PROPOSED WHEELER CARE CENTER RECEIVES APPROVAL OF PHSA

The Panhandle Health Systems Agency gave their approval for the construction of a $930,000 nursing home in Wheeler Thursday evening, September 10, in Amarillo. The actual Certificate of Need will be obtained from the State Health Systems Agency on October 14 in Austin.

Proposed is a 90 bed, 22,000 square foot building. The location will be Continental Drive (1 block west of Mobeetie Streeth on Tenth). The facility will be operated as Wheeler Care Center and will be owned and operated by B. Robertson and Robert T. Helton, both of Burleson, Texas.

Thirty of the beds will be reserved for "Personal Care", those individuals who do not need constant nursing, but require occasional supervision. The Personal Care Unit could be compared to a boarding house type situation.

With the issuance of the Certificate of Need by the state, the home is expected to be in operation in a year.

The 9 to 6 decision of the Panhandle Health Systems Agency required two meetings of the PHSA committee. The committee met September 3 in Amarillo with a group from Wheeler Care Center, the Wheeler community and surrounding communities. Testimony was given as to the need for the facility and the impact on surrounding existing nursing homes. The committee was unable to reach a decision and an extension was requested by the Wheeler Care Center representatives.

A second meeting of the PHSA committee was called September 10. The same groups were represented and additional testimony was given. The original proposal by Wheeler Care Center called for a 90 bed nursing home interim and the 30 personal care rooms were included in the second proposal. At the close of the meeting, the PHSA committee did not take action and the proposal went before the Panhandle Health Systems Agency meeting later in the evening.

At the PHSA meeting the proposal again met opposition and much discussion was heard on the matter. The size of the proposed nursing home was the major objection, as surrounding smaller nursing homes are not operating at full capacity.

Wheeler Care Center and the City of Wheeler will be represented at the October 14 meeting of the State Health Care Agency on October 14.

KIDS DAY FESTIVAL SET FOR SAT. SEPT. 19

The Alpha Mu Alpha Chapter of Beta Sigma Phi will hold their 3rd annual Kids Day Festival, Saturday September 19 in Wheeler.

The festivities will begin at 9:30 Saturday morning with a bicycle parade starting in front of the First Baptist Church going to the courthouse. The parade will be followed by four exciting events: 10:00 a.m. - crawling and walking contest; 10:30 a.m. - Bicycle Race; 1:00 p.m. - Pet Show (Dogs and cats); 2:00 p.m. - Turtle Race (Bring your own turtle); 2:30 p.m. - Three-legged race.

First, second and third place ribbons will be given in different age categories in each event and also to all participants. Ribbons are being donated by the Wheeler Chamber of Commerce. There will be no entry fee.

Children of all ages are invited to participate. Plan now to attend the activities for a day of fun and excitement for everyone.

Wheeler Jr. High Over Wellington

Wheeler 7th and 8th grade football team defeated Wellington Junior High last Thursday 14 - 6. Wheeler scored first in the contest with a 6 yard touchdown run by Toby Collins. Rodney Bond added the extra point to make it Wheeler 7 and Wellington 0. Before the half, Collins ran a 25 yard touchdown around left end with Bond adding the extra point, which make the score Wheeler 14 and Wellington 0.

During the game, Wheeler had two other touchdowns called back because of penalties which helped Wellington's cause. Wellington did score on the last play of the game to make the final score 14 - 6.

Leading the charge on defense was Collins with 14 tackles and Charlie Miller had 10 tackles. Wheeler Junior High will play at home on September 17 at 6:00 against Clarendon. Before the Junior High game, Wheeler 5th and 6th grade football team will play Booker at 4:30 in Wheeler.

Sunday Postal Services Curtailed

Because of the low volume of mail generated and to save fuel on Sundays, mail routes running on Sunday will be discontinued in the Texas Panhandle area. Postmaster C.T. Davis states that 26,000 gallons of gasoline will be saved annually.

"Volumes of mail sent to and received for post offices in the Panhandle amounts to less than 5% of an average day's mail normally generated," the Sectional Center Manager/ Postmaster Davis said.

This action will be effective September 13, 1981.

Contract Let For Elementary School Addition

The Board of Trustees of the Wheeler Independent School District opened the bids for the construction of an elementary addition on September 10, 1981. Four bids were received on the addition. They were: Wardroup & Associates, $272,790.00; Cates Construction, 248,120.00; Sam Smith Construction, 240,880.00; Wiley Hicks Construction Co., 236,387.00.

Wiley Hicks Construction of Amarillo was awarded the low bid with a timetable of 120 consecutive working days for construction.

BGR Architects-Engineers of Lubbock are the architects for the project.

OPEN HOUSE: The Board of Directors and employees of the First State Bank of Mobeetie will hold Open House Saturday, September 19. The affair will be from 2 to 5 in the afternoon. The occasion is the 75th Anniversary of issuance of a Charter for the Mobeetie bank. The bank was opened in Old Mobeetie and moved to its present location in 1931. The bank would appreciate access to any pictures of the former buildings and articles concerning the bank; they are preparing a scrapbook of the bank.

FIRST STATE BANK OF MOBEETIE TO OBSERVE 75th ANNIVERSARY

The First State Bank of Mobeetie will observe their 75th Anniversary Saturday, September 19. An open house will be held from two until five in the afternoon at the bank. Refreshments will be served and door prizes will be offered.

The early history of the First State Bank of Mobeetie is sketchy. It is believed the bank had its beginning in the J.J. Long General Store. In September, 1906, the First State Bank of Mobeetie was chartered and the bank established with $10,000 capital account. The board of directors for the new bank at Mobeetie, Texas, were J.J. Long, J.W. McKinley, W.L. Mathers, Mark Huselby and W.G. Stiles.

A small wood frame building was used for a period of time and a more permanent brick building was constructed. The brick structure was on the corner--believed to have been at the end of the paving as you are going into "Old Mobeetie". A drug store was operated at the back of the bank building.

The bank was moved to its present location in 1931. No pictures of this building are available, and the brick structure was destroyed in a tornado on July 3, 1967. The vault was all that survived the storm. A new building was constructed and the bank moved into the building in November 1967. Business as usual after the tornado was carried on in an existing building in Mobeetie.

The bank continued to grow and an addition was made to the bank on the east which doubled the floor space. The First State Bank held open house on Friday, March 18, 1977, to show off their newly remodeled facilities. At this time the bank employed seven people and had a six member board of directors. Additional space was completed September of 1980; included is a community room.

The bank presently employs 11 people and has a six member board of directors. A new computer systems has recently been purchased and the bank can offer the best in banking and friendly, hometown service.

The bank has gone from $10,000 in Capital Accounts in 1906 to $1,107,500 as of September 15, 1981.

Melvin May is Chairman of the board of directors and President of the Bank. Other board members are L.D. Childress, Dean Tipps, Paul Hathaway, J.H. (Buck) Scribner and Mattie Williams. Helen May is serving as Vice President of the bank. Randy McCurley is Cashier; assistant cashiers are Dortha McCurley and Melba Darnell. Other employees are Tammy Maddox, Clarise Hathaway, Cathy Miller, Pam Trimble, Bill Howard, Kelly Howard, LaJuane Alexander and Georga Smith.

Each of the members of the board and employees extend to you an invitation to visit the facilities at the First State Bank of Mobeetie and enjoy the occasion of their 75th Anniversary of business in Mobeetie and service to the community, county and surrounding areas.

New Arrival

SIMMONS

Keri LeighAnn Simmons wants to let everyone know about her brand new sister.

Her name is Mary Whitney. Whitney tipped the scales at 8 lbs., 2 ozs. She is 19 inches long. She arrived Sunday, September 6 at 7:02 p.m.

Whitney's parents are Steve and Melonia Simmons. Grandparents are Mr. and Mrs. Dudley Miller and Mr. and Mrs. Virgil Simmons.

MONTGOMERY

Mr. and Mrs. Joe Montgomery of Wheeler announce the arrival of a daughter on Friday, September 11, 1981 at Hemphill County Hospital in Canadian. The little lady was named Rachael Michelle and weighed 7 lbs., 12 ozs.; she was 19 inches tall. Two sisters and one brother will help with the care of the infant.

Grandparents are Mr. and Mrs. Marshall Andis of Wheeler and Mr. and Mrs. G.A. Montgomery of Wellington. Great grandparents are Mr. and Mrs. Homer Watson of Guymon, Okla. Mr. and Mrs. Ben Andis of Amarillo are the great-great grandparents.

FRANCIS

Anthony and Lynn Francis and brother, Andy, announce the arrival of Cassidy Kay. The little girl was born September 8 at Shamrock General Hospita and tipped the scales at 7 lbs., 7 ozs; she stretches a full 21" in length.

