

On The BEAM

J. W. KING, SR.

A riot is a terrible thing any time and any place. It never accomplishes anything except to create the loss of life and the destruction of property. Regardless of the motives of the rioters they are never accomplished.

It is a deplorable situation when city and state officials can not stop a riot and call upon the federal government for troops. Every city and every state needs to get right down to the core of the trouble before a riot starts and work things out so that every citizen has an opportunity to make a living and to enjoy the good things of life.

If there was ever a time when Christian principles should be followed by both sides in this case the white people and the black people, that time is now.

Politicians who try to place the blame on the shoulders of others should look in a looking glass. The blame for the present riots rests not only with politicians from a hundred years ago to the present time but with every citizen of the country, black and white. Instead of trying to place the blame on someone we need to be doing our utmost to stop the riots and get rid of the reasons for them.

It is getting to the time of year when we should be doing something about a fair in Loraine if we are to have one, and I see no reason why we shouldn't.

First Baptist Church to Observe 75th Anniversary, August 20th

The First Baptist Church will celebrate their 75th anniversary on Sunday, August 20, at which time the official Texas Historical Marker for the church will be erected.

All who have ever been members of this church are invited to the Diamond Jubilee Homecoming and dedication of the Historical Marker. All local members will plan to bring a basket lunch to be served at the noon hour. Mrs. Lester Webb is chairman of the food committee.

Twenty-six pastors have ser-

ved as undershepherds of the First Baptist Church of Loraine since it was constituted August 15, 1892. At first there were monthly preaching dates on a Saturday night and Sunday. Then came half-time pastors. Alta Haddon was the first full time pastor to move into the parsonage in 1930.

Over 900 church additions have been by conversion and baptism. Ten or more members have volunteered for special service, as preachers, missionaries and youth leaders.

A number of young pastors have been granted time during week days to attend classes at Hardin-Simmons University and Southwestern Seminary, leading to degrees.

The church has a training program that reaches every age group. Consolidation of schools brought children together in classes. Friends of the same age wanted to attend Sunday School and church together. This led to diminishing membership and finally disbanding of seven rural Baptist churches near Loraine. Many of these people came to join this Southern Baptist Church.

Robinsons Leave For Alaska

Mr. and Mrs. Jimmy Don Robinson and Robyn will leave this week for Ketchikan Alaska, where he will serve as minister of the Church of Christ in that city.

The Robinsons have lived in Loraine since last August, and have been working with the Lightfoot and Crockett St. congregation.

Ketchikan has a population of 10,000 persons, and is situated on an island in the southeastern panhandle of the State. It is the "Salmon Capital of the World" and Alaska's First City, since it is the first port-of-call for vessels sailing from the "lower 48."

The church was established in Ketchikan 20 years ago and has about 80 members - most of whom earn their living by commercial salmon fishing. The Robinsons lived there from May 1965, until August 1966, so are well acquainted with the town and its people.

They expressed their appreciation to all the people of Loraine who received them so warm and made them feel right at home from the first week they were here.

Their address will be: 3149 Tongass Avenue, Ketchikan, Alaska, 99901.

Jack Walker, chairman of the Mitchell County Red Cross, said that the Red Cross is interested in contacting individuals or organizations who will make gift filled bags for distribution in Viet Nam at Christmastime.

Walker said that full instructions are available at the Red Cross office in the 200 block of Walnut Street, or the office may be contacted by telephone.

Shipment of bags will be made prior to October 15th, he said.

Walker said the bags are to measure about 11 by 14 inches and are to be filled with small gifts such as: ballpoint pens, paperback books, soap cases, writing paper and envelopes, small address books, washcloths, nail clippers, pocket games and voice tapes. Exact measurements of the bags and a list of suggestions for fillers can be obtained at the Red Cross office.

Walker reported also that despite a reduced schedule of activities due to a cramped operating budget, the local office assisted or supplied information to servicemen and others in 58 cases in April and 57 cases in May.

Walker said typical assistance included, obtaining leave or extensions for servicemen, (50 cases), assistance to servicemen moving from one base to another, counseling in personal and family problems, assistance in obtaining "Q" allotments, helping fill out government forms and supply information on obtaining discharge from service.

When you buy Bonds, you can save up for a rainy day, a home, a free and comfortable future—and at the same time show these brave men you're on their side. Join the Payroll Savings Plan where you work or buy Bonds where you bank. You'll walk a bit taller.
