

# THE GOLDTHWAITE EAGLE

VOLUME FORTY-NINE

GOLDTHWAITE, MILLS COUNTY, TEXAS, —FRIDAY, MARCH 26, 1943

NUMBER THIRTY-ONE

## SIMPLE SOIL BUILDING PRACTICES APPROVED BY USDA WAR BOARD

All farmers and ranchers are interested in conserving and improving the soil of both cultivated and pasture land. Not only will it help raise the standard of living for themselves and future generations, but it is now a patriotic duty of every land owner to handle his soil in such a way that maximum production of essential war commodities can be obtained. With the shortage of equipment and materials, practices which require the least of these, and technical assistance, must be used.

The Mills County USDA War Board is recommending certain practices for Mills County. These practices were worked out by a committee appointed by the War Board, with John R. Stough, local unit leader for the Mills County Soil Conservation District, as chairman. The separate practices are recommended to be carried out during different seasons or time of the year where possible.

An educational committee to inform out to farmers and ranchmen on the practices was appointed by the War Board. This committee is made up of and representatives of the AAA, Soil Conservation Service, Vocational Agriculture teachers, Home Demonstration Agent, and County Agent. The County Agent was appointed chairman of the committee.

Committeemen for the AAA have been handing mimeographed copies of the practices set up in a calendar form to all farmers and ranchmen signing farm plan books for 1943. Most of the practices carry a payment for 1943 if performed according to specifications.

The following is a calendar of the simple soil conservation practices recommended by the War Board for Mills County, and date of payment:

**February, March and April:**

1. Production of food (garden and orchard). See AAA Handbook.
2. Plant Hubam clover for soil building, \$1.50 per acre.
3. Contour tillage with existing terraces, 25c per acre.
4. Terrace maintenance, no payment.
5. Seeding summer close grown crops on contour (sorghum, sunflower, etc.), 20c per acre.
6. Deferred grazing, see AAA Handbook.
7. Rotated grazing, no payment.
8. Finish seeding and sodding permanent pasture grasses, \$4 and \$6.50 per acre.
9. Eradicate undesirable brush, see AAA Handbook.

**May, June, July, August and September:**

1. Contour tillage with existing terraces, 25c per acre.
2. Finish planting crops in rotation, no payment.
3. Plant cowpeas for soil building, \$1.50 per acre.
4. Grow out fire guards to protect pasture from burning off, \$4 per acre.
5. Deferred grazing, see AAA Handbook.
6. Rotated grazing, no payment.
7. Eradicate undesirable brush, see AAA Handbook.
8. Mowing pasture, 25c per acre to exceed 3 mowings.

**October, November, December and January:**

1. Winter legumes for pasture, \$1.50 per acre.
2. Out fire guards not yet set, \$2.64 per mile.
3. Terrace maintenance, no payment.
4. Rotated grazing, no payment.
5. Seeding and sodding permanent pasture grasses, \$4 and \$6.50 per acre.
6. Eradicate undesirable brush, \$1.50 per acre.
7. Winter cover crop for peanut land, see AAA Handbook.

## NEW RULES FOR FILLING STATION ATTENDANTS PUT IN EFFECT

When the gas attendant asks to see a motorist's mileage ration book, checks the windshield sticker and the license plate before he lays a hand on the pump, he is neither forsaking his usual courtesy, nor unduly delaying a sale. He is merely doing his job in carrying out the provisions of the rationing regulations for safeguarding your mileage ration from misuse. A. T. Pribble, chairman of the Mills County War Price and Rationing Board, said this week.

His duties will be made clear to the motoring public by a new service station poster now being distributed by the OPA gasoline rationing branch through oil company channels. The nation's 420,000 gasoline retailers will be asked to display prominently the red, white and blue poster, which reads:

### OFFICIAL NOTICE to GASOLINE CONSUMERS

When you purchase gasoline the service station attendant must:

1. Ask for Mileage Rationing Book before delivering gasoline.
2. Be sure correct ration sticker is properly displayed on the vehicle.
3. Be sure the vehicle is the same as described on the ration book cover.
4. Deliver no gasoline if ration book expiration date has passed.
5. Deliver no gasoline unless there are enough coupons for current period to cover purchase.
6. Deliver no gasoline unless the coupons are properly endorsed on the back by purchaser.
7. Detach coupons from the book—accept no loose coupons.
8. Follow all instructions and regulations in checking and handling coupons.

Failure by you or the attendant to observe these rules will constitute a violation of the Mileage Rationing Regulations.

### TIRE AND TUBE RATIONING REPORT FOR LAST SATURDAY

The following certificates were issued for tires and tubes by the rationing board last week:

**Grade I Tires—**Clem Howard, Goldthwaite, 2 tires; E. D. Roberson, Goldthwaite, 2; Ted Vance, McAllen 1; Albert Schumann, Priddy, 1.

**Second Grade Tires—**A. R. Kahns, Goldthwaite, 2 tires; Oma Roberson, Goldthwaite, 2.

**Third Grade Tires—**H. F. H. Reeves, Ebony, 2; L. C. Knowles, Mullin, 2; Mrs. W. C. Preston, Mullin, 2; Dan McConal, Goldthwaite, 2; Albert Kuklies, Priddy, 2; H. B. Curtis, Goldthwaite, 1.

**Passenger Tubes—**H. H. Kemp, Goldthwaite, 1; E. D. Roberson, Goldthwaite, 1; Mrs. W. C. Preston, Mullin, 2; H. F. H. Reeves, Mullin, 2.

**Truck Tires—**Ed Dearson, Goldthwaite, 2; A. A. Blair, Mullin, 1.

**Truck Tubes—**A. A. Blair, Mullin, 1; Edgar Jones, Mullin, 2.

**Tractor Tires—**R. C. McCollum, Hamilton, 1; Edgar Jones, Mullin, 2; J. R. Horton, Goldthwaite, 2.

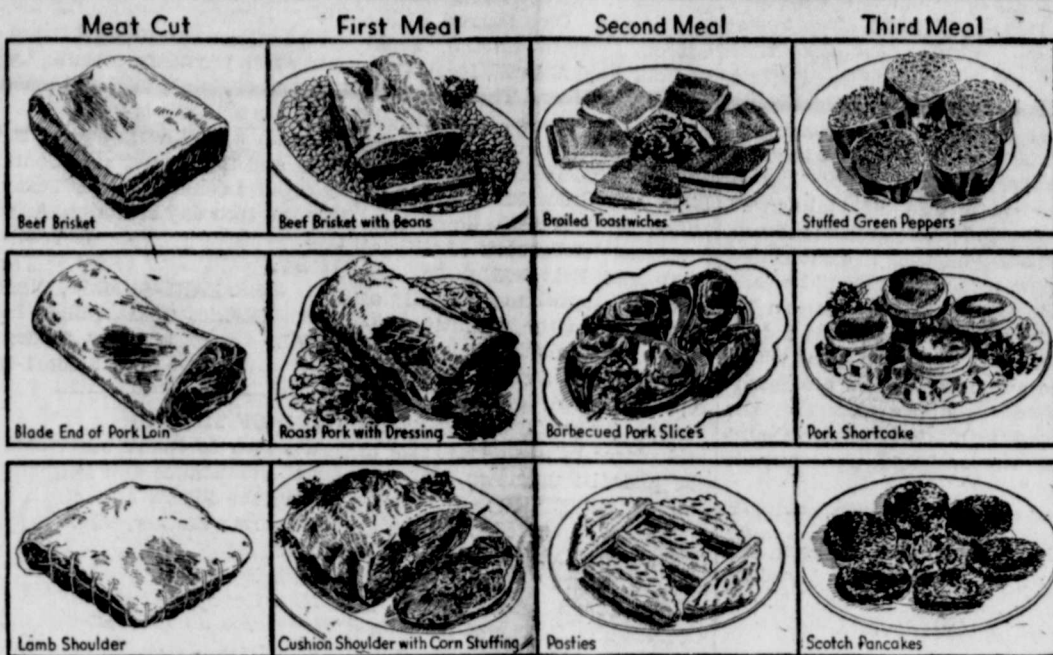

### HURRY! GET YOUR AUTO LICENSE PLATES

New licenses must be on the autos by April 1. This tax must be paid and local people have 1942 license receipt and their title certificates in order to get new plates. Avoid the rush and get the plates at once.

### Handbook.

8. Seeding small grain on the contour, 20c per acre.
9. Proper stocking arranged, no payment.
10. Planning next year's crop rotating with soil building crops, see AAA Handbook.
11. Winter cover crop for peanut land, see AAA Handbook.

## HOW TO MAKE YOUR MEAT GO FURTHER

Nutrition authorities say that Mrs. American Housewife's job of feeding her family is one of the most important in the war effort. For nourishing food is going a long way toward building strength and morale on the home front.

At the same time, women are being called upon to conserve food as a wartime necessity. This means they must use every ingenuity to eliminate waste and get the most out of the food they buy.

How to make their meat go further seems to be a subject of especial interest, since building meals around this food is an American tradition. So home economics experts have come to the rescue with all sorts of ideas and recipes designed to extend the meat purchase as far as possible.

Here are a few of many practical ideas along this line.

### BEEF BRISKET

**First meal.** Brisket cooked with beans is a delicious dish for the first serving. The beans are soaked over night and brown sugar, onion and seasonings added, then placed in a covered kettle with brisket on top. Brisket and beans should be covered with water and cooked in

a moderate oven for about three hours.

**Second meal.** Broiled toastwiches suggested for the second meal, are prepared by slicing left-over brisket and making into sandwiches. The sandwiches are dipped in beaten egg and milk and broiled until brown.

**Third meal.** The left-over meat from the brisket may be ground and combined with boiled rice and seasonings to make a stuffing for green peppers. These are baked in a hot oven until done—about 45 minutes.

### BLADE END OF PORK LOIN

**First meal.** Blade end of the pork loin is excellent for a roast. The end cut is lower in price than the center cut. Roasting is easy when a few simple rules are followed. The roast should not be covered and no water added. A low temperature saves both meat and fuel. A bread dressing, shaped in balls and placed around the roast half an hour before it is done, will extend the servings. This roast requires 30 minutes per pound.

**Second meal.** The cold slices of roast pork are delicious heated in barbecue sauce.

**Third meal.** The trimmings from the roast make a surprise supper dish when combined with cream sauce and served between layers and over the top of biscuits as Pork Short Cake.

### LAMB SHOULDER

**First meal.** A stuffed lamb shoulder is a thrifty roast. The bones may be used to season vegetables or to make soup stock. A tasty stuffing is made for it by combining whole kernel corn, cracker crumbs, seasonings and minced green pepper. The roast is placed on a rack in an open pan and about 40 minutes per pound allowed in a slow oven.

**Second meal.** For the next night's main dish, combine cubes of cold roast with left-over vegetables and enough gravy to hold together. Place mounds of the mixture on squares of pastry and fold over to make a triangle. Pinch the edges together. Brown in a hot oven. These are called Pasties.

**Third meal.** The remaining lamb "bits" may be ground and mixed with cooked oatmeal, an egg and seasonings to make Scotch Pancakes for supper or for breakfast.

## SCHOOL CLASS VISITS EAGLE OFFICE THURS

Miss Welch, the teacher and the Business English Class of the Goldthwaite High School, visited the Eagle Office yesterday morning to see how a weekly is printed and published. The class, which is studying journalism for two or three weeks, has recently written some thumbnail sketches of Mills County people which will be published in the Eagle soon.

Visiting the office yesterday were: Frances Adams, Mary Alice Arrowood, Jimmy Caraway, Barbara Carter, Billy Dennard, Mary Nell Epperson, Velma Fox, Dorothy Hanks, Lewis Hudson, Wayne Massey, Kethryn Miller, Lanelle Morris, Beryl Oglesby, Dorothy Nell Rudd, Lorena Smith, and Joe Taylor. Another member, Wanda Burkett, was unable to attend.

### LIVESTOCK IS DONATED TO LOCAL RED CROSS

We will offer for sale Saturday at 2:30 p. m. on Court House lawn one two-year-old horse and one fat mutton. If any one wants to donate livestock to the Red Cross, bring it in Saturday to the sale.

BRYAN SMITH, Chairman.

## NEW HOME DEMONSTRATION AGENT IS TO BEGIN APRIL 1

The appointment of Mrs. Burdelle Harris as Mills County Home Demonstration Agent has been confirmed by the County Commissioners' Court upon the recommendation of Miss Maurine Hearn, District Agent of the Texas A. and M. College Extension Service.

Mrs. Harris comes from Nacogdoches, and will begin her work here on April 1.

## WANTS MILLS COUNTY NEWS AROUND 1883

Mrs. LeRoy Anderson and daughter Beverly and son Douglas of Los Angeles, Calif., spent Wednesday in Goldthwaite.

Mrs. Anderson talked to Sam Caraway and other old-timers of Mills County endeavoring to get data on the happenings since her mother, Mrs. N. B. Taylor, whose maiden name was Jennie Comer, left Caradan in 1883.

Mrs. Taylor's father, John Z. Comer, wife and six children left Center City in 1883 on their cross-country trip in wagons to Montana. They left here in

April and reached their destination in the late summer.

The former Comer ranch at Caradan was bought by Sam Caraway, an old-timer, now of Goldthwaite.

Mrs. Taylor was 12 years old when she left Mills County and has been unable to visit here since until this week.

### INTERVIEWS AT ABILENE FOR ALL WAVES AND SPARS

Interviews will be granted to all applicants for WAVES, SPARS, and Marine Corps Women's Reserve in this area when Ensign Katherine Brook of the WAVES visits Abilene and a number of other cities in the surrounding territory next week, March 29 through April 3.

## A Hero Dies—A Coward Lives

My dog "Mikey Boy" was a fine 4-months-old Chow-Collie with long golden hair, and was fast developing into a big smart watch-dog. But Mikey is no more—a cowardly hand put out the strychnine, Mikey ate the meat, and passed on to Dog Heaven last Sunday morning.

Mikey Boy was a smart pup and always helped his master with the livestock chores. At noon-time and in the afternoon he would sit and watch for and run to meet his owner's car, follow it to the house for the pat on the back he always got. Then in the evening and at night, Mikey took his place in front of the door to guard the humans within from trespassers.

Mikey Boy—like many brave American soldiers are doing—died in the line of duty. He was helping his master chase a run-away pig when the fatal dose struck him dead at his owner's feet. He was born into a world of war-lust crazy humans—fighting and destroying each other—even women, children and babies—a world unfit for an innocent dog to live in.

Mikey had no soul and will not have to suffer eternal punishment for any misdeeds he may have perpetrated during his happy four-month sojourn on earth—as will his murderer. His ashes are resting in peace—while humans in their lust and hate slaughter each other on battlefields that encompass the globe. Mikey will not suffer from meat rationing—he beat the deadline by ten days. It seems as if Man's Best Friend is no more!

\*\*\*

The Goldthwaite Eagle is offering a \$25 War Bond for the best essay on "Fitting Punishment for a Dog Poisoner." Rules will be announced next week.

## MILLS COUNTY FARMERS URGED TO GET SLAUGHTER PERMITS

Mills county farmers who slaughter meat for sale were urged this week to obtain their slaughter permits before Thursday, April 1.

Individual permits will be issued by the county USDA war board at the local AAA office, A. A. Downey, board chairman, said.

Under the new meat management program, announced several days ago by Secretary of Agriculture Wickard, any person who slaughters for the delivery of meat must, in all instances, obtain a permit to slaughter. Farmers who slaughter animals only for home use need not obtain permits, but a permit is required if they deliver any of the meat to others. All slaughterers also must keep complete records of all livestock slaughtered.

