

**Pan American Takes
Big Spread In Scurry**

Pan American Production Company has acquired oil and gas leases on a total of more than 2,500 acres of scattered tracts in Central West Scurry County, for an announced consideration.

Unofficial sources had reported that the deal included a cash payment of around \$450,000, plus an oil payment of a possible two million dollars.

Pan American representatives have not released any official information of the details of the trade—other than to say that the report of the \$450,000 cash and two million dollar oil payment, was in error, and that the amounts paid were not that large.

The leases were acquired from Leonard McMahon of Danbury, Conn., who is understood to be trustee for the M. C. L. Corporation, an investment concern.

So far as has been reported, the transaction did not call for the drilling of an exploratory project on any of the property.

However, in view of the interest in the petroleum producing possibilities of all parts of Scurry County now current, it is likely that Pan American will start soon to evaluate some of the recently acquired leases.

The acreage involved in the trade is all in block 97, H&TC survey. Included were, all of section 254, the west 40 acres of section 255, the east quarter of section 205, the southeast quarter of section 205, the southeast 123 acres of section 255, the north half of section 211, the northwest 120 acres of section 210, the south 40 acres of the southwest quarter of section 210, the east half of section 246, the west half of section 247, the southwest 200 acres of section 248, and the northwest quarter of section 249.

**East Pecos Set For
3,250-Foot Wildcat**

East Pecos County is set for a 3,250-foot, cat well wildcat by Engel Oil Corporation of Fort Worth. It will be the concern's No. 1 Annie MacKenzie.

The derrick is 330 feet from north and 440 feet from east lines of the northeast quarter of the south half of section 26, block 904, GC&SF survey, which makes it about nine miles south of Bakersfield.

Operations are starting immediately.

**Wildcat Sets Pipe In
Cochran San Andres**

An attempt at production in the San Andres lime section of the Permian in Southwest Cochran County was being made by The Atlantic Refining Company No. 1 Masten, wildcat, 6944 feet from south and east lines of the northwest quarter of labor 18, league 133, Armstrong G&S survey.

Drilling to 5,050 feet, the venture showed very slight oil signs in samples of the formation. A string of 5 1/2-inch casing was cemented at 4,985 feet with 500 sacks.

On last report, cement plug had been drilled out and preparations were being made to acidize and test.

**Goldsmith Gets New
Clear Fork Pay Area**

Clear Fork-Permian production has been opened on the north dome of the Goldsmith field in Northwest Ector County by Texas Pacific Coal & Oil Company No. 33 Scharbauer, 860 feet from north and east lines of section 31, block 44, T-1-N, TP survey.

After washing perforations at 5,472-5,740 feet, opposite the Clear Fork, with 1,000 gallons of mud acid, then treating with 5,000 gallons of regular acid, operator swabbed out most of the acid and residue.

On the last 12-hour gauge, the well swabbed and flowed 120 barrels of new oil plus 12 per cent acid water. No formation water has developed.

It was continuing to swab and flow to clean out and test, prior to completion as the first Clear Fork producer on the dome.

**Mississippi Test In
Andrews Has Water**

The basal Mississippian yielded water on a drillstem test at George P. Livermore, Inc., and Deeprock Oil Corporation No. 1 Mayhew, Ellenburger wildcat six miles north of the Dollarhide field in Southwest Andrews County.

The tool was open one hour at 9,099-9,160 feet, showing a very weak blow of air. Pulling drillpipe recovered 100 feet of drilling mud, 90 feet of salty mud and 180 feet of salt water. There were no shows of oil or gas.

More hole was being made. Some geologists picked the base of the Mississippian at 9,140 feet, on an elevation of 3,279 feet. The venture now is in Woodford shale, of which several hundred feet is expected before reaching Devonian.

Location is 1,980 feet from south and 660 feet from east lines of section 20, block A-51, pal survey.

**Humble Gets Water
In Mitchell Permian**

Humble Oil & Refining Company got water on a drillstem test of a formation tentatively identified as Wolfcamp-Permian at its No. 1 (Continued on Page 12)

Truman Will Name Steel Fact-Finding Board

Criticism Greeted Truman Attack On 'Selfish Interests'

WASHINGTON—(P)—President Truman's sharp attack on "selfish interests urging drastic cuts" in federal spending collided Thursday with both Democratic and Republican criticism in Congress.

So did his assertion that many people would like to have a depression "for political reasons."

On the other hand, Senator Pepper (D-Fla.) called Truman's arguments "reasonable commonsense and full of practical justification."

The President spoke out Wednesday night in telling the nation by radio about his new program designed to expand production and avert a more serious business slump.

"We shall have to be sure," the President said, "that the selfish interests do not drive us into the ditch, as they have done before."

As he did in the economic report he sent to Congress Monday, Truman said: "We are not in a depression. Many people who talk of a depression, he said, would like to have one 'for political reasons.'"

But he added that the increase in the number of people out of work "is something to worry about, and something that must be cured."

The President again hit into the Republican-ruled 80th Congress of 1947-48 for cutting income taxes. He criticized it too, for refusing to enact the anti-inflation program he wanted then but now has abandoned because, he said, of changed conditions.

Third Great Blunder
He called those policies blunders on the part of the 80th Congress, and he said "selfish interests" were to blame. Then he added:

"Now these same selfish interests are urging us to commit a third great blunder. They are now urging drastic cuts in government expenditures—cuts which would fall hardest on those expenditures (Continued on Page 12)

Youth, Charged In Slaying, Will Return To Face Accusers

EL PASO—(P)—A 21-year-old youth, Donald L. Horn, planned to return to Kentucky Thursday in hopes of clearing his name of charges he bludgeoned a pro-high school cheer leader to death.

"They may hang me when I get off the train they are so hopped up about it all," he told a reporter here Wednesday night, "but all I want from them is a chance."

Horn gave himself up Saturday to El Paso officers saying he knew he was wanted for questioning in the fatal beating of 17-year-old Muriel Baldrige of Prestonburg, Ky., on June 27 near her home.

Horn was charged Wednesday with murder on a warrant sworn out by Chief Deputy Sheriff Harold Conn of Floyd County, Ky. Floyd County Judge Alex L. Davidson in issuing the order specified to Texas authorities that Horn was charged on bond.

Kentucky State Police Detective Walter E. Woods was scheduled to return Horn to Kentucky by plane sometime Thursday.

Denies Slaying
Woods said feeling still ran so high in Floyd County that Horn would not be returned there.

"We'll take him to Pikeville or some other place for the present," Woods said.

"I never even killed a chicken, let alone a girl like that," Horn said Wednesday night. "She was beautiful. I don't know who would do such a thing."

"I saw Muriel about 6 o'clock of the morning she was killed," he said. "Maybe that's why they want to question me about the case. She was in the company of another fellow they are holding now."

Horn said he came to El Paso to get a start in the furniture business. He said he first found out about the slaying when he read of the crime in a Fort Worth newspaper while hitch hiking to El Paso. Then he decided to give himself up.

At a refining plant near Crane, there is a 24-inch pipe which extends 120 feet into the sky. It burns waste fuel.

Recently the "torch" went out. How could the towering flame be lighted, the citizens pondered?

Harking back to the Biblical days of David and his famous sling-shot, one of the citizens designed missiles of flaming waste and set his sights.

Bingo! He scored a hit and now the waste fuel torch burns brightly, and citizens who are used to seeing it do so are happy again.

Third Year In Iron Lung

Four-year-old Betty Lou Erickson comforts her mother, Mrs. Betty Erickson, a polio victim in San Angelo. July 16 will be Mrs. Erickson's third year in an iron lung. She now is in a private home in San Angelo.

Amarillo's Sheriff Quizzes Suspects In Tex Thornton Slaying

WICHITA FALLS—(P)—Sheriff Paul Gaither of Amarillo arrived Thursday to quiz two suspects in the slaying of famed oil well fire fighter W. A. (Tex) Thornton.

A young woman and her 27-year-old husband were picked up by Wichita County Sheriff Hammett for questioning after a shooting Sunday night at a drive-in cafe at Iowa Park.

Thornton, 57, was found on a blood-soaked bed in an Amarillo tourist court June 23. His skull had been fractured in two places and a towel and shirt had been tied around his throat.

The 25-year-old woman's husband was hit in the legs by shotgun pellets during the cafe shooting.

District Attorney Clyde Fillmore said the woman admitted she and her husband were in the Borger-Amarillo area at the time Thornton was killed.

It's worth careful investigation, Fillmore said.

Thornton's diamond ring, originally reported missing, has been found at the Thornton home. However, officers believed a large sum of money was taken from his effects.

American Convoy Sails Through Red Blockade Barrier

HELMSTEDT, GERMANY—(P)—Russian guards cleared a 60-truck American convoy through the Soviet zone checkpoint here in less than a minute Thursday, lowering another bar in their "little blockade."

Wednesday night the Russian guards suddenly relaxed their slow-down and gave the green light to German trucks bound for Berlin, permitting the vehicles to pass this checkpoint at a normal rate for the first time since Saturday.

The barriers were reported still up, however, at nine other Soviet zone entry points.

Utah Republican Blocks Vote On Atlantic Pact

WASHINGTON—(P)—Democratic leaders tried Thursday to get an agreement for a Senate vote Saturday on the North Atlantic Pact.

Senator Watkins (R-Utah) blocked it. Watkins said he would not agree to a vote before next Wednesday.

Fatal Beating Of Valley Woman Bared By Officers

EDINBURG—(P)—The fatal beating of the wife of a Rio Grande Valley fruit buyer and sportsman last month was revealed here Thursday as officers sought a man charged with murdering her.

District Attorney Jack Ross of Edinburg said Mrs. Lora Mary Rogers, 42, was found beaten in a Valley tourist camp June 25.

She died July 3 in an Edinburg hospital.

At that time, her death was attributed to an "illness" and no mention was made of the beating.

A murder charge is on file at Edinburg against Tony Marteliano, 31, a boxer, Ross stated.

Mrs. Rogers was the wife of K. Brooks Rogers of Alamo, fruit buyer and former owner of the Donna Baseball Club.

Ross said Marteliano's last known address was Corpus Christi and officers are hunting him in San Antonio.

The murder charge was filed with Justice of the Peace Clayton R. Baird, Edinburg, on July 5, Ross stated. Authorities at the time made no mention of the charge to reporters.

One Known Dead In Army Plane Crash

DAYTON, OHIO—(P)—At least one person was killed Thursday in the crash of a twin-engine "Flying Boxcar" here, Wright-Patterson Air Force Base officials reported.

They said from "three to six" persons were injured.

The Army cargo plane crashed into a parking lot fence as it was making an emergency landing because of a fire aboard, officials reported.

Every Little Bit Helps—03 Shower Cools Off City

Every little bit helps—in this case, a little bit of moisture helped to break the heat which had gripped Midland for several days.

CAA Communication at Midland Air Terminal reported .03 of an inch of precipitation Wednesday. A very light shower fell in the city of Midland. It cooled things off and washed the breezes enough for some sleeping comfort Wednesday night.

No Arrests Made In Stillwell Case

A week will have expired Thursday night since Homer A. Stillwell, 28, a landman for an oil company here, was shot to death on his lawn at 509 West Cuthbert Street.

About 9 p.m. last Thursday Stillwell went into his yard to investigate the reason for his dog's barking and was shot twice at close range and killed instantly.

CIO Union Ready For Strike Order Against Big Firms

WASHINGTON—(P)—The White House said Thursday President Truman will set up a steel fact-finding board Friday whether or not the "big three" producers yield to his pressure for them to go along with his plan to avert a strike Saturday.

Charles Ross, presidential press secretary, announced this after saying nothing has been heard from Truman's latest message to the three companies.

There was no hint from Ross as to who the President has in mind for the board—a group whose findings and recommendations may be decisive on the issue of whether millions of American workers are to make a fourth round of postwar wage increases.

Asking United States Steel, Republic and Bethlehem to reconsider their rejection of his plan to submit the wage-pension dispute to a special inquiry board for a recommended solution, Truman told the three:

"Surely you are not afraid to have your side of this dispute examined in the public interest."

Replies were expected later Thursday.

While some smaller steel firms and the CIO United Steelworkers Union accepted Truman's plan, the three contended it by-passed Taft-Hartley Law procedure for strikes imperiling the nation's health or safety.

Strike Order Promised
Philip Murray, president of the CIO, and its steel union, said he will issue a strike order to apply to all steel firms rejecting Truman's plan for a 60-day strike.

Truman, in asking the three to reconsider, said it was his opinion the present situation "does not constitute such an immediate peril to the national health or safety" as to invoke Taft-Hartley emergency strike clauses.

An inquiry board named under Taft-Hartley lacks power to recommend a dispute solution, as the President said his three-man board will have.

However, both the President and Cyrus S. Ching, director of the Federal Mediation and Conciliation Service, said the companies not union would be expected to accept any solution suggested by Truman's board. Ching said it was hoped the recommendations could form a basis for settlement.

