Planter Boxes Add Brightness To Main Street

A tree may grow in Brooklyn, but flowers grow in Hereford. What's more, they grow along Main Street.

On Tuesday, flowers and plants were placed in 14 attractive planter boxes on seven blocks of Main Street. If the project is successful, more boxes will be added later.

The boxes are made of redwood, straight at the back and curved in front. They are 22 inches tall, 12 inches deep and 30 inches long.

They have been placed between store fronts at fire walls, where the plants will be able to climb up the bricks.

Howard Armstrong put out the plants Tuesday afternoon. He included Euonymus Japonica, two red geraniums and a white petunia. The japonica is a bright green plant which will climb.

Merchants and city employees will share responsibility for watering the plants regularly.

The City Commission provided funds for the boxes, while local garden clubs paid for the soil and plants which were used. The plants are in a special "potting" mixture of fertilizer, peat moss, top soil and tiny volcanic rock to keep the mixture from packing.

The boxes are water-tight, with small holes in the bottom so excess water can escape.

Designed by the Main Street sub-committee of the Chamber of Commerce beautification committee, the boxes are the start of a long-range beautification program in Hereford.

Invocation will be by Ernest E. Highers, minister of the Central Church of Christ of Hereford, and benediction will be by the Rev. B. H. Baldwin, pastor of First Baptist Church.

Processional and recessional will be by Mrs. John T. Sims of Hereford.

On commencement night, Ronnie Botkin will deliver the valedictory and J. V. Perrin Jr. will give the salutation.

ford.

Approximately 140 seniors, a record graduating class, are scheduled to receive diplomas in commencement exercises May 26.

The baccalaureate program includes vocal selections, "Kyrie Eleison" by Dieterich and "We Sing To Thee, O Lord" by Tcherépin, by the Hereford High Mixed Choir, directed by Don Moore.

Invocation will be by Ernest E. Highers, minister of the Central Church of Christ of Hereford, and benediction will be by the Rev. B. H. Baldwin, pastor of First Baptist Church.

Processional and recessional will be by Mrs. John T. Sims of Hereford.

On commencement night, Ronnie Botkin will deliver the valedictory and J. V. Perrin Jr. will give the salutation.

Announce Pairings For Pro-Am Meet

Pairings and starting times for the pro member Pro-Am tournament to be held on John Pittman Municipal Golf Course in Hereford Monday, May 22, were announced Wednesday by host pro Bud Posey.

Twenty-two foursomes, each with a professional and three amateurs, will participate in the annual tournament, Posey said. The public is invited to follow golfers on their 18-hole tour of the course, and there will be no gallery fee, he said.

Entry deadline was Sunday night for the one-day low ball event. Local golfers will receive full handicaps, and team prize money will be \$50. Amateurs will receive merchandise prizes and professions will receive cash.

Starting rounds will commence at 8:30 a.m. Monday and continue through 1:40 p.m., golfers starting at 10-minute intervals.

Another tournament on the local links, "Golf Begins At 40," will be held May 26-27-28. Golfers must be 40 years of age or older to enter the third annual tournament, and no qualifying rounds will be played.

Pairings and starting times in the Pro-Am include:

8:30 a.m. — Horace Moore of Plainview, pro; and Dale Tin-

Hire Mrs. Davis As Director Of Casa de Amigos

Mrs. Marian Davis, who teaches pre-school non-English speaking students at Shirley Elementary School, Tuesday morning was hired as temporary general director of the "Casa de Amigos" program at Hereford Labor Camp.

Mrs. Davis will be in charge of the program through the coming summer months. It was announced by Virgil Dodson, chairman of Hereford Migrant Ministry Committee. Dodson said the committee hopes to hire a permanent director by the end of summer.

The director's duties will include:

More than 300 children from the Panhandle area are expected in Hereford Saturday for the sixth annual Children's Clinic.

The clinic is sponsored by the Oasis Shrine Club, which has members in Deaf Smith, Farmer and Castro Counties. It will start at 9 a. m. in the Hereford Medical Clinic and will continue throughout the day.

Chairmen of the clinic emphasized that there was no charge for the clinic and that any child from one to 19 years of age was eligible to be examined during the day. This includes children with suspected or confirmed defects, whether in speech, physical condition or hearing difficulties.

They will be examined by an outstanding group of specialists, including some from Dallas, Galveston, Lubbock and Amarillo.

These specialists donate their time and services to the clinic. Chairman Dub Reeves said county area of the Panhandle would bring children to the clinic Saturday. This is a much larger area than has been covered previously.

In past years, specialists have examined an average of about 125 children per year. More than 120 children have been aided in getting special treatment or operations in hospitals throughout the state, Reeves said.

Members of the Oasis Shrine Club make arrangements for specialized treatment and services of medical specialists if the parents are not able to pay. Some of the 120 have had sev-

eral stays in hospitals and have undergone corrective treatment or surgery more than one time. This year, financing for the clinic was arranged through the sale of bumper strips, which are available through any Oasis Shriner.

Those wishing to donate to help with the annual project may mail contributions to Dub Reeves at P. O. Box 246, Hereford.

From 11:30 a.m. until 1:30 p.m., wives of Oasis Shriners will provide a free luncheon in the Hereford firemen's hall, located on the second floor of City Hall. It will be for the children, their parents, doctors, nurses and visiting Shriners and their wives.

Dr. L. B. Barnett and Dr. A. T. Mims, co-chairmen of medical arrangements, announced the following group of specialists would be on hand for the day-long clinic.

Recognize Top Groups During Final Assembly

Outstanding representatives of various organizations and departments at Hereford High School were recognized at an Awards Assembly in the school auditorium Tuesday morning.

The all-school assembly was held at 10:45 a.m. High school principal Bill Stanford introduced teachers or officers of organizations who presented outstanding students.

Students were recognized by the following departments, or organizations within the departments: shop and crafts, physical education, mathematics, home economics, speech, athletics, journalism and agriculture.

Paving Hearing Set For Friday

Hereford City Commissioners will convene in a special meeting Friday, May 19, at 7:30 p.m. for a paving assessment hearing.

The meeting will be held in City Hall and all interested persons are invited to attend. Included in the assessments are:

Grand Avenue from 25 Mile Avenue east to Avenue I. The engineer's proposal is for a 44-foot street with a hot mix topping. Total assessment would be \$3,750 per front foot for paving, curb and gutter. Total cost would be \$40,261.71.

Thirteenth Street from Broadway west for one-half block. It would be a 37-foot street with hot mix topping. Total assessment would be \$4,320 per front foot. Total cost would be \$2257.13.

Irving Street from George to Myrtle, with a 37-foot width and hot mix topping. Total assessment would be \$3,500 per front foot. Total cost would be \$5565.23.

Blevins Street from Forrest to George. It would be 31-feet in width with hot mix topping. Total assessment would be \$3,190 per front foot. Total cost would be \$10,713.90.

Vogele Street from Sunset Drive to 25 Mile Avenue. It would be a 37-foot street with hot mix topping. Total assessment would be \$4,320 per front foot. Total cost would be \$4,043.35.

Bowie Street from Avenue E to Avenue F. It would be a 37-foot street with hot mix topping. Total assessment would be \$4,320 per front foot. Total cost would be \$4,043.35.

Baccalaureate Set Sunday

Rev. B. L. Davis
... baccalaureate address

"Out To Win" will be title of the baccalaureate address which will be delivered by the Rev. B. L. Davis, pastor of the First Baptist Church of Hereford, before the 1961 Hereford High School graduating class Sunday evening, May 21.

Baccalaureate service will begin at 8 p.m. in the Hereford High auditorium, according to high school principal Bill Stan-

Routine Items On City Agenda

In a brief meeting Monday night City Commissioners transacted only routine business.

They approved a request for a water line easement along the west side of the golf course for a short distance. The request to install a six-inch water line was made by J. M. Hamby and A. N. Hopson. The line will meet city specifications and will serve the Westview Subdivision. It will be installed at no cost to the city.

City Manager Dudley Bayne made a report on the current paving program, saying that hot mix work would be completed by Wednesday, and that penetration work would continue. The hot mix crew, he said, would return for more work this summer.

He also reported that the city was ready for a paving hearing on Friday, May 19, at 7:30 p.m. in City Hall.

Bayne read a letter of appreciation from the Deaf Smith County Commission for installing new street lights around the courthouse and for aiding in the history of the annual event.

Kiwanis Club Sells Thursday

Hereford Kiwanis Club's annual broom and mop sale will be held in the city Thursday, May 18, when local Kiwanians will sell and deliver household helps made by the Lighthouse of the Blind.

Helping with the project this year is the Hereford High School Key Club, sponsored by the local Kiwanis Club. Advance sales by Kiwanians and Key Club members started in Hereford Monday this week.

A sales truck will be located at the corner of Main and Fifth (Continued on page 2)

Around Town

Even before it happens, congratulations are in order for the Oasis Shrine Club for its willingness to expand and have a larger Children's Clinic this year. The club could have rocked along with no complaints for its work, yet wants to do more than it has in the past. We know how much good has been done and expect that the 1961 Clinic will become a high point in the history of the annual event.

Local Shriners this week received word that Galloway Calhoun of Tyler, chairman of the National Shrine Hospital Committee, will be in Hereford Saturday to observe the Children's Clinic. He also will meet with area Shriners while he is here.

Hereford Garden Club will hold its 23rd annual flower show at the Hereford Community Center on Friday, May 19. The show will be open from 3-7 p.m. with no charge for admission. Theme for the show will be "Summertime Melodies" and will show arrangements for different times of the day. Mrs. O. (Continued on page 2)

Yugoslavian Agriculturists View County Farm Practices

Six prominent agriculturists from different areas of Yugoslavia visited Deaf Smith County Tuesday as guests of County Agent J. W. "Lefty" Thomas of Hereford.

All six of the visitors are interested in the general organization and operation of agricultural institutions and services, and particularly in the Extension Service on local levels.

The visitors included: Mito Dimitrievski, president of the Chamber of Agriculture and Forestry of Macedonia, leader of the group;

Nikola Fejsav, director of State Farm "Ravnica" at Baj-

mok, Vojvodina; Borivoje Marjanovic, chief of crop farming at Agriculture Station in Pozarevac; Miodrag Stojadinovic, secretary of Agriculture and Forestry in Belgrade, Serbia;

Hakija Hadzihalilovic, referee for fruiticulture and viticulture in Sarajevo; Vladimir Smuk, agricultural engineer and consultant in Vojvodina.

