friday night. Mr. Williams had made the trip to Dallas to be with his mother, Mrs. Will (Veda) Williams, on Mother's Day, and was claimed by an unexpected heart attack. Modrell was a nephew of Edd and Fred Brown of Floydada, and also was related to a number of others in this area. (His mother and my Dad were cousins.) Services are set for Tuesday in Clovis. This was such a sudden shock, and our deepest sympathy goes especially to his family and his mother.

Mr. and Mrs. Garland Tucker visited Mrs. Pauline Van Hoose, Mrs. Marissa Fortenberry and Rev. C. A. Strickland Wednesday, all patients in Lockney General Hospital at that time.

Mrs. Olan Keeter and children, Mr. and Mrs. Gus Wesley, Mr. and Mrs. Waldo Wesley and family, also neighbors of Mr. and Mrs. Waldo Wesley, Mr. and Mrs. Dean Wesley and family, all of Plainview, and Mr. and Mrs. Guy Davis of Amarillo, ate Sunday dinner with Mrs. M. H. Taylor.

Mark Gilly spent Friday night with Bud Taylor.

Mrs. Rene Yearly attended the Second Sunday Singing at the Nazarene Church in Floydada. A smaller than usual crowd was reported, however, this is to be expected on any special day, as was today. Your reporter did not attend today, as some sort of bug has a good tight hold on me, and I have not been able to sing since last Sunday Singing day.

Belinda Neff and Virginia Richards spent Friday night with Shelia Taylor.

Mr. and Mrs. Garland Tucker visited Mr. and Mrs. J. H. Hawkins at Turkey Thursday night.

Mrs. Evelyn Breckenridge and children went to Joe Reeves in the Sterley community Monday evening to join a small group—all trying to learn more about music. Since yours truly was unable to sing, it was a consolation to be able to help out at the piano while the others sang. To be in a singing group, but not be able to sing, is even more agonizing than a small child with a jelly jar in his hand, but not able to get the lid off!

Mr. and Mrs. Garland Tucker visited his parents, Mr. and Mrs. J. W. Tucker, Frances and Evelyn in Lubbock Sunday.

Mr. and Mrs. Frank Breed and family ate Sunday dinner with his parents, Mr. and Mrs. B. L. Breed in the Lakeview Community. From there they went to Petersburg to visit her mother, Mrs. Rufus Martin, and had supper with her.

Craig Gilly and Shelia Taylor attended an 8th grade party given by the Girl Scouts, in the High School Auditorium. Everyone is invited to a bridal shower which will be given in the home of Mrs. Eugene Gilly Friday afternoon, May 13th, from 5:00 to 8:30 p.m., honoring Miss Phyllis Fortenberry, bride elect of Rickie Hodges of Floydada.

Love Seat" Made
From Elm Tree

Floyd County Hesperian

SECTION B THURSDAY MAY 12, 1966 PAGE ONE

The Raw Materials

JUST BEGINNING--Wayland Richardson, and his dog, Trace, are shown beside the trunk of an Elm tree that Richardson hewed out to make a love seat. He put in a couple of months work, but was well rewarded for his work as can be seen in the picture below. (Staff Photo)

The Finished Product

ATTRACTIVE, COMFORTABLE--Richardson is shown in the love seat he made from the elm tree with the fireplace, described in the story, behind the seat. The piece of furniture was stained with a walnut finish to match the beams in his house, and the seat is padded with 2 inches of foam rubber, making the seat quite comfortable. (Staff Photo)

on for arm rests, and leaving the bark on all except that part hewed out or cut at the ends.

Richardson also saved two other pieces of limbs, large enough around to support the weight of the furniture. From these he made the legs for the love seat.

To make the seat comfortable Richardson put two inches of foam rubber padding in the part that was hewed out and covered it with black leather.

The piece of furniture sets in front of a fireplace, and it is quite attractive and comfortable.

The fireplace Richardson has put in the house is quite unique also, in the fact that it is made from volcanic rocks, those that are pitted quite deeply, smooth rocks and cut stone, most of which has been saved over a period of time.