Big Three May Stand Alone
Murray said his union was willing to forego a strike for 60 days as the President suggested, giving the board time to hear the dispute and make its report.

However, Murray reserved the right to strike against the companies failing to go along with the President's plan, saying if they don't participate in the Truman board hearings the union intends to shut down their plants.

Ching, at the President's request, invited another 43 steel companies facing walkouts to join in the 60-day truce plan.

If enough steel firms agree to go along, the big three faced a prospect that their refusal may mean their steel-making facilities will be shut down while the rest of the industry operates during the two-month period.

The union is seeking more wages, insurance and pensions.

Britain Doubles Forces Working At Strikebound Docks

LONDON—(P)—The Labor government, with almost unanimous approval from Parliament for its broad emergency powers, sent a doubled force of servicemen to work Thursday on the strikebound London docks.

Forty-five hundred soldiers and sailors, as against 2,300 Wednesday, moved into the port area to unload food ships tied up by the 18-day stoppage. Another 2,700 men were ordered by the Royal Air Force to stand by for duty Friday.

The Dock Labor Board said 14,204 men were idle Thursday, 3,464 more than when the emergency was proclaimed by King George VI at the request of the Cabinet Monday.

Great Britain Cuts Imports From U. S.

LONDON—(P)—Britain Thursday slashed 25 per cent off her buying from the world's dollar areas for this year.

Sir Stafford Cripps, chancellor of the Exchequer, told the House of Commons Britain's imports from the United States and other dollar areas would be limited to \$1,200,000,000 in 1949. Britain spent \$1,800,000,000 on imports.

Cripps announced a cut in purchases of U.S. tobacco. He also said the sugar ration would be lowered from 10 to eight ounces weekly and that recently rationed candy would go back on ration August 14. The weekly candy ration will be four ounces per person.

★ LATE NEWS FLASHES ★

DALLAS—(AP)—The Board of Regents of The University of Texas Thursday unanimously selected Dallas as the site for a new million-dollar branch of the University of Texas Medical School.

MANILA—(AP)—A typhoon with winds up to 92 miles an hour near its center Thursday was located 675 miles east, northeast of Aparri, North Luzon.

AUSTIN—(AP)—The Texas Game, Fish and Oyster Commission Thursday ordered an indefinite closed season on antelope. The commission explained the action was taken because of "considerable loss" of antelope caused by dry weather.

NEW YORK—(AP)—CIO transit workers struck suddenly Thursday against all 21 lines of the New York City Omnibus Corporation. The lines carry an estimated 925,000 passengers daily.

★ IN HOLLYWOOD ★

Broadway Ball Of Fire Ferra Passed By Hollywood In 1939

By ERSKINE JOHNSON
NEA Staff Correspondent

HOLLYWOOD — Joe Ferrer's Broadway Shakespearean revivals brought him critical acclaim as America's greatest young actor, the role of the Dauphin in the movie "Joan of Arc" and a film career. Critics and movie producers have been piling so many superlatives on him that I was curious as to how he had ever been called a bad actor.

Joe grinned and said: "I've had some real good bad notices."

When he was trying out "Cyrano" before his New York debut, a Broadway critic complained that his performance was so bad "I expected his nose to light up and spell out 'Actors Equity.'"

While playing a series of character parts at New York's City Center he was chided by another distinguished critic for having just a good time and not taking his acting "seriously."

Then there was the high school boy who heckled him at a matinee of "Cyrano." It was a special performance for high school students at 15 cents a seat. No one in the cast was getting paid. The boy heckled him from the opening to the final curtain.

Ferrer may have lost the acting duel but he had the last word when he took a bow after the final curtain.

"I think the boy in the third row who has been heckling me

should take a bow," he announced. "He gave a much better performance than I did."

Joe is in Hollywood now for his second film, the role of hypnotist with Gene Tierney and Richard Conte in "Whirlpool."

Old "Discovery"

Actually, Hollywood first discovered Joe 10 years ago but did nothing about it. RKO signed him in 1939 after a Broadway appearance and brought him to Hollywood for a series of film tests. But as 37-year-old Joe says:

"I don't have the kind of a face that you sit across the table from and say, 'We gotta have this guy in pictures.'"

He took film tests and remembers: "They piled make-up on me to change my appearance. Then they started taking it off. The more they took off the better it got."

One of the tests had Joe playing the John Garfield part from "Four Daughters." But the studio didn't show any more interest and Joe went back to Broadway without making a picture.

Now that he has his choice of film scripts, he refuses to tie himself up with a long-term studio contract.

It's that face again.

He says: "I don't have the kind of a face for any kind of a picture. If I signed a term contract, I'd soon be playing roles not suited for me."

Joe was born in Puerto Rico, but moved to New York with his family when he was 6. It was a role in the annual Princeton College musical, when he was 21, that switched him from law to acting. Until then, he was interested in the theater only as a spectator.

Diamond Career

But if you think he's good as an actor, you should see him in action as a baseball player. He was the best second baseman the Hickory Log Bar and Grill ever had.

The Hickory Log Bar and Grill is hangout for actors in New York. While starring in "Cyrano," Ferrer played softball every Sunday morning in Central Park in a uniform emblazoned with "Hickory Log Bar and Grill" in letters six inches high.

Before that he was on the "Othello" team.

He remembers sadly: "We were leading the Central Park League until we ran up against the 'Dead End Kids.' That finished us. We were not only knocked out of the park but clear out of the league. We were lucky to get out alive."

CAA Cancels Rights Of Airline Involved In Disastrous Crash

WASHINGTON—(AP)—The Civil Aeronautics Administration Thursday suspended the operating rights of Strato Freight, Inc. It operated the plane in which 53 persons were killed in Puerto Rico last month.

CAA Administrator D. W. Rentzel accused the company of operating faulty equipment. He also asserted it repeatedly had violated safety regulations.

Rentzel suspended the operating rights under his emergency powers. At the same time, he filed a formal petition with the Civil Aeronautics Board asking that Strato Freight's flying authority be revoked permanently.

Members of the Midland Shrine Club, their wives and families, enjoyed a barbecue-meeting Wednesday night despite being driven indoors by threatening weather. The event was held in the American Legion Hall. It had been scheduled at Cloverdale Park.

Approximately 200 persons attended. The meeting was concluded with dancing to recorded music.

A transcription prepared by Lester Short, Cecil Hodges and others provided fun and entertainment. The recording joked at Ed Darnell, John P. Butler, H. N. Phillips, M. C. Ulmer and other Shriners.

The board of directors voted to send J. M. McDonald, president of the Shrine Club, to the Imperial Council (national) to be held in Chicago July 17-19.

A. A. (Poosty) Jones was chairman of the entertainment committee for the Wednesday barbecue-meeting.

Fire Insurance Rate Reduction Due At Terminal

A 74-cent reduction in the key rate of fire insurance for residents of Terminal will be forthcoming as soon as the State Fire Insurance Commission has opportunity to inspect facilities there, City Manager H. A. Thomason said Thursday.

The commission advised the city manager action on the rate reduction proposal will be retroactive to the date of the application. In the meantime, policies and renewals are being issued at the old rate. The new rate will be published when the commission action is final.

The reduction will be made as the result of Midland Air Terminal having been annexed to the corporate limits of the City of Midland by council action about two months ago. The application for a key rate reduction was filed with the state commission soon thereafter.

The commission office in Austin advised Thomason the final inspection at Terminal will be made quickly as possible.

A \$1 rural rate has been in effect at Terminal although ample water, a fire station, alarm system, fire hydrants and excellent fire-fighting equipment are available there. The 74-cent key rate will be the same as is in effect in Midland, Thomason stated.

Midland Recruits Are At Camp Chaffee, Ark.

CAMP CHAFFEE, ARK.—Three Midland, Texas, recruits have been assigned to the Fifth Armored "Victory" Division for eight weeks of basic training.

They are Don H. Drummond, son of Mr. and Mrs. F. T. Drummond, Eugene M. Johnson, son of Mr. and Mrs. J. M. Johnson, and Eddie D. Fussell, son of Mr. and Mrs. J. E. Fussell.

Before entering the army, Drummond was employed as a movie operator, Johnson as a painter and Fussell as an electrician.

The three recruits have been assigned to Company A, 47th Infantry Battalion.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 14, 1949-3

Luncheon Honors Members Of Methodist Boone Bible Class

The members of Group Two of the Boone Bible Class of the First Methodist Church were hostesses at a covered dish luncheon for the class in the Scharbauer Educational Building Wednesday.

Pupils Receive Music Awards At Club Party

Thirty-five children were given awards for perfect attendance in the Moment Music Club, which met every Saturday during the teaching season, at a party Wednesday in the home of the teachers, Lydie and Ned Watson, 210 West Ohio Street.

The awards, which were miniature statues of great musicians, were to have been given to the children the night of their recital the last of May, but they had not been received at that time.

Ned Watson entertained the children with humorous readings and songs.

Miss Watson commended them on their good work and perfect attendance.

Receive Awards

Children receiving the awards were Charles Godwin, Deneva Miller, Wanda Moore, Wanda Steele, Carolyn Gray, Janelle Cloniger, Marion McGowan, Trudy Symes, Linda Breith, Robinette Curry, Patricia Wilkerson, Roger Walker, Patty Chambers, Eddy Eubanks, Janda Bradshaw, Judy Olson, Barry McGowan, Jan Houck, Jimmy Mashburn, Barbara Tummons, Hope Russell, Dianne Perkins, Cynthia Ann Dupuy, Robert Gray, Catherine Barnes, Loraine Carlson, Louise Ervin, Margie Walker, Gwendolyn Campbell, Katrina Shelburne, Anne McFarland and Margaret Durham.

The Watsons are taking their vacation during July and will open their music studio again in August.

Fashion Salon To Present Opening With Style Show

A style show is scheduled in connection with the formal opening of the Fashion Salon in a new location Thursday night. Open house hours are 7:30 to 9:30 p.m. at 106 North Lorraine Street.

Midland women are urged to attend and bring their husbands. Favors will be given. Owner of the Fashion Salon is Miss Buena Page. Manager is Mrs. H. C. Hannaford. The Fashion Salon formerly was located on North Main Street. It was moved to the new location especially prepared for it recently.

Do You Really Want to Take Off That Ugly Fat?

Recently there has been a number of new reducing preparations on the market, some of them based on the diet and vitamin "plan." It is obvious that vitamins will not reduce the body weight, so one must depend on diet to reduce. But it is also obvious that one cannot go on a strenuous diet over a protracted period, and any weight lost will be restored if the former eating habits are gone back to.

So what to do? Well, here is a tip to you "overweight gals" who want to fight "the Battle of the Bulges" in a different way. Ask any well stocked Texas drugstore for four ounces of Barcenate. Mix with 12 ounces of grapefruit juice and take two tablespoonsful twice a day.

This preparation contains nothing harmful and the makers agree to refund your money on the very first bottle if it does not show you the way to lose ugly fat and help regain slender, more graceful curves.

Barcenate is low in cost and is not based on the diet and vitamin "plan." You need never know a hungry moment while reducing with Barcenate.

tan of the group and Mrs. Norman Hoffman, co-captain.

The tables were centered with greenery and dwarf ferns. Mrs. DeLo Douglas, class president, presided over a short business session following the luncheon and introduced Hughie Pressley, the new director of Christian education of the church.

Guest Present

Mrs. Ora Teagarden was a guest. Members present included Mrs. Frank W. Reeves, Mrs. George H. Peters, Mrs. Ray Seifert, Mrs. J. T. Kilgler, Mrs. D. L. Coleman, Mrs. H. B. Welch, Mrs. Frank True, Mrs. E. A. Crisman, Mrs. Ruth McFadden, Mrs. W. V. Stafford, Mrs. J. C. Wilson, Mrs. Jack K. Doran, Mrs. C. W. Matthews, Mrs. Fred Forward, Mrs. J. F. Sewell, Mrs. F. A. Forrest, Mrs. Thomas N. Nipp, Mrs. J. C. Mayes, Mrs. H. L. DeWees, Mrs. J. Holt Jowell, Mrs. J. B. Sanders, Mrs. Max Hendrick, Mrs. George Vannaman, Mrs. P. Kirk, Mrs. Glenn Shoemaker, Mrs. Alice Conner, Mrs. E. P. Birkhead, Mrs. J. P. Wilkinson and Mrs. R. E. Klebold.

Garden Addition HD Club Plans Picnic

Donna Howard and Wanda Faine, 4-H Club girls, demonstrated the use of the Master Mix in a meeting of the Garden Addition Home Demonstration Club in the home of Mrs. C. A. Newman, old Andrews Highway, Wednesday.

The girls used a cake, biscuits and muffins in their demonstration. Plans were made for a family picnic in Cloverdale Park July 21. Mrs. Leroy Reasoner and Mrs. Newman were named as a committee for the outing.

Four guests present included Mrs. Nettie B. Messick, county home demonstration agent, Mrs. Johnnie Carter and the two 4-H girls.