As none of the agriculturists speak English, Mrs. Xenia Dulsin accompanied the group as interpreter.

Technical leader of the group, employed by the United States Department of Agriculture, was

George W. Ware, formerly of the University of Arkansas Experiment Station and for 12 years an agricultural in foreign posts with the State Department.

County Agent Thomas conducted an irrigation demonstration at a farm two miles north of Highway 60 on the Benefield Road. The group was taken to the E. C. Reinauer farm, nine miles northeast of Hereford, to inspect fields of potatoes, onions and carrots.

In the afternoon, the delegation was taken on a tour through Vahsing vegetable processing shed, although it is not in operation at this time.

Ware pointed out that the Yugoslavians were particularly interested in irrigation methods, production, processing and distribution in practice in this country.

The group came to the United States in April and will stay through June. Their visit is sponsored by the International Cooperation Administration, in cooperation with the government of Yugoslavia.

Their program is implemented by the U. S. Department of Agriculture in cooperation with state land-grant colleges in Georgia, California, Texas and the Middle West.

SIX AGRICULTURISTS from Yugoslavia were visitors in Hereford Tuesday for a tour of Deaf Smith County. From left, the visitors included: Vladimir Smuk of Vojvodina; Miodrag Stojadinovic of Belgrade, Serbia; Mrs. Xenia Dulsin, interpreter for the group; Borivoje Marjanovic of

Pozarevac; Nikola Fejsav of Bajmok, Vojvodina; Mito Dimitrievski of Macedonia; and Hakija Hadzihalilovic of Sarajevo. They viewed irrigation practices and crop production as guests of County Agent J. W. "Lefty" Thomas of Hereford. (Staff Photo)

'THE ROADRUNNERS', a barber shop quartet from Roswell High School, presented a program of vocal selections at the annual Hereford High School Junior-Senior Banquet Saturday night. Their program was entitled "Suisan Serenade", in keeping with the banquet's oriental theme. (Staff Photo)

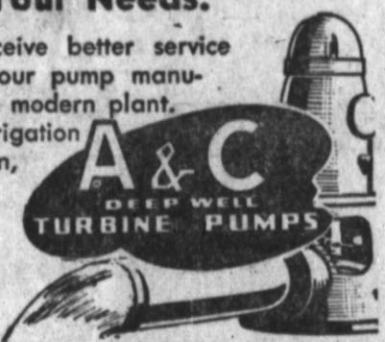

RIDING SLOWLY around obstacles was just one of several riding tests given to bicycle owners at Hereford schools during the past week. Hereford Optimists also inspected the bicycles for safety and quizzed the youngsters on proper riding habits and rules. They completed inspection Tuesday, having tested more than 300 bikes and owners. (Staff Photo)

All persons interested in adult homemaking classes this summer are asked to meet at the high school homemaking department at 3 p.m. Thursday, May 18. Classes tentatively planned include upholstery, furniture refinishing, dressmaking, hat making and shoe covering. If you are interested, but unable to attend, call one of the instructors: Mrs. J. J. Durham, Mrs. Frank Prowell or Mrs. Martha Sullivan.

The Dodgers, broke a 4-4 tie in the last of the sixth Tuesday night to win 7-4 over the Giants in Little League action. Bill Watts slammed a home run to drive in the last three Dodgers runs. In minor league action Tuesday, the Pirates cut down the Cardinals, 23-18, in a scoring battle.

Understand that Abe Martin didn't wait for any fancy plants when the flower boxes were put out on Main Street Monday. On Tuesday morning, he interred one weed, one piece of Johnson grass and one tiny Elm tree in one of the boxes. He might not have been out of line at that. All three will grow in this country, despite neglect, drought or hot wind. And any gardener can confirm that.

The school year is almost gone and the seniors are trying to cram in all the fun and frolic they can. A few, of course, are just cramming... trying to pass final exams.

The planters look so gay. We'll admire them each day. But a warning don't forget: They're not for an old cigarette.

Vega Resident Succumbs Here

Delphinium Care Is Program Topic

Mrs. O. G. Hill Sr. and Mrs. R. W. Mitchell were hostesses to the Hereford Garden Club recently in the Hill home at 801 N. Main.

Mrs. R. L. Hill, vice-president, presided in the absence of the president, Mrs. Emmitt Hale was in charge of the program on Delphinium Culture.

Mrs. Hale told her audience that delphinium perennials are hardy and can be mulched well and left in the ground all winter. Annuals should be planted where they are to grow; do not water too much as they neither like wet feet nor water over the crown. Use rich loam soil with sand and leaf mold mixed in. Dig deep and add a little bone meal and dry manure. These plants thrive in mildly acid soil.

The Chinese Grandi Flora bloom all summer. The seed can be sown as early as March 1 in a cold frame and transplanted in early fall or they may be planted in July or August. Be sure the soil is drained well; spray for aphids with Black Leaf 40 and dust with sulphur for mildew.

Mrs. O. G. Hill Sr. and Mrs. Guy W. Newsom reported on the locust tree they recently planted at Northwest Elementary School. They stressed the following points to be remembered when planting a tree: The preparation of the hole is important. Prepare the hole several days ahead of time if possible. Be sure the hole is plenty large,

at least three feet across and 30 inches deep. Dig out the first layer of dirt and put aside, then add well-rotted manure to the next layer and mix well in the bottom of the hole.

