

The Lynn County News

Volume XXVI

Tahoka, Lynn County, Texas, Thursday, April 24th, 1930

Number 35

COUNTY ROADS ARE IMPROVED

Draw Roads To Be Widened; Roads In West Part of County Are Being Graded

County commissioner Walter Florence announces that he expects to begin procuring the right of way immediately to increase the width of the public road to Draw to 80 feet. This road will extend from the south line of the county due north through Draw to an intersection of Highway No. 84 seven miles east of Tahoka. Another 80-foot road leading west to O'Donnell will diverge from this road a few miles south of Draw. The Borden county portion of this road has recently been widened and improved from the Lynn county line to an intersection with Highway No. 88 a few miles west of Gail. It is expected to make application later to have this road designated as a state highway.

With a view to finally procuring a new mail route and in order to serve the people of the locality affected, county commissioner T. J. Yandell started a county grader to work Tuesday on some lateral public roads in the west portion of the county. The road being improved starts at the turn in the highway one mile south of West Point and runs south one mile, thence east one mile, thence south two miles, thence east two miles, thence south two miles, thence east two miles to an intersection with the Three Lakes road a quarter of a mile west of Three Lakes school house.

It is hoped to eventually procure another mail route out of Tahoka covering this and other territory in the western portion of the county.

SERVICES AT FIRST BAPTIST CHURCH NEXT SUNDAY

The seating capacity of the First Baptist Church was taxed at all the services last Sunday. But the Deacons are making plans to seat all who come by the addition of more chairs. Let's make this coming Lord's Day even better than the last one.

Sunday School at 9:45 A. M. Efficient teachers in charge of all classes. Classes for all ages. Let the fathers and mothers bring the children to the Sunday School, thus making them know they believe it is not only good for children to go to the House of the Lord on His Holy Day but that it is a good place for grown up folk.

Preaching hours 11:00 A. M. and 8:00 P. M. Special and worshipful music at both these services. The music is led by a choir that makes preparation. The special numbers last Sunday received many compliments. There is a ladies quartette and a male quartette one of which will sing at most of the services of this church. There are other special numbers you will enjoy from time to time. The Sunday evening services will be evangelistic. Bring your friends to these services.

The young people's services are held Sunday, and through the week, at the usual hour of meeting. These services are for and by the young people. Good religious snappy programs are carried out at all these services. The young people are urged to be present.

Strangers and visitors receive a cordial welcome to any or all of the above services.

Tahoka Boy Weds Dallas Girl Tuesday

Edward Gaines, son of Mr. and Mrs. S. F. Gaines of the Sanarillo Cafe, was married in Dallas Tuesday to Miss Edith DeMond of that city. The couple are expected to arrive in Tahoka the latter part of this week and young Gaines will be associated with his parents in running the Sanarillo.

Three County Schools Have Already Closed

Superintendent H. P. Caveness reports that the schools at Pride, T-Bar and Magnolia closed last Friday, and that the school at Edith will close next Friday. Most of the schools will continue until the latter part of May.

George Webster, 78, won the annual club race in Hempstead, Eng., swimming in water filled with ice.

Election of School Trustees May 3rd

An election will be held at the court house on Saturday, May 3rd, to elect three trustees for the Tahoka Independent School District. The terms of Dr. C. B. Townes, Sid Sanders and John Russell will expire at that time unless they are re-elected. Other members of the board, who were elected last year, are: R. C. Wood, president, Claude Wells, W. T. Clinton and D. W. Gagnat. All legally qualified voters residing in the Tahoka Independent School District will be allowed to vote at this election.

THIRTY-FIVE TO GRADUATE

Dr. J. W. Hunt Will Deliver Sermon, George W. Dupree Address To Local School Students

Tahoka High School will graduate thirty-two boys and girls this year if those whose graduation seems possible hold out faithfully to the end. There will be sixteen boys and sixteen girls in the graduating class this year. Dr. J. W. Hunt of McMurry College will deliver the baccalaureate sermon on the night of May 11th. George W. Dupree, a friend of Supt. Baze of University of Texas days and a prominent lawyer of Lubbock, will deliver the class address on the night of May 15. The list of probable high school graduates are given below:

Boys: Francis Blevins, Walter Conway, Baird Fox, Frank Great-house, Jess Gurley, Jim Jackson, Lonnie King, Ralph Noble, James Trussell, Elward Welch, Edgar Edwards, Graham George, Earl Grider, Russell Keltner, Jack Alley Robinson, Reid Townes.

Girls: Lorene Clements, Pearlene Curry, Myrtle Hill, Leona Ingram, Mabel Lee, Lola Smith, Linnie Tippitt, Iris Tredway, Juanelle Windham, Rose Wood, Billie Anderson, Lucile Kemp, Thelma Osborn, Elizabeth Sanders, Mayfair Woosley, Cora Annice May.

Mr. and Mrs. Hays Leave Tahoka Schools

Prof. B. M. Hays, principal of the high school here, has accepted the superintendency of the Spade high school and will sever his connection with the Tahoka schools at the end of the present session.

The Spade Independent School District is a new district created through the division of the Littlefield district. It embraces a large rural territory and has 300 or 400 scholars. About fourteen teachers will be employed. Bonds have been voted in the sum of \$100,000 and work on the school building will begin at an early date.

Mr. Hays was elected to this position without having sought it. Having heard of his good work here members of the board came down one day last week to investigate and to confer with him. On Saturday night he was elected to the place and has accepted. The position carries a salary of \$3,000.00. Mrs. Hays is also given a position in the school. A house, furnished, will also be provided for them to live in.

Mr. and Mrs. Hays have been here only one year. Mr. Hays as principal of the high school and Mrs. Hays as teacher in Central Ward. Each of them has made good and they are very valuable members of our faculty. It is indeed unfortunate for Tahoka that they are leaving. It is to be hoped that our school board may be able to find a couple of teachers somewhere who can fill these positions as well as they have filled them.

Luttrell Child Buried Here Tuesday Morn

The new-born infant of Mr. and Mrs. Robert Luttrell of the Redwine community died in the Lubbock Sanitarium Monday. The remains were brought to Tahoka and cared for in the American Legion Home here Monday night and interment followed in the City Cemetery Tuesday morning. Funeral services were conducted by Rev. O. J. Hull, pastor of the Baptist Church here. The infant was the first child of Mr. and Mrs. Luttrell. They have the sincere sympathy of many friends.

Have You Been Enumerated In This Census?

It is essential that you cooperate with us, and be sure that you and your family have not been omitted in the enumeration.

This applies to the single as well as the married. I am trying to get every person inside of the city limits west of the railroad track. I, of course, will miss a few and in a very few instances repeat on some names. This is almost an impossible feature of the enumeration. Mrs. Robert Reid has all the town inside the corporate limits lying east of the railroad.

Anyone who has not been enumerated in this Census will confer a great favor in this enumeration by either writing or calling our attention to the fact that you have missed. Phone or write giving name and street you are on, or meet me at the Sunshine Inn. This much is due your town and the enumerators.

Do not forget to call our attention the fact that you are not down. We want you all. A good showing for your town will help everyone. SATURDAY is the last day.

JACK ALLEY, Census Enumerator

S. McCORMACK BURIED SUNDAY

Had Been Ill Many Months; Died At Tyler Last Thursday; Services Held Here

A great concourse of friends and relatives gathered at the Baptist Church last Sunday afternoon to pay their last tribute of love and esteem to Sanford D. McCormack, affectionately known here as "Sandy", who died at Tyler Thursday afternoon of last week. The funeral services were conducted by Rev. O. J. Hull, pastor, who spoke forcefully on the brevity of life and beautifully portrayed the characteristics of the

(Continued on last page)

College Exams Given Students This Week

College entrance examinations are being held in the office of the county superintendent, H. P. Caveness, here this week, beginning Tuesday and closing Friday. Nine pupils from the New Lynn school and one from Wells are taking these examinations. Prof. J. B. Miller of New Lynn is assisting in holding them.

Like examinations are also being given at Joe Bailey and Lakeview, according to Supt. Caveness.

Students passing these examinations will be admitted to college, without examination, on the same basis as students coming from affiliated high schools, the questions being prepared by the State Department of Education.

Boundary Suit Is Explained to Kiwanis

At the Kiwanis luncheon Wednesday Judge C. H. Cain made a very lucid statement concerning the boundary suit now pending in court involving the boundary lines of Lynn, Garza, and a number of other West Texas counties.

After giving the history of the suit and explaining the nature of the questions involved, he stressed the importance of having the boundary lines of these counties finally and permanently established, showing that the value to the county of the disputed territory involved is one of the smallest considerations in the effort to have the exact locus of these lines determined.

METHODIST SUNDAY SCHOOL DRIVE IS BIG SUCCESS

The Methodist pastor and some of the laymen have been making a vigorous campaign the past two or three weeks to build up the Sunday School of the church. On last Sunday they had more than 270 in attendance, which was considerably the largest number ever attending their Sunday school. It is said that in the Everyman's Class alone 55 were present.

The Everyman's class has been making a big drive for members, with much success. Frequently they send for an out-of-town speaker to address them. On last Sunday Pete Cawthon, athletic director and head coach of the Texas Tech, was the speaker. He used athletic terms and illustrations in presenting Christianity and his lecture is said to have been intensely interesting.

PARK ELECTION SET FOR MAY 31

New Order Issued By Commissioners For Vote On 5c Tax For A County Park

At a meeting of the commissioners' court Monday a new order was entered calling the election for a 5-cent fair park tax for May 31.

The election was originally set for May 17, but this did not give sufficient time to publish the notice of election, and hence another setting became necessary.

All property tax payers in the county will be allowed to vote. This includes both husband and wife where either pays tax on community property.

O'Neal's Home Is Destroyed By Fire

The home of B. H. O'Neal was almost completely destroyed by fire last Saturday night. The furniture was also destroyed.

Mrs. O'Neal was visiting a sister at Abernathy and Mr. O'Neal was attending the picture show when the fire was discovered and the alarm turned in. The origin of the fire is unknown but Mr. O'Neal says that it apparently started somewhere about the back porch. The cause of the fire is an unsolved mystery.