Other members present were Mrs. Edgar Galle, Mrs. J. W. McKenzie, Mrs. O. E. Sherman and Mrs. E. O. Messersmith.

Newcomers Club Has Luncheon Meeting

The Welcome Wagon Newcomers Club held its second luncheon meeting in the Ranch House Tuesday.

A special prize, a floral centerpiece, was won by Mrs. A. L. Millikan. Mrs. Herbert Marshall won the bridge prize and Mrs. Gerald R. Gage, the rummy prize.

Twenty-one persons attended.

Retiring Report Is Heard At Meeting

CRANE—Mrs. Vera Birdsong, junior past matron, gave her retiring report at a stated meeting of the Crane Chapter of the Order of Eastern Star Monday.

Committees were appointed to serve for the women's part of the Hill Top meeting August 5. Mrs. Leila Wilson was appointed general chairman with Mrs. Birdsong, Mrs. Helen Carroll, Mrs. Thelma Faircloth and Mrs. Edith Goble as the program committee. Other committees will be appointed at the next meeting on July 25.

Approximately 35 members attended.

Saturday Story Hour Program Announced

Stories for the Saturday morning Children's Story Hour have been announced by Mrs. K. C. Heald, Jr., story-teller.

Stories will include "Little Bear's Pinto Pony," a cowboy story by Sanford Tousey, and "All Baba and the Forty Thieves," a story from the Arabian Nights.

The Children's Story Hour is held in the Children's Room of the Midland County Library at 10:30 a.m. each Saturday.

Indiana's motto is "The Crossroads of America."

For Back-To-School Sewing Plans

By SUE BURNETT

"Dear Sue Burnett: I have girls in both grade school and high school next Fall, and would like to plan now on sewing some dresses for them." So writes a reader from Ohio. "Won't you show some styles soon so that I can get started?"

The two styles shown today are the perfect answer to this request—a pretty yoked style for the six to fourteen miss, and an exciting collared frock in junior sizes.

No. 8415 is a sew-rite perforated pattern in sizes 6, 8, 10, 12 and 14 years. Size 8, 2 7/8 yards of 39-inch; 1 1/4 yard contrast.

Pattern No. 8404 comes in sizes 11, 12, 13, 14, 15 and 16. Size 12, 4 3/4 yards of 36 or 39-inch; 1 1/4 yard contrast.

Two separate patterns, 25 cents each.

For these patterns, send 25 cents, in COINS, for EACH pattern ordered, your name, address, sizes desired, and the PATTERN NUMBER to Sue Burnett, The Midland Reporter-Telegram, 530 South Wells Street, Chicago 7, Ill.

The Fall and Winter FASHION is a complete guide in planning a wearable Fall wardrobe. New—exciting—informative. Free pattern printed inside the book. 25 cents.

Party Entertains Little Angels TU

The "Little Angels" Training Union of the First Baptist Church was entertained with a party in the home of Anne Upham, 510 North Big Spring Street, Tuesday night.

Various contest games were played.

Those present included Carl Harding, Johnny Murray, Carolyn Womack, Joanne Glass, Donald Helm, Jo Ann Montgomery, Lois Shelburne, Mrs. Arnold O'Neal, Mr. and Mrs. W. R. Upham and James Upham.

Oriental Tea Given For Girl's Auxiliary

MCCAMEY — The Girl's Auxiliary of the First Baptist Church were guests for an Oriental Tea on the lawn of the home of Mrs. Wilbur M. Harris Monday.

Mrs. E. E. Boyett served as co-hostess, Jean Boyett and Elaine Harris were included in the house party.

A study theme of China and Japan was featured during the morning.

Those attending were Rhonda Beth Gibson, Bette Davis, Elizabeth Burnett, Linda Davidson, Mary Lois Howton, Nona Pay Brown, Mary Jane Yeater, Marva Lea Kelley, Laura Hillman, Glenda Fowler, De Ann Hargrove, Sharon Mabry, Patsy Hargrove and Corinne Sutton.

UNDERGOES SURGERY

Mrs. Clarence Givens, 1605 West Washington Street, daughter of Mr. and Mrs. M. L. Couey, underwent major surgery Tuesday morning in a San Angelo hospital. She is reported resting well.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 60 years. Doan's gives happy relief and will help the 12 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

Rotarians Enjoy Telephone Movies

Motion pictures, presented by the Southwestern Bell Telephone Company, were enjoyed by Midland Rotarians at their regular meeting Thursday noon in the Scharbauer Hotel.

One of the sound films described the battle of last January which telephone men had with ice to restore communications in the Southwest. Others were musical and dancing numbers.

A. W. Case, Midland manager for the company, presented the film. Floyd O. Boies was program chairman.

John Bechtel was introduced as a new member of the club by Dan E. Griffith.

Hilton Kaderli, president, presided and announced the Rotary District Assembly will be held in Lubbock Sunday and Monday. Elmo Wasson of Big Spring is the district governor.

Kaderli, Guy Brennenman, the Rev. W. R. Mann, secretary, and other members of the club plan to attend the assembly.

Husbands! Wives! Want new Pep and Vim?

Thousands of couples are weak, worn-out, exhausted, and lacking in vitality. For new vim, vitality, try **Centex Tonic Tablets**. Contains iron, zinc, and many other vitamins. Low cost! Introductory size only 50c. At all drug stores everywhere—in Midland, at Midland Drug.

Continental Crew, Passengers To Get Huge Birthday Cake

A birthday cake with 15 candles will be presented crew members and passengers of Continental Air Lines' Flight 46 when the Convair-Liner lands at Midland Air Terminal at 6:30 p. m. Friday. Stanley M. Erskine, mayor pro tem, will make the presentation.

The occasion will mark the fifteenth birthday anniversary of Continental Air Lines, which was the first to bring commercial airline service to Midland.

Tom Sealy and John W. House, past presidents of the Midland Chamber of Commerce, and City Manager H. A. Thomason also will take part in the brief ceremony.

Anniversary Flight
Continental's Flight 46 has been designated as the Anniversary Flight.

Arrangements for the birthday party are in charge of the Midland Chamber of Commerce. DeWayne Davis, assistant manager, said the public is invited to attend the birthday party.

The airline started operations here in May 1944. Six flights now serve Midland, with direct service to 20 other cities in Texas, New Mexico, Oklahoma, Kansas and Colorado.

★ WE, THE WOMEN ★

Steinhagen Case Demonstrates Danger In Celebrity Worship

By KATH MILLETT
NEA Staff Writer

At 17 Ruth Ann Steinhagen of Chicago must have seemed to her family and friends as just another celebrity-crazy bobby-soxer.

Two years ago she was collecting pictures of a handsome ball player, constantly talking about how much she'd like to be his "girl friend," never missing a baseball game in which he played.

But this celebrity-crazy bobby-soxer didn't grow up. She nursed her hopeless crush along for two years. Then for the thrill, she shot and critically wounded her idol at their first meeting.

Witness Denies Tokyo Rose Forced On Air In Japan

SAN FRANCISCO—(P)—A government witness at the Tokyo Rose treason trial denies the Japanese used brutalities or threats to force prisoners and civilians to broadcast propaganda for Radio Tokyo during the war.

Counsel for Los Angeles-born (Tokyo Rose) D'Aquino sought in vain Wednesday to win from Lt. Col. Shigetatsu Tsuneishi an admission brutalities and threats were used.

Instead he snapped: "No such thing."

House Passes Rural Telephone Measure

WASHINGTON—(P)—Legislation designed to make modern telephone service available to more than half the nation's farm homes went to the Senate Thursday with the overwhelming backing of the House.

It was passed by the House Wednesday, 282 to 109.

The legislation would allow the Rural Electrification Administration to operate in the telephone field in the same manner that it now operates in the field of rural electricity.

TEXAN IS SENTENCED
PHILADELPHIA—(P)—Orbin B. Smith, 30, Longview, structural iron worker, was sentenced by Federal Judge James P. McGranery Thursday to a year and a day for raising one-dollar bills to \$10.

We are shocked and horrified by the end of this bizarre story. And yet its unwholesome beginning is disturbingly familiar.

How lightly we've taken the celebrity-crazy antics of thousands of teen-agers, the kind who swoon over the popular crooner of the moment, who write letters to the movie stars, who gather around stage doors begging for autographs and often hurling insults at any celebrity who doesn't enjoy being mobbed by a bunch of wild-eyed teen-agers.

Poses Menace
And now at last we see what a dangerous thing it can become, and how a poorly adjusted teen-ager can live so much in a dream world that the dream world becomes real.

Perhaps this tragedy will wake us up to the fact that there's nothing "cute" about this business of teen-agers worshipping celebrities, that it is unwholesome and a threat to the normal adjustment of these youngsters to the adult world.

In the same Chicago paper in which I read the first details of the shocking story of Ruth Ann Steinhagen I read this news story about a famous movie "tough guy" being freed of charges that he was drunk and disorderly.

The story said the star, arrested after a house party brawl, "was acquitted in a courtroom crowded with admiring teen-agers."

That's how Ruth Ann Steinhagen might have been described two years ago—as "an admiring teen-ager."

(All right reserved, NEA Service, Inc.)

Whitewright Reunion Slated Here Sunday

Arrangements are nearing completion for the annual reunion of former residents of Whitewright to be held here Saturday and Sunday.

Lester Short is in charge of Midland arrangements.

Joe Weldon Carr of San Angelo, general chairman, said headquarters will be established in Hotel Scharbauer. Scores of former residents of the Grayson County city are expected to attend the gathering.

No formal program is planned, but a dinner will be held Sunday. A "family reunion" atmosphere will prevail, Short said.

Students Will Supply Pulpit

Two Hardin-Simmons University students will supply the pulpit for the Rev. A. L. Teaff, pastor of the Calvary Baptist Church, while he is on his vacation the next two Sundays.

Joe Webber will preach both services Sunday and Jimmy Stewart on July 24.

The Rev. Teaff and his family left Monday for a two-week trip to New Mexico and Colorado Springs, Colo. They are at Inlow Youth Camp this week visiting their daughter, Saralyn, who is attending the camp. They will spend next week in Colorado Springs, visiting Mrs. Teaff's brother.

Millinery Shop Is In New Location

Mrs. H. H. Copeland announces the opening of her hat shop, Hattie's Millinery Shop, in a new location in the Fashion Salon. It formerly was located at 1019 West Wall Street.

She welcomes both old and new customers to come by and see her stock of new fall hats. She designs and trims hats.

The formal opening of the Fashion Salon, including Hattie's Millinery Shop, will be held from 7:30 to 9:30 p. m. Thursday.

Congratulations To:

Mr. and Mrs. G. R. Seid on the birth of a son, Michael Anthony, weighing six pounds, three ounces.

Cotton

NEW YORK — (P) — Thursday noon cotton prices were 10 to 45 cents a bale higher than the previous close, October 29.67, December 29.52 and March 29.45.

HIP INJURY TREATED

Mrs. J. R. Currington, 1003 North Whitaker, was treated at Western Clinic-Hospital Wednesday for a hip injury received in a fall.

PORK SOARS AGAIN

CHICAGO — (P) — Pork on the hoof went up another 50 cents a hundred pounds Thursday and matched the highest price paid since last December 27. The top was \$23.00, paid once before this year, on January 5.

FUNERAL RITES HELD FOR PLANE CRASH VICTIMS

BOMBAY — (P) — Funeral services for victims of the Royal Dutch plane crash in which 45 persons died Tuesday were held Thursday. It was a simple ceremony attended by U. S. Ambassador Loy Henderson, high Indian officials and the Dutch, Chinese and American consuls.

Post Impressionism Will Be Discussed In Criticism Class

A short lecture on "Post Impressionism" by Bror Utter, who has been conducting art classes under the sponsorship of the Palette Club the last five weeks, will be given at the regular Saturday morning criticism class in the Palette Club, 604 North Colorado Street.

The Palette Club will be open from 10 a. m. until 12 noon Saturday for those interested in seeing Utter's exhibit of paintings, which includes 14 small gouaches which he has painted during his stay in Midland. The club also will be open Sunday from 3 to 6 p. m. for visitors.

Utter, nationally known painter whose home is in Fort Worth, will end his classes here July 23, after a six-week session. His pupils include adults and students, and groups of employed persons who meet after work hours to study and paint.

Scout Council's Executive Board To Meet Thursday

The Buffalo Trail Council of the Boy Scouts of America will hold its regular quarterly executive board meeting at 7:15 p. m. Thursday in the Settles Hotel at Big Spring. A budget for the next fiscal year will be presented, according to P. V. Thorson, Scout executive for the council.

H. Lyman Wren of Snyder, council president, will be in charge of the meeting.

Attending the board meeting from Midland will be: Dr. H. Glenn Walker, G. W. Brennenman, J. T. Baker, Delbert Downing, George T. Abell, the Rev. Clyde Lindsley, J. M. McDonald and Thorson.

