

THE SANDERSON TIMES

SANDERSON, TEXAS FRIDAY, OCTOBER 4, 1940

NUMBER 31

ELIGIBLE MEN TO REGISTER FOR DRAFT OCT. 16 AT REGULAR VOTING PLACES

REGISTRARS ARE DETERMINED TO AID IN MEN'S WORK

Instructions made to registrars within the age limit of 21 to 35 inclusive, will be given where they vote if they are in the county, and if they register elsewhere on that date, October 16, these instructions apply to the United States as citizens.

Registration places will be open from 7 a. m. until 9 p. m. and all registrations will be under the supervision of a registrar. Filing in the card will be from twenty to thirty days each, and because of this all persons are urged to be registered as early as possible so the work can be completed within the allotted time.

It is estimated that there will be around 400 registrations in Terrell County at the places for registration. It is estimated that one registrar will be in charge of only 10 or less registrations during the time allotted and this for an ample staff of registrars. There will be no absentee registrations since each person must register wherever he is at that date.

Prices of registrars are asked about pay, and registrars are either male or female. Male registrars must be under the age of 21 or over the age of 35. No registrars have been named to date, and patri-

otizens who will offer their services for this work are requested to contact D. L. Duke who will be in charge of registrations. Taking the estimated 300 registrations to be in precinct one this will

mean that at least 10 registrars are necessary to complete the work in that precinct alone. More could be used to an advantage if they will offer their services.

As each person registers he will be assigned a number and a corresponding number will be in the Washington office where numbers will later be drawn under similar procedure to that employed during the World War days in inducting men into military service.

Questionnaires will later be sent to each person who registers and from there the four classes will be formed: Class one will include all who are eligible for immediate military training. Class two will include those who are now engaged in essential occupation. Class three will be those whose service is deferred by reason of having dependents. Class four will include those whose service is deferred by law.

It is provided that only 72,000 will be called first about November 1st and that at no time shall more than 900,000 be in training at the same time and that total strength will possibly not be reached before 1942. Under this ratio only a very few men could possibly be called from this county as it is estimated there are approximately 16,500,000 men eligible for registration. Voluntary enlistments for a period of one year are now permitted, and where an area has its quota of volunteers no one in that area would be called under the Conscription Act.

JUDGE MONTAGUE NAMED CHAIRMAN ADVISORY GROUP

As an aid to persons who will have to register for training under the recent Burke-Wadsworth Bill, the President of the United States requested that the Governor of Texas appoint all District Judges in Texas as members of the Advisory Boards for Selective Service.

Acting upon this request, Brian Montague has been named chairman of the Advisory Board of this district and other members to serve on the board with him from this district will be named and approved later.

Members of the Advisory Boards will offer free services to prospective registrants who will need legal advice, and especially in filling out the questionnaire which will be furnished to each registrant on registration day. This questionnaire is of necessity, rather complicated, and the information contained therein, when properly filled out, will be the yardstick for the local boards in properly classifying and determining who should be placed in deferred classifications.

Persons who will need advice in filling out their questionnaire properly are reminded that this service is free and that a number of the Advisory Board will be named in Sanderson so that he will be available to those who need him. Announcement of the lawyer named to fill this place will be made later.

Mrs. Tol Murrah Hostess to Wednesday Club

Mixed fall flowers decorated the entertaining rooms when Mrs. Tol Murrah entertained the Wednesday Bridge Club at her home Wednesday afternoon.

Mrs. John Reininger was winner of high score prize and Mrs. R. D. Holt was awarded the prize for second high.

A salad plate was served to Mesdames Steve Stumberg, Max Bogusch, James Kerr, W. H. Savage, R. S. Wilkinson, R. D. Holt, S. S. Daggett, A. E. Creigh, Jr., C. P. Peavy, D. M. Wells, John Harrison and John Reininger of Del Rio.

TWO INJURED IN AUTOMOBILE WRECK

Jean Murray, formerly of San Angelo, and Tyson Foster, of San Antonio, were injured Tuesday morning when the automobile in which they were riding turned over three times about a mile out of Sanderson on the Fort Stockton highway.

The two were returning to the Dick Brite ranch after spending some time in town and the wreck resulted when their car hit a post at the side of the road. The car was traveling toward Fort Stockton, but after it had overturned three times, it righted itself and was facing back toward Sanderson.

Foster suffered a fractured skull, concussion, lacerations on the scalp and face, a fractured shoulder, and a fractured rib. He was given first aid treatment locally and placed on the 6 o'clock train and sent to his home in San Antonio. Reports from there Thursday stated that his condition was improving.

Murray received lacerations on the scalp, face and shoulders, but was able to return to the Brite ranch.

The automobile, a 1936 Ford belonging to Foster, was completely demolished.

Mrs. J. D. Holt Dies in Santa Anna

Funeral services for Ruth Ann Beard Holt, 66, who died Tuesday were conducted at 10:30 a. m. Wednesday at the U. S. A. Presbyterian Church. Rev. M. L. Womack officiated with Rev. H. C. Bowman assisting.

Mrs. Holt was the youngest of eleven children, born at Paint, Texas. At the age of fourteen she was converted at Lone Oak, Texas and joined the Presbyterian Church.

