Dear Parents And Guardians Of Ranger School Children

The 74th Texas Legislature dramatically revised the laws governing student discipline in Chapter 37 of Senate Bill 1. All Texas school districts were required to adopt a new Student Code of Conduct by September 1, 1996. The new code requires the district to remove students from their regular classroom and place them in Alternative Education Programs when students commit certain offenses.

Under section 37.006, any student who engages in conduct punishable as a felony, whether the conduct occurs on or off campus, must be removed to an AEP. If a student commits certain conduct on school property or while attending a school-related or school-sponsored activity on or off school property, the student must be removed to an AEP.

Conduct that requires removal includes assault that results in bodily injury; terroristic threats; pub-

lic lewdness; indecent exposure; sale possession, use, or delivery of alcohol, marijuana, dangerous drugs, or controlled substances; and the abuse of aerosol paint, abusable glue, or volatile chemicals.

The new code also contains other prohibited activities and the range of punishment that can be considered for each offense.

Each student of the Ranger Independent School District will be receiving a copy of the Student Code of conduct. We encourage all parents to read and discuss the new code with their children. There is a page in the back of the code for parents/guardians to sign to indicate they have the code.

At 7:00 P.M. on August 26, we will be having an organizational meeting for PTO in the cafeteria, and will take a few minutes to discuss the main provisions of Senate Bill 1, Chapter 37. All parents are encouraged to attend.

Large Crowd At Kickoff For Keffer Race

A gala reception in Eastland Thursday honored Jim Keffer, Republican Candidate for the Texas House of Representatives, District 60. Present with Keffer was his wife, Leslie, their three sons, and other family members.

More than 100 guests attended this Campaign Kickoff, hurrying through the rain into the home of Steve and Sandra Haines, hosts for the event.

Referring to the welcome showers, Keffer said several people had already asked him "If you couldn't have another one of these things next week too?"

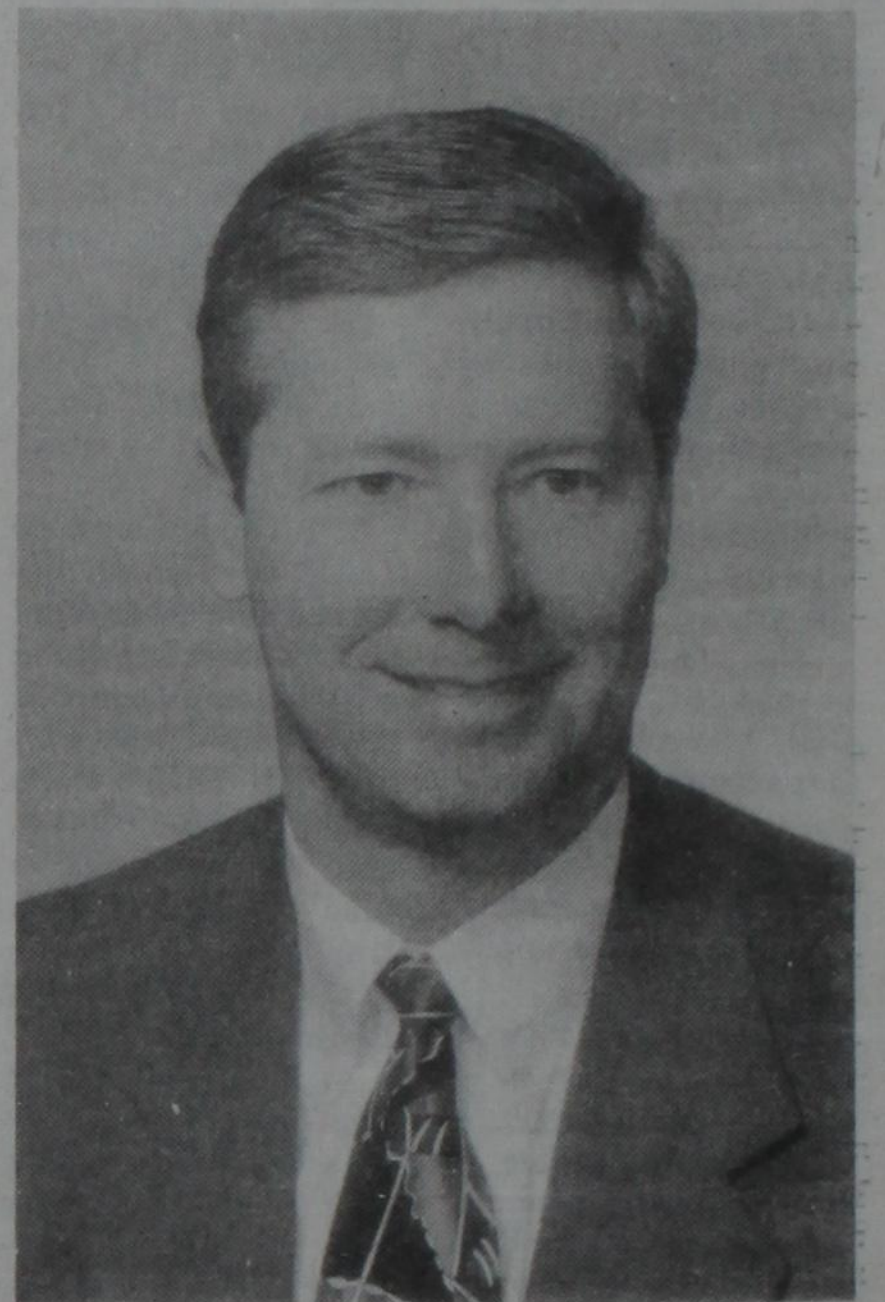

Republican leaders, other personal friends, County officials and numerous Keffer well-wishers overflowed from the living area of the house onto the patio.

The registration table was decorated with replicas of Texas, bluebonnets and the state flag. Other floral arrangements, greenery and balloons added to the festive air. Refreshments were served from a buffet and in the dining room.

Jane Nelson, State Senator of District 9, was a special guest. She mingled easily with the

Grover Hallmark Retiring President Eastland National Bank

RONALD BUTLER ... New President

The Board of Directors of Eastland National Bank has announced the promotion of Grover Hallmark to Vice Chairman and the election of Ronald D. Butler as President and Director of the Bank, effective October 1, 1996. Butler will succeed Hallmark, who has served as President of Eastland National Bank since 1976 and is planning to retire at the end of the year. Grover Hallmark will complete a forty-year tenure with the Bank on November 1, 1996. Following his retirement, he will continue to serve as a Director of the Bank.

Butler has served for the past three years as a Senior Vice President of First National Bank of Abilene and was previously a Regional Manager

of First American Bank, the successor of Amwest Savings and Olney Savings associations. His ties to this area of the State

began at the age of five when his parents moved to Ranger. His father is the long-time Athletic Director of Ranger Junior College.

Butler began his banking career while attending Texas Tech University and working during summers with the First State Bank of Ranger. Following graduation from Texas Tech in 1982 with a Degree in Finance and Business Administration, he joined Olney Savings Association in Ranger as a management

trainee. In the ensuing years he advanced to a senior management position in that organization. While in Ranger, he served as president of the Chamber of Commerce in 1985. In 1987, Butler earned a Masters Degree in Business Administration from Tarleton State University and, in 1996, he graduated from the Southwestern Graduate School of Banking at Southern Methodist University.

