Weekend Accident Claims Life Of Local Teen

Funeral Services Slated Today For Lee Palmer

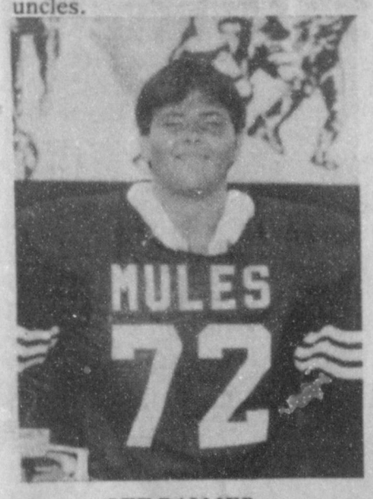
Funeral services for Lee Palmer, 15, of Muleshoe will be held at 2 p.m. today, Thursday, in the First Baptist Church with Rev. Allen Petersen, pastor of Richland Hills Baptist Church, assisted by Rev. Barry Bradley, pastor of First Baptist Church of Muleshoe. Interment will be in Bailey County Memorial Park under direction of Ellis Funeral Home of Muleshoe.

He died at 1:10 p.m. Tuesday in St. Mary's Hospital in Lubbock where he had been taken late Sunday afternoon for treatment of injuries received in a vehicle accident at 5 p.m. Sunday, just south of Muleshoe.

He was born January 10, 1973 in Pasadena, TX and was a lifetime resident of Muleshoe.

He was a sophomore at Muleshoe High School where he was involved with the Muleshoe High School varsity football team. He played offensive/defensive tackle. He was also a member of the Fellowship of Christian Athletes at MHS and a member of Richland Hills Baptist Church, Muleshoe.

His parents include his parents, Bob and Doris Palmer, Muleshoe; grandparents, Ed Edmiston, Muleshoe; Marie Edmiston, Littlefield; Mrs. Edith Palmer, Muleshoe; a step-brother, Eldon Ray Sparkman, Minnesota and several aunts and uncles.



LEE PALMER

WORKING ON A WRECK VICTIM--Late Sunday afternoon, members of the Bailey County EMS, assisted by the Muleshoe Fire Department and city police officers, work on one of the victims from an accident that had just occurred approximately one mile south of Muleshoe SH214. The local EMS personnel worked on five victims before they were transferred to West Plains Medical Center for further treatment and/or transfer to Lubbock. (Journal Photo)

Five Teenagers Hospitalized From One Vehicle Rollover

Late Sunday afternoon, it was really 'brought home' what the consequences may have been if Muleshoe had not had it's hospital, West Plains Medical Center, open and ready to receive patients.

At 5:03 p.m. the dispatcher at the Muleshoe Police Department was notified of a major accident just south of Muleshoe on FM214. It was reported that "kids were lying all over the highway."

One of the injured youths, Shannon Gregory, 15, had come into West Plains Medical Center by private vehicle to report the tragic accident.

Responding officers and personnel from the Bailey County Ambulance Service, found five more injured youth, ranging from serious to critical.

Not only did EMT and paramedics begin responding from the Bailey County Emergency Medical Service, but other trained EMTs also responded to the sudden emergency and immediately started working on the young people.

Officers, including city county and state officers quickly responded for traffic control, as many, many vehicles started to the location south, impeding emergency operations.

Members of the Muleshoe Fire Department responded to help with traffic control, to wash down gas from the wrecked vehicle and get debris off the highway.

From the Texas Department of Highways and Public Transportation, two workmen brought barricades and traffic cones, as all traffic was routed through the east side ditch to keep from hampering the operation.

St. Mary's Hospital in Lubbock was notified to get the Flight For Life Helicopter started for Muleshoe, and the rescue effort continued.

One patient was brought to Muleshoe in an ambulance alone, as more 'work room' was needed for this particular victim. Two were taken to the hospital by Muleshoe's other ambulance, and two were transported to the hospital by the Muleshoe Fire Department suburban.

Lee Palmer, 15, was the first patient to be transferred to Lubbock by Flight For Life. He was reported to be in extremely critical condition with head injuries.

Next, after receiving emergency attention at the hospital, Angel Pearson, 16, driver of the pickup; and 17-year-old Damon Parker, were transferred to Lubbock by ambulance.

Around 10:30 p.m. Sunday night, Justin Obenhaus, 15, was transferred to Lubbock, again by Flight For Life.

Hospitalized at West Plains Medical Center were Melissa McNutt, 16 and Shannon Gregory, 15. It was reported that Shannon was released from the hospital on Monday.

All three Muleshoe doctors, Dr. Homer Allgood, Dr. Bruce Purdy and Dr. Mark McClanahan responded to the hospital, and Dr. McClanahan went out to the wreck site, one mile south of Muleshoe, to assist on the scene.

It was several hours before Dr. McClanahan's station wagon was retrieved from the wreck site.

James Elder Contest Winner In Third Week

A new first place winner is listed this week for the Merchant's Football Contest. James Elder was the only person in the contest to miss just three games having 17-20 correct games.

Gary Freeman was the second place winner. He was the only contestant to miss four games.

A total of seven contestants missed five games -- so it took using the tiebreaker scores to determine the third place winner.

Melissa Ross missed five games, but was only eight points off on the double tiebreaker to take the third place slot.

Other contestants who missed five games and their tiebreaker scores include:

Andy Perez, 13; Barbara McCamish, 13; Raymond Villalobos, 22; Carren Black, 30; Roger Crosswhite, 31 and Gerald Shanks, 44.

One entry came in this week minus the name of the contestant, and did not have an address. This would not have affected the outcome of this particular weekly contest, but, if it had been one of the winners, it would have had to be disqualified. Be sure to add the name and address in the official contest entry blank -- that's the only way we will know who you are.

EMS Personnel Recognized During Special 'EMS Week'

Gov. William P.Clements, Jr. proclaimed September 18-24 "Emergency Medical Services Week in Texas." The event honors the specially trained persons whose timely actions often make the difference between life and death.

The Texas Department of Health (TDH) and local EMS groups will sponsor activities throughout the week to educate Texans about EMS.

"Knowing how to call EMS, and what to do in the first few minutes of an emergency are sometimes crucial to a victim's survival," said Gene Weatherall, chief of the TDH Bureau of Emergency Management.

Bailey County operates the EMS service in Bailey County, and the director is Richelle Watkins, RN/EMT/Director.

Her husband, Randy Watkins, is an EMT/Paramedic and is also Senior Paramedic.

Other paramedics who work for Bailey County EMS are Jeff Isom, Lamar Hayes and Tim Wetzel.

Wayne Wauson is Senior Volunteer Crew Chief. Other EMT personnel include Starla Ellis, Joe Don Prather, Todd Ellis, Jackey Wayne Burris, Alex Garcia.

Ricky Mata and J'Don Kube are both EMTs with a further designation of Special Skills.

The EMS Service ECAs are Curby Brantley, Mary Hicks, Gary Watkins and Doris Scott.

Bailey County is noted all over the South Plains for their well-trained and efficient Emergency Medical Service.

This has really been noted during the past several days, with one emergency situation right after the other.

[*See related story this page.*]

When the Bailey County EMS pagers 'beep' and it is a major emergency, not only the team on call, but other EMT and ECA personnel respond, just in case they are needed. This was very evident Sunday evening with the six teenagers injured south of Muleshoe.

At that time, trained EMTs not associated with the Bailey County EMS (such as Larry Rasco) also responded, ready to help with the emergency situation.

"Knowing how to call EMS, and what to do in the first few

Muleshoe's Tax Rebate Check Shows Increase

State Comptroller Bob Bullock said Monday that monthly payments to cities and counties that collect local sales tax were up again in September.