Grandparents are Mr. and Mrs. Zane Francis of Wheeler and Mr. and Mrs. Robert Horn of Shamrock. Great grandmother is Mrs. Blanche Reames of Scranton, Ark.

RECORD COLLECTIONS IN LOCAL MDA DRIVE

Wheeler and surrounding communities had a record collection amount of over $2,000. In pledges alone called into the pledge center, $750 was collected.

Wheeler Young Homemakers, who were operating the local pledge center, sponsored a car wash before the telethon and collected $181.00 A door to door drive was conducted through the pledge center and students from Wheeler knocked on doors. The kids brought in a total amount of $742.00. Canisters were placed in local businesses and $89.00 was generously given.

Each year MDA has T-shirt transfers for sale and each pledge center is given a certain amount. $65.00 was made as a result of transfer sales. A fish bowl was placed in front of Rives Insurance (local pledge center) for who came by to make donations. $172.00 was dropped in the fish bowl.

Wheeler Chapter of Young Homemakers would like to thank each and every person for making their donation. You may be sure your money is being put to good use for MDA (Note: over 84% of all money going to MDA is used in patient financial assistance and research.)

Wheeler citizens pledge approximately $2,000.00 during the Sixteenth Annual Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association. Nationally, over $31,400,000.00 was pledged.

Hosted again by Jerry Lewis, MDA National Chairman, the 21½-hour entertainment marathon featured some of the most popular personalities in show business including stars of TV, film, stage and the concert world -- all of whom contributed their talents to help in the fight against muscular dystrophy and related diseases. Ed McMahon served as Lewis' anchorman for the ninth straight year, backed up by David Hartman, host of "Good Morning America" and Hollywood's Chad Everett.

KFDA Channel 10 carried the local portion of the show. The supershow began at 8:00 p.m. Sunday night and went off the air at 6:30 p.m. Monday. The Wheeler Pledge center was located at Rives Insurance office under the direction of coordinator Pam Hibler. Special MDA events taking place in Wheeler before Labor Day weekend included a car wash.

Proceeds from the Telethon help fund over 750 individual neuromuscular research projects throughout the U.S. and abroad; 10 major university-based research centers; 230 free diagnostic and treatment clinics, summer camping programs; and professional and public education.

Don't Miss "JAWS"

The Wheeler Volunteer Fire Department has scheduled a Jaws of Life demonstration for September 26 beginning at 3 p.m. The location will be held on the vacant lot across from the bank on 152.

People who have not seen the jaws in operation, will especially enjoy the demonstration. Wrecked cars will be used and all procedures will be carried out as they would be done in an actual rescue. All of the fire department equipment will be on display.

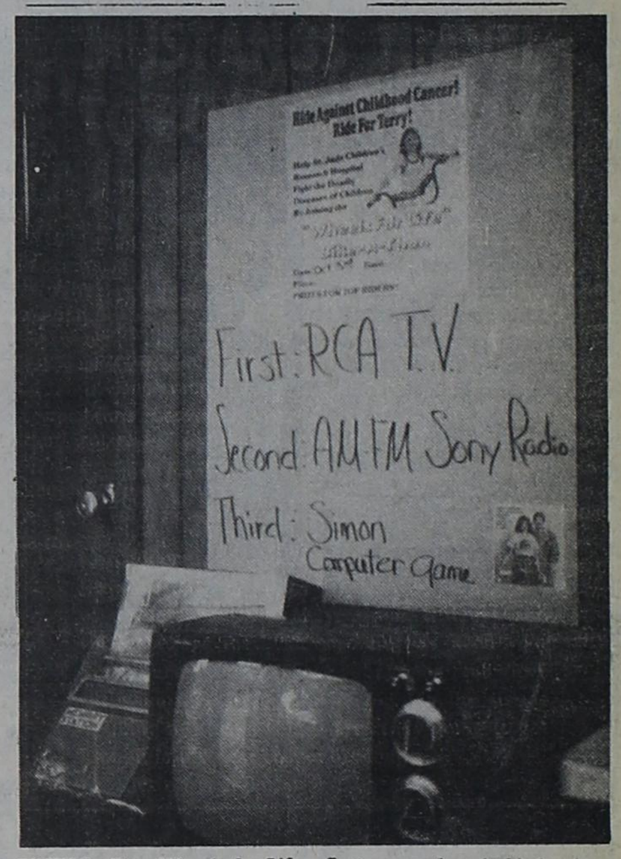

The people of Wheeler and the surrounding area responded superbly to the Jaws of Life fund drive, thus making this machine available in our area. So now is your chance to see this life saving equipment, as well as seeing your local firemen in action.

PRIZES: The Wheels-for-Life Bike-a-Thon will be held in Wheeler on Saturday, October 3rd. Pictured above are the first, second and third prizes which will be awarded. Details are in the story on the bike-a-thon.

Wheels-for-Life Bike-A-Thon Set

Bike-a-thon chairman, Mary K. Christner today asked Wheeler residents to participate in the St. Jude Children's Research Hospital "Wheels for Life", Bike-a-thon, Oct. 3rd.

Volunteer workers and riders are needed for the Bike-a-thon to raise funds for the world-famous research center and its battle against childhood cancer.

Christner said this year's ride is being dedicated to Terry, a leukemia patient at St. Jude. "We're looking for people who will contribute some of their time and energy to help children live. we really need bike riders since they are the ones who can make this Bike-a-thon successful."

Sponsor forms are available at Jr. High Principal Thomas Helton's office or the Wheeler Times.

All riders will be furnished with free cokes and sandwiches. Bike route information will be detailed next week.

"You can put your muscles to work for a child's life in this Bike-a-thon" Christner said. "We need every bike and every rider."

MUSTANGS TRAVEL TO BOOKER FRIDAY

The Wheeler Mustangs go after their second win in as many tries Friday when they travel to Booker to play the Kiowas. The Mustangs came out of the Stinnett game with the usual assortment of bumps and bruises and used the open date last week to work out soreness and prepare for Booker.

Concerning Booker Coach Smith said, "Booker runs the veer on offense and an offset five on defense. Booker has a fine team headed by two super players. Maxfield, their quarterback, throws the ball reall well and is a fine all around athlete. Mills, their top running back, has exceptional speed and we must contain him for us to win."

"These Mustangs have great attitudes and they believe they can win. But we need your continued support. These young men really love it when they have a lot of folks in the stands pulling for them. Things are really going to get tough in the next couple of months."

Kick off is at 8 p.m.

Briscoe News

by Vetola Parker

Saturday night this week went by without some rain at our place.

We visited Claude and Mable Parker Saturday night. Others there were Bea Ogle, Christina and Shelly, Linda Kay Gilmer, George and Avis Parker, Mathew Hammon, Eric Daughtry.

Claude and Mable, George and Avis, Colie and I visited Bill and Nita Ault over in their pecan orchard. They have their watering system rigged to water over 300 trees at once.

George and Avis pickup would not start, we took them home and the boys visited them a while.

Sunday morning early we received a nice shower, enough to wet everything.

Monday morning Sept. 14 Happy 49th Wedding Anniversary to Colie and I today. Now that's a long time to wait on, and cook for a man (ha). It don't really seem all that long. Hope we have better health for the rest of our lives.

Well, last night was another one of those boogeroos around 2 o'clock. A bad cloud came out northwest with a lot of lightening and the water poured out of the skies. Don't know how much we got. Willis and Verna Fillingim's received 2½ inches. I think we got that much also. Our gauge blew over.

Gena and Roberta Signs and John Paul Sutton are visiting relatives in Michigan for a few days.

Rick and Mary Bruntmeyer are visiting relatives in Missouri.

Roy Meadows went back to Amarillo doctor for a heart catherization test Thursday. The check out was real good. He could go back to work and drive. Verna said it was good to see him able to be back at church Sunday night. I would advise Roy to go back to work slowly.

Lillie and Sharon Sumpter, Darla Eubanks visited Eddie Sumpter's at Mineral Wells, Texas over the weekend.

Berdell Roberts and Carolynn Gragg were Wednesday dinner guests at Willis and Verna Fillingim's.

They all visited in the rest home in Canadian.

Don and Cris Fillingim, Dallas and Lindsey were Wednesday night supper guests at Willis and Verna's.

Sunday at Willis and Verna's were the Darrell Rodenberg family, Johnny Sutton, David and Elizabeth Hale.

James and Bea Ogle and girls visited Willis and Verna Tuesday night.

Colie Parker was on the sick list last week. A bad tooth got him down. He is better. He was able to go to church Sunday night.

I understand Sunday was Grandparents Day. We have not heard from any of our 30 grandchildren as yet.