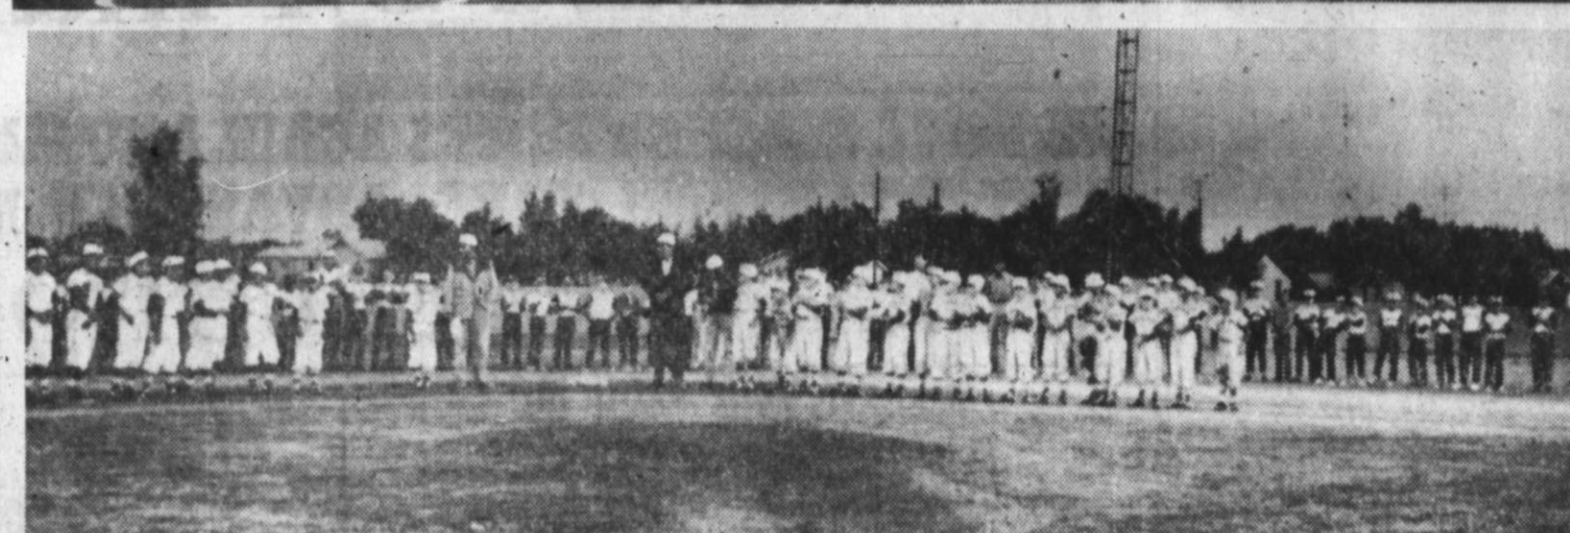

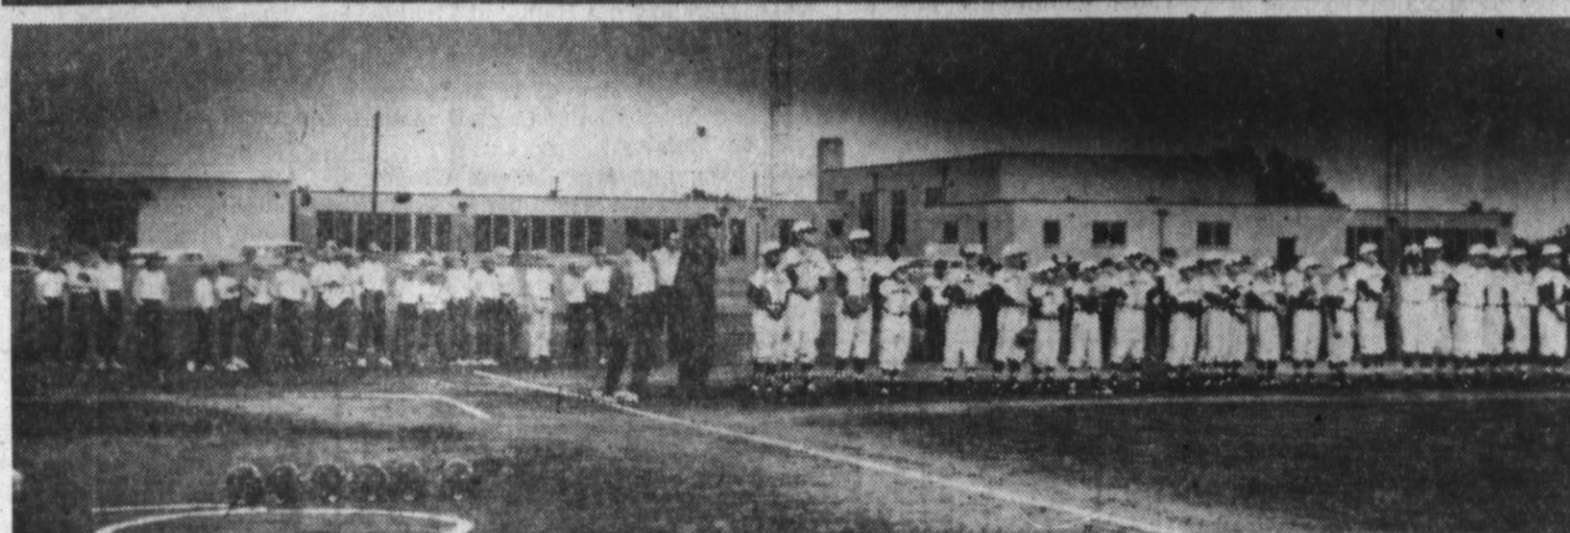

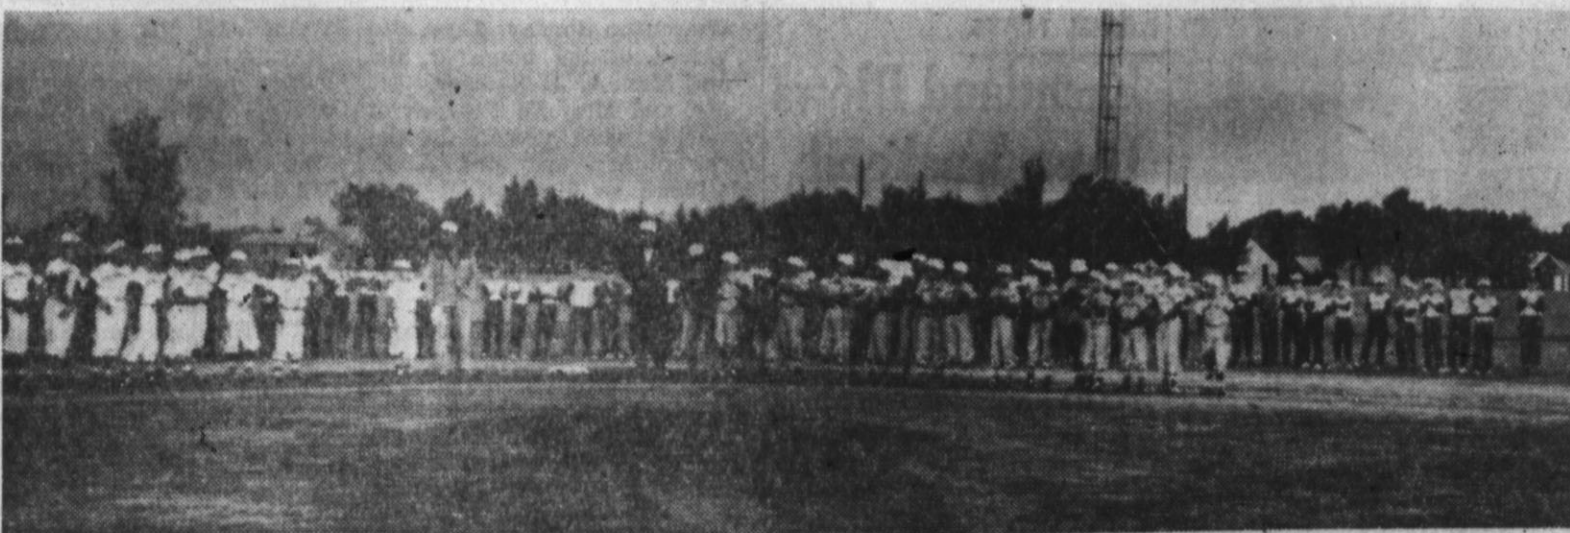

Any broken or injured roots should be pruned if the roots are bare. The top also needs pruning as this is easier to do before planting and helps to balance the top with the roots.

Plant not more than one inch lower than when the tree was in the nursery. Fill in soil and when the hole is half filled, grasp the tree and shake up and down so the soil can get between the fine roots. Raise only an inch or two. Add more soil and tamp firmly; add water and when it has soaked in, put the rest of the soil back in the hole.

Mrs. M. T. Rutter gave a report of the district meeting of Federated Clubs held recently in Lubbock. Mrs. Rutter, Mrs. John Jacobsen Jr., and Mrs. A. L. Manjeot attended this meeting.

Members present were Mesdames Jennie Clark, Hugh Clearman, C. C. Ferguson, Emmitt Hale, John Jacobsen Jr., A. L. Manjeot, R. W. Mitchell, Guy W. Newsom, J. V. Pickens, E. Ramey, M. T. Rutter, S. S. Williams, R. L. Wilson, Jim Black, S. F. Fluit, C. D. Kelton and Ralph McCullough.

Lightning travels at 22 million miles an hour.

BOYS, BOYS AND STILL MORE boys filled up the infield season. More than 200 boys, plus coaches, were on of Little League Park last Monday night for their baseball hand as the squads of four major and six minor league duction and opening ceremonies of the summer baseball teams were introduced. SURE! RURAL ELECTRICS PAY TAXES

DEAF SMITH COUNTY ELECTRIC COOPERATIVE, INC.

HEREFORD, TEXAS

Deaf Smith County Electric Cooperative, Inc., along with almost 1,000 other rural electric systems, joins with other local businesses in paying its share of taxes each year. In fact Deaf Smith County Electric Cooperative, Inc., is one of this area's largest taxpayers, paying \$10,475.52 in Deaf Smith, Oldham, Castro, and Parmer counties last year. Local tax payments, such as these, represent typical additional contributions by almost 1,000 rural electric systems organized to bring electric service to people who could get electricity in no other way.

Deaf Smith County Electric Cooperative, Inc., made possible by a loan from the Rural Electrification Administration, now operates 2131 miles of line in 4 counties. We serve farms, country stores, schools, churches, plus irrigation wells, commercial and industrial — a total of 3537 member-owners. However, 150 of these member-owners are either seasonal or small consumers who often pay the \$2.50 monthly minimum — less than the actual cost of the lines and service.

Despite the difficulties involved in serving sparsely settled rural areas we already have repaid \$1,266,432.84 in principal and interest on our REA loans of \$4,380,000.00. Like other locally owned and operated rural electric systems in the U. S., we are proud to fulfill our local, state, and federal obligations while we help build a better community and a stronger America.

clude heading activities for pre-school, school age, teenage and adult programs. Working with her will be a planning and coordinating committee which was created at a meeting of the Migrant Ministry Committee Tuesday morning.

Headquarters of the program will be the "Casa de Amigos" (House of Friends) building, which was constructed last summer by work campers of various denominations through out the United States and Iceland. The community center for Latin-American residents of the Labor Camp and Hereford is located east of the Labor Camp. The summer program will get under way about the first of June, Mrs. Davis said.

Mrs. Davis has taught non-English speaking students at Shirley school for three years and has been a resident of Hereford six years.

Summer program activities will begin at 1 p.m. Mondays through Saturdays, she said. Volunteers will be secured from the five Hereford churches on the Migrant Ministry Committee, including St. Thomas Episcopal, Wesley Methodist, First Methodist, First Presbyterian and First Christian. Also on the Committee is the Hereford Council of Church Women.

Mrs. Davis' duties will include having charge of games, supervised free play, health education, arts and crafts, recreation for local youth, family economics, free movies and remedial education.

"We will especially need volunteers to work with teenage boys in athletics and to direct various games," Dodson said. "Various clubs and people in Hereford will be asked to help in summer camp programs," Dodson added.

The Migrant Ministry Committee initiated the program last year as a service to Latin-American residents of this area, including migrant laborers.

"Mrs. Davis is very much concerned with the problems of the Latin-American people as she has had three years of working with the small ones and knows their needs," Dodson pointed out. "So many people who work with migrant workers think this problem is beyond solution, but Mrs. Davis doesn't — her experience proves that they can be helped by love and understanding."

R. Schroeter Dies In Austin

Mr. R. Schroeter, former resident of Hereford and father of A. J. Schroeter, passed away May 9 in an Austin hospital following a lengthy illness.

Funeral services were conducted May 11 in Austin and burial was at Cypress Mill, Tex.

Mr. Schroeter was 77. He was born Oct. 7, 1893 at Marble Falls, Tex. He moved to Hereford in 1934 where he was engaged in farming until 1941. He operated the Elm Court here until 1955 when he moved to Austin.

Albracht Rites Slated Thursday

Funeral services for Joseph C. Albracht, 83, of Nazareth, were held at 9 a.m. Thursday in Holy Family Church at Nazareth with Msgr. Peter Morsch pastor, officiating.

Burial was in Holy Family Cemetery at Nazareth, under direction of Dennis Funeral Home of Dimmitt.

Mr. Albracht died at 9:40 a.m. Monday in an Amarillo hospital. He was born Nov. 11, 1877, in St. Louis, Mo. and moved to Castro County 47 years ago.

Survivors include his wife, Anna, of the home, three sons, Florance of Nazareth, Math of Umbarger, and Andrew of Reseda, Calif.; five daughters, Mrs. Mary Brockman of Umbarger, Mrs. Ldivine Pohlmeier of Reseda, Calif., Mrs. Veronica Helman of Englewood, Calif., and Mrs. Adeline Pohlmeier and Mrs. Christina Hoelting, both of Nazareth, and several grandchildren.

Local Congregation To Attend Assembly

Jehovah's Witnesses of Hereford are planning to support a three day Bible convention to be held at Borger June 23-25, under sponsorship of the Watchtower Bible and Tract Society, Lloyd Reddock of Hereford, presiding minister said.

The assembly is one of over 250 similar assemblies that will be held this year in the United States by the Worldwide Organization of Jehovah's Witnesses.

The three day seminar will follow the theme "Walk in the Name of Jehovah Forever," based on the Bible text of Micah 4:5. Opening sessions will include Bible lectures, demonstrations and discussions to aid the witnesses to become more effective ministers.

NICE-MANNERED MONKEYS

NAPLES, Fla. — Monkey business is good for the snowballs — Mr. and Mrs. H. R. Snowball, that is.

Snowball gets delinquent monkeys from the Miami Humane Society, tames them, trains them as pets and sells them to animal lovers.

