Funeral Rites Held In Rochester For R. C. (Bob) Speck

Funeral service for R. C. (Bob) Speck, 50, prominent Rochester business and civic leader, was held at 2:30 p. m. today in the First Baptist Church at Rochester. The Rev. Cecil Meadows, pastor, officiated, assisted by the Rev. J. Lowell Ponder of Alvin, Texas.

Mr. Speck, a prominent businessman, rancher and property owner, died at 10:30 p. m. Tuesday in the Haskell County Hospital after he had suffered a heart attack at 8 p. m. at his home in Rochester.

Long-time resident of Haskell County, he had been a grocer in Rochester for the past 28 years. The past five months, he had been living in semi-retirement under a physician's orders.

Mr. Speck was born May 25, 1901 in Albany, Ky. His family moved to Haskell County in 1902, and he had resided in Rochester since.

He was married to Miss Erceel Frazer on Feb. 9, 1925.

Mr. Speck had been a member of the Baptist Church at Rochester for 36 years and was a member of the Masonic Lodge. He had served as City Alderman of Rochester and was a member of the Haskell County Hospital Board.

Survivors include his wife, and a son, Wayne Speck, a student at Baylor University, Waco.

Burial was in the Rochester Cemetery with Mansell-Smith Funeral Home in charge of arrangements.

Pallbearers were Bob King, Truett Alvis, Knott Ballard, J. W. Rogers, Guy Marshall, Dennis Williams, Earl Alvis, and Jimmy Adams.

Meeting of Farm Bureau Scheduled In Rule Monday

Sixth in a series of community meetings being held by the Farm Bureau in Haskell County has been scheduled in Rule, at the American Legion Building, Monday, March 20, beginning at 7:30 p. m.

Farm Bureau members and their families, and all others interested in farm industry, are invited to attend the meeting. Purpose of the community meetings is to acquaint farmers and businessmen with the work and objectives of the Farm Bureau.

In addition to brief talks by several speakers, there will be a program of entertainment and refreshments will be served to all present.

Joe Cloud, Rule director in the county Farm Bureau organization, will be in charge of arrangements for the meeting.

Road Surfacing Project To WTU Power Plant Finished

Driver Fined on DWI Charge After Car Crashes Into Store Building

Charge of driving an automobile while intoxicated was filed against a Lawton, Okla., man after his car had crashed into the front of the C. E. Harrell Grocery at 1506 North Avenue E Friday night, causing several hundred dollars damage to the building.

The driver, George Dan Lowe, 21, entered a plea of guilty before County Judge Alfred Turnbow and was fined \$50 and costs and given a six months jail sentence. The conviction carried automatic suspension of his driver's license for six months.

A companion riding in the car

with Lowe, Lee Fritts, 50, was charged with drunkenness and fined \$1 and costs in justice court. The accident happened about 8:40 p. m., a short time after Mr. and Mrs. Harrell had closed the store and gone to their home. Lowe apparently lost control of his car and the machine crashed head-on into the building. Two plate glass windows were shattered and the frame wall below the windows was splintered. Several cases of bottled drinks stored in the front of the store were broken.

Immediately after the accident, and before persons hearing the crash reached the scene, Fritts went to a small shed a short distance from the store. Officers found him asleep there some 30 minutes after the wreck.

Lowe told officers he was a carnival "wheel operator" and was on his way to Sweetwater to join a carnival opening there last week end.

Work was due to be completed late Wednesday on placing gravel surface on a 6-mile stretch of road in Precinct 2, to provide an all-weather road from Haskell to site of the West Texas Utilities Company's new power plant now under construction on Paint Creek, southeast of Haskell.

Started less than two weeks ago, prevailing weather has permitted completion of the project in much less time than had been estimated, Precinct Commissioner M. B. Cobb said today.

Material used in the surfacing project was secured from gravel pits developed on the Scott Ranch, a few miles from the power plant site. The utilities company cooperated with the county in the project in furnishing some of the equipment required.

The improved stretch of road intersects F-M highway 618 east of Haskell, and extends east and south to connect with the WTU plant site property on the west side of Scott Ranch. The improved road follows the same route as the farm road in that section.

Construction of the all-weather road was made necessary when work on the power plant was started. Practically all of the material and equipment used in the multi-million dollar plant will be transported over the new road.

6 County Registrants Called for Induction; 10 for Examination

Sgt. Scotty Helber Completes Tour With UN Task Force

Mr. and Mrs. Marcus E. Helber of Haskell have received word that their son, Sergeant Scotty Helber, AUS, has returned to Tokyo, Japan, after completing a tour of Temporary Duty with the United Nations Blockading and Escort Force, Rear Admiral Geo. C. Dyer, Commanding, Sergeant Helber served with the staff as a Military Intelligence Specialist aboard various Naval vessels serving with Combined Task Force 85.

Playing the role of a lone GI aboard fighting ships of the United States Navy, Sergeant Helber was able to enjoy many new and unusual experiences that made his tour an unusually pleasant one.

The Haskell soldier is regularly stationed in Tokyo with the Military Intelligence Section of General Headquarters, Far East Command.

Six Haskell County men are included in a group of 17 registrants who have been notified to report for induction in the armed forces March 17, and 10 men from this county are among 38 registrants from Jones, Shackelford and Haskell Counties instructed to report for physical examination on that date.

All of the men are registered with Selective Service Board 77 at Anson, which serves the three counties, W. A. Holt, Haskell member of the draft board, said. The men are to report at Abilene induction station, he said.

Haskell County men ordered to report for induction are: Dalton Kendall Carmack, Rochester; Edward Clinton Collins, Rt. 1, Haskell; Raymond Vance Jennings, Rt. 1, Rule; Robert Clinton Trussell, Rt. 1, Haskell; Joe Willard Muhle, Rt. 1, Rochester; Thurman Javan Perkins, Rt. 2, Rule.

To report for pre-induction physical examination from Haskell County are: Curtis H. Cox, Haskell; Rex Jerald Power, Haskell; Lewis Edwin Thomas, Weiner; Elwyn Kenneth Tooley, Haskell; Elwyn Thurman Morrow, Rochester; Charles Wayburn Oates, Rule; Terry Smith, Rule; Wayland Wright, O'Brien; Lonnie Arlin Strickland, Rule; Arthur Burton Elmore, O'Brien; (transferred from Dodge City, Kans.).

Also Dudley W. Hamilton of Lubbock, formerly of Rochester; and Marvin Durwood Rowan of Pampa, formerly of Sagerton.

Script Ready For Cast In Easter Pageant

Scripts for the Easter Pageant will be given all members of the Little Theatre of Haskell when the young organization meets next Tuesday night in the banquet room of the Texas Cafe. Meeting time is at 7:30 p. m.

Because of interference of other meetings the Little Theatre group did not meet Tuesday night as originally scheduled, but president Rex Felker said Wednesday that the meeting next Tuesday night would be definitely held. He said that coffee and donuts would be served.

At the next meeting the group will begin laying the foundation for their coming production of the Easter Story, April 13. Director Wanda Dulaney said the scripts for the production had been mimeographed and each member of the club would receive a copy. However, she said that the entire cast had not been picked, but would be announced later.

Plans will be made for the first rehearsal which is to be some time around the first of April. Arrangements are now being made to secure the necessary costumes and wigs for the initial production of the Little Theatre. The Easter Pageant will be produced at sunrise Easter morning. There will be no admission charge.

Weatherford Man New Owner of Arrowhead Courts

Site of the Arrowhead Courts properties in this city to C. C. Johnson of Weatherford, Texas, was announced this week by Gene Dunlap, former owner who built the courts in 1949 and had operated the business since that time. Consideration in the deal was not made public.

Mr. Johnson, who has been engaged in stock raising at Weatherford, took charge of the property this week. Mr. and Mrs. Johnson will make their home here.

The courts, comprising 20 furnished cabins, are among the most modern in this section. All buildings are of masonry construction. Location is on the Haskell-Clarendon highway in South Haskell.

Father of Cecil Gregory Dies In Mississippi

Mr. and Mrs. Cecil Gregory of this city were called to Thaxton, Miss., Sunday, where his father, long-time resident of the city, had died early Sunday. Funeral services for the elder Mr. Gregory were held Monday afternoon in Thaxton.

Mr. and Mrs. Gregory and little son, Marvin were in Phillips, Texas, when they received the message of his father's death, and left immediately for Mississippi. Mrs. Gregory and son had been visiting her sister, Mrs. R. L. Jones in Borger last week, and were joined there Saturday by Mr. Gregory.

Graveside Rites Held Sunday For Mapes Infant

Funeral service for Katherine Lucille, infant daughter of Mr. and Mrs. Jack Mapes of Odessa, was held at the graveside in the Roberts community cemetery northeast of Haskell, Sunday at 5 p. m. The baby girl, only child of the young couple, died March 7, in Odessa. She was born March 17, 1950, in that city.

Funeral rites were conducted by Rev. Max Copeland, pastor of Roberts Baptist Church. Funeral arrangements were in charge of Holden Funeral Home. Pallbearers were Leon Newton and Virgil Cobb.

In addition to the parents, the child is survived by grandparents, Mr. and Mrs. Tom Mapes of Haskell, and maternal grandmother, Mrs. D. Cornelius of Electric.

Republic Supply Co. Will Open Store In Rule

The Republic Supply Company, one of the major suppliers of equipment to the oil and gas industries, will open a store in Rule at an early date to serve Haskell, King, Knox, Stonewall and Jones Counties. General offices of Republic are in Houston, and opening of the branch supply agency in Rule is an indication of the rapid spread of oil development in the area to be served by this store.

The store will be located in a new building to be erected west of the W. O. Smith service station, and adjacent to the Santa Fe railway.

Some of the larger oil development firms operating in the area to be served by the Rule store include Ada Oil Co., Cities Service Oil Co., Continental Oil Co., Crown Central Petroleum Co., Deep Rock Oil Co., Delta Gulf Drilling Co., Humble Oil & Refining Co., Slick Fields, Pan American Oil Co., Phillips Petroleum Co., Seaboard Oil Co., Sinclair Oil & Gas, Shelly Oil Co., Sohio Petroleum Co., T&P Coal & Oil Co.

Mrs. Robert Smith And Daughter Now In Germany

Judge and Mrs. Daniel P. Ratliff of this city received a cablegram this week from their daughter, Mrs. Robert R. Smith, advising them of her safe arrival in Germany. Mrs. Smith is the wife of 1st Lieut. Robert R. Smith, now stationed in Germany as the Executive Officer of Battery C of the 288th Field Artillery Battalion. Recently, Judge and Mrs. Ratliff accompanied Mrs. Smith and little daughter, Rebecca Susan, to Fort Hamilton, N. Y. from where they went by plane to join Lieut. Smith.

Saddle Tramps Will Have Chuck Wagon Supper Monday

Haskell's "Saddle Tramps" Riding Club, which now numbers approximately 70 members, will hold its next meeting Monday evening at the City Park, at which time a chuck wagon supper will be served to members and guests.

Time for the meeting and supper has been set at 6:30 p. m. However, it is urged that all members who plan to ride come earlier in the afternoon for riding activities which will take place in the arena at the Central West Texas Fairgrounds.

