Violation Of Wagner Act To Be Cited

Union Chief Says Negotiations Are Now In Deadlock

DETROIT, Nov. 8, (AP)—The CIO United Auto Workers announced today a charge of violating the Wagner act would be filed against General Motors Corp.

Walter P. Reuther, vice president of the UAW-CIO, said he would file the charge personally at the Detroit office of the National Labor Relations office this afternoon.

Refuse To Bargain

The charge ensues, Reuther said, from the corporation's "refusal to bargain collectively" with the union over the latter's 30 per cent wage increase demand.

Reuther said the union, which yesterday turned down a corporation compromise offer for a cost of living increase, was taking the position that General Motors was violating the labor law in refusing to negotiate on the basis of its "price and wage" position although it has pleaded "inability to pay" the demanded increase.

No Immediate Statement

There was no immediate statement from General Motors.

Reuther also said the government would be asked to name U. S. conciliators to attend further negotiations since, he said, the negotiations now were "deadlocked."

Earlier in the week General Motors had refused to permit federal conciliators into the negotiations until a deadlock had been deemed to exist.

SHOWDOWN ON WAGE ISSUE IS NEARING

(By The Associated Press)

The fight by CIO-United Automobile Workers to obtain 30 per cent wage increases for the nation's auto workers appeared headed for a showdown today as the last group of employes in motor's "big three" voted in favor of a work stoppage to support the union's demands.

The union yesterday flatly rejected a compromise wage adjustment program offered by General Motors corporation at the renewal of negotiations in Detroit. Earlier GM had formally turned down as "excessive" the union's demand for a 30 per cent wage rate hike in the motor industry.

Favor Work Stoppage

Meanwhile, early returns from yesterday's National Labor Relations board election among 80,000 Ford company workers disclosed a heavy majority approved a work stoppage to support the union's wage proposal. Previously employees at General Motors and Chrysler corporation sanctioned the possible strike action.

The newest flareup in the motor industry labor fight came as the United States Steel corporation de-

Cotton Crop For 1945 Drops

Year's Output Of 9,368,000 Bales Forecast

Adverse Weather Is Blamed For Big Reduction

(By The Associated Press)

WASHINGTON, Nov. 8. — The Agriculture department reported today that this year's cotton crop production was indicated at 9,368,000 bales of 500 pounds gross weight, based on conditions prevailing Nov. 1.

The estimate compares with last year's production of 12,230,000 bales, with a 1934-43 annual average of 12,293,000 bales and with 9,779,000 bales forecast a month ago for this year's crop.

Weather Unfavorable

Unfavorable weather during much of the growing season adversely affected this year's crop.

The indicated yields of lint cotton per acre was reported at 249.7 pounds, compared with 293.5 pounds last year and with 231 pounds for the 1934-43 average.

Cotton ginned from this year's crop prior to Nov. 1 was reported by the Census bureau at 5,153,639 running bales (counting round as half bales.) This compared with 8,282,768 bales ginned to the same date last year and 9,062,869 to the same date in 1943.

Yield By States

The indicated yield per harvested acre and the production, respectively, for cotton-producing states last year and this follow:

Texas 177 and 145 pounds per acre and production 2,646,000 and 1,800,000 bales.

Arkansas 377 and 347 pounds and 1,394,000 and 1,150,000 bales.

Louisiana 321 and 223 pounds and 620,000 and 395,000 bales.

Oklahoma 206 and 108 pounds and 634,000 and 295,000 bales.

New Mexico 488 and 488 pounds and 116,000 and 119,000 bales.

Ginnings of cotton prior to Nov. 1 in cotton producing states included:

Texas 1,144,772; Arkansas 416,616; Louisiana 301,899; New Mexico 43,690; Oklahoma 108,333.

U.S. Troops May Remain In Japan Three To Five Years

Occupation Army Of 200,000 Men May Be Needed

By GLENN BABB
Associated Press Staff Writer

TOKYO, Nov. 8.—America's tremendous task in Japan possibly can be fulfilled within three to five years, with an occupying force of approximately 200,000 men.

That is the expressed opinion of many of the men here who should know best, provided the present rate of progress is maintained and there are no drastic changes in policies given occupying authorities.

Can Eradicate Militarism

There is confidence here that within such a period militarism can be eradicated, a reasonable facsimile of democracy planted and a restricted measure of economic well-being restored. Then, according to this view, American and other Allied armies can be withdrawn, possibly to be replaced by some other form of control, with confidence that Japan will be a useful member of the family of nations with no desire or power to make war again.

This picture was developed from talks with the highest leaders of both Americans and Japanese. The confidence expressed is perhaps more American than Japanese; there are many Japanese who view the future darkly. A few express the hope that American occupation will last many years, regarding it as a shield against disaster.

Talked With MacArthur

General MacArthur and his staff were among those with whom I discussed Japan's future, but the general would not permit his conversation to be quoted and he is in no way responsible for the statements made herein. My talks with Premier Shidehara and members of his cabinet contributed to these conclusions.

MacArthur is known to be content with the progress of his program of demilitarization and democratization.

Americans and Japanese agree that thus far there has been 100 per cent compliance with the series of hard-hitting directives issued from MacArthur's headquarters. There is no evidence of any underground in the making. But, those who believe in relatively short occupation emphasize that one which extends beyond five years will bring new dangers. Either the Japanese will become completely dependent on the Americans or resentment against alien rule will have time to flower into open rebellion.

Young Lieutenant Has A Score To Settle With A Certain Colonel; Says That He'll Be Waiting When He Steps Off The Ship

By HAL BOYLE
Associated Press Staff Writer

TOKYO, Nov. 8—The lieutenant was packing to go home from the wars, and some officers were in his room pouring him farewells. And because they felt sorry they weren't headed stateside, they were pouring some for themselves, too.

"Well, I've been in the Army four years and I figure I'm even with the books," said the lieutenant. "that is, all except for one score I've got to settle."

"What's that—does the government owe you some overtime?" asked another officer.

Colonel In His Hair

"No," replied the lieutenant, "I'm just going to beat hell out of a certain colonel that's been in my hair for two years."

"Hey! You can't do that!" exclaimed a major from a corner of a bunk. "Beating up colonels is one of the enlisted men's post-war privileges."

"Not this colonel," said the lieutenant. "He is for me. I am going to find out when he gets his discharge and I'll be waiting for him when he steps off the boat at San Francisco. I'll be there if I have to quit my job and ride the rods from New York to get there."

Swings A Hard Right

He put down his glass and stepped over to a B-4 bag into which he had been stuffing some shirts. He bowed to an imaginary figure.

"Well! Fancy meeting you here, Colonel Baggypants," he said, and

Police On Lookout For Missing Child

Woman Tells Of Boy Appearing At Door Followed By Men Who Knocked Her Down

(By The Associated Press)

SAN FRANCISCO, Nov. 8.—California police searched today for two men whom a San Francisco housewife said forced their way into her home and abducted a waif resembling missing Dickie Tum Suden, 3. San Francisco authorities said, however, they are inclined to discount her story.

Inspectors said several discrepancies have been found in the account of the incident given by Mrs. Mildred Beer of 3 Pinto Ave., Park Merced. She is the wife of a Navy commander serving with a destroyer in the Pacific.

Found Child Outside

An all-points state bulletin was broadcast by Inspector Joseph Donegan soon after Mrs. Beer called the police. Donegan said she told him she heard a noise around midnight outside her home in a southwest San Francisco residential district. When she opened the door she found a blond, three or four-year-old boy, resembling the Tum Suden child, standing outside.

She said she brought in the tired, dirty, disheveled youngster, fed him some milk and phoned the police department.

When squad car officers reached her home she told them that during the interval between her call and their arrival two men had come to her door, claimed they were plain clothesmen and pushed their way inside. She asserted one struck her on the forehead and held her while the other grabbed the boy and carried him to a car parked outside. His companion ran from the house and the two drove away with the child.

Gave Conflicting Accounts

Inspector Alfred Arnaud, who investigated, said that Mrs. Beer is partly blind and under questioning gave conflicting accounts of the time that elapsed between

Site Purchased For Clubhouse

Construction of the Lubbock Women's Clubhouse is in prospect with purchase of a building site on the southeast corner of Thirty-fourth and Ave. S, it was announced this morning by Mrs. Arthur W. Young, chairman of the board of directors. The lot faces 160 feet on Thirty-fourth by 240 feet on the avenue and was bought from the Gordon Dickinson estate for $4,500.

The purchase of the lot was recommended by the building site committee with Mrs. Fern Cone as chairman, Mrs. C. D. Doggett, Mrs. Fay Westmoreland, Mrs. B. E. Needles.

The board of directors approved the purchase of the lot and the action was ratified by the advisory board before the transaction was completed.

On the board are Mesdames Young, Ethel Terrell Joe Cobb, R. O. Bennett, J. D. Hassell, Cone, Arch L. King, Misses Dorothy Lomax and Margaret Turner.

WARNINGS ON LAKE

DENISON, Nov. 8, (U.P.)—Small craft warnings were up at Lake Texoma today as winds of between 30 and 40 miles per hour were forecast for the area. Owners of small boats were warned to keep their vessels in sheltered coves.

Lubbock Machine Company To Expand And Get New Location

T. A. Rogers, owner and manager of the Lubbock Machine company at 2436 Avenue H, wants his customers to know, contrary to public supposition, that he hasn't sold his business.

WE'D LIKE YOUR STORY, TOO!

This is one of a series of articles about business improvements to be made in Lubbock within the next few weeks or months. Local business men, planning appreciable remodelins or expansion of their present properties, or the construction of new ones, are invited to make the information available to The Journal. Just call 4343 between the hours of 8 a. m., and 6 p. m., give your name to the telephone operator, and a Journal reporter will call on you. Let us have your story, too!

The six lots, three on Texas avenue and three on Avenue H bordered on the south by Twenty-fifth, now occupied by Rogers have been sold but the business is to be moved—with no delay in production—to a new and larger site.

Is Large Business

One of Lubbock's largest businesses and at times a cause of traffic congestion on Twenty-fifth and the two avenues which border it, the company is to be shifted to a 14-acre plot just north of the Santa Fe tracks on the extreme north edge of Lubbock.

This plot of ground is located, in triangular fashion, on that portion of Ave. H which extends directly north past the Plainview highway and across the "canyon."

The new highway as proposed by a federal-state project and recently approved by the Lubbock county commissioners will come into Lubbock directly in front of

Communist Leader Demands Apology From Americans

(By The United Press)

CHUNGKING, Nov. 8.—All 3,000 American planes in the China theater will be transferred to the Chinese Nationalist government, the Nationalist newspaper Ta Kung Pao said today as Communist charges of American intervention in China's undeclared civil war mounted.

A Ta Kung Pao dispatch from Nanking cited Air Maj. Gen. Chou Chih-Jou, director of the central government's air commission, as authority fo rthe statement that all American planes from fighters to over-the-hump transports in this theater will come under Nationalist control.

Crews Being Trained

Generalissimo Chiang Kai-Shek's government, whose air force numbered only a few planes during the war, began an extensive program to train air crews Nov. 5 to take over the planes, the dispatch said.

The Communist organ New China Daily, meantime, said two separate Chinese Communist commanders had sent protests to Lt. Gen. Albert C. Wedemeyer, American commander in China, against alleged American intervention in China's internal strife.

One charged three specific intervention incidents and demanded an apology and guarantees against future incidents. The other hinted darkly that Wedemeyer would have to "shoulder all responsibilities" for future consequences.

May Begin Evacuation

Wedemeyer told newsmen in Chungking yesterday that American forces may begin the evacuation of North China by mid-November. He categorically denied charges that American troops were aiding Nationalist forces in actual fighting.

In Washington, U. S. Secretary of State, James F. Byrnes said that Marines caught in the crossfire of civil war in China would be withdrawn.

Gen. Yeh Chien-Ying, chief of staff of the Communist 18th Group Army, was said to have warned Wedemeyer against attempts to land U. S. Marines at Weihaiwei and against any Marine attempts to advance from Chinwangtao in North China to the Manchurian border fortress of Shanhaikwan.

Must Take Responsibility

"If you don't halt those actions, you will shoulder all responsibilities for all consequences and any serious development," Yeh said.

Vice Presidents Of Chrysler Motor Co., And TWA Reported Dead As Plane Falls

(By The United Press)

LONDON, Nov. 8—A Cairo dispatch of the Exchange Telegraph said today that "Mr. Chrysler, vice president of the Chrysler Motor company," was among those killed in a plane crash near Asmara, Eritrea.

CAIRO, Nov. 8 (U.P.)—Jack Nichols, vice president of Trans-Continental & Western Airlines, was killed with seven other passengers and crewmen yesterday when a U. S. Army bomber crashed near Asmara, Eritrea, it was announced today.

An official Army communique said the plane, a twin-engined B-25 Mitchell bomber, crashed at 6:30 a. m. Wednesday, shortly after taking off from the Asmara airport for Addis Ababa, Ethiopia.

All Were Killed

All five crewmen and three passengers were killed.

Among the identified dead, in addition to Nichols, were Milo E. Campbell, and A. J. Naylor, also employes of TWA.

Army spokesmen said one of the bomber's engines failed soon after the takeoff. The plane was understood to have been heavily loaded with gasoline because the crew did not expect to be able to refuel at Addis Ababa. An official investigation is in progress.

All eight bodies were buried at the U. S. military cemetery in Asmara.

Nichols had been a vice president of TWA for the past two years, in charge of the company's international division.

Cold Wave Is Due Tonight

(By The United Press)

Texas duck hunters got good news today as the weatherman forecast a cold wave moving across the state which would topple temperatures from unseasonal highs to sub-freezing marks in the Panhandle and South Plains regions.

A cool front moving in from New Mexico ahead of a cold front moving south from the middle west struck the Panhandle and South Plains this morning dropping the mercury into the high 30's and low 40's before the sun's warmth drove it up again.

To Reach To Gulf

The cold wave was expected to reach as far east as Shreveport, La., and as far south as San Antonio by midnight and to the gulf coast by morning and was expected to continue through Saturday.

No rain was expected to accompany the northern until it reaches Southeast and South Texas.

Forecasts called for temperatures between 26 and 28 degrees in the Panhandle tonight, 28 to 30 degrees in the South Plains and east of the Pecos river in West Texas and the middle and upper 30's in North Texas.

SNOW IS SCATTERED OVER WIDE SECTION

DENVER, Nov. 8 (AP)—A cold wave from the North American polar regions and Siberia enveloped much of the western United States and Canada today, scattering snow over wide areas.

The Denver weather bureau reported the temperature plunged to 34 below zero at White Court, in the Edmonton, Alberta, section, to 25 below at Edmonton and minus 11 at Big Piney, a cold box in Wyoming.

Continued cold or even lower temperatures were forecast for the

MacArthur Offers Plan To Put Military Leaders In Cabinet

WASHINGTON, Nov. 8 (AP) — Gen. Douglas MacArthur has expressed his belief that "the professional heads" of the armed services should sit in as ex-officio members of the president's cabinet.

The general's suggestion is included in a transcript taken by the joint chiefs of staff special committee. This group interviewed top Army and Navy leaders on a proposal to set up a single department of national defense.

Should Have No Vote

The transcript, made public by the Senate military committee which is considering Army-Navy merger plans quoted MacArthur as saying at Leyte in the Philippines Dec. 3, 1944:

"I believe that the professional heads of the services should be ex-officio members of the cabinet. They should be present at all cabinet meetings without power of voting, but permitted to express their opinion, and above all else, to hear the cabinet as they discuss not only external affairs of the United States but internal problems."

Brig. Gen. F. Trubee Davison, member of the Army-Navy staff committee, was quoted as telling

Army Releases Are Speeded

WASHINGTON, Nov. 8. (AP)—The Army has decided to release this month enlisted men with 50 or more discharge points who are on furlough and enlisted men on temporary duty in the United States.

Most of the men affected, the War department explained, were in units from Europe whose scheduled redeployment to the Pacific was cancelled after Japan surrendered. It did not estimate the number affected. Present general discharge score is 60 points.