"I sell them as fast as I can train them," says Snowball, a former circus animal trainer.

The Miami Humane Society frequently receives gift monkeys from owners who can't control them. The society passes the little simians on to him rather than destroy them.

Under Snowball's tutelage, the monkeys become affectionate and learn tricks. He says his secret is treating them with care and kindness.

GIVES THEM BEES-NESS

LABELLE, Fla. — A new version of the game "chicken" in which schoolboys tested their bravery by turning over beehives — has been squelched by authorities.

Police said that, on a dare, a boy would sneak up to a hive, flip it over, then flee with the bees swarming in pursuit. Some were painfully stung.

County Judge R. M. Harris, promised punishment worse than bee stings if they persisted.

All agreed to give up the game and some probably were glad to have the opportunity.

K Of C Honors Mrs. Hellman

Mrs. Mary Hellman, 110 Avenue B, was honored Sunday morning when the Knights of Columbus entertained for all mothers of the St. Anthony's parish.

Mrs. Hellman, who will be 84 on June 17, was recognized as the oldest mother in the parish. The affair was a breakfast given in St. Anthony's Cafeteria in special observance of Mother's Day.

Other mothers recognized were Mrs. John Albracht for having the most children — 12 children; and Mrs. Don Metcalf, mother of the youngest child. Her baby is three months old.

Golden Circle Class Hostess To Dorcas Class

Members of the Golden Circle Sunday School class of the First Baptist Church recently entertained the Dorcas Sunday School class with a Mother's Day luncheon in the dining hall of the church. There were 46 members present.

Mrs. Hardy Benson presided and Mrs. Lottie Clark gave the welcome address. Mrs. Carl Mountz led the group in singing hymns and gave a special rendition of "My Mother's Bible." Mrs. Vivian Major accompanied her at the piano.

Mrs. Goldie Criswell played a piano solo and Mrs. Glaves Owen gave the devotional. The Rev. B. L. Davis gave the closing prayer.

Honored guests were Mesdames J. S. Orr, Sam Wilson, Minnie Williams, J. L. Rogers, Hiram Jones, H. E. Bippus, G. W. Brumley, H. G. Conkright, Roy Kelley, C. E. Hall, Edna Bowe, Charlie Caldwell, J. C. Alred, Lee Lambert and Misses Jessie Morris and Addie Minor.

Yankees Win First In 8-0 Shut-Out Over The Cards

Nine hits in the first three innings gave the Yankees eight runs and enough lead to hold off the Cardinals in Monday night's Little League action.

The Yankees won 8-0 with a 14-hit barrage, for their first victory of the year.

Gene Duvall led the Yankee hitting attack with four singles in four trips to the plate.

Randy Baize started off for the Yankees with a base on balls. Mike Horton was safe on a fielder's choice as an error kept Baize alive. Singles by Duvall and Danny Lester drove in both runs.

The Yankees stretched their lead to 6-0 in the second. Tom McGowan got on by error but was erased as Randy Baize got on by fielder's choice. Horton and Duvall singled before Lester doubled. Lester later scored on a pair of errors.

Last two Yankee runs came in the third stanza. McGowan and Randy Baize singled ahead

of Duvall. Alvin Davis came on to pitch for the Cards in the fourth and kept them from scoring, although they loaded the bases in the fifth. The Cards wilted the sacks in the fifth, but also failed to score.

Jimmy Allison started on the mound for the Yanks and worked three innings. He blanked the Cards, giving up no hits, striking out eight and walking four.

He was relieved by Felix Albiar, who allowed two hits while striking out six and walking two.

Starter for the Cards was Lee Robinson, who was charged with the loss. He allowed eight runs on nine hits, walked two and struck out five. Davis allowed four hits, struck out three and walked none.

The Cards were charged with five errors, while the Yankees made one.

Exhibits Show Departmental Achievements

Each year all of the departments of Hereford High School show their achievements and accomplishments during an All-School Exhibit night.

On Monday, hundreds of parents, friends and students attended the exhibits in the high school gymnasium. They saw handicrafts, demonstrations of business skills, exhibits of homemaking and woodworking. Even the physical education classes put on tumbling and weigh-lifting demonstrations. And the high school band and choir staged musical programs for entertainment.

Refreshments were served to the many visitors during the three-hour open house.

AUSTIN HIGHLIGHTS

Showdown Nears In Money-Raising Battle

BY VERN SANFORD
AUSTIN — A showdown is near in the 57th Legislature's money-raising battle.

Final round apparently will be between Gov. Price Daniel, who is anti-general sales tax, and a Senate group, which has indicated leanings toward a sales tax.

Sen. Wardlow Lane of Center, chairman of the Senate State Affairs Committee, also is serving as chairman of a subcommittee to consider the House-passed sales tax bill. Other members are Senators Bruce Reagan of Corpus Christi, Dorsey Hardeman of San Angelo, Jep Fuller of Port Arthur and Tom Creighton of Mineral Wells.

Speaking before a Senate committee hearing on the sales tax bill, the governor minced no words in saying he would veto it, or anything similar to it.

He urged consideration of a "package bill" that would levy selective sales or excise taxes in eight areas. Affected would be gas pipelines, motor driven tools and appliances, jewelry, utilities, stock transfers, soft drinks, beer, liquor and restaurant meals.

This plan, said the governor, would bring in \$166,000,000 a year — enough to cover the general appropriations bill, pay raises for teachers, and leave a nest egg for next time.

HOUSE VOTES TEACHER RAISE — House gave one of the biggest votes of the session to a bill that would give teachers the full \$810 a year salary raise they seek.

Rep. L. DeWitt Hale's bill was approved 143-104, and sent to the Senate.

It would raise the minimum pay for teachers with a bachelor's degree to \$4,014 and for master's degree teachers to \$4,239. Yearly increases for experience would be doubled, from \$54 to \$108.

Superintendents and principals would receive from 20 to 40 per cent more than the base for classroom teachers.

JOBLESS AID INCREASED — A bill to increase unemployment pay, both in amount and duration, received preliminary House approval.

Rep. Tony Korieth of Sherman is original sponsor of the much-amended bill. It would raise maximum weekly payment to the jobless from \$28 to \$35 and increase from 24 to 30 weeks the period during which an unemployed worker could receive state help. It would require that the applicant be out of work for one week before receiving unemployment compensation.

Bill would cost employers an extra \$6,000,000 to \$8,000,000.

CD BILL FILIBUSTERED — A proposal to give the Legislature emergency powers in event of enemy attack came in for attack itself in the Senate.

Sen. Culp Krueger of El Campo is sponsor of the proposed constitutional amendment that would allow the Legislature to fill offices made vacant because of enemy attack. As first offered, it also authorized the Legislature to "take such measures as may be necessary," even to suspension of the Constitution.

Opposing the bill were Sen. Dorsey Hardeman of San Angelo, the constitution's most vocal defender, and several other senators.

Even with the offending phrase deleted, the measure was approved by only a 14-to-12 vote. Two-thirds approval is needed for a constitutional amendment.

HOUSE REDISTRICTING OKAYED — Legislature is moving slowly ahead with the politically painful task of realigning the state's congressional and legislative districts to conform with the 1960 census.

House has given final passage to a bill re-shuffling the House districts. It will increase the number of city representatives and reduce the number of rural representatives, but in general, the city members will represent about twice as many voters as the rural members. The increase is due to the constitutional limit of one representative to 100,000 people in urban areas.

If the House bill is finally enacted, a number of representatives will have to retire or run against another House member whose district has been combined with theirs.

House also got two congressional redistricting bills out of committee after passage of a "hurry up" resolution. Texas is due one extra congressman for which Dallas County is vigorously bidding.

Senate action on a bill to rework the senatorial districts has

been slowed by Sen. Jep Fuller's filibustering objections.

ESCHEAT BILL FAILS AGAIN — House voted 72-to-60 in favor of letting the abandoned property bill remain abandoned.

This bill was defeated earlier in the session, despite Governor Daniel's insistence that he would call a special session, if necessary to get it passed. Rep. Charles Hughes, sponsor of the measure, tried to get it called up and put on the calendar for a second time, but was turned down. Bill would set up machinery whereby the state could take over property or bank accounts of persons who die or disappear without heirs. Governor Daniel has estimated it would bring the state some \$17,000,000.

SPLIT JURY BILL ADVANCES — A bill to allow less than unanimous jury verdicts in civil cases — an issue on which the legal profession is sharply divided — was approved by the Senate Jurisprudence Committee.

Under the bill, 10-to-2 verdicts would be allowed.

Opponents of the bill say it would cut away at one of the safeguards embodied in trial by jury. Supporters say it would reduce needless delays and hung juries caused "by one block-head."

PLEAD FOR PRISON FUNDS — State Board of Corrections is making a last stand before the conference committee on the appropriations bill to get more funds for the prison system.

Texas prison situation is "explosive," said Director O. B. Ellis, who warned of the possibility of riots unless the board gets funds for needed improvements. Crowding three men into six-by-eight foot, one-man cells and requiring 72-hour work-weeks for guards were cited as examples of the problems.

Appropriation measures passed by the House and Senate give the Department of Corrections about \$19,000,000, compared to the \$24,000,000 it requested.

Conference committee is the "court of last resort" for those seeking changes in a bill. Each house must vote on the conference committee report on a "take it or leave it" basis.

LOAN BILL PANEL NAMED — After weeks of argument and delay, the Senate State Affairs Committee sent the problem of small loan regulation to a special subcommittee.

On the committee are Sen. Dorsey Hardeman of San Angelo, chairman, Senators Abraham Kazen Jr. of Laredo and George Parkhouse of Dallas.

Senator Hardeman is Senate sponsor of the House-passed small loan bill which would regulate loans of up to \$3,000.

Piano Students Slate Recital Sunday At 3 p. m.

Mrs. Glenn Snyder will present a group of high school and junior high school students in a piano recital Sunday, May 21, in the First Christian Church at 3 p. m.

The program will consist of selections from classic, romantic and modern composers.

Appearing on the program will be Mandy Moore, Dianne Jack, Janey Noland, Patti Nobles, Gayle Newell, Jana Cole, Patsy Stoy, Carolyn Kuper, Ruth Ann Allison, Penny Johnson, Joe Ella McGee, Dorothy Bowman, Suzy Woodford, Marie Roberson and Jan Story.