Mr. O'Neal carried \$1600.00 insurance on the house and garage and \$500 on the furniture.

The fire boys did heroic work, Mr. O'Neal says, but the fire had made too great headway when discovered for them to save the building.

Boy Scout Court Of Honor Soon

D. T. Jennings, scout executive of the district area council, and George Eaton of Lubbock were here Monday taking a survey of the boy scout work and planning for a court of honor to be held here soon. It is the plan now for the local committees and scoutmasters to hold this court of honor in the district court room on Friday night, May 9.

METHODISTS WILL STAGE TRIAL SUNDAY NIGHT

There is going to be a trial at the Methodist Church next Sunday night. Mr. and Mrs. John Citizen are going to be tried on an indictment charging criminal negligence in the rearing of their children, according to Rev. R. T. Breedlove, the pastor.

A prominent local attorney has been retained to prosecute the case and some one else will defend the culprits. There will be a jury made up of young people, and the court room—the church—is expected to be filled with curious and interested spectators. It is to be a public trial and you are invited to be present.

MISS MCGONAGILL PRESENTS PUPILS IN PIANO RECITAL

Miss Attie Belle McGonagill, who teaches piano at Edith and Redwine, presented her pupils in a recital at Redwine last Friday evening, and a large audience was present to enjoy the splendid program. Among other numbers on the program was a chorus of young men dressed as young ladies. These young gentlemen were encored repeatedly. The entire program was most excellent.

JUDGES' CONVENTION SUCCESS; EL PASO WINS NEXT MEETING

W. R. ELY, D. A. BANDEEN, SENATOR CLINT SMALL ARE AMONG SPEAKERS AT CONVENTION HELD HERE LAST THURSDAY AND FRIDAY

Although the attendance was not nearly so large as was expected, the county judges and commissioners' convention held here last Thursday and Friday was an important event in the history of West Texas. Many matters of local and statewide importance were discussed, culminating in the adoption of a number of resolutions, making recommendations to the legislature. Representatives were here from as far west as El Paso and from as far north as the Canadian River, most of the visitors being from the Plains and Panhandle section.

JIM YOUNG IS SPEAKER HERE

Candidate For Governor Heard By Large Crowd During Judge's Convention Last Week

Declaring that he had not heard a political speech in ten years in which the principles of government were discussed, ex-Congressman Jas. E. Young of Kaufman addressed a crowd that filled the district court room and the gallery, in the interest of his candidacy for governor, here last Thursday night. Many visitors were here at the time attending the convention of the West Texas County Judges and Commissioners Association, practically all of whom were in the audience. Mr. Young was listened to attentively and occasionally received liberal applause.

His speech was preceded by an address by J. B. Walker of this city, local leader of the Young forces, and at the close of his address he presented Judge C. H. Cain, who introduced Mr. Young as a friend of long standing.

After rehearsing the principles of government and declaring this to be a representative democracy, yet we have in this country party government, Mr. Young pointed out. The Republican party, he contended, stands for wealth. It puts the dollar above the man. The Democratic party stands for the average man. It puts the man above the dollar.

(Continued on last page)

Four Licensed By M. E. Conference

At the district Methodist Conference in session at Post Tuesday and Wednesday, four applicants were licensed to preach, according to information given by some of the Tahoka delegates in attendance.

The youngest of these was a youth only seventeen years of age. The oldest was Rev. G. A. Boykin, 100 years of age. He was received by transfer from another church and his elder's orders recognized by the Conference. He was licensed to preach in 1847 and ordained in 1853. He has been a minister of the gospel therefore for 82 years and he preaches now almost every Sunday. Hale, hearty and active, little gray hair, and he has the mental and physical vigor of a man much younger in years. Born in Belfast, Ireland, he immigrated to America when a child five years old. When he landed at New York about 1835, it was then a city about the size of Dallas or Houston of today. In the 95 years of his residence in America he has seen a wonderful transformation of life and witnessed America grow from a straggling little nation to the most powerful nation in the world.

Rev. Mr. Boykin's present home is in Lamesa.

Tahoka People At District Conference

The Lubbock district conference of the Methodist Church was in session at Post on Tuesday and Wednesday of this week and quite a number of Tahoka Methodists were in attendance. In addition to Rev. and Mrs. R. T. Breedlove, the pastor and his wife, G. M. Reid and R. C. Wood went as ex-officio delegates from the church here. Elected delegates were John N. Thomas, E. S. Davis, Mrs. R. W. Fenton, and Mrs. W. E. Suddarth. A few other members of the church also attended some of the meetings.

The discussions in the convention served to crystallize sentiment on some political issues, notably the highway problem, and may prove to be a real factor in the race for governor in this section of the State.

The next convention will be held in El Paso, that city winning over Pampa.

SENATOR CLINT SMALL
Senator Clint C. Small addressed the convention of the county judges and commissioners here last Friday afternoon. He spoke chiefly about local problems, touching only lightly on issues that may be involved in the governor's race. He did discuss briefly the matter of taxation, and advocated the calling of a constitutional convention to devise a new constitution for the state. The present constitution was written in 1876, he pointed out, and is archaic and unfitted for the needs of today.

His speech dealt mostly with local problems, however, and met with a hearty response from the commissioners and judges.

While here Mr. Small confided to friends that he would be a candidate for governor and as such will probably visit Tahoka again.

D. A. BANDEEN
The address of D. A. Bandeen, manager of the West Texas Chamber of Commerce, made before the convention of county judges and commissioners here last Friday morning was filled with important and illuminating facts concerning the industries and taxation in Texas, and particularly West Texas. It should be published in pamphlet form and distributed throughout Texas.

W. R. ELY
(By Max Bentley, of Abilene Reporter-News)

Hon. W. R. Ely of Abilene, state highway commissioner, brought the doctrine of the state highway bond issue before the West Texas county judges' and commissioners' convention, in Tahoka April 17. He made an eloquent address in behalf of a plan which, he said, "is the only fair and equitable way to distribute taxation in giving us a completed system of hard-surface cardinal roads within a short time."

Recent progress in road building, like the tide of empire, has taken a westward course, Judge Ely said. West Texas, he added, needs and deserves state highways. "The East Texas road map," he said, "is crossed and criss-crossed like a crow's nest."

"I don't believe any county should have to pay a dollar on state highways," he said. The statement drew

(Continued on page 2)

Senator Clint Small In Governor's Race

The announcement of Senator Clint C. Small of Wellington appeared in the daily papers Tuesday, advising that he would be a candidate for governor. Senator Small appeals to the voters to forget the animosities of the past and promises if elected to give Texas a business administration.

Senator Small has served brilliantly in the state senate and came into great prominence last year as the author of the bill validating the title to lands in the beds of the so-called navigable streams of West Texas.

Of the dozen or more candidates, he is the only West Texan in the race.

TAHOKA WINS ANOTHER BASEBALL GAME SUNDAY

Tahoka defeated Grassland last Sunday to the tune of 23 to 7 in a practice game of baseball played at Grassland.

The game with Lubbock scheduled for last Sunday will be played next Sunday at 3:30 P. M.

Seth Candidate For Weigher at New Home

C. W. Seth of New Home has authorized us to announce that he is a candidate for re-election to the office of public weigher at New Home, subject to the action of the Democratic primary election in July. It is not anticipated that Mr. Seth will have an opponent, since he is now serving his first term and has given entire satisfaction. Mr. Seth says that if he is re-elected he will continue to give the same faithful service in the future that he has tried to give in the past, and his neighbors and friends know that he will make his word good. He is a faithful and deserving public servant.

Mrs. Henry Reed underwent an operation at the Lubbock Sanitarium Tuesday.

Homer Harrison Is Out For Weigher

Homer Harrison's hat has gone into the ring this week. He is a candidate for public weigher of precinct No. 1, subject to the action of the Democratic primary election in July. Homer has been a resident of Tahoka almost eight years, coming to Tahoka from Fannin county, where he was born and reared. He is a young man, having married here less than a year ago. During his residence in Tahoka he has been connected with several different business concerns and for two years was in the employ of the county. In all his business relations he has been square and enjoys the utmost confidence of all by whom he has been employed. He has a genial disposition and makes friends readily. He is without a doubt well qualified for the position which he seeks and if elected promises to give faithful service. His candidacy should receive the thoughtful consideration of the voters of the precinct.

Sam Sanford Is Running For Sheriff

Sam Sanford says that the impression has gotten out that if the offices of sheriff and tax collector are separated following the taking of the United States Census, he will be a candidate for the office of tax collector. Mr. Sanford says that this is not true and that he has never so indicated to any one. On the other hand, if the office of tax collector is divorced from the sheriff's office, he will be a candidate for sheriff. That has been his expressed intention from the beginning, he says, and he hopes that no one will be misled by statements to the contrary. This correction is made at his request.

RODNEY FERN HECK ENTERTAINS ON BIRTHDAY

On Saturday afternoon, April 19, Rodney Fern Heck of New Home entertained his many little friends with a birthday party. The guests arrived at 2:30 and were soon enjoying themselves. After many "happy exclamations" over the gifts he received Rodney Fern and little friends were invited into the yard to hunt Easter eggs, which had been hid three in a nest. Many games were played and later the party was invited into the house and served ice cream and cake. The following guests were present: Ethel Goad, Gyndola Balch, Winona Izard, Mary Pearl Beatty, Natalia Bailey, Addie Jane Grider, Ruth Morris, Peggy Tate, Conley Unfred, Billy Harold Ratliff and Buford Scott.

Miss Willie Lois Nevels, daughter of Mr. and Mrs. W. D. Nevels, who is to graduate this spring from Sullins College, Bristol, Virginia, has just returned to school from a two weeks Easter vacation during which time she visited New York City and Washington, D. C., her mother reports. Miss Willie Lois has made an excellent record while in the school, standing third in her class in scholarship.

Chester Connolly, W. O. Henderson and M. L. Handley spent the first half of this week in Dallas.

BETTY LUCILLE SUDDARTH CELEBRATES BIRTHDAY

On Monday afternoon little Miss Betty Lucille Suddarth celebrated her Easter birthday anniversary by entertaining sixteen little friends at her home. The children enjoyed games, contests, races, etc., on the lawn for a couple of hours and then were called in to see the beautifully decorated pink and white birthday cake topped with candles. It was later served to them, accompanied by ice cream with dainty pink and white Easter confections as favors. The honoree was the happy recipient of many dainty little gifts that will long commemorate the pleasure afforded on this occasion by her little friends.