She was united in marriage with J. D. Holt on July 14, 1917, and has made her home in Coleman County since that time.

Palbearers were Chris Hardin, Welton Holt, Homer Vercher, Roger Holt, Bill Simmons, and Clyde Verscher.

Flower ladies were Mesdames R. S. Traylor, J. W. Taylor, Carter Duggins, Clinton Lowe, H. O. Norris, Welton Holt, Roger Holt, and Sammie Duggins.

Survivors are her husband, four step-children, Mrs. Leoma Candler, Port Arthur; Mrs. Ruth Bettis Sweetwater; Walter Holt, Santa Anna; Roy Holt, Sanderson; and three sisters, Mrs. J. N. Dodg and Mrs. M. W. Trimble of Lone Oak; and Mrs. R. L. Simmons, Miami, Texas.

Burial was made at the Santa Anna Cemetery with Hosch Brothers in charge of arrangements—Santa Anna News.

Mrs. W. H. Savage Leader at Auxiliary Held at Church

On Monday of last week the Woman's Auxiliary of the Presbyterian Church met in the church for a regular meeting.

IT COULD BE DONE!

The majority of the people of our town are proud of where we live, and rightly so. There are a few civic improvements which could be made, however, that would go far in impressing upon the minds of visitors that we take pride in Sanderson.

One among the many of these would be the establishing of some kind of a park where citizens as well as visitors could stop for a picnic, where football games, rodeos, and other events could be held. It's true that we have a scarcity of water when it comes to the proposition of watering and maintaining a park of any size, but we believe that some arrangement could be made to take care of the matter.

At present we ask our football players to go out and not only practice on rocks and the hard dirt, but to play a contest game on that same field. And to make matters worse neighboring towns are refusing to bring their players to Sanderson so long as they have to play on this type of field. Coach Duane Smith tells us that some coaches of other schools told him that they would forfeit a game before they would play here again. And that statement was not made only to the Coach, but to and in the presence of others as well. If other coaches refuse to ask, or let their boys play just one game on our field it seems that we are expecting a lot of our boys in wanting them to play on it all the time.

During his summer studies, Coach Smith went into the matter of a park or recreation spot for Sanderson. He believes a feasible plan would be to enlarge the present Legion Park, cover it with a depth of dirt so that it might be sodded to grass, place tables and benches around, and so arrange it that it will serve as a baseball field, a football field, rodeo grounds once or twice a year, and a place for the people of Sanderson to enjoy and take pride in.

Of course all this cannot be done without cost, but it can be accomplished at a reasonable cost, and would be an addition to Sanderson that would really make a difference. And the difference would not be only in the appearance of the town that a little green would make, but it would make a difference in the attitude of other towns and athletic teams and coaches in this district. If an agreement could be worked out with the American Legion concerning the park and arrangements could be made with the Community Public Service Company or the Railroad Company for the water, surely we could put forth enough effort and take enough pride in our recreation spot that would compare favorably with other towns that are handicapped to the extent Sanderson is handicapped.

Let's give this matter some thought and see if some method of solving the question cannot be found—it will make our town a better place in which to live.

P. F. MILES KILLED IN AUTOMOBILE WRECK IN HOUSTON

Word has been received in Sanderson of the death of P. F. (Percy) Miles in an automobile accident Thursday in Houston.

For many years Mr. Miles was locomotive fireman on this division, but had recently transferred to the Houston division. He was unmarried and was a member of Sanderson Lodge 988, AF&AM, and a member of B. of B. of L. F. and E.

Students Organize Terrell County Club at Sul Ross College

ALPINE—The students attending Sul Ross State Teachers College who are from Terrell County met last Thursday night for a horseback ride and a chuckwagon supper at Kokernot park. Following the supper the first business meeting was held with Dr. C. B. Casey presiding.

The members of the party voted to name the newly organized group the Terrell County Club. Dr. and Mrs. Casey consented to sponsor the club and the officers elected are as follows:

Bill Goldwire, President
Taft Holloway, Vice-President
Jane Ord, Secretary-treasurer
The members of the Terrell County Club are Maxine Clatfeiter, Margaret Ann Gregory, Taft Holloway, Jane Ord, Lillie Merle Powell, Mary Louise Goldwire, Bill Goldwire, Reba Burleson, and Ralph Burleson.

The fourth Wednesday in every month has been allotted by the college schedule committee to the Terrell County Club for its regular social meeting.

Hazel Babb Celebrates Eleventh Birthday Monday

Mrs. George Turner and Mrs. Dillard Babb honored Hazel Babb with a lovely birthday party Monday, celebrating her eleventh birthday, at the home of Mrs. Turner.

Members of the sixth grade present were Avis McDonald, Charles Hill, Ora Mae Blackwelder, Janette Cobb, Wanda Hickey, Willo Ethel Kelly, Lauretta Dillard, Mary Nell Gates, Mary Agnes Frazier, Edith Washburn, Carolyn Carruthers, Lavel Stidham, Pauline Morris, Carolyn Courtney, Carrie Marie Turner, Ruth Bendle, Willie Grigsby, Noel Stirman, Junior Bowden, Edward Wheeler, Lowell Jessup, Mona Ogla, Will J. Murrah, Billy Carter and Jimmy Davis.

