City, hospital tackle building issues

Meeting called to review report on new facility

The Mitchell County Hospital District's directors have called a special meeting for 6 p.m. Tuesday, Nov. 18, to discuss issues regarding the recent state inspection of the new hospital.

The meeting will be held in current hospital's physical therapy room. It is open to the public.

Hospital Administrator Linda Mize said architect Robert Cox of Austin will attend the meeting in addition to contractor John Cooper of Midland, project manager Raymond Chaisson, and project coordinators Don Hamilton or Bob Wallace of the Austin-based Wallace Co.

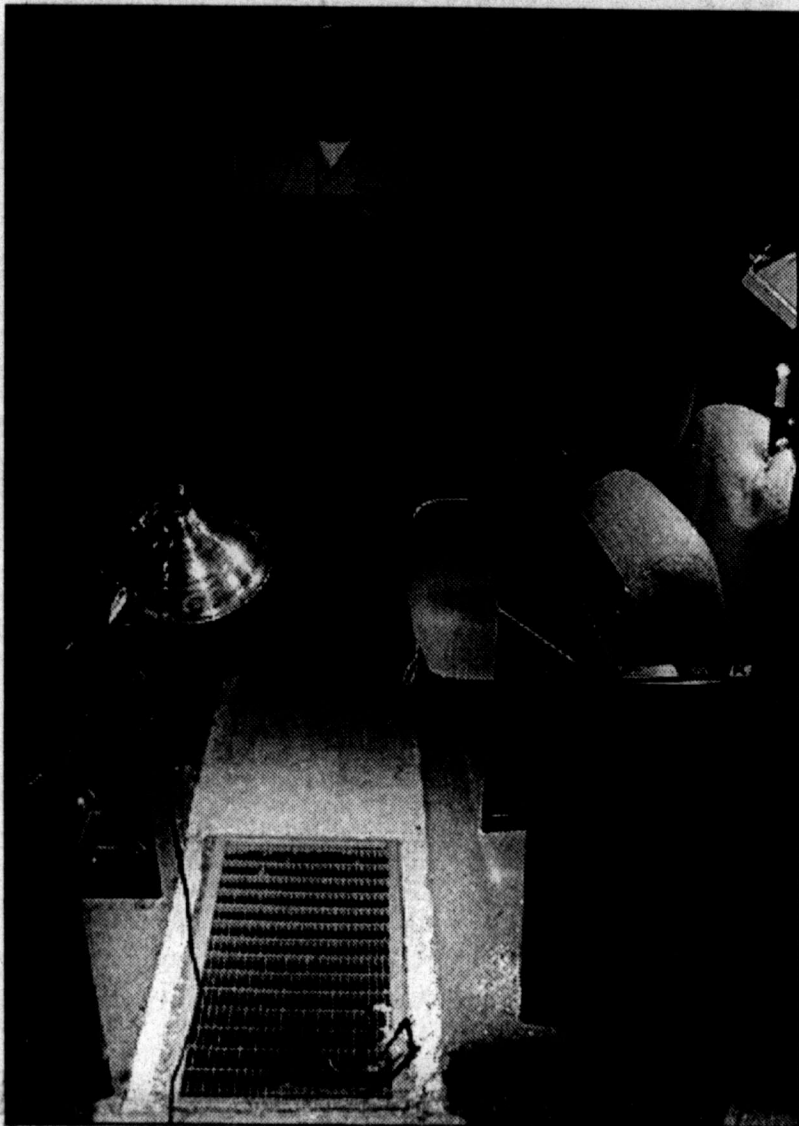

The opening of the new hospital has been indefinitely postponed until a list of 58 items found during a late October inspection are corrected.

Jim Eades, inspector for the Texas Department of Health, conducted the two-day inspection.

Mize received Eades' report Friday, Nov. 7, reflecting the 58 items that need to be corrected before a final inspection can be made.

Mize said any final inspection remains a ways off since

RICK CARVER, public works director for the City of Colorado City, stands along the back row seats on the right side of the Opera House on Walnut Street where a step has been removed and the flooring leveled. The Opera House is temporarily closed after a jury returned a verdict in a civil lawsuit finding the step to be a hazardous condition.

Corrections made at Opera House

Interim City Manager Ted Willis said a hazardous condition at the Opera House on Walnut Street has been corrected and other measures are being taken to ensure the safety of visitors to the facility.

Willis told the City Council during its Tuesday, Nov. 11, meeting the Opera House remains temporarily closed to the public until the changes are completed.

A verdict returned in a civil lawsuit forced the city to temporarily close the Opera House until measures were taken to eliminate a step the jury found to be hazardous.

Betty Darnell of Loraine was injured prior to a performance by the C City Opry. The injury occurred on the back row where a step was located.

Willis said offenders from the Wallace and Ware units replaced the flooring on the back row of each side of the Opera House.

Willis said carpeting was installed on both sides to eliminate any drop.

"That has been completed," he said. "We are now looking at lighting being placed along the aisles of both sides. We also cleaned up other areas of the Opera House."

"It's ready to go again."

But the Opera House may not be used for a while since Doyle Mitchell of the C City Opry wrote Willis in a letter that it is discontinuing its use of the facility and is seeking a new location to hold its shows.

C City Opry pulls out

The C City Opry has decided to move out of the Opera House on Walnut Street in Colorado City and is postponing its shows until the group can be relocated to a new location.

The Opry has staged its performances at the Opera House since holding its first performance there in January 2002.

Doyle Mitchell of Loraine founded the Opry in December 2001.

The Opry held shows at the

Opera House on the first and third Thursdays of each month, but had to postpone its Nov. 6 show because the facility was temporarily closed.

A jury's verdict in a civil lawsuit against the City of Colorado City -- owner of the Opera House -- forced the city to temporarily close it until a hazardous condition could be corrected.

Wolves seek bi-district win over Shallowater

After losing two years in a row to the Pittsburgh Steelers, former Houston Oilers coach Bum Phillips told his team, "We have tapped on the door, and we have knocked on the door, but this year we are going to kick the door in."

The Colorado Wolves, who have been stopped three years in a row at the bi-district level, are ready to kick the door in when they tackle Shallowater at 8 p.m. Friday at Lowrey Field in Lubbock.

The Mustangs eliminated the Wolves 33-14 in the bi-district

round last season before losing to Bangs in the semifinal round 21-13.

Shallowater, 9-1 overall this season, and 5-0 in district, returned five offensive and three defensive starters from last season when the Mustangs went 11-2.

Head coach Keith Kitchens lost the services of his son, Kiel, to graduation last May.

Kitchens was replaced by wide receiver Eric Morris, a favorite target of Kitchens last season.

Wall, Alpine contest slated

If the Colorado Wolves beat Shallowater in their bi-district match Friday night in Lubbock, they will face the winner of the Wall-Alpine game.

The place and time were not finalized by presstime Tuesday night, but the schools seem to be considering Midland as the site.

Friday's 8 p.m. kickoff between the Wolves and Mustangs at Lowrey Field in Lubbock will follow a 5 p.m. game between Pampa and San Angelo Lakeview.

defense with his speed. Morris also has capable re-

ceivers in split ends Dakota Smith and Landon Powell.

The running back chores are handled by Eric Vonberg, Adrian Martinez, and Taylor Stoker.

Wolves head coach Frank Johnson said the Mustangs deserve respect for the year they are having.

"They are a good football team," Johnson said. "They had to do something right to go 9-1, and win the district cham-

Deadline set to submit bids for properties

Mitchell County residents have until Monday, Nov. 17, to submit bids for five properties located in Colorado City.