The Army also has laid down exemptions from overseas duty which will affect about 125,000 officers and enlisted men.

Exemptions Are Set

Except for graduates of the military intelligence language school, regular Army enlisted men and volunteers for foreign duty, no enlisted man with 21 months or more honorable service since Sept. 16, 1940, will be assigned overseas for permanent duty.

Officers with 33 months or more honorable service, or with 30 months if medical department officers, are exempt unless they are reserve officers who choose to remain on active duty, regular Army officers, scarce specialists or are graduates of the military intelligence school with fewer than 39 months service and not eligible for discharge.

Army nurses with 12 points or 30 years of age are exempt and no WAC officers are being sent across on permanent assignment.

Soldier Found Dead In A Hotel Room

SHREVEPORT, La., Nov. 8 (U.P.) —A youthful soldier, whose identification was not revealed by Army base officials, was found dead in a hotel room here early Wednesday night.

Second floor residents of the hotel said the young man fell in the hallway. They carried him to his room, where he died a few minutes later.

A trail of blood from the bathroom to the soldier's room indicated he had probably suffered a hemorrhage.

Serious Rioting Sweeping Java

BATAVIA, Nov. 8 (U.P.)—British tanks and troops were rushed to the Kramat area in the southeastern part of Batavia today when serious rioting broke out between Indonesians and Indian guard forces.

First reports said more than 500 armed Indonesians were concentrated in the area where a large civilian internment camp is located.

Airfield Was Attacked

The outbreak was believed an intensification of skirmishes which started yesterday when the Indonesians attacked the camp and the Tjilitan airfield.

After reports of yesterday's skirmishes Dr. Sukarno, head of the unrecognized Indonesian government, was called to British headquarters and warned by Lt. Gen. Sir Philip Christison the British would use all modern war weapons to suppress such outbreaks.

Meanwhile, Indonesian moderates in the Bantam area southwest of Batavia battled extremists who were reported attacking, looting and burning villages.

Sugar Stocks Depleted

Similar reports reached the capital from Krawang east of Batavia.

Looting throughout Java has depleted sugar stocks, it was disclosed, of more than 1,250,000 tons stored in warehouses only 500,000

Man Offers Reward In Brother's Death

HOUSTON, Nov. 8. (U.P.) — E. W. Drewa of Galveston today posted $1,000 for information leading to the arrest of the murderer of his brother, Milton C. Drewa.

Drewa told a Harris county grand jury yesterday that he had "definite suspicions" about who killed his brother. The unsolved murder of Drewa is one of 17 facing a grand jury for investigation.

The reward would be paid jointly by Drewa and his 73-year-old mother, Mrs. Ed F. Drewa, also of Galveston.

Drewa said he had wanted to post a reward when the slaying occurred "but was dissuaded because it would appear a reflection on the officers investigating the case."

"We want to see this thing cleared up before my mother passes on," he said.

NEW ARRIVALS

TACOMA, Wash. — Finally back home after three years and nine months in a Jap prison camp, Clark H. Eldridge didn't get much sleep the first night.

The former state Highway department engineer and Mrs. Eldridge spent most of it walking the corridors of a hospital, where a baby boy was born to their daughter, Mrs. Renwick W. Taylor.

SUPER SALESMAN

JONESBORO, Ark. — Rain cut attendance at the Burnt Hill community war bond auction to one person, but the $2,250 quota was raised.

The lone purchaser was Asbury Fletcher—district Seventh War Loan chairman.

ON STOMACH TIME

PHILADELPHIA. — The switch to standard time brought a long wail from the Philadelphia zoo where dinners were served an hour late.

"You see, the animals go by eastern stomach time," said curator Roger Conant.

COSY

PORTLAND, Ore. — A little girl watched, puzzled as a crowd jammed the aisle of a city bus.

"Mother," came her shrill pipe, "what are all those people standing up for? There's lots of laps."

TIGHT FIX

CHICAGO. — For years Steve Dudas hadn't been able to open a rear window in his tavern. It was stuck tight. But burglars succeeded in getting it open, he told Marquette police.

They got into his establishment through the window but made their exit through a side door, taking with them a juke box, a radio, five cases of whisky and $75.

DOUBLE EMERGENCY

PORTLAND, Ore. — Patrolman Frank Pratt answered an emergency call and then made one.

He phoned his wife for instructions while helping deliver a baby boy.

HONOR BOUND

SALT LAKE CITY, (AP)— Two bandits who kidnaped 63-year-old Jake Beckel and stole his car after stranding him in the mountains, put him on his honor not to call police.

The pair returned to Beckel his bowling ball and shoes and told him the car could be found in good shape, in Las Vegas, Nev., in a few days.

Funds For Electric Co-Ops Being Urged

CHICAGO, Nov. 8 (AP) — A regional meeting of the National Rural Electric Co-Operative association today urged passage of a bill now before congress that would make $585,000,000 available for rural electrification projects.

A resolution adopted by association delegates from Illinois, Iowa and Wisconsin and sent to congressmen of the three states sought approval of HR1742, introduced by Rep. Poage (D-Tex). The resolution also recommended that the measure be amended to provide "at least $250,000,000 a year for three years in the form of loans from the RFC to the rural electrification administration."

Vet Breaks Up Fight With Phoney Badge

HOUSTON, Nov. 8. — Carl I. Butler, 24-year-old ex-Sailor, today chalked up two victims captured after he donned his nephew's "cops 'n robbers" regalia to break up a fist fight.

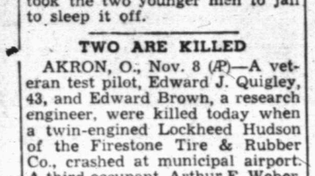

He was carrying the make-believe cop's insignia home to his little nephew early today when he saw two young men beating a middle-aged friend who wouldn't contrbiute his share toward a pint of whiskey.

Butler stopped the fight and, when his authority was challenged, he produced the phoney badge. To further convince them, Butler started the trio toward the police station.

Before arriving however, a genuine policeman showed up and took the two younger men to jail to sleep it off.

TWO ARE KILLED

AKRON, O., Nov. 8 (AP)—A veteran test pilot, Edward J. Quigley, 43, and Edward Brown, a research engineer, were killed today when a twin-engined Lockheed Hudson of the Firestone Tire & Rubber Co., crashed at municipal airport. A third occupant, Arthur F. Weber, jr., 23, of Dedham, Mass., also a Firestone engineer, was injured critically.

Ship's Trouble Aired In Court

CORPUS CHRISTI, Nov. 8. (U.P.)—Trouble on the high seas that resulted in the captain having the first mate put in chains was followed by a $30,800 damage suit on the part of the mate and seizure of the ship by a United States marshal.

The story was revealed today after some of the smoke of accusations and counter claims had cleared away.

Took Temporary Command

First Mate Charles L. Maes, Los Angeles, who first went to sea as a boy, had taken temporary command of the tanker S. S. Newberg during the first stages of its voyage from Leyte to Corpus Christi because the captain became ill.

Then at Hawaii, Capt. A. H. Miller came aboard and took charge. Shortly before the Newberg reached the Panama Canal on Oct. 18 Captain Miller ordered Maes to clean the ship's tanks, and, the ship's master asserted, the mate refused to obey his order.

Put In Chains

Promptly then he had the mate logged for insubordination, put in chains and placed under guard in quarters until the ship reached port here Nov. 2—15 days later. Maes then was placed in the county jail and the FBI investigated. Monday he was released. No charges were filed.

Alleging false arrest and imprisonment, Maes filed a $30,800 damage suit in district court and the federal marshal seized the ship, which must remain in port until bond is supplied by the Los Angeles Tanker Operators, Inc., the Newberg's owners.

Yesterday a coast guard hearing reportedly ended without a final decision into Capt. Miller's charges that Maes disobeyed a direct command on the high seas and the captain's demand that the mate's license and papers be revoked.

Lt. Ernest Peschau Dies In Jap Prison

A telegram from the War department to Mrs. Ernest J. Peschau, jr., who lives with her parents, Col. and Mrs. Thomas L. Gilbert of 2201 Broadway, informed her of the death of her husband, First Lt. Ernest J. Peschau, jr., in a prisoner of war camp in Japan June 7, 1944.

The fact of death was learned from records captured from the Japanese. The telegram explained the long delay in reporting the death was because the Japanese had not listed him among the prisoners.

Lt. Peschau was bombardier on a B-24 which went down while returning to a Marshall island base after a raid on Saipan May 29, 1944. A co-pilot of the plane later told Peschau's parents, Mr. and Mrs. E. J. Peschau of Wilmington, N. C., that Peschau was injured in the crash. The Japs picked them up from a raft.

Lt. Peschau, who was 26 years old on the day he crashed, is also survived by a daughter, Lani, 26 months old.

Relief At Last For Your Cough

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Fred Astaire Quits Films; Says He'll Never Dance Again

By BOB THOMAS
Associated Press Staff Writer

HOLLYWOOD, Nov. 8.—There wasn't much to talk to Fred Astaire about. It had been well publicized that he was tired and was going to retire, perhaps returning later to produce pictures. So mostly I just watched while he performed his last dance routine in motion pictures.

He was dressed as most people remember him—the dapper top hat, striped trousers and tails, spats and cane. His sly grin occasionally crept over his face, but he was grim and intent, as he always is when thinking out a routine. He tapped the floor nervously while waiting for the camera to get ready.

"People can't seem to believe I'm really retiring," he told me. "They think I must be kidding." I asked if he would ever dance for his own pleasure during his retirement.

"Naw," he said. "The only time I really feel like dancing is when I hear some really hot swing music."

The camera was ready and he began his "Putting on the Ritz" number for "Blue Skies." It was a hot, fast routine with all the charm and grace and imagination that made him the best known dancer of the century.

The number was a trick shot involving mirrors and split sets and it took many takes before he finished it. At 5:30 Astaire, sweating and weary, walked back to his dressing room for the last time. He said to me: "Forty-one years of this. Do you wonder that I'm quitting?"

If you put in Du Pont anti-freeze
You'll never have to worry,
'Cause freeze-ups will not bust your car—
But, man, you'd better hurry

Du Pont warns all car owners to get anti-freeze protection before it's too late. This year a freeze-up can be more than an inconvenience. It may be the "death" of your car. Engine blocks, radiators, and cylinder heads are still hard to get and always expensive.

Have your dealer check the cooling system thoroughly. It pays to stop leaks, replace rotted hose connections, clean a clogged radiator or repair other defects before they cause trouble. Avoid a last-minute rush. Give your dealer time to perform this needed cooling system service.

$1.40 a gal. War Emergency "Zerone"* gives thorough protection against rust and corrosion as well as freezing. Until regular "Zerone" comes back (this season's production went to war), there's no better buy at the price. Remember, it's made by Du Pont.

$2.65 a gal. A limited supply of "Zerex,"* Du Pont's non-evaporating anti-freeze, is now available. "Zerex" won't boil out. One filling lasts all winter. Nothing to worry about. Gives complete protection against rust and corrosion—won't form sludge or clog radiators.

Altar Society Has Election

Two vacancies caused by resignations were filled Wednesday night at a meeting of St. Elizabeth's Altar society in the parish hall. Mrs. C. W. Ratliff was named president and Mrs. W. H. Melton, vice-president.

Mrs. George Grabber resigned as president of the society because she is leaving Lubbock. Mrs. Ratliff had been vice president.

A report from the finance committee showed that the barbecue dinner held at the hall last Saturday night under sponsorship of the society netted proceeds of $886.80. The money will be spent on improvements in the hall.

A rummage sale to be held Saturday in the hall next to St Joseph's church was discussed.

Miss Mary Jo Cole, secretary, presided. Mesdames C. B. Qualia and C. J. Quainlan were hostesses. There were 18 present.

Mrs. Mitchell Heads Group

At a meeting of Sans Souci patronesses club Wednesday afternoon in the home of Mrs. W. F. Eisenberg, the following officers were elected:

Mrs. Don Mitchell, president; Mrs. Raymond Shook, vice president; Mrs. E. Waldo Trotter, secretary-treasurer.

Retiring officers were: Mrs. J. H. Stiles, president; Mrs. Eisenberg, vice president and Mrs. Newton Walton, secretary-treasurer.

Mesdames John Spikes and S. C. Arnett, jr., were announced as new patronesses.

The patronesses will give a Christmas party for Sans Souci club of Tech girls Dec. 5 at the Tech Social center.

Luncheons Are Given By Church Classes, Clubs

Luncheons were given for a number of church classes and clubs Wednesday afternoon.

Rev. C. E. Hereford and Harry Miner gave inspirational talks to members of First Baptist T.E.L. class at their annual Thanksgiving luncheon Wednesday afternoon in the church activities center.

Guests for the meeting, at which Mrs. Fannie Gee brought the devotional and Mrs. G. V. Pardue presided at the business meeting, were Rev. and Mrs. Hereford, Mr. and Mrs. Miner, Mrs. V. L. Shurtleff and Mrs. J. D. Lindsey.

Forty-six members attended.

For Wednesday Club

SOW club members were guests of Mrs. C. L. Boyd, 2702 Twenty-second. A Thanksgiving luncheon was planned for Nov. 21 at the home of Mrs. Ralph Burnett, 1020 Eighteenth.

Two visitors, Mrs. H. B. McGuire and Mrs. Elmer Frede were present as were the following members, Mesdames L. H. Hobbs, E. M. Copp, E. C. Pool, Elmer East, E. E. McClatchey, G. R. Severance, M. C. Robertson and J. L Badley.

Acuff Farmerette club members attended a covered dish luncheon Wednesday afternoon at the home of Mrs. Milton Davis. A club gift was presented to Mrs. Leeman Clark.

Two guests were Mrs. Warren Kerr and Mrs. Bernard Davis. Members attending were Mesdames Roy Forkner, Charlie Sherrod, John Pugh, Clark, Hal Stansell, V. T. Rush, M. T. Darden, Davis, Brodie Darby, Huey Rush, Aubrey Pounds, and Boyd Buckman.

State DAR Regent Is Guest Speaker At Wednesday Tea

Birthday Tradition Is Observed By Teachers

Observing a tradition, former co-workers with Mrs. Frances Lee Tolbert when she was on the faculty of Lubbock Public schools called at her home Wednesday night, bringing gifts. Mrs. H. G. Knight arranged the floral decorations.

The honoree presented each guest with a jar of preserves or relish, tied with sprigs of pyracantha and pine cones, and after light refreshments the group went to the home of Mrs. Claud Keeton, 1902 Twenty-ninth.

Mrs. Mary Ware and Mrs. J. T. Baisden played piano numbers.

Frosted cokes were served to Mrs. Tolbert and to Mesdames Isabel Garrison, Gladys Sims, Baisden, J. L. Teal, Myra Ann Wallace, Mary Gulledge, DeAlva Roberts, Ware, Nina C. Lindley, Miss Eldora Whitlock and Miss Ann Casey.

A guest day tea given in the parlor of the First Methodist church Wednesday afternoon at 3 o'clock honored Mrs. Frederick Brewster Ingram of Dallas, state regent of the Daughters of the American Revolution. Hostesses were three members of the Nancy Anderson chapter, Mesdames A. H. Douglas, J. T. Hutchinson, Sam Jones, J. L. Barstow and Robert W. Wright.

The receiving line included the hostesses, honor guest and Mrs. Marvin B. Hilburn, Lubbock regent. Guests were greeted by Mrs. Jones.

Mrs. Ingram gave reports on the DAR War Service which has purchased mobile and portable x-ray units, sponsored LCI ships and bought an organ for an aircraft carrier. She discussed the two DAR approved schools, Kate Duncan Smith and Tamasse. In describing the Texas project, the furnishing of the old documents and papers room at Stephen F. Austin State Teachers college, she asked that members of the Lubbock chapter send old letters, books and mementos to the project.

The state regent pointed out that there are now 149,122 members of the DAR at present, with 12,000 new members added last year.