He is married to the former Lorlei McKinnerney, who also grew up in this area. Her father, Bill McKinnerney, who passed away in 1987, was an area basketball coach. Her mother, Mrs. Dorothy McKinnerney resides in Eastland and is employed by KRP Insurance Agency.

Ron and Lorlei have two children - a son, Trey, 8, and a daughter, Sydney, 4. "We are very excited about this opportunity to become a part of the Eastland community where we have both family and friends," commented Butler.

Butler has served on the boards of the Abilene Industrial Foundation, the YMCA, Goodwill Industries, and the Abilene Chamber of Commerce. He has also served actively in the United Way Campaign of Abilene. Lorlei is a counselor with the Wylie Independent School District. The family attends the First Baptist Church in Abilene.

There will be bike events, horseshoes, Kiddie Corral, Poker Run, 50/50 drawing and much much more. Concession stand with Wishbone's B-B-Q/NACHOS Hot Dogs, cold drinks and door prizes.

There will be \$2.00 Drawings on \$200.00 of parts from Ironclad Custom Cycle. \$3.00 Drawing for Bike paint job by tinman valued at \$800.00 (doesn't include body work).

Eastland County

Pasture To Packer

Attention Ranchers and 4-H and FFA Youth...the following information is about the newest 4-H and FFA Livestock Program developed here in Eastland County. The program is designed to teach young people the real economic facets of feeding cattle, while providing ranchers valuable information for genetic improve-

ments in the cow herd.

Guidelines & Regulations

A. Participation

1. Ranchers must be actively involved in a beef operation and reside in Eastland County or thereby border of Eastland County.

2. Enrollment deadline for rancher participation is Sept. 1.

3. Youth must be a member of Eastland County 4-H or an FFA member within the Eastland County school districts and be enrolled in the 3rd through 12th grade.

4. Enrollment deadline for youth participation is Sept. 15th.

B. Cattle Specifications

1. All cattle nominated must be steer calves.

2. All steers must be 7-way vaccinated, dehorned and weaned at least two weeks prior to a designated Selection Day in mid-October.

3. All steers must weigh between 600 lbs. and 750 lbs. give or take 5% on Selection Day.

C. Training Requirements

1. All youth will be required to participate in a one time training over selection, feeding and general management of feeder cattle. This training will be video taped for a second viewing for those who are unable to attend this live training. Youth and ranchers are encouraged to ATTEND other training as scheduled.

D. Processing, Selecting and Purchasing Cattle

1. All nominated steers will be weighed and tagged for selection purposes.

2. All nominated steers will accompany a \$25 nomination fee for program support and information generated.

3. Youth will draw for a pick from the nominated steers. All youth will have one selection before repeat selection occurs. Youth may exhibit a maximum of four (4) head.

4. All selected steers will be purchased from rancher at market price as determined by authorized cattle buyers.

E. Feeding and Record Keeping

1. All steers will be fed the same rations as determined by a nutritionist.

2. Local feed mills will bid on the rations and local feed distributors will have the opportunity to market these rations. All feed distributors will market the feed at the same cost. The price will be determined by the Pasture to Packer Committee based on cost of rations.

3. All steers must be fed individually. No intermingling of cattle during feeding times will be allowed. Cattle fed together will DISTORT the performance records.

4. Youth will keep records on provided accounting and record keeping materials.

5. Youth will calculate records to reflect average daily gain, conversion of feed, cost of gain and other important facts.

6. Feeding period will be approximately 150 days.

F. Judging of Cattle, Records and Youth

1. All steers will be delivered to a location determined by Pasture to Packer Committee in mid-March.

2. Steers will be judged on hoof by a committee of qualified personnel.

3. Steers are not to be fit (clipped or groomed) in any manner.

4. Youth will be interviewed by a qualified committee for knowledge gained and experiences.

5. Records will be judged for accuracy and animal performance.

6. Carcass information will be gathered at a local processing facility. Carcasses will be judged on the rail by qualified meat scientists.

tists.

G. Awards

1. Youth will be recognized and receive awards as follows:

Four Divisions...Judged on Hoof, Judged Interview, Judged Records and Performance and Judged Carcass.

Division Champion...\$200 prize money; Reserve Champion...\$175 prize money; 3rd Place...\$150 prize money; 4th Place...\$100 prize money; 5th place...\$75 prize money.

Honorable Mention to all youth not recognized above...\$50 prize money.

Grand Champion Overall Youth and Steer will receive Belt Buckle and \$250; Reserve Grand Champion Overall Youth and Steer will receive Belt Buckle and \$200.

Overall based on:

40%-Hoof Score.

10%-Performance

and Records.

10%-Interview.

40%-Carcass.

2. Ranchers will receive plaque for

Overall Champion and Reserve Champion Steers.

H. Miscellaneous

1. A program over carcass traits and merits will be presented for youth and adult participants at the processing facility selected.

2. An Awards program in conjunction with a program over results of data collected will be given for all participants, ranchers and sponsors.

3. Buyers will be on hand at Selection Day for anyone wishing to sell non-picked nominated cattle.

4. Local financial institutions have agreed to assist youth in financing their projects at prime rate plus 1/2% on an advancing note with parent co-signature.

5. All projects will be directly supervised by The Pasture to Packer Committee.

6. The Pasture to Packer Committee will assist in selling beef halves after processing but assume no responsibility in the selling of

Letter To The Editor

Dear Editor:

Recently I wrote a letter concerning the Scranton community. The quarterly meeting was held, as published, on August 6. There were 19 people at the meeting! A discussion was held on the needs and

concerns of the community association. I am pleased that as a community, all attending, want to help where we will not close our doors.

I'd like to thank each one that attended and encourage those not able to attend to let any of the officers know what you are willing to do. Hugh Shrader was elected president. He can be reached at (915) 854-1815 or (915) 662-3242. Other officers and information will be reported to the paper by the new reporter Ruth Wiley of Cisco.

Hopefully we will have many musicians and lots of people to attend the first Saturday of the month. We would appreciate the support of any area people. See you at Scranton September 7!

Sincerely,
Joanie Shrader

'Handworks' Introduces New Line-Sculpture

This sculpture, called "Pollen", is one from a new series created by "Handworks" owners Gary Ford and Corrie Cowley.

These metal sculpture pieces join a large collection of western decor items being handmade by the firm, which is located south of Eastland.

In addition to Gary and Corrie, five other artisans help work on these decorative objects.

There are about six sculpture designs now, some for home decor and some for landscaping. The

new pieces are being especially received well in California and on the East Coast, Corrie Cowley says.

Gary, Corrie and family have returned from a major showing of their products at the Convention Center in downtown Los Angeles, California.

This huge trades center opened about 1 1/2 years ago, and draws buyers from the West Coast and foreign countries.

Currently "Handworks" products are being shown at a Coliseum in New York

City. A number of International buyers are expected there.

Traveling exhibits this summer have also included showings at Atlanta, GA., just before the Summer Olympics began.

The Merchant Mart in Denver has a daily showing, and "Handworks" has a permanent exhibit at the World Trade Center in Dallas.

Ch.A.D.D. To Hold Meeting Aug. 13, 7 PM In Eastland

There will be a meeting of the Ch.A.D.D. organization on Tuesday, Aug. 13, 7-9 p.m. at the Daugherty St. Church of Christ in Eastland.

This Organization offers education and support to all who deal with children and adults with Attention Deficit Disorders.

At Tuesday's meeting a video will be shown, entitled "How Difficult Can This Be" by the F.A.T. City

The Eastland Police Department will present a Citizen Police Academy Aug. 27, 1996 each Tuesday through Nov. 12, 1996. The hours will be 6-9 p.m.