Kathy Zybach gave her husband Wayne a birthday party Saturday night at their home. They had a weiner roast outside. Those there were Mr. and Mrs. Hiram Begert and Brent, Mr. and Mrs. Bob Dukes and Monty Joe, Mr. and Mrs. David Zybach, Christy and Shawn, Mr. and Mrs. Curtis Hall and Kent, Mr. and Mrs. Bevard Dukes, Diedre and Andra, Mr. and Mrs. Elbert Zybach, Mr. and Mrs. Bob Zybach.

Sept. 5 - Hiram and Darena Begert and Bret, Wayne and Kathy Zybach and Clay, Bob and Gena Zybach attended the Nearl Limousin dispersal at Chattanooga, Okla. Steve Zybach was helping with this sale.

Sunday Bob and Gena visted her folks Mr. and Mrs. Leonard Reid in Wheeler. Others there were Don and Sally Dillman of Pampa.

Weekend guests at Clarence and Irene Zybach home were Mr. and Mrs. Frank Gresham from Elizabeth, Colo. Mr. and Mrs. Anthony Long and 4 children, from Colorado Springs.

They all visited R.L. and Rozena Zybach Sunday afternoon and ate watermelon.

Truman and Bettie Zybach were also there. But they went to visit her folks Neta and Forrest Evans in the afternoon. Clarence and Irene only received 8/10 of an inch of rain. Gena and Bob's gauge registered less than 2 inches.

Cliff and Dorothy Walker went to Amarillo Thursday. Her sister Murl got out of the hospital Thursday. Dorothy spent the night with her.

Charles and Nancy Davis and Bonny visited Cliff and Dorothy Friday night. They only received 7/10 of rain last night.

Cliff and Dorothy's 45th wedding anniversary was yesterday, Sunday the 13th. So Happy Anniversary to them.

We want to welcome Bob and Carol Ramey and 4 children to our community. They live in the Zane Frances house. We hope they have a happy life here.

Fat and Wanda Childress, Addie Swift and Beula Stuart are vacationing in Colorado.

Last Sunday Tom and Alice Bell Helton ate dinner with Joe Paul and Joyce Smith at Sayre. Others there were Doug and Marsha Mitchell and children, Lubbock; Mike and Khili Crossland, Jay and Cindy Sandridge and Brine of Wheeler, Kim Riley of Amarillo. They celebrated Brandon Mitchell's 4th birthday.

Lester Hudson said Mary had gone to Amarillo today for a check-up on her eyes.

Mattie Jackson and Barbara Williams visited Billie Jackson Sunday. Bill had been sick with a cold and not doing so well. We wish for him a speedy recovery.

Sally Jo Anderson called Mattie last night and told her we were in storm warnings.

Don and Bernice Zollar had been on vacation. They came by Erick and was there a while. Mattie was visiting Bill.

Talked to Olaf Sivage Monday morning. Mr. Vernon Sivage is still in Wheeler Hospital. We wish for him a speedy recovery.

Wes and Thelma Bailey from Hagerman, New Mexico are visiting relatives this past week. They visited Travis and Rosalee Keelin, Eula Bradstreet and others.

Gene and Norma Keelin and Daniel visited Travis and Rosalee last week.

CARD OF THANKS

We would like to say thanks to all our friends, neighbors and relatives for the many acts of kindness shown to John while he was in High Plains and our long stay in Amarillo, while he was taking treatments.

We do so much appreciate the many visits, phone calls, plants, flowers, cards and most of all the prayer's that was were prayed and those who took care of the yard and looked after the house, for your visits since we have come home. God bless each and every one for your concern. You have made our burden lighter.

MAKE YOUR OWN 'CONVENIENCE MIXES' AND SAVE

Short on time and food dollars?

Nonfat dry milk can make "Magical" mix items in almost no time--at almost "no cost."

With careful planning, it's possible to keep the cost of homemade mixes below that of commercial products.

'MAGICAL' MIXES

Here are some of the mixes you can whip up ahead of time using nonfat dry milk: quick-bread mix, biscuit mix, muffin mix and cookie mix.

That's not all.

Want economical hot cocoa in a hurry? Make a mix of cocoa, nonfat dry milk and sugar. When you're ready for hot cocoa, just add hot water.

'FOR-REAL' NUTRITION

A good part to this whole idea is that it really isn't magical at all--it's "for real," of course, and the absolutely best thing is its nutrition "no-nonsense".

Nonfat dry milk is the most economical form of milk consumers can buy, and it can replace whole milk in many products.

It contains about half the calories of whole milk, and some instant nonfat dry milks contain added vitamins A and D.

The nutritional quality of many baked products can be improved by adding extra amounts of nonfat dry milk to the recipe.

These products tolerate the extra nonfat dry milk with no adverse effects on eating quality.

VERSATILE VARIATIONS

Even more versatility is yours when you use nonfat dry milk for these menu variations:

Use it as an extender for hamburger and other ground meats. For meat loaf and ground-meat casseroles, use about ¼ - ½ cup per pound.

Use nonfat dry milk as an extender for omelettes and creamy soups.

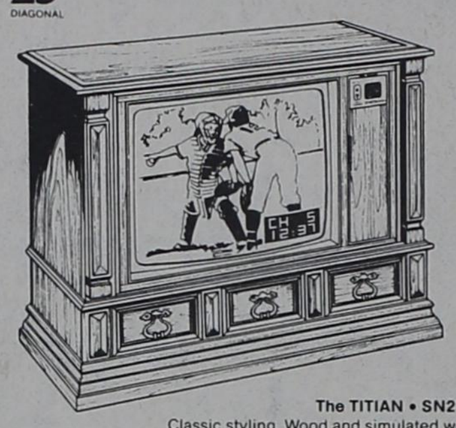

Use it to make whipped toppings for frozen and chiffon desserts and salads -- beat equal amounts of the powder and ice water into stiff peaks.

Finally, make your own "magical menu 'n matches" with the wizardry of today's economical, nutritious nonfat dry milk.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic level, race, color, sex, religion or national origin.

The best of everything!

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS

SPECIAL ELECTION
NOVEMBER 3, 1981

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 8 proposes a constitutional amendment that would allow the legislature to authorize cities, towns and other taxing units to grant exemptions from ad valorem taxes on an unproductive, underdeveloped or blighted area in order to encourage its development. The amendment would also allow the legislature to authorize a city or town to issue bonds or notes to finance this development and to pledge future increases in ad valorem tax revenues from the property in such areas to repay these bonds or notes.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to authorize cities, towns, and other taxing units to encourage the improvement, development, or redevelopment of certain areas through property tax relief and the issuance of bonds and notes."

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 117 proposes a constitutional amendment that would authorize a person to receive a patent to land from the Commissioner of the General Land Office under certain conditions. Application for the patent must be made within five years from approval of the amendment. The land must be surveyed, public free school land not previously patentable. The person must have a properly recorded deed to the land, which he acquired without knowledge of the patent defect and which title he and his predecessors in interest have held for at least 50 years. The person and his predecessors in interest must have continuously claimed the land and paid the taxes for at least 50 years.

This amendment does not apply to beach land, submerged land, or islands. An applicant may not use this provision to resolve a boundary dispute. This amendment will not apply to land which has been determined to be state-owned by a court of competent jurisdiction or that has a productive state mineral lease on the effective date of the amendment.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the commissioner of the General Land Office to issue patents for certain public free school fund land held in good faith under color of title for at least 50 years as of November 15, 1981."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 38 proposes a constitutional amendment that would enable the legislature to grant to a state finance management committee the authority to manage state funds. Funds constitutionally dedicated to specific purposes would not be subject to committee management. The committee would be composed of the Governor, Lieutenant Governor, Speaker of the House of Representatives, Chairman of the Senate Finance Committee, Chairman of the House Appropriations Committee, Chairman of the Senate State Affairs Committee, and the Chairman of the House of Representatives Ways and Means Committee.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to allow the legislature to grant to a state finance management committee the power to manage the expenditure of certain appropriated funds."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 6 proposes a constitutional amendment that would provide that one-half of the surplus tax revenues above the spending limit provided by Article VIII, Section 22, of the Texas Constitution would be placed in a Water Assistance Fund to be used as provided by law, including projects for water development and conservation, water quality enhancement, and flood control purposes or any combination of these purposes.

The amendment also provides $500,000,000 of the general credit of the state to guarantee bonds issued in commercial markets by local political subdivisions, including cities, counties, and special districts. The amendment allows amounts to be established to decrease or retire state debt, which is defined as that debt secured by the full faith and credit of the state. The amendment would raise the interest that could be paid on authorized, but unissued, bonds guaranteed by the full faith and credit of the state from 6% to 12%.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the use of a portion of the excess revenues of the state for water development, water conservation, water quality enhancement, and flood control purposes; authorizing the use of the state's credit, not to exceed five hundred million dollars, to guarantee the bonds of cities, counties, towns, and other units of local government in the financing of projects for such purposes; increasing the interest rate that may be paid on previously approved, but unissued, state bonds; and authorizing a program to retire state bonds."