Mrs. Snyder plans to present a group of primary and elementary pupils in recital on May 28.

The public is cordially invited to attend.

CARD OF THANKS

We would like to express our deepest appreciation for the many expressions of thoughtfulness in the loss of our dear one, and the cards, calls, flowers, food and prayers offered in our sorrow. Especially would we like to thank Bro. Edwards, Bro. Bollinger, Bro. Davis and Bro. Watkins. We also thank the nurses at the Twilight Rest Home and Dr. Archer in Amarillo for the very fine way in which they cared for our mother and grandmother. The families of Mrs. J. K. Lookingbill.

Early Bermuda settlers called the island chain "Virginia" to show their close connection with the affairs of the Virginia colony.

Gen. Will Wilson ruled.

Wilson ruled that prohibiting trading stamps would go beyond the authorized power of the state. Proposed bill, said the opinion, cites no reason why use of trading stamps could be considered a danger to the public interest.

SPOTLIGHT ON HIGHWAYS

Need to avoid "hardening of the highway arteries" will be emphasized during Highway Week in Texas, May 21-27.

State Highway Engineer DeWitt C. Greer noted these warning signs:

1. More than one-third of Texas' total highway mileage is obsolete.

2. Building of farm-to-market roads (now a 33,000 mile system) has outpaced the money to maintain them.

3. Revenue from road user taxes (on gasoline, etc.) is constantly in danger of being diverted to uses other than highways.

SHORT SNORTS

North Texas State College in Denton will become North Texas State University on August 27. A bill making the change has been signed by the governor.

Senate voted final passage of a bill that would give the Texas Aeronautics Commission three-fourths of all unclaimed tax refunds on aviation gasoline. Remaining one-fourth goes to the schools. Comptroller estimates the unclaimed refunds at some \$70,000 to \$100,000 annually.

REPORT

Twenty-three Blue Bird girls gave an impressive ceremony for some 40 fathers and mothers at their "fly-up" to Camp Fire Girls Monday night, May 15, at the Camp Fire Hut.

This group, Happy Blue Birds, is the only group this year to "fly-up" to Camp Fire Girls. Their leader, Mrs. Ervin Robinson, Jr. has worked for the entire three years with the girls in Blue Birds. Mrs. Walter London has assisted during the past year.

One of the outstanding features of the ceremony was the group repeating in unison the Blue Bird's wish:

"To have fun; To learn to make beautiful things; To remember to finish what I begin; To want to keep my temper most of the time; To go to interesting places; To know about trees and flowers and birds; To make friends."

The Watchword of Camp Fire is Wo-He-Lo, Wohelo, made up of the first two letters of work, health, and love. As Camp Fire Girls they try to give each of these a place in their lives.

Another significant part of the fly-up was when the father put his daughter's beanie on her and tied her scarf around her neck.

Mrs. Philip Barkley welcomed the girls into Camp Fire. She stressed the Camp Fire Law to the girls and parents. One of the things she pointed out was, "Camp Fire encourages the home as the center of activities." Also, she urged the parents to participate in special things the girls do and make an effort to be at special occasions.

Refreshments were served after the ceremony to the following girls and their parents:

Debra Lee, Valerie Denny, Kay Golden, Ginger Gholson, Jeanne Ann Gore, Peggy Sue Drummond, Lanny Buck, Pamela Miller, Sandra Willis, Julia London, Mary Robinson, Patsy Daniels, Becky Bell, Martha Kate Alkin, Carolyn Rushin, Sharon Roberson, Patricia Hill, Cindy Cavness, Mary Sue Gooch, Camille Pavicek, Cynthia Armstrong, Margaret Phipps, and Luann Kendall.

Da-Kon-Ya
The Da-Kon-Ya Camp Fire Girls met May 12 at the Camp Fire Hut. They worked on their program they plan to use at their tea to be held May 27th. Also during the meeting they practiced on the play they intend to present and sang some songs.

Those present at the meeting were: Ila Brinkman, Mary Gibson, Sharon Seiver, Joellen Hamilton, Kay Dirks, and leaders, Mrs. Gibson and Mrs. Dirks.

Plan Summer Adult Course In Homemaking

There will be a preliminary meeting of all persons interested in the Summer Adult Homemaking courses at 3 p.m. Thursday, May 18, in the Homemaking Department at Hereford High School.

Purpose of the meeting is to determine how many people are interested in the courses and what courses are preferred. Plans are being made to offer courses in upholstery, furniture refinishing, dressmaking, hat-making and shoe covering.

Anyone who is unable to attend this meeting but is interested in attending the sessions is asked to call one of the homemaking teachers at the high school in order that supplies can be ordered in ample time. Homemaking teachers are Mrs. J. J. Durham, Mrs. Frank Prowell and Mrs. Martha Sullivan.

AMARILLO GIRL VISITS
Miss Jean Terry, who is attending school in Amarillo, spent the weekend with her parents, Mr. and Mrs. George Terry, 231 Star.

MILLER TO VISIT FRANCE
Jed Miller, son of Mrs. Gladys Miller has notified his mother that he is leaving soon for Paris, France, where he will transact business for the El Paso Natural Gas Company, for whom he works. Miller, formerly of Dawn, expects to be gone about a month.

Mystic Seaport at Mystic, Conn., which covers 20 acres, is a recreated 19th century coastal village of the Age of Sail.

Two Grandchildren Of Resident In 'Roundup'

BY ARGEN DRAPER

When the 4-H teams go to Roundup, they should look for Donna Ruth Childers and Roy E. Childers Jr. These are grandchildren of Mrs. Ruth Service. Mrs. Service is proud of these two 4-Hers as Donna Ruth won individual Dairy Foods in Wichita County, and Roy Jr. won in Electricity. Roy had a model house and barn and showed adequate lighting for both the house and barn. Donna Ruth's dairy foods and she used the branches of a tree in the demonstration.

The Childers live between Iowa Park and Wichita Falls. Mrs. Service says that the Childers are a typical 4-H family in that the whole family takes part in 4-H activities. The entire family is going to Roundup to attend the State Contests.

Some more good news about a granddaughter: Lindsey Rose Dowell, granddaughter of Mr. and Mrs. Doyle Rose, was selected Outstanding Girl in the 9th grade class. Lindsey Rose attends school in Amarillo. Many of you remember her mother, Nona Deen.

I've noticed on the statements this month that several bookkeepers have added a "thank you" on the bill. One had added "thank you, sir."

A lot of homemakers are painting the interior of their homes. Someone has said that paints, like hats, never seem to remain static. A survey conducted for a leading paint manufacturer disclosed that about one-half of interior paint sold for application by consumers is applied by women.

This information from Blueford G. Hancock, Extension Horticulturist: Castor bean seeds are definitely poisonous to people and livestock. In our bulletin published by the agronomists on commercial castor bean production they point out that the seeds are poisonous and that care should be taken that children do not eat the attractive seeds and that the seeds are not mixed with human food or grain fed to livestock. It is true that the castor bean is commonly used as a screening plant in landscaping but nevertheless there is this problem associated with its use.

CORN-CRISPED FISH

Heat oven to moderate temperature (375 F.). Have ready 1 to 1½ pounds fish, cut in serving pieces. Dip pieces in ½ cup evaporated milk (thin milk just won't do).

Roll in mixture of 1 cup corn flake crumbs, 1 teaspoon salt, ¼ teaspoon pepper.

Place fish in shallow baking pan lined with Reynolds Wrap. Do not crowd.

Bake about 20 minutes or longer, depending on thickness of fish.

Serve with lemon slices, tomato or tartar sauce. Four or more servings.

Food Value In Onions Told At HD Club Meet

Food value contained in onions was explained to the Westway Home Demonstration Club at a recent meeting. Mrs. Joe Landers prepared Creole Onions and told that onions were very conducive to good health.

Onions, she said, contain vitamins A, B1, B2, C and Niacin. She encouraged those present to eat onions from Deaf Smith County for good health.

Mrs. Bess Werner presided and announced that the next meeting would be held May 25 at the home of Mrs. Homer Rudd. The program will be given on clothing construction details by Mrs. Argen Draper, county demonstration agent.

Those present included Mesdames Bess Werner, Paul Rudd, R. L. Wilson, Joe Landers, Bernice Northcutt, Joe Severance, Larry Robertson, Clarence Sauley, Luther Norvell, Kenneth Rudd, Charles Owens, Homer Rudd and Mrs. Harold Rudd, the hostess.

In the early days of Bermuda, the offense of Sabbath-breaking drew a penalty of two days in prison and a fine of 10 pounds of tobacco.

Funk Defends Championship Over Alaskan

Umbarger wrestler Dory Funk Saturday night successfully defended his North American Heavyweight Championship, taking two out of three falls over The Alaskan, a 290-pound grappler.

In the semi-final event, Kay Noble took two out of three falls over Barbara Baker and in a 20-minute special event, 475-pound Arkansas hillbilly Haystack Muldoon won over a newcomer to the Hereford area, George Grant.

Funk won the first and third fall, while The Alaskan took

the second. Funk will return to the Hereford arena, in Deaf Smith County Bull Barn, Saturday night, May 20, with big Bob Geigel as his partner to take on Ripper Leone and The Scorpion in a tag team main event.

Victor the wrestling bear will appear in the ring for a scuffle and one fall to the finish with Pretty Boy Collins.

Bob Geigel and Ripper Leone will open the nights matches with the first bout.

Matches will begin at 8:30 p. m. Saturday in the Bull Barn, sponsored by Hereford Lions Club.

How working couple saves time and steps, gets more done with extension phones

By DON DAVIS, Telephone News Writer

"My favorite phone is the Princess," says Ted Treadway. "The light-up dial's great. Also, the phone's handy for emergency calls."

"My green kitchen phone comes in real handy while dinner is cooking," says Norma Treadway. "I can make and receive calls while keeping an eye on things."

Junia Lynn Treadway, a third-grader, likes the phone in an alcove because she can sit on the floor and talk with friends.

What can extension telephones do for you?

Perhaps you can get some ideas from Ted and Norma Treadway. A working couple, they both take part in a large number of outside activities.

They have three colorful extension phones in their five-room home. These phones save them time and effort and give them more privacy. And the Treadways' bedroom phone gives them a comfortable feeling of security at night.