The five are among at least 100 properties three taxing entities in Mitchell County plan to sell in an effort to help clean up the city.

Mitchell County, the City of Colorado City and the Colorado Independent School District are accepting bids on five properties that have been foreclosed on for delinquent taxes.

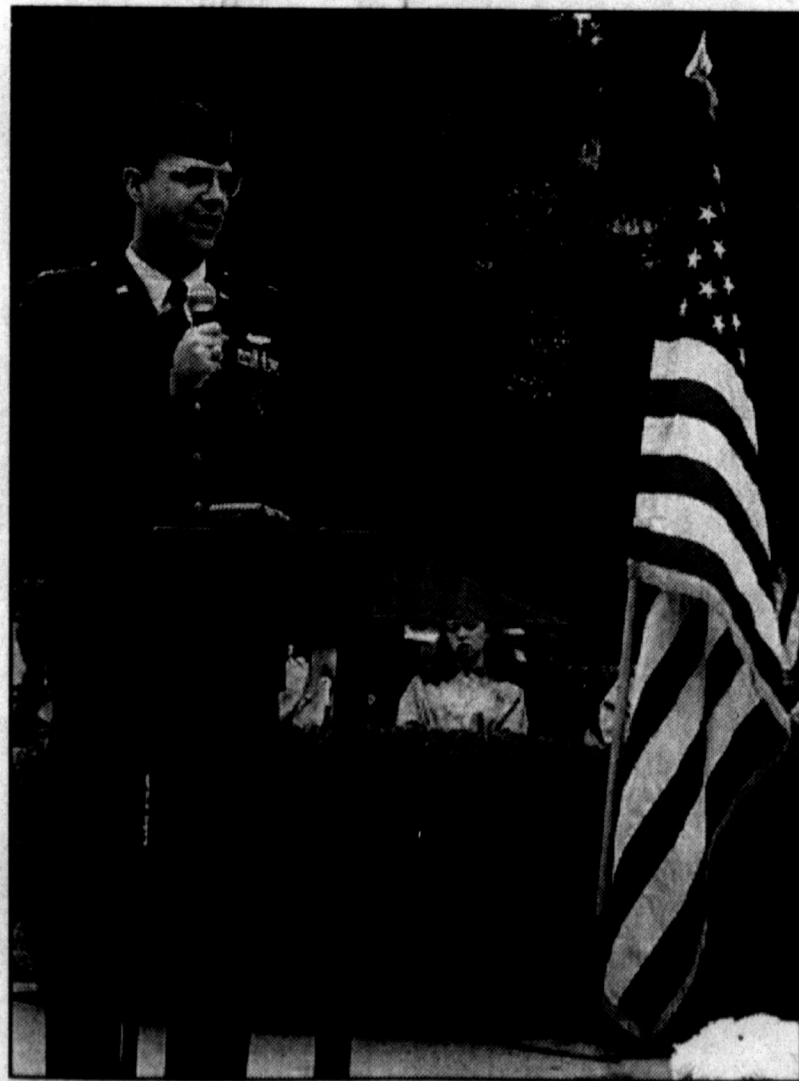

They are located in the Original Town at 144 East 11th St., 1117 Elm, 750 East 5th, 723 Oak and at the southeast corner of 12th and Elm.

Bids on the first batch should be delivered no later than the close of business Nov. 17 to the Mitchell County Appraisal District, 2112 Hickory St.

A notice listing the properties, along with the terms of sale are located at the CISD Administration Building, appraisal district office, City Hall and the county tax office.

All bids will be considered.

Cliff Shiller and Diana Rios are the newest members of the Colorado Independent School District's board of trustees.

They were appointed during the trustees' Monday night, Nov. 10, meeting.

Trustees Mike Ratliff, Larry Mason, Lisa Hernandez and Sally Neff approved the new trustees after a recommendation was made by Ratliff, who chaired the trustees' search committee.

The new trustees were given the oath of office by business manager Dobie Williams.

Ratliff also was elected as the board's new secretary. Charles Walker is board president and Neff is vice president.

Shiller represents District 1, while Rios represents District 2.

Shiller replaces Janine Lemons, who resigned Sept. 10 because she moved to another district within the CISD.

Lemons, who was secretary on the board of trustees, was elected in May 2002. Her term expires in 2005.

Rios replaces Scott Stubblefield, who resigned June 1 to

move to Midland. His term expires in May 2005.

Shiller and Rios will fill the positions until the next election.

Trustees also voted to nominate Billy Bruce Bridgford, Robert Cox and Jesse Munoz as CISD's three representatives on the Mitchell County Appraisal Board.

Appraisal board elections are scheduled in 2004-05. The CISD has 2,811 votes.

Trustees also accepted the resignation of Hutchinson Elementary School teacher Leslie Geiger. Her resignation is effective Dec. 18.

In a letter to Superintendent Jim White, Geiger said she is resigning because of possible changes in the Social Security Offsets.

Geiger taught for 17 1/2 years at Hutchinson.

Trustees also approved the hiring of Sharia Sowa to teach kindergarten at Kelley Elementary School.

White said 90 students are enrolled in the kindergarten program, and Sowa was hired for the CISD to meet the 22:1 student-teacher ratio.

CISD earns highest accountability rating

The Colorado Independent School District has received a rating of "superior achievement" under Texas' new Schools FIRST financial accountability rating system.

Superintendent Jim White told trustees during a public hearing Monday night, Nov. 10, that the superior achievement rating is the state's highest, demonstrating the quality of CISD's financial management and reporting system.

This is the first of Schools FIRST, also known as the Financial Accountability Rating System of Texas.

White said Schools FIRST is a financial accountability system for state school districts developed by the Texas Education Agency in response to Senate Bill 875 which was passed by the Legislature in 1999.

He said the program's primary goal is to achieve quality performance in the management of school districts' financial resources -- a goal made more significant due to the complexity of accounting associated with Texas' school finance system.

"We are very pleased with Colorado ISD's Schools FIRST rating," White said. "It shows that our district is making the most of our taxpayers' dollars."

"This rating shows that Colorado City's schools are accountable not only for student learning, but also for achieving these results cost-effectively and efficiently."

The other three ratings a school district could receive are above-standard achievement, standard achievement and sub-standard achievement.

The 12-person jury awarded Betty Darnell of Loraine \$28,000 in past damages Nov. 4 because of injuries she received in an incident in 2002.

Mitchell, general manager of the C City Opry, said, "The Opry group has decided to move out and secure its own building."

Mitchell said the group is seeking a location where its equipment can be housed at all times, and not have to be constantly moved.

"This is something we have been talking about and discussing for the five to six months," Mitchell said Monday, Nov. 11. "We want to secure our own building so we didn't feel like we are imposing on somebody else."

In a letter to interim City Manager Ted Willis, dated Nov. 9, Mitchell wrote:

"Considering the fact that in the past year bad feelings have erupted between our group and some people that I have re-

spected and called my friends for many years, and given the stress and toll this situation is placing on my health, we have decided it would be best if we secure our own building in which to perform our shows.

"When we established the C City Opry in December 2001, our only intention was to bring good, clean family entertainment to the community, not to divide the community, turning friend against friend. Because of the historical building we are using, that seems to be what happened."

Mitchell said the group is currently seeking a new location, and hopes C City Opry will find a site to hold its Christmas show.

He said the group has moved out the majority of its equipment, but theater seats, a spotlight, piano, stage lighting and backdrop props still have to be moved out.

Mitchell said the relocation has "nothing to do with the lawsuit."

