Coste and Tilden Sweep 2nd Round In Graceful Style

FOURTH HILLS, N. Y., Sept. 12.—(Special La Crosse Post Staff.)—Coste and Tilden, champions of Philadelphia, swept the second round matches in the National Tour Court Tennis Championships with the loss of but six games each.

Coste won the final round, the French and American ace won respectively from Gilbert Nibbs, Toronto, Canada, 6-2, 6-4, and Berkeley, Cal., Austin, Tex., 6-2, 6-5, 7-5.

Meanwhile the supporting casts in the Franco-American big show came through along with their principals, second round victors were chalked up for Henri Cochet, Jean Boveris and Jacques Brugnon of the French Davis cup team, and for William M. Johnston and Francis T. Hunter, of the ill-fated American team.

Two of the seven matches in which these leading contenders engaged went to extra sets. Cochet and Boveris met in a rubber match from young American opponents and needed four sets to win.

Boveris, whose love of the theatrical impels him to never play one set where two can be played, who is characteristically speculative style from Sam-Gilman of Philadelphia, 4-4, 6-4, 6-8, 7-5.

Cochet was plainly in earnest in his match with Ed Felleman, former Harvard player, but had difficulty with his lanky opponent's sharply angled and accurate drives.

He ended by wearing down Felleman as he wore down Tilden at Wimbledon and winning at 6-4, 5-7, 6-0.

Boveris had the distinction of winning the quickest victory of the day, taking only 30 minutes to subdue Don Strachan of Philadelphia, 6-0, 6-1, 6-2.

"Little Bill" Johnston kept on toward a possible semi final meeting with La Crosse by taking over Cliff Marsh, ex-Williams college captain, 4-1, 6-4, 7-5. Johnston appeared to be improving steadily as he acquired more practice.

ODDERS PUT CRIMP IN CUBS' CHANCES

CHICAGO, Sept. 13 (AP)—The Dodgers put a crimp in the National League flag prospect of the Cubs today by defeating them in the opening game of the series, 6-5. As the Pittsburgh Pirates won a double header from Boston the Cubs dropped five full games behind the league leaders.

Brooklyn..... 21 002 000—6 12 1
Chicago..... 010 000 040—5 8 2

PITTSBURGH FATTENS LEAD BY TWIN WIN

PITTSBURGH, Sept. 13 (AP)—Timely hitting and effective pitching gave Pittsburgh both ends of a double header against Boston today, and enabled the Pirates to maintain their lead over the rest of the field in the National League pennant race.

Lee Meadows turned in his 18th triumph of the year in the opening game, getting four hits and striking out the opposition in the second, 5 to 4. The Pirates routed their persistent nemesis, Ken Greenfield, in the first game, driving the former Giant from the box at the close of the fourth inning when they had gained a 10-0 lead.

Gay Morrison and Henry Worris finished the game for the Braves.
Boston..... 000 000 010—1 10 1
Pittsburgh..... 013 101 004—6 12 0

QUAKERS' RALLY IS NOT ENOUGH

CINCINNATI, Sept. 13 (AP)—A ninth inning rally which netted Philadelphia their only three runs of the game was not sufficient to overcome the early lead of the Reds and the Quakers lost the first game of the series today, 5 to 2.

Elmer Rixey pitched alright ball for the Reds, until the ninth inning. Koop was rushed in to fill the breach.
Score by innings:
Philadelphia..... 000 000 003—3 9 0
Cincinnati..... 000 020 303—5 10 1

CLUB BOY QUALIFIES

Jimmy Knight, of Shallowater, is first to enter Litter in Ten Litter Contest.

Jimmy Knight, living two miles northwest of Shallowater, was the first county boy club member to qualify for the Ten Litter Contest in a Litter contest, county agent reported here yesterday afternoon. The young man's qualification was made with a litter of ten pigs, totaling 2000 pounds. They were obtained after 150 days of feeding.

Strolling Down Sports Lane

JAMES R. DOW

The Matadors were getting down under a number of punts yesterday. They looked good chasing down the Griffin under the punts and it appears that the boys are getting more anxious every day for scrimmage.

It won't be long now. Skipper Allen, known as the "Daddy of Baseball on the South Plains", will take hold of the Hubbers once more in the campaign against the Cats and Ex-Cats of Ft. Worth.