The stamping of all meat is designed specifically to help stamp out the black market of meat. With every wholesale cut of meat sold in the retail market having a slaughter permit number plainly stamped on it, no illegally slaughtered wholesale cuts can be placed in the butchers' coolers or showcases without being spotted immediately.

If black market operators can be kept from selling meat, then the only competition for livestock will be between legitimate slaughterers who sell meat with their price ceilings for civilian use, and who are helping to fill the Government's military needs for meat.

### RAIN WEDNESDAY BROKE DRY SPELL

Probably the longest dry spell on record in Mills County was broken by the rain Wednesday. Last October it rained 6.14 inches, but has only rained a total of 2 inches since. The total for November, last year, was .52 inches and for December 1.32 inches, according to records kept by Weather Observer Harry Allen here. Less than 4-tenths of an inch of rain had fallen up to Wednesday for this year. On January 5, .08 was recorded and Jan. 6, .26; Jan. 7, .001, and Feb. 2, .002 inches. Only a sprinkle fell in March up to the rain Wednesday.

Although a total of 36.16 inches of moisture was recorded for last year, it came in bunches with too long dry spells in between. Heavy rain months were April with 7.28 inches, May with 7.94, and October, 6.14. Only 1.68 inches were recorded for the months of January, February and March last year.

Following is the rain report by months for 1941 and 1942:

## GOOD RAINS BREAK LONG DROUGHT OVER COUNTY AND SECTION

The government gauge kept by Observer Harry Allen here registered 1.02 inches of moisture falling in Goldthwaite during Wednesday. The rains of yesterday on top of it has helped considerably.

The rain broke a long drought here, and is thought to be general over Mills County and parts of Central Texas, but sections of West Texas where it is really dry got only light rains, if any, Wednesday.

The rain is thought to be sufficient to bring up crops and gardens already planted, besides starting grass and weeds growing for the stockmen, who have been hard hit by dry weather and scarcity and high price of feed.

L. E. Argabright, who lives 3 miles east of town, was here yesterday and said he already had some corn up before the rain and that he expects a good stand now. Sub-soil moisture was sufficient to bring up the corn, planted three weeks ago. He had over an inch of rain at his place Wednesday with more yesterday.

### RAIN DELAYS DRILLING ON FAIRMAN TEST

The test well being drilled on the E. T. Fairman land west of Goldthwaite reached a depth of 2,310 feet in lime of Marble Falls age Wednesday morning, when rains shut down operation. As soon as the weather clears up, drilling will be resumed.

### RAIN WEDNESDAY BROKE DRY SPELL

Probably the longest dry spell on record in Mills County was broken by the rain Wednesday. Last October it rained 6.14 inches, but has only rained a total of 2 inches since. The total for November, last year, was .52 inches and for December 1.32 inches, according to records kept by Weather Observer Harry Allen here. Less than 4-tenths of an inch of rain had fallen up to Wednesday for this year. On January 5, .08 was recorded and Jan. 6, .26; Jan. 7, .001, and Feb. 2, .002 inches. Only a sprinkle fell in March up to the rain Wednesday.

Although a total of 36.16 inches of moisture was recorded for last year, it came in bunches with too long dry spells in between. Heavy rain months were April with 7.28 inches, May with 7.94, and October, 6.14. Only 1.68 inches were recorded for the months of January, February and March last year.

Following is the rain report by months for 1941 and 1942:

| Month—    | 1941  | 1942  |
|-----------|-------|-------|
| January   | 1.57  | .25   |
| February  | 3.26  | .77   |
| March     | 3.77  | .66   |
| April     | 3.77  | 7.86  |
| May       | 4.04  | 7.94  |
| June      | 5.81  | 3.32  |
| July      | 2.27  | .69   |
| August    | 2.66  | 3.42  |
| September | 2.17  | 2.86  |
| October   | 4.63  | 6.14  |
| November  | .31   | .52   |
| December  | .89   | 1.23  |
| TOTALS    | 35.19 | 36.16 |

## ATTENTION, SCOUTS!

The Boy Scouts of America, Troop 45, Goldthwaite, will meet Tuesday, April 13, for a Court of Honor which is to be held at the regular meeting place, the First Baptist Church. Scouts, parents and other visitors are cordially invited to attend. Parents are expected to give full support to this organization and to help in building up the Troop. Weekly meetings are held at the Baptist Church at 7:30 Tuesdays. Joe Proctor, Scoutmaster, D. A. Bryant, Scoutmaster.

### SERVICE BOYS' PICTURE DISPLAY AT LOCAL STORE

Have you seen the Window Display at Little's Store of our boys in the armed forces of the United States?

A complete list of boys whose pictures are in this window will appear in the Eagle next week.

# THE GOLDTHWAITE EAGLE

VOLUME FORTY-NINE

GOLDTHWAITE, MILLS COUNTY, TEXAS, —FRIDAY, MARCH 26, 1943

NUMBER THIRTY-ONE

## AMPLE SOIL BUILDING PRACTICES APPROVED BY USDA WAR BOARD

All farmers and ranchers are interested in conserving and improving the soil of both cultivated and pasture land. Not only will it help raise the standard of living for themselves and their generations, but it is now a patriotic duty of every landowner to handle his soil in such a way that maximum production of essential war commodities can be obtained. With the shortage of equipment and materials, the practices which require the least of these, and technical assistance, must be used.

The Mills County USDA War Board is recommending certain practices for Mills County. These practices were worked out by a committee appointed by the War Board, with John R. Stough, Ark Unit Leader for the Mills County Soil Conservation District, as chairman. The separate practices are recommended to be carried out during different seasons or time of the year where possible.

An educational committee to inform out to farmers and ranchmen on the practices recommended by the War Board, a committee is made up of representatives of the AAA, Soil Conservation Service, Vocational Agriculture teachers, Home Demonstration Agent, and County Agent. The County Agent was appointed chairman of the committee.

Committeemen for the AAA have been handing mimeographed copies of the practices set up calendar form to all farmers and ranchmen signing farm plans for 1943. Most of the practices carry a payment for 1943 if formed according to specifications.

The following is a calendar of simple soil conservation practices recommended by the War Board for Mills County, and of payment:

February, March and April:

- Production of food (garden or orchard). See AAA Handbook.

- Plant Hubam clover for building, \$1.50 per acre.
- Contour tillage with exist-terrace, 25c per acre.
- Terrace maintenance, no payment.

- Seeding summer close grown crops on contour (sorghum, sunflower, etc.), 20c per acre.
- Deferred grazing, see AAA Handbook.

- Rotated grazing, no payment.

- Finish seeding and sodding permanent pasture grasses, \$4.50 per acre.
- Eradicate undesirable brush, AAA Handbook.

May, June, July, August and September:

- Contour tillage with exist-terrace, 25c per acre.
- Finish planting crops in rotation, no payment.

- Plant cowpeas for soil building, \$1.50 per acre.
- Plow out fire guards to protect pasture from burning off, 4 per acre.
- Deferred grazing, see AAA Handbook.

- Rotated grazing, no payment.

- Eradicate undesirable brush, AAA Handbook.
- Mowing pasture, 25c per acre not to exceed 3 mowings.

October, November, December and January:

- Contour listing before plowing, 25c per acre.
- Plant winter legumes for building in early fall, \$1.50 per acre.
- Plow out fire guards not yet constructed, \$2.50 per mile.
- Terrace maintenance, no payment.

- Rotated grazing, no payment.

- Seeding and sodding permanent pasture grasses, \$4 and 10 per acre.
- Eradicate undesirable brush, AAA Handbook.

- Winter cover crop for peanut land, see AAA Handbook.

## NEW RULES FOR FILLING STATION ATTENDANTS PUT IN EFFECT

When the gas attendant asks to see a motorist's mileage ration book, checks the windshield sticker and the license plate before he lays a hand on the pump, he is neither forsaking his usual courtesy, nor unduly delaying a sale. He is merely doing his job in carrying out the provisions of the rationing regulations for safeguarding our mileage ration from misuse. A. T. Pribble, chairman of the Mills County War Price and Rationing Board, said this week.

His duties will be made clear to the motoring public by a new service station poster now being distributed by the OPA gasoline rationing branch through oil company channels. The nation's 420,000 gasoline retailers will be asked to display prominently the red, white and blue poster, which reads:

### OFFICIAL NOTICE TO GASOLINE CONSUMERS

When you purchase gasoline the service station attendant must:

1. Ask for Mileage Rationing Book before delivering gasoline.
2. Be sure correct ration sticker is properly displayed on the vehicle.
3. Be sure the vehicle is the same as described on the ration book cover.
4. Deliver no gasoline if ration book expiration date has passed.
5. Deliver no gasoline unless there are enough coupons for current period to cover purchase.
6. Deliver no gasoline unless the coupons are properly endorsed on the back by purchaser.
7. Detach coupons from the book—accept no loose coupons.
8. Follow all instructions and regulations in checking and handling coupons.

Failure by you or the attendant to observe these rules will constitute a violation of the Mileage Rationing Regulations.

### TIRE AND TUBE RATIONING REPORT FOR LAST SATURDAY

The following certificates were issued for tires and tubes by the rationing board last week:

Grade I Tires—Clem Howard, Goldthwaite, 2 tires; E. D. Roberson, Goldthwaite, 2; Ted Vance, McAllen, 2; Albert Schumann, Priddy, 1.

Second Grade Tires—A. R. Kahus, Goldthwaite, 2 tires; Oma Roberson, Goldthwaite, 2; Third Grade Tires—H. F. H. Reeves, Ebony, 2; L. C. Knowles, Mullin, 2; Mrs. W. C. Preston, Mullin, 2; Dan McConal, Goldthwaite, 2; Albert Kuklies, Priddy, 2; H. B. Curtis, Goldthwaite, 1.

Passenger Tubes—H. H. Kemp, Goldthwaite, 1; E. D. Roberson, Goldthwaite, 1; Mrs. W. C. Preston, Mullin, 2; H. F. H. Reeves, Mullin, 2.

Truck Tubes—Ed Dearson, Goldthwaite, 2; A. A. Blair, Mullin, 1.

Tractor Tubes—A. A. Blair, Mullin, 1; Edgar Jones, Mullin, 2.

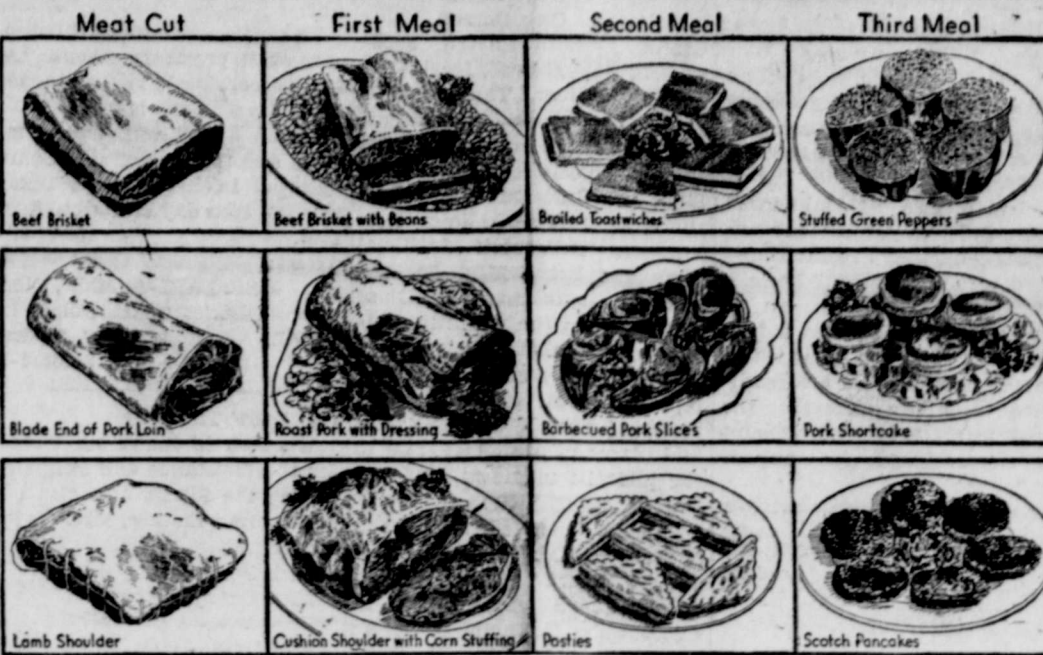

Tractor Tires—R. C. McCollum, Hamilton, 1; Edgar Jones, Mullin, 2; J. R. Horton, Goldthwaite, 2.

### HURRY! GET YOUR AUTO LICENSE PLATES

New licenses must be on the autos by April 1. This tax must be paid and local people have 1942 license receipt and their title certificates in order to get new plates. Avoid the rush and get the plates at once.

- Handbook.
8. Seeding small grain on the contour, 20c per acre.
  9. Proper stocking arranged, no payment.
  10. Planning next year's crop rotating with soil building crops, see AAA Handbook.
  11. Winter cover crop for peanut land, see AAA Handbook.

## HOW TO MAKE YOUR MEAT GO FURTHER

### Meat Cut

Beef Brisket

Beef Brisket with Beans

Broiled Toastwiches

Stuffed Green Peppers

Blade End of Pork Loin

Roast Pork with Dressing

Barbecued Pork Slices

Pork Shortcake

Lamb Shoulder

Custard Shoulder with Corn Stuffing

Pasties

Scotch Pancakes

Second meal. The left-over meat from the brisket may be ground and combined with boiled rice and seasonings to make a stuffing for green peppers. These are baked in a hot oven until done—about 45 minutes.

Third meal. The trimmings from the roast make a surprise supper dish when combined with cream sauce and served between layers and over the top of biscuits as Pork Short Cake.

LAMB SHOULDER

First meal. A stuffed lamb shoulder is a thrifty roast. The bones may be used to season vegetables or to make soup stock. A tasty stuffing is made for it by combining whole kernel corn, cracker crumbs, seasonings and minced green pepper. The roast is placed on a rack in an open pan and about 40 minutes per pound allowed in a slow oven.

Second meal. For the next night's main dish, combine cubes of cold roast with left-over vegetables and enough gravy to hold together. Place mounds of the mixture on squares of pastry and fold over to make a triangle. Finch the edges together. Brown in a hot oven. These are called Pasties.

Third meal. The remaining lamb "bits" may be ground and mixed with cooked oatmeal, an egg and seasonings to make Scotch Pancakes for supper or for breakfast.

BLADE END OF PORK LOIN

First meal. Blade end of the pork loin is excellent for a roast. The end cut is lower in price than the center cut. Roasting is easy when a few simple rules are followed. The roast should not be covered and no water added. A low temperature saves both meat and fuel. A bread dressing, shaped in balls and placed around the roast half an hour before it is done, will extend the servings. This roast requires 30 minutes per pound.

Second meal. The cold slices of roast pork are delicious heated in barbecue sauce.

Third meal. The trimmings from the roast make a surprise supper dish when combined with cream sauce and served between layers and over the top of biscuits as Pork Short Cake.

LAMB SHOULDER

First meal. A stuffed lamb shoulder is a thrifty roast. The bones may be used to season vegetables or to make soup stock. A tasty stuffing is made for it by combining whole kernel corn, cracker crumbs, seasonings and minced green pepper. The roast is placed on a rack in an open pan and about 40 minutes per pound allowed in a slow oven.

Second meal. For the next night's main dish, combine cubes of cold roast with left-over vegetables and enough gravy to hold together. Place mounds of the mixture on squares of pastry and fold over to make a triangle. Finch the edges together. Brown in a hot oven. These are called Pasties.