"We would rather try and be part of the solution rather than part of the problem," he said.

"This Morris kid has come in and did a good job of converting to quarterback," Johnson said. "He likes to run, but if he doesn't have anyone open he is not afraid to throw the ball."

"We can't afford to make a mistake on them. I look forward to playing them. I feel like they are very beatable. We will match up speed with speed and see what happens."

County OKs roofing bid, emergency court order

The Mitchell County Commissioners Court approved an emergency management court order and accepted a bid for roof work at the county jail Monday, Nov. 10.

Commissioners Ed Roach, Carl Guelker, Wendy Inman and Bill Preston also accepted a petition with 161 names from Donald Emerson concerning drainage at the county cemetery on 17th Street.

Commissioners adopted a Mitchell County Emergency Management Court Order outlining steps that need to be taken in the handling of potential hazards and disasters to protect county residents.

The order also calls for an emergency management director, with that position filled by County Judge Ray Mayo.

An emergency management coordinator still needs to be appointed.

Commissioners also approved the low bid of \$8,500 by Liddick-Hooks of Abilene to repair the second story roof on the Mitchell County Jail.

Barr Roofing, also of Abilene, submitted a bid of \$8,611.50.

Emerson, who has organized two clean-up efforts at the county cemetery, presented commissioners with a petition signed by 161 people to improve water drainage at the cemetery.

A portion of the petition reads, "Many of us are irate because every month we have been charged an extra 25 cents on our water bill for the up-keeping of another graveyard."

"If we can be charged for the grooming of another cemetery that many of us have no family in, then we can fight to bring beauty to our own."

"We are asking, and also demanding, that these problems not only be addressed, but fixed as soon as possible with no further excuses or delays."

Emerson said, "There are two water drains that are flooding our cemetery. We are trying to get them removed, and get some kind of drainage in place to where the water won't flood the graveyard."

Emerson said they are hoping to organize another clean-up at the cemetery before the Christmas holidays.

Mayo said the county plans to study the drainage situation at the cemetery.

Finally, be strong in the Lord and in His mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit which is the Word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints.

THANK YOU!

The Crape Myrtle Project committee of the Colorado City Garden Club would like to thank you for your help and support with our Crape Myrtle Project of planting crape myrtle trees at the entrance of the cemetery and selling crape myrtle trees to beautify our community. Because of you, our project was an over-whelming success. Our sincere thanks and appreciation to the following:

• THE PEOPLE OF OUR COMMUNITY WHO KEPT THEIR DATE WITH CRAPE AND PAINTED THE TOWN WITH MYRTLE BY BUYING CRAPE MYRTLES...

- Mayor Bob Reily, members of the Colorado City Council and City Manager Ted Willis
- Rush and Puddy Neff of Neff's Nursery provided the Crape Myrtle trees at cost, shared their expert advice, and provided a distribution point
- Lou and Jim Herrin and the staff at Neff's Nursery for their help
- Dennis Pfeuffer and the City Workers who planted the trees at the cemetery
- Rick Carver, street superintendent
- Colorado City Chamber of Commerce helped with mailings about our project
- Brian Bassham installed the sprinkler system
- TDCJ crew cleaned the cemetery entrance
- Margaret and Ben Sparks coordinated the work and helped prepare the area for plantings.
- Colorado City Garden Club members raised money by preparing and serving food at the Home and Garden Show, decorated our float for the homecoming parade, collected orders, and donated their time to make the sale a success
- KCCB and BAT committee
- Steve Graham and TXDOT
- Jim Baum and KVMC radio station, Colorado City Record and Charter Communications for the wonderful publicity
- CID and the businesses that allowed us to leave our order forms at their place of business
- Jody Clark at Higginbotham for loan of equipment
- Wilma Reynolds for our t-shirts
- Margaret Rees for our sign
- Kiwanis Club for the use of their park for our sign
- Faye Nell Herm for helping the distribution and doing bookkeeping duties
- Artist Leola Anderson for her beautiful crape myrtle design to use on correspondence and our 2004 yearbook

• THE FOLLOWING INDIVIDUALS, CLUBS AND BUSINESSES DONATED CRAPE MYRTLES TO DIFFERENT COMMUNITY ENTITIES AS INDIVIDUAL GIFTS, OR IN HONOR OR MEMORY OF THEIR FRIENDS AND FAMILY.

THE MITCHELL COUNTY SHERIFF'S OFFICE and the Mitchell County 4-H Club have teamed up to purchase a 24-foot-long goose-neck trailer that will be used by both groups. The Sheriff's Office and 4-H Club shared in the cost. Left to right are John Senter, County Extension Agent-Ag; Precinct 2 Commissioner Carl Guelker; Sheriff Patrick Toombs, Precinct 3 Commissioner Wendy Inman; and Precinct 4 Commissioner Bill Preston. Not pictured is Precinct 1 Commissioner Ed Roach.

Sheriff's Office, 4-H program share cost to buy new trailer

Drug forfeiture money has helped pay for a gooseneck trailer that will be shared by the Mitchell County Sheriff's Office and County 4-H Club.

John Senter, County Extension Agent-Ag, said the 24-foot-long aluminum trailer arrived from South Plains Truck and Equipment in Lubbock on Wednesday, Nov. 5.

The Sheriff's Office and the 4-H Club split the cost of the 6 1/2-foot wide Elite trailer that also has a front storage compartment.

County Sheriff Patrick Toombs said drug forfeiture money his office has received was used to purchase the trailer, along with funds Commissioners Court approved for the 4-H program during its budget workshop this past summer.

Toombs said the Sheriff's

Office will use the trailer to transport confiscated illegal drugs to Midland or Abilene, and stolen property.

Senter said the 4-H Club will use the trailer to transport livestock to different 4-H competition January through April.

Toombs said that in the past his office has to locate vehicles to transport the drugs and stolen merchandise.

"This way we have access to a trailer that is part ours and a pickup," Toombs said. "Our sharing in the cost with the drug money helps the 4-H with its budget and save the county money. The trailer is half paid for by our drug dealers."

Senter said, "This is a big commitment on the sheriff's part and a big commitment on the Commissioners Court to put that kind of expenditure into a

trailer.

"But yet, I think the thing that is so important is that Sheriff Toombs took the initiative along with the Sheriff's Office to show their support for the county program and to support the 4-H members in the county. I think it's a testament to Mitchell County's support of the 4-H program."

Senter said the trailer will be especially useful since the number of families and youngsters involved in 4-H has grown over the past four years.

He said 40 families are involved in the 4-H program, and entries in the county livestock show has also increased.

"I know that last year 4-H had 108 animals entered in major stock shows at different places January through April," he said.

Local option election gets sufficient signatures

A Loraine businessman's efforts to have a local option election to legalize "the legal sale of beer and wine for off-premise consumption only" is one step closer.

Linton Ray Webb turned in before the Friday, Nov. 7, deadline petitions carrying the necessary number of signatures required to have an election called.

Mitchell County Voter Registry Faye Lee said Webb turned in, petitions with more than the 64 signatures required.

Webb had turned in 60 signatures to Lee on Tuesday, Nov. 4.

Lee said she has certified signatures of 80 registered voters, who live within the City of Loraine.

She will now present a letter of certification to Commissioners Court on Dec. 8.

Commissioners are expected to call the election for Feb. 7.

Lee said that anyone wanting to vote in the election must register to vote 30 days before the election.

Because of a delay in the U.S. Justice Department giving pre-clearance to new Texas election laws, Webb had seven days to obtain the signatures in order for the election to be held in February.