"Once again, as in the last several months, the state's rebates to cities and counties have shown a marked increase, demonstrating that the Texas economy continues to expand," Bullock said.

Bullock's office sent checks totaling $67.8 million to 895 cities that collect local sales tax at either one or one and one-half percent.

Statewide, year-to-date payments to cities are up an impressive 12.1 percent, Bullock said.

Checks totaling $30.5 million were sent to six metropolitan transit authorities and one city transit department which also are funded by the sales tax. This allocation was up 17.4 percent over the same period in 1987.

Checks were also mailed Monday to 81 counties that collect the one-half percent county tax, Bullock said.

Muleshoe's rebate check was $18,506.23 for this period, an increase of 32.31 percent over the $13,987.19 for the same period a year ago. To date this year, payments are $161,443.67, an increase of 16.34 percent over the 1987 payments at this time of $138,772.70.

In Cochran County, Morton shows an increase of 43.10 percent for the pay period. Their payments last year at this time were $3,885.33 and are $5,559.72 for the same period this year. At the same time, they are posting a yearly increase of 32.79 percent with current payments to date being $46,570.64, compared to

***

Because of the death of Lee Palmer, MHS offensive/defensive tackle, the bonfire scheduled for tonight, Thursday, has been cancelled.

***

Calvin Meissner, owner of the Lariat Gin Co. said 4-5 inches was general in the Lariat community Tuesday night. He said no hail was reported in the Lariat community.

During the same thunderstorm Muleshoe recorded .88 inches of rain overnight, with heavy skies still threatening rain at presstime Wednesday morning.

***

Tuesday night, the Three Way volleyball team defeated South Plains Christian Academy, winning two games, 15-6 15-12.

Coach Shelby James said Melinda Turney was high scorer in both games with a two game total of 18 points on serves.

***

Lazbuddie Young Homemakers have just received their first shipment of pecan halves for holiday cooking and candy making.

This year, the pecans are $3.25 per pound.

You can order your pecans by calling Debbie Magby at 965-2793 or Lana Copp at 965-2806.

Silverton Falls To Junior High At Lazbuddie

Last Thursday, the Lazbuddie Junior High football team began their season with an impressive 41-0 victory over Silverton, playing at Silverton.

Tailback Matt Cozbey led the scoring with three touchdowns and three conversions. Quarterback Paul Williams connected two touchdown passes to Leland Brockman, and Eric Williams ran a third touchdown in the second quarter. Brockman also scored two conversion runs.

Head Coach Mark Scisson was proud of his boys' performance. "I was especially glad that even the younger boys got to play. Everyone on the team got to play."

IT'S THE QUEEN, HER COURT AND FRIENDS--In the background, members of a band look on as the annual Diez y Seis queen is formally recognized. From left, at the La Mulita on Sunday night, are Jim Watson, Queen Claudia Posadas; Laura Arzola, first runner up; Amelia Gardea, Duchess and Sylvia Posadas, who was the '86-'87 queen. A large crowd attended the coronation and dance. (Journal Photo)

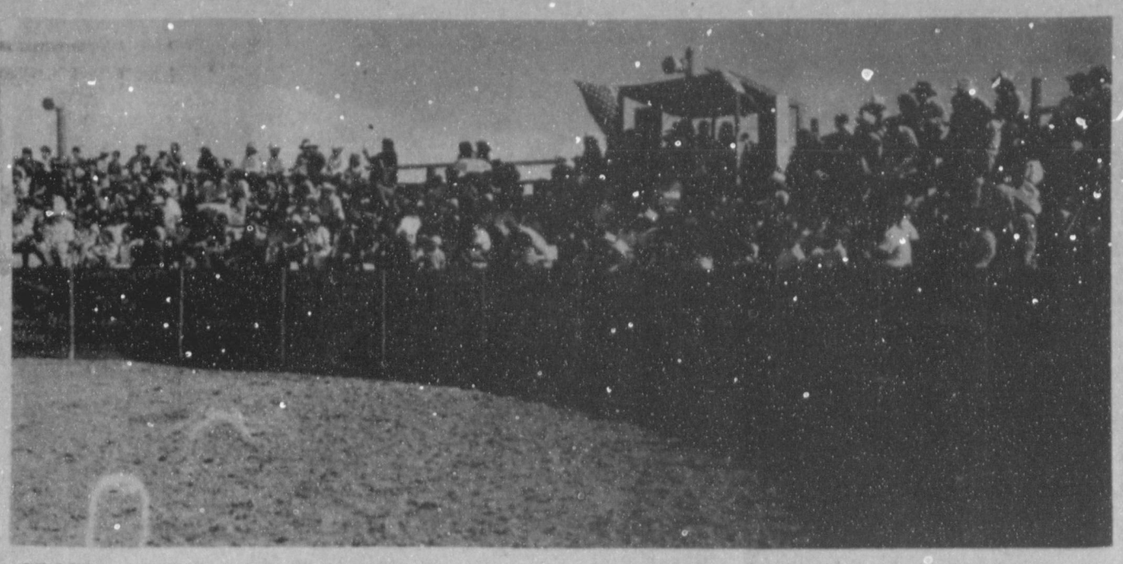
"The Best Way To Save"



CROWD ATTENDS CELEBRATION--Several hundred people were on hand Sunday afternoon at the arena east of Muleshoe on Highway 84 for the Charriada, during the annual Diez y Seis celebration. Despite a hot afternoon, they all enjoyed all the activities performed prior to the Sunday night dance and queen coronation.

(Journal Photo)

Shotgun Manufacturer Visits Rotary

Rodney Richardson, Littlefield native, has moved back to his hometown where he is opening a shotgun manufacturing company the first of October.

He was introduced by Gordon H. (Corky) Green, as guest speaker for the Muleshoe Rotary Club on Tuesday, and told the Rotarians some of the ways he believes will work to attract industry.

Richardson told the group he used the principles of Rotary as keys to success in his business and enterprises.

Richardson brought a couple of shotguns to show the Rotarians. He said he and a co-investor are the sole owners of the new company, having purchased all the patents, copyrights, equipment and national marketing.

Their opening date is around October 1 and they will be employing around 40 people on the assembly line and drill press, along with another 50 people in sales.

Richardson reminded that this will be a terrific boost to Littlefield's economy.

Dallas, where the original manufacturing company was located, Lubbock and Hereford, all bid for the new plant, but through family ties and his roots, along with beginning benefits, he opted for Littlefield.

He said he would save approximately $25 per unit, over what it would have cost to produce the same unit in Dallas. He also said the shotguns will retail for $140-$160 each.

He expects to pump about $425,000 in salaries into Littlefield's economy during the first year of operation; and also expects some $1.2 million net profit for the company.

Littlefield gave Richardson a small tax abatement for three years, and although the money is small, he expects it to come back many times in years to come for the Littlefield economy, adding extensive funds to the tax base.

He spoke of two other industries considering locating in Littlefield, and said mostly it is because of Littlefield's 'positive' attitude.

"Quit speaking negatively, or you're already defeated," he told the local Rotarians.

"You can sit back with a negative attitude and continue to decline in population, as you talk about agriculture. Diversify -- for agriculture, the prices just aren't there. Stop thinking negatively and encourage your Chamber of Commerce and your Industrial Board to have a 'vision.' We have the vision, and we're making it work."

Richardson said many locations are defeated in attemptting to attract industry because they are selfish and greedy, and refuse to grant tax abatements or other means of attracting good industry.

He said he did not advertise for employees, but had 400 people to apply for the 40 job openings at his plant.