Possibilities for extending Cub membership to the more than 2,000 youngsters who have become eligible by the recent lowering of the age limit to include boys eight years old, will be discussed. In addition to the age rule affecting Cub Scouts, the national council dropped the age limit to 11 years for Boy Scouts and to 14 years for Explorer Scouts.

"This is one of the biggest developments in the last 40 years of Boy Scout history," Thorson commented.

CHILD INJURED

Billie Aikens, three, of 926 North Fort Worth Street, was treated Wednesday at Western Clinic-Hospital for an ankle injury. The injury was received when the child's foot was caught in a bicycle wheel.

★ THE DOCTOR SAYS ★

Many Substances May Cause Eczema By Contact With Skin

By EDWIN P. JORDAN, M. D.
Written for NEA Service

Eczema, or as it is now known, dermatitis venerea, is a term used to describe almost any weeping or crusting lesion of the skin caused by something with which the skin has come in contact. It may appear as a simple redness of the skin, or blisters. Even small pus pockets may form.

Almost anything can cause eczema, and the list includes such commonly used substances as tincture of iodine, certain hair dyes and face powders. Plants are common sources of eczema. One of the most typical examples is common poison ivy. Cases of eczema have been traced to match boxes, to ink, aid to almost every substance used in industry or in the home.

The trouble usually is confined at first to that area of the skin which has come in contact with the irritating substance. Later it may spread somewhat, though it is usually worst on the hands, face or legs. The skin is likely to burn and itch. This can be so severe as to cause other changes of the skin as a result of scratching.

Shave Offending Substance

The treatment is aimed at identifying the offending substance and then avoiding it. The use of preparations on the skin which might make the condition worse also must be avoided.

Sometimes finding the cause of eczema is extremely difficult. There are many soothing preparations which can be applied to the skin to help relieve the itching and aid recovery.

Skin specialists, however, are par-

•So they say

The road on which we are traveling leads to a precipice at the foot of which clearly emerges the totalitarian state.

—Lord Milverton, member of the English House of Lords, announcing his resignation from the British Labor Party.

These (Big Four Foreign Ministers) conferences from now on seem to me to be like the steam gauge on a boiler. They indicate the pressure which has been built up.

—Secretary of State Dean Acheson.

It would be misleading of the economic portents to mistake healthy readjustment for dangerous recessions. We have never before had an economy so well buttressed against any existing downswing.

—Vice President Barkley.

When a government attempts to redistribute to the citizens more than the citizens can produce, inflation and dictatorship are the inevitable result.

—Rep. John Davis Lodge (R) of Connecticut.

Thailand Drama Gets Complicated

BANGKOK —(AP)—It's advisable to memorize the plot before exposing yourself to the new drama "Amorn Phimarn" which opened at the Charlem Theater.

Beautiful Usa, the heroine, is sunbathing as the play opens. Langkhai, a robber sees her beauty and falls in love. She accepts his love. Usa and her father are arrested on suspicion of being accomplices of Langkhai, but King Subbhayan releases them because he falls in love with Usa himself. He even marries Usa.

Langkhai can't be captured and a contest is held to determine who is the best man to go out and get him. Mathis, a handsome officer wins. Usa now falls in love with Mathis.

Mathis however, loves Tulya. Tulya is the only daughter of King Subbhayan. She, in turn, is engaged to Hemabark, a prince living in another city. Langkhai steals Usa from the King and hides her in a secret den. Hiding in the same den are Mathis and the lovely Tulya.

Langkhai cuts off Mathis' head and carries it to the King. Meanwhile, Tulya married Hemabark, the man she was supposed to marry. Langkhai is arrested and beheaded. Usa now becomes insane and as the sun sets on the tragic drama, Usa is nervously fondling Mathis' head.

El Paso Smelter Workers Walk Out

EL PASO —(AP)—Approximately 800 workers of the American Smelting and Refining Company quit work Wednesday after a dispute over the firing of several men.

Company officials said the dispute here was the indirect outgrowth of a sitdown strike at the company's Panagonia, Ariz., trench mine. Because of a dispute there, several El Paso employees refused to work and were discharged. E. McL. Pittman, manager, said.

Shortly afterwards the entire Local No. 599 of the International Mine, Mill and Smelter Workers (I.M.S.W.) walked out and the picket lines were set up.

Livestock Quarantine Station Is Abolished

WASHINGTON —(AP)—President Truman Wednesday signed into law a bill abolishing a proposed livestock quarantine station on Swan Island in the Caribbean Sea. The measure, by Rep. Eugene Worley (D-Texas), repeals an act authorizing the station. The outbreak of the foot and mouth disease in Mexico prevented completion of the project.

FORMER SLAVE DIES
BONHAM, TEXAS —(AP)—One-time slave Bill Wofford, 110, died at his home here Wednesday.

Pipeline Employees Honor Former Chief

McCAMEY—More than 200 Humble pipeline officials and employees recently met to honor H. H. Bryant at the Kemper Station near Big Lake.

When Bryant recently wrote a letter to his friends and former employees at Kemper Station, that he was going to visit, a committee began work to hold a celebration for him. Bryant now is located at Emporia, Kan. The committee was headed by Billy Gilbert of Midland, A. S. Floyd of Kemper and H. I. Sweden of the North Cowden Field.

The word spread all along the pipeline and the event grew in importance.

Bryant was the first superintendent of Kemper Station back in the early 1920's. He was well liked by his associates. He retired in 1945.

Representatives were present from: Midland, Andrews, Penwell, Coleman, Bronte, Notrees, Comyn, Cisco, McCamey, Wink, San Angelo, Odessa, Sand Hills, Iraan, Sonora, Ozona, Austin, Ballinger, DeLeon, Crane and Dublin and Hobbs, Jal and Eunice, N. M.

FUNNY BUSINESS

CBI Veterans To Meet In Illinois

AUSTIN—Veterans of the China-Burma-India (CBI) Theater of Operations in World War II will hold their second annual reunion in Prepeport, Ill., August 12, 13 and 14.

Jester J. Dencker, CBI Veterans Association commander, said.

Dencker urged "old Texas CBI wallahs" to come and meet with other CBI men at the Prepeport get-together. Dencker, from Milwaukee, Wis., said Texas was among 15 states represented at the first reunion, held at Milwaukee in the summer of 1948.

Watermelon Feed For Church Group Slated

A watermelon feed at 7:30 p. m. Thursday on the back lawn of the manse at 1210 West Missouri Street will replace the July dinner-meeting of Presbyterian Men of Midland. All men of the church are invited and urged to attend.

The deacons of the First Presbyterian Church will hold their regular meeting following the men's gathering.

Mexico Alarmed At Polio Wane In Texas

MEXICO CITY —(AP)—The Federal Health Department sent an expert to the U. S. frontier Thursday to draft means of combating infantile paralysis.

The government said this step was taken "in view of the increasing incidence of infantile paralysis in the U. S., and especially in Texas."

Large Alligator Is Favorite Pet

BUDAPEST—(P)—Dogs and other common domestic animals in Hungary take a tax—but not the alligator owned by Laszlo Lipthay of Pecs.

The alligator was just a few inches long when he arrived from South America a little over 10 years ago. Now he measures around seven feet. He eats three whittings a week, but slept nine months last winter. All the alligator likes a comfortable armchair in the Lipthay home, and his master says: "Deep and sincere friendship binds us together."

Crane News

CRANE—Mrs. Lee Turner was hostess recently to the Bible Study group of the First Christian Church. The next meeting will be at the home of Mrs. H. A. Williams. Those present for the recent meeting were Mrs. M. C. Shingleton, Mrs. J. F. Kendrick, Mrs. Leon Johnson, Mrs. Wayne Karr, Mrs. Williams and Mrs. Turner.

Balloons and bubble gum were the favors given the guests at the sixth birthday anniversary party of Karen Sue Travis, when her mother, Mrs. C. L. Travis, entertained. Members of the Young People's department of the First Baptist Church met in the Gulf Park recently. Home made ice cream and cookies were served to the following: Gordon Robinson, Maxine Williams, Dick Fagin, Raymond Moore, Bobby North, Iva Lou Sims, Ermalee McKay, Howard Christian, Ward Christian, Amel

Omo, Anita Scott, Joy Dickson, Mary Pickering, Dwain Stacy, Bobby Jack Russell, Jessie Marie Scott, Cornelia Lowery, Guin Williams, Bethel and George Ashburn, Mr. and Mrs. H. B. Baker, Mr. and Mrs. W. G. Slater, Evelyn McKay, Jimmie Baker, Ronald Ashburn, Carmelita Russell and Bill McAdoo.

Mrs. Tom Hogan, Sr. and Mrs. Tom Hogan, Jr., have returned from a trip to Aransas Pass where they visited with Mrs. Tom Hogan, Jr.'s parents. They were accompanied home by Mrs. John Felder, grandmother of Mrs. Hogan, Jr. Joyce Sharp of Crane accompanied Mrs. and Mr. H. E. Sharp, Jr., Helen, Duane and Hiram of McCamey to the Brady Jubilee recently.

Roy B. Ward made a business trip to Fort Worth last week. While there he visited with his mother, Mrs. M. J. Ward. Mrs. Ward and daughters, Sandy and Rita, accompanied him on the trip. Mrs. Lucille Clark was hostess to the Friendship Club recently in the Community Hall. Present were Mrs. J. C. Caldwell, Mrs. Dorothy Earp, Mrs. Marion Clancy, Mrs. Jla Gough, Mrs. Nancy Slater, Mrs. Naomi Phillips, Mrs. Jessie Westberry, Mrs. Ethel Neely, Mrs. Alvin Titus, Mrs. P. O. Vines, Mrs. A. B. Earp, Mrs. J. E. Clark, Mrs. M. E. Lear, Mrs. Ruby Taylor and Mrs. Jo Sawyer.

D. S. Nichols, district commander of the VFW, was present at a meeting held in the Crane courthouse recently. The group discussed the state meeting held in El Paso.

Mr. and Mrs. Roger Tyler and son, Curtis, of Dallas are visiting with Mr. and Mrs. C. A. Carroll a few days before continuing their trip to Marfa.

Television Channels For Area Cities Are Listed In FCC Plan

WASHINGTON—(P)—Some 1,700 more television stations may be built in the future in nearly 1,200 cities and towns not previously allocated broadcast channels.

If new proposals of the Federal Communications Commission are approved, Texas would have 139 cities and towns allocated broadcast channels.

The Communications Commission's proposed regulations to add 42 new television channels to the existing 12 would permit the expansion.

FCC officials said the present dozen channels can accommodate only 543 stations in 221 locations. Under the new program there could be about 2,245 stations in 1,400 cities and towns.

The commission's proposals are subject to public hearing August 29, with formal action planned if possible by the end of the year. The following partial list shows allocations to Texas under the proposed change, including locations which would be covered in the very high frequencies (VHF), the 12 channels now in use, and the ultra high frequencies (UHF), the 42 new channels which would be added:

Ablene, VHF Channel 9, UHF Channel 24; Ballinger, UHF Channel 36; Big Spring, UHF Channel 25; Lubbock, VHF Channels 11 and 13, UHF Channels 33 and 35; Midland, UHF Channel 29; Odessa, VHF Channel 7, UHF Channel 21; San Angelo, VHF Channels 2 and 6.

15-YEAR-OLD INVALID DROWNS IN BATH TUB
HOUSTON—(P)—A 15-year-old invalid girl, Constance Marie Aucter, drowned in the bath tub at her home Wednesday as her mother was at the front door talking to a salesman. Justice of the Peace W. C. Ragan returned an inquest verdict of accidental death from drowning with convulsions as a contributing cause.

Horned Toad Derby Slated At Eastland

EASTLAND—In the only celebration of its type in the Southwest, Eastland's first Annual Old Rip Horned Toad Derby will be held Saturday, with 150 toads from over West Texas competing for \$350 cash prizes.

Under the sponsorship of the Chamber of Commerce, the idea for the derby stemmed from the fact that Eastland is world-famed as the home of Old Rip, the horned toad who lived after being entombed in the cornerstone of the old Eastland County Courthouse 31 years. On the twentieth anniversary of Old Rip's death, the first annual derby is being held to perpetuate the memory of this venerable horned toad, whose preserved body now lies in a plush-lined casket in the lobby of the new courthouse.

With fun, thrills and prizes planned for the entire family, a variety of activities are planned in connection with the one-day event.

Equatorial Africa's pigmy hippopotamus weighs less than 500 pounds when mature.

Oil Well Serviceman Killed In Accident

KERMIT—Lester Joseph Wood, 58, employee of Permian Well Service and resident here since June 2, was killed instantly and four others injured when a jeep overturned two and one-half miles East of Wink on the Monahans Highway Wednesday.

Hospitalized were L. J. Fugate of Kermit, C. T. Keese, W. L. Shilton and A. Dennis, all of Wink. They are Permian Well employees. Wood's body will be forwarded to

Panama, Mo., where his widow and eight children reside. He had stayed with his sister, Mrs. J. T. Pittman at Kermit.