Sled is rounding up a number of his favorites for the series—including "Rube" Hale, who tossed twenty consecutive frames in the Amarillo journey of 1926 to win the title; Jack Wright, third baseman of 1923 Hubber crew and Al Mueller, who played with the local club in 1925. Sled is going to have a hustling crew on deck for the Panthers and the games should be four splendid baseball exhibitions.

Chester Sheppard stated yesterday that he has been saving all of his base hits for the Cat series. Fans who have kept up with Chester this season know that he is hitting just a little over the 200 mark.

"Earl" Potter, ace hurler of the Midland Colts this season, will join the Hubber forces in the Cat series. Sled Allen says the left hander is able to take care of the mound duty in a very creditable manner.

Del Morgan and Henry Frkman, members of Western's grid machine, do not let the local high school lads rest but a few minutes during the day. At noon the boys go into session for a thirty minute "skull practice" and then on the field from 4 o'clock until dark each afternoon.

The Tunney-Dempsey bout is getting into high finance. Monday evening, certified checks amounting to \$1,450,000 were posted for the champion and ex-champion as their purses for the Chicago battle. The rest, I guess, goes to Tex.

Estimates are being made on the attendance for the bout as being over 150,000. That's plenty of attendance for anything.

South Plains and Lubbock fans will have an opportunity to witness Texas League baseball here at home on next Saturday, Sunday, Monday and Tuesday.

I understand that Sled Allen will possibly take over the Amarillo Texans in the Western show. Amarillo will make no mistake in signing up the battle-scarred veteran. Sled is one of these "play for one run" boys.

Several Lubbock citizens will attend the Dempsey-Tunney scrap in Chicago on the 22nd of this month. I won't be there but I will be here.

Sled Allen May Manage Amarillo W. L. Aggregation

When the Amarillo club of the Western League goes to the post at the season's opening next spring, Fletcher "Sled" Allen, long-time boss of the Lubbock Hubbers and a veteran of 21 seasons in the national pastime, may be manager of the Texans.

That is the "low down" on the rumors which are floating over South Plains and Panhandle sporting circles, though "Sled" himself, in Lubbock yesterday, just grinned and refused to make a statement.

Both Bill Van Natta and Charley Hall, sports editors of the Sun and News in Amarillo, have commented in their columns concerning the appointment of Skipper Allen as the best boss of the Texans and both men boast him as a logical selection. They both report that he is being considered by the club's management, but aside from that they go no further.

Despite the fact that his Lubbock entries in both professional and semi-pro circles have generally smacked Amarillo teams, Skipper Sled is popular in Amarillo and all over the Panhandle, where he is regarded as one of the best baseball men in Texas. His selection as manager of the Class A club would no doubt be a pleasing one.

BOSTON WALLOPS BROWNS IN PAIR

BOSTON, Sept. 13 (AP)—Boston came from behind in both ends of the double header today to defeat the St. Louis Browns, 5 to 4, in 13 innings, and then 3 to 2.

The deciding issues in the first game were Carlyle's triple and Shanner's double in the 13th inning. A triple in the eighth inning of the second game, followed by pinch hitter Tobin's successful squeeze play, broke a 2-2 tie and gave the Red Sox their cleanup for the day.

The REFEREE

Football season opens soon. Gil Dohie will throw out the first ball.

The only distressing thing about the coming grid year is the fact that those Harvard and Princeton boys will continue their nasty old feud, so there.

"Ruth loses weight and catches up to Gehrig." The Babe is now a few sizes smaller than an omnibus.

"All our team gets is fair pitching," says Pirate boss. It seems Pittsburgh would like a change to Pittsburgh.

One thing we like about Babe and Lou. Neither claims he is doing it for the wife and kiddies.

Nowadays you never hear of Pete Latoro, ex-champ from the coast union. He's gone on an anthracite-swinging tour.

NEW ORLEANS-YUCATAN AIR LINE IS PLANNED

DENVER, Colo., Sept. 12 (AP)—Plans for an air line between New Orleans and Yucatan were partially revealed here today when R. F. Gardner, wealthy operator of Tulsa, Okla., announced that a New Orleans firm has asked him to negotiate for four Ryan monoplane equipped with pontoons. Gardner is on his way to San Diego to buy a monoplane he has just purchased back to his home.