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 49 proposes a constitutional amendment that would exempt livestock and poultry from taxation. Currently, farm products in the hands of the producer and family supplies for home and farm use are exempt.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to provide for the inclusion of livestock and poultry with farm products as exempt from taxation."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 81 authorizes the governing body of a county, city, school district or other political subdivisions to exempt from taxation a portion of the market value of a residence homestead. The portion exempted may be as much as 40% for 1982-1984; 30% for 1985-1987; and 20% for 1988 and after. The amount of an exemption may not be less than $5,000 unless the legislature by general law prescribes other monetary restrictions on the amount of the exemption. An eligible adult is allowed to receive other applicable exemptions provided by law. An exception is made where ad valorem tax has previously been pledged for the payment of debt.

The amendment further directs the legislature to require that notice be given to property owners of a reasonable estimate of tax on their property in certain situations.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing a political subdivision to provide property tax relief for owners of residence homesteads and changing certain property tax administrative procedures."

PROPOSITION NO. 7 ON THE BALLOT

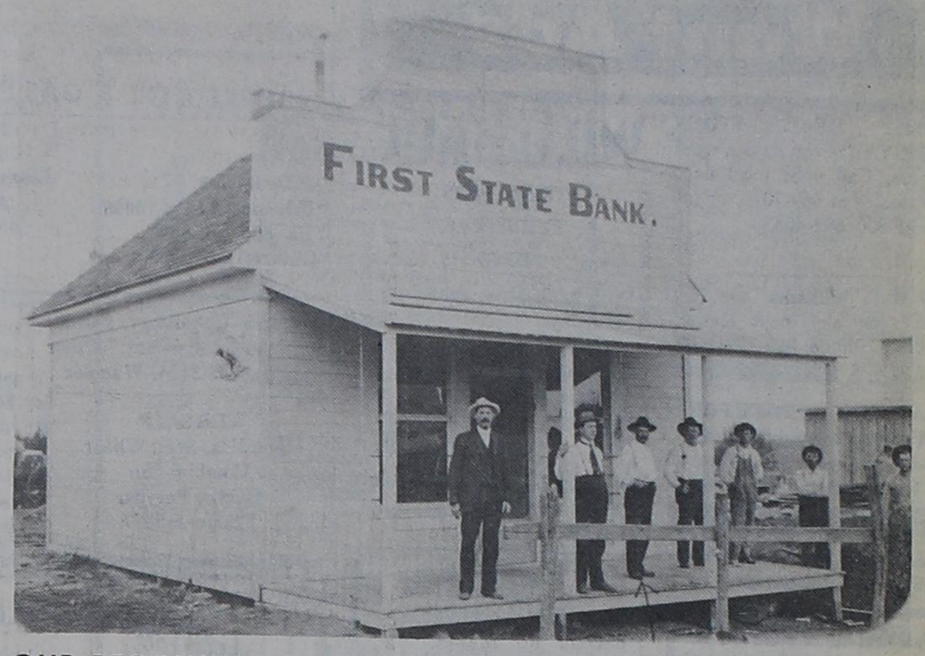

House Joint Resolution 4 proposes a constitutional amendment that would authorize the Veterans' Land Board to issue and sell an additional $250,000,000 in bonds increasing the Veterans' Land Fund's total bond issuance authorization from $700,000,000 to $950,000,000. The amendment would increase the maximum interest payable by the state on these bonds from 6% to 10%, and permit an even higher rate, if specified by the legislature.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing the issuance of additional bonds to finance the veterans' land program and to increase the maximum interest rate allowable on veterans' land fund bonds."

YHT Club Extend Thanks To Rives

Wheeler Chapter of Young Homemakers would like to take this opportunity to thank Don and Thurman Rives for the use of Rives Insurance Office for the Jerry Lewis Telethon and a special thanks to those who helped in special ways, Frank Coats and Bobby Ware.

Also a special thanks to F.C.A. for the work they did on the door-to-door drive. They are Roger Cross, Randy, Luke, and Jerry Horton, Kristi Pierce, Dana Haws, Beth Brown, Tammy Baker, Jesse, Lisa and Rosie Rivera, Marisa Johnson, Scott Wright, Monty Kinnard and Deann Jolly. Also to Jeannetta, Maggie, Wanda and Rosie Taylor.

Seitz Family Reunion

Approximately 100 Seitz relatives and friends were present Sunday in the City Hall in Lefors for the fifty-ninth annual Seitz reunion.

Seven of the nine early-day Labon Seitz sons and daughters were represented by at least one son or daughter and other descendants. Jeff Seitz was represented by three daughters and two sons; Pink Seitz, by one son and one daughter; George Seitz, two sons and two daughters; Pearl Seitz Burgess, two sons; Mary Jane Seitz Johnson, Ann Seitz Heath, and Fayette Seitz by one each.

The youngest person present was Matt McCurley, six-week old son of Mr. and Mrs. Randy McCurley and grandson of Mr. and Mrs. Monroe Seitz of Mobeetie.

The oldest one present was Willie Johnson, 91, of Pampa. Others past the four score years were Arthur Seitz, Miami; Roy Seitz and Willie Seitz, Spearman.

The ones from the farthest were Mr. and Mrs. Bill Watson, Chambersburg, Pennsylvania, who had been visiting in Spearman.

At the business meeting it was agreed that starting time for the reunion next year will be 10:30 a.m. and concluding time will be 4:00 o'clock p.m. It was also agreed that lunch will be served at one o'clock. The place of the meeting is scheduled to be at the same place as this year, City Hall in Lefors.

The following is the name and address of each one in the order of registering for Sunday's big day: Mr. and Mrs. Glen D. Hodges, Mobeetie; Mr. and Mrs. Eschol Cast, Marlow, Oklahoma; Alice Hardin and Mr. and Mrs. Arthur Seitz, Miami; Glenda Dickey Brad and John, Balco, Okla.; Mr. and Mrs. Monroe Seitz, Mobeetie; Johnny Hood, Lefors; Mr. and Mrs. Edgar Sloss, Pampa; Mr. and Mrs. Sam Collins, Eastland; Mr. and Mrs. George Phillips; Mr. and Mrs. J.B. Jones, B. Burgess, Jerry Stanley and William and Matt, Mrs. Lottie Reynolds, Mrs. Sue Ledrick, and Denise Frasier of Pampa.

Mr. and Mrs. Cecil Reynolds, Dudley, Mitch, Frank, Frances, Kerry, and Lisa of McLean; Mr. and Mrs. Archie Burgess, Amarillo; Mr. and Mrs. Irvin Seitz, Mobeetie; Mr. and Mrs. Jack Lewis, Mr. and Mrs. Larry Lewis, Shalyn and Shane Lewis, Amarillo; Mary O. Thompson, Pampa; Mr. and Mrs. Bob Galmor, Mobeetie; Mr. and Mrs. Willie Seitz, Spearman; Brenda Bruton and Tracy; Mrs. Johnny Whitehead and Toddie Haynes, White Deer.

Mrs. Annas Seitz, Miss Edna Daughetee and Sarah Carlton, Pampa; Mr. and Mrs. James Hefley, Holly, Jill and Lori, McLean.

Mr. and Mrs. David Seitz, Sherylene and Dave, Crowell; Palestine Drum, McLean and Mattie Scott, Amarillo; Mr. and Mrs. John E. Willis, Mr. and Mrs. Bill Washington, Deon and Sherry Watson, Michell and Ryan, Pampa; Mr. and Mrs. George Gatlin, Amarillo; Mr. and Mrs. Bill Watson, Chambersburg, Penn.; Roy Seitz, Spearman, and Mr. and Mrs. Duncan Seitz and Shannon of Pampa.

There was a moment of quietness in memory of these persons who had passed away since the last reunion: Guy Gripp, Nola B. Mackie, Mayme Seitz, Earcle Wright, Oleta Carlton, Jesse Roberts, Lester Reynolds, Jesse Heath, and Emma Heath.

Mr. and Mrs. Roma Brown from Clinton, Oklahoma, Mr. Syble Fish and Linda Hendrix and children from Dumas spent last weekend with Mr. and Mrs. Willie Boydston.

Rev. and Mrs. Ronald Chadwick spent Monday and Tuesday at Altus, Okla. with his mother, Etta Jones.

Mr. and Mrs. Bob Cornell and Becky visited William Cornell and family Saturday at Clinton, Oklahoma.

Mr. and Mrs. Leon Nachlinger from Pampa and Kenny Nachlinger and family from Amarillo were dinner guests in the home of Mr. and Mrs. Richard Kiker, Kimberly and Richie Sunday.

Frankie Miller, Wanda Atherton and William Roy and Peggy White and children from Wheeler were house guests in the home of Mr. and Mrs. Frank George.