Y. W. A. Reorganized Thursday Night At Cochran Home

The Y. W. A. was reorganized Thursday night at the home of Doris Cochran with Roberta Loehausen, Billie Rae Bowden, Adeline McConaughy and Doris Cochran as hostesses.

Nov. 30 Final Date in 1941 AAA Program; Programs Must Be Done

AAA committee, explained.

The chairman urged that all farmers and ranchmen cooperating with the program try to complete as much conservation work as possible before the deadline in order to earn the bulk of the maximum amount available for that purpose under the program. The maximum amount for each farm is determined on a basis of the acreage of non-depleting cropland, non-crop open pastureland, vegetable allotment, and commercial orchards on the farms. To receive these payments, the producer is required to carry out approved soil-building practices. For ranches a similar allowance is set up, based on the number of animal units in the grazing capacity and the acreage of range-

Amount Earned to Depend on Work Actually Complete

COLLEGE STATION—In all Texas counties except a few in the extreme southern portion of the state, the 1940 AAA program closes November 30.

For 12 counties—Brooks, Cameron, Duval, Hidalgo, Jim Hogg, Jim Wells, Kennedy, Kleberg, Mullen, Starr, Willacy and Zapata—the closing date has been set for October 31.

Farmers and ranchmen participating in the AAA program must complete soil-building and range-building practices by these dates if they expect to receive credit on this year's program, George Slaughter, chairman of the state

After various games punch and cake was served to the following: Bernice Harris, Janice White, Adeline McConaughy, Maureen Frazier, Doris Cochran, Roberta Loehausen, Margaret Pierson, Edna Mae McAdams, Mary Belle Hollebecke, Billie Rae Bowden, Pauline Bell, Lois B. Osgood, Marzee Haynes, Maureen Cox, Joyce Lawrence, Marjorie Morris, Mickey Corder, Katherine Nell Nance, Armenta Ragsdale, Maybell Stavely and Mildred Pickard.

Mrs. W. H. Savage and little son, Jackie, spent last week in San Antonio visiting Mrs. Savage's sister, Mrs. T. Maxey Hart,

Sly Si Says

By Paul Patterson

Radio says business ain't very static all during the deal but we don't see how radios have been at the rate of 9,000,000 per year and that's what we'd party static business.

of 45,000,000 radios 30-40 are in autos. That means they get away from quack ads, and stale radio even if we're fleelin' at the of eighty-five per.

officials want all of the riptees happy in the army Uncle Yulck says they will for the first few days—'in' at one another's units. He says the 16,000,000 units will be; uniform all but the 16,000,000 cones that go in 'em won't.

DON'T FOLLOW THE FIRE TRUCK

The members of the Volunteer Fire Department are donating their time and efforts to build an organization that will protect your home and family. An organization that will function smoothly and fast. All they ask of you in return is that you do not hinder their efforts by getting in their way, either while they are going to a fire or after they get there.

They ask that you observe the rules just as closely for their drills as you would if there was a fire. These drills are held for the purpose of training both the firemen and the citizens to conduct themselves in a proper manner when the time comes to fight a fire that might start in your home. They ask that no automobile follow the fire truck closer than a block. A fireman might jump off the back of the truck and run over and killed by a closely following car. Don't be a hero and drive up close to the scene of the fire. Stop your car at a good distance and walk closer if you care to, but not close enough to be in the way of the fire boys. And remember that there are firemen there who have been trained for just such emergencies, so do not try to help them unless requested. If they need your help they will ask for it. When you hear a siren ALWAYS pull to the side of the street and stop until the truck, ambulance, or officer's car has passed on. Remain there until they are at least a block away—there might be another car behind them loaded with firemen.

They're working for you, they ask only that you help them by giving them the proper consideration.

ically SPEAKIN' a Democracy is the best form of government on earth and political SPEAKIN' a dictatorship is!

GOOD ADVICE!

around 8 1-2c.

In addition to calves and other cattle sold, it is estimated that 40,000 lambs have been sold in the country at an average of seven cents a pound.

Approximately 10,000 kids have been sold, at prices of \$3.25 and \$3.50 per head in the hair.

The Pecos Enterprise: The Security State Bank of Pecos last week took over the Citizens State Bank of Barstow and consolidated the two institutions into a single one at Pecos. The Barstow bank was organized in 1907, and the volume of business had made continued operation unprofitable.

The Alpine Avalanche: A skeleton, identified as that of Frederick Mancell, 72-year-old itinerant, was found in a remote canyon of the Big Bend country, in the southeastern part of Brewster county, last Thursday by cowboys employed on the Jim Featherstone ranch. Identification was made through personal effects found in a camp located nearby. Mancell, a scissor and tool sharpener, was last seen July 15, and is believed to have fallen from a bluff to the bottom of the canyon.

The Iran Herald: A group of Iran citizens have made application for permission to organize a home guard unit.

The Winkler County News: Kermit disposed of several fire plugs last week when a deal was made with Grandfalls. The old plugs were replaced when the new water system was built.