Richardson says he is paying $4-$5 per hour for his labor force, compared to $7.50-$10 per hour he would have had to pay in Dallas.

He expects to manufacture and distribute 20,000 guns the first year, and after the first year, 40,000 guns per year.

His future plans include the manufacture of a .222 and .223 rifle.

Rotary President George Nieman said Clifton Finley had returned to his home from surgery in Lubbock and was doing well.

He also asked for more help with the Rotary-sponsored wrestling in Muleshoe Tuesday night.

Several new Rotary members will be installed during the Tuesday, September 27 meeting.

Wade Littlefield asked for permission to operate the all-new Muleshoe Activities Committee's 'Pop-A-Shot' at the wrestling match.

The Rotarians voted unanimously to have the new basketball machine operated Tuesday night.

Guests at the meeting included Charles Christian, Scott Campbell, Albert Lopez, and J. E. McKillip.

Give Death a Holiday.

Longhorns Hit Silverton In Big Win

Continuing a winning streak that saw the Lazbuddie Longhorns six-man football go undefeated last year, the 'Horns blasted Silverton 52-6 in action on Friday night.

Wes Jarman scored a 35 yard TD in the first after a reception from Longhorn Quarterback Michael Williams. The PAT attempt failed.

A second 10 yard Michael Williams to Eddie Zamora pass in the first was also good for a TD, and again the PAT failed.

Eddie received a four yarder and slammed over for a TD in the second. The PAT failed.

Wes Jarman also made his second TD of the night on a 43 yard pass from Michael Williams in the second, and the 'Horns troubles with extra points continued as the PAT failed.

Kevin McGehee lobbed a 25 yard pass to Michael Williams who made it to paydirt in the second and Donnie Holt made the PAT good. It was a 32-0 game at halftime.

Back in action after halftime activities, Wes Jarman again scored. This time on a 10 yard pass from Michael Williams and Bryan Glover booted through the PAT.

Silverton's lone TD came in the third on a 55 yard run, and the PAT failed.

Donnie Holt came back with a 30 yarder to Kirk Jesko and the PAT failed.

Kirk Jesko scored the last TD of the game, this time on a 20 yarder.

Coach C. W. Williams said 2:33 was left in the third when the game was called on the 45-point rule.

Michael Williams completed 10-19 passes for 253 yards and three touchdowns. He also caught one pass for a TD.

Wes Jarman received four passes for 121 yards and three touchdowns.

Outstanding on defense were Bryan Glover, Scott Miller and Eddie Zamora.

The Longhorns travel to Groom this Friday for a 7:30 game.

Letter To The Editor

Dear Journal folks-

We lived in Muleshoe from 1927 till 1964. We thoroughly enjoyed the 75-year "memories" published lately - we knew *everyone* mentioned in it.

My husband "Walter Witte" worked in the "Post Office" 21½ yrs. Were well acquainted with all the town and route patrons. We witnessed the explosion when it blew up from gas. There were just five of us to carry on the office part (with experience) so it was a hassle down on our knees working what we could salvage that people raked up, clear down to the depot (dirt, splinters, etc.)

Had to use orange crates and what we could for mail boxes. Mr. Bell, our inspector from Lubbock came and helped sort, down on his knees. We named the garbage barrell File 13 to put splinters, etc in.

Uncle Bill McAdams, R#2 (to West Camp) was my brother. Our two kiddos, Sonny and Jean, grew up in Muleshoe and all the kids their ages seemed like (till now) that they belonged to us. We went by the names of 'Aunt Pete and Uncle Walter.'

We felt like when you put on the 'auction sale,' we had always wanted to help out in some way, so we sent a big box of hand made things to add to the sale. I noticed it brought $150 (in the paper).

My hobby is crafts and painting.

The most interesting thing to me is making 'pixie dolls' and I put seven in the auction sale.

In over the years I've made over a hundred and still going strong. Mabel Caldwell use to bring new ideas to the hobby club for us to make, is where I got the Idea. I have a little improved way have worked out over the Coat hanger wire.

I'll close now by saying *'hello'* to all out friends at Muleshoe, and a special *'hello'* to Allie Barbour, Ernest Kerr, and Arnold Morris on this birthday in the Hospital home.

Love to all,
Aunt Pete & Uncle Walter Witte

NOTICE FOR BIDS

The Bailey County Commissioners Court will receive bids until 10:00 a.m., Monday, October 10, 1988, for the purchase of a new truck, at which time the bids will be opened. All bids must be received in the office of the County Judge of Bailey County, 300 South First Street, Muleshoe, Texas, prior to the foregoing time.

The county will offer in trade a 1979 Ford F-600 dump truck, which may be examined at the Precinct 2 county barn. All bids shall reflect the gross sales price of the new truck, the allowance for the trade of the used truck, and the net amount of the bid.

Payment in full will be made upon acceptance of the truck and delivery of proper title documents. No bond is required of any bidder.

The specifications for bidding said truck are as follows:

1. 84" cab to axle
2. Ford 700 Series or GMC or Chevrolet 7000 Series
3. 7,000 lbs. capacity front axle
4. 17,500 lbs. capacity rear axle
5. Five-speed transmission with two-speed rear axle
6. Heavy duty cooling
7. 18.0 section modules frame
8. 9.00 x 20.0 tires
9. Radio & heater
10. 365 C.I.D. engine

PUBLIC NOTICE
BRIEF EXPLANATORY STATEMENTS OF PROPOSED
CONSTITUTIONAL AMENDMENTS
GENERAL ELECTION
NOVEMBER 8, 1988

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment providing that when the federal government reimburses the state for expenditures of state funds dedicated to acquiring rights-of-way and for constructing, maintaining, and policing public roadways, such federal funds must also be used for those purposes.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment and/or clarification providing that federal reimbursement of state highway dedicated funds are themselves dedicated for the purpose of acquiring rights-of-way and constructing, maintaining, and policing public roadways."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 2 proposes a constitutional amendment to establish an economic stabilization fund in the state treasury. The fund would consist of one half of the unencumbered balance of general revenues at the end of a biennium and three fourths of the difference between the net oil and gas production taxes received in a fiscal year and the net oil and gas production taxes received in the 1987 fiscal year. During any fiscal biennium, the amount in the economic stabilization fund could not exceed 10% of the total deposited in general revenue in the preceding biennium.

The state comptroller and the state treasurer could decide to transfer monies from the fund into the general revenue fund to alleviate a temporary cash shortage in general revenue. The legislature could make appropriations from the fund on approval by a three fifths vote of each house to make up the difference between anticipated general revenue and appropriations. On approval of two thirds of the members of each house of the legislature, the legislature could appropriate monies from the fund for any purpose.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment establishing an economic stabilization fund in the state treasury to be used to offset unforeseen shortfalls in revenue."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 5 proposes a constitutional amendment that establishes the Texas growth fund. All investments of the Texas growth fund must be directly related to furthering economic growth and employment opportunities in Texas. At least 50 percent of the fund must be invested in equity and/or debt security for the initial construction, expansion, or modernization of business or industrial facilities in Texas. Not more than ten percent of the fund may be invested in venture capital investments. Of the funds available for venture capital investments, not more than 25 percent may be invested unilaterally, and the remaining investments must be matched at least equally by funds from other sources. The Texas growth fund will be managed by a board of trustees consisting of four members appointed by the Governor and one member from and elected by the membership of each of the following: The Board of Regents of the University of Texas System; The Board of Regents of the Texas A&M System; The Board of Trustees of the Teacher's Retirement System of Texas; The Board of Trustees of the Employee's Retirement System of Texas; and the State Board of Education. The trustees may set the investment policy of the fund, enter into investment contracts, and take any action necessary for the creation, administration, and protection of the fund. The amendment authorizes the Board of Regents of the University of Texas System and the State Board of Education, in managing the permanent university fund and the permanent school fund, to acquire, exchange, sell, supervise, manage, or retain any kind of investment, including investments in the Texas growth fund. The fund will be phased out after the tenth anniversary of its creation, but the Legislature may create a second growth fund by a two thirds vote of each house.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to provide for the investment of the permanent university fund, the permanent school fund, and public employee retirement systems in the Texas growth fund created by the amendment, which will directly create, retain, and expand job opportunity and economic growth in Texas."