Eal Treadwell, Saddle Tramp wagon boss, this week assured everyone that the chuck wagon cook in charge of the preparation of the meal would be one who has had several years of experience in feeding hungry cowboys with the wagon on roundup.

The meal will be prepared on an open fire, using the old time "dutch ovens" which have been purchased for the chuck wagon. It is especially called to the attention of clubs and other organizations that the chuck wagon will be available when the groups are making plans for summer activities, Treadwell said.

The price of the supper will be \$1.00 to members and guests alike. Immediately following the meal a program of Western entertainment will be presented and pictures taken of the colorful outdoor scene.

Cpl. Leroy Medford Telephones Parents From Tokyo, Japan

Mr. and Mrs. Marvin Medford received a phone call from their son, Leroy, last Thursday from Tokyo, Japan.

Cpl. Medford was in Tokyo on a five-day rest and recuperation leave and reported that he was doing fine and enjoying the sights around Tokyo. Mrs. Medford said that his primary interest was in his friends and relatives at home. He returned to the front lines during the latter part of last week.

While talking to their son, Mr. and Mrs. Medford noticed that the time here was 8:30 p. m. Thursday and Leroy said the time in Tokyo was 11:15 a. m. Friday. Cpl. Medford has been overseas since last August.

Weinert Student Recovering From Eye Injury

John Weinert, who was in school at Weinert Wednesday for the first time in a week after being shot in the eye by a bullet in his hand, is recovering from his injury.

John Weinert's eye was cut when a hand saw, which he was using to cut a piece of wood, slipped and cut his eye. He was taken to the hospital and is now recovering from his injury.

Hear Review of Red Cross Activities In Haskell County

of the Lions Club, a comprehensive picture of the American Red Cross in Haskell County. Dulaney, executive of the local chapter, was the guest speaker at the meeting of the Club.

She briefly reviewed the work of the Red Cross in Haskell County during the past year. The executive secretary told Lions that the Red Cross had been successful in providing food, clothing, housing and other temporary or emergency assistance in several instances. One of the major phases of Home Service is that rendered to men serving in the armed forces and their families. Welfare reports are provided when a family cannot hear from the serviceman due to unavoidable delays in mail service. The Red Cross also provides verification for emergency leaves for the soldier, extension of leave, and assists the veterans' family in substantiating claims for discharge in deserving cases. The Red Cross also assists veterans with applications for disability compensation and insurance claims, she explained.

Other Red Cross activities included a program of Water Safety and First Aid, Disaster Relief, Junior Red Cross, Accident Prevention, and a program of the State Conventions to be held in June 8-10.

She heard a brief report from Scout program in Haskell County. The scoutmaster is almost a new Boy Scout. The scoutmaster is almost a new Boy Scout. The scoutmaster is almost a new Boy Scout.

Other Red Cross activities included a program of the State Conventions to be held in June 8-10.

Other Red Cross activities included a program of the State Conventions to be held in June 8-10.

Lions Club Zone Meeting Held Tuesday Night

Lions Club officers from Olney, Seymour and Knox City met with Haskell Lions in a Zone 4 meeting Tuesday night in the banquet room of the Texas Cafe in this city.

Jeff Graham of Knox City, Zone 4 chairman, presided for the evening session, which featured several interesting discussions of Lions Club activities.

Special guests at the meeting were Orval Shore, District Governor of Mineral Wells, and Joe Weaver of Seymour, deputy district governor.

Representing the Haskell Lions Club were Royce Adkins, president; Morris Omeal, secretary; and Wix Currie, former district deputy governor.

Funeral Service For Sealing Infant Held Wednesday

Funeral service for Tommy Leroy, infant son of Mr. and Mrs. Will Sealing of Baird, Texas, was held at Holden's Funeral Chapel in this city Wednesday at 4:30 p. m. Dr. R. E. McCall, pastor of the First Presbyterian Church, officiated.

The baby was born March 11, in Baird, and lived only a few hours. Surviving in addition to the parents are four brothers and four sisters. Mr. and Mrs. Sealing formerly lived in Haskell. Burial was in Willow Cemetery under the direction of Holden's Funeral Home.

Only One-Third of Cars In County Registered to Date

About one-third of Haskell County's cars and trucks had been registered at the beginning of the week, Tax Assessor-Collector R. A. Coburn reported, with the deadline for registration only two weeks away.

Monday at noon, the collector's office had issued 638 new license plates for passenger cars, 76 for commercial trucks, and 224 for farm trucks, a total of 1,238 vehicles registered.

Registered in the county last year were 3,530 passenger cars, 375 commercial trucks, and 750 farm trucks.

Comparing current registrations with the total for last year indicates that the collector's office faces the prospect of issuing license plates for something like 3,417 vehicles during the remainder of this month. State law requires that all motor vehicles must have the 1952 license plate by April 1. After that date a penalty of 20 per cent is added to the full year's registration fee.

It all adds up to a last minute rush at the collector's office, and Coburn suggests that car owners come as early as possible. Owners should bring their certificate of title and 1951 receipt, he added.

Father of Mrs. J. G. Vaughter Dies At McKinney

Ben Taylor, 87, prominent retired farmer of Collin County and father of Mrs. J. G. Vaughter of this city, died at his home in McKinney, late Saturday night. He had suffered with a heart ailment for some time, and death was attributed to a heart attack.

Mr. Taylor was a lifetime resident of Collin County, his parents having moved to that section shortly after the Civil War. He grew to manhood and lived on the farm where he was born until a few years ago. He was a member of the Baptist Church.

Funeral services for Mr. Taylor were held at Harris Funeral Chapel in McKinney Monday at 3 p. m., conducted by the Rev. D. A. Griggs, Baptist minister of Plano, and Dr. Charles Meyers, pastor of the First Baptist Church in McKinney. Burial was in Mt. Olive Cemetery near McKinney.

Mr. Taylor is survived by his wife, of McKinney; two daughters, Mrs. Vaughter of Haskell and Mrs. Roy Brimes of Houston; two sons, Jack Taylor of Frisco, Richard Taylor of McKinney; and five grandchildren.

Two brothers and two sisters also survive. Ed Taylor of Marshall, Okla., Tom Taylor, Mrs. Tom Campbell and Mrs. Ray Elvins, all of Los Angeles, Calif., also survive.

5th St. Baptist Church In Rule Announces Revival

Rev. Jesse Jones, pastor of the 5th Street Baptist Church in Rule, has announced a revival to be held at the Rule church beginning April 2 and continuing through April 13.

The Rev. Ray Tatum will be the evangelist, and Rev. Paul Earp will be the singer. A feature of the revival will be a 30-minute song service beginning at 7:30 each evening.

Tuesday, Mar. 18 Will Be "Dollar Day" In Haskell

Buying power of the dollar will be back near its pre-war standard for people in the Haskell trade territory Tuesday, March 18.

A number of Haskell stores are sponsoring the monthly Dollar Day on that date. These stores have made drastic price reductions on many items of timely merchandise for this special event, and these price cuts will mean a saving to every customer.

The cooperating merchants are giving partial list of Dollar Day values in advertisements in this issue of The Free Press. Many other bargains will be featured in their stores for this special event, they have announced.

Dollar Day prices will be in effect for one day only—Tuesday, March 18.

Two From County Enlist Recently In U. S. Navy

Two young men from Haskell County, Bobby Don Rogers and Howard Gordon Jones, recently enlisted in the U. S. Navy and are now undergoing recruit training at the U. S. Naval Station, San Diego, Calif. They enlisted at the U. S. Naval Substation in Abilene.

Rogers is the son of Mrs. Willie Nell Rogers of Rt. 2, Haskell, and Jones is the son of L. F. Jones of Rochester.

Haskell, Texas

It pays to be an early bird...

in cotton-insect control

Early season control gets the young plants off to a healthy start... and it's no problem at all for aldrin.

So powerful that an early season dust or spray for an acre of ground contains only 2 ounces of actual aldrin, aldrin goes to work at once... with dead bugs falling in an hour or two. Even if rain falls the next day, aldrin's killing job is accomplished. At the same time aldrin does less harm to beneficial insect parasites which help to depress aphid and mite buildup.

Lowest cost... On an acre-for-acre control basis, aldrin costs less to use (either spray or dust) than any other cotton insecticide. And aldrin is approved in every cotton area in the country!

Aldrin can be sprayed as you cultivate... saving an extra operation. Aldrin will not clog spray nozzles... use any conventional equipment.

If you want the best at lowest cost... ask your dealer for aldrin... available everywhere.

aldrin

SHELL CHEMICAL CORPORATION

HASKELL COUNTY HISTORY

Brief Items Taken from Old Copies of The Free Press

20 Years Ago—March 17, 1932
Frank Shelton, special agent for the State Banking Department, has been placed in charge of the liquidation of the Weinert State Bank. The bank closed last February 19 with deposits totalling approximately \$40,000 and loans outstanding of approximately \$53,000, according to preliminary reports filed.

Hollis Atkinson is in Russellville, Ark., this week supervising the opening of a new "M" system food store in that city.

Mrs. E. H. Morrison and daughter, Miss Betty of Graham, are visiting in the home of Mr. and Mrs. R. C. Montgomery.

V. W. Meadors left Thursday for Houston on business. He will attend the annual meeting of the Texas Building and Loan companies while there.

Grading work has started on Highway 51 south of Rule, but the bad weather of the past week has delayed the work. With the completion of this nine mile stretch, Highway 51 will be graded through the county, from Knox to Jones County line.

Mr. and Mrs. Fred Sanders and sons, Fred and Roy spent last week end in Fort Worth visiting relatives and attending the Fat Stock Show.

Bob Whitman, who is working in Sweetwater, spent several days here this week visiting relatives and friends.

Petunias Favorite Flower for Home Planting

Petunias are high fashion this spring with their wide, frilly skirts and vivid colors. Beds of petunias brighten the outdoor living rooms. Flower boxes and borders can be colorful all summer by planting one or two packets of seed. If the flowers are gathered regularly they will continue to bloom in spite of heat and moderate drought.

Sadie Hatfield, home-stead improvement specialist with the Texas Agricultural Extension Service, suggests that the plants be started in flats in which there is a mixture of equal parts of compost and loam soil. This will save 30 to 40 days growing season. When the plants are two to three inches high they may be transplanted into other flats with a spacing of four inches, or they may be put into small pots. After the danger of heavy frost is over the plants will be ready to put into flower beds.

Cerebral Palsy Clinic Scheduled At Lubbock

A clinic for the examination of cerebral palsied children will be held Monday, March 17, at the Cerebral Palsy Treatment Center 3502 Ave. N. Lubbock.

Orthopedic specialists from Midland, Plainview, and Lubbock, a neuropsychiatrist, pediatrician, eye specialist, and a dentist will be present to examine children.

Cerebral palsy is sometimes referred to as spastic paralysis or birth injury and may be evidenced by the child's inability to sit alone, stand alone, walk or hold objects at the age these things are accomplished by the average child. Research has shown that treatment is most effective if started within the first few months of the child's life although children respond to treatment begun at a much later age.