The Balmorhea Texan: Thirty-five cooperative agreements comprising 67,429 acres have been planned and signed with farmers and ranch men of the Toyah-creek watershed.

The Winkler County News, Kermit: Giving the decrease in county population and their inability to secure another director as their reason, the State Health Department last week withdrew

their support of a health unit in Winkler county. For some time the State Department has urged that Winkler and Ward counties combine for a bi-county unit and this plan is now being studied.

The Big Bend Sentinel, Marfa: More than 1,000 men, women and children witnessed the first annual Highland Regatta Sunday afternoon at San Esteban Lake. The Lake Club, comprised of 150 members, sponsored the affair.

**RATTLE
OF THE RAIL**

L. F. Tadlock, trainmaster, was here from El Paso Wednesday.

Engineer Lee Wooten and Fireman C. C. Chapman have been assigned to the 11th freight run here.

Engineer J. M. Maddux has been assigned to the freight run vacated by Engineer M. S. Wright who has gone to Del Rio.

Fireman W. E. Hines has been assigned to the Sanderson yard engine.

Car Inspector A. M. Johnston made a trip to Maxon Monday.

Engineer H. J. McGovern made a visit to El Paso Tuesday.

Engineer O. D. Edens was down from El Paso; a trip on passenger this week.

Engineer R. Kunz has been assigned to the swing passenger run between El Paso and Sanderson.

Farm purchases of food in the United States are estimated to amount to over \$1,100,000,000 per year.

**Defense Program Helping to Overcome
Farm Products Foreign Demand Slump**

COLLEGE STATION—Farm income from marketings during the first six months of 1940 was up 296 million dollars over figures for the same period of last year.

The increase came from improvement in domestic demand, which more than balanced dwindling exports. T. R. Timm, economist of the Texas A. and M. Extension Service, states in an analysis of the USDA Bureau of Agricultural Economics report.

Some further improvement in domestic demand is indicated. No boom, no runaway prices are in sight—simply a sound advance stimulated by increased industrial production for national defense. Supplies of food and feed are more than ample.

The outlook for exports of farm products is very unsatisfactory as European markets which furnished an outlet for about one-third of U. S. exports of farm products are now closed. Cotton is hit worse than any other commodity.

Cotton growers, faced by a

gloomy export picture, find some consolation in increased cotton mill activity in this country. Domestic mill consumption for the current marketing year now seems likely to reach 7,750,000 bales; an increase of almost a million over the 1938-39 total of 6,858,000.

The U. S. wheat supply for the current year is about the same as for last season—a billion bushels. An increase of around 25 million bushels in the carryover is offset by a similar decrease in this year's crop. World wheat supplies appear to be from 100 to 200 million bushels less than a year ago, but holdings are still about double the normal export trade.

Billie Smith, who is in the Navy and stationed at San Pedro, Calif., arrived Monday for a visit with his parents, Mr. and Mrs. Chester Smith.

Mrs. E. P. Sherrod left Friday for San Antonio to be with her daughter Elizabeth, who is ill in the hospital.

Mr. C. Smith returned home Wednesday from El Paso where he has been visiting his daughter, Mrs. A. P. Cole for two weeks.

Raymond Farley happened to a very painful accident Saturday while changing an automobile tire. The tool hit him in the eye, cutting the lid. He remained in the hospital in Del Rio until Thursday.

Mr. and Mrs. Sam Ross of Fort Worth are visiting their daughter, Mrs. Mark Carruthers and Mr. Carruthers.

EYESTRAIN SEASON

is here

**Safeguard priceless eyesight with
LIGHT CONDITIONING**

Now that the days are growing shorter, you'll be using your eyes more for reading or sewing indoors at night. Protect them from strain by having enough light and the right kind of light for safe seeing.

See that sockets are filled with right-size lamp bulbs. Put certified I.E.S. lamps beside easy chairs. Modernize old fixtures to eliminate glare.

For suggestions on improving your lighting at low cost, ask us for a copy of "Brighter Evenings at Home," a profusely illustrated 24-page booklet that's chock full of light conditioning ideas. It's free!

**1 GET CERTIFIED
I.E.S. LAMPS**

For reading, studying, all other work, these lamps provide glareless, diffused light that helps ease down eyestrain. New I.E.S. lamps, just received, are priced as low as \$7.95

**2 GET RIGHT-SIZE
LAMP BULBS**

For easier seeing and healthier eyes, always use the right size bulbs in the right places. Safe saving sizes are now cheaper than ever. Forty, fifty and sixty watt only 15c. Seventy-five and 100-watt, only 15c.

EDITED BY THE STUDENTS OF SANDERSON HIGH SCHOOL

Sander High School Needs A Choral Club

What has become of our spirit, patriotism and the for our Sanderson High school along with other schools?

Present, this is one organization for which we have plenty of talent that is not functioning. There are about 50 who are capable of making a success thereby giving this school as other schools a lively pep and band add color and to any football game and every squad and football help school spirit development, cooperation, business and understanding of the students and help to the school.