A new synthetic fiber that will rival and surpass nylon in many uses is about to go into production. The new fiber is said to possess great strength and to have superior resistance to wear, heat, and chemical action.

Years of research pioneering guarantee LUCKIES ARE A FINER CIGARETTE!

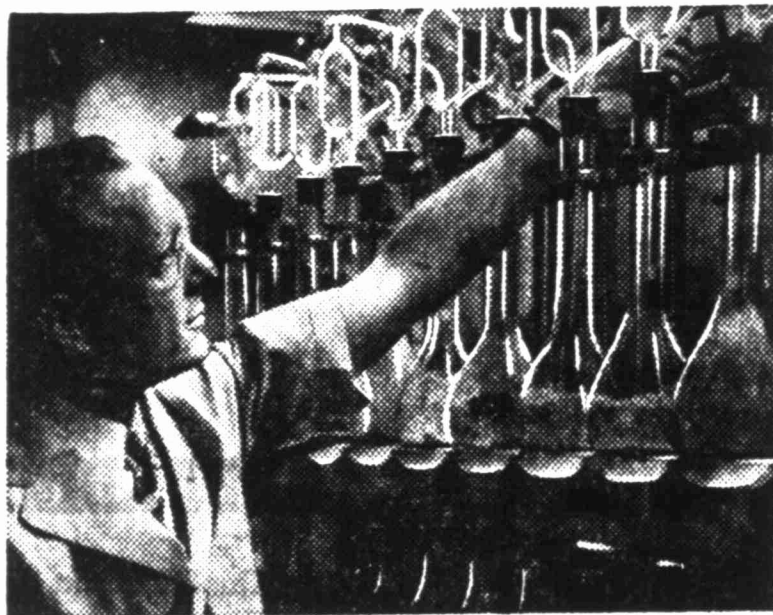

Constant research at Lucky Strike's famous cigarette laboratory—America's largest and most completely equipped—is devoted to giving you a finer cigarette!

THERE is no finer cigarette in the world today than Lucky Strike. Here's why: Lucky Strike means fine tobacco. And every step in the making of Luckies—from before this fine tobacco is bought until the finished cigarette reaches you—comes under the watchful eye of the largest and most completely equipped cigarette research laboratory in America.

For many years, the famous Lucky Strike laboratory in Richmond, Virginia, has been a center of cigarette science and technology. In this remarkable building you can see a fascinating collection of scientific instruments—microscopes, spectrophotometers, balances, projectors, humidification chambers, and many other complicated and costly machines.

Working with this array of scientific equipment are more than 60 highly trained specialists—chemists, biologists, engineers, physicists. They work on tobacco, on finished cigarettes, on paper, foil, cellophane and even printing inks. For Lucky Strike scientists have for years delved into cigarette research on an extensive scale.

Today, because of the miracle of modern science, Lucky Strike is a finer cigarette.

Testing tobacco. Samples from every tobacco-growing area are analyzed before and after purchase. These extensive scientific analyses, along with the expert judgment of Lucky Strike buyers, assure you that the tobacco in Luckies is fine, light and mild. No wonder Luckies are a finer cigarette.

Luckies stay fresh. After Lucky Strike cigarettes have been packaged, they must be tightly sealed to remain fresh. Here you see the cellophane seal being tested for air-tightness. Such instruments are in constant use at every plant.

We know:

LUCKIES PAY MORE
for fine tobacco

(millions of dollars more than official parity prices)

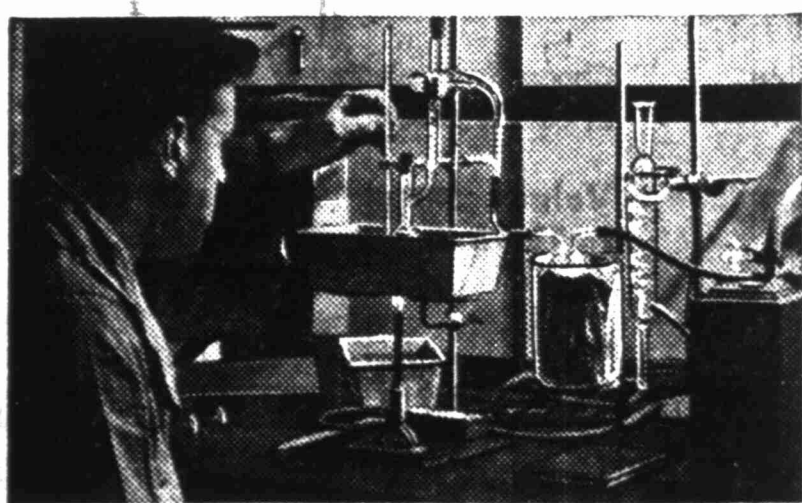

We are convinced:

LUCKIES PAY MORE
for cigarette research

Prove to yourself Luckies are finer—Get a carton today!

© 1949 THE AMERICAN TOBACCO COMPANY

Research leads the way. Only constant, painstaking, exhaustive research—as conducted on a large scale through the years by The American Tobacco Company—could produce the scientific knowledge that results in the quality of Luckies.

Longhorn League—Dusters Gain Clear Hold On Second Slot In Loop Standings

By The Associated Press
The league-leading Big Spring Broncs finally took it on the chin in the Longhorn League Wednesday night.
The Odessa Oilers downed the Broncs 8-2. The Vernon Dusters whitewashed San Angelo 7-0 to take over undisputed possession of second place, eleven and a half games behind the Broncs.
Midland's game at Sweetwater was postponed because of rain. And Ballinger defeated Roswell 7-4.
Aided by three Big Spring errors, Odessa counted six times in the first inning to down the league leaders.
Wayne Moon's home run in the fifth was the big blow in Vernon's eleven-hit attack on two San Angelo pitchers.
Ballinger scored five unearned runs after two were out in the ninth inning to beat Roswell.

Pony Passing Star Decides To Sign Up With Pro Grid Team

DALLAS (AP)—Gilbert Johnson, Southern Methodist University's spectacular forward passing star, is going to turn professional "as soon as possible."
Johnson made his decision Wednesday afternoon after talking by telephone to Coach Matty Bell, who is on vacation in Cloudcroft, N. M. Johnson said he "expected" he would sign with the New York Yankees of the All-America Conference. Philadelphia holds draft rights to the Mustang aerial wizard in the National Professional Football League.
"If there is a Yankee agent around here with a contract form I'll sign it," Johnson said. "If not, I may fly to New York this week end."
He quoted Bell as saying "Gilbert, we sure want you back, but I appreciate your position. Make your own decision, and whatever it is I'll always be your friend and I'll stick by you."
"I sure hate to leave the team, but I'm 25 years old and married, and I just can't afford to stay out of pro ball," Johnson said.
One of the most spectacular passers in the Southwest's football history, Johnson had been counted on heavily in Southern Methodist's bid for a third straight Southwest Conference football championship.

Tribe-Swatters Rained Out; Twin-Bill Slated

The Midland Indians and the Sweetwater Swatters were given a night off Wednesday night when rain canceled their scheduled Longhorn League game in Sweetwater's Sportsman Park.

The two teams will work overtime Thursday night in a double-header. Starting time will be 7:30 p.m.

Lefty Leon Hayes will pitch the first game for Midland and Ralph Blair will hurl the nightcap.

The Indians will complete their three-game series in Sweetwater Friday night and return home Saturday for a two-game stand with San Angelo.

Sports

8—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 14, 1949

MAJOR LEAGUES—

Three Skippers In Each Loop Predict Club Will Nab Flag

By JOE REICHLER
Associated Press Sports Writer
The major league pennant races are going to wind up in two triple ties for first place.

At least that's the conclusion one draws after comment from Casey Stengel, Burt Shotton, Joe McCarthy, Connie Mack and other optimistic pilots.

The latest skipper to look through rose colored glasses is Joe McCarthy of the Boston Red Sox.

Although in fourth place, McCarthy insisted his club "from here in is the team to beat" in the American League.

The Red Sox have won seven in a row and are only a game and a half behind third-place Philadelphia.

Casey Stengel of the front-running New York Yankees, does not share McCarthy's opinion.

"I had been inclined to think that the Red Sox would provide us with the toughest competition," Stengel said. "But when we knocked them off five times in a row recently, that finished them. I don't think they can recover."

Connie Mack, Philadelphia's 86-year-old manager, says, "Our boys, although in third place today, feel they still can win and I, as their manager, have to go along with them, naturally," he said. "Don't count us out. We still have a good chance."

Boudreau Grins
Cleveland's Lou Boudreau didn't talk much but grinned knowingly when asked whether he thought he would repeat.

"We're still the champions," he said. "It's up to the others to beat us. And it's not going to be easy. I promise you that."

Burt Shotton, grizzled Brooklyn manager, still insists, as he has all season long, that his Dodgers are going to win the National League flag.

St. Louis Card Leader Eddie Dyer thinks his team is at least 15 percent improved with the addition of Fitchers Ma Lanier and Fred Martin and infielder Lou Klein.

Dyer and Billy Southworth, manager of the third-place Boston Braves, envisioned a stretch drive that would not produce a winner until the final day.

The Indians in the American, and Brooklyn and Boston in the National, face an opportunity to strengthen their claims, as each opens a 13-game home stand starting Thursday night.

Brooklyn digs in at Ebbets Field for a two-week stand.

Texas League—

Sports Clip Wings Of Eagles To Move Near Second Place

By The Associated Press
Dallas, which has been worrying about catching first-place Fort Worth, has another worry Thursday—hanging on to second in the Texas League.
The Shreveport Sports moved within one game of the second-place Eagles Wednesday night by handing them a 6-3 licking.
Fort Worth's game with Beaumont was rained out.

Ed Levy's single with the bases nudged Oklahoma City 10-9, and Tulsa dropped Houston 5-4.

Shreveport banged out an even dozen hits off three Dallas pitchers, one a two-run homer by Les Burge in the third. Dallas tied the score in the fourth, but the Sports broke in front to stay in the fifth inning with a two-run spurge.

Ben Guittini hit a home run for the Eagles in the third.

Ed Levy's single with the bases loaded in the ninth inning gave San Antonio its narrow victory.

Tulsa won its fourteenth straight road victory and its tenth in a row against Houston with a three-run rally in the eighth.

Lone Texan Remains In Public Links Play

LOS ANGELES (AP)—They're finally getting down to cases in the U.S. Public Links Golf Tournament.

The 16 left are the toughened winners after four rounds of grueling medal play over the 6,805-yard Rancho Course.

Thus far it's been fatal to pick anyone who looks outstanding. He's been knocked off regularly in the next round. But if there is one Thursday who outshines the other 15, it's Donald Shock of Dayton, Ohio.

Ken Towns of Burlingame, near San Francisco, looks like the second best bet. Cocky, and stroking smoothly through two matches, he led a contingent of three Bay City players into the final 16—the largest single sectional group.

The day's other winners included two from Atlanta, Johnny Carson and Lewis McLennan; Richard F. Cooney, Portland, Ralph Vranesic, Denver; Eddie Kleckle, Chicago; William C. Betger, San Francisco; Paul McDonald, Renton, Wash.; Philip E. Gordon, Oakland, Calif.; Phil J. Kunkel, Salt Lake City; Vernon Smith, Galveston; Lou Barnes, Alhambra, Calif.; Richard Levenhagen, West Allis, Wis.; Moreno Cazo, Seattle, Wash., and Kermit Hagar, Oklahoma City.

For example, he clipped strokes off par but he missed a putt by a hair.

He was razor sharp, but he had a close shave.

He even had a narrow (forgive us) brush with defeat.

But Chavez lost to Kermit Hagar of Oklahoma City Wednesday.

In other words, he took a trimming.

Do FALSE TEETH

Rock, Slide or Slip?
FASTEETH, an improved powder to be sprinkled on upper or lower plates, holds false teeth more firmly in place. Do not slide, slip or rock. No gummy, gooey, pasty taste or feeling. FASTEETH is alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH at any drug store. —(Adv.)

Mackey, Puett In Finals

Just to prove it can be done, the favorites in the Midland Country Club Junior Golf Tournament continued to shoot their finest games Wednesday to advance to the finals. Graham Mackey and Roane Puett are battling for the championship flight title Thursday over the 18-hole route.

Puett advanced with a 5 and 4 victory over Teddy Kerr in the semi-finals. Mackey bested Paxton Howard 8 and 7.

Doyle Patton, Jr., and Buzzy Bray moved up to the finals in the first flight.

Young Patton whipped Roy Kimsey 6 and 4 and Sammy Parker went down before Buzzy's attack.

The Pattons took over in the second and third flights. Mike Patton downed Bill Erskine 5 and 4 in a second flight match while his little brother Paul was besting Tommy Miller 5 and 4 in the third flight.

Waldo Leggett beat Charles Faris 5 and 4 in the other second flight match. Bill Mims won over Robert Turpin 1-up in the third flight.