Parents planning to bring children to the clinic are requested to register the children at the Center prior to the date of the clinic. Information regarding the clinic may be obtained by writing Miss Elinor Guza, director, or calling Lubbock 5-6541.

West Texas Utilities Company

You're off in a Swirl of Power!

WE'RE willing to wager that not one person in a hundred knows what really goes on inside an automobile engine—so let's take this by easy stages.

The instant you nudge Buick's Fireball 8 Engine into action—a whole string of things starts to happen.

Eight sparks begin to crackle in well-timed sequence. Eight pistons start gliding up and down with rhythmic precision. Eight pairs of valves dance open and closed—to let fuel charges in, exhaust gases out of cylinder after cylinder.

All right, you say, what's so complex about that? Can't anyone build an engine that does this to perfection?

Well, we'd better add, these things happen at the rate of more than 10,000 times per mile—and that's 100 times per second at 35 miles an hour!

So—it's important to know that Buick uses a deep-breathing valve-in-head design that shoots a fuel charge in—cleans exhaust gases out—in a hurry.

It's important to know that all the power released by the fuel concentrates its driving force right on the head of each Buick piston. (Everyone who has recently built "new" high-compression engines copied this "Buick first.")

But most important of all—Buick adds one more twist which others still haven't copied.

Every charge of fuel rushing into a Buick engine becomes a twisting, swirling, high-compressed ball that flashes with sudden, consuming completeness the instant the spark sets it afire.

And to add this all up: clean, complete combustion—10,000 times per mile—is the secret of getting more power—more

miles—from each gallon of gasoline.

So we're not simply using picture words when we tell you that Buick—only Buick—has a FIREBALL ENGINE—or that you're off in a swirl of power with one of these high-powered performers under the hood.

1952 has brought a lot of sparkling new improvements which you'll want to see and admire when you come to our showrooms.

But the thrill of thrills is still what you want and a Buick—and a Fireball 8 Engine—can do out on the road. When do you want to try a sample?

Modeling, accessories, trim and models are subject to change without notice.

Sure is true for '52

Irrigation Project To Be Set Up On Munday Farm

J. B. Reneau, Jr., started preparing land for conservation irrigation on his farm one mile southwest of Munday last week. Soil Conservation technicians from the Seymour District office and Knox City Work Unit office have just completed soil studies and are now assisting Mr. Reneau in laying out lateral ditches, border systems to fit the soils, capacity of the well and crops to be irrigated.

Haskell Students On McMurry Indian Band Tour

Two former Haskell high school students, Nelda Vaughter and Bill Adkins, now enrolled at McMurry College, Abilene, were among the 55 Indian Band members who travelled to the Dallas area last week-end for a variety of programs ranging from sacred concerts to television performances of novelty Latin American numbers.

Auction Sales of Farm Machinery Inaugurated Here

A new service for farmers of this section was recently announced by A. M. Turner and James C. Marlow, in the form of an auction sale of farm machinery and implements, to be held at regular intervals.

Praises American Legion For Work Against Reds

The following article, which appeared in a syndicated column in a number of the nation's newspapers recently, tells of the important work being done by the American Legion in combating Communism and subversive activities in the United States. The article is reprinted by special permission of the King Feature Syndicate.

By GEORGE E. SOKOLSKY

To many Americans who do not belong to the American Legion, it has the reputation of being a hell-raising organization which once a year takes over a town, marches all over the place, breaks the furniture in the hotels and generally provides good cheer.

This side of the Legion is more pleasing to some veterans of World War I than it is to the young men of World War II, who look at the "world through different eyes and who realize that their country has suffered its first defeat. In fact, although in the past the politicians and permanent jobholders in the Legion have kept older men at the helm, the tendency in recent years has been to give the newer elements a chance.

The present national commander, Donald R. Wilson, is only 34 years old and a brilliant lawyer and orator. Although a national commander lasts only one year, it is refreshing to the outsider to witness this type of leadership which he presents. His advocacy of the Legion as a spirit-

VISIT IN BRIDGEPORT

Mrs. Floyd Lusk and son, Bobby spent several days last week visiting in the home of her parents, Mr. and Mrs. J. M. Green of Bridgeport, Texas.

ual force, his "Back to God" movement, his speeches in which he calls for a return to church attendance, is giving to the Legion new stimulation that is attracting widespread, favorable attention.

The Legion is important. An organization of 3,000,000 members can accomplish much in the reconstruction of our country. The change, for instance, in the character and make-up of the "American Legion Magazine," under the direction of James F. O'Neill gives the Legion a status as an intellectual and social force which it has not had before.

This magazine has been publishing articles of special significance in the fight against communism. In fact, some of these

articles were such as frightened the editors of national magazines who prefer what they call non-controversial topics. Many of them publish articles and stories by well-known Communists and fellow-travelers on the assumption that they are not controversial, a conclusion that would not pass even elementary logic.

Such articles as "Did the Movies Really Clean House?" by J. B. Matthews; "How the Reds Invaded Radio," by Louis Budenz; "Terror by Law," by George N. Craig; "Why You Buy Books that Sell Communism," by Irene Corbally Kuhn, and "Our New Privileged Class," by Eugene Lyons, are among an important series

of articles which is making magazine history. It just shows what a fearless editor can do in a field where so many fear to tread.

The Legion also maintains a national American Commission which provides a monthly news service of very great value. A special research staff under the direction of Karl Baarslag, a former naval intelligence officer, has produced a vast amount of valuable data in brochure form. This is now issued in pamphlet entitled "The Firing Line," and is widely used by persons outside the Legion who are interested in the subject.

In this field no national organization is doing a comparable

work. In the motion picture field, those who are studying the problem admit that the greatest fear of the motion picture producers is the American Legion. Their opposition to a picture because of its content or because Communists have had a part in the making of it can kill the box-office. That makes the picture a defective product because it encounters unusual sales resistance.

The American Legion and the Catholic War Veterans have played a notable role in cleaning up this industry, although thus far neither has been very successful with radio or television, both of which are infested by Stalin's little creatures. As many actors,

writers, directors go to movies to television, the position has an important effect.

The Catholic War Veterans, in the past, been in picketing houses the unacceptance of movies. The Legion, while it took No. 43 took the lead in ing a picketing resolution widely adopted, many final nail into the communist hopes of using vies for subversive to raise funds from the ment of its members industry.—(King Feature

Ambitious Hen Sets Example As Egg Producer

One hen in a flock of White Leghorns owned by Mr. and Mrs. J. K. Patterson, who live 18 miles southeast of Haskell, has set an example that if followed by other hens would more than double the egg production of the flock.

One day last week while gathering up the eggs, Mrs. Patterson found one that was unusually large. Believing it to have a double yolk she later broke the shell to use the egg, and to her surprise found another perfectly formed egg, shell and all, inside the larger one.

Mrs. Patterson saved the shells of the multiple egg, and brought them to town Monday to show to friends. The larger or "outside" eggshell measured seven inches around the longest way and five inches around the center.

HHS Driver Education Course Develops Students Into Safe, Efficient Drivers

BY BETTE REED

Wanta' improve your kid's driving?

Then see that he enrolls in the drivers education course being offered at Haskell high school sometime before he graduates. The American Automobile Association states that last year 12,000 adolescents killed others or themselves in automobile accidents.

On the other hand, says J. E. Berryhill, teacher of the Haskell driver education course, adolescents who have completed such a driver education course successfully are involved in only 5% of the total teen-age mishaps.

Offered for the first time in Haskell this year, the driver

course earns students a half credit and gives 14 and 15 year olds the right to apply for a driver's license before they reach 16 years of age as otherwise required by law.

To complete the training, students must first meet the class for thirty periods to receive instruction in state motoring laws, simplified automobile mechanics, and physical laws. They use the textbook "Man and the Motor Car" as well as the Texas driver's handbook and publications of AAA.

For the last twelve weeks of the one-semester course, students apply for a beginner's driving permit and practice driving the dual-control automobile furnished through the AAA and the Bill Wilson Motor Company.

After successful completion of the course, students are eligible to take the regular driver's license test required by state law and may be issued a license.

Berryhill, enthusiastic about the results of teaching the kids to drive properly, points out that most of them want to be safe and efficient drivers once they understand the dangers and responsibility involved.

Twenty-eight students will have completed the program at the end of the year. Berryhill points out that the most difficult feature in learning to drive is hand-foot coordination. "The students tend at first to forget about their hands when they have to use their feet. Then we head for the ditch!" With practice, however, he points out, comes efficiency.

The driver education program is relatively new throughout the country. Berryhill is a qualified teacher, meeting the standards set up by the state department of education for driver education teachers.

Seymour Hi School Band Presents Concert Here

A 48-member Seymour high school band played exchange concerts for the Haskell and Munday schools last Thursday.

The Haskell band, under the direction of Bill Dean, has scheduled a return concert in Seymour for March 19 and has a concert scheduled tentatively in Munday for the same day.

The Seymour band's interpretation of "Night Beat," a musical picture of a New York policeman's beat, brought the audience to its feet calling for an after-school-hours encore.

Seymour Director McKiskie led the band in two marches, "The Klaxon," and "King Cotton." The band also played "Polonaise," "Gypsy Princess," "Red Rhythm Valley," "Monterrey Overture," and a samba.

Band director Dean conducted the guest band in the march, "On the Square."

Rainbow Sewing Club Meets With Mrs. Copeland

Mrs. F. H. Copeland was hostess to the Rainbow Sewing Club Tuesday afternoon, March 11. The president, Mrs. Leonard Florence called the meeting to order and a business session followed. Twelve members answered roll call. Needlecraft report was given by Minnie Copeland. Mrs. Zada Smith won first place. Essie Bland and Mrs. Florence gave thoughts for the day. The Reds in contest had the most members present. Knelt at the Cross, was sung by Essie Bland, Fay Prater, Sallie Patterson and Flossie Rogers. Sallie Patterson directed the social hour. Refreshments to the Rainbow Sewing Club es, peanuts, cookies, coffee and tea was served to the following members: Mesdames Stella Stacy, Essie Bland, Fay Prater, Velma Tooley, Zada Smith, Thelma Adams, Stell Clifton, Lucretia Florence, Ethel Edwards, Sallie Patterson, Flossie Rogers and Elaine Middleton, who assisted Mrs. Copeland in serving.

T.E.L. Class of First Baptist Meets Tuesday

The members of the T. E. L. class met in the church annex Tuesday afternoon with the president, Mrs. George Herren, presiding. In the absence of the secretary, the assistant secretary, Mrs. Arthur Merchant read the minutes of the previous meeting and gave the monthly report for February. The report was very encouraging. "Tis So Sweet to Trust in Jesus, and the Haves, of Rest, were sung, with Mrs. Aiken leading and Mrs. C. W. Norton at the piano. Mrs. Kate Bledsoe led in prayer. The program closed with prayer by Mrs. Whiteker. Good reports were given by the group captains present and other officers, including the assistant teacher, Mrs. Rosa Glenn, who taught the class for the past three Sundays in the absence of the teacher. Mrs. J. W. Martin announced that we were going to discuss the Tree of Knowledge, the Bible—many interesting facts were brought out. Mrs. Cain mentioned and pronounced the longest word. The finest reading was given by Mrs. H. S. Moore which proved to be the 25th chapter of Acts, and Mrs. Dilbeck read a poem, The Two Trays. Refreshments of hot tea, sandwiches, small cakes and candy were served by group No. 2, Mrs. Kate Bledsoe, captain. Those present were Mesdames Pauline Williams, J. L. Dilbeck, Joe Maples, W. J. Lane, Kate Bledsoe, Arthur Merchant, Jack Merchant, J. A. Cain, Singleton, F. Graham, Rosa Glenn, K. D. Simmons, I. N. Alvis, Linna Cunningham, Clarence Norton, George Herren, O. O. Aiken, J. W. Martin, H. S. Moore and B. M. Whiteker.