Estos son los informes explanatorios sobre las enmiendas propuestas a la constitución que aparacerán en la boleta el día 8 de noviembre de 1988. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

MANY CHANGES IN AUTOS FOR THE 1939 MODELS

Sweeping new designs and many mechanical changes are embodied in the 1939, model automobiles soon to make their public debut, according to local dealers; but who say they do not have much detail as to these new changes.

It is known bodies will be wider and probably longer. Greater visibility will be obtained by use of wider and deeper windshields. Plastics will find increased prominence in interior body hardware and trim.

Several makes will provide off-the-floor gear shifts as standard equipment and prices will run about the same as for 1938 models. A sharp sales increase is being predicted.

HOSPITALS MERGE TO PROVIDE BETTER SERVICE

Negotiations were completed Tuesday morning between stockholders of West Plains Memorial Hospital and Green Memorial Hospital to merge the two facilities which will be located in the present West Plains Memorial Hospital.

Marshall Cook, administrator at Green Hospital, said "Only patient hospitalization service would be discontinued at Green Memorial Hospital. Doctors at the present Green Memorial Hospital will continue to see patients in the same location and those patients requiring hospitalization will be taken to West Plains Memorial Hospital.

Green Memorial Hospital will discontinue admiting patients for hospitalization on September 30. On October 1 all patients will go to West Plains Memorial Hospital.

The hospital was constructed sometime during the 1950's and was purchased by the late Dr. L.T. Green, Jr.

Creative Living

By Sheryl Borden

Information on basic home canning techniques and a discussion on how to create the country look in home decorating will be featured on "Creative Living" on Tuesday, September 27 at 12 noon and repeated on Saturday, October 1 at 2 p.m. on KENW-TV. (All times are Mountain.)

With the growing interest in home gardening and home canning among Americans, The Ball Corporation has come up with recipes, up-dated product information and technology to make the process of food preservation much easier. Judy Harrold is the Manager of Consumer Affairs for Ball, and she's from Muncie, IN. Judy's going to share some home canning basics.

Country decorating is the rage in terms of interior design right now. Dee Stang is the owner of Lynn Dee Patterns in Arvada, CO., and she has designed several creative patterns to help give your home a country look. These include a goose in a wreath, a teddy bear in a chair and even a kitty doorstop--just to mention a few.

On Tuesday, September 27 at 9:30 p.m. and on Thursday, September 29 at 12 noon, "Creative Living" will present two interesting topics. New innovations in toys and games to teach basic math facts for K-12 will be presented by Dr. Betty Lyon, a math professor at Eastern New Mexico University in Portales, N.M.

Also, tummy teaser recipes will be demonstrated by Connie Moyers, Marketing Home Economist with Southwestern Public Service, Co. in Clovis. Connie Will share recipes and serving ideas for junior chefs.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO. Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines between 8 a.m. and 5 p.m. In New Mexico, the number is 1-800-432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

HIGH ACID FOODS

******

Most fruits and tomatoes are high acid foods. They may be canned in a boiling water bath canner, which kills any harmful microorganisms at 212 degrees F. High acid foods can be hot packed or cold packed, the main difference being that the cold or raw pack is preferred for fragile foods and the hot pack is preferred for foods that tend to float or rise to the top of the jar after processing.

TOMATOES

2½ to 3½ pounds per quart, Salt

1. Select fresh, firm, ripe tomatoes. Wash thoroughly and drain. 2.Place tomatoes in a wire basket and lower into a kettle of boiling water. Remove after 30 seconds and dip into cold water. 3. Remove core, skin and any green spots. Boil tomatoes 5 minutes. Pack into hot jars, leaving ½ inch head space. 4. Press tomatoes with non-metallic utensil to release juice. Add tomato or remove juice to achieve proper head space. 5. Add 1 teaspoon salt to each quart, ½ teaspoon to each pint. Remove air bubbles with a non-metallic spatula. 6. Adjust caps. Process pints 35 minutes, quarts 45 minutes in boiling water bath.

The Ball Corporation has furnished copies of "Home Canning Basics" to viewers which includes information and recipes for a variety of foods that can be preserved through home canning techniques. For more specific information, call the station and request a copy of this free leaflet.

Lazbuddie Young Homemakers Install 1988-89 Officers

The Lazbuddie Young Homemakers held their first meeting of the year on Tuesday, Sept. 6. Installation of officers for the coming year and 'Revealing' were the focus of the meeting. New officers installed included: president, Mandi Seaton; vice president, Lana Copp; secretary/treasurer, Sarah Black; historian, JoDonna Terry; reporter, Pat Randolph; and pecan sales, Reta Mimms and Debbie Magby.

Community projects that the Young Homemakers voted to continue included: purchasing elementary track meet ribbons, glasses for needy children, secret pals, Christmas shopping spree, award for "Outstanding Young Homemaker" and honoring senior citizens through cards and gifts. Mrs. Lillie Jester and Mr. and Mrs. Deboe Carpenter were added to the senior citizen list.

These projects will be funded through book fairs, the elementary carnival, and pecan sales. The Homemakers are again taking orders for Del Cerro pecan halves at $3.25 per pound or $39.00 a case. Anyone wishing to place an order should contact Debbie Magby at 965-2793 or Reta Mimms at 265-3470.

The meeting closed with revealing of secret pals and refreshments.

Young Homemakers attending were Lorinda Bodiford, Janice Bradshaw, Lana Copp, JoAnn McDonald, Debbie Magby, Reta Mimms, Pat Randolph, Tony Scisson, Mandi Seaton and Barbara Lust, advisor.

Local Woman Returns From Dallas Seminar

Paula Foley of Maple community and an Independent Beauty Consultant for Mary Kay Cosmetics, Inc. has just returned from Dallas where she participated in a three-day business management seminar and joined more than 25,000 other consultants to celebrate the company's 25th anniversary.

The annual event, entitled "Silver Celebration,", consisted of four consecutive three-day seminars that focused on building consultants' professional sales techniques, marketing and product knowledge.

Ms. Foley joined Mary Kay in 1982, and has attended specialized classes in motivation and goal setting to gain more valuable tools for business success. After classes, company founder, Chairman Emeritus Mary Kay Ash personally rewarded and recognized outstanding achievers.

This multi-million dollar seminar was highlighted by a lavish awards' ceremony where Mary Kay National Sales Directors honored Mary Kay by wearing elabrate evening gowns of silver and black. During the awards night gala, thousands of Mary Kay's top businesswomen received more than five million doliars in luxury vacations, shopping sprees and fine jewelry.

Mary Kay Cosmetics, Inc. manufactures and distributes premium skin care, hair care, and body care products, nail care, including cosmetics, toiletries and fragrances. The personal care products are sold through a worldwide sales force of 150,000 independent beauty consultants. The Dallas-based firm was founded September 13, 1963, by Mary Kay Ash and her son, Richard Rogers.

Ms. Foley and her husband, Bob, have three children and five grandchildren. They farm in Bailey County and have for the past sixteen years. Ms. Foley states that she enjoys her Mary Kay business.