Why ever stop to think of a high school choral club? More to high school Choral Club gives girls opportunity to learn how to blend their voices how singing good music and furnishes enjoyment for the school and the girls. In the past this club has invited to sing in other towns over the range to enter various contests the State competing other choral clubs, thus the girls an opportunity in other schools and other students.

Lily Albertson, who will this group, is a talented and has had much experience in this kind of work taken an active part in Ward Payne College Choir and Trio. She was prominent in all musical activities in Payne College and arranged songs for the Trio. Lily Albertson would like a Girl's Trio in the Sanderson High School for those girls who have expressed a desire to enter the club but so do not have enough girls in a Choral Club since 25 girls will have to be added. JOIN THE CHORAL GIRLS, AND BOOST SANDERSON HIGH!

Homemaking IIA Study Budgeting and Food Preservation

This month the girls in Homemaking IIA have been studying family budgets and food preservation. The girls want to give you a few pointers on budgets and food preservation.

First, we start with budgets. What is a budget? A budget is a wise plan for spending money. The girls suggested a plan for dividing a family income as follows: clothing 15 percent, shelter 17 percent, life insurance 7 percent, food 8 percent, house operation 9 percent.

This percentage varies according to income and needs. That is, people with very low income spend a larger percent for food, while those on the larger income spend a small percent.

Both classes of homemaking are keeping an account of groceries. The advantage of keeping accounts for budgeting are:

1. Teaches the family to save.
2. Savings provide adequate care in time of illness.
3. Savings makes possible education for the children.
4. Savings protects a family against financial reverses.

The girls in H. E. IIA have been preserving and canning various things such as apple jelly, marmalade, apple butter, and tomatoes. Because food spoils easily, the girls found ways to use it before it spoils. For instance, drying fruits is economical, cold storage, refrigeration, is used for fresh vegetables. Canning which is an important method of keeping foods such as meats, fish, fruits and vegetables. Preservatives may be added to food to improve their keeping qualities. The most common preservatives are acids, spices and smokes.

You may ask, what causes food spoilage? It is caused by bacteria, yeast and molds.

Canning of fruits and vegetables is now carried on largely outside the home. Jelly making and the making of toothsome preserves will continue to be a more generally practical household art, for the obvious reason that commercial products of this kind usually do not equal the choice homemade products.

C. L. Sims returned Tuesday from Mobile, Ala., where he spent a week visiting his mother.

EAGLES LOSE TO ALPINE BUCKS IN FIRST GAME

Due to lack of experience and weight of nine new men, the Sanderson Eagles lost a very thrilling football game September 27 on Jackson Field in Alpine. The score at half-time was 21-6 and finally ended 34-6 in favor of the Bucks.

To open the game, Alpine kicked to Sanderson which was returned to the Sanderson 10 yard line. Sanderson fumbled on the first play of the game and Alpine recovered and pushed it over for the first marker of the game. The attempt for the extra point failed and then came the most exciting part of the entire game when Alpine kicked off to Bill Cargile on his own 35 yard line. Every Eagle took his man and Bullet Bill waded through eleven Bucks and 65 yards to tie the score—6 to 6. The stands where the Sanderson cheering section stood is cracked and one can still hear the echoes of the Pep Squad that came out when that thrilling run was made.

No Alpine scores came from any sustained drive but the outfit got loose and went over the dream line after long runs. Two scores came from end sweeps, one from an intercepted pass and the other from a blocked kick. Hard luck hit Sanderson as they drove them back 70 yards to have their power house stopped on the Alpine two-yard line as the half ended. The same thing happened at the end of the game when the ball stopped on Alpine's ten yard line.

Ross Stavly threw 30 passes completing 15 of them to Bill Cargile and Campbell Kerr. Alpine threw one which was intercepted.

Sander	Alpine
9 First Downs	5
5 Penetrations	5
30 Passes	9
15 Passes Complete	1
1 Passes Intercepted	1

SING SONG IS ENJOYED BY STUDENTS THURS.

Last Thursday the High School students enjoyed a gathering in the auditorium for the first assembly program consisting of songs Miss Albertson led the group, accompanied by Miss Harrison on the piano, and many of the old and patriotic songs were sung. "God Bless America" was the outstanding patriotic song that was sung and all the students sang with a feeling of pride.

A contest between the boys and girls was held with the song "Reuben and Rachel" with honors going to the boys. Joyce Yeates, Joe Ross Phillips and Jimmie Wilkinson led the group singing "Playmates" accompanied on the piano by Edna Mae McAdams.

Much pep was acquired for the day's work and everybody adjourned with a smiling face and a song in his heart.

The High School Students wish to express their sincere sympathy to Mr. Holt whose mother passed away last Monday night, October 23.

A representative from a Fort Stockton studio is here this week making class photographs. The pictures are finished 8x10 inch double-weight ready for framing.

Olivia deHavilland, Jeffrey Lynn Star In Gay New Comedy, 'My Love Came Back'

One of the gayest comedies in years is coming to the Princess Theatre on Monday, Oct. 7 for a 2-day showing, when Warner Bros. "My Love Came Back" opens, with Olivia deHavilland in her first screen role since her sensational success in "Gone With The Wind."