Pressure Canner Check Advised In Advance of Use

The time to check the pressure canner is before the spring vegetables are ready to can. Foods and nutrition specialists of the Texas Agricultural Extension Service, point out that repairs and replacement of worn parts as well as the adjustment of working parts should be made now. Inspect the canner, they say, for cracks, pits, marks and corrosion. If these are found, the canner has not been properly handled, used nor cared for. Check the type of gasket used on the canner. If it is metal to metal, examine for binding. Binding may be caused by dirt or corrosion. Scour, if needed, with fine powder, never use harsh scouring powders. If this type of gasket leaks, apply a thin coat of salt-free fat. If the cooker has a removable rubber gasket, remove it and wash thoroughly in hot soap suds, then stretch it, turn it over and replace on the canner. Then test for a perfect seal. If steam escapes, purchase a new rubber gasket, say the specialists and get the type recommended by the manufacturer. Be sure, warn the specialists, that the petcock is clean and in good working order. A toothpick can be used to clean the opening. Take the ball and socket type apart, they say, and carefully wash the parts. To remove any corrosion that might be found, soak the parts in vinegar or kerosene; wipe clean and reassemble. Be sure the closing devices at handles and knobs are in perfect working order. The specialists say the pressure canner gauge should be checked at least once a year for accuracy and that local county home demonstration agents can supply information on how to do this job.

Ban Requiring Burning of Cotton Burrs Lifted In Haskell and Area Counties

The State Department of Agriculture has lifted the ban on returning cotton burrs to the land in Haskell and 41 other counties in West Texas.

In revoking the regulation under which burrs have been burned as "gin trash," Agricultural Commissioner John C. White stated: "These counties in West Texas are only lightly infested with the cotton pink bollworm, and we feel that the cotton burr can be returned to the land without danger of spreading pink bollworm infestation."

"Lifting the ban on return of the cotton burr to the land in West Texas does mean, of course, that the quarantine itself is lifted. Other quarantine regulations will remain in effect. It does mean, however, that since there is little likelihood that it will cause pink bollworm infestation to spread at this time, the grower can put the burr to profitable use on his land."

"The growers of West Texas have been anxious to return the burr to the soil for its important organic and fertilizing effect. During the drouth the burrs also will help prevent soil erosion from blowing."

"The cotton yields of this area were annually getting lower. At the same time, the area occupies a high place in the nation's cotton production, and the Department felt that measures should be taken to balance insect control regulations with the economic situation in this area." The burrs are released from ginning time in 1952 until March 31, 1953.

Counties released include Gray, Hall, Childress, Hardeman, Foard, Wilbarger, Wichita, Motley, Cottle, Floyd, Hale, Lamb, Bailey, Cochran, Hockley, Lubbock, Crosby, Dickens, King, Kent, Knox, Baylor, Archer, Yoakum, and Terry.

Also Lynn, Garza, Stonewall,

Haskell, Throckmorton, Young, Gaines, Dawson, Borden, Scurry, Fisher, Jones, Shackelford, Stephens, Donley, Collingsworth and Wheeler.

Cotton producers can obtain valuable information on cotton varieties by studying a new publication, "Performance of Cotton Varieties in Texas, 1946-50." The bulletin was published jointly by the Texas Agricultural Experiment Station and Texas Agricultural Extension Service and is available at local county Extension offices.

Mrs. Ada Rike Directs "Texas Day" Program of Magazine Club Friday

Mrs. Ada Rike was director of the annual "Texas Day" program of the Magazine Club Friday, March 7, and featuring a review of "Edge of Time" by Mrs. B. C. Chapman.

Mrs. J. U. Fields held an executive board meeting prior to opening the regular program. Mrs. Tom Davis and Mrs. Roy Everett were elected to club membership. It was decided to defer the March 21st field trip to Abilene until after Easter. Each member is requested to bring 50c for the Easter breakfast plate April 11 at 9 o'clock. Mrs. Fred Broach of Munday will give a book review.

Mrs. J. U. Fields and Mrs. Robert Wheatley plan to attend the TFWC convention in Fort Worth March 24-26. They have parts on the program. Mrs. R. C. Couch, Jr. will attend as club official delegate.

Mrs. E. M. Frierson and Mrs. Bill Richey, hostesses, had an effective display for the speaker's table. Dark blue velvet was used as a base for an arrangement of white stock and pansies in the background. In the foreground was a stand holding six miniature Texas flags. Red, white and blue ribbons were intertwined on the velvet base. Another table had an arrangement of white stock and gladioli. The piano held a container of photinia.

Mrs. Fields welcomed club guests. She said, "Haskell is not only proud of its folklore but can boast of poetry writers." She read two lovely poems composed by 7th and 8th grade girls. A scroll of the club's 50th anniversary was shown. It is to be framed and hung in the assembly room. Mrs. Ada Rike, the District Folklore chairman, was director for the "Texas Day" program. She gave J. Frank Dobie's definition of folk as being a group of people, not cosmopolitan, who, independent of academic means, preserve a body of traditions peculiar to themselves. The lore of a folk comprises its mythology in its song and ballads, community tales and legends, signs and superstitions, games, dances and jokes, its plants and animals, weather and any natural phenomena. Haskell County has its share in all these. The State Federation of Womens Clubs is urging each club district to put on file their county history. "Haskell History" by R. E. Sherrill is recommended by Texas University. One can hardly go into a Texas field of cotton pickers, a gathering of farmers, ranchers or oil field workers without hearing a legend, folk tale, song or saying about Texas.

Mrs. Roy Everett sang, "Texas, Our Texas," accompanied on the piano by Mrs. Wallace Cox. Mrs. Rike introduced Mrs. B. C. Chapman who reviewed "Edge of Time" by Louisa Grace Erdman. She said that many of the folklore tales could have happened here in Haskell. "The Edge of Time" is the romantic story of a young college couple who married and pioneered in the Amarillo country. It tells of their many reverses and heartaches while trying to establish a home. Loneliness, drought, fire, hunger and death of their first child. Perseverance, faith and hope won at last and they were able to realize their ambitions and build a home where they could work toward a happy, successful future.

The Texas Day quotation is really a prayer everyone should have pleasure in memorizing and treasuring it in their hearts. "God bless you Texas and keep you brave and strong. That you may grow in power and strength—throughout the ages long." Guests and members attending: Mesdames Bob Montgomery, Bob Herren, J. U. Fields, Ada Rike, C. V. Payne, J. G. Vaughter, Wallace Cox, Robert Wheatley, Bob Cousins, B. C. Chapman, Joe E. Thompson, E. M. Frierson, Bill Thompson, R. C. Couch, Jr., Bruno Gaskamp, Carol D. Bledsoe, Jack Pippin, N. I. McCollum, Earl Atchison, A. C. Pierson, Fred Monke, R. L. Burton, Virgil Bailey, George Hauser, Bill Lane, S. Hassen, V. M. Wilson, W. J. Kemp, Roy Everett, J. M. Collins and Nettie McCollum.

Reunion Honors Mrs. Ada Woolsey On 81st Birthday

Honoring Mrs. Ada Woolsey of Odessa, Texas, on her 81st birthday, a family reunion of her children, grandchildren, a number of friends was held Sunday, March 9th, in McKenzie Park at Lubbock.

Mrs. Woolsey is a former resident of the Roberts community northeast of Haskell. Mr. Woolsey died a number of years ago, and in recent years she has been making her home in Odessa with a daughter.

Present for the reunion Sunday were six of Mrs. Woolsey's children and their families, and a number of friends.

Children present included a son, Mr. and Mrs. F. Woolsey and family of Lubbock; and five of Mrs. Woolsey's daughters and families: Mrs. and Mrs. W. H. Muize and family of Lubbock, Mr. and Mrs. J. H. Westbrook of Brownfield, Mr. and Mrs. C. W. Marshall and daughter of Odessa, Mr. and Mrs. Sam Griggs of Odessa, Mr. and Mrs. F. A. Howard and family of Haskell.

Others attending were Mr. and Mrs. Virgil Giles and daughter of Amarillo, Mr. and Mrs. E. W. Maize and family of Carlisle, Mr. and Mrs. W. P. Curd and family of Weiner, Mr. and Mrs. Wallace Roberts and daughter of Munday, Mr. and Mrs. Raymond Pace and family of Goree, Mr. and Mrs. Obbie Goolsby, Mr. and Mrs. Luther Bull, Mr. and Mrs. Travis Burnside, Mrs. Estelle Dyson and daughter, Mr. and Mrs. J. W. Brown and family, all of Lubbock, and Mr. and Mrs. Bobby Lee Howard and daughter of Haskell.

Unable to attend were two daughters, Mrs. T. W. Glasgow of Stamford and Mrs. Floyd Hardin.

NEWS OF INTEREST TO WOMEN

Dashing Around

by Diane Culligan

It's just a little gadget that sets by your hot water heater and by some miraculous scientific process the hard grey water that flows through it comes out almost as soft as the gentle rain that falls from the skies.

What a thing of magic and why in the world did we wait so long to have one installed out at the home nest? We no longer fly the coop as early as possible to avoid the grumbling that used to accompany Pop's daily shaving ritual, for he now appears at the breakfast table with a disposition as sweet and gentle as a lamb since we have an abundance of soft water.

We are still having some trouble getting little enough soap in the dishwashing process, but my own much improved spot, o' tea, Pop's daily shave and Mom's morning coffee certainly start the day off right, and at such a nominal cost! Lanier-Mobley should have a new slogan, "A Culligan Water Softener for every home in Haskell."

And another thing—could Culligan water softeners be used in small industrial plants? Then why do we spend thousands of dollars for soft drinks made by bottling companies located in neighboring towns, or thousands more to steam laundries, also located in nearby towns. Would it be practical to invite them to establish here?

Maybe we're getting to be a noisy nuisance instead of that dashing (?) personality we started to be, but we shall ask Mr. Rex Felker down at the Chamber of Commerce. If he doesn't know the answer he sure will find out.

Any way we think small businesses with a sense of responsibility for local welfare would mean added payrolls for our own citizens, and remember that dollars spent out of town somehow never find their way back to Haskell.

Mr. Gerald Pinkston: You caused a great deal of excitement and speculation 'round town by your very casual way of announcing that you might be able to use those unclaimed dishes at Baptist Church annex. The Young People's Department was just about ready to "start a fund," so what a let down when you tried to retract in a later announcement. Frankly, we think you let the cat out of the bag, and we didn't believe you when you tried to gram him by the tail and pull him back; so we just crossed our fingers for you when you made the second announcement!