Muleshoe Elementary PTA Begins New Year

The first meeting of the Muleshoe PTA was held on Monday, Sept. 19 at 7 p.m. in the Dillman Elementary School gym.

Items discussed were as follows:

• On October 3rd, at 7 p.m. room mothers will meet for booth assignments for the Halloween Carnival. This meeting will be held in the DeShazo cafeteria.

• • • A nominating committee for the office of president was formed consisting of Jim Ella Clemmons, Ann Johnson and Pat Angeley.

• • • On October 20th the posters for the Halloween Carnval will be judged

• • • On October 20th those in charge of booths at the carnival should pick up the materials for the booths.

• • • The Halloween Carnival will be held on October 29th at the Bailey County Coliseum.

• • • On September 26th, a Visioin and Hearing Certification Clinic will be held to train new volunteers to do vision and hearing testing.

• • • T-shirts are still available for $5.00 each.

• • • PTA is still selling Mule toboggans for $7.00 (black or white). They may be ordered by calling Beverly Parker at 272-3152 or Suzanne Nichols at 272-5394.

• • • Mrs. Barbara Finney and Dr. Don Holes introduced the faculty members at the elementary schools.

• • • The Black Family Magic Act (Nick and Jaton Black) entertained the group.

Sometimes a fool has talent, but never judgment.

—La Rochefoucauld.

When we are too young our judgment is weak; when we are too old, ditto.

—Blaise Pascal.

Retired Teachers Association Begins New Year

The Muleshoe Area Retired Teachers Association began their new year Friday, Sept. 16 with a covered dish luncheon in the fellowship hall of the 16th and Ave. D Church of Christ.

Members present were: Margie Moore, president; Maxine Ragsdale, vice president; Mary B. Obenhaus, secretary; and Carrie Lee Bishop, Ethel Allison, Lena Hawkins, Ruby Lee Kerr, Eloise Prewett, Mabel Wolfe, Kathryn Sanders, Jean Moore and two new members: Betty Jo Davis and Letha Patterson, who were welcomed to the chapter.

Following the luncheon, the meeting was called to order by the president, Margie Moore. Kathryn Sanders led the members in the Pledge of Allegiance to the flag.

A short business meeting followed in which Carrie Lee Bishop was elected to be treasurer of the Area Association.

The next meeting, a musical program by Josephine Mitchell, will be on Friday, Oct. 21 in the Old Depot.

South Park Medical Center Opens Surgical Center

Hernia surgery in Lubbock has just gotten less painful for the patient and the pocketbook, according to Bobbye Maxey, director of marketing at South Park Medical Center.

South Park Medical Center announces the opening of the Southwest Center for hernia repair. "The center is dedicated to the surgical repair of hernias, featuring the Shouldice Type Hernia Repair Method. Maxey continued.

"The technique is molded after a successful Canadian procedure and is now being performed by Lubbock surgeon, Dr. David Hall at South Park Medical Center. This method allows the surgery to be performed under local anesthetic on the same day the patient is admitted.

"The procedure is silmilar to a technique used on thousands of patients a year at the Shouldice Clinic, Toronto, said Hall, who observed the procedure at the Canadian Clinic. The technique may also reduce the likelihood of reoccurrence. Patients undergoing this surgery procedure most often return to work within one week, and within four weeks where heavy lifting is required. Therefore cost is reduced because hospital stay and time off work are shorter.

"More than 15 percent of the adult population suffers from incidence of herniation. A hernia can be a serious, even life-threatening health problem. Those with a hernia may notice a bulge under the skin or may experience abdominal pain with activity or lifting.

"For those requiring surgery, the Southwest Center for Hernia Repair at South Park Medical Center will accept all Medicare and Workman's Compensation assignments as payment in full. Commercial insurance also may be accepted as full payment, depending upon the level of deductible.

Sudan Womens Club News

The Sudan Women's Club met for their September meeting on Monday the 12th at 7:30 p.m. in the Community Center. The program was brought by Kathy Gatewood, Color Analysis trainee for C.W. Designs. She was assisted by Linda Bearden of Amherst. Kathy explained how to look and feel your best through wearing the correct colors for each individual. Julie Rigsby received a complete color analysis and facial make-over. Kathy answered several questions and talked with many members about choosing their individual wardrobe colors.

Ann Carson, president, opened the business part of the meeting with discussions on volunteers to serve on the club's various committees for the coming year. The Halloween Carnival was discussed and plans were made to again set up a booth.

Money-making projects were discussed but were tabled until a later date.

The club voted to assist the community by buying a decorative street sign.

Financial reports for the club were presented by Marge Cardwell, treasurer. Ann Carson invited the guests to become members of the Women's Club.

Attending were: Ann Carson, Marge Cardwell, Dana Martin, Pam Maxwel, Deanna Humphreys, Mary Lena Mazwell, Jannette Testerman, Gloria Humphreys Jackie McAlpine, Margaret Smith, Jonelle Brandy, Deence McDonald, Kathy Gatewood, and Linda Bearden.

Weekend Accident

Cont. from Page 1'

The doctors said plenty of nurses showed up to help during the emergency, and office personnel were on hand to take care of the piles of paperwork involved.

At presstime, five of the accident victims were reported to be in satisfactory condition. At least two had been released from the hospital, and others were in private rooms.

[Information was received Tuesday afternoon that Lee Palmer died at 1:10 p.m. that afternoon at St. Mary's Hospital at Lubbock, of the injuries he received in the accident.]

During the accident emergency, officers and an ambulance were summoned to a local hotel for a reported 'overdose.' The 25-year old man was first taken to West Plains Medical Center for emergency treatment, then an ambulance started to Lubbock with him.

His condition was deteriorating, so the ambulance returned the man to Muleshoe, and for the third time on Sunday evening and night Flight For Life was summoned to Muleshoe.

Also, during the emergency, police cars screamed out of the back parking lot of the hospital to respond to a reported 'shooting' behind a local motel. No victim or person with a gun were found.

Another call drawing officers was a reported 'burglary in progress.'

Sunday concluded for the officers after midnight, after the last helicopter had gone, and seven persons were arrested from two vehicles. Two were charged with driving while intoxicated, and the other five for public intoxication.

On Saturday, Carelink helicopter was summoned to Muleshoe to pick up a cardiac patient and there was brief excitement on Saturday night.

It was reported to officers than persons had climbed the water tower on the east side of town.

One man was talked off the water tower, but the report said another person was on the tower.

Muleshoe Fire Department member Wayne Wauson and EMT volunteered to climb the water tower to check. He was accompanied up the ladder by Muleshoe City Police Officer Jay Livingston.

No one else was found on the water tower.

Everything apparently started on Friday evening, when an eastbound train struck a truck at the crossing just behind the Old Corral Restaurant.

The driver received a shoulder injury, head lacerations and was liberally 'bathed' in diesel from a ruptured diesel tank on the truck.

He was hospitalized overnight.

All in all, law enforcement officers and emergency personnel found themselves quite busy during the past weekend.

Three Way News

By Mrs. H.W. Garvin

Mr. and Mrs. Bobby Sinclair from Monahans are the parents of a baby boy born Sept. 11. He weighed 6 lbs. 12 oz. Grand parents are Mr. and Mrs. Bill Dupler of Maple and Mr. and Mrs. Y.L. Sinclair of Morton. Great grandmother is Mrs. Minnie Dupler of Maple.