Webb had more time to collect the signatures, but turning them in after Nov. 4 would have delayed the election until May.

The Loraine local option election is one of many planned statewide that were delayed by the U.S. Justice Department's approval of the new election laws.

The Justice Department approved the changes Oct. 15 and County Clerk Debby Carlock received the notice Oct. 21.

Chamber Chatter.....

Railhead Trade Days is over for the year of 2003. The building was filled with excellent vendors. The weather did not cooperate and the inflatables could not be raised for the children, but overall it was a very good show.

We certainly do not want to overlook Thanksgiving because we all have been blessed and have much to be thankful for. However, we must start making preparations for events taking place in December.

The Chamber is planning to place yard art on the courthouse yard. We have seven trees which require four (4) strands of lights per tree. The lights cost \$4.00 plus tax per box. If you want to help with the purchase of these lights, please contact the Chamber office. The front sidewalk will be lined with lights and, if time and resources permit, the Memory Candle will be used again.

The parade and Festival of Trees will be held Dec. 6. Plan now for your church, club, organization or individual family to enter a float, bicycle, car or anything that catches your fancy. Everyone is encouraged to participate.

A very special event will take place on Saturday, Dec. 6. There will be gingerbread contest. It is called "Gingerbread Creations". You can make anything you want from gingerbread and other ingredients as long as everything is edible. There will be two categories: Youth and Adult. Awards will be given for most creative, most unique and best of show. Entries should be turned in between the hours of 8 to 10 a.m. on Saturday morning. The entries will be judged and displayed when the doors open for the Festival of Trees and refreshments after the parade.

The first annual Christmas Ball will be held December 6 featuring music by Jody Nix. We prefer the ladies wear dresses or dressy pants and the gentlemen will dance without hats. In order to have enough dance floor, only 230 tickets will be sold. The tickets are \$15 each.

You will be hearing more about all of these happenings in the days to come. We wanted to give you an idea of the things planned for you during this holiday season. Please support these activities. Many people work long hours to have something for all of us to enjoy, so show your appreciation by your presence. It continues to be my pleasure to serve you as chamber director.

Thank you, Sue Lowrance

the hospital district is "awaiting input" from Cox regarding electrical and plumbing issues.

"We're not even close to have things done before the last inspection," Mize said Tuesday, Nov. 11. "Some of the things on the list have been fixed by hospital personnel, but there is some fairly extensive work that remains."

In addition, Mize said she has been authorized to apply for a loan in the neighborhood of \$300,000 that is expected to be needed to cover the cost of correcting the deficiencies.

Mitchell County voters originally approved a \$7.4 million bond issue for the new hospital, but delays, change orders and additional equipment have sent the hospital's cost to nearly \$10 million.

Mize said the hospital district has covered the additional cost, but she once again said "it is critical that we get into that building."

She said directors hope to cover numerous issues with the architect as to why some of the problems have occurred "and why is the hospital district having to pay for some of these things."

Mize also said several code items required by the state were removed at the outset of the hospital project, "and some of the codes that were taken out have to be put back."

"We need answers because we need to get into the building. There are questions that need to be asked."

During his inspection, Eades noted that six doors do not meet the fire rating code.

Cox said Tuesday, Nov. 11, that he has an underwriter's laboratory in Chicago checking the fire rating of the doors and he is waiting for the report to verify the fire rating.

He also said that many of the 58 items "could be loose screws" or "something that the inspector wanted to have them confirm."

Cox said the 58 items are "a little bit above average" as far as the number of deficiencies.

"Many of those items may be a request by the inspector for information," Cox said. "He had several facilities to inspect over a few days and he simply couldn't get everything done. He wanted confirmation on items."

Cox said the TDH does not intend for any items found to be looked upon as mistakes or errors.

dent that occurred at the Opera House Tuesday night, Nov. 4, ignited into a dispute among council members during Tuesday night's meeting.

They eventually decided to keep the Opera House closed until Willis and City Attorney Jeanie Fuller could organize guidelines concerning future use of the facility.

They are expected to look into the need for liability insurance, agreement for use of the building and any fees charged for use of the building.

Council members also emphasized they want to make the decision when the Opera House should be reopened.

It also was brought out that under an agreement not made known to the council that the C City Opry was not charged a fee for using the Opera House and the city paid for \$2,757.44 in utilities.

C City Opry charged \$5.50 per person admission to the shows that were held the first and third Thursdays of each month.

The full council attended the first portion of Tuesday night's meeting, including Brigada Hiser, Faye Ross, Sammy Contreras, Verta Hardegree, Bob McNeal and Jason Castillo.

Following a break, Contreras was unable to attend the second session because of work while Ross did not return to take part in remaining agenda items.

Autumn in New York, New England and New Brunswick

By Tumbleweed Smith

When our youngest son graduated from high school we took a trip to New England. Fabulous. The color was at peak, we had time to poke around and sample the fall season at a leisurely pace.

We've been back to New York since then, but didn't return to New England until this October. We traveled there on a floating resort called the Golden Princess.

We went aboard after a grueling cab ride that was taking about ten thousand passengers to and from cruise ships at the dock in New York.

We had an easy time in the Big Apple prior to boarding. We saw the musical, Thoroughly Modern Millie and visited the World Trade Center site. New Yorkers don't refer to it as Ground Zero anymore. We noticed a street leading to the area of the devastation was named Liberty. We hadn't heard about that from any news media.

We lounged around our hotel Sunday before going to the dock in early afternoon. This is only our second cruise. The first, really, since that Bahama trip years ago was like a military exercise. We soon learned that lots of people cruise. Some of our fellow passengers had been on twenty or more. We also noted that most of them were retired. But they were active. Some of the folks who looked to be in the worse shape proved to be going on the most strenuous tours on land: riding rapids, bicycling up steep hills and taking long walking excursions. I also realized that active older people keep the nation's economy on track. They spend money freely.

As the ship glided out of the harbor at dusk, we found a spot aft and watched the city slowly disappear. The Statue of Liberty was lighted when he passed by it.

We had been scheduled to go to Halifax, but Hurricane Juan had done so much damage the ship couldn't dock. So we went to St. John, New Brunswick a day early. It's a quiet place, like most of Canada. It's the first city established in Canada.

We toured Portland, Bar Harbor, Boston and Newport. We ate lobster, took pictures of light houses and visited historic places. Newport was new to us and our favorite place on the tour. It's about the size of Big Spring in late fall and winter, but the population swells in the summer. The city is home to some of America's most elaborate castles. We toured Rosecliff Mansion, the setting for the movie, The Great Gatsby. Newport's favorite topic of conversation is the America's Cup. I guess I saw about a thousand sailboats in the water around the wharf.

The ship had plenty of food, diversions and entertainment. You don't go on a cruise to rest. There's something going on all the time: ice carving, wine, tasting, bingo, swimming, hot tubs, art auctions, shuffleboard, ping pong, tennis, basketball and chess. The ship is longer than three football fields and is 21 stories high. Elegant marble stairways grace the three story lobby area called the Grand Plaza. Photographers do a big business and if you're so inclined, the ship has a casino, a library and a wedding chapel. It has more than most towns.

Five CHS band members make all-region band

Five members of the Colorado High School band earned Region 2 all-region honors, with three advancing to area competition where they will try out for the all-state band.

FIVE MEMBERS of the Colorado High School band made the Region 2 all-region band during tryouts Saturday, Nov. 8, at Clyde High School. Seated, left to right, are senior Toni Pineda, sixth chair clarinet; junior Megan Drummond, first chair, flute; senior Kim Barr, eighth chair, flute; standing, senior Evan Jones, left, first chair, tuba; and freshman Brad Gandy, second chair, bass trombone. They will participate in an all-region band concert Jan. 17 in Abilene.