The tournament will be completed Thursday and prizes will be awarded at a dinner for contestants in the club ballroom Thursday evening.

In the long-driving contest, Doyle Patton, Jr., won first place for two balls with a total of 474 yards. Graham Mackey poked one 327 yards for the best single drive.

Roane Puett won the putting contest with a slick seven strokes on three balls. Teddy Kerr had an eight and Mike Patton scored a nine.

UNIDENTIFIED BODY FOUND NEAR CHURCH IN HOUSTON

HOUSTON—(AP)—The decomposed body of an unidentified white man was found Wednesday in a weed patch near fashionable Riverside Memorial Methodist Church.

No clues to the man's identity were in the clothing.

awarded at a dinner for contestants in the club ballroom Thursday evening.

In the long-driving contest, Doyle Patton, Jr., won first place for two balls with a total of 474 yards. Graham Mackey poked one 327 yards for the best single drive.

Roane Puett won the putting contest with a slick seven strokes on three balls. Teddy Kerr had an eight and Mike Patton scored a nine.

Oklahoma To Have Speed Limits Soon

OKLAHOMA CITY—(AP)—Something new will be added to Oklahoma's highways come August 25—speed limits.

Up to now Oklahoma was one of the few remaining states to let drivers decide the speed best suited to safety.

The Legislature changed that this Spring after debating the state's soaring traffic death toll, and the Highway Department is busy making signs to show the new limits.

For cars, the new limits are 65 during the day and 55 at night; trucks under 48,000 pounds, 50; trucks over 48,000 pounds, 40; buses, 55.

Maxwell Advances To Semi-Finals In Junior Golf Play

SAN ANTONIO—(AP)—The twenty-second State Junior Golf Tournament moved into semi-final play Thursday with Medalist Joe Conrad of San Antonio still the favorite.

Conrad won two matches Wednesday. So did Morris Williams, Jr., of Austin, Bert Weaver of Beaumont and Billy Maxwell of Odessa.

Conrad met Weaver and Williams played Maxwell in 36-hole matches Thursday.

The finals will be played Friday.

Joe's Gulf Moves Into Tie For Top

Joe's Gulf, with Frank Brahaney providing the punch, smothered Shell 11 to 1 in a Midland Softball League tilt at Wadley Field Wednesday night to move into a tie for first place with Western Plastic. It was the first time this season a team made home runs its most prominent weapon of attack.

Sixth place Rendezvous nudged the Rebels 11 to 10 in an extra-inning battle to strengthen its position in the standings.

Shell scored its only run in the first inning on a walk to Donaldson, a double by Humphries and a long fly by Pyle. Jerry Matejcek, Gulf hurler, closed the door after that.

Joe's nine scored one in the first and one in the second. In the third they broke loose for four. Flournoy opened with a home run. Daugherty singled and Jones drove him home with a round-tripper. Brahaney then smashed the third homer of the inning.

Brahaney Does It Again

Brahaney opened up with his big guns again in the fifth. He hit the longest home run ever seen at Wadley Field, with two on base.

The game was called at the end of the fifth when the Gulfers gained a 10-run advantage. Matejcek limited Shell to four hits while his mates were collecting 13.

The Rendezvous and the Rebels battled on fairly even terms for most of their tilt.

Flea Bizzell hurled good ball for the Rebels but was touched at opportune times by his opponents. Jimmy Kennedy collected four for five, including a two-run homer in the seventh to tie the score for the Rebels. Duck Drake had a perfect night with five for five.

Even that wasn't enough, however. The Rendezvous pushed across the winning run in the first of the tenth on a single by Manning, a walk and McAdams' single. Steele was the winning pitcher.

Longhorn Attendance Up 58,204

ABILENE—(AP)—Attendance in the Class D Longhorn Baseball League is up 58,204 over last year's total at the half-way mark in the 1949 season.

President Hal Sayles announced Thursday that the official paid attendance for the first half of play this year is 217,916 against 159,712 for last year.

San Angelo has shown the biggest increase with 40,880 customers. Six of the eight league cities show an increase in attendance.

The comparative figures (1948 in parenthesis):

Ballinger 21,070 (15,524); Big Spring 29,762 (28,149); Midland 30,603 (24,203); Odessa 32,833 (27,647); Roswell 19,817 (did not compete last year); San Angelo 40,880 (14,392); Sweetwater 18,851 (17,947); Vernon 24,100 (24,992).

Roswell replaced Del Rio in the league this year. Del Rio last year drew only 6,868 for the first 28 games.

SPORTSLANTS

BY SHORTY SHELburnE

The Midland Indians have just about the toughest row to hoe out of any Longhorn League team for the remainder of the season. Harold Webb's boys have done amazingly well so far. They have stayed in the first division all the way except for a brief period during the early part of the season.

From here in, it's going to be plenty rough.

—SS—

The remaining 63 games on the schedule are split just about even between Indian Park and the road. Thirty of the 63 will be played here. But 39 of the remaining games are against the top clubs in the pennant race.

—SS—

The Indians meet the Big Springs Broncos 10 times more. Five games will be here and five will be at Big Spring.

Vernon is scheduled 11 more times this season with six of them in Midland.

Roswell's remaining 10 games with the Indians are split evenly between the two towns.

San Angelo will be here for five and the Indians go to San Angelo for three.

—SS—

The 24 games with the second-division clubs hold some degree of trouble, undoubtedly, when we stop to look at the schedule. Of ten games with Sweetwater, eight of them will be played in Swatter Park.

Four of the remaining six games with Odessa are scheduled on the "Others" home field.

Only last-place Ballinger will be in Midland more than Midland will be there.

—SS—

The only thing that can keep the Indians out of the playoffs is a major disaster among the pitchers.

The addition of Claude Horton to the mound staff should prevent anything like that. Even though he hasn't played much professional ball this year, Horton has been at work in a semi-pro league in Fort Worth to keep in shape. He recently hurled a no-hit, no-run contest there.

—SS—

Next Fall will bring to Midland one of the fullest football seasons in the history of Midland High School.

The varsity team will play a regular 10-game schedule. It will be in a new district which will bring new "blood" here in teams who haven't been seen in competition with the Bulldogs before.

Coach Tugboat Jones has arranged an eight-game schedule for the "B" Bulldogs.

The Junior High team also will play an eight-game card.

It appears now football will become one of a major sport there over in Midland.

—SS—

The Midland Junior Chamber of Commerce has come up with one of the finest ideas in years in connection with their West Texas Invitation Swimming Meet to be held here August 6.

It has been decided a revolving trophy to be known as the Clint Dunagan Memorial Trophy will be awarded to the team scoring the most points. The trophy is dedicated to the late Clint B. Dunagan who was probably the most active Jay-Cee ever to be a member of the Midland club.

A team must win the meet two times to be eligible to keep the award.

—SS—

Wade Whiteley, coach of the Midland swimming team, reports workouts are progressing nicely at Pagoda Pool. More swimmers are needed at once, however, to assure a strong team for the coming tournament.

Whiteley urged all swimmers over the age of 10 to report to him for workouts.

There will be competition for all ages in the meet. Prizes will be awarded to the first three placers in each group.

Five Texans Survive Oklahoma City Start

OKLAHOMA CITY—(AP)—Five Texans and 11 Oklahomans survived first round play in the Oklahoma City Invitational Golf Tournament.

Second round and quarter final matches were scheduled Thursday.

The Texas entries who cleared the first round test were Bob Watson and Don Billeby of Wichita Falls; Don Cherry of Odessa, and Dick Martin and Buster Reed of Dallas.

Pat Garner Wins First Round Match In Broadmoor Play

COLORADO SPRINGS—(AP)—Medalist Mrs. Russell Mann of Lincoln, Neb., scored a 4-3 victory Wednesday over Mrs. F. B. Shaw of Colorado Springs in first round match play of the Broadmoor Women's Invitational Tournament.

In other matches, Pat Garner of Midland, Texas, defeated Janice Voigt, Denver, 8-7.

Oil And Gas Log-

(Continued From Page One)
Crabtree, Northwest Mitchell County, 12 miles northwest of Colorado City and 660 feet from south and west lines of the north half of section 2, block 26, H&TC survey.

The examination was for one hour at 5,280-5,389 feet, recovering 1,100 feet of salt water, with no shows of oil or gas.

Drilling was continuing from 5,458 feet in line. Projected depth is 9,000 feet to test into the Ellenburger.

Some observers think the current horizon is Ellenburger. That surmise has not been officially verified, and no top for the section has been reported.

This venture discovered possible commercial production in a Permian line above 4,000 feet. If the Ellenburger fails to make an oil well, operator probably will plug back and try to complete from the upper zone as the opener of a new pay for the Noelke area.

Noelke Test May Be Drilling Ellenburger

M. & M. Production Company No. 2-B Bouscaren, deep wildcat in the shallow Noelke field of Northwest Crockett County, and 1,980 feet from north and west lines of section 29, block CG, H&TC survey, had reached 7,233 feet in a line and dolomite formation, and was making more hole.

This venture discovered possible commercial production in a Permian line above 4,000 feet. If the Ellenburger fails to make an oil well, operator probably will plug back and try to complete from the upper zone as the opener of a new pay for the Noelke area.

Some observers think the current horizon is Ellenburger. That surmise has not been officially verified, and no top for the section has been reported.

Cooperation Aids Polio Fight, Unit Doctor Announces

"Complete cooperation of citizens and city and county officials have, in a large measure, succeeded in stemming a polio epidemic in this area," Dr. F. E. Sadler, director of Midland, Ector and Howard Counties Health Unit, said Thursday.

The polio cases reported in these counties came within one short period and it was feared the disease would reach an epidemic stage, Sadler pointed out. "Cleanup campaigns and constant spraying have done much to alleviate this danger," the health officer explained.

Only 29 cases of polio have been reported in the three counties since January 1. Broken down into counties the figures read: Midland County five, Howard County 10 and Ector County 14 cases.

In Midland, the Junior Chamber of Commerce is to be commended for its constant efforts to keep the city clean and free of "danger spots" where the disease might be expected to break out. Such measure as the city requiring covered garbage containers for waste disposal is an example of the cooperation received from city officials, the doctor said.

"Although the outlook is bright in regard to the control of polio in this area," Dr. Sadler warned, "too much caution cannot be taken. There still are many places that are unsanitary and the continued cooperation of citizens is a 'must' in the danger months ahead," he concluded.

\$100 Deductible Insurance Clause Faces Court Test

AUSTIN—(P)—The rule that you get no hail and wind insurance coverage under \$100 has been challenged in court here.

Jess D. Carter, Austin attorney, filed suit in 126th District Court to test constitutionality of the insurance commission order. The effect of the order is that your damage has to exceed \$100 before you can collect on a windstorm and hurricane policy on your house.

Carter asked that the commission be forced to modify its order so policy buyers could pay a little more if they wanted to and get the protection for damage under \$100.

Three Kermit Men Injured In Blast

NEW ORLEANS—(P)—An unexplained explosion badly burned three Texans Wednesday who only Tuesday finished the dangerous job of capping a wild gas well.

They are L. B. Wilcoxson, 21; K. G. Welch, 24, and Kermit H. Stogard, 23, all of Kermit and employees of the Richardson and Bass Drilling Company of Fort Worth. They were treated here for second degree burns.

The explosion occurred aboard an oil company boat headed for the Grand Bayou.

The boat sank a few minutes after the explosion.

State Board Okays North Concho Dam

AUSTIN—(P)—Construction of a dam on the North Concho River has been authorized by the State Board of Water Engineers.

A permit was issued the Upper Concho River Authority to take 80,400 acre feet of water annually from the North Concho in Tom Green County for domestic, municipal and irrigation purposes.

The water will be impounded in a 391,000-acre-foot reservoir.

Polio—

(Continued From Page One)
counties that reported new cases for the first time were Wood, Val Verde, Sterling, Ochiltree, Nolan, Lipscomb, Kimble, Jack, Eastland, Archer and Anderson.

San Angelo Highest
Tom Green County, whose seat is San Angelo, remained highest in the department's records of polio incidence with 19 new cases. Bexar County (San Antonio) was second with 17. Harris County (Houston) had 12 new cases and Dallas County 11. Five other counties reporting each had three cases or fewer.

Only one San Angelo resident was among those admitted for treatment there Wednesday. The out-of-county cases were a child from McCamey, a child from Sonora and an adult from Miles. The number under treatment at San Angelo dropped to 64, with nine dismissals.

Ranger, Patrolmen Guard Sheriff After Street Gun Slaying

CENTREVILLE, TEXAS—(P)—Eight highway patrolmen and a Texas ranger have been patrolling Centerville streets since Sheriff Ben Lee shot a man to death here last Saturday.

Lee said Thursday he shot Tom Bill Featherstone, 29, during a scuffle while trying to arrest the heavily-built man "for disturbing the peace and being drunk."

"The patrolmen and the ranger came at my request and as a result of threats made against me," the sheriff said.