NOTICE

Lynn County Home Demonstration Council will meet Saturday at 2:30 P. M. in the County Court room. Be sure and be on time. Important business.

C. B. Keltner has been quite seriously ill the past few days. He is said to be somewhat improved now.

Lowell Douthett of Tahoka made the honor roll for the winter term at Texas Technological College with an average grade of B on 16 term hours of work, according to the report of the registrar's office.

HON. W. R. ELY SPEAKS—

(Continued from first page)

loud applause. "I don't believe the general population should be taxed to build these roads. They have enough to do taxing their properties for the support of the state government."

"This is one of the great questions of the day, one on which your legislature is going to have to take a stand within the next year, and on which every candidate for governor is going to have to declare himself. Thirty-one states of the union already have adopted the state bond system of financing their roads—why is Texas backward? Does Texas prefer to stand with North Carolina, the most rapidly developing state in the union, with a record of 7,500 miles of cardinal highways completed in five years on the bond issue plan; or does it prefer to stand with South Carolina, with a highway commission of sixteen members, operating on the pay-as-you-go plan, and having a record of completing less than 300 miles in the same length of time?"

"I favor the bond plan because it is the fairest and puts the tax burden on the people who buy the gas. Today I drove into Tahoka over your highway 84. Forty-one miles of that highway is in the southern portion of Kent county. The Claiborne district built that road and taxed itself \$1.25 on the \$100 property valuation to do it—for whose benefit? Surely for the tourist, the joy-rider, the through traveler, as the amount of local traffic is small. On the other hand, my county of Taylor has 71 miles of concrete road which it handles at a tax of 24 cents. Kaufman county's road tax is \$1.90; Harris county, with its 270 millions in valuations, is less than 15 cents. Is that fair? Shouldn't the tax burden be equitably distributed, as the constitution said it must be?"

"In ancient times all roads led to Rome. Today, in Texas, they lead to the four large cities of San Antonio, Dallas, Houston and Fort Worth. If Lynn County votes to improve its two state highways, Nos. 84 and 9, you will have to pay around a dollar a hundred on the present pay-as-you-go system. Under the bond issue plan the four large cities, which pay 40 per cent of the gasoline tax, would shoulder the most of your burden. That's right and proper, because they benefit more."

"Opponents of the bonds say it would not be right to place a large tax burden on coming generations. Well, to date the counties of Texas have already spent 75 to 100 millions of dollars on state roads; and in the next ten years, if we continue the present policy, they will vote two or three hundred millions more—a tax on their children and their children's children. You and I don't pass this way but once, and we are entitled to enjoy some of these benefits while we live. We can do the job in five years with state bonds, while it will take us thirty years if we pay as we go."

"Within the next fifteen years," Judge Ely concluded, "Texas will witness an era of development such as you and I cannot now conceive of. Paved highways will be the foundation upon which that development will rest. Now, while our final policy is still unmade, and bearing in mind that under the state bond plan every dollar you put on highways in the state system will be refunded to you my advice is to go ahead and continue to bond yourselves. It will all come back to you, and you will have your roads. You will be that far ahead."

When you select the Feed for your Cows look for

milk-pail Results NOT

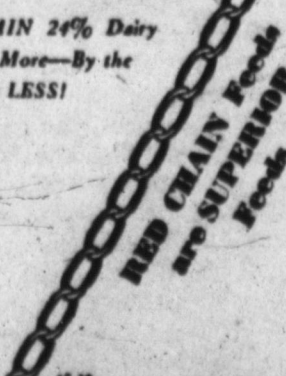

low-cost per bag

When anyone offers to "save you money" by selling you a "cheap" dairy feed, remember that the milk pail determines both the cost and the profit of any feed. Feeds selling for less than RED CHAIN usually contain an excessive amount of cottonseed meal; they produce milk for a while, but eventually they "burn up" your cows. Experienced dairymen know RED CHAIN 24% Dairy Ration is the most economical feed for cows because it produces more and better milk and keeps cows in better condition, insuring a long life of usefulness and profit. Everything considered, the best is always cheapest in the end.

By the Bag, RED CHAIN 24% Dairy Ration May Cost a Little More—By the Milk Pail It Always Costs LESS!

Burleson Grain Company

Draw

The Methodist meeting closed Sunday night. We sure have had some fine services. There were about thirty-five conversions and recommitments and a free will offering was taken up and given to the pastor.

Mrs. Jess Veech's sister and husband are here visiting.

Rev. Gilliam and Leslie Cook left for Post Monday where they will attend conference.

A. Z. Sewell and family, Austin Porterfield and family, Rev. Gilliam, and family, Morrow Luttrell and J. E. Sherrill were Mr. and Mrs. Leslie Cook's guests Sunday.

Misses Emily Waller and Pearl Edgin gave the Juniors an Easter egg hunt Saturday.

Lynn Childs and I. V. Stenit were operated on last week for appendicitis but are doing nicely.

Miss Obie Standefer and Miss Bratcher have returned from the hospitals and are doing fine.

We are sorry to report that Mrs. Virgil Casbere is awful low but we have hopes that she will pull thru.

Mr. and Mrs. Dave Cook returned home Sunday from Lubbock where they have been at the bedside of Mrs. Casbere.

Prayer Meeting meets Wednesday night. Everyone come.

Mr. Walter Mathew was over in Draw Community Sunday.

There will be no singing at Draw Sunday evening due to the fact that a preacher over one hundred years old will preach at Redwine. There will be an all day service.

Mr. and Mrs. A. H. Moyer have returned from Oklahoma where they have been by the bed side of her mother who passed away last week.

EXPRESSION OF APPRECIATION

The Convention Committee of the Chamber of Commerce wishes to express their appreciation for the splendid cooperation of the citizens of Tahoka for the splendid way in which they offered their homes for the use of the County Judges and Commissioners last week. We were greatly disappointed in the attendance at the Convention, and did not have to call on any of the people for the use of their homes because the hotels were able to take care of all who attended the convention.

We also wish to thank the Lynn County Home Demonstration Clubs and Miss Greenwade for the splendid luncheon served on Thursday, and Miss Binnion and the high school students who helped out in the program and all others who helped in any way with the convention.

It was learned from some of the delegates at the meeting that the small attendance was likely caused by the failure of the officers of the organization to send out any dat about the convention prior to the meeting. The only letter or dat about the Convention received by any of the Judges was a letter of invitation sent from the Tahoka Chamber of Commerce.

INDIGESTION SPELLS

Man Says He Took Black-Draught After Each Meal and Soon Got Relief.

North Charlotte, N. C.—In telling how he was benefited by Theodor's Black-Draught, Mr. John M. Ores, of 802 Charles Avenue, this city, writes:

"I had three spells of indigestion, one after another. I suffered a lot of pain. My back ached and I had pains in my stomach frequently. It felt like my breath was cut off in my chest.

"I was bothered this way for about a year. A friend whom I told about my condition asked me to try Black-Draught.

"I began by taking a pinch of Black-Draught after each meal and found that I soon got relief.

"I have been taking Black-Draught for fourteen years, and I find that it prevents headache and constipation. We keep it in the house all the time. I have told a lot of people about it, and gladly recommend it to others."

Many people have written that they found relief from pains after eating by taking Black-Draught in the manner described above.

Composed of selected medicinal herbs and roots, finely powdered, accurately combined and packaged in a thoroughly modern, scientific way. Price 25¢.

For Constipation
Indigestion Biliousness

BLEASE PERPETRATES PROSPERITY PARODY

Senator Cole Blease of South Carolina is a stunt puller. His fertile brain gave birth recently to a so-called parody on the beautiful Twenty-Third Psalm, which he read to dignified statesmen in the Senate Chamber a few days ago, and some of our good friends here in Tahoka thought it such a marvelous literary gem that they have requested us to reproduce it, which we do gladly for their delectation. Our only suggestion is that after reading this effusion, our friends shall read the twenty-third psalm itself and note its beautiful, stately and reverent phrases. It will make Cole Blease's "prosperity parody" look like thirty cents. But here is the "parody": Hoover is my shepherd, I am in want; He maketh me to lie down on park benches;

He leadeth me beside great need; He restoreth my doubt in the Republican party;

He leadeth me in the paths of destruction for his party's sake.

Yea, though I walk through the valley of the shadow of starvation, I do fear evil; for thou art against me;

Thou preparest a reduction in my salary before me in the presence of mine enemies,

Thou anointest my income with taxes; My expenses runneth over my income.

Surely unemployment and poverty will follow me all the days of the Republican administration.

And I will dwell in a rented house forever.

Miss Laura Owens of Halifax, N. S., was married to C. H. Mather, standing at the bedside of her dying father.

SENIOR B. Y. P. U. PROGRAM

Sunday, April 27th, 1930.

Subject: "Advancing Civilization Needs Christ."

"School House Program."

Scripture Lesson.

Teacher—Minnie Freeman.

Recognition of the Love of God—Andrew Cooper.

Recognition of the Value of the Individual—Mrs. Taylor White.

Recognition of Sin—Lola Smith.

No. 6 and 7—Dr. K. R. Durham.

Recognition of The Golden Rule—Opal Cooper.

SCHOOL TRUSTEE ELECTION NOTICE

Notice is hereby given that an election will be held on the first Saturday in May, the same being the 3rd day of May A. D. 1930, at the court house in Tahoka, Texas, for

the purpose of electing three trustees for the Tahoka Independent School District, each to serve for a term of two years.

W. S. Swan has been appointed as presiding judge of said election and G. W. Knay as assistant judge, who will appoint such clerks as may be required and provided by law to assist in holding said election.

Polls will be open from 8 a. m. to 7 p. m., and all qualified electors residing in the Tahoka Independent School District will be allowed to vote.

Witness my hand this the 15th day of April, A. D. 1930.