Five dollars fine, plus costs, and the added penalty of five days in jail was the justice meted out to T. E. Goff in county court yesterday. Goff was arrested Monday by Constable J. C. CHILDREN LOST ON LAMESA PASTURE

YOUNG BOYS WANDER ALL NIGHT, PICKED UP BY PASSING MOTORISTS

(Special To The Avalanche) LAMESA, Sept. 13.—After being lost throughout Sunday night in the open pasture lands of parts of Dawson and Martin counties, four boys all between the ages of 6 and 11 years, were found and sent home shortly after 10 o'clock Monday morning, just as passes of Lamesa Fox scouts and business men were organizing to aid in the search for them.

According to Elmer Shoats, Dawson county rancher and father of two of the youngsters, the quartet wandered from the ranch house about 7 o'clock Sunday evening, looking for wrap nests. When darkness fell they became hopelessly lost and all efforts of Shoats and his neighbors failed to uncover their whereabouts throughout the night.

The children wandered on the Lamesa-Stanton highway and were picked up by a passing motorist, just three miles from their home.

Demonstration Of Canning Is Given

Ways and means of converting perfectly healthy call into a can of sardines tin cans were demonstrated and explained Monday by Miss Louise Baird, county demonstration agent, at a meeting of girls

and women's demonstration clubs in the home economics room of the Carlisle community school building.

During the morning, Miss Baird, spoke to students for their Laker school on their opening day.

"She asked me to kiss her on either cheek."
"Which one did you kiss her on?"
"I hesitated a long time between them."

James J. Corbett says, "Faversham's advice decided me on Luckies"

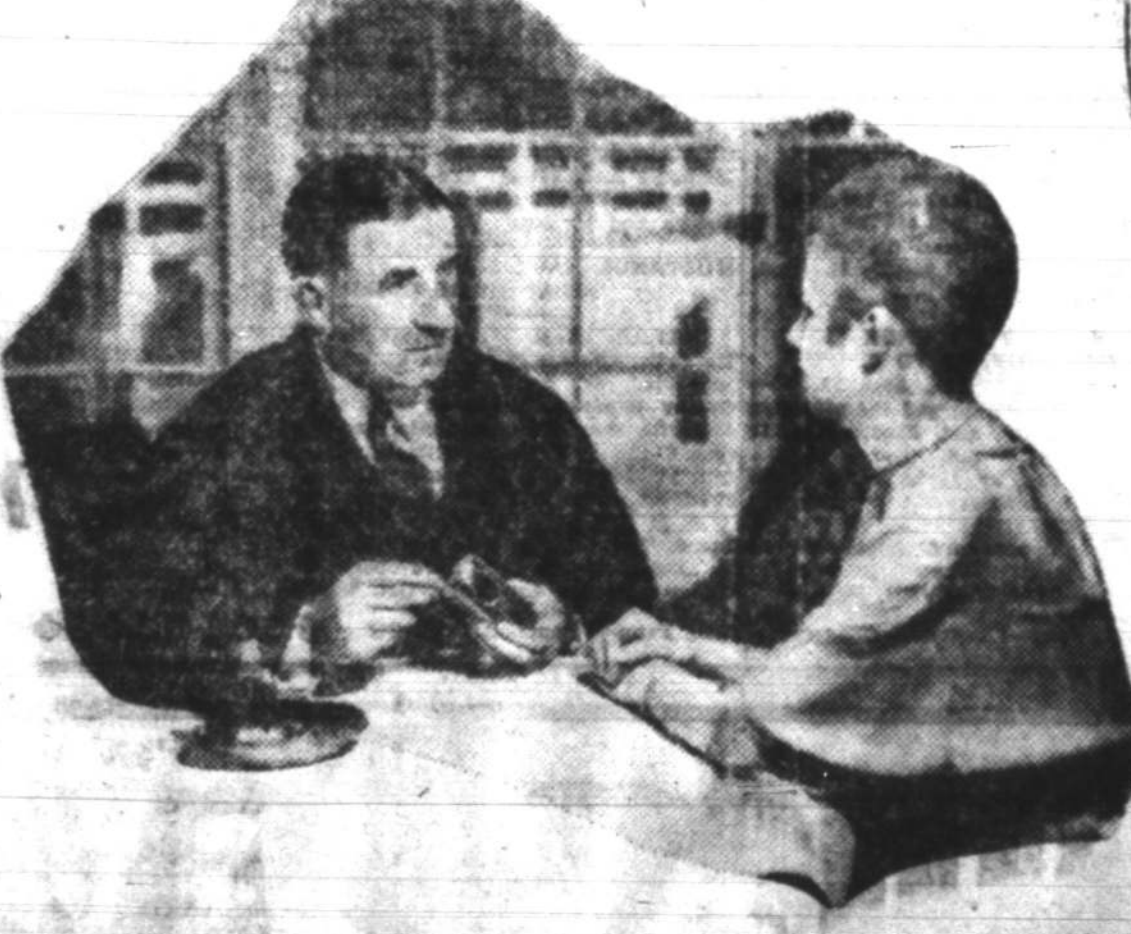

Famous former heavyweight champion, with Mrs. Corbett after breakfast at their home at Bayside, L. I., recommends Lucky Strikes.