***

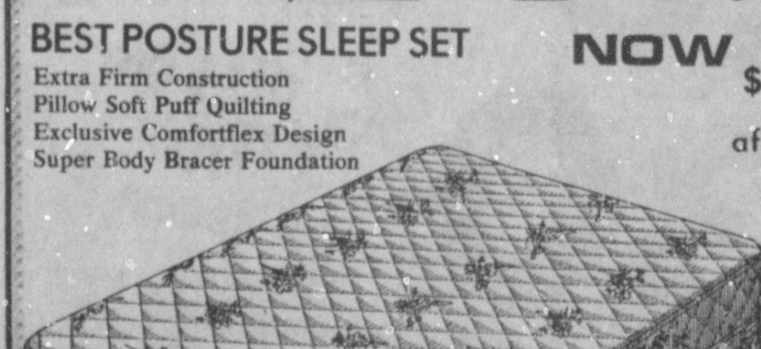
Mrs. Joe Sowder and Mrs. Bob Foley were in Lubbock Thursday on business and visited friends in the Methodist Hospital.

***

Mrs. George Tyson spent Wednesday afternoon visiting Mrs. H.W. Garvin.

***

We wish to express our sympathy to Mrs. Jack Reeves on the death of her Aunt Beatrice Inman of Muleshoe who was buried in Muleshoe Saturday.



Tax Rebate

Cont. from Page 1

the $35,072.17 at this time a year ago.

Littlefield in Lamb County has logged only a slight increase with payments for this period being $17,821.42, just 2.34 percent increase over the $17,413.78 of a year ago. For the year, they are showing an increase of 4.84 percent. Payments to date this time last year were $181,043.12 and are $189,808.67 for the same time this year.

From Parmer County, Friona shows a decrease both for the pay period and for the year. Friona had received $78,618.19 at this time a year ago, and were down by 5.35 percent to $74,408.48 received to date this year. Their current payment of $7,035.86 is down 11.03 percent from the $7,907.82 at the same time a year ago.

Bullock noted that the top five cities receiving rebate revenue showed impressive gains.

"The major metropolitan areas continue to surge forward as consumer confidence mounts," Bullock said.

Houston's year-to-date allocation was up 20.1 percent over 1987, Dallas saw an increase of 9.3 percent, and San Antonio received 9 percent more. Austin and Fort Worth posted gains of 7.7 and 8.7 percent, respectively.

September's checks represent taxes collected by monthly filers in July and reported to the Comptroller's Office by August 22, concluded Bullock.

Oklahoma, Nebraska Expected To Win

You may not realize it, but there is a team that actually holds a 2-game winning streak over Oklahoma. And this Saturday it's going to try to make it three. Southern California beat the Sooners 28-24 in 1981 and did a repeat performance the following year 12-0.

The Trojans started this season with a vengeance, pounding Boston College 34-7. Two weeks ago they nipped Stanford 24-20. Oklahoma's opener at North Carolina was almost exactly as had been predicted. The Tar Heels were shut out 28-0. Saturday's contest will be played in Los Angeles, and it could give the edge to Southern Cal. Our pick, however, is Oklahoma.

Powerful - and Independent - South Carolina hosts a huge battle in the South with the Georgia Bulldogs. The Gamecocks haven't beaten Georgia since 1984 so there's a smell of revenge in the air. The Bulldogs opened with an impressive 28-17 win over Tennessee followed by a 38-10 shellacking of T.C.U. South Carolina rolled over North Carolina 31-10, then shut out Western Carolina 38-0. Georgia's win in 1987 was a defensive affair, 13-6, but we don't look for another low-scorer this year. The Gamecocks could get their revenge -- but we don't think they will.

After their opening and very painful loss to Miami, 31-0, the Seminoles of Florida State came back to annihilate Southern Mississippi 49-13. Now, on the heels of a road trip to Clemson, they're back home to be challenges by Michigan State, a team that was also embarrassed in its opener. Rutgers upset State 17-13. Last year, the Spartans took it on the chin from the Seminoles 31-3. It may happen again.

Auburn and Tennessee played "Me and My Sister" last season, the game ending in a 20-20 tie. Auburn at home, will win. Nebraska nipped Arizona State in 1987, 35-28. The Cornhuskers, also at home, are favored.

Quickly -- through games of September 10th: 260 right and 74 wrong for an average of .778.

Never refuse to listen to advice, but only rarely follow it

Think this through: It's too hot to go to church.

How much time do you spend trying to live like your neighbor?

EMS Week...

Cont. from Page 1

minutes of an emergency are sometimes crucial to a victim's survival," said Gene Weatherall, chief of the TDH Bureau of Emergency Management.

"When you call EMS," Weatherall said, "stay on the line until the dispatcher tells you to hang up the phone. In many cases, EMS is on the way while you are still talking to the EMS dispatcher.

(In Bailey County, the EMS dispatcher is the Muleshoe City Police dispatcher, and the emergency number is 272-4200.)

"If possible, you should also turn on your porch light, and have someone wait by the road to direct the EMS crew," Weatherall added.

More than 40,000 EMS persons are certified in Texas. TDH and its regional offices closely monitor the training, certification, and field work of all EMS personnel.

"Dependable emergency medical care is our goal, and Texas' EMS is a leader in the nation," Weatherall said.

Texas ambulances respond to more than a million calls each year. State law requires that each vehicle be licensed by TDH, and that each be staffed by at least two persons certified in EMS.

Nursing Home News

By: Joy Stancell

Our thanks to R.L. Scott for furnishing and delivering us home grown watermelon and cantaloupes. They were delicious!

FOOTBALL CONTEST

Grand Prize: $50.00

1st **$10** Weekly Prizes 3rd **$5.00**

2nd **$7.50**

Weekly Winners

1. James Elder *2. Gary Freeman* *3. Melissa Ross*

CONTEST RULES

1. IN EACH ADVERTISEMENT YOU WILL FIND A GAME LISTED. CIRCLE THE TEAM YOU THINK WILL WIN. The person's score that most closely matches the TIE BREAKER SCORE will be declared the winner. If several persons are still tied the prize money will be split.
2. The contestant must be 12 years of age or older.
3. Only one entry per person may be made for any one contest.
4. Bring your entry blank by The Journal office by 5: p.m. Friday, or if mailed, the entry must be postmarked no later than 5: p.m. Friday. Write "FOOTBALL CONTEST" on the mailed entry, and mail to P.O. Box 449, Muleshoe, Texas 79347.
5. Circle the winners and WRITE IN THE SCORE of the tiebreaker game. This score will be used to break weekly as well as determine the grand prize winner. Decision of The Journal's scoring judges will be final.
6. Check the team you think will win; 10 points for first place, 6 points for second place and 4 points for third place.
7. To count for the grand prize, entries must be on official blank printed in the paper.

Cheerleaders Chosen To Be In Spotlight

They may be spotted around town, hanging posters or lending a helping hand, but usually you can find them jumping around on the football field on Friday nights. Who are these spirited individuals? They are the 88-89 MHS cheerleaders. But they did not come by this title as easily as one might suspect.

First of all, they auditioned during last year, and after being chosen, they began their fund raisers for cheerleading camp. This year the group of nine journeyed to SMC campus in Dallas.

They arrived in the hot humid Dallas area at the end of June. The drive had been long and tiring, but it was no comparison to the grueling workouts which they would soon encounter. Their days began early and lasted for many hours. During these long days, the girls learned new routines and performances; however, this camp was not all work and no play, in fact, one girl was quoted, 'The male aspect of it was *incredible*.' After the week-long camp, the cheerleaders returned to the muleplex where they began two-a-days. The general public may think that two-a-days are only for football players, but these cheerleaders are there faithfully each day to serve refreshments to the football team members. They also worked on posters, pin-ons, and cheers for the pep rallies. They also "goofed off" and had lots of fun.

By summer's end, the spiritied individuals had become a group. We according to one girl, 'We had to learn to get along, which wasn't easy because of the many conflicting opinions. But we all learned from each other and gained a lot of fond memories."