Selected to the all-region band were Megan Drummond, first chair flute; Kim Barr, eighth chair flute; Evan Jones, first chair tuba; Brad Gandy, second chair bass trombone; and Toni Pineda, sixth chair clarinet.

They will also take part in an all-region band concert Jan. 17 in Abilene.

CHS Band Director Jeremy Ross said the top five places in each section were area certified and will compete Jan. 10 in Abilene.

Jones, Gandy and Pineda are area certified. Barr did not place high enough. They were among almost 1,000 students competing in the Region 2 event Saturday, Nov. 8, at Clyde High School.

Although Drummond was first chair, Ross said she is not area certified because "she elected at the beginning of this process to file a form that allows her to compete with the 4A and 5A schools Dec. 13 at Cooper High School in Abilene."

She will try out for the big school all-state band.

Drummond earned a first chair on the Class A, 2A and 3A band last year and "she figured she would step up to the next level of competition and try to crack into the 4A and 5A band," Ross said.

Ross said that at the area

competition the three CHS band members will "try out for the all-state band. That's the last round of auditions for all-state."

"If they finish in the top of their section, they make all-state."

Ross said that geographically Region 2 is the largest in the state.

In addition, Drummond, Gandy, Barr and Pineda will be among six CHS band students taking part in the all-district band concert Saturday, Nov. 15, at McMurry University's Radford Auditorium in Abilene.

Also making the all-district band were Diana Bueno and Kirby Matlock.

The all-district high school band is expected to perform around 7:45 p.m., following the middle school all-district band's concert, starting at 7.

The concerts are open to the public and admission is free.

Thirteen members of the Colorado Middle School band earned all-district honors during tryouts Nov. 1 in Anson.

They are Cody Upshaw, seventh chair trumpet; J.D. Clay, second chair trumpet; Hopie Salinas, 18th chair clarinet; Catherine Dolan, first chair clarinet; Wendell Ramsey, second chair tuba.

Also, Lucas Martinez, 11th

chair trumpet; Isabel Ventura, seventh chair clarinet; Christa Valdivia, fourth chair French horn; and James Smith, alternate, trombone; Michael Hollis, seventh chair tuba; Crystal Stewart, fourth chair bass clarinet; Samantha Martinez, 14th chair clarinet; and Colton Nobles, alternate, baritone, saxophone.

bles, alternate, baritone, saxophone.

CMS Band Director Linda Clay said, "This is the seventh year in a row for the clarinet in our band to earn number one chair."

The CMS band has 166 members.

Assistance program application deadline nears for local native grass and improved pastures

By Keith Hiser
County Executive Director
Mitchell County FSA

I would like to remind local farmers and ranchers that the application closing date to sign up for the Non-Insured Assistance Program (NAP) for native grass and improved pastures is December 1, 2003.

NAP covers crops damaged by severe weather that result in a loss of 50 percent or greater. Losses are generally determined by percentage of loss compared to the producer's actual yield history. Lost production eligible for payment is paid at 55 percent of crop value.

Producers interested in obtaining crop insurance on perennial pastures should visit the local USDA Service Center as soon as possible to complete an application for their 2004 acres. Producers with acres in multiple counties should be aware that carrying capacities

for pasture acres covered under NAP may vary by state and by county, so they need to check with their local FSA offices for details.

NAP coverage is only available for crops where coverage is not available under the Federal Crop Insurance Program (FCIC). For all native grass and improved pastures, producers must report acres and file notices of loss in a timely manner to insure eligibility. However, production evidence is not required for perennial pastures that are grazed only.

The December 1, 2003 deadline to purchase NAP coverage also applies to persons who have an existing policy and want to renew their coverage for 2004.

For detailed NAP information and applicant eligibility criteria contact the Mitchell County office at 325-728-2651 or visit FSA on the web at www.fsa.usda.gov.

THIRTEEN MEMBERS OF the Colorado Middle School band have been selected to the Region 2 all-district band and will take part in the all-district band concert Saturday, Nov. 15, at McMurry University's Radford Auditorium in Abilene. The middle school concert begins at 7 p.m. followed by the high school concert. Both are open to the public and admission is free. Standing, left to right, are Cody Upshaw, seventh chair trumpet; J.D. Clay, second chair trumpet; Hopie Salinas, 18th chair clarinet; Catherine Dolan, first chair clarinet; Wendell Ramsey, second chair tuba; kneeling, left to right, are Lucas Martinez, 11th chair trumpet; Isabel Ventura, seventh chair clarinet; Christa Valdivia, fourth chair French horn; and James Smith, alternate, trombone. Not pictured are Michael Hollis, seventh chair tuba; Crystal Stewart, fourth chair bass clarinet; Samantha Martinez, 14th chair clarinet; and Colton Nobles, alternate, baritone, saxophone.

Beta Epsilon honors Betsy Lee Aycock

The Beta Epsilon Chapter of the Delta Kappa Gamma Society International honored longtime teacher Betsy Lee Aycock by planting crape myrtle trees at Kelley and Hutchinson elementary schools Monday, Nov. 10.

Aycock, who started teaching in the third grade in the Colorado Independent School District in 1958, retired from teaching in 1985. She died Dec. 30, 2002.

The Beta Epsilon Chapter of Delta Kappa Gamma Society International held its November meeting on Tuesday, November 4 at Bama's House. Sixteen members were in attendance.

The program was presented by Wilma Reynolds, Cecilia Scott, Janie Lou Greenlee, and Brenda Aguillon. They gave information on the Crape Myrtles and how to care for them.

COOK'S CORNER

This week, we will continue our theme of Thanksgiving recipes. Some delicious desserts await us after our Thanksgiving meal. Why not try one of these?

PUMPKIN PECAN LAYER CAKE

Cake ingredients:
2 cups crushed vanilla wafers
1 cup chopped pecans
1/2 cup butter, melted
1 pkg. carrot cake mix
1 cup cooked pumpkin
1/4 cup butter, melted
3 eggs
2 Tbsp. water
Filling ingredients:
2 cups powdered sugar
2/3 cup butter, softened
4 oz. cream cheese, softened
2 tsp. vanilla
1/4 cup caramel ice cream top-

ping
Garnish ingredients:
1 cup pecan halves
Heat oven to 350°. Combine crushed wafers, chopped pecans and 1/2 cup melted butter in large bowl until mixture resembles coarse crumbs. Press mixture evenly and firmly on bottom of 3 greased and floured 8 or 9-inch round cake pans.

Combine cake mix, pumpkin, 1/4 cup melted butter, eggs and water in same bowl. Spread about 1 1/2 cups batter over crumbs in each pan. Bake for 25 to 30 minutes or until toothpick inserted in center comes out clean. Cool 5 minutes, remove from pans. Cool completely.

Combine powdered sugar, 2/3 cup butter, cream cheese and vanilla in small bowl. Beat at medium speed, scraping bowl often until smooth.

Layer 3 cake layers on serving plate, nut-side down, with 1/2 cup filling spread between each layer. With remaining filling, frost sides only of cake. Spread caramel topping over top of cake, drizzling some over frosted sides. Arrange pecan halves in rings on top of cake. Store refrigerated.

COCONUT-BANANA CREAM PIE

Crust ingredients:
2 2/3 cups sweetened flaked coconut
1/4 cup butter, melted
Filling ingredients:
1/2 cup sugar
1/4 cup all-purpose flour
1/4 tsp. salt
2 cups milk
3 eggs, separated
1 tsp. vanilla
1 medium banana, sliced
Meringue ingredients:
3 reserved egg whites
6 Tbsp. sugar
Heat oven to 325°. Reserve 1/4 cup coconut, set aside.