R. C. WOOD, President
Board of Trustees
Attest: J. S. Weatherford, Sec'y.

THE NEW FORD COUPE

A beautiful closed car, distinguished by its substantial grace of line and contour. A particularly good car for physicians, business executives and salesmen because of its comfort and reliability. The Triplets shatter-proof glass windshield and the fully enclosed four-wheel brakes contribute to the unusual safety of the new Ford.

OUTSTANDING FEATURES OF THE NEW FORD

New streamline bodies • Choice of colors • Rustless Steel • Triplex shatter-proof glass windshield • Four Houdaille double-acting hydraulic shock absorbers • Fully enclosed, silent four-wheel brakes • Extensive use of fine steel forgings • Aluminum pistons • Chrome silicon alloy valves • Three-quarter floating rear axle • Torque-tube drive • More than twenty ball and roller bearings • Sturdy steel-spoke wheels • 55 to 65 miles an hour • Quick acceleration • Ease of control • Reliability • Economy • Long life.

NOTE THESE LOW PRICES

Roadster \$435
Phaeton \$440
Coupe \$500
Tudor Sedan \$500
Sport Coupe \$530
De Luxe Coupe \$550
Three-window Fordor Sedan \$625
Cabriolet \$645
De Luxe Sedan \$650
Town Sedan \$670

(f. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra, at low cost.) Universal Credit Company plan of time payments offers another Ford economy.

Beauty of line and mechanical excellence

BEAUTY has been built into the graceful flowing lines of the new Ford and there is an appealing charm in its fresh and varied harmony of color. Yet more distinctive even

than this beauty of line and color is its alert and sprightly performance.

As days go by you will find that it becomes more and more your favorite car to drive—so responsive, so easy to handle, so safe and comfortable that it puts a new joy in motoring.

The city dweller—the farmer—the industrial worker—the owner of the spacious two-car garage in the suburbs—to all of these it brings a new measure of reliable, economical service.

Craftsmanship has been put into mass production. Today, more than ever, the new Ford is "a value far above the price."

to our attention.

BILL TO CURB EVILS OF CIGARETTE HABIT

A bill introduced by Senator
Smoot is pending in Congress pro-
posing to place tobacco and tobacco
products under the control of the
national food and drug act, its ex-
pressed purpose being to "protect
public health and welfare of millions
of our population." It also places
the control and censoring of adver-
tising of these products within the
power of this bureau.

We believe that this measure
should have the support of our Sen-
ators and Congressmen. We try not
to be fanatical in our opposition to
the cigarette habit, but we believe
that its effect upon women and
young people who are addicted to it
is so blighting as to cause real
concern.

Speaking before a district conven-
tion at Coleman Monday night, Dr.
J. D. Sanderfer of Simmons Univer-
sity used the following very strong
language, which we believe our peo-
ple should seriously ponder.

"The best known authorities of
the nation, including the American
Medical association, have declared
that the modern use of tobacco, es-
pecially cigarettes, is the greatest
peril of all today. The American
Scientific Society has gone on record
as stating that only 62 of the in-
fants out of every 100 born of cig-
aret smoking mothers live beyond
the second year.

"This is a fearful indictment
against the habit that has sinned
both young men and women of the
nation at a time when the challenge
for the very best is the most colossal
in the history of the world."

ABOUT THE 5-CENT FAIR PARK TAX

Some opposition to the Fair Park
Tax has been voiced within the past
few days on two grounds: first, that
it is the purpose to buy 100 to 150
acres of land, set out trees all over
it, drill a number of wells, and spend
a lot of money on it; second, that
the park would be used for Sunday
baseball.

The News has interviewed the presi-
dent of the fair association and the
secretary of the chamber of com-
merce, and they each state that it
has never been contemplated that
more than 15 or 20 acres should be
purchased, nor is it contemplated
that it will be necessary to spend
any large sum of money for water
and trees. These items will entail
only an insignificant sum of money.
In fact, the commissioners' court
will purchase the land and it
will belong to the county, and the
court will determine the amount to
be expended in the purchase of the
land and making the improvements.

As to Sunday baseball, since the
park will belong to the county, the
commissioners court can control the
uses to which it is put and can pro-
hibit Sunday baseball if it sees fit
to do so.

The fair association is an organ-
ization county-wide. A majority of
the directors come from the various
rural districts of the county. It is
their purpose in asking for this tax
that a permanent place be provided
wherein the people of the county
may have an annual fair and such
other meetings and amusements as
they may see fit to have therein,
subject to the control of the com-
missioners' court, and it was felt by
these directors that a small tax
would be the fairest and best meth-
od of raising the necessary funds.

Most of the public service corpora-
tions make contributions occasion-
ally in most cities and towns where
they operate, directly or through
their local managers, to the various
public enterprises in these towns.
They contribute to the chamber of
commerce or have representatives
joining their part in the Kiwanis Club,
Lions Club or other public service
club. The telephone companies, how-
ever, are noted for the fact that they
hold aloof and contribute nothing to
the welfare of the cities and towns
in which they operate. They do not
patronize the local business com-
munity to any very liberal extent.

They have all their printing done in
a distant city, as a usual rule. When
they get out a new directory they
never give the local printer even
a look-in on the job. Even if
they do give him a chance to bid on
it they hedge the proposition around
with so many conditions and re-
quirements that they know the local
printer can not or will not make a
successful bid. Still, they solicit ad-
vertising from the local business
men and charge exorbitant rates for
their advertising space. They pay
their operators starvation wages and
frequently use antiquated equip-
ment. Competing telephone compa-
nies are a nuisance in any town, and
hence the people will stand a lot
of misery before they will make a
kick.

Old antiquated telephone
boxes are being used in Tahoka to-
day. We have no complaint what-
ever to make against the girls who
are operating the exchange here.
They are faithful and efficient, but
they get inadequate pay. The com-
pany, at the same time, must be
making big money. We think that
it is time for the people of Tahoka
and other towns to raise a howl
about the treatment they are receiv-
ing at the hands of this octopus.

The county judges and commis-
sioners convention held here last
Thursday and Friday was a very in-
teresting affair considering the
fact that no program seems to
have been prepared before hand
and little effort made by local offi-
cials to give the approaching conven-
tion publicity. What a well prepared
program announced in all the daily
papers several weeks prior to the
meeting and proper publicity given
it thereafter, a much larger atten-
dance doubtless could have been
procured.

ELECTION NOTICE

To the Resident Property Taxpay-
ing Voters of Lynn County, Texas:
Take notice that an election will
be held on May 31st, 1930, to deter-
mine if a tax shall be levied in obe-
dience to an election order entered by
the Commissioners Court on the 14th
day of April, 1930, which is as fol-
lows:

On this the 14th day of April,
1930, A. D., the Commissioners
Court of Lynn County, Texas, con-
vened in regular session, at the regu-
lar meeting place thereof, in the
Court House of Tahoka, Texas, all
members of the Court to-wit: G. C.
Grider, County Judge; R. E. Finley,
Commissioner of Precinct No. 1; W.
Z. Florence, Commissioner of Pre-
cinct No. 2; T. J. Yandell, Commis-
sioner of Precinct No. 3, and E. G.
George, Commissioner of Precinct
No. 4, being present, came on to be
considered the petition of J. C.
Wells and more than two hundred
and fifty other persons qualified
tax paying voters of Lynn County,
praying that the Commissioners
Court order a special election to be
held at the earliest possible date for
the purpose of submitting to the leg-
al voters who are property owners
of the said county whether or not a
tax not to exceed five cents on the
One Hundred Dollars assessed valua-
tion of the county shall be levied and
collected for the purpose of purchas-
ing land and improving same with-
in the vicinity of Tahoka, Texas, the
county seat of Lynn County, to be
used as a county park and controlled
by the Commissioners Court as auth-
orized under Articles 6078 and 6079
of Vernon's revised civil statutes of
Texas.

It appearing to the court that said
petition is signed by more than two
hundred and fifty of the resident
property taxpaying voters of said
Lynn County.

It is therefore considered, and or-

dered by the court that an election
be held in said county on the 31st
day of May A. D. 1930, which is not
less than thirty days from date of
this order to determine whether or
not a tax not to exceed five cents on
the One hundred dollars assessed
value of the county of Lynn shall be
levied and collected for the purpose
of buying land and building a County
Park as aforesaid.

The said election shall be held un-
der the provision of Article 627 to
641, inclusive of Chapter 2, Title 18,
Revised Statutes of 1911 as amend-
ed by Section 1, Chapter 203, Acts
of 1917, regular.

All persons who are legal quali-
fied voters of this State and of this
county and who are resident prop-
erty tax payers in this county shall
be entitled to vote at said election,
and all voters desiring to support
the proposition to levy and collect
as aforesaid shall have written or
printed on their ballots the words:
"For the tax."

And those opposing shall have
written or printed on their ballots
"Against the tax."

The following places and presid-
ing officers of said election shall be
respectively as follows:

In election precinct No. 1 at the
court house in Tahoka, Texas, with
R. W. Fenton, Sr., as presiding of-
ficer:

In election Precinct No. 2 at Wil-
son school house in Wilson, Texas,
with John Heck as presiding officer.

In election precinct No. 3 at Three
Lakes school house with W. E. Sikes
as presiding officer.

In election precinct No. 4 at New
Home school house with Sallor W. H.
Williams as presiding officer.

In precinct No. 5, at the Draw
school house with E. R. Sherrill as
presiding officer.

In election Precinct No. 6 at the
court house in Tahoka, Texas, with
E. S. Davis as presiding officer.

In election precinct No. 7, at the
O'Donnell school house in O'Donnell,
Texas, with J. M. Christopher as
presiding officer.

In election precinct No. 8 at

Grassland school house with W. P.
Thomas as presiding officer.

In election precinct No. 9 at Gor-
don school house with Walter Wynn
as presiding officer.

In election precinct No. 10 at Mag-
nolia school house with W. J. Fairies
as presiding officer.

In election precinct No. 11 at
West Point School House with C. T.
Tankersley as presiding officer.

In election precinct No. 12 at
New Moore school house with J. F.
Rogers presiding officer.

In election precinct No. 13 at Dix-
ie school house with A. F. Pitts as
presiding officer.

In election precinct No. 14, at
Morgan school house with E. N. Mil-
liken as presiding officer.