Quoting an interview with Mrs. Julius Young Talmage of Athens, Ga., president general of the DAR, Mrs. Ingram said that "the controversy over meetings in Constitution Hall, Washington, D. C., is a local as well as a national DAR problem." She explained that negro artists' appearances in the hall are contrary to a ruling adopted by the national organization in 1932 that specified the hall was for the use of white artists only. Since the hall is financed, controlled and managed by the national society, the president general stated that the organization reserves the right to grant or deny requests for its use.

Following Mrs. Ingram's informal talks, Mrs. C. E. Hereford accompanied Mrs. Fred Stanley who sang, "Ave Maria" and "The Sweetest Story Ever Told." Chloe T. Dawson played "To Spring" by Grieg. Mrs. Clayton Carter made the introductions.

At the tea hour, Mrs. W. L. Baugh and Mrs. Hilburn presided at the silver tea and coffee services.

Forty-five were present.

Music Club To Honor Singers

Outstanding American women singers will be the subject for the Lubbock Music club Friday night at the home of Miss Margaret Huff, 2313 Twenty-seventh. Hostesses will be Miss Huff and Mesdames Lillian Butler, E. L. Robertson, M. V. Gray, O. T. Williams, and Dewey George.

Mrs. A. W. McKee will give short biographies of outstanding American women singers and the musical program will include "Midsummer," (Amy Worth), by Mrs. Carl Scoggin; "Mexicano," (Lively), by Mrs. David S. Martin; Spiritual, (selected), by Mrs. Ardelle Scales and a piano duo, "Valse Brilliante," (Mana Zucca), by Mrs. R. L. Deavours and Miss Huff.

Relatives Are Visiting In Kleinschmidt Home

Mr. and Mrs. F. A. Kleinschmidt have as their house guests his uncle, Conrad Kleinschmidt, and his cousin, Miss Amalie Kleinschmidt, of San Diego, Calif.

MEETING PLACE CHANGED

Fellowship club, which was announced previously to meet Friday afternoon at 3 o'clock at Mrs. Pebble Talley's Tea room, will meet instead at the home of Mrs. W. A. Dykes, 2120 Broadway, with Mrs. T. B. Smith as co-hostess.

Farewell Party Is Held For Mrs. J. R. Jackson

Friends and neighbors called at the home of Mrs. J. R. Jackson, 2017 Ave. M, Wednesday with a surprise going away shower. She is moving to Amarillo.

News Briefs

Alf Taylor of Morton star route informed Lubbock police early today that his black 1941 Ford "bobtail" truck, license MD 70, had been stolen from 1100-block Ave. G in Lubbock.

Grollman's, a ready to wear store for women, reported late Wednesday that two dresses valued at $39.95 each and a fur coat had been stolen there. Investigation was commenced. A watch was reported stolen from the residence of Mrs. W. T. Lamb at 3420 Ave. Q.

Police listed no names to indicate identity of a man who allegedly was slugged in his garage early Wednesday night in 2400-block Sixth. "An unknown man knocked him out and when he came to, the prowler was gone," the report simply said.

Earl W. Clark, who is employed by the Miller and Miller Motor Freight lines, fractured his right foot Wednesday afternoon when he dropped a steel beam on it. He received treatment in West Texas hospital.

Mrs. Eugene Blair has replaced Mrs. Francis Farr as secretary at the city laboratory in City hall. Mrs. Farr resigned when her husband was discharged from the service.

A regular meeting of the City commission was to be held this afternoon. It was unofficially predicted that the commissioners would call an election for a vote on the city's multi-million dollar improvement program.

Mr. and Mrs. J. D. Huggins of Fort Worth are parents of a son, James Dow, jr., born recently in a hospital there. Mrs. Huggins, formerly Miss Joyce Craven, is the daughter of Mr. and Mrs. S. M. Craven of 2704 Twenty-second.

Miss Markham Complimented

Miss Beulah Rae Markham, bride-elect of Gerald E. Jarvis, was named honoree at a shower given Tuesday night by Mrs. E. B Merrell and her daughter, Lynette, in their home, 2006 Twenty-third.

Mrs. C. H. Tubbs, cousin of the honoree, presided at the register.

Mrs. R. N. Hillin, another cousin, presided at the lace-covered tea table. Yellow chrysanthemums formed the centerpiece and tiny blue tea napkins were lettered in gold with the legend, "Beulah Rae and Jerry, November 10, 1945."

The hostess gift was a sterling plate.

Guests were Mrs. T. K. Markham, mother of the bride-elect, Mesdames B. C. McCasland, J. Neuel Bryan, W. C. Dale, F. R. Land, Merrell Johnson, Cecil Johnson, E. R. Merrell, N. M. Lowery, C. B. Servicemen's Souvenirs Are Being Shown Here At Christian Church

Hundreds of collectors' items from foreign countries were brought to the First Christian church this morning for the servicemen's souvenir display and silver tea to be held at the church this afternoon and evening under sponsorship of the Woman's Council.

The souvenir exhibit was to be open to the public from 3 to 5 o'clock this afternoon.

Technicolor movies made by Herbert Leaverton in England will be shown three times from 7 to 10 p. m. tonight at the church. Leaverton made the movies while with the 8th Air Force in England.

The public is invited to the exhibit and colored film showing.

"Home-Mixed Cough Syrup Gives Quick Relief
Saves You Big Dollars. And It's So Easy! No Cooking.
Here's an old home mixture your parents probably used. But, once tried, you'll always use it, because it gives such quick, pleasing relief for coughs due to colds.
And it's so easily mixed. Make a syrup by stirring 2 cups of granulated sugar and one cup of water a few moments, until dissolved. No cooking is needed. Or you can use corn syrup or liquid honey, if desired.
Now put 2½ ounces of Pinex (obtained from any druggist) into a pint bottle, and fill up with your syrup. This makes a full pint of truly splendid cough medicine, and gives you about four times as much for your money. It keeps perfectly, tastes fine, and lasts a long time.
You can feel this simple home mixture take right hold of a cough. It loosens the phlegm, soothes irritation, and helps clear the air passages. Eases the soreness, makes breathing easier, and lets you get restful sleep.
Pinex is a special compound of proven ingredients, in concentrated form, well known for its quick action on throat and bronchial irritations. Money refunded if it doesn't please you in every way.

Hugh Potter Quits Coordinator Post

WASHINGTON, Nov. 8 (AP) — Resignation of Hugh Potter as the government's construction coordinator was announced today by Reconversion Director John W. Snyder.

Potter, former president of the National Association of Real Estate Boards took over the construction post last Aug. 1. He had stipulated that he would not serve more than 90 days.

In a letter to Potter at his home in Houston, Tex., Snyder thanked him for his part in "substantial progress toward breaking the bottlenecks which have been impeding the construction industry."

Potter was one of the principal proponents of removing government controls over construction. These were eliminated on Oct. 15. He also has opposed a move for price ceilings on houses.

Truman's Bill Facing Delay

By DANIEL M. KIDNEY
Scripps Howard Staff Writer

WASHINGTON, Nov. 8.—A single vote in committe saved the full employment bill from being laid away in moth balls until after New Year's.

Hearings have been held by the House executive expenditures committee for six weeks. Meanwhile the Senate passed the measure.

Chairman Manasco (D., Ala.) went to the White House to say it couldn't be done in the House But President Truman insisted. So the hearings were terminated and action taken in an executive session of the committee late yesterday.

Report After Jan. 1

In the closed session, Rep. Gossett (D., Tex.) moved to have a sub-committee named to report "some time after Jan. 1." Rep. Gibson (D., Ga.) seconded the motion. Then Rep. Cochran (D., Mo.) offered an amendment to remove the time restriction. That was seconded by Rep. LaFollette (R., Ind.). It was adopted 8 to 7.

Voting for the amended motion were:

Reps. Manasco, Cochran, Whittington (D., Miss.), Mansfield (D., Tex.), Resa, (D., Ill.), LaFollette, Judd (R., Minn.), and Henry (R., Wis.).

Against were Reps. Gossett, Gibson, Ervin (D., N. C.), Elliott (D., Cal.), Hoffman (R., Mich.), Church (R., Ill.) and Rich (R., Pa.).

Sub Group Named

Mr. Manasco named a five-member subcommittee with himself as chairman. Members are Reps. Cochran, Whittington, Hoffman and Bender. Mr. Bender was absent in Cleveland where he is Republican county chairman. Other absentees were Reps. Hart (D., N. J.) Dawson (D., Ill.), O'Toole (D., N. Y.) and Latham (R., N. Y.). They had gone home for municipal elections.

That there will be no quick action on the bill, despite removal of the Jan. 1 restriction, was indicated by Mr. Manasco.

"There will be no bill next week," he said. "It may take quite some time. Our subcommittee will study the employment problem and report back to the full committee. We will try to reach some compromise."

American Ship Is Damaged In Crash

LONDON, Nov. 8 (AP) — The 8,000-ton American Liberty ship Arthur Riggs suffered damages to her hull last night in a collision with the 4,500-ton British ship Egton off Goodwin sands on the southeast coast of England.

The Riggs anchored near Deal for inspection of the damage. The Egton drifted off after the collision and her whereabouts remained uncertain, but it was presumed she would put into a nearby port.

Take Off Ugly Fat With This Home Recipe

Here is an inexpensive home recipe for taking off ungainly weight and help bring back alluring curves and graceful slenderness. Just get from any druggist, four ounces of liquid Barcel Concentrate. Add enough grapefruit juice to make a pint. Then just take two tablespoonsful twice a day. Wonderful results may be obtained quickly. Now you may slim down your figure and lose pounds of ugly fat without back breaking exercise or starvation diet. It's easy to make and easy to take. Contains nothing harmful. If the very first bottle doesn't show you the simple, easy way to lose bulky weight and help regain slender, more graceful curves, return the empty bottle and get your money back.

Teachers Banquet Is Held Wednesday

The annual Lubbock county teachers banquet was held Wednesday night in the Hilton hotel with 76 persons attending.

Eight schools of the county had representatives at the banquet, and several guests from the county also were on hand.

Rev. Raymond Partlow of the Presbyterian church in Lubbock made the principal talk of the evening, emphasizing the part schools played in character building for students.

"Many of our teachers could make more money at other jobs, but the people that stay with our job of training the citizens of tomorrow are to be complemented," he told the group.

Also on the program was E. H. Boulter, deputy state superintendent, who discussed plans for a new curriculum for elementary schools and the possibilities of a 12-month school term. The remainder of the program included group singing led by Neil Denning of Idalou. B. H. Baldwin of Idalou gave the invocation. Mrs. Ruby Wilson told the group about T. B. tests to be given in the county. M. S. Kavanaugh, superintendent of Slaton's schools, also was among the guests.

The eight schools represented at the banquet included Cooper, Frenship, New Deal, Roosevelt, Shallowater, Idalou, Posey and Estacado.

Of the presidents of 75 colleges in operation before 1840, 36 were graduates of Yale and 22 of Princeton.

Youth Rally Is Slated Sunday

A youth rally Sunday afternoon at 2 o'clock in the First Presbyterian church will open a series of four such gatherings under Junior Chamber of Commerce sponsorship and Rev. Jimmy Bell, youth evangelist of Clovis, N. M., who will conduct the meetings, has announced that arrangements for the first rally have been completed.

Musical entertainment is to be furnished by a trio from the First Presbyterian church. The three singers are Miss Joyce Yoakum, Miss Nora McMurry and Miss Peggy Johnson. Miss Johnson will also render a violin solo.

The high school glee club under the direction of Mrs. John Watson will constitute the choir.

Harry Minor, educational director of the First Baptist church, will give the invocation and briefly address the assembled youth.

Victory Bond Is Offered

Roy Furr, local business man, is offering a $25 Victory bond to the church group who bring the largest group of non-church youth to the assembly. The bond is to be used for religious purposes only, according to Rev. Bell.

A young lieutenant from Clovis was to be here for the rallies to lead the singing but a last minute cancellation of his visit here has been announced. He may be present for the other rallies, Bell said. In his place, if present arrangements are completed, will be a Tech student.

The second meeting is scheduled the following Sunday, Nov. 18, in the First Methodist church. The third will be in the First Christian and the fourth in the First Baptist church. All will begin at 2 p. m., Bell said.

The youth speaker also announced endorsement of the Jaycee-sponsored "better youth movement" by the Lubbock Parent-Teacher association council, the Ministerial alliance, the High Religious council, the Tech Religious council and the American Business club.

Weapons To Be Saved For Use In Future

PITTSBURGH, Nov. 8 (U.P.)—The instruments of war, temporarily in disuse, are not going to be beat into ploughshares.

Rather, they will be scientifically sealed in specially built containers and treated by a new process that will prevent corrosion, decay or deterioration.

At Dravo Corporation's Neville Island plant near Pittsburgh, generating units, height finders and directors are being stored in the all-steel, hermetically sealed containers.

As soon as the container is filled, the vessel is welded, the air is pumped out, and nitrogen gas is forced in. Nitrogen, an almost inert gas, won't react with any of the materials in the apparatus.

Silica gel, a chemical de-hydrator, also is put into the container, to absorb any trace of moisture that might still be clinging to the container. After that processing, temperature changes will not harm the contents of the containers.

The need for warehouses, always choice targets for bombers or saboteurs, is eliminated by using the special containers, which can be widely dispersed and then easily concealed.

Among the materials being stored are precious optical instruments, special weapons, fire control apparatus, and other items that will not become obsolete after a few years.

CITY OF PLENTY—Residents of Stockholm shop in open-air market which features large quantities of fruits and vegetables, items not rationed in Sweden.

Knowledge Of Arms Sought By Educators

CINCINNATI, O., Nov. 8 (U.P.)—A knowledge of German and aviation landed two University of Cincinnati professors, Edward Eberhardt and Hans Kiepmann, a position in Germany—delving into the secrets of Nazi aviation weapons.

The professors are among 10 educators and aviation experts who have been recruited by the A. Technical Service Command, Wright Field, Ohio, to study and translate captured German documents.

Professors Eberhardt and Kiepmann will go through the documents, deciding which are worth sending to this country for further study.

Eberhardt is assistant professor of modern languages in the college of engineering and commerce. Liepmann is assistant professor of aeronautical engineering, but he has been on leave for the past year, on special assignment to the Goodyear Tire and Rubber Company, Akron.

Acidity--Heartburn --Pain After Eating

Try Drinking Hot Water Plus-Right After Meals

Never have you found faster relief. It's new — it's different. Neutracid is the formula of a well known west coast physician for use whenever excess stomach acid causes gas, sour stomach or heartburn — Neutracid contains no bicarbonate of soda — and is very agreeable to take.

Here's all you do: Stir one teaspoonful in half a glass of hot water and drink when distressed after eating, take right after meals. Relief usually comes promptly in a very few minutes. Seedless Pear Gets Propagation Tests

AMITE, La., Nov. 8 (AP) — Now, there's a seedless pear on its way.

John A. Puleston discovered one such last year on his farm near here and now serious tests will be made to determine whether it can be propagated.

Donald M. Hastings, president of the H. G. Hastings Co., Atlanta, seed and nursery dealers, has inspected the local fruit and plans to try to propagate it from some cuttings.

The Louisiana State University Experiment Station is going to run some tests with it.

"Old Ironsides" To Get Face-Lifting

BOSTON, Nov. 8 (U.P.) — "Old Ironsides," America's oldest warship, soon undergoes a "face-lifting" operation designed to "beautify" the nation's welcoming ship.

A total of $45,000 has been allocated for the renovation.

"Old Ironsides," which is on the books as the U. S. Constitution, was launched in 1797. She distinguished herself in the war with Tripoli and again in the War of 1812. Now, she serves as the flagship for the commandant of the First Naval District.

Meters On Taxicabs Again Considered

MEXICO CITY, Nov. 8 (AP) — Meters on taxis are back in the speculative stage again after official announcements that they would be installed shortly.

Several work stoppages caused Governor Rojo Gomez yesterday to promise a chauffeurs' meeting that the matter would be referred back to a commission which also study a plan pending for three years to regulate taxis.

There are about 5,000 taxis in the city and the governor said no further licenses would be granted.

The present system is one of bargaining. There is pasted in every taxi a scale of rates for short, medium and long distances but there is no pretense at observance and there is no definition of distance.