William Faversham, The Popular Actor, writes:

"For years I have been a Lucky Strike enthusiast, in fact, I never smoke any other cigarette. In all this time I have never been troubled with throat irritations. In addition to the enjoyment that I get from the superior quality of Lucky Strikes, it is wonderful to know that my voice will never be affected by smoking."

NEW FALL FOOTWEAR THAT IS LEADING THE LUBBOCK STYLE PARADE

"Show the correct new things as quickly as they appear—show them in good qualities that can be depended on to give service—these policies have built for us a shoe business that we point to with pride.

"A correct style is more desirable than a cut price—perfect fitting qualities more to be sought after than a slight saving", are two thoughts that are put into practice at this store.

Note the difference in our shoes when you have worn them.

Just Now These Numbers Are New

CANADIAN CROP REPORT CAUSES TEMPORARY DEFLATION AT CHICAGO

(By Associated Press) CHICAGO, Sept. 13. (AP)—Grain markets underwent a temporary period of deflation today when Canadian crop reports and the weather conditions caused a five-cent drop in both wheat and corn.

The markets rallied somewhat and at the close corn and wheat both were quoted at only about 2 1/4 cents off.

SEA MAY YIELD SECRET OF MISSING AVIATORS

NEW YORK, Sept. 13. (AP)—Discovery of airplane wreckage in widely separated parts of the Atlantic ocean may mean that the sea, which has guarded the secret of the loss of four trans-Atlantic airplanes, will yet consent to explain in part the disappearance of nine men and one woman.

The parts of the planes buoyant enough to survive as floating wreckage are sufficiently marked for identification by which aviation experts might reconstruct some of the missing details of the catastrophe.

Other wreckage has been found at Newquay in Cornwall, England. The Cornwall reports do not include identification marks.

The wreckage seen by the French fishermen may have been part of the "White Bird" of Captain Nungesser and Mayor Coll, which set out May 8 on a flight from Paris to New York.

The PENNY PRINCESS by Anne Austin

BEGIN HERE TODAY VERA CAMERON, plain business girl, is transformed into a beauty by JERRY MACKLYN, advertising manager for Peach Bloom Cosmetics Co., who is to use her photographs in advertising booklets. She agrees to the transformation only because she is in love with a man who ignores her. SCHUYLER SMYTHE. Vera spends her vacation at Lake Minnetonka where Smythe vacates. He and other guests mistake her for VIVIAN CRANDALL, ex-princess, who after a divorce is in hiding. Learning of the supposed Vivian's whereabouts, Crandall detectives arrive at night. Vera and Smythe flee in a car. Smythe begs her to marry him at once, but when she tells him the truth about her identity, he is furious. Vera is kidnapped from the car by two masked men who take her by airplane to a shack in the hills where the prince, VIVIAN, awaits them. In New York, Jerry, acting on a mysterious phone call, finds Vivian Crandall hiding in the Bronx. Agreeing to help find Vera, she guides Jerry to the shack which she has come to remember. They arrive just as Vera is fleeing after repulsing the distasteful advances of the prince. She tells them how she was left alone with Ivan after a kidnapping was killed in an airplane crash and the other detectives in fear. Vivian bribes the prince to go back to Paris. She and Vera become instant friends and she asks Vera to pose as Princess Vivian a little longer, giving her a chance to finish her three months' probation necessary to convince PAUL ALLISON, a poor man whom she loves, that she can live on a modest income. Vera agrees and goes to Vivian's apartment where Paul Allison sanctions the arrangement. Vivian writes a letter which Vera is to take to Crandall, asking them to accept Vera as their daughter to avoid publicity until she, Vivian, can return home. GO ON WITH THE STORY CHAPTER XLV A slight, quickly stepping figure ascended the steps of a house on Park Avenue. A young man, who seemed to be controlling the vicinity of the Crandall home, wheeled at the sound of her brisk footsteps, gave her a long searching look and then, as she stumbled for her latchkey, broke into a grin. "I say! You aren't Vivian Crandall, are you?" he asked, reaching his straw hat from his hand. "I'm Holden, of The Morning Post. Aren't I?" Vee-Vee smiled de-