The manner of holding said elec-
tion shall be governed by the general
laws of the State of Texas with the
proposition herein above referred to.

Notice of said election shall be
given by publication in the Lynn
County News, a newspaper publish-
ed in the county for four consecutive
weeks before the day of said election
and in addition thereto there shall be
posted other copies of this order at
three public places in the county,
one of which shall be at the court
house door, thirty days prior to
said election.

The County Judge is hereby di-
rected to cause said notices to be
published and posted as hereinabove
directed and further orders are re-
served until the returns of said elec-
tion are made by the duly authorized
election officers and received by this
court.

G. C. GRIDER, County Judge
35-4tc

T-Bar

A number attended the Easter
program here Sunday night.
Mr. and Mrs. Perry of this com-
munity gave the young people a party
Saturday night.
Miss Glynn Craft who has been at-
tending school here returned to her

home at Jayton Saturday evening.

Last Wednesday our school went
on a picnic to Post Lake. All who
went reported a splendid time and
hoped the next one would not be so
long off.

A party was given at the home
of Mr. and Mrs. J. C. McCriley last
Wednesday night in honor of our
teacher, Miss Marguerette Ran-
dolph.

Mary Helen Henderson spent
Wednesday night with Minnie Faye

McMillan.

Those who attended the District
meet from here Friday were: Mr.
and Mrs. F. C. Thorpe, Miss Franks,
Mr. Egbert Adams, and Mr. Willard
Moore. Egbert Adams tied for third
place in Poll vaulting and now can
go to the State meet.

Sir John Orme of Wickford, Eng.,
who rode one of the first motocy-
cles ever manufactured, is still rid-
ing them at the age of 74.

DON'T DISCARD—MODERNIZE

Modernizing solves the problem con-
fronting many home owners. It makes
the old home new, protects the invest-
ment and increases property values.

If you own an old frame house, don't
let it go for a song until you have inves-
tigated fully the possibilities of modern-
izing it.

See us for designs and estimates.

South Ward

The community has nominated Mr. W. E. Hammonds for school trustee. Mr. Hammonds takes much interest in the school and we think he will make a good trustee. He has lived in the community for the past five years and we are sure everyone will want him for trustee.

Mr. and Mrs. J. W. Nelson of Meadow visited Mr. and Mrs. W. P. Inman Sunday. Mrs. Nelson is the daughter of Mr. and Mrs. Inman. Mr. and Mrs. Greenwood, Mr. and Mrs. Morris went to see Tommie Greenwood Sunday.

There was an Easter egg hunt at Edna Moore's Sunday afternoon. There was a goodly number present and everyone enjoyed himself very much.

Mr. and Mrs. Gollehon of Brownfield visited Mr. and Mrs. Inman Sunday.

Mr. and Mrs. Hammonds and family spent Sunday evening with Mr. and Mrs. Henry Disheroon.

Brother Godwin preached at the school house Sunday and Sunday night.

Mr. and Mrs. Disheroon attended church in town Sunday night.

Brother Dykes will preach here next Sunday. Everyone is invited to come and hear him.

Mr. and Mrs. G. W. Moore of Lubbock and Mrs. Ollie Bargely of Justiceburg visited Mr. and Mrs. O. J. Johnson Sunday.

L. T. Redding and Venson Cobb went to town last Tuesday night and while they were out in town someone made a mistake and took their car. The car was found Thursday.

Everyone had a pleasant time at the Easter egg hunt given by Mrs. Warrick Friday afternoon.

Eugene Morris and Martin Greenwood attended church at Bethel Sunday.

The exhibit of work which has been done in school will be on display Thursday and Friday, May 1st and 2nd. Everyone is invited to come and see these examples of work done by the children.

PHEBE K. WARNER CLUB ENTERTAINED APRIL 10TH

Mrs. R. W. Fenton, Sr., was a charming hostess to the Phebe K. Warner Club, on April 10, in the beautiful home of Mrs. R. W. Fenton Jr.

A most instructive program had been arranged by the Health Committee and was presented with Mrs. Townes as leader. The following papers were read and were then entered in the State Federation Health Contest:

"Tuberculosis", by Mrs. Townes. This treatise showed a very thoughtful and careful preparation, and death with this dread disease from every angle. Dissemination of germs, individual immunity, building up a resistance and preventive and prophylactic treatment were discussed in a thorough and original manner.

"Infection and Typhoid Fever," by Mrs. Turrentine. The various infections and the modern treatments for same were subjected to searching analysis in this scientific paper and the development of serums during and succeeding the World War was given recognition. Much valuable information was given concerning Typhoid Fever, its pathology, treatment and methods for preventing the spread of the disease.

"Inspection of Children" (Eye, Ear, Nose and Throat) by Mrs. Caloway. The need of a county nurse and the work that should be carried on with school and pre-school children to prevent the spread of the relatively simple infections that are common to the child, and that frequently cause trouble in later years was mentioned in the papers. Also relation between proper health precepts and progress in school. The common cold and diseases of the eyes and throat were discussed as to recognition of the symptoms and proper treatment suggested.

A standing vote of thanks was given these ladies as a tribute of appreciation of the masterly way in which they had prepared their subjects. The entire club felt that their papers should merit a high place in the contests.

Mrs. Slaton was elected as a delegate to the meeting of the Seventh District at Pampa which will convene the 23rd and extend to the 25th. Mrs. Slaton is also a district Chairwoman, having charge of Juvenile Literature for this district.

The following ladies were served with dainty refreshments by Mrs. Fenton, assisted by Mrs. Fenton, Jr.: Mesdames Craft, Caloway, Elliott, Haney, Henderson, Nash, Nelson, Shook, Slaton, Stewart, Townes, Turrentine, Williams, John Stokes, Weathers, and Howell. Miss Mary Fenton gave a reading while the ladies were being served.

Salvador, with 144 persons to the square mile, is the most densely populated country in the western hemisphere.

Locals

A. R. McGonagill and Bart Reese are old-timers in Lynn County. They are not worried about the weather. Both say they have known it to be dry much longer than this in the spring and bumper crops still be harvested in the fall. Mr. McGonagill declares that in 1904, the first rain of the year came on June 26. Yet more maize and kaffir and potatoes and pumpkins and beans and other vegetables were raised than year than the people knew what to do with, he declared. If you are worrying about the dry weather, just ease up to one of these old-timers and ask him how he feels about it.

G. A. Brasfield and family returned Sunday from a two-weeks trip to Tennessee, having been called to Alamo, Tenn., by the serious illness of Mrs. Brasfield's father, W. C. Peacock. They left the patient somewhat improved. Mr. Brasfield reports no rain recently in the territory traversed. They went by way of Dallas and Texarkana and returned by way of Fort Smith, Tulsa, and Oklahoma City.

R. E. Key returned Sunday night from Ropes, where he spent last week leading the song services in a revival meeting, conducted by Rev. A. A. Brian, pastor of the Baptist Church there. He reports about thirty-five additions to the church and reclamations as a result of the revival.

Miss Ruth Kemp of McCauley, Fisher County, who is a niece of S. R. Kemp of this city, is one of the two winners from Texas of a free trip to the National 4-H Club Encampment held at Washington, D. C., each year, as a result of her outstanding club work of the past year.

Mrs. H. W. Calaway and Mrs. Viva Humphries spent Sunday in the home of F. H. Hancock at New Home, in which Miss Martha Long of Childress was a visitor. Miss Long is a niece of Mrs. Calaway whom she had not seen for many years.

Mr. and Mrs. Truett Hull of Amarillo were guests Sunday in the home of their parents, Rev. and Mrs. O. J. Hull. Young Mr. Hull is one of the coaches in the Amarillo schools.

Many Ailments Yield Quickly To New Konjola

Manager of East Side Stone Yard
Eagerly Praises Merits
Of New Medicine

MR. JAMES A. COX

"Stomach trouble, disordered kidneys and constipation over a period of six months, had placed me in a badly run-down condition," said Mr. James A. Cox, 630 Mathewson st., Wichita. "Gas and bloating followed even the simplest meals. Kidney weakness gave me frightful back pains and I was subject to frequent bladder actions. I was restless and found it difficult to sleep for any length of time. I had no appetite and was weak and listless. For two weeks I was utterly unable to work and it was during this time that Konjola was recommended to me by my friends."

"My appetite increased from the very day I began taking Konjola. My stomach gradually began to function as it should and the back pains left me. Today I eat heartily without any discomfort whatever and am free from bloating. My kidneys are in excellent condition and I am entirely free from constipation. My general health is better than it has been in a long time. I owe all this to Konjola."

It is logical to believe that what Konjola has done for others, it will do for you—for everyone. This is especially true if Konjola is given a fair trial. Six to eight weeks is recommended as a fair trial in stubborn cases.

Konjola is sold in Tahoka at Tahoka Drug Co., and by all the best druggists in all towns throughout this entire section.

CARD OF THANKS

I wish to express my thanks to the neighbors and friends for the many acts of kindness shown upon the death of my husband, and also for the kindness extended upon the

recently death of his brother, H. A. Shattuck. May God bless you all. MRS. G. F. SHATTUCK
Both of these gentlemen held office in Gail many years ago, when it was a live frontier town—when the Wild West was really wild, and they can tell many an interesting story of the colorful exploits of those days.