Patterson Backing Military Training

(By The Associated Press)

WASHINGTON, Nov. 8—Secretary of War Robert P. Patterson testified today development of the atomic bomb made essential prompt adoption of universal military training.

"There is only one justification for the establishment of a universal military training program," Patterson said. "It is needed to give the United States security and to make it possible for us to underwrite world peace. That is the only basis for asking that every young American give a year of his life to such training."

Patterson was the first witness as the House military committee began consideration of President Truman's Oct. 22 request for immediate approval of legislation to build up a trained reserve through compulsory peacetime training.

Patterson said many people "have convinced themselves that all we shall need in a future crisis are a supply of atomic bombs and a competitive handful of trained men to push the buttons that will set off the bombs."

But, he added, he knew of "no responsible military authority who shares that belief."

"On the contrary," he declared, "all are agreed that the bomb's capacity for destruction and the suddenness with which it can strike enormously increase the need for maintaining in every section of the United States trained citizen-soldiers capable of swift mobilization in the event of an atomic or airborne attack."

He said no one knows ultimate potentialities of the new weapon. "But we know enough to know that it has made war more terrible and more total than ever before."

"There would be no non-combatants in a future war; every man, woman or child would be in the danger zone," he warned.

Both Patterson and Secretary of Navy Forrestal, who also was called as a witness, have in the past advocated a program requiring every young man to take a year of military training.

Funeral To Be Held For Fire Victim

SLATON, Nov. 8 (Special)—Funeral services for Reba Maxine Spruill, 10-month-old daughter of Mr. and Mrs H. O. Spruill who burned to death here Wednesday afternoon, were to be conducted at 3 o'clock this afternoon at the Slaton First Baptist church. The pastor, Rev. W. F. Ferguson, was to officiate and burial was to be in Slaton cemetery, Williams Funeral home reported.

The child burned to death about 2 o'clock Wednesday afternoon when fire of unknown origin swept through the Spruill home.

A 14-year-old brother caring for the baby was overcome by smoke when he attempted to rescue the child, which was upstairs. Another child, about 3 years old, escaped. The three were the only ones at home at time of the fire, it was reported.

Ceiling Prices For Live Hogs Boosted

WASHINGTON, Nov. 8. (U.P.) — The OPA has increased the ceiling prices on live hogs five cents per 100 pounds at 13 terminal markets. The action was termed another step in the government attempt to halt diversion of live hogs from the customary marketing channels.

The increase will have no effect on present retail ceilings for pork products, the OPA said.

Machine Company

(Continued From Page One)

the future company site, even cutting off a part of the property.

Cost About $40.000

Plans call for a huge new shop with the most modern equipment and an office building, separate from the working space, with total costs running to an approximate $40,000.

The shop will sprawl across a plot 90 feet wide and 250 feet deep. An outstanding feature of this modern machine shop will be the railway tracks that will run through it, a part of about 600 feet of trackage that is to be laid from the adjacent Santa Fe line.

With a concrete floor and foundation the shop will be of steel framework, covered by transite material, according to present and tentative plans. Transite is an asbestos material, corregated, used as siding or roofing in fireproof construction.

Materials Are Needed

Tentative plans call for the office to be approximately 25 by 40 feet. These indefinite plans call for construction of the office to be of concrete blocks but bricks may be the eventual material.

Rogers' building program, at present, depends upon the availability of materials. He will build with the best to be had, but finds few of his "wants" easily filled. All of the orders for material have not been placed, but are due to be in the immediate future.

Construction is slated to begin by December, or during that month, and the new buildings are scheduled to be completed not later than April 1, 1946. The shop will be constructed first. The company will move in no later than July 1, next year.

Occupy Five Acres

Five acres will be occupied immediately after the new structures are completed. Storage and parking space are prime factors in the company plans. Lack of this has only accentuated the desire for more than ample space. A steel net fence will surround the property.

Fifty persons are now employed by the company. Plans are indefinite but more employes will probably not be needed for some time and then will be added only as business develops.

Burglar Nabbed As He Does Christmas Shopping Early

DALLAS, Nov. 8 (U.P.)—Probably just doing his Christmas shopping early, a burglar was jailed by police early today after he had stolen a quantity of costume jewelry and was attempting to steal a fur coat.

He broke into a jewelry store and stole some costume jewelry and later, dazzled by the beauty of a fur coat in a show window, he smashed the window and grabbed for the fur coat, valued at $750, as police nabbed him.

News Briefs

Funeral services for Dana Sue Godwin, one-year-old daughter of Mr. and Mrs. Elmer Godwin, 2107 Twenty-eighth, will be conducted at 10:30 a. m. Friday at the First Christian church with the pastor, Rev. H. G. Gantz, officiating, Rix Funeral home reported. The child died Tuesday after a short illness.

Three entered apprentice degrees will be conferred in a meeting of Yellowhouse Masonic lodge tonight starting at 7 o'clock. H. J. McClellan, secretary, announced today. The lodge hall is on the third floor of the Citizens National Bank building.

Dallas Man Killed At Work On Plane

DALLAS, Nov. 8 (AP)—Arbie A. Helms, 34, a Dallas civilian employe of the Army at Love Field, was killed early Tuesday evening when struck by the propeller of an airplane on which he was working, the field's public relations officer announced.

Helms was decapitated by the propeller while working on the brake, field authorities said.

Survivors are his wife, two sons, Maurice Helms and Aubrey Helms, and four brothers.

Indians form 54 per cent of the population of Bolivia.

CAN'T KEEP GRANDMA IN HER CHAIR

She's as Lively as a Youngster—Now her Backache is better

Many sufferers relieve nagging backache quickly, once they discover that the real cause of their trouble may be tired kidneys.

The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 3 pints a day.

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills. Adv.

Sizzling Problem Before Congress

WASHINGTON, Nov. 8. (AP) — Congress started work today on the sizzling question of whether the American boy will set aside one year of his life for war training.

There was congressional news, too, on the Pearl Harbor investigation, General MacArthur's views, and the world security council.

It was one of the busiest days of the postwar Congress. A flood of important home-front problems poured into the capitol. For one thing, hundreds of auto dealers swarmed in to talk about the price of new cars.

Urged By Truman

Universal military training has been urged by President Truman. The House military committee began hearings today. Secretary of War Patterson and Secretary of the Navy Forrestal were called as the first witnesses. They disagree sharply on whether to merge the War and Navy departments, but on universal training they are alike. They want it.

Plenty of people don't want it. Some of them will be heard later. The whole country is interested in the long congressional fight just beginning.

Another fight, the one inside the Pearl Harbor investigating committee, reached the stage today where Democrats and Republicans on the committee were hollering "politics" at each other in interviews with reporters. What's more, they added that politics is threatening the value of the whole inquiry.

The committee met today to try and smooth out its bitter differences over procedure.

Three Important Things

And the Senate met today with three important things in mind:

1. It will resume its debate on the government reorganization bill, which would give the president a certain amount of authority to streamline federal agencies.

2. It expects to approve several changes in the G.I. bill of rights, making it easier for veterans to get loans and educational benefits. The changes won't go into effect, however, until after the House and Senate get together on their exact form.

3. Senator Tom Connally (D-Tex), chairman of the Senate foreign relations committee, expects to introduce formally a bill relating to the use of U.S. troops by the world security council in case of an international emergency.

The bill defines the method of determining how large a U. S. force will be available, and it provides that the president can order this force into action when needed, without asking the permission of Congress. The foreign relations committee has approved the bill unanimously. Senator Connally said the Senate will pass it easily. Senator Burton Wheeler (D-Mont), not a member of the committee, criticized the bill today in talking with reporters.

MacArthur Suggestion

Meantime it was learned that Gen. Douglas MacArthur has suggested that the generals and admirals in charge of the armed forces should sit in the president's cabinet as unofficial members — talking, listening, but not voting.

MacArthur's statement was made public by the Senate military committee, which is still hearing testimony — and may continue for quite a while longer — on the proposal to merge the armed forces into a single department.

Here are some of the home-front matters before Congress today:

Auto prices — Several hundred auto dealers came to town to present to the House small business committee their side of a dispute with the OPA over how much profit they'll make on new cars. The OPA will testify next week.

Labor — The House rules committee met to act on an anti-strike bill already approved by the House military committee. Rules committee approval is needed before the bill can be debated by the House.

Jobs — The House expenditures committee met to begin writing a compromise version of the "full employment bill." The committee ended its hearings yesterday.

No Government Controls On Sales Of New Cars But Evasions Of Ceilings Possible

BY JAMES MARLOW
Associated Press Staff Writer

WASHINGTON, Nov. 8—Are you going to wait your turn and pay only the regular ceiling price on a new car?

Or—because they won't be rationed and so many people want them—will you try to slip the dealer something extra to sell you one?

Dealers can sell the new unrationed cars on a first-come-first-served basis or any way they please.

There'll be no government controls except for the ceiling prices which OPA will announce in a few days.

Evasion of the ceilings are a violation of the law. They're punishable by fines or imprisonment.

Once the sales start, OPA will keep watch to see that the price ceilings are not being evaded.

To Deal Honestly

The National Automobile Dealers association says the majority of the dealers will deal honestly with customers but that the association "will not vouch for all because there may be a crook here or there, as there is everywhere."

Assuming that the majority of dealers will play fair, this story will speak of those who might not.

Ceilings can be evaded with the connivance of a customer or by a dealer taking advantage of a customer's desire for a new car. It could work like this:

1. By side payments or bonuses. In addition to the regular ceiling price, the customer would pay the dealer for the privilege of getting a new car.

2. Unreasonable trade-in allowance. A dealer could give a customer far too little on a used car traded in for a new one and then sell the used car at a big profit.

3. Upgrading. A dealer could charge a more expensive car price for a cheaper car. For instance: By calling a coupe a cabriolet and charging a cabriolet price.

Selling Place In Line

4. By selling a place in line. For instance: A dealer tells Jones, 87th on the list for a new car, that maybe Smith, 3rd in line, will let him take his place because Smith doesn't want a new car now. But Smith charges Jones $100 for letting him take his place. Yet all the time Smith is in cahoots with the dealer.

Already a lot of people have made down payments on the new cars which haven't reached the dealers yet.

Harvey Diamond, chief of OPA's automotive enforcement branch, says it is useless before sales are completed to try to learn whether these down-payments are really side-payments or bonuses.

But Diamond says OPA will move in when the sales start and begin checking on dealers.

Asked why anyone should tell OPA he had given a bonus to a dealer for a new car or connived in any other way to evade ceilings, Diamond said:

"They do, just the same. If ten people did it, we'd probably be sure to find one of them who would tell about it because he was sore at being forced to pay extra or for some other reason."

The OPA, Diamond said, is filing charges against 300 to 400 used car dealers a month for violating ceilings on used cars.

The National Automobile Dealers association says this:

Any violations by dealers will be far outnumbered by the violations occurring between individuals in private sales of new cars.

COMMANDS DAV — Dow V. Walker, of Newport, Ore., is new commander of the Disabled American Veterans, unanimously elected at the Chicago national convention. A former Pacific Coast football star, he was a major in World War I.

High Point Men Are Still In Pacific

HONOLULU, Nov. 8 (AP)—Stars and Stripes, the Army newspaper, today said editorially that the record of the Central Pacific Army command in completing demobilization of high point troops ahead of schedule is the exception—not the rule—in the Pacific theater.

The paper said that a War department chart which it published with official approval shows more than 540,000 Army enlisted men with more than 60 points—approximately 10 per cent of them have more than 85—still were in the Pacific Oct. 15.

"Buy A Victory Bond TODAY."

Houston Garbage May Be Sunk In Gulf

HOUSTON, Nov. 8. (U.P.) — City council members today considered a proposal for towing the city's garbage on barges far out into the Gulf of Mexico and sinking it.

David Bintliff, representing the Gulf Canal lines, inc., made the proposition and asked the city fathers to delay awarding a contract for a $370,000 incinerator until his company could work out further details.

The council advised Bintliff the incinerator contract would not be awarded for a month and invited him to submit his proposal in detail.

"Frankly," said Mayor Otis Massey, "I'd like to see what Mr. Bintliff's proposal looks like."

Bintliff pointed out that New York City and other Atlantic cities now use such a plan. He said if the proposal is accepted in Houston he will attempt to sell the plan to Galveston and other port cities.

Caution Is Asked In Treating News

ROME, Nov. 8 (AP) —The Italian government press office asked newspapers today to exercise "greater caution" in the treatment of crime news.

The statement said such news was likely to be transmitted abroad at a time when it could do grave damage to the government, which has been seeking restoration of full sovereignty from the Allies.

Discharged Veteran To Seek Citizenship

HOUSTON, Nov. 8. (U.P.) — Macario Garcia, Mexican farm worker facing charges of fighting when refused a cup of coffee in a Texas cafe, today sought citizenship in the country that awarded him the Congressional Medal of Honor.

A Staff Sergeant in the U. S. Army when discharged three weeks ago, Garcia yesterday filed a military petition for citizenship under the law which permits aliens who have served 90 days in the armed forces to become citizens.

Garcia is expected to stand trial about Nov. 26 on charges of aggravated assault filed by Mrs. Donna Andrews, cafe owner, in Richmond, Tex.

"Although I was wearing the uniform of the U. S. Army, they told me Mexicans were not served three," he said in relating the two-months-old incident.

Meanwhile, Garcia, one of ten children in the family is unemployed. Until drafter two years ago he had lived all his life with his family on the property of a Sugar Land, Tex., farmer.

He was awarded the medal for heroism in wiping out two Nazi machine gun nests during which he was wounded but kept fighting to kill three more Germans and capture four.

For a different flavor, add a few whole cloves to apple sauce or baked apple.

Bible Given Sailor In 1942 By Marshall Woman Believed To Have Saved His Life

By JACK RUTLEDGE
Associated Press Staff Writer

A sailor has written Mrs. W. K. Crautter of Marshall that he believes a Bible she gave him back in 1942 saved his life.

He said a company of Sailors stopped in Marshall in October of that year. They were given Bibles, candy, and other things.

"The Bible had your name and address in it," wrote G/M 3/C W. K. Christensen, "so I am writing to tell you that though I went through hell and high water, I still have it and always will. It's a funny thing, but when I was in danger I thought of what you wrote in my Bible, 'Read a verse each day for food for your soul.'

"There were only three of our company that came back."

LUCKIEST 7-YEAR-OLD

Jimmy Gillam of Temple figures that when it comes to luck, he's the luckiest seven-year-old in the country.

Te's a mascot of the Belton Fire department, as well as mascot of the Fireman's Association He goes on all the runs with the firemen.

On his seventh birthday, there were four fire alarms in Belton—and he went on all of them.

The birthday party that filled in between fires was attended by 24 guests.

HE'S LUCKY, TOO

Jack Holmes of McAllen is pretty lucky, too, and the only thing that bothers him is that he doesn't know who to thank.

He lost his wallet. Night policeman Marion Kernodle and night watchman H. P. Cullen were patrolling when a car drove up and two boys said casually, "Here's a wallet we found" and went on without identifying themselves.

The police returned the wallet to Holmes. It had $500 in bills in it.

MEN ATTEND CHURCH

YOKOHAMA, Nov. 8 (AP)—Men of the Eighth Army attend church services in strange places—a department store, a girls' school and a pharmacists' school to name a few—it was disclosed today in a survey by Eighth Army Chaplain Col. Yandell S. Beans of North Little Rock, Ark., whose office is in Yokohama Memorial hall, formerly a Japanese military installation.

Dallas Seeks Help In House Shortage

WASHINGTON, Nov. 8 (AP) — A Dallas delegation headed by Mayor Woodall Rodgers conferred yesterday with federal officials in an effort to relieve Dallas' acute housing shortage.

They discussed the situation with National Housing Administrator John Blandford, jr., and plan to lay the problem before Texas members of Congress.

The Texans suggested several possibilities for relief. One would be the removal to Dallas of surplus housing from war, industrial and military training centers in Texas which no longer are in operation. Another would be an executive order to expedite movement of building materials into construction of low-cost housing. A third would be congressional action.