Third meal. The remaining lamb "bits" may be ground and mixed with cooked oatmeal, an egg and seasonings to make Scotch Pancakes for supper or for breakfast.

BLADE END OF PORK LOIN

First meal. Blade end of the pork loin is excellent for a roast. The end cut is lower in price than the center cut. Roasting is easy when a few simple rules are followed. The roast should not be covered and no water added. A low temperature saves both meat and fuel. A bread dressing, shaped in balls and placed around the roast half an hour before it is done, will extend the servings. This roast requires 30 minutes per pound.

Second meal. The cold slices of roast pork are delicious heated in barbecue sauce.

Third meal. The trimmings from the roast make a surprise supper dish when combined with cream sauce and served between layers and over the top of biscuits as Pork Short Cake.

## MILLS COUNTY FARMERS URGED TO GET SLAUGHTER PERMITS

Mills county farmers who slaughter meat for sale were urged this week to obtain their slaughter permits before Thursday, April 1.

Individual permits will be issued by the county USDA war board at the local AAA office, A. A. Downey, board chairman, said.

Under the new meat management program, announced several days ago by Secretary of Agriculture Wickard, any person who slaughters for the delivery of meat must, in all instances, obtain a permit to slaughter. Farmers who slaughter animals only for home use need not obtain permits, but a permit is required if they deliver any of the meat to others. All slaughterers also must keep complete records of all livestock slaughtered.

The stamping of all meat is designed specifically to help stamp out the black market of meat. With every wholesale cut of meat sold in the retail market having a slaughter permit number plainly stamped on it, no illegally slaughtered wholesale cuts can be placed in the butchers' coolers or showcases without being spotted immediately.

If black market operators can be kept from selling meat, then the only competition for livestock will be between legitimate slaughterers who sell meat with their price ceilings for civilian use, and who are helping to fill the Government's military needs for meat.

A. A. Downey also explained that anyone who buys and sells cattle, hogs and sheep and keeps them for less than 30 days is considered a dealer and is required to obtain a permit from the county war board. He also is required to keep a complete record of his livestock purchases and sales, including the date he bought meat animals, their weight, the prices paid for them, to whom he sold them, and the price received. Farmers are not required to obtain dealer permits but they are asked to keep records of their purchases and sales.

## SCREEN TRIBUTE TO RED CROSS TO BE SHOWN HERE SOON

A screen tribute to the work of the American Red Cross will be shown on the program at the Melba Theatre during the week of April 1 to 7, inclusive. It was announced yesterday by Miss Anne Coleman, manager of the theatre.

The showings of the tribute will be a feature of a week-long celebration at the Melba Theatre honoring the Red Cross in conjunction with similar celebrations being held by the nation's 17,000 motion picture theatres during the week, Miss Coleman said.

The work of organizing the theatres for the week was done by the War Activities Committee of the Motion Picture Industry which was organized after Pearl Harbor to aid in the nation's war effort. To date the organization has assisted in such activities as scrap collections, War Bond and Stamp Drives, United Nations Week.

### SERVICE BOYS' PICTURE DISPLAY AT LOCAL STORE

Have you seen the Window Display at Little's Store of our boys in the armed forces of the United States?

A complete list of boys whose pictures are in this window will appear in the Eagle next week.

## GOOD RAINS BREAK LONG DROUTH OVER COUNTY AND SECTION

The government gauge kept by Observer Harry Allen here registered 1.02 inches of moisture falling in Goldthwaite during Wednesday. The rains of yesterday on top of it has helped considerably.

The rain broke a long drouth here, and is thought to be general over Mills County and parts of Central Texas, but sections of West Texas where it is really dry got only light rains, if any, Wednesday.

The rain is thought to be sufficient to bring up crops and gardens already planted, besides starting grass and weeds growing for the stockmen, who have been hard hit by dry weather and scarcity and high price of feed.

L. E. Argabright, who lives 3 miles east of town, was here yesterday and said he already had some corn up before the rain and that he expects a good stand now. Sub-soil moisture was sufficient to bring up the corn, planted three weeks ago. He had over an inch of rain at his place Wednesday with more yesterday.

### RAIN DELAYS DRILLING ON FAIRMAN TEST

The test well being drilled on the E. T. Fairman land west of Goldthwaite reached a depth of 2,310 feet in lime of Marble Falls age Wednesday morning, when rains shut down operation. As soon as the weather clears up, drilling will be resumed.

### RAIN WEDNESDAY BROKE DRY SPELL

Probably the longest dry spell on record in Mills County was broken by the rain Wednesday. Last October it rained 6.14 inches, but has only rained a total of 2 inches since. The total for November, last year, was .52 inches and for December 1.32 inches, according to records kept by Weather Observer Harry Allen here. Less than 4-tenths of an inch of rain had fallen up to Wednesday for this year. On January 5, .08 was recorded and Jan. 6, .26; Jan. 7, .601, and Feb. 2, .602 inches. Only a sprinkle fell in March up to the rain Wednesday.

### FOR CLASS REPORT

The Juniors chose their rings week. Nobody was disappointed with the choice—a ring, pink, that is prettier than so far, of course.

or nearly all, of us had pictures taken last week. It really quiet a pleasure, since out of class a few minutes. Upon the return of them than one was surprised to that that was really him.

### TEACHER'S SCHOOL

(By Dorothy Hanks)  
The teachers and students agreed to have Mrs. Campbell speak, our former teacher, on Monday.

Thompson has not been in since she resigned here, and her husband are living in Dallas. She is working as a J. C. Penny's in Dallas, says you hear of war widows she felt like a radio. Her husband is a radio mechanic. We were all glad to hear and hope she will visit us.

### SOLDIER'S MOTHER

(Barbara Carter)  
Our soldiers and our sailors and other service men have come back home, they take to the Red Cross. The man worries about his home problems are his no matter if he is in a foreign land. If a soldier is worried about financial conditions, or about the health of his family or any social conditions goes to the Red Cross Director and soon things are handled and arrangements are made to give the help.

Small is handled by the Red Cross Field Workers and they get mail to and from home through the Red Cross and in many other ways the organization helps the soldier.

is just part of the story of the Red Cross, sometimes as the "Soldier's Mother," so stands for lives saved, and cared for, for food and in times of disaster, the blood donated by volunteers and millions of hours by civilians to Red Cross work.

is our best for the "agency" that is known as the Red Cross, the world over, the fighting men a better life.

PATRIOT Hudson and Dorothy (Nell Rudd)  
Sample of the spirit that the war was shown a little ago by Mrs. Earl. A teacher was needed in the science department and a man willingly substituted in a teacher could be this in itself was a sacrifice Mrs. Fairman is with different types of

Red Cross work besides the duties she had to perform in the regular routine of her household. She taught a week; and when she was paid her salary she immediately donated it to the benefit of the science department. Now the science department is enjoying the use of the new window shades and the possibility of new chairs or of getting the woodwork painted because of this unselfish act. The science classes greatly appreciate her unselfishness and help; in fact, all the students and faculty of Goldthwaite High School are extremely grateful for this fine deed which Mrs. Fairman so nobly performed.

### PICTURES ARRIVE

(By Billy Dennard)  
Our pictures which were taken about two weeks ago by a photographer arrived last week, and most of us have seen ourselves as others see us. Most of the pictures seem to be pretty good, and we should buy them if for no other reason than that 20 percent of the money goes to the school. The school will use the money to help purchase football sweaters.

The small pictures are five cents apiece or all eight pictures for 30 cents. The enlarged picture is 30 cents, and still a better bargain is all eight pictures and the enlarged picture for 50 cents.

### EVERYBODY'S CRAZY

Not really, folks! That's just the name of the Senior play! The name really suits the play. We sincerely believe you will get your money's worth.

We are working hard every day. Tryouts for certain parts were held Wednesday. Some of the characters have already been picked. There are as many as four for some parts, so the tryouts will not be as simple as you may think.

The play will be given April 2. This date is not definite, however. We cordially invite all to attend!

### LIEUTENANT MYERS VISITS OUR SCHOOL

(Barbara Carter and Norine Grissom)

Last Monday our school was honored with the presence of Lt. Vernon Myers of the Army Air Corps, who gave us an interesting account of his experience on Guadalcanal as a bombardier on a B-17.

Lt. Myers told us of the time he spent on Guadalcanal in actual service and of the dangerous missions his crew and plane completed, sometimes cheating death by a mere fraction.

The rapid attention of his listeners showed their interest in Lt. Myers' talk, and the faculty and students of Goldthwaite High School appreciate his giving us a part of his time, and all of us have a better conception of actual warfare since we have

### In Memory Of Loretta Duren

Little Loretta Joyce Duren, the daughter of Mr. and Mrs. Houston Duren, was born October 20, 1930, and on March 5, 1943, she went home to be with Jesus. She was three years, four months and fifteen days old. Although she was here with us for just a little while, there is still a longing within our hearts to just see her sweet and charming face once more.

We would not dare call her back into this life where there is sin, suffering and sorrow, and we cannot call her back, but this one thing we can do—we can go to her.

We who knew her loved her. She had many close and dear friends. There is one in particular who was very close to her and that was her aunt, Alberta Downey. She was just like a big sister to her.

Yes, it is hard for us to understand sometimes why God will take a precious little flower like her, but God, like us, plucks the loveliest flower from the garden, and after all, Loretta is just away.

"I cannot say, and I will not say that she is dead—She is just away!

With a cheery smile, and a wave of the hand, She has wandered into an unknown land, And left us dreaming how very fair

It needs must be, since she lingers there, And you—oh you, who the wild-est yearn

For the old time step and the glad return—

Think of her fading on as dear In the love of there "as the love of here,"

Think of her still, as the same, I say:

Loretta is not dead—She is just away.

—A Friend.

heard about it from some one who has actually seen and experienced the things we read and hear about.

Lt. Myers was introduced by our commercial teacher, William Johnston, who is a friend and former schoolmate of Lt. Myers.

Although he was very modest of his proven bravery and heroism, we were confident that he justly deserved the decorations which were awarded to him. He has received seven air medals, two Distinguished Flying Crosses and three Silver Stars, which are the Air Corps' highest symbols given for bravery in combat. These awards were earned dutifully as he has sunk cargo ships, tankers, and heavy cruisers, the total amount being seven, besides having sent nine Japanese Zeros to their end.

He related all possible details that would not divulge military information. One of the highlights of his talk was an experience on a night mission in which his plane was flown entirely by instruments. In this flight it was necessary to calculate the location and fly through a narrow, ten-mile pass in an extremely high chain of mountains. To have missed this pass would have been fatal to the plane and its crew.

Probably the most outstanding feat of this bombardier's skill and accuracy was the planting of a huge bomb squarely in the smoke stack of a heavy Jap cruiser which resulted in its sinking in less than 20 minutes.

Lt. Myers recalled numerous incidents relating to the American fox holes, which were used for protection at the time of a Japanese attack. One of the incidents was when he was without a helmet and used a thick folded quilt for head protection while in his fox hole.

The queer customs of the ignorant natives of the island proved very interesting. They were found to be extremely curious toward the plane and other instruments of war. All of the army boys adopted the habit of shaving with cold water, not through choice, but by necessity. Also he told of the time when his squadron was forced to eat captured Japanese rice, thickly imbedded with ants.

Only 20 percent of the squadron in which Lt. Myers was a member returned to the United States, and for that reason he considers himself very lucky.

We want to thank Lt. Myers for his excellent talk, and may we wish him a pleasant furlough and good luck when he returns to the Army Air Corps.

## SOCIETY

### The Goldthwaite Garden Club

The Goldthwaite Garden Club had its March meeting on Wednesday, March 17, at the home of Mrs. Walter Weatherly. Several business matters were given the attention of the club, special emphasis being placed upon Victory Gardens.

Officers for next year were elected. Mrs. Paul McCullough will serve as president; Mrs. G. D. Walker as vice-president; Mrs. George Shady, recording secretary; Mrs. D. D. Tate, corresponding secretary; Mrs. E. T. Fairman, treasurer; Mrs. W. K. Marshall, historian; Mrs. Malcolm Jernigan, reporter; and Mrs. I. Z. Woodard, assistant reporter. Mrs. John Stough was accepted as a new member.

The first part of the program was given over to a memorial service for Mrs. W. E. Miller, who was a charter member of the Garden Club. A special report of this tribute to Mrs. Miller is given elsewhere in the Eagle.

Mrs. Paul McCullough gave a talk of rationing, explaining the general food supply and the need for larger production. Each individual family has to do its full share to perform a patriotic duty to our country during this war. The speaker gave some very valuable information.

All Garden Club members felt grateful for garden pamphlets or bulletins on planting and directions for canning and drying produce.—Reporter.

### Tribute To Mrs. W. E. Miller

At the March 17, 1943, meeting of the Goldthwaite Garden Club loving honor was paid to the memory of the late Mrs. W. E. Miller, who died of a heart attack at the family home here on February 23, 1943.

While the club stood and gave the Chautauqua salute, Mrs. L. E. Miller paid a very beautiful tribute to Mrs. Miller's life amongst us as our devoted and faithful friend. Mrs. R. E. Clements read an appropriate and inspiring poem entitled "To An Old Friend." Mrs. R. M. Patterson closed the service with prayer, each member in her heart thanking her Lord for her contacts with her for whom we mourned. Mrs. Miller was a charter member of the Garden Club, and the club will deeply miss her.

The major part of Mrs. Miller's life was spent in Goldthwaite. She was always a loyal citizen and gave of herself and her money to civic welfare. These were the people she loved and her influence and works will always be a part of us. She typified the culture of the Old South and her bearing was always that of the true gentlewoman.

Mrs. Miller took an active part in the Baptist Church, taking part in the Sunday School and working faithfully in the Woman's Missionary Union. Her funeral services were held at this church on February 24, with the pastor, Rev. D. A. Bryant, conducting the service.

Our friend is gone to her eternal home. She is survived by her husband, Mr. W. E. Miller; a niece, Mrs. Eva Glodmyer of Forest City, Arkansas, and a number of nephews. Mrs. Miller's influence on Goldthwaite's religious, educational and cultural life will linger on.

### Loosens Up Thick Choking Phlegm of BRONCHIAL ASTHMA!

Spend 45c today at any good drug store for a bottle of Buckley's CANADOL Mixture (Triple Acting). Pour yourself a teaspoonful, let it lie on your tongue a moment, then swallow slowly. Feel its instant, powerful, effective action spread through throat, head and bronchial tubes. Starts at once to loosen thick choking phlegm making breathing easier.

No claim is made that Buckley's is a cure for Chronic Bronchitis or Asthma but sufferers often find Buckley's CANADOL Mixture (the largest selling cough medicine in all Canada) eases coughing spasms and loosens up that choking phlegm which seems to clog the tubes and makes breathing difficult. Many get better night's rest.

### RED CROSS NEWS

Due to the shortage of buttons, both wholesale and retail, we have not received our button order for our pajama and blouse quota.

Anyone having white buttons suitable for either of these garments, please call any of the supervisors as soon as possible, as our shipment is being held up for lack of buttons.

We need more women in our sewing room. Several supervisors spend the entire morning alone. Surely if they can give a day a week you can also. Let's show these loyal women we are behind them.—Mills Co. R. C. Chairman.

**WORKERS:**  
Monday, March 16—Mrs. Al Dickerson 1-2 day, Mrs. Joe Huffman 1-2 day, Mrs. Sewell 1-2 day, Mrs. Fox 1-2 day, Mrs. W. M. Fox 1-2 day.

Tuesday, March 17—Mrs. Floyd Fox 1 day, Mrs. Jim Weatherly 1-2 hours, Mrs. Linkenhog 1-2 day, Mrs. Marvin Rudd 1-2 day, Mrs. J. M. Campbell 1-2 day, Mrs. John Jackson 1-2 day, Mrs. Obenhaus 1-2 day, Mrs. Charlie Law 1-2 day.