This will be 36 hours of instruction over 12 weeks. The class size will be limited to 12 students.

If you live or work in Eastland County, are at least 18 years of age, and are interested in applying for admission to the Academy, you may fill out an application at the Eastland Police Department, 416 S. Seaman St., between 8 a.m. and 5 p.m. Monday through Friday.

Or, for further information, you may call (817) 629-1700.

The Eastland Police Department Citizen Police Academy is designed to give the public a work-

ing knowledge of the Eastland Police Department's personnel and policies. The instruction is comprehensive, covering a different area of the Police Department and justice system each week.

Such diverse topics as training, communications, criminal investigations, DWI procedures, crime prevention, family violence, juvenile law and community supervision will be covered.

Emphasis will be placed on the patrol division, as that is the segment of the

Police Department the public comes in contact with most often.

Instruction in these and other topics will include lectures, demonstrations, tours, and hands-on experiences.

It is hoped that these classes will increase police/community rapport through this education process.

All interested and qualified persons who wish to enroll in this Fall Session of the Academy are invited to stop by the Eastland Police Department and fill out an application.

Co. Commissioners Court To Meet Monday, 10AM

Performances Of 'The Fantasticks' This Weekend

Fans of musical theatre won't want to miss *The Fantasticks*, the final show of the Cisco Jr. College summer season. *The Fantasticks* is a romantic tale of young lovers whose parents purposely separate them thinking that forbidding the youngsters' romance is the best way to encourage them to fall in love.

When the parents, played by Mack & Cindy Tubb of Cisco, enlist the services of the mysterious El Gallo, portrayed by Ronnie Watson, his mute assistant, Kathy Toof, and two vagabond actors played by Fred Mullinax and Cory Hull, side-splitting humor abounds.

Jeff Parker and Shelley Perry who have grown up on the CJC summer stage return as the young

couple, Matt and Luisa. The talents of Parker and Perry blend beautifully through comical situations as well as touching and heartwarming moments. Together they lead the audience through the joy, heartache, and madness of young love.

The *Fantasticks* can be seen Saturday, August 10 and Sunday, August 11. The Saturday dinner performances with dinner served at 6:45 p.m. followed by an 8:00 curtain. Tickets are \$15.

Sunday's matinee performance at 2 p.m. is a dessert only performance for \$7.50. Reservations are required. Call 442-2589 for tickets and information. The CJC Summer Theatre is located in the Conrad Hilton Community Center on Conrad Hilton Avenue in Cisco.

MEN IN SERVICE

Eller

Navy Petty Officer 1st Class Edward D. Eller, a 1979 graduate of Moran High School of Moran, Texas, is serving aboard one of the Navy's newest high-tech warships, the guided missile destroyer USS Benfold homeported in San Diego.

Eller is one of 341 Sailors handpicked to serve on the destroyer's first crew and participated in its commissioning ceremony in San Diego. The 505-foot-long ship is named in honor of Navy Hospital Corpsman Third Class Edward C. Benfold, who was posthumously awarded the Medal of Honor for extraordinary heroism in the Korean Conflict.

Eller was selected for the job because of his outstanding performance since joining the Navy. As a member of the ship's

first crew, Eller plays an important role in preparing the ship for its first operational deployment.

Mrs. Dorothy Waida, widow of the ship's namesake, is the ship's sponsor and "spirit." Tradition holds that the sponsor's spirit enters the ship at christening and remains forever protecting Sailors as they sail the seas preserving America's freedom.

USS Benfold is the 15th Arleigh Burke class guided missile destroyer, equipped with the most modern radar, sonar, and communications equipment. The ship is able to defend against or attack enemy air, surface, and submarine threats as part of an aircraft carrier battle group.

From its San Diego homeport, Eller's ship is poised to deploy swiftly to

TREASURY TO OFFER INFLATION-INDEXED BONDS

The Treasury Department recently created a buzz of interest by announcing that it will issue inflation-indexed bonds later this year. These new Treasury bonds could have important implications for the way you manage your investment portfolio.

Inflation-indexed bonds will pay a fixed rate of interest, plus a payment to adjust the principal amount for the effects of inflation. That means your rate of return will be guaranteed and will not be eroded by unexpected inflation. Today's Treasury bonds carry a fixed rate of interest which has to cover both the expected rate of inflation and the return to the investor. If inflation is higher than expected, the investor's return is reduced and can even turn negative. By eliminating this possibility, the new bonds will provide a much lower risk investment for long-term savers. However, they'll also pay a lower interest rate than traditional bonds.

Many details of the new bonds are yet to be worked out. The maturity has not been announced, but is expected to be in the 10-30 year range. Other details, such as exactly how the inflation adjustment will be calculated and taxed and how the interest will be paid, have not been finalized.

The new bonds may not be for everyone. They're likely to have the most appeal in situations where preservation of principal is more important than high returns. One example might be for older investors who want to preserve their retirement nest-egg as they near retirement. Other investors may want to use them to moderate the risk of more aggressive stocks in a diversified portfolio of stocks and bonds. But until the Treasury announces more details, it is too soon to know whether these bonds will be the right investment for you. We'll keep you posted as details become available.

CHIROPRACTIC FOR BETTER HEALTH

STEPHEN G. BARRY D.C.

CHIROPRACTOR

MEDICAL RESEARCH SUPPORTS CHIROPRACTIC

The *British Medical Journal* reports that Chiropractic treatment of low back pain, which affects 75 million Americans, is superior to the standard regimen administered by medical doctors.

The study, published in the summer of 1990, indicated that chiropractic manipulation can relieve severe back pain quicker and at lower cost than medical treatment. Chiropractic patients experienced less pain and disability and missed fewer days work.

At Barry Chiropractic Clinic we are committed to not only getting

you free of back pain but treating those conditions which cause your pain. No symptom can be more depressing than persistent back pain. Don't delay treatment when help is readily available.

National School Lunch
& Breakfast Program
For Area Schools

LETTER TO HOUSEHOLDS (MULTI-CHILD)
NATIONAL SCHOOL LUNCH PROGRAM/
SCHOOL BREAKFAST PROGRAM

Parent/Guardian:
The Cisco ISD school serves meals each school day. Children may buy lunch for \$1.25 for Elementary and \$1.50 for Jr.-Sr. High and Breakfast for 75¢.

The Eastland Public School serves meals each school day. Children may buy lunch for Elementary \$1.15; Middle School/High School \$1.25; Breakfast: Elementary 80¢; Middle School/High School 90¢.

The Ranger Public School serves meals each school day. Children may buy lunch for \$1.00 and Breakfast for 50¢.

Children may also get meals free or at a reduced price.

If you now get food stamps or AFDC for your

children, your children can get free meals. If your total household income is the same or less than the amounts on the Income Chart below, your children can get free meals or reduced-price meals. A foster child may get free or reduced-price meals regardless of your income. The reduced price is 40¢ for lunch and 30¢ for breakfast.

TO GET FREE OR REDUCED-PRICE MEALS FOR YOUR CHILDREN, YOU MUST COMPLETE AN APPLICATION AND RETURN IT TO THE SCHOOL. WE CANNOT APPROVE AN APPLICATION THAT IS NOT COMPLETE.

How To Apply

If you now get food stamps or AFDC for the children you are applying for, the application must have the children's names, a food stamp or AFDC case number for each child, and the signa-

ture of an adult household member.