The possibility of obtaining some relief by increasing lumber production in East Texas was discussed by Reps. Sumners and Combs, Texas Democrats.

Fair Prices Paid In Livestock Sale

FORT WORTH, Nov. 8 (AP) — Cattle sold at fair prices at the third annual auction of the Southwestern Milking Shorthorn association here yesterday, although a number were young animals and none highly fitted, Judges said.

Four bulls made an average of $527.50 and 38 females averaged $350.14 in the auction. The top bull in the auction sold for $750. The bull was Sunbeau Masterpiece, sold to M. Hohn of Hebron, and bred by Miles Milhoan, Wildorado.

Texans Decorated For Their Service

PEARL HARBOR, Nov. 8 (AP) — Rear Adm. William Blandy, commander of cruisers and destroyers in the Pacific, yesterday decorated:

Rear Adm. William Phillips, of Sherman, Texas, with a gold star in lieu of a second Legion of Merit for outstanding services as aide and chief of staff to Blandy.

Abilene Police Are Criticized By Jury

ABILENE, Nov. 8 (AP) — A Taylor county grand jury yesterday criticized the Abilene police department for not properly training officers in the use of firearms.

The action came after the grand jury returned an indictment charging negligent homicide against Robert T. Harris, a 73-year-old special police officer. Harris is charged in the slaying of 16-year-old Herschel Jeter Hallowe'en night at Fair park.

In a report to Judge Owen Thomas of the 104th district court, the grand jury said Harris testified he was carrying a .45 caliber Army pistol which he had never fired and that he had never fired any pistol before the shot that killed young Jeter.

Victory Statement Is Made By Green

WASHINGTON, Nov. 8. (AP) — William Green, president, American Federation of Labor, issued the following victory loan statement today:

"All of us realize how important Victory bonds are to the vital interest of the nation. America needs the money to pay for the winning of the peace and to bring our boys back home. The American Federation of Labor may be counted on to serve in as full measure as possible in helping to accomplish the objectives of the victory loan drive."

Conditions Improve For Big Horn Sheep

ALPINE, Nov. 8. (AP) — It will be a long, long time before there is a hunting season on the big horn sheep in this area but if conditions remain normal during the next five years the big horn picture will be greatly improved, say officials of the Texas Game, Fish and Oyster commission.

The department is currently planning to fence off three and a half sections of range lands recently purchased in Culberson county as a big horn refuge. There are approximately 30 of the big horns remaining.

The fencing will keep the big horns from mixing with domestic sheep on feeding grounds and better enable the commission to build up flock. The big horn sheep are susceptible to the diseases of domestic sheep.

High Schools Face Important Battles

First District Champ Will Be Produced At Houston; Amarillo Meets Plainview

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Texas schoolboy football spotlight rests on Houston this week-end with the first district champion of the season due to be produced there.

Milby, one of the state's eight undefeated, untied teams, can clinch the district 13 title by beating Austin Friday night. A tie would insure no worse than a deadlock for first place.

Other Important Games

There are important games in other districts in a schedule of 47 games, 39 of them conference affairs.

Out in the Panhandle Amarillo battles Plainview in the first game of a three-way struggle for the district 1 title. Plainview, also, is undefeated and untied; both teams are unbeaten in conference play. Pampa is the other team figured in championship calculations.

Odessa and Sweetwater, moving their game to Monday from Friday, will joust in what figures to be the decisive contest of the district 3 race.

Denison and Paris play at Paris with the winner to become the overwhelming favorite to win the district 5 crown.

Highland Park Meets Denton

Favored Highland Park (Dallas) makes its conference start at Denton in the district 6 race. Denton is undefeated but all other members of the district have suffered losses.

Breckenridge and Brownwood meet at Brownwood Monday in the game considered the district 9 title affair.

Tyler and Longview, unbeaten in district 11, play at Longview. Marshall, the other undefeated eleven, goes to Texarkana.

In district 16, Brownsville and Edinburg, the only undefeated teams, clash at Brownsville.

The week's schedule by districts:

1—Friday: Pampa at Lubbock (conference); Saturday: Amarillo at Plainview (conference).
2—Friday: Borger at Childress, Quanah at Graham (conference), Olney at Wichita Falls (conference).
3—Friday: Abilene at Lamesa (conference), Big Spring at San Angelo (conference); Monday: Odessa at Sweetwater (conference).
4—Friday: El Paso at Mesa, Ariz.; Saturday: Albuquerque, N. M., at Austin (El Paso).
5—Friday: Denison at Paris (conference), Sherman at Greenville (conference).
6—Friday: Highland Park (Dallas) at Denton (conference), Masonic Home (Fort Worth) at Arlington, Sulphur Springs at McKinney (conference).
7—Friday: North Side (Fort Worth) vs Poly (Fort Worth) (conference); Saturday: Paschal (Fort Worth) vs Amon Carter-Riverside (Fort Worth) (conference).
8—Friday: Sunset (Dallas) vs Woodrow Wilson (Dallas) (conference); Saturday: Adamson (Dallas) vs Crozier Tech (Dallas) (conference), North Dallas vs Forest (Dallas) (conference).
9—Friday: Mineral Wells at Stephenville (conference), Ranger at Cisco (conference); Monday: Breckenridge at Brownwood (conference).
10—Friday: Waxahachie at Corsicana (conference), Temple at Hillsboro (conference), Fort Worth Tech at Ennis, Waco at Bryan (conference).
11—Friday: Tyler at Longview (conference), Marshall at Texarkana (conference), Electra at Gladewater.
12—Friday: Nacogdoches at Lufkin (conference), Palestine at Athens (conference), Livingston at Jacksonville (conference).
13—Thursday: Jeff Davis (Houston) vs Reagan (Houston) (conference), Lamar (Houston) vs St. Thomas (Houston); Friday: Milby (Houston) vs Austin (Houston) (conference); Saturday: San Jacinto (Houston) vs Sam Houston (Houston) (conference).
14—Friday: Orange at Galveston (conference), Port Arthur at South Park (Beaumont) (conference), Beaumont at Goose Creek (conference).
15—Thursday: Brackenridge (San Antonio) vs San Antonio Tech (conference); Friday: Laredo at Corpus Christi (conference), Jefferson (San Antonio) at Kerrville (conference).
16—Friday: San Benito at Harlingen (conference), Robstown at Kingsville (conference), Edinburg at Brownsville (conference), Pharr-San Juan-Alamo at McAllen.

West Tops In Cage Squads

BY HUGH FULLERTON, JR.
Associated Press Sports Writer

NEW YORK, Nov. 8—Getting eagey . . . John Mooney sends word that the top cage teams will come from his intermountain area . . . "Wyoming will be the team to beat," says John. "Coach Ev Shelton has a starting five averaging 6-7, including Milo Komenich and Jim Weir back from the national champs of a few years ago. Kenny Sailors also is figured back." . . . Mooney adds that Utah and Brigham Young will be tough and "Colorado U. is a cinch to have another of those all-Kansas aggregations as soon as Frosty Cox comes back from Europe."

LONG-RANGE RECRUIT

When Ex-Marine Tom Smith reported for football his first day on the Penn State champs, Coach Bob Higgins quizzed him about his experience . . . Tom told about playing for Erasmus Hall in Brooklyn in 1941, then casually added: "Charlie Speidel told me to report to you." . . . "Why," gasped Higgins: "Charlie is way out in the Pacific." . . . Said Smith: "So was I."

ONE-MINUTE SPORTS PAGE

Word from the west coast is that Lt. Frank Leahy won't go back to Notre Dame as naval R.O.T.C. athletic officer because his orders were suddenly cancelled. The best guess now is that Leahy is about to be "separated." . . . Southern association umpires likely will breathe easier now that Fresno Thompson has been called in from New Orleans to do "field work" for the Dodgers . . . One of Fresno's best stunts was to argue until an ump pulled the rule book from his hip pocket, then Thompson would exclaim: "What do you know? A rule book printed in Baille."

Lubbock Clubs Will Taper Off

Final Drills For Top Games Set

The Lubbock Westerners will taper off this afternoon, while the Texas Tech Red Raiders will stage one more rough drill for their games at Tech stadium in the season's top weekend grid card for the city.

The Westerners clash with the Pampa Harvesters Friday, and the Red Raiders tangle with the Texas Christian Horned Frogs in the season's first day games, and the finale on both schedules on the home field. Both games start at 2:30 o'clock.

The prospects are bright for the biggest high school grid crowd of the season at Tech stadium for Friday's game. Saturday's battle, the annual homecoming game for Texas Tech, is already a sellout, with only a few endzone seats at the north end, and standing room left for the ticket buyers.

Parade On Friday

A big parade, headed by the Pampa delegation, has been scheduled for Friday afternoon, starting at 1 o'clock, and will start the city into the football weekend that has brought more grid interest to the city than any other games on the schedules of the two schools.

Both the Westerners and Red Raiders will be facing top opponents this week, and both home clubs will go into the games as decided underdogs.

Coaches Dixie White and George Philbrick spent the long session Wednesday afternoon setting a defense for the Pampa T formation plays that have been so successful this year in cutting loose Randall Clay and company for long gains, and an undefeated, untied season.

E. J. "Pinkey" Lowrey, athletic director of Lubbock schools, reported that ticket sales Wednesday continued brisk, and indications are that the stadium will be filled for the Pampa battle Friday afternoon.

Calls continue to pour into Lubbock for tickets for the Saturday game, but none are available. The only tickets left unsold are for the north endzone seats and standing room, which will go on sale at the north gate on the day of the game.

Midweek found the chances of the Westerners being at top strength for the Pampa battle, but the Red Raiders remained a question mark.

Walt Schlinkman was still favoring his injured shoulder, R. W. Moyers was nursing a bruised hip, while two linemen, Co-Captain Otis Turner and Bernie Winkler were still bothered with throat ailments.

Several other Red Raiders are slowed with injuries, and many of those who will have to be used will not be free from injury.

Texas A. & I. To Play Football Again

KINGSVILLE, Nov. 8 (U.P.) — Once known as the "toughest little college team in America," Texas A. & I. college will return to football play next season.

The Board of Directors have voted to resume football as an intercollegiate sport for the first time since its abandonment in 1942 because of the manpower shortage.

The A. & I. Javelinas, named for the wild hogs that roam South Texas, before the war had built the reputation for being one of the best small college teams in the nation.

It was not announced whether the school's pre-war coach, A. Y. (Bud) McCallum, would return as coach for the Javelinas.

Central Ward Wins Over Bean, 12-6

Doing all the scoring in the first half, the Central Ward Silver Spurs struck from behind to beat the Bean Bronchos in a grade school touch football game Wednesday afternoon at Dupre field, 12 to 6.

The Bronchos broke into the lead in the first quarter on a pass play from L. Sinclair to D. Arkins.

The Spurs struck back in the second period, knotting the score when Gene Blagg fell on a fumbled punt over the goal line for a touchdown. Billy Smith then took a pass from Don Johnson for a 40-yard touchdown play and the winning score.

The two teams battled on even terms through a scoreless second half.

This Week's Edition Of Fraley's Follies

Army, Penn, Michigan, Ohio State, Cornell, Indiana Are Selected As Winners Of Week

By OSCAR FRALEY
United Press Sports Writer

NEW YORK, Nov. 8. — Always belittlin'—Fraley's Follies or the weekend football winners:

THE EAST

Army over Notre Dame — Bad luck of the Irish.

Penn over Columbia — With apologies to Little and Donelli.

Penn State over Temple—Hot tip from Higgins.

Michigan over Navy — Lady Luck's day off.

Ohio State over Pitt—Sighing for Sutherland.

Cornell over Colgate—"Happy" Shore talks a good game.

Dartmouth over Princeton—Noboola boogey.

Also: Holy Cross over Colgate, Yale over Brown, Kings Point over Harvard, Connecticut over Maine, Villanova over Boston college, RPI over Brooklyn and Delaware over Haverford.

THE MIDWEST

Indiana over Minnesota — The Golden Gophers look just goldplated.

Illinois over Iowa—Come home, Doc, all is forgiven.

Northwestern over Wisconsin—How wide is a football field?

Purdue over Miami, O. — Just 160 feet across.

Great Lakes over Michigan State—And I bet you didn't know.

Nebraska over Kansas State—Sure it's an easy one.

Oklahoma over Iowa State — But this one isn't.

Also: Drake over Iowa, Teachers, Marquette over Kansas, Baldwin Wallace over Ohio U., Detroit over Cincinnati and Western Michigan over Wooster.

THE SOUTH

Georgia Tech over Tulane — Here's another will stop you.

Tennessee over Mississippi — How much air in a football?

Duke over North Carolina State —Aw go on, guess.

LSU over Mississippi State — Twelve and one-half pounds.

Georgia over Florida — But it can have 13½ pounds pressure.

Also: Clemson over VPI, Miami over South Carolina, Auburn over Southwest Louisiana, Vanderbilt over Chattanooga and Virginia over Richmond.

Billy Conn To Stop Exhibition Bouts

KANSAS CITY, Nov. 8. (AP)—Billy Conn, the lancy boxing Irishman from Pittsburgh, says he is convinced that exhibition fighting is a "heck of a poor way" to get in condition for his championship bout with Heavyweight King Joe Louis next June.

That's why, he said after a 3-round appearance here last night, he is quitting "show off" stuff in favor of serious training for a return engagement with the Brown Bomber.

"Fans don't realize it's only an exhibition," Conn explained. "They expect me to show the same boxing skill I used that night in 1941 when I boxed rings around Louis for twelve rounds before I got careless."

Overweight and not up to his usual speed, Conn threw a few fast hooks at the Bearcat in the last minute of the exhibition, but he admitted that he had a "long way to go" before he's ready for Louis.

East Texas Baseball Circuit Is Planned

DALLAS, Nov. 8 (AP)—Plans for organizing a class C professional baseball league in East Texas will be discussed at a meeting in Jacksonville Nov. 18, Texas league officials announced.

J. Alvin Gardner, president, and Milton E. Price, secretary of the Texas circuit, said they plan to attend the meeting.

Swedish Stars Are Branded As Pros

STOCKHOLM, Nov. 8. (AP)—Arne Andersson and Gunder Haegg, world-record holding Swedish runners, and 13 other top-ranking Swedish track stars, were declared professionals today by the Swedish Athletic association, the newspaper Espresen said.

There was no official announcement as yet from the association, which has been conducting a sweeping investigation into the entire Swedish track setup.

Earlier the association announced a finding that payments of fees to top Swedish track stars by leading sports clubs constituted a breach of amateur regulations and indicated there would be disciplinary measures against both clubs and performers. The association did not name the individuals involved, and had announced it would not do so until completion of the nationwide inquiry.

A finding that Andersson is professional would cancel his projected trip to the United States for the indoor season this winter.

Hackenschmidt Is Victor Over Olsen

George Hackenschmidt repeated his victory of a week ago, again besting Milt Olsen in the feature event of Wednesday night's wrestling card in the Lubbock Horse and Mule Auction arena.

After battling 20 minutes of the third session, Hackenschmidt threw Olsen out of the ring. Olsen's back struck the edge of the ring, and injured him too much for him to return. He was counted out while outside the ring, and the victory awarded Hackenschmidt by Referee Babe Ritchie.

Hackenschmidt had won the first fall in 16 minutes with a body slam, and Olsen evened the count in another 30 minutes with a series of flying tackles off the ropes.

Tony Ross and Johnny Atkins battled to a draw on the semi-final of the card, each winning a fall in the allotted 45 minutes, then finishing the session without breaking the deadlock.

Atkins won the first fall in 16 minutes with a leg stretcher, and Ross evened the count in another 12 minutes with a dominoe stretch.

The Hood, masked grappler, won the preliminary bout on the card, beating Charley Trijo in eight minutes with a body slam and pin.

Twenty-five per cent of United States aircraft parts plants are in Cleveland.

TCU Coaching Staff At Full Strength

FORT WORTH, Nov. 8 (U.P.) — With the return from the Navy of Freshman Coach Walter Roach, Texas Christian's coaching staff was back at full strength today.

"With such a fine staff of coaches I am thinking of taking a rocking chair out to the field and taking things easy," Coach Dutch Meyer said.