Wednesday, March 24—Miss Abbie Ervin 1 day, Mrs. Weems Weathers 1 day, Mrs. Chas. Frazier.

Friday, March 20—Mrs. Neal Dickerson 1 day, Mrs. Linkenhog 1 day, Mrs. Fox 1-2 day, Mrs. Obenhaus 1-2 day.

### Miss Daniel Is Recent Bride

(Waco Tribune)

Before an altar banked with palms and white gladioli, vows of marriage were exchanged by Miss Iva Lee Daniel, daughter of Mr. and Mrs. Arthur Hayne Daniel, 1501 South Ninth Street, and Lieut. Joe Hugh Fletcher, son of Mr. and Mrs. George M. Fletcher of Mullin. The wedding took place at 8 o'clock on Saturday evening in the First Baptist Church at Lorena. The double-ring ceremony was performed by Rev. Sam Cluck.

Nuptial music was given by Bill Shriner, who sang "Because" and "I Love You Truly," accompanied by Mrs. W. S. Kemp of Mullin. Mrs. Kemp also played Lohengrin's "Wedding March" and Mendelssohn's recessional.

Given in marriage by her father, the bride wore a heavy white satin gown made with a sweetheart neckline, long sleeves which extended into points at the wrists and a full skirt extending to a short train. Her full-length veil of illusion fell from a halo of lilies of the valley. She carried a bouquet of white roses, from which fell a shower of stephanotis. At her neck was a single strand of pearls, a gift of the bridegroom. For something old and something borrowed, she carried a white lace handkerchief belonging to Mrs. Elizabeth Greer of San Antonio.

The bride's attendants wore dresses of embroidered organdy, fashioned of the same design, with dainty illusion shoulder-length veils to match their gowns. Miss Theda Fae Daniel attended her sister as maid of honor. Her gown was yellow and her flowers were pink carnations. Mrs. W. P. Evans, Jr., matron of honor, wore blue and also carried pink carnations. Miss Bonita Daniel, sister of the bride, was in matching gown and veil of orchid, Elizabeth Ann Evans, junior bridesmaid, wore pink and both bridesmaids carried bouquets of yellow jonquils. The flower girls, Barbara Ann Isham, niece of the bridegroom, and Dixie Sue Rhoades wore long empire-style dresses of white net.

The bridegroom was attended by his brother, Aviation Cadet L. D. Fletcher, of Brooks Field, as best man. Ushers were Lieut. Robert O. Bostwick of Syracuse, Kansas, and Lieut. Lewis R. Fifth of Trenton, New Jersey.

The bride is a graduate of Howard Payne College, and for the past four years has been a teacher in the Lorena school. The bridegroom attended a business college in Fort Worth and was connected with a lumber company in that city before entering the armed services.

A reception was held after the ceremony at the home of Mr. and Mrs. W. P. Evans, Jr., in Lorena. Miss Jessie Hooper presided at the wedding cake, while Misses Maggie Lou Stewart, Mary Frances Jones, Margaret Mayfield and Mrs. J. A. Curtis assisted in the dining room. About 100 friends called at the reception.

The bride chose an aqua wool crepe suit with black accessories for her traveling costume. Her

1. Checks Germ Growth in Drinking Water.  
85% of 2,335 chicks sent Dr. Salisbury's Laboratories for free diagnosis had bowel troubles. These troubles often come from germs entering the digestive system through the drinking water. Phen-O-Sal inhibits germ growth.  
2. Reduces Chick's Digestive System.  
Phen-O-Sal's non-acidic medicine cleanses the entire digestive system with astringent action so often needed in bowel troubles. Use Phen-O-Sal in any kind of water.

**HUDSON BROS.

WHEN YOU WANT IT"

corsage was of orchids.

Out-of-town guests for the wedding were Mr. and Mrs. Geo. M. Fletcher, Mr. and Mrs. W. S. Kemp, Miss Vivian Fullbright of Mullin, Mr. and Mrs. Sam Isham and Barbara Ann of San Saba, Miss Mary Fletcher of Brownwood, Aviation Cadet L. D. Fletcher of San Antonio, Mr. and Mrs. D. E. Howard of Comanche, Mr. and Mrs. R. R. Rhoades and Dixie Sue of Fort Worth, and Miss Blanche Saxon of Austin.

This happy young couple was reared in Mullin and completed high school, where they were both popular with the faculty and student body.

The attractive bride and stalwart soldier groom handsome in the colors of his country have regions of friends here and belonged to the leading families of this area.

Orchids are extended this happy young couple, and may their lives fall in pleasant places.

Mr. and Mrs. M. F. Horton and daughter Katherine spent last Wednesday and Thursday in Stephenville, where Katherine had her tonsils removed. She is doing nicely.

## NEWS from

### YOUR COUNTY HOME DEMONSTRATION AGENT

TEXAS EXTENSION SERVICE

By GERALDENE SUMMERS  
McCULLOUGH  
Mills County Home Demonstration Agent

#### MEETING SATURDAY

There will be a meeting of all Home Demonstration women and 4-4 Club Girls enrolled as special Victory Demonstrators in Mrs. Geraldene S. McCullough's office Saturday, March 27, at 2:30. Mrs. McCullough urges every demonstrator to be present at that time.

To the Home Demonstration Women and 4-4 Club Girls in Mills County:

Upon resigning as your Home Demonstration Agent April 1, may I take this opportunity to say I have indeed enjoyed working with every one of you. You have done such excellent work during the last six months.

There are now 207 women enrolled in 16 Home Demonstration Clubs in Mills County, and with the enrollment of six more girls down at Scallorn last Friday night, the total enrollment for the girls is 207. Four hundred and fourteen women and girls enrolled as Victory Demonstrators in Mills County! That is so good. Now we have a good number enrolled, but what we all want is to see what you 414 girls and women can do. We are 414 strong in number, let us be 414 strong in RESULTS. Let us really do something worthwhile this year. Remember we must PRODUCE, CONSERVE, AND RENDER SERVICE in order to do our part to help win the war.

As we work together this year—May we have faith—faith in ourselves and in people and in God, and may we help others have this faith.

May we have patience—patience and understanding that we may be generous and kind and help others to have these qualities.

May we have enthusiasm and courage enough for ourselves and enough to share with those who are in need.

May we think—think and plan and weigh values carefully that our guidance and direction may be given wisely.

May we have a warm inner feeling at each day's end because in some way we have helped others feel a new self-confidence, new pride and joy from having done something well.

May we let God direct us in our daily service to HIM and HIS people, and may we be worthy of Victory when Victory comes.

Thank you so very much for the splendid cooperation you have given me.

Your fellow Victory Demonstrator,  
Mrs. Geraldene Summers McCullough, Mills County Home Demonstration Agent.

#### GOOD WAR-TIME CAKES

So many different things can cause cakes to fall in the same way that it will be helpful to the homemaker to learn that there are many reasons why a cake fails, for example, and that she must guard against them all. Two of the homemaker's chief complaints are that her cakes fall or are too heavy.

These are the reasons why a butter-type cake may fail: Too much shortening, too much leavening, too much sugar, too much liquid, too little or too slow baking. The sponge-type cake may fail because of too much sugar, greasing the pan or baking too little or too slowly.

This type of cake is baked in an ungreased pan because as the air in the batter expands and the cake rises, the batter clings to the sides of the pan. If the pan is greased, the batter slips back and the cake falls.

The sponge-type cake batter consists largely of eggs and should be cooked at a low or moderate temperature. As the egg cooks it becomes more or less rigid. This happens quickly at a high temperature before the air has had a chance to expand, the cells break and the cake falls. The leavening power of the air incorporated while beating the eggs has been destroyed. A high temperature toughens protein and the cake will like tenderness.

The butter type cake may be heavy because the batter was mixed or beaten too much; there was too little shortening or too little sugar or too much liquid; or the temperature may have been too high or too low. The sponge-type cake may be heavy because the egg whites or yolks were beaten too much or too little; the ingredients were mixed too little; the ingredients were mixed too much; leaving out the cream of tartar or other acid.

"Beat the egg whites until stiff," say most recipes, but how stiff is stiff? Overbeaten egg white becomes dry and is flecked. The beating has coagulated

#### PRUITT STRESSES FACT ONLY ONE ACCOUNT NO. SHOULD BE OBTAINED

David S. Pruitt, manager of the Social Security Board field office at Austin, stated this week that a number of individuals applying for social security account numbers by mail stated that they had never applied for an account number and, upon investigation, it was discovered that account numbers had been previously issued to the applicants.

Pruitt stressed the fact that no individual should ever secure more than one account number. "To secure additional account numbers means possible loss in benefits to the individual as well as causing the government unnecessary expense in establishing a new account number," he said. "Since no one number can be assigned to two different individuals, any employee for whom two account numbers are established prohibits forever the board using the extra account number assigned for anyone else."

Mrs. W. H. Lucas from the West arrived last Saturday night to visit her sister, Mrs. T. H. Irwin of Goldthwaite.

part of the protein and destroyed its leavening power. Egg whites should be beaten fluffy and stand in peaks when the beater is removed. The white appears somewhat shiny.

The Honey Cake with Fluffy Jam Frosting is a good wartime cake. Would you like to try it?

**Honey Cake With Fluffy Jam Frosting**  
2-3 cup shortening, 1-2 cup sugar, 3-4 cup honey, 2 eggs, 3 cups flour, 3 teaspoons baking powder, 1-2 teaspoon salt, 1-2 cup milk, 1 teaspoon lemon extract.

Cream shortening. Add sugar and cream together thoroughly. Beat in honey gradually. Stir in well-beaten eggs. Sift flour, measure, add rest of dry ingredients and sift again. Add dry ingredients alternately with the milk to the cream mixture, blending well. Add lemon extract. Bake in two nine-inch layers in a moderate oven (350 F) for 25 to 30 minutes. Cool slightly, remove from baking tins and cool thoroughly. Put together with a cream filling frost with Fluffy Jam Frosting. This is made by using 3-4 cup of any kind of jam and 1 egg white. Combine ingredients and beat with rotary egg beater until frosting stands in peaks. Frost top and sides of cake.

#### TAKING THE CANTS OUT OF CANNING

Home canning is not a difficult job if the homemaker has good equipment and knows how to use it.

Getting good equipment this year may offer some difficulties because of the war-time metal shortages, says Mrs. Geraldene Summers McCullough, Home Demonstration Agent. But the novice can get plenty of assistance in learning how to use food preservation equipment.

For example, Mrs. McCullough says there are thousands of home demonstration club women in Texas who have been canning for years and will gladly share their "know-how" with less experienced homemakers. In addition, there are several Extension Service publications designed to help the beginner. These are available from county home demonstration agents.

Both new and experienced canners can profit from getting their equipment in good condition early, the agent advises.

First, they need to check their gauge on their pressure cooker, for if this does not register accurately there is danger that the canned food may spoil. The next step is to get the petcock and safety valve clean. They can be unscrewed and washed in hot soapy water. If these parts are corroded or gummed with food particles, they can be soaked in kerosene and vinegar.

The cooker can easily be brightened and rid of odors, she adds. To two quarts of hot water add the juice of a lemon or two tablespoons vinegar or a double handful of Irish potato peelings. Heat this in the cooker for five minutes at five pounds pressure. More serious cooker troubles may require new parts or repair at the factory.

Hedgecock doing business as Hedgecock Artificial Limb and Brace Mfg. Company, and D. E. Hedgecock, doing business as Hedgecock Artificial Limb and Brace Mfg. Co., the places of residence of all of whom are to the plaintiff unknown; and all the heirs, legatees, devisees, assigns, and legal representatives of the above named persons, whose names and places of residence are to the plaintiff unknown, DEFENDANTS, GREETING:

You are hereby commanded to appear before the Honorable District Court of Mills County, at the Court House thereof, in Goldthwaite, Texas, at or before 10 o'clock A. M. on the first Monday next after the expiration of forty-two days from the date of issuance of this Citation, same being the 3rd day of May, A. D. 1943, then and there to answer Plaintiff's Petition, filed in said Court on the 17th day of March, A. D. 1943, in this cause, numbered—2726—on the docket of said Court and styled, O. A. TIPPEN, PLAINTIFF—vs.

P. D. Carroll, S. J. Carroll, W. T. Carter, Alice Carter, F. E. Wilson, John H. Bryson, J. H. Bryson, Nancy Carroll, Jas. Carroll, Bud Carroll, Tom Carter, Partella Carroll, Sam Carroll, Sam'l Carroll, Lizzie Carroll, W. E. Smith, R. C. Smith, E. M. Halbrook, J. T. Halbrook, D. W. Carroll, S. J. Carrel, Dock Carrel, Clio Carrel, Cleo Carroll, Nora Carrel, Leonora Carroll, E. P. Carroll, Hugh Carroll, Hugh Carrel, Thos Burr, Thomas Burrows, M. J. Burrows, D. E. Hedgecock, D. E. Hedgecock doing business as Hedgecock Artificial Limb and Brace Mfg. Company and D. E. Hedgecock doing business as Hedgecock Artificial Limb and Brace Mfg. Co., and all of the heirs, legatees, devisees, assigns and legal representatives of the above named parties, DEFENDANTS.

A brief statement of the nature of the suit is as follows, to wit:

Plaintiff alleges that on or about January 1st, 1943, he was lawfully seized and possessed of the following described lands, situated in Mills County, Texas, being 142 acres of land out of J. C. Hawkins Survey, Abst. No. 369; 18 acres of land out of the Jas Carroll survey, Abst. No. 136; and 14 acres of land out of the W. M. King survey, Abst. No. 415—and being the same land sold and conveyed to him by W. T. Alexander and wife Grace Alexander, deed dated Oct. 28, 1942, recorded in Vol. 88, page 393, Deed Records of Mills County, Texas.

That on said date defendants entered on said premises, ejected plaintiff therefrom, and are claiming and asserting some title thereto, the nature of which is to plaintiff unknown, and unlawfully with-hold from plaintiff the possession thereof, to his damage in the sum of \$4000.00, and the reasonable rental value of \$250.00 per year.

Plaintiff alleges that he and those under whom he holds, have had and held possession of said premises in such manner and under such conditions as give him title thereto under the Statute of Limitations, for 3 years, Article 5507; for 5 years, Article 5509; for 10 years, Article 5510;

and for 25 years, Article 5519, all of the Revised Statutes of Texas. Plaintiff prays that defendants be cited to appear and answer according to law, and that on final hearing, he recover title and possession of the above described land, that writ of possession issue, for rents, damages and all costs of suit.

This action is brought as well to try title as for damages.

As is more fully shown in Plaintiff's petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Goldthwaite, Texas, this 18th day of March, A. D. 1943.

Attest:  
MRS. EARL SUMMY, Clerk  
District Court, Mills  
(SEAL) County, Texas.

#### CARD OF THANKS

We wish to thank our friends for the assistance and sympathy during the illness and death of our beloved mother, Mrs. L. B. Porter.

Jack Porter.  
Mrs. George Porter.

Mrs. Oscar Holland attended market in Fort Worth and Dallas the first of this week.

Pvt. Fred Laughlin, Jr., called and talked to his mother here, Mrs. Fred Laughlin, Sr., Monday night from North Carolina. He told his mother he had made sharpshooter grade on the G.M.I. rifle and made expert on hand grenade and pistol.

Mrs. L. E. Dyas and son James spent Sunday in Lometa with her mother, Mrs. H. W. Gallenkamp, and Mr. Gallenkamp.