The United Pentecostal Church is undergoing some remodeling. Local members doing the labor.

NUMB ARMS, LEGS Danger Signals

There may be misalignment of vertebras in the spine causing pressure on nerves, yet the patient experiences no pain in the back. Instead, a variety of sensations may be felt in other parts of the body. These include tingling, tightness, hot spots, cold spots, crawling sensations, electric shock sensations, stinging, burning, and others.

Here are nine critical symptoms involving back pain or strange sensations which are usually the forerunners of more serious conditions. Any one of these usually spells back trouble.

(1) Paresthesias (see above) (2) Headaches (3) Painful joints (4) Numbness in the arms or hands (5) Loss of sleep (6) Stiffness in the neck (7) Pain between the shoulders (8) Stiffness or pain in lower back (9) Numbness or pain in the legs.

These signals indicate that your body is being robbed of normal nerve function. Until this function is restored, you will, in some degree, be incapacitated. The longer you wait to seek help, the worse the condition will become. Don't wait! Should you experience any of these danger signals . . . call for in depth consultation in Layman's terms.

TURNER-HOWARD EXCHANGED VOWS

Now making their home on the Turner Farm, Route 1, Mobeetie, are Mr. and Mrs. William (Bill) F. Howard III, who were married in the afternoon on August 8.

The bride is the daughter of Mr. and Mrs. David Turner, 629 N. Nelson, Pampa and the granddaughter of Mr. and Mrs. C.H. Turner formerly of Mobeetie. Parents of the bridegroom are Mr. and Mrs. W.F. Howard, Jr., Route 1, Mobeetie, and the grandson of Mr. and Mrs. Albert Gollihugh of Quail.

Rev. Dennis Barton, pastor, officiated the double-ring ceremony at four o'clock in the Hobart Baptist Church, Pampa. Nuptial decorations were a tree candelabra and unity candelabrum with greenery and blue and white ribbons. Blue bows marked the pews. Lana Brock, organist, and Janey Barton, pianist, both of Pampa, played traditional wedding music before and during the ceremony. Melinda Haase of Denver, Colorado, vocalist and guitarist sang the "Wedding Song". Teresa Griffin of Quitque, cousin of the bride, registered the guests.

Mr. Turner presented his daughter for her marriage. She accepted her vows wearing a formal length gown of white bridal satin covered with alceon lace. The fitted bodice, trimmed with lace and seed pearls featured a sheer yolk enhanced with re-embroidered lace which formed a V front. The flared skirt extended into a chapel length train. Her fingertip veil was trimmed with re-embroidered lace. She carried a cascade of blue and white carnations with blue and white streamers. She paused on her way down the aisle to present her mother a single long-stemmed rose. As she and the groom left the alter, she again paused to present an identical long-stemmed red rose to the groom's mother.

Attending the bride as maid of honor was Alice Gilbert of St. Louis, Missouri. Julie Turner of Pampa, sister of the bride, was the bridesmaid. Their identical formal length gowns were of blue flocked organza with Queen Anne necklines trimmed with lace and seed pearls, long lace sleeves, and softly gathered skirts. They carried nosegays of blue and white carnations.

Candlelighter, Heidi Turner of Pampa, sister of the bride, wore a gown of similar fashion to the attendants.

The groom and his attendants were attired in light heather blue vested suits. Kelly Howard served as his brother's best man while another brother, Dennis Howard was the groomsman.

Guests were seated by Johnny Griffin and Stephen Turner, both of Quitaque, cousins of the bride.

Mrs. Turner attended her daughter's wedding in a street length dress of blue crepe featuring a lace yolk and lace sleeves. Her accessories were white and her corsage was a white satin orchard. Mrs. Howard, the groom's mother, chose to wear a beige blazer suit with a blue crepe blouse and beige accessories. Her corsage was a white satin orchid.

Following the ceremony, a reception was held in the fellowship hall. White lace covered the bride's table and featured a centerpiece of blue silk flowers. A three-tiered cake of white with blue doves was topped with a miniature bride and groom. Crystal appointments were used. Serving at the bride's table were: Carol Hermanski and Carolyn Mumford both of Pampa.

The groom's table was covered with a white linen cloth and featured the groom's favorite German Chocolate cake in the shape of a horseshoe. Coffee was served from a silver coffee service. Serving at the groom's table was Paula Clark of Pampa.

For their wedding trip to Colorado, the bride changed into a blue sun dress with matching jacket and white accessories. Her corsage was of blue and white carnations.

The bride is a 1980 graduate of Pampa High School and attended Frank Phillips College. The groom is a 1977 graduate of Mobeetie High School and a graduate of Frank Phillips College. He is employed at First State Bank, Mobeetie.

Mr. and Mrs. Bill Howard III

KEYSHEN

TRITICALE

GRAZER

What is it?
A blend of several varieties of Triticale designed to produce the maximum amount of grazing over the total season. The principal varieties are A876, A522, and A208A, all developed by Dr. B. Charles Jenkins.

Why does it work?
Each variety produces at its greatest potential at different times of the season, giving a better distribution of forage growth, and therefore produces more beef per acre.

How much more beef will it produce?
With proper management, about 20% more than other commonly used small grains. This often means 100 lbs. of extra beef per acre.

ADVANTAGES OF OUR TRITICALE GRAZER

- More Beef or Milk From Every Acre.
- Research Proven
- Consistently More Forage
- Nutritionally Superior
- Disease Resistant

Tax Statements

by Charles Buzzard

The main goal of the Wheeler County Appraisal District is to appraise all taxable property uniformly and equitably. To get the property uniform and equitable, the law requires us to appraise at market value.

To appraise at market value, the staff at Wheeler County Appraisal District must, on a continuous basis, keep up with the market transactions in Wheeler County.

Therefore, the first step in the mass appraisal process is to collect any and all costs of constructing new buildings and improvements, any and all sales data which pertain to recent market transactions, and any and all rental data on income property.

The task is not completed, however, with mere collection. The data must be tabulated, analyzed and related to the various areas. Each sale must be related to date of sale, location, and the extent to which the properties are improved.

Thus the job of data collection is that of collecting, organizing, and evaluating the essential data needed to estimate present market values on an efficient basis.

The assembling of the data should be done in such a fashion that such can be converted to a usable form and hence readily applied to a large number of properties. Both the methods of acquiring and the methods of utilitizing the data should be standardized. This activity will be discussed in detail next week.

Briscoe FFA Elects Officers

The Briscoe FFA Chapter had its first meeting to elect officers for the 1981-82 school year. The following were elected: Keith Meek, President; Mark Meadows, Vice-President; Mike Lehman, Secretary-Treasurer; Darren Hefley, Sentinel; Kevin Ratliff, Reporter.

Lilly Sumpter was elected as our FFA Sweetheart for the school year.

It was agreed by the Chapter to have a Hamburger Supper in the near future.

Tri-State Fair Outdoor Stage

The 1981 Amarillo Tri-State Fair will provide fairgoers with a new bill of free entertainment on a special outdoor stage. Shows will be held each evening beginning at 6. One of this year's featured acts is the Castle Family: a musical group of brothers and sisters who dance, sing and play an astonishing number of instruments. The Castle Family's versatile act covers 4 generations of music and show business experience--truly entertainment for everyone. The outdoor stage show will also feature Johnny Matson, widely known as the favorite emcee of the stars. Johnny Matson is a dynamic performer who combines music and comedy routines to deliver a pleasant, fun-filled evening. The Castle Family will perform at 7 and 9 P.M. daily, and Johnny Matson will perform at 6 and 8 P.M. daily.

Mobeetie News

by Goldie Gordon

The Mobeetie Blood Pressure Clinic met on Sept. 4th at the Baptist Cottage. Louise Hogan and her helpers registered 22 smart people. The meeting will be held again on Oct. 2 and from 2:00 until 5:00 p.m. Everyone is invited.

At 6:00 p.m. the XYZ Club met at the cottage for a covered dish supper and an evening of visiting. Doyle Grimes gave the invocation. Bulah Grimes was birthday woman for the month of September.

Visitors were Addie and Sam Collin from Eastland. Present were: Louise Hogan, Estelle Orr, LaVerne Scribner, Jane and Munroe Seitz, Jess and Gazelle Patterson, Doyle and Bulah Grimes, and Sidney and Carrie Lee Harris.

We sure have missed Diane Johnson at school part of this week. Her husband, Skeet's, grandmother Mrs. Jess Crowder has been very ill. We hope this finds her much better.

Tuesday of last week Orville Greenhouse's niece Mr. and Mrs. Ennos Morgan from Galveston visited in her home.