Combine remaining coconut and butter in medium bowl; press onto bottom and up sides of 9 inch pie pan. Bake for 20 to 25 minutes or until golden brown.

Meanwhile, combine 1/2 cup sugar, flour and salt in 2 quart saucepan; stir in milk. Cook over

medium heat, stirring constantly, until mixture comes to a full boil (7 to 8 minutes). Remove from heat. Stir small amount of milk mixture into egg yolks, return to pan. Reduce heat to low. Continue cooking until slightly thickened (1-2 minutes). Do not boil. Stir in vanilla. Pour half of hot filling into baked crust, cover with banana slices. Top with remaining filling.

Increase oven temperature to 375°. Beat egg whites in small bowl until foamy. Continue beating, gradually adding 6 table-spoons sugar, until glossy and stiff peaks form. Spread only warm filling, sealing to edge of crust. Sprinkle with reserved coconut.

Bake for 9 to 11 minutes or until lightly browned.

ReAnna Krapf

Krapf selected to participate in state program

ReAnna Krapf, daughter of Joe and Virginia Krapf of Colorado City, Texas, has been selected to participate in the "Distinguished Youth of Texas Scholarship and Recognition Program," to be held at the Renaissance Hotel in Austin, November 28-30, 2003. During the weekend event, two Texas students will be selected to receive a \$1,000. U.S. Savings Bond and the right to serve as a State Program Titleholder for one year. In addition, both winners will receive \$250 to present to their respective schools from the Distinguished Youth of America Program.

The Distinguished Youth program is designed to recognize girls who rank high academically and who are leaders in their schools and communities.

The judging criteria used to select the two state titleholders includes the following: Scholastic Record; Service to School and Community; Personality Projection; and Interview.

The Program Finals will be held Sunday afternoon, November 30, at the Renaissance Hotel and will culminate in the naming of the new Young Miss of Texas and Little Miss of Texas.

ReAnna will be sponsored for the weekend by Mr. and Mrs. Joe Krapf. ReAnna is an All A student in Peggy Hill's third grade class at Westbrook ISD.

WESTBROOK FFA MEMBERS ATTENDED THE National FFA Convention in Louisville, Kentucky recently. Members attending were (l-r) Lauren Johnson, Jordan Truelove, Allison Bray, Misti Gaston and Stacie Diese.

Westbrook students attend FFA convention

Five members of the Westbrook FFA Chapter attended the National FFA Convention October 28 through November 1, in Louisville, Kentucky. This year's convention was special by marking the 75th anniversary of the FFA. The first convention was held in Kansas City, Missouri in 1928, with 33 members in attendance. This year the convention registration was approximately 50,000 members, advisors and guests. The FFA has 465,000 members throughout the United States, Puerto Rico, and the Virgin Islands.

The members attending from Westbrook were Allison Bray, Lauren Johnson, Misti Gaston, Stacie Diese and Jordan Truelove, along with Mrs. Verla Johnson, and Advisor Mr. Bray.

While at the convention, the members attended the opening Reflections session that gave all of the members a look back in the history of the FFA, and a glimpse into the future as the National Officer Team envision it would be. They also attended the opening session where they heard motivational speaker and professor of Economics at New Mexico State University, Dr. Lowell Catlett. His speech was about keeping focused and preparing for the future. Dr. Catlett was very entertaining and shed light on many areas that will affect us all in the years to come. Dr.

Catlett also has strong ties to the FFA, and the state of Texas. He is from Dalhart, Texas originally and served a term as National FFA President in 1968-69. Following the open session, they attended a workshop on Positive Attitudes, which was conducted by previous National officers. The main object was to show how to keep a positive attitude in all aspects of life, not just during FFA.

Stay
safe.

Your family depends on you for its safety. And TXU Gas is your partner for staying safe around natural gas. We're dedicated to providing dependable natural gas service and making sure you use it safely.

Natural gas is colorless and odorless. As a safety precaution, TXU Gas adds a strong and easily identifiable scent that is similar to rotten eggs. If you smell gas indoors, quickly check to see if a pilot light is out or if a burner valve is partially open. If your equipment is working properly and you still smell gas, follow these precautions:

- 1 Don't switch anything electrical on or off. Don't strike a match or do anything that could cause a spark.
- 2 Leave your home immediately, leaving a door open to help ventilate. Do not use your phone.
- 3 Go to a nearby phone and call TXU Gas immediately at 1-800-817-8090.

We'll send a truck right away, but until we do, don't go back into your home or business.

If you smell gas outdoors, move to an area where you no longer smell gas and call TXU Gas immediately at 1-800-817-8090.

- If you smell gas, call 1-800-817-8090

Wolves claim share of District title

The Colorado Wolves laid claim to a share of the District 3-2A title last Friday when they destroyed the Forsan Buffaloes coupled with a win by the Coahoma Bulldogs over state-ranked Crane.

The Wolves head into the bi-district round with Shallowater with a 4-1 district mark and finished 9-1 on the season, the only blemish coming at the hands of the Crane Golden Cranes. The Wolves, Golden Cranes, and the Bulldogs all finished district with 4-1 marks.

After being held to 42 yards against Crane the week before,

tailback Jacobie Russell quickly made up lost ground, carrying the football 18 times for 272 yards. His four touchdowns came on runs of 3, 56, 41, and 12 yards.

The Wolves racked up 559 yards of total offense in blasting the helpless Buffaloes that finished the season at 1-9 after opening the season with a win.

The Wolves put 16 first quarter points on the board, the first coming with 8:38 left to go in the first quarter when Russell blasted in from the 3-yard line. Tyler Kelly added the PAT for

a 7-0 lead.

Two minutes later Wolf defensive end Cole Arthur tackled the Forsan punter in the endzone for a two-point safety which made the score 9-0 in favor of the Wolves.

Russell pushed the lead to 16-0 when he busted loose on a 56-yard touchdown gallop.

The Wolves added another 20 points in the second quarter to take a comfortable 36-0 lead into half-time.

Scoring in the second quarter was Russell on a 41-yard run, Chris Spear on a 50-yard touchdown pass from sopho-

more Brik McGuffin, and Otis Johnson on a 13-yard run.

Russell returned in the second half for one last touchdown on the night, it coming with 3:44 left in the third quarter on a 12-yard run. That gave the Wolves a 43-0 lead which allowed Wolves head coach Frank Johnson an opportunity to empty the bench.

Forsan was able to get on the scoreboard late in the third period when Buffalo quarterback Josh Helmstetter hit Brandon Burleson on a 70-yard touchdown pass. The two-point con-

version was good, cutting the Wolf lead to 43-8.

Helmstetter once again found Burleson early in the final quarter on a 47-yard touchdown pass. The PAT failed this time, leaving a score of 43-14.

The Wolves responded with three more final period touchdowns that turned back any further Forsan threat.

Speedy Han Ollison returned a kickoff 80 yards for one of the touchdowns. It appeared at one time he was going down, only to emerge from a group on the long gallop to score.

The final two Wolves scores came when reserve tailback Carlos Leanos scored from a yard out, and on a 16-yard scamper. The senior only had the two rushes, scoring on both. Sophomore fullback Kenneth Scott rushed for 56 yards on seven carries, but had key blocks that opened up holes for the running backs to go through.