Mr. and Mrs. Watson spent the last week-end here with her parents, Mr. and Mrs. Luther Roach. Mrs. Watson will be remembered here as Miss Etoile Roach. Mr. Watson is training with the U. S. Air Corps and is stationed at Sheppard Field, Wichita Falls, Texas.

Mrs. Elmer Horton is enjoying an extended visit in Williamsburg, Va., with her husband who is stationed there. He is in the "Seabees."

A-Y-X Charline T. graduated from the school in Des Moines, Ia. is waiting to be transferred.

THE ENEMY'S forced you to rationing. Now he'd make your engine the victim of vicious acid. The mere stopping of your engine always leaves it stuffed with vile fumes and dilute acids—the ever-present products of combustion. And there they stay.

Formerly these sources of corrosion were kept mostly cleared out, because you drove frequently and fast. But now in saving coupons and tires you may not soon use your car again, and you don't make those long speedy runs that maintained normal engine heat a good while, to help drive acids off. That's why harmful leftovers in the cylinders nowadays are serious. But you can combat their dirty work by keeping your engine internally OIL-PLATED.

How? Just change to Conoco Nth motor oil this Spring. It's made under

U. S. Patent No. 1,944,941, covers an added modern synthetic in Conoco Nth, whose proved purpose is to protect inner engine parts their preservation layer of OIL-PLATING. And like the familiar platings that arrest the action of mere water, this OIL-PLATING fully tends to arrest acid action, inner corrosion of precious parts often can't be promptly replaced day. Yet you pay only an every price for Conoco Nth. Change Spring at Your Mileage Merchants Conoco station. Continental Oil

### In Memory Of Loretta Duren

Little Loretta Joyce Duren, the daughter of Mr. and Mrs. Houston Duren, was born October 20, 1929, and on March 5, 1943, she went home to be with Jesus. She was three years, four months and fifteen days old. Although she was here with us for just a little while, there is still a longing within our hearts to just see her sweet and charming face once more.

We would not dare call her back into this life where there is sin, suffering and sorrow, and we cannot call her back, but this one thing we can do—we can go to her.

We who knew her loved her. She had many close and dear friends. There is one in particular who was very close to her and that was her aunt, Alberta Downey. She was just like a big sister to her.

Yes, it is hard for us to understand sometimes why God will take a precious little flower like her, but God, like us, plucks the loveliest flower from the garden, and after all, Loretta is just away.

"I cannot say, and I will not say that she is dead,—She is just away!

With a cheery smile, and a wave of the hand, She has wandered into an unknown land, And left us dreaming how very fair

It needs must be, since she lingers there, And you—oh you, who the wild-est yearn

For the old time step and the glad return,— Think of her faring on as dear

In the love of there "as the love of here," Think of her still, as the same, I say:

Loretta is not dead—She is just away. —A Friend.

heard about it from some one who has actually seen and experienced the things we read and hear about.

Lt. Myers was introduced by our commercial teacher, William Johnston, who is a friend and former schoolmate of Lt. Myers.

Although he was very modest of his proven bravery and heroism, we were confident that he justly deserved the decorations which were awarded to him. He has received seven air medals, two Distinguished Flying Crosses and three Silver Stars, which are the Air Corps' highest symbols given for bravery in combat. These awards were earned dutifully as he has sunk cargo ships, tankers, and heavy cruisers, the total amount being seven, besides having sent nine Japanese Zeros to their end.

He related all possible details that would not divulge military information. One of the highlights of his talk was an experience on a night mission in which his plane was flown entirely by instruments. In this flight it was necessary to calculate the location and fly through a narrow, ten-mile pass in an extremely high chain of mountains. To have missed this pass would have been fatal to the plane and its crew.

Probably the most outstanding feat of this bombardier's skill and accuracy was the planting of a huge bomb squarely in the smoke stack of a heavy Jap cruiser which resulted in its sinking in less than 20 minutes.

Lt. Myers recalled numerous incidents relating to the American fox holes, which were used for protection at the time of a Japanese attack. One of the incidents was when he was without a helmet and used a thick folded quilt for head protection while in his fox hole.

The queer customs of the ignorant natives of the island proved very interesting. They were found to be extremely curious toward the plane and other instruments of war. All of the army boys adopted the habit of shaving with cold water, not through choice, but by necessity. Also he told of the time when his squadron was forced to eat captured Japanese rice, thickly imbedded with ants.

Only 20 per cent of the squadron in which Lt. Myers was a member returned to the United States, and for that reason he considers himself very lucky.

We want to thank Lt. Myers for his excellent talk, and may we wish him a pleasant furlough and good luck when he returns to the Army Air Corps.

## SOCIETY

### The Goldthwaite Garden Club

The Goldthwaite Garden Club had its March meeting on Wednesday, March 17, at the home of Mrs. Walter Weatherby. Several business matters were given the attention of the club, special emphasis being placed upon Victory Gardens.

Officers for next year were elected. Mrs. Paul McCullough will serve as president; Mrs. G. D. Walker as vice-president; Mrs. George Shady, recording secretary; Mrs. D. D. Tate, corresponding secretary; Mrs. E. T. Fairman, treasurer; Mrs. W. K. Marshall, historian; Mrs. Malcolm Jernigan, reporter; and Mrs. I. Z. Woodard, assistant reporter. Mrs. John Stough was accepted as a new member.

The first part of the program was given over to a memorial service for Mrs. W. E. Miller, who was a charter member of the Garden Club. A special report of this tribute to Mrs. Miller is given elsewhere in the Eagle.

Mrs. Paul McCullough gave a talk of rationing, explaining the general food supply and the need for larger production. Each individual family has to do its full share to perform a patriotic duty to our country during this war. The speaker gave some very valuable information.

All Garden Club members felt grateful for garden pamphlets or bulletins on planting and directions for canning and drying produce.—Reporter.

### Tribute To Mrs. W. E. Miller

At the March 17, 1943, meeting of the Goldthwaite Garden Club loving honor was paid to the memory of the late Mrs. W. E. Miller, who died of a heart attack at the family home here on February 23, 1943.

While the club stood and gave the Chautauqua salute, Mrs. L. E. Miller paid a very beautiful tribute to Mrs. Miller's life amongst us as our devoted and faithful friend. Mrs. R. E. Clements read an appropriate and inspiring poem entitled "To An Old Friend." Mrs. R. M. Patterson closed the service with prayer, each member in her heart thanking her Lord for her contacts with her for whom we mourned. Mrs. Miller was a charter member of the Garden Club, and the club will deeply miss her.

The major part of Mrs. Miller's life was spent in Goldthwaite. She was always a loyal citizen and gave of herself and her money to civic welfare. These were the people she loved and her influence and works will always be a part of us. She typified the culture of the Old South and her bearing was always that of the true gentlewoman.

Mrs. Miller took an active part in the Baptist Church, taking part in the Sunday School and working faithfully in the Woman's Missionary Union. Her funeral services were held at this church on February 24, with the pastor, Rev. D. A. Bryant, conducting the service.

Our friend is gone to her eternal home. She is survived by her husband, Mr. W. E. Miller; a niece, Mrs. Eva Glodmyer of Forest City, Arkansas, and a number of nephews. Mrs. Miller's influence on Goldthwaite's religious, educational and cultural life will linger on.

No claim is made that Buckley's is a cure for Chronic Bronchitis or Asthma but sufferers often find Buckley's CANADIOL Mixture (the largest selling cough medicine in all Canada) eases coughing spasms and loosens up that choking phlegm which seems to clog the tubes and makes breathing difficult. Many get better night's rest.

Loosen Up Thick Choking Phlegm of  
**BRONCHIAL  
ASTHMA!**

Send 45c today at any good drug store for a bottle of Buckley's CANADIOL Mixture (triple acting). Pour yourself a teaspoonful, let it lie on your tongue a moment then swallow slowly. Feel its instant powerful effective action spread through throat, head and bronchial tubes. Starts at once to loosen thick choking phlegm making breathing easier.

Friday, March 20—Mrs. Neal Dickerson 1 day, Mrs. Linkenhogger 1 day, Mrs. Fox 1-2 day, Mrs. Obenhaus 1-2 day.

### Miss Daniel Is Recent Bride

(Waco Tribune)

Before an altar banked with palms and white gladioli, vows of marriage were exchanged by Miss Iva Lee Daniel, daughter of Mr. and Mrs. Arthur Hayne Daniel, 1501 South Ninth Street, and Lieut. Joe Hugh Fletcher, son of Mr. and Mrs. George M. Fletcher of Mullin. The wedding took place at 8 o'clock on Saturday evening in the First Baptist Church at Lorena. The doubling ceremony was performed by Rev. Sam Cluck.

Nuptial music was given by Bill Shriner, who sang "Because" and "I Love You Truly," accompanied by Mrs. W. S. Kemp of Mullin. Mrs. Kemp also played Lohengrin's "Wedding March" and Mendelssohn's recessional.

Given in marriage by her father, the bride wore a heavy white satin gown made with a sweetheart neckline, long sleeves which extended into points at the wrists and a full skirt extending to a short train. Her full-length veil of illusion fell from a halo of lilies of the valley. She carried a bouquet of white roses, from which fell a shower of staphanotis. At her neck was a single strand of pearls, a gift of the bridegroom. For something old and something borrowed, she carried a white lace handkerchief belonging to Mrs. Elizabeth Greer of San Antonio.

The bride's attendants wore dresses of embroidered organdy, fashioned of the same design, with dainty illusion shoulder-length veils to match their gowns. Miss Theda Fae Daniel attended her sister as maid of honor. Her gown was yellow and her flowers were pink carnations. Mrs. W. P. Evans, Jr., matron of honor, wore blue and also carried pink carnations. Miss Bonita Daniel, sister of the bride, was in matching gown and veil of orchid, Elizabeth Ann Evans, junior bridesmaid, wore pink and both bridesmaids carried bouquets of yellow jonquils. The flower girls, Barbara Ann Isham, niece of the bridegroom, and Dixie Sue Rhoades wore long empire-style dresses of white net.

The bridegroom was attended by his brother, Aviation Cadet L. D. Fletcher, of Brooks Field, as best man. Ushers were Lieut. Robert O. Bostwick of Syracuse, Kansas, and Lieut. Lewis R. Fifth of Trenton, New Jersey.

The bride is a graduate of Howard Payne College, and for the past four years has been a teacher in the Lorena school. The bridegroom attended a business college in Fort Worth and was connected with a lumber company in that city before entering the armed services.

A reception was held after the ceremony at the home of Mr. and Mrs. W. P. Evans, Jr., in Lorena. Miss Jessie Hooper presided at the wedding cake, while Misses Maggie Lou Stewart, Mary Frances Jones, Margaret Mayfield and Mrs. J. A. Curtis assisted in the dining room. About 100 friends called at the reception.

The bride chose an aqua wool crepe suit with black accessories for her traveling costume. Her

## PERSONAL PARAGRAPHS

Palmer transacted business in Fort Worth Tuesday.

Chas. Rudd, who had been visiting with her son, C. H. Rudd, and family, was taken seriously ill last Wednesday and rushed to a hospital at Hita Falls and will be there several weeks for treatment.

Mr. and Mrs. Frank Oltrogge and Mrs. McGreggor spent Tuesday with mother, Mrs. Emma Oltrogge.

W. M. Potter of Brownwood returned last Saturday with his mother here, Mrs. W. B. Potter.

Mr. and Mrs. Floyd Blair returned from a three-day trip to Mexico City and other points of interest in Old Mexico.

Joe Clark Gable in his last movie—"Somebody I'll Find"—Monday, Tuesday, Wednesday at Melba Theatre.

Mrs. D. G. Barnett was called to Lampasas Sunday on account of illness of her son, Granville. She returned Monday as her son was much improved.

Guests for the week-end in T. B. Graves home were their children, Misses Mable Lillian and Amber Florence of San Marcos, Mrs. Howard Campbell of Kyle, and Sam Graves of Brownwood; also Sgt. Allen Chadwick of San Marcos.

Mr. and Mrs. E. S. Virden of Norman visited his father, J. J. Virden, and other relatives here Sunday.

Miss Lottie Bell Hester of Stebbinsville was in Goldthwaite Saturday and Sunday with visit with her folks.

Mrs. R. L. Steen and children, a Ford, and Ann and Jim Bob, and Mrs. Brim spent last Saturday in Brownwood with Mr. and Mrs. J. and Mrs. Brim, Jr., and family.

The man we all hate—"The Saboteur"—Saturday night, Sunday Matinee.—Melba.

Mr. and Mrs. Jack Long and Mrs. Westin, Jack Earl, and Mr. and Mrs. Madell Thompson and baby, all of Fort Worth, spent last Sunday with relatives in Goldthwaite.

Mr. and Mrs. Guy Walker spent the last part of last week in Brady with relatives.

Mrs. W. C. Frazier has visited in San Angelo with his brother-in-law, R. M. Worley, who has been seriously ill but is much improved.

Walter Henry accompanied an aunt to San Angelo.

Mr. and Mrs. Leonard Stallings of Ballinger spent a few hours Saturday afternoon with Mr. and Mrs. Ed Gilliam and family here.

They were on their way to Austin to visit relatives.

Mr. and Mrs. Hugh McKenzie and their son, Pvt. Floyd McKenzie, left for Camp Land Flying Field at Waco, here for a three-day visit last week.

Chapter 2, "The G-Man vs. the Black Dragon," Thursday, Friday Matinee.—Melba.

Mr. and Mrs. J. H. Priddy have been advised that their son will have received a promotion to special petty officer third class. He has been in the Coast Guard since last August.

Mrs. E. H. Sewell of Lexington is spending this week here with her parents, Mr. and Mrs. W. M. Johnston.

Judge and Mrs. J. C. Darroh, after a visit to Dallas and Galveston, stopped over in Goldthwaite on their return to Brownwood last Sunday, for a short visit with relatives here.

Mrs. John Skipper is spending his week in Brownwood with Mrs. E. C. Eiland, who is quite sick but is improving nicely.

Mrs. Howard Dugan and little daughter, Patricia Ann, spent the week-end with her husband, Cadet Dugan, at San Antonio.

Lieutenant and Mrs. H. V. Myers and Mrs. B. A. Myers left last Friday morning for Lufkin, Mathis, and San Antonio, where they will visit relatives and friends.

Bargain Night every Thursday and Fri.—Melba.

Mr. and Mrs. George Bohannon have returned word from their son, who is at Bohannon, that he has been transferred from Sheppard field to an aerial gunners' school at Kingman, Ariz., and expects to be there about six weeks.

Mr. and Mrs. Omar Shaw and family spent last Sunday afternoon in Lampasas with their son, Mrs. Robert Culbertson, and Mr. Culbertson.

Edward Dean Dickerson spent last Sunday afternoon at Camp Land Flying Field at Waco.

Dean Elliott of Olden, Texas, spent last week-end here with his grandparents, Mr. and Mrs. A. C. Langlitz. Norman Young, also of Olden, was here last week-end to visit his aunt, Mrs. A. C. Langlitz and Mr. Langlitz.

J. E. Greathouse has received word that the Placid Greathouse gin had burned to the ground on last Friday at 2 a. m. The origin of the fire is unknown. The gin was owned by J. E. Greathouse and his son, E. E. Greathouse, of Burnet.

Mrs. J. D. Sims left last Wednesday for Fort Stockton where she attended the wedding of her granddaughter, Miss Virginia Wallace, to Lt. Ivy on March 19. Mrs. Sims remained for a longer visit with her daughter, Mrs. V. P. Wallace, and Mr. Wallace.

Mr. and Mrs. W. B. Summy had the pleasure of having their daughter and sons, Miss Nina Summy of Abilene and Third Class Seaman Raymond Summy, New York, and Cpl. Weldon Summy of Camp Bowie to visit with them here several days last week.