Lee said Featherstone had a police record and two years ago was indicted on assault charges after the beating of former County Attorney Lamar Palmer.

"Saturday afternoon I was driving down the main street here when Featherstone hollered at me and cursed me, telling me to come and get him," Lee related.

Two Bystanders Hit
"I tried to arrest him. He attempted several times to take my gun away from me. I shot twice. The first time I missed Featherstone, but two bystanders were hit. The second time I got Featherstone in the right chest."

The bystanders were Wendell Bell, about 27, hit in the arm, and Jamie Crank, a negro, about 40, hit in the leg. Lee said neither was seriously hurt. Lee said he called an ambulance and a doctor to treat Featherstone but that the latter died enroute to a hospital.

After the shooting, Lee said, he learned of threats against his life and called upon the Highway Patrol and the ranger. He said they have been patrolling Centerville since the shooting.

Dr. Fred Gaarde Is Staff Member At Western-Clinic

Dr. Fred W. Gaarde, 32, of Rochester, Minn., Thursday announced his association with the Western Clinic-Hospital, with offices in the hospital.

He has restricted his practice to internal medicine and diagnosis.

Dr. Gaarde received his B. S. and M. D. degrees from the University of Minnesota and took his rotating internship in Multnomah County Hospital, Portland, Ore.

Following the completion of his internship he joined the U. S. Army Medical Corps and served in the Pacific Theater as captain.

After separation from the Army, he completed his fellowship in the Mayo Clinic and has completed his work for the American Board of Internal Medicine.

Professional Affiliation
Gaarde affiliates with the following professional organizations:

The American Medical Association, Minnesota State Medical Association, Alumni Association of Mayo Clinic and the Four-County Medical Association at Rochester.

He has applied for licensing by the State Medical Association of Texas and for membership in the Six-County Medical Association of Midland. He is a member of Sigma Xi professional fraternity and the American Legion.

Dr. and Mrs. Gaarde and their four-year-old daughter reside at 1609 West Louisiana Street.

Low Flying, Not Fist Fight, Cited As Disaster Cause

LOS ANGELES—(P)—Civil Aeronautics Board officials say low flying and not a fist caused the crash and explosion of a non-scheduled airliner which cost 35 lives and injured 3,000.

Stewardess Charlotte Grenander, 23, told authorities Wednesday that the scrap aboard the Standard Airlines' twin-engine C-46 Commando was only a one-punch affair. She said it occurred an hour before the crash in the rugged Santa Susana Mountains 30 miles north of downtown Los Angeles Tuesday.

James H. Peyton, regional CAB chief, said the aircraft was on course for an instrument approach landing at Lockheed Air Terminal, Burbank, but was 2,000 feet too low. He said a smashed altimeter registered 1940 feet.

Stewardess Charlotte Grenander, 23, told authorities Wednesday that the scrap aboard the Standard Airlines' twin-engine C-46 Commando was only a one-punch affair. She said it occurred an hour before the crash in the rugged Santa Susana Mountains 30 miles north of downtown Los Angeles Tuesday.

Stewardess Charlotte Grenander, 23, told authorities Wednesday that the scrap aboard the Standard Airlines' twin-engine C-46 Commando was only a one-punch affair. She said it occurred an hour before the crash in the rugged Santa Susana Mountains 30 miles north of downtown Los Angeles Tuesday.

Truman—

(Continued From Page One)
which are most important to our domestic economy."

That was an obvious reference to the move in Congress to trim federal spending.

Truman explained that he is dropping his request for a \$4,000,000,000 tax increase because he does not want to "injure the economic health of the country." Indicating the alternative is red ink spending, he added:

"You cannot achieve a surplus in the government budget when you have a declining national economy. x x x If we follow the wrong budget policy at this time and slash our expenditures, we will increase unemployment, cut down investment, weaken our defenses, and injure our efforts for peace."

GOP Blasts Hotter
Senator McClellan (D-Ark.), chief sponsor of an economy resolution directing the President to slash appropriations, commented that there are certain contemplated expenditures for public works "that would of course stimulate our economy," but he added:

"There are other savings that can and should be made, and it is the duty of the President and the Congress jointly to bring about such economies."

Republicans let loose with hotter criticism. Said House Minority Leader Martin, of Massachusetts:

"Every day the Democratic 81st Congress is in session makes the Republican 80th Congress look better. The President may be fooling himself, but he isn't fooling many other people."

"If cutting taxes last year was such an awful blunder, I don't know why the President isn't standing by his original request for a \$4,000,000,000 tax increase."

"Heading Into Ditch"
Senator Wherry of Nebraska, the Senate Republican leader, put it this way:

"The Truman Administration is the crowd that is leading us into the ditch. The Administration is taking us right down the avenue of deficit spending, and I don't know how we could go into the ditch any faster or deeper."

But one Republican who voted for the tax reduction said he now regards it as "a mistake—one of the very few of the 80th Congress made." Senator Flanders of Vermont, noting Truman's criticism of the cut, remarked:

"He's got us there all right. I voted for it, knew I was doing wrong at the time, and have regretted it ever since."

FINED \$50
A Midland man was fined \$50 in Police Court Thursday on charges of being drunk in a public place. He also was reported to have been involved in a collision.

COLLISION REPORTED
Police investigated a collision at the intersection of South Marshall and East Kentucky Streets Wednesday. No personal injuries were reported.

At one point Hell's Canyon, Idaho, is 7,000 feet deep—considerably more than Grand Canyon's maximum depth of 6,100 feet.

RELATIVE DIES
Mr. and Mrs. W. B. Dixon Wednesday were notified of the death of her brother-in-law, J. W. Ward of San Angelo. He was vacationing in Colorado at the time of his death. Funeral services will be held in San Angelo probably Friday. Dixon is stationed in Midland as a member of the Texas Highway Patrol.

From where I sit... by Joe Marsh

Windy Sure "Stopped The Show"

The other night a bunch of us were over at Judge Cunningham's watching a swell vaudeville program on his new television set. It came in fine, but just once, the screen got a little streaky.

Before the Judge could touch the knob to bring it into focus, old Windy Taylor starts fooling around with the antenna connection. "I can fix that!" he says.

Windy fixed it all right. He "stopped the show" for us, and Buzz Ellis had to come over and do a \$20 repair job. I understand

Windy feels so bad, that he's paying the bill and has apologized to the Judge for acting so smart.

From where I sit, it pays to practice a little restraint whenever we get the urge to meddle. Whether it's television or a person's right to enjoy a temperate glass of sparkling beer now and then—let's get a good clear "picture" of the real situation before we cause more harm than good.

Gossip And Sarcasm Drive Friends Away
By ALICIA HART
NEA Staff Writer

The girl who waxes sarcastic or resorts to gossip in order to capture an audience can use better methods of attracting attention.

The sarcastic or gossip-relaying Miss is apt to gain an unsavory reputation for maliciousness which will make her friends distrust her or fear her tongue.

The best substitute for a sarcastic or gossiping remark about a person, if you ever feel inclined to make one, is a statement of praise or flattery.

As a rule, the more information you can gain from reading, studying or listening to the talk of intelligent people, the less need you will have to resort to petty gossip. The better informed you are, the easier it will be for you to engage in smooth, effortless and impersonal conversation.

It is a well-established fact that the girl who gossips, who "embroiders" her stories, or who builds up sensational rumors as facts, is the one who has limited conversational resources.

The UN flag design was adopted Oct. 7, 1947. It is a white UN emblem (global map projected from the north pole and embraced in twin olive branches) centered on a rectangular blue banner.

Youth Center Chatter

By JOYCE HOWELL
We have run out of "cute" ways of beginning Y-C Chatter so this week we will just start with a "friendly" "Hello."

This hot Summer weather certainly wears one out. The weather is so unusually hot and sticky that everyone goes around feeling dirty and cross unless they are in a swimming pool.

At the Center we are having our troubles too! The big question is—"Is it better to have flies in the Youth Center or to be hot?" With the front door open, the flies swarm in, but when the door is closed, the whole building is quite hot.

We have a very nice air-conditioner at one end of the Youth Center and one is certain to see several members standing around it at some time during the day. Mr. and Mrs. E. W. Anguish are letting the Youth Center use their air-conditioner and we would like to thank them for the use of it.

Looking Cool
Despite the hot weather we have seen several of our members looking quite nice and cool. Nail Cole often is seen at the swimming pool in shorts. Ann Boring and Tony Chapple look lovely in their Pilecky Summer dresses. Ann's dress has a white blouse and a pink skirt while Tony's is a one-piece yellow. And don't you all think John Richardson looks heavenly in those loud sport shirts he wears? We also have noticed the lovely socks that "Moot" Harris wears. Wonder if they help keep his feet cool.

Well miss Adele Blackman next week. Adele is going to San Antonio for a week's visit with relatives. She has several cousins there and is looking forward to this trip. A few weeks ago Charlie "Pronto" Wheat went to California. He visited several very interesting places while there and brought back a very pretty pair of earrings for Vi Jean Fuglar!

Tommy Hartly, Dub Thompson's cousin, was here for a few days last week. The cute 16-year boy has a pair of dimples that are enough to make any girl swoon. Too bad girls—he already has a returned to his home in Fort Worth.

Last Saturday we met a very cute girl from Cleburne. Her name is Sandra Bickham and she was visiting her cousin, Charlie Wheat. She and Vi Jean Fuglar were seen riding around in an old yellow pickup.

Midland has another new teenage resident. His name is Dewain Hemman. Dewain's nickname is quite unusual—"Duck." We wonder how he acquired it. Next year "Duck" will be a freshman at Abilene Christian College. Glad to have you in Midland, Dewain.

We also will miss Jean Ferguson this next week or two. Jean is going to Weatherford to spend a few weeks with her grandparents and her aunt. We hope Jean will get up at 5:30 in the morning and will go to Jean.

Another one of our members will be out of town for a couple of weeks. Sue Corner plans to visit her grandparents and other friends in Independence, Kan.

Wonder who the "Invisible Stranger" was playing "Goalie" last week. He was quite good as he beat Joe Anderson and Jimmy Corner.

We understand that Jimmy Don Davenport is quite a "fixer." Last Saturday Jimmy Don picked up Adele Blackman and the two of them went to a garage to fix the horn in Jimmy Don's automobile. After a short period of an hour trying to get the steering wheel off, they got to the horn. We'd love to give you a "blow-by-blow" account of the horn repair job, but as that would take far too long, we'll just tell you the final results. After well over three hours' work, the horn honked! It

is still a mystery why it honked, as four parts weren't in it, but it did. Jimmy Don tried to find a place to tuck the extra parts, but since the horn honked, he just left them out. Adele supervised the job. Good work, Jimmy Don and Adele!

We wonder whose red convertible was parked at the corner of "A" and Illinois Street last week. There was quite a commotion in Jean Ferguson's back yard several nights ago. It seems as though several girls spent the night there. Gloria Anguish, Adele Blackman, Shirley Harrison, Mary Nelle, Betty Wilson and Wilma Lile were a few of the girls who were there. Tony Chapple, Ann Boring and Rosalynn Leggett also were there earlier in the evening. The whole bunch was at the Youth Center 'til around 10:30.

It seems we always are seeing boys from Odessa over in Midland. Roy Downey, Davis Sikes, Clyde Jones, Jackie Thomas and Tommy Beane are a few often seen here. We wish you all would come down to the Youth Center more often.

We saw Tony Chapple, Shirley Harrison, Mary Nelle, Jean Ferguson and Sidney Smith playing an exciting game of pool(?) the other night. They were playing some sort of game with the Chinese Checker Board, and they seemed to think it was pool.

We noticed two visitors at the Youth Center Monday night. Glen McNeil and Ann Hughes took Retta Halpiz and Penny Jones as their guests to the Center. Retta and Penny aren't old enough to belong yet.

We saw Jane Beakey and Peggy Rad in a bakery buying things right and left. Madelon Schabrum seems to think apple pies are quite good. Every time we've seen her in the bakery, she has been buying an apple pie!

Say, boys, here's your chance to get back on the good side of that favorite girl of yours! There will be a big semi-formal dance at the Youth Center Saturday night. The hours of the dance are from 8 to 12 and there will be refreshments. Be sure to ask your girl friend and come to the Center next Saturday! Admission will be by membership cards only, so be sure to bring yours.

Have you received three postcards from the Center? Postcards telling about the Wiener Roast, the Watermelon Feast and the Dance have been sent to all members. If you haven't received your cards be sure to tell Mrs. Gwyn so your name will be put on the mailing list. The Wiener Roast and Watermelon Feast were held during the last two weeks and the Dance will be this Saturday.

Wondering Thoughts
Wonder how long it took Bill Little to get Melba Clarke away from the game of ping-pong she was watching the other night. Dickie Jackson's funny serve seemed to mix David Laverty up. David and Dickie were playing a fast game of ping-pong.

We wonder some teenagers know the Fourth of July is past? We've heard so many firecrackers going off the last few days we really do wonder.