Ruth and Lester Hathaway really had a nice lot of company over the week. Those visiting were Orville Greenhouse, Ruth's brother Mr. and Mrs. Bill Greenhouse and son from Amarillo; Billie Greenhouse and friend Gary Martin from Lubbock, Ruth's niece Jane and Billie Morgan and baby, Mr. and Mrs. Lawrence Weddle and family from Electra, Jeff Gee and Vondell Rhonden and Byron Weddle.

It sure was good to see our old friend Mattie Williams again. She came for the picnic and spent Monday night with Pierce and Nettie Walker.

Cindy Newman and Boys from Elk City came home over the weekend and visited with her mother Nancy and Teresa Shelton. Odessa Carwile from Pampa visited over the weekend also.

Denise, Mark, and son Casey Brittian from Borger and Nichole' Culdwell were home visited with Charlotte and Walter Coward and attended the Labor Day picnic. Sunday Charlotte and Walter Coward visited in Canadian with their son Gene, Judy and Tracey Coward.

Willard Harrison from Carnegie, Okla. spent several day's at Mobeetie visiting Gene, Sue and Cindy Harrison. He also visited with Mr. and Mrs. Leslie Harrison.

We sure have been missing Cooney at Anglin's Drug Store. He is on vacation sightseeing and visiting in Los Angeles, California.

Ab and Ella Trout had a good time over Labor Day weekend with their children coming home for a visit. Those who came were: Lonnie and Nicke and Shawna Trout; Tracy and Mindy Trout; Miami; Clayton, Tanna, and Misty Meadows, Pampa; Ricki, Judy, Candy and Camron Watts.

Wayne and Tim Burrel from Stratford and Terri Armstrong from Skelleytown recently visited their grandparents Mr. and Mrs. Byron Simpson and Jess and Gazelle Patterson.

Margaret Trout spent four days at a family reunion in Cynthia Ann Parkers Park on Mute Creek in Ford County. There were 150 in attendance. The oldest was Margaret's aunt Mrs. Clyde Taylor from Amarillo. The one who came the farthest was Susie Tayora from Damascus, Syria.

Gene and Marie Gudgel recently had an enjoyable weekend spent with their children and friends. Mr. and Mrs. Gerald Gudgel, Kerry and Jason from Okla. City, Mrs. Jeannie Binnon, Doug, Stephanie and Betsy from Midland, Mr. and Mrs. Ronald Wayne Gudgel were home from Odessa, Mr. and Mrs. Horace Blair from Booker and friends Mr. and Mrs. Tom Helton from Briscoe and Mr. and Mrs. Jack Hayes from Wheeler.

Thursday visitors in the home of Madge and Bobby Stevens at Old Jail and Museum Trailer was Bobby's mother Mrs. Jessie Lamb and his brother Billy and Janice Stevens from Oklahoma City.

Tiny Simpson from Amarillo and Jerry Simpson from Skelleytown visiting over the weekend with their parents Mr. and Mrs. Byron Simpson.

Saturday Bob Galmor went to Nicona, Texas to attend the Galmor Reunion. Bessie has been ill so she stayed in Shamrock with Bobbie and Shirley.

Lucille Ross from Amarillo visited Sunday in the home of her sister Lucy and Henry Johnston and attended services at the Methodist Church. Mr. and Mrs. Paul Powers from White Deer visited in the home of Mrs. LaVerne Scribner. Bud Carol Scribner from Olton and Albert and Odessa Scribner from Casswille, Missouri were there also.

Mr. and Mrs. Bill Stevens from Okla. City visited Bill's brother Bobbie and Madge Stevens Sunday at the Old Jail Museum.

Mary and Don French had a house full of company over the weekend. James and Daisy Green from Amarillo, Mary's mother, Mrs. Sam Thomas Sr. and her brother Al and Billie Thomas from Claude.

Visiting in the home of Nettie and Pierce Walker over the weekend was their son Jimmy and Dorothy Walker and Ronety and Freddy Walker and family from White Deer.

Sallie and Nellie Harris's sister Helen Ward of Houston and their brother Fletcher and Judy Carson of Okla. City spent last weekend in their home.

Thought for the day: Love in your heart is not there to stay for love is not love until you give it away.

Mobeetie Men don't forget the breakfast in the Baptist Fellowship Hall on Sept. 19 at 6:30 a.m.

Come and enjoy a breakfast of bacon, sausage, eggs, hot biscuits and coffee.

Rev. John and Katy Hansard have just returned after a 2 week vacation. The first weekend Bro. John preached a 3 day revival at Walnut Springs where his daughter Mr. and Mrs. Ricky Morrah and daughters live. After visiting there a while, they went to Corpus Christi and visited their other daughter, Mr.and Mrs Dale Antonell and daughter. They also visited with Katy's aunt Mrs. Bill Lane and family in Austin.

The Mobeetie Methodist Church invites everyone to come on Sept. 20th and get acquainted with the district superintendent, Dr. and Mrs. C.B. Melton. Mary French will be preaching the sermon. There will be a covered dish luncheon for all at noon in the Fellowship Hall. We will also be celebrating Rev. and Mrs. L.V. Graces anniversary.

Congratulations to the First State Bank of Mobeetie on its 75th Anniversary. It is a bank any town would be proud to have and the many improvements are very lovely. With love in bloom here this summer, we really enjoyed the new Hospitality Room for our wedding showers.

ABOUT THE SICK FOLKS

Tommy Tyson was a very happy little woman when I saw her last night. Her favorite and only granddaughter Betty Rodney and family have brought her home and will stay and take care of her.

Bill Corcoran is staying with his son Tommie in Pampa and is doing fine.

We were very sorry to hear Effie Seitz had fallen and broke her hip. She is in the St. Anthony's Hospital.

I see that our friend and neighbor C.H. Turner is in the Wheeler hospital. We are very sorry and hope this finds him much better.

Nettie Lancaster is in Coronado Community Hospital in Pampa for tests.

WHY HAVE A CHRISTIAN SCHOOL?

A lot of people do not know why we have a Christian school. Some people do not even know what a Christian school is. I plan to write in my articles for this newspaper on this subject the next several weeks. In this way, I am able to inform the maximum number of people in our area.

First of all, our Christian school is a church school. It is not a separate endeavor of ours as some churches approach the Day Care business. This is not a business of ours. It is a part, and a very vital part, of our church ministry. We believe God told us to train our children in His Word DAILY and DILIGENTLY (Deut. 6:6-7; Prov. 22:6). We do not believe that it is optional if we are intending to please God. Our children are precious to us and they are precious to God. He has given us a mandate to train them in the way they should go--not in ways they should not go and hope they turn out right anyway. We believe all of life's training must be in agreement with the principles of God's Word. Therefore, all subjects (English, history, P.E., music, etc.) must be taught with God's Word at the core. Our curriculum is totally Christian (all subjects center around the Bible). His Word is truth and to teach any subject apart from His Word is to leave out the truth. We believe God requires that our children be taught truth, not lies or half-truths.

WHEELER CHRISTIAN ACADEMY

ACTIVITIES

WCA finished its third week this past Friday. Several students finished PACES last week. Those in the Primary Learning Center who finished PACES were Kenny Brown (1-100%), Betty Stowe, Shannon Robinson, Billie Stowe, Brandon Griffin (1-100%) Dayna Mayden (1-100%), Shelbie White (1-100%), Jason Helton (1-100%) and Willie Stowe. These students passed a total of 22 PACES for the week.

The Upper Learning Center students finished 15 PACES this past week. They were Lori Purcell, Tammy Helton, Kevin Robinson, Michael Stowe, Chuck Stowe, Lena White, Allen Leatherman, Dana White and Todd Helton.

The WCA Patriot football team met its first defeat of the season Friday afternoon in Wellington. The Evangel Eagles of Plainview led the Patriots to a final score of 38 to 14. Evangel moved the ball on their first 2 possessions for a touchdown each time. The extra point attempt was unsuccessful on the first touchdown.

Michael Stowe broke free for a 60-yard run scoring the Patriots' first touchdown. The extra point conversion was good for 2 points. Plainview scored 2 more touchdowns making the half-time score: Evangel 30 - WCA 8.

The second half was more defensive than offensive with Evangel moving inside Wheeler's 20-yard line 4 times and scoring one of those times. Michael Stowe broke loose again for a 70-yard run scoring the second touchdown of the day for the Patriots. The extra point attempt was no good. On Evangel's last possession, they moved the ball to WCA's 8-yard line. Brent Babb intercepted a pass on the 1-yard line ending Plainview's scoring threat with only a few seconds remaining in the game.

On Monday, September 21, at 7:30 p.m. we are having an ice cream supper for all who would like to come. We will also be showing some slides of the trip the students took to New York City and Washington D.C. at the beginning of the summer.

CODE OF CONDUCT

BOARD OF TRUSTEES ADOPT THE ATTORNEY GENERAL'S STUDENT CODE OF CONDUCT

The Board of Trustees, in their regular meeting on September 10th, adopted the Attorney General's Student Code of Conduct.