Jeffrey Lynn supports Miss deHavilland in the musical, and a cast of cheer-uppers includes Eddie Albert, Jane Wyman, Charles Winninger and Spring Byington. A star-studded list of names, this, and directed by the important Continental director Kurt Bernhardt. "My Love Came Back" promises to set a new high for screen entertainment of the hilarious school. The story opens on a beautiful, talented, high-strung violin student, Amelia Cornell, played by Miss deHavilland, hurling a book at her music teacher in a New York music academy. This is the result of the teacher unwise reprimanding Amelia for being late. The girl, to support her mother, had been giving music lessons. But this is against Academy rules.

A sentimental gentleman is industrialist Julius Malette, played by Charles Winninger. He arranges to give Amelia a scholarship, without her knowing her patron's identity. She accepts Julius as a friend, not knowing what he has done for her. To pay more attention to the girl's career, Julius turns his factory over to Tony Baldwin, played by Jeffrey Lynn. At the same time, Amelia's best friends, Joy and Dusty, portrayed by Jane Wyman and Eddie Albert, also music students, are trying to organize a band to swing the classics. They need money.

A series of wild events follows as information of Julius' support of Amelia becomes public property and the girl tries to clear her name, but Joy and

Dusty continue to accept money in her name, to put over the band. It's all straightened out, however, when the band is a success, Amelia returns the money, and Tony Baldwin realizes that the comely virtuoso is made to order for him.

"My Love Comes Back" is based on a story by Walter Reisch, adapted for the screen by Ivan Goff, Robert Buckner and Earl Baldwin.

Pep Rally Held Thursday Night

Thursday night, September 21, a pep rally was held by the students of Sanderson High on the corner by Sanderson Mercantile and Kerr Mercantile stores. The pep squad, drum corp, and the band in full uniform took part in the rally.

Several numbers were played by the band and yells and songs were given by the pep squad. Mr. Gaunt and Mr. Smith made speeches urging the people of the town to support the football boys in their first game with Alpine. It seems that the boys pulled a fast one because they got out of making speeches. Here's hoping they pull some fast ones on those Alpine Bucks.

-E-N-

The football team would like to congratulate the girls in the pep squad and other townspeople for the excellent support given them Friday in Alpine. Patriotic and full of school spirit, this popular organization gave the team a grand send-off the first game of the season. We hope to have them out fighting for the next game.

FOR YOUR CONVENIENCE

Present day, people place great stress on having convenient. Many conveniences are taken as a matter of course—especially those of an intangible nature, such as services of a modern bank.

Merchant has no calls for an item, he no longer comes to stock it, but he is always glad to keep things for there is a steady demand. When you buy from him, make it possible for him to keep on hand the things you want, and thus, you add to your own convenience.

Merchandise offered by a bank is service. When you use your local bank, you add to your own convenience and to your community. We invite your business.

Homemaking IIA Girls Study Kitchen Equipment, Etc.

The homemaking IIA class has been studying kitchen equipment and arrangement for the first month of school. They have studied how to save time and energy by the arrangement and equipment of the work centers such as storage, preparation, serving, and clearing away centers.

While studying the larger kitchen equipment such as stoves and refrigeration the students visited the Community Public Service Company to see a demonstration of stoves and refrigerators there.

A study of small equipment was made in order to learn how to judge quality in buying such utensils. Small gadgets or labor-saving devices were also studied and the following points were considered: 1. Does it save time? 2. Does it do the work it is supposed to do? 3. How often would it be used? 4. Is it easy to handle?

As a class project the girls improved the spice shelves in the storage closet by putting together cigar boxes and making a stair shelf so that containers can easily be found.

They also have drawn plans of their home kitchens at the present and are studying how to improve their kitchens.

2853	5111	20	G.C. & S.F. Ry. Co.	640
2854	5104	6	G.C. & S.F. Ry. Co.	640
2855	5116	30	G.C. & S.F. Ry. Co.	640

Containing a total of 4,480 acres of land, more or less and located in Block "H" and in the County of Terrell and State of Texas,

which said lands are delinquent for taxes for the following amounts: \$106.57 for State taxes, and \$295.36 for County and District taxes and you are hereby NOTIFIED that suit has been brought by The State of Texas, in Cause No. 1899, for the collection of said taxes, and you are COMMANDED to appear and defend such suit at the January A. D. 1941 term of the District Court of Terrell County, and State of Texas (being the 27th day of January A. D. 1941), and show cause why judgment shall not be rendered condemning said lands (or lots), and ordering sale and foreclosure thereof for said taxes (penalties, interest) and costs of suit.

GIVEN UNDER MY HAND and the Seal of said Court in the City of Sanderson, Texas, this 18th day of September A. D. 1940.

D. L. DUKE, Clerk District Court Terrell County, Texas

Issued this 18th day of September A. D. 1940.