Yippe!!!
Better shine your boots and dust off your Stetson and hurry down to Hunter's Men's Wear to be measured for that pretty Western shirt, the Saddle Tramps will have their chuck wagon supper.

Can't tell that riding club might just plumb naturally turn into a rodeo sometime—Now if we had one of them Money Making things along with our famous Central West Texas Fair, betcha we would never have to ask nobody for no donations!

There was much good music in the air at the First Baptist Church during the very successful music school. Conducted by Dr. and Mrs. J. D. Riddle and Mr. Raymond Jones from Baptist headquarters in Dallas.

Something we will never get accustomed to:
That confused and unpardonable babble of voices one hears in so many of our modern churches, even after the organist begins the prelude and meditation music.

The Ides of March: As you pay your income tax Monday, don't forget that this is also National Smile Week. Is somebody taking us for a ride on a roller-coaster, or is this just the usual Merry-Mix-Up featured at all big Carnivals?

Typical of the thousands of Blue Birds and Camp Fire Girls who will attend the church of their choice Sunday, March 16, beginning the annual observance of Camp Fire Week, is Belva Jean Adkins, daughter of Mr. and Mrs. Covell Adkins. The beautiful picture is an impressive illustration of the first law of Camp Fire, "Worship God." In Haskell, 67 members of the Blue Bird and Camp Fire groups and their leaders will take part in observing Camp Fire Birthday Week.

Latin-American Minister Is Guest Speaker At Meeting of Wesleyan Service Guild

Members of the Wesleyan Service Guild of the First Methodist Church met Monday evening at 7:30 o'clock in the home of Mrs. Bill Holter for their regular monthly meeting.

Rev. F. C. Flores, Rev. Flores, pastor of the Bethel Methodist Latin-American Church in Abilene. Rev. Flores took his text from the Book of Acts in regard to race discrimination.

Accompanying Rev. Flores from Abilene were his wife, Mrs. F. C. Flores, two Latin-American students from McMurry College, Miss Esperanza Medina, Miss Ruth Picago, also two young members of his church, Miss Lupie Arellano and Miss Maria Alunzo.

Miss Picago and Miss Arellano complimented the group with a hymn accompanied on the piano by Mrs. Anita Jo Medford. Miss Medina spoke to the group also in regard to race discrimination. Refreshments were served to the following members: a number of guests: Mesdames Gladys Vaughter, Helen Elliott, Anita Jo Medford, Irene Ballard, Willie Sue Martin, Cathrynne Warren, Bebe Middleton, Jean Landess, Billie Kemp, Mary Ratliff, Hazel Weaver, Pearl Holmsley, Mary Holden, Ruth Ferguson, Jannie Kennedy, Thurza Chamberlain, Mary Woods, Lola Scott, Odell Bynum, Helen Banks, John Roberts, Neal Hawkins, Pauline Baird, Rev. F. C. Flores, Rev. and Mrs. F. C. Flores, Miss Esperanza Medina, Ruth Picago, Lupie Arellano and Maria Alunzo.

Hostesses for the evening were Mesdames Bill Holter, Royce Smith and Truitt Craft.

Meets For Royal Service Program

The Womens Missionary Society of the First Baptist Church met Monday, March 9 at 4 p. m. in the annex for a Royal Service program. Mrs. J. M. Waggoner was program director.

Mrs. Walter Rogers, chorister, led the singing of "Wonderful Words of Life," accompanied by Mrs. J. E. Thompson. Mrs. R. C. Couch, Jr., gave the opening prayer.

Theme for the program was "Cuba for Christ." Mrs. Thompson gave the devotional from Isaiah 51-1-5, following with prayer.

Mrs. John E. Robison discussed Three Movements in Cuba: Evangelistic, Church Building, and Stewardship.

"Cuba now has open air evangelistic services in the Baptist Church with great choirs from other churches helping sing Cuba for Christ," she told the group.

"Today in the heart of Havana the Baptist have a big church, schools, broadcasting station and other valuable buildings to accommodate the Baptist denomination," Mrs. Robison said.

Three Women of Today's Cuba was given by Mrs. J. B. Gipeon, showing the fruits of a Christian's talents and their great influence for Christ.

The program closed with a song, "Wonderful Words of Life," and prayer of dismissal by Mrs. I. N. Alvis.

Dorcas Class Meets In Home of Mrs. Allene Wheatley

The Dorcas Class of the First Baptist Church met in the home of Mrs. Allene Wheatley for a social and business meeting Tuesday, March 3 at 7:30 p. m.

Mrs. J. W. Seay opened the meeting with prayer. Mrs. Cretia Brooks gave the devotional, taking as her subject "Jesus and the Book of Books."

Two readings were given, "Two Mothers" by Mary Van Cobb, and "The Bridge Builder" by Peggy Sonnamaker. A short business session followed.

Refreshments of sherbet and cake were served to guests. Mrs. Brooks, Peggy Sonnamaker, Mary Van Cobb, and the following members: Mesdames Eula Mae Herren, Brucile Nellums, Elyse Eastland, Nerva Oates, Cleatus Dixon, Ruby Alvis, Allene Wheatley, Ruth Currie, Faye Thompson, Trudie Gresham, Lora Mae Mullins, Ordria Darden, Lois Henry, Bertha Seay, Avis Pennington, Velma Free, Vivian Roberson.

Busy Bluebirds Meet Tuesday With Linda McDonald

The Busy Bluebirds met Tuesday, March 11 with Linda McDonald.

The president called the meeting to order. Janice Hattox read the minutes and roll call was answered by a good deed.

Final plans were made for the banquet. The girls practiced their part of the program. Linda led two songs, then refreshments were served.

Those present were Karen Adkins, Martha Jane Bynum, Jan Eastland, Kay Gresham, Janice Hattox, Jan Herren, Louisa Herren, Suzanne Lane, Sarah Lees, Shirley Norman, Linda McDonald, Christy Royall, Jane Ann Sego, Linda Speer, Mrs. Speer, Mrs. Emma McDonald, Mrs. A. B. McDonald and the leaders, Mrs. Walter Gresham and Mrs. Douglas Lees.

Annual Dad-Daughter Banquet of Fire Girls Scheduled Tonight

The annual Dad-Daughter get together honoring the fathers of Haskell Camp Fire Blue Bird girls will be held Thursday night, March 13 in the Haskell High School Activity building.

The girls will bring a decorated box for her dad and herself. The affair will begin at 7:30 p. m.

Each of the six Camp Fire and Blue Bird groups will have a part on the program. Mrs. Ed Hester has charge of program arrangements.

The welcome will be given by Karen Adkins, daughter of Mr. and Mrs. Covell Adkins. Her father will give the response from the Dads.

Payne Hattox, chairman of the Board of Directors of the Haskell Area Camp Fire Girls will be Master of Ceremonies. Thurman Lusk will give the invocation.

James Reid, member of the Board of Directors, will be song leader. He will lead the group in singing a medley of three songs.

The groups taking part in the supper and their leaders are: Friendly Blue Birds, Mrs. Nored Boone; Busy Blue Birds, Mrs. Walter Gresham; Jolly Blue Birds, Mrs. Gene Elliott; Happy Blue Birds, Mrs. W. D. Larned; Busy Bee Blue Birds, Mrs. Thurman Lusk; Watika Camp Fire Girls, Mrs. R. A. Lane.

The bride wore a yellow ballerina corsage of white and a yellow ballerina corsage of white. Herbert Lancaster was his brother's best man. The bride was the daughter of her father. A reception was held following the banquet. The serving table was with a lace cloth and an assortment of refreshments. Collins cut the wedding cake. Helen Redwine posed with Mr. and Mrs. Lancaster home at 305 South.

Danna Ruth Smith Entertained With Birthday Party

Mrs. Charles E. Smith entertained her daughter, Danna Ruth, with a surprise birthday party Thursday, March 13th. It was Danna's tenth birthday.

The birthday cake was in the shape of a heart. Cake and punch was served to the following guests:

Barbara and Jo Helen Elliott, Opal Lea Wallace, Becky Watson, Virginia Roberts, Christine Thomas, Shelia Langston, Gayle and Ina Mae Adams, Jan, Donna and Beverly Renfro, Betty Rexrode, Sandra Bass, Shirley Atchard, Belva Adkins, Kaye Brashers, Freddie Gilliam, Bettie Gail Ratliff, Jean Lusk, Billie Seets, Carolyn Josselyn, Julia Collins, Louetta Turnbow, Peggy Moore, Glenda and James Davis, Rodney and Gary Davis, Karen Wilson, Douglas Tyler, Geneva Lankford, Lin Currie, Diane Northcutt.

Mesdames Gene Elliott, Thurman Lusk, J. D. Tyler, W. J. Adams, Loid Renfro, and Chas. W. Smith.

VISIT AIR FORCE BASE

Mr. and Mrs. W. J. Adams, Mr. and Mrs. Lynn Frayley, Mr. and Mrs. Jack Chapman and sons, Mrs. Truett C. Cobb, Mrs. J. W. Holland and Dorothy Fouts spent last week end in San Antonio visiting with Howard Adams, Roy Gene Frayley and Toxie Cobb who are stationed at Lackland Air Force Base.

CARD OF THANKS

I desire to express my deepest thanks to the host of friends and neighbors for their acts of love and kindness and to the doctors and nurses for their care and kindness as well as those who sent cards and flowers during my stay in the hospital.

May God bless you all.—Mrs. W. J. Kendrick.

Jimmy White Passes Whites 32-6 Over Reds in Final Grid Scrimmage

Quarterback Jimmy White paced an Indian White eleven to a 32-6 victory over a Warrior Red alignment Friday afternoon as the Haskell Indians pulled down the curtain on their 1952 spring football training session with a game-style scrimmage.

A few scattered football fans witnessed the Indian preview that showed a lighter White contingent triumph over the heavier Red team.

Jimmy White's passes made the difference in the scrimmage as he fired four touchdown aeriels, completed eight of twelve attempts, and had only one intercepted while leading his teammates to their 25-point margin.

Wingback Mabry Brock was White's chief target of the afternoon, catching two of the scoring aeriels and hauling in a couple of others for long gains.

White kept the sky filled with passes during the first half and put the Reds down by a 25-0 margin at halftime.

The lighter White defense was almost impenetrable and was sparked by linebacker Don Dendy. Dendy figured in most of the tackles made on Red ball carriers.

The Red team could not pave a path through the more spirited White forward wall. Their only marker came at the end of the 3rd quarter when tailback Stratton broke over his right guard and fought his way for 29 yards and the lone Red touchdown.

The Reds drove 60 yards to the White 5 in the second quarter with the powerful running of Stratton and halfback John Donald Pitman. It took them only seven plays to go the distance, but they could not penetrate the White defensive alignment after they got inside the 10.

The initial White touchdown came in the first quarter when White tossed a 27-yard aerial to Brock who ran the remaining 35 yards. His score was assured when end Red Pitman threw the key block on a Red defender, allowing Brock to go untouched. White's try for conversion was blocked by tackle Bobby Boutwell.