By the way, the 1988-89 cheerleading squad includes Debbie Brown, Krystal Angeley, Lisa Noble, Amber Green, Wendy Green, Lisa Triana, Jennifer Hayes, Michelle Finney, and mascot Monica Swint.

Students Chosen To Honor

The teachers and administrators at Muleshoe High School have again begun to choose a Student of the Day and a Student of the Week. Criteria for selection include a student's attitude, attendance, and overall cooperation with students and teachers. The first two Students of the Week have been named. Stacy Knowlton, sophomore, and Eloy Macias, also a sophomore have been chosen.

Stacy Knowlton

SCAC

The MHS Student Action Community Club met for the first meeting of this year as well as the final meeting with officers of 1987-88. In the absence of Armando Del Toro, president, Jennifer Green conducted the meeting. New members were recognized and farewells were made to the members who had graduated. The installation of officers was conducted by Jennifer and included: Christy Mata, president; Norma Jean Del Toro, vice-president; Lisa Noble, secretary; Timmy Shipman, parliamentarian; Amy Montgomery, treasurer; Carrol Copley, reporter; Justine Hanes, historian.

Mr. Roland McCormick and Mrs. Cara Juan Schuster were honored for their hard work in the community. They were given a paiting and a flag. Mr. McCormick spoke about the Heritage Foundation, and both guests expressed their appreciation to the group. The club was asked to begin to consider new projects for the year.

SCAC met last night, September 19, at the Depot to discuss the heritage of Muleshoe. The SCAC members were recognized by the President of the heritage board. Their were refreshments served by the members for the heritage foundation. SCAC had their first meeting Tuesday September 20, at Leal's. This began the activities of the year, Mrs. Allison is the sponsor of the SCAC organization.

No Clouds

Keep your face to the sun and the shadows will fall behind.

—Grit.

MHS Makes 'Big' '88 Homecoming Plans

As the preparations and actual building for the Homecoming '88 so is the building excitement. Many things must be accomplished before Friday "Big Day."

The biggest bonfire competition will be held again this year. Each class Freshmen, Sophomore, Junior, and Seniors will be attempting to build the biggest, loudest, and hottest bonfire. The largest bonfire will be decided at the Bonfire Thursday night. The bonfire starts at 7:30 p.m. The competition for the best decorated floats will be decided at Fridays Pep Rally. Each club and class are encouraged to design an eye catching float to be in the MHS parade. Good Luck to all!!

Homecoming candiates have been chosen for '88 '89. They are Amber Green, Krystal Angeley, Debbie Brown, and Michelle Cox. Amber Green is a Junior and involved in carnation for the candidates will be at 7:30 p.m. Amber is a Junior and very involved in school activities. Amber is the daughter of Corky and Donna Green. She has one sister, Wendy 16, and one Brother Rhett, 7. She enjoys waterskiing, being with her friends, and her favorite food is Chinese Food. Amber is involved in varies organizations such as FCA, FTA, Cheerleading, Basketball and Track. Her plans after high school are to attend Southern Methodist University.

Debbie Brown is a Senior and when asked what Debbie likes she stated, "I Love Basketball!" Debbie has been a cheerleader for five years and supporting the Mules and Mulettes is still one of her favorite things to do. "Whether we're ahead by ten or down by more I've never given up on them. They work hard for a victory and they deserve fans that will support them no matter what the circumstances may be." "One of the greatest honors I've ever received was Homecoming Queen for 1987, and just being nominated again was quite a shock." Debbie is involved in FCA, FTA, NHS, and SCAC. Debbie is the daughter of James and Diane Brown. Her plans for after high school is to college basketball hopefully on a scholarship.

Krystal Angeley is the daughter of R.D. and Pat Angeley. She is involved in FTA, SCAC, NHS, and FCA. She also is a varsity cheerleader and varsity basketball player. Krystal was very busy this summer first she went to church camp in Glorieta then to Washington D.C. on a school tour. She also spent a week at cheerleading camp at SMU. She played summer league at Sudan in basketball. For the remainder of the summer she lifeguarded at the Muleshoe Country Club. Krystal's plans after school is to attend Texas Tech University for one year and then on to the University of Texas.

The last but surely not least candidate for homecoming is Michelle Cox. Michelle is the daughter of Butch and Judy Cox. Michelle has one sister Tisha and a brother Gary. Her hobbies are basketball and cross country. Michelle is also involved in the annual powder puff football game.

Michelle plans after high school is to attend college at McMurray or ASU.

The Mules will take on the Greenwood Rangers at 8:00 P.M. Even though the Mules had a defeat to Denver City last week they are more ready for a victory. A.J. Liles will be the quarterback Friday night due to the injury of Jeff Hicks last Friday. Be sure and come to all of the week activities to support the Mules and all of the candidates. Go Mules beat the Rangers.

Student Council

The MHS Student Council meets every Tuesday morning in Mrs. Pylant's room. Any student at MHS can be an honorary member, and all students are encouraged to join. The Student Council representatives of each class and club need to attend meetings. Student Council is there to help get students involved in school activities. Students this club is for your benefit! Not for the actions of the MHS Student Council there would be no student phone, and most of all no Juke Box in the cafeteria. So, all you students at MHS, yes, that includes Freshmen, are asked and welcomed to attend the meetings.

Top Scholarship Offered Seniors

Top Texas high school seniors are eligible for $16,000, four-year Texas Excellence Awards for Scholarship and Leadership sponsored by The Ex-Students' Association of the University of Texas at Austin.

In addition to the top awards, $8000, four-year Awards of Distinction and $1000, one-year Awards of Recognition will be awarded to other finalists.

Applicants must be in the top five percent of their class and demonstrate leadership ability in the classroom and/or extracurricular activities. Applications for the Texas Excellence Awards will be available from high school counselors by mid-September with a November 1 application deadline.

Almost 1700 high school seniors made application last year, and during the seven year history of the Texas Excellence Awards, more than 10,000 Texas students have applied for the annual scholarships.

For additional information, contact The Ex-Students' Association, P. O. Box 7278, Austin, TX 78713, or call (512) 471-3822.

President-Ricky Flores
Vice President-Tory Mathews
Secretary/Treasurer - Tiffany Angeley
Parliamentarian - Michael Hardwick.
Student Council Rep.-Cory Collins

Back In Black

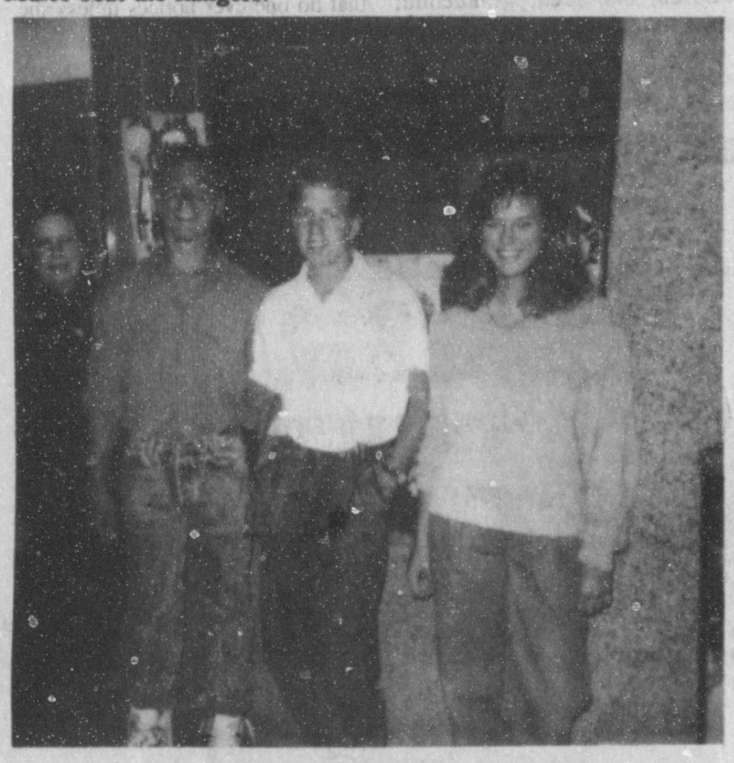
Back in Black is the beginning for the new school year at MHS. The co-editors of the Mules Tail are Justine Hanes and Esther Acosta. We are excited about the 1988-89 school year. We will try our best to bring you the best stories and funny humor from the halls of MHS. Some of our new columns that will be in the paper are the All-Star player and column and "The Class" column. So read, look, and laugh as the new year comes back in black!!!!