If you are applying for a foster child, the application must have the child's name, the child's "personal use" income, and an adult signature.

If you do not list a food stamp or AFDC case number for all children you are applying for, then the application must have the children's names, the names of all household members, the amount of income each person got last month and where it came from, the signature of an adult household member, and that adult's social security number of the word "none" if the adult does not have a social security number.

INCOME CHART

Table with 2 columns: Household size; Annual; Monthly; Weekly. Rows 1-8 showing income thresholds.

Verification: Your eligibility may be checked at anytime during the school year. School officials may ask you to send papers showing that your children should get free or reduced-price meals.

Fair Hearing: You may talk to school officials if you do not agree with the school's decision on your application or the results of verification. You may also ask for a fair hearing.

Cisco: Shirley Darr, phone no. 817-442-3056, P.O. Box 1645 (1503 Leggett), Cisco, TX 76437. Eastland: Keith Watkins, phone no. (817) 629-8221, 900 W. Plummer, P.O. Box 31, Eastland, TX 76448.

Ranger: Joe Phariss, Supt., Rt. 3, Box 12D, Ranger, TX 76470 or phone no. 817-647-1187.

Reporting Changes: If your children get free or reduced-price meals because of your income, you must tell the school if your household size decreases or your income increases by more than \$50 per month or \$600 per year. If your children get meals because you get food stamps or AFDC, you must tell the school when you are not getting AFDC or food stamps for them.

You may then fill out another application giving income information.

Confidentiality: School officials use the information on the application only to decide if your children should get free or reduced-price meals. Free and reduced-price eligibility information may be subject to release to other federal, state and local education, health, or other means-tested programs. Some programs already identified are the National Assessment of Educational Progress and officials collecting data for Title I allocation and evaluation purposes.

Sides Selected SWPGA President; Philip Lewis Elected To Full Term

Sherman Sides of De Leon, was elected President of the Southwestern Peanut Growers' Association and Chairman of the Board following the Annual Membership Meeting of the Association in Ardmore, Oklahoma in late July. Sides was elected to his third term on the Association Board of Directors by SWPGA members in Texas District No. 1 by mail ballot preceding the Ardmore meeting.

Eastland County peanut producer Philip Lewis was elected to his first full term on the SWPGA Board of Directors. Lewis was appointed to the Board in March to fill a vacancy created by the resignation of Benny Hagan. Both Lewis and Sides won their district elections by impressive margins.

Sherman Sides, widely

recognized Comanche County peanut producer, has been active for a number of years in farm and civic groups. He is a former member of the County FSA Committee. He was also a leader in the De Leon Peach and Melon Festival, the big local harvest festival celebration and currently is president of the local school board.

Philip Lewis is an outstanding peanut producer at Desdemona, Texas. He is a long time leader in Eastland County Extension Service Crop Planning Activities. Lewis has an outstanding background in Agriculture. He is a graduate of Gorman High School and holds a Bachelor of Science degree in Agriculture Education from Tarleton State University. He previously served as director in the Eastland County Farm Bureau and is a long time member of SWPGA.

The Southwestern Peanut Growers Association is a regional peanut marketing cooperative of some 6,200 members handling field functions of the Peanut Price Support Program for the U.S. Depart-

Poem

PEACE
When troubled waters

flood my mind
I look for a harbor of rest and peace.
In a world of trouble, worry and despair
The one place is with the Lord in prayer.
As the cold wind of life blows
Chilling us from head to toe.
We feel warm in His love
And know He is with us from above.
What a joy and peace of mine
For us to seek and to find.
That His love is with us still
And will be according to His will.
When the shadows of life seem to dim
And the victory has been won.
We set our sails for a better shore
To be with God forever more.

INDIVIDUALS WHO are interested in discussing ideas for the commemoration of the 70th anniversary of the famous Santa Claus bank robbery, and the associated details of that historic event are sought. Dr. Tom Goodman, pastor First Baptist Church, Eastland, who is seriously interested in the historic aspects of this fascinating story has agreed to serve as a temporary chair for the organization of a county-wide committee to discuss possibilities for properly noting the occasion. Especially sought are those few left who still have first-hand knowledge of the events surrounding the event. Persons wishing to participate in any way are invited to write: Dr. Tom Goodman, Box 29, Eastland, TX 76448. Planning now is seen as being important in preparation for the actual anniversary which comes on Dec. 23rd, 1997.

YOUR LOCAL newspapers have recently been honored by having been nominated for a prestigious Frank M. Adams Outstanding Volunteer Service Award sponsored by the Administrators of Volunteer Services Consortium, the Public Information Consortium and the Texas Council of Community MHMR Centers.

We gratefully acknowledge this single honor, even though the papers were not selected for the top honor. To be

nominated is a milestone. A Fox television station in Longview, Gregg County, was the honoree for its untiring support of the Sabine Valley Center's Destination Dignity Celebration since 1993. The station promoted the program with a two-mile walk, with New Orleans trips for the winners, and provided prizes for the young set.

The Award was established in 1990, honoring the late Frank M. Adams, founding father of the Texas Council of Community MHMR Centers. He was a member of the Board of Trustees of the Southwest Texas Mental Health and Mental Retardation Center in Beaumont, and distinguished himself as a board member and advocate and as an individual who loves, cared and showed compassion for persons with mental illness, mental retardation and substance abuse. During his 15 year tenure with the Texas Council, he made concentrated efforts to advance the state Community MHMR Centers in the health and social service delivery systems.

The award was presented at the late July annual meeting of the council in Galveston, attended by Central Texas Council Chairman Saul Pullman of Eastland County.

The Council's Community Award went to the Troy 4-H Club for that club's active program which includes providing food for early childhood intervention children, clothing for families, parties, cookouts for day camp, arts and crafts, hundreds of Christmas gifts for the holidays, food baskets for Thanksgiving and volunteered as ushers and runners at staff develop-

Octoberfest '96

Experience fall and nature at its best this year "Deep In The Heart of Texas." That's what folks 55 and over will be doing at the Texas 4-H Center on Lake Brownwood when several hundred will enjoy the annual Octoberfest during October says Janet Thomas, Eastland County Extension Agent-Family & Con-

sumer Sciences.

Sponsored by the Texas Agricultural Extension Service, two weeks are offered from which men and women alike may choose:

Octoberfest I-Oct. 8-11.

Octoberfest II-Oct. 15-18.

Opportunities include "hands-on" learning centers where one can learn leather

work, oil painting, woodworking, stained glass and other exciting projects. Educational programs on topics such as horticulture, photography, nutrition, finances, and other current interests are a popular highlight.

Boat rides (weather permitting) and fishing on Lake Brownwood add popularity to your stay. Lighted tennis courts, horseshoes, billiards, volleyball, shuffleboard, dominoes, and card and table games are all popular activities.

Octoberfest '96! Are you 55 or older? Then its for you! Each week is limited to 165 participants at a nominal fee. Get away and learn to make the most of the best years of your life. Call your County Extension Office today at (817) 629-2222.

A special "Movies-Movies-Movies" theme featuring a costume contest on Thursday during lunch will provide a festive atmosphere to the event. Thursday's theme party will feature some exciting activities and entertainment.

WANTED! UTILITY COMPANY CUSTOMERS

Who Want Their Utility Companies
To Help Buy Them A New Central Air
Conditioning System? Let Me Explain...