lectly the Crandall name, which she had so strangely fallen heir to, with every ounce of wit and courage that she possessed. If the whole incredible plot was exposed, it would not be her fault. Here was a very real thrill at the thought that she would, for two whole months, fill the shoes of America's most beautiful dollar princess. To Be Continued) Vee-Vee continues to play the game, but she begins to worry about Jerry. Read the next chapter. Brighter Outlook For Lockney Crops (Special To The Avalanche) LOCKNEY, Sept. 13—Cotton in the Lockney section is growing rapidly and prospects are brightening as the sowing time approaches. This year's average in Floyd county is much smaller than normal due to the late planting, and prospects prior to two weeks ago were anything but bright, but during the past two weeks, on account of ideal weather conditions, the crop has advanced to such an extent that farmers are more than pleased over the outlook. Lloyd E. Weeks, attorney of Balls, was here yesterday.

library door gently, upon his apologetic presence, the eagle-faced old man spoke to Vee-Vee in a clipped, stern voice. "You know my daughter well, you say? You know her mannerisms, how she would conduct herself in such a crisis as confronts you?" "I do," Vee-Vee answered simply. And during the next 10 minutes, which were all that Rufus Worrell Crandall would allow, he gave to the reporters, she acquitted herself in the Vivian Crandall manner so expertly that her pseudo parents had occasion to exchange more than a few startled but satisfied glances. "My daughter," Rufus Crandall explained crisply, "is safely at home again, as you can see. She has suffered no serious ill effects from an unpleasant adventure, but she is too tired to give an interview—and will be resting for many days to come. I have absolutely nothing to say in regard to the nature of that adventure, nor has she. I am entirely satisfied with the manner in which the affair has been concluded. No ransom was paid. I have no intention of prosecuting or of giving any information that might lead to the arrest and conviction of her abductors. I wish the matter to be dropped by the police and by the press." And it was upon that stone wall that a score of seasoned reporters butted their frantic heads. The police seemed more content to drop the matter as the mighty Mr. Crandall suggested. To one question, however, Vee-Vee was allowed to reply. "Is it true, Miss Crandall, that you are engaged to be married to Mr. Smythe, with whom you were on friendly terms at the Minnetonka?" "It is not true," Vee-Vee answered calmly and firmly, her lovely head held high. "It is not true, then, that you and Mr. Smythe were plotting to be married when you were kidnapped?" another reporter insisted. "Certainly it is not true," Vee-Vee answered, just as calmly and proudly. "Will you and Mrs. Crandall pose for a news photograph?" another reporter had the temerity to suggest. Rufus Crandall was about to refuse explosively when Mrs. Crandall stepped forward, placing her arm affectionately about her "daughter's" shoulder. "Just one pose, gentlemen," she said, with a charming, gracious smile. "My daughter is really very tired and does not look herself at all." Cameras were brought hastily forward and leveled on the laughing family group. Rufus Crandall, unobtrusively standing beside Vee-Vee, while Mrs. Crandall, her arm still affectionately about her shoulder, smiled into the cameras on Vee-Vee's right. Vee-Vee could not help admiring the gallantry with which they bowed to a will stronger than their own. And she registered a vow, as the cameras clicked to record her proud but gracious smile, to pro-

DAILY MARKETS

NEW YORK COTTON

NEW YORK, Sept. 13 (AP)—A further decline of about half a cent was followed by recovery in the cotton market today, attributed to covering by recent selling, or rebuying on apprehensions of less favorable weather in the South.

December contracts sold up from 21.52 to 22.25 to 23 points from the low level and 31 points net higher, closing at 22.25. The general market closed steady at net advances of 11 to 17 points.

The market opened easy at a decline of 44 to 50 points under continuation of the recent selling movement, which was further stimulated by weakness in Liverpool. October sold off to 21.25 and March to 21.74 before initial offerings were absorbed, declines of approximately 3 1-4 cents a pound from the high records touched immediately after publication of the government crop re-

port last Thursday. Selling seemed to taper off at these figures, as if scattering long accounts had been fairly well liquidated, and the mid day market turned upward on a feeling by recent sellers, while there was also talk of fresh buying.