Why don't you see what extension phones can do for you? Just call the telephone business office or ask any telephone serviceman. Cost is low.

Ask about new Bell Chime. It announces your calls with a pleasant musical tone.

A Peek Into Future Of Graduating Seniors

EXPLOSIONS! CRASHES! and everything except an earthquake is happening at Hereford High School this week. The seniors have only one more day of school but those who have an attitude like Charles

Burrus is showing toward Mr. Burney McClurkin, his speech teacher, may be enjoying the atmosphere around here next year. (Brand Staff Photo)

Jane Auten and her husband are now owners of a new chain of dime stores. Eugene Baldwin, after graduating from Texas Tech, is now coaching the Baltimore Colts' Junior Pee-wees. Billie Jean Barnett is center for the Olympic Girls Basketball team.

Walteen Beavers will get a divorce because her husband doesn't like the way she fries steak. Pat Bell, the former "Miss America," is now driving a tractor for Charles on their farm. Robert Bell will

be the technical director for the Broadway hit produced by McClurkin and Moore.

Ada Mae Bettis is still waiting for Ronald to graduate from college so they can get married. Ken Betzen is singing in the Metropolitan Opera Company. Sandy Blythe will be a top designer for Chanelle in Paris. Ronnie Betkin, after graduating from M. I. T., is now fulfilling his life ambition of being a ditch digger.

Elizabeth Brorman is the assistant principal to the as-

stant principal to the principal for marking off names on absentee slips. Sandra Brumley is private secretary for Neill Civics Club Inc. Cecilia Burrus is now Hedda Hopper's private hair-stylist in Hollywood.

Charles Burrus will be Mr. Carol Sneed with diaper and bottles in hand. Ronnie Byers now has his own television program, "Where the Boys Are."

Roy Campbell has recently appeared on the Roy Rogers - Dale Evans show as the cowboy of the year. Ronnie Caster has part-interest in Martin's Ready - to - Wear. Seaman First Class Jerry Clark will be stationed at Timbuktu's Naval Academy.

Pam Clay has come back from her yearly trip to a Missouri twirling camp. Greg Combs, chosen 1971 All-State Basketball Player, will play for the Harlem Globe Trotters. Thomas Coffman will keep the ten-second record on the Sparkman Basketball team.

Mary Lois Coker will break the record and graduate from college in one and one-half years to catch the milkman. Sandra Combs is now general manager of Safeway Stores. Clint Coneway is president of the Piggly Wiggly Sackboys Union.

Zell Crump will be general manager of Robinson League Store. Karen Daniel will finish college and marry Obie and mow lawns. Molly Davis is still waiting for the right

one to come along, but she has ten nephews to keep her company. Carolyn Diller just had her eleventh child and said she was looking forward to her twelfth.

Belizario Dominguez is art designer for Life magazine. Martha Duncan finally earned promotion to the cosmetic department in the drug store. Don Dutton and Frank Dutton are outstanding farmers. Dewane Fryer lost his life savings in a poker game. Dean Jones is now Commanding Officer of the Muleshoe Military Academy.

Carol Kent is hostess at the new luxury hotel in the world's favorite playground, Seaside, Wanda Jouette is known for her wonderful new soft drink, Jouette's Juleps.

H. S. Fuller is still trying to sell his slave. Glenna Faye Gandy won a blue ribbon with her Mexican food. Julian Gandy poses for before and after body courses. Patsy Fowler is still changing her mind about who she wants to go with. Maybe she will find the right one some day.

Nancy Green married Bob Red. They have little reds everywhere. Craig Griffith sells cigarettes for Winston Company. Joe Hersley went to Hollywood to make movies. Lu Anne Higgins graduated from college first in her class. She goes to Dawn University.

Kylene Hodges and James Gentry are still engaged; they don't want to be hasty. Cherry

Holt won the Miss Universe title. Judy Bradley has her own zebra factory.

Charlie Thomas is now the head of Lee and Thomas optical in Bootleg Corner. Barbara Triefel will be nurse in the White House. Charles Vasek won a trip to Russia for developing a new kind of wheat.

Ruth Wagner is one of the first women preachers. Phyllis Ward is editor of the Hereford Brand. Franklin Watkins is chief at the Jim Hill Hotel and plays the piano while cooking.

Kay Woolery is head of a girl's posture school. Wendell Wilson is head of a Marine artillery course. Clyde Whitaker plays football for the Green-Eay Packers.

Wanda Higgins is the official portrait artist for horses entered in the Kentucky Derby. Carolyn Hammett has her own milk farm and gives a special discount on coats sold to Hereford High ex-students. Dick Feagin is now managing a kindergarten for the children of mothers who are shopping.

Sharon Farmer is the leading speaker for the Presidential candidate in his current campaign. Sandra Frank is the private secretary of the First Lady, the former Ginny Higgins. Anna Martin manages the men's Wear Department of Sears and Roebuck. Kenneth May manages the Women's Wear Department of Montgomery Ward. (Continued on page 2)

Question Of The Week

What is the most important or exciting thing that has happened to you during your high school years? (Question asked of seniors)

Carol Kent - Graduation is the most important thing to me because I will be getting out of school.

Mary Lois Coker - I think graduation is the most exciting thing that has happened to me since I've entered school.

Elizabeth Brorman - The most exciting thing that has happened to me this year is my Home Economics III class with the tailored buttonholes and Kay Woolery. The friends that I have made I will always remember.

Marjorie Muse - Graduation is really the most important thing. The friends I have made and all the experiences I have faced have made my four years of high school exciting and important.

Suzanne Yarbro - I would say one of the most exciting things that have happened to me in high school is when the 1960-61 cheerleaders were announced.

Clyde Whitaker - The victory over Phillips was the most exciting thing that has happened, and the most important is graduation and leaving some of the kids that I have gone to school with for 12 years.

Molly Davis - I'd say there has been nothing exciting happen to me; how could any-

thing happen in this school? The best thing is getting out for good.

Linda Renfro - This year has been exciting because I was a cheerleader, which has been simply wonderful. Looking forward to all the banquets and activities and knowing I will graduate has all been exciting.

Patsy Fowler - Besides graduation, I think the most important thing that has happened was visiting Lubbock where I plan to attend college this fall. I know that is going to be very exciting.

Lisle Patton - The thrill of getting caught skipping school was the most exciting; however, graduation has its place above all.

Letter From The Editor

Dear Student Body of HSH: This issue will be the last publication for the 1960-61 Whiteface staff. As you may have noticed, it is the senior class issue.

I hope members of the 1961 graduating class will keep this particular issue as a memento of their high school days and as the years pass it will be a reminder of the happy times we had together as a class.

On behalf of the staff and the sponsor, Mrs. Laceyell, I would like to say thank you for a wonderful year. We really have enjoyed giving you a school paper and we hope you have enjoyed reading it.

I wish all the success in the world to the 1961-62 staff. I know they will publish a school paper to be proud of. Thank you, Phyllis Ward, Editor

Tea, Style Show Honors Seniors

A tea-style show honoring the graduating seniors and their mothers was held at the Community Center on May 12, from 5 until 6 p.m.
Third year food classes prepared the tea table, which carried out a pink theme. The third year sewing classes presented a style show.
Phyllis Betzen, Linda Jones, Judy Rowland and Glenda Furman helped present the style show. This activity applies on degree work.

Seniors Will Prized 'Possessions'

We, the senior class of 1961, being of sound mind and body, do will the following to those named herein, as is the custom, as we pass on from Hereford High School on this the ninth day of May, in the year of our Lord, nineteen-hundred and sixty-one.

We, the senior class, so will the junior class one pack rat with elephant ears.

I, Bob Jackson, will Walker Parris to Khurschev, because with him on their side we can't lose. I also will the "stump jumpers" to Bobby Paetzold and Edward Allison.

I, Bud Martin, will David Sellers, Waits' mud grips so he can get his car off the streets.

I, Bobby King, being of weak mind and worse body, do hereby will to Ted Wimberley and Waldon Scott the name "Bird-speed" for the rest of this year and throughout next year.

I, Lisle Patton, being of unsound mind and soul, do will to Eldon Howell a pair of Roy Rogers spurs and a white horse.

I, Wendell Wilson, will to Stan Kropff my senior ring and diploma because he may never see either of them any other way. I also will my ability to constantly be in trouble to Gary Gearn, as if he needed it.

Joe Frank Huckert, Ken Wal-

ser and Gary Tannahill will to Miss Delores Wall the ability to get her farming and watering done before sundown, so

she will not have to do it at night.

I, Ken Walser, will the following: to Jenny Holt, a bottle of gin to make her generator gin, to Linda Edwards the nerve to holler something over the intercom at the community center, and to Kay Lemons and Linda Edwards, a box of Saran wrap.

I, Ginny Higgins, will to Judy Fowlkes hot sticky days, sleepless nights, and the absence of boys when she goes to Girls' State.

I, Joe Hersley, will my ability to be the only boy in short-hand to Butch Walterscheid, Jim Marnell and Roger Albracht.

I, Bill Ivie, will the caprock to Jerry Thomas, David, and Richard.

Clint Coneway wills to anyone who will take it, a four toned Studebaker - real cheap!

Cherry Holt and Patsy Loerwald will four pounds of coffee, 86 dirty cups, 250 annual covers, and all the fun of being President of FFA to Terry Anderson and Maribeth Gilliland.

Merry Kay Fruit and Patsy

Loerwald will their ability to ride the "wildmouse" in Dallas and get off in one piece to Nancy Edwards. We also will Nancy and Maribeth our share of the midnight snack.

Patsy Loerwald and Karen

Sue Daniels will all the late hours and fun of working on the annual to Nancy Edwards and

the rest of the annual staff.

I, Suzanne Yarbro, being of sound mind, will the cheerleaders of '61-'62 the ability to have three flats in one night coming home from a ball game.

The cheerleaders will the Student Council the ability of having dingy stunts in assembly.

Linda Renfro wills Toni Parker the ability to burn her leg on cheerleader trips and to carry hot bar-b-que for one mile in 103 degrees - below weather. She also wills Mar-Gwen Lackey many ticklish times at Renfro's.

I, Kay Cole, being of sound mind and body, will to Dianne Duvall and Nicky Newton the road by Robertsons which was willed to me.