D. L. DUKE, Clerk District Court Terrell County, Texas

THE STATE OF TEXAS

TO THE SHERIFF OR ANY CONSTABLE OF TERRELL COUNTY—GREETING:

You are hereby commanded to summon the heirs of H. O. Clark, deceased; Mrs. H. O. Clark, deceased; and the unknown heirs of any and all unknown owners of any right, title and interest in and to the lands herein mentioned, and the unknown heirs of any and all other persons owning, having or claiming any interest, title or equity in the lands herein mentioned, all deceased, and all of whose names are unknown,

to appear at the next regular term of the District Court, 63rd Judicial District of Terrell County, Texas, to be held at the Court House thereof, in the town of Sanderson, Texas, on the third Monday after the First Monday in January A. D. 1941, being the 27th day of January A. D. 1941, then and there to answer a petition filed in said Court on the 18th day of September A. D. 1940, in Cause Numbered 1899, wherein The State of Texas is plaintiff and H. O. Clark, and the unknown heirs of H. O. Clark, deceased; Mrs. H. O. Clark, and the unknown heirs of Mrs. H. O. Clark, deceased; and all unknown owners of any right, title or interest in, and the unknown heirs of any and all other owners of any right, title, interest and equity in and to the lands herein mentioned, deceased, whose names and places of residence are unknown, are defendants, the cause of action being alleged as follows:

That suit has been brought by the plaintiff for the collection of delinquent taxes for the years 1937, 1938 and 1939 for the following amounts: \$106.57 for State taxes and \$295.36 for County and District taxes, together with penalties, interest and costs on the following described lands, to-wit:

Abstract	Certificate	Section	Block	Original Grantee	Acres
No. 2567	5117	32	H	G.C. & S.F. Ry. Co.	640
2568	5118	34	H	G.C. & S.F. Ry. Co.	640
2569	5121	40	H	G.C. & S.F. Ry. Co.	640
2570	5122	42	H	G.C. & S.F. Ry. Co.	640
2853	5111	20	H	G.C. & S.F. Ry. Co.	640
2854	5104	6	H	G.C. & S.F. Ry. Co.	640
2855	5116	30	H	G.C. & S.F. Ry. Co.	640

Containing a total of 4,480 acres of land, more or less, and all located and being in the County of Terrell, State of Texas.

Plaintiff alleges a prior and constitutional lien upon said lands for said taxes, penalties, interest and costs and prays for the foreclosure of said lien and sale of said lands for the satisfaction of the same.

You are further commanded to serve this citation by publishing the same once in each week for four successive weeks previous to the return day hereof in a newspaper published in your County; but if no newspaper is published in said County, then in the nearest County where a newspaper is published.

HEREIN FAIL NOT, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND AND THE SEAL OF SAID COURT in the City of Sanderson, Texas, this 18th day of September A. D. 1940.

D. L. DUKE, Clerk District Court Terrell County, Texas

Issued this 18th day of September A. D. 1940.

822 High Grid Teams Play In Texas This Year

79 Increase Puts State in First Place in Total

AUSTIN.—There'll be 822 high school football squads in action this month as the University of Texas-sponsored Interscholastic League gets its 21st annual tournament under way.

With 79 new teams in the running, the League's football roster shows a 25 per cent increase in four years and clinches for 1940 Texas' long undisputed claim to the No. 1 schoolboy league in the country.

The new line-up, exhibited by R. J. Kidd, league athletics director, boasted a total of 104 teams in Class AA, the schoolboy circuit's major league, Class A, with two new teams counted 291 entries; Class B, increased 36 schools to total 276. Six-man football, a fast-growing Texas-pioneered sport, increased 41 teams to a total of 152.

Kidd pointed out that of the State's accredited high schools boasting an enrollment of 200 students or more, all but two schools are placing football teams on the field this month. In the list of schools of 100 students or more, only 84 schools are not yet participating.

Class AA counted four new faces this fall: District 10's Temple, ineligible last year; Burk Burnett, District 2; Arlington, District 6; and Beeville, District 16. The last three schools all played Class A ball last year.

Biggest increase, however, came in the half-pint version of the game, six-man football. With a 41-team increase, Texas schools playing the six-man game climbed to 152, far in the lead of any other state.

Mrs. Erma de Cousser and daughter of Lansing, Michigan arrived here Sunday for a visit with Mr. and Mrs. J. W. Happle and Mr. and Mrs. Web Townsend.

Mrs. O. T. Schupbach and Mrs. H. E. Fletcher returned Friday from El Paso where Mrs. Schupbach has been for a month and Mrs. Fletcher visited her parents, Mr. and Mrs. S. C. Bokkin for a week.

Mr. and Mrs. S. H. Underwood returned home Tuesday night after a twelve day trip visiting in New Orleans, La., St. Louis, Mo., Centralia, Ill., and other points. They returned their little niece, Betty Jane Simmons to her parents, Mr. and Mrs. J. L. Simmons at Centralia.

Methodist Ladies Meet In Home Mrs. P. E. Gray

Mrs. H. E. Ezelle was leader of the program entitled, "Life's Heritage." Those who spoke on various phases of the subject were Mesdames H. E. Ezelle, A. B. Gates and John Neal. A prayer was rendered by Mrs. J. Y. Bowman.