NEW ORLEANS COTTON

NEW ORLEANS, Sept. 13 (AP)—The cotton market had a further decline today on renewal of liquidation but good rallies followed, and the market closed at a net advance of 14 to 15 points. December traded down to 21.51, 49 points below the previous close but rallied and closed at 22.15, 15 points up.

Liverpool cables were lower than due at the start of the day, and the market shared losses of 25 to 46 points. The market declined further after the start on liquidation, and October dropped to 21.24 and December 21.51, 49 points below yesterday's closing.

The decline and the unfavorable barometer lines in the weather may attract trade buying and covering and before mid day prices had recovered 50 to 55 points of the loss. After a slight decline the market turned up within the early afternoon and October to 21.51 and December 22.15, 75 to 80 points above the lows.

The afternoon rally was aided materially by favorable August returns of the British Board of Trade and covering by shorts in an overall market. The market eased off in the final trading on realising and closed steady 15 to 16 points under the highs.

Exports for the day totalled 25,495 bales.

WOOL QUOTATIONS

BOSTON, Sept. 12 (AP)—Territory domestic wools are showing a broadening tendency. Final grades continue active and medium wools are selling more frequently at recent quotations. Fine territory, comprising largely of French combings and clothing staple from which the strictly combing has been removed, are bringing \$1, clean basis. Territory quarter blood strictly combing thrown for grades but not staple, has realized \$1, secured basis.

FORT WORTH LIVESTOCK

FORT WORTH, Sept. 12 (AP)— Hog prices continued to advance on the live stock market here today. Butcher hogs were 10 cents to 25 cents higher while an advance of 20 cents was recorded on sows. The market for feeder hogs was generally steady. The sheep market was also steady.

CHICAGO LIVESTOCK

CHICAGO, Sept. 12 (AP)—Cattle 12,000, fed steers steady to strong; grassers steady; yearlings 25,000; Western grassers \$2.25 to \$2.85; sausage hogs 67 to 62; vealers 1500 to 1600.

Hogs 22,000; market opened uneven, mostly steady to 18 higher; closing with average weight 160 pounds down unevenly lower; top 22.18; 175 to 240 points 11.45 to 12.00; 250 to 300 pound butchers 11.50 to 11.80; 140 to 160 pounds 11.00 to 11.50; 160 to 180 10.25; sows 1.80 to 1.95; estimated holdover 8,000.

Sheep 15,000; native lambs fully 25 higher; western 25 to 40 cents up; top rangers 1.40; bulk 1.375 to 1.390; natives 1.275 to 1.290; sheep firm; fat ewes 5.50 to 6.00; feeding lambs strong; bulk 1.225 to 1.295.

COFFEE MARKETS

NEW YORK, Sept. 13 (AP)—Coffee futures opened today at an advance of 1 to 7 points, the more active months selling 5 to 11 points net higher on buying prompted by steady Brazilian cables. The advance was checked by realising accompanied by reports of a slightly easier tone in the spot market, and after selling up to 12.06, December closed at 11.96. The general market closed net unchanged to 6 points lower. Estimated sales 24,000 bags. Closing quotations: September 12.43; December 11.96; January 11.85; March 11.70; May 11.53; July 11.45; September (1928) 11.35.

Spot coffee quiet Rio 12 to 13; Santos 11.

SUGAR MARKET

NEW YORK, Sept. 13 (AP)—The raw sugar market was quiet today and in absence of business, prices were unchanged at 4.77 for Cuban, duty paid. There was a sale late yesterday of 24,500 bags of Cuban to an importer for 10 1/2 cents, or early October shipment at 2.83 for Cuba, equal to 4.82 duty paid.

CHICAGO GRAIN

CHICAGO, Sept. 13 (AP)—Export selling drive again proved wildly downward today, almost 6 cents a bushel in some cases, but later much of the loss was over-come. The rush to sell was due mainly to a surprising estimate by the Canadian government that wheat production is greatly in excess of what most traders have figured. Reports, however, of storms interfering with the Canadian harvest held as something of a check.

Closing quotations on wheat were unsteady, 1 1/4 cents to 2 1/2 cents net lower for the day, with oats at a net decline of 1 1/2 to 2 1/2 cents, oats 1 1/2 cent to 2 1/2 cent off, and provisions varying from 12 cents to a rise of 25 cents.