Audrie Self wills to Nicky Newton and Patsy Livesay the ability to acquire a ring from Dimmitt.

I, Welsey Poarch, will number 88 to Butch Walterscheid. Also to McAddo of McAddo Drug, I will a franchise on the mechanical drawing class. I will the good times Hoffman and I had in the pup tent to anybody that wants them.

I, Edwin Thomas, being of sound mind and body, do hereby will the following: I grant Ken Loerwald the ability to have fun after baseball hayrides and I give to Jimmy Kassahn the presidency in the FBA.

I, Thomas Coffman, will to Ro-

nald Rayburn all the good times we had at Lubbock with the electric shoker. I also will Suzy Langley one genuine stick for her flower pot.

I, Clyde Whitaker, will to Diane Clearman all the good times we had in the afternoon after school.

I, Donny Lesley, will to Dan McDowell and Butch McCaslin many more good times at Austin and LaGrange. I also will, along with Thomas Coffman, the pair of horse hobbles for the old white mare to Eldon Howell.

I, Carl Miller, will Sharon Hill one Chinese sling shot. I also will Eldon Howell a black-haired Dimmitt girl who wants a date with him.

The '60-'61 varsity basketball team wills Mack Cansler many restful nights at Lubbock.

I, Dick Feagin, being of strong mind and weak body, do hereby will my most prized possession, my ears, to Mr. Ritchey so he can hear excuses better.

LaMar Townsend bequeathes to nobody nothin', 'cause he ain't got nothin', he ain't never gonna have nothin', and he's going to take it all with him.

Heidi Rutishauser wills to Beverly Boyer and Shari Prowell all the good times and exciting experiences she has had during her senior year. She al-

so wills her place as an exchange student to another girl from overseas.

Joining us this year were

I, Phyllis Ward, being composed of 99 per cent One-A-Day brand vitamins and one percent water, leave 150 cans of chocolate flavored metrecal to the cafeteria, with the hope that somebody will gain the weight I lost eating there.

Being with weak heart and bright teeth, I, Edgar Skypala, will my sheep hobbles that I got last year to Carl McCaslin and Dan McDowell. I will my sheep herder hat to Arnold Powell to keep the sun out of his eyes.

Pavlicek, Poarch and Lesley will the controlling interest in the speech class to Jim Kassahn, their best boy.

I, Ronnie Byers, will my ability to graduate to Stan Kropff.

I, Don Scott, will Nicky Bradford the ability to put brake shoes on her car.

Ken Betzen wills to Roger Albracht and Jimmy Dziuk a seat on one of the cracks in the choir risers.

I, Bill Noland, will to Edward Allison enough sense not to park in front of a girl's house until her dad comes to the door!

I, J. V. Perrin, will my cheat sheet to anyone who wants to be salutatorian next year. I also will to Jimmy Weathers my year's supply of Clorets.

Burrus, Poarch and Pavlicek will all the world's stale jokes to Joe Mack Hale, if he hasn't told them already.

(Continued on page 2)

AT LAST, GRADUATION has come, and it won't be long until the high school days for the seniors of 1960-61 will be only memories. Miss Delores Wall, senior class co-ordinator, is helping Pam Clay try on her long-awaited cap and gown. (Brand Staff Photo)

OFF THE Shelf

BY H. A. TUCK

Erich Maria Remarque covers a span of more than 30 years as a renowned author. His latest lives up to his fine tradition of realistic stories.

Heaven Has No Favorites, unlike many of his books, is not concerned with war. But the battle that encompasses Clerfayt and Lillian is no less compelling.

Visiting an old friend and auto racing companion, Clerfayt meets the hauntingly beautiful Lillian. She is in a Swiss mountain hotel with other tuberculars. Almost against his will, Clerfayt becomes her escort on forbidden parties in town during his stay. When he starts to leave for the racing circuits, she accompanies him.

They go to Paris where Lillian gets the remainder of her small inheritance and begins to enjoy her days of freedom. Clerfayt comes and goes, racing in Italy and the southern coast of France.

Sometimes he takes Lillian, other times she stays behind. But he keeps returning and finally, reluctantly, finds he is in love with her.

Clerfayt proposes to fix up a small home he owns on the Riviera and to retire from racing for an auto agency. Lillian felt that would make him different from the man who had attracted her.

When Clerfayt entered the tortuous road race in Monaco, Lillian had already decided to return to the sanitarium and another old friend, Boris Volkov. But she had to stay, to hear the reports of the race and watch the cars as they roar past the grandstand.

Remarque tells a sad story of love, typical of his tragic themes. Clerfayt and Lillian may fade away with time, but their feelings and unwilling love and desperation will linger with the reader for many years.

VISITS DAUGHTER

Mrs. Roy M. Pruitt spent Mother's Day in Amarillo with her daughter, Mr. and Mrs. Robert Ritzel. She was accompanied by another daughter, Miss Merry Kay Pruitt.

Question...

(Continued from page 1)

Patsy Loerwald — Being class favorite and getting to go to state for F. H. A. three years, and also all the wonderful people I have met was exciting.

Charlie Thomas — There hasn't been anything happen to me that is interesting, but it will happen the night that I get my diploma.

Ruth Wagner — There hasn't been anything happen to me except when I got to be in the senior play. This year would have really been dead without that. Getting out of good old H.H.S. is the very best thing.

Anna Martin — About the most important thing to me is really nothing; when I get out is what's going to be exciting. Franklin Watkins — The most exciting thing that has happened to me is the senior play. From the time we were chosen until the last night of it I had a superb time.

Charlie Burrus — My sophomore year when I went to basketball state with the varsity.

Jim Pavlicek — Mainly, the sophomore year when we had those early morning breakfasts and parties for the annual queen race. The most exciting was when we beat Phillips.

Wendell Wilson — I couldn't have enjoyed my H. H. S. years more. There are several things that I have enjoyed but I think I will remember the year we beat Phillips. There have also been other times such as when we went to Corpus Christi.

FORMER RESIDENTS DIES

Mr. Roland Jack, formerly of Hereford, passed away suddenly Monday morning at his home in Sulphur, Oklahoma. Death was attributed to a heart attack. During his residence in Hereford, Mr. Jack was employed as a salesman for Orsborn-Norwood.

EMERGENCY VISIT

Mr. and Mrs. Philip Shook and Mr. and Mrs. Ray Sefcik were called to Denver City Saturday because of the illness of Mrs. Robert Sefcik. Mrs. Sefcik is the mother of Mrs. Shook and Sefcik. She underwent surgery Saturday and is reported to be doing well at this time.

I, Johnny Welty, being of sound mind and body, will to Butch McCaslin the ability to skip school without being caught.

I, Pam Clay, will Linda Edwards all the 1961 white Fords in town. Watch out, "Boo-Boo!" I, Jackie McNeese, will my ability to have fun on band trips to all of the bandmembers of next year.

I, Steve McWhorter, here by will to Mr. Richey one official traffic cop badge so he can officially direct traffic on the parking lot and on public streets.

Kylene Hodges, Rita Martin and Colleen Reeves will their lovely homeroom way out in the Ag. building with all the tractors, chickens, and ag boys, and the pleasant walks to the building in the freezing snow, to any sucker that gets stuck out there!

I, Anna Martin, will to Mr. Hart's DE classes the ability to flunk pop tests.

I, Jackie Oldham, will Linda Edwards one big bowl of whipping cream courtesy of you know who!

I, Leon Vogler, will David Drager the ability to hit one out of every 20 shots in basketball and not to strike out in baseball.

I, Hannaball Sellers-Fuller, will my secret road to Dimmitt to anyone who can find it or to Linda Edwards.

I, Evelyn Hunter, will Mr. Stone and a certain table in biology to Vicky, Darlien, and Rondal.

I, Patsy Fowler, will my parking space in front of school to Geary Gearns.

I, Charles Vasek, will to Roger Albracht, the rights and privileges to park on the road in front of my house.

I, Tommy Sparkman, will to Joe Don Noland the ability to try to open trunks to other people's cars.

Colleen Reeves and Paula Moore will Linda Edwards the ability to stay out of trouble, and Linda, September 15 isn't very far away.

Eugene Baldwin will us his dessert in the cafeteria to anyone who likes Jackie Oldham. Sandra Moore will the speech class "From Rags to Riches"

A Peek...

(Continued from page 1)

Marty Martin has recently developed a new rose, the Martin and she also wills the Student Council a bathing suit.

I, Greg Combs, will Fred Martin the ability to make assemblies more interesting.

Carol Snead wills Lynton Allred many more sneaky telephone conversations and hopes that he has better luck in the future. She also wills Troy Don Moore a private extension on the telephone of a freshman girl. Paula Moore wills the sore on her chin to any girl who doesn't know what torture is.

I, James Gentry, alias "fuse-snatcher" will Dennis Rickman my ability to play intramural basketball.

I, Charlie Thomas, will Jay Boynton the ability to make a noise like a carrot.

I, Zell Crump, will to Linda Edwards the ability to keep the circle busy.

I, Carolyn Hargrett will my colorful language to Linda Stephens because she really needs it.

I, Charles Burrus, will Hereford High School one large tonic to keeps the halls free of mice.

I, Glenna Fay Gandy, will my upstanding honesty to school to Lavonne Thompson.

I, Joe Frank Huckert, will a marriage license to Wayne Hastings and Patti Skypala.

I, Hallie Mae Culpepper, will my P. E. shoes to whoever is wearing them.

Ann Sheppard, Molly Davis, and Kay Cole will the ability to chew gum in assembly and get caught at it to Miss Delores Wall.

There are many wonderful materials being made from cotton today. Beautiful beyond the housewives imagination 20 years ago.

Cotton for many years has been part of our economy of this area. Cotton continues to put money in our area and we want to take this means of saluting the cotton growers of this area.

When we are told of the Hot, Dry, Synthetics, why not remember how cool and comfortable cotton is... whether it be a clean cotton shirt, blouse, dress or other cotton garments. After all cotton is one of the crops we produce. It is a indispensable raw product. Let us support it with our purchasing power; for that is one way in helping ourselves and helping our fellow farmers.

Veleda Study Has Dinner And Installation Tuesday Night

Mrs. Charles Bell was hostess recently to members of the Veleda Study Club at her home at 1101 Union. Occasion was the annual installation of officers.