If you're presently cooling your home with window
units or central air conditioning over 10 years old,
you're paying up to twice as much on your utility
bills as you should be. There have been technological
breakthroughs in central air conditioning design,
which when installed properly in your home or small
business, will reduce the amount you pay the utility
companies up to \$100 per month!

Conservation efforts are reflected in your electric meter, which
measures energy use.

NO MONEY DOWN NO INTEREST NO PAYMENT FOR SIX MONTHS

YOU CAN BUY WITH NO CASH

We negotiated a financing program with No money down, No interest and No payments for SIX MONTHS with approved credit.

LOOK AT THIS

Imagine what you could do with \$4,980.00. \$4,980.00 is the money you could be throwing away over the next 10 years while you heat and cool your home with old, inefficient heating and air conditioning equipment. And this does not include any future repair cost to your old system.

THINK ABOUT THIS

If you have an older system you're already paying for a new system anyway, You just haven't received the benefit of it yet!

NO RISK - MONEY BACK GUARANTEE

No one else in our business gives you such a bold guarantee. If we don't meet all our promises and you're not satisfied, we'll take out the system and return all your money or install another system for a period of one year from date of installation. Think of it as a year long test drive.

HERE'S HOW

Just call J & J Air Conditioning at 817-629-2251 or 1-800-585-2251 and set up an appointment for your FREE survey. We will come out, measure your home and determine the proper size equipment. We will then analyze your existing equipment and ductwork and any other concerns you may have. If we find that this offering is beneficial for your situation we will explain this fantastic program to you. There is absolutely no obligation to buy anything.

Tots To Teens

by Sue Ellen Sullivan

Dear Sue: Since this year is an election year, we've been making the dinner hour a time for political discussions. We ask the children what they think the issues are, what's important to them, and whom do they think they'd vote for. We don't limit this to the presidential level, but question them about all the candidates from the local level on up.

When they have questions, we encourage them to find the answers themselves, whether through the regular media, or through contacting the various politicians' offices and asking for their voting records on the issues.

What we're trying to do is give our children a real sense of how democracy works and how valuable their say is in all this. We don't want them growing up feeling that there's no sense in taking part in a process that doesn't work. We want them to know that they ARE the process and they can make it work for them.

Obviously, my husband and I do have a political filtration. However, we try as much as possible to foster our children's independence of opinion. When they ask us how we feel, we are honest about it but we always stress to them that they are free to draw their own conclusions, provided they're educated on the subject. Celia M.

Dear Celia: Thanks for your input. I'm so glad you're giving your children such valuable life lessons. As you so rightly point out, they are our future leaders and they should be able to make decisions based on their own observations and knowledge.

Veterans Post

by Freddy Groves

The stepdaughter of a World War II veteran says all her stepdad does is talk about the war. She says it's getting wearisome and she puts off visiting her mother so she can avoid hearing what he did, what the generals shouldn't have done, and how the government (invariably) let them down.

My reaction to this — and I welcome comments — is if the vet was in WWII, he has to be in his 70s. Lots of older folks like to talk about definitive events in their lives and, God knows, war is about the most life-changing experience anyone can have. Instead of gnashing your teeth, ask questions. You may learn something. You'll also give someone who gave so much of himself, an opportunity to share an important part of his life with you. When Gabriel plays the Last Post for him, it will be too late to do this together. So, do it now.

BOXING DAY — When I have a nice box or carton with print on the outside, I carefully take it apart at the seams, reverse it (turning the printed side to the inside), then I glue the seams and tape the bottom.

This gives me a nice clean box with no print on the outside. They are great for shipping packages to my children and grandchildren. This way I recycle the boxes and it saves me a trip to the packaging shop. Glenda K., Toronto, Canada

LAST ON LINE — I like to be the last person to look at any magazine or newspaper so that I can cut out any good cartoons, articles and recipes.

I enjoy sending them to friends and family, and I keep them organized with filing folders that have been taped along the sides. Each person has a folder and I simply drop the clipping in that person's folder and it is ready for my next letter. Gina W., Omaha, Neb.

TRAVELIN' ALONG — When members of my family travel, I pack toiletries in a gallon-size resealable plastic food-storage bag to prevent any leakage on other items. If the need arises, we can use the bag as a heat pack with a hot towel sealed inside or as an ice pack with ice inside. Lynette T., Perryville, Ky.

PHONE MANNERS — Please DO NOT start your recorded message on an answering machine with "hello," then pause long enough to make the caller believe he has gotten hold of the real, live person and start a conversation. It's just not funny.

This has happened to me more than once, and although it only takes a few seconds to realize that no, this is only the answering machine, it's really frustrating (and even a little embarrassing) to find yourself talking to a machine that is paying absolutely no attention to you and is going on with the rest of the recording. Tricia F., Lubbock, Texas

AN OLYMPIC EVENT
One kind of Olympic event that some spectators find amusing is race-walking. It's the peculiar gait that makes race-walking distinctive. But don't laugh. Men compete in races of 20 and 50 kilometers (12 to 30 miles), women in 10 kilometers (about six miles). The races are scheduled later this month.
Race-walkers move with a rolling rhythm. With each step, one foot lands on a leg that is completely straight, then rolls ahead as the leg is propelled by swinging the hip. Arms bent at 90 degrees pump up and down in rhythm with the gait. The speed achieved is remarkable. If you watch Olympic race walks, you will agree: Race walkers must know how to take care of their feet. How about you? Could you race-walk up to 30 miles, or do your feet hurt when you just carry out your daily routines? See the podiatrist for treatment and relief.

The Big One - Dove Season

September 1, 1996, the single largest invasion of the year will begin in Eastland County.

Opening weekend of dove season has grown to be a possible 1/2 million dollar boost to our local economy. If this sounds like a large sum consider some of the factors; dove leases \$25.00 per day and up per acre, new license most purchase the combination \$25.00 ammo, camo, coolers and other field related supplies, food for the field and normal meals, lodging at motels, refreshments, wife's shopping, gasoline, mechanical repairs, and the list continues. Take these items and factor in the huge number of hunters that will appear, maybe 1/2 million is small considering each dollar spent will circulate in our county at least three times.

This weekend can grow with a countywide support, promotion and a friendly smile to all our visiting friends.

Considering opening day of dove season in Texas is typically hot and dry anyway, don't expect this year's drought to have much of an impact on the birds or the hunters, according to state wildlife officials.

"If you've hunted doves much in Texas, you know it's probably going to be hot," offered Vernon Bevell, migratory bird program director for the Texas Parks and Wildlife Department (TPWD). "And, mourning doves are accustomed to Texas weather conditions. I expect this year's hunting prospects to be similar to past seasons and potentially better in some areas due to dry conditions." Texas will normally produce about 50 million mourning doves annually, according to Bevell, and even though biologists around the state have documented a decline in numbers based on their breeding season surveys, there should still be plenty of birds in September. "Even if statewide production is down to 35 or 40 million mourning doves, that's still a very hardy population and we also get millions of migrant birds passing through Texas that were produced in states to our north," Bevell said.

Because mourning doves can travel upwards of 20 miles per day during the nesting season and prefer watering and feeding in relatively dry areas, bird activity could actually improve this year, according to Ron George, TPWD wildlife division deputy director. "If there is seed on the ground, dry weather usually makes it easier for doves to feed. They prefer feeding on open ground where they can get to the vegetation and they like to land on dry ground near tanks and lakes when watering."