"It has been a fun, great season," said coach Johnson. "We set the tempo of the game early. The offensive line did another great job blocking. I told the kids just to go out and have fun in this last home game. I think they did."

The Wolves had little time to savor the final regular season game win. On Saturday morning it was business as usual with the team assembling for their normal morning of watching game film.

"We celebrated for a few minutes, then it was time to begin working on game plans for Shallowater," Johnson said. "The kids are real excited about getting another shot at them."

The Wolves take on the Mustangs at 8 p.m. Friday night at Lowery Field in Lubbock.

The final week of regular play brought a few surprises. Although I did pick Coahoma over Crane, I missed one of ten when Ira defeated Highland 44-22. I knew it would be a close one, but I thought Highland would have enough weapons to handle them. Here goes playoff week one.

Wolf Players of the Week announced

Two Coles and Kenneth Scott are the final regular season Players of the Week for the Colorado Wolves.

Cole Ratliff garnered the offensive player, grading out as the top lineman at his tight end position.

"Cole has just been doing an outstanding job for us all season," said coach Frank Johnson. "He has improved steadily throughout the season."

Defensively, Cole Arthur is this week's Player of the Week.

Cole was credited with six tackles, a sack, a quarterback pressure, and a behind the line of scrimmage tackle. The senior defensive end/tight end also filled in at guard during the Crane game due to an injury to Anthony Matos and did an admirable job.

The "Monster Hit" award goes to Kenneth Scott. Scott leveled a Forsan runner with a hit that could be heard in Westbrook and Loraine. When the young player came to he asked his coach "Did you get the license number of that truck?" Congratulations to all of week nine's winners.

HAN OLLISON, #11, has only Forsan defensive back Justin Forshee to beat enroute to an 80-yard kickoff return. The Wolves beat Forsan, 63-14 to claim the district co-champion title with Coahoma and Crane.

Wildcats throttle Trent, 43-19, in season finale

The Westbrook Wildcats finished the football season with a convincing 43-19 win over the Trent Gorillas last Friday night in Trent.

Holding on to a slim 12-7

lead at the end of one quarter, the Wildcats scored 19 unanswered points in the second quarter to give Westbrook a 31-7 lead at half-time.

The second half was a defensive game on both sides with no one scoring during the third period. Both teams put up 12 points in the final period.

Jared Matlock hit Trey Chavez on a 60-yard touchdown strike to open the scoring for the Wildcats.

After Trent answered with a touchdown run, the Wildcats came back with a touchdown when Josiah Hannon ran back a kickoff 45 yards to regain the lead they would not give up.

Hannon would go on to score two more touchdowns on runs of 2 and 1 yard.

Matlock also hit Chavez on a 13-yard touchdown strike in the second period followed by a Chavez 48-yard touchdown

run after intercepting a Trent pass. Chavez also had a 13-yard touchdown run to his credit.

Matlock completed 7 of 13 passes for 148 yards and 2 touchdowns while Chavez was catching 3 passes for 80 yards and 2 touchdowns.

Hannon rushed for 70 yards on 12 carries, scoring twice. As a team the Wildcats rolled up 346 yards of total offense.

Hannon was credited with 19 tackles as well as 2 recovered fumbles. Matlock had 12 tackles, 3 caused fumbles, and a fumble recovery and an interception. Chavez had 15 tackles as well as an interception for a touchdown.

The young Wildcats, who finished third in district with a 3-2 mark, will return every starter from this season's team. The Wildcats were 5-5 on the season.

Alpine beats Lady Wolves

After defeating Anthony in bi-district 29-27, 25-13, 19-25, and 25-18 last Saturday in Monahans to make it to the area round of the volleyball playoffs, the Lady Wolves season came to an end in Crane Tuesday night when they lost to #6 Alpine 18-25, 16-25, and 15-25.

The Lady Wolves originally thought they would be playing state ranked Van Horn in the bi-district round, but they were upset by Anthony in the first round.

Head coach Anita Graham, who took over the varsity team when former coach Gail Keeton resigned earlier in the year, said her girls left it all out on the volleyball court Tuesday night.

"These girls played their hearts out," said coach Graham after the battle was over. "They came a long way this season. I want to thank everyone who supported us and stood by us. These girls have no reason to hang their heads. They battled to the end. We are still young. We will be back."

Eliza Garcia

Loraine athletes attend Regionals in Arlington

After placing second at the district cross-country meet in a time of 12:13, Loraine's Eliza Garcia advanced to the regional round held in Arlington last Saturday.

Garcia, along with the boy's team of George Davila, Nathan Clements, Michael Walker, Marcus Williams, Steven Woodell, Gene Messick, and Nathan Oliver, both qualified for the regional meet. Garcia was a medalist while the boys qualified by finishing as one of the top three teams.

In the district meet Walker finished the course in 7th place while Williams medaled by taking 9th place. Oliver missed medaling by two seconds.

At Arlington Garcia finished 31st out of a field of 181 runners in a time of 14:10.17.

None of the members of the boy's team finished among the top qualifiers.

Alison Lopez leading Howard College back to respectability

Alison Lopez

The Howard College Lady Hawks have been a highly respected basketball program for several years, but when the team ended last season at 10-20, failing to make the playoffs for the first time in many years, changes were made.

When the school hired Lorin Miller, a veteran of many years of coaching on the collegiate level as well as an assistant with the Seattle Supersonics NBA team, the first player to be recruited was former Lady Wolf Allison Lopez.

Through the first three games of the Lady Hawks season, Lopez is proving she can play at the next level.

Lopez is averaging 15 points per game at the shooting guard position in two wins over Cisco Junior College and once over McMurry Junior Varsity.

Lopez was a four-year starter at Colorado High School, grabbing all-district honors all four years.

Her athletic skills were not limited to basketball. She also was a four-year starter in softball as well as participating in cross country, volleyball, and qualified for state in the 800-meter run three years in a row.

In basketball the 5'7" guard averaged 18.5 points per game last season as well as averaging 5.5 rebounds per game, 3.1 steals, and 3.7 assists.

She could have signed to run track or play softball with any number of schools, but chose to attend school in Big Spring where her family would be close enough to watch her play.

Lopez is the daughter of Jimmy and Mary Lopez of Colorado City. She is majoring in physical therapy.

CARD OF THANKS

Card of Thanks

The Mitchell County Hospital District would like to take this opportunity to thank all the citizens who graciously donated crepe myrtles to the hospital. Thank you to the Garden Club ladies who coordinated these donations for the hospital. The crepe myrtles are just going to be beautiful against our new building. Thank you to all!

Karen Holman, Administrative Secretary
Mitchell County Hospital District

Card of Thanks

Thank you to my family, my friends and the community for making my benefit barbeque a success. Also, I wish to thank you for all your prayers, cards, phone calls and donations to the bank account during my lengthy illness and stay in the hospital.

Ernest Castillo
All family & friends

Card of Thanks

The David Orona family as well as the Jose Orona family would like to extend a heartfelt thank you to all of you who have supported us with your prayers and giving of yourselves during the Oct. and Nov. blood drive. This has truly been a blessing for our families.

David, Mary Jane Orona &
Jose, Connie Orona families

Card of Thanks

The family of Bill Erwin would like to thank everybody for the concern and support given to us during the past four months. It was a sad time but friends, doctors and nurses helped us through it all.

Thank you so much.

Gloria, Amelia, Julie, Melanie, Mark,
Jane, Sydni, Jaymi, Holly and Casey

Bulldogs finish season with win

The Loraine Bulldogs completed the 2003 football season with a 75-26 whipping of the Hermleigh Cardinals, sending the Cards back to 11-man football in a rude way.