Chapter 1, "The G-Man vs. the Black Dragon," Thursday, Friday Matinee.—Melba.

Mr. and Mrs. Pat Close and little daughter, Carolyn, spent Monday night here with Mrs. Close's sister, Mrs. C. T. Wilson, and Mr. Wilson. They left Tuesday morning for their home in San Angelo.

Mrs. C. H. Leverett of Houston returned home Tuesday night after spending last week with Mr. and Mrs. A. J. Cline and Mrs. M. J. Leverett. Mrs. Leverett had the misfortune of falling several days ago and breaking some ribs.

Mr. and Mrs. Elam Berry, Mr. and Mrs. Arthur Robbins of Pleasant Grove, Mr. and Mrs. Marvin Nesbit of Lometa spent Sunday afternoon with Mr. and Mrs. Hugh Moreland.

Mr. and Mrs. Bob Johnson, Jr., Mrs. Henry Morris and Mr. and Mrs. Boyd Morris spent Sunday afternoon with Mr. and Mrs. T. J. Webb at San Saba.

Misses Alta Cook and Mary Robinett spent Sunday with homefolks at Santa Anna.

Mrs. C. H. Evans and little granddaughter, Billie Lou, of Mexia visited last week-end with her sister-in-law, Mrs. Walter Doggett, and family. She also visited her father, Jim Carter, and other relatives at Center City.

The man we all hate—"The Saboteur"—Saturday night, Sunday Matinee.—Melba.

Pvt. Jack T. Robertson of Camp Adair, Ore., surprised Mrs. Robertson and relatives last Thursday when he came home for a 15-day furlough. He will return for duty the last of this week.

Miss Bobbie Fairman of TSCU was a week-end guest of her mother, Mrs. Lucille Fairman, and other relatives.

Mr. and Mrs. Boyd Morris of San Diego, Calif., arrived last Thursday morning for a short visit with his parents, Mr. and Mrs. Henry Morris, and other relatives. Mr. Morris left this week for Fort Worth, where he has been transferred to the Consolidated Aircraft plant. Mrs. Morris remained for a longer visit.

Mrs. Toward L. Britts of Lampasas visited the past week-end with her grandmother, Mrs. A. M. Crews, and family. Mrs. Britts left from here for Seattle, Wash., where she has accepted a government position.

Lieutenant and Mrs. Harold Yarbrough of Camp Campbell, Ky., are expected to arrive Monday on a ten-day leave.

Bonnie Fern Doggett of Brenham spent the week-end with her parents, Mr. and Mrs. Walter Doggett, and other relatives.

Leonard Nesbit of A. and M. College spent several days last week with his parents, Mr. and Mrs. Marvin Nesbit, near Lometa.

Mrs. Raymond Cockrum returned Tuesday morning from South Plains Flying School, where she visited her husband, Pvt. Raymond Cockrum, over the week-end.

Pvt. Weldon Willson of Camp Swift was a week-end visitor of his parents, Mr. and Mrs. H. E. Willson.

The man we all hate—"The Saboteur"—Saturday night, Sunday Matinee.—Melba.

Mr. and Mrs. George Bohannon have returned word from their son, who is at Bohannon, that he has been transferred from Sheppard field to an aerial gunners' school at Kingman, Ariz., and expects to be there about six weeks.

Mr. and Mrs. Omar Shaw and family spent last Sunday afternoon in Lampasas with their son, Mrs. Robert Culbertson, and Mr. Culbertson.

Edward Dean Dickerson spent last Sunday afternoon at Camp Land Flying Field at Waco.

## NEIGHBORING NEWS

ITEMS FROM LOCAL PAPERS OF TOWNS MENTIONED

## San Saba—

Elmer Knight, colored janitor at the Palace Theatre and AAA offices won first place in the rat-tail contest held in connection with the Jaycee Rat Extermination Drive and was awarded a \$25 War Bond by the Jaycees for turning in the greatest number of rat-tails before the deadline last Saturday at 6 o'clock.

Joseph Edward Johnson, San Saba's oldest resident and believed to be the county's oldest man, who as a youth was with Robert E. Lee when the famous Confederate general surrendered quietly celebrated his 70th birthday at the home of his son, Atty. J. Mitch Johnson, and wife Tuesday, March 16.

One of the most interesting talks heard by the Lions Club for some time was that of Lieut. H. M. Locker, Jr., of Richland Springs Tuesday, who arrived home from an English military hospital a few days ago, having recovered from 14 wounds suffered when the Flying Fortress he was piloting was blasted by Nazi fighters over Tunis, North Africa.

It was learned yesterday that A. J. Traut, for years a distributor of butane gas here and at Richland Springs, has sold his business, gas truck and storage tank, here and at Richland Springs, to Garth Little of W. T. Little & Sons, who have been operating butane service here and in the county at large for some time.—News.

## Lampasas—

The drive for Red Cross War Funds in Lampasas County has already gone over the top, Albert Brown, chairman, said Wednesday morning.

His wife was notified by the War Department Monday of this week that her husband, Lt. Lloyd C. Warren, was missing in action since February 14 in a drive at Faid Pass in North Africa.

The World Day of Prayer, sponsored by the W.S.C.S., had a splendid union service at the Methodist Church last Friday night with Rev. J. E. Fuller as host.

Mr. and Mrs. Holly Berry received a cablegram a few days ago from their son, Pfc. Chas. Berry, who is in the Marine Corps. He is somewhere in the Pacific Islands. The message read: "Everything fine. Am well."—Record.

Mr. and Mrs. Earl Kirk of the Pottsville Community were informed by Washington, D. C., Thursday morning, March 18, that their son, T-Sgt. Jess E. (Eargle) Kirk, reported missing on March 2, was a prisoner of war of the Italian government.

Sixty additional cars of soybean meal were routed to livestock producers in 49 Texas counties this week by the state USDA War Board, bringing the total amount to date of 128 cars.

Shortage of farm labor loomed as the limiting factor in production of Food for Freedom as Texas counties filed their first sign-up reports in the Texas USDA War Board office this week.—Record.

Lometa—

Mr. and Mrs. W. E. Cantrell are to be congratulated on the arrangement of their drug store since moving it from Main Street around on R. R. Street.

Fred William Conrad, Jr., of Lometa has been assigned to active duty with the fighting leathernecks. It was announced here today. He was ordered to lead Marines in battle after successfully completing officers' training course at the famous

leatherneck base at Juntico, Va. Lt. Conrad is a graduate of Texas Tech. He enlisted in the Marine Corps in June, 1942, and was assigned to candidates class for commission in October. He qualified as marksman with the rifle and the Browning automatic rifle. He is the son of Mr. and Mrs. Fred Conrad of Lometa.—Reporter.

NOTICE

The regular office day for the Farm Security Administration in Goldthwaite has been changed from Wednesday to Monday of each week. Please arrange to see me on that day.

RAY F. CHRISTIAN, RR Supervisor.

Mrs. J. T. Morris returned home last Sunday from San Antonio, after spending a week with her daughter, Mrs. Bill Harbour, and Cadet Harbour.

Mr. and Mrs. G. P. Kittle and daughter, Mary Glenn, of Dallas visited her father, O. E. Rice, and other relatives here Saturday.

Mr. and Mrs. Joe F. Ivy and fine son Larty of Dallas visited Larry's grandparents, Mrs. Jewell Ivy, Mr. and Mrs. W. O. Oden, and great-grandparents, Rev. and Mrs. L. J. Vann, over the week-end.

Mrs. Cleburne Masters and son, Paul Gene, of Dallas visited W. O. Oden and family Sunday.

Mrs. John Plummer of Goldthwaite came over for a visit with her grandmother, Mrs. J. H. Wilson, and as Mrs. Wilson was not well she returned home with Mrs. Plummer for a visit.

Miss Gwendolyn Westerman, a commercial student at Brenham NYA College, was a week-end visitor of her parents, Mr. and Mrs. D. V. Westerman. Miss Westerman will soon complete

## - Mullin News -

From Mullin Enterprise

Mr. and Mrs. Murphy of Goldthwaite have bought and moved to the Mahan residence near the Rainbow Cafe. Hilton Burleson and family moved from the Mahan residence to the Tip Eaton house near L. T. Spivey's.

Mr. and Mrs. R. H. Patterson had a pleasant day the 21st with Mr. and Mrs. Ray Priddy, Mary Ann and Jerry Priddy on their ranch near Priddy.

Mrs. Hickson of Lubbock is here visiting Mr. Calder and family and other relatives.

\*Miss Allie Fisher of San Angelo was a week-end guest of Mr. and Mrs. W. T. Fisher.

Mrs. Ranson fell and painfully injured her lower limb about a week ago and is under the care of a physician. Mr. and Mrs. Ranson of Abilene recently moved to the former A. G. Weston ranch.

Mr. and Mrs. G. P. Kittle and daughter, Mary Glenn, of Dallas visited her father, O. E. Rice, and other relatives here Saturday.

Mr. and Mrs. Joe F. Ivy and fine son Larty of Dallas visited Larry's grandparents, Mrs. Jewell Ivy, Mr. and Mrs. W. O. Oden, and great-grandparents, Rev. and Mrs. L. J. Vann, over the week-end.

Mrs. Cleburne Masters and son, Paul Gene, of Dallas visited W. O. Oden and family Sunday.

Mrs. John Plummer of Goldthwaite came over for a visit with her grandmother, Mrs. J. H. Wilson, and as Mrs. Wilson was not well she returned home with Mrs. Plummer for a visit.

Miss Gwendolyn Westerman, a commercial student at Brenham NYA College, was a week-end visitor of her parents, Mr. and Mrs. D. V. Westerman. Miss Westerman will soon complete

this course and be ready to enter the business world.

Mr. and Mrs. S. M. Casey and Mrs. Eula Harkey visited with Mr. and Mrs. W. A. Patterson and Mr. and Mrs. Claiborne Walton at Moline.

Miss Florence Campbell and W. L. Barker went to Temple Hospital Tuesday to see Mrs. W. L. Barker and Miss Campbell remained over for a few days. Mrs. Barker is doing nicely.

Mrs. J. H. Randolph writes from Belton that her nephew, A. G. Vick, is very ill and still taking transfusions.

Mrs. J. F. Williams has returned home from a visit at San Antonio and Pearsall with her brothers.

David Eaton and the J. L. Hoffman family lost their home and contents by fire Wednesday, the 18th of March.

No one was at home when the fire was discovered except Mrs. Hoffman and the two small children and the roof was soon falling in, so nothing of value was saved.

The smoke house also burned with precious meat and lard.

## THIS WAR DOES THINGS FOR US

By J. S. BOWLES

Within the memory of some of us oldesters there was a difference between the races that was quite at odds with what it is today. No one would pretend to say that all was entirely satisfactory, even with the changed conditions that now prevail. For example, there was a time in the not distant past, when the white race felt an unquestionable superiority to all the so-called inferior races. These inferior races, on the other hand, felt quite superior to the white races.

We never stopped to consider that the greatest difference between all races consisted in the varied surroundings and viewpoint as to what constituted superiority. For example, I heard a returned missionary from China say that we felt our superiority to the Chinese. But, said he, you should see the disdain upon the face of the lowest class of Chinese for the highest type of intellectual member of the white race.

All are learning better now than to discount the potentialities locked up in any race if given opportunities of culture. I have no doubt whatever that when the Sooner sisters came to America, seeking an education, that there were those who looked upon them with a sense of disdain. They were Chinese, and therefore, inferior. But times and circumstances have wrought a mighty change in the attitude, if it really did exist, as we may well assume. When one of the Sooner sisters returned to this country as the wife of the greatest of the Chinese race, Chiang Kai-Shek, she was honored above most of the great dignitaries that have visited our shores. It was set forth in the public press that she received a greater ovation than any other person who ever appeared before our National Congress except Winston Churchill.

Yes, this war, for one thing, is teaching us the wonderful possibilities locked up in all races.

This lesson was partially learned, or rather we began to be conscious of this fact, with the World War I. True, we did not learn the lesson so as to be very noticeable.

This story was told me, a sufficient witness of the fact. A Mississippi soldier was out alone in some remote spot. All at once he was commanded to surrender. He found himself looking into the mouth of two guns held by two enemy soldiers.

He knew, so he thought, he had come to the end of the road. But before the enemy could pull the trigger to his gun, two shots rang out from some place, and the enemies fell. Upon looking for his protector he found a lone negro soldier. Then he sought his friend and found out that he was a negro boy, raised in Mississippi, just over the hill from the neighborhood where he himself was reared. The white soldier said that when this was revealed to him that somehow race hatred took a vacation for his entire life, and he began to think of the negro as just a people who needed, and deserved, better opportunities than they now had.

Yes, it is quite probable that this war will have a great effect upon us, and a growing sense of responsibility for others.

Schools Open Drive  
To Buy 10,000 Jeeps

THE little jeep which is serving so nobly from Guadalcanal to Africa has become the symbol of the gigantic efforts of millions of American school children in their War Savings program.

Thousands of public, private and parochial schools soon will be displaying a certificate of honor from Secretary of the Treasury Henry Morgenthau, Jr., signifying that they have paid for at least one jeep by buying \$900 in War Stamps and Bonds.

Countless others will be flying the Schools At War banner awarded to schools with 90 percent pupil participation in War Savings.

Ten thousand jeeps and a hundred bombers! This is the new goal of America's schools as 30,000,000 children continue their Schools At War program under the auspices of the Treasury Department and the U. S. Office of Education.

Results so far in the program reported by Dr. Homer W. Anderson, Associate Field Director in charge

Battle Flags of the Schools

of the education section of the War Savings Staff, are:

More than 7,000,000 elementary and high school students from 30,000 schools have prepared special Schools At War scrapbooks for state and local exhibits.

War Stamp and War Bond purchases may reach a grand total of \$300,000,000 for the school year.

## SUNRISE OR SUNSET

A FRIEND OF MINE had to get up early one morning recently to catch a train. The sun was just coming up, and reached forth its colored fingers into the fleecy clouds. The sky was like a giant rose window in the heavens. A glorious day was promised. It flashed into my friend's mind that America must choose between sunrise and sunset.

If we go forward with stout courage a new day will dawn for America. It will be a glorious new day in which we will retain our freedom and build a new world on the ideals of peace and abundance, not for ourselves alone this time, but for the whole world. Though the way may be dark the important thing to do is keep moving in the right direction . . . toward the sunrise.

If America falls now, then we will experience the sunset of the "last best hope of earth." Our hopes and ideals will crash in the darkness of fear and despair. The night of lost hope will move across the earth.

But there is no doubt what choice America will make. It is making it now. Bombs dropped on Pearl Harbor settled that! We are a united people working shoulder-to-shoulder toward the sunrise of a new day for mankind.

—The Silver Lining.  
America means opportunity,  
freedom, power.—Emerson.

## LOOKING BACKWARD

TWENTY-FIVE YEARS AGO

(From Eagle Files Mar. 30, 1918)

L. M. Sellers and Miss Daisy Bledsoe were married Sunday evening at 8 o'clock at the residence of Rev. J. D. Long in the Miller Grove Community.

All clocks are to be set forward one hour Sunday morning. Prayer meetings for rain and the war have been held in the various churches of this city this week and are to be continued next week.

Miss Glass of Waco, who taught in the school here last year, visited Mrs. Gillespie and other friends in this city last Saturday and Sunday.

Lieutenant Earl Fairman left for Fort Sill, Okla., on Sunday night's train.

Mrs. L. E. Miller left Tuesday evening for Bisbee, Ariz., to visit her sister, Mrs. Hoy, and family. She also expects to visit in California before returning home.