Also going into the house, that will be occupied around June 5, is an Aztec calendar he bought in Juarez, Mexico, that weighs over 50 pounds. The El Paso Chamber of Commerce was to send information to Richardson explaining how to read each of the symbols and how to tell dates on the calendar.

He at first thought of making a table of the calendar, "But it would be difficult to find a piece of glass to cover the calendar that wouldn't break, because of the rough surface on the calendar. If any one should sit on the edge of it they would break any glass cover that might be on the calendar," he said.

Richardson is doing a lot of the finish work in his house and making and decorating his own furniture.

He and Sarah Burkhart will be married June 5, and Richardson said, "I hope to have most of this finished by that time."

Nevertheless, he has put some different ideas into his furniture and into the finishing of the interior of the house, and quite inexpensively, also.

FRANCE AND NATO
Harlan Cleveland, U.S. ambassador to the North Atlantic Treaty Organization, reports that if France pulls out of NATO a defense which will not rely on French cooperation now, or French promises of the future, will have to be fashioned.

Plans Announced For Three-Day Lockney Rodeo

LOCKNEY — Plans are progressing for the third annual rodeo to be sponsored by Lockney Rodeo Assn. May 19-21 on the fair grounds.

The three-day event will begin with a parade Thursday at 4 p.m. followed with a free barbecue at 6 p.m. and the first rodeo performance at 8 p.m.

Lockney Chamber of Commerce will host the barbecue and officials state anyone purchasing a ticket to the opening performance of the rodeo will be entitled to the barbecue supper at the fair grounds.

Riding Clubs

Parade marshal Billy Jo Turner has confirmation from eight riding clubs they will participate in the parade and grand entry that night. They are Silverton, Paducah, Petersburg, Plainview, Hart Junior Riding Club, Claytonville Rough Riders, Plainview Comancheros, Floydada Riding Club and the Lockney Junior and Senior Clubs.

Hale County Sheriff's Posse will present a drill performance preceding the opening night grand entry. Also planned is a special event by members of the Lockney Rodeo Assn.

Prizes of \$25 for first place, \$15 for second and \$10 for third will be offered in the float division. Plaques will be awarded in the commercial division with trophies given to riding club winners.

Red Whitley is providing the stock for the rodeo and standard events offered include girl's barrel racing, junior breakaway, calf roping, bulldogging, bull riding, saddle bronc, bareback riding, steer wrestling and possibly a feature attraction, officials state.

Rodeo performances are scheduled daily at 8 p.m. followed with a dance at the American Legion Hall with music by Jimmy Mackey and the All Stars.

Observance Set For Anniversary

LOCKNEY — In observance of First Baptist Church's 75th anniversary and the fifth anniversary of Rev. Gene Hawkins as pastor of the church, special activities are planned.

Rev. and Mrs. Hawkins and children, Nancy and Keith, will host Open House at their home during the week of May 9-14. Friends are invited to their home in the afternoons or evenings for a visit.

May 15, the Diamond Anniversary Celebration for the church will conclude with a special program. Former pastors will be present for worship services. Out-of-town visitors will be invited to visit the pastor's home from 2:30 - 4:30 p.m.

Area Men Compete In Toastmaster Contest

Three area men will compete in the Area 5 Toastmasters Speech Contest in Midland on May 21st. The three were named winners in a contest in Floydada held during Ladies Night May 4th at Rogers Restaurant.

Placing first was John Skaggs of Plainview, who spoke on Phycos Politics; Paul Leach of Plainview, second, War on Poverty; and Ron Loose of Floydada, third, on A Measure of Simplicity.

Thirty-six were present for the local Toastmasters meeting. Don Cheek, vice president, was toastmaster and Sam Spence, contest chairman.

May Is School Transfer Month

Supt. of Schools Clarence Guffee announced this week that May is transfer month for students whose grades are not taught in their home district. Guffee said he wanted to stress the point that a student is not automatically transferred from a rural school to a city school that teaches higher grades. A student must fill out an application blank in his office at the court house not later than June 1.