Just prior to the kickoff, the Hermleigh ISD Board of Trustees voted to play an 11-man football schedule beginning next season despite being more than 40 students below the 99.5 ADA cutoff that would have required them to begin playing 11-man ball.

The Cardinals played the Bulldogs close for the first two quarters with Loraine ahead

only 16-8 after the first period, and 35-20 at the half.

The Bulldogs blew the game open in the third period, scoring 26 unanswered points, to run the lead to 61-20.

The game was ended due to the mercy rule in the final quarter when Loraine scored another 14 points while holding Hermleigh to a touchdown.

"Our seniors really played hard," said coach Victor Garcia. "They left it all out on the field."

One of the seniors, Ryan Lucas, had a field day in his last game. He carried the ball 9

times for 132 yards with 2 touchdowns. He also completed 13 of 22 passes for 199 yards with 6 touchdowns.

On defense Lucas had 7 tackles, a fumble recovery, and an interception.

Senior George Davila closed out his career with some good numbers also. He caught 6 passes for 117 yards, scoring 3 touchdowns. He also had 4 tackles on defense.

Other Bulldogs scoring were Anthony Esquivel who had 7 carries for 55 yards and a touchdown rushing. He also caught a touchdown pass.

Senior D.J. Vanderpool also had one catch that was good for a 1-yard touchdown. He added 4 tackles on defense.

Junior Steven Wooddell had 3 catches for 45 yards and a touchdown.

Senior Jose Delgado, defensive standout all season, closed out his football career by collecting 14 tackles to lead his team once again on defense.

The 75 points scored by Loraine was the highest all season. It did not surpass the record of 90 points scored by the Bulldogs in the 1994 season.

LJH wins first basketball game against Hermleigh

Fresh off the completion of football season, the Loraine junior high basketball boys team got things off to a good start with a solid 41-22 district win over Hermleigh.

With only two practices under their belt, the junior Bulldogs jumped to an early 24-5 half-time lead before Bulldog coach Rick Lucas began to play his reserves.

Leading the way with 16 points for Loraine was Joseph Epperson. Jake Hester added another 8 to the total.

Speaking of Sports...

By Carl Graham

The final week of the regular season is in the record books for another season.

All three Mitchell County football teams won last Friday with the Wolves defeating Forsan, Loraine drubbing Hermleigh, and Westbrook taming the Trent Gorillas.

Speaking of drubbing, the Texas Longhorns drubbed Oklahoma State. Too bad they couldn't have played Oklahoma that well. Oklahoma could probably play with a few of the NFL teams this season. They look unbeatable at this point.

The Cowboys added another win Sunday with an ugly 10-6 squeaker over Buffalo. Despite everything, the "Boys" are in first place in their division.

The Wolves are co-champions for the 2003 football season after Coahoma defeated Crane last Friday night. The Wolves will still play Shallowater in Lubbock. The tenth ranked Golden Cranes will represent the district as the second place team while Coahoma goes into the playoffs as the number three team.

That's about it for another week. Good luck to the Wolves this Friday when they take on the Mustangs of Shallowater!

Richard and Barbara Blair of North Richland Hills were in Loraine last week to visit Ruth Richburg, their mother, to help her celebrate her birthday.

Billie Dale and Wyona Blair from Umbarger were also able to attend the family get-together.

We have concerns at this time for Kathy Walker. She is hospitalized at Abilene Regional Hospital.

Her husband is Melvin Walker. It is thought she will be there for sometime longer. She is in Room 533. We hope she is better soon and back at home.

Helen Williams enjoyed the visit of her friend, Dena Troutt of Roscoe Sunday.

They had to catch up on each other's news.

Edgar Haltom checked out his sweet potato patch to see what kind of crop he had, if any.

He dug up sweet potatoes large enough to feed a big family. We see a sweet potato pie in his future for Thanksgiving for sure.

Former Lorainian Mary Agnes Williams Templeton, born Jan. 13, 1915, passed away Nov. 9. She was buried at Bunyan Community Cemetery, north of Dublin.

The deceased was Mary Rose Bowen's aunt and was married to Varnell Templeton.

We in the community send the family and friends our sincere condolence.

We have concerns at this time for Billie Martin. She fell last week and sustained multiple breaks on her leg.

We send our prayers and well wishes to her.

Jay and Doris Henderson attended a program for veterans put on by Rusk Elementary School in Midland, honoring veterans.

Doris' granddaughter, Morgan Henderson had a significant part in the program and had the honor of placing a medal around her uncle Jay's neck. All veterans who attended received a medal.

Durwood and Ina Vay McAdams returned home Saturday after spending a week in Paris, Tx.

Their two young granddaughters were very sick little girls and needed some TLC to recover.

Both Macie and Hutton were feeling better when they left.

The Methodist Church in Loraine is having a pot-luck Thanksgiving dinner after regular services, Nov. 16th. They have been great in the past.

A Mexican pile-on meal and evening of music will take place Nov. 15 starting at 5:30 p.m. and lasting until 8:30 p.m. at Loraine Senior Citizens hall. Adult plates are \$5 and children's plates will be \$3.

Proceeds from this supper

and musical will go toward the nutritional program.

Senior Center

An important day to remember is Friday, Nov. 14. We will be looking forward to having a lunch of enchiladas. Also the Applins and Charlene will supply the music and singing for us.

Last Monday we had table games and visitation.

On Friday agent Mary McMullen spoke to seniors on the sudden loss of appetite, weight loss and mood swings.

Wednesday morning Vida Mae McDaniel entertained with lively and lovely piano music.

Visiting last week was Gary Hopper of Kansas. Also Gina and Joe Coldeway of Midland visited.

On Monday, Nov. 10, a regular board meeting for the month took place following lunch.

Dorothy Haltom has been missing going to the Senior Center. It seems Mr. Arthur Itis has moved in with her. She has been making frequent trips to a physical therapist and she is feeling some better. Maybe she will soon be rid of her unwanted guest.

We hope she feels like herself soon.

Just In Fun

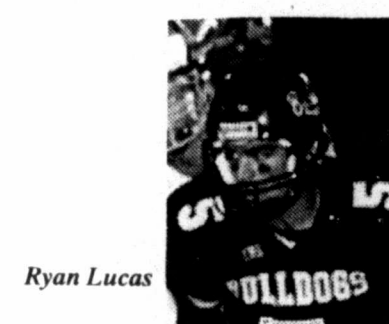

When Will Smith applied for a driver's license in Detroit's crowded license bureau, an officer hurriedly put a paper across the desk. "Write your last name first, and your first name last," he said.

"How's that again, sir?" asked Smith. "Like I said," replied the cop, "backwards."

Smith figured they knew what they were doing so he laboriously wrote: lliW htinS.

"Can you read the third line?" an oculist asked his patient. "Sure," answered the man. "CWDK. I can't pronounce it, but I think he was left tackle at Notre Dame last year."

Lucas is top player

Ryan Lucas

Lucas was a one-man wrecking crew for the Bulldogs in their 75-26 win over Hermleigh last Friday.

The senior quarterback went 13 for 22 through the air for 195 yards and six touchdowns, while rushing for 132 yards on only nine carries for two more touchdowns. He also returned an interception 70 yards for a score, recovered a fumble, and had eight tackles on defense.

Congratulations Ryan on your selection as Player of the Week!

JERRY TURNAGE of Colorado City shot a 12-point Mitchell County buck Wednesday, Nov. 5, north of Westbrook. The inside antler spread measured 18 1/2 inches. The deer field dressed 120 pounds.