E. O. Priddy and wife went to Temple Tuesday where she entered a sanitarium for treatment.

Four school trustees are to be elected in Goldthwaite today, the terms of Messrs. E. B. Anderson, W. L. Jones, W. A. Bayley and O. H. Hearne expiring at this time. Mesdames W. E. Miller, Walter Fairman and R. M. Thompson attended the district meeting of Women's Federated Clubs at Coleman this week.

State Department  
Health Notes

## COMMUNICABLE DISEASES

If every case of suspected communicable disease could be promptly visited either by the family physician or the local health officer, thousands of susceptible persons would be protected from disabling illnesses, according to the State Health Officer.

To quote Dr. George W. Cox, "The old-fashioned theory that it is a good thing for children to have a number of the catching diseases and get them over with has long since been known to be a serious and sometime fatal error. The longer a child can keep from having these diseases, the better it is for him. Every child should be completely protected by immunization against smallpox and diphtheria."

Prompt diagnosis, isolation, good medical and nursing care give the patient the best chance for a satisfactory recovery without the serious complications that sometimes accompany even the mild forms of communicable diseases. Dr. Cox emphasized that obeying the public health laws regarding isolation and quarantine of communicable diseases protects not only the patient, but helps prevent others from contracting the illness.

"Every health officer knows," Dr. Cox said, "that the danger of spread of infection increases when a nation is at war. Men, materials, and a large number of our civilian population move from one section of the country to another. The State Health Department is doing everything in its power to protect the health of the people of Texas. It is the patriotic duty of every man, woman and child to do his share to maintain a high level of health; a healthy civilian population contributes greatly to the health of our armed forces."

## THE APPEARANCES AFTER THE RESURRECTION

LESSON TEXT—John 20:19-31.  
GOLDEN TEXT—I am alive for evermore.—Revelation 1:18.

The most important day in all history was the first day of the week following the crucifixion of Christ. Then He appeared to His disciples as their risen Lord. All the hope of all mankind for all eternity depended on His victory over death.

By evitable news had come to the disciples of His resurrection, and half in hope and half in uncertainty they had gathered to talk over these matters. Fearful of the Jews, they met behind closed doors. All at once He was there—the Lord Himself. What a wonderful change came over them as He made Himself known to them. They went

I. From Fear to Gladness (vv. 19, 20).

Their eyes had been upon their enemies and they were afraid. Now they "were glad, when they saw the Lord." We need to learn that lesson. If we look within we are ashamed and discouraged. If we look around us we are confused and fearful. If we look to Christ we are glad and strong.

Notice that their joy was not based only on an emotional impulse. They saw Christ in His resurrection body—the very One who had died. The evidence was there before them. Now they could understand the things He had said to them. The whole realm of spiritual truth was now in focus again, and they were glad. So are we when we really see Christ.

II. From Weakness to Strength (vv. 21-23).

The disciples who were called to be witnesses for Christ had lost their testimony when He died on the cross. Unbelief and discouragement had so weakened them that they were in hiding instead of being out proclaiming His truth.

Now the risen and victorious One sent them forth with the Father's blessing. They were empowered by the Holy Spirit, and given great authority (v. 23). Note that it was given not to one man or to the leaders, but to all the disciples. It was "a declarative right, and it belongs to every true disciple. Those who have received the gift of the Holy Spirit are in a position to declare to men that their sincere repentance brings forgiveness" (Douglass). The opposite is also true.

III. From Doubt to Faith (vv. 24-28).

Thomas, who had doubts and who cultivated them by his stubborn attitude (v. 25), did himself and his brethren a serious disservice by being absent from the meeting on the evening of the first Easter Day. When he did appear he had only doubts to contribute. Let those who make a custom of absenting themselves from the place and hour of service beware lest they do likewise.

His doubts were honest ones—and God always meets such questions, honestly and intelligently. When the evidence was before him, the heart of Thomas leaped the chasm from doubt to faith in one cry of complete devotion (v. 28).

It is significant that down through the ages many doubters have been won to Christ by the proof of the resurrection of Christ, which is by the testimony of historical scholars "the best authenticated fact in all history." The risen Christ stands before men today and says, "Be not faithless but believing." May many respond with Thomas, "My Lord and my God."

IV. From Death to Life (vv. 29-31).

Christ arose from the dead not just to show that He had power to do so, but, as Paul puts it, "for our justification" (Rom. 4:25). The reality and dependability of the entire plan of salvation hinged on the return of Christ from the dead. Had the grave held Him, His claims of deity and of the ability to forgive sin would have been entirely discredited. Because He lives we shall live.

The experience of regeneration is therefore likened in Scripture to a passing from death to life (John 5:24). Thomas saw the Lord, and believing, passed from doubt to faith. We cannot see Him now, but we have the blessed privilege of believing and thus receiving life (vv. 29, 31).

This was the message which the new radiant and empowered disciples went out to preach. The book of Acts tells us how effectively they did it, and shows how much of their preaching centered on the fact of the resurrection.

The command and the commission was not to them alone, but also to all of us who believe in Christ. May God take out of us the fear of men, overcome our weakness, and send us out with renewed faith to make this life-giving message known to our fellow men.

Bright, Richard Bright, O. R. Sholars, Martha A. Holloway, R. T. Holloway, and the unknown heirs, legal representatives and devisees of each and all of the above named persons, all alleged to be deceased, DEFENDANTS—GREETING:

You are hereby commanded to appear before the Honorable District Court of Mills County at the Court House thereof, in Goldthwaite, Texas, at or before 10 o'clock A. M., of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of May, A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 16th day of March, A. D. 1943, in this cause, numbered 2725 on the docket of said Court and styled ALBERT EVANS, Plaintiff vs. Fayette Copeland, R. C. Gardner, R. G. Gardner, R. H. Gardner, Bryan T. Barry, G. W. Hensley, Milton Mays, J. L. Dunn, J. W. Spooner, G. B. Miller, Mary G. Miller, John McMinn, J. M. Jones, D. H. Mosley, E. M. Cox, Samuel Clark and wife Pamela J. Clark, P. J. Clark, G. J. Anderson, J. L. Foster, J. S. Cleveland, James B. Copeland, Mary A. Copeland, J. B. Copeland, R. L. Holloway, R. I. Holloway, R. C. Holloway, Richard C. Gardner, Lucy C. Gardner, J. A. Ridley, J. A. Medford, G. I. Goodwin, John Anderson, G. R. Huston, J. R. Huston, G. R. Houston, Jno. M. Bright, John M. Bright, Richard Bright, O. R. Sholars, Martha A. Holloway, R. T. Holloway, and the unknown heirs, legal representatives and devisees of each and all of the above named persons, all alleged to be deceased, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

This suit is brought as well to try title as for damages, plaintiff alleging that heretofore, to-wit: on the 1st day of March, A. D. 1943, he was lawfully seized and possessed of the following described land and premises, lying and being situated in Mills County, Texas, holding and claiming the same in fee simple, to-wit:—

Five Hundred and seven (507) acres of land, more or less out of the Fayette Copeland Survey Abstract No. 122 and being a part of Block Number Seven (7) thereof, sometimes referred to and called Block Number Eight (8), all of which land is more fully described in Plaintiff's original petition, on file in this cause, and to which reference is here made for more particular description of the said land.

That on the day and year last aforesaid, the defendants entered upon the said premises and ejected the Plaintiff therefrom, and unlawfully withhold from him the possession thereof to his damage in the sum of \$8000.00.

Plaintiff further alleges title to the said land under and by virtue of the statute of five and ten years limitation, as is more fully set out in Plaintiff's Petition on file herein, and the nature of the defendants' title or claim to the said land is unknown to him.

Plaintiff prays Judgment for the title and possession of the said land, and that he be quieted in his title thereto, and that the Cloud cast upon the title of the Plaintiff to the said land by the claim of the defendants be removed and held for naught, and for such other and further relief to which he may be entitled in law or equity.

All as is more fully shown by Plaintiff's Petition on file in this suit.

The Officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Goldthwaite, Mills

# Letters From Mills County Soldiers

**SAM PEEBLES, JR.**

**SAM P. PEEBLES, JR.**

The following letter was received by Mr. and Mrs. W. M. Ston from their grandson, Sam P. Peebles, Jr. This is the first letter Mr. and Mrs. Ston have had from him since he landed in North Africa for foreign service:

March 8, 1943.

Dear Grandmother and Granddaddy,  
It was nice of you to write those swell letters. I missed your last week and mother's a couple of days but I have been so busy that it's rather difficult to find time to answer mail. It's coming through good now, but it should be here almost two and half months.

From the looks of things, like I will have to post my visit with you—well, I can get back to the States now. And the Lord only knows long that will be.

North Africa isn't such a bad place, especially North Africa. The only thing I find that is so is the fact that I have to now don't think that I'm like the old negro, just tired. The people here are nice once you get to know them. But it is quite a task at meeting the better people in the city because they don't round on the streets very

been to several little parties out to dinner a couple of already. And I had to turn an invitation to lunch last because of my work. Also to decline an invitation to Saturday night because of going on a different section of the watch.

I guess that proves to you that I am all right except that I to work. But after all we are over here on a vacation; we have a big job to do, and if possible, we'll do it. And social activities should right me second to a cause like

has been spring here for last three or four weeks. Of fact, it never freezes. Of course we have a few breezes from off the Mediterranean, but they don't last. African weather is funny; the sun shines it is hot, when it is cloudy it is damp. I've been invited to a party as soon as it is enough to go in the water. The both of you are feeling these days. And by all I don't take any more old

me again when you can, so you really can't realize much it means to me to get letters.

Love,  
Your grandson.

The following letter was received from Mrs. Edger McNutt from her son, Wayne Miller, who is a soldier in Scotland.

Received your nice letter and was very glad you, as it was the first I had from you. I was very pretty hand. You asked me how I like it. I will tell you, but I can't see him in over a year now. I hope you will let me know if you have news of Edgar. We were very fond of him.

clothes. They all go very well dressed.

But all the buildings here are very old and beautiful as the cities have been built a long time. They have great land owners here, but none as Lords or Dukes. The country as a whole is very beautiful. So many big beautiful lakes and hills. The hills are always green, covered with flowering flowers. In Northern Scotland, it is mostly big mountains and large beautiful lakes.

Carline, you have heard the beautiful Scotch song called "Loch A Loma"? Well I work three miles from Loch A Loma.

I took a trip one Sunday on a boat which is called a steamer here. I saw some of the most beautiful country I have ever seen in all my life of travel.

You and Norma Ruth be real good and when I come home from Scotland I will bring you a real pretty souvenir, but it won't be wooden shoes for you can only get them in Holland. They have many beautiful things for sale here though that I can bring you. I will write you some more about Scotland later. I must close for this time. Tell Norma and your mother and Daddy hello for me and write me often as you must remember I am a long way from home. I guess you noticed the quaint old building on the card I sent you.

Love to all of you,  
Your Uncle Raymond.

The following letter was received by Mrs. Edgar McNutt from Mrs. Joan Roberts, Gorden, England:

Dear Mrs. McNutt:  
It was a grand New Year to receive your letter and sweet little handkerchief for which I thank you very much.

That would need one coupon in England these days. We have 60 clothing coupons to last us fourteen months. Stockings need 3, woolen dresses 11 (and being our climate we need mostly woolen dresses.) Overcoats 18, suits 18, shoes 5, skirts 6, blouses 4 to 6, underwear 3 to 6, mens suits 26.

The distribution of goods is very well organized by our rationing system, and certainly assure everybody getting their fair share of goods and not spending money for luxuries.

What wouldn't I do for some of those delicious fruits you grow in Texas. We have had no bananas, melons or grapefruit since 1939. Oranges are sold very infrequently to children under 5 years of age.

But you must be anxious for news of Edgar. Most probably you have later news than I have. The last time I saw him was 26th of October when he spent two weeks in London which was the longest time he had been in London. We had some happy times that we shall never forget. After that he went to North Africa, and I met an American airman at the Sgt. mess dance on New Year eve who had seen your son down there. Maybe I shall have a letter from him one day and anyway I hope you have some news.

Immediately I hear anything of him I will write and tell you. No I did not see Mrs. Roosevelt while she was in London, but my cousin who is in the Women's Auxiliary Air Force shook hands with her when she visited their station. I believe she saw the way England was dealing with life in war time from every possible angle. It would be interesting to hear what she said when she got back to U. S. A. I think 1943 holds more hope for victory than any year so far in the war. The Russians are fighting magnificently. We hear our bombers going over Germany and France instead of sheltering from German bombs, and when the armies in Africa have gathered their strength, I think we shall have command of the Mediterranean again. My husband is in Libya. I have not seen him in over a year now.

I hope you will let me know if you have news of Edgar. We were very fond of him.

Yours sincerely,  
JOAN ROBERTS.

The following letter was received by the Eagle from Glen Nickols, son of Mrs. Eula Nickols of Goldthwaite:

Dear Editor:

I will write a few lines to all of my friends in Goldthwaite and Mills County and let you know how I am running. I will say one thing for the army—they make a man look out for himself. You don't even look around to see about your buddy for he has to look out for himself.

There are people who can't realize how much the human body can stand. When I went into the army I was accustomed to the out door life to a great extent. But there has been a many a day I didn't think I would make it. But I feel like today I can take anything they can put on me.

At Camp Sutton in North Carolina it rained three and four days a week and freezing weather all the time. We left there Feb. eight and arrived here Feb. thirteenth. We had a wonderful trip. You people don't have any idea how the army can move four hundred and fifty men. They put their kitchen right on the train and they eat out of paper plates.

You people of good old Mills county can't realize what a good country you live in. On the trip here I saw acres of worthless land. You take Louisiana, it is swampy, it isn't worth it's taxes. The part we passed through—I wouldn't give one good liveoak tree that grows in Mills county for it all.

I really like this climate; you go in your shirt sleeves in the day time, and at night you put on all the cover Uncle Sam issues you.

We are living in tents, we have been promised barracks and we will like it better.

I forgot to tell you we came through Goldthwaite at five o'clock in the morning of the eleventh. I raised the window and took a good look at the old town, not a soul stirring, not even Harris' car running. Everything was so quiet you could hear the people snoring. But that made me feel good to know everything was quiet there and no disturbance. There is lots of difference in civilian life and army life, for you really are disturbed in the army.

This company has two hundred and twenty men and they are an average bunch of men. Some of them are as well as any people you ever met any place. The officers of this company are really nice to us boys and are ready to help us at any time.

The Army has the best doctors that can be found. But I think that Mills County is blessed with the best doctor on earth and that is Dr. J. M. Campbell. The boys that go to the doctors brag on them, but I can't say for I haven't had to have a doctor since I've been in the army. I feel good and have gained 20 pounds. I get the Eagle sent to me from my brother, Philip, and wife. I keep up with all of you. So everybody stay on the job and let's get this war over. Am closing for this time.

Remaining as ever,  
Lewis G. Nickols,  
Co. F, 2nd Bn. 303 Ord. Regt. (B)  
Pomona Ord. Depot,  
Pomona, Calif.

**FROM WAYNE MILLER**  
The following V-Mail letter was received by C. S. Miller from his son, Wayne:

Feb. 8, 1943.  
Dearest Mother and Dad:  
Well, how are you all by now, both well and happy? As for me I am fine and almost as happy as I was when I was there in the States.

The people here are very nice to us. They are high on U. S. Marines. We crossed the Equator and it wasn't quite like I expected it to be. But I made the trip O. K.

I don't have much news to write about but I am expecting to hear from you pretty soon.

The Red Cross is sure good to us here. I didn't know it was as good an outfit before. I am well and hope you the same. No news, so write Lots of love.