If the dry weather persists, George added, it may actually be of benefit to hunters, too. "With fewer sources of water, the birds are going to congregate around those remaining watering places," he explained. "I wouldn't recommend sitting over a water hole, because doves tend to avoid heavy hunting pressure and you could burn out a spot in a hurry." George suggests allow-

ing the water to serve as an attractant. "Back away from the water and take advantage of passing shots at birds coming by. Because grain crops may be somewhat reduced this year, doves will likely be more concentrated and hunting opportunity can be better than usual."

Brownwood biologist Larry Holland is hoping the dry weather continues, at least through the first couple of weeks of the season. "Last year was a disaster because we had a cool front come in along with a couple inches of rain and it pushed our resident doves out before the season opened."

"As for dry conditions around here, we haven't reached the critical stage yet," Holland said. "We could stand a rain, but we've had some scattered showers. There may be a little less seed production because it was so dry early when the good dove feed started to grow, but right

now we're seeing a lot of resident birds and good concentrations of them."

Holland noted some doves are still nesting now and he reports seeing concentrations of doves in fields they'll probably be utilizing during September. He suggests hunters make some pre-season scouting trips in search of fields with native food sources preferred by doves, such as sunflower, and dove weed or goat weed. "If you can find concentrations of doves in fields now, that's likely where they're going to be when the season starts."

In the Panhandle, good numbers of doves are showing up particularly in and around CRP (Conservation Reserve Program) fields, which serve as both feeding and nesting areas in the High Plains ecological region.

"Recent rainfall in the High Plains has improved the nesting habitat, filled small stock ponds and stimulated a growth of major dove food plants," according to biologist Jim Ray. "However, this additional surface water and food supply may make hunting more challenging

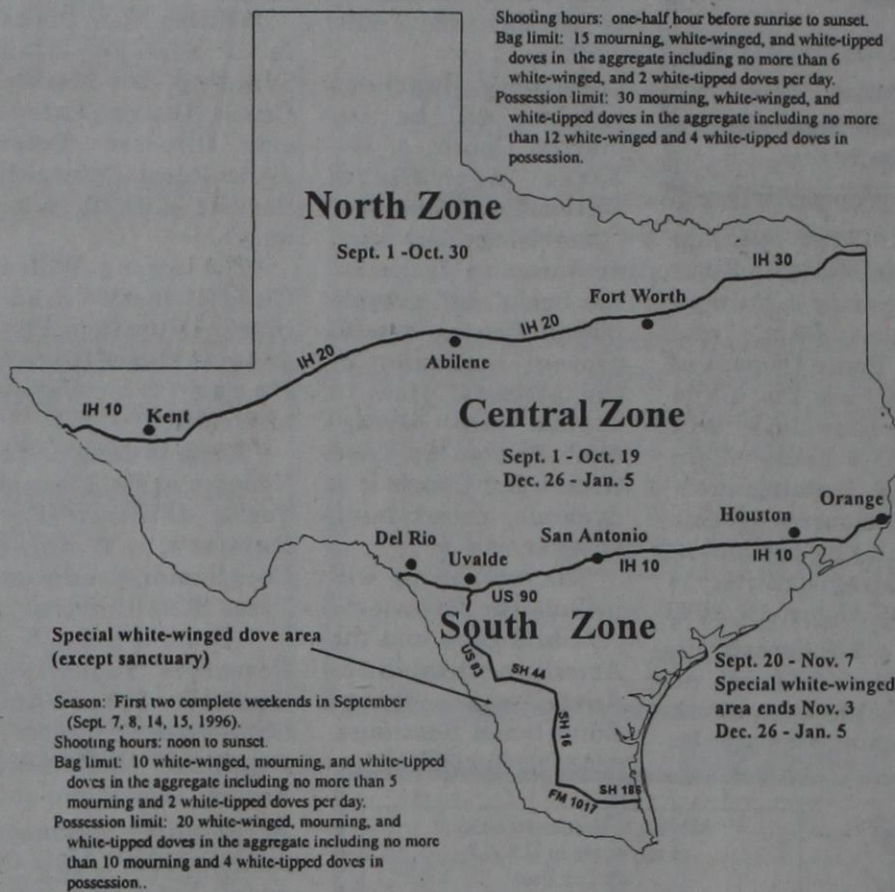

in some areas because the doves can disperse over a wide area rather than concentrate in the traditional areas. Hunters should plan to check their areas before the season opens to determine how the birds are distributed."

As usual, according to Amarillo biologist Danny Swebston, "Hunter success in the northern half of the Panhandle will depend on when the first major cold fronts arrive. The southern counties in the region generally can count on good hunting through mid-October."

Despite a dry cycle that's lasted more than four years in the Trans Pecos, dove hunters should experience better hunts for a longer period of time this season, according to Alpine biologist Mike Hobson. "Native seed production, availability and distribution throughout the Trans Pecos far exceeds that of last year. Hunters should plan on late evening hunts around stock tanks, springs or seeps which provide permanent water sources."

Dove hunting season opens Sunday, Sept. 1 in

1996-97 Dove Hunting Seasons

the North Zone for 60 consecutive days. The Central Zone season runs Sept. 1-Oct. 19 and Dec. 26-Jan. 5. In the South Zone, dove season runs Sept. 20-Nov. 7 (except in the Special White-winged

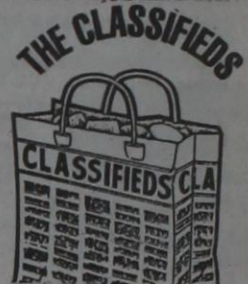

area, which closes Nov. 3) and Dec. 26-Jan. 5. The daily bag limit is 15 in the

aggregate, including no more than six white-winged and two white-tipped doves.

Season dates in the special white-winged dove area are Sept. 7, 8 and 14, 15. Bag limits are 10 per day in the aggregate, including no more than five mourning doves and two whitetips.

Dove hunters are reminded that a valid Texas hunting license is required, along with a Special White-winged Dove Stamp in order to take whitewings.

Wedding Bells

Duncan-Nichols

Miss Heather Jeanne Duncan was united in marriage in an evening, candlelight ceremony at 7:00 p.m. on June 8, 1996, to Mr. Christopher Taylor Nichols. The double ring ceremony was performed at Calvary Baptist Church in Cisco, by pastor Ronnie Shackelford.

The bride is the daughter of Randy Duncan of Houston and Pamela Duncan of Cisco. Her attending grandparents were Kent Davis of Cisco, Barbara Westbrooke of Nimrod, great-grandmother Cleo Davis of Cisco, Margorie Duncan of Breckenridge, and great-grandfather Roland Ogle of Comanche.

The groom is the son of Bobby and Brenda Nichols of McGregor. His attending grandparents were John and Lora Lee Scruggs of McGregor and Ladine Nichols of Moody.

The wedding party consisted of maid of honor, April Duncan, sister of the bride. The bridesmaids were Miss Sunshine Duncan, Mrs. Melissa Starr, Miss Daphne Merhinger, Mrs. Kim Rains, Mrs. Angie Boyd Shaw.

The bride's brother, Ryan Duncan, also stood by the bride's side throughout the ceremony.

Honorary attendants lighting the candles were Shala Latham, Jennifer Gray, DeaAnne Gray, and Amy Neff.

Serving as best man was the groom's father Bobby Nichols. The groomsmen included Robert Ridling, J.J. Lilagore, Chad Morrow, Steve Adcock, Greg Cook, and Gary Fourtner.