The Frogs went through long drills yesterday in preparation for the Texas Tech game in Lubbock Saturday afternoon. They also rehearsed their plays, both running and passing, then spent some time working on a defense to use against the Tech attack.

have bestowed on the Japanese people freedoms they do not yet fully understand how to use, producing a state of flux from which vast changes in the Japanese way of life inevitably must come. The nature of these changes obviously depend on the kind of control exercised by the victorious powers.

Therefore, responsible leaders trying to chart the future emphasize the belief that continuation of current progress depends on the maintainance of the present basic character of the occupation, with direction, execution and responsibility primarily in accordance with the policies of free governments.

It is anticipated that British empire, Chinese and Soviet units may be added to the occupation armies within a reasonable time and that other powers will be given a larger share than now in the overall policy making. But the Japanese especially hope that the final word will remain with the United States.

Japs Fear Russians

The Japanese dread any increase in Russia's share of the control of their fate. The cabinet ministers decline to discuss Russia for publication, but talks with Japanese in high places make their fears manifest. The Japanese government, despite the return of men who spent the years of militarist domination in eclipse because of their liberalism, contains many men of conservative social and economic views. These are known to fear the danger of communization if Russian influence becomes strong.

Present progress of Russian-Chinese negotiations concerning the occupation of Manchuria, in which the United States is involved because American transports are carrying the Chinese forces thither, is being keenly followed here as a test of harmony among the powers that crushed Japan.

Disagreement Is Same

Among Americans here there is the same disagreement and debate as at home concerning Russia's new role in world affairs and the difference between her concept of democracy and the American or British brands. Some express confidence that sufficient understanding can be reached to permit completion of the American-style democratization program, already well advanced under MacArthur. The opposing view is that Russia wants to see Japan Sovietized. Some speak of the danger that the docile Japanese people might again become regimented for war-like purposes under Russian domination.

MacArthur is known to believe that it would be a great thing for the world if Japan could be Christianized, although he feels that this would be difficult because of Japanese materialism and aloofness.

Not Planning To Return

MacArthur has no present plans for returning to the United States. He is known to regard his responsibility for directing the vast program of democratic changes he has dictated to the Japanese government as too onerous in the months ahead to be delegated.

He regards the duty entrusted to him as of the greatest importance to the future of the United States. He is keenly aware of the vast amount of discussion pro and con of the problem of Japan by the press and public in America. Some of his officers feel there is too much "back seat driving," much of it uninformed and unfair; that it tends to force the general's hand in some phases of the program which should not be rushed and that while the overall policy must come from Washington, the immediate means, methods and timing should be left to the commander on the spot.

Marketing Problem For Citrus Growers

LOS ANGELES, Nov. 8. (AP) — California and Arizona citrus growers face a majority marketing problem in 1946, in competing against bumper crops from Texas and Florida, Paul S. Armstrong, general manager of the California Fruit Growers exchange, told a gathering of 200 packing house managers.

Current estimates show that Florida orange production will increase 18,000 carloads and grapefruit, 24,000 cars, over the 1945 yield, Armstrong said. He estimated a 6,000-car gain for Texas in both oranges and grapefruit.

With the exception of Arizona grapefruit and lemons, which show moderate increases, citrus crops in California and Arizona will be slightly lower next year, he predicted. He warned that shortages of farm workers, essential production materials and transportation equipment will also curtail output.

Armstrong said consumer buying power is high and that price ceilings probably will be removed from citrus as heavier shipments reach the market.

He predicted the domestic market will be the only major outlet for several years because of the poor financial position of most foreign countries.

Cotton Market

NEW YORK REPORT

NEW YORK, Nov. 8 (AP)—The cotton futures market rallied more than a $1 a bale to new seasonal high ground today on the government forecast that the 1945 cotton crop will be sharply under a year ago and the lowest since 1921.

Broad mill and outside buying met only scale-up hedge offerings. The Department of Agriculture estimated the 1945 crop as of November 1, at 9,168,000 bales, a decline of 411,000 bales from the October 1 forecast and 2,860,000 bales under the 1944 crop.

Futures closed 65 cents to $1.05 a bale higher.

Simmons and Smith were listed among the top-ranking contestants in the state contest conducted by the extension service in cooperation with the Texas Seedmen's association.

Truman Orders Facts Revealed

WASHINGTON, Nov. 8 (AP) — The White House said today that President Truman has ordered that the joint congressional committee investigating Pearl Harbor must be supplied with an information it desires.

His memorandum, to federal department and agency heads, as well as to the joint chiefs of staff, authorizes all employes under them to give the committee "any information of which they may have knowledge."

The White House said the president sent out the memorandum last night.

In it he also requested the department to authorize employes, even if they aren't questioned by the committee, to "come forward voluntarily" and report any information which they may believe has not been disclosed previously to the congressional investigators.

let go with a roundhouse right fist that sank up to his elbow in the bag. He moved in closer and pumped lefts and rights furiously into the unoffending bag until one blow shot it off the table onto the floor.

Then, as his hilarious audience whooped in delight, the furious lieutenant kicked the bag from one end of the room to the other until he was out of breath and had to quit for another drink.

"And that's only the first installment of what you got coming to you, Baggypants," he said, glancing at the wilted bag.

"You won't do it, though," laughed the major. "Guys talked like that in the last war. Privates were always going to beat up their sergeants and lieutenants were going to smash their captains to pieces, but it didn't happen. You'll probably be slapping that colonel on the back and buying him a drink at the first veterans' reunion."

"Like hell I will," said the lieutenant, stormily.

"What did he do to you—pass you up for promotion?" asked another officer.

"He didn't do anything to me," the lieutenant answered. "It was what he did to my men."

"There was one little guy from an eastern city who was one of my hardest workers. Never complained. When the Army ruling came out that we could start releasing fellows over 38 years old he came up to me and asked if I would help him get out. 'I am 44 years old and have two children,' he told me. 'I have a small business and my mother and father have been running it for me. But they are very old and both are ill now and I am afraid I will lose my store unless I can get out. There is nobody else to run it.'

Letters From Red Cross

"He had letters from the Red Cross that proved both his parents were in bad health—not that I hadn't believed him. I sent him to see the colonel with a strong recommendation he be released."

The lieutenant's eyes clouded with anger.

"But that dirty skunk had come in with one of his hangovers that morning, and wanted to take it out on somebody. 'You're just another slacker!' he yelled at my private, and told him 'I'm going to send you back to Guadalcanal.' And he did.

"That's just one case. He ruined five of my best men with cheap, chiseling tricks like that. That's why I'm going to beat hell out of him."

clined Secretary of Labor Schwellenbach's proposal to reopen wage negotiations with CIO-steelworkers under a special conciliator.

Strike Vote Scheduled

CIO President Philip Murray earlier had accepted the labor secretary's suggestion that the collective bargaining conference be resumed "in the spirit" of President Truman's recent wage-price speech. The union had asked a $2 a day wage increase. A strike vote among some 500,000 steel company employes is scheduled Nov. 28.

Benjamin F. Fairless, U. S. Steel president, however, in a letter to Schwellenbach said existing ceiling prices "do not enable us to grant a wage increase at this time," and that negotiations would be useless until the price question is settled.

The automobile and steel disputes held the center of attention along the nation's labor front. Work stoppages across the country kept idle some 275,000 workers.

Service Is Resumed

Street car and bus service in Washington, tied up for nearly two days because of a walkout of 4,000 AFL employes of the Capital Transit Co. was back to normal today as negotiations on wages got under way.

Picketing at one of the two plants of the Goodyear Tire & Rubber Co. in Akron, O., was reported ended and some of the 10,000 workers made idle by a work stoppage yesterday returned to their jobs.

On the Pacific coast, an AFL unionist, criticizing CIO lumber workers for compromising wage demands with operators, said the financial resources of the nation's 850,000 AFL carpenters had been pledged in support of the 60,000 AFL lumber and sawmill workers, now in the seventh week of a strike for $1.10 hourly minimum wage.

Agreement Reached

The non-striking CIO has reached agreement with four groups of operators for a 12½ cents an hour pay boost, thus accepting half of the original 25 cents an hour demand.

Meanwhile, there was prospect of a tieup in the Pacific coast pulp and paper industry after two AFL unions called for a strike vote in a wage dispute. A strike in the industry would be the first in 10 years of successful collective bargaining.

Texas Pushing Victory Loans

(By The United Press)

The Victory loan in Dallas will be highlighted with two parades. The first, Friday, will be a frontier day parade opening the Greater Pan-American Hereford exposition and rodeo, and will be a mile and a half long. It will be headed by Texas ranger color bearers and include five bands and 500 horses ridden by North Texans.

An Armistice day parade Saturday is expected to be one of the biggest Dallas has ever witnessed. Bands, floats, mechanized units, and hundreds of marchers will make up the colorful spectacle.

Veteran To Speak

Dallas Victory loan officials also announced that Lt. Carl Sanzi, World War II veteran wounded in France, is in the city from McCloskey General hospital to speak to industrial groups and civic clubs on the Victory loan.

In Amarillo, a premier tonight of a new motion picture "Weekend at the Waldorf" will be held to boost Victory bond sales. Admission will be by purchase of series E bonds only.

Metanwhile, it was announced that Texas has bought $34,479,691.25 of its 297-million dollar overall quota and $10,785,683.75 of the 90-million dollar E bond quota.

MacArthur Plan

(Continued From Page One)

MacArthur his suggestion was not possible "in the cabinet today the way the government is set up."

MacArthur added:

"It was our forefathers who wrote the constitution looking at Europe, fearful of military dictation and military influence, and they made the great mistake of trying to keep the military isolated."

Discussing MacArthur's suggestion with a reporter today, Senator Edwin C. Johnson (D-Colo), acting chairman of the military committee said "I disagree heartily with that plan. I think our forefathers were pretty wise. We have got to continue civilian control of the military agencies."

Must Retain Control

Senator Austin (Vt), ranking Republican member, said he did not wish to engage in a direct controversy with MacArthur but added that this country must continue its "traditional attitude to maintain clear civilian control over the military branch."

MacArthur noted that although the president is commander-in-chief his decisions are "nonprofessional" and "influenced to some extent by the political outlook of the United States because the president of the United States, whoever he may be, has been, and always will be by our system of government, a servant of politics."

The general said military department leaders "have suffered frightfully in the pat" because they did not know what went on in the cabinet sessions.

The general said he saw no "danger" in his suggestion because "no man can be a conspirator against the government of the United States in any way shape or form if he sat in at cabinet meetings with him having responsibility for the military forces."

Dr. G. C. Brewer Is Speaker At Kiwanis

Dr. G. C. Brewer, author and evangelist who came from Memphis, Tenn., to conduct a revival in his former pastorate, the Broadway Church of Christ, made a typically vigorous address before today's weekly luncheon program of the Kiwanis club.

Ross O. Spears, minister of the Dyersburg, Tenn., Church of Christ, and song director of the Broadway church revival, led audience singing of folk songs and traditional airs. Lt. Cmdr. Roy Bass played sultry piano jive until luncheon was served.

Dr. Brewer said Lubbock's apparent progress since he and his family left here was "probably more pronounced in the perspective of one who has been away; it is remarkable."

He said that money and material progress is worthy, but only when the right emphasis is placed on them. Money, he said, will buy services, "but not love or honor and, above all else, salvation."

"Make money our servant," he adjured, "not our master." And "humanity should value life and living—and make money honor humanity and glorify God."

Visitors included J. B. Parrott, a Kiwanian of Amarillo, and Maj. Steve Debnam, of the Allied Military government, of Midland.

Club president W. C. Wood presided.

Russia, U. S. Are At Odds

By JOHN M. HIGHTOWER
Associated Press Staff Writer

WASHINGTON, Nov. 8.—Negotiations between Moscow and Washington over a variety of problems ranging from Japan to Turkey appeared today to be farther from success than officials here had hoped.

Here is the situation:

1. Foreign Commissar Molotov has replied to an American proposal for an Allied control agency in Tokyo which would be subordinate to the Far Eastern advisory commission in Washington. There are strong indications that Molotov turned down this proposal and that Secretary of State Byrnes is not inclined to compromise the issue further.

Four-Point Program

2. The United States has laid a four-point program for revising control of the Dardenelles before the Turkish government. This would give Russia some advantages in the use of the straits which she does not now have. But it falls far short of Russia's reported desire for military bases on the vital link between the Black sea and the Mediterranean.

3. A Russian-Turkish treaty of nonaggression and friendship which had run for many years expired yesterday following Soviet denunciation. Diplomatic officials say they fear that Russia may make a few psychological passes at Turkey in order to gain the right to set up Dardenelles bases on Turkish soil and also to win over certain territories in northeastern Turkey which the Russians have claimed.

Problem Is Acute

4. The problem of the atomic bomb and peacetime uses of atomic energy becomes more acute between the two countries, in the opinion of diplomatic authorities, as the time approaches for conferences among President Truman and Prime Ministers Attlee of Britain and Mackenzie King of Canada. These talks will open Sunday aboard the presidential yacht Potomac.

Byrnes declined at an afternoon news conference yesterday to comment on Molotov's speech in Moscow Tuesday saying that Russia would have atomic energy and that the secret of the bomb could not be kept. But the subject evidently was very much on Byrnes' mind because he went directly from the news conference to the White House to discuss with Mr. Truman preparations for the weekend talks.

War In China

(Continued From Page One)

Chinwangtao said some U. S. Marines in North China already have been wounded in rifle exchanges with Chinese Communist troops. Another 1,000 U. S. Marines landed last night at Chinwangtao, nine miles south of Shanhaikwan.

Gen. Chu Teh, commander of the 18th Group Army, also sent a note to Wedemeyer, the New China Daily said, protesting that:

1. American forces occupied the Communist office in Tientsin and disarmed and questioned the office personnel.

2. American planes machine-gunned Communist-held Antse in Hopeh province.

3. American planes dropped a letter demanding that the Communists withdraw from Kuan in Hopeh.

Politics And Atomic Bomb Are Big Barriers Among Nations

By DEWITT MACKENZIE
Associated Press Foreign Affairs Analyst

A fellow commuter this morning turned from the headlines in his newspaper and asked me in pre-dawn, sepulchral tones:

"Well, when will the next war come—in about five years?"

I wasn't feeling so good myself, because the train was late, but that pessimistic query put me on the alert. One doesn't (or at least shouldn't) talk about world wars in these atomic-bomb days without pausing to think. Anyway, my reply was that while there are very real dangers to be overcome, there is no sound reason why these shouldn't be met successfully. I believe that, too.

Certainly there is cause for anxiety, but there's nothing to cause surprise.

Great Powers Have Disappeared

Great powers—Germany, Italy, Japan—have disappeared and there is an inevitable realignment of spheres of influence which are causing heart-burnings. British Foreign Secretary Bevin, speaking in the House of Commons yesterday, declared that the great difficulty in achieving international cooperation rests in "whether or not you can entirely obliterate what are called spheres of influence and power politics."

The quickest way to overcome this evil is the employment of frankness among nations, and Bevin sounded this note when he appealed to the great powers to "really put the cards on the table face upwards." While naming no names, the foreign minister hinted that Britain was suspicious of Russia's territorial demands. He put it this way:

"You cannot help being a little bit suspicious if a great power wants to go right across the throat of the British commonwealth."

That's putting the cards on the table face upwards. And we've had quite a lot of cards faced so far this week. Russian Foreign Minister Molotov started it in his Moscow address Tuesday, when he condemned the tendency towards formation of a bloc of Western European powers, and asked that all the secrets in connection with the manufacture of the atomic bomb be placed at Russia's disposal.

Churchill Turns Cards

Former Prime Minister Winston Churchill also turned up some cards in the House of Commons debate on foreign affairs yesterday. The old meistro did a colorful job of blunt talking, especially when he said Russia wouldn't share the secrets of the atomic bomb if she alone ha them, and urged Prime Minister Attlee not to press America during the forthcoming conference in Washington to divulge details.