TRIPLE TESTED

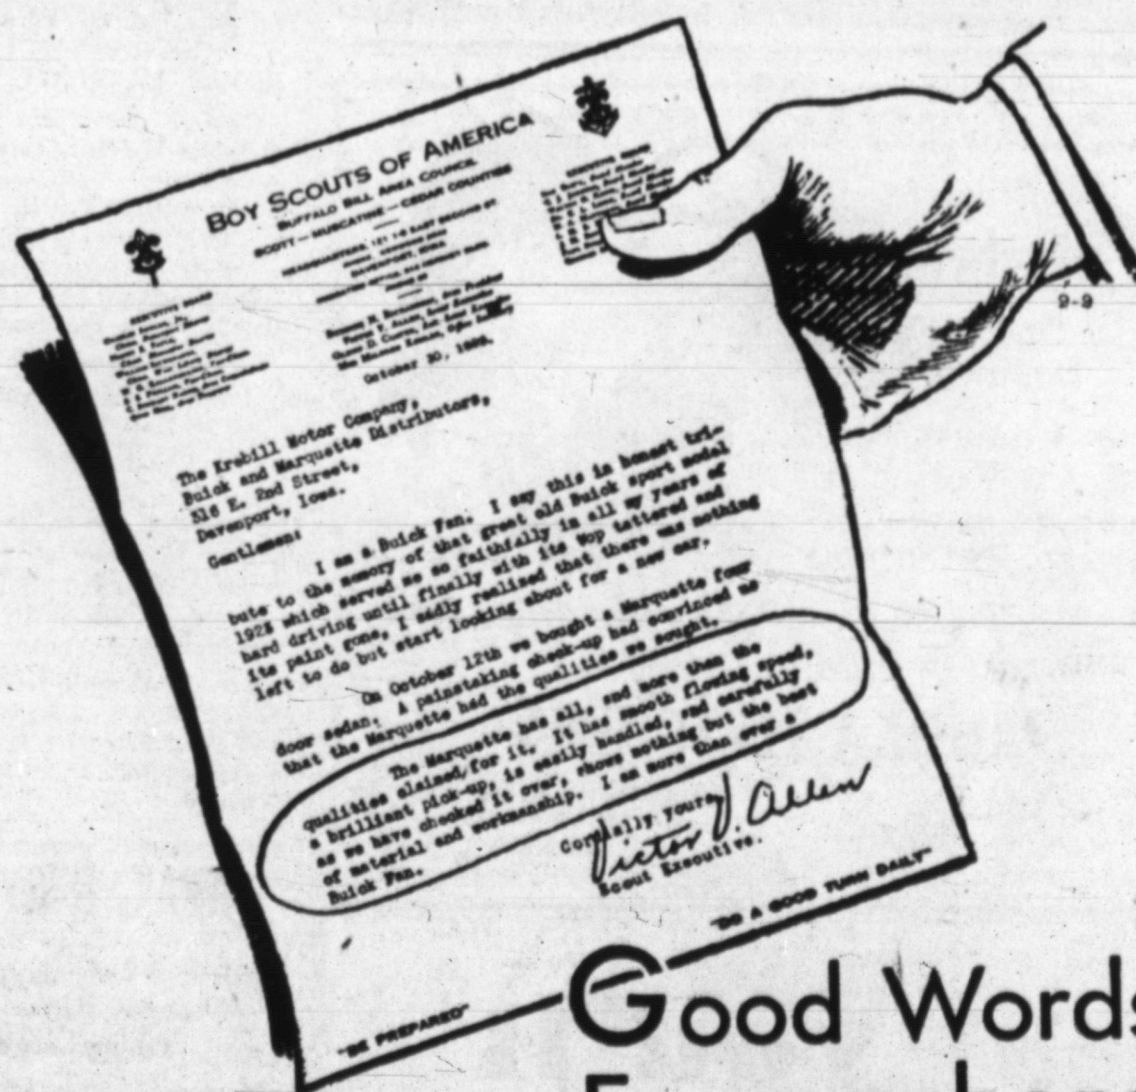

CONOCO Gasoline is actually tested dozens of times in the process of refining—but it is called Triple Tested Gasoline because of all of these tests converged into three main tests—for starting—acceleration—power!

These are the things that motorists want—and are entitled to get—from the gasoline they use. A gasoline may be ever so powerful—but if it is not volatile enough to start the motor quickly and give rapid acceleration in traffic—it will not satisfy today's demands. An easy starting, swift acceleration, are mere snares if they are not backed up with power for every need—economical power!

CONOCO Gasoline meets all three of these important practical tests—that's the reason so many people insist on Triple Tested—

MOODY MAKES HIS PRE-ANNOUNCEMENT REPORT

A few days ago, the News received a full and complete report of the things accomplished for Texas during the three years of Governor Moody's administration. The report in full is too lengthy for us to publish, but we publish below the summary which preceded the main report:

Summary

Report to the people of Texas on Moody's three year job as Governor, which is his first and complete answer to political enemies who have made attacks on his administration and its accomplishments in State business. He points out the following as having been done:

1. **LOW TAXES**—The lowest average ad valorem tax rate for State purposes in recent years.

2. **DEBTS PAID**—Obligations inherited from preceding administration have been paid, including over \$6,200,000.00 in Highway Department and over \$3,680,000.00 in other departments.

3. **BETTER AND MORE EDUCATION**—The public schools have been improved by adding more than \$9,000,000.00 additional funds for school support and to employ better teachers—and to bring about, in fact, and not in oratory, a minimum term of six months for rural schools, as provided by the Constitution.

Payment by State of high school tuition for pupils from rural schools while attending high schools out of their district.

A reduction in the average cost of textbooks, saving over \$2,000,000.

More advantageous leasing of University of Texas oil lands thru competitive bidding and proper handling.

A \$2,000,000 higher educational building program not including laws authorizing the financing of dormitories through operating profits.

4. **MORE AND BETTER ROADS, AT LOWER COST**—Competitive bidding substituted for graft and political favoritism, and ten times more miles of concrete road constructed and put under construction in 1929 than in 1925. Concrete roads built at twenty per cent less cost or over \$5,680,000 less per mile in 1929 than in 1925.

Work like that provided for in contracts which Moody concealed

when Attorney General, and on which he recovered judgment amounting to \$1,000,000.00, done during his administration at about one-fourth the cost paid by the preceding administration.

Over 3,700 miles of all weather highways constructed and put under construction during his administration.

More money given for the building of local roads.

Federal Aid, which was held up and withdrawal threatened during preceding administration because of inefficiency has been obtained from Federal government, and yearly allotment to Texas recently increased from \$4,500,000.00 to \$7,500,000.00, bringing \$3,000,000 additional wealth to Texas annually.

5. **LAW REFORMS**—Judges' vacations have been cut down, hearing of cases speeded up, prosecutions for murder simplified, and excessive fees formerly going to some officers are now going to public Treasury. Excessive commissions for collecting delinquent taxes prohibited.

6. **HUMAN WELFARE**—Insane asylums are being enlarged to take insane out of county jails: These institutions put in charge of expert physicians. Steps taken to care for indigent sufferers from cancer and pellagra and facilities of tubercular sanatorium improved.

State gets more for its money in prison system through budget system and competitive bidding instituted during Moody administration instead of granting contracts to political favorites and use of credit system.

Confederate pension laws liberalized.

A State Service Officer now helps injured World War Veterans and their dependents secure Federal assistance.

Hardened criminals no longer indiscriminately pardoned at wholesale and turned loose to commit murder and robbery crimes.

7. **GRAFT STOPPED**—A State Auditor within six months after appointment pointed out improper and corrupt actions of officials; and changes made in laws upon his recommendation will mean more in dollars and cents to the State than his expense for years to come.

State Departments have been re-

Political Announcements

The following candidates announce their candidacy for office subject to the action of the Democratic primary election in July, 1930:

For District Judge:
GORDON B. McGUIRE
(Re-election)

EXPRESS APPRECIATION FOR ENTERTAINMENT AT THEATRE

We wish to express to Mr. and Mrs. D. B. English our appreciation of their kindness in having us as their guests at the English Theatre on Wednesday night of last week. The picture was true to life and contained a lesson for us all.

We are glad that in our old days we can enjoy the beautiful things of this world. There is lots of beauty here for us if we only knew how to get it and appreciate it.

Mr. English has gone to great expense to provide clean entertainment for the public and we wish for him great success.

Again thanking him for his kindness, we are his friends,
MR. AND MRS. J. S. WELLS

Wm. A. Wilson, secretary of the Lamesa Chamber of Commerce, J. E. Barron of the First National Bank of that city, and Ray Barrett of the Lamesa National Bank were visitors in Tahoka Monday morning.

NOTICE OF ANNUAL EXHIBIT IN ESTATES

THE STATE OF TEXAS,

To the Sheriff or any Constable of Lynn County, Greeting:

You are hereby commanded to cause to be published once each week for a period of twenty days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Lynn County, a copy of the following notice:

THE STATE OF TEXAS:

To all persons interested in the estate of C. B. Gregg, deceased: B. J. Emanuel and M. L. Thomas, administrators, of said Estate, has filed in the County Court of Lynn County, Texas an Annual Exhibit of said Estate for the year ending on the 3rd day of April, 1930, which

will be heard by our said County Court on the 4th Monday in April, 1930, the same being the 28th day of said month, at the Court House of said County, in Tahoka, Texas, at which time all persons interested in said state may appear and contest said Exhibit, should they desire to do so.

Herein Fail Not, but have you

before said Court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same. Given under my hand and seal of said court, at office in Tahoka, this, the 7th day of April, 1930.
TRUETT SMITH, Clerk
County Court, Lynn County, Texas

WEAK, NERVOUS

Mississippi Lady Says She Felt Stronger, Better After Taking Cardui.

Greenwood, Miss.—Mrs. W. D. Taylor, of 1313 Carrollton Avenue, this city, has written of her use of Cardui as follows:

"About five years ago, I was in ill health. I suffered a great deal of pain in my sides and in the lower part of my body. I was weak and nervous, and at the least noise I felt like I must scream.

"At times I would have to go to bed. My head would ache. It would take me three or four days to get over these spells.