Veleda Study Club was organized April 21, 1960, with sixteen charter members.

Mrs. Gid Brown, outgoing president, installed the following new officers: Mrs. Labry Ballard, president; Mrs. Charles Bell, vice-president; Mrs. Charles Hoover, recording secretary; Mrs. Gerald McCaskill, recording secretary-reporter; Mrs. Charles Hoover, treasurer; Mrs. Gid Brown, parliamentarian; and Mrs. Hugh Clearman, historian.

A salad supper was served from a table covered with a white linen cloth and centered with an arrangement of iris.

Members present were Mrs. Charles Bell, Mrs. Labry Ballard, Mrs. Charles Bell, Mrs. Gerald McCaskill, Mrs. George Ritter, Mrs. Charles Hoover, Mrs. Gid Brown, Mrs. Hugh Clearman, Mrs. Jess Robinson, George Ritter, James Alston, Labry Ballard, James Boyd, Bill Bradley, Gid Brown, Wendell Burdine, Hugh Clearman, Dick Godwin, Charles Hoover, Kenneth Malone, Gerald McCaskill and Gwynne Owen.

The language of West Africa is Hausa, which is spoken by about 15 million people.

REP. WALTER ROGERS WRITES

'Commencement' Means A Beginning, Not The End

TO THE PEOPLE OF THE 18TH DISTRICT:

This month more than 3,000 young Americans will be graduated from High Schools in the 18th Congressional District. Some of them will begin careers immediately while others will continue their education at colleges and universities all over the nation.

But whatever their future plans and ambitions, the day when these young men and women are handed their diplomas is a proud one not only for the students themselves but also for the parents and teachers who have done so much to ensure that an education means understanding as well as knowledge.

Here in Washington, I am always reminded of our High School graduations as thousands of students from across the United States arrive for class visits. As they walk through the Capitol building and see the Congress in session, it will be only a few months until they begin to accept the responsibility for furthering the heritage which was in considerable part forged in that very building.

I trust that none of them ever ignores the fact that this heritage, which has made America so strong and free, is not something which was completed before their time. It is true that the basic groundwork was laid almost 200 years ago and that many significant advances have been made since. Nevertheless, the opportunities and even the necessities for building the American ideal are just as demanding in 1961 as they were in 1776.

After receiving their High School diplomas, our young people will confront a world which demands the utmost in precise thinking and resolute action. While our forefathers began a nation with the plow, the hoe, and the axe, people of today and tomorrow will continue the process with

tools a thousand times more complex.

This complexity should not frighten these young people for within it lies the potential for great good. They should be aware that the potential for great harm is also there, and that their efforts can be directed against that harm.

In addition to this, I hope that the prospective graduates will remember that democracy is the most difficult of all possible forms of government. There is a trend in our nation to leisure and comfort, and it makes us all happy that more and more are reaping the benefits of our phenomenal advances.

But the processes of our government can never become as simple and as carefree as many other facets of life. The leadership in the United States cannot summarily carry out this or that measure without taking into account the interests of millions.

This usually requires time, and even the revolution which has occurred in our communications system has not overcome the lengthy consideration which must be applied to most

of our decisions. Many of us become impatient with the delays which surround much governmental action.

A smoother-running and more responsive government depends to a great extent upon a well-informed people, and I think the students who are about to graduate from High Schools all over the Panhandle will play a major role in this regard. With twelve years of a fine education behind them, these youngsters are well prepared to grapple with the far-reaching and often confusing problems of an adult democratic society and sound government.

The graduation exercises will mean a fine reward to those who have worked and studied for what to them seems so long a time. To me, however, commencement always symbolizes the constant striving of people for a better understanding of our world, a striving which is the hallmark of a democratic government.

NEWSOM REUNION

Mr. and Mrs. Guy W. Newsom had all their children and grandchildren home for the Mother's Day weekend. The family also celebrated Mrs. Newsom's birthday.

Saturday evening the group enjoyed an outdoor fish fry. On Sunday morning they attended church together, followed by a family dinner at the Newsom home.

Present for the occasion were Capt. and Mrs. John Newsom, Debra and Vickie, of FAC, Dover, Del.; Mr. and Mrs. Wayne Newsom, Linda, Cynthia and Karen of Garden City, Kan.; Mr. and Mrs. Norman Bookout of Lubbock; Mr. and Mrs. Carroll Newsom, Janice, Robert and Nancy of Hereford and the hosts, Mr. and Mrs. Guy W. Newsom.

KANSAS VISITORS

Mr. and Mrs. G. L. Nold have returned to their home in Arkansas City, Kansas, after a visit in the home of their daughter, Mr. and Mrs. M. W. Heatherington.

ODESSA GUESTS

Mr. and Mrs. H. B. Baker of Odessa spent Saturday and Sunday in the home of her brother, Mr. and Mrs. John Orsborn and Judy. They returned their grandmother, Mrs. J. T. Wilson to her home in Odessa following a week visit here. Mrs. Charlie Landreth, his mother, will remain for a longer visit.

Bon't Be Bashful About Borrowing!

We make installment loans for any worthwhile purpose, and we can take care of your needs without red tape or delay.

AND AT REASONABLE BANK RATES, TOO!

25% DISCOUNT in cost-per-mile!

Now, for not one penny more than you pay for conventional 1st line nylon tires you can have Gates Air-Float Deluxe in the low profile design that gives you 25% to 30% more miles. You save fully one-fourth of the dollars you spend on tires—a 25% discount in cost-per-mile!

TESTED more than 10 MILLION MILES

Because it is built lower and wider (closer to the true running shape of a tire) Gates Air-Float Deluxe low profile design greatly reduces the major cause of tire wear—scuffing of the tread caused by excessive flexing as the tire runs. Heat, another enemy of tire life, is also greatly reduced. That's why this tire gives average drivers a bonus of 5,000 miles or more—a fact proved by more than 10 million miles of carefully recorded fleet tests.

Unconditional ROAD-HAZARD GUARANTEE

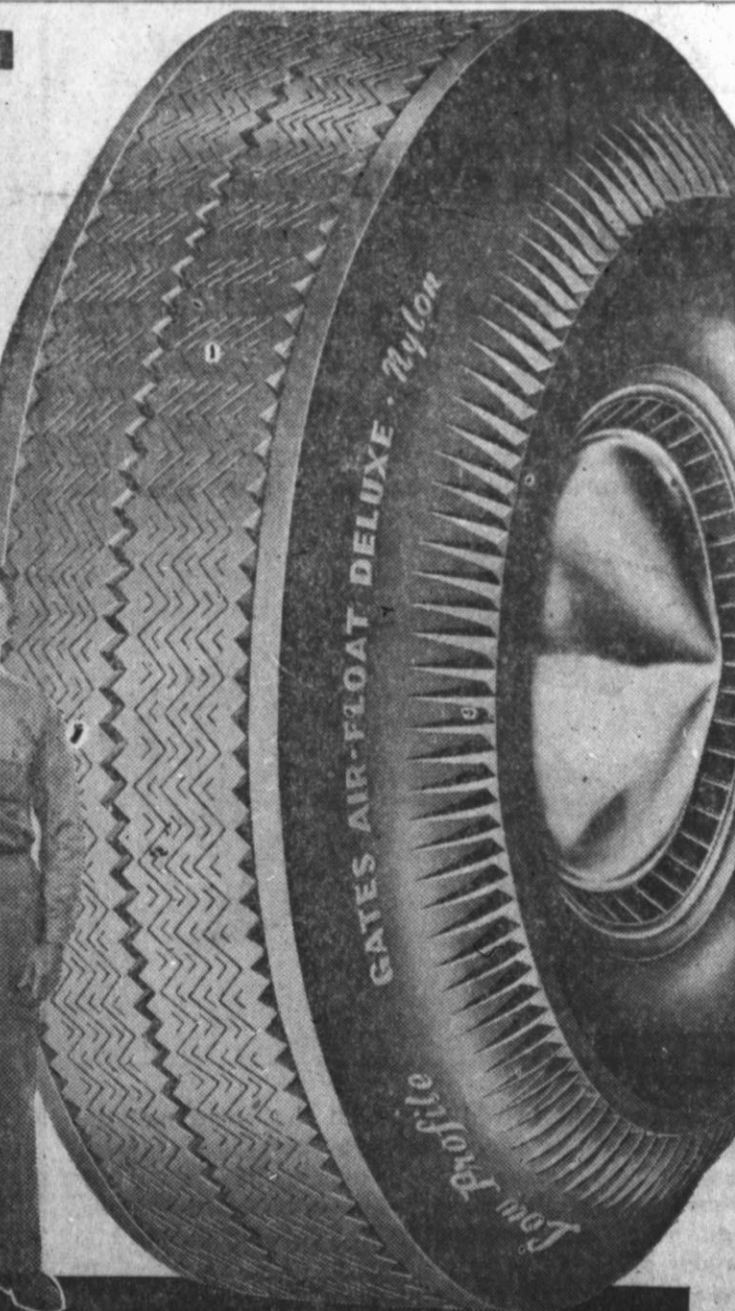

against ANY tire failure for the entire life of the long-wearing tread—no time or mileage limit! Should tire fail for any reason, you get a new tire, with full credit for unused mileage, based on Gates standard, nation-wide adjustment schedule.

The Newest Developments
in HYBRIDS

SCOTT 500

Here is a short-stalked, red grain hybrid with great
yield potential and wonderful stand ability. Stalk
height is about 12 inches shorter than RS 610. Red
Grain (darker than RS 610 grain) on very large
medium-dry heads. About same maturity as TX 660
and outstanding in ability to stand and to yield.
Adapted to dryland or irrigation. 110 days to
mature.

SCOTT 450

An early grain hybrid of about the same maturity
as RS 610. It is very similar to Scott 500 (above)
but earliness makes this an outstanding hybrid for
areas needing this factor. Red grain, large heads,
high yield and shorter stalks make Scott 450 a
highly desirable early grain hybrid. 95 days to
mature (12 to 18 shorter than 610).

- - A GREAT PAIR OF TRUE COMBINE
HEIGHT HYBRIDS.

Leading Texas and RS Hybrids — all grown
on our own farms — processed in our own
plant, winter grown in Mexico.