Both Churchill and Bevin subscribed to President Truman's 12-point foreign policy, and one of the most striking display of cards came when Churchill said:

"We (Britain) should make clear to the United States that we will march at their side in the cause President Truman has defined. This is our chance of survival and it may even be of safety and, with safety, a vast extension of prosperity."

Churchill was repeating his theme song of Anglo-American solidarity.

Blunt Talk About Russia

It's important to note that while there was blunt talk in Commons, especially regarding Russia, there also were kindly words for the Soviet, and the need of collaboration among the powers was emphasized, just as Molotov had emphasized it Tuesday. The road to peace—admittedly a dangerous road—lies in this mutual recognition that solidarity of the big three is vital.

Highley To Replace Goulding At LAAF

Major Harold O. Highley of Waukesha, Wis., has been appointed director of administration and services at Lubbock Army Air field, replacing Lt. Col. Byron W. Goulding, recently transferred to separation center at Randolph field for discharge.

Major Highley is a veteran of World War I, a member of the American Legion, Veterans of Foreign Wars and the Masonic lodge.

Called to active duty with the Army Air forces from the infantry reserve in March 1942, Major Highley was sent to Miami Beach, Fla., to assist in setting up the Officers Training school and the Officers Candidate school. While there, movie celebrities Clark Gable, Robert Preston, Hank Greenberg and others were graduates. After a short assignment at Randolph field, he was re-assigned to Dodge City, AAF, Kansas.

Assistant To Hunter

After coming to LAAF in August from Dodge City, Major Highley was assigned to duty as administrative inspector, and in October was sent to Ellington field, Texas, to aid in setting up the Ellington field AAF separation base.

Upon returning to LAAF the latter part of October he had been assistant to Lt. Col. James M. Hunter, project officer and reactivation officer immediately prior to assuming his present assignment.

As director of administration and services at LAAF, Major Highley is in charge of such important responsibilities as provost marshal, personnel services, base food supervision, finance and personnel administration.

Major and Mrs. Highley reside in Lubbock, have two daughters, 15-year-old Jean Frances, a Lubbock High school student, and Mrs. H. J. McGuire of Waukesha.

First UNRRA Relief Shipments In China

SHANGHAI, Nov. 8 (AP) — The first UNRRA relief shipments to China arrived today aboard two United States freighters carrying processed wheat, clothing and machinery.

The supplies will be distributed regardless of politics, officials emphasized. UNRRA offices will be set up in the Communist areas of China (as well as Nationalist-controlled zones) and the relief organization has the assurance of the Chungking government that the Reds will share in supplies.

Fort Worth Death Is Being Probed

FORT WORTH, Nov. 8 (AP) — Military and city police officials are investigating the death of Lee Nathan Stein, 30, who was fatally wounded by a military policeman here last night.

Stein was identified from papers found on his person. He was believed to have been from Minnesota.

Detective A. C. Howerton said that Stein was shot by a bullet which ricocheted after an MP, Pfc. Jack Mercer of Fort Worth, had fired at the sidewalk.

Mercer had joined two city patrolmen, Howerton said, in pursuit of Stein, who had run from a hotel lobby where a disturbance had been reported.

If we were a woman, we should engage the services of Texas Tech's Mr. Walter Schlinkman to run interference for us when nylon hose again go on sale!

* * *

UNLESS all signs fail, before many months there will be lying at our western gates a completely inactivated and unused Lubbock Army Air Field.

Assuming the Army Air Forces pull out of there for good (and everyone should know about that by next Spring at the latest) there should be some way in which the layout could be used for the benefit of the public. Not the entire 1,400 acre tract, necessarily, but at least the buildings and other equipment useful in other ways than to aviation.

In commenting upon the possibilities, let us begin by assuring one and all that it isn't true that either Henry Ford or General Motors already are planning to put an automobile assembling plant there. Rumors in this regard are without foundation, despite the fact that a fair percentage of the citizenry has been told "in confidence" that such is the case.

* * *

Several people in town have the idea that the buildings and some of the runways at LAAF could be taken over by Texas Tech and operated as a college division of aeronautics. Perhaps that would be a good move and could be done.

Others think that some sort of industry might be enticed to take over LAAF buildings and still others would use barracks to house returned veteran students at Texas Tech, by either moving the barracks to the college campus and remodeling them, or on a commuting basis.

* * *

OF course, the government's method of dealing with closed military installations will have a lot to do with what can be done in the way of using LAAF in the future, always assuming that the Air Forces finally let it go.

It is entirely possible that all office and other equipment may be moved to some central point for sale; that all plumbing fixtures will be ripped out and similarly sent to a central sales point; that buildings will be wrecked and the lumber sold by the pile.

But if it becomes possible, under government policies, for interested citizens to promote beneficial use of what's left west of town, that should be done.

* * *

As for the future of South Plains Army Air Field, "nobody knows from nuthin'," as the boys say. Apparently, it will be with us for quite a spell.

Authorities would like to operate the "pickling plant" with a skeleton Army staff and somewhere in the neighborhood of 1,500 civilian mechanics. However, until civilian mechanics become much more plentiful than they are now, SPAAF will continue to employ a considerable number of troops, as well as civilian workers.

It has been suggested that SPAAF be moved to LAAF, should the latter be permanently inactivated, so the City can go ahead with its projected improvement of the Municipal airport which is now part of the north base.

With a third airline starting operation around January 1, and many civilian pilots wishing to employ the use of Municipal airport, the city would very much like to have its port back.

It seems that it would be logical for the Army to move SPAAF to LAAF if and when LAAF is inactivated. But what seems logical to civilians very often is quite illogical to the military, if you know what we actually mean!

COMMENTS in this department yesterday about pheasant-shooting in South Dakota have brought some more information about this unusual situation through which a state secures its greatest income and through which many of its business men glean their major profit.

According to one of our informants who recently shot pheasants near Pierre, the Dakota farmers are the ones who "get it in the neck." They don't make anything off the shooters. The state, through the sale of $4,000,000 worth of out-of-state shooting licenses, does well. So do innkeepers, cafe owners filling station proprietors, boardinghouse operators, tavern men, etc. But the poor farmer doesn't get a dime—and sometimes is a loser.

Some stock is killed each year by exhuberant city slickers too careless with guns, but the worst thing is fire. Carelessly tossed cigarets and cigars often start blazes which, whipped by the Dakota wind, are hard to put out and sometimes can be stopped only by workers plowing "fire lanes" ahead of the fire.

But the farmer is in a heckuva fix. If he doesn't throw his land open to shooters, the birds eat up his crops. If he does, he may have fires, or dead livestock, as his thanks.

* * *

Pheasant shooting isn't nearly so dangerous as deer hunting, for instance and despite the great throngs of participants the toll of death and injury is not great in comparison with deer hunting.

But a few luckless ginks are shuffled off this mortal coil each season and numerous gents are wounded by shotgun pellets meant for pheasants.

Since pheasants mean so much, financially, to South Dakota, all sort of safe guards have been put around licenses and their misuse. Although only a very few of the horde of shooters could possibly be checked by officers, the chance involved — and the resultant fines — keep the vast majority of shooters inside the law.

There are some shenanigans, of course. But not many in ratio to the number of shooters.

* * *

UP at Pierre, the 4,500-population South Dakota capital which has been the focal point of pheasant shooting this season, the Izaac Walton League has got a very active and enthusiastic chapter. The boys have a big, two-story lodge on what used to be an island in the Missouri river where Lewis and Clark powwowed with the Injuns. There they have occasional noctournal gatherings where guys wearied of trying their luck with pheasants by day can get a little action with the galloping dominoes and inside straights by night.

These latter sports, however, aren't open to the rank and file of "furriners" up there to shoot pheasants. Invitations are limited to visitors with Pierre friends or contacts, and there is no professionalism connected with the wooing of the goddess of chance.

Some of the local boys report quite a merry time with the Ike Walton lads of Pierre. Since daily shooting isn't legal until 10 a. m., nobody has to go to bed very early in order to be fit for the next day's burning up of ammunition.

Apparently, the whole arrangement is very ducky, indeed.

Feminine Viewpoint

BY RUTH MILLETT
(Copyright, 1945, For The Journal)

"IT may appear glamorous to marry a wounded soldier, but it will be unpleasant to become the breadwinner of the family and be denied the social enjoyment of married life."

MILLETT

So decided members of two Catholic women's organizations which recently met for a state convention in Rochester, N. Y., and voted to warn women to wait a year before marrying servicemen who are shell shocked, maimed, or in nervous condition."

What are they trying to make out of American girls—a bunch of selfish softies?

Certainly marriage with a man on whom the war has left its mark won't be all smooth sailing. But because of that, are such men to go through life without a wife and children.

So a girl says to a wounded or ill serviceman: "No I won't marry you now. I'd like to wait a year to make sure you won't ever be a burden to me."

And what is that going to do to him?

* * *

ARE THEY QUALIFIED?

HAS any group of untrained persons any business telling girls what to do about marrying shell-shocked and maimed men?

Isn't that rather a job for the trained psychiatrist? And shouldn't any girl who isn't sure whether such a marriage has any chance of success go to a psychiatrist to find out what he says about it?

Certainly it is not fair to the servicemen who carry the mental and physical scars of war, for a group of women to lump them all together as bad marriage risks and warn girls of the dangers of marrying them.

They are individuals—and so are the girls with whom they are in love.

A BETTER KIND OF FIGHTING

It will be good sitting by old Whistling Willie and listen once again to a heavyweight championship prize fight. It has been so long now.

But that opportunity is coming back in a few months. Champeen Joe Louis and Challenger Billy Conn will box—or clash, as the sports writers would say—at Philadelphia next June. And Promoter Mike Jacobs, who has been putting on fights, it seems, ever since Cain and Abel, is talking around his cigar of a $3,000,000 gate, which is something new. Before we went to war to make the world safe for the atomic bomb, an exchange of fisticuffs could bring little more than a million petals—and that only occasionally.

Jacobs expects, also, another seven to ten million for movie, radio and television rights. All in all, this haul ought to reduce the inflation threat, providing the principals stuff the dough down into the toe end of their socks.

Conn, it may be remembered, went 13 rounds—or stanzas, again as the sports writers would say—with Lewis back in 1941, and seemed to be doing quite well until the late rounds when he got to thinking about foreign policy or something and got smacked down, which does happen sometimes over foreign policy.

Yes, it is good getting back to fighting with gloves and a referee—the above-belt punches, the clean breaks and the good goings, old man.

We hope the United States, Russia, Great Britain and other countries which are fussing with one another, get seats right up front. They would probably get a badly needed lesson in sportsmanship.

Statesman Baruch Predicts Inflation

Washington Merry-Go-Round

By DREW PEARSON
Special Correspondent

WASHINGTON — Elder Statesman Bernie Baruch revealed some interesting figures on inflation recently in an off-the-record session with 14 younger congressmen at his Shoreham hotel apartment. Baruch's prediction was that the nation was hell-bent for inflation—and soon.

Piecemeal increases in wages, profits and the cost of living have been uneven, Baruch said, with wages lagging behind. For that reason he no longer favored his pre-war idea of a freeze on both prices and wages. Our only hope, said the elder statesman, is that we can weather the next six to nine months without running into serious inflation. If we do that, our chances of a strong recovery from the war boom are good.

PEARSON

"The huge, pent-up demand for products which we will see during the next nine months is a very serious threat," said Baruch, stressing the importance of holding prices down.

He amazed his listeners by saying that he is completely opposed to tax reduction of any nature at this time. "Not only does the government lose needed revenue, but it is an unhealthy thing for our general economy," argued Baruch.

Representative Andy Biemiller of Milwaukee asked what Baruch thought of the statement by General Motors' President C. E. Wilson that if wages are raised 30 per cent, prices must go up 30 per cent. Baruch talked at some length on the general question of rising prices but gave no direct answer. Finally, Biemiller repeated his question.

"I'm afraid I can't agree with Mr. Wilson," Baruch said.

* * *

NOT PRICE INCREASE

"ISN'T it true that industry can give a 30-per-cent wage increase without having to raise prices more than about 7½ per cent?" Biemiller persisted.

"You are approximately right," Baruch agreed. "I believe the figure you may have heard is actually 8½ per cent."

Baruch also told his guests that he felt we were making a mistake in speeding manpower demobilization. "With the world in its present situation," he said, "it seems to me it would be wiser to proceed slowly with demobilization in order that we not weaken ourselves at a time when power is aparently still an important thing."

He agreed also with an idea proposed by one of his guests, Estes Kefauver of Chattanooga, to have cabinet members and other high officials appear on the floor of Congress where they can be questioned by congressmen. Such a practice would make for much greater cooperation between the executive and legislative departments, Baruch said.

Present in addition to Biemiller and Kefauver were Representatives Albert Gore and Percy Priest of Tennessee, John Sparkman of Alabama, Mike Mansfield of Montana, Henry Jackson of Washington, Jerry Voorhis and Chet Holifield of California, Bob Sikes of Florida; Mike Monroney of Oklahoma, Bob Ramspeck of Georgia, and Jamie Whitten and Arthur Winstead of Mississippi.

CHURCHILL IN DEFEAT

WINSTON CHURCHILL recently told friends how he felt after his defeat in the British elections. The first few days after his defeat were terrible, Churchill confessed. The very next morning he arose and fretted because there were no diplomatic cables to read. Through the war, his first morning chore was to read the top-secret military and diplomatic cables from all over the empire; and he paced up and down intermittently for days, fretting because there were no cables coming in and because, though he felt things were going wrong, there was no one to whom he could send cables to straighten things out.

"Finally I went down to the south of France," Churchill confessed. "They treated me well there. I painted several pictures and they fed me some wonderful food. But still I couldn't get over this idea of no cables coming in and no cables going out. Each morning I fretted when I read the papers. But finally one morning I felt better. It suddenly dawned on me that I wasn't prime minister any more and it wasn't my worry, and I've felt better ever since."

NOTE—Churchill's health is touch and go. His doctor has ordered him to cut down on his food and drinking.

TRUMAN'S PALS

JUST one morning after President Truman criticized the House committee on executive expenditures for stalling on the full employment bill, its chairman, Carter Manasco of Alabama, let the White House down with a big thump.

First he harangued Secretary of the Treasury Vinson with wails that the president's accusation was unjustified. Truman could do everything the full employment bill does without legislation, he maintained.

"That's an awfully big mouthful, Carter," drawled back the secretary of the treasury, who served in Congress for years.

Next, Manasco implied that the full employment bill would give the chief executive power to reduce the value of stocks and bonds.

"I just can't read that into it," shot back Vinson.

Monasco's next move was to argue that strikes caused unemployment, and the administration ought to do something about strikes before bothering the committee.

"Well, if we had full employment as under this bill," replied Vinson, "the causes of agitation would fall off."

Finally, Manasco turned the secretary of the treasury over to Clare Hoffman of Michigan, one of the most reactionary and isolationists members of Congress.

"I worked for $3 a week during the Grover Cleveland depression," stormed Hoffman, "and I got along all right without a full employment bill."

Hoffman then proceeded to pummel Vinson verbally. All during this questioning, the Democrats on the committee sat silent. They gave no help to their former colleague from Kentucky.

Democratic leaders say privately that the House in its own sweet time will pass the Senate version of the full employment bill, and will authorize some boost in emergency unemployment compensation, but will not go as high as the $25 top advocated by Truman.

FAST AND SAFE

CINCINNATI, O. (AP)—D. R. Shoults, vice president of Ball Aircraft Corp., Buffalo, predicts that commercial flight speeds ranging up to 500 miles an hour at 40,000 feet will be possible in the future. He said jet propulsion would be utilized and war-developed electronic devices will make flying much safer.

"Try And Stop Me"
By Bennett Cerf

A CERTAIN number of crooked gamblers are bound to turn up at every army post and John Scarne, an expert on the subject, has recently toured camps from one end of the country to the other to expose the methods by which card and dice games can be "fixed" in advance.

A private at one of his lectures lingered behind to thank him, and tell of his own initiation to the "galloping dominoes."