We've heard a few of our members like to catch tadpoles. How about this, Sue?

Wonder if the Nightmare theme song ever will wear out.

We have a new croquet set at the Center and when it is a little cooler the set will be put up. If you have any records you would like to see in the Juke Box be sure to bring them down. Any records brought to the dance will be used. The music will be furnished by our juke box and a record player.

We started with a plain beginning this week, so we'll just end with a plain—Goodbye.

"Good! Tasty! Delicious!"

... that's just a few comments from our customers! Every creation in our bakery has drawn favorable comment... whether it has been pastries, cookies, pies, cakes, or the many others we have here to brighten up your meals! Try some today!

ORANGE JULEP CAKE

Helbert Firm Has Concrete Experience

When it comes to concrete, Helbert and Helbert can fill the bill. This firm, which has its office at 1900 South Colorado Street, contracts for all kinds of concrete work and guarantees satisfaction.

Years of experience are represented by the Helberts and they have been in this type of business here the last 14 years. Sand blasting and pavement breaking are two of the specialties offered by the company. The company recommends sand blasting as an effective method of cleaning the dirty surfaces of iron, steel, plaster, stucco, brick and all metals. It removes paint, glaze, dirt and grease.

Foundation Work. Foundation work is another specialty of Helbert and Helbert. If your floor is not level because of a poor foundation, Helbert and Helbert can level the floor and put in a new foundation or repair the old foundation and make it good as new.

Another fine type of work performed by this company is the laying of colored concrete floors. The dull gray color usually associated with concrete is a thing of the past with a colored concrete floor.

TWIN HANDICAPS. SYDNEY, AUSTRALIA—(AP)—D. Copper, a schoolteacher, carried his twin sons in his arms to victory recently in a novelty event at Bridgeport, Tasmania, Australia. A condition of the footrace was that each parent should carry his youngest child in his arms. Obeying the rule to the letter, Copper overcame a double handicap with several yards to spare.

In the late Summer, the striped skunk eats many grass hoppers and crickets.

Jones Boot and Shoe Shop, located at 313 West Missouri Street, specializes in all types of plain and fancy leather work. This firm gives quick, efficient service on boot and shoe repair work. Out here in the West, it is especially appreciated that the firm makes saddles, leather novelties and belts. This is a specialty that marks Jones Boot and Shoe Shop for high esteem here.

Ready To Build? Remember—

Reduced Prices At Heath-Wymond

If you've been delaying that construction or repair of home and garage, this should be some big news.

Heath-Wymond Lumber Company has reduced drastically prices on all items needed by the builder. This includes lumber, doors, windows, builders hardware, paints and in fact all items carried in stock.

The firm, located near Midland's east limits on U. S. Highway 80, carries one of the most complete lines of materials to be found in this area.

Featured in the paint line are PeeGee products, known for years as one of the most reliable lines on the market. All types of contractors' materials are available here.

An addition to the stock made a few months ago is the Youngstown all-metal kitchen and Heath-Wymond has installed many of these in Midland homes.

Youngstown Kitchens. A special welcome is extended to housewives to inspect the Youngstown kitchen and become acquainted with the latest in efficient.

Don't Have To Be League Bowler At Plamor Palace

You don't have to join a league to bowl at the Plamor Palace, even though many Midlanders are finding the competition offered in league play affords added zest to the popular American pastime of bowling.

The Plamor Palace is under the ownership and management of Al Boring and John Boring, respectively.

The Plamor has eight maple alleys which are kept in the best of condition at all times. It is located at 211 West Wall Street and has been serving the recreational needs of the city the last 10 years.

The alleys are scientifically resurfaced by Brunswick-Balke-Coller Company with a Red Crown resurfacing machine in accordance with requirements of the American Bowling Congress.

Men, women and children alike find enjoyment in this pleasant pastime. Nothing has been spared by the Plamor to add to the comfort and convenience of its patrons.

Agitation Is Art, Pravda Declares

MOSCOW—(AP)—Agitation, "Pravda" says is an art.

"The ideological level of Bolshevik agitation," said "Pravda," "is being continually raised." "But," it added, "it is not in the Bolshevik tradition to rest on past achievements. New problems demand further improvement in political agitation, demands an increased sense of responsibility and better qualifications in agitators."

"It is not only, however, a matter of teaching the agitator to elucidate complex questions simply and understandably and to select for his talk the most instructive facts. The art of agitation lies also in avoiding the commonplace and being able to approach different strata of the population differently."

COPPER REFINING PLANNED
GARFIELD, UTAH—(AP)—Kennecott Copper corporation is building a \$16,000,000 electrolytic refinery near Garfield. It is to be completed in 1950. The project includes hundreds of lead-lined concrete cells in which copper will be suspended in acid solution to produce pure commercial copper.

cleaning kitchen installations. Heath and Wymond attribute the continuous growth of the business to their policy of service and of keeping the product at the lowest possible price consistent with high quality.

The firm started business in December of 1940. The co-owners are Charles M. Heath and W. S. Wymond.

Chicago Builders Are Given A Party

CHICAGO—(AP)—There was a new and different kind of house warming at Harold L. Perlman's new home in suburban Glenview.

The guests were the men who built the place—carpenters, roofers, plumbers, electricians, painters—and their wives. Owner Perlman put on the party to show his appreciation.

Commented Mrs. Albert Hummert, whose husband installed the gas heating system: "It was the first time any of us had ever been to a party like that—and some of the men have been in the business 35 years."

Malaya Receives Smuggled Rice

BANGKOK—(P)—Smuggled rice is streaming into Malaya from rice-rich Thailand. An estimated 22,000 pounds of it, carried by women in small lots aboard trains running from Thailand's Haadyai and Sungai Koro stations arrive at Padang Besar, inside the Malayan border, every month, according to business sources.

In rice-hungry Malaya the cereal fetches three times its cost at the rice districts of Songkha and Haadyai. The rice gets through in spite of vigilance by customs authorities at all Thai railway stations and despite the presence of three or four policemen who travel on every train to prevent smuggling.

Many methods are used to smuggle rice to the rich black markets of rice-short foreign countries. Each time one method is discovered, another is found. Previously the traffickers in Thailand have used women and little boys who hauled the contraband across the border into Malaya at secluded spots.

Offenders are rarely arrested in spite of the great activity in the illicit trade. But recently a Thai court sentenced four rice smugglers to 10 years imprisonment each.

Colorado leads the world in the production of sugar beets.

Battle Of Neckline Continues Apace In New Fall Fashions

By DOROTHY ROE

Associated Press Fashion Editor
NEW YORK—(P)—The battle of the neckline goes on apace in Fall fashions currently being previewed for the nation's press.

Designers vie for the most daring decolletage, and one of the newest and most startling is known variously as the "fan neckline," crumb catcher, balcony and shelf. It consists of a bodice flaring upward and outward from the waist, with no apparent means of support. It is calculated to arouse the opposite sex, who are doomed to the disappointment of finding a bra arrangement behind the "fan" makes it all modest, after all.

Jo Copeland, known for her sophisticated after-five costumes, employs the crumb-catcher silhouette to distinct advantage on a striped green surah cocktail dress guaranteed to break the ice at any gathering.

This designer also shows a sleek collection of slim city suits, with dressmaker touches such as velvet trim, braid binding, rows of small pear buttons and such. Skirts are slim and jackets generally longer. Miss Copeland likes contrasting apron panels on dark afternoon gowns, goes in for elaborate side drapes on her more formal designs.

Ben Reig concentrates on sleeve interest for Fall, introducing the "mercury" sleeve silhouette, which is a flaring paper arrangement stitched into the sleeve seam. He shows also the mousquetaire sleeve, which is buttoned from wrist to elbow and suggests the long mousquetaire glove.

Little Things Point To Business Rebound

By SAM DAWSON

NEW YORK—(P)—There's still a lot of bounce in our economy. Current news shows a number of things that have dropped, in price and output, and are now on the rebound. It's only a little bounce back so far, but it's pleasant reading.

Demand has picked up for copper and lead, two items that dropped fast and far since March. And prices are firming on the two important metals.

Wheat prices are firmer—pleasant news for farmers, unless they happen to be the ones whose crops were injured by disease and bad weather in June. It was this cut in the expected supply that strengthened prices.

Suits To Radiators
Rayon suits have been selling well this Summer and some manufacturers report they have sold out their considerable supply. Rayon prices have firmed.

American Radiator & Standard Sanitary Corporation says it has reached the low point in sales and earnings, and looks for improvement from now on, and expects to reopen some of its idle plants before Christmas.

Some woolen mills found demand for certain types of fabrics used by the women's wear trade so good that mills are booked solid into September and prices have gone up a little.

The New England purchasing Agents Association says 18 per cent of its 106 reporting firms found business better in June than in May.

These may be little things, but they show how things that go down can back up as conditions straighten out.

Fiddlers' Contest Will Be Monahans V-J Day Feature

MONAHANS—Old fiddlers from all of West Texas and New Mexico are expected to compete here Monday, August 15, during Monahans' fourth annual old fiddlers' contest held in conjunction with the Ward County V-J Day celebration.

Judges will hear the old timers' musicianship in the Monahans city park beginning at 1:30 p. m. on V-J Day. The contest will precede a band concert at 3 p. m. by the Lackland Field Air Force military band from San Antonio.

Old fiddler committee chairman Jack Scott said that \$100 in prizes will be given first, second, and third place winners.

First place winner last year was J. S. Daugherty of Kermit, followed by R. C. Richardson, Fort Stockton, and W. S. Bryant, Colorado City. An additional 30 minutes has been allotted this year to the one hour generally set aside for the contest.

The site of the contest, the city park, will also be the location of the annual V-J Day memorial services, military exhibits, and club concessions.

McCamey News

McCAMEY—The building of two large gasoline refineries in Upton county is requiring the employment of hundreds of workmen. Camps for the workers rapidly are nearing completion.

Work is moving along at a rapid pace on the new Upton County road to the Benedict oil field. This road intersects the new Rankin-Midland highway about seven miles north of Rankin.

Guests in the home of Mrs. Lynette Williams are Mrs. Lee Zeigler of San Angelo and Mrs. Williams' sister-in-law and niece, Mrs. O. C. Fisher and daughter, Rhoda, of San Angelo and Washington, D. C. Mrs. Fisher and Rhoda were to leave Wednesday for a tour of California and Canada. Plans call for a return early in September when Miss Fisher will continue her studies at the University of Texas.

Mrs. Fisher will join her husband, Congressman Fisher, in Washington, D. C.

C. M. Bender of Breckenridge was a visitor here Monday while looking after his hotel interests.

Mr. and Mrs. W. B. McShan and children, Peggy and Jerry, of Bronte are visiting in McCamey this week with Mr. and Mrs. W. E. Pulley and Mr. and Mrs. L. C. Partin.

Mr. and Mrs. Harold Curtis of Los Angeles, Calif., were visitors in the home of Mr. and Mrs. J. L. Roberson during the past week. They have returned to Phoenix, Ariz.

Franks On Stick Are Hit Of Picnic

There's lots of picnic fun in roasting bacon-wrapped franks over an open fire. Pop them into frankfurter buns, top with relish and you've a fitting fresh air feast. Take along some hearty meat spreads in cartons or bowls for make-it-yourself sandwiches. Potato salad, fruit, and beverage will make your picnic meal complete.

The first picnic of the year will erase the last effects of your Winter doldrums. So heed the call of the lonesome pine and the silver flute of frolicking Pan and you're off for a day in the country! The fun and informality of cooking the picnic meal over a crackling fire is something all members of your party will want to share. Plump frankfurters wrapped with bacon strips are exciting to cook and make wonderful eating. Simply wrap strips of bacon around franks, barberpole fashion, fasten with toothpicks, stick on a long-handled fork or hickory stick and roast over an open fire. Pop franks into oblong buns, add the relish of your choice, and you've a feast that pleases all ages. Speaking of relishes, horseradish mustard is a perfect addition to bacon-franks.

Red College Has Difficult Course

SEOUL, KOREA—(P)—The "political college" of North Korea puts its students through a rugged curriculum, but graduates face a risky future. A copy of the training schedule used at the college in Pyongyang was found recently on one of the graduates who had infiltrated into the American-sponsored Republic of Korea south of the 38th parallel.

The schedule shows that students spend four and one-half months learning military discipline, marksmanship, guerrilla fighting and sabotage methods to use in the south. They put in a full day, 5:35 a. m. to 10:50 p. m. Communist politics and Russian history also were listed courses.

About half the class of 800 that was graduated May 17 is believed to have entered southern Korea. One hundred and twenty were women.

Alert southern border patrols captured or killed 60 before they had gone very far. Others got into the mountains and sparsely-populated Kangwon province, 90 miles north-east of Seoul. Mopping them up will take weeks.

A few may have reached the guerrilla bands that have been operating in the hills of the extreme south. Others may have settled down and become farmers, since many of them once lived in the South.