Air
Condition
For
Summer NOW

NOW, BEFORE HOT WEATHER ARRIVES, IS THE TIME TO MAKE SURE YOUR ELECTRIC AIR CONDITIONING UNIT IS READY TO KEEP YOU COMFORTABLE THIS SUMMER.

A QUALIFIED AIR CONDITIONING SERVICE-MAN SHOULD CHECK YOUR UNIT.

FILTERS OF THE UNIT SHOULD BE CLEANED OR REPLACED FOR MOST EFFICIENT OPERATION.

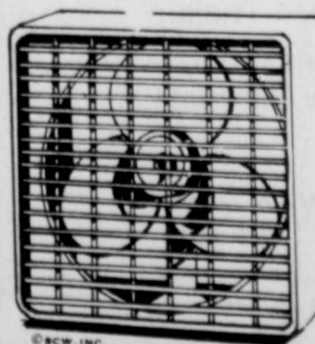

ANY WORN OR EXPOSED WIRING SHOULD BE REPAIRED OR REPLACED.

THE REFRIGERATED UNIT SHOULD HAVE SUFFICIENT COOLANT IN THE UNIT TO INSURE EFFICIENT OPERATION. IF COOLANT IN THE AIR CONDITIONER IS TOO LOW, IT REDUCES EFFICIENCY OF OPERATION AND INCREASES COST OF OPERATION.

THE COMPRESSOR SHOULD BE IN FIRST CLASS OPERATING CONDITION FOR MOST EFFICIENT OPERATION OF THE AIR CONDITIONER.

ELECTRIC AIR CONDITIONING IS A SUMMER BOON, BUT LIKE ALL APPLIANCES, IT MUST HAVE GOOD MAINTENANCE IF IT IS TO OPERATE EFFICIENTLY. AN INSPECTION TO MAKE SURE YOUR EQUIPMENT IS IN THE BEST CONDITION FOR SUMMER CAN PAY YOU BIG DIVIDENDS IN LOWER COSTS OF OPERATION AND IN MORE EFFICIENT COOLING FOR YOUR HOME.

The Title I teachers of our school system attended the 11th Annual International Reading Convention at Dallas, Texas from Wednesday, May 4 through Saturday, May 7th.

The aim of this convention was to upgrade the teaching of reading through out all levels of our public schools. This was done by outstanding speakers in general sessions and in small groups by Reading Specialists from all over the world giving their views in an attempt to cope with the modern day reading problems. In each group teachers were permitted time for questions so it was put on a more individual basis.

The teachers brought back many new ideas and most of all a lot of enthusiasm for our program. Each teacher had an opportunity to attend many different sections, as each session was scheduled for an hour to an hour and half and the day began at 7:00 a.m. and ended about 11:00 p.m.

Floydada Baptist Spanish Mission In Baptist Church Development Program

The Spanish Baptist Mission of the First Baptist Church of Floydada has entered the 1966 Texas Baptist Church Development Program, the Pastor, Raymond R. Asebedo announced this week.

Sponsored by the Baptist General Convention of Texas and the Home Mission Board of the Southern Baptist Convention, the plan is to stimulate interest in church work.

Participating churches in a recent year recorded twice as many baptisms per member as the Southern Baptist Convention average.

Each participating church select projects relating to the local church, the local community, and world-wide missions.

An inventory questionnaire furnishes suggestions for projects such as leadership training, community recreation programs, and world-wide missions.

Pastors recognized for their achievement receive a parchment scroll and churches recognized for their achievement receive a plaque. A Record of Progress book is made under the direction of a special committee. The books are the basis for judging.

Darwin Farmer, Associate, Language Missions Department of the Baptist General Convention of Texas, in charge of church Development Program, is responsible for the ministry. He stated that "total enlistment of a church's membership in Christian service is the

primary aim and value of the Church Development Program.