Later in the first quarter, White threw a 15 yarder that was taken by Walter Holley on the Red 20 and went on to score. White's pass to end Roy Lauderdale for the extra point fell incomplete.

On the first play of the second quarter tailback James Kirby took a pitchout from White and sprinted 45 yards down the sideline to cross the double stripe untouched after White cut down the only Red tackler, Holley's conversion try was blocked by Boutwell.

Shortly before the end of the second period, a 40-yard pass from White to Pitman gave the Whites a 25-0 halftime advantage as White kicked the extra point between the uprights.

Brock scored the final White tally in the fourth quarter when he took a 52-yard pass from the arm of White, then scampered the remaining 23 yards. White's conversion was good making the score 32-6.

Two other White touchdowns were cancelled by penalties. Holley scored on a pass from White and White scored on a bootleg play.

The Red defense buckled down on two occasions, halting White scoring drives. Bobby Rexrode intercepted a White pass on his own 15 and Tommy Robison recovered a White fumble on the Red 3.

Quarterback Truett Craft was calling signals for the Reds. He completed 9 of 15 passes and had two intercepted, both by Brock. Craft led the Reds to 11 first downs, while the Whites got 10.

The winning team was composed of ends Wayne Bradford and Red Pitman; tackles Don Payne and Oris Gibson; guards Max Johnson and Charles Flannery; and Don Dendy center. In the backfield was White at quarterback, Holley at halfback, Brock at wingback, and Donald Dickey at tailback. Substitutes were Bobby Stone, Glen Kreger, Windel Dixon, James Kirby, Wayne Conner and Roy Lauderdale.

The Red contingent consisted of ends Doug Dendy and Ray Lauderdale; tackles Wendell Jones and Bobby Boutwell; guards Wayne Harris and David Strickland; and center Tommy Robison. Backs were Craft at quarterback, Stratton at tailback; Manuel Mullins at wingback and Pitman at halfback. Reserves were Bobby Rexrode, Frankie Mullins, Bucky Jones and Jimmy Bird.

SPORTS

Medford and King Win Individual Awards at Stamford Tourney

Captain Olen King and forward Jack Medford of the Haskell Rascals Independent Basketball team won two of the individual awards given away at the Stamford Invitational Independent Basketball Tournament last week.

The Rascals were eliminated in their initial contest at the Stamford meet by a 65-48 decision handed them by the Abilene Christian College Independents.

Medford and King were among some 30 cagers that were awarded individual honors. Medford was given a sport shirt for having the most unorthodox shot of any player in the tournament, while King received a leather shaving kit for having the heaviest beard of any basketballer.

The Rascals were originally scheduled to meet Modern Cleaners of Abilene Thursday night, but they dropped out of the tourney and the Rascals moved to another bracket, with the ACC Independents and played Friday night.

The Rascals somewhat surprised the more experienced ACC five and the spectators as they played the Christians point for point during the first half and at the midway mark the score was tied at 27-27.

It was in the fourth quarter with ACC leading by only four points, 44-40, that the Rascals began to tire and could not stay up with the better-conditioned ACC quintet. With only four

Indian Tracksters Plan For Bluebonnet Relays

The Haskell Indian tracksters very good for the first time. The 1951 mile relay team cut the time to 3:46 seconds which is expected to be bested by the 1952 team.

The 440-yard relay team didn't do quite as well on their first journey for time. They ran a 50.5 second race.

Coach Smith said they were making plans now to attend the Bluebonnet Relays at Brownwood, March 22 and that the entire team had to be in Friday. Thursday morning Coach Smith did not have the entry list complete.

Coach Smith said he was trying to schedule a dual meet with one of the surrounding schools for next week, but plans have not yet been completed.

Most of the first of this week was spent on conditioning, Coach Royce Smith said. They have also been running a few races, trying to sort out the material and see in what event each trackster will fit best. Wednesday the Indian tracksters watched a film of the state track meet at Austin last year and studied the techniques of the university runners.

Wednesday the mile relay team, composed of Larry Stratton, Manuel Mullins, Charles Flannery and Eldon Amonett ran a 4:14 second trip which Coach Smith said was

Stinette Eliminates Rule Girls, 53-37 From Regional Play

Rule's feminine basketballers were eliminated from the regional tournament at Canyon last week when they were handed a 53-37 lashing by Stinette.

The Rule sextet, coached by Ewell Sessom, was led by forward Donna Smith who hooped in 28 points to take the game's top scoring laurels.

Stinette was later knocked from tournament play by Claude, winner of the regional tournament. Claude, defending Class B state champions, return to the state meet for their second straight year and will meet Hawley in their first game at 10:10 a. m. Friday.

Paint Creek Junior Basketballer Edge Haskell Five, 40-38

Haskell's Junior cagers dropped a 2-point decision to the Paint Creek Juniors in the Haskell High School gym last Monday night. Since no time was kept, the juniors played to 40 points and the Paint Creek five reached the mark first and won the contest 40-38.

Freddie Shaw put the game on ice for Paint Creek when he made good two free throws that broke the 38-38 tie.

Neither team had complete control of the game at anytime until the final two points were made. The score rocked back and forth during the battle and kept the almost full house in a tautrum most of the time as both junior fives fought for the lead.

The starting five for the junior Indians is made up of: Bobby Bartley, center; Glen Kreger and Jerry Larned, forwards; and James Kirby and Johnny Berryhill, guards.

The Junior reserves are John Donald Pitman, Bucky Jones, Roger Cook, apt Henry, Robert Starr, Jimmy Mullins, John Clifton, Walter Hood, Tommy Jones and Dan Allred.

The Junior girls annexed three of four volleyball games from the Paint Creek girls.

A ship weighs the same, or less, than the water it displaces. Hydrogen is the lightest element.

EX-LONGHORN LEASES HASKELL LAND

Bobby Layne, ex-University of Texas football star, recently acquired some oil leases in Haskell County. Layne, nicknamed the "Golden Boy," was quarterback on the 1947-48 Longhorn team and was one of the nation's leading aerialists. He is now playing professional football with the Detroit Lions and lives in Lubbock when he is not playing with the Lions.

Rascal Cagers Lose To Rochester Five In Overtime, 56-55

A free throw by guard Lynn Johnson in an overtime won the Rochester All-Stars a 56-55 victory over the Haskell Rascals last Tuesday night in Haskell High School gym.

Johnson's courtesy toss was the only point made during the extra three minutes as the score was tied at 55-55 at the end of the regulation time.

The jinx of the second half again fell on the Rascals as the All-Stars staged a third quarter shooting barrage that netted them 2 points to gain a 3-point advantage over the Rascals. The Rascals had a 14-6 margin at the end of the first period and a 30-22 advantage at halftime. While the All-Stars got 24 in the third, the Rascals managed for only 13.

The Rascal zone defense limited the All-Stars to long push shot from behind the free throw circle but Mickey Johnson and Profit did not let that hamper them much. Mickey hit 20 points to take high point honors for the game and Profit, looped in 13, ten of them coming in the last half. Lynn Johnson had 15 points to his credit.

For the Rascals, forward Jack Medford was high on the scoring list, bucketing 18 points on 8 field goals and 2 free pitches.

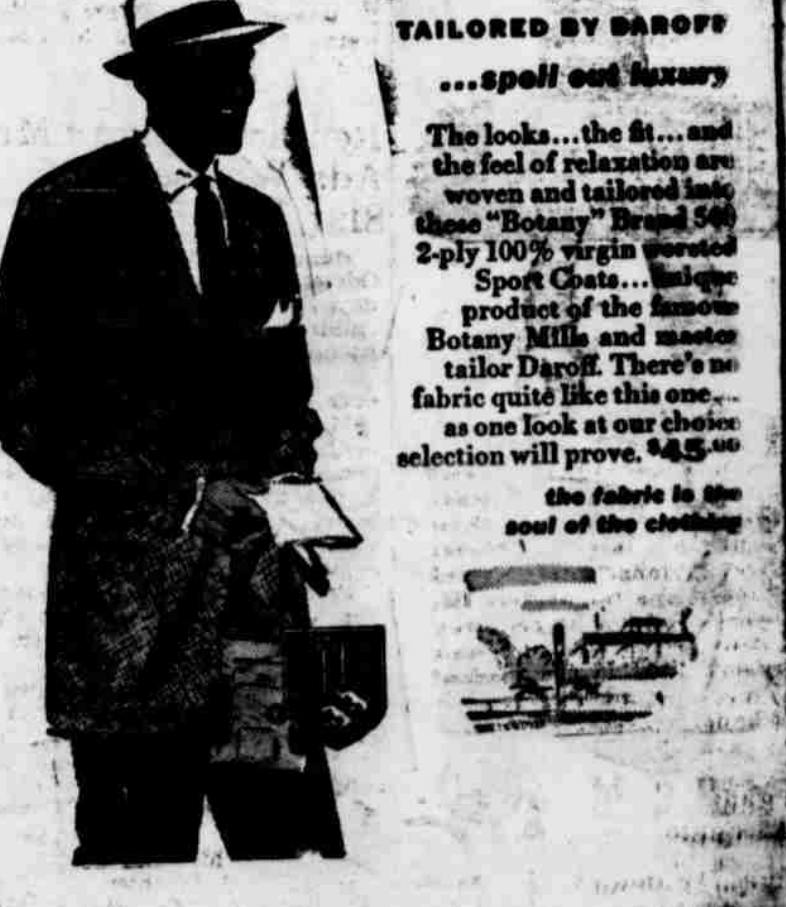

In the last half, the All-Stars began to take control of the backboards and were getting most of the rebounds and then tried to freeze the ball during the overtime.

The Rascals had the All-Stars down 53-52 as the final seconds ticked off and shortly before the game-ending whistle blew Lynn Johnson hit a free throw that deadlocked the score at 55-55 to throw the contest into a three-minute overtime. Then, his free toss during the overtime led the game for the Rochester quintet.

Dog Ordinance to be Enforced

The City Council at a meeting held March 11, voted to take immediate steps to do something about the Dogs Running at Large Nuisance. Numerous complaints have been registered with the Council and they have repeatedly discussed the matter in the Council meetings. They realize that it is a problem not easily solved and one that will require the co-operation of the Public and more especially the owners of dogs.

An ordinance controlling the running of large dogs was adopted by the City Council of Haskell in June, 1909, and is still in force. This Ordinance provides that all owners of dogs running at large must procure from the office of the City Secretary, a license tag, which shall be attached to the dog's collar. The 1952 Dog Tags are now available and the price of the Tags is \$1.00.

After a reasonable length of time all dogs found running at large without the 1952 tags will be destroyed. The Council must place the responsibility upon the dog owners. If you do not value your dog enough to comply with the provisions of this Ordinance you may lose your dog. To destroy a valuable dog, or a child's pet is something no one likes to think of. Please do not let it happen to you.

HASKELL CITY COUNCIL

CARD OF THANKS

We want to take this means to express our sincere appreciation for the words and deeds of kindness, for the food and beautiful floral offering.