Attendants serving as ushers were Jeff Lechler, Brad Deats, Eddie Cobb, and Kevin Hearne.

The ceremony consisted of flower girls, Sundae Starr and Sarah Ridling, escorted by ring bearers Kevin McDonald and Hunter Starr.

Music was provided by pianist Alex Felan and organist Celia Shackelford. A small choir composed of Nikki Thiberville, JimAnne Baker, Trista Ingram, Ashley and Amber Webb, Nicole Harris, Jana Pence, Erica Pence, Tera Swint, Julie Glueck, Stephanie Gattis, Jessica Ballinger, Britany and Crystal Proffit, Bethany Johnson, Ashley Thackerson, and Jamie

Wheat sang "Holy Ground." Maid of honor April Duncan joined Tim Hull in a duet entitled "To Me." Sister of the groom, Shelly Ridling, sang "When I Fall In Love." Tim Hull closed the ceremony in song with the "Lord's Prayer."

Coordinator of the wedding ceremony was Mrs. Susan Moore. Photographers of the ceremony and reception were Mr. James Cotton and Mrs. Diane Carlile. Mrs. Clara Glueck filmed the ceremony and the reception.

One hundred eighty-three candles filled the sanctuary for the wedding ceremony. Each pew had a white bow draped to the floor of the double isle church. The parents' pews were designated by candle extensions with bows. Encasing each side of the pulpit were spectacular, pure white fresh arrangements setting on white columns. Ferns were placed at the base of each candle arbor. Floral and candle arrangements were created by Sharon Thiberville.

Given in marriage by her father, Randy Duncan, the bride wore a gown of white satin. The scalloped V-neckline was accented by the capped, scalloped short sleeves and a princess style bodice was decorated in beads, pearls and lace.

The full satin skirt extended to the cathedral length train, highlighted by pearls and open windows. The bride's head-

piece was decorated with pearls and lace to match the dress. The bride's veil fell to the mid-back and top piece was worn over her face throughout the ceremony until the kissing of the bride.

The bridal bouquet was designed with enormous opened white lilies, accented with greenery and small gladiolas which filled a white basket. In keeping with tradition, Heather borrowed from her mother's own bridal gown lace and beads from her great grandmother, Cleo, and had carefully placed into her bouquet.

The bride and groom were carried to the reception at the bride's home by a horse drawn carriage, a gift provided by the bride's mother, Pamela Duncan.

The reception was an outside and inside gathering decorated beautifully with candles, flowers, laughter, and music. The bride's room, decorated in white and pink, held the bride's staggered four-tiered cake, mints, and a fountain with punch.

The groom's room decorated in maroon and green, featured a two-tiered cake, mints and coffee.

The formal dining room had a beautiful fruit stack in the middle of the room. There were mints and hors d'oeuvres in the corner of the room.

Outside the home, tables and chairs were placed throughout the

yard. A white gazebo with mints and a champagne fountain under it was the site of the toasting of the bride and groom. The side-walks were lined with candles and bows. The porch was filled with music and dancing to end the evening of the wedding celebration. Music at the reception was provided by Brandon Carlile and Detric Odom.

The serving party consisted of Billie Jo Baker, Josie Flores, Holly Ritchie, Stacy Alvarado, Reagan Perkins, Tammy Lee Lindsey, and Kedra Chambers.

The bride and groom honeymooned at Breezes, Runaway Bay, in Jamaica. Chris and Heather will be at home in Bryan, at 2432 A Pecan Ridge Drive. Chris is a student in the College of Mechan-

'Twister's' Last Showing At Majestic

This weekend is your chance to see the movie "Twister" while it is in Eastland.

Rated PG-13, this Warner Bros. film depicts scientists who are out chasing tornadoes during an intense storm in Oklahoma.

It shows the awesome power of the twisters, and

what they can do to property and lives.

The main characters, Jo Harding (Helen Hunt) and Bill Harding (Bill Paxton) have still more problems - they are married but battling each other.

This movie was filmed on location along "Tornado Alley", north of the Red River. Some of the scenes are created by digital imagery.

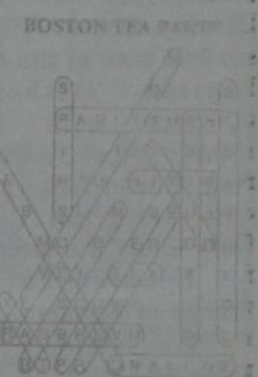

Majestic Manager Ed Allcorn says this picture is probably one of the best this summer, and might get an Academy Awards nomination for the special effects.

It will show at 7:30

nightly through Monday, Aug. 12. Admission \$3.50 at the box office with balcony seating available to adults at \$5.00.

Vonceil Hopper

RANGER - Vonceil Hopper, 78, of Dallas, formerly of Ranger and the wife of the late Roscoe Hopper passed away Monday, August 5, 1996, at North Haven Nursing Home Center.

Services were held Friday, August 9, 1996, at 2:00 p.m. at the First United Methodist Church with Rev. Shelly Brooks officiating. Burial followed at the Evergreen Cemetery under the direction of Edwards Funeral Home of Ranger.

Mrs. Hopper was born September 16, 1917 in Dublin, Texas to George Oscar and Susan Cora Stewart Strong. She graduated High School in Ranger, Texas and married her late husband Roscoe Hopper in Ranger, on April 5, 1937. She was a member of the First United Methodist Church in Ranger, where she enjoyed teaching Sunday School. She was an active member of the Garden Club, Lone Cedar Country Club, and very active in other civic organizations. She was also a National Delegate to the Democratic Convention, and an elected representative to the Kennedy Inauguration in 1960. She was also a very interesting person appearing on the David Letterman Show.

In lieu of flowers, please given generously to the First United Methodist Church in Ranger, or to the North

Haven Nursing Center, 11301 Dennis Rd., Dallas, TX 75229 in memory of Vonceil Hopper. These tributes will live long after the pedals are gone.

Survivors include Daughter and son-in-law, Kaye and Bill Warrick of Dallas; Son and daughter-in-law, John and Seiko Hopper of Midlothian, Texas; one dear sister and brother-in-law, Mary and Bruce Maddox of Houston; three grandchildren, D. K. Potter and wife Patta of Midlothian, Texas, Brandy and Crystal Hopper of Midlothian, Texas; two nephews, Judge Gary Maddox and wife Pat of Houston, Tony Maddox and wife Norma of Navosota, Texas; three great nephews, John Maddox of Houston, Stephen and wife Amy Maddox and son Jackson of Houston, John Michael Stofor of Houston; two great nieces, Sarah Maddox of Navosota, Texas and Nichole Stofor of Houston.

George D. Herridge

BALLINGER- George D. Herridge, 80, of San Angelo and formerly of Ballinger, died Monday, August 5, 1996 at a San Angelo nursing home.

Services were held at 2 p.m. Wednesday, August 7, 1996 at Seventh Baptist Church, Rev. Tony King officiated. Burial was in the Old Runnels Cemetery, directed by Rains-Seale Funeral Home.

He was born in San Angelo and married Lena Hollis in 1937 in Cross Plains. He moved to Ballinger in 1942 and worked as a fuel delivery truck driver. He owned and operated a radio and television repair shop from the mid-1950s until retiring in 1977. He then moved to San Angelo and continued working in the

electronics field. He was a charter member of Seventh Street Baptist Church in Ballinger and, later, was a member of Hillcrest Baptist Church in San Angelo.