NARROW ESCAPE--Jimmy Stewart races to the rescue of Maureen O'Hara and Juliet Mills after their wagon is overturned during a wild stampede of longhorn steers in Universal's stirring western drama, "The Rare Breed," in Technicolor and Panavision, starring Stewart, Miss O'Hara and Brian Keith' co-starring Miss Mills, Don Galloway, David Brian, showing at the Capada Friday and Saturday nights.

Broom Sale Set By Lions Monday

The Floydada Lions Club will solicit the City of Floydada Monday night from 6 until 9 p.m. in the club's annual broom sale. Most of the proceeds go to the home for the blind in Ft. Worth, where the brooms are made.

Advance sales have already begun, according to Glen Black, chairman of the sale.

The Lions will be identified when they approach a house by their Lions Club vests, gold with blue trim and lettering. Those who may need a new broom, mop, or other form of cleaning utensil are urged to patronize this sale. The funds, as one can see, go to a good cause.

Cotton is really two crops: fiber and seed.

Referendum Cards Concerning Transfer Cotton Go In Mail

Referendum for transfer of land Cotton Allotments: Ballots will be mailed to all cotton producers on May 13, 1966 to determine if cotton allotments can be sold and moved from Floyd County to another county in Texas. If you produce cotton as a landlord or tenant and do not receive a ballot, call the Floyd County ASCS office or your local ASCS office for a ballot. The election will be by mail between May 16 and May 25. The County ASC Committee will count the ballots on May 27 at 9:00 A.M. in the ASCS office and any interested person may witness the counting of ballots if he so desires. A ballot will be mailed to both husband and wife with instruction for voting. This election is only to permit any person as owner to sell or lease his cotton allotment to be moved to any other Texas county.

Measurement Service: Application may now be made for measurement service on 1966 row crops. The fee for this service has been set by the County Committee at \$4 per hour that the reporter spends on the farm measuring crops or diverted acres. The last day to apply for this service is June 1, 1966. As we explained in our previous newsletter, the responsibility of reporting the 1966 acres of cotton, feed grains, and diverted acres rests with the farm operator and failure to do so will result in loss of all payments and price support eligibility. You may measure and report your acreage anytime after planting and by no later than August 15, or you may apply for measuring service at our office up to June 1, adjust any excess or deficient acres after receipt of notice from our office and by August 15. Then certify to the final acreage by August 15 by initialing the acreage entry on your intentions to participate form which you signed in our office.

If you are not participating in the volunteer cotton or feed grain program, you are not required to report and certify to such acreage. If you desire our measurement service, come in NOW and make your application. Don't wait until it's too late. We will begin measuring as soon after June as crop planting will permit.

Cropland Adjustment Program: The final date to make application under the CAP will be May 13, 1966 and the final

date to sign a contract will be June 10, 1966. Under this program a producer must divert at least all of one allotment crop for at least 5 years.

Use of Diverted Acres: The total intended diverted acres in Floyd County this year is approximately 160,000 under the wheat, cotton, and feed grain programs. Therefore, the ASC committee is very concerned about another "Dust Bowl" should too much of this acreage be devoted to summer fallow. The diverted acreage may be kept clean all year or it may be planted in a cover crop of legumes, sweet sorghums, or sudan grass. Floyd County ASCS has a limited amount of funds to pay cost-shares for the establishment of a cover crop. We will pay \$1.50 per acre, but be sure to make application for cost-shares before carrying out the practice.

To qualify for diverted acreage, the land must be of average productivity. Terraces, turnrows (regardless of width), ditches, areas used to park or store farm implements, low lying areas or areas of irregular shape will not qualify. The minimum size plot to qualify as diverted acreage is 3.0 acres. Land on which crops are destroyed after August 15, 1966 will not qualify as diverted acres.

WARNING: If you are signed up to participate in the 1966 Wheat Diversion Program and have excess wheat acreage over your permitted and such acreage was considered destroyed by drought, please remember that with the recent fine rains this wheat will probably put out and begin growing. If this happens it is your responsibility to do whatever is necessary to prevent any maturity of grain. Remember that in our 25 percent check of farms all wheat found growing will be classified as wheat.