We pray that God's blessings will rest upon each and every one who had part in anyway. Should sorrow come your way may you receive the same blessings. —Mr. and Mrs. Jack Mapes, Odessa; Mr. and Mrs. Tom Mapes, Mrs. D. Cornelius, Electra.

ATTEND FUNERAL IN FORT WORTH

Attending the funeral of their grandmother, Mrs. Minne Andrews, Monday in Fort Worth were the following from this city, Mr. and Mrs. J. M. Lackey and family, Mr. and Mrs. C. B. Lackey and family, Mr. and Mrs. Clifford Nicholson and family, and Mr. and Mrs. Beno Andrews and family.

5-Year-Old Haskell Lad In Scottish Rite Hospital

John Mike Tate, 5 year old son of Mr. and Mrs. M. R. Tate, Haskell, was admitted to the Scottish Rite Hospital for Crippled Children in Dallas March 7, 1951.

The hospital was founded 27 years ago by Texas Masons to provide the best treatment for Texas' crippled children at no extra cost to the patient.

Since that time the Scottish Rite Hospital has treated over 16,000 clinical patients. An expert staff of doctors, nurses and therapeutic technicians carry on the best surgical and corrective treatment by means of contributions from the general public.

News From Sagerton

Miss Dahlia Knipling, home-making teacher at Rule high school and daughter of Mr. and Mrs. A. C. Knipling of Sagerton, was elected secretary of the Homemaking Division of the Oil Belt TSTA at Sweetwater last week end. She has been the head of the homemaking department at Rule high school for two years and is a graduate of Texas Tech at Lubbock.

Miss Irene Stewart, principal of the Sagerton school attended the teachers' convention in Sweetwater last week end.

Mr. and Mrs. Lois Young spent last week end in Oklahoma City visiting with their daughter, Mrs. Joe Swafford and family.

Mr. and Mrs. B. Kupatt went to Miles Sunday for the funeral services for Mr. Blumentritt, who passed away in Houston last week. Mrs. Blumentritt is a sister of a former Sagerton resident, Mrs. John Franke, who now lives in Abilene.

The Sagerton Stitch and Chatter Club met in the home of Mrs. Ben Hess Wednesday afternoon, March 8. Those present were Mesdames Pete Lusk, Cliff LeFevre, M. Y. Benton, R. N. Sheid, Anna Hankins, R. O. Gibson, Sr., Henry Laughlin, G. A. Leach and the hostess. Cake was served topped with whipped cream and coffee and Cokes were served.

The next meeting will be in the home of Mrs. Henry Laughlin, March 19.

Miss Maggie Lentz of Fredericksburg is visiting Rev. and Mrs. O. K. Oelke and Luther. She is Mrs. Oelke's sister. Mrs. Oelke returned home from the Stamford Hospital last week and is recuperating from the flu.

Mrs. Will Stegemoller observed her birthday in her home

Chickenpox Cases Often Similar to Smallpox

Chickenpox cases are most numerous in winter and spring says Dr. Geo. W. Cox, State Health Officer. Ordinarily, people do not consider it a serious disease. But probably the most serious factor is that light cases of smallpox and the symptoms of chickenpox are similar. Only a physician can tell the difference. At the first sign of skin eruptions, you should put the patient to bed and call the family doctor.

As in any other illness, chickenpox lowers body resistance to other disease germs. Thus, complications such as pneumonia, inflammation of the kidneys, erysipelas, and gangrene of the skin may occur, resulting in a serious illness.

Chickenpox is highly contagious. It usually develops two to three weeks after exposure. After one attack, the patient is immune to the disease. Although chickenpox occurs most frequently among children less than fifteen years of age, adults, too, can get the disease if they did

School Groups
Phone 5704 Box 1573

not have it when they were children.

The chickenpox germ gains entrance to the body through the mouth and nose. Skin eruptions of sick persons contain the germs. The disease spreads rapidly through families and schools, as an infected person can spread his germs widely by careless coughing, using a common drinking cup, towel, or washcloth. For his own welfare and to protect others the patient should stay in bed and apart from susceptible members of the household until all danger of spreading the disease is passed.

Control of chickenpox is important because the disease is so highly infectious that it attacks large numbers of children. This interferes greatly with school attendance. The control of chickenpox and all other communicable diseases depends upon the

cooperation of parents with their family physicians, and school and health authorities.

Rex Felker, manager of the Haskell Chamber of Commerce attended the annual meeting and banquet of the Graham Chamber of Commerce Friday night. Accompanying the Haskell representative was Ralph E. Duncan of Abilene, WCTC staff member who represented the regional organization at the meeting.

WILL MAKE HOME AT FORT LEONARD WOOD

Mrs. Leon Ivey of this city and Mrs. Leo Prater of Goree left last Thursday morning to join their husbands who are stationed at Fort Leonard Wood, Mo. They were accompanied by Mr. and Mrs. Elton Culberth and Mrs. Annie Ivey, who returned Monday night.

A. COBURN

Assessor-Collector

Sections of 8-foot reinforced concrete pipe to be used in the West Texas Utilities Company's power plant on Paint Creek reservoir almost dwarf two men, R. V. (Bob) Sass at left, WTU resident engineer in charge of the construction project, and city alderman Bill Longley of Stamford.

Each 5-foot section of the pipe weighs approximately 1,500 pounds. Manufactured on special order for the WTU plant installation, the pipe is the largest of its kind ever made by the plant where the pipe is being made, located between Dallas and Fort Worth.

The pipe will be used in laying a 2,000 foot pipeline from the power plant along the lake bottom. Through it, warm water from the plant will be discharged near the center and at the bottom of the reservoir. (Abilene Reporter-News Photo.)

Joe Allen Box Is Promoted to Rank Of Sergeant

A Haskell County airman, Joe Allen Box, has recently been promoted to the rank of Sergeant, friends here have learned.

Sgt. Box is stationed at Conally Air Force Base near Waco. A former student in Texas A&M College, he has been in the service since February, 1951. Mrs. Box and their daughter, Barbara Anette are in Waco with him.

Sgt. Box is a nephew of Mr. and Mrs. J. R. Adams, and was reared in their home.

All are invited to worship, meditate and study with us.

Dr. and Mrs. J. G. Vaughter and children of this city were called to McKinney early Sunday, where her father, Ben Taylor, died late Saturday night following a heart attack. They remained Monday to attend the funeral rites for Mr. Taylor, a lifetime resident of Collin County.

Mrs. W. S. Wright and Mrs. Cliff Heath and Mrs. Heath's daughter, Mrs. Burks, all of Midland spent last week end in the home of their brother and family, J. E. Redwine.

Capt. and Mrs. Roger Lecompt of New Hampshire were recent visitors in the home of her parents, Mr. and Mrs. T. D. Strickland of this city. Capt. Lecompt returned recently from Korea, where he had been with U. S. Army forces for 13 months. He has been transferred to the Army Air Corps and will be stationed at a base in North Carolina for the present.

WTU Publication And Editor Given Recognition

ABILENE, Tex.—The West Texas Utilities Company and Jimmie Martin, editor of the Electric Times, company employee publication, were awarded honor medals at Valley Forge, Pa., February 22, when Freedoms Foundation, Inc. singled out 22 Texans for recognition of their efforts in "bringing about a better understanding of the American way of life."

Martin, who has served as industrial editor for WTU since 1945, is a member of a pioneer West Texas newspaper family, and before joining WTU operated newspapers in Brady, Childress, Snyder and McCamey. He is a graduate of Hardin-Simmons University where he had an active cho, university annual, during his senior year.

Juan Pablos set up the first printing press in the New World, in Mexico City.

F. H. A Disaster Loans Available To Farmers To Finance Crop Planting

All Texas counties are now under designation as disaster areas by proclamation of the U. S. Department of Agriculture. The action qualifies farmers who have suffered crop losses and who are unable to obtain credit elsewhere for loans from the Farmers Home Administration to put in 1952 crops.

Bad weather conditions in 1951 reduced farm yields materially and tightened up credit conditions, to the extent that many farmers were unable to finance crop plantings. Disaster loans are available in each county. Farmers who have sustained production losses on crops and livestock may apply for funds to pay for

seed, fertilizer and materials and insect control where needed, gas and oil for tractors, feed for livestock, essential farm and home operating expenses, machinery repairs and other expenses incident to the production of a crop.

Credit is advanced under authority of Public Law 38 and is available to farmers who have sustained losses, and who cannot obtain from local sources the funds needed to plant a crop this year. Before a loan is made a County Committee of three farmers must certify that the applicant suffered a substantial production loss. Farmers may apply for loans at the office of County Supervisor William B. Beeson in the courthouse located at Haskell.

Funds will be available to ranchmen whose herds have been depleted by the drought. They can borrow to restock their pastures.

Farmers who qualify under the disaster loan regulations may discuss their needs with the county supervisor.

Better farming practices are emphasized in the F. H. A. loan program. These will be discussed and agreed upon by the county supervisor and the applicant when the loan application is prepared. A program of diversification is the safest course. Farmers who have carried out a balanced farming program with livestock do not need emergency aid this year though they did sustain losses because of drought conditions last year, according to a survey of case files, the county supervisor emphasized.

Horse Sense

By REX FELKER

I remember one time here in Haskell when we held a contest to see who could take the longest amount of time to drive their car around the square without killing the motor. The contest was won by the former Grace Cearley with the approximate time of 14 minutes. The speed with which some of our present day drivers whizz up and down the streets, about thirteen minutes and thirty seconds of this record could be given back to the judges. Wonder if it wouldn't be a good idea to promote another such contest and get our minds off the speed for one day anyway and kind of give the poor old pedestrian a much deserved holiday?

I also remember one time years ago when a mad dog came through Haskell during the wee small hours of the night and for weeks afterward the town was broken out with a rash of rabid dogs and other animals. So many dogs are on the loose in town right now to a stranger it must resemble a Hopi Indian village. "Dog Days," as the old timers called them, will be on us in the near future and anyone would hate to be indirectly the cause of some child being bitten by a rabid dog. Let's encourage all dog owners to keep them in their proper pens or places.

I remember too, a lot of good natured kidding that members of the Riding Club have been getting about their ability as riders. Oh, well we can take it and will admit now that all people who dress as cowboys aren't necessarily cowboys but would like to remind you that all politicians in office these days and times are not Statesmen by any means, either.

I don't remember but have found out that the first Cutting Horse Contest ever held in this part of the world was in Haskell in 1898 and was won by a horse called "Old Hub." History relates that some fourteen thousand people gathered in the little Western town of Haskell, Texas, for the Cowboy Reunion which was held in the southwest part of town on what is now Pippen's Farm.

All of this causes me to remember that I have already invited the ire of automobile drivers, dog owners and politicians and that I better use good horse sense and stop here before others get in on the chase.

4-H Club Girls to Present Skit, "Learn to Sew" For H-D Clubs

"Let's Learn to Sew" is the skit Haskell County 4-H Club girls are giving to Home Demonstration Clubs this month.

At the first of each year, Home demonstration Club women have as a goal to have one program given by 4-H Club girls during the year. It is only through the excellent cooperation of the 4-H adult leaders, 4-H Club girls and

the Home Demonstration agent that this goal can be accomplished.