Your son,  
WAYNE MILLER.

## MULLIN BOY HAS A VERY EXCITING DAY

**LT. JOE HUGH FLETCHER**

Waco Black Land Flying School, Texas.—A graduate this week of the Black Land Flying School who is qualified after weeks of intensive training, now wears the Silver Wings—Lieut. Joe Hugh Fletcher of Mullin.

He is embarking on a new phase of training that will make him a member of the world's best-trained air force.

**PROGRAM**  
Black Land Flying School at Waco, Saturday, March 20:  
Processional by Cadets.  
Selection by Post Band.  
Invocation by Chaplain.  
Message to Graduates by Colonel Emmett F. Yost, commanding officer.  
Introduction of Doctor Thomas C. Walton.  
Cadet Oath of Office by Major Schilling.  
Awarding of Diplomas by Col. Yost.  
Awarding of Wings by Major Keese.  
Star-Spangled Banner.  
Lieut. Joe H. Fletcher of Mullin was one of the graduates who received his Silver Wings.

The following letter was received by Mr. and Mrs. Fred Laughlin from their son Pvt. Fred Jr. who is in the Marines:

Dearest Mom and all:  
How are you all getting along? I am doing O. K. Like it better every day. They issued us the rest of our clothes and a rifle today. They also gave us a blood test. They are pretty rough, but I don't mind.

This is really a swell place no kidding. Marshall and I sleep next to one another. Say, they really kick you around here, but everyone doesn't seem to mind.

Marshal and I have also been made squad leaders. The Platoon into six squads. I am really crazy about it so far. We have to get up at 4 o'clock every morn. and be in bed by 9:25. We get off at 4 every afternoon. Drill from 7 to 11 from 1 to 4. It isn't so hard but here they do everything on the doubletime and I am telling you that is plenty fast.

We will go on the rifle range in sixteen more days.

That's what I am looking forward to. We won't get but \$15 this month because we had to buy so much on the first.

Everyone write to me. There are 64 in this Platoon and they are a swell bunch. They sure do cuss you, about every word they are telling you how stupid you are.

Well guess I had better close for this time. We can't leave Barracks for 8 days. We still have six to go. Boy will I be glad.

Mom, how are Sister, Brother and little Jimmie?  
Where is Daddy working now? We won't be here but six weeks, then they will send us some place else.

Brother, they issued us Grand M-I automatic rifles, they really are swell looking.

Sure do wish I could see you all, but I guess I will be here quite some time. The Platoon I am in now has 35 Texans, and man, there aren't many Texans here.

Say they really gave us a hair cut yesterday, they didn't even use a pair of scissors, they clipped it about 1-4 inch. We look like hell, but it's lots of fun. We have really got swell barracks.

Guess I had better close, and write again tomorrow.

I love you all,  
Junior.

The following letter was received by Mrs. S. P. McCasland from her son Vernon D. McCasland:

Dear Mother, Dad and Ethelene:

I am now at Camp AP Hill and am feeling fine. We left Amherst yesterday morning at nine twenty and got here about four yesterday evening. We came through in trucks and my feet felt like they were frozen, but I guess they didn't freeze. We are right out in the middle of a corn patch here and have six men tents, a stove and cots and straw mattresses so I think we will fare pretty good.

Our communication Sgt. rode with me yesterday and drove a lot for me. I kept pretty warm while he was driving, we had our blankets and I wrapped up in them. We have sure got a good Sgt. and a good bunch to be with here. I haven't made reveille since I left Camp Edwards. It has been cold every morning and I just sleep right on.

We are about seventy miles from Washington D. C. and about fifty miles from Richmond. If I get a chance I am going to Washington and see the sights. I don't know whether we are going to get furloughs or not. Don't look very favorable now, but anything can happen.

I guess you all are having pretty weather there by now. How are the stock doing? I hope you get a good bunch of lambs. I haven't seen any of the boys from home, except Bookie, since we moved, but I guess they are around close.

Do you ever hear from Uncle Jim and Jewel and families? I guess I will write them a letter when I have time.

I got a letter from Kenneth, Athelene and Elroy. They said they were moving. I guess they will have a nice home after they move.

Well, I am out of news for this time, so will close, hoping you all are well.

Love and best wishes,  
Vernon.

**GRADUATES FROM COURSE IN AIRPLANE MECHANICS**

Army Air Base, Lincoln, Neb.—Pfc. James F. Cornelius, son of Mr. and Mrs. P. L. Cornelius of Route 2, Goldthwaite, Texas, has graduated from an extensive course in airplane mechanics, and is eligible to win a rating as corporal or sergeant. Army Air Base, near Lincoln, Neb., is one of the many schools in the Army Air Forces Technical Training Command, which trains the technicians to maintain our

## SCRAP IRON

We will be in Goldthwaite all next week to buy **SCRAP IRON AND JUNK.**

We are buying this for the purpose of defense. Get in the Scrap with your Scrap Iron.

**TOP PRICE PAID**  
Bring your Scrap to the **PLANTERS GIN, East of Railroad**  
**SHUE & JOHNSON**

fighter planes in perfect combat condition.

Before entering the school, he was trained at one of the basic training centers of the Air Forces Technical Training Command, and learned to fight the Axis with other things besides the tools of his trade. Men trained by the Command are versed in the art of protection and offense as well as repair.

**Loreta Duren**

Loreta Darling, you have left us, And no more we'll see your face, Until we meet in Heaven above, That fair and happy place.

But you'll come to meet us, dear darling, We can almost see you now, With a love-light in your sweet eyes, And a crown upon your brow.

Yes, dear Loreta, you have left us, But your sweet influence will stay, And 'twill never, never leave us While we travel earth's dark way.

Oh, we miss your dear face, Loreta, Through the day and through

the night; While 'tis hard, we bow to God's will, For we know that He is right.

Then farewell our angel baby, Till God calls us all above To dwell with thee in that blessed home Where all is peace and joy and love.

Then the joy of that glad meeting, Closely clasping thy dear hand, To always be there together—A joyous and unbroken band.

—A Friend.

## Relief At Last For Your Cough

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

## Santa Fe gives right-of-way to Victory Gardens

Now Santa Fe employees do war work in their hours off duty too! They're grabbing spades and tilling fertile stretches near their homes, along their railroad's 13,199 miles of right-of-way. They're raising fresh, vitamin-packed vegetables their nation needs to win a war.

Santa Fe—all out to win—gives right-of-way to troops and victory-winning freight... moving millions of men, and tens of millions of tons of vital food, war

materials and finished products—swiftly and surely to where they're needed now.

Santa Fe locomotives, cars, tracks and men are all working in their country's service. And now the Santa Fe right-of-way itself steps into victory uniform!

And Santa Fe people—already working hard, and buying war bonds—like this Victory Garden scheme—this chance to do one more thing for victory!

Santa Fe goes all the way, for the U. S. A.!

Your local Santa Fe Agent will gladly help with your travel or shipping problems.

## TESTS FOR NEW ARMY AND NAVY COLLEGE TRAINING PROGRAM

Qualifying tests for the new  
Army and Navy College training  
program will be conducted at  
various centers from 9:00 to 11  
o'clock a. m. Friday, April 2. The  
local high school has been desig-  
nated as a center, and Superin-  
tendent **A. H. Smith** has been  
appointed to conduct the exam-  
inations.

The examination is open to  
young men between the ages of  
17 and 20, as of July 1, this year,  
provided they are graduates of a  
standard high school or will  
graduate prior to July 1. Other  
qualifications are good health,  
good vision, citizenship in the  
United States, good reputation,  
and so forth.

The Army and Navy have an-  
nounced a college training pro-  
gram, opening about July 1, the  
object of which will be to train  
officers for these branches of  
service. This program involves  
about sixteen months of college  
training at Governmental ex-  
pense. From those taking the  
above mentioned examinations  
candidates for this training will  
be selected.

According to **Dr. H. T. Manuel**  
of the University of Texas, who  
is Regional Director for the ex-  
amining program, "the candi-  
date is under no obligation  
whatsoever in taking this test."  
Application forms and additional  
information may be secured  
from Supt. **A. H. Smith** of the  
local schools.

## TEXAS SCHOOLS TO PARTICIPATE IN HUGE JEEP-BUYING CAMP'GN

Texas schools are all set to go  
over the top in the nation-wide  
Jeep-buying campaign, accord-  
ing to reports received from the  
office of Frank Scofield, State  
War Bonds Administrator. The  
campaign is a part of the School  
At War program recently launch-  
ed through the Treasury Depart-  
ment in Washington, and calls  
for the purchase of 10,000 jeeps  
by the nation's public schools  
during the month ending about  
the 19th of April. The tentative  
date was suggested by Treasury  
officials in commemoration of  
the valiant heroes of Lexington  
and Concord. Texas leaders have  
appropriately chosen April 21  
as the date to be celebrated in  
climaxing this state's campaign  
because of its significance as the  
anniversary of the Battle of San  
Jacinto.

According to Mrs. J. W. Walker  
of Plainview, Texas director of  
the Schools At War program,  
Texas schools will far exceed the  
state's quota of 354 jeeps. De-  
tailed plans of the campaign call  
for a goal to be set for each  
school by the superintendent or  
principal. Victory concerts and  
other bond-selling devices are to  
be sponsored as a means for a-  
chieving the goals. The cost of  
each jeep has been set by the  
Treasury Department at \$900.00.  
Distinguished service certificates  
will be awarded to every school  
which successfully conducts a  
campaign to finance the con-  
struction of jeeps through the  
sale of war bonds and stamps.  
Mrs. Walker calls attention to  
the important points that the  
goal for any school must be high-  
er than previous war savings av-  
erages over a similar period and  
in no case can be less than \$900,  
or the cost of one jeep.

The War Savings Office is  
already receiving enthusiastic  
reports from school officials sig-  
nifying unusual interest in the  
campaign. Superintendent **W. C.**  
**Davis**, of Memphis, Texas, says  
the pupils in that town of 4,300  
have set a goal of 20 jeeps with  
plans for a real jeep from the  
nearest army center to lead an  
All Schools Victory Parade for a  
county-wide bond rally as a  
climax to the campaign on April  
21.

The schools of Texas are to be  
given proper recognition for the  
important part they are playing  
in the bonds program, says Mrs.  
Walker. Figures are being com-  
piled for press and radio publi-  
city which will show the tremen-  
dous investments of pupils and  
the impressive part they have  
played in helping to reach coun-  
ty bond quotas this year. Texas  
schools have already received  
the beautiful Liberty Brick spe-  
cial award from the Treasury  
Department in recognition of  
their cooperation in the Schools  
At War program. More than 1,500  
schools are enrolled.

## METHODIST NOTICE

Some of us enjoyed the fine  
singing of the men last Sunday  
evening. Many others might  
have enjoyed it. We understand  
that some of the singing went  
out over the air, and in that way  
many heard the singing. We  
told you that our men can sing  
and they proved it Sunday eve-  
ning. We had a fine choir of  
men only, and we want to make  
this a feature every Sunday. We  
invite all men who love singing  
to come and be with us. **Joe**  
**Grisson** is the leader of this  
men's choir. You who have  
heard him know that he is a  
splendid leader of singing. Come  
and be with us, men.

Sunday morning at 10:45 your  
pastor will bring another mes-  
sage looking to Easter. We should  
have large crowds each Sunday,  
especially up to Easter. The  
evening service meets as usual at  
8 p. m. "Come with us and we  
will do thee good." And you will  
do us good. Sunday School at  
9:45 a. m.

**B. A. MYERS**, Pastor.

Mrs. Minnie Kauchs had as her  
guest Saturday and Sunday her  
daughter, Miss Evelyn Kauchs of  
Fort Worth, and Archie Dean  
Kauchs of Inks Dam. Archie Dean  
has finished a course in welding  
at Inks Dam and has been trans-  
ferred to Beaumont.

## NOTES FROM MILLS COUNTY SUPERIN- TENDENT'S OFFICE

The annual trustee election  
will be held on Saturday, April  
3, 1943, at the various school  
houses and voting boxes. One or  
more district trustees are to be  
elected in each school district.  
At the same time voters are to  
elect one County Trustee at  
Large for Mills County and one  
County Trustee from Commis-  
sioners' Precinct No. 3.

All voters qualified to vote for  
local district trustees may vote  
for County Trustees at Large. **C.**  
**D. Bledsoe** of Goldthwaite is the  
present County Trustee at Large.  
All voters in Commissioners'  
Precinct No. 3 who are otherwise  
qualified may vote for a County  
Trustee from Precinct No. 3.  
**George Fletcher** is the present  
county trustee from that pre-  
cinct.

District Trustees are elected  
for a term of three years. Vac-  
ancies occurring in district  
school boards are filled by the  
county board.

There are five members of the  
County Board, one from each  
Commissioners' Precinct and one  
from the county at large. The  
term of county trustees is two  
years.

The present members of the  
Mills County School Board are:

Precinct 1—**C. A. Womack**.  
Precinct 2—**Jim Soules**.  
Precinct 3—**George Fletcher**.  
Precinct 4—**E. K. Wood**.  
County at Large—**C. D. Bled-**  
**soe**. **JOHN L. PATTERSON**,  
County Superintendent.

## Baby Linda Sue

Baby Linda Sue Harris, one  
month old daughter of Mr. and  
Mrs. Alford Harris, died March  
12 in the Stephenville Hospital.  
Funeral services were held  
Saturday, March 13, at 3 p. m.  
at the home, and interment follow-  
ed in Odd Fellows Cemetery, Rev.  
**D. A. Bryant**, local Baptist pas-  
tor, conducting the services.

Linda Sue was born February  
10, 1943, and was one month and  
two days old at the time of her  
death. Besides her parents, she  
is survived by a brother, **Duffy**,  
and grandparents, Mr. and Mrs.  
**W. A. Harris** and Mr. and Mrs. **B.**  
**R. Renfro**, of Goldthwaite.

**WANTED—One large unfurnish-**  
ed room—close in— with elderly  
couple. Apply at Eagle office.  
3-26-1tc

**Q. Does an album filled with**  
stamps automatically be-  
come a Bond that will ma-  
ture in 10 years?

**A. No. It must be ex-**  
changed for a Bond,  
and it will bear no in-  
terest until it is so  
exchanged.

**Q. Can payment of a War Sav-**  
ings Bond be made to the  
receiver or trustee in bank-  
ruptcy of the estate of a  
registered owner?

**A. Yes, when bankruptcy**  
or insolvency has been  
adjudicated and re-  
quest for payment has  
been duly executed.

**Q. Can I authorize my em-**  
ployer to set aside portions  
of my salary each pay day  
until enough is accumulated  
to buy a War Savings Bond?

**A. Yes, if your employer**  
has installed a Pay-Roll  
Savings Plan. More  
than 24 million wage  
and salary earners are  
saving their money this  
way.

**Q. Can I invest a lump sum in**  
War Bonds and receive  
from the investment a return  
in the nature of an annuity?

**A. No. The purchase of**  
each War Savings Bond  
is a separate transac-  
tion. Each Bond is  
dated as of the first of  
the month in which  
payment for it is re-  
ceived by an authorized  
issuing agent, and ma-  
tures exactly 10 years  
from that date.

**Remember—the longer**  
you keep War Bonds,  
up to 10 years, the more  
valuable they become.

**Remember—the longer**  
you keep War Bonds,  
up to 10 years, the more  
valuable they become.

**Remember—the longer**  
you keep War Bonds,  
up to 10 years, the more  
valuable they become.

**Remember—the longer**  
you keep War Bonds,  
up to 10 years, the more  
valuable they become.

**Remember—the longer**