The intent of this Code is to provide the school district with a quality educational program which encourages the acquisition, exchange and application of ideas. This objective may only be achieved in an environment which promotes cooperation and is free from disruptions which interfer with the educational process. The Wheeler ISD is committed to those rights of students recognized and protected under state and federal law but it also expects students to behave in an appropriate manner and to contribute in a positive way to the school community.

RESPONSIBILITIES OF THE SCHOOL COMMUNITY

Each member of the school community must fulfill certain responsibilities if a positive learning environment is to be achieved. A cooperative relationship among student, parent, and educator requires that:

Parents and/or Guardians

* Ensure their child's compliance with school attendance requirements and promptly report and explain absences and tardies to the school.
* Assist their child in being properly attired.
* Take an active interest in the overall school program.
* Communicate regularly with the school concerning their child's conduct and progress.
* Discuss report cards and work assignments with their child.
* Bring to the attention of school authorities any problem or condition which affects their child.
* Maintain up-to-date home, work, and emergency telephone numbers at the school.
* Cooperate with school administrators and teachers in their efforts to achieve and maintain a quality school system.

Students

* Attend all classes, daily and on time.
* Be prepared for each class with appropriate materials and assignments.
* Be properly attired.
* Exhibit an attitude of respect towards individuals and property and conduct themselves in a responsible manner.
* Refrain from making profane, insulting, threatening or inflammatory remarks, engaging in disruptive conduct, and cheating.
* Obey all school rules.
* Seek changes in school policies and regulations in an orderly and responsible manner, through approved channels.

School Personnel

* Maintain an atmosphere conducive to good behavior.
* Be in regular attendance and on time, and be prepared to perform their duties with appropriate working materials.
* Exhibit an attitude of respect toward individuals and property and conduct themselves in a responsible manner.
* Plan a flexible curriculum to meet the needs of all students.
* Promote effective training and discipline based upon fair and impartial treatment of all students.
* Encourage parents or guardians to keep in regular communication with the school and encourage parental participation in school affairs.
* Develop a cooperative working relationship among staff and students.
* Obey district and school policies and regulations.

Many thanks to the Southwestern Public Service for the equipment and men who clean out and put screen's on the Jail - Museum windows..

It looks like my prediction last week that we have a super team this year was correct. Congratulations Mustangs on beating Stinnett 7 to 0. Three cheers for the Mustangs. I'm going to look at three more Mustangs this week.

#35 Wade Moore, a senior, plays strong back. He's 5'9" and weighs 160 pounds. Wade enjoys his position since he gets to run with the ball. Coach Smith has been very influential to Wade. Wade enjoys being on a team that works together to win. Wade's philosophy is "Give it everything you have to give and you'll come out a winner." Next to playing football, Wade likes to water ski. He likes to relax listening to the Oak Ridge Boys and Waylon Jennings while munching on a hamburger as a light snack! Keep your positive attitude Wade -- you are a winner.

#52 Larry Jones, a senior, plays center. He's 5'8" and 200 pounds. Larry likes his position because it's in the middle of the action and he gets to hit people. Larry realizes that you have to be very disciplined to play football and he enjoys the discipline. Coach has been influential to him. Larry says, "Life is great and I want to be the best at anything I do whether it be raising animals, playing football or working for someone!" Hang in there Larry, you will be the best.

#32 Darren Grimes, a freshman, plays fullback. He's 6'0" and weights 160 pounds. Darren enjoys his position because he likes to carry the ball. Darren would like to get a full scholarship some day as a result of his high school football record. Darren's most influential person in his life is his older brother Marvin Grimes. His philosophy is "Always do your best and you'll never be sorry." A lot of credit and best wishes to Darren's family for raising these two fine brothers.

Our community should applaude the families of all the Mustangs. They have been taught to do their best in everything they do. My hat off to you --- The Mustang Families.

#12 Sid Whiteley, a sophomore plays quarterback. He's 5'7" and 135 lbs. Sid grooves to Styx and Wade Wills while tantalizing his tastebuds with shrimp. His dad is the most influential person in his life. Sid plays football because he enjoys it and he has a lot of authority in his position. His philosophy on life is "You only go through life once. So you should do everything you can while you can."

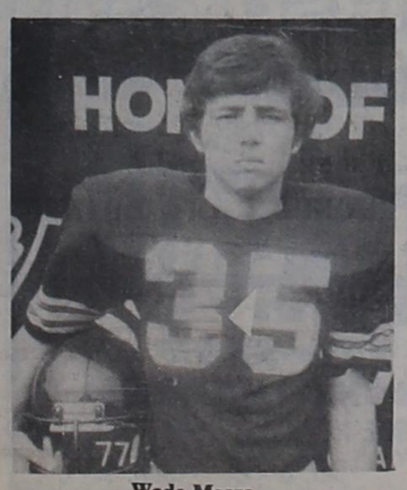

#72 Jamie Porter, a junior, plays guard. He's 5'10" and 175 lbs. Jamie, a man after my own heart, rocks to Pink Floyd, AC/DC and Christopher Cross. He has a variety of hobby's including guns, radios and stereos. Jamie must be an exceptional person as he says that God has been very influential to him. He plays football for the competition, discipline and the thrill of victory and the agony of defeat. (Have I heard that before?)

Good luck this year Jamie!

A parting thought -- "If you think that you're tops, you won't do much climbing."

Here's peekin' at you!

Blakemore Wins Poster Contest

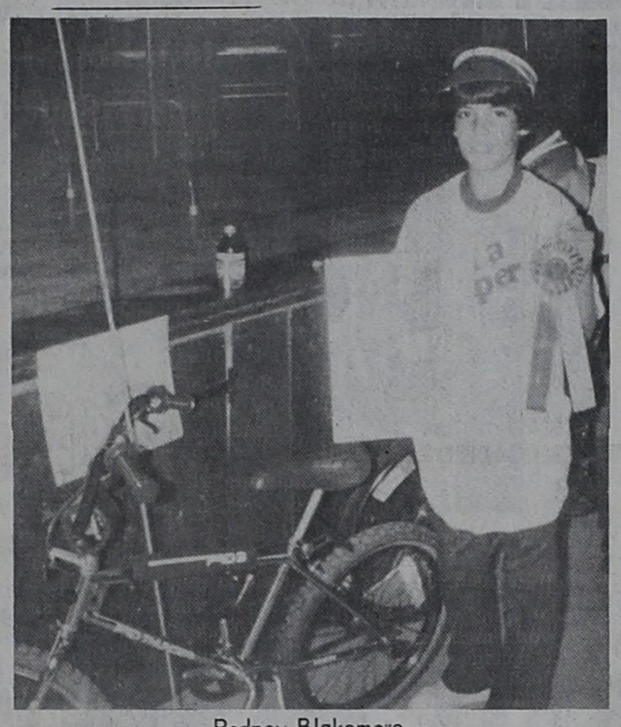

Rodney Blakemore, 12-year-old grandson of Bus Walker and Mr. and Mrs. Fobes Blakemore, has won grand prize in the Back-to-School Safety Poster Contest.

Entries were judged in four age categories: 5-7, 8-11, 12-14, 15-17. Each entry was judged for originality and safety message.

His prizes included: bicycle, first place and grand prize ribbons, certificate, Dr. Pepper T-shirt, and a case of Dr. Pepper.

The contest was sponsored by Citizens Safety Advisory Committee, Dr. Pepper, Dallas Public Libraries and the Dallas Morning News newspaper in Education programs.

Rodney's parents are Mr. and Mrs. Jerry Blakemore of Dallas, Texas.

FEDERAL LAND BANK

Interest Rates Increase

Interest rates on all Land Bank variable rate loans will be increased to 11 percent on farm loans and 11½ percent on rural residence and farm-related business loans, Talmadge P. Porter, Manager of the Federal Land Bank Association of Childress announced today.

These rates become effective October 1, 1981.

"There continues to be substantial upward pressure in the bond market with no relief from the record high interest rates anticipated in the near future," Mr. Porter said.

"The September bond issue carried a face rate of 17.85 percent on nine-month bonds and 17 percent on 2½ year bonds," he continued.

"The Bank's average cost of funds prior to the issue was in excess of 11 percent."

Mr. Porter said that marketing conditions and a ceiling cost earnings spread prompted the increase in the variable interest rate.

"Certainly we regret this action is necessary," he said. "However, even with the increase, our rate remains substantially below market."

Installation Supervisor

Jim Sharrar is the new installation and maintenance supervisor for General Telephone, it was announced this week by J.H. Davis, division manager.

Local telephone and installation maintenance forces in Clarendon, Claude, Panhandle, Miami and Wheeler will report to Sharrar, Davis said. Sharrar will be located in Clarendon.