Miss Thelma Wirges, county home demonstration agent, rewrote a skit originally written by the clothing specialist, to fit the needs of Haskell County clothing program. She then gave this skit to the adult leaders, who are training the girls and are taking them to meet with the Home Demonstrations clubs.

Mrs. Dewane Vaughn has worked with the Haskell 4-H Club girls so they can go to the Friendship Home Demonstration Club. The Sagerton girls have Mrs. R. L. Ross as their leader and they will go to the Sagerton club.

Mrs. Rex Murray and Mrs. H. Russell are both taking girls to the two clubs. Mrs. Murray and the Rule girls will go to the Blue Bonnet and Lucky clubs. Mrs. Russell and the Paint Creek girls will go to the Liberty and Center Point clubs.

Mrs. Howard Sloan, chairman of the 4-H leaders committee of the Home Demonstration Council, and Rochester adult leader, will take girls to the Veteran's Wives, Willing Workers and Fannie Smith clubs.

Since the O'Brien and Weinert girls did not have leaders to work with them, Miss Wirges gave them training and they will go to Josselyn, New Mid and O'Brien clubs.

The skit has parts for three girls, one represents the Home Demonstration agent and the other two are girls learning to buy and use good sewing equipment.

These skits not only teach the women things they need to know, to make well constructed garments for themselves and their families, but they give training to these 4-H Club girls that will help them to help build better clubs, communities, and homes, today and tomorrow.

Luncheon B. Ivey Training At San Diego Marine Depot

Luncheon "B" Ivey, son of Mrs. Dora Addie Ivey of Star Route, Haskell, is now undergoing training at the Marine Base Corps Recruit Depot, San Diego, Calif.

The 21-year-old was inducted in the Marine Corps at Albuquerque, N. M. recently.

During the eight-week "Boot Camp," as recruit training is commonly called, Private Ivey will become well versed in such basic military subjects as precision drill, first aid, Marine Corps and mission and field tactics.

Three weeks of the training is spent at Camp Matthews Rifle Range, situated 15 miles north of San Diego. While there Private Ivey will fire the .30 caliber Garand rifle, .45 caliber pistol, carbine and Browning automatic rifle. He will also receive indoctrination firing with the light and heavy machine guns, 60 and 81 mortars, flame throwers and the latest type bazookas. Under a newly adopted training program he will also receive instructions in throwing live hand grenades.

Private Ivey was employed by E. H. Tidrow in Haskell before reporting for service with the Marine Corps.

Upon completion of recruit training he will be granted a 10-day leave and, if he has maintained a good record, will be promoted to Private First Class. He will then be assigned to a Marine post or station for duty or to a Marine Corps school for advance training.

Haskell Student at U. of T. Is Elected Class Representative

Jason Walker Smith, Jr., University of Texas student from Haskell, has been elected representative of the second-year class to the law school honor council. He is also a new member of Phi Alpha Delta, honorary legal fraternity.

His parents are Mr. and Mrs. Jason W. Smith.

George Washington owned a set of the third edition of the Encyclopedia Britannica.

FOR SALE: Grown male Pekingese, one red male puppy. Mrs. T. J. Arbuckle. 11p

CENTERPOISE POWER

Vibration and power impulses are "screened out" as engine is centered and rubber-cushioned between new high-side mountings.

BODY BY FISHER

Fisher Body sets the standard—not imitating, for craftsmanship, for comfort! Fisher steel construction is extra strong.

LARGEST BRAKES

Big 11-inch brake drums apply more leverage for more stopping power. Stops are smoother, safer, with less effort.

UNITIZED KNEE-ACTION RIDE

Chevrolet's famous Knee-Action ride is now even softer, smoother. New shock absorbers give even finer ride control.

WIDEST TREAD

Chevrolet measures 58 1/2 inches between centers of rear wheels—a broader base to give you more stability, less sway!

SAFETY PLATE GLASS ALL AROUND

Chevrolet alone in its field gives you safety plate glass in windshield and all windows, for a clearer, truer all-around view.

POWERGLIDE AUTOMATIC TRANSMISSION

Simpler with fewer parts to wear. Smoother—no complicated intermediate gears. Optional on De Luxe models at extra cost.

MOST POWERFUL VALVE-IN-HEAD ENGINE

Teamed with Powerglide is the most powerful valve-in-head engine in its field and an outstanding performer in any field!

CAST IRON ALLOY PISTONS

The same material as the cylinder block, pistons expand and contract at same rate. This reduces wear, lowers oil consumption.

SAFETY PLATE GLASS ALL AROUND

Chevrolet alone in its field gives you safety plate glass in windshield and all windows, for a clearer, truer all-around view.

POWERGLIDE AUTOMATIC TRANSMISSION

Simpler with fewer parts to wear. Smoother—no complicated intermediate gears. Optional on De Luxe models at extra cost.

MOST POWERFUL VALVE-IN-HEAD ENGINE

Teamed with Powerglide is the most powerful valve-in-head engine in its field and an outstanding performer in any field!

CAST IRON ALLOY PISTONS

The same material as the cylinder block, pistons expand and contract at same rate. This reduces wear, lowers oil consumption.

SAFETY PLATE GLASS ALL AROUND

Chevrolet alone in its field gives you safety plate glass in windshield and all windows, for a clearer, truer all-around view.

POWERGLIDE AUTOMATIC TRANSMISSION

Simpler with fewer parts to wear. Smoother—no complicated intermediate gears. Optional on De Luxe models at extra cost.

Sherman Floor Co. Is New Business Concern Here

Allen Sherman announced the opening of Sherman Floor Company this week. The new business is located at 1100 North Fifth Street in Haskell and is owned and operated by Mr. and Mrs. Sherman.

Sherman specializes in all types of floor work, including sanding, finishing, laying of tile floors, and linoleum. He also carries a complete line of floor cleaners and floor waxes as well as stocking Armstrong and Pabco linoleum. Sherman is a native of Haskell, having spent the past three years in Fort Worth where he was employed by the Jennings Floor Company.

Red Cross - - -

(Continued from Page 1)

vention and Home Nursing, and a Blood Program, Miss Dulaney pointed out.

A total of 215 Haskell County children were trained in the Red Cross "Learn to Swim" program last June, she related. Of this number 161 were beginners. Other courses taught included Intermediate, Advanced, and Junior and Senior Life Saving.

"The average number of First Aid instructors in a county the size of ours is three," Miss Dulaney told Lions. "Haskell County has 28 currently authorized First Aid instructors, and over 300 people in the county have completed standard and advanced First Aid Course."

"The Haskell chapter also has

a complete disaster program set up. Included in the plan are 400 men and women in the county who know where to go and what to do should disaster strike. This program had a realistic trial in the Rochester area three years ago, where the Red Cross spent \$3,614.11 when a tornado struck in that section. This was two-thirds of our entire chapter budget for the whole year, but it was given to this county as a grant from National Headquarters," Miss Dulaney pointed out. "This is an illustration of what is done with the portion that is sent from our fund drive each year to the National office. It could be compared to an insurance policy—we pay headquarters less than 25 percent of our total intake—and hope we'll never have occasion to ask it back," she said.

In Junior Red Cross activities, school children are encouraged each year to make scrapbooks of American ways of living and send them, through the Red Cross, to children of other lands in an effort to create better relationships between countries. They also send hundreds of boxes of toothpaste, combs, crayons, etc., to these children every year.

Accident Prevention and Home Nursing courses are available through the Red Cross chapter at all times to any organization desiring them, the chapter director said.

"Our most recent program was the visit of the Red Cross Bloodmobile unit in January of this year," Miss Dulaney said in closing her talk. "In all, 413 Haskell County people went to the unit, some of whom were rejected, but 394 pints of blood were taken. That same day, the blood was sent in a refrigerated car to Fort Worth to the Armour Processing Plant and made into plasma. In 11 days the blood was in U. S. Army hospitals in Korea," she declared.

PARENTS OF SON

Mr. and Mrs. Alford Dunnam of Weirton are the proud parents of a baby son, David Ray, born Wednesday, March 12 and weighing seven pounds and six ounces. Grandparents are Mr. and Mrs. C. A. Dunnam of Weirton and Mr. and Mrs. John W. Earp of Weirton.

UNDERWENT OPERATION

O. L. Moore underwent surgery Wednesday morning in the Veterans Hospital at Big Spring.

In areas of the state where moisture and other conditions are favorable, the vegetable varieties that are cold-hardy can be planted. Broccoli, cabbage lettuce, onions, peas, Irish potatoes, spinach and turnips can be planted from four to six weeks before the last spring frost. Beets, carrots, chard, mustard, parsnips and radishes can be planted from two to four weeks before the last spring frost date.

HOSPITAL NOTES

Relatives and friends are requested to observe the following schedule of the visiting hours: 9 to 10:30 a. m., afternoon, 3 to 4:00 p. m.; evening, 6:30 to 8:30 p. m.

Hilscher, Rule; Mrs. Tommy Foster and infant son, Rochester; Mrs. Joe Young and infant daughter, Haskell; and Mrs. J. L. Flowers, Sagerton.

GUESTS IN HOME OF MRS. J. S. CHAPMAN

Mrs. J. S. Chapman had the following children and friends as guests in her home during the week end Sunday: Mr. and Mrs. Larry Stoddard and Germaine of Pampa; Mr. and Mrs. A. L. Johnson and Cheryl of Brownfield; Mrs. W. E. Johnson, Mr. and Mrs. Alvis Bird and Robert, Bill Pennington and Don, all of Haskell, Mr. and Mrs. Stewart Burson and Linda Diane of Rochester.

The Texas Home Economics Association and Texas Nutrition Council will meet in Austin on March 7 and 8 at the Stephens F. Austin Hotel.

U. S. Presidents who have died in office are Garfield, McKinley, Lincoln, Harrison, Taylor, Harding and Roosevelt.

G. L. Ross, Retired Stamford Farmer, Dies Tuesday

G. L. Ross, 81, retired farmer and resident of Jones County 31 years, died at 11 a. m. Tuesday in the Stamford Hospital, after an illness of two months.

Mr. Ross was the grandfather of Mrs. R. W. Turnbow and Mrs. Robert Dumas of this city.

He moved to Jones County from Paris, Texas, in 1921 and engaged in farming for a number of years. For the past 12 years he has lived in Stamford. He was a member of the Baptist Church.

Funeral services for Mr. Ross were held at the New Hope Church Wednesday at 2 p. m., conducted by the Rev. J. L. Rhoden, pastor of Highland Baptist Church, Denton, assisted by Rev. L. D. Hull, Baptist minister of Stamford, and the Rev. Lee Moore, pastor of the New Hope Church. Burial was in New Hope Cemetery under direction of Kinney Funeral Home of Stamford.

Mr. Ross is survived by two sons, A. C. Ross of Stamford and C. C. Ross of Dallas; five daughters, Mrs. C. W. Wood, Avoca; Mrs. Seth Adams, Hamlin; Mrs. A. R. Brown, Mrs. J. J. Mickler, and Miss Ottilie Dell Ross, all of Stamford. Also surviving are a brother, two sisters, 18 grandchildren and 15 great-grand children.