REMOVAL NOTICE

We will move to our new home about Sept. 20th, corner 13th and 2nd streets, between Rix and Baker. In the meantime, let us serve you with good work care and those "satisfying quality" quotations from the present location.

FAST POLO TEAMS FOR FLOYD FAIR

SNYDER FOUR WILL BATTLE WITH WICHITA FALLS—OTHER EVENTS PLANNED

(Special To The Avalanche)
 FLOYDADA, Sept. 12.—Wichita Falls Polo club versus the fast Snyder team in three of the hardest fought polo games ever witnessed in West Texas.

This is the bill of fare to be served hungry sport lovers during the Floyd County Fair this year. The polo games will open the Fall sport card in this section and very likely will be one of the main features of attraction for the hundreds of visitors expected here during the annual exposition.

A further attraction for the sport fans will be the football classic when the Plainview High Bulldogs clash with the Floydada Wildcats.

When the Wichita Falls and Snyder polo teams meet here during the fair, two of the strongest and fastest teams in the state will be battling for honors. Sixty head of specially trained polo ponies will be used exclusively in the games. Present plans are for three games to be played: the first on Thursday afternoon, September 22, the second on Saturday afternoon and the third on Sunday afternoon. The officials of the games have made the provisions that no outside horses will be used during the games and only the best of trained polo ponies will compete here.

The Snyder polo team, although unknown to many, is reputed as having many of the best players in the state of Texas and is rapidly gaining popularity in polo circles throughout the state. This team has met and conquered practically every opponent with which it has battled and will be striving for a victory over the Wichita Falls team here during the fair-meet. Following the games here, the Snyder four will go to Abilene where they will play during the fair.

Will See Star Players

Known better to Floyd County citizens is the Wichita Falls team which defeated the Fort Hill, Okla., players in two games here at the fair last year. Visitors of the fair will be privileged to see White, former world's champion horse rider in action during the three games. White is one of the feature players in the Wichita Falls line-up and will probably play

INCREASE SHOWN LAMESA SCHOOLS

General Assembly Features Beginning of New Term—Grid Work Starts

(Special To The Avalanche)
 LAMESA, Sept. 13.—With a total of more than 1,000 enrolled, the public schools of Lamesa started their 1927-28 term yesterday morning with general assembly under the directorship of Superintendent V. Z. Rogers, who is beginning his third year in his present capacity.

After an invocation by Rev. W. H. Wages, of the Missionary Baptist church, Carl Rountree, president of the school board, addressed the students and a number of patrons gathered for the exercises. He complimented the officials of the schools and pointed out that Lamesa's quarter-million dollar educational system was the city's largest industry, having an annual expenditure in excess of the \$40,000 mark.

A substantial increase over last year is expected to result when all enrollment figures are compiled. The senior class in the high school will have approximately 75 members, as compared with the 60 for last year, and the other grades are increasing in size by a similar ratio. Coach Bill Stevens, Tornado grid mentor, announced that 30 huskies were already in training and that the Lamesa eleven will

"Oh, look, Charles," exclaimed the author's wife, "what a beautiful Christmas present I bought for you—a lovely set of lace curtains for the dining room!"

"I anticipated your thoughtfulness, dear," said he, "and just see what I have got for you—a cunning little portable typewriter—for my desk!"

Hardly a member of the police force, and W. K. Moreland of the Kuykendall Chevrolet Company, which furnished the Imperial Landau car with which she made the drive.

Tom Graham, Tech student, arrived in town yesterday after spending the summer doing intern work in a Cisco hospital. He is studying pre-med work at the Tech and will resume his studies here this fall.

KINDERGARTEN HAS 39 ENROLLED AT PRESENT

Thirty-nine young children enrolled in the kindergarten incidental to the opening school term. It is reported by Elsie Cooper, the instructor, that the children are expected to enroll at the end of the week. Preparations for schooling the children in the form of orientation course, which includes games, singing, and reading.

BYCYCLE CLUB TO MEET

Relay Race to Plainview and Return Will Be Meeting Discussion Monday

Plans for a relay bicycle race to Plainview and return will be discussed by members of the Bicycle Club who will meet in the city hall Monday night at 8 o'clock.

Each team of the relay will have contestants, both teams constituting the full membership of the club. The 100-mile distance will be divided so that each entrant will have about 3 miles of racing.

The losing team will be obligated to entertain their winning fellow cyclists with a watermelon feast. It was announced by J. W. Higgins, president of the club.