The Class

This is our first edition of "The Class", this column will spotlight a certain class whether it be Freshmen, Sophomores, Juniors, or Seniors that will reflect distinct personalities as well as class projects.

The Junior class has start off this year with an over abundance of projects. Being Juniors they must raise money in order to put on the Junior/Senior Banquet in May. This years Juniors are selling mums, spirit sticks, and garters for homecoming. If you would like to help the Juniors on their mum sells contact any Junior student or their sponsors which are Mrs. Skaggs, Mrs. Adamsons, Coach Carver, and Mr. Moore.

Also for the big night of Homecoming the Junior Class is sponsoring the Annual Homecoming Supper. This years supper will be turkey and dressing. The tickets are $5.00 for adults and $3.00 for children. A deliver service is available if you would call 272-4360 they start delivering at 4:30 pm. After the game and its festivities there will be a dessert and coffee time served in the cafeteria. The cost will be $1.25 each and there will be a variety of desserts served. Please come support the Mules and the Junior Class as they both work together to make the Homecoming of '88 the best!!



Junior Class

Teams Test Dates Released For October

Muleshoe High School has TEAMS registration packets available for out-of-school examinees, the school administration has announced.

Individuals who are no longer enrolled in school and have not previously passed both sections of the Texas Educational Assessment of Minimum Skills (TEAMS) test, but have met all other graduation requirements may retake the section not passed.

During the October administration, the mathematics test will be administered on Tuesday, October 25, and the English language arts test will be administered on Wednesday, October 26.

It Is Not Necessary to retest at the high school attended. Persons who are no longer enrolled in Texas public schools and wish to register to retake the exit level mathematics and/or English language arts may pick up a registration packet at any high school campus.

Registration forms must be received and returned in the pre-addressed envelope and are to be received in Iowa City, Iowa, no later than September 28, 1988. Neither the high school nor Texas Education Agency will be responsible for registration forms that are received late. It is suggested that individuals registering for the test make arrangements for a proof of delivery notice.

Registration forms are available upon request by contacting Linda Marr, counselor, at 272-3080.

In Fashion

One fashion trend noted on the campus is that clothes are very loose.

One of the featured colors for this fall seen in skirts and high top shoes is camel. Even denim comes in camel for pants and jackets. Red blends well with camel.

One designer pairs a short rabbit-hair jacket with pants and ankle boots. The college miss will also dress less casual for events. A hat worn with a double-breasted coat featuring belted back and scarf under the collar is quite attractive.

Isabel Ortiz Funeral Services Held In Earth

Rosary for Isabel Ortiz, 69, of Earth was celebrated at 8 p.m. Saturday and Sunday, Sept. 17 and 18 at St. Mary Magdelen Catholic Church in Earth.

Funeral services were held at 11 a.m. Monday in St. Mary Magdelen Catholic Church with Father Alfonso San Juan, visiting priest, officiating.

Burial was in Earth Memorial Cemetery under the direction of Parsons-Ellis Funeral Home of Earth. Ortiz died at 7:30 a.m. Saturday in the Methodist Hospital at Lubbock.

Born December 18, 1918, in Cameron, TX, Ortiz had been a resident of Earth for 33 years, moving there from Raymondville, TX. He married Juanita Barboza on July 29, 1939, in Raymondville. He was a farm laborer and a member of St. Mary Magdelen Catholic Church.

Survivors include his wife, Juanita, two sons, Rudy Ortiz of Woodrow, and Jose Gonzalez of Earth, three daughters, Isabel Cardona and Pam Astorga, both of Earth, and Maria Hernandez of Sniyer, four sisters, Dora Camargo of Raymondville, TX, Luisa Hernandez of Chicago, Ill., Dominga Rangel of McFarland, Calif., and Adela Hernandez of Fresno, Calif.; 16 grandchildren; and 12 great grandchildren.

Vernon Jamison Former Muleshoe Resident Dies

Funeral services for Vernon E. Jamison, 74, of Marble Falls, TX were held Sunday, Sept. 18 in the First Baptist Church of Marble Falls with the Rev. Max Copeland officiating.

Burial was in Lakeland Hills Memorial Park under the direction of Clements-Wilcox Funeral Home. Jamison died Friday.

Born Dec. 31, 1913, in Hamilton County, Jamison had been a resident of Marble Falls since 1973. He had formerly lived in Muleshoe and Lamesa. He was a member of the First Baptist Church of Marble Falls, where he served as an usher, Griffin class, and the Good Sam Travel Club. He received recognition for "Good Samaritan of the Year" in 1987.

Survivors include his wife, Pauline Towns Jamison; two sons, Leon Jamison of Marble Falls, and Dennis Ramey of Dallas; a sister, Faye Moore of Big Spring; two brothers, Lofton Jamison of Seminole, and Olton Jamison of Tyler; six grandchildren, one great grandchild, and a number of other relatives.

The family suggests memorials be made to the American Cancer Society.

Crop Insurance Deadline Near For Fall Wheat

The crop insurance program announced for 1989 crop winter wheat will enable producers in Bailey County to tailor a policy to their own needs and budgets, according to Stewart Rice, area claims specialist for the Federal Crop Insurance Corporation.

Coverage options permit selecting both the yield guarantee and the amount of the indemnity to be paid per bushel in the event of a crop loss.

Streamlined policies also make it easier for wheat growers to obtain production guarantees based on their own previous yield experiences. A record of high yields increases the maximum amount of protection, Rice says.

Until now, producers have had to provide detailed, year-by-year records to qualify for yield-based production guarantees. Under new rules, only a signed yield certification statement is needed, along with records that can be supplied on request.

The deadline to apply for insurance on wheat is September 30, 1988. But Rice suggests that interested producers should apply as early as possible to provide agents with time to determine the most favorable and affordable level of available coverage.

Always

Housework is what a woman does that no one ever notices unless she doesn't do it.

—Tribune, Des Moines.

JAMES WARREN

James Warren To Be Write-in For Co. Judge

James Warren, a former Bailey County Commissioner, is seeking the office of Bailey County Judge by write-in vote in the November 8 general election.

He and his wife, Fern, who has been employed at First Bank for 32 years, are the parents of three children.

Jim resides in Odessa where he is with the Texas Department of Public Safety; Linda Weinstein, who is a homemaker in San Antonio, and Richard an ag specialist in Muleshoe.

James Warren said this about his candidacy:

"As your County Judge, I will work full-time, to be efficient and yet constructive in the County Government. My experience as a County Commissioner in the workings of the County Government will help in the everyday decisions of government.

"Decisions should be made with the taxpayer in mind, and with efficiency. We don't need a step backward at this time, which would take years to overcome.

"I will have no conflict of interest in the county judge's office, which should be a requirement."