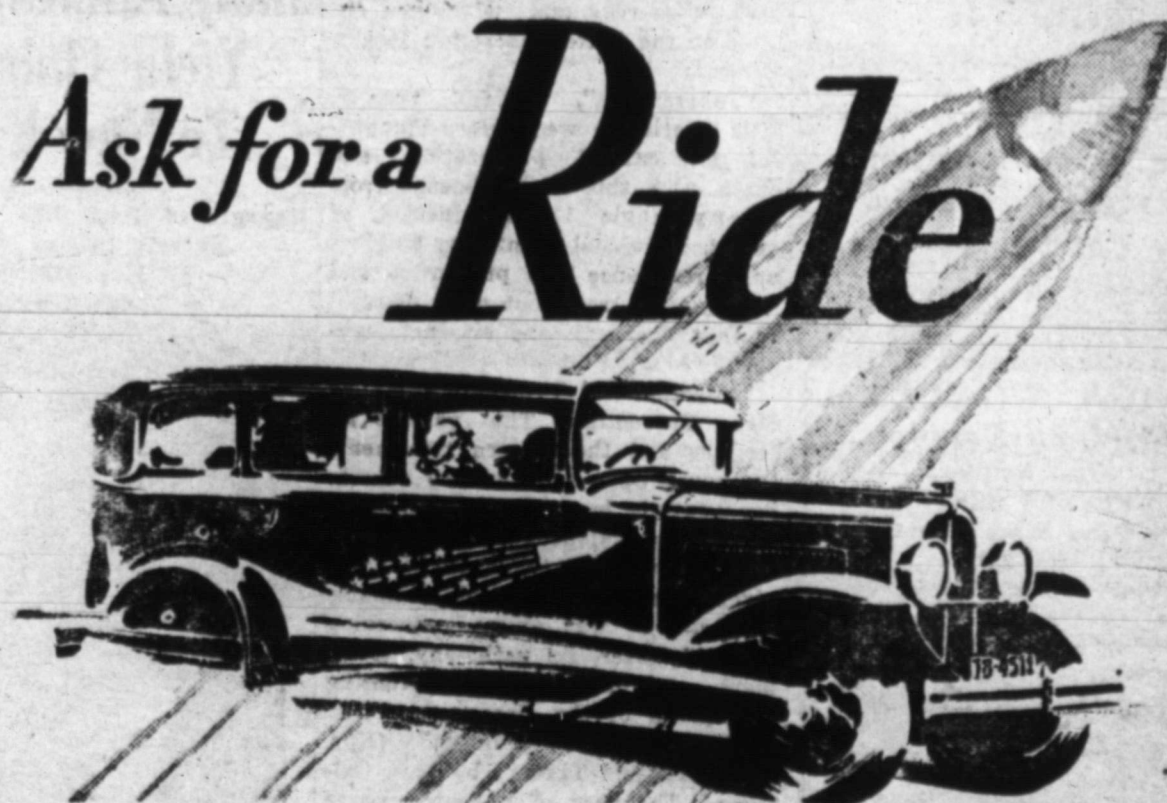

"A friend told me to take Cardui, which I did. After my first bottle, I saw some improvement. When I had taken three bottles, I felt stronger and better than I had in some time. I did not have any more of those bad spells.

"I certainly recommend Cardui." Thousands of other women recommend Cardui, after having found it of valuable assistance to them in building up their health.

Cardui is a purely vegetable medicine, and contains nothing harmful. The medicinal value of the herbs from which Cardui is extracted have been well-known in the history of medicine for more than six hundred years.

Try it for your troubles. NC-220

CARDUI

the Red Rocket demonstrator... learn what the performance this low-priced six provides

Hail the driver of the car with the RED ROCKET. Ask to ride in and drive this New Series Pontiac Big Six. Learn what splendid performance Pontiac now provides.

SPEED, PICK-UP, POWER—Pontiac's high speed, quick pick-up and abundant power for climbing are made possible by its sturdy 60-horsepower engine, with 200 cubic inches piston displacement. It is the largest engine in any six of Pontiac's price.

UNUSUAL SMOOTHNESS—This engine is also unusually smooth due to new type rubber mountings—a more rigid crankcase—and the Harmonic Balancer which overcomes torsional crankshaft vibration.

EASY RIDING AND DRIVING—Pontiac's riding ease is increased by Lovejoy Hydraulic Shock Absorbers (standard equipment at no extra cost), and by large, comfortable Fisher bodies. Driving too is easier and safer due to Pontiac's new steering system acting on roller bearings and its new non-glare windshield.

Ask to drive the car with the RED ROCKET. Or come to our salesmen and receive a special demonstration. You'll find this finer Pontiac an exceptional "buy" at its low price.

Prices are f. o. b. Pontiac, Mich., plus delivery charges. Shock absorbers standard on all models. Bumpers and spring covers at extra cost. General Motors Time Payment Plan available at minimum rate. Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Pontiac delivered prices include only a limited charge for freight and delivery and the charge for any additional accessories or financing desired.

TAHOKA WINS ONLY TWO FIRST PLACES IN DISTRICT

Only two first places, tennis doubles and music memory, were won by Tahoka students who participated in the district interscholastic league meet at Lubbock last Friday and Saturday.

Jack Alley Robinson and J. D. Donaldson, Jr., won first in tennis doubles after defeating Lubbock, Spur, Ralls, and Plainview, in succession. Jack Alley won second in tennis singles, winning over Lockney, Spur, Dickens, Plains and losing to Plainview in the finals. The doubles team, representing District 2, will meet the winner of district 1 at Canyon this week end, to determine who will represent northwest Texas at Austin. A remarkable feat of the Lubbock tournament was the fact that Jack Alley played 20 sets of tennis, a total of 203 games.

Ruth Suddarth and Mary Jane Weathers won first in Music Memory. They were coached by Miss Imogene Galloway.

Janice Sanders, junior girl decalmer, won first in the preliminaries; James Applewhite, junior boy, third; Evelyn Wells, senior girls, third. However, they were unable to place any first places in the finals.

On the track, Moffit tied for second in the discus throw, Cowan tied for third in the pole vault, and Fox won fourth in the broad jump.

LAMESA BANKER SERIOUSLY HURT IN WRECK NEAR HERE

W. K. Crawley, cashier of the First National Bank of Lamesa, was seriously injured last Sunday morning when his car turned over on the highway a few miles south of Tahoka and went into the ditch. Crawley sustained a fracture of four ribs, an abdominal contusion, and several minor cuts and bruises. He was picked up by another car and brought to Tahoka for first aid treatment and then rushed on to a sanitarium in Lubbock, where he has been hovering between life and death ever since. He is reported to be somewhat improved today, however, and hopes are now entertained for his recovery.

The accident occurred on the high dump crossing a lake six miles south of Tahoka. The road bed is rather rough at this point and it is said that the car got to jumping and the driver lost control. It turned over completely twice and was badly damaged. Crawley was on his way to the Lubbock Sanitarium at the time to take his son home, who had been receiving treatment in the institution.

BABY CHICKS

\$8.00, \$9.00 and \$10.00 per hundred; English Leghorn, \$3.00 per hundred; Mixed Heavy Breeds, \$2.00 per hundred; Reds and Rocks, \$10.00 per hundred. Week and ten day old chicks at Baby Chick prices, when we have them. Post-paid anywhere. \$1.00 books order, balance C. O. D.

JOE BAILEY 4-H CLUB MET

The 4-H Club girls met April 11, with ten members present. Miss Greenwade gave patterns and instructions for sewing. We elected Miss Jessie Williams as our sponsor. We are all working hard this year.—Report.

Memorial Day

Anticipating our usual Memorial Day rush our stock is complete with many beautiful monuments finished in every way except the lettering, but this is something that cannot be hurried, it takes just so long to do the work right. To avoid disappointment in having your work in place by May 30th the order should be placed soon. A post card will bring our salesman with no obligation whatever on your part, may we have him call?

South Plains Monument Co.
LUBBOCK, TEXAS

Locals

Lonnie Killian and his sister, Miss Rilla Killian of Dierks, Ark., left for their home today after having spent a week here visiting the families of Robert J. and Jasper Reid, who are their uncles. This was their first visit to the plains of Texas. They are teachers in their home county.

Burley Brewer, who was so seriously injured when run over by a tractor two weeks ago, is steadily improving, according to his father, G. T. Brewer. It is thought that he will be able to leave the sanitarium within the next two or three weeks.

Mrs. Laura McCormack, who has been at the bedside of her son, Sanford McCormack, who died at Tyler last Thursday and who was buried here Sunday will remain here a week or two with her daughter, Mrs. D. W. Gagnat.

Mr. and Mrs. D. B. English left Sunday for Frost, where a brother of Mrs. English is seriously ill. Mr. and Mrs. English also expected to visit Dallas on business before returning to Tahoka.

A youth named Scott residing on the Jack Edwards farm near Three Lakes was taken to a sanitarium in Lubbock Tuesday night for treatment. The lad was said to be in a serious condition.

Mrs. F. L. Willingham, who is visiting relatives at Memphis, Texas, is expected home the latter part of this week. F. L. and the boys have been "batching" for the past two weeks.

Miss Margaret Randolph, who has been teaching the past year at T-Bar, returned to her home at Moran Saturday. She was accompanied by Beecher and Miss Floyce Sherrod.

Louie Weathers, Fred Barker, Vernon Davis, and Fred Hegi, all of the First National Bank of this city, attended the district bankers' convention in Plainview Monday.

Mr. and Mrs. Cavanaugh of Floydada were the guests of Mr. and Mrs. Ben G. Morton of this city last Sunday. Mr. Cavanaugh is the editor of the Floyd County Plainsman.

Mrs. B. C. Howell of Tyler and Miss Audy V. McCormack of Los Angeles, California, attended the funeral of their brother, Sanford McCormack, here Sunday.

E. G. Allred of Lubbock, district meter engineer for the Texas Utilities Company, has been here this week making tests of all the electric light meters in town.

Mrs. J. C. Gable, who resides on the farm of Mrs. Windham southeast of town, underwent an operation in the Lubbock Sanitarium Monday.

Jeff Connolly spent Sunday in Dallas. He was accompanied to Dallas by Miss Oletha French, who has been teaching at T-Bar.

Miss Artie Perkins, daughter of L. H. Perkins, was taken to the Lubbock Sanitarium Tuesday for an operation for appendicitis.

Mrs. C. E. Campbell residing a few miles southeast of Tahoka was taken to a sanitarium in Lubbock Tuesday for treatment.

Dr. T. M. Hall of Gatesville was the guest Tuesday night of Rev. O. J. Hull. Dr. Hall had business in Lubbock Wednesday.

Mr. and Mrs. Spurgeon O'Neal of Muleshoe were here spending the week end with the O'Neal and Walker families.

M. E. McGaha, manager of the United Dry Goods Store here, is in El Paso this week making purchases for his store.

Mrs. Ben King was taken to the sanitarium at Lubbock Tuesday for treatment and possibly for an operation.

Mrs. E. N. Weathers suffered a slight hemorrhage last Friday and has been quite sick since.

Mrs. S. E. Reid is quite seriously ill in a Lubbock sanitarium.