"I had never shot craps before I joined this outfit," he declared. "They told me I could learn in no time. The first time I rolled the dice I got en 'eleven'—a six and a five. "That's an easy point,' a sergeant assued me. 'Go ahead and try to make it.' I could tell by the looks on the faces of the other fellows that something was being put over on me, but of course I had no idea what it was. Well, sir, I shot fourteen 'elevens' in a row. It's a lucky thing for me I learned to throw 'em when I was a kid playing parcheesi."

EDDIE Cantor avers that in his bed in an overcrowded Washington hotel he heard snoring in the bathroom. He invesigated and telephoned, "Good heavens, there's a midget snoring in my tub!" "A midget?" echoed the room clerk. "He must have pulled the plug out. There's supposed to be two of them!"

GERTRUDE LAWRENCE overlooked this amusing incident when writing her book: "A Star Danced" . . . When she starred in "Lady in the Dark" there was a minor clash of temperament, they say, over Danny Kaye's warm notices . . . About that time, the British had taken their first prisoners in France and shipped them to England . . . Stage manager Bernie Hart (brother of the show's author, Moss Hart) was aghast at news stories that the British were giving the Nazis ciggies and candy.

WINCHELL

"What sort of people are you British, anyhow," he complained to the star, "pampering the worst barbarians of all? You coddle people who boast that they will exterminate you. How can you people do that?" . . . Whereupon Miss Lawrence stiffened to her full height and replied bitterly: "Do you think that is any worse than your brother, Moss, talking to that Danny Kaye?"

This is how many Broadway movie theaters welcomed the fleet on Navy day: They raised prices! . . . The "Spring in Brazil" producers will keep the Milton Berle show away from Broadway until it is as good as he is when he steps away from the "book" and murders the people.

The cop handing out summonses on West 59th Street (to illegal and double-parkers) has done a fine job, already. Now how about the U-turners there? One of them was so careless he knocked a horse-drawn cabman off his perch . . . Bravo and clap hands to the soldier who flattened a Columbus Circle "Fronter" in the midst of one of those typical Fritz Kuhn-shouting harangues the other ten p. m. . . . Sights that make you turn away: Waiters carrying out a famously known old lady—boiled to the wrinkles . . . The Al Jolsons are bound for Miami Beach. His bride is a darling . . . Frances Farmer, the former screen actress, now out of the sanitarium, has a big army of well-wishers rooting hard for her. She won't be known by that name in her new try for a break—not in show business.

GENE TIERNEY'S perfect double is show girl June Harris, who gave up her 20th Century-Fox stock contract to return to Broadway. They told her she didn't stand much chance "looking like a star" . . . Things that grate: The Chicago theater manager trying to stunt a wedding on his stage of a Cong. Medal of Honor hero and his bride-to-be. The American Legion of Chicago is sizzling and rightly so . . . Billy Rose will be lionized by London belles. He is taking with him oodles of lipstick—difficult to get in England . . . Broadway-scarred showmen and the rest of us are thrilled over the spunk of Fred Stone's daughter Paula, who braved "sophisticated" New York with Victor Herbert's "The Red Mill." They told her "no chance." It's packing them in at the Ziegfeld . . . Max Baer's mimicry of H. Richman and Phil Harris is a show-stopper.

POLA NEGRI'S autobiography is reported to contain ten chapters on her famed love affair with Rudolph Valentino . . . There are two Persian Princes in room 339 of a Times Square hotel. MGM's exciting thriller. "The Last Chance," is the first feature film made in Switzerland. It is also the first movie ever made in which every actor enacts a role he lived in real life. The heroes, two British and one American flyer, actually were flyers interned in Switzerland. The others in the picture play the roles of refugees fleeing over the Alps, which they all did . . . Guy Lombardo introduced a new ditty called "Lilly Belle" only because he thought it would please Mrs. Lombardo. That's her name. The song is headed for the Hit Parade . . . One youthful army officer, back after 30 months in the Persian Gulf command, never had a gun or bayonet pointed at him. His only battle, and only victory, was a bridge tournament at Teheran.

On July 18th, in the Wall Street Journal's col'm, "Abreast of the Market," the writer said that the Pacific war might end earlier than expected . . . Stocks dived an additional one to three points that day . . . Query: Was Wall Street tipped off about America's top secret on the very day it was tested? . . . Coincidence, my eye!

Congressional Leaders Will Be Taking The Stump Soon

Platform For Demos Is A Shaky Affair

BY MARQUIS CHILDS
Special Correspondent

WASHINGTON.—Just a year away are the congressional elections, when candidates for House and Senate will take the stump with loud claims and counter-claims.

CHILDS

The Democrats will of necessity run on a platform of loyalty to the president. They will be looking to 1948 and Truman's re-election.

But unless there is a radical and unforeseen change, that is likely to be a pretty shaky platform. The Democrats themselves are writing the record today and it is a record, not of support but of repudiation of almost every measure the president has requested.

The president's talk with the Democratic members of the House ways and means committee seems to have had little effect. The $25-a-week unemployment compensation bill is still bottled up in that committee.

* * *

Hope For Reaching Floor

There is hope that the legislation will reach the floor through a petition signed by the required 125 members of the House. Once on the floor it may have tough going, particularly in the face of the persistent absenteeism on the part of a shockingly large proportion of representatives.

As many as a hundred representatives have been absent from roll calls on fairly important questions. Congress complains about strikes and the failuqre of workers to take the jobs that are offered. Yet a great many congressmen neglect their own responsibilities.

The full employment bill, designated by Truman as an essential part of his program, has been adrift in the committee on expenditure in the executive departments. The chairman of that committee, Representative Manasco of Alabama, announced at the outset that he was against it.

* * *

CHAIRMAN Manasco has allowed the hearings to wander all over the lot. The ranking Republican on the committee, Representative Hoffman of Michigan, has played the game of delay and obstruct by asking irrelevant questions that lead witnesses far astray.

Nevertheless, the chances are that a modified full employment bill will be reported favorably from the committee. This will be thanks in large part to the support of such Republicans as La Follette of Indiana, Bender of Ohio and Judd of Minnesota, plus the constant prodding of Representative Cochran of Missouri, who is the ranking Democratic member.

But this is progress at a snail's pace. It ignores the dangers the country faces in the long and painful transition from war to peace. President Truman, in his letter to House Democratic Leader McCormack, said that full employment legislation is "of the utmost urgency and importance."

* * *

Bitter Over Blockades

House liberals, loyal to the president, are bitter over these blockades, but they do not know how to break them. They stand by while anti-labor legislation, such as the move by the military affairs committee to restrict the political activities of trade unions, is given a green light.

It was Representative Slaughter of Missouri, a Democrat from the late Tom Pendergast's own district of Kansas City, who last summer cast the deciding vote in the rules committee that kept the House from voting on a permanent fair employment practices commission.

This adds up to an impossible situation—one that is ready-made for the Republicans. They have just as many obstructionists on their side of the aisle, diehards such as Hoffman and Representative Knutson of Minnesota.

* * *

BUT the Republican party can disclaim responsibility for the state of the union at this moment. As the party of opposition, Republicans can conveniently snipe from the sidelines, and that is just what they are doing.

Before the outbreak of the war, President Roosevelt encountered something like this same stubborn resistance from his own party. The war, plus Roosevelt's vast political prestige, tended to obscure what is in reality an ever widening split within the Democratic party.

The industrial north and the rural south have always been uneasy bedfellows. The time may not be far off when, under the pressure of an economic crisis, these incongruous partners will split up.

"Anything Can Happen . . ."

CONSIDERATE THIEF

SANTA FE, N. M. (AP) — Toby Younis has received a garage storage bill for $5.10 for his sedan car he reported stolen Aug. 29.

Checking up on the bill, Younis found it was his car all right and in it safe and sound were his fishing tackle and new suit.

Younis' big question is how the car got there.

FOR FRYING OUT LOUD!

MILWAUKEE. (AP) — Bill Blocker volunteered to fry the string of fish he and his pals caught on their last fishing trip.

He put the cleaned fish into a big paper bag into which he had poured a covering mixture and shook the bag so the fish would be nicely coated.

Into the frying pan he tossed the fish and bubbles oozed up from the skillet. Blocker investigated, then explained to his hungry pals he had put soap chips instead of corn meal in the bag.

THAT AIN'T HAY

WOODWARD, Okla. (AP) — Farmer Gene Boyd is finding no scarcity of offers to buy his hay crop.

The selling point? While raking it he lost his billfold containing $22 which he has never been able to find.

DOG GONE

BLOOMINGTON, Ill. — Bloomington police have been notified by the K-9 corps that the dog the department sent to the Army has given faithful service and will be returned.

Chief S. Clyde Ribbens says he's glad to hear the dog was satisfactory. But he's a little perplexed. The department never donated a dog to the Army.

EENIE, MEENIE, MINEY

NORTHAMPTON, Mass.—Triplet boys born to Mr. and Mrs. Roy V. Bouchard were called A, B, and C for hospital identification.

Then the parents chose their names—

1. Tom.
2. Dick.
3. Harry.

EAGER BEAVERS

SAN DIEGO, Calif. (AP)(AP)—A police car was dispatched to a local theater to watch "two men in a green sedan with motor running." Other police cars also sped to the scene and found the car under suspicion.

The automobile turned out to be a police car with two detectives who were watching a suspicious character in front of the theater where ticket receipts were being counted.

Chances Of Senate Fight Over United Nations Setup Dwindle

By MARSHALL McNEIL
Scripps-Howard Staff Writer

WASHINGTON, Nov. 8—Chances of a Senate fight over the bill for our participation in the United Nations organization seemed slim today, because the foreign relations committee has agreed unanimously on its terms.

These include the provision giving our UNO delegate the right to commit our quota troops to stop aggressive wars.

This might have been the heart of a full-scale Senate fight, but Senator Connally (D., Tex.), the chairman, has won an agreement by compromise. Soon after he introduces the UNO bill in the Senate today, Senator Connally will report it favorably from his committee.

Agent Of President

The bill makes our representative in UNO the agent of the President, who, under the constitution, is primarily in charge of our foreign relations.

It provides that he can commit only those troops we agree to assign as our quota to the international police force. This quota will be fixed by treaties with other members of the UNO security council. The bill authorizes the President to make such treaties. Besides the U. S. the other permanent members of that council are Britain, Russia, China and France. Six other non-permanent members will be selected by the UNO general assembly.

If necessity arises for use of more than the American quota force to keep the peace, Congress first must give its approval.

To Negotiate Agreement

The bill says: "The President is authorized to negotiate a special agreement or agreements with the security council which shall be subject to the approval of the Congress by appropriate act or joint resolution, providing for the numbers and types of armed forces, their degree of readiness and general location, and the nature of facilities and assistance, including rights of passage, to be made available to the security council on its call for the purpose of maintaining international peace and security in accordance with . . . (the provisions of the) . . . charter.

"The President shall not be deemed to require the authorization of the Congress to make available to the security council on its call in order to take action under . . . said charter and pursuant to such special agreement or agreements the armed forces, facilities or assistance provided therein; provided that nothing herein contained shall be construed as an authorization to the President by the Congress to make available to the security council for such purpose armed forces, facilities or assistance in addition to the forces, facilities, and assistance provided for in such special agreement or agreements."

Rank Of Ambassador

The bill says our UNO representative shall have the rank of ambassador and be paid $20,000 annually. His deputy, with the same rank, would be paid $12,000. If he cares to, the President himself may serve as our delegate, or he may have the secretary of state function in this role.

The President is given the right to appoint other U. S. representatives to subsidiary UNO agencies, but all his appointees to the UNO economic and social council and to the trusteeship council must be confirmed by the Senate, unless he selects members of Congress.

The bill says our representatives "shall, at all times, act in accordance with the instructions of the president."

It requires the President to make at least one report annually to Congress on UNO operations.

Highest Military Award To Be Made To Local Hero's Parents

Pfc. Herman C. Wallace of Lubbock will be posthumously presented the nation's highest award for military service—the Congressional Medal of Honor—at 4:30 p. m. today in the American Legion hall by Brig. Gen. George C. Forster of Ft. Bliss, El Paso. The parents will receive the award.

The 19-year-old combat engineer, son of Mr. and Mrs. E. L. Wallace of 2615 Elm, deliberately smothered the explosion of a land mine with his body and saved the lives of two of his buddies at cost of his own Feb. 27 near Prumzurley, Germany, while they were clearing a mine field. He died in a field hospital the same day.

He was the first Lubbock man to qualify for the honor in World war II.

In 1942 Wallace was graduated from Lubbock high school, studied civil engineering at Texas Technological college one year, and entered service June 16, 1943. He landed in France Jan. 9, 1945, and was in three major engagements, including the battle of the Saar river crossing on Feb. 9.

A few days before his death his First Platoon was attached to a combat unit with the mission of spearheading an attack that was to lead deep into Germany. Wallace was leading the platoon with a mine detector. His company was part of Gen. George S. Patton's famed Third Army.

Came Here When a Baby

Wallace was born June 12, 1924 at Marlow, Okla., but was brought to Lubbock when a baby by his parents.

An older brother, Ralph, with the Army Air forces at Alexandria, La., is due here by plane this morning. Other relatives are two brothers, Wayne and Orville, and a sister, Marcine, all of Lubbock.

The official citation:

"Private First Class Herman C. Wallace, Company B. 301st Engineer Combat battalion, displayed conspicuous gallantry and interpidity on Feb. 27, 1945, near Prumzurley, Germany.

Muffles Mine With Body

"While helping clear enemy mines from a road, he stepped on a well-concealed S-type anti-personnel mine. Hearing the characteristic noise indicating that the mine had been activated and, if he stepped aside, would be thrown upward to explode above ground and spray the area with fragments, surely killing two comrades directly behind him and endangering the lives of other members of his squad, he deliberately placed his other foot on the mine even though his best chance for survival was to fall prone.

"Private Wallace was fatally wounded when the charge detonated, but his supreme heroism at the cost of his life confined the blast to the ground and his own body and saved his fellow soldiers from death or injury."

Armistice Program Planned For City

A dance Saturday night at the American Legion hall, 910 Texas Ave., will open Armistice day observance by the Veterans of Foreign Wars and the American Legion, according to an announcement by P. T. West and Harve J. Kendrick, VFW and Legion commanders, respectively.

Hop Halsey's Drug Store cowboys will play for the event, which is to begin at 9 o'clock and end at midnight.

Members of the two organizations and their friends are invited, the commanders said. Couples only will be admitted. Admission price is $1.50 a couple.

Other Events Planned

Other week-end events planned jointly by the two organizations are a breakfast and program Sunday morning at Lubbock hotel and a display of war trophies Monday afternoon at the Legion hall. Those attending the breakfast later will be special guests the Men's Downtown Bible class at the Lindsey theater.

Most business and professional firms, banks and city, county, state and federal offices are expected to close Monday in observance of the day, which this year comes on Sunday.

Lower Prices For Nylons Possible

WASHINGTON, Nov. 8. (AP) — Lower ceiling prices on nylon hosiery today appeared at least a possibility as OPA worked on a new regulation, described as thoroughly revising existing classifications.

OPA said its new regulation would break down into more specific descriptions the present general price brackets.

Current ceiling prices for full-fashioned nylon hosiery, according to quality ranges, are: 48-gauge and lower, $1.65 to $1.85; 51 to 54-guage, 30 denier or coarser $1.85 to $1.95; 51 to 54-guage and finer than denier $2.15 to $2.25 and 57 guage, $2.50.

The first elected representative body in Philippine history was inaugurated in 1902.

Coughs That Cause Restless Sleepless Nights

Resulting from Colds

But adults can't expect real results from the same sweet syrupy concoctions that you'd give to a child. When you want to throw off a bothersome cough from a cold you've just got to have a real cough medicine; then you should ask your druggist for a bottle of good old Bron-chu-line Emulsion.

Bron-chu-line isn't a cheap cough syrup mind you, for first-raters are never cheap. But if you want relief and are willing to pay a little more for real results, get a bottle today and notice how the first dose takes right hold and gives you real relief from the coughing and soreness.

Don't ignore a cough—get relief as quick as you can. Ask any progressive druggist for a 65 cent bottle of Bron-chu-line Emulsion and keep this in mind—if not joyfully satisfied—money back.