Survivors include his wife, Lena Herridge, of San Angelo; one daughter, Linda K. Stewart of San Antonio; two brothers, Bert Herridge of Eastland and Frank Herridge of Gail; six sisters, Elizabeth Roberts of Sweetwater, Lucille Sheffield and Katy B. Joiner, both of Pain Rock, Ellen Almeda Conner of Big Spring, Vivian Christensen of Berea, Ohio, and Maxine Jamison of Abilene; 10 grandchildren; and two great-grandchildren.

Memorials may be sent to a favorite charity.

Nancy C. Ogden

RANGER - Nancy C. Ogden, 83, of Ranger died Thursday, August 8, 1996 in Eastland.

Services were held at 3:00 p.m. Saturday, August 10, 1996 at Second Baptist Church with Jack Hopkins officiating. A graveside service for both Nancy and Bill will be held immediately following the service at Merriam Cemetery under the direction of Edwards Funeral Home.

Mrs. Ogden was born to Joseph and Della Fox on June 22, 1913 in Jim Wells County. She met and married Billie Joe Ogden on July 15, 1928. Nancy was a member

of the Second Baptist Church. She enjoyed cooking and taking care of her family.

She is survived by son and daughter-in-law, Billie Joe Jr. and Virginia Ogden of St. Charles, MO; daughter and son-in-law, Virginia and Jim Ewing of Ranger; one sister, Lula Maddox of Ranger; two grandchildren, three great grandchildren, and two nephews.

WHOLE WHEAT BREAD

2 packages yeast
1 1/2 cup lukewarm water
1 1/2 cup lukewarm milk
2 teaspoons salt
4 tablespoons brown sugar
3 tablespoons shortening
2 cups flour
5 cups whole wheat flour
Mix first six ingredients thoroughly. Add most of the two flours until dough is stiff. Use the rest of the flour to dust the board and knead for ten minutes. Let rise in warm, moist place one hour or until double in size. Shape into three small loaves. Let rise until double. Bake at 375 degrees for 40 minutes.

COCONUT CAKE

This was a favorite at the church wide dinner many years ago, cooked by a wonderful Christian lady.

1 cup butter
2 cups sugar
3 cups all-purpose flour
1 tablespoon baking powder
1 cup milk
1/2 teaspoon vanilla extract
1/2 teaspoon almond extract
8 egg whites
pineapple filling
Seven Minute Frosting:
1 3/4 cups shredded coconut
candied red and green cherries
Cream butter, gradually add sugar, beating until light and fluffy. Combine flour and baking powder, add to creamed mixture. Stir in flavoring. Beat egg whites at room temperature until stiff peaks form. Fold

into creamed mixture. Bake in three greased, floured 9 inch cake pans at 350 degrees for 25 minutes. Cool in pans 10 minutes. Cool completely. Spread pineapple filling between layers. Spread top and sides with seven minute frosting. Decorate as desired.

HOUSEHOLD HINTS

Kids are getting ready to return to school. Please remember to send them off each morning with a hug. Parents, I know you are in a rush, but before you can blink an eye, the time is gone for the early morning rush and the kids are grown with children of their own. Don't lose these precious seconds that today seem to be never ending.

Get clothes and supplies for the morning ready the night before and save a lot of hassle. Just a few minutes to exercise and relax before bedtime might also help. Always go to bed with kind feelings among the family members.

Today is an important day for you. Be prepared to face any situation that might face you, good or bad. Some of us have a way of not even recognizing the good events that we so enjoy.

It is our reunion weekend and I hope to enjoy the visitation and to have the will-power to say no to all the tempting treats that will be available.

ASSEMBLY OF YAHWEH
Welcome
Worship 11:00 a.m. Saturday.
Only 10 miles South of Cisco on U.S. Highway
183.

NEGLECT

This highway began to decay the day
that it ceased to be used and repaired.

Deterioration sets in with the
onset of neglect. When a nation's
spiritual life is neglected
there is a possibility that
nation will not long endure.
Let us strengthen our
nation and our society by
attending church regularly
and reaffirming our
faith in God.

"And let us consider
one another to provoke unto
love and to good works:
Not forsaking the assembling
of ourselves together as
the manner of some is;
but exhorting one another:
and so much the more,
as ye see the day approaching."
Hebrews 10:24, 25.

The Church is God's appointed agency in this world for spreading the knowledge of His love
for man and of His demand for man to respond to that love by loving his neighbor. Without
this grounding in the love of God, no government or society or way of life will long
persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even
from a selfish point of view, one should support the Church for the sake of the welfare
of himself and his family. Beyond that, however, every person should uphold and par-
ticipate in the Church because it tells the truth about man's life, death and destiny, the
truth which alone will set him free to live as a child of God.

Legal Notice

TIMES SUN 1996 Property Tax Rates in Ranger College

This notice concerns 1996 property tax rates for Ranger College. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:
Last year's operating taxes-\$135,189.33
Last year's debt taxes-\$0-

Last year's total taxes-\$135,189.33
Last year's tax base-\$60,623,021

Last year's total tax rate-\$223/\$100

This year's effective tax rate:

Last year's adjusted taxes (after subtracting taxes on lost property)-\$134,993.65

(Divide by) this year's adjusted tax base (after subtracting value on new property)-\$58,172,105

(Equals) this year's effective tax rate-\$23205/\$100

(Times) 1.03 equals maximum rate unless unit publishes notices and holds hearing-\$23901

This year's rollback tax rate:

Last year's adjusted operating taxes (after subtracting taxes on lost property & adjusting for transferred function)-\$134,993.65

(Divided by) this year's adjusted tax base-\$58,172,105

(Equals) this year's effective operating rate-\$23205/\$100

(Times) 1.08 equals this year's maximum operating-\$25061/\$100

(Plus) this year's debt rate-\$0/100

(Equals) this year's rollback rate-\$25061/\$100

Schedule A
Unencumbered Fund Balances

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund:

Maintenance & Operation-Balance:\$0

Bond-Balance:\$0

Schedule B

1996 Debt Service

None

Keffer Race

crowd, greeting various friends. In 1992 she won the election in District 22, which included Eastland County.

Senator Nelson served this area for two years, then the territory was redistricted by the Courts - and she had to run from District 9, around the Metroplex.

Jane Nelson and Jim Keffer spoke to the crowd. Also introduced was Steve Herod, Judge of the 91st District Court. Incumbent Judge Herod is running on the Republican ticket for another term of office.

"I am so happy to support Jim Keffer in his campaign for a seat in the House of Representatives," Senator Nelson declared. "I am pleased that a person of this ability is running for this office. I feel that he, as a businessman, can bring a viewpoint to Austin that is badly needed."

"And too, I feel that he can represent the agriculture of this area, and bring that perspective to the Legislature."

Keffer thanked the hosts for the reception and all who had come out to encourage him. He restated some of the main issues he stands for: reform of the appraisal process on taxation, immediate property tax relief, tax protection for senior citizens, local control of schools.

He said he favors a number of proposals Governor George Bush is working for, and will assist him in the Legislature.

During the reception Keffer also told a member of the Press that he favors having a lot less lawyers in Austin. He said that would give a more balanced representation for business people, agriculture, and others in the private sector.

His opponent in the race is incumbent John Cook of Breckenridge, an Attorney and Democrat.

Jim Keffer also stated that he felt if he can get out and meet enough people in the District and they can learn his views on issues he will win the race.

The enthusiasm of the crowd at the Kickoff undoubtedly gave him a good start.