Only wheat within the permitted acreage may be grazed after May 1, since the regulations provide that excess wheat must be destroyed to the extent that no forage remains. Therefore, if enough wheat remains on the land to provide grazing it must be classified as wheat acreage. If such acreage is in excess of the permitted a deduction will be made from your wheat payments, unless the excess is substituted for feed grains when the farm is signed-up in both programs. Burning wheat stubble or other crop residue is a practice

which tends to defeat the purpose of the Agricultural Conservation Program and will result in the loss of any ACP cost-shares paid or to be paid to the farm in 1966.

Memorial Day is May 30. This office will be closed all day Monday May 30.

A. Members can receive technical advice, instruction on safety of firearms, and can have organized rifle and pistol shooting matches all over the United States.

B. Members can receive a free allotment of M-1 (30 caliber) rifles, .22 caliber target rifles, .45 caliber pistols and other shooting equipment. Some ammunition is issued free with the rest available at U. S. Government cost. (.22 long rifle \$10.00 per 1,000 rounds, .30 cal. M-2 in 5 shot clips at \$.08 per round.

C. Each member receives a saving annually of \$1.00 on a subscription to the American Rifleman, from the regular fee paid by non-club members.

D. NRA provides free annual club champion medals for high power rifles, small bore rifles and pistols.

E. Detailed range construction plans and technical help in planning ranges are furnished by NRA.

F. The club receives special legislative bulletins telling about proposed laws affecting ownership or use of guns.

G. Each club receives an NRA club officers guide about

club activities and operations.

The club receives a copy of The American Rifleman and a copy of NRA Tournament News each month with full information on shooting competitions. (Each member of the club will also receive a copy of The American Rifleman.)

This is the NRA Pledge. Can you qualify?

I certify that I am a citizen of good repute of the United States of America; that I am not a member of any organization or group having as its purpose or one of its purposes the overthrow by force and violence of the Government of the United States or any of its political subdivisions; that I have never

been convicted of a crime of violence; and that, if admitted to membership, I will fulfill the obligations of good sportsman-ship and good citizenship.

One of the first activities of the local club will be to start a rifle safety course for young people.

JULIUS ROBERTS

Julius Roberts Promoted To Rank Of Specialist 4

Julius Roberts, 21, son of Mr. and Mrs. J. D. Roberts of Lovington, New Mexico, was promoted to Specialist Fourth Class in Germany where he is serving with the 182 Lt. Equipment Maintenance Company. Specialist Four is an enlistment rank equivalent to the rank of Corporal.

A radio repairman in the Company, he entered the Army in May, 1964, completed basic training at Ft. Polk, La. went to Italy early in 1965 and later was transferred to Germany.

He attended Floydada High School and was a barber at the City Barber Shop before entering the Army.

Roberts is a brother of Mrs. Pete Looney of Floydada.

PFC BILLY R. ROBERTS

PFC. Roberts Home On Delay In Route To Viet Nam

Billy Ray Roberts of Ft. Bragg, N. C., is visiting in Floydada at the home of his sister, Mrs. Pete Looney, and at Lovington, New Mexico, at the home of his parents, Mr. and Mrs. J. D. Roberts. He is on a delay-in-route to Viet Nam where he will be stationed.

Roberts, enroute home from Ft. Bragg, was involved in a head-on-collision and suffered numerous cuts about the forehead and right eye. About 40 stitches were taken to close lacerations. Also some bones in his right hand were cracked.

No other person was injured, although, the car in which he was riding was a total loss.

Roberts went into the service in April, 1964, took basic at Ft. Polk La. and signal school at Ft. Gordon, Georgia. He later went to jump school at Ft. Benning, Ga.

Since that time he has been stationed at Ft. Bragg, N. C. and also was stationed in the Dominican Republic during the recent uprising there.

Roberts attended school in Floydada then moved to Denver City and to Lovington, N. Mex., where he was living when he enlisted.

Roberts married Ina Buntin of Lovington Saturday. She will make her home in Lovington until his discharge.