CARD OF THANKS

We desire to express our appreciation for the many kindnesses shown us upon the death of our son and brother, Sanford D. McCormack, and especially are we grateful for the many and beautiful floral offerings.

H. M. McCormack
Mrs. Laura McCormack
Mr. and Mrs. D. W. Gagnat
Mrs. B. C. Howell
Miss Audy V. McCormack
T. J. McCormack

T. K. KARD KLUB ENTERTAINS

Tuesday evening the T. K. Kard Klub entertained in the lovely home of Mrs. Henry Maassen with five tables of bridge. The home was attractively decorated in locust blossoms and the colors of red and yellow were carried out in tallies, table covers and refreshments, which consisted of brick ice cream and angel food squares.

Those enjoying the occasion were the Klub members and the following guests: Misses Frankie Wells, Lola Belle Edwards, Jaurine Edwards, Allene Taylor, Hazel Stafford, Gertrude Bishop, Geneva Tankersley, Charlotte Barnett, Mesdames Clyne Thomas, Buck Barnes, Henry Maassen; Messrs. Jack Fenton, James Taylor, Ray Shaver, Fred Barker, E. S. Evans, W. T. Bovell, Ray Taylor, Robinette, Clyne Thomas, Buck Barnes and Henry Maassen.

High score was won by Miss Hazel Stafford and Mr. Jack Fenton.

FIRST WEENIE ROAST OF SEASON MONDAY NIGHT

On Monday evening a large crowd gathered in front of the Limit and went to the Twin Mills for the first weenie roast of the season. Those enjoying the roasted weiners, marshmallows, pickles, potato chips, and pop were: Messrs. and Mesdames Leroy Knight, Summer Knight, Clyne Thomas, Shorty, Woods, Bill Holland, Misses Jaurine Edwards, Hazel Stafford, Loyce Shaffer, Dude McCoy, Frankie Wells, Allene Taylor, Mary Squires, Lola Belle Edwards, Charlotte Barnett, Gertrude Bishop, Mayfair Woosley, Hazel Connolly, and Pearl Ketter; Messrs. W. T. Bovell, Ray Shaver, Garland McMahon, Ivan Cathcart, James Taylor, Jack Fenton, E. S. Evans, Douglas Finley, Robinette, Barton, Leon Slaton, Wallace King, Daniel Davis, and Truett Smith.

WHO IS A DEMOCRAT?

Well, good peepul, how did you like the speakin' last Thursday nite? Shore wuz lots of peepul there, wern't they? Yes, I shore wuz there, so wuz three other men, cause I herd 'em all speak.

The first man wuz what clames to be a dimercrat. The next wuz another what clames to be a dimercrat, and said, said he that the feller he wuz about to interduce wuz a dimercrat and the supreme cortes dont have nuthin to do with his runnin. So that other man got up before the peepul and spoke, and he said that there wuz a bunch of peepul what wuz a tearin at the vitals of the dimercrat party and that he beleaved in peepul a standin for sumpen, and having a controled party, etc.

All of witch makes me wonder what tamany wuz a doin. He said the party wuz tore up and it wuz a-going to purge itself from the inside. I don't know if it is a-goin to take another dose of G. O. P. er jes strate tamany.

Yes, and he said sumpen about tariff. Now, peepul, I dont no nuthin about that, cause I never seed enny, and all I no is back yonner in 1900 and 28 I herd sum smart men say that both parties wuz usin the same bran. So I jes cant tell who is a dimercrat and who is a repulican; cause when you air lookin strate in the face of two elefant heds, how can you tell which has a mule's body? And you no that both have elefant heds, cause that's the kind of hed Mr. Smith put on it when he stuck the hed on it way back yonner when he wuz runin for president.

So, putting all these things down and addin em up, it jes makes me wonder who is a dimercrat.—A Voter.

CHANGE OF PROGRAM

Due to the fact that the films could not be secured for the pictures to be used in the second evening of Better Homes Program, the Singer Sewing Machine Company of Lubbock will give a demonstration on their machines. This will deal especially with the use of the attachments. There will be a large number of machines. All the women of the county are given a cordial invitatin to attend these demonstrations.

TELL THE CENSUS MAN

If you know of any one residing in the city limits who has been missed by the census enumerator, you should notify Jack Alley or Mrs. Robert Reid at once. Tomorrow may be too late. Act today.

YOUNG ADDRESS

(Continued from first page)

am a Democrat," he asserted emphatically, almost vehemently, and there was a round of applause.

Mr. Young gave his record as a Prohibitionist, declaring that he had campaigned for state-wide prohibition before he was 21 years old, that he had voted for prohibition every chance he had had, that he left the bedside of a sick brother to hurry to Washington and vote for the Eighteenth Amendment while he was a member of Congress, and he declared that he is a dry, personally and politically, now. But Prohibition is not an issue in this campaign, he said. That issue has been settled and the only issue now, relating to the liquor traffic, is law enforcement, and that is up to local officers, he declared, except when conditions become lawless in any locality, and in that event the governor should send state rangers to enforce the law.

He favored liberal support of the public schools and the institutions of higher learning in this state, more adequate facilities for caring for the insane, the orphan children, tuberculars, and the ex-soldiers of all our wars.

Declaring that highway building in this state is just in its infancy he voiced his approval of the 4-cent gasoline tax but his opposition to a state bond issue. The various sources of revenue will produce 50 million dollars to be spent annually by the state highway commission. "Isn't that a sufficient sum to place in the hands of any three men to spend in a year?" he asked. "I would consider it a crime to vote a bond issue of \$350,000,000 for our children and grand-children to pay," he continued.

The penitentiary system was discussed by Mr. Young at considerable length. After deciding to become a candidate for governor, he visited all the state farms except two, as well as the main penitentiary at Huntsville. He asserted that the state farm lands below Houston were the most beautiful he had ever seen; that they are not only adapted to the raising of cotton but also to the raising of corn, vegetables and fruits. The country surrounding Huntsville is a fine fruit and vegetable country. He was opposed to "giving these lands away" and building a new industrialized penitentiary system. On the other hand, he would put a practical man in charge, and would raise all the feed needed for the live stock on the state farms. He would also produce all the milk and butter consumed by the inmates of the penitentiary and by the inmates of all the State's eleemosynary institutions, using the overflow lands for pasturage. He would raise fruits and vegetables on the state farms, can and preserve them, and supply all the state institutions. Instead of building a new industrialized penitentiary, he would enlarge the shoe shop, the mattress factory, the cooking-utensils factory, and the other shops already being operated on a small scale within the penitentiary walls and would thus supply all state institutions with the products of these shops and factories.

"I would like to know who is the author of this idea to sell the state farms any way. Some one wants to buy some state land cheap and some one else wants to sell the State some land at a high price," he asserted.

"One of the candidates for governor says he will solve the penitentiary problem by turning the convicts out. Many of the convicts are murderers and thieves and hardened criminals, and they would be dangerous to society if turned out. I would separate young boys and first offenders from the old hardened criminals and try to save them from contamination by the old crooks."

Discussing live stock and agriculture, he took a fling at the Republican party, saying that we had built up a tariff wall around our country and thus destroyed European markets for our farm products, laying the blame for this condition at the door of the Republicans.

He advocated economy in government, saying that he would consolidate some of the departments at Austin and would veto every measure to increase salaries.

He would favor a readjustment of taxes by placing more taxes on wealth. He would favor at least a million dollars additional taxes on sulphur, the levying of a tax on natural gas, and would investigate to find out if the oil companies were bearing a just share of the burdens of taxation. He would also impose a tax on pipe lines.

He would have a law passed also compelling lobbyists to reveal the names of the persons or companies they represent, and closed by taking a fling at the "professional politicians", claiming that they are responsible for the conditions that exist in Texas today.

At the close of his address many of his hearers grasped his hand and assured him of their approval.

SANFORD D. McCORMACK BURIED HERE SUNDAY

(Continued from first page)

ideal life, referring tenderly to the virtues of the deceased and to his meeting death unafraid. The remains were laid to rest in the City Cemetery here, where the funeral services were concluded.

Mr. McCormack was the son of Mrs. H. M. McCormack of this city and a brother of Mrs. D. W. Gagnat. He has been a resident of Tahoka for several years, being employed in the McCormack Hardware Store here. He was stricken with the fatal illness more than a year ago and many times during his illness his life had been despaired of, but he fought for life with a degree of bravery and tenacity that was truly amazing.

"Sandy" McCormack was a little more than 31 years of age, having been born on Christmas day, 1898. Even-tempered, and considerate in his dealings with his fellow men, he had made a host of friends here, who deeply regretted his untimely end. His patience and thoughtfulness for others while he lingered on the bed of affliction were a true index of his character. It is no wonder that so great a concourse of friends crowded into the church and followed his remains to the cemetery last Sunday afternoon to express their esteem for him and their sympathy for the bereaved family.

C. OF C. DENIED NUMBER OF CATTLE BY CENSUS BUREAU

The Tahoka Chamber of Commerce is in receipt of a letter from Mr. I. E. Barr, Census Supervisor of the Seventh District of Texas in response to a request for data on the number of dairy cattle found in Lynn County. Mr. Barr states that he has been denied permission by the Census Bureau at Washington to give out any information other than the number of people and the number of farms.

The Dairy Committee of the Chamber of Commerce, consisting of Dr. E. E. Calloway, Robert H. King, A. L. Lockwood, W. B. Slaton, and C. A. Thomas are very anxious to do whatever they can in order to secure a cooling plant for Tahoka. Officers of the South Plains Dairy Products Co., of Lamesa have stated recently that they hope to soon be in a position to talk business with the people of Tahoka.

NEW SCHOOL TRUSTEE ELECTION ORDERED FOR MORGAN

(Continued from first page)

By reason of an oversight of the county judge, two names were left off the official ballot in the school trustee election held in the Morgan Independent School District on the first Saturday in April. The election was accordingly declared void by the commissioners' court and a new election was ordered for Saturday, May 3. New ballots have been printed for this election. It is hoped that all qualified voters will cast their votes this time and that all parties will be perfectly satisfied with the results.

New Hampshire was the first state to require formal registration of voters, in 1840.