Prior to this assignment, Sharrar was installation and maintenance supervisor in Alma, Michigan for General Telephone Company of Michigan. He began his telephone career in 1965 in Alma as a line person. He has also held the positions of installation and repair person, test person and test and assignment supervisor.

A graduate of St. Louis High School in St. Louis, Michigan, he attended Michigan State University in Lansing. He and his wife, Ventia, have two children, Kimberly 11 and Jason 10. Jim's hobbies are softball, fishing, hunting and restoring old furniture. He was a member of the Kiwanis Club in Michigan.

Farmers Home Exposition

Lubbock--Mr. Charles Schuman, Jr., Administrator of Farmers Home Administration (FmHA), Washington, D.C., will be one of several keynote speakers at the West Texas Business Exposition to be held in Lubbock Memorial Civic Center September 25 and 26. Schuman will discuss the new lending policy of the Farmers Home Administration.

Other outstanding speakers appearing at the annual Exposition include: Mr. Ted Eck, Chief Economist, Amoco Oil Company, Chicago, Illinois; Mr. Robert Boykin, President of the Federal Reserve Bank of Dallas; and Mr. Robert Sakowitz, Chairman of the Board, President, and Chief Executive Officer of Sakowitz, Inc., Houston, Texas.

Also featured will be a number of free seminars lead by knowledgeable speakers in a variety of fields. As an added attraction, numerous business, industry, university and Government exhibitors will display their goods and/or services in the Civic Center Exhibit Hall in Lubbock.

For more information, call the Lubbock Chamber of Commerce at (806) 763-4666 or the U.S. Small Business Administration's district office in Lubbock (806) 762-7462.

Here & There

by Laura Guthrie

First, I must make a correction that appeared in last weeks Here and There. I stated that Robert Holt of Dallas was reported to be ill. His daughter, Mary Meadows called me and said that was a mistake. "He is doing fine" she said, " not ill at all". I'm glad to hear that, but sorry I caused so much concern, mistakenly.

Mona Guinn called me late last week and said she was leaving the next day to go to Austin to welcome a new grandson. He is Jacob Asley Guinn, born Sept. 3rd, 6 lbs., 13 oz. He is the son of Mr. and Mrs. David Guinn. Mrs. Lettie Luttrell is the great grandmother. I'm sure Mona is having the time of her life.

David Clemens and small son Steve from San Antonio spent a few days with his mother, Mrs. B.T. Clements. Not only was he company for Mrs. Clemens, but he helped with business matters.

Recent word from Ida Farmer says she seems to be doing quite well, and in good spirits. She is in St. Anthony's hospital, Room 247, Amarillo, Texas.

Guests of Nellie Horton and Sally Harris, last week were their sisters Helen Ward of Houston and Judy Carson and her husband Fletcher, who live in Oklahoma City.

Bennie Mae and Gordon left early this week for their home in Lubbock. The Whiteners had spent a couple of weeks with their daughter's family, Nancy and Gary Miller. They also visited with many other relatives. Bennie Mae took some of her time to spend a few days in the hospital.

Edna Wright is recuperating from a broken hip. She spent some time in an Amarillo hospital, but she is at home now.

Mary and Hub Cole are in Wheeler again. Hub is quite ill in the local hospital.

I've had another trip since I last chatted with you. I wasn't really due another trip to Ruidoso this summer, but by going I had a chance to see all of my brothers and my sister. Of course Lee lives at Ruidoso. Charles, his wife Peggy with a daughter and her family from Redlands, California, Paul and Hazel Wimberly and Lena Herring, from Tulia, made up the group. It had been twenty years or more since we had all been together. It will not happen again in this life unless we improve on the timing. We had a lovely time and the weather was great. The races were over and the traffic was down to normal. Everything was in our favor.

And isn't our weather fine? The last rain was so good. It is that time of year when we can expect a change. The weather forecast said tonight that we might have 49 degree temperature tomorrow night (Wednesday).

Tri-State Fair

The 1981 Amarillo Tri-State Fair, scheduled for September 21, 26, will feature displays of photographs by some of the top professional photographers in the Texas and Oklahoma Panhandle, according to Ray Wagner, Superintendent of the show. "Better lighting and physical space will enhance the prospects for the best display ever of this fast-growing department of the fair," says Wagner. The Panhandle Photographers Association, which sanctions the show, is affiliated with the Professional Photographers of America. The Panhandle group is one of the oldest in the state of Texas. For additional information about the Photography Show, contact Ray Wagner, 1921 S. Washington, Amarillo, Texas or call 806/374-5942.

Emma Rogers Is Club Hostess

The Briscoe TEH Club met in the home of Emma Rogers Sept. 1. We are back at work again after our two month vacation.

Our next meeting will be a visit to Girls Town in Borger. We are sponsoring one of the girls.

The Club will not sell pecans this year.

Wanda Walker, County J.H.D.A. Chairman, gave an interesting program on 4-H, what it is and the many advantages of being a member.

Delicious refreshments were served to the following: Evelyn Meek, Effie Renfro, Mary Dodd, Essie Finsterwald, Irene Zybach, Wanda Walker, Vivian Wallace and the hostess Emma Rogers.

Coin & Stamp Show Dates

Area stamp and coin collectors will gather Sept. 19-20 in Bunavista Community Center, 4 miles west of Borger, for the annual show from 9 a.m. until 5 p.m. both days.

In addition to the exhibition, there will be more than 15 stamp and coin dealers from several states who will offer various philatelic and numismatic material.

There will be exhibits of coin and stamp material from members of the Hutchinson County Stamp and Coin Club. Also exhibits from area stamp and coin clubs will be entered. Admission will be free.

Area collectors are invited to exhibit their collections or to visit the two-day show. For additional information, collectors should contact Loella Lacefield, 1103 Lee, Borger, Tex. 79007, phone 273-5093.

The show is being held in conjunction with the annual Flea Market, sponsored by the Borger Altrusa Club. Table reservations may be made by contacting Pam Sessions, 273-7741.

FOR IMMEDIATE RELEASE IN WHOLE OR IN PART

ENERGY IN FOCUS

By L. Frank Pitts

Deep drilling for oil and gas is our new energy frontier.

In the early days of the oil age, 1,000 feet was deep. In recent years the average well depth has been around 5,000 feet. Our technology has greatly improved so that we can drill successfully to depths greater than 20,000 feet, but the incentive has not been great enough to make many of these deeper wells a good risk.

Actually, the average well depth of new wells and wells now producing is less than 5,000 feet deep and this has been slightly receding the last several years. This is in spite of the fact that new rigs, capable of drilling to 50,000 feet, are now available, and the trend is toward deeper wells.

The first well to strike oil in the United States, the Drake well in Titusville, Pennsylvania in 1859, was only 69 feet deep. Some 2.5 million wells have been drilled in the United States and its contiguous waters since that event just before the Civil War. Of these, some 550,000 are producing currently in the United States. Nearly two-thirds of these are what is termed "stripper" wells producing an average of about two-and-a-half barrels per day.

It takes nearly 60,000 wells in the United States to produce a billion barrels of oil per day whereas about 6 wells per day is all that is required for a billion barrels of oil in Saudi Arabia.

Between 85% and 90% of the wells are drilled in the United States by what is termed Independents.

Critics of the industry continually carp at producers who are doing more drilling without increase in reserves desired. It is well to point out that price increases are long overdue and there is a time lag involved here. From the time a producer conceives an idea that a certain area has potential, to producing oil or gas from a well in that spot, takes many months. It may take a year to put the lease block together, another year to get financial support to drill and to drill the well. Then, another six months to a year may elapse before the well is connected to a pipeline. This all adds up to 2½ to 3 years.

Many manufacturers and service companies who haven't been marketing anything to the petroleum industry up to now, today are coming into the market with new technology, offering needed assistance to improving the efficiency and/or solving other problems in a significant way.

A well-known market research firm, specializing in the petroleum industry, notes that by the mid 1980's, we will see about a third of those selling to the petroleum industry will be new manufacturers not now in the market or ones with only a foot in the door at the present time.

It is apparent that those who attend the World Oil & Gas Show and Conference to be held in Dallas December 14-17, 1981, will see a lot of these new companies coming into the market with innovative technology.

Approximately 80% of the exhibitors say they have new technology, some of it less than one year old and some of it less than two years old, to offer the some 30,000 buyer and specifier type management oilmen who are expected to attend from all 50 states of the union and some 40 to 50 foreign nations.

L. Frank Pitts is owner of Pitts Oil Company, Dallas, Texas and president of the Texas Independent Producers and Royalty Owners Association. He is chairman of the Independent Oil Men's Committee of the World Oil and Gas Show and Conference in Dallas to be held in the Convention Center December 14-17, 1981.