Rev. J. Y. Bowman installed the newly elected officers in an impressive ceremony. They were as follows: President, Mrs. A. B. Gates, vice-president, Mrs. Lee Grigsby; recording secretary, Mrs. H. C. Goldwire; corresponding secretary, Mrs. Pat Beard; treasurer, Mrs. Clyde Higgins; Chairman of Christian Social Relations and Local Church Activities, Mrs. B. F. Anderson; Chairman of Children's Work, Mrs. Gayle Mussey; Chairman of Literature and Publicity, Mrs. John Neal; Chairman of Supplies, Mrs. C. J. Watts; Chairman of Missionary Education and service, Mrs. H. E. Ezelle.

Mrs. Gates held a business meeting after which there was a social hour when the hostess served delicious refreshments.

Those who attended this meeting were as follows:

Mesdames J. Y. Bowman, John Neal, H. E. Ezelle, J. L. Osgood, C. J. Watts, C. H. White, E. McSparner, A. F. Buchanan, J. A. Oberling, Conway Pickard, Ed Robbins, H. C. Goldwire, A. B. Gates, Ted Attaway, Woolwine, Kytell, P. E. Gray, Pat Beard, Clyde Higgins, B. F. Anderson, Wilson Banner, Ted Baker, John Deaton, Misses Kate Frazier, Vashti Nixon, Rachael Sweeney and Rev. J. Y. Bowman.

J. A. O'Connor visited in San Antonio during the week-end with his daughter, Miss Katherine, who is a student nurse in a hospital there.

Mr. and Mrs. Lee McCue left Wednesday for Glendale, Calif., where they will spend about two weeks with their son, Bobby Lee, who is attending an aeronautical school there.

Sheriff Jim Nance and Deputy Andy Anderson were visitors to Ectorado Monday night and Tuesday, returning home Tuesday night. They went to attend the trial of Emeliando Benavides.

Mr. and Mrs. J. W. Haynes and Mr. and Mrs. C. D. Carter had as their guests over the week-end Mr. and Mrs. Sam Reese and children and Louie Markham, all of Los Angeles, Calif.

Miss Lillian Harrell, who is attending the University of San Antonio, spent last week-end visiting her parents, Mr. and Mrs. S. C. Harrell.

The younger a pig goes to market—up to certain limits, of course—the more profit he is likely to send home.

BAPTIST SOCIETY
The Women's Missionary Society of the Baptist Church met Monday, Oct. 7, in the home of Mrs. T. An installation of the new year and a meeting to attend will be held at 3:30 P. M. church at 3:30 P. M. will be provided.

Albert Weigand, attending a business school in Antonio, visited here last week-end. Mr. and Mrs. F. G. and last week-end.

SNOOPER—

The girls in Sanderson High would like to know Wilma Lois' technique.

What girl wept with joy when Bill Cargile made the touch-down Friday night at Alpine?

We guess Alice Bennett's happy again because her boy friend is back in school.

Wilma Lois, they say the way to a man's heart is through his stomach. Is that the reason you feed James Shurley candy?

We wonder how this new romance between Kathryn Nell and Bill Cochran will turn out?

Why does Roberta's heart stop when you mention Fort Stockton?

Why was Don Allen so thrilled when Miss Sweeney moved him in back of Wilma Lois? Don, don't you know James

Shurley is a real fighter?

Was Patty Billings jealous when Ray Phillips got kissed or am I snooping too much?

Joyce Yeates can't make up her mind who to like—Joe Ross Phillips or Campbell Kerr.

We wonder who gave John Clarke his black-black eye?

Why does the sound of a green Ford make Margie Morris' heart stop? Teh-tch-tch, somebody else's property!

Love's in bloom with Maurine Cox and James Albert Mansfield.

Margaret Pierson likes a boy from Marathon. What's the matter with the Sanderson High?

Who is this silent-love of Betty Hurst's? I've always heard that two red heads never could get along.

Janice, what happened to you and Eldridge Murray? Who is the new fellow? I bet I know!

Mickey Corder, this snooper is ashamed of you! Who is this flame in North Carolina?

Watch out folks! The snooper puts everything it snoops right in the Snooper and what

"Safari" Features Eternal Triangle In Gripping Drama

A skillfully contrived story, expertly directed and brilliantly enacted by a splendid cast, makes "Safari" the Paramount drama which stars Douglas Fairbanks, Jr. and Madeleine Carroll and which shows at the Princess Theatre Wednesday-Thursday, October 9-10, an outstanding screen effort. Having for its principal locale a West African jungle, it offers a deft combination of romance, adventure and comedy.

The story has to do with a safari planned by a wealthy Baron, Tullio Carminati, who arrives on his yacht in M'Poia, with Madeleine Carroll and Muriel Angelus as his guests. Madeleine is determined to marry Carminati and welcomes the opportunity to arouse his jealousy by becoming deeply interested in Fairbanks, a big game hunter Carminati has hired to lead the expedition.

Strong-willed and independent Fairbanks immediately antagonizes Carminati and refuses to accompany the hunt until Madeleine persuades him. Flying over the area the safari will travel, Fairbanks and Madeleine are forced to remain alone all night in the jungle, arousing Carminati's insane rage. Learning that Carminati has been carelessly responsible for the death of one of the native boys, Fairbanks denounces him as a murderer.
